I- Cinge-se a controvérsia em perquirir o acerto ou desacerto da sentença impugnada, que indeferiu a petição inicial, sob a fundamentação de existência de três ações, esta e outras duas, ajuizadas pela autora buscando anular descontos, supostamente indevidos, o que configuraria ausência de interesse processual, uma vez que a parte deveria ajuizar somente uma demanda. II- No caso concreto, conquanto os processos versem sobre matéria similar, ou seja, cobranças indevidas; referem-se a descontos de timbres, contratos e períodos diversos; assim, relações jurídicas distintas. Patente, pois, a legitimidade e o interesse processual. III- O fundamento utilizado pelo magistrado sentenciante não se aplica ao caso sub judice, ante a diferenciação entre as ações paradigmas por ostentarem como causa de pedir contratos diversos, o que descaracteriza a multiplicidade de ações; afastando-se, pois, a ocorrência do instituto da conexão e, ainda, a possibilidade de ocorrência do mero risco de decisões conflitantes, a que se refere o art. 55, § 3º do CPC. IV- Em que pese se tratar das mesmas partes, o fato de cada processo ostentar Contratos distintos, já é o suficiente para que se permita o processamento em separado, porquanto, antes de ser uma obrigação, a reunião dos pedidos em uma só demanda é uma faculdade (art. 327, CPC). V- Em homenagem aos princípios da cooperação, da inafastabilidade da tutela jurisdicional e da primazia do julgamento de mérito; devem os autos retornar ao juízo de origem para que a inicial seja recebida, processada e sentenciada, na forma da lei. 	INDEFERIMENTO DA INICIAL. VIOLAÇÃO DOS PRINCÍPIOS DO ACESSO À JUSTIÇA E DA PRIMAZIA DO JULGAMENTO DE MÉRITO. CERCEAMENTO DO DIREITO DE DEFESA . SENTENÇA CASSADA. RETORNO DOS AUTOS À ORIGEM PARA REGULAR PROSSEGUIMENTO DO FEITO. RECURSO CONHECIDO E PROVIDO. 1 . Trata-se de recurso de apelação interposto contra sentença que decretou a extinção do processo, sem julgamento do mérito, por ausência de legitimidade ou de interesse processual, na forma do art. 485, VI, do CPC, sob o fundamento de que o ajuizamento de demandas de massa pelo apelante viola os princípios da razoável duração do processo, eficiência e da cooperação, expondo a falta de interesse de agir, e que o ajuizamento de duas ações contra a mesma parte, sobre o mesmo assunto, configura abuso de direito da autora. 2. Inicialmente, embora a sentença mencione que a autora tenha ajuizado 2 (dois) processos diferentes contra a mesma instituição financeira, devo observar que a configuração de conduta predatória do apelante não ocorre pela simples verificação da quantidade de ações ajuizadas, mas pela presença de outras circunstâncias associadas, como por exemplo, o fracionamento indevidos de pedidos relativos a um mesmo contrato em diferentes ações ou o ajuizamento da mesma ação (parte, pedido e causa de pedir) em diferentes varas ou comarcas, visando escolher o juízo que lhe parece ter o entendimento mais favorável, para depois desistir dos outros processos, burlando o princípio do juiz natural, o que não ocorreu no caso dos autos, visto que uma ação se trata da cobrança de Seguro e a outra de Tarifas bancárias . 3. Além disso, ainda que semelhantes, as ações são diferentes e inexistente conexão entre elas quando tiverem como causa de pedir diferentes contratos, ainda que haja identidade de partes, pois cada contrato envolve diferentes objetos, valores e circunstâncias a serem apreciadas individualmente, razão pela qual não deve haver a reunião dos processos nesses casos. 4. Desse modo, é absolutamente irrazoável a conclusão de que o ajuizamento de diversos processos contra instituições financeiras diversas, em que cada um aborda sobre um contrato diferente do outro, constitua fragmentação indevida de ação . 5. Em ações cuja discussão envolve a existência ou validade de negócios jurídicos relacionados a contratos bancários, em que a causa de pedir gira em torno da falha na prestação de serviços bancários, a simples evidência da violação do direito da parte, como a demonstração da existência de inclusão de descontos do benefício previdenciários através de extrato do INSS, em razão do contrato que afirma ser fraudulento ou indevido, é suficiente para evidenciar o interesse de agir da parte em fazer cessar a violação de seu direito e a responsabilização civil pelos danos sofridos. 6. No caso dos autos, a parte autora alega estar sendo alvo de cobranças indevidas pelo banco promovido, que estaria descontando de seu benefício previdenciário valores referentes a prestações de um Seguro que afirma não ter contratado, e instruiu a inicial com cópia do documento pessoal de identificação (p . 26); comprovante de residência (p. 27); procuração ad judícia assinada de próprio punho (p. 29); extrato da conta Bradesco em que consta a inclusão dos descontos referentes ao contrato de Seguro, em favor do banco promovido (p. 31/46) estando a petição, portanto, lastreada em documentos que evidenciam minimamente a presença de pressupostos de constituição e de desenvolvimento válido e regular do processo . 7. Ressalto, ainda, que em ações cuja questão controvertida é a negativa da contratação do empréstimo e a existência de descontos indevidos referente ao mesmo, cabe à parte autora a demonstração da existência dos referidos descontos, ao passo que é ônus da prova da instituição financeira comprovar a contratação do serviço e apresentar aos autos o instrumento contratual, a fim de que seja submetido à análise de existência e validade do negócio jurídico, assim como a comprovação da transferência dos recursos oriundos do empréstimo para a conta do consumidor, pois, em se tratando de relação de consumo, deve ser observada a aplicação da inversão do ônus da prova em favor do consumidor, imputando-se à instituição financeira a juntada dos documentos que por ela devem ser mantidos, por serem considerados de posse obrigatória, em decorrência da atividade desempenhada, como é o caso dos instrumentos do contrato. 8. Nesse contexto, estando descaracterizada a existência de demanda predatória e evidenciada a causa de pedir, a legitimidade da parte e o interesse processual, há de se reconhecer a ausência de justa causa para a extinção do feito, por violação dos princípios da inafastabilidade da tutela jurisdicional e do devido processo legal, consagrados pelo art . 5º, XXXV e LIV, da Constituição Federal, comprometendo a finalidade do processo, que é a satisfação do direito material pela primazia da sentença de mérito, nos termos dos arts. 4º e 6º, do CPC. 9. Recurso conhecido e provido . Sentença anulada. Retorno dos autos à origem para o regular processamento do feito. Processo	3000421-30.2025.8.06.0030
	 APELAÇÃO CÍVEL. DIREITO PROCESSUAL CIVIL. TARIFAS BANCÁRIAS E SEGURO PRESTÁMISTA EMPRÉSTIMO CONSIGNADO. INSURGÊNCIA DA PARTE AUTORA CONTRA O INDEFERIMENTO DA PETIÇÃO INICIAL E EXTINÇÃO DA AÇÃO SEM RESOLUÇÃO DO MÉRITO (ART. 330, III, DO CPC). AJUIZAMENTO DE DIVERSAS AÇÕES QUE NÃO RELEVA A AUSÊNCIA DE INTERESSE DE AGIR. PROCESSOS FUNDADOS EM CONTRATO DIVERSO. CAUSA DE PEDIR DISTINTAS. REUNIÃO POR CONEXÃO. IMPOSSIBILIDADE. RECURSO CONHECIDO E PROVIDO. SENTENÇA ANULADA. 1. Trata-se de apelação cível proposta pela parte autora, em desfavor da sentença que indeferiu a petição inicial julgando extinta a ação e sem resolução do mérito, por ausência do interesse recursal. A controvérsia cinge-se em analisar se há falta de interesse processual em face do ajuizamento de várias ações que versam sobre fatos semelhantes, ao invés de propor uma única ação englobando tudo. 2. Em relação ao abuso do direito de ação ou "uso predatório da jurisdição", embora essa prática seja temerária, não se enquadra na hipótese prevista no art. 330, inciso III, do CPC, pois o interesse de agir está presente, consubstanciado no binômio necessidade/adequação. Sob essa perspectiva, a necessidade deriva da proibição da autotutela no ordenamento jurídico brasileiro, implicando que, na ausência de meios próprios para buscar a realização de suas pretensões, o demandante deve recorrer ao Estado-juiz. Por outro lado, a adequação refere-se ao uso de instrumentos processuais apropriados para alcançar a tutela jurisdicional almejada. 3. Sob esse prisma, a argumentação do magistrado de primeira instância de que a existência de múltiplas ações movidas para anular contratos de empréstimo consignado indica falta de interesse processual, uma vez que o autor deveria ter apresentado apenas uma demanda, não é válida. Isso se deve ao fato de que, em situações de conexão entre ações, a consequência processual é a junção dos processos para julgamento conjunto e não a sua extinção por ausência de interesse de agir. 4. A conexão entre processos evita decisões conflitantes ao julgar casos semelhantes simultaneamente pelo mesmo juízo. Neste caso, apesar de envolverem cobranças indevidas de empréstimos consignados, os processos têm objetos distintos, tratam-se de diferentes contratos. 5. Cumpre destacar, ainda, que a sentença recorrida viola o princípio da cooperação, conforme estabelecido no art. 6º do CPC, além de infringir a garantia constitucional da inafastabilidade da tutela jurisdicional, como previsto no art. 5º, XXXV, da CF. 6. Observa-se, portanto, que o Juízo a quo, ao prolatar a sentença, não agiu com acerto, incorrendo em error in procedendo. Diante disso, a anulação da sentença e o retorno dos autos ao Juízo de origem para o regular processamento é medida que se impõe. 7. Recurso conhecido e provido. Processo	3000843-54.2024.8.06.0122
	Presidente/Relator RELATÓRIO Trata-se de Apelação Cível interposta por Maria Pontes da Silva com o objetivo de reformar a sentença proferida pelo MM. Juiz de Direito Daniel Alves Mendes Filho, da Vara Única da Comarca de Mauriti, que julgou parcialmente procedente a Ação Declaratória de Inexistência de Débito c/c Repetição do Indébito e Indenização por Danos Morais ajuizada pela ora apelante em desfavor de Bradesco Capitalização S/A. A referida ação visa à declaração de inexistência de relação contratual entre as partes, à fixação de indenização a título de danos morais e à devolução em dobro de parcelas indevidamente descontadas do benefício previdenciário da autora/apelante. Ao analisar o conjunto probatório acostado aos autos, o juízo singular destacou que "[...]" a parte requerida teve oportunidade de comprovar a regularidade dos débitos indicados nos autos, mas não se desincumbiu de tal ônus, sendo que deixou de apresentar qualquer tipo de contrato ou documento assinado pela parte autora que indique a contratação. Assim não produziu prova concreta que demonstrasse a existência da relação contratual ou anuência da parte autora que originaram os débitos [...]. Assim, a ação foi julgada parcialmente procedente, com o indeferimento da indenização por danos morais pleiteada, conforme sentença de ID. n.º 27083406. a) Declarar a nulidade dos descontos impugnados, com a consequente cessação definitiva dos descontos efetuados no benefício previdenciário da parte demandante; b) Determinar ao demandado a restituir de forma simples as parcelas descontadas até março de 2021, caso existam, e em dobro as descontadas após março de 2021. Sobre tais valores incidirão correção monetária pelo índice IPCA desde cada desconto e juros de mora pela variação da TAXA SELIC mês a mês, também a partir de cada desconto (Súmula 54/STJ), deduzida a correção monetária calculada pelo IPCA/IBGE (art. 405 c/c art. 406, § 1º, CC), com a ressalva de que não haverá incidência de juros moratórios (taxa de juros ZERO) se a diferença entre a subtração do IPCA da taxa SELIC for negativa, consoante o art. 406, § 3º, CC.

 </p><p style="text-align: justify; padding-left: 270px;"> Aqui destaco as demandas "desnecessariamente fracionadas". É o caso presente. Observe-se que a parte autora é a mesma, assim como a causa de pedir (negativa de contratação de tarifas e/ou empréstimos bancários), no mesmo benefício previdenciário / conta bancária, divergindo apenas os contratos/descontos, de modo que não há nenhuma necessidade/utilidade no fracionamento de tais demandas. </p><p style="text-align: justify; padding-left: 270px;"> [...] </p><p style="text-align: justify; padding-left: 270px;"> Ademais, é do entendimento deste Juízo que o dano moral é fenômeno que repercute como um todo na esfera individual quando diz respeito ao mesmo contexto fático, de modo que eventual fracionamento de demandas no afã de angariar diversas condenações em danos morais revela conduta que busca utilizar o sistema processual para enriquecimento sem causa, devendo ser tal comportamento coibido pelo Juízo, na forma do art. 142 do CPC.&#160; </p><p style="text-align: justify; padding-left: 270px;"> Desta feita, como amplamente narrado acima, o fracionamento das ações configura abuso de direito, violando os princípios da boa-fé e da cooperação, esvaziando o interesse de agir para propositura da presente ação. </p><p style="text-align: justify; padding-left: 270px;">
 </p><p style="text-align: justify; text-indent: 8%;"> Tudo isso considerado, a fim de que se evite decisões contraditórias, urge que seja realizada a reunião dos processos que contêm identidade, ou seja, que contam com as mesmas partes, causa de pedir e pedidos, em respeito à previsão do art. 55, CPC, in verbis. </p><p style="text-align: justify; text-indent: 8%;">

Trata-se de Apelações Cíveis objetivando a reforma da sentença proferida pelo Juízo da Vara Única da Comarca de Aracoiaba, nos autos da Ação Ordinária que fora ajuizada por Adail Alves da Silva em desfavor de Banco Bradesco S/A. II) QUESTÃO EM DISCUSSÃO: 2. O cerne da controvérsia consiste em verificar o interesse de agir do Autor, dado o fracionamento de ações e suposto abuso no direito de demandar. III) RAZÕES DE DECIDIR: 3. Recurso da parte requerida não conhecido por ausência de dialeticidade. 4. No caso, tem-se relação de consumo, figurando o Promovente como consumidor e o banco como fornecedor de serviços, sujeito à eventual responsabilização, conforme os arts. 12 e 14 do CDC. 5. D o exame dos autos, nota-se que o autor ajuizou 7 (sete) ações anulatórias de débito c/c indenização por danos materiais e morais contra a mesma instituição financeira, e que, em vez de reunir as causas de pedir e os pedidos contra o mesmo réu em um único feito, desmembrou cada um dos contratos em diversos processos, como muito bem delimitou o d. Juízo singular, apesar de todas elas terem identidade e afinidade no que pertine à causa de pedir e aos pedidos. Sendo assim, mostra-se correto o decisor recorrido, considerando-se necessária, portanto, a reunião dos supraditos processos para que se evite julgamentos contraditórios, nos termos do art. 55, §3º, do CPC. 6. Por último, a sentença recorrida se encontra devidamente fundamentada, com exposição clara do entendimento do d. juízo de primeiro grau, em consonância com o art. 93, IX, da CF/1988, não vindo a calhar o argumento sobre carência de fundamentação levantado na apelação. 	O cerne da controvérsia consiste em verificar o interesse de agir do autor, ora apelante, dado o fracionamento de ações e suposto abuso no direito de demandar. 2. Inicialmente, tem-se relação de consumo, figurando o promovente/apelante como consumidor e o banco/apelado como fornecedor de serviços, sujeito à eventual responsabilização civil, conforme os arts. 12 e 14 do CDC. 3. Do exame dos autos, nota-se que o autor ajuizou 17 (dezesete) ações anulatórias de débito c/c indenização por danos materiais e morais contra diferentes instituições financeiras, muitas delas contra o banco apelado, alegando, em resumo, não ter firmado os empréstimos consignados e requerendo restituição de valores e indenização correspondente, e que em vez de reunir as causas de pedir e os pedidos contra o mesmo réu em um único feito, desmembrou cada um dos contratos em diversos processos, como muito bem delimitou o d. Juízo singular, apesar de todas elas terem identidade e afinidade no que pertine à causa de pedir e aos pedidos. Sendo assim, mostra-se correto o decismum recorrido, considerando-se necessária, portanto, a reunião dos supraditos processos para que se evite julgamentos contraditórios, nos termos do art. 55, §3º, do CPC. 4. Por último, a sentença recorrida encontra-se devidamente fundamentada, com exposição clara do d. juízo de primeiro grau, em consonância com o art. 93, IX, da CF/1988, não vindo a calhar o argumento sobre carência de fundamentação levantado na apelação. 5. De mais a mais, constata-se nesta e. Corte a existência de inúmeras demandas praticamente idênticas patrocinadas pelo causídico do autor/apelante, de modo que é aceitável que o órgão competente averigue eventual postura irregular de sua parte, desestimulando, assim, o exercício abusivo do direito de demandar. Precedentes. 6. Apelação conhecida e desprovida. Sentença mantida. (Apelação Cível - 0201642-39.2022.8.06.0154, Rel. Desembargador(a) JOSÉ RICARDO VIDAL PATROCÍNIO, 1ª Câmara Direito Privado, data do julgamento: 05/07/2023, data da publicação: 05/07/2023). [Grifou-se] DIREITO CIVIL E PROCESSUAL CIVIL. FRACIONAMENTO DE DEMANDAS SIMILARES. CONEXÃO. APURAÇÃO DE POSTURA INADEQUADA DO PATRONO ATIVO. APELO DESPROVIDO. 1. A controvérsia recursal na demanda diz respeito ao interesse de agir da promovente no feito, além do fracionamento de ações e suposto abuso no direito de demandar. 2. Em um primeiro momento, frisa-se a relação de consumo no ato, situação em que a parte ativa figura como consumidora, ao passo em que a instituição bancária consta na posição de fornecedora de serviços, sujeita à eventual responsabilização civil, nos termos dos arts. 12 e 14, CDC. 3. No caso concreto, observa-se um número excessivo de demandas ajuizadas pela promovente em face de instituições bancárias, havendo, em seu nome, 38 contendidas para discutir contratos de empréstimos consignado e descontos indevidos em seu benefício econômico. Apesar de discutirem contratos diversos, nota-se identidade entre as lides alhures, considerando que são as mesmas as causas de pedir e os pedidos. 4. Sendo assim, assiste razão o decismum vergastado, no que considera-se como necessária, ainda, a reunião dos supraditos processos para que se evite julgamentos contraditórios, aos termos do art. 55, §3º, CPC. 5. Outrossim, tem-se como devidamente fundamentada a sentença combatida, tendo o magistrado exposto toda sua linha de raciocínio e argumentação, vide art. 93, IX, CF, cabendo, pois, o afastamento de carência de fundamentação suscitado em recurso. 6. Ademais, observa-se que consta perante esta Egrégia Corte de Justiça inúmeras demandas praticamente idênticas conduzidas pelo causídico da autora, de modo que é justo que o órgão competente averigue eventual postura irregular de sua parte, desestimulando, assim, o exercício abusivo do direito de demandar. 7. Rememore-se o caso. Nos autos, ação anulatória de débito c/c danos materiais e morais. Nessa perspectiva, a Parte Autora alega que foi surpreendida com a cobrança de empréstimo não contratado. Enfatizou que as relações jurídicas que desencadearam as cobranças por parte do promovido são indevidas. Ao final, pugna pela anulação do contrato e condenação do demandado ao pagamento de indenização por danos morais e materiais, em razão dos descontos indevidos. Eis a origem da celeuma. 2. Inicialmente, mister consignar que o Juízo Primevo deferiu o benefício da Assistência Judiciária Gratuita à Parte Autora, o que deve ser conservado. 3. MULTIPLICIDADE DE DEMANDAS PROPOSTAS PELA

	AUTORA: 38 (TRINTA E OITO) AÇÕES NA COMARCA DE QUIXERAMOBIM: Nada obstante, a análise meritória da demanda foi impactada ante a constatação judicial da multiplicidade de ações propostas pela Autora, a saber: 38 (trinta e oito) na Comarca de Quixeramobim, todas ajuizadas no dia 30.03.22, donde se verifica o mesmo objeto, igual causa de pedir e idêntico pedido, mas tais exordiais foram distribuídas isoladamente e individualmente. 4. CONEXÃO: A jurisprudência do STJ tem entendido que, por ser uma faculdade do julgador, a decisão que reconhece a conexão ou a continência não impõe ao magistrado a obrigatoriedade de julgamento simultâneo dos feitos. O magistrado, a seu critério e diante de cada caso concreto, verificará a utilidade do julgamento simultâneo, com vistas a privilegiar a economia processual. Paradigmas do STJ. 5. SINTOMÁTICA POSTURA DISFUNCIONAL DO CAUSÍDICO: A essa altura, o Julgador Pioneiro enfatiza que o Advogado merece reprimenda. 6. DESPROVIMENTO do Apelo, para conservar a sentença por irrepreensível, pelo que se verifica a necessidade de extração de cópias dos autos para envio a Ordem dos Advogados do Brasil, Seccional do Ceará - OAB-CE, bem como a remessa de traslado do feito para a douta Corregedoria-Geral da Justiça do Ceará ¿ CGJ-CE, que melhor dirão. DESLEALDADE PROCESSUAL EM OBTER VANTAGEM INDEVIDA. APLICAÇÃO DE MULTA DE OFÍCIO. MANUTENÇÃO DA SENTENÇA EXTINTIVA. RECURSO CONHECIDO E IMPROVIDO. SENTENÇA INALTERADA. 1. Foi indeferida a petição inicial da Ação Declaratória de Inexistência de Relação Jurídica sob o fundamento de que, a parte opta pelo fracionamento de ações, o que consiste em um verdadeiro abuso de direito de demandar. 2. Entretanto, em suas razões recursais, a apelante limita-se a defender a necessidade de ajuizamento de diferentes ações para cada contrato consignado não realizado com o Banco promovido. 3. . O fracionamento das ações, como a do presente caso, consiste em um verdadeiro abuso do direito de demandar, na medida em que a autora ajuizou diversas ações contra a mesma parte, inclusive veiculando pedido idêntico, no caso, a declaração de inexigibilidade de débito, configurando conduta processual temerária e abusiva, a qual o Judiciário não pode dar guarida. 4. Recurso conhecido e improvido. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 2ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, em conhecer o recurso interposto e negar-lhe provimento, nos termos do voto da relatora. 	Morais e Repetição do Indébito ajuizada pelo ora apelante em desfavor do Banco Santander (Brasil) S/A.&#160;</p><p class="MsoNormal" style="text-align: justify;"> &#160; II) QUESTÃO EM DISCUSSÃO</p><p class="MsoNormal" style="text-align: justify;"> &#160; 2.&#160; O cerne da controvérsia consiste em verificar a existência do interesse processual do Autor, ora Apelante, na ação originária, dado o fracionamento de ações e o suposto abuso no direito de demandar.</p><p class="MsoNormal" style="text-align: justify;"> III) RAZÕES DE DECIDIR<p class="MsoNormal" style="text-align: justify;"> 3.&#160; Analisando-se os autos, verifica-se que o Juízo originário&#160; constatou a existência , na mesma Comarca, de 4 (quatro ações do Promovente/Apelante&#160; que veiculavam &#160;pedidos idênticos (inexistência/nulidade do contrato com repetição do indébito e indenização por danos morais), contra o banco ora apelado, todas&#160; protocoladas na mesma data.&#160; Nota-se, de forma inequívoca, que tais ações têm objetivo e causa de pedir&#160;idênticos entre si. Alega o promovente, em síntese, não ter celebrado os respectivos contratos impugnados, razão pela qual requer a restituição dos valores indevidamente descontados, bem&#160;como indenização pelos danos morais resultantes da conduta da instituição financeira&#160;promovida. Porém, em vez de reunir as causas de pedir e os pedidos contra o demandado em&#160;um único feito (o que reduziria as demandas à quantidade de apenas um processo na comarca), o ora apelante desmembrou cada um dos contratos em processos distintos, apesar de todos&#160;eles terem identidade e afinidade no que pertine à causa de pedir e aos pedidos,&#160;como muito bem delimitou o d. Juízo singular.</p><p class="MsoNormal" style="text-align: justify;"> 4.&#160; Ressalte-se que seria possível mesmo a reunião desses processos em apenas um só, considerando- se o nível de semelhança entre os elementos das ações em questão e as mesmas partes. Tal conduta prestigiaria o princípio da cooperação, da boa-fé, da economia e da eficiência processuais, o que não foi observado pela recorrente. Sendo assim, mostra-se correto o&#160; <em style="font-family: "times new roman", times; font-size: large;">decisum&#160; recorrido, considerando-se necessária, portanto, a reunião dos supraditos processos, para que se evitem julgamentos contraditórios sobre a mesma situação.</p><p class="MsoNormal" style="text-align: justify;"> 5.&#160; As partes têm o dever legal de agir honestamente, de boa-fé,&#160;visando a uma solução justa e célere da situação posta em juízo. Nessa perspectiva, o&#160;fracionamento indevido de ações representa verdadeiro abuso do direito processual,&#160;especialmente porque o autor, quando utiliza esse mecanismo, postula a justiça gratuita, e,&#160;sem a concessão desse benefício, dificilmente optaria pela multiplicidade de demandas.&#160;A par disso, as ações judiciais em referência veiculam pedido de indenização&#160;por danos morais, não sendo adequado o exame individualizado do respectivo pleito,&#160;considerando-se que as condutas apontadas em cada processo tendem a consubstanciar uma só&#160;lesão extrapatrimonial. Nesse contexto, a individualização processual do pedido de reparação é&#160;apta a levar o juízo a erro, uma vez que a quantificação do dano (que é um só) deve considerar o&#160;cenário geral da situação do autor.</p><p class="MsoNormal" style="text-align: justify;"> 6.&#160; Na repressão à litigância abusiva, o Julgador deverá empregar a medida que&#160;melhor se adequar à finalidade de impedir o objetivo ilícito das partes. No caso do&#160;fracionamento indevido de ações similares, a extinção processual sem resolução do&#160;mérito traduz uma opção

	SANTANDER (BRASIL) S.A) conforme certidão retro/pesquisa no PJe, além de se tratar de processos da mesma natureza, em que foram alterados apenas os números dos contratos. [...] Tal conduta, no meu entender, vai de encontro ao princípio da Cooperação estampado no artigo 6º do CPC, que preconiza que “todos os sujeitos do processo devem cooperar entre si para que se obtenha, em tempo razoável, decisão de mérito justa e efetiva.” [...] Assim, na sentença de ID. n.º 27087577, o d. Juízo a quo houve por bem indeferir a petição inicial, extinguindo o processo sem resolução de mérito sob fundamento da ausência de interesse processual, conforme art. 485, inciso VI do Código de Processo Civil. O fundamento central para tal decisão foi o fato de o autor/apelante ter ajuizado quatro ações similares contra o Banco requerido. O magistrado argumentou que as ações deveriam ter sido reunidas em um único processo, dada a semelhança nos pedidos e identidade das partes, para evitar a morosidade judicial e o abuso do direito de ação. Irresignado, o autor interpôs o recurso de apelação de ID. n.º 27087582, alegando, em síntese, que os processos não possuem causa de pedir ou pedido iguais, não seria o caso de conexão, os processos podem ser julgados de forma separada, e não teria risco de decisões conflitantes, pois cada um possui uma relação jurídica distinta, realizadas em épocas próprias. Sustenta, assim, que o fracionamento das ações era cabível. Ao final, requer o conhecimento do recurso e, no mérito, o seu provimento, para anular a sentença e determinar o retorno dos autos ao Juízo de origem para o regular processamento do feito. Sem contrarrazões, conforme ID. n.º 27087584. É o relatório. VOTO 1- Admissibilidade Satisfeitos os pressupostos intrínsecos ou subjetivos – cabimento, interesse e legitimidade, inexistência de súpula impeditiva – e extrínsecos ou objetivos – tempestividade, preparo, regularidade formal e a inexistência de fatos extintivos ou impeditivos do direito de recorrer – de admissibilidade recursal, conheço do recurso

	I- a execução de título extrajudicial e à ação de conhecimento relativa ao mesmo ato jurídico; </p><p class="MsoNormal" style="text-align: justify; padding-left: 150px;"> II- às execuções fundadas no mesmo título executivo. </p><p class="MsoNormal" style="text-align: justify; padding-left: 150px;"> § 3º Serão reunidos para julgamento conjunto os processos que possam gerar risco de prolação de decisões conflitantes ou contraditórias caso decididos separadamente, mesmo sem conexão entre eles. </p><p class="MsoNormal" style="text-align: justify; padding-left: 150px;">
 </p><p class="MsoNormal" style="text-align: justify; text-indent: 8%;"> É de se salientar que, apesar de cada demanda tratar de um contrato distinto, impõe-se que seja evitado o fracionamento desnecessário de ações que venha a gerar multiplicidade injustificada de demandas praticamente iguais, sob pena de se caracterizar&#160;abuso do direito de demandar judicialmente.&#160;Nos termos da norma do art. 187 do Código Civil, " também comete ato ilícito o titular de um direito que, ao exercê-lo, excede manifestamente os limites impostos pelo seu fim econômico ou social, pela boa-fé ou pelos bons costumes" </p><p class="MsoNormal" style="text-align: justify; text-indent: 8%;"> &#160; Com efeito, as partes têm o dever legal de agir honestamente, de boa-fé,&#160;visando a uma solução justa e célere da situação posta em juízo. Nessa perspectiva, o&#160;fracionamento indevido de ações representa verdadeiro abuso do direito processual,&#160;especialmente porque o autor, quando utiliza esse mecanismo, postula a justiça gratuita, e,&#160;sem a concessão desse benefício, dificilmente optaria pela multiplicidade de demandas.</p><p class="MsoNormal" style="text-align: justify; text-indent: 8%;"> &#160; A par disso, as ações judiciais em referência veiculam pedido de indenização&#160;por danos morais, não sendo adequado o exame individualizado do respectivo pleito,&#160;considerando-se que as condutas apontadas em cada processo tendem a consubstanciar uma só&#160;lesão extrapatrimonial. Nesse contexto, a individualização processual do pedido de reparação é&#160;apta a levar o juízo a erro, uma vez que a quantificação do dano (que é um só) deve considerar o&#160;cenário geral da situação do autor.</p><p class="MsoNormal" style="text-align: justify; text-indent: 8%;"> &#160; Um dos resultados negativos de condutas como tal é a sobrecarga&#160;massiva e desnecessária das unidades jurisdicionais, prejudicando o adequado&#160;desempenho das funções jurisdicionais. Esse cenário poderia ser evitado caso os&#160;promovedores e respectivos causídicos optassem pela reunião de demandas similares&#160;em uma só, facilitando a apreciação adequada e uniforme da situação vivenciada pelo&#160;indivíduo atingido e empregando economia dos recursos empregados pelo Poder&#160;Judiciário.&#160;</p><p class="MsoNormal" style="text-align: justify; text-indent: 8%;"> &#160; Ao afastar uma conduta cooperativa e buscar o fracionamento&#160;injustificado de ações análogas, usualmente no intento de multiplicar também a&#160;reparação moral, o jurisdicionado incorre em conduta ilícita, consubstanciada no&#160; <strong style="font-size: large; font-family: "times new roman", times;">abuso do direito processual , figura fundamentada na interpretação conjunta do art.&#160;5º do CPC e do art. 187 do Código Civil.</p><p class="MsoNormal" style="text-align: justify; text-indent: 8%;"> &#160; Vale destacar que a sanção voltada para a repressão do abuso do direito&#160;processual é atípica, pois a litigância abusiva é polimórfica, havendo, portanto,&#160;diversas formas de se apresentar. Por tal motivo, pode-se considerar o seu suporte&#160;legal na norma do art. 142 do CPC:</p><p class="MsoNormal" style="text-align: justify; text-indent: 8%;">
 </p><p class="MsoNormal" style="text-align: justify; padding-left: 150px;"> Art. 142.&#160;Convencendo-se, pelas circunstâncias, de que o autor e réu se&#160;serviram do processo para praticar ato simulado ou conseguir fim vedado&#160;por lei, o juiz&#160;proferirá decisão que impeça os objetivos das

 </p><p class="MsoNormal" style="text-align: justify; text-indent: 8%;"> Dessa forma, o Julgador deverá empregar a sanção que melhor se&#160;adequar à finalidade de impedir o objetivo ilícito das partes. No caso do&#160;fracionamento indevido de ações similares, a extinção processual sem resolução do&#160;mérito traduz uma medida razoável e compatível com esse intuito, uma vez que&#160;desestimula a multiplicação de ações judiciais sem ocasionar prejuízo ao exercício do&#160;direito de ação, ante a possibilidade de propositura de nova demanda compatível com&#160;a boa-fé e o princípio cooperativo.</p><p class="MsoNormal" style="text-align: justify; text-indent: 8%;"> &#160; Nessa toada, manifesto minha concordância com o entendimento exarado pelo&#160;d. Juízo&#160; <em style="font-size: large; font-family: &quot;times new roman&quot;, times;">a quo &#160;em relação ao prejuízo da conduta adotada pelo requerente/apelante em relação&#160;a princípios basilares para a ordem jurídica, como a razoável duração do processo, a boa-fé, a&#160;eficiência e a economia processuais. Não se mostra acertado o acionamento exacerbado e&#160;desmotivado do Poder Judiciário, com o ajuizamento de ações com o mesmo teor e finalidade,&#160;quando poderia fazer-se em um único processo.</p><p class="MsoNormal" style="text-align: justify; text-indent: 8%;"> &#160; Vale dizer, para cada contrato, foi ajuizada uma nova ação, quando, na&#160;verdade, os pedidos e as causas de pedir deveriam ser concentradas em apenas uma&#160;demanda, inclusive porque envolvem pedido de indenização por danos morais, cujo&#160;dano, por óbvio, é único.</p><p class="MsoNormal" style="text-align: justify; text-indent: 8%;"> &#160; Tudo isso considerado, a fim de que se evite decisões contraditórias, urge que&#160;seja realizada a reunião dos processos que contêm identidade, ou seja, que contam com as&#160;mesmas partes, causa de pedir e pedidos, em respeito à previsão do já citado art. 55 do CPC.&#160;</p><p class="MsoNormal" style="text-align: justify; text-indent: 8%;"> Repiso que o fato de as demandas ajuizadas pela autora/apelante discutirem&#160;contratos diversos não é suficiente para afastar a conexão, já que todas as ações partem&#160;exatamente do pressuposto de que a autora&#160;foi vítima de descontos indevidos realizados pelo&#160;banco promovido e que, a partir disso, pretende a reparação.</p><p class="MsoNormal" style="text-align: justify; text-indent: 8%;"> Sob esse prisma, não merece reproche o entendimento manifestado pelo magistrado de primeiro grau, sendo adequada a aplicação do 485, VI, do CPC.&#160;Registro que, em casos análogos ao presente, a jurisprudência desta e. Corte&#160;tem adotado o raciocínio ora explanado, consoante ilustram as seguintes ementas:</p><p class="MsoNormal" style="text-align: justify;">
 <p class="MsoNormal" style="text-align: justify; padding-left: 150px;"> DIREITO DO CONSUMIDOR. RECURSO DE APELAÇÃO CÍVEL EM AÇÃO DECLARATÓRIA DE INEXISTÊNCIA DE DÉBITO C/C INDENIZAÇÃO POR DANOS MATERIAIS E MORAIS POR COBRANÇA INDEVIDA DE ANUIDADES DE CARTÃO DE CRÉDITO.&#160; IRRESIGNAÇÃO CONTRA SENTENÇA QUE INDEFERIU A PETIÇÃO INICIAL POR AUSÊNCIA DE INTERESSE DE AGIR. FRACIONAMENTO DE DEMANDAS SIMILARES, ENSEJANDO MULTIPLICIDADE INJUSTIFICADA. CONEXÃO. ABUSO DO DIREITO DE AÇÃO. PRECEDENTES.&#160;RECURSO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA. 1. Trata-se de Apelação Cível interposta com o objetivo de reformar a sentença proferida pelo Juízo da Vara Única da Comarca de Lavras da Mangabeira, que indeferiu a petição inicial da Ação Declaratória de Inexistência de Débito c/c Indenização por Danos Materiais e Morais ajuizada pela ora apelante em desfavor do Banco Bradesco S/A. 2. O cerne da controvérsia consiste em verificar a existência de interesse de agir da autora, ora apelante, na ação originária, dado o fracionamento de ações e suposto abuso no direito de demandar. 3. Analisando-se os autos, verifica-se que o Juízo originário apurou a existência, na mesma Comarca, de 4 (quatro) ações da promovente/apelante veiculando pedidos anulatórios de débito c/c reparação de danos em desfavor de diferentes instituições financeiras, sendo três delas contra o ora promovido/apelado (Bradesco S/A). Verificou-se, ainda, que todas essas ações foram propostas no mesmo

	ínterim, entre os dias 16/07/2024 e 17/07/2024, conforme pesquisa realizada no sistema e-SAJ. 4. Nota-se, inequivocamente, que tais ações têm objetivo e causa de pedir idênticos entre si. Alega a promovente, em síntese, não ter celebrado os respectivos contratos bancários, razão pela qual requer a restituição dos valores indevidamente descontados, bem como indenização pelos danos morais resultantes da conduta da instituição financeira promovida. Porém, em vez de reunir as causas de pedir e os pedidos contra o mesmo réu em um único feito (o que reduziria as demandas à quantidade de apenas um processo na comarca), a ora apelante desmembrou cada um dos contratos em processos distintos, apesar de todos eles terem identidade e afinidade no que pertine à causa de pedir e aos pedidos, como muito bem delimitou o d. Juízo singular. 5. Ressalte-se que seria possível, até mesmo, a reunião de todos esses processos em apenas um só, com formação de litisconsórcio passivo entres as instituições, considerando-se o nível de semelhança entre os elementos das ações em questão. Tal conduta prestigiaria o princípio da cooperação, da boa-fé, da economia e da eficiência processuais, o que não foi observado pela parte ora recorrente.¶6. Apesar de cada demanda tratar de contrato distinto, impõe-se que seja evitado o fracionamento desnecessário de ações que venha a gerar multiplicidade injustificada de demandas praticamente iguais, sob pena de se caracterizar abuso do direito de demandar judicialmente, por enquadramento na norma do art. 187 do Código Civil.¶7. As partes têm o dever legal de agir honestamente, de boa-fé, visando a uma solução justa e célere da situação posta em juízo. Nessa perspectiva, o fracionamento indevido de ações representa verdadeiro abuso do direito processual, especialmente porque a autora, quando utiliza esse mecanismo, postula a justiça gratuita, e, sem a concessão desse benefício, dificilmente optaria pela multiplicidade de demandas.¶8. A par disso, as ações judiciais em referência veiculam pedido de indenização por danos morais, não sendo adequado o exame individualizado do respectivo pleito, considerando-se que as condutas apontadas em cada processo tendem a consubstanciar uma só lesão extrapatrimonial. Nesse contexto, a individualização processual do pedido de reparação é apta a levar o juízo a erro, uma vez que a quantificação do dano (que é um só) deve considerar o cenário geral da situação da autora.¶9. Apelação conhecida e desprovida. Sentença mantida. PRECEDENTES.¶ APURAÇÃO DE POSTURA INADEQUADA DO PATRONO DA PARTE AUTORA. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA. 1. O cerne da controvérsia consiste em verificar o interesse de agir do autor, ora apelante, dado o fracionamento de ações e suposto abuso no direito de demandar. 2. Inicialmente, tem-se relação de consumo, figurando o promovente/apelante como consumidor e o banco/apelado como fornecedor de serviços, sujeito à eventual responsabilização civil, conforme os arts. 12 e 14 do CDC.¶ 3. Do exame dos autos, nota-se que o autor ajuizou 17 (dezessete) ações anulatórias de débito c/c indenização por danos materiais e morais contra diferentes instituições financeiras, muitas delas contra o banco apelado, alegando, em resumo, não ter firmado os empréstimos consignados e requerendo restituição de valores e indenização correspondente, e que em vez de reunir as causas de pedir e os pedidos contra o mesmo réu em um único feito, desmembrou cada um dos contratos em diversos processos, como muito bem delimitou o d. Juízo singular, apesar de todas elas terem identidade e afinidade no que pertine à causa de pedir e aos pedidos. Sendo assim, mostra-se correto o decisor recorrido, considerando-se necessária, portanto, a reunião dos supraditos processos para que se evite julgamentos contraditórios, nos termos do art. 55, §3º, do CPC.¶ 4. Por último, a sentença recorrida encontra-se devidamente fundamentada, com exposição clara do d. juízo de primeiro grau, em consonância com o art. 93, IX, da CF/1988, não vindo a calhar o argumento sobre carência de fundamentação levantado na apelação. 5. De mais a mais, constata-se nesta e. Corte a existência de inúmeras demandas praticamente idênticas patrocinadas pelo causídico do autor/apelante, de modo que é aceitável que o órgão competente averigue eventual postura irregular de sua parte, desestimulando, assim, o exercício abusivo do direito de demandar. Precedentes. 6.

A controvérsia recursal na demanda diz respeito ao interesse de agir da promovente no feito, além do fracionamento de ações e suposto abuso no direito de demandar. 2. Em um primeiro momento, frisa-se a relação de consumo no ato, situação em que a parte ativa figura como consumidora, ao passo em que a instituição bancária consta na posição de fornecedora de serviços, sujeita à eventual responsabilização civil, nos termos dos arts. 12 e 14, CDC.&#160; 3. No caso concreto, observa-se um número excessivo de demandas ajuizadas pela promovente em face de instituições bancárias, havendo, em seu nome, 38 contendas para discutir contratos de empréstimos consignado e descontos indevidos em seu benefício econômico. Apesar de discutirem contratos diversos, nota-se identidade entre as lides alhures, considerando que são as mesmas as causas de pedir e os pedidos.&#160;4. &#160;Sendo assim, assiste razão o decisorio vergastado, no que considera-se como necessária, ainda, a reunião dos supraditos processos para que se evite julgamentos contraditórios, aos termos do art. 55, §3º, CPC. 5.&#160;Outrossim, tem-se como devidamente fundamentada a sentença combatida, tendo o magistrado exposto toda sua linha de raciocínio e argumentação, vide art. 93, IX, CF, cabendo, pois, o afastamento de carência de fundamentação suscitado em recurso. 6. Ademais, observa-se que consta perante esta Egrégia Corte de Justiça inúmeras demandas praticamente idênticas conduzidas pelo causídico da autora, de modo que é justo que o órgão competente averigue eventual postura irregular de sua parte, desestimulando, assim, o exercício abusivo do direito de demandar. 7. Nessa perspectiva, a Parte Autora alega que foi surpreendida com a cobrança de empréstimo não contratado. Enfatizou que as relações jurídicas que desencadearam as cobranças por parte do promovido são indevidas. 	sem resolução do mérito, indeferindo a petição inicial por ausência de interesse processual (art. 485, inciso I, do CPC), em razão do suposto fracionamento indevido de demandas. III. RAZÕES DE DECIDIR 3. Ainda que seja temário o abuso do direito de ação, ou também chamado de "uso predatório da jurisdição", tal fenômeno não se enquadra na hipótese prevista no art. 330, inciso III, do Código de Processo Civil, pois o interesse de agir está consubstanciado no binômio necessidade / adequação. Sob essa perspectiva, a necessidade deriva da proibição da autotutela no ordenamento jurídico brasileiro, implicando que, na ausência de meios próprios para buscar a realização de suas pretensões, o demandante deve recorrer ao Estado-juiz. A adequação, por seu turno, refere-se ao uso de instrumentos processuais apropriados para alcançar a tutela jurisdicional almejada. 4. Atento a isso, não se sustenta a argumentação do il. juízo de primeira instância ao fundamentar que duas ações movidas para anular contratos de taxas e tarifas indicaria falta de interesse processual por constituir fracionamento indevido de demandas. Isso se deve ao fato de que, em situações de conexão entre ações, a consequência processual é a junção dos processos para julgamento conjunto e não a sua extinção por ausência de interesse de agir (art. 55 do CPC). A despeito disso, verifica-se que, no presente caso, embora os processos tratem de questões semelhantes, ou seja, descontos indevidos efetivados na conta bancária do autor, ora recorrente, os objetos das ações são distintos. Neste processo específico, é discutida a contribuição "ASPECIR", enquanto o outro processo mencionado pelo juízo de primeira instância trata de outra relação jurídica (contratos) distinta. Inclusive, ressalte-se que, da listagem apresentada pelo d. juízo a quo este é o único processo em que figura como parte ré a ASPECIR PREVIDÊNCIA UNIÃO SEGURADORA. 5. Dessa forma, considerando a necessidade e a utilidade da atuação jurisdicional para obtenção de provimento apto a obstar os descontos impugnados, não há que se cogitar a ausência de interesse processual na espécie. Com efeito, revela-se indispensável o pronunciamento judicial quanto à legalidade da contribuição questionada, supostamente instituída de forma fraudulenta, bem como dos descontos dela decorrentes. 6. Não se ignora a existência de situações específicas que evidenciam a utilização predatória da jurisdição por parte de um número restrito e identificável de profissionais da advocacia. Tais condutas merecem, de fato, ser coibidas, razão pela qual este egrégio Tribunal tem adotado providências institucionais, por meio do Núcleo de Monitoramento do Perfil de Demandas, com o objetivo de identificar práticas fraudulentas e implementar medidas voltadas ao enfrentamento do problema. Entretanto, ainda que sejam compreensíveis as razões que motivaram o il. juízo de primeiro grau, a atividade jurisdicional deve necessariamente observar os preceitos legais, especialmente aqueles previstos na legislação processual civil. No caso em apreço, a solução adotada na sentença carece de amparo normativo, razão pela qual se impõe a anulação do julgado. IV. DISPOSITIVO 7. Recurso provido. Sentença anulada.

 <p style="text-align: justify; text-indent: 8%;"> O cerne da controvérsia reside em verificar o acerto ou desacerto da decisão que extinguiu o processo sem resolução do mérito, indeferindo a petição inicial por ausência de interesse processual (art.

Processo	3000205-11.2025.8.06.0114
	485, inciso I, do CPC), em razão do suposto fracionamento indevido de demandas. Ainda que seja temário o abuso do direito de ação, ou também chamado de "uso predatório da jurisdição", tal fenômeno não se enquadra na hipótese prevista no art. 330, inciso III, do Código de Processo Civil, pois o interesse de agir está consubstanciado no binômio necessidade / adequação. Sob essa perspectiva, a necessidade deriva da proibição da autotutela no ordenamento jurídico brasileiro, implicando que, na ausência de meios próprios para buscar a realização de suas pretensões, o demandante deve recorrer ao Estado-juiz. A adequação, por seu turno, refere-se ao uso de instrumentos processuais apropriados para alcançar a tutela jurisdicional almejada. Atento a isso, não se sustenta a argumentação do il. juízo de primeira instância ao fundamentar que duas ações movidas para anular contratos de taxas e tarifas indicaria falta de interesse processual por constituir fracionamento indevido de demandas. Isso se deve ao fato de que, em situações de conexão entre ações, a consequência processual é a junção dos processos para julgamento conjunto e não a sua extinção por ausência de interesse de agir (art. 55 do CPC). A despeito disso, verifica-se que, no presente caso, embora os processos tratem de questões semelhantes, ou seja, descontos indevidos efetivados na conta bancária do autor, ora recorrente, os objetos das ações são distintos. Neste processo específico, é discutida a contribuição "ASPECIR", enquanto o outro processo mencionado pelo juízo de primeira instância trata de outra relação jurídica (contratos) distinta. Inclusive, ressalte-se que, da listagem apresentada pelo d. juízo a quo, este é o único processo em que figura como parte ré a ASPECIR PREVIDÊNCIA UNIÃO SEGURADORA. A propósito, colaciono precedentes desta egrégia Corte de Justiça em casos análogos ao dos autos: APelação. DIREITO PROCESSUAL CIVIL. AÇÃO DECLARATÓRIA DE NULIDADE/INEXISTÊNCIA CONTRATUAL C/C REPETIÇÃO DE INDÉBITO E INDENIZAÇÃO POR DANOS MORAIS. MULTIPLICIDADE DE AÇÕES. FALTA DE INTERESSE PROCESSUAL. SENTENÇA DE INDEFERIMENTO DA PETIÇÃO INICIAL. IMPOSSIBILIDADE. CAUSA DE PEDIR E PEDIDOS DISTINTOS. INTERESSE PROCESSUAL EVIDENCIADO. RECURSO CONHECIDO E PROVIDO. SENTENÇA ANULADA. 1. Trata-se de recurso de apelação manejado em desfavor de sentença que indeferiu a petição inicial, sob fundamento de que o demandante não possui interesse de agir, em razão do ajuizamento de diversas ações contra a mesma instituição financeira. 2. A definição de interesse processual (art. 485, VI e art. 330, III, do CPC) é composta pelo binômio necessidade - utilidade, refletindo este o meio processual apropriado e aquela a indispensabilidade do ingresso em juízo para satisfazer uma pretensão. 3. Nesse sentido, vislumbra-se como indevida a fundamentação utilizada na sentença de que a existência de várias ações propostas buscando anular contratos de empréstimo consignado configura a ausência de interesse processual, visto que a parte deveria ajuizar somente uma demanda. Com efeito, a consequência processual em casos de conexão entre ações é a reunião dos processos, nos termos do art. 55, §1º, do CPC) e não a sua extinção por ausência de interesse de agir. 4. In casu, sequer é possível afirmar que existe conexão, tampouco que há risco de decisões conflitantes, observado que a regularidade dos contratos deve ser apurada de forma individual. Dessa forma, considerando que cada empréstimo realizado implica em novo desconto nos proventos previdenciários, sendo esta sua causa de pedir, e que o autor tem necessidade/utilidade de buscar o Poder Judiciário para obter provimento jurisdicional apto a cessar tais débitos, não há como se reputar ausente o interesse processual. 5. Recurso conhecido e provido. Sentença anulada. (TJCE. Apelação Cível - 0200635-64.2024.8.06.0114, Rel.  </p><p style="text-align: justify; padding-left: 240px;"> APELAÇÃO CÍVEL. DIREITO PROCESSUAL CIVIL. TARIFAS BANCÁRIAS E SEGURO PRESTAMISTA EMPRÉSTIMO CONSIGNADO. INSURGÊNCIA DA PARTE AUTORA CONTRA O INDEFERIMENTO DA PETIÇÃO INICIAL E EXTINÇÃO DA AÇÃO SEM RESOLUÇÃO DO MÉRITO (ART. 330, III, DO CPC) . AJUIZAMENTO DE DIVERSAS AÇÕES QUE NÃO RELEVA A AUSÊNCIA DE INTERESSE DE AGIR. PROCESSOS FUNDADOS EM CONTRATO DIVERSO. CAUSA DE PEDIR DISTINTAS. REUNIÃO POR CONEXÃO. IMPOSSIBILIDADE. RECURSO CONHECIDO E PROVIDO. SENTENÇA ANULADA. 1. Tratase de apelação cível proposta pela parte autora, em desfavor da sentença que indeferiu a petição inicial julgando extinta a ação e sem resolução do mérito, por ausência do interesse recursal. A controvérsia cinge-se em analisar se há falta de interesse processual em face do ajuizamento de várias ações que versam sobre fatos semelhantes, ao invés de propor uma única ação englobando tudo. 2. Em relação ao abuso do direito de ação ou "uso predatório da jurisdição", embora essa prática seja temerária, não se enquadra na hipótese prevista no art. 330, inciso III, do CPC, pois o interesse de agir está presente, consubstanciado no binômio necessidade/adequação. Sob essa perspectiva, a necessidade deriva da proibição da autotutela no ordenamento jurídico brasileiro, implicando que, na ausência de meios próprios para buscar a realização de suas pretensões, o demandante deve recorrer ao Estado-juiz. Por outro lado, a adequação refere-se ao uso de instrumentos processuais apropriados para alcançar a tutela jurisdicional almejada. 3. Sob esse prisma, a argumentação do magistrado de primeira instância de que a existência de múltiplas ações movidas para anular contratos de empréstimo consignado indica falta de interesse processual, uma vez que o autor deveria ter apresentado apenas uma demanda, não é válida. Isso se deve ao fato de que, em situações de conexão entre ações, a consequência processual é a junção dos processos para julgamento conjunto e não a sua extinção por ausência de interesse de agir. 4. A conexão entre processos evita decisões conflitantes ao julgar casos semelhantes simultaneamente pelo mesmo juízo. Neste caso, apesar de envolverem cobranças indevidas de empréstimos consignados, os processos têm objetos distintos, tratam-se de diferentes contratos. 5. Cumpre destacar, ainda, que a sentença recorrida viola o princípio da cooperação, conforme estabelecido no art. 6º do CPC, além de infringir a garantia constitucional da inafastabilidade da tutela jurisdicional, como previsto no art. 5º, XXXV, da CF. 6. Observa-se, portanto, que o Juízo a quo, ao prolatar a sentença, não agiu com acerto, incorrendo em error in procedendo. Diante disso, a anulação da sentença e o retorno dos autos ao Juízo de origem para o regular processamento é medida que se impõe. 7. Recurso conhecido e provido. Sentença cassada. (TJCE. 	DISTINTOS. INTERESSE PROCESSUAL EVIDENCIADO. ERROR IN PROCEDENDO. RECURSO CONHECIDO E PROVIDO. SENTENÇA ANULADA. 1. Cuida-se de Apelação Cível interposta por Emidia Maria Nobre Ribeiro objurgando sentença proferida pelo douto Juízo da 2ª Vara da Comarca de Quixeramobim, a qual extinguiu, sem resolução de mérito, a Ação Anulatória de Débito c/c Indenização por Danos Materiais e Morais ajuizada pela apelante em desfavor do Banco Bradesco Financiamentos S.A. 2. A controvérsia recursal da demanda cinge-se em analisar a correção, ou não, do decisum hostilizado, o qual indeferiu a petição inicial, sob fundamento de que a demandante não possui interesse de agir, haja vista o ajuizamento de diversas ações contra a mesma instituição financeira. 3. A definição de interesse processual (art. 485, VI e art. 330, III, do CPC) é composta pelo binômio necessidade-adequação, refletindo este o meio processual apropriado e aquela a indispensabilidade do ingresso em juízo para satisfazer uma pretensão. 4. Sob esse prisma, a fundamentação utilizada pelo magistrado a quo de que a existência de várias ações propostas pela autora buscando anular contratos de empréstimo consignado configura a ausência de interesse processual, uma vez que a parte deveria ajuizar somente uma demanda, não merece acolhida. Isto porque a consequência processual em casos de conexão entre ações é a reunião dos processos (art. 55, §1º, CPC), e não a sua extinção por ausência de interesse de agir. 5. Na espécie, contudo, sequer é possível afirmar que existe conexão, tampouco que há risco de decisões conflitantes, tendo em vista que a regularidade dos contratos deve ser apurada de forma individual. Destarte, considerando que cada empréstimo realizado implica em novo desconto em seus proventos previdenciários, sendo esta sua causa de pedir, e que a autora tem necessidade/utilidade de buscar o Poder Judiciário para obter provimento jurisdicional apto a cessar tais débitos, não há como se reputar ausente o interesse processual in casu. 6. 	do termo inicial do prazo prescricional para o ajuizamento da ação que visa a apurar supostos desfalques indevidos em conta vinculada ao PASEP. 4. O voto condutor do acórdão expôs, de maneira clara e objetiva, as razões pelas quais não se reconheceu a prescrição no caso concreto, em estrita observância ao princípio da <i>actio nata</i> e das teses firmadas no Tema Repetitivo nº 1.150 do Superior Tribunal de Justiça, que dispõe o seguinte: “O termo inicial para a contagem do prazo prescricional é o dia em que o titular toma ciência dos desfalques ou a data do último depósito efetuado na conta individual vinculada ao PASEP”. 5. Portanto, inexistente razão para o acolhimento dos embargos, pois não há ponto omissivo, obscuro, contraditório ou com erro material a ser corrigido no aresto embargado. Como dito, os embargos prestam-se apenas para afastar dúvida, omissão, contradição ou erro na prestação jurisdicional, e não para reanalisar o <i>decisum</i> questionado. IV. DISPOSITIVO 6. Recurso desprovido. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por uma de suas turmas, à unanimidade, em conhecer dos presentes embargos de declaração para, no mérito, negar-lhes provimento, nos termos do voto do Desembargador Relator. Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Relator RELATÓRIO Trata-se de Embargos de Declaração opostos pelo Banco do Brasil S/A contra acórdão da Primeira Câmara de Direito Privado do Tribunal de Justiça do Ceará, que deu provimento ao recurso de Apelação Cível interposto nos autos da Ação de Obrigação de Fazer cumulada com pedido de Indenização por Danos Materiais e Morais proposta por Edmilson Alves da Silva, no sentido de anular a sentença e determinar o reprocessamento do feito. Eis a ementa do julgado: DIREITO CIVIL E PROCESSUAL CIVIL. RECURSO DE APELAÇÃO. AÇÃO DE OBRIGAÇÃO DE FAZER CUMULADA COM INDENIZAÇÃO POR DANOS MATERIAIS E MORAIS. DIFERENÇA DE VALORES NA CONTA VINCULADA AO PASEP. PRESCRIÇÃO INOCORRENTE. PRINCÍPIO DA <i>ACTIO NATA</i>. PRAZO QUE FLUI A PARTIR DO MOMENTO EM QUE A PARTE TOMA CIÊNCIA INEQUÍVOCA DA OCORRÊNCIA DA IRREGULARIDADE. RECEBIMENTO DO EXTRATO OU DAS MICROFILMAGENS. TEMA Nº 1.150 DO STJ. RETORNO DOS AUTOS À VARA DE ORIGEM PARA O DEVIDO PROCESSAMENTO E JULGAMENTO DO LITÍGIO. RECURSO PROVIDO. SENTENÇA ANULADA. No recurso, a parte embargante aduz, em síntese, que existe omissão na decisão colegiada, por deixar de considerar que a parte autora, ora embargada, já possuía ciência do saldo em sua conta PASEP desde o saque do abono de aposentadoria em 6 de outubro de 1995, sendo este o efetivo termo

	ação. Como dito, o recurso de embargos de declaração possui cabimento restrito à demonstração de algum dos vícios expressamente previstos no art. 1.022 do Código de Processo Civil, dentre os quais se inclui a omissão, que ocorre quando i) o julgado não aprecia ponto ou questão relevante sobre a qual deveria ter se manifestado; ii) não estiver devidamente fundamentado (artigo 489, § 1º, do CPC); ou iii) deixar de se manifestar sobre tese firmada em julgamento de casos repetitivos ou em incidente de assunção de competência aplicáveis à hipótese (artigo 1.022, parágrafo único, I, do CPC). Nesse contexto, ao confrontar as razões dos embargos com o inteiro teor do acórdão impugnado, percebe-se que inexistente qualquer vício de omissão relativo à fixação do termo inicial do prazo prescricional para o ajuizamento da ação que visa a apurar supostos desfalques indevidos em conta vinculada ao PASEP. e das teses firmadas no Tema Repetitivo nº 1.150 do Superior Tribunal de Justiça, que dispõe o seguinte: a) O Banco do Brasil possui, ou não, legitimidade passiva ad causam para figurar no polo passivo de demanda na qual se discute eventual falha na prestação do serviço quanto a conta vinculada ao PASEP, saques indevidos e desfalques, além da ausência de aplicação dos rendimentos estabelecidas pelo Conselho Diretor do referido programa; b) A pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao PASEP se submete ao prazo prescricional decenal previsto pelo artigo 205 do Código Civil ou ao prazo quinquenal estipulado pelo artigo 1º do Decreto nº 20.910/32; c) O termo inicial para a contagem do prazo prescricional é o dia em que o titular toma ciência dos desfalques ou a data do último depósito efetuado na conta individual vinculada ao PASEP. Vejamos, a propósito, os excertos do acórdão que trataram sobre a matéria: Com efeito, a fluência do prazo prescricional de dez anos para a parte exercer a pretensão condenatória começa a partir da data em que se tem conhecimento da lesão. Sendo assim, de acordo com o princípio da actio nata, o direito de pleitear a indenização surge quando a lesão e suas consequências são constatadas. No caso em análise, verifica-se que o Juízo a quo considerou a data do pagamento da aposentadoria, qual seja 6 de outubro de 1995, como termo inicial do prazo para o ajuizamento da demanda visando a questionar eventuais inconsistências e desvios. Contudo, o precedente vinculante invocado estabelece que o termo inicial para a contagem do prazo prescricional coincide com a data em que o titular, comprovadamente, toma ciência dos desfalques realizados em sua conta individual vinculada ao PASEP. O entendimento mais escorreito é no sentido de que o termo inicial da contagem do prazo prescricional da pretensão autoral se dá quando do recebimento do extrato ou das microfilmagens da sua

Acórdão	 PROCESSO: 0092684-55.2007.8.06.0001 - APELAÇÃO CÍVEL (198) APELANTE: MBC COMERCIO DE MADEIRAS LTDA APELADO: MADEIREIRA RIO BRANCO LTDA EMENTA: DIREITO PROCESSUAL CIVIL. EMBARGOS DE DECLARAÇÃO EM APELAÇÃO CÍVEL. ALEGAÇÃO DE OMISSÃO. CERCEAMENTO DE DEFESA. REJEIÇÃO DO PEDIDO DE PRÓVA ORAL. JULGAMENTO ANTECIPADO DA LIDE. POSSIBILIDADE. OMISSÃO SUPRIDA SEM EFEITOS INFRINGENTES. RECURSO PROVIDO. I. CASO EM EXAME 1. Embargos de Declaração opostos por MBC Comércio de Madeiras LTDA. contra acórdão que, em sede de Apelação Cível, manteve sentença de improcedência nos embargos à execução, ao reconhecer a validade e exigibilidade de cheque transmitido a terceiro de boa-fé. O embargante sustenta omissão quanto à alegação de cerceamento de defesa, em razão do indeferimento da produção de prova oral (oitiva de testemunhas e depoimento pessoal da parte autora). II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em definir se o acórdão embargado incorreu em omissão ao deixar de analisar a alegação de cerceamento de defesa, diante do indeferimento da instrução probatória requerida pelo apelante. III. RAZÕES DE DECIDIR 3. Os Embargos de Declaração destinam-se a suprir omissão, esclarecer obscuridade, eliminar contradição ou corrigir erro material, conforme art. 1.022 do CPC. 4. Constatada a ausência de manifestação expressa sobre a alegação de cerceamento de defesa, impõe-se a integração do julgado para suprir a omissão. 5. O julgamento antecipado da lide, com base no art. 355, I, do CPC, é legítimo quando as provas documentais constantes dos autos se mostram suficientes para a solução da controvérsia. 6. O magistrado, como destinatário da prova, possui discricionariedade para indeferir diligências desnecessárias, inúteis ou meramente protelatórias, nos termos do art. 370, parágrafo único, do CPC, não configurando cerceamento de defesa a rejeição fundamentada da prova oral. A jurisprudência dos Tribunais pátrios reconhece que, em demandas em que a prova documental é suficiente para o deslinde da causa, não há nulidade processual pelo indeferimento da prova testemunhal ou do depoimento pessoal. IV. DISPOSITIVO E TESE 8. Recurso provido, sem efeitos modificativos. Tese de julgamento: 1. Omissão reconhecida quanto à análise da alegação de cerceamento de defesa, sem modificação do resultado do julgamento. 2. O julgamento antecipado da lide é válido quando a prova documental é suficiente para formar o convencimento do magistrado. 3. O indeferimento de prova oral não configura cerceamento de defesa quando devidamente fundamentado pelo juiz, na condição de destinatário final da prova.

Da mesma forma, foi exposto que os serviços efetivamente prestados foram pagos/consignados judicialmente, e demonstrado a necessidade da revogação da medida antecipatória de tutela, deferida em decisão fls. 83 – 89, determinando que o Governo do Estado do Ceará deposite perante este Juízo o quantum no valor de R\$ 404.966,40. </p> <p class="Standard" style="text-align: justify; text-indent: 2cm; line-height: 150%;"> Ato contínuo,

Superior Tribunal de Justiça, "negada pelo sacado a causa que autorizaria o saque da duplicata, cumpre ao sacador comprovar documentalmente a entrega e o recebimento da mercadoria (artigos 333, II, e 334, II, do CPC; 15, II, b, da Lei nº 5.474/68)" (STJ, REsp: 141.322/RS 1997/0051371-8, Relator: Ministro Barros Monteiro, T4 - Quarta Turma, DJ 14.06.2004). </p> <p class="Standard" style="text-align: justify; text-indent: 2cm; line-height: 150%;">Visto isso, dessume-se do caso concreto que a parte apelante sustenta que ajuizou ação monitória em desfavor do apelado, em virtude da inadimplência de um suposto contrato verbal de serviços de engenharia, instruindo-a com fotos e notas fiscais sem qualquer aceite. </p> <p class="Standard" style="text-align: justify; text-indent: 2cm; line-height: 150%;">Neste contexto, deve-se destacar que apesar de todas as notas fiscais estarem sem assinatura da devedora, esse fato não impede a utilização dos referidos documentos como fundamento para o ajuizamento de ação monitória, eis que outros elementos podem comprovar a existência da dívida. </p> <p class="Standard" style="text-align: justify; text-indent: 2cm; line-height: 150%;">Todavia, em que pese as notas fiscais serem documentos hábeis ao ajuizamento da ação monitória, essas não comprovam, por si só, a prestação do serviço. </p> <p class="Standard" style="text-align: justify; text-indent: 2cm; line-height: 150%;">A prova da prestação do serviço é encargo do postulante, porquanto constitutivo do seu direito, de modo que tendo a recorrida negado a prestação do serviço, caberia então à ora apelante provar que efetivamente realizou o serviço descrito nas NFs, fato que não ocorreu. </p> <p class="Standard" style="text-align: justify; text-indent: 2cm; line-height: 150%;">As fotos, em anexo, não permitem ao Poder Judiciário atestar, com precisão, que aqueles serviços são referentes ao suposto contrato verbal realizado entre as partes, ônus que, reprimis, competia à parte promovente, restando a incerteza quanto a constituição do negócio mercantil que gerou a dívida aqui cobrada. </p> <p class="Standard" style="text-align: justify; text-indent: 2cm; line-height: 150%;">Ao negar inteiramente a existência da dívida, a recorrida se desincumbiu do ônus da prova que recaía sobre si, pois exigir prova da inexistência de algo seria, na verdade, impor-lhe obrigação

	impossível. Ademais, diferente do que afirma o apelante, sobre a confissão dos serviços prestados, não há nos autos documento hábil a embasar que o recorrido confessa a realização deles. Assim, como inexistente prova da efetiva prestação dos serviços representados pelas notas fiscais apresentadas pela autora/recorrente, ônus que lhe incumbia a teor do inciso I do art. 373 do CPC, impõe-se a manutenção da improcedência dos pleitos autorais. A propósito, eis o entendimento deste e. Tribunal de Justiça do Ceará, em demandas análogas: &#160; DIREITO CIVIL E PROCESSUAL CIVIL. APELAÇÃO CÍVEL. AÇÃO MONITÓRIA. NOTAS FISCAIS DESACOMPANHADAS DE PROVA DA EFETIVA PRESTAÇÃO DE SERVIÇO. INÉPCIA DA INICIAL CONFIGURADA. EXTINÇÃO DO PROCESSO SEM RESOLUÇÃO DO MÉRITO. RECURSO PARCIALMENTE PROVIDO. I. CASO EM EXAME: Tem-se Apelação cível interposta por empresa ré contra sentença que rejeitou seus embargos monitorios e empôs julgou procedente ação monitoria, condenando-a (apelante) ao pagamento de crédito consubstanciado nas Notas Fiscais apresentadas pela apelada. II. QUESTÃO EM DISCUSSÃO: 1. O ponto em discussão cinge-se em saber se a ação monitoria pode (ou não) ser instruída com Notas Fiscais desacompanhadas de uma prova inequívoca da efetiva prestação dos serviços nelas descritos. III. RAZÕES DE DECIDIR: 2. A jurisprudência dominante do STJ admite o uso de notas fiscais para instrução de ação monitoria, mas desde que acompanhadas de prova da entrega da mercadoria ou (como no caso) da efetiva prestação de serviços. 3. A autora chegou a apresentar as Notas Fiscais prevendo serviços de engenharia em obra de tratamento de esgoto mas sem qualquer documento hábil complementar a demonstrar de forma clara e objetiva a realização desses serviços descritos nas Notas Fiscais. 4. Os e-mails, bem como as conversas via aplicativo e boletos apresentados não comprovam a execução dos serviços, mas apenas que as partes ao que tudo indica, mantinham uma relação jurídica; As mensagens ademais tampouco identificam os interlocutores, de modo que tendo a parte ré apresentado tese negativa da prestação de serviço, era dever da autora provar que realmente prestou os serviços. 5. Inexistente prova mínima do fato constitutivo do direito autoral, configura-se situação de inépcia da petição inicial, devendo o processo ser extinto sem julgamento de mérito, nos termos do art. 485, IV, do CPC, para que a parte recorrida procure o seu direito perante a via do procedimento comum ordinário. IV. DISPOSITIVO: 6. Recurso conhecido em parte e parcialmente provido para extinguir o processo sem resolução de mérito por inépcia da petição inicial. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, em unanimidade de votos, por conhecer e desprover o recurso. Fortaleza, 30 de abril de 2025 RELATOR (Apelação Cível- 0251214-98.2023.8.06.0001, Rel. Desembargador(a) EMANUEL LEITE ALBUQUERQUE, 1ª Câmara Direito Privado, data do julgamento: 30/04/2025, data da publicação: 30/04/2025) DIREITO PROCESSUAL CIVIL. APELAÇÃO CÍVEL. EXECUÇÃO DE TÍTULO EXTRAJUDICIAL. CONTRATO DE LOCAÇÃO DE BENS MÓVEIS. INEXISTÊNCIA DE NOTA FISCAL E DE ACEITE DAS MEDIÇÕES. ILIQUIDEZ DO TÍTULO. EXTINÇÃO DA EXECUÇÃO. MANUTENÇÃO DA SENTENÇA. RECURSO CONHECIDO E NÃO PROVIDO. I. CASO EM EXAME. 1. Apelação cível interposta contra sentença que acolheu exceção de pré-executividade e extinguiu execução fundada em contrato de locação de bens móveis celebrado entre as partes, ao fundamento de que o título executivo extrajudicial apresentado carece de liquidez e certeza, por ausência da nota fiscal e do aceite expresso das medições mensais, conforme exigência contratual. II. QUESTÃO EM DISCUSSÃO. 2. A questão em discussão consiste em verificar se o contrato de locação de bens móveis, desacompanhado da nota fiscal e do aceite expresso das medições por parte da locatária, é suficiente para embasar a execução como título executivo extrajudicial, nos termos do art. 783 do CPC. III. RAZÕES DE DECIDIR. 3. O contrato de locação firmado entre as partes condiciona o faturamento e a exigibilidade dos valores à apresentação da nota fiscal e ao aceite do boletim de medição pela locatária, conforme cláusula 10, o que não foi comprovado nos autos. 4. A ausência da nota fiscal nº 14462 e do aceite expresso dos valores cobrados inviabiliza a aferição, de plano, da liquidez e certeza do título, impossibilitando sua exigibilidade em sede de execução, conforme exige o art. 783 do CPC. 5. A ação executiva exige título líquido, certo e exigível, características que devem estar presentes no momento da propositura da ação, sem necessidade de dilação probatória para apuração do quantum debeat. 6. A ausência de elementos essenciais à formação do título executivo impõe a extinção da execução, nos termos dos arts. 487, I, e 803, I, do CPC, diante da

Processo	0918181-91.2014.8.06.0001
	inadequação da via processual eleita pela exequente. 7. A jurisprudência pátria é firme ao reconhecer a necessidade de liquidez do título executivo extrajudicial, especialmente quando o contrato prevê condicionantes para a exigibilidade do crédito, como aceite e emissão de nota fiscal, os quais não foram demonstrados no caso concreto. IV. DISPOSITIVO E TESE. 8. Recurso conhecido e não provido. Tese de julgamento: A ausência de nota fiscal e do aceite expresso das medições, quando exigidos contratualmente, afasta a liquidez e a certeza do título executivo extrajudicial, impedindo o ajuizamento da execução. A execução fundada em contrato com cláusulas condicionais à exigibilidade do crédito depende da demonstração documental prévia do cumprimento dessas condições. A via executiva é inadequada quando a aferição do crédito exige dilação probatória, devendo ser manejada ação de conhecimento. ÔNUS QUE COMPETIA À REQUERENTE DEMONSTRAR OS FATOS CONSTITUTIVOS DE SEU DIREITO, ART. 373, I DO CPC. RECURSO APELATÓRIO CONHECIDO E IMPROVIDO. SENTENÇA MANTIDA. I. Apelação interposta para reformar sentença que julgou parcialmente procedente a ação monitoria, constituindo de pleno direito tão somente 5 das 11 duplicatas questionadas, visto a existência de aceite e recebimento das mercadorias nas notas fiscais de fls. 27; 35; 43; 51 e 59, desconsiderando as demais por ausência do recebimento e do aceite na duplicata. II. A teor do art. 700 do CPC, a ação monitoria cabe a quem pretender, com base em prova escrita sem eficácia de título executivo, entre outros, o pagamento de soma em dinheiro. O objetivo é acelerar o recebimento do valor pretendido, transferindo para posteriores embargos monitorios a discussão sobre a existência ou não do crédito. Dessa forma, inverte-se para o devedor o ônus de desconstituir o direito do autor em relação à dívida questionada, o que foi devidamente demonstrado em 6 das 11 duplicatas exigidas. III. De todas as duplicatas apresentadas na monitoria, só 5 (cinco) foram reconhecidas a exigibilidade, visto o recebimento e aceite por parte da demandada, consoante fls. 31; 39; 47; 55 e 63, o que totaliza o valor de R\$ 5.016,83 (cinco mil e dezesseis reais e oitenta e três centavos), não restando demonstrado o inadimplemento em relação às demais duplicatas, conforme bem noticiou o MM. Magistrado em sua sentença de fls. 111/114. IV. Nessas circunstâncias, verifico que a requerente Neoplastic Embalagem Plástica Ltda não se desincumbiu do ônus que lhe competia, conforme preconiza o art. 373, I do CPC/15, no sentido de demonstrar os fatos constitutivos de seu direito, demonstrando a demandada Nazaré Azevedo Portela-ME, que recebeu todas as duplicatas exigidas, as quais correspondem à importância de R\$ 15.053,50 (quinze mil, cinquenta e três reais e cinquenta centavos), ora almejados. EXECUÇÃO DE TÍTULO EXTRAJUDICIAL. ARRESTO ON-LINE. POSSIBILIDADE ANTES DA CITAÇÃO. FUNDOS DE PREVIDÊNCIA PRIVADA. PENHORABILIDADE. ANÁLISE DO JULGADOR. RECURSO DESPROVIDO.&#160;</div> <div> I. Caso em exame </div> <div>1. Agravo interno interposto contra decisão monocrática que deu provimento a agravo de instrumento e determinou o arresto de ativos financeiros em nome dos executados, inclusive não citados, no curso de execução de título extrajudicial ajuizada em 2015. O agravante sustenta necessidade de citação prévia e impenhorabilidade dos valores bloqueados, alegando tratar-se de proventos de aposentadoria.&#160;</div> <div> II. Questão em discussão </div> <div>2. As questões em discussão consiste em definir se é admissível a decretação de arresto on-line antes da citação do executado, diante de tentativas frustradas de localização e em estabelecer se os valores bloqueados em fundos de previdência privada são impenhoráveis.</div> <div> III. Razões de decidir </div> <div>3. A jurisprudência do STJ admite o arresto on-line antes da citação, quando frustradas as tentativas de localização do devedor, sendo desnecessário o exaurimento das diligências, conforme aplicação analógica do art. 854 do CPC.&#160;</div> <div>4. No caso em exame, a execução tramita desde 2015, sem pagamento do débito, e houve tentativas infrutíferas de localizar os avalistas, configurando risco de frustração do processo e justificando a medida excepcional.&#160;</div> <div>5. Ademais, o art. 830 do CPC prevê a possibilidade de arresto de bens quando o oficial de justiça não encontra o executado, e o art. 854 autoriza o bloqueio eletrônico de ativos financeiros sem prévia ciência do devedor.&#160;</div> <div>6. Quanto a natureza dos valores a serem bloqueados, o STJ consolidou entendimento de que a penhorabilidade de valores em fundos de previdência privada deve ser analisada caso a caso, cabendo ao juízo aferir se possuem destinação alimentar.</div> <div>7.  1. Execução de título extrajudicial fundada em cédula de crédito bancário, no bojo da qual foi proferida decisão deferindo arresto online em conta.
 2. A ausência de decisão acerca dos dispositivos legais indicados como violados, não obstante a interposição de embargos de declaração, impede o conhecimento do recurso especial.
 3. Frustrada a tentativa de localização do devedor para citação, é possível o arresto de seus bens na modalidade on-line, com base na aplicação analógica do art. 854 do CPC/15, sendo prescindível que haja o exaurimento das tentativas. Precedentes.

Ademais, o entendimento harmoniza-se com os arts. 830, caput, e 854, caput, do CPC/15, sendo o primeiro no sentido de que “Se o oficial de justiça não encontrar o executado, arrestar-lhe-á tantos bens quantos bastem para garantir a execução.” e o segundo dispondo que¶ “Para possibilitar a penhora de dinheiro em depósito ou em aplicação financeira, o juiz, a requerimento do exequente, sem dar ciência prévia do ato ao executado, determinará às instituições financeiras, por meio de sistema eletrônico gerido pela autoridade supervisora do sistema financeiro nacional, que torne indisponíveis ativos financeiros existentes em nome do executado, limitando-se a indisponibilidade ao valor indicado na execução.”</p><p style="text-align: justify; text-indent: 8%;">De igual modo, assim se encontram os julgados desta Corte, quanto ao tema em análise:</p><p style="text-align: justify;">

DESNECESSIDADE DE ESGOTAMENTO DOS MEIOS DE LOCALIZAÇÃO DO DEVEDOR. PRECEDENTES DO COLENO SUPERIOR TRIBUNAL DE JUSTIÇA E DESTA CORTE. RECURSO CONHECIDO E PROVIDO. 1. A controvérsia recursal cinge-se em analisar se, após tentativa frustrada de citação, deve o pedido de arresto on-line ser concedido ou se seu deferimento está condicionado ao esgotamento das tentativas de atos citatórios.
2. Sobre o tema, é sabido que o arresto executivo, também denominado de prévio ou pré-penhora, é uma medida que tem por finalidade garantir a futura penhora e evitar maiores prejuízos ao credor, mediante o bloqueio dos bens do executado.
3. Com efeito, o diploma preceitua que, frustrada a citação, ainda que pautada em uma única tentativa, é autorizado o arresto on-line de bens pelo oficial de justiça responsável por localizar o executado.
4. Outrossim, ainda que o dispositivo não mencione expressamente a modalidade “on-line”, a adoção da medida é plenamente cabível, por aplicação analógica do art. 854 do Código de Processo Civil.
5. Acrescente-se que não há qualquer exigência legal para que seja o arresto prévio condicionado ao esgotamento dos meios extrajudiciais à localização do executado, principalmente quando a não localização do devedor decorre do fato dele não ser localizado no endereço fornecido para a celebração do negócio, não tendo comunicado o credor acerca da alteração de seu endereço ou mesmo em endereços constantes de órgãos oficiais.
6. Não obstante exista divergência jurisprudencial a respeito do tema, a Terceira Turma do Superior Tribunal de Justiça alinhou o entendimento de que é possível o arresto online antes da citação, fazendo-se desnecessário o esgotamento dos meios de localização do devedor.
7. Portanto, ante a desnecessidade de que o arresto esteja condicionado ao esgotamento dos meios extrajudiciais à localização do executado, entendo pela reforma da decisão objurgada.

 DIREITO PROCESSUAL CIVIL. AGRAVO DE INSTRUMENTO. AÇÃO DE EXECUÇÃO. DECISÃO QUE INDEFERIU O PEDIDO DE ARRESTO DE BENS PRÉVIO OU PRÉ-PENHORA. MEDIDA QUE PODE SER REALIZADA APÓS TENTATIVA INFRUTÍFERA DE CITAÇÃO DA PARTÊ EXECUTADA, NOS TERMOS DO ART. 830 C/C 854 DO CPC. DESNECESSIDADE DE EXAURIMENTO DAS TENTATIVAS DE CITAÇÃO. ARRESTO ON-LINE. POSSIBILIDADE. APLICAÇÃO ANALÓGICA DO ART. 854 DO CPC. APLICAÇÃO PRINCÍPIOS DA COOPERAÇÃO, CELERIDADE PROCESSUAL E EFETIVIDADE DA TUTELA JURISDICIONAL. PRECEDENTES STJ E TJCE. DECISÃO AGRAVADA REFORMADA. AGRAVO DE INSTRUMENTO CONHECIDO E PROVIDO.&#160;
 1. O cerne da presente ação recursal consiste em apreciar se é cabível o deferimento do arresto prévio, na modalidade on-line, sem que tenha sido citado a parte exequida.&#160;
 2. É cediço que o arresto é medida processual que visa garantir a execução, uma vez que se converterá em penhora se o executado não adimplir com sua obrigação, podendo tal medida ser aplicada na hipótese do devedor não ser encontrado.&#160;
 3. Da leitura do art. 830 do CPC, depreende-se que a Lei Adjetiva Civil possibilita a efetivação de medidas assecuratórias da execução, embora não integralizada a relação processual. Assim, a aplicação do art. 830 do CPC está condicionada ao preenchimento de dois requisitos, conforme a própria dicção legal: não ser localizado o devedor, quando da tentativa de sua citação por mandado, e não serem encontrados bens penhoráveis, pelo oficial de justiça, naquela ocasião.&#160;
 4. Não obstante exista divergência jurisprudencial a respeito do tema, conforme precedentes do Superior Tribunal de Justiça, é possível o arresto online antes da citação, fazendo-se desnecessário o esgotamento dos meios de localização do devedor.&#160;
 5. In casu, vislumbra-se que existe risco de dano em face da parte Recorrente, uma vez que a conduta do Agravado, que busca evitar o recebimento dos autos de comunicação do Juízo, em flagrante violação ao dever de cooperação, probidade e boa-fé processuais, previsto nos artigos 5º e 6º do CPC, é indicativo de que possa, nesse mesmo desiderato, esvaziar-se dos bens pessoais que poderiam fazer frente ao pagamento do débito exequente, caso se confirme existente.&#160;
 6. Com efeito, resta evidente que o arresto executivo prescinde da citação do executado, o que é uma condição apenas para a sua conversão em penhora, e não para a efetivação em si, circunstância que confere virtual probabilidade de provimento do recurso manejado pela parte Agravante. É que, embora o art. 830 do CPC, ao disciplinar o arresto executivo, isto é, a constrição de bens do executado quando ele não for encontrado para a citação, não preveja a expressamente a modalidade de indisponibilidade de ativos financeiros em conta bancária, é fato que também não o proíbe, o que autoriza o Juízo a decidir sobre a sua viabilidade, em razão da lacuna legislativa, podendo, nesse caso, ser aplicado por analogia o art. 854 do CPC.&#160;
 7. Assim, percebe-se que a indisponibilidade de ativos financeiros depositados em conta bancária, ou bloqueio on-line como se convencionou chamar, trata-se também de uma medida preparatória à efetivação da penhora, tal qual o arresto executivo, porém nunca se confundido com a própria penhora em si. Tanto é assim, que antes que se efetive a <conversão> da indisponibilidade (bloqueio on-line) em penhora (penhora on-line), é necessário que haja a prévia intimação do executado para opor sua impugnação ao bloqueio, o que na doutrina processualista é chamado de mini-embargos, tudo conforme §§ 2º, 3º e 5º do art. 854 do CPC.&#160;
 8. Destarte, a indisponibilidade de ativos financeiros previstos no art. 854 do CPC enquadra-se, perfeitamente, nos contornos do instituto do arresto on-line de ativos financeiros, com previsão no art. 830 do mesmo diploma legal, sendo precisamente esse o entendimento conferido aos dispositivos pelo c. Superior Tribunal de Justiça, como se verifica dos julgamentos acima transcritos, que se amolda com perfeição ao caso em comento. Precedentes TJCE.&#160;
 9. Desse modo, em observância aos preceitos fundamentais estabelecidos na Constituição Federal e nas disposições do Código de Processo Civil, especialmente aos princípios da cooperação, celeridade processual e efetividade da tutela jurisdicional, tem-se que a reforma da decisão agravada é medida que se impõe. 10. 	Em relação à natureza dos valores bloqueados, verifica-se, pelo ofício do Bradesco Seguros S.A (ID 99983326 – autos originários), que ambos os avalistas possuem depósitos em fundo de previdência privada, sendo que o Sr. Leonardo de Pontes Vieira possui R\$ 107.399,72 e o Sr. Cândido da Silveira Quindere possui R\$ 88.623,52. Os montantes ultrapassam o limite de 40 salários-mínimos, o que afasta a incidência da impenhorabilidade prevista no art. 833, X, do CPC, inclusive também do inciso 160; Quanto à penhorabilidade de valores em fundos de previdência privada, o STJ já consolidou o entendimento de que a análise deve ser feita caso a caso, cabendo ao juízo verificar se possuem caráter alimentar. NATUREZA ALIMENTAR. ANÁLISE DO JULGADOR. PENHORABILIDADE. ACOLHIMENTO. IMPOSSIBILIDADE. SÚMULA Nº 7/STJ. 1. No caso, a alegação de negativa de prestação jurisdicional foi formulada de forma genérica, sem especificação das supostas omissões ou teses que deveriam ter sido examinadas pelo tribunal de origem, apresentando fundamentação deficiente, a atrair, por analogia, a Súmula nº 284/STF. 2. A jurisprudência desta Corte entende que a impenhorabilidade dos valores depositados em fundo de previdência privada complementar deve ser aferida pelo magistrado em cada caso, de modo que resta caracterizada a sua natureza alimentar, na forma do art. 649, IV, do CPC, quando as provas dos autos revelarem a necessidade de utilização do saldo para a subsistência do participante e de sua família. 3. Não há como rever o acórdão recorrido, para entender pela penhorabilidade dos fundos previdenciários, sem a incursão nos fatos e nas provas dos autos, o que é inviável no recurso especial em virtude do óbice da Súmula nº 7/STJ. 4. A jurisprudência consolidada do Superior Tribunal de Justiça estabelece que os valores depositados em fundos de previdência privada não são, em regra, automaticamente impenhoráveis, devendo ser analisado, em cada caso, se são indispensáveis para a subsistência do executado. 2. No caso, o TJSP constatou que a agravante possui saldos expressivos em, ao menos, três planos de previdência privada e que os valores bloqueados, mesmo após a dedução do débito, excedem o limite previsto no art. 833, X, do CPC, não tendo sido demonstrado que tais recursos são indispensáveis para a subsistência da recorrente e de sua família. 3. Acórdão	 PROCESSO: 0248882-32.2021.8.06.0001 - 160; APELAÇÃO CÍVEL (198) APELANTE: DICKSON BELISARIO BARLETTA APELADO: LUAN FIRMEZA BARLETTA, CAROLINA FIRMEZA FACO FRANKLIN DE LIMA Ementa DIREITO DE FAMÍLIA. APELAÇÕES CÍVEIS. AÇÃO REVISIONAL DE ALIMENTOS. MAIORIDADE DO ALIMENTANDO. REDUÇÃO DA CAPACIDADE FINANCEIRA DO ALIMENTANTE. MANUTENÇÃO DA PENSÃO EM PATAMAR REDUZIDO. RECURSOS DESPROVIDOS. I. CASO EM EXAME Apelações Cíveis interpostas contra sentença da 4ª Vara de Família da Comarca de Fortaleza que julgou parcialmente procedente a Ação Revisional de Alimentos c/c Tutela de Urgência, reduzindo o valor da pensão de dois salários-mínimos para 70% do salário-mínimo nacional. O primeiro apelante pleiteia nova redução para 30% do salário-mínimo; o segundo requer a improcedência da ação revisional e a manutenção da pensão originária. II. QUESTÃO EM DISCUSSÃO Há duas questões em discussão: (i) definir se a maioria civil do alimentando extingue automaticamente a obrigação alimentar; (ii) estabelecer se ficou comprovada alteração superveniente da capacidade financeira do alimentante que justifique a redução do encargo alimentar. III. RAZÕES DE DECIDIR A maioria civil do alimentando não extingue automaticamente a obrigação alimentar, subsistindo o dever de assistência decorrente do vínculo de parentesco, nos termos da Súmula 358 do STJ. A manutenção da pensão alimentícia é admitida enquanto perdurar a necessidade do alimentando, notadamente em fase de formação educacional e ingresso no mercado de trabalho. A exoneração ou redução dos alimentos depende de prova da modificação superveniente da capacidade econômica do alimentante ou da necessidade do alimentando, conforme art. 1.699 do CC. O alimentante comprovou alteração em sua situação financeira em razão da pandemia da Covid-19, que inviabilizou sua atividade profissional anterior, configurando fato novo apto à revisão. Constatou-se, ainda, que o alimentando atingiu a maioria e exerce atividade laboral formal, reduzindo a necessidade de percepção em patamar superior. A fixação da pensão em 70% do salário-mínimo observa o binômio necessidade/possibilidade, ajustando-se à realidade financeira do alimentante e às necessidades do alimentando.

Contrarrazões sob Id. 21491022 e 21491085. Em parecer de Id. 21490359, a Procuradoria Geral de Justiça informou não possuir interesse no feito. É o relatório. VOTO Presentes os pressupostos de admissibilidade, conheço de ambos os recursos. Conforme relatado, ratam os autos de Apelações Cíveis interpostas por Dickson Belissário Barletta e Luan Firmeza Barletta, em face de sentença proferida pelo Juízo da 4ª Vara de Família da Comarca de Fortaleza, que julgou parcialmente procedente a Ação Revisional de Alimentos c/c Tutela de Urgência proposta por Dickson Belissário Barletta em desfavor de Luan Firmeza Barletta. No que pertine ao mérito, o primeiro apelante, Dickson Belissário Barletta, pugna pela redução do encargo alimentar para 30% (trinta por cento) do salário-mínimo. O segundo apelante, por sua vez, busca pelo restabelecimento da pensão alimentícia para o valor originário de 02 (dois) salários-mínimos. Primeiramente, ao falar-se de exoneração de alimentos, é sabido que, em se tratando de alimentos prestados pelo genitor a sua prole, a circunstância da credora alimentícia atingir a maioridade civil não implica, de modo automático, na cessação da obrigação alimentícia, porquanto, embora cessada a compulsoriedade, subsiste o dever de assistência fundado no parentesco consanguíneo. A despeito disto, passa-se a exigir a prova da respectiva necessidade. Neste contexto, eis o enunciado da Súmula n.º 358 do STJ: "O cancelamento de pensão alimentícia de filho que atingiu a maioridade está sujeito à decisão judicial, mediante contraditório, ainda que nos próprios autos". De acordo com o lecionado por Maria Berenice Dias: O adimplemento da capacidade civil, aos 18 anos (CC 5º), ainda que enseje o fim do poder familiar, não leva a extinção automática do encargo alimentar. Após a maioridade é presumível a necessidade dos filhos de continuarem a perceber alimentos. No entanto, a presunção passa a ser juris tantum, enquanto os filhos estiverem estudando, pois compete

Acórdão	 PROCESSO: 0625636-37.2024.8.06.0000 - 160; EMBARGOS DE DECLARAÇÃO EMBARGANTE: ROMICELIA OLIVEIRA MARQUES EMBARGADO: UNIMED DE FORTALEZA COOPERATIVA DE TRABALHO MEDICO LTDA EMENTA: DIREITO PROCESSUAL CIVIL. EMBARGOS DE DECLARAÇÃO EM AGRAVO DE INSTRUMENTO. ALEGAÇÃO DE OMISSÃO, CONTRADIÇÃO E ERRO MATERIAL. INOCORRÊNCIA. RECURSO CONHECIDO E DESPROVIDO. I. CASO EM EXAME 1. Embargos de declaração opostos por Romicélia Oliveira Marques contra acórdão da 1ª Câmara de Direito Privado que deu provimento a agravo de instrumento interposto pela parte contrária. A embargante sustenta omissão quanto à ausência de intimação para apresentar contrarrazões, contradição no exame da validade de reajustes por faixa etária em plano de saúde e erro material na identificação de certidão de decurso de prazo como comprovante de intimação. II. QUESTÃO EM DISCUSSÃO 2. Há três questões em discussão: (i) definir se houve omissão no acórdão em razão de suposta ausência de intimação para contrarrazões; (ii) estabelecer se existiu contradição na análise da validade dos reajustes contratuais; (iii) determinar se ocorreu erro material na referência à certidão de decurso de prazo como intimação. III. RAZÕES DE DECIDIR 3. A intimação da embargante para apresentar contrarrazões ao agravo ocorreu regularmente por meio de publicação no Diário da Justiça Eletrônico, certificada nos autos, não havendo omissão a ser suprida. 4. O acórdão embargado enfrentou expressamente a questão dos reajustes por faixa etária, aplicando os Temas Repetitivos nº 952 e 1.016 do STJ e ressaltando a necessidade de dilação probatória para análise da abusividade, inexistindo contradição. 5. A referência à certidão de decurso de prazo não configura erro material, pois o documento certificou tanto a intimação da parte quanto a ausência de apresentação de contrarrazões.

No caso de obscuridade ou contradição, o decisório será expungido, eliminando-se o defeito nele detectado. Tratando-se de erro material, o juiz irá corrigi-lo. Em qualquer caso, a substância do julgado será mantida, visto que os embargos de declaração não visam à reforma do acórdão, ou da sentença. No entanto, será inevitável alguma alteração no conteúdo do julgado, principalmente quando se tiver de eliminar omissão ou contradição. 	decisão é contraditória quando encerra duas ou mais proposições ou dois ou mais enunciados inconciliáveis. A contradição ocorre entre proposições e os enunciados que se encontram dentro da mesma decisão. Omissão. A apreciação que o órgão jurisdicional deve fazer dos fundamentos levantados pelas partes em seus arrazoados tem de ser completa (art. 489, § 1º, IV, CPC). Vale dizer: a motivação da decisão deve ser completa – razão pela qual cabem embargos declaratórios quando for omitido 'ponto sobre o qual devia se pronunciar-se o juiz de ofício ou a requerimento' (art. 1.022, II, CPC). Erro material. Cabem embargos de declaração para sanção de erro material, assim entendidos os erros de cálculos e as inexatidões materiais (art. 494, I, CPC). Erro de cálculo consiste no erro aritmético (não se confunde, porém, com o erro quanto a critério de cálculo ou elementos do cálculo, que constituem erros de julgamento a respeito do cálculo). Inexatidão material constitui erro na redação da decisão – e não no julgamento nela exprimido. (Novo Código de Processo Civil Comentado. São Paulo: Editora Revista dos Tribunais, 2015. págs. 953/954). [grifo nosso]. Conforme se depreende dos autos, aduz a parte embargante que o acórdão incorreu em omissão, porquanto não a teria intimado para apresentar contrarrazões ao agravo de instrumento. Não merece prosperar a alegação da parte embargante de que o acórdão incorreu em omissão, sob o argumento de que não teria sido intimada para apresentar contrarrazões ao agravo de instrumento. Conforme se extrai dos autos, houve a devida intimação da parte agravada, ora embargante, por intermédio de suas patronas devidamente constituídas. Em ato ordinatório de ID nº 21668786 (fl. 218 do SAJ), consta expressamente a certidão de envio de publicação no Diário da Justiça Eletrônico, onde se encontram lançados os nomes da agravada e de suas advogadas Beatriz Oliveira Bezerra e Romaria Oliveira Marques. De igual modo, em ID nº 21669291 (fl. 222 do SAJ), há a certidão de publicação confirmando o mesmo conteúdo, com a expressa indicação da parte agravada e de suas procuradoras. A consulta ao próprio Diário da Justiça Eletrônico (https://esaj.tjce.jus.br/cdje/consultaAvancada.do#buscaavancada) corrobora a regularidade da intimação, constando, na edição nº 3310, caderno 2, pág. 142 (https://esaj.tjce.jus.br/cdje/consultaSimples.do?cdVolume=14&nuDiario=3310&cdCaderno=2&nuSeqpagina=142), a intimação da embargante para apresentação de contrarrazões, com menção expressa à parte e às suas patronas. Assim, não procede a alegação de omissão, uma vez que a intimação ocorreu de forma regular. Ressalte-se, ainda, que a simples alegação da parte embargante de que não houve referência ao seu nome em determinada movimentação não é suficiente para infirmar as certidões constantes dos autos e a própria publicação no Diário da Justiça Eletrônico, atos dotados de fé pública. Também não procede a alegação de contradição formulada pela embargante. Sustenta a parte que, ao aplicar os Temas Repetitivos nº 952 e 1.016 do STJ, o acórdão teria reconhecido, em tese, a validade dos

	reajustes por faixa etária desde que observados critérios contratuais, atuariais e de proporcionalidade, mas teria se omitido em analisar se, no caso concreto, tais requisitos foram efetivamente atendidos pela operadora de saúde, em especial diante dos percentuais praticados, reputados excessivos pela embargante. Entretanto, vê-se que não assiste razão ao recorrente, uma vez que a questão foi devidamente tratada na decisão embargada. Conforme se depreende do acórdão, a questão foi devidamente enfrentada e solucionada. O colegiado deixou expresso que a possibilidade de aplicação de reajustes por mudança de faixa etária aos beneficiários de planos de saúde já se encontra pacificada pelo Superior Tribunal de Justiça (Temas 952 e 1.016). À luz desse entendimento, o acórdão recorrido expressamente consignou que, no caso em exame, não restou demonstrada a probabilidade do direito alegado pela parte autora, ora embargante, ressaltando a necessidade de maior dilação probatória para a apuração da eventual abusividade dos percentuais aplicados pela operadora. Por essa razão, entendeu-se pelo não preenchimento dos requisitos para concessão da tutela de urgência, reformando-se a decisão interlocutória que havia deferido a medida. Não obstante às alegações da parte embargante, evidencia-se que a fundamentação da decisão foi abordada em todos os seus aspectos e de maneira coerente e fundamentada, representando a presente insurgência mero inconformismo com o decisum recorrido, que foi exarado em consonância com os ditames legais que regem a matéria e como posicionamento professado pela jurisprudência pátria sobre o tema. Por fim, a embargante sustenta que o acórdão teria incorrido em erro material, ao identificar a fl. 224 dos autos (ID 21669293) como comprovante de intimação, quando, em verdade, tratar-se-ia de mera certidão de decurso de prazo. Contudo, a alegação não procede. O acórdão recorrido, ao consignar que “Devidamente intimada (fl. 224), a agravada não apresentou contrarrazões”, não incorreu em equívoco, tampouco atribuiu natureza diversa ao referido documento. Com efeito, ao se examinar a fl. 224 (ID 21669293), constata-se que se trata de certidão expedida pela serventia judicial, na qual, além de registrar o decurso do prazo sem apresentação de manifestação pela parte, também se certifica a disponibilização da intimação da agravada e de suas patronas no Diário da Justiça Eletrônico para fins de apresentação de contrarrazões. Assim, o acórdão apenas reconheceu, com base nessa certidão, que houve a regular intimação da parte agravada, a qual, entretanto, quedou-se inerte no prazo assinalado. Não há, portanto, erro material a ser sanado, mas tão somente interpretação equivocada da embargante acerca do conteúdo do documento indicado, o que não enseja a modificação do julgado. Entendo, portanto, que não existe omissão, contradição ou erro a serem supridos restando consideradas as matérias e dispositivos suscitados automaticamente prequestionados, por força do que determina o art. 1.025 do CPC/2015.

Requer, em sede de liminar, a concessão de efeito suspensivo ao agravo, a fim de que seja interrompido o dever de prestação alimentícia à sua ex-esposa. No mérito, roga pelo provimento do recurso, para que seja mantida a liminar. Decisão interlocutória ID 21679813, deferindo parcialmente o pedido de efeito suspensivo requerido. Agravo Interno contra a referida decisão Interlocutória que concedeu em parte o efeito suspensivo almejado ID 21680260. Contrarrazões ID 21679824 (SAJ 117). Parecer do Órgão Ministerial informando não haver interesse público primário no objeto da presente demanda. É o relatório. VOTO Inicialmente, quanto aos requisitos de admissibilidade recursal, intrínsecos e extrínsecos, cumpre observar que o presente recurso de agravo de instrumento deve ser conhecido. Insurgência admitida, a controvérsia recursal consiste em analisar a possibilidade de reforma ou não, da decisão interlocutória de primeiro grau que deferiu o pedido de tutela de urgência formulado pela parte promotora no sentido de fixar provisoriamente alimentos provisionais mensais devidos pelo réu, ora recorrente, à autora no patamar de 1/5 (um e meio) salário-mínimo vigente, devidos desde a citação, devendo o valor ser depositado até o 5º dia útil de cada mês na conta bancária de titularidade da autora. Dito isso, cumpre destacar, <i>a priori</i>, que a cognição deste Juízo <i>ad quem</i> se restringe à análise perfunctória da matéria, verificando-se o acerto ou não da decisão recorrida, em razão da estreita via do agravo de instrumento, que veda a incursão aprofundada e definitiva no mérito da ação originária, sob pena de incorrer-se em prejuízo e, por conseguinte, em supressão de uma instância jurisdicional. Nesse viés, impõe-se acentuar que a legislação processual civil estabelece como requisitos motivadores da concessão da tutela de urgência (1) a probabilidade do direito e (2) o perigo de dano ou o risco ao resultado útil do processo, nos termos do art. 300 do CPC. Nesse cenário, adianto que a irresignação do agravante não merece ser acolhida. Nesse contexto, deve-se destacar que os alimentos entre cônjuges consistem em obrigação decorrente do dever de assistência mútua, previsto no Código Civil Brasileiro. Após a separação ou o divórcio, um dos cônjuges pode ser obrigado a pagar alimentos ao outro, desde que comprovada a necessidade de quem os solicita e a capacidade financeira de quem deve prestá-los, nos termos do artigo 1.694 do Código Civil. O artigo

	1.694 do Código Civil estabelece que os alimentos devem ser fixados na proporção das necessidades do reclamante e dos recursos da pessoa obrigada. A jurisprudência pátria reconhece que a obrigação alimentícia entre cônjuges não é automática e deve ser analisada caso a caso, levando em consideração fatores como a idade de quem requer, a saúde e a capacidade de trabalho do cônjuge alimentando, assim como o padrão de vida mantido durante o matrimônio ou união estável. Feito essas considerações, tem-se que, no presente caso, foi devidamente demonstrado o vínculo matrimonial entre a recorrida e o recorrente desde 30/11/2001, bem como é incontroverso que a promovente dependia financeiramente do ex-marido, ora agravante, posto que, em momento algum do recurso em comento, o agravante impugna a afirmação contida na inicial de que era o cônjuge varão quem arcava com as contas de casa e que a recorrida era “do lar”. Ademais, a agravada é pessoa idosa e está hoje com 67 anos de idade, não havendo o promovido comprovado que a ex-cônjuge laborava durante o vínculo conjugal, o que limita a capacidade de a parte autora se reinserir no mercado de trabalho 23 anos depois, contando-se do início do matrimônio. Nesse passo, os referidos fatos demonstram, até o momento, a necessidade da recorrida em obter alimentos. Por outro lado, o recorrente não logrou êxito em demonstrar que não possui condições de arcar com o valor arbitrado pelo juízo de origem, posto que comprovou ser aposentado e receber pensão de R\$ 34.405,07 por ano, conforme demonstrativo do imposto de renda ID 21680253 (SAJ fls. 21-30). No caso dos autos, incontroverso, documentalmente, a relação matrimonial entre as partes, objeto de pedido de Divórcio c/c Alimentos. Outrossim, a agravada é pessoa idosa, 67 anos de idade, fato que por si só já advoga em prol do cônjuge agravado quanto à necessidade dos alimentos requeridos na Instância inaugural. Ademais, não se tem notícia nos autos, muito menos comprovação, de que a alimentanda é ativa no mercado de trabalho. Por outro lado, o Alimentante é aposentado auferindo rendimentos mensais de aproximadamente R\$ 5.000,00 (cinco mil reais) sendo proprietário de vários imóveis, estando 3 (três) deles, no seu dizer, cedidos graciosamente à Igreja da qual é Pastor; razão pela qual a ilação a que se chega é a de que, acaso necessitar de maior numerário para sua manutenção e a manutenção da agravada/alimentanda, poderá locar ao menos um dos imóveis para fins de proporcionar uma vida com um mínimo de dignidade à sua ex-companheira de longa jornada, hoje já idosa e sem perspectivas para o labor. Assim, entendo que a probabilidade do direito não está presente, posto que foi demonstrado, pelo menos em um juízo de análise superficial, ante o atual grau de cognição de que ora disponho, que o agravante tem possibilidade de pagar 1,5 salários-mínimos sem prejuízo de seu sustento, razão pela qual os alimentos devem ser mantidos. Assim, entendo que a probabilidade do direito não está presente, posto que foi demonstrado, pelo menos em um juízo de análise superficial, ante o atual grau de cognição de que ora disponho, que o agravante tem possibilidade de pagar 1,5 salários-mínimos sem prejuízo de seu sustento, razão pela qual os alimentos devem ser mantidos. DIREITO CIVIL E PROCESSUAL CIVIL. AGRAVO DE INSTRUMENTO. ALIMENTOS PROVISÓRIOS. FIXAÇÃO EM FAVOR DE EX-COMPANHEIRA. NECESSIDADE E POSSIBILIDADE. SUPRESSÃO DE INSTÂNCIA. RECURSO PARCIALMENTE CONHECIDO E, NA PARTE CONHECIDA, NÃO PROVIDO. I. CASO EM EXAME. Agravo de instrumento interposto com o objetivo de reformar decisão que fixou alimentos provisórios no valor de três salários mínimos em favor da agravada, ex-companheira do agravante. O recorrente sustenta, preliminarmente, a nulidade da decisão por vício de incompetência, e, no mérito, a ausência de comprovação de necessidade da agravada e a desproporcionalidade do encargo em relação à sua capacidade econômica. II. QUESTÃO EM DISCUSSÃO Há duas questões em discussão: (i) definir se é possível o conhecimento do recurso quanto à alegação de nulidade da decisão por incompetência do juízo; (ii) estabelecer se a decisão agravada merece reforma quanto à fixação dos alimentos provisórios. III. RAZÕES DE DECIDIR O exame da alegação de nulidade da decisão por incompetência encontra óbice na ausência de manifestação prévia do juízo de origem sobre a matéria, que foi oportunamente suscitada na contestação apresentada na ação principal, configurando-se questão prejudicial ao mérito da demanda, cuja análise

	competes, inicialmente, ao juízo a quo, sob pena de indevida supressão de instância. Quanto ao mérito do recurso, a fixação dos alimentos provisórios deve observar o binômio necessidade-possibilidade, conforme disposto no art. 1.694, caput e §1º, do Código Civil. No caso concreto, há indícios suficientes de que as partes mantiveram longa convivência, configurando, em tese, união estável, bem como de que a agravada se encontra em situação de vulnerabilidade econômica, justificando a fixação da verba alimentar. Não ficou demonstrado que o agravante não possui capacidade para suportar o encargo no valor fixado, tampouco que o montante seja manifestamente excessivo ou desproporcional. A decisão agravada encontra-se suficientemente fundamentada, pautando-se na prudente análise do binômio necessidade-possibilidade, dentro dos parâmetros usuais para hipóteses similares, especialmente considerando-se o caráter provisório da fixação dos alimentos. Ressalta-se que a fixação provisória não impede a revisão futura da obrigação alimentar, caso surjam novos elementos probatórios que justifiquem sua alteração. IV. DISPOSITIVO E TESE Recurso parcialmente conhecido e, na parte conhecida, desprovido. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 4ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, em unanimidade, conhecer parcialmente do presente agravo de instrumento, para, na parte conhecida, NEGAR-LHE PROVIMENTO, nos termos do voto do Relator. AGRAVO DE INSTRUMENTO. ALIMENTOS. BINÔMIO NECESSIDADE/POSSIBILIDADE. AUSÊNCIA DE PROVAS IDÔNEAS PARA MAJORAÇÃO. RECURSO DESPROVIDO. I. CASO EM EXAME 1. Agravo de instrumento interposto por Bárbara Carla Santos da Silva contra decisão interlocutória proferida no curso de ação de alimentos c/c fixação de guarda e regulamentação de convivência, ajuizada por Antônio Nilson Bernardino Silva Júnior, na qual o juízo de origem fixou alimentos em 80% do salário-mínimo, deferiu guarda compartilhada com residência da menor com a genitora e regulamentou o direito de visitas do pai. A agravante sustenta que está desempregada, não possui condições de arcar com as despesas da menor e requer a majoração dos alimentos para 100% do salário-mínimo, além do custeio integral das despesas escolares, plano de saúde, vestuário e medicamentos pelo agravado. II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em definir se estão presentes os elementos fáticos e jurídicos que autorizem a majoração dos alimentos fixados em 80% do salário-mínimo para 100%, com inclusão de outras despesas, com base no binômio necessidade possibilidade. III. RAZÕES DE DECIDIR 3. A análise de alimentos deve observar o binômio necessidade do alimentado e possibilidade do alimentante, nos termos dos arts. 1.694, §1º, e 1.695 do Código Civil, o que exige ponderação proporcional entre os direitos fundamentais envolvidos, sem promover enriquecimento sem causa. 4. A presunção da necessidade da menor, por sua tenra idade (06 anos), não é suficiente, por si só, para justificar a majoração dos alimentos, sendo necessária a comprovação efetiva da impossibilidade da genitora em prover qualquer parcela e da aptidão financeira do genitor para arcar com a totalidade dos custos. 5. A planilha apresentada pela agravante (fls. 05/06), bem como a carteira de trabalho sem nenhum preenchimento (fls. 15/20), não se revestem de força probatória suficiente para afastar a conclusão do juízo de origem, especialmente diante da alegação do agravado de ausência de vínculo de trabalho fixo e existência de outros filhos. 6. A revisão do valor fixado demandaria dilação probatória para aferição mais precisa da real capacidade econômica do alimentante e da veracidade das despesas alegadas, providência incompatível com a via estreita do agravo de instrumento. 7. A jurisprudência consolidada nos tribunais pátrios rechaça a majoração de alimentos sem prova cabal da alteração do trinômio necessidade-possibilidade-proporcionalidade, impondo a manutenção do quantum arbitrado enquanto não demonstrado o desequilíbrio. 8. A obrigação alimentar deve ser compartilhada entre os genitores, na proporção de suas possibilidades, conforme o art. 1.703 do Código Civil, não se podendo presumir, nesta fase, que o genitor deva suportar integralmente os encargos. IV. DISPOSITIVO E TESE 9. Recurso desprovido. Tese de julgamento: 1. A majoração dos alimentos exige demonstração inequívoca da alteração do binômio necessidade possibilidade, sendo necessária dilação probatória para averiguar a real necessidade de majoração do quantum adequado. 2. A obrigação alimentar é solidária entre os genitores e deve observar a proporção de seus recursos, nos termos do art. 1.703 do Código Civil. 3. A simples alegação de desemprego da genitora não autoriza a imposição integral dos encargos ao genitor sem prova concreta da real situação econômica de ambas as partes. Acórdão	 PROCESSO: 0202222-85.2024.8.06.0029 - APELAÇÃO CÍVEL (198) APELANTE: ANTONIA LEENE FERREIRA LIMA APELADO: BANCO BRADESCO S/A EMENTA: DIREITO PROCESSUAL CIVIL. APELAÇÃO CÍVEL. AÇÃO DECLARATÓRIA DE INEXISTÊNCIA DE DÉBITO C/C INDENIZAÇÃO POR DANOS MORAIS. INDEFERIMENTO DA PETIÇÃO INICIAL. EXIGÊNCIA DE COMPROVANTE DE RESIDÊNCIA ATUALIZADO. DOCUMENTO NÃO INDISPENSÁVEL À PROPOSITURA DA AÇÃO. FORMALISMO EXACERBADO. PRINCÍPIOS DA PRIMAZIA DA DECISÃO DE MÉRITO E DO ACESSO À JUSTIÇA. SENTENÇA CASSADA. RECURSO PROVIDO. I. CASO EM EXAME: 1. Apelação Cível interposta contra sentença da 2ª Vara Cível da Comarca de Acopiara que indeferiu a petição inicial e extinguiu o processo, sem resolução do mérito, com fundamento no art. 485, I, do CPC, sob o argumento de que a parte autora não cumpriu a determinação de apresentar comprovante de residência legível e atualizado em nome próprio ou de terceiros. A parte apelante sustenta que a inicial foi instruída com a documentação necessária ao regular processamento da demanda. II. QUESTÃO EM DISCUSSÃO: 2. Há duas questões em discussão: (i) definir se houve deferimento tácito do pedido de justiça gratuita diante da ausência de manifestação expressa pelo juízo de primeiro grau; (ii) estabelecer se a ausência de comprovante de residência atualizado constitui fundamento legítimo para indeferir a petição inicial e extinguir o processo sem resolução do mérito. RAZÕES DE DECIDIR: 3. A ausência de manifestação do juiz sobre o pedido de gratuidade de justiça implica deferimento tácito, conforme precedentes do STF e do STJ. 4. O comprovante de residência atualizado não constitui documento indispensável à propositura da ação, nos termos dos arts. 319 e 320 do CPC, cabendo apenas a exigência de documentos sem os quais não seja possível apreciar o mérito. 5. A documentação apresentada pela autora, consistente em procuração, declaração de hipossuficiência, documentos de identificação, comprovante de residência e extrato bancário, é suficiente para o regular desenvolvimento do processo. 6. A exigência de juntada de comprovante de residência atualizado configura formalismo excessivo, em afronta aos princípios da primazia da decisão de mérito e do acesso à justiça (CF, art. 5º, XXXV; CPC, arts. 4º e 6º). 7. A jurisprudência consolidada do TJCE e do STJ reconhece que o indeferimento da inicial não pode se basear em exigências que extrapolam os requisitos legais da petição inicial, sob pena de cerceamento do direito de ação. DISPOSITIVO E Tese: 8. Recurso conhecido e provido. Sentença anulada. Tese de julgamento: A ausência de manifestação judicial sobre o pedido de gratuidade de justiça acarreta deferimento tácito do benefício.

O acesso ao benefício da gratuidade, com todas as consequências jurídicas dele decorrentes, resulta da simples afirmação, pela parte (pessoa física ou natural), de que não dispõe de capacidade para suportar os encargos financeiros inerentes ao processo judicial, mostrando-se desnecessária a comprovação, pela parte necessitada, da alegada insuficiência de recursos para prover, sem prejuízo próprio ou de sua família, as despesas processuais. Precedentes. Se o órgão judiciário competente deixar de apreciar o pedido de concessão do benefício da gratuidade, reputar-se-á tacitamente deferida tal postulação, eis que incumbe, à parte contrária, o ônus de provar, mediante impugnação fundamentada, que não se configura, concretamente, o estado de incapacidade financeira afirmado pela pessoa que invoca situação de necessidade. Precedentes (STF, RE nº 245.646-AgR/RN, Relator o Ministro Celso de Mello, Segunda Turma, DJe 13/2/09). DIREITO PROCESSUAL CIVIL. EFICÁCIA DA CONCESSÃO DE ASSISTÊNCIA JUDICIÁRIA GRATUITA. Quando a assistência judiciária gratuita for deferida, a eficácia da concessão do benefício prevalecerá, independentemente de renovação de seu pedido, em todas as instâncias e para todos os atos do processo - alcançando, inclusive, as ações incidentais ao processo de conhecimento, os recursos, as rescisórias, assim como o subsequente processo de execução e eventuais embargos à execução -, somente perdendo sua eficácia por expressa revogação pelo Juiz ou Tribunal. Isso porque não há previsão legal que autorize a exigência de renovação do pedido de assistência judiciária gratuita em cada instância e a cada interposição de recurso, mesmo na instância extraordinária. Ao contrário, o art. 9º da Lei 1.060/1950 estabelece expressamente a eficácia da decisão deferitória do benefício em todas as instâncias e graus de jurisdição. Com efeito, a concessão do benefício, por compor a integralidade da tutela jurídica pleiteada, comporta eficácia para todos os atos processuais, em todas as instâncias, alcançando, inclusive, as ações incidentais ao processo de conhecimento, os recursos, as rescisórias, assim como o subsequente processo de execução e eventuais embargos à execução, sendo despendida a constante renovação do pedido a cada instância e para a prática de cada ato processual. Essa é a interpretação mais adequada da legislação, especialmente da Lei 1.060/1950 (arts. 4º, 6º e 9º), e consentânea com os princípios constitucionais da inafastabilidade da tutela jurisdicional e do processo justo, com garantia constitucional de concessão do benefício da assistência judiciária gratuita ao necessitado

	(art. 5º, XXXV, LIV e LXXIV, da CF). Assim, desde que adequadamente formulado o pedido e uma vez concedida, a assistência judiciária gratuita prevalecerá em todas as instâncias e para todos os atos do processo, nos expressos termos assegurados no art. 9º da Lei 1.060/1950 (reiterado no parágrafo único do art. 13 da Lei 11.636/2007). Contudo, perderá eficácia a concessão do benefício em caso de expressa revogação pelo Juiz ou Tribunal, quando comprovada a mudança da condição econômico financeira do beneficiário. Isso porque a decisão que concede a gratuidade está condicionada à cláusula rebus sic standibus, primando pela precariedade e não gerando preclusão pro judicato. Dessa maneira, a renovação do pedido de gratuidade da justiça somente se torna necessária quando houver anterior indeferimento do pleito ou revogação no curso do processo. Por fim, cabe ressaltar que não se faz necessário, para o processamento de eventual recurso, que o beneficiário faça expressa remissão na petição recursal acerca do anterior deferimento da assistência judiciária gratuita, embora seja evidente a utilidade dessa providência facilitadora. Basta, portanto, que constem dos autos os comprovantes de que já litiga na condição de beneficiário da justiça gratuita. AgRg nos EAREsp 86.915-SP, Rel. Min. Ao exame dos autos, apura-se que a parte requerida, ora apelante, apresentou reconvenção (vide fls. 61/73) formulando pedidos de indenização por danos morais e materiais. 03. É notório que tais pedidos, no entanto, não foram apreciados na sentença, omitindo-se o juízo singular quanto aos fundamentos e pleitos indenizatórios realizados na reconvenção. 04. Dessa forma, incontroverso que o magistrado, ao deixar de apreciar de forma expressa e motivada pedido elencado na reconvenção, incorre em julgamento citra petita, em violação ao princípio da adstrição (art. 492, CPC), devendo a sentença ser cassada. 05. 	PROCESSO CIVIL. AGRAVO INTERNO. DECISÃO MONOCRÁTICA QUE DESPROVEU EMBARGOS DECLARATÓRIOS. HABILITAÇÃO DA MASSA FALIDA E DETERMINAÇÃO DA SUSPENSÃO DA AÇÃO MONITÓRIA. PRELIMINARMENTE. GRATUIDADE NÃO APRECIADA EM PRIMEIRA INSTÂNCIA. AUSÊNCIA DE MANIFESTAÇÃO ENSEJA O DEFERIMENTO TÁCITO. PRECEDENTES DO SUPERIOR TRIBUNAL DE JUSTIÇA. ANÁLISE EXAURIENTE DA DEMANDA. HIPÓTESE VERIFICADA NOS TERMOS DO §1º, DO ART. 6º, DA LEI 11.101/2005. RECURSO CONHECIDO E PROVIDO. 1.Trata-se de Agravo Interno interposto por Massa Falida de Oboé Crédito, Financiamento e Investimento S/A, Oboé Tecnologia e Serviços Financeiros S/A, Oboé Distribuidora de Valores Mobiliários S/A, Companhia de Investimento Oboé, Advisor Gestão de Ativos S/A, Oboé Holding Financeira S/A, José Newton Lopes Freitas, Magazines Brasileiros Ltda. e Clarinete Promotora de Vendas e Serviços Ltda., contra decisão monocrática, proferida às fls.14/15 de relatoria do Desembargador Raimundo Nonato Silva Santos, que desproveu os embargos declaratórios que visavam reverter a decisão de suspensão da Ação Monitória. 2. Preliminarmente. A gratuidade processual deve ser concedida aos agravantes, tendo em vista decisão recente do STJ na qual determina que, diante da ausência de indeferimento em decisão fundamentada pelo juízo a quo, o seu deferimento é tácito. 3. Compulsando os autos da Ação Monitória, verifica-se que o agravado interpôs Apelação Cível, questionando a iliquidez da dívida, anatocismo, pela suposta aplicação de juros moratórios e remuneratórios, alegando ainda que os cálculos teriam sido expressos de forma confusa, sem clareza na escolha dos índices. Assim, a despeito da decisão de suspensão exarada, ratificada pela decisão monocrática no julgamento dos aclaratórios, verifico que é desprovida de elementos jurídicos que consubstancie seu fundamento. O questionamento arguido em apelo, demonstra a iliquidez da dívida, ainda que esse recurso venha a ser desprovido, quando do seu julgamento. Assim, a ação monitória deve ter seu prosseguimento, pois enquadra-se na hipótese prevista no §1º, do art. 6º, da Lei 11.101/2005. 4. Inobservar essa premissa seria fomentar a ideia de uma justiça que se nega a prestação jurisdicional, pois estar-se-ia impedindo que os agravantes se habilitem no processo falimentar da agravada. Corroborase à isso, o fato da sentença de primeiro grau ter sido favorável aos agravantes. 5. Recurso conhecido e provido. Documentos indispensáveis. O autor pode juntar à petição inicial documentos que entende sejam importantes para demonstrar a existência dos fatos constitutivos de seu pedido (CPC 373 I). Há documentos, entretanto, que são indispensáveis à propositura da ação, isto é, sem os quais o pedido não pode ser apreciado pelo mérito. A indispensabilidade da juntada do documento com a petição inicial é aferível diante do caso concreto, isto é, depende do tipo da pretensão deduzida em juízo. Normalmente são indispensáveis, nas ações de estado, os que comprovam o estado e a capacidade das pessoas, sobre os quais a lei exige a certidão do cartório de registro civil como única prova (prova legal) dessa situação. A procuração ad judícia é indispensável em toda e qualquer ação judicial, devendo acompanhar a petição inicial. </p> <p style="text-align: justify; padding-left: 150px;"> 5. Exemplos de documentos indispensáveis: a) ação reivindicatória: escritura devidamente registrada; b) ação de anulação de casamento, separação judicial ou divórcio: certidão de casamento; c) ação de alimentos, fundada na LA: certidão de nascimento ou outra prova de parentesco; d) ação desconstitutiva (de anulação, rescisão etc.) de contrato escrito: o instrumento do contrato; e) ação condenatória de obrigação de fazer, consistente em instituição de arbitragem (LARb 7.º): o contrato do qual conste a cláusula compromissória ou o compromisso arbitral; f) ação de 857 execução fundada em título executivo extrajudicial (CPC 784): o título

	executivo.&#160; </p> <p style="text-align: justify; padding-left: 150px;"> &#160;6. Documentos indispensáveis e indeferimento da petição inicial. A indispensabilidade de que trata a norma sob comentário refere-se à admissibilidade, isto é, ao deferimento da petição inicial. Caso esteja ausente um desses documentos, o juiz deverá mandar juntá-lo (CPC 321 caput), sob pena de indeferimento da petição inicial (CPC 321 par.ún.). A norma não trata de outros documentos, necessários ao deslinde da causa (mérito), mas não à admissibilidade da petição inicial, como, por exemplo, os que dizem respeito à prova dos fatos alegados pelo autor (v.g., recibo, se o autor alega que a dívida foi paga). Neste caso, trata-se de questão de mérito, isto é, de fato não provado com documento que poderia ter sido juntado à inicial, o que poderá acarretar a improcedência do pedido. Não se pode tolher a dedução da pretensão do autor, porque ele não "provou" o seu direito já na petição inicial. O raciocínio restritivo pode ser válido para o mandado de segurança, porque a CF 5.º LXIX exige a prova, pré-constituída e juntada com a petição inicial, do direito líquido e certo do impetrante, mas não para as ações em geral. Na ação comum do processo civil tradicional, é suficiente para o juiz mandar citar o réu a juntada dos documentos indispensáveis à admissibilidade (juízo de probabilidade) da ação. Em sentido contrário, entendendo que a indispensabilidade tratada pela norma atinge esses outros documentos comprobatórios das alegações do autor: Marcato-Scarpinella. CPC Interpretado, coment. 1 CPC/1973 283, p. 869. </p> <p style="text-align: justify; padding-left: 150px;"> >7.(...) </p> <p style="text-align: justify; padding-left: 150px;"> >8. Momento de produção da prova documental. Documentos indispensáveis. Indeferimento da petição inicial. Não se pode confundir a admissibilidade da petição inicial, finalidade da incidência do CPC 320, com o momento da produção da prova documental. A doutrina e os tribunais têm sido extremamente condescendentes com as partes, permitindo a juntada de documentos a qualquer tempo, negando a rigidez do sistema processual vigente. Quando o autor tem a posse ou conhecimento de documentos úteis à demonstração dos fatos constitutivos de seu direito, deverá fazer a prova documental desses fatos na petição inicial (CPC 434), somente podendo juntar documentos posteriormente se forem novos ou relativos a direito ou fatos supervenientes (CPC 435 e CPC 493). A juntada desses documentos não é requisito da petição, mas requisito de validade e eficácia da prova documental. O juiz não pode indeferir a petição inicial porque o autor não juntou documento que já possuía (v.g., recibo, para provar pagamento), mas que não era indispensável, indispensabilidade essa a teor do CPC 320. Embora afirme que o documento indispensável deve ser juntado com a petição inicial, Scarpinella conclui pela impossibilidade de o juiz indeferi-la, "pois o caso é de sua emenda, nos termos do art. 284 [do CPC/1973]", omitindo-se, contudo, quanto à solução que deva ser dada ao caso, se o autor não emendar a petição inicial (Marcato-Scarpinella. CPC Interpretado, coment. 3 CPC/1973 283, p. 870). Não emendada, isto é, não juntado o documento indispensável, indispensabilidade aferida a teor do CPC 320, o caso é de indeferimento da petição inicial, porque a lei é expressa nesse sentido (CPC 321 par.ún. e 328 IV).&#160; </p> <p style="text-align: justify; padding-left: 150px;"> >(Código de Processo Civil comentado / Nelson Nery Junior, Rosa Maria de Andrade Nery. -- 17. ed. -- São Paulo, Revista dos Tribunais, 2018, Ps.857/858.) Além disso, em relação à quantificação do dano material, não é exigível nesse caso, pois seria necessário que a parte tivesse acesso ao contrato para que pudesse fazer os cálculos adequadamente 3 - Sendo assim, entendese que o disposto nos artigos 319, III e 320 do CPC foi cumprido, uma vez que claramente existem empréstimos sendo descontados do benefício da autora, logo, não há que se falar em indeferimento da exordial. 4 - A prova da validade de tais empréstimos, por outro lado, é ônus do demandado, a qual deverá anexar os contratos que serviram de fundamento para os referidos descontos, bem como cópia dos depósitos relativos às quantias emprestadas pelo banco. Com efeito, não se pode olvidar que se trata a presente demanda de relação consumerista, havendo, assim, a possibilidade de inversão do ônus da prova em favor do consumidor. 5 - Nessa perspectiva, não há que se falar em indeferimento da inicial, sob pena de inviabilizar o acesso à justiça em decorrência de formalismo exacerbado e desnecessário, comprometendo a finalidade do processo, que é a satisfação do direito material, notadamente em se tratando de informações muitas vezes inacessíveis à própria parte. 6 - Por tais razões, impõe-se o acolhimento do apelo para anular a sentença recorrida por quebra dos princípios do acesso à justiça (art. 5º, XXXV, CF/88) e da primazia da sentença de mérito (arts. 4º e 6º, CPC/15), devendo os autos retornar ao primeiro grau para fins de retomada do processamento do feito, proferindo-se, ao final, novo julgamento. 7- Recurso de apelação conhecido e provido. RECURSO CONHECIDO E PARCIALMENTE PROVIDO. 1. Trata-se de Apelação Cível interposta pelo apelante objurgando sentença proferida pelo Juízo da 2ª Vara da Comarca de Boa Viagem às fls. 196/199, que, nos autos de Ação Declaratória de Nulidade/Inexistência Contratual c/c Repetição do Indébito e Indenização por Danos Morais ajuizada em desfavor do Banco Bradesco S/A., extinguiu o feito sem resolução do mérito. 2. O juiz extinguiu o processo sem resolução de mérito com fulcro no art. 485, I, do CPC, por entender que a parte, qualificada como analfabeta, foi intimada para ratificar os termos da procuração e o pedido da inicial, bem como apresentar os documentos originais de identidade e comprovante de residência, com fulcro na Recomendação nº 01/2019/NUMOPEDE/CGJCE e art. 425, § 2º e art. 139, IX do CPC , mas não promoveu os atos ordenados. 3. A questão analisada diz respeito à necessidade da aplicação da Recomendação nº 01/2019/NUMOPEDE/CGJCE. No caso sub judice assiste razão ao juízo de 1º grau, pois a demanda envolve pessoa não alfabetizada, e a ação nos termos em que foi apresentada, possui perfil de "demanda temerária", com mesmo tema, petições quase todas idênticas, trazendo os mesmos fatos, como é o caso das ações que discutem empréstimos consignados. 4. O fundamento utilizado pelo magistrado singular para indeferir a petição inicial foi a falta de interesse processual em virtude de a apelante não ter comparecido pessoalmente à Secretaria da Vara com o fito de ratificar os termos da procuração e apresentar os documentos originais. 5. O processo foi extinto sem ser observada a prescrição do §1º do art. 485 do CPC, que determina a prévia intimação pessoal da parte autora nos casos de extinção por não promover os atos e as diligências que lhe incumbir, prevista no inciso III do aludido dispositivo legal, logo a sentença recorrida deve ser anulada para que haja o regular prosseguimento do feito, à luz da legislação processual. 6. 	ANULADA. RECURSO CONHECIDO E PROVIDO. 1 - O cerne da controvérsia reside na verificação da imprescindibilidade de juntada de extratos bancários pela promovente à propositura da ação de Declaratória de Inexistência de Empréstimo, a configurar requisito da petição inicial (arts. 319 e 320 do CPC). 2 - Na hipótese, a requerente anexou aos autos o extrato de consignação emitido pelo órgão de previdência, do qual é possível extrair a indicação do contrato em observação e os respectivos descontos; ademais, realizou requerimento administrativo perante o banco/demandado, visando obtenção de cópia do contrato do empréstimo questionado e não foi atendido, motivando o ajuizamento da presente ação. 3 - A demandante narrou a sua pretensão de forma clara e objetiva, descreveu causa de pedir próxima e remota, além de juntar os documentos reputados relevantes e indicar a prova que pretendia produzir, de modo a preencher todos os requisitos da petição inicial. Enquanto os extratos bancários são meios de prova, de modo que, sua ausência, eventualmente, ocasionaria a improcedência do pedido, não constituindo requisito indispensável à inicial. 4 - O indeferimento da inicial sob este fundamento, configura formalismo exacerbado e desnecessário, em nítido prejuízo aos princípios da primazia de julgamento de mérito e de acesso à justiça, razão pela qual deve a sentença ser anulada com retorno dos autos à origem. 5. Acórdão	 PROCESSO: 0629178-97.2023.8.06.0000 - AGRADO DE INSTRUMENTO (202) AGRAVANTE: HIDROTINTAS LTDA. AGRAVADO: OZEAS DA SILVA ROSAS EMENTA: DIREITO PROCESSUAL CIVIL. AGRAVO DE INSTRUMENTO. EXECUÇÃO DE TÍTULO EXTRAJUDICIAL. PEDIDO DE ARRESTO ON-LINE ANTES DA CITAÇÃO. POSSIBILIDADE. TENTATIVAS FRUSTADAS DE LOCALIZAÇÃO DO DEVEDOR. APLICAÇÃO ANALÓGICA DO ART. 854 DO CPC. PRINCÍPIOS DA CELERIDADE, EFETIVIDADE E COOPERAÇÃO PROCESSUAL. RECURSO PARCIALMENTE PROVIDO. I. CASO EM EXAME 1. Agravo de instrumento interposto contra decisão que indeferiu pedido de arresto on-line de ativos financeiros do executado em ação de execução, sob fundamento de ausência de citação válida. O agravante sustenta a desnecessidade do exaurimento das tentativas de citação para a adoção da medida constritiva, requerendo a reforma da decisão. II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em definir se é cabível o arresto on-line de ativos financeiros do executado antes da citação, quando já frustrada tentativa de localização, sem necessidade de esgotamento de outras diligências. III. RAZÕES DE DECIDIR 3. O Superior Tribunal de Justiça consolidou entendimento de que, frustrada a tentativa de citação, é admissível o arresto executivo, inclusive na modalidade eletrônica, por aplicação analógica do art. 854 do CPC, não sendo necessário o esgotamento de todas as diligências. 4. Além disso, o art. 830 do CPC respalda a constrição de bens quando o devedor não é encontrado, e sua compatibilidade com o bloqueio eletrônico garante a efetividade do processo. Negar o arresto nessas circunstâncias fragilizaria a tutela jurisdicional e violaria os princípios da celeridade e da cooperação processual previstos nos arts. 4º e 6º do CPC. 5. No caso concreto, a execução tramita desde 2018 sem citação válida do executado, que se encontra em local incerto, havendo registro de outras execuções fiscais contra ele, o que reforça o risco de frustração da cobrança. Esse cenário justifica o deferimento do arresto on-line como meio de assegurar utilidade ao processo. 6. Todavia, quanto ao imóvel indicado, a ausência de comprovação de titularidade e de regularidade registral inviabiliza a medida constritiva, devendo o indeferimento ser mantido nessa parte. IV. DISPOSITIVO 7. Recurso parcialmente provido. DISPOSITIVOS RELEVANTES CITADOS: STJ, REsp n. 1.993.898/BA, Rel. Min. Processo	0629178-97.2023.8.06.0000
	<p style="text-align: justify; text-indent: 8%;">Outrossim, ainda que o dispositivo não mencione expressamente a modalidade online, a adoção da medida é plenamente cabível, por aplicação analógica do art. 854 do Código de Processo Civil, como se vê: <p style="text-align: justify; padding-left: 240px;">Art. 854. Para possibilitar a penhora de dinheiro em depósito ou em aplicação financeira, o juiz, a requerimento do exequente, sem dar ciência prévia do ato ao executado, determinará às instituições financeiras, por meio de sistema eletrônico gerido pela autoridade supervisora do sistema financeiro nacional, que torne indisponíveis ativos financeiros existentes em nome do executado, limitando-se a indisponibilidade ao valor indicado na execução <p style="text-align: justify; padding-left: 240px;"> <p style="text-align: justify; text-indent: 8%;">No presente caso, a ação executiva, em que pese ajuizada em 2018, corre ainda sem citação do executado, que se encontra em local incerto, havendo diversas tentativas frustradas de localizá-lo. Soma-se a esse contexto o fato de que o agravado figura como devedor em outras execuções fiscais, circunstância que evidencia risco concreto de frustração da tutela jurisdicional executiva. <p style="text-align: justify; text-indent: 8%;">Assim, a negativa quanto ao arresto on-line de ativos financeiros poderia importar em esvaziamento da efetividade da execução, o que se mostra incompatível com os princípios da celeridade e da efetividade processual (arts. 4º e 6º do CPC). Dessa forma, o indeferimento do pedido configuraria violação ao dever de cooperação processual, uma vez que impediria a adoção da medida mais adequada para assegurar a utilidade do processo. <p style="text-align: justify; text-indent: 8%;">Neste contexto, colacionado julgados desta Corte a respeito do assunto tratado no recurso, senão vejamos: <p style="text-align: justify; padding-left: 240px;">DIREITO PROCESSUAL CIVIL. ARRESTO ON-LINE. POSSIBILIDADE. APLICAÇÃO ANALÓGICA DO ART. 854 DO CPC. APLICAÇÃO PRINCÍPIOS DA COOPERAÇÃO, CELERIDADE PROCESSUAL E EFETIVIDADE DA TUTELA JURISDICIONAL. PRECEDENTES STJ E TJCE. DECISÃO AGRAVADA REFORMADA. AGRAVO DE INSTRUMENTO CONHECIDO E PROVIDO. <p style="text-align: justify; padding-left: 240px;">1. O cerne da presente ação recursal consiste em apreciar se é cabível o deferimento do arresto prévio, na modalidade on-line, sem que tenha sido citado a parte exequida. <p style="text-align: justify; padding-left: 240px;">2. É cediço que o arresto é medida processual que visa garantir a execução, uma vez que se converterá em penhora se o executado não adimplir com sua obrigação, podendo tal medida ser aplicada na hipótese do devedor não ser encontrado. <p style="text-align: justify; padding-left: 240px;">3. Da leitura do art. 830 do CPC, depreende-se que a Lei Adjetiva Civil possibilita a efetivação de medidas assecuratórias da execução, embora não integralizada a relação processual. Assim, a aplicação do art. 830 do CPC está condicionada ao preenchimento de dois requisitos, conforme a própria dicção legal: não ser localizado o devedor, quando da tentativa de sua citação por mandado, e não serem encontrados bens penhoráveis, pelo oficial de justiça, naquela ocasião. <p style="text-align: justify; padding-left: 240px;">4. Não obstante exista divergência jurisprudencial a respeito do tema, conforme precedentes do Superior Tribunal de Justiça, é possível o arresto online antes da citação, fazendo-se desnecessário o esgotamento dos meios de localização do devedor. 5. In casu, vislumbra-se que existe risco de dano em face da parte Recorrente, uma vez que a conduta do Agravado, que busca evitar o recebimento dos autos de comunicação do Juízo, em flagrante violação ao dever de cooperação, probidade e boa-fé processuais, previsto nos artigos 5º e 6º do CPC, é indicativo de que possa, nesses mesmos desideratos, esvaziar-se dos bens pessoais que poderiam fazer frente ao pagamento do débito exequente, caso se confirme existente. <p style="text-align: justify; padding-left: 240px;">6. Com efeito, resta evidente que o arresto executivo prescinde da citação do executado, o que é uma condição apenas para a sua conversão em penhora, e não para a efetivação em si, circunstância que confere virtual probabilidade de provimento do recurso manejado pela parte Agravante. É que, embora o art. 830 do CPC, ao disciplinar o arresto executivo, isto é, a constrição de bens do executado quando ele não for encontrado para a citação, não preveja a expressamente a modalidade de indisponibilidade de ativos financeiros em conta bancária, é fato que também não o proíbe, o que autoriza o Juízo a decidir sobre a sua viabilidade, em razão da lacuna legislativa, podendo, nesse caso, ser aplicado por analogia o art. 854 do CPC. <p style="text-align: justify; padding-left: 240px;">7. Assim, percebe-se que a indisponibilidade de ativos financeiros depositados em conta bancária, ou bloqueio on-line como se convencionou chamar, trata-se também de uma medida preparatória à efetivação da penhora, tal qual o arresto executivo, porém nunca se confundido com a própria penhora em si. Tanto é assim, que antes que se efetive a conversão da indisponibilidade (bloqueio on-line) em penhora (penhora on-line), é necessário que haja a prévia intimação do executado para opor sua impugnação ao

	bloqueio, o que na doutrina processualista é chamado de mini-embargos, tudo conforme §§ 2º, 3º e 5º do art. 854 do CPC.&#160;
 8. Destarte, a indisponibilidade de ativos financeiros previstos no art. 854 do CPC enquadra-se, perfeitamente, nos contornos do instituto do arresto on-line de ativos financeiros, com previsão no art. 830 do mesmo diploma legal, sendo precisamente esse o entendimento conferido aos dispositivos pelo c. Superior Tribunal de Justiça, como se verifica dos julgamentos acima transcritos, que se amolda com perfeição ao caso em comento. Precedentes TJCE.&#160;
 9. Desse modo, em observância aos preceitos fundamentais estabelecidos na Constituição Federal e nas disposições do Código de Processo Civil, especialmente aos princípios da cooperação, celeridade processual e efetividade da tutela jurisdicional, tem-se que a reforma da decisão agravada é medida que se impõe. 10. PODER JUDICIÁRIO TRIBUNAL DE JUSTIÇA PRIMEIRA CÂMARA DE DIREITO PRIVADO DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA EMENTA: DIREITO DE FAMÍLIA. AGRADO DE INSTRUMENTO. AÇÃO DE DIVÓRCIO CUMULADA COM GUARDA, REGULAMENTAÇÃO DE CONVIVÊNCIA E ALIMENTOS. PRETENSÃO DE MAJORAÇÃO DOS ALIMENTOS PROVISÓRIOS. PLANILHA UNILATERAL. AUSÊNCIA DE COMPROVAÇÃO DOCUMENTAL DAS NECESSIDADES ALEGADAS. MANUTENÇÃO DA DECISÃO. RECURSO DESPROVIDO. I. CASO EM EXAME 1. Agravo de instrumento interposto contra decisão que reduziu de cinco para quatro salários-mínimos o valor dos alimentos provisórios fixados em favor de filho menor, a serem pagos pelo genitor. A parte agravante pleiteia a majoração da verba para, no mínimo, seis salários-mínimos, alegando aumento das necessidades do alimentando e superior capacidade financeira do genitor. II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em definir se há fundamento jurídico e probatório para majorar os alimentos provisórios fixados em quatro salários-mínimos para o patamar não inferior a seis salários-mínimos. III. RAZÕES DE DECIDIR 3. A fixação dos alimentos deve observar o equilíbrio entre as necessidades do menor e a capacidade financeira dos pais, conforme os arts. 1.694 e 1.695 do Código Civil. 4. A majoração pretendida exige prova inequívoca da necessidade acrescida do alimentando ou da maior capacidade do alimentante, o que não ocorreu no caso em questão, pois as despesas alegadas foram apresentadas em planilha unilateral, sem documentação comprobatória. 5. Por outro lado, restou comprovado que o genitor já arca com despesas essenciais, como mensalidade escolar, plano de saúde, internet, empregadas domésticas e prestação de financiamento do imóvel em que residem a agravante e o filho, mostrando-se razoável e proporcional o valor fixado em primeiro grau, ainda mais pela falta de prova de desequilíbrio, não havendo justificativa para a majoração dos alimentos provisórios em sede recursal. 6. A decisão não impede futura revisão pelo juízo de origem, caso demonstrada alteração superveniente na situação financeira das partes ou nas necessidades do menor. IV. DISPOSITIVO 7. Recurso desprovido. Dispositivos relevantes citados: CF/1988, art. 227; CC, arts. 1.694 e 1.695; CPC, arts. 1.015, parágrafo único, e 1.026, § 2º. 	small;">Em se tratando de litígios que tangenciam interesses de crianças e adolescentes, mormente quando se cuida de fixação de alimentos, o julgador deve manter em mira, a todo o tempo, o interesse do infante envolvido na discussão. Trata-se de obrigação decorrente da doutrina da absoluta prioridade, extraído do art. 227 da Constituição Federal, e aplicado de forma transversal em todo o ordenamento jurídico naquilo que atine a tutela do interesse de crianças e adolescentes, inclusive, naturalmente, em demandas que versam sobre direito de família.</p><p style="text-align: justify; text-indent: 8%;"> Partindo dessa premissa, é sabido que a obrigação alimentar decorre do poder familiar, cabendo a ambos os genitores o dever de assegurar ao alimentando o necessário para sua manutenção. Tal obrigação deve ser compreendida em seu sentido mais amplo, abrangendo todos os meios essenciais para a subsistência digna do beneficiário.</p><p style="text-align: justify; text-indent: 8%;"> O valor dos alimentos, por sua vez, deve atender exclusivamente às necessidades vitais básicas do alimentando, observando o padrão e as possibilidades econômicas de cada família. A pensão alimentícia, portanto, não se destina à formação de patrimônio, mas sim a garantir a subsistência, veja:</p><p style="text-align: justify; padding-left: 240px;">Art. 1.694. Podem os parentes, os cônjuges ou companheiros pedir uns aos outros os alimentos de que <strong style="font-size: small;">necessitem para viver de modo compatível com a sua condição social, inclusive para atender às necessidades de sua educação.&#160;
<strong style="font-size: small;">§1º Os alimentos devem ser fixados na proporção das necessidades do reclamante e dos recursos da pessoa obrigada.&#160;
[...]</p><p style="text-align: justify; padding-left: 240px;"> Art. 1.695. São devidos os alimentos quando quem os pretende não tem bens suficientes, nem pode prover, pelo seu trabalho, à própria manutenção, e aquele, de quem se reclamam, pode fornecê-los, sem desfalque do necessário ao seu sustento. [Grifo nosso]</p><p style="text-align: justify;">
</p><p style="text-align: justify; text-indent: 8%;"> Deve-se, portanto, observar com rigor o trinômio necessidade/possibilidade/proporcionalidade, tanto no momento da fixação quanto na eventual revisão do valor dos alimentos. Embora não haja critério absoluto para a definição do quantum da pensão alimentícia, é dever do magistrado atentar-se às condições econômicas do alimentante e às necessidades concretas do alimentando, de modo a garantir a subsistência digna de ambos, em consonância com o princípio da dignidade da pessoa humana.</p><p style="text-align: justify; text-indent: 8%;"> A fixação do valor ideal, assim, exige apreciação criteriosa das provas constantes nos autos, permitindo ao julgador aferir, com maior precisão, a real situação financeira das partes envolvidas.</p><p style="text-align: justify; text-indent: 8%;"> No caso dos autos, verifica-se que a decisão de primeiro grau reduziu os alimentos provisórios para 04 (quatro) salários-mínimos, após análise das manifestações e documentos apresentados pelo genitor (agravado). E razão não assiste à agravante em pretender a majoração do valor.</p><p style="text-align: justify; text-indent: 8%;"> Isso porque, para que haja a autorização de uma majoração dos alimentos, ainda que provisórios, exige-se a prova inequívoca da possibilidade financeira do alimentante e/ou da necessidade do alimentando, nos termos do art. 1.694 do Código Civil.&#160;</p><p style="text-align: justify; text-indent: 8%;"> Entretanto, a genitora não logrou êxito em comprovar as necessidades alegadas</p><p style="text-align: justify;">, limitando-se a apresentar planilha unilateral de despesas que, segundo afirma, alcançariam o montante de R\$ 6.614,44, porém sem qualquer documentação idônea que ampare tais valores. Constam, por exemplo, gastos com material escolar de R\$ 250,00 mensais, vestuário de R\$ 80,00, aulas particulares no importe de R\$ 250,00, além de cursos, odontologia e lazer, todos desacompanhados de comprovantes que atestem sua efetiva realização e habitualidade.</p><p style="text-align: justify; text-indent: 8%;"> De outro lado, restou demonstrado nos autos que o genitor agravado já arca, mensalmente, com despesas essenciais em favor do menor, tais como mensalidade escolar de R\$ 2.354,00, plano de saúde no valor de R\$ 499,29, internet no valor de R\$ 130,44 além de despesas com empregadas domésticas na quantia de R\$ 1.570,00 (ID 147604796 dos autos de origem).</p><p style="text-align: justify; text-indent: 8%;"> Ademais, o recorrido comprovou ainda custear integralmente a prestação do financiamento do apartamento em que residem a agravante e o filho, no valor de R\$ 2.510,11 (ID 147604804 dos autos de origem), encargo que não pode ser desconsiderado quando da análise do quantum alimentar, ainda mais quando há também nos autos elementos que constatarem que a guarda do filho encontra-se alternada entre ambos os genitores.</p><p style="text-align: justify; text-indent: 8%;"> Dessa forma, não há comprovação de gastos a maior que justifiquem o pedido de majoração, sequer é possível a análise do pleito diante da ausência de lastro probatório.</p><p style="text-align: justify; text-indent: 8%;"> Neste contexto, seguem jurisprudências desta Corte, em

 I. CASO EM EXAME&#160;
 1. Agravo de instrumento interposto por Bárbara Carla Santos da Silva contra decisão interlocutória proferida no curso de ação de alimentos c/c fixação de guarda e regulamentação de convivência, ajuizada por Antônio Nilson Bernardino Silva Júnior, na qual o juízo de origem fixou alimentos em 80% do salário-mínimo, deferiu guarda compartilhada com residência da menor com a genitora e regulamentou o direito de visitas do pai. A agravante sustenta que está desempregada, não possui condições de arcar com as despesas da menor e requer a majoração dos alimentos para 100% do salário-mínimo, além do custeio integral das despesas escolares, plano de saúde, vestuário e medicamentos pelo &#160;
 II. QUESTÃO EM DISCUSSÃO&#160;
 2. A questão em discussão consiste em definir se estão presentes os elementos fáticos e jurídicos que autorizem a majoração dos alimentos fixados em 80% do salário-mínimo para 100%, com inclusão de outras despesas, com base no binômio necessidade &#160;
 III. RAZÕES DE DECIDIR&#160;
 3. A análise de alimentos deve observar o binômio necessidade do alimentado e possibilidade do alimentante, nos termos dos arts. 1.694, §1º, e 1.695 do Código Civil, o que exige ponderação proporcional entre os direitos fundamentais envolvidos, sem promover enriquecimento sem &#160;
 4. A presunção da necessidade da menor, por sua tenra idade (06 anos), não é suficiente, por si só, para justificar a majoração dos alimentos, sendo necessária a comprovação efetiva da impossibilidade da genitora em prover qualquer parcela e da aptidão financeira do genitor para arcar com a totalidade dos custos.&#160;
 5. A planilha apresentada pela agravante (fls. 05/06), bem como a carteira de trabalho sem nenhum preenchimento (fls. 15/20), não se revestem de força probatória suficiente para afastar a conclusão do juízo de origem, especialmente diante da alegação do agravado de ausência de vínculo de trabalho fixo e existência de outros &#160;
 6. A revisão do valor fixado demandaria dilação probatória para aferição mais precisa da real capacidade econômica do alimentante e da veracidade das despesas alegadas, providência incompatível com a via estreita do agravo de instrumento.
 7. A jurisprudência consolidada nos tribunais pátrios rechaça a majoração de alimentos sem prova cabal da alteração do trinômio necessidade-possibilidade-proporcionalidade, impondo a manutenção do quantum arbitrado enquanto não demonstrado o desequilíbrio.
 8. A obrigação alimentar deve ser compartilhada entre os genitores, na proporção de suas possibilidades, conforme o art. 1.703 do Código Civil, não se podendo presumir, nesta fase, que o genitor deva suportar integralmente os &#160;
 IV. DISPOSITIVO E TESE&#160;
 9. Recurso desprovido.&#160;
 Tese de julgamento: 1. A majoração dos alimentos exige demonstração inequívoca da alteração do binômio necessidade possibilidade, sendo necessária dilação probatória para averiguar a real necessidade de majoração do quantum adequado. 2. A obrigação alimentar é solidária entre os genitores e deve observar a proporção de seus recursos, nos termos do art. 1.703 do Código Civil. 3. A simples alegação de desemprego da genitora não autoriza a imposição integral dos encargos ao genitor sem prova concreta da real situação econômica de ambas as partes. IMPOSSIBILIDADE DE MAJORAÇÃO EM SEDE RECURSAL. RECURSO DESPROVIDO. I. CASO EM EXAME Agravo de instrumento interposto contra decisão proferida em ação de investigação de paternidade cumulada com alimentos, na qual foram fixados alimentos provisórios em 20% (vinte por cento) do salário-mínimo equivalente a R\$ 303,60 (trezentos e três reais e sessenta centavos). A parte agravante pleiteia a majoração do valor, sob o argumento de que o genitor possui melhores condições financeiras do que aquelas consideradas pelo juízo a quo. II. QUESTÃO EM DISCUSSÃO A questão em discussão consiste em definir se estão presentes elementos probatórios suficientes para justificar a majoração dos alimentos provisórios fixados na origem, à luz do binômio necessidade do alimentando e possibilidade do alimentante. III. RAZÕES DE DECIDIR O exame da admissibilidade do recurso confirma o preenchimento dos pressupostos recursais extrínsecos e intrínsecos, razão pela qual o recurso é conhecido. A fixação de alimentos, provisórios ou definitivos, deve observar o binômio necessidade do alimentando e possibilidade do alimentante, conforme dispõem os arts. 1.694, §1º, 1.695 e 1.699 do Código Civil. Os alimentos provisórios foram fixados em valor proporcional às necessidades da menor e às condições financeiras presumidas do genitor, com base nos indícios de paternidade e elementos constantes dos autos até o momento. A alegação da agravante acerca de suposta maior capacidade financeira do agravado não está acompanhada de provas robustas e incontroversas, sendo imprescindível dilação probatória, inviável na via estreita do agravo de instrumento. Conforme entendimento consolidado nos tribunais pátrios, a majoração da verba alimentar demanda comprovação inequívoca da modificação no binômio necessidade/possibilidade, o que deve ser apurado em sede de instrução probatória sob o crivo do contraditório e da ampla defesa. IV. DISPOSITIVO E TESE Recurso conhecido e desprovido. ACÓRDÃO: Vistos, relatados e discutidos os presentes autos, em que figuram as partes acima referidas. AGRAVO DE INSTRUMENTO. ALIMENTOS PROVISÓRIOS. FILHO MAIOR UNIVERSITÁRIO. PEDIDO DE MAJORAÇÃO. MATRÍCULA E MENSALIDADES DE CURSO SUPERIOR. AUSÊNCIA DE PROVAS SUFICIENTES. RECURSO DESPROVIDO. I. Caso em exame Trata-se de agravo de instrumento interposto na qual agravante pleiteia pela fixação de alimentos provisórios, estes indeferidos pelo juízo a quo, em razão da ausência de elementos que evidenciem concessão da liminar, antes de ouvida parte contrária. Agravante requer a majoração das verbas alimentícias anteriormente fixadas, além do pagamento de sua matrícula e mensalidade do curso de graduação em andamento. II. Questão em discussão Há duas questões em discussão: (i) verificar se estão presentes os requisitos para a fixação liminar de alimentos provisórios em patamar superior ao acordado; (ii) determinar se há comprovação suficiente da matrícula e do valor da mensalidade universitária da agravante, apta a justificar o deferimento imediato do pedido de custeio educacional. III. Razões de decidir 3. A obrigação alimentar entre pais e filhos maiores persiste quando comprovada a necessidade do alimentando, especialmente durante a frequência em curso universitário, sendo ônus do requerente a comprovação da necessidade de receber os alimentos. 4. Os alimentos devem observar o trinômio necessidade, possibilidade e proporcionalidade, conforme previsão do art. 1.694 do Código Civil e entendimento consolidado na jurisprudência pátria. 5. No caso concreto, o pedido de majoração dos alimentos provisórios não está acompanhado de elementos suficientes que demonstrem de forma clara as necessidades da agravante, tampouco os rendimentos do agravado, sendo inadequado deferi-lo em sede de tutela de urgência.

	O recurso é tempestivo. Presentes os demais pressupostos de admissibilidade, conheço dos embargos. Nego provimento a esta impugnação. Ressalte-se que o recurso de embargos declaratórios possui hipótese de cabimento, especificamente atrelada à finalidade integrativa de aperfeiçoamento das decisões judiciais, que tem expressa previsão no art. 1.022 do atual Código de Processo; quando houver, na sentença ou acórdão, obscuridade, contradição, erro material ou no caso de omissão de ponto sobre o qual devia pronunciar-se o juiz ou tribuna, a saber: I - esclarecer obscuridade ou eliminar contradição; II - suprir omissão de ponto ou questão sobre o qual devia se pronunciar o juiz de ofício ou a requerimento; III - corrigir erro material. Parágrafo único. Considera-se omissa a decisão que: I - deixe de se manifestar sobre tese firmada em julgamento de casos repetitivos ou em incidente de assunção de competência aplicável ao caso sob julgamento; II - incorra em qualquer das condutas descritas no art. 489, § 1º. Analisando-se a decisão atacada, verifica-se que o ponto apontado como omissa foi devidamente analisado no acórdão, inobstante às alegações do embargante, evidencia-se que a fundamentação da decisão foi abordada em todos os seus aspectos e de maneira coerente e fundamentada, sobre a legitimidade passiva da VIVEST que se confundia com o próprio mérito, decidindo que o embargante não comprovou ter possibilitado ao embargado manter o seguro com a nova seguradora, sendo o responsável por manter comunicação eficaz entre seguradora e segurado e deve responder por isso, de acordo com o que vem sendo sedimentado nos tribunais superiores sobre a matéria, representando a presente insurgência mero inconformismo com o decurso recorrido, que foi exarado em consonância com os ditames legais que regem a matéria e como posicionamento professado pela jurisprudência pátria sobre o tema. Acórdão	 PROCESSO: 3000999-46.2018.8.06.0221 - APELAÇÃO CÍVEL (198) APELANTE: DISTRIBUIDORA VIA COSMETICOS LTDA APELADO: BANCO SANTANDER (BRASIL) S.A., DISTRIBUIDORA VIA COSMETICOS LTDA Ementa DIREITO CIVIL E DO CONSUMIDOR. APELAÇÃO CÍVEL. AÇÃO DECLARATÓRIA DE INEXISTÊNCIA DE DÉBITO C/C INDENIZAÇÃO POR DANOS MORAIS. DUPLICATA PROTESTADA. ENDOSSO-MANDATO. LEGITIMIDADE PASSIVA DO BANCO ENDOSSATÁRIO. NEGLIGÊNCIA CONFIGURADA. RESPONSABILIDADE SOLIDÁRIA RECONHECIDA. QUANTUM INDENIZATÓRIO MANTIDO. RECURSO PARCIALMENTE PROVIDO. I. CASO EM EXAME Apelação cível interposta pela parte autora contra sentença da 4ª Vara Cível da Capital que julgou parcialmente procedentes os pedidos formulados em ação declaratória de inexistência de débito c/c reparação por danos morais. A insurgência recursal busca: (i) o reconhecimento da legitimidade passiva do Banco Santander S/A, em razão da responsabilidade solidária prevista no Código de Defesa do Consumidor; e (ii) a majoração do valor da indenização por danos morais para R\$ 15.000,00. II. QUESTÃO EM DISCUSSÃO Há duas questões em discussão: - definir se o Banco Santander S/A, atuando como endossatário por endosso-mandato, possui legitimidade passiva para responder por protesto indevido de duplicata; - verificar se o valor da indenização por danos morais deve ser majorado em face do protesto irregular. III. RAZÕES DE DECIDIR O banco que apresenta título a protesto, mesmo na condição de mandatário, deve responder pelos danos decorrentes se não comprova a diligência exigida para aferir a regularidade da cártula. O ônus de demonstrar que atuou apenas como mandatário cabe à instituição financeira, sendo indevida a transferência dessa carga probatória ao consumidor. A negligência da instituição ao protestar duplicata desacompanhada de comprovação de entrega das mercadorias caracteriza ato culposo próprio, ensejando sua responsabilidade solidária. A jurisprudência do STJ, em recurso repetitivo (REsp nº 1.063.474/RS), e a Súmula nº 476 consolidam que o endossatário-mandatário responde por protesto indevido quando age culposamente ou extrapola seus poderes. O protesto indevido de título de crédito acarreta dano moral in re ipsa, configurando violação aos direitos da personalidade. O valor fixado a título de indenização por danos morais (R\$

	6.000,00) observa os princípios da razoabilidade e proporcionalidade, cumprindo função compensatória e pedagógica, não se justificando majoração. IV. DISPOSITIVO E TESE Recurso parcialmente provido. Tese de julgamento O banco endossatário responde solidariamente pelos danos causados quando age com negligência, ainda que figure formalmente como mandatário. O protesto indevido de duplicata configura dano moral presumido, prescindindo de prova do prejuízo. A fixação do quantum indenizatório por danos morais deve observar os critérios de proporcionalidade e razoabilidade, evitando enriquecimento indevido e garantindo caráter compensatório e pedagógico. Ao contrário, apenas constitui o endossatário-mandatário como procurador do endossante. </p><p style="line-height: 150%; text-indent: 8%;," align="justify"> No entanto, excepcionalmente, responderá o endossatário pelo protesto indevido e pela consequente inscrição do nome da parte nos cadastros de inadimplentes. </p><p style="line-height: 150%; text-indent: 8%;," align="justify"> Ressalte-se que a duplicata é um título de crédito causal e deve estar acompanhada da nota fiscal e do comprovante de entrega das mercadorias para que seja considerada válida. </p><p style="line-height: 150%; text-indent: 8%;," align="justify"> É inequívoco que a instituição financeira portadora do título, ainda que na condição de mandatária, deve verificar a regularidade da duplicata, sobretudo antes de apresentá-la a protesto. </p><p style="line-height: 150%; text-indent: 8%;," align="justify"> Dessa forma, cabe divergir do entendimento esposado pelo magistrado a quo de ilegitimidade passiva do banco apelado, sob o argumento de que a instituição financeira não teria extrapolado os poderes de mandatário ou praticado ato culposos, pois, apenas conduziu a cártula de crédito mencionado nos autos ao protesto cartorário em conformidade com o mandato a ele outorgado pelo alegado credor (empresa apelada), uma vez que a instituição financeira não acostou nenhum documento comprovando que ela agiu somente na qualidade de mandatária, sendo certo que era ônus do banco, não do autor, e dele não se desincumbiu. </p><p style="line-height: 150%; text-indent: 8%;," align="justify"> Ora, com ou sem contrato de endosso-mandato, ao banco apelado caberia comprovar que tomara as cautelas necessárias para aferir a regularidade/higidez do título. RECURSO CONHECIDO E NÃO PROVIDO. SENTENÇA MANTIDA. 1. O magistrado de primeiro grau entendeu por julgar procedente os pedidos autorais, por entender que a parte autora/apelada comprovou o pagamento do referido título, desse modo, o protesto foi mantido de maneira indevida; declarando satisfeito o débito referente a duplicata protestada, bem como, o débito referente aos títulos de nºs 19/101060-6, 19/101061-4, 19/101062-2 e 19/101063-0, tendo em vista o depósito judicial realizado, e ainda, condenando a instituição financeira ao pagamento de R\$ 5.000,00 (cinco mil reais) a título de danos morais. 2. Da legitimidade passiva ad causum - Preliminarmente, o banco/recorrente defende que deve haver a substituição do polo passivo para constar apenas Cooperativa de Crédito, Poupança e Investimento do Noroeste do Estado de São Paulo � Sincredi Noroeste, ao argumento que são pessoas

	jurídicas diversas e que não existe solidariedade entre os bancos e cooperativas. Defende, ainda, que não possui legitimidade passiva para figurar na presente demanda, haja vista ter atuado como mera mandatária. 3. Com efeito, pelo cotejo da certidão positiva acostada às fls. 20 verifiquei que consta como apresentante/credor/cedente, o Banco Cooperativo Sincredi, ou seja, quem apresentou a duplicata ao Cartório para o devido protesto. 4. Presente no caso dos autos endosso mandato, concernente à entrega da duplicata à instituição bancária para o procedimento de cobrança do valor nela mencionado, o que evidencia a legitimidade do Banco Cooperativo Sincredi/recorrente, para figurar no polo passivo da demanda, sobretudo por ter apresentado o título a protesto. Reconheço, desta feita, a legitimidade do Banco Cooperativo Sincredi para figurar no polo passivo da demanda. 5. A controvérsia recursal consiste em saber se a manutenção do protesto realizado em nome do autor/apelado, referente a duplicata nº 1426-1-5, é devida, bem como, se tal fato enseja dano moral indenizável. 6. Vislumbro que não se desincumbiu de seu ônus o banco/recorrente, uma vez que, não acosta aos autos, nenhum instrumento comprobatório capaz de excluir sua culpabilidade no caso em análise. Esclareço que, por mais que o protesto, a princípio, se mostrasse adequado, este se tornou indevido e abusivo após a quitação integral da dívida, ocasionando assim, o ato ilícito, passível de indenização. 7. Assim, demonstrada a falha na prestação dos serviços, configurado está o ilícito civil, o qual enseja pronta reparação dos danos causados, nos termos do art. 14 do Código de Defesa do Consumidor e arts. 186 e 927 do Código Civil Brasileiro. 8. Ressalta-se, que a conduta da entidade bancária/recorrente é tipificadora de dano moral, pois conforme já pacificou o Eg. Superior Tribunal de Justiça (STJ) e a jurisprudência pátria, a manutenção indevida de protesto configura dano moral in re ipsa, isto é, o dano é presumido. 9. Fixação ç Fatores - Para quantificar a indenização por danos morais deve se levar em conta, dentre outros fatores, a extensão do dano, as condições socioeconômicas dos envolvidos e o sofrimento da vítima. Nessa ordem de ideias, considero adequada a quantia arbitrada de R\$ 5.000,00 (cinco mil reais), porque afinada coma jurisprudência pátria. 10. Recurso conhecido e desprovido. Sentença confirmada. (TJ-CE - Apelação Cível: 0268056-61.2020.8.06.0001 Fortaleza, Relator: EMANUEL LEITE ALBUQUERQUE, Data de Julgamento: 27/03/2024, 1ª Câmara Direito Privado, Data de Publicação: 27/03/2024). PROTESTO INDEVIDO. DANOS MORAIS PRESUMIDOS. REDUÇÃO DO QUANTUM ARBITRADO EM PRIMEIRO GRAU. ADEQUAÇÃO. RECURSOS PARCIALMENTE PROVIDOS. 1. Cuida-se de APELAÇÕES CÍVEIS interpostas por ITAU UNIBANCO S.A e BANCO DAYCOVAL S.A adversando sentença proferida pelo Juízo da 34ª Vara Cível da Comarca de Fortaleza/Ce. O pedido autoral foi julgado procedente, com a declaração de inexistência das relações cambiais objeto dos protestos nºs. 1823 e 1832, condenando as partes requeridas, de forma solidária, em danos morais arbitrados no valor de R\$ 30.000,00 (trinta mil reais). 2. Em suas razões recursais, os bancos promovidos suscitam a preliminar de ilegitimidade passiva, ao argumento de que figuraram como mero destinatário de endosso-mandato da empresa credora da duplicata protestada, cabendo-lhe, portanto, somente a cobrança do valor do título em seu nome e na medida dos poderes transferidos. 3. Sobre o tema, tem-se que o endosso mandato é uma espécie de endosso impróprio mediante o qual cabe a outra pessoa a tarefa de proceder à cobrança do crédito representado pelo título. No endosso mandato não há a transferência da titularidade do crédito, configurando-se o mesmo, apenas, como um ato que torna legítima a posse do endossatário sobre o documento, sendo este investido na condição de mandatário do endossante. 4. O Colendo STJ, no julgamento do Resp 1.063.474/RS, submetido ao Rito do artigo 543-C, do Código de Processo Civil, firmou a seguinte tese: ç Só responde por danos materiais e morais o endossatário que recebe título de crédito por endosso-mandato e o leva a protesto, se extrapola os poderes do mandatário ou em razão de ato culposo próprio, como no caso de apontamento depois da ciência acerca do pagamento anterior ou falta de higidez da cártula 5. Assim, em regra, a instituição financeira que recebe título de crédito por endosso-mandato não é responsável pelos efeitos de eventual protesto indevido, exceto se exceder os poderes do mandato, agir de modo negligente ou, caso alertada sobre falha do título, levá-lo a protesto. 6. Na espécie, os estabelecimentos bancários, eram responsáveis pela concretização dos direitos presentes no título levado a protesto, e conforme os documentos reunidos nos autos, impossível, eximir os apelantes de sua responsabilidade pelos prejuízos causados à autora, uma vez que contribuíram diretamente para a negatificação sem exigir comprovação de que o título era válido. Em suma, era dever dos apelantes exigirem, no momento do endosso, a apresentação de um comprovante de entrega das mercadorias ou prestação dos serviços, o que não foi feito. 7. Dito isto, mantenho o entendimento exarado pelo d.

	julgador de origem quanto à responsabilidade civil destes para indenizar a parte autora por danos morais presumidos, contudo, reduzindo o quantum condenatório para o patamar de R\$ 20.000,00 (vinte mil reais) por ser mais adequado ao caso concreto, valor este razoável para reparar o dano sofrido pela promovente, preservando as finalidades educativa e sancionatória do instituto. 8. RESPONSABILIDADE CIVIL. APELAÇÃO. CANCELAMENTO DE PROTESTOS INDEVIDOS. REPARAÇÃO DE DANOS MORAIS. BANCO. ILEGITIMIDADE PASSIVA. LEGITIMIDADE PASSIVA E DANOS MORAIS RECONHECIDOS. ARBITRAMENTO EM OITO MIL REAIS. JURISPRUDÊNCIA SEDIMENTADA DOS TRIBUNAIS SUPERIORES E DESTA EG. CORTE. RECURSO CONHECIDO E PROVIDO. SENTENÇA REFORMADA. (TJ-CE - AC: 05097833120118060001 Fortaleza, Relator: DURVAL AIRES FILHO, Data de Julgamento: 13/09/2022, 4ª Câmara Direito Privado, Data de Publicação: 13/09/2022) Enfim, resta configurada a legitimidade passiva e consequentemente a responsabilidade solidária do banco apelante pelos danos causados à parte autora/apelante, mesmo que tenha figurado como mero mandatário na apresentação do título a protesto. Isso porque, consoante orientação do colendo Superior Tribunal de Justiça, o protesto indevido de título, por si só, configura constrangimento ilegal e enseja a reparação de ordem moral, tendo em vista que atinge os direitos da personalidade, seja da pessoa natural ou jurídica, incumbindo à parte ré, ora apelado o dever de indenizar a lesão causada ao suposto devedor. A propósito: AGRAVO REGIMENTAL. AGRAVO DE INSTRUMENTO. PROTESTO INDEVIDO DE TÍTULO. DANO IN RE IPSA, AINDA QUE SOFRIDO POR PESSOA JURÍDICA. SÚMULA 83/STJ. 1. Nos casos de protesto indevido de título ou inscrição irregular em cadastros de inadimplentes, o dano moral configura-se in re ipsa, prescindindo de prova, ainda que a prejudicada seja pessoa jurídica. 2. "Não se conhece do recurso especial pela divergência, quando a orientação do tribunal se firmou no mesmo sentido da decisão recorrida" (súmula 83/STJ). 3. AGRAVO REGIMENTAL DESPROVIDO. (STJ, AgRg no Ag 1261225 / PR, Terceira Turma, Rel. Min. Paulo de Tarso Sanseverino, j. 09/08/2014). Do pedido de majoração dos danos morais. No tocante ao quantum indenizatório, insta registrar que o conceito de ressarcimento, em se tratando de dano moral, abrange dois critérios: um de caráter pedagógico, objetivando repreender o causador do dano pela ofensa que praticou; outro de caráter compensatório, que proporcionará à vítima algum bem em contrapartida ao mal sofrido. Assim, para o arbitramento da reparação por dano moral o julgador deve valer-se de moderação, levando em conta o grau de culpa e a extensão do dano causado, bem como a situação econômica das partes. A quantia arbitrada não pode servir de enriquecimento indevido, mas também não pode ser ínfima, a ponto de não reprimir a conduta do infrator e desvalorizar os sentimentos da vítima. Ao se analisar as peculiaridades do caso concreto e os precedentes de casos similares, observa-se que a verba indenizatória, fixada em R\$ 6.000,00 (seis mil reais), não merece reproche, visto que reflete, de maneira adequada, a reparação para os prejuízos extrapatrimoniais suportados, considerada sua

SENTENÇA DE PARCIAL PROCEDÊNCIA QUE NÃO RECONHECEU A CONFIGURAÇÃO DE DANOS MORAIS. INSURGÊNCIA DA AUTORA. PRELIMINAR DE OFENSA AO PRINCÍPIO DA DIALETICIDADE. NÃO OCORRÊNCIA. RESPONSABILIDADE CIVIL. DANO MORAL IN RE IPSA. PRECEDENTES. RECURSO CONHECIDO E PROVIDO. SENTENÇA REFORMADA. 1. Trata-se de Apelação Cível interposta por RIO VERDE ENGENHARIA E CONSTRUÇÕES LTDA. com o objetivo de reformar a sentença proferida pelo Juízo da 25ª Vara Cível da Comarca de Fortaleza, que julgou parcialmente procedente a presente Ação Declaratória de Inexistência de Débito e Indenização por Danos Morais ajuizada pela ora apelante em desfavor de FREDDOS SERVIÇOS E LOCAÇÕES DE EQUIPAMENTOS & EIRELLI. 2. Do cotejo do arrazoado da autora e da sentença objurgada, não se vislumbra violação ao princípio da dialeticidade. Da simples leitura da peça recursal, denota-se que a parte recorrente tenta reformar parte da sentença (fixação de quantum indenizatório a título de danos morais), ainda que reiterando alguns dos argumentos já apresentados no feito. Assim, não merece ser acolhida a preliminar arguida pela apelada. 3. A controvérsia a ser dirimida reside na análise do cabimento de indenização por danos morais no contexto relatado, considerando-se a natureza do abalo que a Apelante alega ter suportado e o nexo de causalidade entre as condutas discutidas, para, diante de tal análise, examinar se a decisão de primeiro grau merece reforma. 4. No caso em análise, restou incontroverso que a parte recorrida efetuou cobranças relativas a períodos em que não houve execução dos serviços contratados, o que teria resultado da ocorrência de greve dos funcionários, indisponibilidade de equipamentos, dentre outros motivos. Assim, constatou-se que a Recorrida imputou à ora Apelante inadimplência ainda que não tenha sido realizada a devida contraprestação, razão pela qual a sentença reconheceu a inexigibilidade dos respectivos valores e, conseqüentemente, a ilicitude dos atos de cobrança efetuados. 5. Tratando-se a parte ofendida, ora Apelante, de pessoa jurídica, entende-se que esta é titular de honra objetiva e, de acordo com a Súmula 227 do STJ, pode sofrer dano moral e obter a devida reparação desde que atenda tais requisitos. Nesse sentido, conforme entendimento da jurisprudência dos tribunais pátrios e do Superior Tribunal de Justiça, o protesto indevido configura dano moral na modalidade in re ipsa, sendo, deste modo, presumido o abalo indenizável. 6. Configurada, portanto, a responsabilidade da Apelada/Requerida, assim como bem delineado o dano moral pelo protesto indevido, que, a propósito, afigura-se in re ipsa, independentemente de comprovação, merece reforma a sentença recorrida, para que seja fixada indenização a título de danos morais. 7. Ao fixar o quantum indenizatório, deve o magistrado atentar-se a critérios de razoabilidade e proporcionalidade, em observância às circunstâncias em que o ato ilícito foi cometido, às consequências da ofensa ao lesado, o grau de culpa do ofensor, à eventual contribuição do ofendido no evento danoso e à situação econômica das partes. 8. Partindo dessas premissas, tenho que o montante de R\$ 5.000,00 (cinco mil reais) atende aos critérios de razoabilidade e proporcionalidade, e observa devidamente as circunstâncias do caso concreto, atendendo ao caráter punitivo e pedagógico da indenização por dano extrapatrimonial, sem implicar em quantia ínfima nem em enriquecimento ilícito ao lesado, estando afinado com decisões jurisprudenciais deste Tribunal. 9. Recurso conhecido e provido. Sentença reformada. DANO MORAL IN RE IPSA. RECURSO CONHECIDO E IMPROVIDO. 1. Cinge-se a controvérsia recursal em saber se houve cerceamento do direito de defesa, se a recorrente é parte legitimada passiva para a causa, se houve protesto indevido das duplicatas fustigadas e, em caso afirmativo, se é devida a reparação por danos morais. 2. PRELIMINARES. 2.1. Inicialmente, cumpre destacar que a alegação de cerceamento do direito de defesa da apelante não merece acolhimento. É que o instituto da denunciação da lide não tem aplicação obrigatória, salvo quando seu indeferimento implicar em perda do direito de regresso, o que não é o caso dos autos. Precedente do STJ. 2.2. Ademais, segundo jurisprudência pacífica do Superior Tribunal de Justiça, a denunciação da lide, com fundamento no art. 125, II, do CPC, não deve ser admitida se o denunciante objetiva eximir-se da responsabilidade pelo evento danoso, atribuindo-o com exclusividade a terceiro, como no caso em análise. Preliminar rejeitada. Precedente do STJ. 2.3. Melhor sorte não guarda a preliminar de ilegitimidade passiva, na medida em que a presente demanda trata de pedido de cancelamento de protesto indevido combinado com pedido de indenização por danos morais, buscando aferir se houve a extrapolação dos deveres do endossatário mandatário. Preliminar rejeitada. Precedentes do STJ. 3. MÉRITO. 3.1. O endossatário que recebe título de crédito por endosso-mandato apenas responde pelos danos decorrentes de protesto indevido quando extrapolar seus poderes de mandatário ou em razão de ato culposo próprio. Inteligência da Súmula nº 476/STJ. 3.2. Perante a documentação analisada, constata-se que é devido o cancelamento dos protestos, sobretudo porque as duplicatas já haviam sido quitadas pela recorrida, sendo, assim, inexigíveis os débitos em questão. Outrossim, conclui-se que a apelante, mesmo que seja mera mandatária, não agiu com a devida diligência e, por ato culposo, protestou indevidamente títulos de créditos já quitados sem confirmar, previamente, a regularidade das cobranças junto ao endossante ou ao credor original. Por esse motivo, deve responder solidariamente pelos danos causados em razão dos protestos indevidos. 3.3. Como se não bastasse, a recorrente não agiu como mero apresentante das duplicatas para protesto, mas como credora/cedente, como é possível extrair-se das informações constantes dos instrumentos de protestos de fls. 37 e 39, extrapolando seus poderes de mera mandatária. Precedentes do TJCE, do TJMG e do TJSP. 3.4. Verificado o protesto indevido por endossatário que agiu com negligência e em extrapolação de seus poderes, o dano moral em face do devedor, ora apelado, configura-se in re ipsa, ou seja, independentemente de comprovação. Precedente do STJ. 3.5. Ao se analisar as peculiaridades do caso concreto e os precedentes de casos similares, observa-se que a verba indenizatória, fixada em R\$5.000,00 (cinco mil reais) não merece reproche, visto que reflete, de maneira adequada, a reparação para os prejuízos extrapatrimoniais suportados, considerada sua extensão e a capacidade econômica das partes. Cuida-se de Apelação interposta contra sentença que julgou procedente o pedido autoral nos autos da Ação de Indenização, responsabilizando o banco promovido pelo protesto indevido. 2. O endosso-mandato é uma espécie de endosso impróprio mediante o qual cabe a outra pessoa a tarefa de proceder à cobrança do crédito representado pelo título. No endosso mandato não há a transferência da titularidade do crédito, configurando-se o mesmo, apenas, como um ato que torna legítima a posse do endossatário sobre o documento, sendo este investido na condição de mandatário do endossante. 3. O Colendo STJ, no julgamento do Resp 1.063.474/RS, submetido ao Rito do artigo 543-C, do Código de Processo Civil, firmou a seguinte tese: "Só responde por danos materiais e morais o endossatário que recebe título de crédito por endosso-mandato e o leva a protesto, se extrapola os poderes do mandatário ou em razão de ato culposo próprio, como no caso de apontamento depois da ciência acerca do pagamento anterior ou falta de higidez da cártula. 4. Assim, em regra, a instituição financeira que recebe título de crédito por endosso-mandato não é responsável pelos efeitos de eventual protesto indevido, exceto se exceder os poderes do mandato, agir de modo negligente ou, caso alertada sobre falha do título, levá-lo a protesto. 5. Na espécie, o apelante agiu de modo culposo praticando conduta negligente na execução de sua obrigação, na medida em que promoveu o apontamento após ter ciência do pagamento da cártula, o que enseja

Acórdão	 PROCESSO: 0200269-68.2022.8.06.0090 - APELAÇÃO CÍVEL (198) APELANTE: JOSE GERALDO DE ALENCAR APELADO: DIOGO SAMPAIO DE ALENCAR, RODRIGO SAMPAIO DE ALENCAR Ementa: DIREITO DE FAMÍLIA. APELAÇÃO CÍVEL. EXONERAÇÃO DE ALIMENTOS. FILHO MAIOR PORTADOR DE ESQUIZOFRENIA E OUTROS TRANSTORNOS PSIQUIÁTRICOS. AUSÊNCIA DE CAPACIDADE LABORATIVA. IMPOSSIBILIDADE DE AUTOPROVIMENTO DA SUBSISTÊNCIA. MANUTENÇÃO DA OBRIGAÇÃO ALIMENTAR. RECURSO DESPROVIDO. I. Caso em exame 1. Apelação cível interposta contra sentença que julgou parcialmente procedente pedido de exoneração de alimentos, liberando o alimentante da obrigação em relação a uma filha, mas mantendo a pensão aos filhos Rodrigo e Diogo Sampaio de Alencar, no percentual de 33,33% do benefício previdenciário do autor. O recorrente busca a exoneração apenas em relação a Diogo Sampaio, alegando que este possui formação superior em enfermagem, já exerceu atividade profissional e não teria comprovada incapacidade laborativa. II. Questão em discussão 2. A questão em discussão consiste em definir se subsiste o dever de prestar alimentos a filho maior de idade, graduado em enfermagem, mas portador de esquizofrenia indifferenciada e outros transtornos psiquiátricos, com laudos médicos que atestam sua incapacidade laboral. III. Razões de decidir 3. O dever alimentar após a maioridade decorre da relação de parentesco (CC, arts. 1.694 e 1.695), persistindo quando comprovada a impossibilidade de o alimentando prover a própria subsistência. 4. O binômio necessidade/possibilidade rege a prestação alimentar, cabendo ao alimentante demonstrar incapacidade financeira ou ao alimentando a inexistência de necessidade, ônus não cumprido pelo recorrente. 5. Laudos médicos constantes dos autos atestam que o recorrido é portador de esquizofrenia (CID 10 F20.3), depressão grave (CID 10 F32.2) e transtornos depressivos recorrentes (CID 10 F33.2 + F90.9), resultando em ausência de capacidade laborativa. 6. A exoneração da pensão acarretaria violação à dignidade do alimentando, pois este não dispõe de meios de subsistência próprios. 7. O Ministério Público opinou pelo improvimento do recurso, reforçando que as limitações psiquiátricas do alimentado inviabilizam sua inserção laboral. 8. A jurisprudência consolidada reconhece que a maioridade civil não extingue automaticamente o dever alimentar quando demonstrada a incapacidade permanente do filho para o trabalho. IV. Dispositivo 9. Recurso desprovido. Tese de julgamento: 1. A maioridade civil não extingue o dever de prestar alimentos quando o alimentando, por enfermidade grave, não possui condições de prover a própria subsistência.

Manifestação do Ministério Público (id. 21956658), pelo conhecimento do recurso, mas pelo seu improvimento. Audiência infrutífera (id. 21956664). É o relatório. Adotando o Pacto Nacional do Judiciário Pela Linguagem Simples, do CNJ, passo a proferir o meu voto. VOTO Realizado o juízo de admissibilidade (análise dos pressupostos intrínsecos – atinentes à existência do direito de recorrer – e extrínsecos – atinentes ao seu exercício, parte beneficiária da justiça gratuita) e observo que todas as exigências legais foram cumpridas, razão pela qual conheço o recurso. Passo ao juízo de mérito. Cinge-se a controvérsia à análise da decisão proferida pelo Juízo da 1ª Vara Cível da Comarca de Icó (id. 21956689), no sentido de exonerar o autor do encargo alimentício em relação a filha Juliana Sampaio de Alencar Viana, porém, mantê-lo aos filhos Rodrigo Sampaio de Alencar e Diogo Sampaio de Alencar, no percentual de 33,33% (trinta e três virgula trinta e três por cento) do benefício do demandante. A parte recorrente, em suas razões recursais, pugna pela reforma da decisão, para que seja exonerado do dever de alimentos em face de Diogo Sampaio de Alencar. Para tanto, sustenta que “o recorrido possui profissão definida, já tendo exercido suas funções de enfermeiro junto à prefeitura de Icó, fato esse não impugnado pelo recorrido. Para justificar a necessidade de prestação de alimentos, sustentou ser portador de depressão e que estaria incapacitado para trabalhar. No entanto, o atestado médico carreado pelo recorrido não ratifica tais informações, uma vez que apresenta uma dificuldade na execução de suas atividades laborativas.” Ainda, aduz que “o laudo de fls. 97 a 98 aponta que desde a adolescência o réu é acompanhado com diagnóstico de TDAH, o que não foi fato impeditivo para laborar para o Município de Icó.” Por fim, alega que “está apto a retornar à suas atividades, talvez com limitações, mas que não implicam na total incapacidade laborativa, já que assim o fosse não teria trabalhado em 2011 e 2012 nem teria conseguido lograr êxito em concluir ensino superior.” Quanto à fixação dos alimentos, a matéria encontra-se albergada no art. 1.694, §1º e art. 1.695 do Código Civil Brasileiro, onde resta claro que deverá ser atendido o binômio necessidade-possibilidade. Art. 1694. Podem os parentes, os cônjuges ou companheiros pedir uns aos outros os alimentos de que necessitem para viver de modo compatível com a sua condição social, inclusive para atender às necessidades de sua educação. §1º Os alimentos devem ser fixados na proporção das necessidades do reclamante e dos recursos da pessoa obrigada. Art. 1.695 – São devidos os alimentos quando quem os pretende não tem bens suficientes, nem pode prover, pelo seu trabalho, à própria manutenção, e aquele, de quem se reclama, pode fornecê-los, sem desfalque do necessário ao seu sustento. A doutrinadora MARIA BERENICE DIAS (Manual de Direito das Famílias, 8ª ed. Ed. Revista dos Tribunais, 2011, pag. 515), ao definir a expressão alimentos, nos ensina que: “Expressão alimentos vem adquirindo dimensão cada vez mais abrangente. Engloba tudo que é necessário para alguém viver com dignidade, dispondo o juiz de poder discricionário para quantificar o seu valor. O alargamento do conceito de alimentos levou a doutrina a distinguir alimentos civis e naturais. Alimentos naturais são os

	<p style="text-align: justify; padding-left: 150px;"> indispensáveis para garantir a subsistência, como alimentação, vestuário, saúde, habitação, educação, etc. Alimentos civis destinam-se a manter a qualidade de vida do credor, de modo a preservar o mesmo padrão e status social do alimentante."/> <p style="text-align: justify; text-indent: 8%;"> Nessa seara, pertinente citar também o ensinamento de Fabrício Zamproga Matiello, in Código Civil Comentado, 2ª edição, segundo o qual:/> <p style="text-align: justify; padding-left: 150px;"> (...) o momento da fixação dos alimentos é marcado por detida análise do binômio necessidade/possibilidade. O alimentado não receberá mais do que precisa, nem o parente ou cônjuge será obrigado a pagar além do que suas condições econômicas permitem. Chegar ao equilíbrio entre essas forças contrárias significa fazer justiça, adequando a prestação alimentar ao quadro real vivenciado pelos envolvidos."/> <p style="text-align: justify; text-indent: 8%;"> Da leitura dos dispositivos acima transcritos, constata-se que dois fatores são primordiais na fixação do valor dos alimentos: a possibilidade do obrigado e a necessidade do beneficiário, tendo como vetor o princípio da proporcionalidade.&#160;/> </p> <p style="text-align: justify; text-indent: 8%;"> Sobre a necessidade de observância do trinômio necessidade, possibilidade e proporcionalidade, destaca-se:&#160;/> </p> DIREITO DE FAMÍLIA. RÉU NÃO SE DESINCUMBIU DO ÔNUS DE COMPROVAR IMPOSSIBILIDADE DE PRESTAR ALIMENTOS AO FILHO. QUANTUM PROPORCIONAL. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA. 1. Trata-se de recurso de Apelação Cível interposto contra sentença prolatada pelo Juízo da 1ª Vara Cível da Comarca de Santa Quitéria/CE, que julgou parcialmente procedente o pedido autoral nos autos da Ação de Alimentos para maior de 18 anos c/c liminar inaudita altera pars, fixando o valor da obrigação alimentar em 28% (vinte e oito por cento) do salário mínimo. 2. Acerca da temática, é imperioso ressaltar que a jurisprudência é uníssona em decidir pela manutenção da pensão alimentícia fixada em favor de prole enquanto perdurar o estudo profissionalizante do alimentando, mesmo maior de idade (curso de ensino superior ou técnico), com o objetivo de assegurar-lhe as condições e circunstâncias necessárias para o adequado ingresso no mercado de trabalho. 3. No que tange especificamente ao pedido de redução do quantum da pensão, cumpre apontar que a obrigação alimentar deve ser adimplida e o critério para fixação do valor da prestação alimentícia consiste na verificação da proporcionalidade entre a necessidade do alimentando e da possibilidade econômica do indivíduo obrigado. 4. Com efeito, não obstante as situações apresentadas pelo genitor/apelante, o mesmo não se desincumbiu do ônus de comprovar a impossibilidade cabal de prover a pensão de seu filho no quantum fixado pelo juízo primevo, pois, em que pese possuir renda variável, não se encontra desempregado, ao contrário, é profissional autônomo e apto ao trabalho. 5. Dito isso, ao considerar a responsabilidade solidária dos pais em relação ao sustento dos filhos (art. 229 da CF/88), e atento ao trinômio possibilidade / necessidade / proporcionalidade (art. 1.694, §1º, do CC), e também sem olvidar os aspectos fáticos atrelados à condição financeira do alimentante e os elementos de prova coligidos aos autos mostra-se razoável e proporcional a manutenção da sentença recorrida, com o quantum da pensão alimentícia estabelecido em 28% (vinte e oito por cento) do salário mínimo vigente pelo juízo a quo, até que o autor/alimentando conclua o curso superior ou complete 24 (vinte e quatro) anos de idade. 6. Recurso conhecido e desprovido. Sentença mantida. (Apelação Cível - 0200724-80.2023.8.06.0160, Rel. DESTAQUE AO PARECER MINISTERIAL DESFAVORÁVEL AO RECURSO. QUEBRA DO SIGILO FISCAL E BANCÁRIO DA GENITORA. IMPOSSIBILIDADE. DELIBERAÇÃO SINGULAR MANTIDA. RECURSO CONHECIDO E DESPROVIDO. 1. A exórdial concerne à uma Ação Revisional de Alimentos com Pedido de Tutela de Urgência, movida pelo Recorrente, com fito de obter a minoração dos alimentos provisórios fixados em favor dos Impúberes-Agravados. Tal rogatória não logrou provimento, uma vez que o Juízo a quo entendeu por arbitrar o encargo no importe de 50% (cinquenta por cento) da remuneração bruta do Alimentante. 2. Em suas razões recursais, o Agravante aduz que o provento alimentar deve ser minorado, tendo em vista que a sua renda líquida mensal – qual seja, a importância de R\$ 22.534 (vinte e dois mil, quinhentos e trinta e quatro reais) – já não se

	mostra suficiente para adimplir a obrigação arbitrada, uma vez que constituiu nova família, com gêmeos de tenra idade. Adiante, arrazoa que a Genitora, representante dos Demandados, é professora universitária e médica renomada, de modo que não lhe parece proporcional que todo o encargo alimentar recaia sobre o Alimentante. 3. No caso sub judice, em que pesem as alegações do Agravante sobre o seu dispêndio financeiro, depreendo que não foram colacionados aos fólios processuais documentos que comprovassem a sua impossibilidade cabal de arcar com o quantum arbitrado pelo Magistrado Singular. Do contrário, vislumbro que a majoração do encargo levou em consideração o diagnóstico de doenças neurológicas em dois dos três filhos (vide fls. 615, 622 e 625), sendo de clareza meridiana que tais patologias enquadram-se no conceito de necessidade. 4. Em uma segunda análise, no que toca à quebra do sigilo fiscal e bancário da Agravada, depreendo que tal pleito é, nesse momento processual demasiadamente inexequível. Explico. Não obstante seja o Juízo a quo o legítimo destinatário da prova, a medida requestada é medida excepcional, sendo admitida apenas quando presentes indícios que justifiquem a investigação dos rendimentos da Parte Requerida, do contrário, estar-se-á diante de clara violação à direitos individuais de cunho constitucional. 5. Ex positis, diante de toda a perquirição técnico-jurídica realizada alhures, conheço do recurso para negar-lhe provimento, mantendo irretocável a deliberação primeva. Agravo de Instrumento objetivando a reforma de decisão interlocutória proferida nos autos de Ação de Exoneração de Alimentos ajuizada em face da parte ora recorrente. II. QUESTÃO EM DISCUSSÃO 2. A questão posta em discussão consiste em avaliar a possibilidade de reforma da decisão que exonerou o genitor, parte ora agravada, da obrigação alimentícia. III. RAZÕES DE DECIDIR 3. Como cediço, a prestação alimentar visa assegurar ao alimentando o necessário para a sua manutenção, entendida esta em sentido amplo, proporcionando-lhe os meios de subsistência. O quantum a de atender às suas necessidades vitais básicas, nos padrões e possibilidades de cada família exclusivamente, não sendo a pensão meio de formação de patrimônio, mas de subsistência. 4. Dois fatores são primordiais na fixação do valor dos alimentos: a possibilidade do obrigado e a necessidade do beneficiado, tendo como vetor o princípio da proporcionalidade. 5. Dos documentos anexados aos autos, percebe-se que apesar de o agravante ser pessoa maior de idade (25 anos), o que induziria a um juízo de que não mais necessita do recebimento de pensão alimentícia ou que já possui condições de arcar com o próprio sustento, este é portador do espectro autista (TEA). 6. Consta, ainda, laudo médico, atestando a incapacidade da parte recorrente de exercer atividade laborativa por tempo indeterminado. 7. Nesse sentido, a exoneração da obrigação alimentar neste momento acarretaria um abalo não apenas na subsistência do agravante, mas também na sua dignidade, desconsiderando a própria finalidade da obrigação alimentar, que visa à garantia de condições mínimas de vida. A agravante sustenta a recorribilidade da decisão e a necessidade de interpretação ampliativa do art. 1.015 do CPC. II. QUESTÃO EM DISCUSSÃO 3. Há duas questões em discussão: (i) definir se a decisão que recebe o cumprimento de sentença e determina a intimação do executado para pagamento possui conteúdo decisório e, portanto, é agravável; (ii) verificar se houve inovação recursal por parte da agravante ao suscitar matérias próprias de impugnação ao cumprimento de sentença. III. RAZÕES DE DECIDIR 4. A decisão que apenas recebe o pedido de cumprimento de sentença e determina a intimação do devedor para pagar ou garantir a execução constitui mero despacho de expediente, pois apenas impulsiona o processo, sem conteúdo decisório. 5. O Superior Tribunal de Justiça pacificou o entendimento de que tal decisão é irrecorrível, por decorrer de imposição legal prevista no art. 523 do CPC. 6. A interposição de agravo de instrumento contra despacho sem carga decisória afronta a taxatividade mitigada do art. 1.015 do CPC, que não alcança esse tipo de ato judicial. 7. Configura inovação recursal a inclusão, em sede de agravo, de matérias próprias de impugnação ao cumprimento de sentença, que devem ser primeiramente submetidas ao juízo de origem. IV. 	Albuquerque, 1ª Câmara de Direito Privado, j. 17.04.2024. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, em conhecer do recurso de agravo interno, mas negar-lhe provimento, tudo nos termos do voto do Relator. Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA Relator RELATORIO Trata-se de Agravo Interno interposto por Predial – Administradora Cearense de Bens Imóveis Ltda em face de decisão monocrática proferida sob minha relatoria, nos autos do Agravo de Instrumento interposto pela ora agravante em face de despacho que recebeu o cumprimento de sentença movido por LDI Administradora Ltda e determinou a intimação da parte ré para pagamento do débito exequendo. A decisão vergastada não conheceu do agravo de instrumento, nos seguintes termos: O ato judicial impugnado no presente agravo de instrumento nada mais é que o impulsionamento do feito pelo Magistrado, de ordem legal, em respeito ao rito processual previsto nos arts. 523 e 525, §1º, do CPC, que assim determinam: [...]. A bem da verdade, observa-se que as insurgências lançadas neste recurso tratam de matéria que deve ser ventilada em sede de impugnação ao cumprimento de sentença e não em agravo de instrumento. Portanto, não há conteúdo decisório no ato judicial impugnado e, assim sendo, descabe a insurgência pela via do agravo de instrumento. Sobre o tema, colaciono jurisprudência deste TJCE: [...] Ainda que assim não fosse, as matérias alegadas neste recurso não foram apreciadas ainda pelo magistrado de primeira instância, motivo pelo qual também não podem ser decididas por este tribunal, sob pena de supressão de instâncias, o que é vedado pela legislação processual civil brasileira. Diante do exposto e fundamentação apresentada, NÃO CONHEÇO do presente agravo de instrumento, por ser manifestamente inadmissível, conforme disciplina o inciso III, do artigo 932, do CPC, bem como pela vedação a supressão de instâncias. Irresignada, a Predial interpôs o presente agravo interno, no qual alega, em suma, que a decisão agravada possui, sim, conteúdo decisório, já que determinou a intimação do executado para, no prazo de 15 (quinze) dias, quitar o débito objeto do cumprimento de sentença. Aduz, também, que a

	jurisprudência do STJ já se posicionou no sentido de que o art. 1.015, do CPC, deve ser interpretado de forma ampla, em especial no sentido de que as decisões interlocutórias proferidas em cumprimento de sentença são agraváveis. Ao final, roga pelo conhecimento e provimento do recurso interno, para que seja proferida decisão de mérito sobre o agravo de instrumento. Foram apresentadas contrarrazões sob o ID. 21986817, mediante o qual a parte agravada postula a manutenção da decisão monocrática que não conheceu do agravo de instrumento. É o que importa relatar. Decido. VOTO Presentes os requisitos de admissibilidade, conheço do agravo interno e passo à análise do mérito recursal. Em que pese os argumentos ventilados pela parte agravante, entendo que seu recurso não merece prosperar, posto que, conforme bem delineado na decisão monocrática agravada, a decisão, ainda que proferida em sede de cumprimento de sentença, que apenas recebe a peça e determina que haja o pagamento do débito exequendo não possui conteúdo decisório. Nos termos do § único, do art. 1.015, do CPC, realmente as decisões proferidas em fase de liquidação de sentença são agraváveis, contudo, é entendimento consolidado do c. Superior Tribunal de Justiça, que: [...] Com o advento do Novo Código de Processo Civil, o início da fase de cumprimento de sentença para pagamento de quantia certa passou a depender de provocação do credor . Assim, a intimação do devedor para pagamento é consectário legal do requerimento, e, portanto, irrecorrível, por se tratar de mero despacho de expediente, pois o juiz simplesmente cumpre o procedimento determinado pelo Código de Processo Civil (art. 523 do NCPC), impulsionando o processo. (REsp n. 1.837.211/MG, relator Ministro Moura Ribeiro, Terceira Turma, julgado em 9/3/2021, DJe de 11/3/2021.) Esse é exatamente o caso dos autos, uma vez que a decisão recorrida apenas recebeu o cumprimento de sentença, nos termos do art. 513, §2º, do CPC, bem como determinou a intimação da parte agravada para pagar ou garantir a execução, o que impede a interposição de agravo de instrumento. Não é destoante o entendimento deste e. Tribunal de Justiça do Ceará, veja-se: DIREITO PROCESSUAL CIVIL. AGRAVO INTERNO EM AGRAVO DE INSTRUMENTO. FASE DE CUMPRIMENTO DE SENTENÇA. IRRECORRIBILIDADE DO ATO DE INTIMAÇÃO PARA PAGAMENTO. ATO DE MERÓ IMPULSO PROCESSUAL. AUSÊNCIA DE CONTEÚDO DECISÓRIO. RECURSO DESPROVIDO. I. CASO EM EXAME 1. Agravo Interno interposto contra decisão monocrática que não conheceu do Agravo de Instrumento nº 0625086-42.2024.8.06.0000, por ausência de interesse recursal, considerando incabível a apreciação do recurso em razão da inexistência de prévia impugnação ao cumprimento de sentença, nos termos dos artigos 523 e 525 do CPC. II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em definir se é cabível a interposição de Agravo de Instrumento contra o ato judicial que determina a intimação do executado para pagamento no prazo legal, sob pena de incidência de multa e honorários, no âmbito do cumprimento de sentença. III. RAZÕES DE DECIDIR 3. O artigo 1.015, parágrafo único, do CPC admite a interposição de Agravo de Instrumento contra decisões interlocutórias proferidas na fase de cumprimento de sentença, desde que possuam conteúdo decisório. 4. O ato que determina a intimação do executado para pagamento, nos termos do artigo 523 do CPC, configura mero despacho de impulso processual, sem conteúdo decisório, razão pela qual não é passível de impugnação por Agravo de Instrumento. 5. A jurisprudência do Superior Tribunal de Justiça é firme no sentido de que tal ato não é recorrível, por não conter juízo valorativo autônomo, sendo mera formalidade decorrente da lei processual (STJ, REsp nº 1.733.560/SP). 6. A tese firmada no Tema 988 do STJ, que excepciona o rol do artigo 1.015 do CPC em hipóteses de urgência, não se

	aplica ao caso, pois não restou demonstrada situação que configure risco de inutilidade da discussão em sede de impugnação ao cumprimento de sentença. 7. A via adequada para discutir questões relativas aos encargos sucumbenciais e à exigibilidade da obrigação no cumprimento de sentença é a impugnação prevista no artigo 525 do CPC, e não o Agravo de Instrumento. IV. DISPOSITIVO E TESE 5. Recurso conhecido e desprovido. Tese de julgamento: 2O ato judicial que determina a intimação do executado para pagamento no cumprimento de sentença, previsto no artigo 523 do CPC, tem natureza de mero despacho de expediente, desprovido de conteúdo decisório, sendo, portanto, irrecorrível por meio de Agravo de Instrumento.2 Dispositivos relevantes citados: CPC, arts. 203, §2º; 523, caput e §1º; 525, §1º, VII; 1.015, parágrafo único. Acórdão	 ESTADO DO CEARÁ PODER JUDICIÁRIO TRIBUNAL DE JUSTIÇA PRIMEIRA CÂMARA DE DIREITO PRIVADO DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA PROCESSO: 0636662-32.2024.8.06.0000 - AGRADO DE INSTRUMENTO (202) AGRAVANTE: MARIA LUCIA DA SILVEIRA AGRAVADO: FUNDACAO ASSISTENCIAL DOS SERVIDORES DO MINISTERIO DA FAZENDA Ementa: DIREITO CIVIL E PROCESSUAL CIVIL. AGRADO DE INSTRUMENTO. PLANO DE SAÚDE DE AUTOGESTÃO. TUTELA DE URGÊNCIA. FORNECIMENTO DE TRATAMENTO EM REGIME DE HOMECARE. PRESCRIÇÃO MÉDICA. POSSIBILIDADE. RECURSO PRINCIPAL PROVIDO. AGRADO INTERNO PREJUDICADO I. CASO EM EXAME 1. Agravo de instrumento interposto por beneficiária de plano de saúde contra decisão que indeferiu pedido de tutela de urgência em ação ordinária visando obrigar a operadora, entidade de autogestão, a custear tratamento em regime de homecare, com fornecimento de insumos, equipamentos e cuidadores 24 horas, conforme prescrição médica. II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em definir se estão presentes os requisitos da probabilidade de direito e do perigo de dano para que a operadora de plano de saúde de autogestão custeie o tratamento domiciliar (homecare) prescrito pelo médico assistente da paciente idosa e portadora de doenças graves. III. RAZÕES DE DECIDIR 3. A inaplicabilidade do Código de Defesa do Consumidor aos planos de saúde de autogestão, nos termos da Súmula nº 608 do STJ, não autoriza a imposição de cláusulas abusivas ou que restrinjam direitos assegurados por lei, devendo prevalecer os princípios da função social do contrato, da boa-fé objetiva e da dignidade da pessoa humana. 4. A prescrição médica detalha a necessidade de homecare, incluindo gastrostomia, dieta enteral, cama hospitalar, colchão especial, fraldas geriátricas e cuidadores 24h, o que configura probabilidade do direito, diante da comprovação clínica da indispensabilidade do tratamento. 5. O perigo de dano está evidenciado pela idade avançada e pelo estado de saúde da paciente, que demandam tratamento imediato sob pena de ineficácia da tutela jurisdicional. 6. A jurisprudência do STJ e do TJCE reconhece a obrigação das operadoras de planos de saúde em custear tratamento domiciliar e insumos quando prescritos por profissional habilitado, desde que necessários à manutenção da saúde e da vida do beneficiário. IV. DISPOSITIVO E TESE 7. Recurso principal provido. Agravo Interno prejudicado. Tese de julgamento: 1. Estão presentes os requisitos da tutela de urgência quando demonstrados prescrição médica idônea e risco à saúde do beneficiário idoso em caso de demora no fornecimento do tratamento. 	Luiz de Souza Costa, j. 29.04.2025; TJCE, AI nº 0631909-32.2024.8.06.0000, Rel. Des. José Evandro Nogueira Lima Filho, j. 30.10.2024. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, em CONHECER do Recurso de Agravo de Instrumento e, no mérito DAR-LHE PROVIMENTO, bem como julgado PREJUDICADO o recurso de Agravo Interno, tudo nos termos do voto do Relator. Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA Relator EmentadoAcrdo RELATÓRIO Trata-se de Agravo de Instrumento interposto por MARIA LUCIA DA SILVEIRA em face de decisão proferida pela 37ª Vara Cível de Fortaleza, nos autos da Ação Ordinária de Obrigação de Fazer com Tutela de Urgência de Natureza Antecipada e Ressarcimento por Danos Materiais e Morais movida pela agravante em desfavor de FUNDACAO ASSISTENCIAL DOS SERVIDORES DO MINISTERIO DA FAZENDA. A decisão recorrida indeferiu o pedido de tutela de urgência formulado pela parte autora, nos seguintes termos: Note-se que a paciente recebeu alta hospitalar, de sorte que não se encontra em situação de internação domiciliar substituta de internação hospitalar. Além disso, os cuidados referidos no relatório médico acima não são exclusivos de pacientes internados, mas aplicam-se àqueles que se encontram restritos ao leito, mesmo em casos em que a internação não é recomendada. Daí que se entende que o caso é de assistência domiciliar, pois a parte autora parece necessitar dos serviços de um cuidador, definido como a "pessoa com ou sem vínculo familiar capacitada para auxiliar o paciente em suas necessidades e atividades da vida cotidiana" (item 3.5 da Resolução RDC n.º 11, de 26 de janeiro de 2006, acima referida). No caso, a promovida afirmou já estar prestando o serviço, conforme o plano terapêutico apresentado na fl. 122, que não foi objeto de impugnação pela promovente. No regime de assistência domiciliar, os serviços de cuidador e fornecimento de alimentação, fraudas geriátricas, cama / colchão e outros, não é de responsabilidade da empresa requerida, mas da própria paciente e de sua família. Ausente, portanto, a probabilidade do direito no tocante ao pedido de tutela provisória, que se refere à colocação da parte autora em situação de internação domiciliar. Deliberações.

APELAÇÃO CÍVEL. AÇÃO ORDINÁRIA. PACIENTE COM SEQUELAS DE AVC. FORNECIMENTO DE SERVIÇO UNIMED LAR. SITUAÇÃO DA AUTORA QUE SE ENQUADRA NA MODALIDADE DE ASSISTÊNCIA DOMICILIAR, E NÃO DE INTERNAÇÃO DOMICILIAR. ANÁLISE QUANTO À OBRIGATORIEDADE DE FORNECIMENTO DE DIETA ENTERAL, CAMA HOSPITALAR E MEDICAMENTOS DE USO DOMICILIAR. RECURSO CONHECIDO E PARCIALMENTE PROVIDO. SENTENÇA PARCIALMENTE REFORMADA. 1. Cinge-se a controvérsia recursal em analisar se deve ou não ser mantida a condenação em obrigação de fazer determinada na sentença, que obrigou a operadora do plano de saúde a custear o tratamento domiciliar da beneficiária, bem como se é cabível o fornecimento, pelo plano de saúde, de todos os serviços e produtos necessários, tais como dieta enteral e medicamentos. 2. A contratante do plano de saúde padece de sequela neurológica por acidente vascular cerebral, hidrocefalia, imobilidade, disfagia e síndrome convulsiva). Em virtudes das sequelas graves (coma vigil), foi dada alta a requerente, através do programa Unimed Lar (home care), contudo, alega que a ré/apelante não forneceu cama hospitalar, alimentação enteral, os materiais descartáveis necessários para administração da dieta, nem os fármacos prescritos pelos médicos, material este, que a autora/apelada necessita para continuar com o tratamento, e que era fornecido pela requerida/apelante durante o internamento hospitalar o tratamento com suporte domiciliar multiprofissional na modalidade home care. 3. Resta incontroversa a necessidade da autora de obter tratamento domiciliar na modalidade home care, tal como lhe foi indicado. Contudo, cabe analisar quais fornecimentos são obrigatórios por parte da apelante. 4. No que pertine ao fornecimento de alimentação enteral, trata-se item de custeio obrigatório pela operadora do plano de saúde, haja vista que é imprescindível ao correto e efetivo tratamento da autora diante do seu estado de saúde. Como consectário lógico, revela-se imperioso o fornecimento, pelo plano de saúde, dos insumos relacionados ao fornecimento da dieta enteral, como o frasco, o equipo e a seringa, por serem inerentes à efetiva prestação do serviço. 5. No que pertine à requisição medicamentos de uso domiciliar, o custeio, em regra, deve ser realizado de forma particular, pelo paciente, e não imposto ao plano de saúde, haja vista exclusão de cobertura expressamente constante na Lei nº 9.656/98. 6. Da mesma forma, encontra-se clara vedação legal ao pedido de fornecimento de cama hospitalar, por encontrar vedação expressa no inciso VII do artigo 10 da Lei nº 9.656/98. 7. A própria parte está ciente de que o Unimed Lar é um serviço oferecido aos seus usuários na forma de assistência domiciliar, com acompanhamento de equipe multidisciplinar e habilitação da família (ou terceiros) para auxiliar a paciente em suas necessidades e atividades da vida cotidiana, e não de uma internação domiciliar. Assim, demonstra-se consonância com as normas vigentes. 7. Recurso conhecido e parcialmente provido. Sentença parcialmente reformada. Embora o laudo médico fale o termo "cuidador diuturnamente", não se expressando especificamente dos cuidados de um "enfermeiro", pode-se deduzir que as tarefas que circundam a alimentação do paciente, POR SONDA, não podem ser feitas pela família, mas somente por profissional especializado, justificando, assim, a procedência da pretensão autoral. Isso fica inequívoco quando o próprio laudo fala: "requer acompanhamento ESPECIALIZADO" (apesar de chamar o profissional de cuidador). 3 RECURSO CONHECIDO E PROVIDO. SENTENÇA REFORMADA. II. QUESTÃO EM DISCUSSÃO. 2. A questão em discussão consiste em avaliar se há obrigação do plano de saúde de fornecer e custear o tratamento, atendimento domiciliar e insumos como parte da cobertura mínima obrigatória. III. RAZÕES DE DECIDIR. 3. Considera-se abusiva a cláusula contratual que limita ou exclui tratamento prescrito para garantir a saúde ou a vida do segurado, podendo haver a declaração de nulidade (art. 51 do CDC), pois não pode o Plano de Saúde querer se eximir da responsabilidade de prestação do serviço e adentrar no mérito da modalidade de tratamento indicado como favorável à melhora da doença que acomete a paciente, uma vez que essa avaliação compete ao médico, profissional especializado, que prescreve os meios mais adequados ao restabelecimento da saúde. 4. A jurisprudência do Superior Tribunal de Justiça considera que a internação domiciliar é uma extensão da internação hospitalar, contratualmente prevista, sendo abusiva a negativa de sua cobertura. 5. Em casos semelhantes o Tribunal de Justiça do Estado do Ceará tem interpretado que a obrigação de custeio de tratamento no sistema home care abrange os casos de assistência domiciliar em face do quadro de saúde do beneficiário. 6. Quanto ao fornecimento de fraldas geriátricas e cama hospitalar, a cobertura de internação domiciliar deve abranger os insumos e medicamentos de uso diário, conforme prescrição médica, os profissionais especializados e os materiais de higiene pessoal e ambiental onde será instalado o home care. RECURSO CONHECIDOE PROVIDO. DECISÃO REFORMADA. 1. Trata-se de recurso de Agravo de Instrumento interposto em face de decisão interlocutória proferida nos autos da ação ordinária que deferiu parcialmente a tutela de urgência para determinar que a operadora de assistência médica realize o tratamento prescrito à beneficiária. 2. O cerne da controvérsia trazida no agravo de instrumento consiste em analisar se o plano de saúde possui ou não a obrigação de prestar o serviço de internação domiciliar à paciente nos moldes da prescrição médica, com o fornecimento de profissional de enfermagem, bem como do depósito plástico, cama hospitalar, colchões e fraldas. 3. Analisando a documentação apresentada, verifica-se que o pleito da autora se trata de ¸internação domiciliar¸, e não de "assistência domiciliar¸, estando a empresa recorrida, a teor da jurisprudência da Corte Superior de Justiça, obrigada a prestar o serviço requerido nos moldes da prescrição médica. 4. Assim, considerando que o tratamento domiciliar é extensão dos cuidados médicos hospitalares, não se desobrigando, portanto, no fornecimento dos insumos necessários para o adequado tratamento da agravada, uma vez que o home care é uma

	verdadeira estrutura hospitalar na residência da paciente, não pode a agravante se furtar a fornecer os insumos e medicamentos necessários ao tratamento, como alimentação especial industrializada, fraldas e medicamentos de uso diário constantes da recomendação médica, bem como profissionais especializados (enfermagem, fisioterapeuta, fonoaudiólogo, etc.) e os materiais de higiene pessoal e ambiental onde será instalado o home care. 5. Agravo de instrumento conhecido e provido. Decisão decotada. (TJCE. AI nº 0631909-32.2024.8.06.0000. Rel. Des. Jose Evandro Nogueira Lima Filho. 4ª Câmara Direito Privado. DJe: 30/10/2024). Assim, encontra-se presente o requisito da probabilidade do direito no que se refere à necessidade de a operadora de saúde fornecer o tratamento homecare, da forma como prescrita pelo médico assistente da autora. Quando ao requisito do perigo de dano, também se encontra presente e consubstanciado no quadro de saúde fragilizado da paciente e sua idade avançada, havendo risco de ineficácia da prestação jurisdicional caso o tratamento não seja fornecido de imediato, conforme aponta o próprio laudo médico. No que se refere ao agravo interno da operadora de saúde, apesar de estarem presentes os requisitos extrínsecos de admissibilidade (tempestividade, adequação e regularidade formal), conforme os artigos 1.016 e 1.017 do CPC, é certo que o recurso não deve ser conhecido devido à perda superveniente do objeto. Isso porque, o agravo de instrumento principal foi devidamente julgado nesta mesma sessão. Destarte, entendo que o interesse recursal da parte recorrente não mais subsiste, uma vez que a decisão combatida, de cognição sumária, foi substituída por decisum de cognição exauriente. Assim, com a perda superveniente do objeto do recurso, evidenciada está a inutilidade de qualquer discussão acerca do acerto ou não da decisão recorrida, o que enseja a prejudicialidade do presente agravo interno. II. QUESTÃO EM DISCUSSÃO A questão em discussão consiste em definir se a sentença que reconheceu a falsidade da assinatura no contrato e extinguiu a execução deve ser reformada diante da alegação do banco apelante de autenticidade do título e de depósitos em favor da cliente. III. RAZÕES DE DECIDIR O contrato de empréstimo consignado que embasa a execução foi objeto de impugnação pela parte embargante, que negou a autoria da assinatura aposta no título. 4.

É o relatório. VOTO Conheço do presente recurso, porquanto presentes os pressupostos intrínsecos e extrínsecos de admissibilidade recursal. Conforme relatado, trata-se de recurso de apelação adversando a sentença que julgou procedente os pedidos formulados nos Embargos à Execução apresentado pelo embargante, em face de execução movida pelo banco apelado. O negócio jurídico questionado pela embargante consiste na cédula de crédito do Banco Bradesco Financiamento S/A – Empréstimo Consignado nº 245.975 (588234990), no valor de R\$ 23.769,74 (vinte e três mil, setecentos e sessenta e nove reais e setenta e quatro centavos). Dito isso, a controvérsia recursal consiste em apurar o acerto ou não da sentença que julgou procedentes os embargos à execução ajuizados pelo apelado e extinguiu a ação de execução de título extrajudicial nº 0881185- 94.2014.8.06.0001. Nesse contexto, rememorando o caso dos autos, o Apelado ingressou com Embargos à Execução afirmando que não reconhecia o débito, aduzindo que a assinatura aposta no contrato não era sua. Em sequência, foi deferida

Cerceamento de defesa, portanto, não verificado. 2 – O ônus de comprovar a veracidade da assinatura contestada pela parte adversa é da parte que produziu o documento, de acordo com o art. 429, II, do Código de Processo Civil. 3 - Na vertente hipótese, o título de crédito foi confeccionado pela apelante, que utilizou o mesmo para manejar sua pretensão executiva, sendo ônus desta demonstrar a autenticidade da assinatura aposta no documento. 4 - Sendo assim, não tendo a apelante comprovado a autenticidade da assinatura aposta no Contrato de Abertura de Crédito, deve ser mantida a sentença que acolheu os embargos executórios e extinguiu a ação de execução. 5 – Recurso conhecido e improvido. Cheque é título de crédito que se submete a formalidades próprias para que possa circular, de acordo com os preceitos do direito cambial. Sem as formalidades essenciais, dentre as quais a regular assinatura do emitente ou de seu mandatário com poderes especiais, deve ser reconhecida a inexistência do título de crédito, à luz dos artigos 1º e 2º da Lei do Cheque. 2. Sendo a assinatura do eminente do cheque requisito primordial da sua validade, uma vez comprovada que a assinatura aposta na cártula é falsa, deve-se reconhecer a inexigibilidade do título do crédito no valor estampado no cheque. 3. Em regra, o ônus da prova incumbe aquele que alega. Todavia, o art. 429 do CPC excepciona tal encargo quando se tratar de questão relacionada à veracidade da assinatura aposta no cheque, transferindo o ônus probatório àquele que o apresentou nos autos, isso porque o interesse de sua validade é de quem

Acórdão	 PROCESSO: 0629087-12.2020.8.06.0000 - AGRADO DE INSTRUMENTO (202) / EMBARGOS DE DECLARAÇÃO EMBARGANTES: ALBERTO JORGE PARENTE VIEIRA, LEONARDO PARENTE VIEIRA EMBARGADA: MARIA TAIS RODRIGUES DE OLIVEIRA VIEIRA Ementa: DIREITO PROCESSUAL CIVIL. EMBARGOS DE DECLARAÇÃO EM AGRADO DE INSTRUMENTO. SOBREPARTILHA. ALEGAÇÃO DE OMISSÃO QUANTO À PRESCRIÇÃO, NATUREZA SALARIAL DE CRÉDITOS E REGIME DE BENS. INEXISTÊNCIA DE VÍCIOS. PRETENSÃO DE REDISCUSSÃO DO MÉRITO. EMBARGOS REJEITADOS. I. CASO EM EXAME 1. Embargos de Declaração contra acórdão que afastou a prescrição da ação de sobrepartilha de créditos trabalhistas do falecido, aplicando a teoria da actio nata. Os embargantes alegam omissão quanto ao termo inicial da prescrição e à natureza salarial dos créditos. II. QUESTÃO EM DISCUSSÃO 2 A questão em discussão consiste em verificar se o acórdão foi omisso quanto à prescrição da ação de sobrepartilha, bem como quanto à natureza dos créditos discutidos na origem. III. RAZÕES DE DECIDIR 3. O acórdão embargado já examinou a prescrição da ação de sobrepartilha, fixando o prazo decenal a partir da habilitação do cônjuge sobrevivente no cumprimento de sentença da Justiça Federal, quando se instaurou a disputa entre os herdeiros, aplicando a teoria da actio nata. 4. Por sua vez, o Tribunal já enfrentou a questão da natureza dos créditos, destacando que a qualidade de herdeira necessária do cônjuge sobrevivente prevalece, independentemente do regime de bens, sendo irrelevante a origem patrimonial. 5. Quanto à natureza dos créditos, a decisão reconheceu que a condição de herdeira necessária do cônjuge sobrevivente garante a concorrência na herança, independentemente do regime de bens ou da origem patrimonial dos valores. 6. Sobre os créditos em discussão, consignou-se que apenas 1/3 do montante permaneceu em disputa, já que os demais quinhões foram levantados pelos demais herdeiros, não havendo omissão. 7. Os embargos de declaração não se prestam a rediscutir matéria já apreciada, conforme a Súmula nº 18 do TJCE. IV. DISPOSITIVO 8. Embargos rejeitados. Dispositivos relevantes citados: CPC, arts. 1.022, 1.025 e 1.026, § 2º. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer e rejeitar os Embargos de Declaração, nos termos do voto do Relator. Processo	0629087-12.2020.8.06.0000
	de Embargos de Declaração interpostos por ALBERTO JORGE PARENTE VIEIRA e LEONARDO PARENTE VIEIRA em face do acórdão proferido por esta Câmara (ID 22142785), sob minha relatoria, nos autos do agravo de instrumento n. 0629087-12.2020.8.06.0000 em que litiga com MARIA TAÍS RODRIGUES DE OLIVEIRA VIEIRA. No presente recurso (ID 22143174), os embargantes sustentam que o acórdão recorrido foi omissso quanto à necessidade de se reconhecer que a embargada (autora da ação originária de sobrepartilha) não se desincumbiu do ônus de comprovar o momento em que teve ciência da existência do crédito objeto da demanda judicial (créditos salariais do de cujus), a fim de que fosse possível verificar a ocorrência da prescrição da ação, arguida pelos embargantes. Ademais, afirmam que, em juízo de origem, a embargada declarou ter tomado conhecimento dos créditos não partilhados somente após a conclusão do inventário extrajudicial. Entretanto, perante este juízo, afirmou ter tido ciência da existência dos créditos apenas quando se habilitou no processo em trâmite perante a Justiça Federal, tese esta que acabou sendo acolhida pelo acórdão ora embargado, que aplicou a teoria da actio nata para concluir pela não ocorrência da prescrição da ação. Além disso, apontam a existência de omissão no julgamento quanto à natureza salarial dos créditos (frutos civis do trabalho) que são objeto da ação de sobrepartilha. Alegam que o acórdão deixou de enfrentar a questão relativa à impossibilidade de tais créditos serem partilhados com o cônjuge supérstite, em razão do regime de separação de bens. Por fim, sustentam também ter sido omissso o acórdão quanto à ausência de partilha dos créditos vencimentais relativos ao período anterior ao casamento. Foram apresentadas contrarrazões aos embargos (ID 22143143). Aqui, a embargada defende a manutenção do acórdão. É o relatório. Adotando o Pacto Nacional do Judiciário pela Linguagem Simples do CNJ, passo a proferir meu voto. VOTO O recurso é tempestivo. Presentes os demais pressupostos de admissibilidade, conheço dos embargos. Os embargos declaratórios possuem hipótese de cabimento especificamente atrelada à finalidade integrativa de aperfeiçoamento das decisões judiciais, que tem expressão prevista no art. 1.022 do atual Código de Processo Civil, quando houver, na sentença ou acórdão, obscuridade, contradição, erro material ou no caso de omissão de ponto sobre o qual devia pronunciar-se o juiz ou tribuna, a saber: Art. 1.022. Cabem embargos de declaração contra qualquer decisão judicial para: - I - esclarecer obscuridade ou eliminar contradição; - II - suprir omissão de ponto ou questão sobre o qual devia se pronunciar o juiz de ofício ou a requerimento; - III - corrigir erro material. Parágrafo único. Considera-se omissa a decisão que: - I - deixe de se manifestar sobre tese firmada em julgamento de casos repetitivos ou em incidente de assunção de competência aplicável ao caso sob julgamento; - II - incorra em qualquer das condutas descritas no art. 489, § 1º. Nesse contexto, este recurso possui fundamentação vinculada, específica, de sorte que somente é admissível nos casos apontados anteriormente. Quanto a atribuição de efeitos infringentes aos embargos de declaração, esta é possível em hipóteses excepcionais, para corrigir premissa equivocada no julgamento, bem como nos casos em que, sanada a omissão, a contradição ou obscuridade, a alteração da decisão surja como consequência necessária. Existindo, pois, previsão expressa no contrato discutido nos autos de incidência da TJLP, não há que se falar em abusividade na cobrança do referido encargo, uma vez que plenamente admitido pela jurisprudência pátria. Portanto, diante do exposto, verifica-se que a sentença está em consonância com o ordenamento jurídico, respeitando a legislação específica das Cédulas de Crédito Rural e a jurisprudência consolidada do Superior Tribunal de Justiça, não havendo qualquer irregularidade que justifique sua reforma.

	BR"> No caso dos autos, verifica-se que a sentença se amparou também na ausência da planilha para fins de rejeição dos embargos à execução relativo ao pleito de excesso de execução. De fato, na peça de ingresso, não houve individualização do valor discutido, ou seja, a parte embargante, ora apelante, não apontou o valor incontroverso, o que deveria ter feito, consoante imperativo cogente do art. 917, § 3º do CPC. &#160; </p> </div> <div class="OutlineElement Ltr SCXW264041336 BCX0" style="-webkit-user-drag: none; -webkit-tap-highlight-color: transparent; margin: 0px; padding: 0px; user-select: text; clear: both; cursor: text; overflow: visible; position: relative; direction: ltr; font-size: 12px;"> <p class="Paragraph SCXW264041336 BCX0" style="-webkit-user-drag: none; -webkit-tap-highlight-color: transparent; margin: 7.93333px 0px 7.93333px 189px; padding: 0px; user-select: text; overflow-wrap: break-word; white-space-collapse: preserve; vertical-align: baseline; font-kerning: none; background-color: transparent; color: windowtext; text-align: justify;"> Com efeito, verifico que a peça de manejo dos embargos foi apresentada sem a indispensável planilha demonstrativa do valor incontroverso, razão pela qual não há que se falar em reforma da sentença quanto à tese de excesso de execução, uma vez que não se faz aplicável a intimação para emenda da inicial ao presente caso. &#160;</p> </div> <div class="OutlineElement Ltr SCXW264041336 BCX0" style="-webkit-user-drag: none; -webkit-tap-highlight-color: transparent; margin: 0px; padding: 0px; user-select: text; clear: both; cursor: text; overflow: visible; position: relative; direction: ltr; font-size: 12px;"> <p class="Paragraph SCXW264041336 BCX0" style="-webkit-user-drag: none; -webkit-tap-highlight-color: transparent; margin: 7.93333px 0px; padding: 0px; user-select: text; overflow-wrap: break-word; white-space-collapse: preserve; vertical-align: baseline; font-kerning: none; background-color: transparent; color: windowtext; text-align: justify; text-indent: 75px;"> Desse modo, n ão existe obscuridade, nem omissão quando dá não verificação do momento em que a sentença fora proferida , uma vez que se trata de documento necessário à propositura da demanda. &#160; </p> </div> <div class="OutlineElement Ltr SCXW264041336 BCX0" style="-webkit-user-drag: none; -webkit-tap-highlight-color: transparent; margin: 0px; padding: 0px; user-select: text; clear: both; cursor: text; overflow: visible; position: relative; direction: ltr; font-size: 12px;"> <p class="Paragraph SCXW264041336 BCX0" style="-webkit-user-drag: none; -webkit-tap-highlight-color: transparent; margin: 7.93333px 0px; padding: 0px; user-select: text; overflow-wrap: break-word; white-space-collapse: preserve; vertical-align: baseline; font-kerning: none;

Os presentes embargos de declaração vêm a pleito para reclamar suposta omissão em decisum prolatado por esta Relatoria. Alude a recorrente que a decisão combatida deixou de observar entendimento da Segunda Seção do STJ acerca da taxatividade do rol da ANS e, por tal razão, encontra-se o acórdão eivado de vício. 2. Dito isto, adianta-se que não assistem razão os aclaratórios . Isso porque, pela análise da decisão guerreada, é perceptível que todos os pontos relevantes para a resolução da controvérsia foram adequadamente explicados, tendo o improvimento da apelação se dado após a observação da legislação médica pertinente, bem como de notas técnicas e os pormenores do caso concreto. 3. Além disso, importa salientar que o julgador não é obrigado a se manifestar sobre todos os pontos trazidos pelos sujeitos, desde que se expresse de maneira clara, objetiva e fundamentada, o que, ressalte-se, ocorreu. 4. Posto isto, nota-se uma tentativa de rediscussão de matéria de mérito já resolvida e, a ser assim, torna-se incabível o recurso manejado. Acórdão	 ESTADO DO CEARÁ PODER JUDICIÁRIO TRIBUNAL DE JUSTIÇA PRIMEIRA CÂMARA DE DIREITO PRIVADO DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA PROCESSO: 0202057-09.2024.8.06.0071 - 160 APELAÇÃO CÍVEL (198) APELANTE: JARDEL FEITOSA DA SILVA APELADO: CECILIA EDVANIA DE SOUSA Ementa DIREITO PROCESSUAL CIVIL. APELAÇÃO CÍVEL. AÇÃO DE BUSCA E APREENSÃO DE MENORES. OFENSA AO PRINCÍPIO DA DIALETICIDADE. AUSÊNCIA DE IMPUGNAÇÃO ESPECÍFICA AOS FUNDAMENTOS DA SENTENÇA. RECURSO NÃO CONHECIDO. I. CASO EM EXAME Recurso de apelação interposto por J. F. da S. contra sentença da Vara Única de Família e Sucessões da Comarca de Crato, que julgou procedentes os pedidos formulados por C. E. de S. em ação de busca e apreensão dos filhos menores, confirmando liminar anteriormente deferida. O apelante pleiteia a modificação da guarda, a suspensão do direito de visitas da mãe, a realização de estudo psicossocial, a intervenção do Conselho Tutelar e outras providências. II. QUESTÃO EM DISCUSSÃO A questão em discussão consiste em definir se o recurso de apelação preenche os requisitos de admissibilidade, notadamente quanto ao princípio da dialeticidade, diante da ausência de impugnação específica aos fundamentos da sentença. III. RAZÕES DE DECIDIR O princípio da dialeticidade exige que o recorrente apresente razões capazes de infirmar os fundamentos da decisão impugnada, permitindo ao tribunal cotejar os argumentos recursais com o conteúdo da sentença. O apelante limitou-se a reproduzir os termos da contestação e a formular pedidos de alteração de guarda, sem demonstrar o desacerto da sentença, que apenas confirmou o acordo prévio sobre a residência materna e a convivência paterna. A ausência de impugnação específica inviabiliza o conhecimento do recurso, nos termos do art. 932, III, do CPC, da Súmula 43 do TJCE, da Súmula 182 do STJ e da Súmula 283 do STF. A jurisprudência do STJ e do TJCE consolida que a falta de impugnação dos fundamentos autônomos da decisão recorrida constitui vício formal insuprível, acarretando a inadmissibilidade do recurso. IV. DISPOSITIVO E TESE Recurso não conhecido. Tese de julgamento

No caso em apreço, como já dito, restou comprovado que as partes acordaram que as crianças teriam como base de moradia a residência materna, assegurando a convivência como genitor aos finais de semana (página 18). No entanto, a parte requerida descumpriu o acordo por não devolver as crianças ao lar materno, além de prejudicá-las com o afastamento das atividades escolares (página 22). Em outros termos, o acordo da página 18 permanece hígido e somente pode ser alterado tecnicamente por ambas partes em comum acordo ou por decisão judicial. Nunca por uma só parte ou pelo Conselho Tutelar. Ante o exposto, julgo procedentes os pedidos formulados na inicial, confirmando a medida liminar já deferida na decisão de páginas 29/30, por permanecerem hígidos seus requisitos, mesmo após a contestação, nos termos do artigo 487, inciso I, do Código de Processo Civil. O aspecto teratológico da pretensão do Recorrente é evidente, eis que somente em sede de ação ordinária de modificação de guarda, com ampla cognição e exercício do contraditório é que se pode, validamente, aferir se ocorreram fatos supervenientes que autorizem a pretendida reversão.” (Id. 22169172)</p><p class="western" style="line-height: 150%; text-indent: 2cm; margin-top: 0.21cm; margin-bottom: 0.21cm;" align="justify"> Dessa forma, verifico que o recorrente pleiteia a reforma da decisão sem impugnação específica a qualquer fundamento que esteja presente no julgado. Entretanto, as razões recursais configuram componente imprescindível para que o Tribunal ao qual se dirige possa julgar o mérito do recurso, cotejando-as com os motivos da decisão recorrida. A falta de relação entre elas e o que restou decidido, tal como ocorre no presente caso, acarreta o não conhecimento do recurso interposto. </p><p style="line-height: 150%; text-indent: 2cm; margin-top: 0.21cm; margin-bottom: 0.21cm;" align="justify"> </p>

Acórdão	 ESTADO DO CEARÁ PODER JUDICIÁRIO TRIBUNAL DE JUSTIÇA PRIMEIRA CÂMARA DE DIREITO PRIVADO DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA PROCESSO: 0633042-12.2024.8.06.0000 - AGRAVO DE INSTRUMENTO (202) AGRAVANTE: BRIC DEVELOPMENT BRASIL LTDA. AGRAVADO: ANGELA MARIA SANTOS ALMEIDA Ementa: DIREITO PROCESSUAL CIVIL. AGRAVO INTERNO EM AGRAVO DE INSTRUMENTO. CUMPRIMENTO DE SENTENÇA. DECISÃO QUE RECEBE A PEÇA E INTIMA O EXECUTADO PARA PAGAMENTO. AUSÊNCIA DE CONTEÚDO DECISÓRIO. IRRECORRIBILIDADE. INOVAÇÃO RECURSAL. RECURSO DESPROVIDO. I. CASO EM EXAME 1. Agravo interno interposto por Bric Development Brasil Ltda. contra decisão monocrática que não conheceu de agravo de instrumento manejado contra despacho que recebeu o cumprimento de sentença, movido por Angela Maria Santos Almeida, e determinou a intimação da parte ré para pagamento do débito exequendo. 2. A agravante sustenta que a decisão possui conteúdo decisório por impor encargos além do acordo homologado, requerendo apreciação de mérito do agravo de instrumento. II. QUESTÃO EM DISCUSSÃO 3. Há duas questões em discussão: (i) definir se a decisão que recebe o cumprimento de sentença e determina a intimação para pagamento possui conteúdo decisório apto a ensejar agravo de instrumento; (ii) verificar se houve inovação recursal na insurgência da agravante. III. RAZÕES DE DECIDIR 4. A decisão que apenas recebe a peça de cumprimento de sentença e determina a intimação da parte executada não possui conteúdo decisório, tratando-se de mero despacho, insuscetível de recurso. 5. O art. 1.015, parágrafo único, do CPC, autoriza agravo de instrumento contra decisões proferidas em liquidação ou cumprimento de sentença, mas somente quando revestidas de carga decisória. 6. O Superior Tribunal de Justiça consolidou o entendimento de que a decisão que apenas determina a intimação do devedor para pagar ou garantir a execução não comporta agravo de instrumento (REsp 1.837.211/MG, Rel. Min. Moura Ribeiro, 3ª Turma, j. 09/03/2021). 7. O Tribunal de Justiça do Ceará adota orientação idêntica, reputando irrecorrível esse tipo de despacho (Agravo Interno Cível nº 0625086-42.2024.8.06.0000; Agravo Interno Cível nº 0621084-29.2024.8.06.0000). 8. Configura inovação recursal a inclusão de matérias no agravo de instrumento que deveriam ser suscitadas, primeiro, em sede de impugnação ao cumprimento de sentença, perante o juízo de origem. IV. DISPOSITIVO E TESE 9. Recurso desprovido. Tese de julgamento: 1. A decisão que apenas recebe o cumprimento de sentença e determina a intimação do executado para pagamento não possui conteúdo decisório e, por isso, não é passível de agravo de instrumento. 2. A inovação recursal impede o conhecimento de matérias não submetidas previamente ao juízo de origem em sede de impugnação ao cumprimento de sentença. Dispositivos relevantes citados: CPC, art. 1.015, parágrafo único, e 513, § 2º. Jurisprudência relevante citada:

ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, em 160;conhecer do recurso de agravo interno, mas negar-lhe provimento, tudo nos termos do voto do Relator. Ementado Acrdo 160; Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA Relator RELATÓRIO Trata-se de Agravo Interno interposto por BRIC DEVELOPMENT BRASIL LTDA em face de decisão monocrática proferida sob minha relatoria, nos autos do Agravo de Instrumento interposto pela ora agravante em face de despacho que recebeu o cumprimento de sentença movido por ANGELA MARIA SANTOS ALMEIDA e determinou a intimação da parte ré para pagamento do débito exequendo. A decisão vergastada não conheceu do agravo de instrumento, nos seguintes termos: O ato judicial impugnado no presente agravo de instrumento nada mais é que o impulsionamento do feito pelo Magistrado, de ordem legal, em respeito ao rito processual previsto nos arts. 523 e 525, §1º, do CPC, que assim determinam: [...]. A bem da verdade, observa-se que as insurgências lançadas neste recurso tratam de matéria que deve ser ventilada em sede de impugnação ao cumprimento de sentença e não em agravo de instrumento. Portanto, não há conteúdo decisório no ato judicial impugnado e, assim sendo, descabe a insurgência pela via do agravo de instrumento. Sobre o tema, colaciono jurisprudência deste TJCE: [...] Ainda que assim não fosse, as matérias alegadas neste recurso não foram apreciadas ainda pelo magistrado de primeira instância, motivo pelo qual também não podem ser decididas por este tribunal, sob pena de supressão de instâncias, o que é vedado pela legislação processual civil brasileira.

	margin-left: 4.0cm; text-align: justify; line-height: normal; mso-pagination: none; mso-layout-grid-align: none; text-autospace: none;">Diante do exposto e fundamentação apresentada, NÃO CONHEÇO do presente agravo de instrumento, por ser manifestamente inadmissível, conforme disciplina o inciso III, do artigo 932, do CPC, bem como pela vedação a supressão de instâncias. Irresignada, a Bric Development interpôs o presente agravo interno, no qual alega, em suma, que a decisão agravada possui, sim, conteúdo decisório, posto ter determinado o cumprimento da obrigação com encargos financeiros que extrapolam os limites do acordo homologado. Ao final, roga pelo conhecimento e provimento do recurso interno, para que seja proferida decisão de mérito sobre o agravo de instrumento. Foram apresentadas contrarrazões sob o ID. 22202735, mediante o qual a parte agravada postula a manutenção da decisão monocrática que não conheceu do agravo de instrumento. É o que importa relatar. Decido. VOTO Presentes os requisitos de admissibilidade, conheço do agravo interno e passo à análise do mérito recursal. Em que pese os argumentos ventilados pela parte agravante, entendo que seu recurso não merece prosperar, posto que, conforme bem delineado na decisão monocrática agravada, a decisão, ainda que proferida em sede de cumprimento de sentença, que apenas recebe a peça e determina que haja o pagamento do débito exequendo não possui conteúdo decisório. Nos termos do § único, do art. 1.015, do CPC, realmente as decisões proferidas em fase de liquidação de sentença são agraváveis, contudo, é entendimento consolidado do c. Superior Tribunal de Justiça, que: [...] Com o advento do Novo Código de Processo Civil, o início da fase de cumprimento de sentença para pagamento de quantia certa passou a depender de provocação do credor . Assim, a intimação do devedor para pagamento é consectário legal do requerimento, e, portanto, irrecurável, por se tratar de mero despacho de expediente, pois o juiz simplesmente cumpre o procedimento determinado pelo Código de Processo Civil (art. 523 do NCPC), impulsionando o processo. (REsp n. 1.837.211/MG, relator Ministro Moura Ribeiro, Terceira Turma, julgado em 9/3/2021, DJe de 11/3/2021.) Esse é exatamente o caso dos autos, uma vez que a decisão recorrida apenas recebeu o cumprimento de sentença, nos termos do art. 513, §2º, do CPC, bem como determinou a intimação da parte agravada para pagar ou garantir a execução, o que impede a interposição de agravo de instrumento. Não é destoante o entendimento deste e. Tribunal de Justiça do Ceará, veja-se: DIREITO PROCESSUAL CIVIL. AGRAVO INTERNO EM AGRAVO DE INSTRUMENTO. FASE DE CUMPRIMENTO DE SENTENÇA. IRRECORRIBILIDADE DO ATO DE INTIMAÇÃO PARA PAGAMENTO. ATO DE MERO IMPULSO PROCESSUAL. AUSÊNCIA DE CONTEÚDO DECISÓRIO. RECURSO DESPROVIDO. I. CASO EM EXAME 1. Agravo Interno interposto contra decisão monocrática que não conheceu do Agravo de Instrumento nº 0625086-42.2024.8.06.0000, por ausência de interesse recursal, considerando incabível a apreciação do recurso em razão da inexistência de prévia impugnação ao cumprimento de sentença, nos termos dos artigos 523 e 525 do CPC. II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em definir se é cabível a interposição de Agravo de Instrumento contra o ato judicial que determina a intimação do executado para pagamento no prazo legal, sob pena

Processo	0633042-12.2024.8.06.0000
	de incidência de multa e honorários, no âmbito do cumprimento de sentença. III. RAZÕES DE DECIDIR 3. O artigo 1.015, parágrafo único, do CPC admite a interposição de Agravo de Instrumento contra decisões interlocutórias proferidas na fase de cumprimento de sentença, desde que possuam conteúdo decisório. 4. O ato que determina a intimação do executado para pagamento, nos termos do artigo 523 do CPC, configura mero despacho de impulso processual, sem conteúdo decisório, razão pela qual não é passível de impugnação por Agravo de Instrumento. 5. A jurisprudência do Superior Tribunal de Justiça é firme no sentido de que tal ato não é recorrível, por não conter juízo valorativo autônomo, sendo mera formalidade decorrente da lei processual (STJ, REsp nº 1.733.560/SP). 6. A tese firmada no Tema 988 do STJ, que excepciona o rol do artigo 1.015 do CPC em hipóteses de urgência, não se aplica ao caso, pois não restou demonstrada situação que configure risco de inutilidade da discussão em sede de impugnação ao cumprimento de sentença. 7. A via adequada para discutir questões relativas aos encargos sucumbenciais e à exigibilidade da obrigação no cumprimento de sentença é a impugnação prevista no artigo 525 do CPC, e não o Agravo de Instrumento. IV. DISPOSITIVO E TESE 5. Recurso conhecido e desprovido. Tese de julgamento: 2. O ato judicial que determina a intimação do executado para pagamento no cumprimento de sentença, previsto no artigo 523 do CPC, tem natureza de mero despacho de expediente, desprovido de conteúdo decisório, sendo, portanto, irrecurável por meio de Agravo de Instrumento. 3. Dispositivos relevantes citados: CPC, arts. 203, §2º; 523, caput e §1º; 525, §1º, VII; 1.015, parágrafo único. Jurisprudência relevante citada: STJ, REsp nº 1.733.560/SP. AGRAVO INTERNO CONHECIDO E DESPROVIDO. 1. As decisões proferidas em liquidação ou cumprimento de sentença, execução e inventário, são de fato impugnáveis por agravo de instrumento (art. 1.015, parágrafo único, do NCPC); porém, com o advento do atual Código de Processo Civil, o início da fase de cumprimento de sentença para pagamento de quantia certa dar-se mediante despacho de mero expediente, pois o juiz simplesmente cumpre o procedimento determinado pelo Código de Processo Civil (art. 523 do NCPC), impulsionando o processo, não sendo daí impugnável pela via do agravo de instrumento, mas pelas outras ferramentas próprias previstas na rotina processual civil. 2. Recurso conhecido e desprovido. (Agravo Interno Cível nº 0621084-29.2024.8.06.0000, Rel. Desembargador(a) EMANUEL LEITE ALBUQUERQUE, 1ª Câmara Direito Privado, data do julgamento: 17/04/2024, data da publicação: 17/04/2024) Em seu recurso, a parte agravante suscita matérias que, na verdade, devem ser tratadas primeiro em sede de impugnação ao cumprimento de sentença, as quais serão inicialmente decididas pelo magistrado de origem e, apenas então, poderão ser objeto de apreciação por este tribunal. Destarte, conheço do presente agravo interno, mas nego-lhe provimento, mantendo inalterada a decisão monocrática vergastada. É como voto. Fortaleza, data da assinatura digital. Acórdão	 ESTADO DO CEARÁ PODER JUDICIÁRIO TRIBUNAL DE JUSTIÇA PRIMEIRA CÂMARA DE DIREITO PRIVADO DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA PROCESSO: 0200149-51.2022.8.06.0146 - 160; APELAÇÃO CÍVEL (198) APELANTE: MARIA OBNEUDA SILVA SANTOS, MARIA LUZANIRA SOUSA DA SILVA, EUDER BEZERRA DOS SANTOS APELADO: BANCO DO NORDESTE DO BRASIL SA EMENTA: DIREITO PROCESSUAL CIVIL. APELAÇÃO CÍVEL. EMBARGOS À EXECUÇÃO. GRATUIDADE DE JUSTIÇA. MICROEMPRESA. PRESUNÇÃO RELATIVA DE HIPOSSUFICIÊNCIA. IMPUGNAÇÃO REJEITADA. PRINCÍPIO DA DIALETICIDADE. AUSÊNCIA DE IMPUGNAÇÃO ESPECÍFICA DOS FUNDAMENTOS DA SENTENÇA. RECURSO NÃO CONHECIDO. I. CASO EM EXAME 1. Apelação Cível interposta por microempresa e outros contra sentença que julgou improcedentes embargos à execução ajuizados em face de instituição financeira. Os apelantes alegaram ausência de constituição em mora e nulidade da execução, além de questionarem a cobrança de encargos contratuais. O apelado apresentou contrarrazões, impugnando a concessão da gratuidade de justiça e defendendo a manutenção da sentença. II. QUESTÃO EM DISCUSSÃO 2. Há duas questões em discussão: (i) definir se subsiste o benefício da gratuidade de justiça concedido aos apelantes; (ii) verificar se o recurso de apelação atende ao princípio da dialeticidade, mediante impugnação específica dos fundamentos da sentença. III. RAZÕES DE DECIDIR 3. A gratuidade de justiça é assegurada à pessoa natural e à microempresa com presunção relativa de hipossuficiência, cabendo à parte adversa elidir a declaração de insuficiência com elementos concretos, o que não ocorreu, razão pela qual se mantém o benefício. 4. O princípio da dialeticidade impõe ao recorrente o dever de impugnar especificamente os fundamentos da decisão recorrida, conforme os arts. 1.010, II e III, e 932, III, do CPC. 5. A ausência de ataque específico aos fundamentos da sentença caracteriza irregularidade formal, impedindo o conhecimento do recurso, nos termos da Súmula 43 do TJCE.

APELAÇÃO CÍVEL EM AÇÃO DE ESTORNO DE VALORES DEDUZIDOS EM CONTA CORRENTE DE PENSÃO ALIMENTÍCIA DE MAIOR INCAPAZ COM PEDIDO DE LIMINAR. RAZÕES RECURSAIS QUE NÃO IMPUGNARAM OS FUNDAMENTOS DA SENTENÇA. VIOLAÇÃO AO PRINCÍPIO DA DIALETICIDADE. ART. 932, III E 1.010 DO CPC. AUSÊNCIA DOS FUNDAMENTOS FÁTICOS E JURÍDICOS. NÃO ATAQUE ESPECÍFICO À DECISÃO. PRESSUPOSTOS INTRÍNSECOS. REGULARIDADE FORMAL. NECESSIDADE DE ARGUMENTOS QUE COMPORTAM AS RAZÕES. CAUSA DE PEDIR RECURSAL. 1. Cediço que a apelação deve infirmar os fundamentos da sentença impugnada a fim de evidenciar confronto de teses sob pena de violação do princípio da dialeticidade, conforme dispõem os artigos 932, inciso III e 1.010 do Código de Processo Civil. 2. O princípio da dialeticidade diz respeito ao elemento narrativo da apelação (fundamentos de fato e de direito e pedido), dessa forma, são insuficientes ao cumprimento do dever de dialeticidade recursal as alegações genéricas de inconformismo, devendo a parte autora, de forma clara, objetiva e concreta, demonstrar o desacerto da decisão impugnada. 3. Em suas razões recursais, o apelante expressou que o autor ajuizou a ação após ter recebido o valor que lhe era devido, assim como, houve apenas mero dissabor na demora do ressarcimento dos valores, não dedicando uma linha sequer ao fundamento da sentença, qual seja, que o banco promovido praticou ato ilícito, tendo em vista que descontou valores de verba alimentar de pessoa incapaz para quitar dívida de um cartão de crédito mesmo havendo outros caminhos para solucionar a dívida. 4. Com efeito, o recorrente não infirmou os fundamentos da sentença, uma vez que esta não adentrou no mérito da demanda. 5. Em verdade, infere-se que o inconformismo do apelante não indica vícios e nem enfrenta os motivos da sentença exarada pelo Juízo de Piso, pelo que resta evidenciada flagrante violação ao princípio da dialeticidade, haja vista a ausência de impugnação específica aos fundamentos determinantes da decisão atacada, não se desincumbindo a recorrente, portanto, do seu ônus de indicar, nas razões recursais, o equívoco da sentença apelada. Nesse sentido, o recurso não merece ser conhecido. APELAÇÃO NÃO CONHECIDA. SENTENÇA MANTIDA. (Apelação Cível - 0221023-70.2023.8.06.0001, Rel. 	serif;">APELAÇÃO CÍVEL. EMBARGOS À EXECUÇÃO. TÍTULO EXTRAJUDICIAL. OFENSA AO PRINCÍPIO DA DIALETICIDADE. RECURSO NÃO CONHECIDO. I. Caso em Exame: Trata-se de apelação interposta contra sentença que julgou improcedentes os embargos à execução opostos em face de ação de execução de título extrajudicial, baseada em Cédula de Crédito Bancário. Os Apelantes reiteraram, de forma literal, os argumentos apresentados na petição inicial, sem impugnação específica aos fundamentos da sentença de primeiro grau. II. Questão em Discussão: Discute-se a admissibilidade do recurso de apelação, ante a inobservância do princípio da dialeticidade, que exige do recorrente a apresentação de fundamentos específicos para impugnar a decisão recorrida. III. Razões de Decidir: Verificou-se que o recurso é mera repetição dos argumentos iniciais, sem qualquer inovação ou análise específica dos fundamentos da sentença, o que contraria o artigo 1.010, II, do CPC. A jurisprudência dominante e a Súmula nº 42 deste Tribunal estabelecem que, sem a exposição das razões de impugnação, o recurso deve ser tido por inadmissível. IV. Dispositivo é Tese: Diante da ofensa ao princípio da dialeticidade, não se conhece do recurso, pois ele não atende aos requisitos de admissibilidade recursal. Recurso não conhecido. Tese: Para a admissibilidade do recurso, é imprescindível a exposição clara e específica dos motivos que justifiquem a reforma ou anulação da decisão recorrida. SÚMULA 43 DO TJCE. PRECEDENTES STJ E TJCE. RECURSO NÃO CONHECIDO. DECISÃO MONOCRÁTICA MANTIDA. 1. Trata-se de Agravo Interno interposto por BANCO BMG S/A em face da Decisão Monocrática exarada pelo então relator, que não conheceu do recurso por ausência de dialeticidade recursal. 2. O recurso de apelação fora devidamente interposto às fls. 164/174, mas com razões completamente alheias ao caso em questão, pois buscou a reforma da sentença no tocante à negatização de seu nome nos cadastros de restrição ao crédito, enquanto que a Sentença, em verdade, tratou sobre contrato de empréstimo consignado não pactuado. Ademais, também buscou a reforma da sentença no tocante aos danos morais, questão que não foi objeto de deliberação no decisum adversado. Tendo em vista a ausência de dialeticidade recursal, o recurso não foi conhecido. 3. A instituição financeira, com isso, interpôs Agravo Interno, mas desprovido de impugnação específica aos fundamentos da Decisão Monocrática exarada, não tendo, em nenhum momento da peça recursal, se referido a quaisquer dos fundamentos utilizados na Decisão adversada. O recurso interposto, em nenhum momento, apontou qual seria o desacerto da Decisão Monocrática combatida, uma vez que se limitou em afirmar a regularidade da contratação do contrato de empréstimo questionado e a inexistência de danos morais e materiais, sem apontar as razões pelas quais não teria violado a dialeticidade em seu apelo. 4. Em verdade, o agravante busca, com o presente recurso, fazer o que não fez em seu recurso de apelação: impugnar especificamente a sentença exarada. Entretanto, deveria ter feito isso em suas razões do apelo. Saliente-se, também, que no presente Agravo Interno há razões dissociadas da Sentença exarada, como em relação aos danos morais, onde pugna a reforma da sentença nesse tocante, sendo que não foi disciplinado em sentença condenação por danos morais. 5. Evidencia-se que a recorrente comete flagrante violação ao princípio da dialeticidade, por não ter impugnado especificamente os fundamentos determinantes da Decisão Monocrática atacada, não se desincumbindo, portanto, do seu ônus de indicar, nas razões recursais, o equívoco do julgado em questão. 6. Agravo Interno não conhecido. (Agravo Interno Cível - 0035260-03.2011.8.06.0167, Rel. Acórdão	 PROCESSO: 0149639-91.2016.8.06.0001 - APELAÇÃO CÍVEL (198) APELANTE: CONDOMÍNIO RESIDENCIAL FORTE IRACEMA APELADO: CLAUDIA PAZ DE ANDRADE Ementa: DIREITO CIVIL E PROCESSUAL CIVIL. APELAÇÃO CÍVEL. EXECUÇÃO DE TÍTULO EXTRAJUDICIAL. PRESCRIÇÃO QUINQUENAL. AUSÊNCIA DE CITAÇÃO VÁLIDA. INEFICIÊNCIA DO EXEQUENTE NA LOCALIZAÇÃO DO DEVEDOR. INAPLICABILIDADE DA SÚMULA Nº 106/STJ. RECURSO DESPROVIDO. I. CASO EM EXAME Apelação interposta por CONDOMÍNIO RESIDENCIAL FORTE IRACEMA contra sentença da 6ª Vara Cível da Comarca de Fortaleza/CE que, em execução de título extrajudicial ajuizada contra CLAUDIA PAZ DE ANDRADE, reconheceu ex officio a prescrição da pretensão executiva, diante da ausência de citação válida no prazo prescricional de 5 (cinco) anos. II. QUESTÃO EM DISCUSSÃO A questão em discussão consiste em verificar se a demora na realização da citação decorreu exclusivamente de falhas atribuíveis ao Poder Judiciário — hipótese em que não se configuraria a prescrição, à luz da Súmula nº 106/STJ — ou se resultou da ineficiência do exequente em localizar a devedora, circunstância que atrairia o reconhecimento da prescrição quinquenal prevista no art. 206, § 5º, I, do Código Civil. RAZÕES DE DECIDIR 2. A questão em discussão consiste em verificar se a demora na realização da citação decorreu exclusivamente de falhas atribuíveis ao Poder Judiciário — hipótese em que não se configuraria a prescrição, à luz da Súmula nº 106/STJ — ou se resultou da ineficiência do exequente em localizar a devedora, circunstância que atrairia o reconhecimento da prescrição quinquenal prevista no art. 206, § 5º, I, do Código Civil. III. RAZÕES DE DECIDIR 3. A prescrição visa conferir segurança jurídica, limitando temporalmente o exercício de direitos e evitando a perpetuação de litígios indefinidos. 4. O art. 240 do CPC estabelece que o despacho citatório interrompe a prescrição, retroagindo à data da propositura da ação, desde que o autor adote tempestivamente as providências para viabilizar a citação. 5. O § 3º do art. 240 do CPC excepciona o autor apenas quando a demora decorrer de falha exclusiva do serviço judiciário, situação consolidada na Súmula nº 106/STJ. 6. No caso concreto, embora a ação tenha sido ajuizada em 2016 e o despacho citatório tenha sido proferido em 2017, as diversas diligências de citação restaram infrutíferas, sem que se pudesse imputar ao Judiciário a demora, mas sim à ineficiência do exequente na localização da parte devedora. 7. A ausência de citação válida no quinquênio legal impede a interrupção do prazo

	prescricional, caracterizando a prescrição da pretensão executiva. 8. A jurisprudência do TJCE e do STJ reafirma que diligências citatórias infrutíferas não suspendem nem interrompem a prescrição, exigindo-se a efetiva citação do devedor. IV. DISPOSITIVO E TESE 9. Recurso desprovido. Tese de julgamento: O despacho citatório só interrompe a prescrição se a citação se concretizar mediante a diligência tempestiva do exequente. A demora na citação só afasta a prescrição quando decorrente exclusivamente de falha do Poder Judiciário, nos termos da Súmula nº 106/STJ. A ausência de citação válida, ainda que precedida de diligências infrutíferas, caracteriza a prescrição da pretensão executiva. Processo	0149639-91.2016.8.06.0001
	size: 12pt;">Na espécie, extrai-se que, em 5 de julho de 2016, a recorrente propôs EXECUÇÃO DE TÍTULO EXTRAJUDICIAL DE COTAS CONDOMINIAIS. Em decisão interlocutória de Id. 22287399, datada de 19/05/2017, o Juízo de origem determinou a citação da parte adversa para que efetuassem o pagamento da dívida. As diversas diligências citatórias, contudo, não foram exitosas. Em razão disso, o juízo de origem reconheceu a incidência da prescrição intercorrente de ofício, nos seguintes termos: À vista dos dispositivos extrai-se que somente a citação válida interrompe a prescrição, somente assim tornando possível retroagir o prazo para a data da propositura da ação, fato que não ocorreu no caso concreto. Assim, considerando que até a atualidade não houve a concretização da citação, o reconhecimento da prescrição é medida que se impõe. Além disso, convém dizer que, por meio deste juízo, foram realizadas tentativas de citação, contudo sem sucesso em localizar os executados, conforme se observam das certidões de págs. 183, 239 e 256. Esse fato, por si, descarta qualquer atribuição de culpa ao Poder Judiciário pelo ocorrido. Nesse espeque, como a prescrição da pretensão da ação de execução é de 5 (cinco) anos, nos termos do inc. I, do § 5º, do art. 206, do Código Civil Brasileiro, tenho que há muito está consumado esse fenômeno neste caso concreto em relação a pretensão executória. Por tudo exposto, diante do decurso do lapso temporal previsto no inciso I, do § 5º, do art. 206, do Código Civil, não resta outra medida a este magistrado senão o RECONHECIMENTO EX OFFICIO DA PRESCRIÇÃO em relação a pretensão executória. Apesar de a tese recursal sustentar que o atraso na citação decorreu de falhas atribuídas aos mecanismos operacionais do Poder Judiciário, essa alegação não merece prosperar, pois se verifica que o uso de origem atuou com a devida diligência processual, determinando a reiteração das diligências citatórias sempre que apresentados novos endereços pelo apelante. Desta feita, não é o caso de aplicação da Súmula nº 106 do Superior Tribunal de Justiça, eis que não restou configurada demora ou falha imputável ao serviço judiciário, mas sim a existência de conduta ineficiente do exequente em proceder com a localização dos devedores. Em situações análogas, esta Corte de Justiça tem consolidado entendimento no sentido de que a mera propositura da ação dentro do prazo legal, desacompanhada de efetiva citação do devedor — ainda que precedida de diversas tentativas de concretização do ato — não possui, por si só, o efeito de interromper o curso da prescrição. Nesse sentido: DIREITO CIVIL E PROCESSUAL CIVIL. AGRAVO DE INSTRUMENTO. EXECUÇÃO DE TÍTULO EXTRAJUDICIAL. EXCEÇÃO DE PRÉ-

Caso em exame: Trata-se de ação monitoria proposta por MALHAS WILSON LTDA em desfavor de HTM INDÚSTRIA COMÉRCIO DE TECIDOS LTDA EPP, objetivando receber o pagamento de quantia avaliada, à época da propositura da ação, em R\$ 40.399,27, oriunda de cheques emitidos pela requerida, mas não adimplidos . O Juízo de primeira instância extinguiu o processo com resolução de mérito, reconhecendo a ocorrência de prescrição intercorrente. O autor interpôs recurso de apelação alegando a inexistência de prescrição. II. Questão em discussão: a questão em discussão consiste em saber se houve prescrição da pretensão monitoria, tendo em vista as diversas tentativas de citação da requerida, que não lograram êxito . III. Razões de decidir: o Superior Tribunal de Justiça possui entendimento de que o prazo prescricional para a ação monitoria em face do emitente de cheque sem força executiva é de 5 anos, a contar do dia seguinte à data de emissão estampada na cártula, conforme Tema 628. No caso, as cártulas foram emitidas entre 23/12/2014 e 05/02/2015, de modo que a prescrição da pretensão monitoria ocorreria entre as datas de 24/12/2019 e 05/02/2020. Apesar das diversas tentativas de citação, o autor não logrou êxito em viabilizar a citação da requerida dentro do prazo prescricional, configurando-se, assim, a prescrição direta, e não a prescrição intercorrente . A jurisprudência deste Tribunal de Justiça é firme no sentido de que a mera propositura da ação e os pedidos de diligências sem êxito na citação não são suficientes para interromper ou suspender a prescrição, sendo necessária a efetiva citação válida do réu. Trata-se de recurso de apelação adversando a sentença que declarou extinta a execução de título extrajudicial, com fundamento na prescrição da pretensão executiva. 2. Em se tratando de execução de título extrajudicial lastreada em instrumento particular, o prazo prescricional é quinquenal, a contar do vencimento da última parcela, nos termos do artigo 206, § 5º, inciso I, do Código Civil. 3 . Consoante o entendimento do Superior Tribunal de Justiça, somente ocorrerá a interrupção do prazo prescricional quando ocorrer a citação válida, não bastando que tenha havido o despacho citatório. Portanto, não tendo ocorrido a citação da devedora no caso concreto, não restou interrompida a prescrição, que manteve seu marco inicial inalterado. 4. No caso vertente, diversamente do que alega a apelante, a demora na tramitação do feito não pode ser atribuída exclusivamente ao serviço judiciário, que atuou prontamente quando provocado, de modo que não aplica o enunciado da Súmula 106 do STJ . 5. A. - EM LIQUIDACAO APELADO: ITAU UNIBANCO S.A., SANTA LUZIA EMPREENDIMENTOS IMOBILIARIOS S. A. - EM LIQUIDACAO, JACINTO DE OLIVEIRA PONTE Ementa: DIREITO PROCESSUAL CIVIL. APELAÇÕES CÍVEIS. AÇÃO ORDINÁRIA DE COBRANÇA. FALECIMENTO DA PARTE AUTORA ANTES DA SENTENÇA. AUSÊNCIA DE SUSPENSÃO DO PROCESSO E HABILITAÇÃO DOS HERDEIROS. NULIDADE DOS ATOS PROCESSUAIS POSTERIORES AO ÓBITO. SENTENÇA CASSADA. RECURSOS PREJUDICADOS. REMESSA DOS AUTOS À ORIGEM. I. CASO EM EXAME 1. Apelações cíveis interpostas por Jacinto de Oliveira Ponte, Itaú Unibanco S/A e Santa Luzia Empreendimentos Imobiliários S/A – em liquidação (antigo Banco Banorte S/A – em liquidação extrajudicial) contra sentença que julgou procedente ação ordinária de cobrança referente a diferenças de correção em cadernetas de poupança. Após os recursos, verificou-se que o autor havia falecido em 2013, antes da prolação da sentença, sem que houvesse suspensão do processo para habilitação dos herdeiros. II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em definir se a sentença proferida após o falecimento da parte autora, sem a suspensão do processo e a regular habilitação dos herdeiros, é válida ou nula. III. RAZÕES DE DECIDIR 3. O falecimento da parte acarreta a perda imediata da capacidade processual, impondo ao juízo suspender o processo e intimar os herdeiros ou o espólio para prosseguir na demanda (CPC, art. 313, I e §2º). IV. DISPOSITIVO E TESE 4. A ausência de suspensão processual após a morte do autor gera nulidade dos atos praticados a partir da data do óbito, inclusive da sentença. 5. A jurisprudência deste Tribunal de Justiça do Ceará reconhece que a nulidade deve retroagir à data do falecimento, e não ao momento em que este é comunicado nos autos. 6. Recursos prejudicados. Sentença cassada. Autos remetidos à origem para regularização do polo ativo. Tese de julgamento: 1. A morte da parte autora antes da sentença impõe a nulidade dos atos processuais subsequentes, inclusive da decisão final, por ausência de capacidade processual. 2. A suspensão do processo deve ocorrer imediatamente após o falecimento, cabendo a intimação dos herdeiros ou do espólio para habilitação. 3. A nulidade processual retroage à data do óbito, e não ao momento em que este é comunicado nos autos. Dispositivos relevantes citados: CPC, art. 313, I e §2º. 	S. A. - EM LIQUIDACAO, bem como à d. Procuradoria de Justiça do Ceará, posto que a sentença foi prolatada em 18/06/2014, contudo, consta informação de falecimento do autor no ano de 2013 (ID. 22367870). Nos termos do art. 313, I e §2º, do CPC, cabe ao juiz suspender o processo quando noticiado o falecimento de uma das partes, a fim de que haja a intimação dos herdeiros ou do espólio do de cujos, o que não ocorreu no caso em apreço ensejando a nulidade dos atos processuais ocorridos após o falecimento do recorrido. Sobre o tema, acosto a seguinte jurisprudência deste e. Tribunal de Justiça Alencarino: DIREITO PROCESSUAL CIVIL E CIVIL. APELAÇÃO CÍVEL. EMBARGOS À EXECUÇÃO. FALECIMENTO DOS EMBARGANTES DURANTE A TRAMITAÇÃO DO PROCESSO EXECUTIVO. PROLAÇÃO DA SENTENÇA ANTES DA SUCESSÃO PROCESSUAL DEVIDA. NULIDADE DOS ATOS POSTERIORES. CASSAÇÃO DA SENTENÇA. RECURSO CONHECIDO E PROVIDO. 1. Ocorrendo o falecimento de uma das partes litigantes o feito não pode prosseguir, tendo em vista que desconstituída a relação processual, e tampouco ser prolatada sentença sem a ocorrência da devida sucessão processual pelo espólio ou sucessores. 2. Ocorrendo o falecimento do autor, incumbe ao magistrado suspender o feito para que seja concretizada a sucessão processual, nos termos previstos na norma do artigo 313, inciso I do CPC/2015, sob pena de flagrante nulidade processual. 3. Ausente habilitação e regularização da sucessão processual, deve ser declarada a nulidade dos atos processuais posteriores ao óbito da parte. 4. Recurso conhecido e provido. Sentença anulada. (Apelação Cível&#160;-0249725-94.2021.8.06.0001, Rel. Desembargador(a) CARLOS ALBERTO MENDES FORTE, 2ª Câmara Direito Privado, data do julgamento:&#160;08/05/2024, data da publicação:&#160;08/05/2024) Direito Civil e Processual Civil. Apelação Cível em Ação de Usucapião. Sucessão Processual. Falecimento de Parte. Nulidade da Sentença. Retorno dos Autos ao Juízo de Origem. Recurso conhecido e provido. I. Caso em Exame 1. Apelação Cível interposta contra sentença que julgou improcedente ação de usucapião. Os apelantes alegam posse exclusiva, mansa e pacífica de imóvel rural por mais de vinte anos, enquanto os apelados, herdeiros, contestam, afirmando posse compartilhada. Sentença de primeiro grau reconheceu o domínio em favor dos herdeiros. II. Questão em Discussão 2. A questão em discussão consiste em: (i) verificar a nulidade processual devido ao falecimento de uma das partes antes da prolação da sentença; (ii) determinar a necessidade de suspensão do processo para habilitação dos sucessores. III. Razões de Decidir 3. A morte de uma das partes antes da sentença exige a suspensão imediata do processo para sucessão processual, que não foi observada, resultando em nulidade dos atos processuais posteriores ao óbito. 4. Constatou-se que a sentença foi proferida muito após o óbito de um dos autores, sem a participação dos sucessores do falecido, comprometendo o devido processo legal e os direitos de representação dos herdeiros. Assim, reconhece-se a necessidade de anulação de todos os atos posteriores ao falecimento e o retorno do processo ao primeiro grau, para habilitação dos sucessores e retomada do feito. IV. Dispositivo e Tese 5. Recurso conhecido e provido. Sentença anulada. Tese de julgamento: " O falecimento de uma das partes suspende automaticamente o processo, invalidando os atos praticados após o óbito." Acórdão	 PROCESSO: 0621310-97.2025.8.06.0000 - AGRAVO DE INSTRUMENTO (202) AGRAVANTE: MILENE CARVALHO CAMILO AGRAVADO: LEONARDO BRAGA DE OLIVEIRA Ementa: DIREITO DE FAMÍLIA. AGRAVO DE INSTRUMENTO. UNIÃO ESTÁVEL. PEDIDO DE ALIMENTOS COMPENSATÓRIOS. BINÔMIO NECESSIDADE/POSSIBILIDADE NÃO DEMONSTRADO. AUSÊNCIA DE PROVAS DE INCAPACIDADE DA AGRAVANTE PARA O TRABALHO. RECURSO DESPROVIDO. I. CASO EM EXAME 1. Agravo de Instrumento interposto contra decisão da 18ª Vara de Família da Comarca de Fortaleza/CE, nos autos de Ação de Reconhecimento e Dissolução de União Estável cumulada com alimentos, guarda e regulamentação de visitas, que indeferiu pedido de fixação de alimentos compensatórios. A agravante alegou ter abandonado o mercado de trabalho por incentivo do companheiro e requereu 15% dos rendimentos brutos do agravado, além de um ano de aluguel para viabilizar sua saída do imóvel comum. O juízo de origem indeferiu o pedido por falta de comprovação da incapacidade laboral da agravante. II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em verificar se estão presentes os requisitos para a fixação de alimentos compensatórios em favor da agravante diante do alegado desequilíbrio econômico-financeiro após a dissolução da união estável. III. RAZÕES DE DECIDIR 3. Os alimentos, conforme o art. 1.694, §1º, do CC, devem observar o binômio necessidade/capacidade, não sendo possível impor obrigação alimentar sem comprovação da real necessidade do alimentando. 4. Os alimentos compensatórios possuem natureza indenizatória e excepcional, destinando-se a mitigar desequilíbrio patrimonial abrupto, mas não se confundem com pensão alimentícia nem com alimentos ressarcitórios (STJ, REsp 1.290.313/AL, Rel. Min. Antonio Carlos Ferreira, Quarta Turma, DJe 07.11.2014; STJ, REsp 1.954.452/SP, Rel. Min. Marco Aurélio Bellizze, Terceira Turma, DJe 22.06.2023). 5. A agravante possui formação superior em administração, idade compatível com atividade laboral e não apresentou prova de incapacidade física ou psicológica que a impeça de prover seu sustento. 6. Os autos demonstram que a decisão de se desligar do emprego anterior decorreu de insatisfação pessoal com a função exercida, e não de imposição do agravado, havendo inclusive indícios de retorno ao mercado de trabalho em 2024. 7. Diante da ausência de comprovação da necessidade e da permanência da agravante fora do mercado de trabalho, não se justifica a fixação de alimentos compensatórios. DISPOSITIVO E TESE 8. Recurso conhecido e desprovido. Tese de julgamento: 1. Os alimentos compensatórios possuem caráter excepcional e indenizatório, sendo cabíveis apenas quando demonstrado desequilíbrio econômico-financeiro relevante decorrente da dissolução da união estável ou do casamento. 2. A concessão da verba

	de 2024, razão peal qual entende que o pedido em relação aos alimentos compensatórios não merece prosperar.&#160; </p> <p style="text-align: justify; text-indent: 8%;"> É o relatório. </p> <p style="text-align: justify; text-indent: 8%;"> Adotando o Pacto Nacional do Judiciário Pela Linguagem Simples, do CNJ, passo a proferir o meu voto.&#160; </p> <p style="text-align: center;"> VOTO </p> <p style="text-align: justify; text-indent: 8%;"> Presentes os pressupostos intrínsecos ou subjetivos (legitimidade, inexistência de súmula impeditiva, cabimento, interesse) e extrínsecos ou objetivos (tempestividade, preparo – parte beneficiária da justiça gratuita), regularidade formal e a inexistência de fatos extintivos ou impeditivos do direito de recorrer) de admissibilidade recursal, conheço dos Recursos de Apelação.&#160; </p> <p style="text-align: justify; text-indent: 8%;"> Com efeito, pelo que se vislumbra dos autos, à luz da documentação carreada por ambas as partes, bem como do entendimento jurisprudencial sobre o tema, visualizo que a decisão do juízo a quo não merece reproche. Explico.&#160; </p> <p style="text-align: justify; text-indent: 8%;"> O Código Civil, em seu artigo 1.694, § 1º, dispõe que os alimentos devem ser fixados na proporção das necessidades do reclamante e dos recursos da pessoa obrigada, o que significa dizer, por outras palavras, que a obrigação alimentar deve ser fixada de acordo com o binômio necessidade (do alimentando) - capacidade (do alimentante). </p> <p style="text-align: justify; text-indent: 8%;"> A doutrinadora MARIA BERENICE DIAS (Manual de Direito das Famílias, 8ª ed. Ed. Revista dos Tribunais, 2011, pag. 515), ao definir a expressão alimentos, nos ensina que: </p> <p style="text-align: justify; padding-left: 150px;"> "Expressão alimentos vem adquirindo dimensão cada vez mais abrangente. Engloba tudo que é necessário para alguém viver com dignidade, dispondo o juiz de poder discricionário para quantificar o seu valor. O alargamento do conceito de alimentos levou a doutrina a distinguir alimentos civis e naturais. Alimentos naturais são os indispensáveis para garantir a subsistência, como alimentação, vestuário, saúde, habitação, educação, etc. Alimentos civis destinam-se a manter a qualidade de vida do credor, de modo a preservar o mesmo padrão e status social do alimentante." </p> <p style="text-align: justify; text-indent: 8%;"> Nessa seara, pertinente citar também o ensinamento de Fabrício Zamprogna Matiello, in Código Civil Comentado, 2ª edição, segundo o qual: </p> <p style="text-align: justify; padding-left: 150px;"> "(...) o momento da fixação dos alimentos é marcado por detida análise do binômio necessidade/possibilidade. O alimentado não receberá mais do que precisa, nem o parente ou cônjuge será obrigado a pagar além do que suas condições econômicas permitem. Chegar ao equilíbrio entre essas forças contrárias significa fazer justiça, adequando a prestação alimentar ao quadro real vivenciado pelos envolvidos". </p> <p style="text-align: justify; text-indent: 8%;"> Assim, salienta-se que o caso em comento não se trata de simples determinação sobre alimentos, mas sim da análise de um pedido de alimentos compensatórios, que deve ser feita com atenta apreciação das provas, para que seja possível aferir as condições financeiras das partes, capaz de ensejar se de fato a parte que requerer os alimentos deve receber tal tipo de auxílio de acordo com os parâmetros determinados em juízo.&#160; </p> <p style="text-align: justify; text-indent: 8%;"> Antes de mais nada, convém esclarecer ser cediço o entendimento de que "Os chamados alimentos compensatórios, ou prestação compensatória, não têm por finalidade suprir as necessidades de subsistência do credor, tal como ocorre com a pensão alimentícia regulada pelo art. 1.694 do CC/2002, senão corrigir ou atenuar grave desequilíbrio econômico-financeiro ou abrupta alteração do padrão de vida do cônjuge desprovido de bens e de meação" (REsp 1.290.313/AL , Rel. Ministro ANTONIO CARLOS FERREIRA, QUARTA TURMA, julgado em 12/11/2013, DJe de 07/11/2014). Não se confundem com os alimentos ressarcitórios: </p> <p style="text-align: justify; padding-left: 150px;"> RECURSO ESPECIAL. DIREITO DE FAMÍLIA. NEGATIVA DE PRESTAÇÃO JURISDICIONAL. NÃO OCORRÊNCIA. ADMINISTRAÇÃO EXCLUSIVA DE PATRIMÔNIO COMUM BILIONÁRIO. ALIMENTOS RESSARCITÓRIOS. CABIMENTO. DECISÃO EXTRA PETITA. INEXISTÊNCIA. RECURSO ESPECIAL CONHECIDO E DESPROVIDO. 1. O Tribunal de origem analisou todas as questões relevantes para a solução da lide de forma fundamentada, não havendo falar em negativa de prestação jurisdicional. 2. Os alimentos compensatórios são fruto de construção doutrinária e jurisprudencial, fundada na dignidade da pessoa humana, na solidariedade familiar e na vedação ao abuso de direito. De natureza indenizatória e excepcional, destinam-se a mitigar uma queda repentina do padrão de vida do ex-cônjuge ou excompanheiro que, com o fim do relacionamento, possuirá patrimônio irrisório se comparado ao do outro consorte, sem, contudo, pretender a igualdade econômica do ex-casal, apenas reduzindo os efeitos deletérios oriundos da carência social. 3. Apesar da corriqueira confusão conceitual, a prestação compensatória

	não se confunde com os alimentos ressarcitórios, os quais configuram um pagamento ao ex-consorte por aquele que fica na administração exclusiva do patrimônio, enquanto não há partilha dos bens comuns, tendo como fundamento a vedação ao enriquecimento sem causa, ou seja, trata-se de uma verba de antecipação de renda líquida decorrente do usufruto ou da administração unilateral dos bens comuns. 4. O alimentante está na administração exclusiva dos bens comuns do ex-casal desde o fim do relacionamento, haja vista que a partilha do patrimônio bilionário depende do fim da ação de separação litigiosa que já se arrasta por quase 20 (vinte) anos, o que justifica a fixação dos alimentos ressarcitórios. 5. Não existe decisão fora dos limites da demanda quando o julgador, mediante interpretação lógico-sistemática da petição inicial, examina a pretensão deduzida em juízo como um todo, afastando-se a alegação de ofensa ao princípio da adstrição ou congruência. As instâncias ordinárias apreciaram o pedido em concordância com a causa de pedir remota, dentro dos limites postulados na exordial, não havendo falar em decisão extra petita. 6. Recurso especial conhecido e desprovido. (STJ - REsp: 1954452 SP 2021/0011820-2, Relator: Ministro MARCO AURÉLIO BELLIZZE, Data de Julgamento: 13/06/2023, T3 - TERCEIRA TURMA, Data de Publicação: DJe 22/06/2023). (grifo nosso). Corroborando, ao dissertar sobre os alimentos compensatórios, ensina Rolf Madaleno: "O propósito da pensão compensatória é indenizar por algum tempo ou não o desequilíbrio econômico causado pela repentina redução do padrão socioeconômico do cônjuge desprovido de bens e meação, sem pretender a igualdade econômica do casal que desfez sua relação, mas que procura reduzir os efeitos deletérios surgidos da súbita indigência social, causada pela ausência de recursos pessoais, quando todos os ingressos eram mantidos pelo parceiro, mas que deixaram de portar com o divórcio. (...) "Conforme Jorge O. Azpiri, um dos cônjuges pode ser obrigado a abonar o outro com uma prestação destinada a compensar, até onde for possível, a disparidade material causada pela ruptura do relacionamento, e neste sentido difere sensivelmente da pensão transitória, esta última com larga aplicação nas dissensões conjugais, mesmo sem expressa previsão legal, por considerar a necessidade passageira do alimentando. Outro é o propósito da pensão compensatória que equilibra o padrão econômico-financeiro, servindo quase para indenizar a perda do padrão social causada pelo divórcio e embora nem a pensão transitória e tampouco a pensão compensatória tenham previsão expressa no ordenamento jurídico brasileiro, não há qualquer sombra de dúvida acerca da viabilidade de sua aplicação, tal qual vem se firmando a doutrina e mostrando a jurisprudência brasileira tanto em relação aos alimentos transitórios como no tocante aos alimentos compensatórios. (...) "Nos alimentos compensatórios o decreto de divórcio trará de dissolver a relação conjugal e assegurar ao cônjuge destituído de meação e de valores amealhados no curso do casamento uma prestação proporcional aos bens e às rendas que conformaram o patrimônio particular e incomunicável construído durante a relação afetiva do casal." (Curso de Direito de Família. 4ª edição. Rio de Janeiro: Forense, 2001, p. 952). Apesar de não existir regra expressa acerca do tema, a doutrina e a jurisprudência vêm permitindo a fixação de alimentos compensatórios como forma de garantir o dever de mútua assistência decorrente do casamento, previsto no artigo 1.566, inciso III, do Código Civil. "O objetivo desses alimentos é, portanto, o de compensar o cônjuge prejudicado, fixando um valor a ser pago a ele, podendo essa verba ser determinada por período certo ou incerto, bem como em parcela única ou em prestações. "O instituto não busca retomar a situação financeira que o cônjuge detinha durante o casamento/união estável, mas, sim, minorar os efeitos causados pelo divórcio. "Assim, compulsando os autos principais, observo que a parte agravante possui formação de nível superior em administração, tem 43 (quarenta e três) anos e não informa, ou demonstra, nenhum empecilho físico e psicológico que a impeça de adentrar em seu ramo de atuação de trabalho. "Ato contínuo, verifico que, de acordo com os documentos colacionados aos autos do agravo de instrumento em exame, conclui-se que a agravante, apesar de requerer alimentos compensatórios por não trabalhar a pedido de seu cônjuge, não abdicou de seu trabalho por este motivo. Neste sentido, sob id. 22413412, foi juntado pelo agravado prints de conversas, onde resta demonstrado que a parte agravante iria pedir demissão da empresa, que até então trabalhava, pois estava desgastada do seu trabalho e

NÃO COMPROVAÇÃO. 1 . No casamento sob o regime da comunhão parcial de bens, tudo aquilo que tem expressão econômica e que foi adquirido pelos cônjuges na constância da união deve ser partilhado, quando do divórcio, consoante a inteligência do artigo 1.658 do Código Civil. 2. A propriedade dos semoventes mencionados na inicial não ficou comprovada, vez que o arquivo juntado para esse fim se trata de uma simples fotografia de gado, a qual não é suficiente para demonstrar a efetiva propriedade e amparar a partilha pretendida . 3. Segundo o art. 1.702 do Código Civil, quando do divórcio, será fixada pensão alimentícia ao cônjuge que dela necessitar . Todavia, no caso concreto, a apelante não demonstrou sua incapacidade financeira, já que é servidora pública municipal concursada, tampouco a capacidade de contribuição do apelado, que labora como trabalhador rural. Logo, o binômio necessidade/possibilidade não resta configurado nos autos. RECURSO CONHECIDO E DESPROVIDO. (TJ-GO - Apelação Cível: 5582821-43 .2021.8.09.0102 MARA ROSA, Relator.: Des(a) . APELAÇÃO CÍVEL. EMBARGOS À EXECUÇÃO. CÉDULA DE CRÉDITO RURAL PIGNORATÍCIA E HIPOTECÁRIA. NULIDADE DO TÍTULO EXECUTIVO. INOCORRÊNCIA. JUROS REMUNERATÓRIOS LIMITADOS A 12% AO ANO. CAPITALIZAÇÃO MENSAL ADMITIDA. COBRANÇA DE IOF DILUÍDO NAS PARCELAS. LEGALIDADE. COBRANÇA DE SEGURO PENHOR. VENDA CASADA. ILEGALIDADE. RECURSO CONHECIDO E PARCIALMENTE PROVIDO. 1. Apelação Cível interposta por devedores contra sentença que julgou parcialmente procedentes embargos à execução opostos em face de instituição financeira, afastando apenas a cobrança de comissão de permanência. Os apelantes pleiteiam: (i) nulidade da execução por ausência de liquidez, certeza e exigibilidade do título; (ii) reconhecimento da abusividade na cobrança de seguro penhor, por configurar venda casada; (iii) exclusão do IOF diluído nas prestações; e (iv) suspensão da cobrança do crédito com fundamento na Lei nº 14.166/2021 e no Decreto-Lei nº 11.796/2023. II. QUESTÃO EM DISCUSSÃO 2. Há cinco questões em discussão: (i) definir se o crédito rural objeto da execução deve ser suspenso pela aplicação da Lei nº 14.166/2021 e do Decreto-Lei nº 11.796/2023; (ii) verificar se a cédula de crédito rural constitui título executivo extrajudicial líquido, certo e exigível; (iii) estabelecer a legalidade da taxa de juros remuneratórios e da capitalização mensal; (iv) determinar a validade da cobrança de IOF diluído nas parcelas do financiamento; (v) examinar a legalidade da cobrança de seguro penhor à luz do art. 25 da Lei nº 4.829/1965. III. RAZÕES DE DECIDIR 3. A suspensão prevista no art. 6º da Lei nº 14.166/2021 aplica-se apenas a dívidas relacionadas à atividade cacaujeira e vigorou até 30/12/2022, não alcançando a cédula de crédito rural em exame, destinada a atividade pecuária. O Decreto-Lei nº 11.796/2023 não prevê qualquer suspensão de créditos rurais. 4. A cédula de crédito rural pignoratícia e hipotecária é título executivo extrajudicial líquido, certo e exigível, nos termos do art. 10 do Decreto-Lei nº 167/1967 e da jurisprudência pacífica do STJ.

	a própria lei fixou prazo determinado, restringindo a suspensão até 30 de dezembro de 2022, de modo que não subsiste qualquer efeito jurídico no presente momento processual. No que toca ao Decreto-Lei nº 11.796/2023, igualmente não há respaldo à pretensão recursal, uma vez que o referido diploma não estabeleceu qualquer determinação de suspensão da cobrança de créditos rurais, limitando-se a tratar de matérias distintas. Assim, inexistindo fundamento legal que ampare a tese dos apelantes, a preliminar deve ser rejeitada, prosseguindo-se no exame do mérito recursal. Os Embargos à Execução têm como objeto da discussão uma CÉDULA RURAL PIGNORATÍCIA E HIPOTECÁRIA Nº 40/00720-0, firmada em 16/06/2016, com vencimento final previsto para 28/05/2026, no valor à época de R\$ 102.510,00 (cento e dois mil e quinhentos e dez reais). Tendo em vista o inadimplemento das obrigações assumidas pelos Apelantes, tal operação está sendo cobrada por meio de ação de execução de título extrajudicial, autos de nº 0050100-05.2020.8.06.0134. Segundo o Banco, os devedores inadimpliram com o contrato, já que deixaram de pagar as parcelas devidas, restando infrutíferas as tentativas de negociação, desenvolvidas com o intuito de uma solução amistosa para a pendência. Pois bem. Pois bem. Da Cédula de Crédito Rural e da obrigação líquida, certa e exigível É certo que a Cédula de Crédito Rural consubstancia obrigação líquida, certa e exigível, nos termos do artigo 10 do Decreto-Lei nº 167/67, tanto em sua redação original quanto na alteração conferida pela legislação superveniente. Veja-se: Art. 10. A cédula de crédito rural é título civil, líquido e certo, exigível pela soma dêla constante ou do endosso, além dos juros, da comissão de fiscalização, se houver, e demais despesas que o credor fizer para segurança, regularidade e realização de seu direito creditório. Conforme a jurisprudência pacífica desta Corte, as cédulas de crédito rural, industrial e comercial se submetem a regramento próprio, que confere ao Conselho Monetário Nacional o dever de fixar os juros a serem praticados. Não havendo atuação do referido órgão, adota-se a limitação de 12% ao ano prevista no Decreto nº 22.626/1933. Precedentes. 5. O art. 5º do Decreto-Lei nº 167/1967, ao determinar que as taxas de juros remuneratórios devem obedecer ao limite fixado pelo CMN, sem ressalvas quanto à possibilidade de livre pactuação, tem por objetivo evitar a fixação de taxas abusivas por parte das instituições financeiras e, simultaneamente, permitir certa flexibilidade, uma vez que o limite pode ser constantemente alterado pelo CMN. 6. O CMN, por meio do item 1 do MCR 6-3, autorizou que as partes, em cédulas de crédito rural com recursos não controlados, pactuem livremente as taxas de juros, mas permaneceu omissa quanto à fixação de um limite, como determina o art. 5º do Decreto-Lei nº 167/1967, de modo que, não havendo limite estabelecido pelo CMN, as taxas acordadas entre as partes não podem ultrapassar o limite de 12% ao ano previsto no Decreto nº 22.626/1933. 7. Recurso especial conhecido e não provido. (REsp n. 1.940.292/PR, relatora Ministra Nancy Andrighi, Terceira Turma, julgado em 3/5/2022, DJe de 27/5/2022.) (G.N.) Na hipótese dos autos, do exame do contrato (ID 22469042), vê-se que a taxa de juros contratada não ultrapassou a limitação de 12% a.a. prevista no Decreto nº 22.626/1933, estando dentro da legalidade. Ressalte-se, por oportuno, que a taxa de juros aplicada é 5,50% ao ano. 	arial, helvetica, sans-serif;">No que se refere ao seguro incidente sobre os bens dados em garantia (seguro penhor), a Lei nº 4.829/1965, que institucionaliza o crédito rural, estabelece de forma expressa que a validade da contratação desse produto depende da prévia disponibilização ao contratante de opções de seguradoras, assegurando-lhe a liberdade de escolha. Das garantias do crédito rural Art. 25. Poderão constituir garantia dos empréstimos rurais, de conformidade com a natureza da operação creditícia, em causa: (...) § 1º A instituição financeira que exigir a contratação de apólice de seguro rural como garantia para a concessão de crédito rural fica obrigada a oferecer ao financiado a escolha entre, no mínimo, duas apólices de diferentes seguradoras, sendo que pelo menos uma delas não poderá ser de empresa controlada, coligada ou pertencente ao mesmo conglomerado econômico-financeiro da credora. (Incluído pela Lei nº 13.195, de 2015) § 2º Caso o mutuário não deseje contratar uma das apólices oferecidas pela instituição financeira, esta ficará obrigada a aceitar apólice que o mutuário tenha contratado com outra seguradora habilitada a operar com o seguro rural. (Incluído pela Lei nº 13.195, de 2015) § 3º A instituição financeira deverá fazer constar dos contratos de financiamento ou das cédulas de crédito, ainda que na forma de anexo, comprovação de que foi oferecida ao mutuário mais de uma opção de apólice de seguradoras diferentes e que houve expressa adesão do mutuário a uma das apólices oferecidas ou, se for o caso, que ele optou por apólice contratada com outra seguradora, na forma estatuída nos §§ 1o e 2o deste artigo". (Incluído pela Lei nº 13.195, de 2015) ¶160 No caso concreto, verifica-se que o seguro penhor foi apenas previsto de maneira genérica na Cédula de Crédito Rural (SEGURO DOS BENS EM GARANTIA: obrigo-me(amo-nos) a segurar os bens constitutivos da garantia, com cláusula irrevogável e irretratável, em favor do BANCO DO BRASIL S.A., até o final liquidação da dívida) além de cobrado nos cálculos iniciais (ID 105131187 – autos do processo nº 0050100-05.2020.8.06.0134). Todavia, não foi acostada aos autos a respectiva apólice, tampouco comprovado que foi oportunizado ao embargante o direito de optar pela seguradora, circunstância que evidencia a ilegalidade da exigência. Assim, embora não seja ilegal a exigência de contratação de seguro sobre os bens dados em garantia, é certo que o mutuário não pode ser compelido a contratar diretamente com a instituição financeira mutuante ou com terceiro por ela indicado. Para a validade da avença, impõe-se que o contrato contenha de forma expressa e clara todos os termos pertinentes ao seguro, não se admitindo disposição meramente genérica ou obscura acerca do referido encargo, bem como seja facultado ao mutuário a escolha da seguradora. Sobre o tema, há elucidativo precedente do Superior Tribunal de Justiça, que reforça a

	imprescindibilidade da observância dos requisitos legais para a cobrança do seguro em contratos de mútuo rural. Observe-se: 1. A controvérsia posta no presente recurso especial centra-se em saber se, em execução lastreada em cédula de crédito rural pignoratícia e hipotecária, afigura-se exigível a cobrança de valores atinentes à contratação de seguro de penhor rural, sem que a instituição financeira mutuante tenha observado as exigências legais estabelecidas nos §§ 1º, 2º e 3º do art. 25 da Lei n. 4.829/1965. PRÁTICA ABUSIVA, QUE OBSTA A COBRANÇA RELATIVA AOS PRÊMIOS DA APÓLICE DO SEGURO CONTRATADA. RECURSO ESPECIAL PROVIDO. 2. O seguro rural obrigatório para a concessão de crédito rural, introduzido pelo Decreto-Lei n. 73/1966 (que dispôs sobre o Sistema Nacional de Seguros Privados e regula as operações de seguros e resseguros), o qual estendeu, ainda, a obrigatoriedade para as instituições financeiras integrantes do Sistema Nacional de Crédito Rural (arts. 18 e 20, i, respectivamente), mostrou-se de difícil implementação na prática, razão pela qual foi revogado pela Lei Complementar n. 126 de 2007. A detida regulação, a disseminação do seguro rural facultativo - conforme estabelecido pelas leis que se seguiram - e, principalmente, a previsão de custeio suplementar da cobertura securitária por diversos agentes econômicos e pelo Estado (subvenção econômica ao prêmio do seguro rural) afiguraram-se de extrema relevância para a implementação do seguro rural no País. 3. Além de não se tratar propriamente de seguro obrigatório, o seguro rural não se presta a atender exclusivamente aos interesses do produtor rural, como assentado pelo Tribunal de origem. Também garante ao agente financiador o retorno do capital emprestado, com os inerentes lucros da operação creditícia, pela preservação do bem dado em garantia, o que, por evidente, encerra indiscutível vantagem a seu favor. Mais do que isso, o seguro rural - concebido como importante instrumento de política agrícola, de assento constitucional (art. 187, V, da CF/1988), destina-se a reduzir os complexos e particulares riscos da atividade rural, absolutamente relevante para a coesão e higidez do sistema financeiro como um todo. 4. No caso do seguro rural, a lei de regência é peremptória em determinar que o agente financiador garanta o direito de escolha do produtor quanto à seguradora, obrigando-o a oferecer ao financiado, no mínimo, duas apólices de diferentes seguradoras, sendo que pelo menos uma delas não poderá ser de empresa controlada, coligada ou pertencente ao mesmo conglomerado econômico-financeiro da credora. Exige-se, inclusive, que a instituição financeira faça prova quanto ao cumprimento desta exigência legal. A preservação do direito de escolha quanto à seguradora permite ao produtor rural reduzir os custos de sua produção (com o pagamento de prêmio em valores menores, segundo a

	oferta de mercado), impedindo, por outro lado, que a casa bancária condicione a concessão do crédito à adesão de apólice de seguro, por preços unilateralmente impostos. 4.1 Como o agente financiador também é diretamente beneficiado pela instituição da garantia em comento, não há nenhuma razão idônea que justifique a inobservância das providências legais que lhe são impostas, a fim de preservar o direito de escolha do produtor rural na contratação da seguradora, em proceder que, na verdade, reverte em seu próprio benefício (já que redonda na prestação de mais um serviço bancário, segundo valores impostos unilateralmente), o que não pode ser admitido pelo Direito. 5. De acordo com a jurisprudência do Superior Tribunal de Justiça, tanto nos seguros obrigatórios, como naqueles de contratação facultativa, destinados a assegurar acessoriamente o objeto de um contrato bancário de financiamento, o mutuário/consumidor não está obrigado a contratar o seguro com a instituição financeira mutuante ou com seguradora pertencente ao mesmo grupo econômico ou por ela indicada. Ou seja, mesmo nos casos dos seguros obrigatórios - do que não se cogita a hipótese dos autos -, o que a lei estabelece como compulsória é a estipulação do seguro, e não uma contratação obrigatória desse seguro com o próprio agente financeiro ou por seguradora pertencente ao mesmo grupo ou por este indicada, o que constitui, em si, prática comercial abusiva e, por isso, ilícita, nos termos do art. 39, I, do Código de Defesa do Consumidor. 6. Na hipótese dos autos, as instâncias ordinárias foram uníssonas em assentar que o recorrido não observou as exigências legais estabelecidas nos §§ 1º, 2º e 3º do art. 25 da Lei n. 4.829/1965, sem, todavia, atribuir nenhuma consequência jurídica ao descumprimento de norma cogente, seja quanto à nulidade do ato, seja quanto à sanção ao agente violador, como se se tratasse de norma imperfeita. Nesse quadro, a contratação do seguro penhor rural apresenta-se ilícita, a inviabilizar a cobrança dos correlatos prêmios. 7. Recurso especial provido. (REsp n. 1.874.910/DF, relator Ministro Marco Aurélio Bellizze, Terceira Turma, julgado em 23/4/2024, DJe de 25/4/2024.) Da alegação de cobrança de IOF diluída nas prestações - Da alegação de cobrança de IOF diluída nas prestações No que concerne à alegação dos apelantes de que, no memorial de cálculo apresentado pela parte exequente, haveria cobrança abusiva do IOF em razão de sua diluição nas parcelas, tal argumentação não merece prosperar. Isso porque a legalidade da cobrança do referido imposto de forma diluída encontra-se pacificada pela jurisprudência, em especial no âmbito do Superior Tribunal de Justiça, que, ao julgar o REsp nº 1.255.573/RS, submetido ao rito do artigo 543-C do Código de Processo Civil, firmou entendimento de que é lícito às partes convencionar o pagamento do Imposto sobre Operações Financeiras – IOF de maneira diluída, integrando-o ao financiamento acessório e sujeitando-o aos mesmos encargos previstos no mútuo principal.

O embargante defende que o acórdão é omisso quanto ao enfrentamento dos artigos 202 e 204 do Código Civil e da questão preliminar de ordem pública – da conta poupança com aniversário na segunda quinzena do mês – impossibilidade jurídica do reconhecimento de direito – falta de interesse de agir. 2. À luz do art. 204 do CC, a interrupção é ato pessoal, beneficiando apenas aquele que a promoveu, salvo as exceções constantes dos parágrafos do referido artigo. E com base nesse dispositivo legal, tem-se entendimento jurisprudencial no sentido de que o ajuizamento da Ação Cautelar pelo Ministério Público do Distrito Federal e Territórios, como substituto processual, não tem o condão de interromper o prazo prescricional em relação aos poupadores em geral, para a propositura do cumprimento individual da sentença prolatada na referida Ação Civil Pública (Processo nº. 1998.01.1.016798-9). 3. Neste tocante, conquanto não haja homogeneidade de entendimento, este Relator corrobora do entendimento da Terceira Turma do Superior Tribunal de Justiça e das 2ª e 3ª Câmaras Direito Privado desta Corte de que “O Ministério Público possui legitimidade para o ajuizamento da medida cautelar de protesto interruptivo do prazo prescricional, que visa a garantia dos direitos dos diversos poupadores lesados pela conduta de instituição financeira. 	EXECUÇÃO INDIVIDUAL PRESCRIÇÃO. INTERRUÇÃO. OCORRÊNCIA. -- Cuida-se da Apelação interposta às págs. 67/77 por Maria Lucilene Azevedo e Francisco Almir Aguiar Azevedo contra a decisão de págs. 56/62, que, nesta execução individual de sentença coletiva, proclamou a prescrição ao argumento de que o trânsito em julgado acontecera no dia 27/10/2009, enquanto o pedido fora apresentado em 18/04/2018, ou seja, além do prazo de 5 (cinco) anos referido no art. 21 da Lei nº 4.717/65. - O recurso, no entanto – e em síntese – sustenta que houve interrupção daquele prazo por conta de um protesto judicial a cargo do MPDFT (autos nº 2014.01.1178561-3), cujos efeitos dimanariam do dia 26/09/2014. - Pacificação da tese na 1ª Câmara de Direito Privado: O Ministério Público dispõe de legitimidade para propor medida cautelar de protesto, para interromper prazo prescricional (quinquenal), em face de direito material individual dos consumidores, de maneira que a sua legitimidade extraordinária não se encerra com o trânsito em julgado da sentença. - Assim, tendo em conta que o trânsito em julgado acontecera no dia 27/10/2009 e o pedido fora apresentado em 18/04/2018, a existência de fato interruptivo (protesto judicial) afasta a ocorrência da prescrição. - Apelação conhecida e provida, com ressalva do ponto de vista da Relatora, em prol da Colegialidade. (TJCE – Apelação Cível 0003413-36.2018.8.06.0167, Rel. Des. VERA LÚCIA CORREIA LIMA, 1ª Câmara Direito Privado, publicação 05/02/2021) 120px; 120px; Ementa: PROCESSUAL CIVIL. AGRAVO INTERNO. PRAZO PRESCRICIONAL QUINQUENAL PARA A EXECUÇÃO DA SENTENÇA PROFERIDA NA AÇÃO CIVIL PÚBLICA DO IDEC. AÇÃO CAUTELAR MOVIDA PELO MPDFT. INTERRUÇÃO DO PRAZO PRESCRICIONAL. PRESCRIÇÃO FASTADA. RECURSO CONHECIDO E NÃO PROVIDO. 1. Na hipótese, a insurgência recursal gravita em torno da alegada interrupção do transcurso do prazo prescricional para o ajuizamento dos cumprimentos individuais da sentença coletiva advinda da ação civil pública tombada sob o n.º 1998.01.1.016.798-9/98, diante do ajuizamento da Medida Cautelar de Protesto Judicial n.º 2014.01.1.148561-3, pelo MPDFT no ano de 2014, através da 1.ª e 160; Promotoria de Justiça de Defesa do Consumidor (PRODECON). 3. À luz do entendimento esposado pelo Superior Tribunal de Justiça, por ocasião do julgamento do REsp nº 1.273.643/PR, submetido ao rito dos Recursos Repetitivos, "no âmbito do Direito Privado, é de cinco anos o prazo prescricional para ajuizamento da execução individual em pedido de cumprimento de sentença proferida em Ação Civil Pública" (STJ; REsp 1273643/PR, Rel. Ministro SIDNEI BENETI, SEGUNDA SEÇÃO, julgado em 27/02/2013, DJe 04/04/2013). 4. A Constituição Federal de 1988, ao ressaltar a importância da cidadania no controle dos atos da administração, com a eleição dos valores imateriais do art. 37, da CF/1988 como tuteláveis judicialmente, coadjuvados por uma série de instrumentos processuais de defesa dos interesses transindividuais, criou um micro-sistema de tutela de interesses difusos referentes à probidade da administração pública, nele encartando-se a Ação Cautelar Inominada, Ação Popular, a Ação Civil Pública e o Mandado de Segurança Coletivo, como instrumentos concorrentes na defesa desses direitos eclipsados por cláusulas pétreas. Sob esse prisma, a Carta Federal outorgou ao Ministério Público a incumbência de promover a defesa dos interesses individuais indisponíveis, podendo, para tanto, exercer outras atribuições previstas em lei, desde que compatível com sua finalidade institucional (CF/1988, arts. 127 e 129). 4. De igual modo ficou sedimentado que "tratando-se de demanda coletiva, o prazo de prescrição para a execução individual do título pode ser interrompido pela propositura do protesto, voltando a correr pela metade a partir do ato interruptivo" (AgRg no Ag 1.223.632/RS, Rel. Ministro ROGERIO SCHIETTI CRUZ, SEXTA TURMA, julgado em 9/9/2014, DJe 24/9/2014). A legitimidade do Ministério Público, desta feita, para propor a ação cautelar de protesto e promover, consequentemente, a interrupção do prazo prescricional, encontra alicerce na lei da Ação Civil Pública (Lei n. 7.347/85). 5. Desse modo, pelas funções que lhe são inerentes, o Ministério Público detém capacidade de representar interesses da coletividade, por meio da ação civil pública, e ao mesmo tempo, não obstante a classificação dos direitos como homogêneos, estes não perdem a sua natureza, pois a classificação como direito individual desponta somente com a fase liquidatória ou de cumprimento de sentença, quanto se manifesta e constata-se a divisibilidade dos direitos individuais homogêneos. 6. Por isso é que nos julgados do Superior Tribunal de Justiça há entendimento de que o Ministério Público possui legitimidade para a propositura de ação cautelar de protesto interruptivo do prazo prescricional aplicável às pretensões de cumprimento de sentença proferida em ação civil pública, haja vista que, nestes casos, a medida tem por objetivo a defesa de relevantes interesses individuais homogêneos de milhares de poupadores lesados pela conduta da instituição financeira, e que não ajuizaram a respectiva execução individual, em relação

	aos valores devidos em face dos expurgos inflacionários. 7. Nesta ordem de ideias, tem-se que houve a interrupção do referido prazo quinquenal por força de Medida Cautelar de Protesto manejada pelo Ministério Público do Distrito Federal e Territórios (processo nº 2014.01.1.148561-3), razão pela qual o prazo deve ser novamente contado a partir do deferimento do protesto, em 26/09/2014, conforme o disposto no art. 202, I, II, do Código Civil c/c 240, §1º, do CPC, de sorte que, uma vez a presente ação ter sido proposta em 2016, não há que se falar em prescrição da pretensão. 8. Agravo interno conhecido, mas desprovido. (TJCE – Agravo Interno 0013471-45.2016.8.06.0175 – Rel. Des. EMANUEL LEITE ALBUQUERQUE, 1ª Câmara Direito Privado, publicação 12.08.2021)

DIFERENÇA DE EXPURGOS INFLACIONÁRIOS NO SALDO DE CADERNETA DE POUPANÇA. AÇÃO CAUTELAR MOVIDA PELO MPDFT. INTERRUPTÃO DA PRESCRIÇÃO&#160; PRETENSÃO EXECUTIVA. LEGITIMIDADE DO MINISTÉRIO PÚBLICO. RECURSO CONHECIDO E PROVIDO. SENTENÇA ANULADA. 1. O cerne da controvérsia consiste em analisar se acertada a decisão proferida pelo juízo de origem quanto ao reconhecimento da prescrição do cumprimento individual da sentença coletiva proferida nos autos da Ação Civil Pública promovida pelo IDEC – Instituto Brasileiro de Defesa ao Consumidor contra o Banco do Brasil. 2. O prazo para propositura do cumprimento de sentença individual da sentença coletiva é de 5 (cinco) anos, contados do trânsito em julgado, consoante disposto na Súmula 150 do Supremo Tribunal Federal, segundo a qual "prescreve a execução no mesmo prazo de prescrição da ação". 3. No caso concreto, a decisão executada transitou em julgado em 27 de outubro de 2009, enquanto a execução individual foi protocolada&#160;</p> no ano de 2019, após, a princípio, o prazo prescricional quinquenal. 4. Contudo, deve-se registrar a peculiaridade de que, em 26 de setembro de 2014, foi proposta Medida Cautelar de Protesto Judicial pelo MPDFT (processo nº 2014.01.1.1148561), motivo pelo qual houve a interrupção da prescrição nessa data. 5. De acordo com o STJ, "o Ministério Público possui legitimidade para a propositura de ação cautelar de protesto, visando a interrupção do prazo prescricional para o ajuizamento da execução individual de sentença coletiva" (AgInt nos EDcl no REsp 1753227/RS, Rel. Ministro MOURA RIBEIRO, TERCEIRA TURMA, julgado em 02/12/2019, DJe 05/12/2019). 6. Acrescente-se que, tratando-se de causa interruptiva judicial, o prazo prescricional só recomeça a correr após o último ato praticado no processo, que, no caso da medida cautelar proposta pelo Ministério Público, ocorreu apenas em 2015, quando o procedimento findou. 7. Nesse contexto, considerando a interrupção</p> <p style="text-align: justify; padding-left: 120px;"> do prazo prescricional em meados de 2014 e reinício apenas em 2015, nos termos do artigo 202, do diploma civil, conclui-se que a demanda protocolada em 25 de setembro de 2019 não fora fulminada pela prescrição, devendo o feito ter prosseguimento. 8. Apelação conhecida e provida. Sentença anulada. (TJCE – Apelação 017.213-49.2013.8.06.0001, Rel. Des. De início, deixo de apreciar a impugnação relativamente à incidência de juros remuneratórios, eis que decisão objurgada afastou sai aplicação. Ademais, adiante-se que não merecem guarida as preliminares arguidas pelo banco recorrente. Explicase. 2. Em consulta realizada no sítio eletrônico do Supremo Tribunal Federal, verifica-se que a Ministra Rosa Weber e o Ministro Gilmar Mendes negaram seguimento aos pedidos de sobrestamento de processos que versavam sobre matéria idêntica à discutida nos presentes autos, por entender que não mais subsiste a ordem de suspensão processual dos feitos onde se discutem os expurgos inflacionários dos planos econômicos Bresser, Verão, Collor I e Collor II. 3. Assim, não há que se falar em sobrestamento do feito. 4. A ilegitimidade do agravado para manejar o cumprimento de sentença, em razão da incompetência do juízo ante o fato da decisão coletiva somente ter efeito na circunscrição do Tribunal prolator, conforme dispõe o art. 16 da Lei nº 7.347/85, não merece acolhida, em razão de ser aplicável a todos os

	poupadores, detentores de caderneta de poupança do Banco do Brasil, a sentença da ação civil coletiva n. 1998.01.1.016798-9, que condenou o Banco do Brasil ao pagamento de diferenças decorrentes de expurgos inflacionários sobre cadernetas de poupança ocorridos em janeiro de 1989 (Plano Verão), por força da coisa julgada, independentemente de sua residência ou domicílio no Distrito Federal, reconhecendo-se ao beneficiário o direito de ajuizar o cumprimento individual da sentença coletiva no Juízo de seu domicílio ou no Distrito Federal. 5. Melhor sorte não assiste a alegação de prescrição da pretensão da parte agravada, tendo em vista que o Superior Tribunal de Justiça firmou o entendimento de ser de cinco anos o prazo prescricional para ajuizamento da execução individual de pedido de cumprimento de sentença em ação coletiva, ao julgar o Recurso Especial Repetitivo nº 1.273.643-PR. Conforme certidão de inteiro teor da Ação Civil Pública nº 1998.01.1.016798-9-DF, o trânsito em julgado da sentença coletiva ocorreu em 27/10/2009. Logo, o prazo quinquenal para promover seu cumprimento individual expiraria em 27/10/2014. Contudo, o Ministério Público do Distrito Federal e Territórios ajuizou Ação Cautelar de Protesto contra o Banco do Brasil S/A em 29/09/2014, perante a 12ª Vara Cível de Brasília, processo nº 2014.01.1.148561-3, objetivando a interrupção da prescrição para os poupadores brasileiros ou seus sucessores promoverem a liquidação/execução da sentença proferida na referida ação civil pública. Assim, o prazo prescricional de 5 anos foi interrompido, reiniciando-se a sua contagem a partir do último ato praticado na mencionada ação cautelar, sendo evidente que o cumprimento de sentença não se encontra prescrito, pois manejado antes do termo final que ocorreu em setembro de 2019. . Na ação originária, os autores / agravados buscam o crédito decorrente do título executivo judicial da Ação Civil Pública nº 1998.01.1.16798-9, que reconheceu o direito dos poupadores ao recebimento da remuneração nas cadernetas de poupança referente ao Plano Verão. 3. 	pública (Tema 724). 5. Ainda no REsp nº 1.391.198/RS, o STJ reconheceu ao beneficiário o direito de ajuizar o cumprimento individual da sentença coletiva no juízo de seu domicílio ou no Distrito Federal. (Tema 723), motivo pelo qual não se pode acolher o argumento de incompetência. 6. O prazo prescricional para ajuizamento da execução individual em pedido de cumprimento de sentença proferida em Ação Civil Pública é de cinco anos, conforme entendimento do STJ no julgamento do Recurso Especial repetitivo nº 1.273.643/PR, sob a égide do art. 543-C, do CPC de 1973. Contudo, este e Tribunal de Justiça adota o entendimento de que o ajuizamento da Ação Cautelar de Protesto nº 2014.01.1.148561-3 pelo Ministério Público Federal do Distrito Federal e Territórios teve o condão de interromper a prescrição em tais casos. 7. Por força da propositura da aludida Ação Cautelar de Protesto, protocolada em 26 de setembro de 2014, ocorreu a interrupção do prazo prescricional, nos termos do art. 202, II, do Código Civil, prorrogado-se o prazo para o exequente promover o cumprimento individual de sentença até 26 de setembro de 2019. E, da análise dos autos (fl. 2), é de ver que a demanda foi ajuizada em 13 de novembro de 2017, ou seja, bem antes da consumação da prescrição. 8. Sobre o termo inicial dos juros de mora, aplica-se o tema 685, lançado no julgamento do REsp 1.370.899/SP e do REsp 1.361.800/SP, que orienta: "Os juros de mora incidem a partir da citação do devedor no processo de conhecimento da Ação Civil Pública quando esta se fundar em responsabilidade contratual, cujo inadimplemento já produza a mora, salvo a configuração da mora em momento anterior". 9. No que concerne ao índice para o mês de janeiro de 1989, a correção deve obedecer as diretrizes traçadas no julgamento conjunto do REsp 1.107.201/DF e REsp 1.147.595/RS, submetidos à sistemática dos recursos repetitivos (Temas 303 e 304). 10. "Na execução de sentença que reconhece o direito de poupadores aos expurgos inflacionários decorrentes do Plano Verão (janeiro de 1989), incidem os expurgos inflacionários posteriores a título de correção monetária plena do débito judicial, que terá como base de cálculo o saldo existente ao tempo do referido plano econômico, e não os valores de eventuais depósitos da época de cada plano subsequente" (REsp Repetitivo 1.314.478/RS, Tema 891). 11. O propósito recursal consiste em determinar a possibilidade da interrupção da prescrição por mais de uma vez de pretensão de cobrança fundamentada em mesma relação jurídica. 2. Por fim, as matérias e dispositivos suscitados consideram-se automaticamente prequestionados, por intermédio da abordagem objetiva e fundamentada a respeito das questões relevantes para a solução da presente querela, a teor do que determina o art. 1.025 do CPC: “Art. 1.025. Consideram-se incluídos no acórdão os elementos que o embargante suscitou, para fins de pré-questionamento, ainda que os embargos de declaração sejam inadmitidos ou rejeitados, caso o tribunal superior considere existentes erro, omissão, contradição ou obscuridade”. Neste sentido: Ementa: PROCESSO CIVIL. EMBARGOS DE DECLARAÇÃO DE DECISÃO COLEGIADA QUE CONHECEU E NEGOU PROVIMENTO A APELAÇÃO NA AÇÃO ANULATÓRIA DE TESTAMENTO. OMISSÃO E ERRO MATERIAL, INEXISTENTES. Portanto, inexistente no acórdão embargado os vícios apontados pelo embargante, sendo descabida a interposição dos presentes aclaratórios, porém, com a finalidade de prevenir a interposição de novos embargos, consigne-se que o Prequestionamento apresentado, não obstante, desfigurar-se em virtude da ausência de vícios no acórdão objurgado, "consideram-se incluídos no acórdão os elementos que o embargante suscitou, ainda que os embargos de declaração sejam inadmitidos ou rejeitados, caso o tribunal superior considere existentes erro, omissão ou obscuridade", nos termos do artigo 1.025, do Código de Processo Civil. 7. Por fim, o contexto delineado no caderno processual denota a prática pelo embargante de conduta temerária, mediante o apontamento de vícios inexistentes (artigo 80, V, do CPC) e manifestamente protelatória, com o intuito de postergar o trânsito em julgado da demanda (art. 80, VII, do CPC), as quais merecem reprimenda e, por essa razão, acolhe-se o pedido formulado pelos embargados de condenação do recorrente nas penalidades previstas no artigo 81, do Código de Processo Civil, impondo-se, por via de consequência, a sua submissão à multa de 5% (cinco por cento) sobre o valor atualizado da causa e ao pagamento dos honorários advocatícios e despesas processuais realizadas pelos recorridos para se defenderem nos presentes aclaratórios. 8. Recurso conhecido e improvido. Decisão Mantida. (TJCE – Embargos de Declaração 0000652-22.2007.8.06.0101, Rel. Des. 2ª Câmara Direito Privado, publicação em 17.02.2021) Ementa: DIREITO PROCESSUAL CIVIL. EMBARGOS DE DECLARAÇÃO EM APELAÇÃO CÍVEL. INEXISTÊNCIA DE OMISSÃO, OBSCURIDADE, CONTRADIÇÃO OU ERRO MATERIAL. IMPOSSIBILIDADE DE REDISCUSSÃO DA MATÉRIA JÁ DECIDIDA. MANUTENÇÃO DO JULGADO. INCIDÊNCIA DA SÚMULA N. 18 DO TJCE. PREQUESTIONAMENTO FICTO. ART. 1.025 DO CPC/15. RECURSO CONHECIDO E NÃO PROVIDO. Em narração jurídica, o embargante alega, em suma, omissão da decisão no que se refere ao valor dos honorários, pois incompatíveis com a presente lide, ensejando a apreciação em até 20% (vinte por cento) do valor da condenação, ou de outra forma que se adeque ao proveito econômico obtido pelo autor. Aduz também a necessidade de prequestionamento explícito dos dispositivos legais suscitados pela embargante, qual seja o art. 85 § 2º. Após análise minuciosa do acórdão, verifica-se que este solucionou todos os pontos controvertidos. Não subsiste, portanto, razão às embargantes para pretender seja o decum integrado para suprir omissão, contradição, obscuridade ou erro material, mediante reexame das provas contidas nos autos. Os aclaratórios, cujo objetivo é a integração da decisão embargada, não servem como meio de rediscussão da matéria já julgada (Súmula 18 do TJCE). Quanto ao pedido de prequestionamento da matéria (fls. 20), o art. 1.025 do CPC-15 prevê que, mesmo que os embargos declaratórios sejam rejeitados ou inadmitidos, consideram-se incluídos no acórdão os elementos que o embargante suscitou, consolidando o entendimento consagrado anteriormente pelo Supremo Tribunal Federal sobre a possibilidade de prequestionamento ficto. RECURSO CONHECIDO E IMPROVIDO. 1 - Da simples leitura do acórdão embargado, percebe-se claramente que o entendimento lançado por este colegiado é no sentido de desacolher a pretensão recursal deduzida pelos autores nas razões da apelação, deixando claramente expresso o entendimento de que o ajuizamento de ação cautelar de protesto pelo Ministério Público do Distrito Federal e Territórios não interrompeu o prazo prescricional para o ajuizamento de execução individual da sentença proferida na Ação Civil Pública nº 1998.01.1.016798-9, que tramitou perante da 12ª Vara Cível da Circunscrição Especial Judiciária de Brasília-DF, que tinha por objetivo compelir o Banco do Brasil S/A a repor os expurgos inflacionários referentes ao Plano Verão de 1989. 2 - Eventuais contradições entre o que restou decidido e o que entende o recorrente como justo ou certo, ou entre o julgado e entendimentos jurisprudenciais ou doutrinários contrários, devem ser objeto de outra espécie recursal. 3 - Embora não se constate omissões a serem sanadas, as matérias e dispositivos suscitados consideram-se automaticamente prequestionados, por força do que determina o art. 1.025 do CPC. 4 – Embargos Declaratórios conhecidos e improvidos. Acórdão	 ESTADO DO CEARÁ PODER JUDICIÁRIO TRIBUNAL DE JUSTIÇA PRIMEIRA CÂMARA DE DIREITO PRIVADO DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA PROCESSO: 0104012-30.2017.8.06.0001 - APELAÇÃO CÍVEL (198) APELANTE: CAIXA DE PREVIDENCIA DOS FUNCIONARIOS DO BANCO DO BRASIL APELADO: JOSE WILLIAM ARRAES Ementa: DIREITO PROCESSUAL CIVIL. EMBARGOS DE DECLARAÇÃO EM APELAÇÃO CÍVEL. AÇÃO MONITÓRIA. ALEGAÇÃO DE OMISSÃO QUANTO À INCIDÊNCIA DE ENCARGOS CONTRATUAIS. ACOLHIMENTO APENAS PARA INTEGRAÇÃO DO ACÓRDÃO. RECURSO PROVIDO. I. CASO EM EXAME 1. Embargos de declaração opostos pela Caixa de Previdência dos Funcionários do Banco do Brasil – PREVI contra acórdão da 1ª Câmara de Direito Privado do TJCE que dera provimento à apelação interposta em ação monitória ajuizada contra José William Arraes. 2. A embargante sustenta omissão no acórdão quanto à incidência de encargos contratuais na atualização do saldo devedor, requerendo expressa determinação de aplicação das cláusulas contratuais. II. QUESTÃO EM DISCUSSÃO 3. A questão em discussão consiste em definir se os encargos previstos no contrato de abertura de crédito devem incidir na atualização do saldo devedor após o ajuizamento da ação monitória ou apenas até a constituição do título executivo judicial. III. RAZÕES DE DECIDIR 4. Os embargos de declaração são cabíveis para sanar omissão, contradição, obscuridade ou erro material, inclusive com efeitos modificativos quando a integração altera a conclusão do julgado (CPC, art. 1.022). 5. O acórdão embargado fixou o valor da dívida em R\$ 97.326,86, acrescido de multa contratual e honorários, mas deixou de consignar expressamente a limitação temporal dos encargos contratuais. 6. A jurisprudência reconhece que, proposta a ação monitória, os encargos estipulados no contrato incidem apenas até a data do ajuizamento, pois, com a sentença de procedência, o título executivo judicial passa a reger a obrigação. 7. Após o ajuizamento, a atualização do saldo deve observar os encargos legais: INPC e juros de mora de 1% ao mês até 30/08/2024 e, a partir de 31/08/2024, aplicação do IPCA e da Taxa SELIC, abatido o IPCA, conforme Lei nº 14.905/2024. IV. DISPOSITIVO E TESE 8. Embargos de declaração providos para suprir omissão, sem alteração do resultado do julgamento. Tese de julgamento: 1. Os encargos contratuais incidem apenas até a data do ajuizamento da ação monitória. 2. Após o ajuizamento, a dívida deve ser atualizada pelos índices legais e juros moratórios previstos no ordenamento jurídico. 3. Com a entrada em vigor da Lei nº 14.905/2024, aplicam-se o IPCA como índice de correção e a Taxa SELIC, deduzido o IPCA, como juros de mora. Apelação Cível interposta por Daniel Anunciado dos Santos e Daniele Anunciado dos Santos, esta representada por curadora, contra sentença da 19ª Vara Cível de Fortaleza/CE que julgou parcialmente procedente ação de despejo por falta de pagamento c/c cobrança de débito locatício ajuizada por Nireide Pereira Jeronimo, decretando o despejo, condenando ao pagamento dos aluguéis atrasados e encargos da locação, bem como fixando honorários sucumbenciais. Os apelantes sustentam cerceamento de defesa pelo julgamento antecipado da lide, ausência de manifestação da parte autora por longo período e a vulnerabilidade de Daniele Anunciado dos Santos, pessoa com deficiência. II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em definir se a sentença proferida pelo juízo de origem deve ser anulada por cerceamento de defesa, em razão de julgamento antecipado sem prévia intimação da parte autora para impulsionar o feito, mesmo diante de indícios de abandono da causa e da condição de vulnerabilidade de uma das rés. Erro in procedendo. Recurso conhecido e provido. Sentença cassada. I. Caso em Exame 1. Apelação Cível interposta em face de sentença que julgou extinta a ação, sem resolução de mérito, em face do abandono da causa pela demandante. II. Questão em discussão 2. O cerne da controvérsia consiste em analisar o acerto ou desacerto da sentença que extinguiu o feito sem resolução de mérito por abandono processual pela autora. III. Razões de decidir 3. Resta evidente a extinção prematura do feito, dado que inadequada e incompatível com o ordenamento jurídico, máxime os princípios da primazia do julgamento do mérito e da economia processual, visto que a intimação pessoal da parte autora não foi devidamente realizada. 4. Da análise do A.R. (aviso de recebimento), a única conclusão a que se pode chegar é a de que a correspondência não foi entregue no endereço indicado nem retirada na agência dos Correios, não havendo nenhuma indicação de que a pessoa identificada na correspondência tenha mudado de endereço. 5. Nesse contexto, verifico o erro de procedimento no processamento do feito, pois diante da frustração da intimação pela via postal, sem que houvesse elementos para presumir a mudança de endereço da parte, competia ao juízo a aplicação do art. 275 do CPC, para determinar a realização do ato de intimação pessoal por meio de oficial de justiça. 6. Configura cerceamento do direito de defesa a ausência de tentativa da intimação pessoal por meio de oficial de justiça, após a frustração da intimação pela via postal, constituindo causa de nulidade da sentença por violação aos princípios do devido processo legal, ainda que não houvesse sido arguida em apelação. IV. Dispositivo 7. Recurso conhecido e provido. Sentença cassada. (Apelação Cível&#160;- 0205761-22.2022.8.06.0064, Rel. Acórdão	 ESTADO DO CEARÁ PODER JUDICIÁRIO TRIBUNAL DE JUSTIÇA PRIMEIRA CÂMARA DE DIREITO PRIVADO DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA PROCESSO: 0620523-68.2025.8.06.0000 - AGRAVO DE INSTRUMENTO (202) AGRAVANTE: MARCOS DANILO DA SILVA SOUZA AGRAVADO: M. S. C. S. R. P. J. C. L. EMENTA: DIREITO DE FAMÍLIA. AGRAVO DE INSTRUMENTO. AÇÃO DE ALIMENTOS. FIXAÇÃO DE ALIMENTOS PROVISÓRIOS EM FAVOR DE MENOR. REDUÇÃO DO PERCENTUAL DE 30% PARA 15% DOS VENCIMENTOS E VANTAGENS DO ALIMENTANTE. RECURSO CONHECIDO E PARCIALMENTE PROVIDO. I. CASO EM EXAME 1. Agravo de instrumento interposto contra decisão que, em ação de alimentos com pedido de alimentos provisórios, fixou pensão no percentual de 30% da renda mensal do agravante, incidindo também sobre 13º salário e terço de férias. O recorrente alega impossibilidade de cumprimento da obrigação no patamar estabelecido, diante de sua modesta remuneração e da existência de outros dois filhos menores. Requer a redução do percentual para 19% do salário-mínimo ou, subsidiariamente, valor menor. II. QUESTÃO EM DISCUSSÃO 2. Há duas questões em discussão: (i) definir se deve ser mantida a concessão do benefício da justiça gratuita ao agravante; (ii) estabelecer se o percentual fixado a título de alimentos provisórios deve ser reduzido para adequar-se ao trinômio necessidade-possibilidade-razoabilidade. III. RAZÕES DE DECIDIR 3. A concessão da justiça gratuita a pessoa natural se presume verdadeira a partir da declaração de hipossuficiência, salvo prova em contrário, a qual não foi apresentada pela agravada, razão pela qual deve ser mantido o benefício (CPC, art. 98). 4. A fixação dos alimentos deve observar o trinômio necessidade do alimentando, possibilidade do alimentante e proporcionalidade, de modo a equilibrar os encargos parentais. 5. A necessidade do menor é presumida, mas deve ser cotejada com a renda do agravante e a existência de outros dois filhos que também demandam sustento.

	serif;">Ademais, o agravante sustenta que jamais se furtou ao cumprimento de suas obrigações, dentro das limitações de sua realidade financeira, ressaltando que o percentual fixado mostra-se excessivamente oneroso. Argumenta, ainda, que não lhe foi oportunizado demonstrar sua efetiva condição econômica e a real participação na vida da agravada, frisando que exerce a profissão de tratorista, não possui estabilidade no emprego e auferir rendimentos modestos, inferiores a dois salários-mínimos, dos quais resta-lhe menos de um salário-mínimo após os descontos referentes à pensão alimentícia. Assim, requereu, em sede liminar, a redução dos alimentos para o percentual de 19% do salário-mínimo vigente ou, de forma subsidiária, a diminuição do valor fixado. Requereu, ainda, a concessão dos benefícios da justiça gratuita. Em decisão interlocutória de ID 22528446 foi concedido o benefício da justiça gratuita, bem como deferido parcialmente o pedido de tutela de urgência recursal, atribuindo-se efeito suspensivo ativo ao recurso no sentido de reduzir os alimentos provisórios para o valor equivalente a 15% dos vencimentos e vantagens do agravante. Devidamente intimada, a agravada apresentou contrarrazões de ID 22528454 e, preliminarmente, impugnou a concessão da justiça gratuita. No mérito, sustenta, em síntese, que é incontroversa a necessidade da alimentanda, bem como o fato de o agravante possuir outros dois filhos menores, circunstâncias reconhecidas pelo próprio recorrente. Argumenta, contudo, que a alegada impossibilidade financeira do agravante não restou comprovada, uma vez que este teria recorrido a informações falsas e documentos incompletos para fundamentar seu recurso. Destaca que a redução pontual da renda ocorreu em razão de adiantamento salarial, não refletindo a real capacidade contributiva do alimentante. Diante disso, pugna pelo desprovemento do agravo de instrumento, por se apoiar em alegações distorcidas e desprovidas de lastro probatório. Com vistas dos autos, o Ministério Público, por seu Procurador de Justiça, lançou o parecer de ID 22528460, posicionando-se pelo conhecimento do presente recurso, e por seu provimento parcial, para minorar os alimentos provisórios de 30% para 15% dos rendimentos do alimentante até ulterior decisão. É o relatório. VOTO Antes de enfrentar o mérito recursal, passo à análise da preliminar suscitada em sede de contrarrazões recursais. A agravada sustenta em suas contrarrazões, que não pode prosperar a presunção de hipossuficiência do agravante, uma vez que os documentos que instruíram o recurso não servem de prova hábil a demonstrar a alegada hipossuficiência financeira.

	Sobre a gratuidade da justiça, tem-se que o artigo 98 do Código Processual Civil assim preceitua: "A pessoa natural ou jurídica, brasileira ou estrangeira, com insuficiência de recursos para pagar as custas, as despesas processuais e os honorários advocatícios tem direito à gratuidade da justiça, na forma da lei." </p><p class="MsoNormal" style="margin-top: 6.0pt; margin-right: 0cm; margin-bottom: 6.0pt; margin-left: 0cm; text-align: justify; text-indent: 2.0cm; line-height: 150%;"> Ou seja, em relação à pessoa natural, deve haver presunção relativa de veracidade quanto à declaração de insuficiência de recursos. 	segundo o qual: (...) o momento da fixação dos alimentos é marcado por detida análise do binômio necessidade/possibilidade. O alimentado não receberá mais do que precisa, nem o parente ou cônjuge será obrigado a pagar além do que suas condições econômicas permitem. Chegar ao equilíbrio entre essas forças contrárias significa fazer justiça, adequando a prestação alimentar ao quadro real vivenciado pelos envolvidos". Em vista do exposto, é certo que não há qualquer critério absoluto para definir a fixação dos alimentos, mas não se olvida que deve o magistrado se ater às necessidades daquele que os recebe e às possibilidades daquele que arcará com o ônus. Assim, a análise de um pedido de pensão alimentícia deve ser feita com atenta apreciação das provas, para que seja possível aferir as condições financeiras das partes, capaz de ensejar um valor mais preciso, que atenda os parâmetros da legislação. Como visto, a insurgência desafia decisão proferida <i>in initio litis</i> no processo de conhecimento, restando fixados alimentos provisórios em favor da menor alimentanda no <i>quantum</i> equivalente a 30% do valor referente à renda mensal do agravante. A princípio, importa esclarecer que, ao fixar alimentos provisórios para um menor, o Juiz deve considerar vários aspectos, a fim de garantir que as necessidades imediatas da criança sejam atendidas, enquanto se aguarda a resolução final do processo. Portanto, o Magistrado deve considerar, em primeiro lugar, as necessidades do alimentando que, embora sejam presumidas, abrangem custos com alimentação, saúde, educação, moradia, vestuário, dentre outros, ou seja, as necessidades inafastáveis da criança, que devem ser garantidas independentemente da situação financeira dos pais. Deve-se ainda avaliar a capacidade financeira do alimentante, para se garantir que a pensão alimentícia estabelecida seja proporcional aos seus recursos financeiros. O intuito é que os alimentos devem ser fixados de forma a não comprometer a subsistência do alimentante, enquanto ainda atende às necessidades do menor. No caso em apreço, observa-se que o valor dos alimentos provisórios foi fixado em 30% da renda do agravante. Contudo, à vista das peculiaridades do caso concreto, notadamente os proventos do agravante, bem como o fato de que ele possui, além da agravada, outros dois filhos menores que igualmente demandam seu sustento, referido percentual mostra-se excessivamente oneroso, comprometendo sua capacidade financeira de forma desproporcional. Por outro lado, a pretensão recursal de redução do encargo para 19% do salário-mínimo vigente não se revela adequada, porquanto o montante correspondente não se mostra suficiente para atender às necessidades básicas da alimentanda, conforme exige o princípio do melhor interesse da criança. Assim, em atenção ao trinômio necessidade/possibilidade/razoabilidade, e em estrita aderência ao bem lançado parecer da Procuradoria-Geral de Justiça, entende-se que a fixação dos alimentos provisórios no

	patamar de 15% da renda líquida aferida pelo alimentante apresenta-se a medida mais justa e equilibrada, assegurando tanto a subsistência da menor quanto a preservação da capacidade contributiva do alimentante diante de suas demais responsabilidades familiares. Corroborando com o entendimento adotado, colaciono: EMENTA: AGRAVO DE INSTRUMENTO - DIREITO DE FAMÍLIA - AÇÃO DE ALIMENTOS - FIXAÇÃO DE ALIMENTOS PROVISÓRIOS - FILHOS MENORES - NECESSIDADE PRESUMIDA - TRINÔMIO NECESSIDADE-POSSIBILIDADE-PROPORCIONALIDADE - CAPACIDADE DO ALIMENTANTE - INDÍCIOS DE ONEROSIDADE EXCESSIVA DA VERBA FIXADA EM PRIMEIRA INSTÂNCIA - NOVA FAMÍLIA - PRINCÍPIO DA PATERNIDADE RESPONSÁVEL - OBRIGAÇÃO RECÍPROCA DOS GENITORES - PARECER DA PROCURADORIA-GERAL DE JUSTIÇA - PARCIAL PROVIMENTO DO RECURSO. 1. A fixação da verba alimentar provisória deve observar, mesmo em juízo de cognição sumária, o trinômio necessidade-possibilidade-proporcionalidade, equilibrando as necessidades vitais do alimentando com a real capacidade do alimentante. 2. A necessidade dos filhos menores é presumida devido à sua condição peculiar de desenvolvimento e dependência. 3. Embora a constituição de nova família e a existência de outros dependentes não desonere o genitor de seu dever para com os filhos anteriores, o valor arbitrado deve ser condizente com a capacidade econômica do alimentante, evitando o comprometimento integral de sua subsistência e a consequente inviabilidade do cumprimento da obrigação. 4. Diante dos elementos probatórios preliminares que indicam excessividade na fixação originária dos alimentos provisórios, impõe-se a redução da verba, em conformidade com o parecer ministerial, de forma a readequar o equilíbrio do trinômio alimentar. 5. Cuida-se o feito de agravo de instrumento interposto em face de decisão prolatada nos autos da Ação de Alimentos na qual o juízo a quo fixou alimentos provisórios no percentual de 40% dos rendimentos do agravante em favor dos agravados. 2. É cediço, que a prestação alimentar visa assegurar ao alimentando o necessário para a sua manutenção, entendida esta em sentido amplo, proporcionando-lhe os meios de subsistência. O quantum deve atender às suas necessidades vitais básicas, nos padrões e possibilidades de cada família. 3. Os alimentos devem ser fixados na proporção das necessidades do alimentado e dos recursos da pessoa obrigada, ficando a cargo do prudente arbítrio do juiz estabelecer critério razoável de fixação, segundo as circunstâncias do caso concreto (disposição do art. 1.694, §1º, do Código Civil). Deve-se, portanto, observar o binômio necessidade e possibilidade no momento da fixação do valor dos alimentos. 4. Nesse sentido, merece prosperar a alegação da parte agravante de que o valor fixado não observou o binômio necessidade-possibilidade tendo em vista que, em análise acurada do caderno processual, não obstante a perfunctoriedade da cognição própria desta fase recursal, vislumbra-se que o agravante logrou êxito em demonstrar que o valor dos alimentos fixados pelo juízo a quo está em desequilíbrio, dado às reais necessidades dos alimentados e as condições econômicas do alimentante, razão pela qual a minoração parcial mostra-se razoável. 5. Diante das provas até o momento constantes nos autos e em atenção ao binômio possibilidade e necessidade, mostra-se adequada a redução do valor fixado a título de alimentos provisionais, mas não no valor postulado, ante a inexistência de uma instrução processual, razão pela qual fixo ao patamar de 30% (trinta por cento) sobre vencimentos e vantagens do agravante. 6. MINORAÇÃO DOS ALIMENTOS SOMENTE PARA 1,3 (UM VÍRGULA TRÊS) SALÁRIOS-MÍNIMOS, DE MODO A MELHOR ATENDER A CARÊNCIA DA CREDORA ALIMENTÍCIA. PRIMEIRO APELO CONHECIDO E IMPROVIDO. SEGUNDO APELO CONHECIDO E PARCIALMENTE PROVIDO. SENTENÇA REFORMADA EM PARTE. 1. Das preliminares. 1.1. O primeiro apelante, José Irapuan Vidal Filho, alega preliminar de nulidade da sentença decorrente da suposta ausência de fundamentação idônea, com mero apontamentos de teses genéricas por parte do magistrado a quo. Não assiste razão ao recorrente, visto que a sentença guerreada está dotada de fundamentação, apesar de reduzida, voltada ao caso concreto. Rejeitada, então, a preliminar. 1.2. O primeiro recorrente aduz ainda preliminar impugnando o erro na contagem do prazo para a apresentação dos memoriais escritos, o que ensejaria a nulidade da sentença, no entanto, não restou demonstrado efetivo prejuízo para a parte. Assim, não acolho a presente preliminar. 2. Do mérito. 2.1. No que pertine ao mérito, o primeiro apelante, José Irapuan Vidal Filho, pugna pela exoneração do encargo alimentar ou, alternativamente por sua redução para 30% (trinta por cento) do salário-mínimo. A segunda apelante, Isadora Martins Dias Vidal, por sua vez, busca pelo restabelecimento da pensão alimentícia para o valor originário de 02 (dois) salários-mínimos. 2.2. Em se tratando de alimentos prestados pelo genitor a sua prole, a circunstância da credora alimentícia atingir a maioridade civil não implica, de modo automático, na cessação da obrigação alimentícia, porquanto, embora cessada a compulsoriedade, subsiste o dever de assistência fundado no parentesco consanguíneo. A despeito disto, passa-se a exigir a prova da respectiva necessidade. 2.3. De acordo com o enunciado da Súmula n.º 358 do STJ: "O cancelamento de pensão alimentícia de filho que atingiu a maioridade está sujeito à decisão judicial, mediante contraditório, ainda que nos próprios autos". 2.4. Na hipótese, a credora alimentícia comprovou que continua cursando ensino superior em Odontologia, persistindo sua necessidade em receber ajuda paterna, para arcar com as despesas da sua educação, bem como de sua própria subsistência, enquanto não possuir independência financeira, de forma que incumbe ao seu genitor propiciar-lhe condições estáveis de entrada no mercado de trabalho. Portanto, incabível a exoneração da obrigação alimentar, ora pleiteada. Precedentes. 2.5. Em relação à redução do encargo alimentar, é admitida, nos moldes do artigo 1699 do Código Civil, desde que sobrevenha mudança na situação financeira do alimentante ou da alimentanda, atribuindo-se ao autor que pede a revisão a demonstração da efetiva modificação das circunstâncias fáticas capazes de justificar a modificação do pensionamento anteriormente fixado. 2.6. No caso concreto, extrai-se a ocorrência de uma alteração considerável na capacidade financeira do alimentante, o que justifica a revisão do encargo alimentar, para reduzir-lhe, adequando-o à nova realidade fática. Todavia, atendendo ao binômio necessidade/possibilidade, entendo por diminuir os alimentos apenas para a quantia de 1,3 (um vírgula três) salários-mínimos, de forma a melhor atender as necessidades da alimentanda, sem onerar excessivamente o devedor do encargo. 3. Primeiro apelo conhecido para rejeitar as preliminares arguidas e, no mérito, negar-lhe provimento. Segunda apelação conhecida para dar-lhe parcial provimento. 4. Sentença reformada em parte.

Acórdão	 ESTADO DO CEARÁ PODER JUDICIÁRIO TRIBUNAL DE JUSTIÇA PRIMEIRA CÂMARA DE DIREITO PRIVADO DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA PROCESSO: 0150670-15.2017.8.06.0001 - APELAÇÃO CÍVEL (198) APELANTES: MANHATTAN SUMMER PARK - EMPREENDIMENTO IMOBILIARIO LTDA, GERMANO YURI MARTINS DE OLIVEIRA, RAQUEL DE OLIVEIRA FREIRE APELADOS: RAQUEL DE OLIVEIRA FREIRE, GERMANO YURI MARTINS DE OLIVEIRA E MANHATTAN SUMMER PARK - EMPREENDIMENTO IMOBILIARIO LTDA EMENTA: DIREITO DO CONSUMIDOR E CIVIL. APELAÇÃO CÍVEL. PROMESSA DE COMPRA E VENDA DE IMÓVEL NA PLANTA. ATRASO NA ENTREGA. RESCISÃO CONTRATUAL. RESTITUIÇÃO INTEGRAL DAS PARCELAS PAGAS. ÍNDICES DE CORREÇÃO MONETÁRIA FIXADOS PELO CONTRATO (INCC ATÉ O PRAZO DE ENTREGA E IGP-M APÓS). INVERSÃO DA CLÁUSULA PENAL DE 2% AO MÊS EM FAVOR DO CONSUMIDOR (TEMA 971/STJ). LUCROS CESSANTES INDEVIDOS (TEMA 970/STJ). ATRASO EXCESSIVO QUE CONFIGURA DANO MORAL. INDENIZAÇÃO MANTIDA. RECURSO DA RÉ DESPROVIDO. RECURSO DOS AUTORES PARCIALMENTE PROVIDO. I. CASO EM EXAME 1. Apelações cíveis interpostas em ação de rescisão contratual c/c devolução de valores, indenização por danos materiais, morais e lucros cessantes, ajuizada em razão de atraso de 21 meses na entrega de imóvel adquirido na planta. A sentença determinou restituição integral das parcelas pagas, fixou indenização por danos morais em R\$ 4.000,00 e rejeitou parte dos pedidos. A ré recorreu para afastar os danos morais; os autores apelaram buscando alteração do índice de correção monetária, aplicação da multa contratual por atraso, majoração dos danos morais e condenação em lucros cessantes. II. QUESTÃO EM DISCUSSÃO 2. Há quatro questões em discussão: (i) definir os índices de correção monetária incidentes sobre os valores a serem restituídos; (ii) verificar a aplicabilidade da cláusula penal em caso de atraso na obra e a possibilidade de inversão da penalidade contratual; (iii) analisar a cumulação ou não de multa contratual com lucros cessantes; (iv) avaliar a manutenção ou majoração da indenização por danos morais. III. RAZÕES DE DECIDIR 3. A relação contratual configura relação de consumo (arts. 2º e 3º do CDC), aplicando-se a responsabilidade objetiva do fornecedor, bastando a comprovação do atraso para caracterizar inadimplemento. 4. Em relação à correção monetária, trata-se de mera recomposição do valor da moeda, não de penalidade, devendo prevalecer os índices livremente pactuados: INCC até setembro/2015 (prazo de entrega com tolerância) e, a partir de então, IGP-M. 5. Em relação à cláusula penal, o contrato previa penalidade de 2% apenas contra os compradores em caso de inadimplemento, ao passo que a multa estipulada contra a fornecedora pelo atraso da obra era de apenas 0,2% e condicionada à quitação integral do imóvel. Tal desproporção caracteriza desequilíbrio contratual, em afronta ao art. 51, IV e §1º, I, do CDC. 6. Diante disso, aplica-se a tese firmada pelo STJ no Tema 971, segundo a qual a cláusula penal prevista exclusivamente contra o consumidor pode ser invertida em seu favor quando configurada desvantagem exagerada. No caso concreto, impõe-se à fornecedora a multa de 2% sobre o valor do imóvel, por cada mês de atraso, em substituição à penalidade irrisória prevista contratualmente. 7. Em relação aos lucros cessantes, a jurisprudência consolidada (Tema 970/STJ) reconhece que a cláusula penal moratória possui natureza indenizatória, substituindo as perdas e danos. Por isso, é inviável a cumulação com lucros cessantes. 8. Por fim, quanto aos danos morais, o atraso excessivo na entrega do imóvel extrapola mero inadimplemento contratual, configurando violação anormal aos direitos da personalidade. Todavia, o valor de R\$ 4.000,00 fixado em primeiro grau revela-se razoável e proporcional ao caso concreto, devendo ser mantido. IV. DISPOSITIVO 9. Recurso da ré desprovido.

DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA Relator RELATÓRIO Trata-se de recursos de Apelação Cível interpostos, de um lado, pelos autores GERMANO YURI MARTINS DE OLIVEIRA e RAQUEL DE OLIVEIRA FREIRE, e, de outro, pela parte MANHATTAN SUMMER PARK – EMPREENDIMENTO IMOBILIÁRIO LTDA, contra a sentença de parcial procedência proferida pelo Juízo da 34ª Vara Cível da Comarca de Fortaleza (ID 22553657), nos autos da Ação de Rescisão Contratual c/c Devolução de Valores, Indenização por Danos Materiais, Morais e Lucros Cessantes. O dispositivo da sentença foi proferido nos seguintes termos: [...] Isto posto, JULGO PARCIALMENTE PROCEDENTE o pedido do requerente, condenando a requerida a restituir de forma integral e imediata os valores já pagos pelo autor (Súmula 543, STJ), a saber: R\$ 216.988,70 (duzentos e dezesseis mil novecentos e oitenta e oito reais e setenta centavos), com correção monetária pelo INPC e juros de mora devidos a taxa de 1% (um por cento) ao mês (12% ao ano), a partir da data do pagamento, devendo este valor ser apurado em sede de liquidação de sentença. Em relação ao dano moral, entendo por configurado e condeno a promovida ao pagamento da quantia de R\$ 4.000,00 (quatro mil reais), com correção monetária pelo INPC e juros de mora de 1% (um por cento) ao mês, a partir da data da sentença (Súmula 362 do STJ). Por fim, condeno a demandada a arcar com as custas processuais e honorários de sucumbência de 10% (dez por cento) sobre o valor da condenação, nos termos do art. 85, §2º, CPC. A parte ré, em seu recurso (ID 22553364), pleiteia a reforma da sentença quanto à condenação por danos morais, sustentando que o mero atraso na entrega do imóvel não configura abalo moral indenizável. Para tanto, cita precedentes do Superior Tribunal de Justiça que afastam a reparação nessa hipótese. O preparo foi devidamente recolhido (ID 22553705). Os autores, por sua vez, em recurso próprio (ID 22553357), insurgem-se contra: i) a aplicação do INPC, defendendo que deve ser utilizado o índice contratual (INCC), com acréscimo de 2%; ii) a ausência de condenação da ré ao pagamento da multa prevista no contrato em caso de atraso na obra, requerendo sua fixação em 0,5% ao mês, ou, subsidiariamente, em 0,2%, conforme admitido pela própria requerida; iii) o valor arbitrado a título de dano moral, que consideram ínfimo, postulando sua majoração para R\$ 15.000,00 (quinze mil reais). Não houve preparo recursal pelos autores, por serem beneficiários da justiça gratuita. Apresentaram-se contrarrazões por ambas as partes (IDs 22553363 e 22553847).

	size: small;">Realizou-se audiência de conciliação (ID 22552734), sem êxito. O Ministério Público ofertou parecer (ID 22553345), sem manifestação quanto ao mérito. É o relatório. Adotando o Pacto Nacional do Judiciário pela Linguagem Simples do CNJ, passo a proferir meu voto. VOTO Presentes os pressupostos intrínsecos e extrínsecos de admissibilidade, conheço dos recursos interpostos e passo à sua análise. O caso em apreço trata de rescisão de contrato de compra e venda de imóvel e reparação de danos em virtude de atraso na entrega do bem e a controvérsia devolvida à apreciação desta instância cinge-se a definir: (i) o índice de correção monetária e de juros incidentes na devolução dos valores pagos pelos autores; (ii) a incidência ou não da multa contratual em razão do atraso na entrega do imóvel; (iii) a condenação ao pagamento de lucros cessantes; e (iv) a manutenção ou eventual majoração da indenização por danos morais. Apenas a título de contextualização, os autores firmaram, em 02/05/2012, contrato de promessa de compra e venda de imóvel em construção, referente à unidade 202D do Empreendimento “Manhattan Summer Park”, com previsão de entrega para março de 2015, admitido o prazo de tolerância contratual de 180 dias. Ocorre que o empreendimento somente foi concluído em dezembro de 2016, configurando atraso de aproximadamente 21 meses além do prazo ajustado. Nesse contexto, os adquirentes ajuizaram a presente demanda, postulando a rescisão contratual com a restituição integral das parcelas pagas, devidamente corrigidas, além da aplicação da cláusula penal pelo atraso, indenização por lucros cessantes e compensação por danos morais. De início, insta destacar que o caso deve ser analisado à luz das normas consumeristas. Os autores enquadram-se no conceito de consumidores, previsto no art. 2º do Código de Defesa do Consumidor, enquanto a promovida caracteriza-se como fornecedora, nos termos do art. 3º do mesmo diploma legal. No âmbito das relações consumeristas, a responsabilidade civil é objetiva, independendo da comprovação de dolo ou culpa do fornecedor. Assim, basta a comprovação da ação, do nexo de causalidade e do dano para que se reconheça o dever do fornecedor de reparar o prejuízo causado. Conforme aludido anteriormente, o juízo de primeiro grau declarou a rescisão do contrato firmado entre as partes, reconhecendo a culpa exclusiva da ré em razão do não cumprimento do prazo para a entrega do imóvel adquirido pelos autores. Pois bem, passo a análise dos inconformismos das partes. 1. Do índice de correção monetária. A sentença de origem determinou a devolução integral dos valores pagos, com aplicação do INPC como índice de correção monetária. Contudo, compulsando os autos, observa-se que a cláusula 3.2 do contrato (ID 22553720 – fl. 4) dispõe que: “Todas as parcelas citadas, integrantes do saldo do preço, inclusive a anterior, serão atualizadas pela variação do INCC/FGV (Índice Nacional da Construção Civil) até a conclusão da obra, e a parcela com vencimento a partir do mês da conclusão do empreendimento será atualizada pelo IGP-M/FGV (Índice Geral de Preços do Mercado), acrescidas de juros capitalizados de 1% ao mês, calculados na forma da tabela price, tudo nos termos previstos neste contrato ‘parte geral’.” Dessa forma, restou ajustado entre as partes que a atualização monetária do saldo devedor incidiria pelo INCC até a conclusão da obra e, após, pelo IGP-M, com juros simples de 1% ao mês. Cumprido esclarecer que a correção monetária não constitui penalidade, mas tão somente mecanismo de preservação do poder aquisitivo da moeda diante da inflação, sendo devida independentemente do cumprimento ou inadimplemento do contrato. Assim, dou provimento ao apelo dos autores neste ponto para o reconhecer a incidência do INCC até a data limite para a entrega da unidade (setembro/2015, incluído o prazo de tolerância contratual), passando a vigorar, a partir de então, a atualização pelo IGP-M, conforme pactuado livremente pelas partes. A propósito:

COMISSÃO DE CORRETAGEM. DEVOLUÇÃO DEVIDA. CORREÇÃO MONETÁRIA. A PARTIR DA CITAÇÃO. LUCROS CESSANTES. CONDENAÇÃO DEVIDA. RECURSO CONHECIDO E DESPROVIDO. 1. Cinge-se a controvérsia acerca da culpa exclusiva da promitente vendedora, quanto a rescisão do contrato por demora na entrega do imóvel, assim como da legalidade da cobrança de comissão de corretagem, bem como da possibilidade de condenação por danos morais e materiais. 2. Cumpre destacar que celebrado contrato de promessa de compra e venda de imóvel, não tendo mais o devedor interesse na avença, dado o atraso na entrega da obra, é possível a rescisão contratual. 3. Examinando o contrato celebrado entre as partes, observa-se que o prazo previsto para a entrega da infraestrutura seria 30 de setembro de 2018. Todavia, referido pacto admite uma prorrogação automática de 180 (cento e oitenta) dias para a entrega, depois de ultrapassada a referida data. Assim, deve ser considerado o mês de março de 2019 a incidir o direito da recorrida decorrente do atraso da obra, conforme orientação do Superior Tribunal de Justiça. 4. Nota-se que, no caso, os responsáveis pela entrega da obra não trouxeram nenhuma explicação plausível, a fim de justificar o descumprimento contratual, sobretudo porque os possíveis atrasos decorrente de fatos alheios às apelantes ou força maior, etc. já estão inclusos no prazo de tolerância contratualmente previsto, não sendo motivo suficiente para justificar tão elástico 5. Diante do descumprimento injustificado dos termos do contrato por parte da apelante, a rescisão da avença enseja a devolução integral dos valores pagos pelos compradores, não havendo como acolher a tese das apelantes de retenção de 25% do valor pago. 6. Quanto a devolução da comissão de corretagem, resolvido o contrato de promessa de compra e venda de imóvel por inadimplemento do vendedor, é cabível a restituição das partes ao status quo ante, com a devolução integral dos valores pagos pelo comprador, o que inclui a comissão de corretagem (AgInt no AREsp n. 2.119.524/PR, relator Ministro Raul Araújo, Quarta Turma, julgado em 5/6/2023, DJe de 13/6/2023). 7 . Melhor sorte não guardam as recorrentes quanto ao índice de correção monetária aplicável à espécie, pois, nos termos da cláusula 5.1 do contrato firmado entre as partes, Todas as parcelas que se vencerem até a disponibilização da unidade serão atualizadas, conforme Lei 10.192/01, de acordo com a variação do INCC-DI/FGV (Índice Nacional da Construção Civil), publicado mensalmente pela Fundação Getúlio Vargas, ou outro índice oficial que venha a substituí-lo, tomando-se por base para a primeira atualização o índice relativo ao segundo mês anterior ao de assinatura do presente Contrato, a contar da assinatura deste instrumento de contrato até o efetivo pagamento de cada parcela. No caso de negatividade do índice o valor da parcela permanecerá o mesmo da anterior. 8. Logo, tem-se que deve ser aplicado no caso o índice de correção acordado, qual seja, INCC, uma vez que o desejo de rescisão do contrato, por parte dos consumidores, decorreu do atraso injustificado e imoderado na entrega do empreendimento. 9. Diante da ausência de evidências que respaldem a conformidade da entrega da obra ou alguma justificativa plausível para o atraso, resta caracterizado o direito da parte em obter a rescisão do contrato de compra e venda por inadimplência do promitente vendedor, com as consequências diretas desse tipo de rescisão. A jurisprudência pátria vem se consolidando no sentido de que são devidos lucros cessantes no caso de demora excessiva na entrega do bem imóvel adquirido. 10. RECURSO CONHECIDO E DESPROVIDO. 	desde que quitado. Neste ponto, de fato, o juízo de origem deixou de se manifestar quanto à inversão da multa legal, bem como quanto à condenação por lucros cessantes. Apesar de a omissão configurar hipótese de sentença citra petita, passível de nulidade, cognoscível de ofício, entendo que não se faz necessária a devolução dos autos ao juízo de origem, uma vez que a causa já se encontra madura para julgamento, nos termos do art. 1.013, § 3º do CPC, sendo possível a apreciação e decisão acerca do pedido não analisado. Passando à análise da questão, portanto, o Superior Tribunal de Justiça, ao julgar o Tema 971, fixou a seguinte tese: No contrato de adesão firmado entre o comprador e a construtora/incorporadora, havendo previsão de cláusula penal apenas para o inadimplemento do adquirente, deverá ela ser considerada para a fixação da indenização pelo inadimplemento do vendedor. As obrigações heterogêneas (obrigações de fazer e de dar) serão convertidas em dinheiro, por arbitramento judicial. [Grifo nosso] A tese foi estabelecida sob o argumento de que, em face dos princípios gerais do direito, pelas normas de proteção ao consumidor e pelo imperativo de equidade " mostra-se abusiva a prática de estipular cláusula penal exclusivamente ao consumidor, para a hipótese de mora ou de inadimplemento contratual absoluto, ficando isento de tal reprimenda o fornecedor em situações de análogo descumprimento da avença". Contudo, conforme já mencionado, o contrato prevê também cláusula penal moratória aplicável ao inadimplemento das rés (atraso na obra), de modo que ambas as partes contratantes estariam sujeitas à obrigação de indenizar ou compensar a outra em caso de descumprimento contratual. Todavia, é patente o desequilíbrio entre as penalidades estipuladas, considerando que a cláusula penal imposta aos autores (consumidores), em razão de eventual atraso no pagamento, é significativamente mais onerosa do que aquela aplicável às partes rés (vendedoras), mesmo diante do atraso incontroverso na entrega do imóvel, que deveria ter ocorrido em março de 2015, mas só se concretizou em dezembro de 2016. Dessa forma, com o intuito de preservar o equilíbrio contratual e a função indenizatória da cláusula penal, admite-se a inversão da penalidade contratual originalmente imposta ao consumidor, quando esta se mostrar manifestamente desequilibrada ou abusiva, a fim de se alcançar uma compensação mais justa e proporcional. Importante pontuar que este entendimento encontra respaldo direto no Código de Defesa do Consumidor, especialmente no art. 51, IV e §1º, I, que considera nulas de pleno direito as cláusulas contratuais que: " estabeleçam obrigações consideradas iníquas, abusivas, que coloquem o consumidor em desvantagem exagerada, ou sejam incompatíveis com a boa-fé ou a equidade" e que " impliquem renúncia ou disposição de direitos inerentes à natureza do contrato, de modo a ameaçar seu objeto ou o equilíbrio contratual entre as partes". Assim, a manutenção da cláusula penal desproporcional que impõe ao consumidor penalidade mais severa do que aquela imposta ao fornecedor, em hipóteses análogas de inadimplemento, configura violação aos princípios da boa-fé objetiva, da função social do contrato e do equilíbrio contratual, norteadores das relações de consumo. No presente caso, a cláusula penal por atraso na obra foi estipulada em 0,2% ao mês sobre o valor do imóvel, desde que integralmente quitado, o que não restou comprovado nos autos. Ainda que fosse possível aplicar o percentual sobre o valor efetivamente pago pelos autores (R\$ 216.988,20), a multa mensal corresponderia a apenas R\$ 433,98, valor extremamente ínfimo, incapaz de cumprir a finalidade compensatória da cláusula penal. Ressalte-se, ademais, que os compradores anexaram aos autos anúncios de locação de unidades semelhantes ao imóvel adquirido, com valores mensais variando entre R\$ 3.500,00 e R\$ 3.900,00, o que reforça a insuficiência da penalidade contratualmente estipulada para reparar os prejuízos presumíveis do atraso. Por tais razões, entendo ser justa e adequada a inversão da cláusula penal legal de 2%, originalmente estipulada em desfavor dos consumidores, para que seja aplicada à parte vendedora, a título de indenização material correspondente ao período de atraso da obra. DANOS MORAIS DEVIDOS. RECURSOS CONHECIDOS, APELO AUTURAL PROVIDO E RECURSO ADESIVO DESPROVIDO. 2. Questão em discussão: Cinge-se a controvérsia recursal em verificar o acerto da sentença a quo que indeferiu o pedido de inversão da cláusula compensatória contra as requeridas, julgando parcialmente procedente o mérito da demanda, condenando as promovidas de forma solidária, ao pagamento de indenização por danos morais, pelo atraso na entrega do imóvel, no valor de R\$ 5.000,00 (cinco mil reais). A primeira apelante (autora) objetiva a inversão da cláusula penal compensatória com a condenação das promovidas a multa pela inadimplência, majoração dos danos morais e exclusão da multa por litigância de má-fé, ao passo que a empresa ré Andrade Furtado Empreendimento Imobiliário LTDA, segunda apelante, recorre do julgado para exclusão de sua responsabilidade pelo atraso na entrega do imóvel e, consequentemente, a condenação em danos morais. 3. Razões de decidir: Importante destacar que a relação entre as partes é, de fato, tipicamente consumerista, diante disso, aplica-se ao deslinde a responsabilidade objetiva da fornecedora do serviço, conforme artigo 14, caput, do CDC. O Superior Tribunal de Justiça consolidou o entendimento pela inversão a cláusula penal (compensatória) em favor do consumidor, para se determinar a indenização ante o inadimplemento do vendedor, em caso de atraso na entrega do imóvel, quando esta é estimada apenas para o comprador, conforme tese fixada no Tema Repetitivo nº 971. Para compensar os prejuízos presumíveis e equilibrar a relação de consumo entre as partes, compreendo ser suficiente a inversão da multa por inadimplência, prevista na Cláusula Sexta (item 6.1 - fl. 34), que prevê a aplicação de multa moratória de 2% (dois por cento) do débito, além da incidência de juros moratórios de 1% (um por cento) ao mês. 4. É cabível a fixação dos danos extrapatrimoniais, posto que é inegável que o atraso ultrapassou a razoabilidade, frustrando as legítimas expectativas da autora. Observo que, quanto aos danos morais, a sentença recorrida não merece qualquer reforma. 5. Dispositivo e tese: Conheço de ambos os recursos de apelação, para dar provimento a apelação autoral, invertendo a cláusula penal compensatória para condenar solidariamente as requeridas ao pagamento de multa contratual por inadimplência causada pela mora na entrega do imóvel, em 2% do valor atualizado do contrato, com incidência de juros de 1% ao mês a partir da citação e correção pelo IGPM desde da data limite para entrega do imóvel (30/03/2015); e para negar provimento ao recurso adesivo da promovida Andrade Furtado Empreendimento Imobiliário LTDA. Tema Repetitivo nº 971/STJ. Art. 14 do Código de Defesa do Consumidor. Art. 927 c/c art. 186 do Código Civil. 6. Recursos conhecidos, provido apelo da autora e desprovido apelo adesivo. 	Além disso, eventual condenação cumulativa aqui implicaria dupla penalização das rés, que já serão responsabilizadas pela devolução integral dos valores pagos pelos autores, bem como pela indenização por atraso na entrega da obra, mediante a inversão da cláusula penal de 2%, de forma a atender aos princípios da equidade e do equilíbrio contratual. Assim, mostra-se inviável o acolhimento do pedido de lucros cessantes, diante da função compensatória já exercida pela cláusula penal aplicada. PREFIXAÇÃO RAZOÁVEL, TOMANDO-SE EM CONTA O PERÍODO DE INADIMPLÊNCIA. CUMULAÇÃO COM LUCROS CESSANTES. 1.A tese a ser firmada, para efeito do art. 1.036 do CPC/2015, é a seguinte: A cláusula penal moratória tem a finalidade de indenizar pelo adimplemento tardio da obrigação, e, em regra, estabelecida em valor equivalente ao locativo, afasta-se sua cumulação com lucros cessantes. 2. No caso concreto, recurso especial não provido (REsp 1635428/SC e REsp 1498484/DF, Rel. Ministro LUIS FELIPE SALOMÃO, SEGUNDA SEÇÃO, julgado em 22/05/2019, DJe 25/06/2019) [Grifo nosso] Dessa forma, dou parcial provimento ao apelo dos autores, neste ponto, para condenar as rés, solidariamente, ao pagamento de multa no valor correspondente a 2% sobre o valor do imóvel, acrescida de juros de mora de 1% ao mês, por cada mês de atraso na entrega da obra. 3. Dos danos morais. No que diz respeito aos danos morais, a jurisprudência é firme no sentido de que o mero inadimplemento contratual não enseja dano extrapatrimonial, vez que o dissabor inerente à expectativa frustrada decorrente de simples inadimplemento contratual se insere no cotidiano das relações comerciais e não implica lesão à honra ou violação da dignidade humana. Acrescento que o c. Superior Tribunal de Justiça vem assentando que a caracterização do dano moral, em hipóteses com esta, não é presumida e não tem caráter absoluto, sendo imprescindível a análise do caso concreto para aferir a presença ou a ausência dessa espécie de dano. Isso porque o mero descumprimento contratual não enseja dano moral, devendo, para tanto, estar associado a outra circunstância excepcional que ocasione o dano. A propósito: REsp 1.640.085/RJ, AgInt no REsp 1.874.409/RJ e REsp 1.551.968/SP (recurso repetitivo). Na mesma toada é o posicionamento desta egrégia Primeira Câmara, de que apenas o atraso excessivo e desarrazoado extrapola o mero dissabor e causa abalo aos direitos da personalidade. No presente caso, observa-se que, inicialmente, a data proposta pela promovida para entrega do imóvel era março de 2015, tendo até setembro de 2015 para realizar a entrega por causa da prorrogação de 180 dias no contrato. Contudo, consta apenas informação de que foi concluída em dezembro de 2016, tendo as rés justificado o atraso em virtude de greves da construção civil, o que na realidade não justifica. Ora, ao prever prazo para conclusão de obras de imóvel negociado na planta, o contrato já deve considerar os infortúnios que porventura possam ocorrer durante o período das obras, inclusive greves dos operários da construção civil, não sendo razoável admitir a prorrogação por tempo indeterminado, como pretende a promovida. Nesse contexto, o atraso na entrega do imóvel revela circunstância excepcional que importa em significativa e anormal violação a direito da personalidade do promitente comprador, apto a ensejar indenização por danos morais. Em casos análogos ao dos autos, esta egrégia Câmara de Justiça tem entendido como razoável e proporcional a fixação da indenização entre R\$ 4.000,00 (quatro mil reais) e R\$ 6.000 (seis mil reais), em sua maioria. DANO MORAL CONFIGURADO.QUANTUM INDENIZATÓRIO PROPORCIONAL E RAZOÁVEL EM CONFORMIDADE COM OS PARÂMETROS DO TRIBUNAL. RECURSO CONHECIDO E PARCIALMENTE PROVIDO. SENTENÇA REFORMADA EM PARTE. Trata-se de recurso de Apelação Cível interposto por CREDMOBILE ASSESSORIA, CONSTRUÇÕES E SERVIÇOS LTDA, buscando a reforma de sentença prolatada pelo Juízo da 13ª Vara Cível da Comarca de Fortaleza, que julgou parcialmente procedentes os pleitos formulados na Ação de Indenização por Danos Morais e Materiais, ajuizada por WAGNER PEREIRA FALCÃO. O cerne da controvérsia recursal consiste em verificar se é devida a indenização por danos materiais em favor do recorrido, essa consubstanciada no ressarcimento dos valores pagos a título de taxa de evolução da obra e da inversão, em prol do consumidor, da cláusula penal prevista no contrato; bem como se restou configurada a incidência de danos morais ao autor em razão do atraso na entrega da unidade imobiliária, como questiona a parte promovida em seu apelo. De início, ressalto que, nos termos do entendimento jurisprudencial pátrio, não há abusividade na inclusão de cláusula de tolerância de 180 (cento e oitenta) dias nos compromissos de compra e venda firmado com o consumidor, a fim de contemplar as variáveis que envolvem a construção civil. No entanto, no presente caso, restou evidenciada a falha na prestação dos serviços e, por conseguinte, o inadimplemento contratual da empresa requerida, dado que o imóvel não foi entregue na data aprazada, extrapolando, inclusive, o prazo de tolerância em mais de um ano. Assim, resta configurada a responsabilidade civil pelo ato ilícito cometido. No que atine ao primeiro ponto, o recorrente alega que não é devido o ressarcimento dos valores dispendidos a título de taxa de evolução de obra, pois o atraso ocorrido não se deu por negligência ou culpa de sua parte, mais sim por motivos totalmente imprevisíveis, não cabendo ao recorrido a restituição, ainda que de forma simples, dos valores pagos pela evolução da obra, referente ao período de maio de 2013 a abril de 2015 (data de recebimento do imóvel), quando o autor tinha plena ciência que o empreendimento poderia ser recebido até abril de 2014, considerando a prorrogação de 180 dias. Convém evidenciar, neste momento, que não está em discussão a legalidade da cobrança da taxa de evolução de obra, mas, sim, a responsabilidade pelo seu pagamento, se deve recair sobre o promitente comprador ou sobre a promitente vendedora do bem. Sendo evidente a mora da apelante, é forçoso reconhecer que os encargos moratórios são de sua responsabilidade, e não do consumidor. A promitente vendedora deve ser responsabilizada pelo pagamento da taxa de evolução de obra quando descumpre o prazo para entrega do imóvel. Assim, pelo período que o autor foi privado do bem, isto é, durante o atraso (abril/2014 a abril/2015), a ré/apelante deve custear a taxa de juros de obra. Tema 996 do STJ: É ilícito cobrar do adquirente juros de obra ou outro encargo equivalente, após o prazo ajustado no contrato para a entrega das chaves da unidade autônoma, incluído o período de tolerância. Reforma nesse ponto a sentença apenas para fixar o termo inicial em abril de 2014 (data máxima da entrega, considerando o prazo de tolerância). Quanto à cláusula penal, o entendimento consolidado do c. Superior Tribunal de Justiça, sedimentado em sede de recursos repetitivos (Tema 971), é no sentido de ser devida a inversão dessa cláusula penal que prevê multa exclusivamente em benefício do fornecedor na hipótese de mora ou inadimplemento do consumidor, uma vez comprovado o atraso na entrega do imóvel. No caso, sendo incontestado o descumprimento contratual pela promovida, entendo prudente a inversão da cláusula penal em favor do consumidor, tendo em vista que o atraso na entrega do imóvel se deu por culpa exclusiva da apelante, conduta pela qual deve responder. Quanto aos danos morais, o atraso na entrega do imóvel por mais de um ano revela circunstância excepcional que importa em significativa e anormal violação a direito da personalidade do promitente comprador, apto a ensejar a referida indenização.Considerando as circunstâncias do caso concreto, sobretudo o valor do imóvel adquirido e o período de atraso, entendo que o montante de

	R\$ 4.000,00 (quatro mil reais) é razoável e proporcional para compensar o dano sofrido, além de atender o caráter pedagógico da medida a efeito de permitir reflexão das rés sobre a necessidade de atentar para critério de organização e métodos no sentido de evitar condutas lesivas aos interesses dos consumidores. Trata-se o caso dos autos de Ação de Resolução Contratual cumulada com indenização por danos morais ajuizada pela ora apelada em desfavor da apelante, cuja causa de pedir consistiu no atraso da entrega do empreendimento adquirido por ocasião do contrato de compra e venda, referente a um lote de nº 0001, quadra 002, no Reserva Eco Park, do loteamento Park Maracanaú, pelo valor total de R\$ 110.191,60 (Cento e Dez mil, cento e noventa e um Reais e Sessenta Centavos). O juiz de primeiro grau julgou procedentes os pedidos autorais, declarando a rescisão do contrato e determinando a devolução integral das parcelas adimplidas, devidamente corrigidas, além da devolução da comissão de corretagem e da multa contratual, bem como do pagamento de indenização por dano moral em R\$ 5.000,00 (cinco mil reais). 2. Inicialmente, vale lembrar que, em se tratando de uma relação de consumo, impõe-se, a responsabilidade solidária, perante o consumidor, de todos aqueles que tenham integrado a cadeia de prestação de serviço, em caso de defeito ou vício, sendo este o posicionamento do STJ, firmado, inclusive, em sede de julgamento de recurso repetitivo, pelo que a preliminar de ilegitimidade passiva suscitada na peça recursal deve ser rechaçada. 3. Considero incontroverso o fato de que houve atraso na conclusão da obra e transferência do empreendimento, que deveria ter sido entregue em meados de junho de 2016 (já considerando o prazo de tolerância), diante da confissão do Recorrente, em sede de contestação e de apelação, operada pela alegação dos motivos que levaram à mencionada delonga, tais como fortes chuvas e déficit de mão de obra da construção civil. 4. Por certo, os atrasos decorrentes de greves, ou fatores outros atinentes ao ramo da construção civil, chamados de fortuitos internos, compreendem riscos da própria atividade e integram o negócio empresarial, ficando o fornecedor responsável pelas suas consequências. E não por outra razão é que, ao ofertar o empreendimento com data certa de entrega, o construtor deve se precaver de todos os possíveis imprevistos, até mesmo porque o Código de Defesa do Consumidor é expresso ao determinar a vinculação do proponente à oferta, podendo, desta feita, ser estipulado prazo de tolerância para a entrega do imóvel, como aconteceu na espécie. 5. Resta evidenciada, então, a culpa exclusiva da empresa pela inadimplência contratual, ao atrasar injustificadamente a obra do imóvel, de sorte que a sua mora contratual autoriza o ressarcimento das perdas e danos ocasionados ao consumidor, de acordo com o art. 475 do CC. Vale dizer que, o atraso na entrega da obra do imóvel, aliada à perda do interesse da parte Autora na manutenção do contrato, torna plenamente cabível a rescisão do negócio jurídico nos termos do art. 475 do CC, deve aquele que deu causa à resolução contratual, na hipótese, a empresa, proceder à devolução integral dos valores comprovadamente pagos pelo empreendimento, com acréscimo de correção monetária e de juros moratórios. 6. Por outro lado, quanto à indenização por dano moral, em julgamento realizado em 4 de abril de 2021, esta col. Câmara de Direito Privado passou a entender que, em que pese o c. STJ já ter reconhecido a possibilidade de condenação de construtoras ao pagamento de indenização por danos extrapatrimoniais, em decorrência de atraso na entrega de imóvel, em diversos precedentes (ad exemplum: AgRg no AREsp 684.176/RJ, 4ª Turma, DJe 30/06/2015), com fundamento, principalmente, no direito à moradia, o mesmo órgão julgador também vem assentando que a caracterização do dano moral nessa hipótese não é presumida e não tem caráter absoluto, sendo imprescindível a

	análise do caso concreto para aferir a presença ou a ausência dessa espécie de dano. Isso porque o mero descumprimento contratual não enseja dano moral, devendo, para tanto, estar associado a outra circunstância excepcional que ocasione o dano. Na situação analisada, está ausente o dano moral, pois a parte autora não comprovou fato extraordinário capaz de provocar dano moral indenizável, não demonstrando, dentre outros fatores, que o imóvel destinava-se à sua moradia e de sua família. Assim, depreende-se que foram ocasionados ao consumidor apenas prejuízos de ordem econômica, decorrendo sua frustração unicamente do abalo patrimonial, e não moral. 7. Agravo interno conhecido e parcialmente provido, tão somente para excluir da condenação os danos morais. (Relator (a): HERACLITO VIEIRA DE SOUSA NETO; Comarca: Fortaleza; Órgão julgador: 10ª Vara Cível; Data do julgamento: 14/04/2021; Data de registro: 16/04/2021). Na situação analisada, está presente o dano moral, pois a parte autora demonstrou que o imóvel destinava-se à sua moradia e de sua família, pelo que a decisão do juízo que condenou o recorrente ao pagamento de indenização por dano moral não deve ser alterada, devendo o valor de R\$ 5.000,00 (cinco mil reais) ser mantido, por ser proporcional e condizente com o dano ocasionado. 7. De outro lado, cotejando a petição inicial, verifiquei que não houve pedido de devolução da comissão de corretagem, de modo que a sentença nesse aspecto é considerada extra petita, tendo decidido fora do pedido autoral proposto. 8. Recurso conhecido e parcialmente provido, para decotar da condenação a ordem de restituição da comissão de corretagem, permanecendo, no mais, os termos sentenciados, sobretudo em relação ao pagamento dos ônus sucumbenciais. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do recurso e dar-lhe parcial provimento, nos termos do voto do Relator. Desembargador(a) EMANUEL LEITE ALBUQUERQUE, 1ª Câmara Direito Privado, data do julgamento: 10/04/2024, data da publicação: 10/04/2024) [Grifo nosso] DIREITO CIVIL E DO CONSUMIDOR. APELAÇÃO CÍVEL. ATRASO NA ENTREGA DE IMÓVEL. RESPONSABILIDADE OBJETIVA DA CONSTRUTORA. CUMULAÇÃO DE CLÁUSULA PENAL COMPENSATÓRIA E LUCROS CESSANTES. DANOS MORAIS CONFIGURADOS. RECURSO DESPROVIDO. I. CASO EM EXAME 1. Apelação Cível interposta contra sentença que condenou, em ação de indenização por danos morais e materiais cumulada com cobrança de aluguéis, ao pagamento de (i) restituição dos aluguéis despendidos pela autora em razão do atraso na entrega do imóvel, (ii) penalidades contratuais pelo descumprimento da obrigação de entrega e (iii) indenização por danos morais no valor de R\$ 5.000,00, além de custas e honorários advocatícios. II. QUESTÃO EM DISCUSSÃO 2. Há três questões em discussão: (i) definir se há justificativa para o atraso na entrega do imóvel, considerando a pandemia de Covid-19; (ii) estabelecer se é cabível a cumulação da cláusula penal compensatória com lucros cessantes; e (iii) determinar se estão presentes os requisitos para a condenação por danos morais. III. RAZÕES DE DECIDIR 3. O fornecedor responde objetivamente pelos danos causados ao consumidor, nos termos do art. 14 do Código de Defesa do Consumidor, sendo suficiente a comprovação do dano e do nexo causal para que se configure a obrigação de indenizar. 4. O atraso na entrega do imóvel decorreu de culpa exclusiva da construtora, pois, mesmo considerando os efeitos da pandemia e os decretos estaduais que impuseram restrições temporárias à construção civil, o prazo máximo previsto contratualmente, incluindo o período de tolerância de 180 dias, foi ultrapassado sem justificativa idônea. 5. O prazo para entrega do imóvel não pode estar vinculado à obtenção de financiamento pelo comprador, conforme entendimento consolidado pelo STJ no REsp 1.729.593/SP, julgado sob a sistemática dos recursos repetitivos. 6. A cumulação da cláusula penal compensatória com lucros cessantes (aluguéis) é admitida, pois ambas possuem naturezas distintas: a cláusula penal visa compensar o inadimplemento, enquanto os lucros cessantes indenizam o prejuízo pelo atraso na entrega do imóvel, conforme entendimento fixado no REsp 1.614.721/DF, também sob a sistemática de recursos repetitivos. 7. O atraso prolongado na entrega do imóvel ultrapassa o mero inadimplemento contratual e configura dano moral indenizável, considerando o impacto negativo sobre a esfera pessoal e patrimonial do comprador, que teve sua expectativa frustrada. 8. O valor fixado para a indenização por danos morais em R\$ 5.000,00 observa os princípios da razoabilidade e proporcionalidade, estando alinhado à jurisprudência do

A cláusula penal compensatória pode ser cumulada com a indenização por lucros cessantes, pois possuem finalidades distintas. 3. O atraso excessivo e injustificado na entrega de imóvel adquirido na planta configura dano moral indenizável. ACÓRDÃO DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA Relator RELATÓRIO Trata-se de Agravo de Instrumento interposto por THIAGO DE ALENCAR NESS, contra decisão interlocutória prolatada pelo MM. Juiz de Direito da 4ª Vara de Família da Comarca de Fortaleza, em sede de AÇÃO DE REVISIONAL DE ALIMENTOS C/C PEDIDO DE TUTELA PROVISÓRIA DE URGÊNCIA movida pelo agravante em desfavor de B. P. de A. N., representado por N. P. P. Na decisão interlocutória agravada de fls. 205/209 (SAJ), dos autos de origem, o juiz de primeiro grau entendeu por indeferir o pedido formulado pela parte autora, ora agravante, nos seguintes termos: Compulsando os autos, não vislumbro, neste momento processual, elementos suficientes para o deferimento do pleito antecipatório, posto que inexistem provas que demonstrem a alteração da situação fática alegada, quanto ao binômio POSSIBILIDADE/NECESSIDADE. Nesse sentido, a jurisprudência: Posto isso, não patenteados os pressupostos legais aptos à concessão da tutela de urgência requestada, em vista do disposto no art. 300 do CPC, indefiro o pleito antecipatório formulado pela parte requerente na exordial. Inconformado com a decisão, o agravante interpôs o presente recurso, aduzindo a necessidade de revisão da prestação alimentícia anteriormente acordada na Ação de Alimentos nº 0200144-08.2024.8.06.0001, na qual o genitor, ora agravante, obrigou-se a pagar R\$ 3.500,00 (três mil e quinhentos reais) a título de pensão

	alimentícia. Para tanto, alega não ter condições de arcar com o valor anteriormente arbitrado e que não estão sendo levados em consideração os proventos da genitora. Requer, em sede de tutela de urgência, a diminuição da pensão alimentícia para R\$ 1.190,00 (um mil cento e noventa reais). Por fim, roga pela reforma da decisão agravada, para que seja mantida a tutela deferida. Decisão interlocutória ID 22564145, indeferindo o pedido de antecipação de tutela requerido. Sem contrarrazões, conforme certidão ID 22564155 (SAJ 61). Parecer do Órgão Ministerial ID 22564163, opinando pelo desprovemento do recurso em apreço. É o relatório. VOTO Inicialmente, quanto aos requisitos de admissibilidade recursal, intrínsecos e extrínsecos, cumpre observar que o presente recurso de agravo de instrumento deve ser conhecido. Insurgência admitida, a controvérsia recursal consiste em analisar a possibilidade de reforma ou não, da decisão interlocutória de primeiro grau que indeferiu o pedido de tutela de urgência que pretendia reduzir a pensão alimentícia de R\$ 3.500,00 para R\$ 1.190,00, ao fundamento de inexistirem elementos probatórios suficientes a evidenciar alteração superveniente do binômio possibilidade-necessidade. Dito isso, cumpre destacar, <i>a priori</i>, que a cognição deste Juízo <i>ad quem</i> se restringe à análise perfunctória da matéria, verificando-se o acerto ou não da decisão recorrida, em razão da estreita via do agravo de instrumento, que veda a incursão aprofundada e definitiva no mérito da ação originária, sob pena de incorrer-se em prejuízo e, por conseguinte, em supressão de uma instância jurisdicional. Nesse viés, impõe-se acentuar que a legislação processual civil estabelece como requisitos motivadores da concessão da tutela de urgência (1) a probabilidade do direito e (2) o perigo de dano ou o risco ao resultado útil do processo, nos termos do art. 300 do CPC. Nesse cenário, adiantando que a não merece ser acolhida. Nesse contexto, deve-se destacar que a obrigação alimentar é imputada aos genitores por força do disposto no artigo 1.703 do Código Civil, segundo o qual "para a manutenção dos filhos, os cônjuges separados judicialmente contribuirão na proporção de seus recursos", corroborado pelo artigo 227 da Constituição Federal. A legislação vigente estabelece como parâmetro para a estipulação da pensão alimentícia o binômio necessidade/possibilidade, segundo o qual a verba alimentar deve ser fixada com observância das necessidades do alimentando e das possibilidades do alimentante. À vista disto, impõe-se aferir não apenas se o titular de fato necessita dos alimentos e se o devedor tem condições de arcar com a verba arbitrada, mas, especialmente, fixar o valor que mais se aproxime do equilíbrio que a Lei tenciona. Na hipótese dos autos, apesar de se tratar de alimentos em favor de menores, cujas necessidades são presumidas, a parte agravante não comprovou sequer minimamente que necessita do valor pleiteado. Veja-se que da planilha de fl.

	04, com a qual tenta justificar a necessidade mensal no valor de R\$1.190,00 (um mil cento e noventa reais), trata apenas da escola e do plano de saúde do menor, sem contar as demais despesas que se tem com uma criança, como vestimenta, remédios e lazer. Ademais, deixou de apresentar comprovantes relativos a transporte escolar, mensalidade escolar, TV a cabo, transporte, plano de saúde, dentre outros. Neste passo, analisando os autos originários, assim como o presente recuso, sou levado a concordar com o Magistrado quanto à inexistência de elementos probatórios que sustentem as alegações do agravante de que houve alteração do status financeiro desde o estabelecimento da primeira pensão alimentícia. Some-se a isso o fato de que o agravante juntou imposto de renda onde consta a importância de R\$ 158.121,65 (cento e cinquenta e oito mil, cento e vinte e um reais e sessenta e cinco centavos) a título unicamente de aplicações financeiras. O que vai de encontro à narrativa do recurso. Portanto, não está presente o requisito da probabilidade do direito, pelo menos nesse momento processual, de prévia cognição, carecendo os autos de melhores elementos de prova, sendo indispensável ampla dilação probatória. Nesse sentido, cito jurisprudência deste TJCE: &#160; PROCESSUAL CIVIL. AGRAVO INTERNO EM AGRAVO DE INSTRUMENTO. DIREITO DE FAMÍLIA. ALIMENTOS PARA FILHA E PARA EX-CONJUGE. PENSIONAMENTO ENTRE EX-CÔNJUGES. EXCEPCIONALIDADE. INDEFERIDO. MAJORAÇÃO ALIMENTOS PROVISÓRIOS. INDEFERIDO. RECURSO IMPROVIDO. 1. Cuidam os presentes autos de agravo interno interposto por Maiara Nogueira Avelar, contra decisão interlocutória, de minha relatoria, que indeferiu o efeito suspensivo requested no agravo de instrumento nos autos principal nº 0637445-63.2020.8.06.0000 (fls. 488/494). 2. De início, quanto aos alimentos fixados para a filha do casal, ao menos por ora não está demonstrada a manifesta incompatibilidade entre a verba alimentar fixada e o trinômio possibilidade-necessidade-proporcionalidade. Destaca-se, que o art. 1.694, § 1º, do Código Civil, estabelece que, ao fixar os alimentos, o juiz deve observar o justo equilíbrio entre as necessidades do alimentando e a possibilidade econômica da alimentante. Não se vislumbra que o pagamento dos alimentos provisórios no percentual fixado cause prejuízo à alimentanda e esteja em desacordo com o trinômio possibilidade-necessidade proporcionalidade. 3. Compulsando os autos, observa-se que por mais que invoque ou procure realçar suas necessidades, estas não são suficientes para justificar a majoração se não há demonstração cabal da possibilidade do alimentante, mediante prova da alteração para melhor da sua situação econômica. Assim, não parece razoável, a alteração dos alimentos para o montante de 10 (dez) salários-mínimos, já que o alimentante não sobeja ter a capacidade financeira alegada pelas agravantes, sobretudo quando se analisa o contracheque de 09/2020 do agravado, fl. 468, o qual demonstra que o alimentante percebe uma remuneração de R\$ 13.439,00 (treze mil, quatrocentos e trinta e nove reais). 4. Quanto a pensão alimentícia a ex-cônjuge, o Superior Tribunal de Justiça sedimentou o entendimento de que a pensão deve ser medida excepcional e se caso deferida ser fixada com termo certo, possibilitando-lhe a manutenção pelos seus próprios meios. No caso em comento, respeitou-se tais premissas já que a agravante tem capacidade para se reinserir no mercado de trabalho, afinal é engenheira de pesca, e porque se apresenta em boas condições de saúde. 5. Ademais, conforme já exposto, a genitora/gravante não obstante estivesse separada de fato desde fevereiro de 2019, manejou a ação de divórcio em 14/08/2019 sem requerer obrigação alimentar ao seu ex-cônjuge, demonstrando não necessitar de auxílio deste para prover o seu sustento. Outrossim, os alimentos pleiteados pela varoa possuem caráter excepcional entre cônjuges, e apenas devem ser deferidos quando houver comprovada necessidade, que não se presume em casos que tais, sendo imprescindível maior dilação probatória, para que se apure corretamente o binômio paradigma do arbitramento. 6. Precedente do STJ. 7. Recurso conhecido, mas para negar-lhe provimento. Vistos, relatados e discutidos os presentes autos, acordam os Desembargadores da 2ª Câmara de Direito Privado do egrégio Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do agravo interno interposto, mas para negar-lhe provimento, nos termos do voto do relator. Acórdão	 PROCESSO: 0270246-89.2023.8.06.0001 - APELAÇÃO CÍVEL (198) APELANTE: CONSTRUTORA CARVALHO FERREIRA LTDA APELADO: BANCO BRADESCO S/A EMENTA: DIREITO PROCESSUAL CIVIL. APELAÇÃO CÍVEL. EMBARGOS À EXECUÇÃO. INDEFERIMENTO DE JUSTIÇA GRATUITA. AUSÊNCIA DE COMPROVAÇÃO DE HIPOSSUFICIÊNCIA ECONÔMICA. NÃO RECOLHIMENTO DAS CUSTAS PROCESSUAIS. CANCELAMENTO DA DISTRIBUIÇÃO E EXTINÇÃO DO PROCESSO SEM RESOLUÇÃO DO MÉRITO. RECURSO DESPROVIDO. I. CASO EM EXAME 1. Apelação Cível interposta por Construtora Carvalho Ferreira Ltda. contra sentença que, nos autos de Embargos à Execução, indeferiu o pedido de gratuidade da justiça, cancelou a distribuição com base no art. 290 do CPC e extinguiu o processo sem resolução do mérito, nos termos do art. 485, I, do CPC, em razão da ausência de comprovação do pagamento das custas processuais. II. QUESTÃO EM DISCUSSÃO 2. Há duas questões em discussão: (i) definir se a pessoa jurídica recorrente faz jus ao benefício da gratuidade da justiça; (ii) estabelecer se o cancelamento da distribuição e a extinção do processo sem resolução do mérito foram corretamente aplicados diante da ausência de comprovação da hipossuficiência e do não recolhimento das custas. RAZÕES DE DECIDIR 3. A gratuidade da justiça pode ser concedida tanto a pessoas naturais quanto a pessoas jurídicas, desde que comprovada a insuficiência de recursos, nos termos dos arts. 98 e 99 do CPC/2015. 4. A presunção de veracidade da declaração de hipossuficiência prevista no § 3º do art. 99 do CPC aplica-se exclusivamente às pessoas naturais, inexistindo presunção para as pessoas jurídicas, que devem comprovar documentalmente a alegada incapacidade financeira. 5. É ônus da parte que requer a gratuidade apresentar documentos que demonstrem sua impossibilidade de arcar com as custas e despesas processuais, não bastando mera alegação de insuficiência. 6. O juízo de origem oportunizou à parte apelante prazo para comprovação da hipossuficiência, nos termos do art. 99, § 2º, do CPC, observando os princípios do contraditório e da ampla defesa, mas a parte permaneceu inerte. 7. Diante da ausência de comprovação e do não recolhimento das custas, impõe-se o cancelamento da distribuição, nos termos do art. 290 do CPC, e a consequente extinção do processo sem resolução do mérito, nos termos do art. 485, I, do CPC. 8. A jurisprudência consolidada dos Tribunais confirma a legalidade do indeferimento do benefício e do cancelamento da distribuição quando a parte não comprova hipossuficiência nem recolhe as custas processuais (TJCE, APL nº 0153762-35.2016.8.06.0001; TJCE, Apelação Cível nº 0168829-74.2015.8.06.0001). DISPOSITIVO E TESE 9. Recurso desprovido. Tese de julgamento: 1. A pessoa jurídica deve comprovar documentalmente sua hipossuficiência econômica para a concessão da gratuidade da justiça, não se aplicando a presunção do art. 99, § 3º, do CPC. 2. A inércia da parte em comprovar a alegada insuficiência financeira autoriza o indeferimento da gratuidade e a manutenção da obrigação de recolher custas. 3. A ausência de pagamento das custas no prazo legal impõe o cancelamento da distribuição (art. 290 do CPC) e a extinção do processo sem resolução do mérito (art. 485, I, do CPC). 	impossibilidade de pagamento das custas processuais. Nesse sentido, é inviável a concessão da assistência judiciária gratuita à parte que não comprovar efetivamente a situação financeira deficitária que de fato a impossibilite de pagar as despesas do processo. Não basta mera alegação da falta de condições de suportar as custas do processo, sendo necessário que faça prova inequívoca acerca de impossibilidade de arcar com tais despesas. Verifica-se que o juízo de origem facultou à parte apelante prazo para a comprovação da alegada precariedade financeira, concedendo-lhe 15 (quinze) dias para emendar a inicial e apresentar os documentos que comprovem sua hipossuficiência, observando, assim, o disposto no mencionado § 2º do art. 99 do CPC/15 e, com isso, os princípios constitucionais do contraditório e da ampla defesa. Entretanto, a parte apelante se quedou inerte, o que levou o magistrado a acertadamente indeferir o benefício. Ademais, devidamente intimada, a parte recorrente não efetuou o recolhimento das custas, dado ensejo ao cancelamento da distribuição. Art. 290. Será cancelada a distribuição do feito se a parte, intimada na pessoa de seu advogado, não realizar o pagamento das custas e despesas de ingresso em 15 (quinze) dias. Acórdão	 PROCESSO: 0257087-50.2021.8.06.0001 - APELAÇÃO CÍVEL (198) APELANTE: ALLISON FELIPE MACIEL DE ARAUJO E OUTROS APELADO: ALBERTO MARCIANO GRANGEIRO PINHEIRO Ementa: DIREITO PROCESSUAL CIVIL E AMBIENTAL. APELAÇÃO CÍVEL. AÇÃO DE REINTEGRAÇÃO DE POSSE. ÁREA DE PRESERVAÇÃO PERMANENTE. AUSÊNCIA DE INTIMAÇÃO DO MINISTÉRIO PÚBLICO EM PRIMEIRO GRAU. NULIDADE CONFIGURADA. SENTENÇA ANULADA. RECURSO PREJUDICADO. I. CASO EM EXAME 1. Apelação cível interposta por Allison Felipe Maciel de Araújo e outros contra sentença da 13ª Vara Cível da Comarca de Fortaleza/CE, que julgou procedente a Ação de Reintegração de Posse ajuizada por Alberto Marciano Grangeiro Pinheiro e rejeitou a reconvenção. Os apelantes sustentam a nulidade da sentença por ausência de intimação da Prefeitura e do Ministério Público, tendo em vista tratar-se de área de preservação permanente. O Ministério Público em segundo grau opinou pela nulidade da sentença, em razão de não ter sido intimado para intervir em primeiro grau. II. QUESTÃO EM DISCUSSÃO 2. Há duas questões em discussão: (i) verificar se houve ofensa ao princípio da dialeticidade; (ii) definir se a ausência de intimação do Ministério Público em primeiro grau de jurisdição, em ação envolvendo área de preservação permanente, acarreta nulidade processual insanável. III. RAZÕES DE DECIDIR 3. O princípio da dialeticidade exige que as razões recursais guardem pertinência temática com os fundamentos da decisão impugnada, o que se verifica no caso concreto, razão pela qual se afasta a preliminar de não conhecimento do recurso. 4. O pedido de gratuidade da justiça, formulado em contestação e não apreciado em sentença, considera-se tacitamente deferido, nos termos da jurisprudência do STJ, autorizando o conhecimento do recurso sem preparo. 5. O Ministério Público possui função institucional de intervir em processos que envolvam interesse público e social, especialmente nas hipóteses previstas no art. 178, I e III, do CPC/2015, como as demandas relativas a áreas de preservação permanente. 6. A ausência de intimação do Ministério Público em primeiro grau, para manifestar-se em momento oportuno, caracteriza nulidade processual, nos termos do art. 279, caput e §§ 1º e 2º, do CPC/2015, por se tratar de vício que gera prejuízo à adequada fiscalização da ordem jurídica. 7. O parecer do Ministério Público em segundo grau, quando expressamente aponta prejuízo e requer a nulidade, não supre a ausência de intervenção obrigatória em primeira instância. 8. Precedentes do TJMG consolida o entendimento de que, em tais hipóteses, deve ser anulada a sentença e invalidados os atos processuais praticados a partir do momento em que o Parquet deveria ter sido intimado. IV. DISPOSITIVO E TESE 9. Sentença anulada. Recurso prejudicado. Tese de julgamento:

Contrarrrazões sob id. 23044956, alegando, preliminarmente, ofensa ao princípio da dialeticidade. No mérito, requer o improvimento do recurso. Diz-se que esse ônus decorre direta e imediatamente do princípio da dialeticidade, que sugere a necessidade de existência de pertinência temática entre as razões recursais e os fundamentos da decisão impugnada. </p> <p style="text-align: justify; text-indent: 8%;"> No presente caso, vê-se que as partes recorrentes se insurgiram de forma clara sobre os fundamentos da sentença adversada, explanando os motivos pelos quais entendem que deve ser objeto de reforma.&#160; </p> <p style="text-align: justify; text-indent: 8%;"> Cumprido, assim, com todos os elementos formais de admissibilidade do recurso, por estar clara a sua pretensão de ver reformada a sentença recorrida. </p> <p style="text-align: justify; text-indent: 8%;"> Diante disso, é de se rejeitar a preliminar apresentada. </p> <p style="text-align: justify; text-indent: 8%;"> Ademais, considerando que as partes apelantes requereram o benefício da justiça gratuita em sede de contestação e não tiveram seu pedido devidamente apreciado em sede de sentença, o entendimento do Superior Tribunal de Justiça (STJ) é no sentido de que "a ausência de manifestação do Judiciário quanto ao pedido de assistência judiciária gratuita leva à conclusão de seu deferimento tácito, a autorizar a interposição do recurso cabível sem o correspondente preparo [destacou-se]" (AgRg nos EAREsp n. 440.971/RS, Relator Ministro RAUL ARAÚJO, CORTE ESPECIAL, julgado em 3/2/2016, DJe 17/3/2016). </p> <p style="text-align: justify; text-indent: 8%;"> Isso posto, entendo pela concessão dos benefícios da justiça gratuita para as partes recorrentes.&#160; </p> <p style="text-align: justify; text-indent: 8%;"> Realizado o juízo de admissibilidade (análise dos pressupostos intrínsecos – atinentes à existência do direito de recorrer – e extrínsecos – atinentes ao seu exercício) e observo que todas as exigências legais foram cumpridas, razão pela qual conheço o recurso.&#160; </p> <p style="text-align: justify; text-indent: 8%;"> Passo ao juízo de mérito. </p> <p style="text-align: justify; text-indent: 8%;"> Rememorando-se os fatos, cuida-se de Ação de Reintegração de Posse com Pedido de Antecipação de Tutela ajuizada por Alberto Marciano Granjeiro Pinheiro, onde teve sentença prolatada pelo Juízo da 13ª Vara Cível da Comarca de Fortaleza, que julgou procedente a ação em questão. Ainda em sentença, foi rejeitada a reconvenção apresentada pelas partes, ora apelantes.&#160; </p> <p style="text-align: justify; text-indent: 8%;"> Em manifestação de id. 23044962, o representante do Ministério Público atuante neste tribunal, opinou pela nulidade da sentença em razão da demanda envolver área de preservação permanente e de propriedade de ente municipal, havendo consequente interesse público e social.&#160; </p> <p style="text-align: justify; text-indent: 8%;"> Ainda, restou alegado que o órgão em questão não foi intimado para se manifestar no primeiro grau, razão pela qual requer a desconstituição da sentença com a declaração de nulidade dos atos a partir do momento em que o membro ministerial deveria ter sido intimado, nos moldes do art. 279, caput e § 1º, do CPC/2015, adotando-se os expedientes de estilo, bem como para mandar proceder a intimação do ente municipal competente.&#160; </p> <p style="text-align: justify; text-indent: 8%;"> Dessa forma a questão

Tais oportunizações, basiladas no Código de Processo Civil, possibilita ao Parquet formular algum requerimento ou emitir alguma manifestação vital ao processo, possibilitando o exercício de sua função de intervir nos processos que envolvam área de preservação permanente.&#160; </p> <p style="text-align: justify; text-indent: 8%;"> Nesse sentido cumpre destacar os seguintes julgados: </p> <p style="text-align: justify; text-align: center;">

	Pereira. O embargante sustenta obscuridade e omissão na fixação dos honorários advocatícios, afirmando que estes foram arbitrados sobre o valor da causa, em desacordo com o art. 85, § 2º, do CPC, que prevê como parâmetro o valor da condenação ou do proveito econômico obtido. II. QUESTÃO EM DISCUSSÃO A questão em discussão consiste em verificar se o acórdão embargado incorreu em erro material ao fixar a base de cálculo dos honorários advocatícios sucumbenciais sobre o valor da causa, em vez de sobre o valor atualizado da condenação. III. RAZÕES DE DECIDIR Os embargos de declaração destinam-se a sanar obscuridade, contradição, omissão ou erro material, nos termos do art. 1.022 do CPC.

Acórdão	 ESTADO DO CEARÁ PODER JUDICIÁRIO TRIBUNAL DE JUSTIÇA PRIMEIRA CÂMARA DE DIREITO PRIVADO DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA PROCESSO: 0003909-53.2014.8.06.0087 - 160; APELAÇÃO CÍVEL (198) APELANTE: JOSE TARCISIO DE PAULA APELADO: RITA LEONOR IBIAPINA DE SOUSA, LUCIO OLIVEIRA DE CARVALHO JUNIOR, GLENDA EVELYN OLIVEIRA LIMA, ANTONIO RIBEIRO DE MOURA, ANTONIA RODRIGUES MOURA, JOSE AURELITO DE SOUSA Ementa DIREITO CIVIL E PROCESSUAL CIVIL. APELAÇÃO CÍVEL. AÇÃO DE USUCAPÃO EXTRAORDINÁRIA. REQUISITOS LEGAIS. POSSE MANSA, PACÍFICA, ININTERRUPTA E COM ANIMUS DOMINI POR 15 ANOS. NÃO COMPROVAÇÃO. ÔNUS PROBATÓRIO DO AUTOR. DELIMITAÇÃO INADEQUADA DA ÁREA. MANUTENÇÃO DA SENTENÇA. RECURSO DESPROVIDO. I. CASO EM EXAME Apeleção cível interposta por Francisca Sousa de Paula e José Tarcísio de Paula contra sentença da Vara Única da Comarca de Ibiapina/CE, que julgou improcedente ação de usucapião extraordinária sobre imóvel rural de 2,59 hectares, situado no Sítio Paratibe. Os apelantes alegam posse desde 1992, demonstrada por comprovantes de ITR, sustentando que a ausência de benfeitorias não descaracterizaria a posse e que a faixa de terra litigiosa constituiria sobra hereditária mantida sob sua guarda. II. QUESTÃO EM DISCUSSÃO Há duas questões em discussão: (i) verificar se os autores comprovaram os requisitos da usucapião extraordinária previstos no art. 1.238 do Código Civil, especialmente a posse contínua, ininterrupta, pacífica e com animus domini pelo prazo mínimo de 15 anos; (ii) definir se a ausência de delimitação precisa e incontroversa da área usucapienda impede o reconhecimento da prescrição aquisitiva. III. RAZÕES DE DECIDIR A usucapião extraordinária exige posse ininterrupta, mansa, pacífica e com ânimo de dono por 15 anos, independentemente de justo título e boa-fé, cabendo ao autor o ônus de demonstrar tais requisitos (CPC, art. 373, I). O pagamento de tributos, como o ITR, não comprova por si só o exercício da posse qualificada exigida pela lei para aquisição originária da propriedade. A oposição expressa de terceiros, acompanhada de matrículas e escrituras que abrangem a área em litígio, descaracteriza a posse pacífica e inquestionada dos apelantes. A prova oral colhida apresenta contradições e não atesta de forma convincente o exercício da posse com animus domini pelo período legal. A delimitação imprecisa da área pretendida, inicialmente superior e posteriormente retificada, compromete a segurança jurídica e impede a declaração de usucapião, sendo necessária discriminação exata de limites e confrontações.

	Fortaleza, data da assinatura eletrônica. JOSÉ RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA Relator RELATÓRIO &#160; Trata-se de Apelação Cível interposta por FRANCISCA SOUSA DE PAULA e JOSÉ TARCÍSIO DE PAULA, contra sentença proferida pelo juízo da Vara Única da Comarca de Ibiapina/Ce, que julgou improcedente a presente ação de usucapião ajuizada pelo apelante apelante s/apelante referente a um imóvel localizado no Sítio Paratibe, zona rural de Ibiapina-CE, com área total de 2,59 hectares. Eis trechos da sentença impugnada: “ (...) Consta na matrícula nº 1801, de fls. 91/95, que a autora FRANCISCA SOUSA DE PAULA cedeu aos contestantes JOSÉ AURELITO DE SOUSA E LUCIO OLIVEIRA DE CARVALHO JUNIOR, os direitos hereditários, seu e de seus irmãos – dos quais recebeu procuração específica para tal –, relativo à parte do Sítio Paratibe ora em litígio, deixado pelos finados pais da requerente: Sr. Pedro Calixto de Sousa e sua esposa Sra. Maria Ferreira da Silva. Por sua vez, a nova área delimitada pelo perito à fl. 183 se encontra também inserida dentro de imóvel albergado por escritura pública, no caso, a de nº 1871, em área de propriedade do contestante ANTONIO RIBEIRO DE MOURA, que acusa ainda a construção de uma cerca indevida no local, pela parte autora. Nessa toada, não há nos autos prova de que os requerentes tenham ocupado o imóvel em liça como seu, de forma pública e sem oposição, produzido alimentos ou feito benfeitorias no local. Ademais, os autores sequer moram na área pretendida, a qual, pelas fotos carreadas com o laudo pericial, não passa de um terreno baldio, desocupado. Por fim, impende dizer que desde a exordial, assim como ao longo de todo o processo, a parte autora foi vacilante no pretensão direito: não apresentou nenhum documento legítimo que justificasse a alegada posse; não delimitou adequadamente o imóvel usucapitando, pleiteando inicialmente área muito superior àquela finalmente definida pelo perito; não contraditou em sua réplica as escrituras públicas trazidas pelos contestantes; os depoimentos pessoais e testemunhais foram dúbios. Enfim, a parte autora não provou o fato constitutivo de seu direito, ônus que lhe cabia, ex vi do disposto no art. 373, I do CPC. O conjunto probatório coligido nos autos, portanto, afasta a tese autoral da posse ad usucapionem, não logrando a parte autora demonstrar que possui o bem imóvel usucapiendo com ânimo de dono (animus domini), de modo contínuo e sem oposição, por período superior ao prazo legal de 15 anos, afastando-se a prescrição aquisitiva em tela, exigida pelo art. 1.238, do Código Civil.

	da ação de usucapião extraordinária promovida pela parte autora/apelante. Afirma a recorrente que todos os elementos exigidos para a conversão da posse em domínio estariam caracterizados nos autos e que a sentença a quo deve ser reformada, vez que, os comprovantes de pagamentos do ITR de 4,5ha de terra no sítio Paratibe, a partir do ano de 1992, comprovam a posse da terra pelos apelantes lugar, bem com, que a faixa de terra objeto da presente ação é uma pequena sobra que sempre lhes pertenceu e foi mantida e preservada. Indagam ainda os recorrentes que o fato de não terem edificado benfeitorias no terreno não descaracteriza o exercício da posse, pois há várias formas de se externar o exercício da mesma, pois, o que ocorreu foi um erro do técnico na elaboração da planta, que foi retificada com área consideravelmente menor. Da análise dos elementos contidos nos autos, contudo, entendo que a pretensão dos apelantes não merecem prosperar. Explico, a seguir. A propriedade é um direito constitucional, descrito no Inciso XXII, do Artigo 5º, da Constituição Federal de 1988, elevado a direito fundamental do indivíduo. A legislação, assim, possibilita a ampliação de sua aquisição de forma originária, através da posse continuada, pelo decurso do tempo, vinculados aos pressupostos da lei, dentre eles a usucapião extraordinário, modalidade intentada pela autora/apelante nestes autos. Assim, o pedido de usucapião, por constituir forma originária de aquisição de propriedade, deve vir acompanhado de todos os requisitos legais autorizadores, ou seja, a posse ininterrupta sobre o imóvel, sem oposição e com ânimo de dono, além do lapso temporal de 15 (quinze) anos, independentemente de justo título e boa-fé. Na falta de comprovação de qualquer um desses pressupostos, impõe-se o julgamento improcedente a pretensão. Nesse contexto, a sentença encontra-se irretocável. O feito foi devidamente instruído, convencendo-se o juízo a quo, assim como esta relatoria, da ausência de comprovação suficiente dos pressupostos insertos artigo 1.238 do Código Civil, imprescindíveis à declaração do domínio da coisa, in verbis: Art. 1.238. Aquele que, por quinze anos, sem interrupção, nem oposição, possuir como seu um imóvel, adquire-lhe a propriedade, independentemente de título e boa-fé; podendo requerer ao juiz que assim o declare por sentença, a qual servirá de título para o registro no Cartório de Registro de Imóveis. Oportuno ressaltar que, diferentemente do que alegam os recorrentes, não houve engano do juízo a quo no julgamento do feito, vez que, conquanto insista a parte autora/apelante em afirmar que tem a sua posse mansa e pacífica com <i>animus domini</i> sobre o imóvel usucapiendo, a prova colhida nos autos não se mostra suficiente para, com a certeza necessária, atestar o período e a qualidade de posse exigidos pela legislação para o reconhecimento da procedência do pleito exordial. Com efeito, extrai-se dos autos que a documentação acostada pela parte autora/apelante não comprova a posse ininterrupta do imóvel reivindicado pelo período de 15 anos, tendo em vista que o feito foi contestado por Antonio Ribeiro de Moura e sua esposa, Antonia Rodrigues Moura, José Aurelito de Sousa e sua esposa Rita Leonor Ibiapina de Sousa, e Lucio Oliveira de Carvalho Junior e sua esposa Glenda Evelyn Oliveira Lima, que manifestaram oposição à pretensão dos autores, fazendo a juntada das respectivas matrículas de imóveis que abarcam toda a área usucapienda, conforme delimitada pelo perito judicial. Consta nos autos na matrícula nº 1801 (ID. 23092897 - 23092900), escritura de cessão de direitos hereditários (ID. 23092901 – 23092904), escritura pública de inventário e partilha (ID. 23092905 – 23092908), que o imóvel em questão foi cedido pela autora Francisca Sousa de Paula e seus irmão aos contestantes José Aurelito de Sousa e Lúcio Oliveira de Carvalho Junior, os direitos hereditários, relativos à parte do Sítio Paratibe ora em litígio, deixado pelos finados pais da requerente: Sr. Pedro Calixto de Sousa e sua esposa Sra. Maria Ferreira da Silva. Desta forma, não há nos autos prova de que os requerentes tenham ocupado o imóvel em liça como seu, de

	forma pública e sem oposição, produzindo ou realizando benfeitorias no local, vez que, sequer residem na área pretendida, não apresentando nenhum documento legítimo que justificasse a alegada posse, ou mesmo, delimitasse adequadamente o imóvel usucapindo, tendo em vista que pleiteou inicialmente área muito superior àquela finalmente definida pelo perito, além de não ter impugnado em sua réplica os documentos trazidos pelos contestantes escrituras públicas trazidas pelos contestantes. A precisão na definição do imóvel a ser usucapido é de suma importância para assegurar a segurança jurídica e a estabilidade nas relações patrimoniais, evitando conflitos futuros e garantindo a efetividade ao instituto, em que pese a natureza erga omnes do direito em análise. Com efeito, sendo essencial a demarcação correta e segura do imóvel, sua ausência in casu, implica na ineficácia do processo de usucapião, uma vez que poderá levar a equívocos, prejudicando terceiros de boa-fé, aproveitando-se ao possuidor que não é proprietário. Dessa forma, ainda que a área tenha sido objeto de memorial descritivo, mapa e ART apresentados pela parte autora, é certo que referidos documentos foram produzidos de forma unilateral e parcial, não possuindo força probatória suficiente para afastar as provas da posse produzidas pela parte ré quanto a parte do imóvel usucapiendo. É cediço que existindo a confusão dos limites, nasce o direito à actio finium regundorum aos proprietários confinantes, devendo a questão ser decidida por meio da ação própria, isto é, através da demarcatória devidamente proposta pelos agora apelantes em desfavor dos apelados. Nesse sentido: EMENTA: APELAÇÃO CÍVEL - AÇÃO DE USUCAPIÃO - IMÓVEL RURAL - DELIMITAÇÃO EXATA DA ÁREA OCUPADA PELA PARTE AUTORA - NÃO COMPROVAÇÃO. Não tendo a parte autora comprovado, de forma sólida e incontroversa, nos termos do art. 373, I do CPC, a ocupação de forma mansa e pacífica, pelo lapso temporal exigido, da integralidade da área específica e exata descrita no memorial descritivo acostado ao feito, sem qualquer lacuna que pudesse dar azo ao questionamento quanto a eventual invasão de terreno alheio, ausentes os requisitos mínimos necessários para a configuração da usucapião pretendida. EMENTA: APELAÇÃO - USUCAPIÃO EXTRAORDINÁRIA - MANUTENÇÃO DA SENTENÇA - IMPOSSIBILIDADE - AUSÊNCIA DE DELIMITAÇÃO PRECISA DA ÁREA USUCAPIENDA - REQUISITO OBRIGATÓRIO. A usucapião é um modo originário de aquisição de propriedade e seu reconhecimento pressupõe a demonstração da posse mansa e pacífica, que deve ser exercida com animus domini; do lapso de tempo; da continuidade e da publicidade. 2. A declaração de usucapião deve ser limitada à área sobre a qual o demandante efetivamente comprovou o exercício da posse mansa, pacífica e ininterrupta. Não se pode reconhecer o domínio, por usucapião, de imóvel rural que não esteja devidamente discriminado por suas áreas, limites e confrontações. NÃO COMPROVAÇÃO (ART. 1.238 DO CÓDIGO CIVIL). PARTE QUE NÃO SE DESINCUMBIU DO ÔNUS PROBATÓRIO ACERCA DO REQUISITO TEMPORAL. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA. 1. O cerne da controvérsia cinge-se a analisar se restaram preenchidos os requisitos para a prescrição aquisitiva do imóvel reivindicado na exordial da ação de usucapião extraordinária promovida pela autora/apelante. 2. O pedido de usucapião, por constituir forma originária de aquisição de propriedade, nos termos do art. 1.238 do Código Civil, deve vir acompanhado de todos os requisitos legais autorizadores, ou seja, a posse ininterrupta sobre o imóvel, sem oposição e com ânimo de dono, além do lapso temporal de 15 (quinze) anos, independentemente de justo título e boa-fé. 3. Diferentemente do que alega a recorrente, não houve engano do juízo a quo no julgamento do feito. Conforme se observa da inicial, a autora/apelante intentou a aquisição do imóvel reivindicado através da modalidade usucapião extraordinária, fundamentada no art. 1.238 do Código Civil, e não da modalidade usucapião especial urbana fundamentada no art. 1.240. 4. Ademais, conquanto insista a autora/apelante em afirmar que tem a sua posse mansa e pacífica, com animus domini, sobre o imóvel usucapiendo, a prova colhida nos autos não se mostra suficiente para se atestar, com a certeza necessária, o período e a qualidade de posse exigidos pela legislação para o reconhecimento da procedência do pleito exordial. 5. Na inicial, o documento mais antigo juntado pela autora (ação de investigação de paternidade e procuração - fls. 22/25) data de 17/07/2000, já o segundo documento mais antigo (contrato de abertura de crédito ç fls. 26/30) data de 09/03/2009, o que demonstra haver um lapso temporal de 08 anos em que a recorrente não comprova a posse do bem. O mesmo ocorre também em relação ao período compreendido entre os anos de 2014 e 2017. 6. Frise-se, ainda, que os documentos referentes ao ano de 2019 (comprovante de inscrição do contribuinte ç fl. 18, certidão negativa de IPTU ç fl. 19 e certidão negativa de débitos municipais ç fl. 20) estão no nome da mãe adotiva da recorrente, tendo apenas uma fatura de energia elétrica (fl. 21) na titularidade da autora. 7. Assim, ainda que fosse aplicado ao caso o instituto da accessio possessionis,&#160;não haveria comprovação da posse ininterrupta pelo prazo de 15 anos, dado que só existem documentos em titularidade da mãe adotiva da recorrente relativos ao ano de 2019, ano em que ação em análise foi ajuizada. 8. Por fim, ressalte-se que, conforme petição de fls. 97/98, a recorrente abriu mão da inauguração da fase probatória e da produção de prova oral, por entender que os documentos já acostados aos autos eram suficientes para o deslinde da questão. 9. Não tendo a apelante/autora logrado êxito em provar de forma satisfatória o fato constitutivo de seu direito (artigo 373, I do CPC), ou seja, a posse, mansa, pacífica, ininterrupta e com o ânimo de dono pelo tempo exigido legalmente, impõe-se rejeitar a pretensão da prescrição aquisitiva. 10. 	CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA. 1. O cerne da demanda ora emapreço cinge-se em analisar o adimplemento pela parte autora/recorrente dos pressupostos insculpidos no artigo 1.238, do Código Civil, para fins de aquisição da propriedade do imóvel descrito nos autos, mediante a Usucapião Extraordinária. 2. A usucapião extraordinária é aquela prevista no artigo 1.238, do Código Civil, segundo o qual "aquele que, por quinze anos, sem interrupção, nem oposição, possuir como seu um imóvel, adquire-lhe a propriedade, independentemente de título e boa-fé; podendo requerer ao juiz que assim o declare por sentença, a qual servirá de título para o registro no Cartório de Registro de Imóveis". 3. Em que pesem as alegações recursais dos apelantes, entendo que fora correta a conclusão exarada pelo magistrado sentenciante de primeiro grau, uma vez que os requisitos necessários para a aquisição de imóvel pela usucapião extraordinária não restaram demonstrados. 4. Desse modo, compulsando os autos e analisando o acervo probatório colacionado, observo que há, no caso, indício de posse pelos apelantes, conforme a documentação referente ao pagamento do tributo incidente sobre o bem e a declaração de cadastro de imóvel perante o Município de Redenção, contudo, ausente, para o caso, a demonstração do lapso temporal exigido por lei e a qualidade da posse, uma vez que os documentos citados e demais juntados não fazem prova nesse sentido. 5. Em casos tais, como explanado na sentença de primeiro grau, a prova testemunhal torna-se crucial para a demonstração de situações fáticas e lastros temporais. Rememoro que era dever do requerente demonstrar no feito a decorrência do período de 15 anos como possuidor do imóvel com o ânimo de proprietário. 6. Entretanto, conforme petição de fls. 190/191, os recorrentes abriram mão da inauguração da fase probatória e da produção de prova oral. Entenderam os autores que os documentos já acostados aos autos eram suficientes para o deslinde da questão, já estando anexadas todas as provas necessárias para o deferimento meritório. 7. Porém, reforço que, ante a ausência de negócio jurídico formal/escrito que estabelecesse a tradição da coisa, bem como que demarcasse a origem e o início da posse, resultava essencial a produção de prova oral para o estabelecimento de tais premissas. 8. Em arremate, esclareço ainda que a ausência de oposição de terceiros é requisito configurador do instituto, dessa maneira, a revelia, apesar de trazer ao caso presunção de veracidade dos fatos alegados na exordial, não retira o dever do autor de comprovar a constituição do seu direito, seja por determinação legal (CC, art. 1.238), seja pela necessidade de evidenciar a verossimilhança das afirmações (CPC, art. 345, IV). 9. Em outras palavras, ainda que operante os efeitos da revelia, o requerente não está desobrigado a mostrar na demanda a configuração de todos os requisitos necessários para a aquisição originária do bem imóvel através da usucapião extraordinária. 10. Portanto, tendo em vista a não comprovação do preenchimento dos requisitos legais, não merece acolhimento a tese recursal, devendo ser mantida incólume a sentença recorrida, que obistou o deferimento da usucapião pleiteada. 11. Recurso conhecido e desprovido. No intuito da reforma, argumenta-se, em preliminar, com a necessidade de regularização do feito, uma vez que foi apresentada contestação desacompanhada do instrumento de mandato, além de que, apesar da informação acerca do falecimento de Nellie Nogueira Assunção Araújo, dos autos não consta a respectiva certidão de óbito. No mérito, sustenta-se que os pressupostos das usucapião extraordinária estão devidamente comprovados, desinfluyente a tese da existência de enfiteuse. - A declaração de usucapião, forma de aquisição originária, depende de lastro probatório consistente. - Dos autos não constam provas indicativas do lapso temporal da usucapião extraordinária. A Apelante, ouvida em audiência, pouco disse sobre o imóvel. - Assim, tendo em vista que a preliminar suscitada na Apelação traduz preocupação com a existência, ou não, de revelia, tem-se o seu prejuízo no que se afasta a pretensão autoral por ausência de provas porquanto não se cogita de qualquer ônus da parte demandada. Para se vencer uma demanda processual, a citação não é imprescindível, bastando chamar ao comento a possibilidade de julgamento de improcedência liminar do pleito. - Apelação conhecida e não provida. Na usucapião extraordinária mostra-se absolutamente indispensável a comprovação efetiva da posse do imóvel ora usucapiendo. No caso, há de fato considerável lapso temporal sem nenhuma comprovação da perseguida posse, nem mesmo a título documental, a fim de conferir a segurança jurídica na pretensão da prescrição aquisitiva, para observância aos efeitos erga omnes de que goza a natureza da ação. [Destaquei] O pedido de usucapião, por constituir forma originária de aquisição de propriedade, deve vir acompanhado de todos os requisitos legais autorizados expostos na norma de regência, qual seja do art. 1.238, do Código Civil. Para tanto, há de estar presente a prova inequívoca da posse, elemento essencial ao reconhecimento do direito pleiteado, de forma ininterrupta e com ânimo de dono, pelo prazo previsto em lei, o que não foi observado no caso. Assim, tendo em vista a não comprovação do preenchimento dos requisitos legais, não merece acolhimento a tese recursal, devendo ser mantida incólume a sentença recorrida, que obistou o deferimento da usucapião pleiteada. Acórdão	 PROCESSO: 0200946-47.2022.8.06.0107 - APELAÇÃO CÍVEL (198) APELANTE: BANCO BRADESCO S/A APELADO: JOSEFA NOGUEIRA LOPES EMENTA: DIREITO PROCESSUAL CIVIL. EMBARGOS DE DECLARAÇÃO EM APELAÇÃO CÍVEL. ALEGAÇÃO DE OMISSÃO QUANTO À COMPENSAÇÃO DE VALORES. INEXISTÊNCIA DE VÍCIOS DO ART. 1.022 DO CPC. MERA REDISCUSSÃO DA MATÉRIA. EMBARGOS CONHECIDOS E DESPROVIDOS. I. CASO EM EXAME: Embargos de declaração opostos por Banco Bradesco S/A contra acórdão que, ao julgar apelação cível, negou provimento ao recurso. O embargante alega omissão do julgado quanto à compensação de valores, sustentando que houve crédito liberado em favor da parte autora em razão de empréstimo, e requer o acolhimento do recurso para sanar o vício apontado. II. QUESTÃO EM DISCUSSÃO: A questão em discussão consiste em verificar se o acórdão embargado incorreu em omissão por não apreciar expressamente a possibilidade de compensação de valores decorrentes de empréstimo bancário. RAZÕES DE DECIDIR: O art. 1.022 do CPC limita o cabimento dos embargos de declaração às hipóteses de omissão, obscuridade, contradição ou erro material, não se prestando à rediscussão da matéria julgada. O acórdão embargado enfrentou expressamente a questão da compensação de valores, concluindo que os prints das telas de seus sistemas não se prestam para comprovar a regularidade da celebração do pacto ou mesmo da disponibilização do numerário em conta do recorrido.

Fortaleza, data da assinatura eletrônica. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA Relator RELATÓRIO Trata-se de Embargos de Declaração opostos por Banco Bradesco S/A, em face do acórdão proferido por esta eg. 1ª Câmara de Direito Privado ID 23150570, que ao analisar o recurso de Apelação Cível interposto pelo ora embargante, conheceu do recurso e negou-lhe provimento. O embargante alega, em suas razões recursais ID 23151243, que o acórdão incorre em omissão por supostamente não esclarecer de forma expressa se há compensação, visto que houve crédito liberado em favor da parte autora pelo réu em razão do empréstimo. Por fim, requer a parte embargante que sejam os presentes embargos acolhidos e providos, para sanar o vício apontado. Sem contrarrazões, ID 23150586. É o relatório. VOTO O recurso de embargos de declaração está regulamentado no Código de Processo Civil, em seu art. 1022, o qual transcrevo: Art. 1.022. Cabem embargos de declaração contra qualquer decisão judicial para: I – esclarecer obscuridade ou eliminar contradição;

Processo	0200946-47.2022.8.06.0107
	style="font-size: small;">II – suprir omissão de ponto ou questão sobre o qual devia se pronunciar o juiz de ofício ou a requerimento; class="Standarduser" style="margin-left: 4cm; text-align: justify;">III – corrigir erro material. class="Standard" style="text-align: justify; break-after: avoid;">quanto às hipóteses de cabimento dos embargos de declaração, Luiz Guilherme Marinoni, Sérgio Cruz Arenhart e Daniel Mitidiero, lecionam que quanto às hipóteses de cabimento dos embargos de declaração, Luiz Guilherme Marinoni, Sérgio Cruz Arenhart e Daniel Mitidiero, lecionam que Obscureza. A obscuridade é a decisão a que falta clareza. A obscuridade concerne à redação da decisão. A obscuridade compromete a adequada compreensão da ideia exposta na decisão judicial. Contradição. A decisão é contraditória quando encerra duas ou mais proposições ou dois ou mais enunciados inconciliáveis. A contradição ocorre entre proposições e os enunciados que se encontram dentro da mesma decisão. Omissão. A apreciação que o órgão jurisdicional deve fazer dos fundamentos levantados pelas partes em seus arrazoados tem de ser completa (art. 489, § 1º, IV, CPC). Vale dizer: a motivação da decisão deve ser completa – razão pela qual cabem embargos declaratórios quando for omitido 'ponto sobre o qual devia se pronunciar-se o juiz de ofício ou a requerimento' (art. 1.022, II, CPC). Erro material. Cabem embargos de declaração para sanção de erro material, assim entendidos os erros de cálculos e as inexatidões materiais (art. 494, I, CPC). Erro de cálculo consiste no erro aritmético (não se confunde, porém, com o erro quanto a critério de cálculo ou elementos do cálculo, que constituem erros de julgamento a respeito do cálculo). Inexatidão material constitui erro na redação da decisão – e não no julgamento nela expresso. (Novo Código de Processo Civil Comentado. São Paulo: Editora Revista dos Tribunais, 2015. págs. 953/954). Com efeito, tendo por base os mencionados conceitos, considera-se omissa a decisão que não se manifestar sobre um pedido, acerca de argumentos relevantes lançados pelas partes e em relação a questões de ordem pública, cognoscíveis de ofício pelo magistrado. Por outro lado, é obscura a decisão quando for ininteligível, faltar clareza e precisão suficiente a não permitir a certeza jurídica a respeito das questões resolvidas. Contraditória é a decisão que contiver proposições inconciliáveis entre si, de maneira que a afirmação de uma logicamente significará a negação da outra. Finalmente, erro material é aquele manifesto, sobre o qual não pode haver dúvida a respeito do desacerto do decisor como, <i>verbi gratia</i>, equívoco na redação. Nesse contexto, o recurso de embargos de declaração é espécie recursal de fundamentação vinculada, específica, de sorte que somente é admissível nos casos apontados anteriormente. Analisando a irresignação do embargante, nota-se que a pretensão expendida nas suas razões recursais é tão somente a rediscussão da matéria. No caso em foco, a bem da verdade, constata-se que é inviável o manejo dos Embargos Declaratórios com o fim de rediscutir questões tratadas e devidamente fundamentadas na decisão recorrida, haja vista serem incabíveis para provocar novo julgamento da lide, visto que, tais questionamentos foram enfrentados de forma fundamentada no acórdão embargado e que, portanto, deseja o embargante tão somente rediscutir a matéria já analisada, sem comprovar nenhuma omissão, obscuridade ou contradição no acórdão recorrido, o que, não se pode admitir, em sede de Embargos Declaratórios.

Processo	0200946-47.2022.8.06.0107
	CPC/2015. II. Trata-se, na origem, de ação ordinária, proposta por Jaqueline D'ávila Costa da Costa e outros em face do Município de Pedro Osório, objetivando a declaração do direito das autoras à atualização do piso nacional do magistério, a partir de janeiro de 2009, e reserva do limite máximo de 2/3 da carga horária para atividades de interação com educandos, bem como a condenação do réu ao pagamento das diferenças apuradas entre o período de 2009 a 2012, nos termos da Lei 11.738/2008. III. Não há falar, na hipótese, em violação ao art. 1.022 do CPC/2015, porquanto a prestação jurisdicional foi dada na medida da pretensão deduzida, de vez que os votos condutores do acórdão recorrido e do acórdão proferido em sede de Embargos de Declaração apreciaram fundamentadamente, de modo coerente e completo, as questões necessárias à solução da controvérsia, dando-lhes, contudo, solução jurídica diversa da pretendida. IV. Na forma da jurisprudência do STJ, não se pode confundir decisão contrária ao interesse da parte com ausência de fundamentação ou negativa de prestação jurisdicional. Nesse sentido: STJ, Resp 801.101/MG, Rel. Ministra DENISE ARRUDA, PRIMEIRA TURMA, DJe de 23/04/2008; Resp 1.672.822/SC, Rel. Ministro MAURO CAMPBELL MARQUES, SEGUNDA TURMA, DJe de 30/06/2017; Resp 1.669.867/SC, Rel. Ministro HERMAN BENJAMIN, SEGUNDA TURMA, DJe de 30/06/2017. Com efeito, "não se configura a alegada ofensa aos arts. 489, § 1º, VI, e 1.022, I e II, do CPC/2015, uma vez que o Tribunal de origem julgou integralmente a lide e solucionou, de maneira amplamente fundamentada, a controvérsia, em conformidade com o que lhe foi apresentado. (...) O simples descontentamento da parte com o julgado não tem o condão de tornar cabíveis os Embargos de Declaração, que servem ao aprimoramento da decisão, mas não à sua modificação, que só muito excepcionalmente é admitida. In casu, fica claro que não há omissão a ser sanada e que os Aclaratórios veiculam mero inconformismo com o conteúdo da decisão embargada, que foi desfavorável à recorrente. O órgão julgador não é obrigado a rebater, um a um, todos os argumentos trazidos pelas partes em defesa da tese que apresentaram. Deve apenas enfrentar a demanda, observando as questões relevantes e imprescindíveis à sua resolução" (STJ, Resp 1.760.148/RJ, Rel. Ministro HERMAN BENJAMIN, SEGUNDA TURMA, DJe de 21/11/2018). V. A controvérsia foi dirimida, pelo acórdão recorrido, com fundamentação eminentemente constitucional, pelo que inviável a apreciação da matéria, em sede de Recurso Especial, sob pena de usurpação da competência, reservada ao STF, pela Constituição Federal. VI. No caso, o Tribunal de origem decidiu a controvérsia à luz de legislação local (Leis municipais 2.639/2011 e 2.763/2013), circunstância que torna inviável o exame da matéria, em Recurso Especial, ante óbice da Súmula 280 do STF. VII. Agravo interno improvido; STJ – AgInt no AREsp 1282598/RS – Agravo Interno no Agravo em Recurso Especial, Relatora a Ministra Assusete Magalhães, Segunda Turma, julgado em 11/02/2020, DJe 20/02/2020. O simples fato de o embargante não concordar com a conclusão do aresto impugnado, não enseja a propositura de embargos de declaração, devendo, nesse caso, fazer-se uso dos meios próprios para sua cogitada revisão. Na verdade, o que pretende o embargante é instaurar uma nova discussão sobre a controvérsia jurídica já apreciada, o que é incabível em sede de embargos declaratórios. Esse entendimento, aliás, restou sumulado por esta Corte de Justiça, através da Súmula 18 que aduz: "São indevidos embargos de declaração que têm por única finalidade o reexame da controvérsia jurídica já apreciada". Nesse cenário, eis os precedentes:

MANIFESTAÇÃO SOBRE TODOS OS PONTOS NECESSÁRIOS PARA O JULGAMENTO DO RECURSO. FINALIDADE DE REDISCUTIR A MATÉRIA JÁ JULGADA. INCIDÊNCIA DA SÚMULA Nº 18 DESTE TRIBUNAL DE JUSTIÇA. I - Manifesto inconformismo do Embargante com o mérito do julgamento proferido pelo Colegiado. Expressa manifestação desta Câmara de Direito Privado sobre toda a matéria necessária ao deslinde do caso. Posicionamento adotado no sentido de que a simples informação de que a carta não teria sido procurada não configura violação à boa-fé objetiva, pois apenas indica que o local de destino não é atendido pelo serviço de entregas da agência postal e que a correspondência não foi procurada pelo destinatário, para retirada, durante o período de guarda. A diligência adotada, desse modo, não foi suficiente para alcançar a finalidade estabelecida no § 2º do art. 2º do Decreto-Lei nº 911/1969, tendo em vista que a carta não foi efetivamente entregue no endereço do Demandado. II - Os embargos de declaração, recurso de fundamentação vinculada, servem para esclarecer obscuridade, eliminar contradição, suprir omissão ou corrigir erro material no acórdão embargado (art. 1.022 do CPC). Inexistindo os vícios elencados na Lei Processual, deve o aclaratório oposto ser rejeitado, com a consequente manutenção dos termos da decisão recorrida. Na esteira do entendimento adotado pelo Superior Tribunal de Justiça, o órgão julgador não está compelido a se posicionar expressamente sobre todos os pontos alegados pelas partes, mas somente sobre os necessários para o deslinde do caso. Diante do manejo dos embargos de declaração como mero mecanismo para veicular pedido de reconsideração, para provocar o reexame da matéria e das provas existentes nestes autos digitais, é aplicável a orientação contida na Súmula de nº 18 desta Corte de Justiça, que diz que são indevidos embargos de declaração que têm por única finalidade o reexame da controvérsia jurídica já apreciada. Cuidam os autos de Embargos de Declaração opostos por Banco do Brasil S/A contra o Acórdão que negou provimento à Apelação interposta pelo ora embargante, mantendo, assim, integralmente a sentença apelada que extinguiu, sem exame do mérito, por carência de pressuposto processual, a Ação de Busca e Apreensão ajuizada em face de Marcelo Lopes Bezerra. 2. Tal como decorre dos incisos do art. 1.022 do CPC, cabem Embargos de Declaração quando houver, na sentença ou acórdão, obscuridade, contradição, erro material ou no caso de omissão de ponto sobre o qual deveria pronunciar-se o juiz ou tribunal, ainda que o desiderato do Recurso seja o prequestionamento. 3. Do cotejo das razões deduzidas nos presentes Aclaratórios com o aresto, constata-se que a embargante pretende reverter o entendimento adotado pelo Órgão Jurisdicional, o que não é apropriado pela via dos Embargos de Declaração. 4. Com efeito, não há que se rediscutir a fundamentação do Acórdão com o fito de ver prevalecer ótica diversa da empreendida pelo Órgão Julgador. Inclusive é o que se absorve do Enunciado Sumular nº 18 deste Sodalício (Súmula 18 - "São indevidos embargos de declaração que têm por única finalidade o reexame da controvérsia jurídica já apreciada"). 5. 	Ausente qualquer vício a ser sanado pelo presente recurso, constata-se que a pretensão recursal é voltada a rediscutir a matéria já decidida por este Colegiado, intento que encontra óbice no teor da Súmula nº 18 do TJCE. 3. Por fim, advirto que se evidenciando o caráter protelatório do recurso o relator poderá aplicar a previsão contida nos §§ 2º e 3º, do art. 1.026, do Código de Processo Civil, in verbis: § 2º Quando manifestamente protelatórios os embargos de declaração, o juiz ou o tribunal, em decisão fundamentada, condenará o embargante a pagar ao embargado multa não excedente a dois por cento sobre o valor atualizado da causa. § 3º Na reiteração de embargos de declaração manifestamente protelatórios, a multa será elevada a até dez por cento sobre o valor atualizado da causa, e a interposição de qualquer recurso ficará condicionada ao depósito prévio do valor da multa, à exceção da Fazenda Pública e do beneficiário de gratuidade da justiça, que a recolherão ao final. Acórdão	 ESTADO DO CEARÁ PODER JUDICIÁRIO TRIBUNAL DE JUSTIÇA PRIMEIRA CÂMARA DE DIREITO PRIVADO DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA PROCESSO: 0629960-10.2000.8.06.0001 - APELAÇÃO CÍVEL (198) APELANTE: FUJITA GRANITOS LTDA, JOAO BATISTA FUJITA APELADO: BANCO BRADESCO S/A EMENTA: DIREITO PROCESSUAL CIVIL. EMBARGOS DE DECLARAÇÃO EM APELAÇÃO CÍVEL. AÇÃO DE COBRANÇA. ALEGAÇÃO DE CONTRADIÇÃO, OMISSÃO E ERRO MATERIAL. INOCORRÊNCIA. RESPONSABILIDADE DE AVALISTA PELO CONTRATO DE MÚTUO. PRAZO PRESCRICIONAL VINTENÁRIO. DESPROVIMENTO. I. CASO EM EXAME 1. Embargos de declaração opostos pelo Espólio de João Batista Fujita contra acórdão da 1ª Câmara de Direito Privado que negara provimento à apelação interposta em face de sentença da 4ª Vara Cível de Fortaleza, em ação de cobrança ajuizada pelo Banco do Estado do Ceará S/A (sucedido pelo Banco Bradesco). 2. O embargante sustenta contradição, omissão e erro material na decisão, alegando ilegitimidade passiva, ausência de responsabilidade pessoal e prescrição do aval. II. QUESTÃO EM DISCUSSÃO 3. Há três questões em discussão: (i) definir se o acórdão embargado incorreu em contradição ao reconhecer simultaneamente a assinatura do contrato de mútuo como representante da empresa e a responsabilidade pessoal do embargante; (ii) estabelecer se houve erro material e omissão quanto à análise da atuação do embargante como avalista e da prescrição do aval; (iii) determinar se estão configurados os vícios previstos no art. 1.022 do CPC a justificar o acolhimento dos embargos. III. RAZÕES DE DECIDIR 4. O acórdão embargado fundamenta de forma clara que João Batista Fujita, além de representante legal da empresa no contrato de mútuo, também figurou como avalista nas notas promissórias vinculadas, razão pela qual subsiste sua legitimidade passiva. 5. O avalista responde solidariamente pelas obrigações pactuadas, inclusive no contrato de mútuo, nos termos do art. 899 do CC, do art. 32 do Anexo I do Decreto nº 57.663/1966 e da Súmula 26 do STJ. 6. A pretensão de cobrança não está prescrita, pois as notas promissórias são vinculadas ao contrato de mútuo firmado em 1994, aplicando-se o prazo prescricional vintenário previsto no art. 177 do CC/1916, vigente à época da propositura da ação (2002). 7. O julgador não está obrigado a se manifestar sobre todos os argumentos e jurisprudências citados pelas partes, apenas sobre os capazes de alterar a conclusão do julgamento, conforme entendimento consolidado do STJ. 8. Os embargos de declaração não constituem meio adequado para rediscutir matéria já apreciada, conforme a Súmula nº 18 do TJCE. IV. DISPOSITIVO E TESE 9. Recurso desprovido. Tese de julgamento: 1. O avalista que assina notas promissórias vinculadas a contrato de mútuo responde solidariamente pelas obrigações contratuais. 2. O prazo prescricional aplicável à cobrança de contrato de mútuo firmado antes da vigência do CC/2002 é o vintenário previsto no art. 177 do CC/1916. 3. Os embargos de declaração não se prestam ao reexame da controvérsia jurídica já

ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, em conhecer do recurso e, no mérito, negar-lhe provimento, nos termos do voto do Relator. Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA Relator RELATÓRIO Trata-se de embargos de declaração opostos por ESPÓLIO DE JOÃO BATISTA FUJITA em face de acórdão proferido pela 1ª Câmara de Direito Privado, sob a minha relatoria, que negou provimento ao recurso de apelação interposto pelo ora embargante contra sentença proferida pela 4ª Vara Cível de Fortaleza, nos autos da Ação de Cobrança movida por BANCO DO ESTADO DO CARÁ S/A -BEC (SUCEDIDA PELO BANCO BRADESCO), ora embargado. Em suas razões recursais, o embargante alega contradição no acórdão, por ter reconhecido expressamente que o sr. João Batista teria assinado o contrato de mútuo como representante legal da empresa, mas ter reconhecido que a pessoa física também seria responsável pelas obrigações contantes no pacto. Aduz, também, que houve erro material, por ser a decisão embargada reconhecido a responsabilidade do embargante pelas obrigações contraídas no contrato de mútuo pelo fato de este ter figurado no pacto como devedor solidário, o que não teria ocorrido. Defende, ainda, omissão no julgado vergastado, porque desconsiderou a alegação do Embargante de que assinou o contrato de mútuo apenas como representante da empresa Fujita Granitos S/A, sem assumir obrigações pessoais, e que a responsabilidade do Embargante se restringiu às notas promissórias, nas quais figurou apenas como avalista, inexistindo qualquer obrigação pessoal decorrente do contrato de mútuo, bem como por não apreciar a jurisprudência citada na apelação, a qual demonstra que, uma vez prescrito o aval, extingue-se a obrigação cambiária, não podendo o avalista ser responsabilizado. Ao final, roga pelo conhecimento e provimento dos embargos, a fim de que sejam sanados os vícios apontados, reconhecendo a ilegitimidade passiva do embargante para figurar no polo passivo da demanda, bem como a prescrição do aval dado às notas promissórias. Embora devidamente intimada, a parte embargada não apresentou contrarrazões. É o que importa relatar. VOTO Conheço do recurso, uma vez que presentes os requisitos extrínsecos e extrínsecos de admissibilidade. Passo ao exame do mérito.

Os presentes embargos de declaração vêm a pleito para reclamar suposta omissão em decisor prolatado por esta Relatoria. Alude a recorrente que a decisão combatida deixou de observar entendimento da Segunda Seção do STJ acerca da taxatividade do rol da ANS e, por tal razão, encontra-se o acórdão eivado de vício. 2. Dito isto, adianta-se que não assistem razão os aclaratórios. Isso porque, pela análise da decisão guerreada, é perceptível que todos os pontos relevantes para a resolução da controvérsia foram adequadamente explicados, tendo o improvimento da apelação se dado após a observação da legislação médica pertinente, bem como de

Além disso, importa salientar que o julgador não é obrigado a se manifestar sobre todos os pontos trazidos pelos sujeitos, desde que se expresse de maneira clara, objetiva e fundamentada, o que, ressalte-se, ocorreu. 4. Posto isto, nota-se uma tentativa de rediscussão de matéria de mérito já resolvida e, a ser assim, torna-se incabível o recurso manejado. Com fulcro na súmula n. 18 do TJ/CE, rejeita-se, pois, os aclaratórios opostos. 5. Embargos de declaração conhecidos e improvidos. (Embargos de Declaração Cível&#160;- 0271987-72.2020.8.06.0001, Rel. Dito isso, verifica-se que a fundamentação do acórdão embargado se encontra clara e objetiva, não sendo necessária a manifestação expressa sobre uma única tese, para que seja prequestionada a matéria, nos termos do art. 1.025, do CPC, in verbis. Art. 1.025. Consideram-se incluídos no acórdão os elementos que o embargante suscitou, para fins de prequestionamento, ainda que os embargos de declaração sejam inadmitidos ou rejeitados, caso o tribunal superior considere existentes erro, omissão, contradição ou obscuridade. Diante do exposto, conheço do recurso, mas nego-lhe provimento, em decorrência da ausência de quaisquer dos vícios elencados no art. 1.022, do CPC. Ficam as partes, desde logo, advertidas de que a oposição de embargos de declaração, com nítido intuito protelatório, ensejará a aplicação da multa prevista no art. 1.026, §§2º e 3º,&#160;do&#160;CPC/2015. Apelação Cível interposta pela Massa Falida de Porto Freire Engenharia e Incorporação Ltda. contra sentença que, nos autos de Ação de Indenização por Danos Morais e Materiais ajuizada por Bruno Cordeiro Amarante e Amanda Alves de Aguiar Amarante, condenou a construtora ao pagamento de multa contratual de 2% do valor do imóvel, juros moratórios de 1% ao mês até o pedido de recuperação judicial, danos morais de R\$ 5.000,00 para cada autor e lucros cessantes de 0,5% ao mês sobre o valor do contrato, desde a data prevista para a entrega do imóvel até a rescisão. É fato incontroverso nos autos o atraso demasiadamente excessivo na entrega da obra, que extrapolou em mais de quatro anos o próprio prazo de tolerância previsto no contrato. Afronta à boa fé contratual e ao princípio rebus sic stantibus. 2 – Na esteira da súmula 243 do STJ, deve a apelante arcar com a devolução dos valores já adimplidos pela apelada, devidamente corrigidos, haja vista a rescisão do contrato ter ocorrido por culpa exclusiva da construtora. 3 – No que se refere à pretendida indenização dos lucros cessantes, a indenização, na hipótese específica dos autos, não é devida, haja vista que o imóvel, inserido no programa "minha casa, minha vida", que recebe subsídio do Estado, visa a moradia própria e não é destinado à locação visando lucro. 4 – Validade da cláusula contratual que transfere ao promitente-comprador a obrigação de pagar a comissão de corretagem nos contratos de promessa de compra e venda de unidade autônoma em regime de incorporação imobiliária, desde que previamente informado o preço total da aquisição da unidade autônoma, com o destaque do valor da comissão de corretagem (vide REsp n. 1.599.511/SP). 5 – Restou configurada a ocorrência de dano moral, uma vez que a frustração ocasionada à apelada é irrefutável e extrapolou o limite do aborrecimento ou do mero dissabor, causando mácula a direito da personalidade da recorrida que se encontrava em situação de absoluta desvantagem diante da apelante. 	background-origin: initial; background-clip: initial;">Por sua vez, os danos morais são vistos como qualquer ataque ou ofensa à honra, paz, mentalidade ou estado neutro de determinado indivíduo, sendo, por vezes, de difícil caracterização devido ao seu alto grau subjetivo. É imperioso ressaltar que, para que o mesmo se configure, é necessário que efetivamente tenha existido ato ilícito passível de reparação moral e que o mesmo seja devidamente comprovado, acompanhado do nexo de causalidade. Destarte, para que surja o dever de reparar, necessário se faz que estejam presentes ação ou omissão voluntária, negligência, imprudência ou imperícia, o efetivo prejuízo causado a outrem e o nexo de causalidade entre o fato e a conduta do agente. Sobre o ato ilícito, preconiza o Código Civil/2002 em seus artigos 186 e 927 que " todo aquele que causar dano a outrem, comete ato ilícito e tem o dever de repará-lo". É de notório conhecimento que a lei material civil atribui, de forma expressa, responsabilidade civil àquele que, por ato ilícito, causa dano, ainda que de caráter exclusivamente moral, a outrem. São, pois, pressupostos para o surgimento do dever de indenizar a ilicitude da conduta, o resultado danoso e o nexo de causalidade entre ambos. No caso em tela, é evidente o abalo emocional causado aos autores, uma vez que adquiriram um imóvel para morarem após o casamento e não chegaram nem a visualizar, mesmo que minimamente, a sua construção, efetuando o pagamento de um valor por um terreno sem a edificação do empreendimento. Na avaliação do dano moral, o órgão judicante deverá estabelecer uma reparação equitativa, baseada na culpa do agente, na extensão do prejuízo causado e na capacidade econômica do responsável. Além disso, deve-se atentar à dúplice finalidade da indenização: à compensatória, visando proporcionar lenitivo ao prejuízo causado aos autores e à pedagógica, objetivando desestimular a repetição de condutas semelhantes do réu. Assim, o valor da indenização não pode ser tão elevado a ponto de ensejar enriquecimento da parte lesada, tampouco ínfimo às condições econômicas do causador do dano, incapaz de sancionar sua conduta ilícita e coibir a reincidência na prática de tal ofensa. O Egrégio Superior Tribunal de Justiça, à vista da conhecida ausência de critério legal orientador para a fixação do quantum indenizatório, assentou a necessidade de observância dos princípios da Razoabilidade e da Proporcionalidade. Perscrutando as circunstâncias da causa, o grau de culpa do causador do dano, as consequências do ato e as condições econômicas e financeiras das partes, chego à conclusão de que é necessário a reparação dos requerentes pela requerida por danos morais. Em relação ao valor da indenização, a quantia de R\$ 5.000,00 (cinco mil reais) para cada autor demonstra-se proporcional e razoável, em cumprimento ao entendimento jurisprudencial adotado por este tribunal, bem como por esta câmara. Quanto aos lucros cessantes, é sabido que os mesmos são devidos quando a parte prejudicada deixa de auferir lucro pela ocorrência de um evento danoso, devendo o mesmo ser apurado, tudo em conformidade com os artigos 402 e 403 do Código Civil Brasileiro, in verbis

Acórdão	 ESTADO DO CEARÁ PODER JUDICIÁRIO TRIBUNAL DE JUSTIÇA PRIMEIRA CÂMARA DE DIREITO PRIVADO DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA PROCESSO: 0010871-67.2017.8.06.0126 - APELAÇÃO CÍVEL (198) APELANTE: BANCO BRADESCO FINANCIAMENTOS S.A. APELADO: FRANCISCA DE SOUSA PEDROSA DIREITO CIVIL E PROCESSUAL CIVIL. AGRAVO INTERNO. AÇÃO DECLARATÓRIA DE INEXISTÊNCIA DE DÉBITO. DESCONTOS INDEVIDOS EM BENEFÍCIO PREVIDENCIÁRIO. RESPONSABILIDADE EXTRACONTRATUAL. TERMO INICIAL DOS JUROS DE MORA. SÚMULA 54 DO STJ. REPETIÇÃO DO INDÉBITO. MODULAÇÃO DOS EFEITOS DO EARESP 676.608/RS. RESTITUIÇÃO SIMPLES MANTIDA. MAJORAÇÃO DOS DANOS MORAIS INDEFERIDA. RECURSO PARCIALMENTE PROVIDO. I. CASO EM EXAME 1. Agravo interno interposto por consumidora contra decisão monocrática que reconheceu a nulidade de contrato bancário, condenou a instituição financeira ao pagamento de danos morais e determinou a restituição simples dos descontos indevidos em benefício previdenciário. 2. A agravante postula (i) alteração do termo inicial dos juros de mora sobre os danos morais, (ii) devolução em dobro dos valores descontados e (iii) majoração da indenização para R\$ 10.000,00. II. QUESTÃO EM DISCUSSÃO 3. Há três questões em discussão: (i) definir se o termo inicial dos juros de mora sobre os danos morais deve corresponder à data do evento danoso ou da sentença; (ii) estabelecer se é cabível a restituição em dobro dos descontos indevidos realizados antes de 30/03/2021; (iii) avaliar se o valor da indenização por danos morais fixado em R\$ 3.000,00 deve ser majorado para R\$ 10.000,00. III. RAZÕES DE DECIDIR 4. A responsabilidade civil decorrente de descontos indevidos em benefício previdenciário sem contrato válido é extracontratual, atraindo a incidência da Súmula 54 do STJ, que fixa como termo inicial dos juros de mora a data do evento danoso. 5. A Corte Especial do STJ, no julgamento do EAREsp 676.608/RS, fixou tese de que a restituição em dobro do indébito prescinde da comprovação de má-fé, mas modulou os efeitos da decisão, restringindo sua aplicação às cobranças posteriores a 30/03/2021, quando não relacionadas a serviços públicos. 6. Como os descontos na hipótese dos autos ocorreram antes de 30/03/2021, mantém-se a restituição simples. 7. O valor de R\$ 3.000,00 arbitrado a título de danos morais atende aos critérios de razoabilidade e proporcionalidade, encontrando-se em consonância com precedentes deste Tribunal, não sendo cabível sua majoração. IV. DISPOSITIVO E TESE 8. Recurso parcialmente provido. Tese de julgamento: 1. Os juros de mora sobre danos morais em casos de responsabilidade extracontratual incidem a partir da data do evento danoso, nos termos da Súmula 54 do STJ. 2. A restituição em dobro do indébito somente se aplica a pagamentos posteriores a 30/03/2021, em razão da modulação dos efeitos do EAREsp 676.608/RS, quando não envolvida prestação de serviços públicos. 3. O valor de indenização por danos morais deve observar os critérios de razoabilidade e proporcionalidade, não sendo majorado quando já adequado às circunstâncias do caso e à

	julgados, inclusive desta eg. Primeira Câmara de Direito Privado, in verbis: [...] Destarte, tendo em vista que o banco não se desincumbiu do ônus de demonstrar os fatos impeditivos, modificativos ou extintivos do direito autoral (art. 373, II, do CPC), em razão da falha na prestação do serviço, não há outro caminho que não seja considerar a irregularidade da contratação e reformar a decisão monocrática neste ponto, bem como, por conseguinte, manter a sentença de primeiro grau em todos os seus termos. No tocante à repetição de indébito, conforme já mencionado, os valores descontados indevidamente da conta da parte autora, sem que houvesse autorização para a prática deste ato, indicam sem dúvida a presença do dano material. [...] Desse modo, amparado no entendimento esposado pelo STJ e na modulação dos efeitos fixada no acórdão paradigma, mantenho a sentença de origem neste ponto, para reconhecer o direito à devolução do indébito na forma simples, já que os descontos ocorreram antes de 30/03/2021. Por fim, no que se refere aos danos morais, entendo que o valor de R\$3.000,00 (três mil reais) arbitrado pelo magistrado de primeiro grau está de acordo com os princípios da razoabilidade e da proporcionalidade, bem como está em consonância com a jurisprudência desta e. Corte de Justiça, veja-se: [...] Dito isso, CONHEÇO do agravo interno, e, no mérito, DOU-LHE PROVIMENTO, a fim de reformar a decisão monocrática proferida pela e. Des. Vera Lúcia e manter a sentença de origem na íntegra. Irresignada, a parte autora interpôs o presente agravo interno, no qual alega, em suma, que o termo inicial da correção monetária sobre os danos morais está equivocado, posto que devem incidir a partir do evento danoso, nos termos da Súmula 54, do STJ. Sustenta, também, a necessidade de devolução em dobro dos descontos feitos em seu benefício previdenciário, em razão da má-fé do banco, bem como postula a majoração dos danos morais arbitrados para R\$10.000,00 (dez mil reais). Ao final, roga pelo conhecimento e provimento do recurso interno, para que seja adequada a decisão monocrática atacada. Em que pese devidamente intimada, a parte agravada não apresentou contrarrazões. É o que importa relatar. Decido. VOTO Presentes os requisitos de admissibilidade, conheço do agravo interno e passo à análise do mérito recursal.

EMBARGOS PARCIALMENTE CONHECIDO E DESPROVIDO. ACÓRDÃO MANTIDO. [...] 3. Agora, quanto a alegação de omissão/erro em relação à definição do termo de incidência dos juros da mora dos danos morais. Sustenta que os juros da mora dos danos morais devem apenas incidir a partir do arbitramento. 4. Todavia, como se trata de relação extracontratual, os juros de mora devem ser aplicados desde o evento danoso, haja vista que não foi comprovada a regularidade da relação contratual entre as partes, portanto, os juros de mora devem ser contabilizados desde o evento danoso, nos termos do enunciado da Súmula 54 do Superior Tribunal de Justiça: "Os juros moratórios fluem a partir do evento danoso, em caso de responsabilidade extracontratual". 5. O simples inconformismo com a decisão embargada não possibilita um novo julgamento da causa por meio de embargos declaratórios, a teor da Súmula 18 deste egrégio Tribunal: "São indevidos os embargos de declaração que têm por única finalidade o reexame da controvérsia jurídica já apreciada." 6. Embargos conhecidos e desprovidos. (Embargos de Declaração Cível&#160;- 0201174-98.2022.8.06.0114, Rel. 	comprovação de má-fé, quando a cobrança decorrer de serviços não contratados. Ressalte-se, contudo, que tal decisão teve seus efeitos modulados, de modo que, nas hipóteses que não envolvam serviços públicos, a tese somente se aplica a valores pagos a partir de 30/03/2021. Confira-se: Primeira tese: A restituição em dobro do indébito (parágrafo único do artigo 42 do CDC) independe da natureza do elemento volitivo do fornecedor que realizou a cobrança indevida, revelando-se cabível quando a referida cobrança consubstanciar conduta contrária à boa-fé objetiva. Modulação dos efeitos: Modular-se os efeitos da presente decisão – somente com relação à primeira tese – para que o entendimento aqui fixado quanto à restituição em dobro do indébito seja aplicado apenas a partir da publicação do presente acórdão. A modulação incide unicamente em relação às cobranças indevidas em contratos de consumo que não envolvam prestação de serviços públicos pelo Estado ou por concessionárias, as quais apenas serão atingidas pelo novo entendimento quando pagas após a data da publicação do acórdão.” (STJ. Corte Especial. EAREsp 676608/RS, Rel. Min. Og Fernandes, julgado em 21/10/2020) Assim, em conformidade com o entendimento do STJ e a modulação dos efeitos do acórdão paradigma, mantém-se a sentença e a decisão monocrática para reconhecer a restituição simples, uma vez que os descontos são todos anteriores a 30/03/2021 e que não houve comprovação da má-fé do banco réu. O pedido de majoração de danos morais arbitrados em R\$3.000,00 para a importância de R\$10.000,00 também não deve prosperar, posto que o valor fixado em primeiro grau se encontra adequado, por atender aos princípios da razoabilidade e proporcionalidade, além de estar em consonância com a jurisprudência desta Corte, veja-se: CIVIL. Contrato de empréstimo consignado. Consumidor analfabeto. Inexistência de relação contratual válida. Descontos indevidos. Pleito de majoração de danos morais. Quantum indenizatório fixado em R\$ 3.000. Mantido. Razoável e proporcional. Recurso desprovido. I. Caso em exame 1. Apelação Cível interposta objetivando a reforma de sentença que julgou procedentes os pedidos de nulidade de contrato de empréstimo consignado, repetição de indébito e indenização por danos morais no valor de R\$ 3.000,00 (três mil reais), pleiteando a majoração do quantum indenizatório. II. Questão em discussão 2. A questão em discussão consiste em definir se o valor fixado a título de danos morais deve ser majorado em razão dos descontos indevidos no benefício previdenciário do autor. III. Razões de decidir 3. O

	contrato de empréstimo consignado foi corretamente declarado nulo, tendo em vista a ausência de cumprimento das formalidades necessárias para a contratação com pessoa analfabeta, conforme previsto no art. 595 do CC/02, e a falta de comprovação pela instituição financeira da regularidade do contrato, conforme art. 373, II, do CPC/2015. 4. Assim, o dano moral está configurado, uma vez que o montante dos descontos indevidos no benefício previdenciário (R\$ \$ 489,30) comprometeram cerca de 40% do benefício recebido pelo autor (R\$ 1.212,00), situação que não pode ser considerada mero aborrecimento, especialmente diante da condição de vulnerabilidade do apelante. 5. Contudo, o quantum indenizatório de R\$ 3.000,00 (três mil reais) revela-se adequado e proporcional aos danos sofridos, estando em consonância com os princípios da razoabilidade e proporcionalidade, além de estar alinhado aos parâmetros estabelecidos pela jurisprudência desta Câmara para casos semelhantes. Precedentes. 6. Diante disto, a pretensão de majoração do valor da indenização por danos morais não encontra respaldo, pois o valor fixado já cumpre sua função compensatória e pedagógica, sem gerar enriquecimento sem causa. QUANTUM INDENIZATÓRIO FIXADO CONFORME PRECEDENTES DESTE TRIBUNAL. DECISÃO MONOCRÁTICA MANTIDA. AGRAVO CONHECIDO E NÃO PROVIDO. 1. O cerne da controvérsia consiste em analisar a regularidade/existência de negócio jurídico supostamente firmado entre as partes litigantes e descrito na exordial, qual seja, o contrato: 20180313510045871000, inserido no benefício previdenciário da parte autora desde 03/06/2018. 2. Citado, o réu apresentou contestação de fls. 51/66. No entanto, não apresentou qualquer documentação para comprovar a regularidade da contratação pelo consumidor. Ou seja, impõe-se reconhecer que a instituição financeira não se desincumbiu do seu ônus processual (artigo 373, inciso II do CPC). 3. Dessa forma, forçoso é reconhecer a abusividade dos descontos respectivos, implicando em prática de ato ilícito por parte da instituição financeira, causadora de prejuízo patrimonial e extrapatrimonial ao demandante, que, em decorrência dos referidos descontos, se viu privado indevidamente de seus parcos recursos financeiros. Desta forma, acertada a decisão de primeiro grau em declarar a inexistência do negócio jurídico e condenar o banco ao pagamento dos danos materiais e morais. 4. No que diz respeito ao valor dos danos morais, é sabido da necessidade de se atentar aos critérios postos por doutrina e jurisprudência, aos parâmetros que vêm sendo fixados por este Tribunal de Justiça e ainda às peculiaridades da situação em apreço como a situação econômica das partes envolvidas, a gravidade do dano e o triplice escopo da reparação (indenizatória, punitiva e pedagógica). 5. Em observância ao que vêm sendo decidido por esta Corte em casos semelhantes, o valor descontado da conta do aposentado e por se tratar a promovida de uma instituição financeira de grande porte, mantenho a condenação em danos morais no valor de R\$ 3.000 (três mil reais), com correção monetária a ser feita com base no INPC a partir do arbitramento (súmula 362 do STJ) e juros moratórios de 1% (um por cento) ao mês a contar do evento danoso (súmula 54 do STJ). Acórdão	 PROCESSO: 0202132-98.2023.8.06.0001 - 160; APELAÇÃO CÍVEL (198) APELANTE: BANCO J. SAFRA S.A APELADO: FRANCISCO JOSE ARAUJO DE AZEVEDO Ementa DIREITO PROCESSUAL CIVIL. AGRAVO INTERNO. AÇÃO DE BUSCA E APREENSÃO. EXTINÇÃO SEM RESOLUÇÃO DE MÉRITO. AUSÊNCIA DE PRESSUPOSTO DE CONSTITUIÇÃO E DESENVOLVIMENTO VÁLIDO DO PROCESSO. FALTA DE CITAÇÃO. DESNECESSIDADE DE INTIMAÇÃO PESSOAL DO AUTOR. RECURSO DESPROVIDO. I. CASO EM EXAME Agravo Interno interposto pelo BANCO J. SAFRA S/A contra acórdão que negara provimento à apelação cível, mantendo a sentença que extinguiu a ação de busca e apreensão, nos termos do art. 485, IV, do CPC, em razão da impossibilidade de citação do réu. O agravante sustenta a necessidade de intimação pessoal da parte autora antes da extinção e a ocorrência de excesso de formalismo. II. QUESTÃO EM DISCUSSÃO Há duas questões em discussão: (i) definir se a extinção do processo por ausência de pressuposto de constituição e desenvolvimento válido (falta de citação) exige a intimação pessoal da parte autora; (ii) estabelecer se a decisão que manteve a extinção sem resolução de mérito deve ser reformada diante da alegação de atuação diligente do autor na busca do endereço do réu. III. RAZÕES DE DECIDIR A ausência de citação válida do réu configura falta de pressuposto de constituição e desenvolvimento válido e regular do processo, autorizando a extinção sem exame de mérito, nos termos do art. 485, IV, do CPC. A jurisprudência do STJ e deste Tribunal é firme no sentido de que, em tais hipóteses, é desnecessária a intimação pessoal do autor, exigida apenas nos casos de abandono da causa (art. 485, III, § 1º, do CPC). A intimação do advogado constituído supre a necessidade de ciência da parte, não havendo irregularidade processual. As alegações do agravante se limitam a rediscutir fundamentos já apreciados e não demonstram error in procedendo ou excesso de formalismo.

Processo	0201323-26.2024.8.06.0114
Acórdão	 PROCESSO: 0201323-26.2024.8.06.0114 - APELAÇÃO CÍVEL (198) APELANTE: JOSE HERCULANO MARCOS APELADO: SEBRASEG CLUBE DE BENEFÍCIOS LTDA Ementa: DIREITO PROCESSUAL CIVIL. APELAÇÃO CÍVEL. AÇÃO DECLARATÓRIA DE INEXISTÊNCIA DE RELAÇÃO CONTRATUAL. INDEFERIMENTO DA INICIAL POR AUSÊNCIA DE INTERESSE DE AGIR. SUPOSTO FRACIONAMENTO DE AÇÕES. CONTRATOS DISTINTOS. INTERESSE PROCESSUAL CONFIGURADO. NULIDADE DA SENTENÇA. RECURSO PROVIDO. 1. Apelação cível interposta contra sentença da Vara Única da Comarca de Lavras da Mangabeira que indeferiu a petição inicial, com fundamento no art. 330, III, do CPC e na Recomendação nº 159/2024 do CNJ, ao entender ausente o interesse de agir em razão do ajuizamento de seis ações declaratórias pelo mesmo autor. O apelante sustenta que cada demanda possui objeto distinto, sendo a presente ação voltada a descontos relativos a contrato de seguro supostamente firmado com a SEBRASEG CLUBE DE BENEFÍCIOS LTDA. II. Questão em discussão: 2. Há duas questões em discussão: (i) definir se a omissão do juízo de origem quanto ao pedido de justiça gratuita acarreta o seu deferimento tácito; (ii) estabelecer se o ajuizamento de múltiplas ações declaratórias referentes a contratos diversos configura fracionamento indevido capaz de afastar o interesse de agir. III. Razões de decidir: 3. A ausência de manifestação do magistrado sobre o pedido de gratuidade de justiça implica deferimento tácito do benefício, conforme entendimento consolidado do STF, STJ e desta Corte. 4. O interesse processual decorre do binômio necessidade e adequação, configurado quando a parte busca tutela jurisdicional adequada para afastar descontos que alega indevidos. 5. O ajuizamento de múltiplas ações declaratórias somente configura litigância abusiva quando há identidade objetiva entre pedidos e causas de pedir, hipótese não verificada, pois cada ação discute contrato distinto com fundamento específico. 6. O indeferimento da inicial por ausência de interesse de agir exige exame minucioso de conexão entre as demandas, não bastando a similitude formal de pedidos. 7. A extinção do processo sem resolução do mérito, no caso concreto, viola os princípios da inafastabilidade da jurisdição (CF, art. 5º, XXXV), da boa-fé e da cooperação processual (CPC, art. 6º). IV. Dispositivo 8. Recurso provido. Sentença anulada, com retorno dos autos à origem para regular processamento do feito. Tese de julgamento: 1. A omissão judicial quanto ao pedido de gratuidade de justiça enseja deferimento tácito do benefício. 2. O ajuizamento de ações declaratórias autônomas, referentes a contratos distintos, não caracteriza fracionamento indevido nem afasta o interesse de agir. 3. O interesse processual

PROCESSO CIVIL. AGRAVO REGIMENTAL EM AGRAVO DE INSTRUMENTO. BENEFÍCIO JUSTIÇA GRATUITA. DESNECESSIDADE DE COMPROVAÇÃO. PRECEDENTES. AGRAVO IMPROVIDO. I - É pacífico o entendimento da Corte de que para a obtenção de assistência jurídica gratuita, basta a declaração, feita pelo próprio interessado, de que sua situação econômica não lhe permite ir a Juízo sem prejudicar sua manutenção ou de sua família. Precedentes. II - Agravo regimental improvido (STF, AI nº 649.283/SP-AgR, Primeira Turma, Relator o Ministro Ricardo Lewandowski, DJ de 19/9/08).&#160;</p> <p style="text-align: justify; padding-left: 150px;">ALEGAÇÃO DE INCAPACIDADE FINANCEIRA E CONCESSÃO DO BENEFÍCIO DA GRATUIDADE. O acesso ao benefício da gratuidade, com todas as consequências jurídicas dele decorrentes, resulta da simples afirmação, pela parte (pessoa física ou natural), de que não dispõe de capacidade para suportar os encargos financeiros inerentes ao processo judicial, mostrando-se desnecessária a comprovação, pela parte necessitada, da alegada insuficiência de recursos para prover, sem prejuízo próprio ou de sua família, as despesas processuais. Precedentes. Se o órgão judiciário competente deixar de apreciar o pedido de concessão do benefício da gratuidade, reputar-se-á tacitamente deferida tal postulação, eis que incumbe, à parte contrária, o ônus de provar, mediante impugnação fundamentada, que não se configura, concretamente, o estado de incapacidade financeira afirmado pela pessoa que invoca situação de necessidade. Precedentes (STF, RE nº 245.646-AgR/RN, Relator o Ministro Celso de Mello, Segunda Turma, DJe 13/2/09). DIREITO PROCESSUAL CIVIL. EFICÁCIA DA CONCESSÃO DE ASSISTÊNCIA JUDICIÁRIA GRATUITA. Quando a assistência judiciária gratuita for deferida, a eficácia da concessão do benefício prevalecerá, independentemente de renovação de seu pedido, em todas as instâncias e para todos os atos do processo - alcançando, inclusive, as ações incidentais ao processo de conhecimento, os recursos, as rescisórias, assim como o subsequente processo de execução e eventuais embargos à execução -, somente perdendo sua eficácia por expressa revogação pelo Juiz ou Tribunal. Isso porque não há previsão legal que autorize a exigência de renovação do pedido de assistência judiciária gratuita em cada instância e a cada interposição de recurso, mesmo na instância extraordinária. Ao contrário, o art. 9º da Lei 1.060/1950 estabelece expressamente a eficácia da decisão deferitória do benefício em todas as instâncias e graus de jurisdição. Com efeito, a concessão do benefício, por compor a integralidade da tutela jurídica pleiteada, comporta eficácia para todos os atos processuais, em todas as instâncias, alcançando, inclusive, as ações incidentais ao processo de conhecimento, os recursos, as rescisórias, assim como o subsequente processo de execução e eventuais embargos à execução, sendo despendida a constante renovação do pedido a cada instância e para a prática de cada ato processual. Essa é a interpretação mais adequada da legislação, especialmente da Lei 1.060/1950 (arts. 4º, 6º e 9º), e consentânea com os princípios constitucionais da inafastabilidade da tutela jurisdicional e do processo justo, com garantia constitucional de concessão do benefício da assistência judiciária gratuita ao necessitado (art. 5º, XXXV, LIV e LXXIV, da CF). Assim, desde que adequadamente formulado o pedido e uma vez concedida, a assistência judiciária gratuita prevalecerá em todas as instâncias e para todos os atos do processo, nos expressos termos assegurados no art. 9º da Lei 1.060/1950 (reiterado no parágrafo único do art. 13 da Lei 11.636/2007). Contudo, perderá eficácia a concessão do benefício em caso de expressa revogação pelo Juiz ou Tribunal, quando comprovada a mudança da condição econômico financeira do beneficiário. Isso porque a decisão que concede a gratuidade está condicionada à cláusula rebus sic standibus, primando pela precariedade e não gerando preclusão pro judicato. Dessa maneira, a renovação do pedido de gratuidade da justiça somente se torna necessária quando houver anterior indeferimento do pleito ou revogação no curso do processo. Por fim, cabe ressaltar que não se faz necessário, para o processamento de eventual recurso, que o beneficiário faça expressa remissão na petição recursal acerca do anterior deferimento da assistência judiciária gratuita, embora seja evidente a utilidade dessa providência facilitadora. Basta, portanto, que constem dos autos os comprovantes de que já litiga na condição de beneficiário da justiça gratuita. AgRg nos EAREsp 86.915-SP, Rel. Min. Cabe ao juiz decidir a lide nos limites em que foi proposta, não podendo conceder à parte providência além da requerida na inicial (sentença ultra petita), aquém do pedido (decisão citra petita) e, muito menos, fora do requerido pelas partes (sentença extra petita). 02. Ao exame dos autos, apura-se que a parte requerida, ora apelante, apresentou reconvenção (vide fls. 61/73) formulando pedidos de indenização por danos morais e materiais. 03. É notório que tais pedidos, no entanto, não foram apreciados na sentença, omitindo-se o juízo singular quanto aos fundamentos e pleitos indenizatórios realizados na reconvenção. 04. Dessa forma, incontroverso que o magistrado, ao deixar de apreciar de forma expressa e motivada pedido elencado na reconvenção, incorre em julgamento citra petita, em violação ao princípio da adstrição (art. 492, CPC), devendo a sentença ser cassada. 05. A sentença hostilizada não observa os arts. 141 e 489, II do CPC/15 e a imperiosa necessidade de fundamentação prevista na CF/88, não havendo outra alternativa senão cassá-la. 06. É de rigor registrar a impossibilidade de aplicar a teoria da causa madura (art. 1.013, § 3º, CPC/2015) ao caso, eis que o entendimento majoritário desta Câmara é no sentido de que, embora a regra impositiva do art. 1.013, § 3º, III, do CPC/15 determine o imediato julgamento do processo nos casos de sentença omissa no exame de um dos pedidos, é defeso ao órgão ad quem julgar pretensão não analisada pelo juízo a quo, sob pena de supressão de instância e de afronta ao duplo grau de jurisdição. HIPÓTESE VERIFICADA NOS TERMOS DO §1º, DO ART. 6º, DA LEI 11.101/2005. RECURSO CONHECIDO E PROVIDO. 1.Trata-se de Agravo Interno interposto por Massa Falida de Oboé Crédito, Financiamento e Investimento S/A, Oboé Tecnologia e Serviços Financeiros S/A, Oboé Distribuidora de Valores Mobiliários S/A, Companhia de Investimento Oboé, Advisor Gestão de Ativos S/A, Oboé Holding Financeira S/A, José Newton Lopes Freitas, Magazines Brasileiros Ltda. e Clarinete Promotora de Vendas e Serviços Ltda., contra decisão monocrática, proferida às fls.14/15 de relatoria do Desembargador Raimundo Nonato Silva Santos, que desproveu os embargos declaratórios que visavam reverter a decisão de suspensão da Ação Monitória. 2. Preliminarmente. A gratuidade processual deve ser concedida aos agravantes, tendo em vista decisão recente do STJ na qual determina que, diante da ausência de indeferimento em decisão fundamentada pelo juízo a quo, o seu deferimento é tácito. 3. Compulsando os autos da Ação Monitória, verifica-se que o agravado interpôs Apelação Cível, questionando a iliquidez da dívida, anatocismo, pela suposta aplicação de juros moratórios e remuneratórios, alegando ainda que os cálculos teriam sido expressos de forma confusa, sem clareza na escolha dos índices. Assim, a despeito da decisão de suspensão exarada, ratificada pela decisão monocrática no julgamento dos aclaratórios, verifico que é desprovida de elementos jurídicos que consubstancie seu fundamento. O questionamento arguido em apelo, demonstra a iliquidez da dívida, ainda que esse recurso venha a ser desprovido, quando do seu julgamento. Assim, a ação monitória deve ter seu prosseguimento, pois enquadra-se na hipótese prevista no §1º, do art. 6º, da Lei

	11.101/2005. 4. Inobservar essa premissa seria fomentar a ideia de uma justiça que se nega a prestação jurisdicional, pois estar-se-ia impedindo que os agravantes se habilitem no processo falimentar da agravada. Corrobora-se à isso, o fato da sentença de primeiro grau ter sido favorável aos agravantes. 5. Recurso conhecido e provido. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 4ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do recurso e dar-lhe provimento, nos termos do voto do Eminentíssimo Relator. Fortaleza, . JOSÉ EVANDRO NOGUEIRA LIMA FILHO Presidente do Órgão Julgador DESEMBARGADOR JOSÉ EVANDRO NOGUEIRA LIMA FILHO Relator (Agravado Interno Cível - 0046872-24.2006.8.06.0001, Rel. Desembargador(a) JOSE EVANDRO NOGUEIRA LIMA FILHO, 4ª Câmara Direito Privado, data do julgamento: 23/04/2024, data da publicação: 23/04/2024) Com efeito, a constatação do silêncio do julgador a quo quanto ao pedido, a meu ver, e conforme jurisprudência consolidada dos Tribunais Superiores, enseja o deferimento implícito do benefício. Deste modo, concedo os benefícios da justiça gratuita a parte apelante. Realizada a análise de admissibilidade, verifico o preenchimento dos pressupostos recursais, tanto os intrínsecos, relacionados ao direito de recorrer, quanto os extrínsecos, concernentes ao seu exercício. Assim, conheço do presente recurso. A controvérsia devolvida a esta instância consiste em aferir a correção da sentença que extinguiu o feito sem resolução de mérito, sob o fundamento da ausência de interesse de agir, por suposto fracionamento de ações declaratórias ajuizadas pelo autor. Analizando detidamente a petição inicial, verifica-se que o autor/apelante ajuizou a presente ação exclusivamente em face da SEBRASEG CLUBE DE BENEFÍCIOS LTDA., objetivando a declaração de inexistência de relação contratual atinente ao "SEBRASEG CLUBE DE BENEFÍCIOS LTDA", diante da ocorrência de descontos mensais no valor de R\$ 59,90 (cinquenta e nove reais e noventa centavos), totalizando o valor de R\$ 284,60 (Duzentos e oitenta e quatro reais e sessenta centavos), os quais alega não decorrerem de contrato previamente firmado. Ocorre que, sem sequer oportunizar o contraditório, o juízo de origem indeferiu a petição inicial, extinguindo o feito sob o fundamento de ausência de interesse de agir, considerando o ajuizamento de outras 05 ações declaratórias, a saber: n. 0201329-33.2024.8.06.0114 (tarifa bancária), n. 0201322-41.2024.8.06.0114 (título de capitalização), n. 0201326-78.2024.8.06.0114 (contrato nº 18245651), n. 0201325-93.2024.8.06.0114 (contrato nº 002879567), n. 0201324-11.2024.8.06.0114 (contribuição CONAFER). Pois bem. Antecipo que é caso de provimento do recurso. Isso porque, nesta demanda — que versa sobre a legalidade da contratação de contrato de seguro — em que pese também ser de natureza declaratória e condenatória, assim como todas as outras ações eventualmente ajuizadas pelo mesmo autor, e guardarem semelhança formal quanto à pretensão de inexistência de relação jurídica e restituição de valores, não se confunde, em absoluto, com as demais ações mencionadas pelo juízo de origem. Com efeito, esta ação discute especificamente descontos oriundos de suposto contrato de seguro firmado com a SEBRASEG CLUBE DE BENEFÍCIOS LTDA., ao passo que as demais demandas tratam de cobranças relativas a tarifa bancária, empréstimo consignado e contribuição sindical, supostamente realizadas por seguradora. É importante destacar que esta 1ª Câmara de Direito Privado tem, de fato, em diversas oportunidades recentes, reconhecido o ajuizamento simultâneo de múltiplas ações declaratórias com pedidos semelhantes como hipótese de indeferimento da petição inicial por ausência de interesse processual, sobretudo em casos de fracionamento de ações envolvendo empréstimos consignados com o mesmo réu. Contudo, esse não é o caso dos autos. A presente demanda não guarda identidade objetiva com as demais ações apontadas, pois se refere a contrato distinto, com parte ré diversa e fundamentos específicos. A alegação de fracionamento de demanda, portanto, não encontra respaldo no conjunto fático-probatório dos autos, tratando-se de relações jurídicas autônomas e independentes. O indeferimento da petição inicial por ausência de interesse de agir, com base em suposta litigância abusiva, exige cautela e exame minucioso de conexão objetiva entre as causas, o que não se observa na hipótese. Além disso, a mera repetição de partes ou do tipo de pedido (ação declaratória

Processo	0201323-26.2024.8.06.0114
	com restituição) não implica, por si só, fracionamento indevido, quando ausente identidade entre os contratos discutidos. Ressalte-se que o interesse processual decorre do binômio necessidade e adequação: necessidade de intervenção jurisdicional para resguardar ou reconhecer o direito alegado, e adequação do meio processual escolhido para alcançar tal finalidade. Ambos os requisitos estão presentes na hipótese dos autos, na medida em que a parte autora busca, por meio de ação declaratória e de repetição de indébito, desconstituir relação jurídica que considera inexistente, com fundamento em descontos indevidos realizados em sua conta bancária, supostamente vinculados a contrato de seguro com instituição distinta das demais ações. Dessa forma, entendo que o autor detém interesse processual, sendo plenamente legítimo o ajuizamento da presente ação em face da &#160; SEBRASEG CLUBE DE BENEFICIOS.&#160; A propósito: APELAÇÃO CÍVEL. EMPRÉSTIMO CONSIGNADO. SENTENÇA EXTINTIVA SEM RESOLUÇÃO DE MÉRITO. IDENTIFICAÇÃO NA ORIGEM DE AJUIZAMENTO DE OUTRAS AÇÕES. CONTRATOS DISCUTIDOS DIVERSOS. PEDIDO E CAUSA DE PEDIR DIVERSOS. INTERESSE DE AGIR. INDEFERIMENTO DA INICIAL. IMPOSSIBILIDADE. PRINCÍPIO DA INAFASTABILIDADE DA TUTELA JURISDICIONAL. AJUIZAMENTO DE MAIS DE UMA DEMANDA PELA MESMA PARTE QUE NÃO JUSTIFICA O INDEFERIMENTO DA EXORDIAL E EXTINÇÃO DO PROCESSO SEM RESOLUÇÃO DO MÉRITO. RECURSO CONHECIDO E PROVIDO. SENTENÇA ANULADÁ. RETORNO DOS AUTOS À ORIGEM PARA REGULAR PROSSEGUIMENTO DO FEITO. 1.Trata-se de Apelação Cível interposta pela parte Autora contra a sentença que indeferiu a petição inicial, julgando extinta a ação sem resolução do mérito, considerando a ausência de interesse processual. 2. O Juízo a quo indeferiu a petição inicial e declarou extinta a presente ação, sem resolução de mérito, por entender que o Recorrente carece de interesse de agir ao veicular outro processo com as mesmas partes e solicitações similares, devendo as causas de pedir serem congregadas em um único feito. 3. Não obstante, é importante ressaltar que não existe a obrigação de que a parte reúna todos os seus pedidos contra a mesma parte em uma única ação. Na realidade, a lei prevê a possibilidade de a parte autora optar por formular, em uma única petição, uma pretensão abrangendo diversos contratos contestados, buscando a declaração de nulidade junto com reparação material e moral, ou por petições múltiplas e independentes, tratando os contratos individualmente. 4. Assim, ainda que possível a distribuição de um processo para cada contrato contra a mesma instituição financeira, nada impede a reunião dos processos pela conexão, nos termos do art. 55, caput, CPC, o qual estabelece: "reputam-se conexas 2 (duas) ou mais ações quando lhes for comum o pedido ou a causa de pedir", acrescentando o § 1º que "os processos de ações conexas serão reunidos para decisão conjunta", salvo se um deles já houver sido sentenciado. 5. Cumpre ressaltar que, ainda que a compreensão fosse pela inexistência de conexão na hipótese sub judice, mesmo assim seria possível o julgamento conjunto dos feitos, por força do previsto no § 3º do mencionado art. 55, quando dispõe que "serão reunidos para julgamento conjunto os processos que possam gerar risco de prolação de decisões conflitantes ou contraditórias caso decididos separadamente, mesmo sem conexão entre eles". 6. Com efeito, o argumento utilizado na sentença acerca da falta de interesse de agir por parte do Recorrente também carece de procedência, conquanto cediço que o interesse processual se manifesta quando o requerente tem uma necessidade genuína de acionar o Poder Judiciário para obter a tutela almejada, e somente será útil se essa tutela proporcionar um resultado proveitoso. No caso em questão, há interesse de agir, uma vez que a ora Apelante busca a declaração de inexigibilidade de um contrato de empréstimo consignado, alegando ter sido contraído com a instituição financeira ora Apelada, em seu nome, mediante fraude. Esta ação se revela como a via processual adequada e eficaz para alcançar tal objetivo. 7. Cumpre destacar, ainda, que a sentença recorrida viola o princípio da cooperação, conforme estabelecido no art. 6º do CPC, além de infringir a garantia constitucional da inafastabilidade da tutela jurisdicional, como previsto no art. 5º, XXXV, da CF, que assegura que "a lei não excluirá da apreciação do Poder Judiciário lesão ou ameaça a direito." Observa-se, portanto, que o Juízo a quo, ao prolatar a sentença, não agiu com acerto, incorrendo em error in procedendo. Diante disso, a anulação da sentença e o retorno dos autos ao Juízo de origem para o regular processamento é medida que se impõe. 8. Recurso CONHECIDO e PROVIDO. Sentença ANULADA. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 4ª Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, em conhecer e dar provimento ao Recurso, para anular a sentença de origem determinando o prosseguimento do feito, nos termos do voto do Relator. CASO EM EXAME 1. Apelação cível interposta por Maria Ilzanir Feijó Alexandre contra sentença da 18ª Vara Cível da Comarca de Fortaleza/CE que julgou improcedente ação de indenização por danos materiais e morais ajuizada em desfavor do Banco do Brasil S/A, sob o fundamento de prescrição da pretensão indenizatória relativa a desfalques em conta vinculada ao PASEP. A apelante sustenta que apenas em 16/08/2019, ao receber os extratos detalhados de sua conta, tomou ciência dos desfalques, ajuizando a ação em 30/09/2019, dentro do prazo prescricional decenal. II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em definir se o prazo prescricional para pleitear indenização por desfalques em conta vinculada ao PASEP deve ser contado da data do saque ou do momento em que o titular teve ciência comprovada dos prejuízos, aplicando-se o princípio da actio nata. III. RAZÕES DE DECIDIR 3. O Superior Tribunal de Justiça, no julgamento do Tema Repetitivo nº 1150, fixou a tese de que o Banco do Brasil possui legitimidade passiva ad causam para responder por falhas na administração das contas do PASEP, que o prazo prescricional aplicável é o decenal (art. 205 do CC) e que o termo inicial é a data em que o titular tem ciência comprovada dos desfalques, em observância ao princípio da actio nata. 4. O marco prescricional não pode ser fixado na data do saque, mas sim no momento em que os extratos ou microfilmagens possibilitam a constatação inequívoca da lesão. 5. No caso concreto, a apelante obteve os extratos da conta apenas em 16/08/2019 e ajuizou a demanda em 30/09/2019, dentro do prazo legal, o que afasta a prescrição. 6. A aplicação da teoria da causa madura não se mostra adequada, pois a apuração da existência e extensão dos desfalques demanda dilação probatória, impondo o retorno dos autos ao juízo de origem. IV. DISPOSITIVO E TESE 7. Recurso provido. Sentença anulada, com retorno dos autos à origem para regular instrução e julgamento do mérito. Tese de julgamento: 1. O prazo prescricional para ressarcimento de danos em conta vinculada ao PASEP é decenal, nos termos do art. 205 do Código Civil. 2. O termo inicial da prescrição é a data em que o titular tem ciência comprovada dos desfalques, mediante acesso a extratos, microfilmagens ou documentos equivalentes, em aplicação ao princípio da actio nata. 3. O Banco do Brasil possui legitimidade passiva para responder por falhas na administração das contas do PASEP, inclusive saques indevidos e ausência de aplicação correta de rendimentos.

	1150, passo à apreciação do mérito recursal.&#160;</p><p style="text-align: justify;"> Presentes os pressupostos extrínsecos e intrínsecos de admissibilidade, conheço do presente recurso. Feita a admissibilidade, passo à análise do mérito.</p><p style="text-align: justify;"> Na espécie, a pretensão autoral consiste na condenação do banco apelado ao pagamento de desfalques em conta individual PASEP, bem como de compensação por danos morais.</p><p style="text-align: justify;"> Sobre o tema, a Primeira Seção do c. Superior Tribunal de Justiça, em julgamento submetido ao rito dos recursos repetitivos (Tema 1150), sedimentou as seguintes teses jurídicas:</p><p style="text-align: justify; padding-left: 120px;"> i) o Banco do Brasil possui legitimidade ad causam para figurar no polo passivo de demanda na qual se discute eventual falha na prestação do serviço quanto a conta vinculada ao Pasep, saques indevidos e desfalques, além da ausência de aplicação dos rendimentos estabelecidas pelo Conselho Diretor do referido programa;&#160;</p><p style="text-align: justify; padding-left: 120px;"> ii) a pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao Pasep se submete ao prazo prescricional decenal previsto pelo artigo 205 do Código Civil; e&#160;</p><p style="text-align: justify; padding-left: 120px;"> iii) o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao Pasep. (grifou-se)</p><p style="text-align: justify;"> Dessa forma, a contagem do prazo prescricional deve observar a data em que o titular da conta efetivamente tomou ciência dos desfalques, com base na disponibilização de microfilmagens, extratos bancários ou documentos equivalentes nos termos do princípio da actio nata.&#160;</p><p style="text-align: justify;"> No caso em exame, o Juízo de origem considerou que o autor teve ciência dos valores existentes no momento do saque realizado em 24/03/1995, entendendo que, a partir dali, iniciou-se o prazo prescricional.&#160;</p><p style="text-align: justify;"> Contudo, os documentos constantes nos autos demonstram que os extratos detalhados da conta PASEP só foram entregues ao autor em 16/08/2019, momento a partir do qual se tornou possível a verificação dos alegados prejuízos. A ação foi ajuizada em 30/09/2019, ou seja, menos de um mês após a ciência inequívoca do dano.&#160;</p><p style="text-align: justify;"> Nessas condições, não há que se falar em prescrição, pois o ajuizamento da ação se deu dentro do prazo legal de dez anos, a contar da ciência do fato danoso.&#160;</p><p style="text-align: justify;"> Neste mesmo sentido, destaco precedentes recentes deste Egrégio Tribunal de Justiça, para fins de reforço argumentativo:&#160;</p><p style="text-align: justify; padding-left: 120px;"> DIREITO CIVIL E PROCESSUAL CIVIL. Recurso de apelação cível interposto contra a sentença proferida às fls. 83/87, que julgou liminarmente improcedente a Ação de Obrigação de Fazer c/c Danos Materiais e Morais, por prescrição, com fulcro no art. 487, inciso II, do CPC. II. QUESTÃO EM DISCUSSÃO 2. Cinge-se a controvérsia recursal em aferir se está configurada a prescrição da ação proposta para discutir a suposta irregularidade na gestão e atualização monetária dos valores depositados em conta vinculada ao PASEP. III. RAZÕES DE DECIDIR 3. Preliminarmente, suscitou o apelado as seguintes questões: violação ao princípio da dialeticidade, impugnação à justiça gratuita, ilegitimidade passiva e incompetência do juízo estadual, as quais não comportam acolhimento. Preliminares rejeitadas. 4. No mérito, a matéria em discussão foi objeto de apreciação pelo c. Superior Tribunal de Justiça, quando afetou ao rito dos recursos repetitivos o Tema nº 1.150, tendo o Tribunal da Cidadania uniformizado a interpretação da legislação infraconstitucional por meio das teses a seguir destacadas: i) o Banco do Brasil possui legitimidade passiva ad causam para figurar no polo passivo de demanda na qual se discute eventual falha na prestação do serviço quanto a conta vinculada ao Pasep, saques indevidos e desfalques, além da ausência de aplicação dos rendimentos estabelecidas pelo Conselho Diretor do referido programa; ii) a pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao Pasep se submete ao prazo prescricional decenal previsto pelo artigo 205 do Código Civil; e iii) o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao Pasep. 5. Com efeito, a fluência do

	prazo prescricional de dez anos para a parte exercer a pretensão condenatória começa a partir da data em que se tem conhecimento da lesão. Sendo assim, de acordo com o princípio da actio nata, o direito de pleitear a indenização surge quando a lesão e suas consequências são constatadas. Com base nisso, o entendimento mais escorreito é no sentido de que o termo inicial da contagem do prazo prescricional da pretensão autoral se dá quando do recebimento do extrato ou das microfilmagens da sua conta. Em exame do caderno processual, tem-se que a autora recebeu os extratos em 26 de dezembro de 2023, cerca de 10 (dez) meses antes do ajuizamento da ação (29.10.2024), de modo que não há falar em prescrição. Juiz de Direito da 2ª Vara da Comarca de Camocim, nos autos da Ação de Indenização por Danos Materiais e Morais, movida pelo ora recorrente em desfavor do Banco do Brasil S/A, que extinguiu o processo com resolução de mérito, ante o reconhecimento da prescrição da pretensão autoral. 2. Questão em discussão: Cinge-se a controvérsia recursal em aferir se a pretensão deduzida na exordial encontra-se atingida pela prescrição. 3. Razões de decidir: O STJ, ao julgar o Tema 1150, firmou entendimento de que, em ações que tratem de irregularidades em depósitos bancários efetivados em conta PASEP, o prazo prescricional de 10 anos (art. 205, CC/02) tem como termo inicial o momento em que o titular da conta toma ciência inequívoca da lesão, conforme o princípio da actio nata. Precedentes. 4. Na hipótese, a ciência dos desfalques ocorreu em setembro de 2023, como acesso aos extratos/microfilmes fornecidos pela instituição financeira, o que afasta a prescrição reconhecida na sentença recorrida. 5. Dispositivo e Tese: Apelação conhecida e provida. Sentença anulada, determinando o retorno dos autos ao juízo de origem para o devido processamento e julgamento do mérito. Tese de julgamento: O prazo prescricional decenal para pleitear ressarcimento de danos relacionados ao PASEP inicia-se a partir da ciência inequívoca do titular quanto aos desfalques realizados na conta vinculada, comprovada por acesso a documentos como extratos ou microfilmagens. Apelação cível interposta por parte autora contra sentença que julgou improcedente ação ordinária em face do Banco do Brasil S/A, sob o fundamento de prescrição da pretensão autoral, com base na data do saque integral das cotas vinculadas ao PASEP (ano de 2004). 2. A apelante alegou que somente tomou ciência dos desfalques na conta vinculada ao PASEP em 2023, ao acessar os extratos e microfilmagens disponibilizados pela instituição financeira. II. QUESTÃO EM DISCUSSÃO 3. Discute-se se o termo inicial do prazo prescricional para pleitear ressarcimento de danos em conta vinculada ao PASEP deve ser a data do último saque ou o momento em que o titular teve ciência comprovada dos desfalques, aplicando-se o princípio da actio nata. III. RAZÕES DE DECIDIR 4. O Superior Tribunal de Justiça, no julgamento dos Recursos Especiais repetitivos afetados pelo Tema 1150, fixou a tese de que o termo inicial do prazo prescricional para ressarcimento por danos em conta vinculada ao PASEP é a data em que o titular toma ciência comprovada dos desfalques realizados na conta individual. 5. A aplicação do princípio da actio nata implica que o prazo prescricional começa a fluir apenas quando o direito violado e suas consequências tornam-se conhecíveis ao titular. 6. No caso, a ciência dos desfalques em 2023, comprovada por meio de microfilmagens disponibilizadas pela instituição financeira, fixa o termo inicial da prescrição, afastando o marco temporal de 2004 estabelecido na sentença. O PRAZO PRESCRICIONAL PARA A PRETENSÃO INDENIZATÓRIA POR MÁ GESTÃO DE DEPÓSITOS NO PASEP É DECENAL, CONTADO DO MOMENTO EM QUE A PARTE TOMOU CIÊNCIA DOS DESFALQUES. SENTENÇA ANULADA PARA O RETORNO DOS AUTOS À ORIGEM, VISANDO AO REGULAR PROCESSAMENTO E POSSIBILIDADE DE PRODUÇÃO PROBATÓRIA. RECURSO CONHECIDO E PROVIDO PARA ANULAR A SENTENÇA. I. CASO EM EXAME: Trata-se de apelação interposta contra sentença que reconheceu a prescrição em ação indenizatória, cujo objeto é a má gestão de depósitos no fundo PASEP, administrado pelo banco do brasil. A recorrente alega que a prescrição não se consumou, argumentando que teve ciência dos desfalques apenas recentemente, sendo que os saques foram realizados sem sua autorização. II. QUESTÃO EM DISCUSSÃO: O ponto central da discussão reside na legitimidade passiva do banco do brasil, na prescrição da pretensão indenizatória e na competência da justiça estadual. Analisa-se se o prazo prescricional é decenal e se deve ser contado a partir do momento em que a recorrente obteve ciência do desfalque em sua conta vinculada ao PASEP. III. RAZÕES DE DECIDIR: Aplicando a teoria da actio nata, entendese que o prazo prescricional decenal previsto no art. 205 do código civil inicia-se apenas quando a parte tem conhecimento do dano. Neste caso, a recorrente teve ciência dos desfalques apenas recentemente, em 2023, quando acessou os extratos de sua conta PASEP. Ademais, o Superior Tribunal de Justiça já fixou tese vinculante no sentido de que o banco do brasil é parte legítima para responder por saques indevidos no fundo PASEP, sendo a justiça estadual competente para o julgamento. Assim, não há prescrição a ser reconhecida, e a legitimidade passiva do banco está corretamente configurada. IV. DISPOSITIVO E TESE: Diante das fundamentações supramencionadas, conheço do recurso e dou-lhe provimento, afastando a prescrição e anulando a sentença recorrida, com retorno dos autos ao juízo de origem para regular processamento, incluindo a possibilidade de dilação probatória. Fixa-se a tese de que a pretensão indenizatória relativa à má gestão do PASEP pelo banco do brasil submete-se ao prazo prescricional decenal, contado a partir do conhecimento dos desfalques. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 4ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, em conhecer e dar provimento ao recurso interposto, desconstituindo a sentença, nos termos do voto do Relator. CASO EM EXAME Apelação Cível interposta por Confederação Brasileira de Futebol – CBF e Santos Futebol Clube contra sentença da 27ª Vara Cível da Comarca de Fortaleza/CE que julgou parcialmente procedente ação ordinária ajuizada contra João Paulo Valente da Silva, condenando-o: (i) a abster-se de fabricar e comercializar produtos contrafeitos com sinais distintivos dos autores; (ii) ao pagamento de indenização por lucros cessantes, a ser liquidada; e (iii) ao pagamento de R\$ 5.000,00 a título de dano moral. Os apelantes pleiteiam: (a) a aplicação do critério do art. 210, III, da Lei nº 9.279/96 para fixação dos lucros cessantes; (b) a incidência de correção monetária e juros moratórios sobre tal indenização; e (c) a majoração da indenização por dano moral para R\$ 20.000,00 para cada autor. II. QUESTÃO EM DISCUSSÃO Há duas questões em discussão: (i) definir se a condenação por lucros cessantes deve observar o critério previsto no art. 210, III, da Lei nº 9.279/96, com incidência de correção monetária e juros moratórios; (ii) estabelecer se o valor de R\$ 5.000,00 fixado a título de dano moral comporta majoração para R\$ 20.000,00 por autor. RAZÕES DE DECIDIR O magistrado de origem já aplicou expressamente o critério do art. 210, III, da Lei nº 9.279/96 — remuneração equivalente à licença que permitiria a exploração legal do bem —, razão pela qual os apelantes carecem de interesse recursal nesse ponto. A sentença foi omissa quanto à atualização monetária e aos juros de mora sobre os danos materiais, devendo incidir correção pelo INPC desde o evento danoso e juros de mora de 1% ao mês a partir da citação, conforme art. 405 do Código Civil. O valor de R\$ 5.000,00 fixado a título de dano moral observa os parâmetros de razoabilidade e proporcionalidade, levando em conta a função compensatória e punitiva da indenização. Não se caracteriza quantia irrisória a justificar a majoração pretendida. A jurisprudência do Superior Tribunal de Justiça apenas admite alteração do quantum indenizatório em hipóteses excepcionais de valores ínfimos ou exorbitantes, o que não se verifica no caso concreto (AgInt no AREsp 1.214.839/SC, STJ).

Despacho: VOTO Conforme relatado, ratifica-se de Apelação Cível interposta por Confederação Brasileira de Futebol – CBF e Santos Futebol Clube contra a sentença proferida pelo MM. Juiz de Direito da 27ª Vara Cível da Comarca de Fortaleza/CE, que

	julgou parcialmente procedente a Ação Ordinária de Abstenção do Uso de Direitos Autorais/Marca, Concorrência Desleal c/c Pedido de Perdas e Danos, ajuizada em face de João Paulo Valente da Silva. Em suas razões recursais, os apelantes requerem a reforma da sentença com relação aos danos materiais e morais. Pois bem. Inicialmente, no que se refere aos danos materiais, os apelantes pugnam que seja determinado o pagamento de remuneração que o autor da violação teria pago a cada titular do direito violado pela concessão de uma licença. que lhe permitisse legalmente explorar o bem." Além disso, requerem sejam aplicados os índices de correção monetária e dos juros de mora. Com efeito, analisando-se a sentença recorrida, verifica-se que o Juízo primevo entendeu cabível a condenação da parte requerida/apelada ao pagamento de lucros cessantes, que deverão ser apurados em sede de liquidação de sentença por arbitramento. Ainda, decidiu que, para a apuração do quantum devido ao autor, considerando o pedido nesse sentido, bem como a disposição legal de que deverá ser observado o critério mais favorável ao prejudicado, deverá, diante das circunstâncias do caso concreto, ser utilizado o critério do inciso III do dispositivo legal retrocitado. Aqui, o magistrado primevo fez referência ao art. 210, inciso III, da Lei 9.279/96 (Lei de Propriedade Industrial), segundo o qual os lucros cessantes serão determinados pela remuneração que o autor da violação teria pago ao titular do direito violado pela concessão de uma licença que lhe permitisse legalmente explorar o bem. exatamente como requerido pelos apelantes, razão pela qual entendo que carece de interesse recursal referido ponto. Por sua vez, em que pese o valor referente aos lucros cessantes deva ser apurado em sede de liquidação de sentença, o pleito de aplicação dos índices de correção monetária e dos juros de mora merece acolhida, pela omissão da sentença. Assim,

Acórdão	 PROCESSO: 0009797-45.2000.8.06.0167 - 160; APELAÇÃO CÍVEL (198) APELANTE: FRANCISCO DAS CHAGAS ALVES APELADO: BANCO DO BRASIL SA EMENTA: DIREITO PROCESSUAL CIVIL. AGRAVO INTERNO EM APELAÇÃO CÍVEL. AÇÃO REVISIONAL DE CONTRATO. OFENSA AO PRINCÍPIO DA DIALETICIDADE. AUSÊNCIA DE IMPUGNAÇÃO ESPECÍFICA. RECURSO NÃO CONHECIDO. I. CASO EM EXAME 1. Agravo Interno interposto por Banco do Brasil S/A., contra decisão que conheceu da apelação e decretou a nulidade da sentença atacada. II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em verificar se o recurso interposto atende ao princípio da dialeticidade, com a devida impugnação específica dos fundamentos da decisão recorrida. III. RAZÕES DE DECIDIR 3. O princípio da dialeticidade exige que a parte recorrente impugne de forma clara e específica os fundamentos da decisão recorrida, o que não foi observado pelo agravante, que se limitou a reproduzir os termos das contrarrazões sem confrontar os fundamentos da decisão monocrática. 4. A falta de impugnação específica impossibilita a análise do mérito recursal, conforme previsão do art. 932, III, do CPC, que determina o não conhecimento de recurso inadmissível ou que não tenha impugnado especificamente os fundamentos da decisão. 5. Jurisprudência consolidada do TJCE, STJ e STF reforça a necessidade de observância do princípio da dialeticidade para a admissibilidade dos recursos, sendo aplicáveis as Súmulas 43 do TJCE, 182 do STJ e 283 do STF. IV. DISPOSITIVO E TESE 6. Recurso não conhecido. Tese de julgamento: 1. O agravo Interno que não impugna especificamente os fundamentos da decisão recorrida deve ser considerado inadmissível, em observância ao princípio da dialeticidade, conforme previsto no art. 932, III, do CPC. Dispositivos relevantes citados: CPC, arts. 700, I, e 932, III; RITJCE, art. 76, XIV. Jurisprudência relevante citada: TJCE, Súmula nº 43; STJ, Súmula nº 182; STF, Súmula nº 283. 	inadmissível, prejudicado ou que não tenha impugnado especificamente os fundamentos da decisão recorrida (art. 932, III, do CPC), pois, sem saber exatamente a razão do inconformismo do recorrente com a decisão recorrida, tendo em vista que debate matéria estranha àquela, não é possível a Corte de Justiça apreciar o mérito, pois o recurso não têm conteúdo que permita a superação do juízo de admissibilidade caracterizando um obstáculo ao juízo de mérito. Esse é o entendimento do Tribunal da Cidadania e do TJCE: AGRAVO INTERNO. AGRAVO INTERNO. AGRAVO EM RECURSO ESPECIAL. AUSÊNCIA DE IMPUGNAÇÃO A FUNDAMENTO DA DECISÃO AGRAVADA. NÃO CONHECIMENTO. ART. 932, III, DO CÓDIGO DE PROCESSO CIVIL/2015. SÚMULA 182/STJ. APLICAÇÃO POR ANALOGIA. NÃO PROVIMENTO. 1. Nos termos do art. 932, III, do Código de Processo Civil/2015, não se conhece de agravo cujas razões não impugnam especificamente o fundamento da decisão agravada. Aplicação, por analogia, do enunciado n. 182 da Súmula do STJ. 2. Em atenção ao princípio da dialeticidade, cumpre à parte recorrente o ônus de evidenciar, nas razões do agravo em recurso especial, o desacerto da decisão recorrida. 3. Confrontado o agravo com o acórdão recorrido, não se conhece de agravo cujas razões não impugnam especificamente o fundamento da decisão agravada. Aplicação, por analogia, do enunciado n. 182 da Súmula do STJ. 4. Agravo interno a que se nega provimento. (STJ. AgInt no AgInt no AREsp n. 2.376.134/MS. Rel. Min. Maria Isabel Gallotti. AUSÊNCIA DE IMPUGNAÇÃO ESPECÍFICA AOS FUNDAMENTOS DO ACÓRDÃO RECORRIDO. INOBSERVÂNCIA AO PRINCÍPIO DA DIALETICIDADE. USO DO MANDADO DE SEGURANÇA COMO SUCEDÂNEO RECURSAL. IMPOSSIBILIDADE. 3. Conforme a jurisprudência desta Corte, o recurso ordinário deve observar o princípio da dialeticidade, ou seja, apresentar as razões pelas quais a parte recorrente não se conforma com o acórdão proferido pelo Tribunal de origem, a fim de permitir ao julgador cotejar os fundamentos lançados na decisão judicial com as razões de insurgência. 4. Agravo interno parcialmente conhecido e, nessa extensão, não provido. (STJ. AgInt no RMS n. 71.953/SP. Rel. Min. Nancy Andrighi. Terceira Turma. DJe: 04/04/2024) DIREITO PROCESSUAL CIVIL. AGRAVO INTERNO EM APELAÇÃO CÍVEL. AÇÃO DECLARATÓRIA DE INEXISTÊNCIA DE DÉBITO. INEXISTÊNCIA DE IMPUGNAÇÃO ESPECÍFICA AOS FUNDAMENTOS DA DECISÃO. INOBSERVÂNCIA AO PRINCÍPIO DA DIALETICIDADE. INCIDÊNCIA DA SÚMULA Nº 42, DO TJCE. ART. 1.010, II E III CUMULADA COM ART. 932, III, DO CPC. RECURSO NÃO CONHECIDO. 1. Em face do princípio da dialeticidade, os recursos devem evidenciar os motivos de fato e de direito da reforma da decisão recorrida (art. 1.010, II e III, do CPC). Por força desse princípio, a parte recorrente deve impugnar todos os fundamentos suficientes para reformar a decisão recorrida, de maneira a demonstrar que o julgamento proferido merece ser modificado. Portanto, não basta que faça alegações genéricas em sentido contrário às afirmações da decisão recorrida. 2. A impugnação

	especifica contra a decisão recorrida constitui exigência recursal, sem a qual a apelação não pode ser conhecida (Súmula nº 42 do TJCE e art. 932, III, do CPC). Nesse contexto, a atuação do órgão recursal encontra-se necessariamente adstrita ao confronto dos fundamentos lançados na decisão recorrida, mediante o cotejo dos motivos de fato e de direito que ensejam o pedido de reforma da decisão, inócurre na peça do recurso em apreciação, de forma que o seu não conhecimento é medida que se impõe, ante a inobservância ao princípio da dialeticidade. 3. Evidenciada a falha da parte agravante que deixou de impugnar, especificamente os fundamentos da decisão recorrida, esta subsiste inatacada e enseja a inadmissão do recurso. 4. Recurso não conhecido. (TJCE. AgInt nº 0201148-64.2022.8.06.0029. Rel. Des. André Luiz de Souza Costa. 4ª Câmara Direito Privado. DJe: 12/03/2024) AGRAVO INTERNO. AGRAVO EM RECURSO ESPECIAL. Aplicação, por analogia, do enunciado n. 182 da Súmula do STJ. 2. Em atenção ao princípio da dialeticidade, cumpre à parte recorrente o ônus de evidenciar, nas razões do agravo em recurso especial, o desacerto da decisão recorrida. 3. Agravo interno a que se nega provimento. (STJ. AgInt no AgInt no AREsp n. 2.376.134/MS. Rel. Min. Maria Isabel Gallotti. Quarta Turma. DJe: 03/07/2024) Evidenciado o equívoco da parte recorrente ao deixar de impugnar especificamente os fundamentos da decisão recorrida, esta subsiste inatacada, o que enseja a inadmissão do recurso. Em face do exposto, NÃO CONHEÇO do presente recurso por ofensa ao princípio da dialeticidade (arts. 932, III, do CPC; e 76, XIV, do RITJCE). É como voto. PLEITO DE MAJORAÇÃO PROVIDO. RECURSO CONHECIDO E PROVIDO. 1. A controvérsia recursal consiste em, tão somente, verificar a possibilidade de majoração do quantum indenizatório por danos morais. 2. Feitas essas considerações, cumpre observar que o juízo de primeiro grau arbitrou na sentença a indenização por danos morais o montante de R\$ 1.000,00 (um mil reais). 3. Nesse contexto, vale destacar que da análise probatória, verifica-se ser incontroverso a ocorrência de dano moral, diante da falha na prestação do serviço da demandada, na medida em que o apelado não demonstrou, na condição de fornecedor do serviço adquirido, a regular celebração do contrato impugnado, não se desincumbindo a contento do ônus probante que lhe cabia, sendo imprescindível sua reparação. 4. Logo, quanto à indenização referente aos danos morais, o julgador deve levar em consideração certos critérios para sua fixação, quais sejam: a gravidade do fato e suas consequências para a vítima; a intensidade do dolo ou da culpa do agente; a eventual participação culposa do ofendido; a condição econômica do ofensor e as condições pessoais da vítima (posição política, social e econômica). Neste passo, a fixação do quantum indenizatório deve igualmente ser feita de maneira a evitar o enriquecimento ilícito, no entanto, não pode o valor ser irrisório. 5. Nesse íterim, considero que, in casu, o quantum fixado pelo magistrado a quo deve ser modificado, uma vez que o valor de R\$ 1.000,00 (um mil reais), não está em consonância com os parâmetros médios utilizados pela jurisprudência deste E. 	&#160; RELATÓRIO Tratam-se os autos de Apelação Cível interposta por RAIMUNDO DAVI MOREIRA DE OLIVEIRA, contra sentença prolatada pelo MM. Juiz de Direito da 1ª Vara Cível da Comarca de Itapipoca (CE), em sede de Indenização por Danos Morais e Materiais, proposta pelo ora apelante, em desfavor do Banco Santander S/A. Consta do dispositivo da sentença que o Magistrado a quo decidiu nos seguintes termos: (...) Ante o exposto, extingo o processo com resolução de mérito, nos termos do Art. 487, inciso I, do CPC, julgando PROCEDENTE a pretensão autoral para: i) reconhecer a nulidade do contrato objeto da lide, devendo a parte Requerida interromper os descontos que se baseiam no referido instrumento; ii) condenar a parte Requerida à restituição dos valores descontados da parte Requerente, sobre quais os incidirão correção monetária pelo INPC e juros de mora de 1% (um por cento) ao mês a partir de cada desconto, autorizada a compensação com os valores eventualmente depositados pelo polo passivo, sobre os quais incidirão correção monetária pelo INPC a partir da data do depósito, sob risco de enriquecimento ilícito da parte Requerente; iii) condenar o polo passivo ao pagamento de indenização por danos morais no importe de R\$ 1.000,00 (um mil reais), com a incidência de juros moratórios de 1% ao mês a partir do primeiro desconto indevido e correção monetária pelo INPC a partir do arbitramento (Súmula 362 do STJ). Diante da sucumbência, condeno o Requerido ao pagamento das custas processuais e ao pagamento de honorários advocatícios em 10% (dez por cento) do valor da condenação, nos termos do Art. 85, §2º, do CPC. Decorrido o prazo legal sem interposição de recurso, certifique-se o trânsito em julgado, arquivando-se os autos, em seguida, com baixa na distribuição. P.R.I. Irresignado, o recorrente interpôs o presente recurso, ID 24673356, requerendo a reforma da decisão recorrida para que seja majorada a indenização por danos morais devida pelo recorrido. Contrarrrazões, ID 24673384. Após, os autos ascenderam para julgamento nesta Corte. Deixo de encaminhar os autos ao Órgão Ministerial porque o interesse público que obriga à intervenção do Parquet deve estar relacionado com o interesse geral da coletividade, vinculado a fins sociais e às exigências do bem comum (ref. STJ, Resp 1199244/2011). Como a hipótese dos autos abrange somente interesse individual disponível, a manifestação meritória do Ministério Público é despicienda e sua dispensa, neste particular, está positivada no inciso VII do art. 932 c/c art. 178 do CPC. É o relatório. VOTO Conheço do presente Recurso Apelatário, visto estarem presentes os pressupostos intrínsecos e extrínsecos de admissibilidade. Com efeito, avançando ao mérito, a controvérsia recursal consiste em, tão somente, verificar a possibilidade de majoração do quantum indenizatório por danos morais. Da majoração do valor da indenização.

Não há, nos autos, qualquer documento que comprove o crédito referente ao empréstimo na conta da demandante. Por outro lado, o documento que instrui a exordial demonstra que o banco promovido efetivamente realizou descontos, decorrentes do suposto contrato de empréstimo consignado, na conta-corrente que a autora recebe seu benefício de aposentadoria (fl. 23). 3. A instituição financeira apresentou às fls. 103/110, cópia do contrato de nº 46-762235/10999. Não obstante isso, a instituição financeira deixou de apresentar o TED ou extrato, que comprovasse que o autor efetivamente recebeu os valores contratados, que justificasse os descontos na previdência do mesmo.. 4. Como o banco não se desincumbiu do ônus que lhe competia de comprovar a regularidade da contratação com o depósito do valor contratado na conta da requerente, demonstrando que a demandante teve a exata participação nos termos do contrato, de modo a afastar o vício de consentimento alegado, impõe-se a confirmação da sentença. 5. Configurado o defeito no serviço prestado, não tendo o banco procedido com as cautelas devidas para a contratação com a autora, assumiu o risco e a obrigação do prejuízo. Note-se que a instituição financeira não provou a ocorrência das excludentes de responsabilidade previstas no § 3º do art. 14 do CDC. 6. Entende-se que o dano moral fixado pelo primeiro grau de R\$ 5.000,00 (cinco mil reais), foi razoável e proporcional, punindo a ré pelo ato ilícito praticado e reparando a autora pelo abalo experimentado. Destarte, o quantum deve ser mantido. 7. Recurso Conhecido e improvido. Sentença mantida, em todos os seus termos. (TJCE, Apelação Cível nº0004641-43.2013.8.06.0160, Rel. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA. I – Trata-se de Apelação Cível interposta por Banco do Brasil S.A., em face da sentença prolatada pela MM. Juíza de Direito da 16.ª Vara Cível da Comarca de Fortaleza/CE, que julgou procedente a Ação de Cobrança proposta por LUZMAR MACEDO FONTENELLE em face do apelante, alegando o direito da correção do saldo de expurgos inflacionários referente a plano econômico do Governo Federal. II – A parte recorrente afirma que o presente feito deve ser sobrestado, tendo em vista que o Ministro Relator Dias Toffoli ordenou o sobrestamento de todas as ações que envolvam os denominados Planos Econômicos, até final deslinde pelo STF. Entretanto, conforme pesquisa realizada no sítio eletrônico do Supremo Tribunal Federal, a Ministra Cármen Lúcia, nos autos do RE 626.307/SP, indeferiu o pedido de suspensão nacional dos processos cuja demanda versa sobre os planos econômicos, motivo pelo qual se entende restar revogado o sobrestamento anteriormente deferido pelo Min. Dias Toffoli. III – Prescrição. Os juros remuneratórios, no presente caso, constituem-se no crédito principal e não na obrigação acessória, não se aplicando a regra do art. 178, § 10, III do CC/1916 (correspondente ao art. 206, §3º, do Código Civil de 2002), e sim à regra do art. 177, do CC/1916, que prevê o prazo prescricional de vinte anos para ações pessoais, como na hipótese. O Superior Tribunal de Justiça, sob o rito dos julgamentos de recurso repetitivo, no REsp nº 1.107.201-DF, adotou entendimento de que é vintenária a prescrição para as ações individuais em que se questionam as diferenças de índices de reajustes da remuneração da caderneta de poupança. IV - A relação jurídica estabelecida entre as partes, cujo objeto era o depósito em caderneta de poupança, possuía índices referente aos juros e correção monetária previamente acordados e estabelecidos conforme legislação vigente à época. Logo, o autor tem direito adquirido aos índices previamente estipulados quando do início do período aquisitivo de suas contas, tendo em vista o disposto no art. 5º, inc. XXXVI, da CF/88. V – No tocante aos expurgos de planos econômicos do Governo Federal, em especial o Plano Verão, esse tema já se encontra pacificado perante o Superior Tribunal de Justiça, com o advento do resultado do julgamento do REsp 1.107.201/DF (Temas 298, 299, 300, 301, 302), sob a égide do rito dos recursos repetitivos. VI - Quanto aos juros remuneratórios, estes devem incidir de forma capitalizada, no percentual de 0,5% ao mês, desde a data em que deveria ter sido aplicado o respectivo índice até o seu efetivo pagamento, haja vista que as poupanças são remuneradas de maneira universal com a aplicação de juros remuneratórios e correção monetária até o encerramento da conta poupança. ACORDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, por uma de suas turmas, a unanimidade, em conhecer do recurso de apelação para, rejeitando a preliminar arguida, no mérito, NEGAR-LHE PROVIMENTO, tudo nos termos do voto do Desembargador Relator. Presidente do Órgão Julgador DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Relator DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA Relator RELATÓRIO Trata-se de Apelação Cível interposta por Banco do Brasil S.A., em face da sentença prolatada pela MM. Juíza de Direito da 16.ª Vara Cível da Comarca de Fortaleza/CE, que julgou procedente a Ação de Cobrança proposta por LUZMAR MACEDO FONTENELLE em face do apelante, alegando o direito da correção do saldo de expurgos inflacionários referente a plano econômico do Governo Federal. Irresignada com a Decisão, a requerida interpôs recurso de Apelação, ID 24730125, para requerer, preliminarmente, a necessidade de sobrestamento do feito, bem como a sua ilegitimidade passiva. A título de prejudicial de mérito arguiu a aplicação da prescrição quinquenal. Quanto ao mérito, refutou o direito autoral, postulando a improcedência da demanda. Contrarrazões apresentadas, ID 24730173. Os autos seguiram conclusos a esta relatoria. É o que importa relatar. VOTO É consabido que o procedimento recursal exige o preenchimento de pressupostos específicos, necessários para que se possa examinar o mérito do recurso interposto. Portanto, torna-se imperiosa, num primeiro momento, a análise dos pressupostos recursais, em razão de constituírem a matéria preliminar do procedimento recursal, ficando vedado ao Tribunal o conhecimento do mérito no caso de não preenchimento de quaisquer destes pressupostos. Tais pressupostos são classificados como intrínsecos (cabimento, interesse recursal, legitimidade recursal, inexistência de fato extintivo do direito de recorrer) e extrínsecos (regularidade formal, tempestividade e preparo). Os pressupostos intrínsecos estão atrelados ao direito de recorrer, ao passo que os extrínsecos se referem ao exercício desse direito. No presente recurso, as exigências legais foram cumpridas, razão pela qual conheço da insurgência. Consoante relatado acima, trata-se de Apelação Cível interposta por Banco do Brasil S.A., em face da sentença prolatada pela MM. Juíza de Direito da 16.ª Vara Cível da Comarca de Fortaleza/CE, que julgou procedente a Ação de Cobrança proposta por LUZMAR MACEDO FONTENELLE em face do apelante, alegando o direito da correção do saldo de expurgos inflacionários referente a plano econômico do Governo

	Federal. Resumidamente, em suas razões de recorrer a parte ré sustenta inicialmente a preliminar de sobrestamento da demanda. No mérito questiona a prescrição dos juros moratórios, inaplicabilidade do CDC, cumprimento de legislação específica da época, aplicação do princípio constitucional da legalidade, do direito adquirido, bem como a forma de apuração das diferenças porventura constatadas. Intimada para apresentar contrarrazões ao recurso, a parte autora; apresentou, ID 24730173. Em que pese os fundamentos contidos neste Apelo, de logo antecipo que razão não assiste o recorrente. Explico. Da preliminar de sobrestamento do feito A priori, a parte recorrente afirma que o presente feito deve ser sobrestado, tendo em vista que o Ministro Relator Dias Toffoli ordenou o sobrestamento de todas as ações que envolvam os denominados Planos Econômicos, até final deslinde pelo STF. Entretanto, conforme pesquisa realizada no sítio eletrônico do Supremo Tribunal Federal, a Ministra Cármen Lúcia, nos autos do RE 626.307/SP, indeferiu o pedido de suspensão nacional dos processos cuja demanda versa sobre os planos econômicos Bresser e Verão, motivo pelo qual se entende restar revogado o sobrestamento anteriormente deferido pelo Min. Dias Toffoli. Além disso, cabe ressaltar que, no final do ano de 2017, o Ministro Dias Toffoli, relator dos Recursos Extraordinários nºs 591797 e 626307, que tratam dos expurgos inflacionários, mais especificamente, sobre os planos econômicos Bresser e Verão, homologou acordo das partes, sobrestando a tramitação por 24 meses para que os interessados manifestassem adesão ao referido acordo. A referida decisão foi prolatada em 18.12.2017. Também acrescento que em decisão recente da lavra do Ministro Gilmar Mendes, datada de 16/04/2021, nos autos dos RE's 631.363 (tema 284) e 632.212 (tema 285) houve ordem de novo sobrestamento, mas apenas para os casos envolvendo os planos Collor I e Collor II, não abarcando as questões tratadas neste apelo. Dessa forma, restou expirado o prazo sem acordo no caso concreto, razão pela qual deve ser rejeitada a respectiva preliminar de sobrestamento ventilada nos autos, sendo então necessário dar andamento regular ao vertente feito. Mérito O apelante afirma, nas razões recursais, que é de cinco anos o prazo para ingressar com a cobrança de juros remuneratórios, nos termos do art. 178, § 10, III do CC/1916. Contudo, esta alegação não merece acolhimento. Os juros remuneratórios, no presente caso, constituem-se no crédito principal e não na obrigação acessória, não se aplicando a regra do art. 178, § 10, III do CC/1916 (correspondente ao art. 206, §3º, do Código Civil de 2002), e sim à regra do art. 177, do CC/1916, que prevê o prazo prescricional de vinte anos para ações pessoais, como na hipótese. O Superior Tribunal de Justiça, sob o rito dos julgamentos de recurso repetitivo, no REsp nº 1.107.201-DF, adotou entendimento de que é vintenária a prescrição para as ações individuais em que se questionam as diferenças de índices de reajustes da remuneração da caderneta de poupança. I Considerando as metas estabelecidas pelo CNJ, o princípio constitucional da razoável duração do processo, e que a decisão de suspensão de julgamento dos recursos que se referem aos expurgos inflacionários do Plano Bresser, Verão, Collor I e II se deu há mais de um ano, o prosseguimento do presente recurso é medida de rigor e de Justiça. A suspensão prevista no citado art. 328 do Regimento Interno do STF não pode exceder o prazo previsto no art. 265, IV, a, § 5s, do Código de Processo Civil. II A União não é responsável pelos atos praticados pelo Banco, até mesmo porque não foi quem aplicou indevidamente os índices de correção monetária sobre os valores depositados em conta-poupança, e nao será quem deve arcar com a eventual devolução das diferenças apuradas. III "É vintenária a prescrição nas ações individuais em que são questionados os critérios de remuneração da caderneta de poupança e são postuladas as respectivas diferenças, sendo inaplicável rs ações individuais o prazo decadencial quinquenal atinente r Ação Civil Pública." (STJ REsp 1107201/DF). IV O Superior Tribunal de Justiça já firmou entendimento no sentido de que o artigo 26 e 27 do Código de Defesa do Consumidor, que regulam os prazos decadenciais e prescricionais, aplicam-se aos casos de vício ou defeito do produto ou serviço, mas não tem aplicação em ação de cobrança ou prestação de contas em que o autor busca revisar ou questionar os lançamentos efetuados em suas contas bancárias. V "Quanto ao Plano Verão (janeiro/1989), é de 42,72%, o percentual estabelecido com base no Índice de Preços ao Consumidor (IPC), índice de correção monetária das cadernetas de poupança com período mensal iniciado até 15 de janeiro de 1989, não se aplicando a Medida Provisória n. 32/89 (Plano Verão), que determinava a atualização pela variação das Letras Financeiras do Tesouro (LFT)." (STJ REsp 1107201/DF). "Há muito, pacificou-se o entendimento de que a alteração do índice do IPC de janeiro de 1989 para 42,72% enseja, necessariamente, a fixação do IPC de fevereiro de 1989 no percentual de 10,14%." (STJ EDcl no AgRg no Agravo de Instrumento nº 473.112-SP). (TJ-MS - AC: 01039442720088120002 MS 0103944-27.2008.8.12.0002, Relator: Des. 	small;">Destarte, eventuais alterações dos critérios de correção da caderneta de poupança não podem ser aplicados de forma retroativa. Deve incidir a remuneração pelo índice devido, aplicando-se, sobre o valor que a esse título for apurado, a correção monetária plena e contínua, desde o momento em que se fez devida até o efetivo pagamento, como meio de preservação do capital originalmente depositado. Sobre o ponto, o Superior Tribunal de Justiça já se pronunciou que&#160; "(...) Iniciada ou renovada a caderneta de poupança, norma posterior que altera o índice de correção incidente sobre tal modalidade de investimento não pode retroagir para alcançá-la. Tendo incidência imediata e dispondo para o futuro, não afeta situações jurídicas já constituídas." (STJ, REsp 22.331-7/RS). No caso, é possível concluir que o apelante admite que, realmente, não aplicou sobre o saldo mantido na conta poupança pelo apelado, pois cumpriu suposta ordem legal emanada do Poder Executivo, que, pretensamente, determinava a aplicação de outro índice para a finalidade perquirida nestes autos. Ademais, extrai-se do caderno processual que a conta poupança do apelado possui abertura anterior às novas regras da Medida Provisória nº 32/89, posteriormente convertida na Lei nº 7.730/1989, que passou a aplicar novos índices de correção da conta poupança, bem como da Lei nº 8.024/1990, pelo que o contrato entre as partes já estava em vigor e, portanto, legítima a pretensão exordial, evidenciando o direito adquirido. Os temas, inclusive, foram objeto de apreciação em reunião conjunta dos Recursos Especiais repetitivos nºs 1.107.201/DF e 1.147.595/RS pelo Superior Tribunal de Justiça, restando firmadas as seguintes teses: (...) 3º, 4º, 5º e 6º Temas: Os índices de correção de valores a que têm direito os depositantes de Cadernetas de Poupança relativamente aos Planos Bresser, Verão, Collor I e Collor II são os seguintes: a) Plano Bresser – Diferença de 26,06% (junho de 1987) Decreto-Lei 2.335/87, 2.336/87 e 2.337/87; b) Plano Verão Diferença de 42,72% (Janeiro de 1989); c) Plano Collor I - (parte atingida) Índice de 84,32% (Março de 1990) MP1688/90, convertida na Lei 8.0244/90; d) Plano Collor II – Diferença de 21,87% (Fevereiro de 1991) MP 294, de 31/1/91, convertida na Lei 8.177/91. Nessa guisa, não há que se falar em inexistência de direito adquirido, ante a superveniência de norma de ordem pública sobre os planos econômicos em discussão. &#160;Já em relação aos planos econômicos, em especial o plano Verão, tratado no vertente apelo, esse tema já se encontra pacificado perante o Superior Tribunal de Justiça, com o advento do resultado do julgamento do REsp 1.107.201/DF (Temas 298, 299, 300, 301, 302), sob a égide do rito dos recursos repetitivos, verbis: (...) O índice aplicável para correção monetária das cadernetas de poupança abertas ou renovadas até o dia 15, nos meses de junho de 1987 e janeiro de 1989, é o IPC, que revelou inflação de 26,06% e 42,72%, respectivamente. 2. PRELIMINAR PARA SOBRESTAR O FEITO. 2.1. O pleito de sobrestamento do processo em razão das decisões do Supremo Tribunal Federal nos RES 591.797 e 626.307 não merece acolhida, em razão das recentes decisões da Ministra Rosa Weber e do Ministro Gilmar Mendes que negaram seguimento ao pleito de suspensão de processo que versava sobre matéria idêntica à discutida nos presentes autos, por entenderem que não mais subsiste a ordem de suspensão processual dos feitos onde se discute os expurgos inflacionários dos planos econômicos Bresser, Verão, Collor I e Collor II. 2.2. Assim, diferentemente do que defende a parte recorrente, inexistente óbice para o julgamento do apelo, mormente se consideradas as decisões proferidas no âmbito do Supremo Tribunal Federal sobre o assunto. Preliminar para sobrestar o feito rejeitada. 3. MÉRITO. 3.1. No mérito, ao se compulsar os autos observa-se que o autor da demanda demonstrou o fato constitutivo de seu direito, pois juntou documentos, fls. 18/21, hábeis a comprovar a existência de conta poupança de sua titularidade e de saldo no período dos Planos Econômicos vindicados, fazendo, assim, jus às diferenças postuladas. 3.2. A pretensão do autor, ora apelado, diz respeito ao Plano Bresser e ao Plano Verão, motivo pelo qual se impõe observar os percentuais fixados pelos Temas nº 301 e nº 302 da Corte Superior, a propósito: Tema nº 301: Quanto ao Plano Bresser (junho/1987), é de 26,06%, percentual estabelecido com base no Índice de Preços ao Consumidor (IPC), índice de correção monetária para as cadernetas de poupança iniciadas ou com aniversário na primeira quinzena de junho de 1987, não se aplicando a Resolução BACEN n.º 1.338/87, de 15/06/87, que determinou a atualização dos saldos, no mês de julho de 1987, pelo índice de variação do valor nominal das Obrigações do Tesouro Nacional (OTN). Tema nº 302: Quanto ao Plano Verão (janeiro/1989), é de 42,72%, percentual estabelecido com base no Índice de Preços ao Consumidor (IPC), índice de correção monetária das cadernetas de poupança com período mensal iniciado até 15 de janeiro de 1989, não se aplicando a Medida Provisória n. 32/89 (Plano Verão), que determinava a atualização pela variação das Letras Financeiras do Tesouro (LFT). 3.3. Nesse sentido, o poupador tem direito ao recebimento da correção monetária, segundo a variação aferida pelo IPC, que em junho de 1987 e em janeiro de 1989 correspondiam, respectivamente, a 26,06% e 42,72%, tal como constou na sentença recorrida. 3.4. Quanto aos juros remuneratórios, deve incidir juros remuneratórios, de forma capitalizada, no percentual de 0,5% ao mês, desde a data em que deveria ter sido aplicado o respectivo índice até o seu efetivo pagamento, haja vista que as poupanças são remuneradas de maneira universal com a aplicação de juros remuneratórios e correção monetária até o encerramento da conta poupança. 3.5. Recurso conhecido e improvido. Vistos, relatados e discutidos os presentes autos de apelação cível nº 0003721-37.2008.8.06.0001, em que figuram as partes acima indicadas, acordam os Desembargadores integrantes da 2ª Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, por votação unânime, em conhecer do recurso, mas para negar-lhe provimento, em conformidade com o voto do eminente relator. Quanto aos juros remuneratórios, estes devem incidir de forma capitalizada, no percentual de 0,5% ao mês, desde a data em que deveria ter sido aplicado o respectivo índice até o seu efetivo pagamento, haja vista que as poupanças são remuneradas de maneira universal com a aplicação de juros remuneratórios e correção monetária até o encerramento da conta poupança. Neste sentido, seguem os julgados a seguir transcritos: AGRAVO INTERNO NO RECURSO ESPECIAL. BANCÁRIO. EXPURGOS INFLACIONÁRIOS. CONTA-POUPANÇA. ART.6º, VIII, DO CDC. PREQUESTIONAMENTO. AUSÊNCIA. SÚMULA Nº 282/STF. JUROS REMUNERATÓRIOS. TERMO FINAL. DATA DE ENCERRAMENTO. CONTRATO DE DEPÓSITO.1. Ausente o prequestionamento, até mesmo de modo implícito, de matéria suscitada no recurso especial, incide, por analogia, o disposto na Súmula nº 282/STF.2. Os juros remuneratórios são devidos em virtude da utilização de capital alheio, de forma que, inexistindo quantia depositada, não se justifica a incidência de juros remuneratórios, pois o depositante não estará privado da utilização do dinheiro e o banco depositário não estará fazendo uso do capital de terceiros ou não terá a disponibilidade da pecúnia. Precedentes.3. A incidência dos juros remuneratórios, na espécie, se dá até o encerramento da conta-poupança, quer esta ocorra em razão do saque integral dos valores depositados, quer ocorra a pedido do depositante, com a consequente devolução do numerário depositado.4. Agravo interno não provido.(AgInt no REsp 1545905/RS, Rel. Ministro RICARDO VILLAS BOAS CUEVA, TERCEIRA TURMA, julgado em 10/11/2016,DJe 21/11/2016). CIVIL E PROCESSUAL CIVIL. AÇÃO DE COBRANÇA. INCIDÊNCIA. SENTENÇA REFORMADA.1 - Descabida a preliminar de não conhecimento do recurso por irregularidade formal em decorrência da inadequação do pedido formulado, tendo em vista que o pedido formulado na Apelação(de reforma da sentença) não está equivocado, uma vez que o Juiz a quo julgou improcedentes os pedidos, extinguindo o Feito com julgamento de mérito (art. 296, I, CPC), ou seja, não há que se falar em cassação da sentença e sim em sua reforma.2 - O STJ firmou entendimento no sentido de que "não se há de falar em quitação tácita do débito relativo à inadequada correção dos depósitos em caderneta de poupança pelo simples fato de que o poupador deixou de manifestar, em momento imediato, sua ressalva, vindo a movimentar posteriormente a conta de poupança." (REsp 146545/SP), e, por conseguinte, não há que se falar em carência de ação, por impossibilidade jurídica do pedido, pois não há a alegada necessidade de formulação de pedido anulatório da suposta quitação havida, para somente então, formular pedido de cobrança dos expurgos.3 - Prescreve em vinte anos o pleito de correção monetária dos depósitos existentes em caderneta de poupança, incluindo os juros remuneratórios, porquanto se agregam ao valor principal. Inteligência do artigo 177 do Código Civil de 1916.Precedentes jurisprudenciais do C. STJ. Prejudicial de mérito afastada.4 - O entendimento sufragado tanto no âmbito das Cortes Superiores de Justiça quanto neste egrégio Tribunal é o de que não incide no cálculo da atualização monetária dos saldos existentes em caderneta de poupança o disposto na MP nº 168/90, convertida na Lei nº 8.024/90, prevalecendo o IPC no percentual de maio/90 - 7,87%, junho/90 - 9,55%, àquelas iniciadas ou renovadas na primeira quinzena do respectivo mês(Plano Collor I).5 - Ainda, nos termos da jurisprudência do e. STJ e desta Corte de Justiça, é devida a correção monetária incidente sobre os saldos em cadernetas de poupança, no percentual de 21,87%(fevereiro de 1991), em decorrência da edição do Plano Collor II (MP nº 294, de 31/01/1991, convertida na Lei nº 8.177/91).àquelas abertas ou renovadas antes de 31/01/1991.6 - Sobre os valores devidos a título de expurgos inflacionários, deve incidir juros remuneratórios, de forma capitalizada, no percentual de 0,5% ao mês, desde a data em que deveria ter sido aplicado o respectivo índice até o seu efetivo pagamento, haja vista que as poupanças são remuneradas de maneira universal com a aplicação de juros remuneratórios e correção monetária.7 - A correção monetária deve incidir a partir do evento, ou seja, a partir do efetivo prejuízo, o que corresponde ao

APELAÇÃO CÍVEL. AÇÃO ANULATÓRIA DE DÉBITO C/C INDENIZAÇÃO POR DANOS MORAIS E MATERIAIS. DESCONTOS INDEVIDOS. CONTRATAÇÃO NÃO COMPROVADA. NULIDADE DO NEGÓCIO JURÍDICO. REPETIÇÃO DE INDÉBITO EM DOBRO. DANO MORAL CONFIGURADO. QUANTUM INDENIZATÓRIO FIXADO EM R\$ 3.000,00. PEDIDO DE MAJORAÇÃO. VALOR MANTIDO POR ATENDER AOS PRINCÍPIOS DA RAZOABILIDADE E PROPORCIONALIDADE. RECURSO DESPROVIDO. I. CASO EM EXAME 1. Apelação Cível interposta por Antonio Osmir Dimas da Silva contra sentença da Vara Única da Comarca de Jucás/CE, que, em Ação Anulatória de Débito c/c Indenização por Danos Morais e Materiais ajuizada contra a UNASPUB – União Nacional de Auxílio aos Servidores Públicos, julgou parcialmente procedente o pedido para: (i) declarar a nulidade do contrato impugnado e reconhecer a inexistência dos descontos realizados; (ii) condenar a ré à restituição em dobro dos valores descontados, acrescidos de juros e correção; (iii) fixar indenização por danos morais em R\$ 3.000,00; e (iv) condenar a ré em custas e honorários advocatícios. O autor apelou pleiteando a majoração do valor arbitrado a título de danos morais. II. QUESTÃO EM DISCUSSÃO 1. A questão em discussão consiste em verificar se o valor da indenização fixado em R\$ 3.000,00 a título de danos morais deve ser majorado em razão da prática de descontos indevidos decorrentes de contrato inexistente. III. RAZÕES DE DECIDIR 1. O dano moral restou configurado diante da falha na prestação de serviço da ré, que não comprovou a celebração válida do contrato, descumprindo o ônus probatório que lhe incumbia. 2. A indenização por danos morais deve ser fixada considerando a gravidade do fato, a extensão das consequências, a condição econômica das partes e os princípios da razoabilidade e proporcionalidade. 3. O valor fixado em R\$ 3.000,00 mostra-se adequado ao caso concreto, atendendo aos parâmetros médios da jurisprudência do TJCE em situações análogas, de modo a reparar o abalo sofrido sem ensejar enriquecimento ilícito do autor. 4. Precedentes do TJCE confirmam a fixação de valores na faixa de R\$ 3.000,00 a R\$ 5.000,00 em casos de descontos indevidos por ausência de contrato válido, sendo o quantum arbitrado compatível com tais balizas (TJCE, Apelação Cível nº 0004641-43.2013.8.06.0160, Rel. Des. Maria Vilauba Fausto Lopes, 3ª Câmara Direito Privado, j. 30.06.2020; TJCE, Agravo Interno Cível nº 0009308-07.2018.8.06.0028, Rel. Des. Emanuel Leite Albuquerque, 1ª Câmara Direito Privado, j. 18.05.2022). IV. DISPOSITIVO E TESE 7. Recurso desprovido. Tese de julgamento: 1. O fornecedor que efetua descontos sem comprovar a regularidade da contratação responde objetivamente por danos materiais e morais. 2. A fixação do valor da indenização por danos morais deve observar os princípios da razoabilidade e proporcionalidade, evitando-se tanto a fixação irrisória quanto o enriquecimento ilícito. 3. O valor de R\$ 3.000,00 mostra-se adequado e proporcional em casos de descontos indevidos decorrentes de inexistência contratual. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do recurso de apelação cível, para no mérito negar-lhe provimento, nos termos do voto do Relator. Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador Relator DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA Relatório Trata-se de Apelação Cível interposta por ANTONIO OSMIR DIMAS DA SILVA, contra sentença prolatada pelo MM. Juiz de Direito da Vara Única da Comarca de Jucás(CE), em sede de Ação Anulatória de Débito c/c Indenização por Danos Morais e Materiais, proposta pelo ora apelante, em desfavor do UNASPUB - UNIAO NACIONAL DE AUXILIO AOS SERVIDORES PUBLICOS . Consta do dispositivo da sentença que o Magistrado a quo decidiu nos seguintes termos: (...) Isso posto, JULGO PARCIALMENTE PROCEDENTE a pretensão formulada na inicial, extinguindo o processo com resolução de mérito nos moldes do art. 487, I, do CPC, para: a) Declarar a nulidade do negócio objeto desta demanda, reconhecendo a inexistência/nulidade das deduções intituladas como “CONTRIB. UNASPUB SAC 08005040128”. b) Condenar a parte requerida a devolver à parte autora, ante a nulidade contratual, o valor das parcelas descontadas, acrescidas de juros de 1% ao mês, a contar do dia em que cada desconto foi efetuado (art. 398 do Código Civil e súmula 54 do STJ) e correção monetária pelo INPC a partir da mesma data (Súmula nº 43 do STJ), sendo a restituição na forma dobrada, tendo em vista que as quantias foram descontadas após a publicação do acórdão do STJ no julgamento do EREsp 1.413.542, EAREsp 676.608, EAREsp 664.888 e EAREsp 600.663 (30/03/2021). c) Condenar a parte promovida ao pagamento de R\$ 3.000,00 (três mil reais) à parte autora a título de indenização por danos morais, com correção monetária (INPC) contada da data desta sentença (Súmula 362, STJ) e juros de mora de 1% a partir do evento danoso (súmula 54, STJ). Fica autorizada, desde logo, a compensação entre os créditos devidos entre as partes no tocante aos valores que são objeto desta demanda, com correção monetária pelo INPC, nos moldes do art. 368 e seguintes do Código Civil. Condeno a parte ré ao pagamento das custas processuais e ao pagamento de honorários advocatícios que fixo em 10% do valor da condenação, nos termos do art. 85, §2º, do CPC. Publique-se. Registre-se. Intime-se. Transitada em julgado, intime-se a parte autora, por seu causídico, para dar início ao cumprimento de sentença, sob pena de arquivamento do feito. Irresignado, o apelante interpôs recurso de apelação, ID 24792080, requerendo a reforma da decisão recorrida para majorar o valor arbitrado a título de danos morais. Sem contrarrazões, ID 24792084. Após, os autos ascenderam para julgamento nesta Corte. É o relatório. VOTO Conheço do presente Recurso Apelatório, visto estarem presentes os pressupostos intrínsecos e extrínsecos de admissibilidade. Com efeito, a controvérsia recursal consiste em, tão somente, verificar a possibilidade de majoração do valor arbitrado a título de danos morais. Da majoração do valor da indenização. Feitas essas considerações, cumpre observar que o juízo de primeiro grau arbitrou na sentença a

Processo	3000660-34.2024.8.06.0300
	indenização por danos morais o montante de R\$ 3.000,00 (três mil reais). Nesse contexto, vale destacar que da análise probatória, verifica-se ser incontroverso a ocorrência de dano moral, diante da falha na prestação do serviço da demandada, na medida em que o apelado não demonstrou, na condição de fornecedor do serviço adquirido, a regular celebração do contrato de empréstimo impugnado, não se desincumbindo a contento do ônus probante que lhe cabia, sendo imprescindível sua reparação. Logo, quanto à indenização referente aos danos morais, o julgador deve levar em consideração certos critérios para sua fixação, quais sejam: a gravidade do fato e suas consequências para a vítima; a intensidade do dolo ou da culpa do agente; a eventual participação culposa do ofendido; a condição econômica do ofensor e as condições pessoais da vítima (posição política, social e econômica). Neste passo, a fixação do quantum indenizatório deve igualmente ser feita de maneira a evitar o enriquecimento ilícito, no entanto, não pode o valor ser irrisório. Nesse íterim, considero que, in casu, o quantum fixado pelo magistrado a quo não deve ser modificado, uma vez que o valor de R\$ 3.000,00 (três mil reais), está em consonância com os parâmetros médios utilizados pela jurisprudência deste E. Tribunal, em demandas análogas, razão pela qual mantenho o montante fixado de R\$ 3.000,00 (três mil) reais. Nesse sentido, colaciono os precedentes que embasam os argumentos aqui expostos: DIREITO CIVIL E PROCESSO CIVIL. APELAÇÃO CÍVEL EM AÇÃO DECLARATÓRIA DE INEXISTÊNCIA DE DÉBITO C/C INDENIZAÇÃO POR DANOS MORAIS. EMPRÉSTIMO CONSIGNADO EM FOLHA DE PAGAMENTO DE APOSENTADA (ALFABETIZADA). MATÉRIA QUE NÃO SE ENQUADRA NA IRDR Nº 0630366-67.2019.8.06.0000. BENEFICIÁRIA DO INSS. PROCEDÊNCIA NA ORIGEM. LEGITIMIDADE DO DÉBITO NÃO COMPROVADA PELA INSTITUIÇÃO BANCÁRIA. AUSÊNCIA DE COMPROVAÇÃO DO DEPÓSITO DO CRÉDITO NA CONTA DA AUTORA. CONTRATAÇÃO FRAUDULENTA. COBRANÇA INDEVIDA. ATO ILÍCITO CONFIGURADO. RESPONSABILIDADE OBJETIVA DA INSTITUIÇÃO FINANCEIRA. SÚMULA 479 DO STJ. RESTITUIÇÃO A TÍTULO DE REPETIÇÃO DE INDÉBITO NA FORMA SIMPLES. DANO MORAL CARACTERIZADO. MENSURAÇÃO DO DANO. OBSERVÂNCIA AOS PRINCÍPIOS DA RAZOABILIDADE E DA PRÓPORCIONALIDADE. FIXAÇÃO EM R\$ 5.000,00 (CINCO MIL REAIS). SENTENÇA MANTIDA. RECURSO CONHECIDO E IMPROVIDO 1. Trata-se de Apelação Cível interposta pelo Banco de Crédito e Varejo S/A, em face da sentença do Juízo da 2ª Vara da Comarca de Santa Quitéria/CE que, julgou parcialmente procedente a Ação Declaratória de Nulidade de Relação Contratual c/c Condenação em Danos Morais, determinando a devolução do valor descontado indevidamente, bem como ao pagamento dos danos morais, na importância de R\$ 5.000,00 (cinco mil reais). 2. Não há, nos autos, qualquer documento que comprove o crédito referente ao empréstimo na conta da demandante. Por outro lado, o documento que instrui a exordial demonstra que o banco promovido efetivamente realizou descontos, decorrentes do suposto contrato de empréstimo consignado, na conta-corrente que a autora recebe seu benefício de aposentadoria (fl. 23). 3. A instituição financeira apresentou às fls. 103/110, cópia do contrato de nº 46-762235/10999. Não obstante isso, a instituição financeira deixou de apresentar o TED ou extrato, que comprovasse que o autor efetivamente recebeu os valores contratados, que justificasse os descontos na previdência do mesmo.. 4. Como o banco não se desincumbiu do ônus que lhe competia de comprovar a regularidade da contratação com o depósito do valor contratado na conta da requerente, demonstrando que a demandante teve a exata participação nos termos do contrato, de modo a afastar o vício de consentimento alegado, impõe-se a confirmação da sentença. 5. Configurado o defeito no serviço prestado, não tendo o banco procedido com as cautelas devidas para a contratação com a autora, assumiu o risco e a obrigação do prejuízo. Note-se que a instituição financeira não provou a ocorrência das excludentes de responsabilidade previstas no § 3º do art. 14 do CDC. 6. Entende-se que o dano moral fixado pelo primeiro grau de R\$ 5.000,00 (cinco mil reais), foi razoável e proporcional, punindo a ré pelo ato ilícito praticado e reparando a autora pelo abalo experimentado. Destarte, o quantum deve ser mantido. 7. Recurso Conhecido e improvido. Sentença mantida, em todos os seus termos. (TJCE, Apelação Cível nº0004641-43.2013.8.06.0160, Rel. 	AGRAVO INTERNO CONHECIDO E DESPROVIDO. DECISÃO MANTIDA. 1. Reclama o agravante da decisão monocrática desta relatoria que deu provimento ao apelo interposto pela agravada, reformando a sentença objurgada, no sentido de majorar o valor da condenação em danos morais para o valor de R\$ 3.000,00 (três mil reais). 2. A dialética jurídica acarreta a incidência do disposto no artigo 373 do Código de Processo Civil, que bem distribui o ônus probatório. Conforme dispõe o artigo 373, inciso I do CPC, cabe à parte autora a devida comprovação do fato constitutivo do direito invocado e a parte Ré, provar a existência de fatos impeditivos, modificativos ou extintivos do direito do autor. 3. No caso, o banco/agravante não trouxe aos autos, perante o juízo de origem e no momento devido, o contrato combatido, bem como deixou de demonstrar o depósito do valor supostamente contratado na conta corrente da autora, deixando de comprovar, assim, que agiu com cautela por ocasião da celebração do negócio jurídico (ônus que lhe competia, segundo a regra do art. 373, inc. II, do CPC). 4. A despeito da apresentação, na fase recursal, do contrato supostamente assinado pela parte autora/agravada, entendendo que o banco/recorrente não conseguiu provar o depósito da quantia solicitada no contrato em questão (R\$ 1.756,54), quedando-se, portanto, inerte quanto a comprovação do cumprimento do contrato. É que, o mero contrato assinado supostamente pela recorrida, sem o devido depósito do valor acertado, não justifica os descontos no benefício do aposentado. 5. Assim, demonstrada a falha na prestação dos serviços, configurado está o ilícito civil, o qual enseja pronta reparação dos danos causados, nos termos do art. 14 do Código de Defesa do Consumidor e arts. 186 e 927 do Código Civil Brasileiro. 6. Dano moral - Sobre o dano moral, enxergo que é evidente a perturbação sofrida pela recorrida ao ver os descontos no seu benefício previdenciário, uma vez que não houve autorização da prática deste ato e tampouco, conforme os elementos existentes nestes autos, prova de que houve a correta celebração do instrumento contratual com o banco/recorrente. 7. Fixação – Fatores - Para quantificar a indenização por danos morais deve se levar em conta, dentre outros fatores, a extensão do dano, as condições socioeconômicas dos envolvidos e o sofrimento da vítima. Nessa ordem de ideias, atento ao cotejo desses fatores: "nível econômico da autora da ação, sofrimento da vítima e o porte econômico da entidade bancária", considero consentâneo o valor arbitrado de R\$ 3.000,00 (três mil reais), frente ao quadro fático delineado nos autos, razão pela qual deve ser mantido. 8. Recurso conhecido e desprovido. Decisão mantida. A C Ó R D Á O Acordam os Desembargadores integrantes da Primeira Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade de votos, em conhecer do presente recurso, mas para negar-lhe provimento, nos termos do voto do Relator, parte integrante desta decisão. Acordão	 ESTADO DO CEARÁ PODER JUDICIÁRIO TRIBUNAL DE JUSTIÇA PRIMEIRA CÂMARA DE DIREITO PRIVADO DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA PROCESSO: 3004390-80.2024.8.06.0000 - AGRADO DE INSTRUMENTO (202) AGRAVANTE: ERNAN HENRIQUE DE SOUZA CAVALCANTE AGRAVADO: JOAO EDUARDO ARRAES DE ALENCAR Ementa: DIREITO PROCESSUAL CIVIL. AGRADO DE INSTRUMENTO. EXECUÇÃO DE TÍTULO EXTRAJUDICIAL. ARRESTO ON-LINE. TENTATIVA DE CITAÇÃO FRUSTRADA. DESNECESSIDADE DE ESGOTAMENTO DAS DILIGÊNCIAS. POSSIBILIDADE. RECURSO PROVIDO. I. CASO EM EXAME Agravado de instrumento interposto contra decisão que indeferiu o pedido de arresto eletrônico nas contas bancárias do executado em execução de título extrajudicial oriundo de contrato de locação residencial. O juízo de origem entendeu necessária a demonstração do esgotamento das tentativas de localização do devedor para autorizar o arresto. O agravante sustenta que, frustrada a citação no endereço constante do título e por oficial de justiça, já é cabível a medida. II. QUESTÃO EM DISCUSSÃO A questão em discussão consiste em definir se o arresto on-line pode ser deferido após a primeira tentativa frustrada de citação ou se depende do esgotamento das diligências de localização do executado. III. RAZÕES DE DECIDIR O art. 830 do CPC permite o arresto de bens quando o oficial de justiça não localiza o executado, sem condicionar a medida ao esgotamento de tentativas de citação. A aplicação analógica do art. 854 do CPC legitima a modalidade on-line do arresto, viabilizando o bloqueio eletrônico de ativos financeiros.

Acórdão	 PROCESSO: 0200330-30.2024.8.06.0066 - APELAÇÃO CÍVEL (198) APELANTE: BANCO BRADESCO S/A APELADO: ANA NUNES PEREIRA EMENTA: DIREITO DO CONSUMIDOR E PROCESSUAL CIVIL. APELAÇÃO CÍVEL. AÇÃO DECLARATÓRIA DE INEXISTÊNCIA DE RELAÇÃO JURÍDICA C/C REPETIÇÃO DE INDÉBITO E INDENIZAÇÃO POR DANOS MORAIS. EMPRÉSTIMO CONSIGNADO NÃO COMPROVADO. DESCONTOS INDEVIDOS EM BENEFÍCIO PREVIDENCIÁRIO. RESPONSABILIDADE OBJETIVA DA INSTITUIÇÃO FINANCEIRA. INVERSÃO DO ÔNUS DA PROVA. SÚMULA 479/STJ. RESTITUIÇÃO EM DOBRO DOS VALORES INDEVIDAMENTE DESCONTADOS. DANO MORAL CONFIGURADO. INDENIZAÇÃO MANTIDA. RECURSO DESPROVIDO. I. CASO EM EXAME 1. Recurso de apelação interposto por Banco Bradesco S/A contra sentença que, nos autos de ação declaratória de inexistência de relação jurídica c/c indenização por danos morais e materiais e repetição de indébito ajuizada por beneficiária previdenciária, declarou a nulidade de contrato de empréstimo consignado não comprovado, condenando o banco ao pagamento de R\$ 5.000,00 por danos morais e à restituição dos valores descontados. II. QUESTÃO EM DISCUSSÃO 2. Há três questões em discussão: (i) definir se o contrato de empréstimo consignado impugnado foi validamente celebrado; (ii) estabelecer se há responsabilidade objetiva da instituição financeira pelos descontos indevidos; (iii) determinar a forma de restituição dos valores e a adequação do quantum indenizatório fixado a título de danos morais. RAZÕES DE DECIDIR 3. A relação jurídica entre consumidor e instituição financeira enquadra-se como relação de consumo, atraindo a incidência do Código de Defesa do Consumidor (arts. 2º e 3º, CDC). 4. A responsabilidade das instituições financeiras é objetiva, respondendo pelos danos decorrentes de fraudes e delitos praticados no âmbito de operações bancárias, conforme Súmula 479 do STJ. 5. O Código de Defesa do Consumidor autoriza a inversão do ônus da prova (art. 6º, VIII), cabendo ao banco apresentar os documentos comprobatórios da contratação, o que não ocorreu. 6. Ausente comprovação do contrato e do depósito do valor do suposto empréstimo, resta configurada falha na prestação do serviço e inexistência da relação jurídica alegada. 7. A jurisprudência reconhece que descontos indevidos em benefício previdenciário configuram ilícito civil e ensejam reparação por dano moral in re ipsa, prescindindo de prova do prejuízo. 8. O quantum de R\$ 5.000,00 fixado a título de danos morais mostra-se razoável e proporcional, atendendo aos critérios de compensação da vítima e prevenção da conduta ilícita. 9. A restituição dos valores deve observar a orientação firmada pelo STJ no EAREsp 676.608/RS, sendo devida em dobro para os descontos posteriores a 30/03/2021, independentemente de má-fé do fornecedor. DISPOSITIVO E TESE 10. Recurso desprovido. Tese de julgamento: A instituição financeira responde objetivamente pelos descontos indevidos em benefício previdenciário, oriundos de contrato de empréstimo não comprovado. 2. Na relação de consumo, incide a inversão do ônus da prova, cabendo ao banco demonstrar a existência do contrato. 3. A ausência de comprovação do contrato e da disponibilização dos valores caracteriza falha na prestação do serviço e enseja indenização por danos morais. 4. O quantum indenizatório deve observar os princípios da razoabilidade e proporcionalidade, sendo cabível o valor de R\$ 5.000,00 em casos

ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, por uma de suas turmas e por unanimidade, conhecer do recurso para NEGAR-LHE PROVIMENTO, nos termos do relatório e do voto do relator. Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador Relator RELATÓRIO Trata-se de recurso de apelação interposto por BANCO BRADESCO S/A, contra decisão proferida pelo Juízo da Vara Única da Comarca de Cedro, nos da ação declaratória de inexistência de relação jurídica c/c por danos morais e materiais, repetição de indébito ajuizada por ANA NUNES PEREIRA, contra BANCO BRADESCO S/A. A parte autora afirma que percebeu deduções indevidas em seu benefício, que consiste em um salário mínimo e ao procurar o INSS para saber do que se tratava, foi dito que as deduções diziam respeito a um empréstimo tipo consignado, no qual afirma desconhecer e não ter sequer solicitado. Em sentença de ID 24848569, o feito foi julgado procedente ao declarar a inexistência do referido contrato, condenando o promovido ao pagamento de R\$ 5.000,00 (cinco mil reais) em favor da parte autora, a título de indenização por danos morais. Irresignado, BANCO BRADESCO S/A., interpôs o presente recurso de apelação, ID 24848572, em que requer a reforma da decisão ao aduzir que o contrato é legítimo, razão pela qual, o pleito autoral deve ser improvido. Contrarrazões, ID 24848577, em que o apelado se manifestou pela manutenção da decisão. É o relatório. VOTO Presentes os pressupostos de admissibilidade recursal, conheço da apelação interposta. Inicialmente importa esclarecer que a situação ora apresentada, refere-se a uma relação consumerista a ser regida pelo Código de defesa do consumidor, tendo em vista os três elementos fundamentais presentes: consumidor, fornecedor e produto/serviço.

Processo	0200330-30.2024.8.06.0066
	São estes elementos essenciais que fazem nascer uma relação de consumo (consumidor / fornecedor e produtos ou serviços), a qual é pressuposto para a aplicação do CDC, independentemente da espécie contratual pactuada pelas partes, em conformidade com arts. 3º e 2º, ambos do Código de Defesa do Consumidor. Art. 2º Consumidor é toda pessoa física ou jurídica que adquire ou utiliza produto ou serviço como destinatário final. Parágrafo único. Equipara-se a consumidor a coletividade de pessoas, ainda que indetermináveis, que haja intervindo nas relações de consumo. Art. 3º Fornecedor é toda pessoa física ou jurídica, pública ou privada, nacional ou estrangeira, bem como os entes despersonalizados, que desenvolvem atividade de produção, montagem, criação, construção, transformação, importação, exportação, distribuição ou comercialização de produtos ou prestação de serviços. Dessa forma, diante de uma relação de consumo, a responsabilidade objetiva passa a ser a regra, de modo que não se exige a comprovação de culpa do fornecedor que, independentemente desta, responderá pelos danos ocorridos, desde que presente o nexo causal. Nesse sentido, dispõe a súmula 479 do STJ: Súmula 479 - As instituições financeiras respondem objetivamente pelos danos gerados por fortuito interno relativo a fraudes e delitos praticados por terceiros no âmbito de operações bancárias. Ressalte-se que a responsabilidade discutida ao caso em análise não se restringe meramente a relação consumerista caracterizada, mas também em virtude da notória influência em sociedade capitalista das instituições financeiras. Explico: Em face de evidente dimensão de poder, visando o princípio de proteção das vítimas de atos ilícitos, o direito nacional vem delineando os contornos da responsabilidade civil das instituições financeiras, com ênfase para a responsabilidade civil dos bancos. Tal responsabilidade firmou-se, de início, no elemento subjetivo da conduta, a culpabilidade. Acerca desse assunto, a doutrina se manifestava: Partindo do conceito básico de culpa, enunciado de maneira muito positiva, o banco responde para com seus clientes, por qualquer ato culposos na execução dos números contratos ligados à atividade bancária". (PEREIRA, Caio Mário da Silva. Responsabilidade civil, 2 ed. Rio de Janeiro: Forense, 1991, p. 189.) Considerando a presente relação de consumo, é cediço em doutrina que o ônus da prova refere-se a responsabilidade de comprovar o direito ao qual se pleiteia em juízo, pois não há direito sem evidência de sua existência. A relevância desse instrumento processual, refere-se ao fato de que o não atendimento ao ônus de provar, poderá acarretar posição de desvantagem para obtenção do ganho de causa. O nosso CPC traz em seu bojo a repartição do ônus da prova, nos seguintes termos: Art. 333. O ônus da prova incumbe: I - Ao autor, quanto ao fato constitutivo do seu direito; II - Ao réu, quanto à existência de fato impeditivo, modificativo ou extintivo do direito do autor. Ocorre que, o Código do Consumidor, trouxe novas determinações específicas acerca da posição dos fornecedores frente aos consumidores ao integrarem a relação jurídica, principalmente no que concerne a matéria probatória.

AÇÃO DECLARATÓRIA DE NULIDADE DE EMPRÉSTIMO C/C REPETIÇÃO DE INDEBITO E INDENIZAÇÃO POR DANOS MORAIS. SENTENÇA PARCIALMENTE PROCEDENTE. CONTRATO DE EMPRÉSTIMO CONSIGNADO. DESCONTOS INDEVIDOS. AUSÊNCIA DE CONTRATO VÁLIDO. FALHA NA PRESTAÇÃO DO SERVIÇO CONFIGURADA. PLEITO DE MAJORAÇÃO/REDUÇÃO NÃO PROVIDOS. SENTENÇA MANTIDA. RECURSOS CONHECIDOS E NÃO PROVIDOS. 1. A controvérsia recursal consiste em, tão somente, verificar a possibilidade de majoração ou redução do quantum indenizatório arbitrados por danos morais. 2. Cumpre observar que o juízo de primeiro grau arbitrou na sentença a indenização por danos morais o montante de R\$ 3.000,00 (três mil reais). 3. Nesse contexto, vale destacar que da análise probatória, verifica-se ser incontroverso a ocorrência de dano moral, diante da falha na prestação do serviço da demandada, na medida em que o apelado não demonstrou, na condição de fornecedor do serviço adquirido, a regular celebração do contrato de empréstimo impugnado, não se desincumbindo a contento do ônus probante que lhe cabia, sendo imprescindível sua reparação. 4. Logo, quanto à indenização referente aos danos morais, o julgador deve levar em consideração certos critérios para sua fixação, quais sejam: a gravidade do fato e suas consequências para a vítima; a intensidade do dolo ou da culpa do agente; a eventual participação culposa do ofendido; a condição econômica do ofensor e as condições pessoais da vítima (posição política, social e econômica). Neste passo, a fixação do quantum indenizatório deve igualmente ser feita de maneira a evitar o enriquecimento ilícito, no entanto, não pode o valor ser irrisório. 5. Nesse ínterim, considero que, in casu, o quantum fixado pelo magistrado a quo deve ser mantido, uma vez que o valor de R\$ 3.000,00 (três mil reais), está em consonância com os parâmetros médios utilizados pela jurisprudência deste E. Tribunal, em demandas análogas, razão pela qual mantenho o montante fixado de R\$ 3.000,00 (três mil) reais. 6. Recursos conhecidos e não providos. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer dos recursos de apelações cíveis, para, no mérito, negar-lhes provimento, nos termos do voto do Relator. MULTA DIÁRIA PROPORCIONAL. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA CONFIRMADA. 1. O magistrado de primeiro grau julgou parcialmente procedente os pedidos feitos em exordial, declarando a inexigibilidade do débito inscrito pela instituição financeira/promovida, referente ao contrato 051704803000050FI, determinando a exclusão do nome do autor das plataformas de cadastros de proteção ao crédito, e ainda, condenando o banco ao pagamento da quantia de R\$ 3.000,00 (três mil reais), a título de danos morais. 2. A controvérsia consiste em saber se o banco/apelante procedeu indevidamente a inscrição do nome do autor/apelado nos órgãos de restrição de crédito. 3. A dialética jurídica acarreta a incidência do disposto no artigo 373 do Código de Processo Civil, que bem distribui o ônus probatório. Conforme dispõe o artigo 373, inciso I do CPC, cabe à parte autora a devida comprovação do fato constitutivo do direito invocado e a parte Ré, provar a existência de fatos impeditivos, modificativos ou extintivos do direito do autor. 4. No caso, a entidade bancária não logrou êxito em eximir-se de sua responsabilidade, tendo em vista que, limita-se a argumentar que a dívida reclamada, que originou a negativação do nome do consumidor nos cadastros de proteção ao crédito, é oriunda da inadimplência do autor/apelado que utilizou limite de crédito automático disponibilizado pelo banco/recorrente. Todavia, não trouxe aos autos qualquer documento, assinado pelo requerente/apelado, referente abertura de conta ou contratação de serviço de cartão de crédito, ou qualquer outra prova que mostre a relação jurídica entre as partes, que pudessem justificar a negativação realizada. 5. Cumpre indicar que a melhor jurisprudência se manifesta pela ilegalidade da cobrança de débito quando for constituído sem a devida comprovação nos autos de qualquer documento comprobatório que denote a origem da dívida e a titularidade do consumidor, capazes de gerar a inscrição indevida pelo inadimplemento. 6. Assim, demonstrada a falha na prestação dos serviços, configurado está o ilícito civil, o qual enseja pronta reparação dos danos causados, nos termos do art. 14 do Código de Defesa do Consumidor e arts. 186 e 927 do Código Civil Brasileiro. 7. Na verdade, há de se reconhecer que a conduta do banco/apelante é tipificadora de dano moral, pois conforme já pacificou o Eg. Superior Tribunal de Justiça (STJ), a inscrição indevida nos cadastros de inadimplentes configura dano moral in re ipsa, isto é, o dano é presumido, prescinde de prova. 8. Fixação 2 Fatores - Para quantificar a indenização por danos morais deve se levar em conta, dentre outros fatores, a extensão do dano, as condições socioeconômicas dos envolvidos e o sofrimento da vítima. Nessa ordem de ideias, atento ao cotejo desses fatores, considero adequado o quantum fixado pelo douto magistrado singular no valor de R\$ 3.000,00 (três mil reais), frente ao quadro fático delineado nos autos, na medida em que dentro da margem fixada por este sodalício. 9. Não se pode negar sua função: penal, constituindo uma sanção imposta ao ofensor; e compensatória, sendo uma satisfação que atenua a ofensa causada, proporcionando uma vantagem ao ofendido, que poderá, com a soma de dinheiro recebida, procurar atender a necessidades materiais ou ideais que repute convenientes, diminuindo, assim, seu sofrimento. SENTENÇA REFORMADA. 1. Depreende-se da leitura dos fólios processuais que a autora busca através da presente ação declarar inexistente o negócio jurídico objeto do contrato de empréstimo consignado citado na exordial (nº 816921359), reaver, em dobro, os valores cobrados indevidamente, e ainda, a condenação do requerido ao pagamento de danos morais. 2. A dialética jurídica acarreta a incidência do disposto no artigo 373 do Código de Processo Civil, que bem distribui o ônus probatório. Conforme dispõe o artigo 373, inciso I e II, do CPC, cabe à parte autora a devida comprovação do fato constitutivo do direito invocado e a parte Ré, provar a existência de fatos impeditivos, modificativos ou extintivos do direito da autora. 3. No presente caso, é forçoso reconhecer que houve falha na prestação do serviço, causando danos de ordem moral e material à parte autora/apelada, visto que o banco/recorrente não conseguiu provar a regularidade do contrato, pois não procedeu sequer a juntada do citado instrumento contratual (ônus que lhe competia, segundo a regra do art. 373, inc. II, do CPC), não conseguindo demonstrar que agiu com cautela por ocasião da celebração do apontado negócio jurídico. 4. Também não conseguiu provar que os valores supostamente contratados foram depositados em conta de titularidade da autora/recorrida, porquanto, não consta nos autos comprovante da disponibilização do numerário contratado. 5. Assim, quando demonstrada a falha na prestação dos serviços pelo banco, configurado está o ilícito civil, conferindo daí ao lesado a devida reparação dos danos sofridos. 6. Repetição do indébito em dobro - Considerando que o primeiro desconto indevido ocorreu em julho de 2021 (fls. 16), ou seja, posterior à publicação do acórdão de 30 de março de 2021, todos os valores descontados indevidamente do benefício previdenciário da autora/recorrida devem ser restituídas em dobro, como bem decidiu o magistrado singular. 7. Dano Moral - Sobre o dano moral, enxergo que é evidente a perturbação sofrida pela autora, em decorrência do ocorrido, ao ver os descontos em seu benefício previdenciário, uma vez que não houve autorização da prática deste ato, conforme os elementos existentes nestes autos. 8. Fixação - Considero afixado o quantum fixado pelo douto magistrado singular no valor de R\$ 3.000,00 (três mil reais), o que me leva a aumentar para a quantia de R\$ 5.000,00 (cinco mil reais), frente ao quadro fático delineado nos autos. 9. Fortaleza, 15 de março de 2023. FRANCISCO MAURO FERREIRA LIBERATO Presidente do Órgão Julgador Exmo. Sr. EMANUEL LEITE ALBUQUERQUE Relator (TJ-CE - AC: 02000448220228060111 Jijoca de Jericoacoara, Relator: EMANUEL LEITE ALBUQUERQUE, Data de Julgamento: 15/03/2023, 1ª Câmara Direito Privado, Data de Publicação: 16/03/2023) (G.N.) DA REPETIÇÃO DE INDÉBITO Considerado que o Juiz Singular determinou o cancelamento do Contrato acima descrito, em virtude de o apelante; Banco Bradesco Financiamentos S/A não ter logrado êxito em comprovar a sua realização sem a ocorrência de fraude; cabível a restituição dos valores cobrados indevidamente. Acerca da restituição do indébito, o parágrafo único do art. 42 do CDC dispõe: Art. 42. (...) Parágrafo único. O consumidor cobrado em quantia indevida tem direito à repetição do indébito, por valor igual ao dobro do que pagou em excesso, acrescido de correção monetária e juros legais, salvo hipótese de engano justificável. Outrora, assentou-se o entendimento de que a repetição do indébito prevista no art. 42, parágrafo único, do CDC somente é devida quando comprovada a má-fé do fornecedor; em não comprovada a má-fé, é devida a restituição simples. Entretanto, o atual posicionamento do Superior Tribunal de Justiça, fixado no recuso repetitivo paradigma (EAREsp 676608/RS) é no sentido de que a restituição em dobro independe da natureza volitiva do fornecedor, ou seja, prescinde da comprovação da má-fé quando a cobrança indevida decorrer de serviços não contratados. Todavia, impende registrar que o entendimento supra foi publicado com modulação dos efeitos. Na decisão paradigma, o Tribunal da Cidadania entendeu que, para demandas que não decorram da prestação de serviços públicos, o acórdão terá eficácia apenas prospectiva, ou seja, a tese fixada somente será aplicável a valores pagos após a sua publicação, ou seja, 30/03/2021. A propósito, confira-se: “Primeira tese: A restituição em dobro do indébito (parágrafo único do artigo 42 do CDC) independe da natureza do elemento volitivo do fornecedor que realizou a cobrança indevida, revelando-se cabível quando a referida cobrança consubstanciar conduta contrária à boa-fé objetiva. (...) Modulação dos efeitos: Modulam-se os efeitos da presente decisão – somente com relação à primeira tese – para que o entendimento aqui fixado quanto à restituição em dobro do indébito seja aplicado apenas a partir da publicação do presente acórdão. A modulação incide unicamente em relação às cobranças indevidas em contratos de consumo que não envolvam prestação de serviços públicos pelo Estado ou por concessionárias, as quais apenas serão atingidas pelo novo entendimento quando pagas após a data da publicação do acórdão.” (STJ. 	pelo réu, configurou-se a irregularidade do negócio e a falha na prestação do serviço, assim, a responsabilidade civil e o dever de indenizar recai sobre a instituição financeira promovida. 5. A título de danos materiais, tendo em vista comprovada a supressão indevida de valores do benefício previdenciário da demandante, resta configurado o prejuízo financeiro e o dever de ressarcimento, para a qual deve-se observar o que fora decidido pelo c. STJ nos embargos de divergência em agravo em recurso especial (EAREsp 676.608/RS), segundo à modulação dos efeitos do julgado, no sentido de que a restituição em dobro do indébito seja aplicada apenas às cobranças eventualmente realizadas partir da publicação daquele acórdão, ou seja 30/03/2021. 6. A quantia de R\$ 1.000,00 (hum mil reais) fixada em primeiro grau merece ser ajustada aos parâmetros aplicados nos julgados deste Tribunal, uma vez que usualmente tem-se como proporcional e razoável o valor de R\$ 5.000,00 (cinco mil reais) para reparar os danos sofridos e de acordo com o porte econômico do ofensor. 8. Apelação do réu conhecida e improvida. Recurso da autora conhecido e parcialmente provido. Sentença reformada. Indenização por dano moral majorada para R\$ 5.000,00 (cinco mil reais) e restituição de indébito em dobro, todavia, apenas quanto aos descontos porventura realizados após 30/03/2021. Dessa forma, amparada no entendimento esposado pelo STJ e na modulação dos efeitos fixada no acórdão paradigma, mantenho a sentença de origem neste ponto, devendo os juros de mora incidir desde o evento danoso, nos termos da Súmula 54 do STJ e a correção monetária desde o efetivo prejuízo, de acordo com a Súmula 43 do STJ; não tendo a sentença que ser reparada em nenhum aspecto referente à indenização por danos materiais, observando-se a prescrição parcial das parcelas, como dito na sentença. Ante o exposto, conheço do presente recurso de apelação, para NEGAR-LHE PROVIMENTO, mantendo-se a decisão recorrida. Em decorrência da sucumbência recursal, majoro os honorários advocatícios devidos pela instituição financeira/recorrente de 10% (dez por cento) para 12% (doze por cento), nos termos do artigo 85, § 11, do Código de Processo Civil/2015. Acórdão	 PROCESSO: 0200128-36.2024.8.06.0104 - 160; APELAÇÃO CÍVEL (198) APELANTE: MARIA LUCICLE MARQUES APELADO: BANCO DO NORDESTE DO BRASIL SA Ementa DIREITO PROCESSUAL CIVIL. APELAÇÃO CÍVEL. AUSÊNCIA DE FUNDAMENTAÇÃO RECURSAL. VIOLAÇÃO AO PRINCÍPIO DA DIALETICIDADE. INOBSERVÂNCIA DO ART. 1.010 DO CPC. RECURSO NÃO CONHECIDO. I. CASO EM EXAME Apelação cível interposta contra sentença que extinguiu sem resolução de mérito a presente demanda, sem que a parte recorrente tenha apresentado fundamentos capazes de impugnar especificamente os argumentos utilizados pelo juízo de origem. O recurso limitou-se à reprodução integral dos argumentos expostos na sua exordial, sem estabelecer correlação crítica com a decisão recorrida. II. QUESTÃO EM DISCUSSÃO A questão em discussão consiste em verificar se o recurso preenche os requisitos de admissibilidade, especialmente quanto à necessidade de fundamentação e impugnação específica dos fundamentos da sentença, conforme os arts. 1.010, II e III, e 932, III, do CPC. III. RAZÕES DE DECIDIR O art. 1.010 do CPC exige que a apelação exponha os fatos, o direito e as razões do pedido de nova decisão, impondo ao recorrente o ônus de demonstrar o desacerto da sentença, sob pena de violação ao princípio da dialeticidade recursal. A ausência de impugnação específica aos fundamentos da sentença, com simples repetição das razões já apresentadas na contestação, não atende à exigência de motivação recursal, o que impossibilita o conhecimento do recurso. O Superior Tribunal de Justiça reconhece que a mera reprodução de argumentos anteriores não implica, por si só, inadmissibilidade do recurso; contudo, é indispensável que as razões recursais tenham aptidão para infirmar os fundamentos da sentença, o que não ocorreu na hipótese analisada (STJ, AgInt no AgInt no AREsp 2132111/SC). A jurisprudência do TJCE também é firme no sentido de que recursos que não enfrentam os fundamentos da decisão combatida devem ser reputados inadmissíveis, em razão da ofensa à dialeticidade recursal. 	combatida. Nesse contexto, a mera alegação genérica de que a sentença merece ser reformada, sem ao menos fazer um contraponto com aquilo que o juízo decidiu na origem (causa de recorrer), violando o princípio da dialeticidade. Daí se infere que a parte recorrente, repita-se, não combateu a contento referida sentença, como lhe era exigido. Dessa forma, constatando-se que as razões do apelo não enfrentaram os fundamentos que lastrearam a decisão hostilizada, em total ausência de dialeticidade com a sentença, o recurso não apresenta condições de prosseguimento. A jurisprudência do STJ privilegia a instrumentalidade das formas, adotando a orientação de que a mera circunstância de terem sido reiteradas, na apelação, as razões anteriormente apresentadas na inicial ou na contestação, não é suficiente para o não conhecimento do recurso, porquanto a repetição dos argumentos não implica, por si só, ofensa ao princípio da dialeticidade. Todavia, é essencial que as razões recursais sejam capazes de infirmar os fundamentos da sentença, o que não ocorreu na hipótese. Confira-se: PROCESSUAL CIVIL. RAZÕES DISSOCIADAS DOS FUNDAMENTOS DA SENTENÇA. DESATENDIMENTO AO DISPOSTO NO ART. 1.010, II E III, DO CPC. VIOLAÇÃO AO PRINCÍPIO DA DIALETICIDADE. RECURSO NÃO CONHECIDO. 1. A sentença fundamentou a extinção do feito com base nos arts. 373 e 487, I, ambos do Código de Processo Civil, tendo em vista que a autora não faz prova dos fatos alegados na inicial. Não apresenta provas que embasem seus argumentos que limitam-se(sic) a ser apenas afirmações. Todavia, como se infere das razões postas no apelo, a recorrente se restringe a alegar que a fundamentação da decisão, portanto, não é uma faculdade, uma vez que inerente e indispensável ao pleno exercício do contraditório e da ampla defesa, razão pela qual o art. 489 do CPC corrobora o entendimento, expondo taxativamente a fundamentação como requisito essencial da sentença. [?] Por que razão que a decisão não fundamentada configura nulidade, nos termos do art. 1.013, § 3.º, inc IV do CPC, amplamente reforçado pela doutrina. 2. No termos do art. 1.010, II e III, do Código de Processo Civil, a apelação obrigatoriamente apresentar a exposição do fato e do direito e as razões do pedido de reforma da decisão recorrida, sendo esta norma a positivação do denominado princípio da dialeticidade, pelo qual cumpre ao recorrente demonstrar o desacerto da decisão recorrida e impugnar, especificamente, seus

RECURSO NÃO CONHECIDO. 1. O apelante absteve-se de impugnar especificamente os fundamentos da sentença vergastada prolatada pelo juízo singular, que extinguiu a ação sem resolução do mérito sob o fundamento de que o ora recorrente, apesar de devidamente intimado, não procedeu a emenda da inicial determinada em decisão interlocutória pretérita. 2. O apelante tece suas razões recursais nos aspectos meritórios da ação, sem destinar uma linha sequer de seu recurso, ao fundamento da sentença que conduziu à extinção do efeito. Por certo, deveria ter a Recorrente rebatido com argumentação farta a decisão do juízo a quo, levantando, em suas razões recursais, questões jurídicas capazes de alterar o resultado do julgamento da demanda, ou seja, motivos suficientes a afastar a decidida extinção da ação. 3. Por tais razões, não visualizo das argumentações lançadas, efetivas razões fáticas e jurídicas idôneas à impugnação específica dos fundamentos da decisão ora atacada, tampouco capazes de evidenciar a alegada necessidade de reforma da decisão. 4. I - Trata-se de recurso de apelação cível interposto por THIAGO DANTAS SILVA, contra sentença proferida pelo juízo da 1ª Vara Cível da Comarca de Eusébio, que em sede de ação de busca e apreensão movida por BANCO ITAUCARD S/A, às fls. 131/149. II - Verifica-se que o recurso de apelação apresentado não fundamentou as razões de fato e de direito as quais justificavam sua interposição, bem como a necessidade de reforma da decisão. Eis que o conhecimento do referido recurso encontra óbice na disposição contida no artigo 1.010, inciso II, do NCPD, haja vista que não se incumbiu de impugnar especificamente os fundamentos da decisão recorrida. III - Há de ressaltar que o Tribunal de Justiça do Estado do Ceará editou súmula no sentido de que não se conhece de recurso quando não é feita a exposição do direito e das razões do pedido de nova decisão (súmula de nº 43). IV - Não há nenhum vício de ordem pública na decisão de primeiro grau, eis que se encontra devidamente fundamentada, conforme expressa o artigo 93, inciso IX, da Constituição Federal. V - Não há se falar em decisão surpresa, à vista do entendimento assente de que os preceitos do aludido princípio, imortalizados nos arts. 9º e 10 do CPC, não se aplicam aos requisitos de admissibilidade dos recursos. Precedentes. VI - Ainda que assim não fosse, fazendo uma leitura atenta da documentação suscitada pelas partes e pelo juízo de primeiro grau, chega-se à mesma conclusão posta na decisão objurgada. Inexistem provas que convalidem os argumentos propostos pela parte ré, que fulminem o objetivo de buscar e apreender o bem em disputa. Em verdade, todo o caderno processual resulta na tese de serem, as razões propostas pela parte autora, como as viáveis para o acolhimento da inicial, pois alinhadas aos entendimentos sedimentados no âmbito da Corte Superior. Se conhecido, portanto, o presente recurso, a ele não se daria acolhimento, por falta de provas do direito do autor, contrariando, pois, o comando do art. 373, I, do Código de Ritos. Desembargador(a) FRANCISCO BEZERRA CAVALCANTE, 4ª Câmara Direito Privado, data do julgamento: 05/12/2023, data da publicação: 05/12/2023) PROCESSUAL CIVIL. APELAÇÃO CÍVEL. INOCORRÊNCIA DE CERCEAMENTO AO DIREITO DE DEFESA. PRECLUSÃO CONSUMATIVA PRO JUDICATO EM MATÉRIA DE ORDEM PÚBLICA. OFENSA À DIALETICIDADE RECURSAL. APELO NÃO CONHECIDO. -No caso, a Ação de Cobrança proposta fora extinta sem julgamento do mérito, tenho decidido o Juízo de Origem pela ilegitimidade ativa por meio de Ação de Oposição apensada aos autos principais. Todavia, nas razões de Apelação, nada, nenhuma linha sequer, fora dedicada pela Recorrente a falar a respeito, num contexto de ausência absoluta de diálogo entre Impugnação e ato impugnado. -Na espécie, o contraditório para confrontar a arguição de ilegitimidade fora efetivamente oportunizado. Contudo, restou a parte silente e revel, operando-se, para si, a preclusão. E neste cenário, não há se cogitar de cerceamento ao direito de defesa. - Neste caso, em que a parte deixou de apresentar a devida impugnação, operou-se a preclusão consumativa para o Juízo ad quem, uma vez que o doutíssimo Juízo sentenciante debruçou-se sobre a questão da legitimidade. De acordo com a Jurisprudência do STJ, as matérias de ordem pública podem ser apreciadas a qualquer tempo nas instâncias ordinárias. Todavia, existindo decisão anterior, opera-se a preclusão consumativa se não houver impugnação no momento processual oportuno. Impossibilidade no caso concreto de reexame, de ofício, da questão da legitimidade, porque decidida na Instância de Origem e não refutada. -A Recorrente também não impugnou a sentença de forma específica. Não disse no que a conclusão sobre a sua revelia estaria incorreta, nem porque o entendimento sobre a "ausência da sua condição de herdeira da sucessão patrimonial" estaria equivocado. Nestes casos, há ofensa ao primado da dialeticidade (inteligência do inciso III do Art. 932 do CPC). Quanto aos danos materiais, sustenta ter agido de boa-fé ao ajuizar a ação em 2014, pois à época não estava definido o destino das parcelas do financiamento, em razão de resolução contratual unilateral promovida pela ré. Defende que, diante do prejuízo sofrido e do enriquecimento sem causa da promovida, faz jus à restituição das quantias depositadas em juízo e das parcelas adimplidas. Ressalta que não busca a indenização pelo bem em si, já convertida em perdas e danos em ação de busca e apreensão, mas apenas a devolução dos valores pagos no financiamento, cuja retenção considera ilícita ou, subsidiariamente, abusiva. &#160; </p></div><div class="OutlineElement Ltr SCXW93232728 BCX0" style="-webkit-user-drag: none; -webkit-tap-highlight-color: transparent; margin: 0px; padding: 0px; user-select: text; clear: both; cursor: text; overflow: visible; position: relative; direction: ltr; font-size: 12px;"> <p class="Paragraph SCXW93232728 BCX0" style="-webkit-user-drag: none; -webkit-tap-highlight-color: transparent; margin: 8px 0px; padding: 0px; user-select: text; overflow-wrap: break-word; white-space-collapse: preserve; vertical-align: baseline; font-kerning: none; background-color: transparent; color: windowtext; text-align: justify; text-indent: 75px;" lang="PT-BR" xml:lang="PT-BR"> Devidamente intimada, a parte apelada não apresentou contrarrazões conforme certidão de ID 21419939. &#160; </p></div><div class="OutlineElement Ltr SCXW93232728 BCX0" style="-webkit-user-drag: none; -webkit-tap-highlight-color: transparent; margin: 0px; padding: 0px; user-select: text; clear: both; cursor: text; overflow: visible; position: relative; direction: ltr; font-size: 12px;"> <p class="Paragraph SCXW93232728 BCX0" style="-webkit-user-drag: none; -webkit-tap-highlight-color: transparent; margin: 8px 0px; padding: 0px; user-select: text; overflow-wrap: break-word; white-space-collapse: preserve; vertical-align: baseline; font-kerning: none; background-color: transparent; color: windowtext; text-align: justify; text-indent: 75px;" lang="PT-BR" xml:lang="PT-BR"> Audiência de conciliação restou prejudicada, uma vez que as partes não compareceram, conforme

A apelante, portanto, teria o direito de reaver o veículo, o que foi obstado pela conduta abusiva da instituição financeira. A venda prematura e irregular do bem, antes mesmo do trânsito em julgado da decisão, impossibilitou o retorno ao status quo ante, configurando, de modo inequívoco, a prática do ato ilícito. BEM APREENDIDO INDEVIDAMENTE. CONDUTA IRREGULAR DO BANCO. DANOS MORAIS CARACTERIZADOS. DANOS MATERIAIS NÃO COMPROVADOS. RECURSO CONHECIDO E PARCIALMENTE PROVIDO. 1. Trata-se de Apelação interposta em face de sentença que julgou improcedente o pedido autoral formulado na Ação de Indenização por Danos Morais e Materiais, proposta em decorrência de suposta busca e apreensão indevida de seu veículo. 2. DA JUSTIÇA GRATUITA. A declaração de insuficiência de recursos prestada pela pessoa natural possui presunção relativa de veracidade, só podendo ser desconstituída caso existam elementos nos autos que indiquem a ausência de hipossuficiência econômica do litigante. 3. Na hipótese em exame, deve ser mantida a gratuidade judiciária concedida, pois a apelante é pessoa natural e a parte adversa não apresentou comprovação de que aquela possui condições econômicas de litigar sem o deferimento do benefício em comento. 4. DO MÉRITO. É incontroverso que a instituição financeira ajuizou Ação de Busca e Apreensão de veículo objeto de alienação fiduciária mesmo após ter ciência do deferimento de liminar nos autos de Ação Revisional garantindo a permanência do veículo na posse do devedor. 5. Na ocasião, o banco logrou êxito no deferimento de liminar para reaver o bem, o qual fora retirado da consumidora e devolvido apenas em 21 de dezembro de 2007, após o juízo constatar que esse provimento jurisdicional entrava em conflito com o anterior. 6. Estão presentes todas as condições necessárias para responsabilização da empresa demandada, quais sejam: a) o ato ilícito, consistente na negligência da demandada no ato de ajuizamento de Ação de Busca e Apreensão com pedido liminar em relação a automóvel cuja permanência com a consumidora havia sido garantida por ordem judicial em outro processo; b) o dano moral, referente à frustração das legítimas expectativas da apelante, haja vista a injusta apreensão do veículo adquirido para execução das atividades cotidianas e a privação de seu uso por alguns meses; c) o nexo de causalidade, pois, inexistindo o ato ilícito da apelada, não haveria o dano. 7. Em relação ao montante indenizatório, a quantia de R\$ 7.000,00 (sete mil reais) é razoável, sendo necessária e suficiente para reparar os danos morais ocasionados à recorrente. 8. No tocante ao dano material, no entanto, consistente no prejuízo financeiro ocasionado,

QUANTUM INDENIZATÓRIO MINORADO. SENTENÇA PARCIALMENTE REFORMADA. RECURSO CONHECIDO E PARCIALMENTE PROVIDO. 1. Inicialmente, cuida-se de AÇÃO DE AÇÃO BUSCA E APREENSÃO ajuizada por AYMORÉ CRÉDITO, FINANCIAMENTO E INVESTIMENTO S/A em face de FLAVIANO SAMPAIO COSTA e RECONVENÇÃO. 2. O cerne da lide reside na análise se ação deveria ter sido julgada procedente, visto que nesses autos, o requerido não comprova pagamento da parcela alvo. Verifica-se que requerido ajuizou ação de busca e apreensão em razão do inadimplemento de uma única parcela e continuou recebendo as prestações seguintes, não bloqueando o recebimento das contraprestações. 3. Nessa perspectiva, busca o autor, ora Apelante, a reforma da sentença que julgou improcedente o pleito de busca e apreensão, não consolidando, consequentemente, a propriedade e a posse plena e exclusiva do veículo automotor em favor do credor fiduciário, bem como considere improcedente o pleito reconvenicional apresentado pelo devedor fiduciante. 4. No caso concreto, a parte autora, ora apelante, promoveu a venda do veículo em leilão, em virtude do não pagamento da parcela alvo, e ainda, da ausência da realização do depósito no valor integral da dívida. Verifica-se que a parte ré, ora apelada, efetuou o pagamento das parcelas subsequentes, e a apelante recebeu os pagamentos posteriores a parcela em mora. Logo, a mora não demostrou-se configurada. <span class="TextRun

Nesse sentido, constata-se que houve dano moral, e que este deve ser ponderado, no caso em tela, de forma razoável, entendendo que o fato do veículo ter sido leilado, sobressai por incontestado o abalo causado a si. Assim, configurando a circunstância delimitadora de ilícito civil a ensejar a reparação pelos danos morais imputados à recorrente. 6. Atento às peculiaridades do caso concreto, quanto à quantificação do dano moral, há de se pontuar que, ao tempo que sirva de lição pedagógica, para evitar que o ilícito se repita, bem como para prestar à vítima uma satisfação abalos suportados, também deve ser arbitrado de modo a evitar enriquecimento sem causa. Assim, tem-se que o valor de condenação por danos morais em R\$ 8.000,00 (oito mil reais) não apresenta-se de todo modo razoável. 7. Contudo, cotejando-se os elementos probantes trazidos ao feito, observa-se a necessidade de manutenção da sentença no que toca a improcedência do pedido de busca e apreensão, e, considerando o histórico de arbitramento efetuado pelos tribunais pátrios em situações de envergadura similar, devendo ser minorado o valor de condenação por danos morais para montante de R\$ 5.000,00 (cinco mil reais). 8. RECURSO DA PARTE AUTORA CONHECIDO E PROVIDO. RECURSO DA PARTE RÉ CONHECIDO E DESPROVIDO. SENTENÇA REFORMADA EM PARTE. Trata-se na origem de ação visando a restituição de bem móvel, cumulada com danos morais, ocasião em que a parte autora alegou que teve seu veículo indevidamente apreendido nos autos da ação de busca e apreensão (Processo n. 0000221-81.2019.8.06.0031), que foi posteriormente julgada extinta por ausência de comprovação da mora, ensejando a devolução do bem e a condenação da instituição financeira em danos morais. 2. Em sede de sentença, o d. Julgador de origem rejeitou o pleito de devolução do veículo, tendo em vista que este já havia sido vendido anteriormente, bem como rejeitou o pedido de danos materiais, condenando a parte requerida em danos morais, no importe de R\$ 2.000,00 (dois mil reais). Ambas as partes irredutíveis, apresentaram apelações, aduzindo a parte autora a necessidade de conversão da obrigação de fazer (devolução do veículo) em perdas e danos, enquanto a parte requerida alegou inexistir qualquer ato ilícito ensejador de reparação. 3. Observa-se que na Ação de Busca e Apreensão anteriormente ajuizada pela parte ora demanda, foi descaracterizado a mora, sendo a ação julgada extinta sem julgamento do mérito. Nesse ínterim, o credor, após aprender o veículo, efetuou sua venda extrajudicialmente, a terceiro de boa-fé, o que torna prejudicado o pedido de devolução. Contudo, é sabido que, embora a venda extrajudicial seja considerada uma prerrogativa do credor conforme estabelecido no Decreto-Lei nº 911/69, este assume os riscos decorrentes de suas ações. Isso significa que, caso a liminar seja posteriormente revogada, como foi, ou os pedidos sejam considerados improcedentes, o credor estará sujeito a tais consequências. 4. Nessa linha, é perfeitamente possível a conversão da obrigação de fazer em perdas e danos, conforme expressamente previsto no art. 499 do CPC e 248 do Código Civil. Portanto, ao contrário do entendimento exposto em sentença, cabe à instituição financeira indenizar a parte autora com o valor correspondente ao preço médio de um veículo do mesmo modelo e ano do apreendido indevidamente, levando-se em conta o valor da Tabela FIPE vigente à época da busca e apreensão. 5. Quanto ao alegado danos morais, este restou configurado, notadamente diante do abuso de direito perpetrado pela instituição financeira ré que promoveu a venda do veículo em leilão extrajudicial, quando tinha obrigação de promover a respectiva devolução do bem, tendo em vista a não constituição em mora do devedor. Destaque-se que, no presente caso, o dano moral não carece de comprovação, pois é considerado in re ipsa , ou seja, decorrente do próprio fato. <span class="TextRun SCXW93232728 BCX0" style="-webkit-user-drag: none; -webkit-tap-highlight-color: transparent; margin: 0px; padding: 0px; user-select: text; font-variant-

Acórdão	 ESTADO DO CEARÁ PODER JUDICIÁRIO TRIBUNAL DE JUSTIÇA PRIMEIRA CÂMARA DE DIREITO PRIVADO DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA PROCESSO: 0158148-50.2012.8.06.0001 - APELAÇÃO CÍVEL (198) APELANTE: GOOGLE BRASIL INTERNET LTDA., FACEBOOK SERVICOS ONLINE DO BRASIL LTDA. APELADO: MARCEL FORTALEZA RESTAURANTE LTDA. Ementa: DIREITO CIVIL E PROCESSUAL CIVIL. APELAÇÕES CÍVEIS. PLATAFORMAS DIGITAIS. RESPONSABILIDADE DE PROVEDORES POR CONTEÚDO OFENSIVO INSERIDO POR TERCEIROS. FATOS PRETÉRITOS AO MARCO CIVIL DA INTERNET. RELAÇÃO DE CONSUMO CONFIGURADA. DANO MORAL DE PESSOA JURÍDICA NÃO DEMONSTRADO. ASTREINTES AFASTADAS POR AUSÊNCIA DE INTIMAÇÃO PESSOAL (SÚMULA 410/STJ). RECURSO PARCIALMENTE PROVIDO. I. CASO EM EXAME 1. Apelações interpostas por Google Brasil Internet Ltda. e Facebook Serviços Online do Brasil Ltda. contra sentença que, em demanda proposta por pessoa jurídica, julgou procedentes os pedidos para condenar as rés a remover conteúdo ofensivo de suas plataformas, ao pagamento de danos morais no valor de R\$ 10.000,00 cada, e, especificamente em relação à Google, ao pagamento de multa cominatória de R\$ 20.000,00 por descumprimento de ordem judicial. II. QUESTÃO EM DISCUSSÃO 2. Há cinco questões em discussão: (i) definir se o Marco Civil da Internet se aplica retroativamente a fatos ocorridos em 2012; (ii) estabelecer se há relação de consumo nos serviços de internet; (iii) determinar se houve responsabilidade civil das apelantes pela manutenção do conteúdo ofensivo; (iv) verificar a existência de dano moral indenizável à pessoa jurídica e (v) a validade da multa cominatória (astreintes) aplicada à Google. III. RAZÕES DE DECIDIR 3. O Marco Civil da Internet (Lei nº 12.965/2014) não se aplica a fatos pretéritos, prevalecendo o princípio <i>tempus regit actum</i>, de modo que a responsabilidade deve ser analisada à luz do regime jurídico anterior. 4. Mesmo em serviços gratuitos, configura-se relação de consumo, uma vez que provedores de internet obtêm remuneração indireta por meio da exploração de dados e publicidade, atraindo a incidência do CDC (art. 3º, § 2º, Lei nº 8.078/1990). 5. O provedor de conteúdo não responde objetivamente pelo material inserido por terceiros, mas, uma vez notificado sobre conteúdo ilícito, deve removê-lo em prazo razoável, sob pena de responsabilidade solidária pelos danos decorrentes de sua omissão. 6. Embora as publicações apresentem conteúdo potencialmente ofensivo, a pessoa jurídica não goza da presunção de dano moral <i>in re ipsa</i>, sendo necessária comprovação de abalo à honra objetiva, o que não ocorreu nos autos. 7. A cobrança de astreintes exige prévia intimação pessoal da parte devedora, conforme Súmula 410/STJ, não suprida pela intimação apenas do advogado, razão pela qual é indevida a multa aplicada à Google. IV. DISPOSITIVO E TESE 8. Recursos conhecidos e parcialmente providos. Tese de julgamento: "1. O Marco Civil da Internet não retroage para alcançar fatos anteriores à sua vigência. 2. Os serviços de internet caracterizam relação de consumo, ainda que seja gratuito. 3. O provedor de conteúdo responde solidariamente pelos danos se, após notificação inequívoca, mantiver conteúdo ofensivo postado por terceiros. 4. A pessoa jurídica deve comprovar objetivamente o dano moral decorrente de ofensas à sua reputação, não se admitindo presunção <i>in re ipsa</i>. 5. A cobrança de astreintes depende de intimação pessoal da parte devedora, não suprida pela ciência do advogado." Dispositivos relevantes citados: CF/1988, art. 5º, IV e X; CC/2002, art. 927; CDC, arts. 2º, 3º, § 2º, e 14; CPC/2015, arts. 1.010 e 513, § 2º; Lei nº 12.965/2014 (MCI), art. 19. Jurisprudência

Entretanto, também merece ser rejeitada.</p> <p class="MsoNormal" style="margin-bottom: 8pt; text-indent: 2cm; line-height: 115%;">Isso, porque o próprio juízo a quo enfrentou especificamente essa questão, afastando a aplicação do Marco Civil da Internet, motivo pelo qual entendo que as apelantes exercem regularmente seu direito de impugnar os fundamentos da sentença recorrida, não introduzindo matéria nova no processo, mas sim atacando especificamente o posicionamento adotado na origem sobre tema expressamente enfrentado.</p> <p class="MsoNormal" style="margin-bottom: 8pt; text-indent: 2cm; line-height: 115%;">Dito isso, após verificar que os recursos cumprem todos os requisitos legais <sup><!--[if !supportFootnotes]--> </sup> [ii]<!--[endif]--> , como terem sido apresentados no prazo correto, por quem tem direito e com as taxas pagas (id. 21504709 e 21503559), conheço dos recursos e adianto que as apelações interpostas merecem parcial provimento.&#160;Explico.</p> <p class="MsoNormal" style="margin-bottom: 8pt; text-indent: 2cm; line-height: 115%;">Da análise dos autos, verifico que a demanda trata de fato ocorrido em março de 2012, decorrente da veiculação de conteúdo ofensivo nas plataformas digitais das apelantes: no Facebook foi criado perfil "Ricardo Pinho" utilizando indevidamente o logotipo da empresa (autora), e no Google foi criado blog "Restaurante Marcel Fortaleza".</p> <p class="MsoNormal" style="margin-bottom: 8pt; text-indent: 2cm; line-height: 115%;">Os conteúdos publicados incluíam acusações de que o restaurante (parte autora) servia como local de encontro para troca de subornos entre políticos, oferecimento de comida fora do prazo de validade, presença de baratas e roedores, além de críticas aos preços praticados (cf. ata notarial – id. 21504733 a 21504739).</p> <p class="MsoNormal" style="margin-bottom: 8pt; text-indent: 2cm; line-height: 115%;">A parte autora apesar de notificar extrajudicialmente as recorrentes, para remover o conteúdo ofensivo, não obteve êxito, recebendo resposta da Google, em 20 de abril de 2012, informando que decidiu não tomar providências com base nas suas políticas sobre remoção de conteúdo (id 21504793). 	parte induz a judicialização do litígio, sujeitando-o, a partir daí, ao que for deliberado pela autoridade competente. A partir do momento em que o conflito se torna judicial, deve a parte agir de acordo com as determinações que estiverem vigentes no processo, ainda que, posteriormente, haja decisão em sentido contrário, implicando a adoção de comportamento diverso. Do contrário, surgiria para as partes uma situação de absoluta insegurança jurídica, uma incerteza sobre como se conduzir na pendência de trânsito em julgado na ação. 8. Recurso especial provido. (STJ - REsp: 1338214 MT 2012/0039646-0, Relator.: Ministra NANCY ANDRIGHI, Data de Julgamento: 21/11/2013, T3 - TERCEIRA TURMA, Data de Publicação: DJe 02/12/2013) Logo, a responsabilidade não é por fato de terceiro, mas por omissão após notificação/ciência do conteúdo ofensivo (responsabilidade solidária). No caso dos autos, o ato ilícito é evidente, uma vez que restou comprovado que a empresa Google foi formalmente notificada (id. 215047930) em 17 de abril de 2012, sobre o conteúdo ofensivo, respondendo expressamente em 20 de abril de 2012 que "decidiu não tomar providências com base em nossas políticas sobre remoção de conteúdo". Tal conduta configura serviço defeituoso por não oferecer a segurança legitimamente esperada. Quanto ao Facebook, embora comunicado através de denúncia sobre o conteúdo ofensivo, somente removeu o material após determinação judicial (id. 21504794 e 21504718). Quanto ao nexo causal está configurado entre a conduta omissiva das apelantes (manutenção do conteúdo após notificação) e o dano sofrido pelo apelado. A alegação de "culpa exclusiva de terceiro" não prospera, pois a responsabilidade não decorre da criação do conteúdo, mas da manutenção indevida após ciência da ofensa. DO CONTEUDO OFENSIVO E DO DANO MORAL As apelantes argumentam que, em se tratando de pessoa jurídica, o dano moral não se presume (<i>in re ipsa</i>) e exige comprovação fática de abalo à honra objetiva (bom nome, reputação, crédito), a qual não foi demonstrada nos autos. Ademais, a Google defende que a única postagem no blog "Restaurante Marcel Fortaleza" era uma crítica de consumidor sobre um estabelecimento aberto ao público e informações de interesse público (rotina, público, preços), estando amparada pelos direitos de liberdade de expressão, manifestação do pensamento e direito à informação, sem cunho ofensivo. Entendo que os argumentos merecem parcial acolhimento. Explico. É certo que a natureza das publicações revelou potencial lesivo evidente, uma vez que o conteúdo impugnado continha acusações graves de corrupção ("local de encontro para políticos trocarem subornos"), condições sanitárias inadequadas ("presença de baratas e roedores") e oferecimento de "comida fora do prazo de validade" (cf. ata notarial – id. 21504733 a 21504739). Entretanto, não são suficientes para caracterizar o dano moral à parte autora, que é pessoa jurídica. Isso, porque, nos termos do enunciado da súmula 227/STJ, "a pessoa jurídica pode sofrer dano moral". No entanto, diferentemente do dano moral experimentado por pessoa física, os danos morais sofridos pela pessoa jurídica devem ser comprovados de forma objetiva, posto que a elas não se aplicam questões de cunho existencial. Sobre o tema, transcrevo o seguinte trecho do julgamento do Resp nº 1.637.629 – PE, de relatoria da Ministra Nancy Andrighi: Há, contudo, diferenças significativas quando se trata de danos morais (ou extrapatrimoniais) sofridos por pessoa jurídica. Nesse caso, não se está a tutelar um direito da personalidade típico, considerando que as pessoas jurídicas não sofrem questões existenciais. Cuida-se, em realidade, de proteger a honra objetiva da pessoa jurídica, sendo os danos causados em violação ao bom nome, à fama, à reputação. Tais elementos integram o "patrimônio moral" da pessoa jurídica e, diferentemente das pessoas naturais, têm uma repercussão no patrimônio propriamente dito, embora de difícil avaliação na maioria das circunstâncias. No caso dos autos, a empresa apelada/autora em momento algum demonstrou efetivamente como o a publicação ofensiva teria repercutido negativamente em sua reputação comercial ou abalado sua credibilidade no mercado. Não há nos autos qualquer prova de prejuízo à imagem da pessoa jurídica, perda de clientela, diminuição no volume de negócios ou outro indicador objetivo que evidencie dano à sua honra objetiva. Portanto, diferentemente do que fundamentou o juízo <i>a quo</i>, os danos morais não são presumidos, motivo pelo qual entendo que a sentença recorrida merece reforma para afastar os danos morais fixados.

Sentença cassada para determinar o retorno dos autos à origem, com prosseguimento da execução e análise do pedido de nulidade da citação por edital. O reconhecimento da prescrição demanda a caracterização de inércia do credor, o que não se verifica quando este cumpre todas as determinações judiciais e promove diligências sucessivas para localização do devedor. &#160; A CÓRDÃO Vistos relatados e discutidos os autos da APELAÇÃO CÍVEL nº 0484739-44.2010.8.06.0001, em que é apelante BANCO SANTANDER (BRASIL) S/A e apelada NEW AGE TRANSPORTES RODOVIÁRIOS LTDA, acorda o colegiado da 1ª Câmara de Direito Privado do TJCE, por unanimidade de votos, em conhecer e dar PROVIMENTO ao recurso, nos termos do voto do Relator. Comezinho que o despacho ordenatório da citação ostenta o condão de interromper o prazo prescricional, inclusive com efeitos retroativos à data de ajuizamento da ação, mas, com a condição de que o credor adote as providências necessárias à perfectibilização do ato de citação da parte devedora, sendo certo que, uma vez que decorra o prazo prescricional sem que a citação se efetive por fatos imputáveis ao Poder Judiciário, a parte não deve ser penalizada, quando, então, o processo terá seu regular seguimento. &#160; A este respeito, inclusive, existe Súmula do STJ: &#160; Súmula nº 106 do STJ: Proposta a ação no prazo fixado para o seu exercício, a demora na citação, por motivos inerentes ao mecanismo da Justiça, não justifica o acolhimento da arguição de prescrição ou decadência. &#160; A interrupção do prazo prescricional também é prevista no CPC, senão vejamos: &#160; Art. 240. A citação válida, ainda quando ordenada por juízo incompetente, induz litispendência, torna litigiosa a coisa e constitui em mora o devedor, ressalvado o disposto nos arts. 397 e 398 da Lei no 10.406, de 10 de janeiro de 2002 (Código Civil). &#160; § 1º A interrupção da prescrição, operada pelo despacho que ordena a citação, ainda que proferido por juízo incompetente, retroagirá à data de propositura da ação. &#160; § 2º Incumbe ao autor adotar, no prazo de 10 (dez) dias, as providências necessárias para viabilizar a citação, sob pena de não se aplicar o disposto no § 1º. &#160; § 3º A parte não será prejudicada pela demora imputável exclusivamente ao serviço judiciário. &#160; § 4º O efeito retroativo a que se refere o § 1º aplica-se à decadência e aos demais prazos extintivos previstos em lei. &#160; &#160; Cabe então, verificar se houve – ou não – desídia da apelante em providenciar a citação da parte demandada e, por outro lado, se ocorreu demora imputável ao Judiciário ao ponto de justificar a não ocorrência do prazo prescricional.

DEMORA NO ANDAMENTO PROCESSUAL CAUSADA PELO PODER JUDICIÁRIO. SÚMULA 106 DO STJ. 1. Não se configura a ofensa ao art. 535 do Código de Processo Civil, uma vez que o Tribunal a quo julgou integralmente a lide e solucionou a controvérsia, tal como lhe foi apresentada. 2. A inércia foi causada pelos mecanismos inerentes da justiça, portanto o credor não pode ser responsabilizado pelas suas consequências. 3. O STJ, no julgamento do REsp 1.222.444/RS, julgado no rito dos Recursos Repetitivos, art. 543-C do CPC, pacificou a orientação de que "A configuração da prescrição intercorrente não se faz apenas com a aferição do decurso do lapso quinquenal após a data da citação. Antes, também deve ficar caracterizada a inércia da Fazenda exequente". 4. É firme o entendimento do STJ de que somente a inércia injustificada do credor caracteriza a prescrição intercorrente na execução, o que não se verifica no caso concreto, já que a demora no andamento do feito se deu por motivos inerentes ao próprio mecanismo judiciário (Súmula 106/STJ). 5. Recurso Especial não provido. (STJ - REsp: 1697890 RJ 2017/0207378-8, Relator: Ministro HERMAN BENJAMIN, Data de Julgamento: 21/11/2017, T2 - SEGUNDA TURMA, Data de Publicação: DJe 19/12/2017) </p><p style="padding-left: 210px;" align="justify">&#160;</p><p style="padding-left: 210px;" align="justify">APELAÇÃO CÍVEL. EMBARGOS A EXECUÇÃO. CÉDULA DE CRÉDITO BANCÁRIO. PRESCRIÇÃO. MOROSIDADE JUDICIAL. AUSÊNCIA DE ILEGALIDADE. LIQUIDEZ, CERTEZA E EXIGIBILIDADE DO TÍTULO. RECURSO CONHECIDO E IMPROVIDO. 1. O presente recurso aborda a tese de ocorrência da prescrição no processo executório em primeira instância proposto aos 12 de março de 2012 para cobrar o saldo devedor de cédula de crédito bancário. 2. Como é cediço, o despacho que ordena a citação tem o condão de interromper o prazo prescricional, com efeitos retroativos à data de ajuizamento da ação, desde que o credor tome as providências necessárias à viabilização do ato citatório. Caso o prazo prescricional decorra sem que a citação se efetive por fatos imputáveis ao Poder Judiciário, não se penaliza a parte, e deve o feito prosseguir. 3. Embora o despacho ordinatório da citação tenha sido determinado aos 24 de maio de 2012, <strong style="font-family: verdana, geneva; font-size: medium;">a ausência da citação do réu não se deu em razão da ineficiência da parte apelada, mas sim da morosidade judicial, conforme se verifica nos despachos de fls. 27, 36, 44 do processo executório, já que a citação ocorreu 7 (sete) anos após a realização do primeiro despacho. <strong style="font-family: verdana, geneva; font-size: medium;">Assim, a parte apelada não pode ser prejudicada pela demora imputável exclusivamente ao serviço judiciário. 4. No que se destina à prática da capitalização de juros, observa-se da cédula de crédito bancário acostada ao processo executório, a contratação dos juros capitalizados, eis que com a mera multiplicação dos juros mensais (2,00%) por seu duodécuplo vislumbra-se não ser equivalente aos juros anuais constantes no pacto (26,82), caracterizando, portanto, a legalidade da cobrança de juros capitalizados na espécie. 5. Em relação a suposta cobrança cumulada de comissão de permanência com juros moratórios e multa moratória não restou evidenciado que existe tal cobrança no contrato. 6. Em relação ao IOF, a Corte Cidadã já se posicionou no sentido de ser legal a cobrança do referido imposto nos contratos de financiamento bancário. 7. Dessa maneira, estando a ação executiva lastreada em cédula de crédito bancário, a qual tem natureza de título executivo extrajudicial, sem indícios de ilegalidade e acompanhada de demonstrativo de débito, não há que se falar em procedência dos embargos à execução, em respeito ao art. 28 da Lei nº 10.931/04 8. Recurso improvido. (Apelação

PRESCRIÇÃO INTERCORRENTE. DEMORA IMPUTADA AOS SERVIÇOS JUDICIAIS E NÃO AO EXEQUENTE. PRESCRIÇÃO INTERCORRENTE NÃO VERIFICADA. APELAÇÃO CONHECIDA E PROVIDA. 1. O cerne da questão ora em discussão cinge-se na análise da prescrição ou não do direito de o ente público estadual efetuar a cobrança de crédito tributário relativo ao ICMS. 2. A jurisprudência do STJ, em julgados recentes, entende configurar a hipótese do art. 40, § 4º da dita Lei, quando o exequente deixar transcorrer o prazo prescricional sem prestar impulso ao andamento processual, desde que seja oportunizada manifestação à Fazenda Pública. 3. Neste azo, intentada a ação no prazo fixado para o seu exercício, a demora na citação, por motivos inerentes ao mecanismo da justiça, não justifica o acolhimento da arguição de prescrição ou decadência. Precedentes. 4. Na hipótese dos autos, percebe-se que a execução ficou parada por culpa exclusiva do serviço judiciário entre novembro de 2007 e março de 2014, sem que houvesse intimação do exequente para manifestação a respeito do retorno da carta de citação do ora executado, não podendo a edukudade, desta feita, cumprir a diligência para dar prosseguimento ao feito. Assim, o ente público não poderá sofrerá os efeitos de uma inércia que sequer deu causa. 5. 	identidade quanto às partes e à causa de pedir, mas o pedido de uma, por ser mais amplo, abrange o das demais. Art. 286. Serão distribuídas por dependência as causas de qualquer natureza. I - quando se relacionarem, por conexão ou continência, com outra já ajuizada; II - quando, tendo sido extinto o processo sem resolução de mérito, for reiterado o pedido, ainda que em litisconsórcio com outros autores ou que sejam parcialmente alterados os réus da demanda; III - quando houver ajuizamento de ações nos termos do art. 55, § 3º, ao juízo prevento. Parágrafo único. Havendo intervenção de terceiro, reconvenção ou outra hipótese de ampliação objetiva do processo, o juiz, de ofício, mandará proceder à respectiva anotação pelo distribuidor. Entretanto, no caso em tela, com a devida vênia ao entendimento do douto juízo suscitado, entendo que não há que se falar em conexão ou reunião de processos por risco de decisões conflitantes. A análise dos autos evidencia que não há conexão material relevante entre as demandas, pois, na ação de despejo, que tramita perante o Juízo suscitado, discute-se a inadimplência contratual e a retomada do imóvel, enquanto a ação de exigir contas, que tramita no Juízo suscitante, visa obter informações detalhadas sobre os aluguéis cobrados, envolvendo vários locatários, sem impacto sobre a rescisão contratual. Com efeito, a eventual prestação de contas não altera a mora do locatário, tampouco suspende ou impede a execução das cláusulas contratuais de locação. Outrossim, o reconhecimento da obrigação de prestar contas não interfere no direito do locador de buscar a desocupação do imóvel, nem na análise da legalidade do despejo. Sendo assim, não se vislumbra a existência de conexão entre as referidas demandas. Ademais, por se tratar de ações com regras procedimentais distintas, não há a possibilidade de serem prolatadas decisões conflitantes ou contraditórias entre si, desconstituindo, assim, a possibilidade de haver conexão ou continência entre elas. Neste sentido, cito decisões jurisprudenciais: CONFLITO NEGATIVO DE COMPETÊNCIA. AÇÃO DE COBRANÇA. DECLINAÇÃO DE OFÍCIO. RISCO DE DECISÕES CONFLITANTES. INOCORRÊNCIA. Tratando-se de ação de cobrança com pedidos e causas de pedir diversas da ação de inventário, não há risco de decisões conflitantes, conforme o disposto no art. 55 do Código de Processo Civil. CONFLITO NEGATIVO DE COMPETÊNCIA JULGADO PROCEDENTE, EM DECISÃO MONOCRÁTICA. 	suscitado pelo Juízo de Direito da 1ª Vara Cível da Comarca de Canindé, em face do Juízo de Direito da 2ª Vara Cível da mesma Comarca, visando solucionar a divergência no que se refere à competência para processar e julgar a Ação de Inventário – Processo nº 0200818-18.2024.8.06.0055. II. Questão em discussão 2. Tem-se que Juízo suscitado declinou de sua competência para processar e julgar a ação de Inventário, considerando que o falecido não deixou nenhum outro bem além de um saldo em conta bancária, a ação teria as mesmas partes, pedido e causa de pedir de uma ação de alvará que tramitou anteriormente perante o Juízo suscitante. III. Razões de decidir 3. Como é cediço, no processo de inventário o pedido é de partilha de bens, segundo as regras do Direito das Sucessões, conforme previsão contida no Código Civil e procedimento próprio previsto no Código de Processo Civil. Já na ação de alvará o pedido é de levantamento de dinheiro, com regras próprias para distribuição dos valores, conforme previsão contida na Lei 6858/80. 4. No caso em tela, a ação de alvará anteriormente proposta perante o Juízo suscitado sequer se prestava aos fins a que se destinava, pois o saldo em conta bancária do de cujus ultrapassava aquele que poderia vir a ser levantado através de alvará judicial, razão pela qual o processo foi extinto sem resolução de mérito. 5. Pertinente ressaltar, o processo de inventário possui procedimento próprio previsto no Código de Processo Civil. Já o pedido de Alvará busca o levantamento de valores referentes ao FGTS, PIS-PASEP e depósitos em conta-corrente/poupança em valores inferiores a 500 OTN's, com regras próprias para distribuição, conforme previsão contida na Lei 6858/80. 6. Rememore-se que, conforme preceitua o CPC, na ação de inventário, a Fazenda Pública deverá ser intimada para se manifestar, bem como se serão citados, por edital, os interessados incertos e desconhecidos, podendo, por isso, eventuais credores se habilitarem e haver o surgimento de outros herdeiros. 7. Resta, pois, incontroverso ser o alvará judicial e o inventário processos com procedimentos e pedidos distintos, portanto, não há como ser reconhecida a ocorrência de conexão, prevenção ou continência, inexistindo a possibilidade de serem prolatadas decisões contraditórias. IV. Dispositivo Negativo de Competência que se julga procedente, declarando competente o Juízo Suscitado (Juízo da 2ª Vara Cível da Comarca de Canindé), para processar e julgar a ação de Inventário nº 0200818-18.2024.8.06.0055. Sem necessidade de informações das autoridades judiciárias em conflito, vez que já se manifestaram nos autos. Feito que independe de pauta (art. 282, § 5º, do RITJCE). Inclua-se na próxima sessão desimpedida. VOTO Inicialmente, o conflito de competência satisfaz aos requisitos previstos no art. 953 do CPC, devendo, portanto, ser admitido. Assiste razão ao Juízo suscitante. Trata-se de conflito negativo de competência em ação de inventário, na qual o Juízo suscitado declinou de sua competência considerando que – como o falecido não deixou nenhum outro bem além de um saldo em conta bancária – a ação teria as mesmas partes, pedido e causa de pedir de uma ação de alvará que tramitou anteriormente perante o Juízo suscitante. 	Varas de Sucessões da Comarca de Fortaleza, decorrente da Ação de Inventário ajuizada por Francisca Leni Pinheiro Valério, em razão do falecimento de Manuel Valério Gadelha da Silva. O Juízo da 1ª Vara declinou da competência para a 4ª Vara, sob o argumento de continência com uma Ação de Alvará Judicial para levantamento de valores, que tramitava nesta última. Por sua vez, o Juízo da 4ª Vara recusou a competência, alegando que o alvará judicial se tratava de pedido de jurisdição voluntária, já arquivado, e sem relação com o inventário. II. QUESTÃO EM DISCUSSÃO A questão em discussão consiste em determinar se há continência ou conexão entre a Ação de Inventário e a Ação de Alvará Judicial, de modo a justificar a prevenção da 4ª Vara de Sucessões, ou se a competência deve ser fixada na 1ª Vara de Sucessões, onde foi inicialmente distribuída a ação. III. RAZÕES DE DECIDIR O artigo 55 do CPC estabelece que há conexão entre ações quando possuem pedido ou causa de pedir comuns, o que não se verifica no caso concreto, pois o alvará judicial limitava-se ao levantamento de valores específicos, enquanto o inventário trata da partilha de bens do falecido, abrangendo móveis e imóveis. O artigo 56 do CPC dispõe que a continência exige que uma das ações tenha objeto mais abrangente que a outra, o que também não ocorre, pois o alvará judicial já atingiu seu objetivo e foi arquivado, afastando qualquer prevenção. A Súmula 235 do STJ dispõe que "a conexão não determina a reunião dos processos, se um deles já foi julgado", reforçando que o arquivamento definitivo do alvará impede a prevenção da 4ª Vara. O artigo 59 do CPC determina que a competência se fixa pela distribuição da petição inicial, salvo hipóteses específicas de modificação previstas na legislação, inexistentes no caso. Precedentes jurisprudenciais confirmam que, inexistindo conexão, continência ou risco de decisões conflitantes, não há motivo para deslocamento da competência. V. DISPOSITIVO E TESE Conflito Negativo de Competência conhecido. Competência fixada na 1ª Vara de Sucessões da Comarca de Fortaleza. EMENTA

	Câmara Direito Privado, Data de Publicação: 13/11/2024). Conflito negativo de competência. Inventário. Declínio da competência pelo Juízo suscitado em favor do Juízo suscitante em razão da suposta prevenção gerada pela distribuição anterior de um requerimento de alvará. Inventário que contém pedido e procedimento distinto daquele previsto pela Lei 6858/80 para o alvará. A ação anterior - que tramitou perante o Juízo suscitante e objetivava o levantamento do saldo bancário do falecido - já foi julgada improcedente, tendo o processo sido extinto com resolução de mérito por sentença transitada em julgado. Ausência de conexão, continência, risco de decisões conflitantes ou qualquer outra causa que justifique o declínio de competência. Precedentes. Conflito acolhido para fixar a competência do Juízo suscitado. (TJRJ, Conflito de Competência, 0089861- 94.2020.8.19.0000, Rel: MARCO ANTONIO IBRAHIM, Julgamento: 05/05/2021, 4a C.C.) Assim resta evidente a competência do Juízo suscitado (Juízo da 2ª Vara Cível da Comarca de Canindé), para o processamento e julgamento da Ação de Inventário nº 0200818-18.2024.8.06.0055, ante a inexistência de qualquer vínculo de conexão ou prevenção com a demanda anterior. Diante do exposto, julgo PROCEDENTE o presente Conflito Negativo de Competência para processar e julgar a ação de Inventário dos bens deixados por José Tupinambá Vital (Processo nº 0200818-18.2024.8.06.0055).
