	CIÊNCIA DOS DESFALQUES. AUSÊNCIA DE OMISSÃO. EMBARGOS CONHECIDOS E DESPROVIDOS I. CASO EM EXAME Alegação de omissão quanto à prescrição, aplicação dos arts. 189 e 205 do Código Civil e jurisprudência do STJ (Tema 1150). II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em saber se o acórdão embargado incorreu em omissão ao não declarar a prescrição da pretensão indenizatória por desfalques em conta vinculada ao PASEP. III. RAZÕES DE DECIDIR 3. Ausência de omissão. O acórdão embargado enfrentou a matéria e reconheceu que, conforme o Tema 1150 do STJ, o prazo prescricional é de dez anos, com termo inicial a partir da ciência do extrato completo, e não do saque dos valores. 4. A decisão consignou que a autora obteve o extrato em 03/09/2024 e ajuizou a ação em 17/09/2024, dentro do prazo. Assim, não há falar em prescrição. 5. A pretensão recursal busca rediscutir o mérito da decisão, finalidade para a qual os embargos de declaração não se prestam (CPC, art. 1.022; Súmula 18/TJ). IV. DISPOSITIVO E TESE 6. Embargos de declaração rejeitados. Tese de julgamento: “Tese de julgamento: Embargos de declaração rejeitados.”

	NETO Juiz Convocado Relator RELATÓRIO Banco do Brasil S/A contra o acórdão 24745112 que deu providimento do recurso de apelação, no sentido de anular a sentença vergastada e determinar o retorno dos autos à origem para regular prosseguimento do feito. E m suas razões recursais, a parte embargante sustenta a existência de omissão no referido acórdão alegando em síntese, A Primeira Câmara decidiu, por votação unânime, deu provimento ao recurso da parte autora. Entretanto, incorreu em omissão [...] A parte autora apresentou microfilmagens dos extratos do seu benefício e demonstrou que tomou conhecimento do seu saldo PASEP quando sacou na sua aposentadoria, em 30/04/2012 [...] Para a caracterização da prescrição não basta o transcurso do tempo, é necessária a presença concomitante da possibilidade de exercício de uma ação que tutele o direito e a inércia do seu titular (AgInt no AREsp 489.724/RN, Rel. Ministro NAPOLEÃO NUNES MAIA FILHO, PRIMEIRA TURMA, julgado em 18/11/2019, DJe 22/11/2019). Conforme bem pontuado pelo Magistado a quo, o argumento de que a prescrição deve correr do momento da não realização dos depósitos, ou da subtração indevida (e não do momento da aposentadoria), não pode ser admitido, pois não se pode exigir à parte checar, periodicamente, a retidão das quantias depositadas, pois assim, se a prescrição for contada da emissão do extrato, o feito se torna imprescritível na prática. Destarte, o Superior Tribunal de Justiça firmou no

	julgamento do REsp nº 1.895.936/TO, sob a égide dos Recursos Repetitivos (Tema 1150), em 13/09/2023, que “a pretensão do ressarcimento dos danos havidos em razão dos desfalques em conta individual se submete ao prazo prescricional decenal previsto pelo art. 205 do Código Civil” e “o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao PASEP”, contudo, ainda configura-se prescrita a pretensão da autora, considerando marco inicial da prescrição a data do saque do PASEP referente à aposentação e da ciência dos desfalques, em 30/04/2012, ou seja, já decorreram mais de dez anos, visto que a ação foi proposta somente em 17/09/2024. Tese de julgamento: - É vedada a capitalização mensal de juros em contratos vinculados ao Sistema Financeiro da Habitação celebrados antes da edição da MP 2.170-36/2001. - A Súmula 121 do STF impede a incidência de juros compostos mesmo quando pactuada cláusula expressa. Fortaleza, 10 de setembro de 2025. &#160; A CÓRDÃO Vistos relatados e discutidos os autos da APELAÇÃO CÍVEL nº 0533715-34.2000.8.06.0001, em que é apelante BANCO BRADESCO S/a e apelada RITA DA PONTE RANDAL POMPEU, acorda o colegiado da 1ª Câmara de Direito Privado do TJCE, por unanimidade de votos, em conhecer e NEGAR provimento ao recurso, nos termos do voto do Relator. Fortaleza, 10 de setembro de 2025. &#160; JOSÉ RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador &#160; &#160; EDUARDO DE CASTRO NETO Juiz de Direito, convocado Relator &#160; R E L A T Ó R I O &#160; Trata-se de recurso de apelação interposto por BANCO BRADESCO S/A em face de sentença proferida pelo juízo da 28ª Vara Cível desta Comarca de Fortaleza, que julgou parcialmente procedente a ação revisional que lhe foi ajuizada por RITA DA PONTE RANDAL POMPEU, o que fez nos termos do dispositivo a seguir transcrito: verbis: &#160; Ante o exposto, Considerando os elementos do processo e as provas produzidas nos autos, atenta ao disposto na legislação aplicável e nos entendimentos jurisprudenciais acima invocados, JULGO PARCIALMENTE PROCEDENTE os pedidos iniciais, com resolução do mérito, na forma do artigo 487, I do CPC, para que surta seus jurídicos e legais efeitos, nos seguintes termos: a) RECONHECER DECLARAR a nulidade da cláusula que autoriza a capitalização dos

	juros; RECONHECER e DECLARAR a nulidade da cláusula-mandato; DECLARAR a quitação parcial do débito e afastar a incidência dos consectários da mora; d DETERMINAR a apuração, em sede de liquidação de sentença, do saldo devedor advindo do contrato, nos moldes ora decididos, e, em havendo valores a serem restituídos aos autores, decorrentes da cobrança porventura realizada a maior, a sua devolução dar-se-á de forma simples, por aplicação do disposto no art. 42 do CDC, acrescidos de atualização monetária pelo INPC/IBGE, a partir dos pagamentos realizados e acrescidos dos juros legais, a partir da data da citação até à data do efetivo pagamento. Dada a sucumbência recíproca, condeno os litigantes nas custas e despesas processuais na proporção de 50% (cinquenta por cento) para a parte autora e ré, o que faço com fundamento no art. 85, § 2º e art. 86, ambos do CPC. Já com relação aos honorários advocatícios, os promoventes responderão pelo percentual de 10% (dez por cento) sobre a diferença entre a quantia pretendida e a que efetivamente restou condenada a parte promovida, enquanto que esta responderá pelo pagamento no importe de 10% (dez por cento) sobre o valor da condenação, vedada a compensação, na forma do §14 do art. 85 do CPC. Nada obstante, sustenta a instituição financeira apelante que “a capitalização mensal encontra-se regularmente prevista em contrato” e que “no que se refere à legalidade da capitalização, a discussão está superada desde a edição da Medida Provisória nº 1.963-17/2000, de 30/03/2000, que a admite com periodicidade inferior a um ano e desde que expressamente pactuada.” Sustentou, ainda, que “improcede a pretensão de afastamento da capitalização, não havendo assim que se falar em nulidade de cláusula contratual nesse sentido, merecendo reforma a decisão apelada.” Requeru o provimento do recurso para o fim de reformar a sentença. Contrarrrazões alojadas no ID 19025471. É o relatório adotado. V O T O - Conheço do recurso, posto vislumbro presentes os requisitos de admissibilidade previstos no CPC. Como visto, é única a insurgência vertida no apelo, qual seja, o afastamento da cobrança dos juros capitalizados levados a efeito pela sentença. No caso, registro, a princípio, que o contrato objeto do pleito de revisão foi celebrado no ano de 1989 e é vinculado aos financiamentos regidos pela Lei nº 4.380/1964. Da capitalização de juros Com relação à capitalização de juros, no caso incide a Súmula 121, do excelso Supremo Tribunal Federal – STF que reza: “É vedada a capitalização de juros, ainda que expressamente convencionada”. Além disso, considerando que o contrato restou celebrado no ano de 1989, ou seja, anteriormente à edição da Medida Provisória nº 2.170-36/2001, a capitalização mensal de juros deve ser afastada.

	2.170-36/2001, a capitalização mensal de juros deve ser afastada. Precedentes do STJ e deste Sodalício. 2. No tocante aos juros remuneratórios, contudo, a sentença incorreu em equívoco ao limitar os juros remuneratórios com base na taxa média de mercado. Isso porque, segundo a jurisprudência dominante do STJ, Não há falar em limitação dos juros remuneratórios a 10% ao ano, pois esta Corte Superior de Justiça, no julgamento do REsp 1.070.297/PR, de relatoria do Ministro Luis Felipe Salomão, julgado em 09/09/2009 nos moldes do artigo 543-C do CPC, entendeu que o artigo 6º, "e", da Lei 4.380/64 não estabelece a limitação da taxa de juros, dispondo apenas sobre as condições para a aplicação do reajuste previsto no artigo 5º da mesma lei. Neste sentido é que a corte editou a Súmula 422: O art. 6º, e, da Lei nº. 4.380/64 não estabelece limitação aos juros remuneratórios nos contratos vinculados ao SFH. 3. APELAÇÃO CONHECIDA E PARCIALMENTE PROVIDA. (Apelação Cível - 0436700-65.2000.8.06.0001, Rel. Desembargador(a) EMANUEL LEITE ALBUQUERQUE, 1ª Câmara Direito Privado, data do julgamento: 09/10/2024, data da publicação: 13/10/2024). APELAÇÃO CÍVEL – REVISÃO DE CONTRATO DE FINANCIAMENTO IMOBILIÁRIO – SISTEMA FINANCEIRO DE HABITAÇÃO – CÓDIGO DE DEFESA DO CONSUMIDOR – INCIDÊNCIA – CONTRATO FIRMADO APÓS A EDIÇÃO DA LEI Nº 9.298/96 - UTILIZAÇÃO DA TR PARA REAJUSTE DO SALDO DEVEDOR – POSSIBILIDADE – CAPITALIZAÇÃO MENSAL DE JUROS – VEDAÇÃO – CONTRATO CELEBRADO ANTES DA MP 2.170-36/2001 – COBRANÇA ABUSIVA – USO DA TABELA PRICE – CABIMENTO – RECURSO CONHECIDO E PARCIALMENTE PROVIDO – SENTENÇA REFORMADA EM PARTE. 1. A sentença de origem julgou procedente o pedido autoral nos autos da Ação Revisional de Contrato de Financiamento Imobiliário vinculado ao Sistema Financeiro de Habitação, afastando a capitalização mensal de juros, a Taxa Referencial e a Tabela Price, e limitando os juros remuneratórios e moratórios a 12% ao ano e a multa a 2%, possibilitando ainda a repetição em dobro do indébito. 2. INCIDÊNCIA DO CDC: Mostra-se possível a revisão judicial do contrato, com base no CDC, visando adequá-lo ao ordenamento jurídico vigente e afastar eventual abusividade e onerosidade excessiva, vez que o instrumento foi firmado após sua vigência, bem assim a teor da Súmula n.º 297 do STJ: "O Código de Defesa do Consumidor é aplicável às instituições financeiras." Sentença mantida. 3. REAJUSTE DO SALDO DEVEDOR PELA TR: Restou permitida a utilização da TR para corrigir o saldo devedor de contratos vinculados ao Sistema Financeiro de Habitação firmados após a edição da Lei nº 8.177/91, consoante decidiu o Superior Tribunal de Justiça no Recurso Especial n. 969.129/MG, de relatoria do Min. Luis Felipe Salomão. E ainda, a Súmula n.º 454 daquela Corte de Justiça diz: "Pactuada a correção monetária nos contratos do SFH pelo mesmo índice aplicável à caderneta de poupança, incide a taxa referencial (TR) a partir da vigência da Lei n. 8.177/1991". In casu, se a cláusula contratual prevê, para a atualização do saldo devedor do financiamento, a utilização do mesmo índice aplicável às cadernetas de poupança, não há nenhuma ilegalidade na adoção do referido coeficiente, sendo perfeitamente válida a TR na espécie. 4. CAPITALIZAÇÃO DE JUROS E TABELA PRICE: Conforme a Súmula 121 do STJ: "É vedada a capitalização de juros, ainda que expressamente convencionada". De forma subsidiária, incide também a vedação que obsta a prática da capitalização mensal nos mútuos hipotecários sujeitos ao SFH em razão da destinação do importe mutuado, ainda mais quando o contrato é firmado antes da regulação genérica que legitimou a prática exclusivamente nos mútuos bancários, mediante a Medida Provisória nº 2.170-36/2001, art. 5º. Na espécie, considerando que o contrato em comento foi celebrado em 06/05/1996, ou seja, antes da MP 2.170-36/2001, a capitalização mensal de juros deve ser afastada, permitindo-se, porém, a sua incidência na periodicidade anual. Por sua vez, a utilização do Sistema Francês de Amortização, Tabela Price, para o cálculo das prestações da casa própria, não é ilegal e não enseja, por si só, a incidência de juros sobre juros. Sentença reformada em parte, para permitir a utilização da Tabela Price. 5. REPETIÇÃO DO INDÉBITO. Firmou-se o entendimento de que, em face da abusividade de cláusulas contratuais, admite-se a compensação ou repetição do indébito de forma simples, ante o princípio da vedação do enriquecimento sem causa, independentemente da prova de erro no pagamento. 6. Apelo conhecido e parcialmente provido. Sentença reformada em parte. (Apelação Cível - 0474965-39.2000.8.06.0001, Rel. Desembargador(a) MARIA DE FÁTIMA DE MELO LOUREIRO, 2ª Câmara Direito Privado, data do julgamento: 07/11/2018, data da publicação: 07/11/2018). Sendo esta a única insurgência do banco apelante, o caso é, portanto, de desprovimento de seu recurso com a consequente manutenção da sentença.

	se dar por meio de simples apresentação em juízo do instrumento do acordo, como é o presente caso: A homologação de acordo extrajudicial em juízo pode ser feita: a) no curso de ação pendente, por comunicação da parte, que junta o acordo e requer sua homologação (CPC 487 III b; CPC/1973 269 III), que caracteriza o título executivo descrito no CPC 515 II (CPC/1973 475-N III); ou b) por meio de simples apresentação ao juízo do instrumento do acordo, para que possa ser homologado. Somente a hipótese b é que caracteriza o título executivo judicial previsto no CPC 515 III (CPC/1973 475-N V), aqui comentado. A esse respeito, ressalte-se ainda que, mesmo sendo celebrado acordo extrajudicial entre as partes, o interesse de agir permanece, no sentido de se obter a homologação da transação pelo juízo, com a consequente criação de título executivo judicial apto a embasar eventual fase de execução, na hipótese de descumprimento do avençado entre as partes. Entretanto, em relação ao recurso, uma vez celebrado acordo entre as partes, resta prejudicado o seu julgamento em razão da perda superveniente do seu objeto, nos termos do art. 932, III, do CPC. Diante do exposto, HOMOLOGO , para que surtam seus jurídicos e regulares efeitos, a composição realizada , nos termos do instrumento de transação (id. 26971117), ao tempo em que EXTINGO o processo com resolução de mérito, nos termos do art. 487, III, “b” do CPC, restando, dessa forma, prejudicado o presente recurso. Dessa forma, é inequívoco o esvaziamento da controvérsia submetida à apreciação, pois não subsiste qualquer utilidade no exame de mérito ou eventual provimento jurisdicional buscado na presente irresignação, o que caracteriza, portanto, a perda superveniente de seu objeto, tendo em vista o desaparecimento do interesse de agir da parte ora recorrente, que já obteve resultado favorável no recurso anteriormente interposto. III. DISPOSITIVO 5. Recurso prejudicado. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por uma de suas turmas, à unanimidade, em julgar prejudicado o exame de mérito da presente irresignação, nos termos do voto do Desembargador Relator. Fortaleza, data e assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO RELATÓRIO Cuida-se de Agravado de Instrumento interposto por Hitachi Energy Brasil Ltda. contra decisão proferida pelo MM. Juiz de Direito Josias Nunes Vidal, da 18ª Vara Cível da Comarca de Fortaleza, que, nos autos da Ação de Cobrança proposta pela Porto Seguro Companhia de Seguros Gerais, acolheu parcialmente o pedido de chamamento ao processo, para incluir a empresa ora agravante no polo passivo da demanda originária. Na decisão agravada, o d. magistrado fundamentou que as obrigações contidas no contrato objeto da lide foram assumidas em conjunto pelas partes constantes do processo, além de a empresa ABB Power Grids Brasil Ltda. (atual Hitachi Energy Brasil Ltda.), que, embora com obrigações específicas, teria responsabilidade solidária. Ademais, foi considerado necessário apurar a responsabilidade da referida integrante do consórcio que não figurava como parte no processo, para evitar ônus demasiados à empresa que já integra o polo passivo da demanda. Irresignada, a empresa Hitachi Energy Brasil Ltda. alega, em síntese, que não estão presentes os requisitos autorizadores para o chamamento ao processo previsto no art. 130 do Código de Processo Civil, pois não há responsabilidade solidária em relação à Porto Seguro, mas sim apenas em relação ao Parque Eólico Ventos da Bahia IX S.A. Argumenta que a decisão agravada embasou-se em premissas equivocadas ao apontar descumprimento contratual por parte ora agravante, e que a solidariedade constante no consórcio não tem relação direta com o pedido formulado na ação de ressarcimento, de modo que ora recorrente seira parte indiferente nesta demanda. Como fundamento jurídico, sustenta que a relação jurídica processual discutida nos autos principais não demanda a formação obrigatória de litisconsórcio, fazendo referência a julgados que tratam sobre a responsabilidade solidária, indicando que o litisconsórcio, nesses casos, é facultativo.

	interesse de agir da parte ora recorrente, que já obteve resultado favorável no recurso anteriormente interposto. &#160; A respeito do tema, a doutrina de Daniel Amorim Assumpção Neves evidencia, com perspicácia, a concepção do interesse de recorrer enquanto requisito de admissibilidade, cuja dimensão pragmática deve sobressair no exame dos interesses contrapostos [grifou-se]: Conforme já foi afirmado, existe uma proximidade evidente entre os pressupostos processuais e as condições da ação e os requisitos de admissibilidade recursal, sendo unânime na doutrina o entendimento de que o interesse recursal deve ser analisado à luz do interesse de agir. A mesma ideia de utilidade da prestação jurisdicional presente no interesse de agir verifica-se no interesse recursal, entendendo-se que somente será julgado em seu mérito o recurso que possa ser útil ao recorrente. Essa utilidade deve ser analisada sob a perspectiva prática, sendo imperioso observar no caso concreto se o recurso reúne condições de gerar uma melhora na situação fá Quase todos os problemas referentes ao interesse recursal se resumem a esse aspecto, sendo certo que, não havendo qualquer possibilidade de obtenção de uma situação mais vantajosa sob o aspecto prático, não haverá interesse recursal. É por essa razão que, em regra, não se admite recurso somente com o objetivo de modificar a fundamentação da decisão, porque nesse caso a situação prática do recorrente se mantém inalterada. (NEVES, Daniel Amorim Assumpção. Manual de Direito Processual Civil. Volume Único. 10. ed. Salvador: JusPoivm, 2018, p. 1.613). De forma complementar, a doutrina de Cássio Scarpinella Bueno esclarece que: O interesse recursal precisa ser analisado a partir de uma visão retrospectiva (a sua posição processual antes do proferimento da decisão) e prospectiva (a posição processual que poderá alcançar com a modificação da decisão que lhe causa algum gravame). É da vantagem processual resultante da comparação desses dois momentos processuais que decorre o interesse recursal. (BUENO, Cassio Scarpinella. Curso Sistematizado de Direito Processual Civil: procedimento comum, processos nos Tribunais e recursos. 8. ed. São Paulo: Saraiva, 2019, p. 819). Logo, ao vislumbrar que eventual acolhimento da tese recursal não possui aptidão para produzir qualquer efeito prático em favor da empresa recorrente, uma vez que já foi acolhido, em recurso anterior, o pleito referente à impossibilidade de seu chamamento ao processo, revela-se inócuo o provimento judicial apenas para reafirmar conclusão exarada no recurso anteriormente analisado. o exame de mérito da irresignação, nos termos do art. 932, inciso III, Código de Processo Civil. É como voto.

QUESTÃO EM DISCUSSÃO: A questão em discussão consiste em verificar se o acórdão embargado incorreu em contradição ou omissão ao julgar o mérito do agravo, quando deveria apenas reconhecer a perda superveniente do objeto, segundo alega o Embargante. III. RAZÕES DE DECIDIR (i) Os embargos de declaração possuem finalidade restrita, cabendo apenas para sanar obscuridade, contradição, omissão ou erro material (CPC, art. 1.022). (ii) O acórdão embargado fundamentou-se de forma clara ao concluir que a tutela deferida era inviável desde a origem, haja vista que o procedimento médico objeto da tutela já havia sido realizado pelo Embargante na rede pública de saúde antes da decisão concessiva. (iii) Não se trata de perda superveniente do objeto do agravo instrumental (como defende o Embargante), mas da concessão de uma obrigação de urgência inviável de ser cumprida, evidenciando a nulidade da decisão agravada em razão da impossibilidade do seu objeto. (iv) Inexistindo decisão do Juízo a quo revogando a tutela impossível, revelou-se pertinente o provimento do recurso. Assim, não obstante a perda superveniente do interesse processual do Autor/Agravado quanto à obrigação de fazer perseguida na ação, subsistia o interesse recursal da Promovida/Agravante, em face da ainda vigente decisão proferida pelo Juízo a quo.

Na decisão objurgada (ID nº 18184959), restou concedida tutela de urgência antecipada postulada na exordial, obrigando a operadora de plano de saúde a providenciar, em benefício do Autor, cobertura para o procedimento cirúrgico de reparação de fratura da diáfise da tíbia, no prazo de 48 horas, sob pena de multa diária. A magistrada afirmou a presença dos requisitos previstos no artigo 300 do Código de Processo Civil e destacou que o Autor sofreu fratura consequente de um acidente motociclístico, sendo inequívoca a necessidade de intervenção cirúrgica. No feito originário, relatou a parte autora que, quando tinha 13 (treze) anos de idade, foi abusada sexualmente pelo Réu, seu primo, enquanto ficava em sua casa sob os cuidados dos pais deste. Argumenta que houve toques inadequados por parte do Promovido e exposição da então menor a vídeos pornográficos. Em face disso, o Réu respondeu a uma ação criminal e foi condenado em pelo crime de estupro de vulnerável, recebendo a pena de nove anos e quatro meses de reclusão. Diante de tais fatos, a Autora postulou a reparação pelos danos morais resultantes do crime de que foi vítima, postulando indenização no valor de R\$ 150.000,00 (cento e cinquenta mil reais). Na sentença (ID 18259558), julgou-se procedente a pretensão autoral, condenando-se o Promovido ao pagamento da quantia de R\$ 80.000,00 (oitenta mil reais) como indenização pelos danos morais sofridos pela Promovente. O magistrado considerou os elementos apresentados nos autos, principalmente as provas recolhidas na esfera penal, e concluiu pela ocorrência de ato ilícito, culpa e nexo de causalidade, confirmados na decisão penal condenatória. (ID 18259558), julgou-se procedente a pretensão autoral, condenando-se o Promovido ao pagamento da quantia de R\$ 80.000,00 (oitenta mil reais) como indenização pelos danos morais sofridos pela Promovente. O magistrado considerou os elementos apresentados nos autos, principalmente as provas recolhidas na esfera penal, e concluiu pela ocorrência de ato ilícito, culpa e nexo de causalidade, confirmados na decisão penal condenatória. Irresignado, o Promovido interpôs recurso de apelação (ID 18259561), alegando a inexistência de provas robustas que sustentem a tese de ocorrência de ato criminoso. Destaca a ausência de trânsito em julgado da decisão penal, argumentando que a condenação ocorreu com base em presunções, e não em evidências robustas, o que violaria o princípio da presunção de inocência e o devido processo legal. Cita o art. 5º, LVII, da Constituição Federal, que estabelece que “ninguém será considerado culpado até o trânsito em julgado de sentença penal condenatória”, e solicita a reforma da sentença, para julgar improcedente a ação. Subsidiariamente, pugna pela redução do valor da condenação. Em contrarrazões (ID 18259565), a Promovida defende que a sentença de

	primeira instância foi acertada, afirmando que as provas produzidas no processo criminal são suficientes para comprovar a prática do crime e, consequentemente, o ato ilícito capaz de gerar compensação por danos morais. Ressalta que o Tribunal de Justiça já ratificou a condenação penal do réu em outra oportunidade, refutando a alegada fragilidade da prova. Enfatiza que o dano moral é presumido, diante da gravidade do crime de estupro de vulnerável, citando jurisprudência sobre a presunção de danos morais em casos de agressão sexual contra pessoas menores de idade. Por fim, a recorrida solicita a manutenção da sentença, assim como a majoração dos honorários advocatícios em razão do recurso apresentado, conforme previsto na legislação processual. 	fatos se deu por meio da vítima, que relatou o ocorrido reportando à época em que contava com apenas treze anos de idade. A reprodução fática apresentada pela testemunha coaduna com a versão de Marília em detalhes. A testemunha afirmou já haver indagado à vítima o porquê de ela se cortar, ocasião em que esta respondeu que merecia, pois "era imunda", e aquilo a fazia se sentir melhor. O irmão da vítima (Geraldo Meira Freire Couceiro Neto), em seu depoimento, não afirmou ciência dos abusos à época do ocorrido. Relatou, porém, que viu a vítima e o acusado deitados na mesma cama cobertos por lençol em diferentes ocasiões, quando a menor contava com apenas treze anos de idade. Afirmou, também, que a vítima acabou confessando os fatos após o vazamento do vídeo íntimo não autorizado. Registrou que nunca chegou a ser impedido de entrar no quarto onde estavam acusado e vítima, mas que a porta às vezes era fechada, razão pela qual o depoente batia para entrar. A linha de defesa do réu se orienta na tese de que tudo não teria passado de influência do pai da vítima, que teria forjado a situação em um cenário de disputa familiar com a genitora da então menor. De fato, outras testemunhas apontaram não perceber nada de estranho entre as partes e admitiram a possibilidade de haver uma tentativa de retaliação do genitor da vítima contra o Réu, uma vez que este representou juridicamente a mãe de Marília em processos judiciais envolvendo o divórcio desta. A presunção de tal intento retaliativo, contudo, não é suficiente para evidenciar uma suposta forja dos fatos, considerando-se os demais elementos apurados e o comportamento da própria vítima durante todo o processo de persecução penal. Não se olvide que as vítimas de estupro usualmente se esquivam de responsabilizar seus agressores em razão da vergonha e da humilhação inerentes ao crime em si e ao processo de apuração dos fatos. No caso, há como agravante a circunstância de que a Promovente frequentava diariamente a residência do primo e possuía um bom relacionamento com a família deste, sendo-lhe prejudicial acusá-lo de um crime tão grave. Não há qualquer notícia de desentendimento prévio entre Marília e o Réu ou sua família. Pelo contrário, abstrai-se dos autos que a então menor se sentia à vontade, acolhida, do que se infere a ausência de interesse de sua parte em romper com essa boa rotina de convivência. A acusação em desfavor do primo promoveu, por certo, conflitos familiares provavelmente irreparáveis e mais instabilidade à Promovente. Nesse contexto, não é verossímil que a Recorrida, adolescente já tão conturbada emocionalmente, optasse por se submeter a todo esse processo - com as humilhações, julgamentos e conflitos a ele inerentes - com lastro em uma mera mentira supostamente forjada pelo genitor para atendimento de interesses exclusivos deste. Em síntese, não se vislumbra qualquer motivo para uma acusação falsa por parte da Apelada Com efeito, a análise dos elementos produzidos em sede de instrução criminal redundaram na conclusão quanto à condenação do ora Apelante, havendo-se proferido sentença condenatória nos seguintes termos [grifo nosso]:

A vítima foi incisiva e segura ao afirmar ter sido abusada sexualmente pelo denunciado. Conforme já salientado, a palavra da vítima é o que há de mais decisivo no esclarecimento dos crimes sexuais, uma vez que, em sua esmagadora maioria, os delitos são cometido às ocultas. É através da análise da palavra da vítima que o julgador obtém a certeza da culpabilidade do acusado ou os indícios mais veementes de sua inocência. A análise circunstanciada de cada caso determinará o valor da palavra da vítima no contexto submetido à apreciação, exigindo-se para sua prevalência que esteja corroborada por uma série de elementos de convicção que encontram ressonância na prova produzida. De outro giro, assim como não podem ser as declarações das vítimas tidas como verdades absolutas, devendo-se substituir a presunção de veracidade pela presença de um fato indiscutível que lhe confira maior valoração em relação às declarações do acusado, também não podem ser elas desprezadas e tidas como inválidas somente em virtude da tenra idade do ofendido. Corroborando ao depoimento da menor, têm-se os depoimentos de outras testemunhas ouvidas em Juízo. Acrescente-se que nenhuma real razão teria a menor para fazer contra o acusado uma acusação indevida, apesar de o acusado e algumas testemunhas afirmarem que as acusações foram forjadas pelo pai da ofendida. Analisadas todas as variáveis do problema, mediante a lente da lógica jurídica, conclui-se pela inexistência de fatores que poderiam justificar o descrédito à palavra da vítima. Nessas circunstâncias, pode e deve ela ser tomada expressão da verdade, uma vez que corroborada por demais provas colhidas. Considerando que o acusado, mediante mais de uma ação, praticou mais de um crime da mesma espécie, em semelhantes condições de tempo, lugar, maneira de execução e aproveitando-se das mesmas oportunidades, os delitos subsequentes devem ser havidos como continuação do primeiro, atendidos que foram os requisitos objetivos dispostos no art. 71 do CPB. Aliás, importa consignar que, quando Maríllia contava com idade aproximada entre 12 (doze) e 13 (treze) anos de idade, de modo a inexistirem dúvidas também quanto à subsunção da conduta ao tipo penal descrito no art. 217-A, c/c o art. 71, do Código Penal. Cumprando, outrossim, destacar que a fixação desse lapso de tempo permitiu ao acusado desenvolver plenamente o contraditório, inclusive, como visto, juntando documentação relativa às atividades por ele desenvolvidas no período, não se vislumbrando motivos para reputá-lo prejudicado no tocante à ampla defesa. [...] Noutra toada, se por um lado, os documentos acostados às fls. 87/130 evidenciam que o acusado foi constituído pela sua tia, Anne Jaqueline Arruda Barroso, mãe da vítima, para representa-la no litígio de cunho cível travado contra Marco Antonio Carvalho Couceiro, pai da menor, tais fólios não explicam, de tais fólios não explicam, de per si , o motivo pelo qual o ódio e o desejo de vingança imputados ao último se voltariam exatamente contra o increpado, isso cerca de dois anos depois do protocolo da primeira peça assinada por Renato Pontes Arruda, cujo afastamento do feito não geraria qualquer malefício ou obstáculo à marcha do procedimento judicial respectivo A fragilidade do argumento se torna ainda mais patente, quando se observa que Anne Jaqueline Arruda Barroso, à época havia tido/tinha um relacionamento amoroso com Edilailson Rodrigues de Azevedo, de molde a se afigurar compreensível e até mais esperado que Marco Antonio voltasse sua pretensa ira contra este último, mormente quando seria muito mais fácil convencer ou coagir a filha a mentir sobre ele, do que sobre o increpado, com quem a menor tinha não apenas laços de sangue, como também de amizade, desde a mais tenra idade. Sob enfoque diverso, também não se sustenta a tese de que Marco Antonio obrigasse a ofendida a mentir sobre a imputação, apenas no afã de responsabilizar a mãe da mesma por esse fato, e, assim, evitar a perda da guarda dos filhos, e, por conseguinte, o pagamento de pensão à ex-companheira. Isso porque não emerge dos autos, nem mesmo dos depoimentos dos familiares do increpado, qualquer ato concreto do genitor de Maríllia hábil a refletir a suposta preocupação com a repercussão judicial do episódio envolvendo o delito cibernético de que fora vítima a sua filha, muito pelo contrário: levou-o ao conhecimento das autoridades competentes, inclusive entregando o computador da

	adolescente para perícia, ao passo em que buscava minimizar os efeitos psicológicos do ocorrido sobre a mesma. Em verdade, conforme pontuado pelo próprio recorrente, Anne Jaqueline Arruda Barroso foi quem, ao ser cientificada da questão envolvendo a divulgação do vídeo íntimo da filha, veio a advertir Marco Antonio de que levaria o assunto à instância cível, visando a reverter a decisão acerca da guarda dos filhos, os quais já haviam declarado em Juízo, a preferência por ficarem sob a guarda paterna. Note-se que, ao ser ouvida em Juízo, a vítima declarou não ter contado sobre o crime para a genitora, porque sabia que a própria mãe não acreditaria em sua palavra, o que vai ao encontro dos relatos de TODAS as testemunhas originárias do núcleo materno da ofendida, as quais não apenas destacaram a boa reputação do acoimado, como atribuíram a acusação a uma falácea da menor, esta pretensamente induzida pelo próprio pai, a cuja postura social dirigiram robusta adjetivação negativa. Nessa senda, sobressai o depoimento de Tainá Arruda de Lima, prima do réu e da vítima. Em Juízo, a testemunha, verberou que, por ocasião do aniversário de Maríllia, organizara uma festa surpresa, em cujo decorrer conseguira ficar a sós com a menor, passando a rememora-la da relação de carinho que possuíam e, em seguida, a insistir para que lhe contasse o que havia ocorrido. Ressaltou que a ofendida negou-se a dar a versão dela acerca do crime, ocasião em que pediu à adolescente que imaginasse um “desfecho muito ruim dessa estória”, porque se isso “lhe trouxesse paz, segurança”, a declarante passaria a apoiá-la. Perfilhou que Maríllia continuou a dizer que não falaria sobre isso com a depoente, porque não confiava mais nela, azo em que Tainá desabafou, verberando “eu acho que isso tudo é culpa do seu pai! eu acho que quem fez isso com você foi seu pai”. Relembrou que, durante a conversa, Maríllia mexeu no celular, a pretexto de ver uma ligação que havia recebido do pai, razão pela qual, ao contar da conversa para a sua mãe, concluíram que, orientada por Marco Antonio, a menina poderia ter gravado a conversa. Acrecentou que, em reuniões familiares posteriores, a ofendida não mais lhe dirigiu a palavra, chegando a explicar que não o fazia, porque a depoente havia traído sua confiança ao depor em favor do acoimado. Questionada do motivo pelo qual a menor dirigia a mágoa apenas à declarante, mencionou ela que Tainá havia magoado muito o seu pai. 1.7999999999999998; text-indent: 70.86614173228347pt; text-align: justify; margin-top: 21pt; margin-bottom: 0pt; dir="ltr"> Sobre tais pontos, vale ressaltar que andou bem o Juízo Criminal de Segunda Instância ao observar a fragilidade da alegação não minimamente demonstrada de que tudo seria fruto exclusivamente de uma retaliação do genitor da vítima, bem como ao registrar, por meio de citações do depoimento da testemunha sobredita, o ambiente de desconfiança em que restou inserida a ora Apelada em meio a seus familiares maternos. Nenhum deles trouxe qualquer elemento diretamente ligado aos fatos e passível de contribuir de forma relevante para a instrução, mas apenas expressaram opinião no sentido de que a narrativa da então menor era inverídica – sobretudo diante da conduta normalmente ilibada do réu e do bom relacionamento entre ambos – e atribuíram ao ocorrido a natureza de dano colateral e manipulação do genitor da Apelada no âmbito da disputa entre famílias. 1.7999999999999998; text-indent: 70.86614173228347pt; text-align: justify; margin-top:

O acórdão recorrido concluiu, de forma fundamentada, pela presença de provas suficientes para comprovar a autoria e a materialidade do delito, uma vez que o relato da vítima se mostrou firme e coerente com as demais provas coligidas. Destacou, ainda, ser implausível que o agravante não tivesse conhecimento da idade da menor, pois foi comprovado que ele era muito amigo da família, frequentava regularmente a casa da vítima e participava com ela de acampamentos promovidos pela igreja. A modificação deste entendimento encontra óbice na Súmula 7/STJ . 3. A Terceira Seção do STJ, ao julgar o Tema 1.121/STJ, fixou o entendimento de que, presente o dolo específico de satisfazer à lascívia, própria ou de terceiro, a prática de ato libidinoso com menor de 14 anos configura o crime de estupro de vulnerável (art. 217-A do CP), independentemente da ligeireza ou superficialidade da conduta, não sendo possível a desclassificação para o delito de importunação sexual (art. 215-A do CP). A jurisprudência desta Corte Superior posicionou-se no sentido de que, em crimes de natureza sexual, à palavra da vítima deve ser atribuído especial valor probatório, pois, geralmente, são cometidos de forma clandestina, sem testemunhas e sem deixar vestígios. Na hipótese, a condenação foi respaldada em provas suficientes, tendo em vista que a palavra da vítima não se encontra isolada nos autos, uma vez que corroborada pelos depoimentos testemunhais colhidos em juízo, possuindo peso preponderante sobre demais elementos de prova . 2. Nesse contexto, para se concluir de modo diverso, afastando a conclusão das instâncias ordinárias acerca da prática delitiva, seria necessário o revolvimento fático-probatório, vedado conforme Súmula n. 7 do Superior Tribunal de Justiça - STJ. 3 . Sobre o pleito desclassificatório, a questão foi pacificada nesta Corte em julgamento de recurso especial repetitivo, REsp n. 1.954.997/SC, no qual se firmou a tese (Tema n . 1121) de que “presente o dolo específico de satisfazer à lascívia, própria ou de terceiro, a prática de ato libidinoso com menor de 14 anos configura o crime de estupro de vulnerável (art. 217-A do CP), independentemente da ligeireza ou da superficialidade da conduta, não sendo possível a desclassificação para o delito de importunação sexual (art. 215-A do CP)”. 4 . 	considerou negativa a circunstância judicial da conduta social, pois de acordo com o testemunho de familiares teria cometido outros abusos sexuais com pessoas da família, fundamento que se revela idôneo para o aumento da pena na primeira fase do cálculo. 5. Diante do quantum de pena, o regime fechado é o correto nos termos do art. 33, §§ 2º e 3º, do CP. 6. Inviável o recurso especial pela alínea c do permissivo constitucional, pois, além da incidência das Súmulas n. 83 e n. 7 deste Pretório, não foi realizado o cotejo analítico e não comprovada a similitude fática entre o aresto recorrido e os trazidos à colação, nos termos dos arts. 1.029, § 1º, do Código de Processo Civil/2015 - NCPC e 255, § 1º, do Regimento Interno do Superior Tribunal de Justiça - RISTJ. 7. Agravo regimental desprovido. STJ AgRg no AREsp: 2317583 SP 2023/0081591-8, Relator.: Ministro JOEL ILAN PACIORNIK, Data de Julgamento: 11/03/2024, T5 - QUINTA TURMA, Data de Publicação: DJe 13/03/2024. In casu observa-se que 13.99999999999998pt; font-family: 'Times New Roman', serif; color: #000000; background-color: transparent; font-weight: 700; font-style: normal; font-variant: normal; text-decoration: none; vertical-align: baseline; white-space: pre-wrap;">a instrução processual não revelou elemento apto a infirmar a versão apresentada pela vítima. Não foi comprovado fato obstativo da consumação do fato segundo a narração da ora Apelada, os quais, por sua vez, coadunam com as circunstâncias apontadas na decisão criminal. Ganha especial relevo o depoimento do irmão da vítima, Geraldo Meira Freire Couceiro Neto, que costumeiramente estava por perto enquanto a Autora permanecia no quarto do Réu. Afirmou a testemunha, em sede criminal, que viu a vítima e o acusado deitados na mesma cama cobertos por um lençol em diferentes ocasiões quando a menor contava com apenas treze anos de idade e que, ao retornar ao referido quarto após breve saída, constatava a porta fechada, tanto que o depoente batia antes de entrar. Tais afirmações vão de encontro à negativa geral do ora Apelante em relação aos fatos, considerando-se que o Réu jamais explicou as situações em que estava deitado sob lençóis com a menor de idade e refutou que a porta do seu quarto ficasse fechada, ainda que ocasionalmente. Por fim, conforme registrado pelo d. juízo sentenciante - o qual detém maior proximidade com a instrução criminal - o relato da vítima se mostrou firme e coerente com as demais provas coligidas aos autos. Diante de todas essas premissas, entendo que há elementos suficientes à configuração da responsabilidade civil sub examine

Programa de Responsabilidade Civil. 8 ed. Atlas, 2009, p. 91/93). Na caso concreto, é inequívoca a gravidade do abalo sofrido pela vítima ao ter violada a sua dignidade sexual em ambiente outrora considerado seguro, pela prática de crime grave perpetrado por familiar seu, de confiança da família. O prejuízo de tal abalo é agravado pela vulnerabilidade da condição de menor absolutamente incapaz da vítima ao tempo do ocorrido, alastrando-se sobre o desenvolvimento psíquico da Autora. Um dos problemas constatados foi a prática de automutilação pela Autora, distúrbio associado a dores emocionais e intenso sofrimento psicológico. As fotografias acostadas às fls. 5/7 do ID 18259439 evidenciam inúmeros e profundos cortes realizados pela própria Promovente em suas pernas. Considerando-se que vítimas de estupro - especialmente menores de idade - costumam apresentar isolamento, tristeza, culpa e outros problemas congêneres, o trauma causado por esse tipo de crime é compatível com a prática de autolesão, que pode ser observada em vítimas de abuso sexual. Dessa forma, ainda que se possa admitir que as referidas lesões não tenham resultado exclusivamente dos atos tipificados como estupro, mas também de todo um contexto difícil pelo qual a adolescente estaria passando - tese essa defendida pelo Apelante -, é razoável a presunção de que a vitimização da então menor tenha ensejado uma fragilidade emocional que permitiu o surgimento da doença psíquica, considerando-se os elementos dos autos e a compatibilidade da autolesão com os danos sofridos por vítimas desse tipo de crime. Ressalte-se que, ao ser ouvida pelo juízo criminal, a ora Apelada afirmou que, depois dos fatos, entrou em um estado de depressão e passou a se cortar com frequência. sentindo-se suja, “uma vagabunda” Afirmou que utilizava instrumentos como gilete, apontador e chave. Ela veio a mencionar outras circunstâncias apontados pelo réu em sua defesa, tais como o suicídio de um amigo e o vazamento de mídia íntima de webcam

Preliminarmente, suscitou o apelado as seguintes questões: violação ao princípio da dialeticidade, impugnação à justiça gratuita, ilegitimidade passiva e incompetência do juízo estadual, as quais não comportam acolhimento. Preliminares rejeitadas. </p><p class="EmentadoAcrdo" style="margin-bottom: 6.0pt; text-align: justify;"/> 4. No mérito, a matéria em discussão foi objeto de apreciação pelo c. Superior Tribunal de Justiça, quando afetou ao rito dos recursos repetitivos o Tema nº 1.150, tendo o Tribunal da Cidadania uniformizado a interpretação da legislação infraconstitucional por meio das teses a seguir destacadas: i) o Banco do Brasil possui legitimidade passiva ad causam para figurar no polo passivo de demanda na qual se discute eventual falha na prestação do serviço quanto a conta vinculada ao Pasep, saques indevidos e desfalques, além da ausência de aplicação dos rendimentos estabelecidas pelo Conselho Diretor do referido programa; ii) a pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao Pasep se submete ao prazo prescricional decenal previsto pelo artigo 205 do Código Civil; e iii) o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao Pasep. </p><p class="EmentadoAcrdo" style="margin-bottom: 6.0pt; text-align: justify;"/> 5. Com efeito, a fluência do prazo prescricional de dez anos para a parte exercer a pretensão condenatória começa a partir da data em que se tem conhecimento da lesão. Sendo assim, de acordo com o princípio da actio nata, o direito de pleitear a indenização surge quando a lesão e suas consequências são constatadas. Com base nisso, o entendimento mais escorreito é no sentido de que o termo inicial da contagem do prazo prescricional da pretensão autoral se dá quando do recebimento do extrato ou das microfilmagens da sua conta. Em exame do caderno processual, tem-se que a autora recebeu os extratos em 03.06.2024, pouco dias antes do ajuizamento da ação (24.07.2024), de modo que não há falar em prescrição.</p><p class="EmentadoAcrdo" style="margin-bottom: 6.0pt; text-align: justify;"/> IV. 	size: 10pt; font-family: "Times New Roman"; serif;">PROCESSUAL CIVIL. RESPONSABILIDADE DECORRENTE DA MÁ GESTÃO DOS VALORES DEPOSITADOS. AUSÊNCIA DE ATUALIZAÇÃO MONETÁRIA DA CONTA DO PASEP. LEGITIMIDADE PASSIVA. COMPETÊNCIA DA JUSTIÇA COMUM ESTADUAL. SÚMULA N. 42/STJ. I - Na origem, trata-se de ação de indenização por danos morais e materiais contra o Banco do Brasil alegando, em suma, que sua conta do Programa de Formação do Patrimônio do Servidor Público - PASEP, administrada pelo réu, deixou de receber a devida atualização monetária. II - O Tribunal de Justiça do Estado do Mato Grosso do Sul manteve a sentença que extinguiu o processo sem resolução do mérito, diante da ilegitimidade do Banco do Brasil S.A. (fls. 75-78). III - Na hipótese dos autos, o entendimento do Superior Tribunal de Justiça é de que, em ações nas quais se pleiteia a recomposição do saldo existente em conta vinculada ao PASEP, em virtude da não ocorrência dos devidos depósitos, a União deve figurar no polo passivo da demanda. IV - No entanto, a presente lide versa sobre responsabilidade decorrente da má gestão dos valores depositados, a exemplo da ausência de atualização monetária da conta do PASEP. V - Nessas situações, o STJ conclui que a legitimidade passiva é do Banco do Brasil e, por consequência, a competência é da justiça comum estadual, em atenção à Súmula n. 42/STJ.. No mesmo sentido: REsp n. 1.874.404, relatora Ministra Assusete Magalhães, DJe 1/6/2020; no REsp n. 1.869.872, relator Ministro Herman Benjamin, DJe 29/5/2020 e no REsp n. 1.852.193, relator Ministro Sérgio Kukina, DJe 5/2/2020. INAPLICABILIDADE. NECESSIDADE DE DILAÇÃO PROBATÓRIA. I. CASO EM EXAME 1. Apelação cível interposta contra sentença que julgou liminarmente improcedente ação indenizatória, ao reconhecer a prescrição da pretensão ao ressarcimento de valores supostamente suprimidos de conta vinculada ao PASEP. II. QUESTÃO EM DISCUSSÃO 2. Definir se a pretensão indenizatória está prescrita, considerando o termo inicial do prazo prescricional. III. RAZÕES DE DECIDIR 3. A jurisprudência consolidada no Superior Tribunal de Justiça (Tema 1150) estabelece que o prazo prescricional para ressarcimento de danos em conta vinculada ao PASEP é decenal, tendo início na data em que o titular comprovar ciência dos desfalques. 4. Na hipótese dos autos, o termo inicial deve ser fixado na data de obtenção do extrato completo da conta PASEP pela autora, ocorrida em 16/11/2023. Como a ação foi ajuizada em 14/08/2024, não há prescrição. 5. O julgamento da lide nesta instância não se mostra adequado, pois a demanda requer dilação probatória, especialmente a realização de perícia contábil. 6. Diante da necessidade de instrução probatória, não se aplica a teoria da causa madura (art. 1.013, § 4º, do CPC). IV. DISPOSITIVO 7. 	PRESCRIÇÃO. PASEP.&#160; PRESCRIÇÃO DECENAL. PRINCÍPIO DA ACTIO NATA. TEORIA DA CIÊNCIA INEQUÍVOCA. PRESCRIÇÃO NÃO CONFIGURADA. RECURSO CONHECIDO E PROVIDO. SENTENÇA ANULADA. I- CASO EM EXAME 1. Trata-se de Apelação Cível interposta, adversando sentença proferida nos autos da Ação de Indenização por Danos Morais e Materiais em epígrafe, que julgou extinta a ação, pelo reconhecimento da prescrição, com apreciação do mérito, II ¿ QUESTÃO EM DISCUSSÃO 2. Cinge-se a controvérsia recursal em aferir se a pretensão deduzida na exordial encontra-se atingida pela prescrição. III ¿ RAZÕES DE DECIDIR 3. O Tema nº 1.150 /STJ dispôs sobre o prazo prescricional para os casos em análise, o qual restou consolidado o prazo decenal, na forma do artigo 205 do Código Civil, assim como a aplicação da&#160;teoria da actio nata. Com isso, o&#160;termo&#160;inicial&#160;para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao Pasep.&#160; 4. Isto posto, entendo que a prescrição reconhecida pelo Juízo de primeiro grau há de ser afastada, uma vez que restou suficientemente explicitado, diante da descrição fática narrada na petição inicial, que a parte promovente somente teve ciência acerca dos desfalques em seus rendimentos na data de emissão dos extratos microfilmados de sua conta PASEP em 2019. REMESSA DO FEITO PARA A VARA DE ORIGEM PARA O DEVIDO PROCESSAMENTO E JULGAMENTO DO LITÍGIO. - A petição inicial remete à apreciação do Judiciário litígio que envolve a responsabilidade do Banco do Brasil S/A quanto à má gestão dos valores depositados pela União do programa PIS/PASEP. - O Tribunal da Cidadania uniformizou a interpretação da legislação infraconstitucional no julgamento do tema repetitivo nº 1.150 para reconhecer, dentre outras teses não devolvidas na via apelatória, que "ii) a pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao Pasep se submete ao prazo prescricional decenal previsto pelo artigo 205 do Código Civil"; e que "iii) o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao Pasep. - Em relação à prescrição, a jurisprudência entende ser aplicável o princípio da actio nata, iniciando-se o prazo prescricional a partir do momento em que a parte tem conhecimento da violação do seu direito e, aplicando a tese repetitiva nº 1.150 firmada pelo Tribunal da Cidadania, tem-se que: "A pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao PASEP se submete ao prazo prescricional decenal previsto pelo artigo 205 do Código Civil ou ao prazo quinquenal estipulado pelo artigo 1º do Decreto nº 20.910/32" e que "O termo inicial para a contagem do prazo prescricional é o dia em que o titular toma ciência dos desfalques ou a data do último depósito efetuado na conta individual vinculada ao PASEP". Desta forma, o lapso da prescrição teve início quando o autor teve acesso à microfilmagem dos extratos da sua conta vinculada ao PASEP, requisitada em 09/02/2024 e com previsão de entrega no dia 08/06/2024, não fulminando o direito de ação exercitado em 27/06/2024. O presente recurso visa à reforma da sentença que julgou improcedente o pedido autoral nos autos da Ação de Indenização por Danos Morais e Materiais, decorrentes de suposta má gestão, por parte do BANCO DO BRASIL, de valores depositados na conta PASEP da parte autora. 2. Preliminares contrarrecursais ¿ Ilegitimidade passiva do Banco do Brasil S/A e incompetência absoluta da Justiça Comum ¿ No recente julgamento do Repetitivo 1150, o Superior Tribunal de Justiça estabeleceu que o Banco do Brasil é parte legítima para ser incluído como réu em ações que discutem a gestão dos valores depositados no PASEP, seja no que tange à correção de valores depositados, como a saques efetuados. (REsp n. 1.895.936/TO, relator Ministro Herman Benjamin, Primeira Seção, julgado em 13/9/2023, DJe de 21/9/2023). À vista disso, e em atenção ao enunciado da Súmula 42 do STJ, não há dúvidas de que a competência para conhecer e julgar a ação é a da Justiça Comum. Preliminares rejeitadas. 3. Prejudicial de mérito ¿ Prescrição ¿ Sobre o tema da prescrição, o Superior Tribunal de Justiça, no julgamento do Recurso Especial Repetitivo n.º 1.951.931/DF (Tema n.º 1.150), de 13/09/2023, firmou as seguintes teses vinculantes: ¿ii) a pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao Pasep se submete ao prazo prescricional decenal previsto pelo art. 205 do Código Civil;¿ ¿iii) o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao Pasep.¿ 4. Portanto, segundo a tese fixada, é decenal o prazo prescricional para se questionar, em juízo, eventuais danos causados, em razão de desfalques na conta individual vinculada ao PASEP. 5. Por seu turno, o termo a quo do lapso prescricional, segundo a teoria da actio nata, é a data em que o titular da conta toma ciência, comprovadamente, dos desfalques, que, em casos tais, acontece quando tem acesso aos extratos da conta PASEP, pois só então passa a conhecer o fato e a extensão de suas consequências. Precedentes da Câmara. No caso concreto, o demandante obteve acesso ao extrato da sua conta PASEP aos 25/10/2023, e ajuizou a presente ação em 26/03/2024, portanto, não há que se falar em prescrição. 6. Razões recursais ¿ Preliminar de cerceamento de defesa ¿ O apelante pugna pela nulidade da sentença, por cerceamento de defesa, defendendo a necessidade de perícia contábil a fim de apurar eventual erro na atualização dos valores depositados na sua conta PASEP. 7. No caso vertente, houve o julgamento antecipado da lide, concluindo-se por sua improcedência, tendo como fundamento a não satisfação do ônus probatório da parte apelante. 8. In casu, observa-se da prova coligida aos autos que, diante da natureza complexa do caso, que envolve mudanças de moeda e incidência de diversos índices de correção monetária, necessária a realização de perícia contábil. 9. Verifica-se, portanto, que é nítido o cerceamento de defesa e error in procedendo no caso concreto, uma vez que o feito de origem foi sentenciado sem que fosse realizada a produção de provas necessárias ao julgamento do mérito. 10. Nessa perspectiva, acolhe-se a preliminar de cerceamento de defesa, diante do não cabimento do julgamento antecipado da lide, haja vista a necessidade de produção de prova pericial no caso em apreço, impondo-se a desconstituição da sentença e o retorno à origem para que a demanda prossiga com a instauração da fase instrutória, ficando as demais questões recursais prejudicadas. 11. 	Danos Morais e Materiais, ajuizada pela ora apelante. II. QUESTÕES EM DISCUSSÃO 2. As questões em discussão são: (i) possível cerceamento de defesa por não ter sido realizada prova pericial grafotécnica; (ii) a alegada irregularidade do contrato de empréstimo consignável; e (iii) se há responsabilidade civil da instituição financeira por eventual falha na prestação do serviço, à luz das normas do Código de Defesa do Consumidor. III. RAZÕES DE DECIDIR 3. A respeito do tema, este e. Tribunal de Justiça firmou entendimento de que a confirmação da regularidade ou irregularidade do negócio depende de provas concretas sobre i) a anuência do(a) consumidor(a) sobre os descontos realizados e ii) o recebimento do crédito por parte do(a) beneficiário(a). 4. A instituição financeira ré defendeu a legitimidade da contratação e anexou aos autos a cópia do instrumento impugnado, devidamente assinado pela parte autora/apelante, além da cópia dos documentos pessoais e comprovante de pagamento do numerário líquido. No curso do trâmite processual, a parte autora/apelante não impugnou expressamente os documentos juntados pelo banco nem pleiteou por perícia grafotécnica, e, muito embora tenha sido intimada para apresentar réplica, deixou transcorrer o prazo sem manifestação. Ademais, fora intimada para dizer se desejava produzir outras provas, mas não se insurgiu sobre a assinatura do contrato nem requereu a prova pericial. 5. Nesse contexto, verifica-se que a parte autora/apelante se manteve inerte com relação aos documentos comprobatórios da relação jurídica firmada com o banco, caracterizando-se, assim, o fenômeno da preclusão. Dessa forma, não há que falar em cerceamento de defesa nem em irregularidade da contratação, uma vez que a instituição financeira se desincumbiu do seu ônus probatório ao juntar aos autos o instrumento contratual devidamente assinado pela autora, acompanhado dos seus documentos pessoais e do comprovante de repasse do numerário. 6. Diante a regularidade da contratação, não há que falar em ato ilícito cometido pela instituição financeira, e, por consequência, inexistente dever de reparação civil. IV. DISPOSITIVO 7. Recurso conhecido e desprovido. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, em conhecer do recurso interposto, para lhe negar provimento, nos termos do voto do Desembargador Relator. 	JOSÉ RICARDO VIDAL PATROCÍNIO PRESIDENTE/RELATOR RELATÓRIO Trata-se de recurso de apelação interposto por Idelzuite Nogueira Baltazar Ferreira, objetivando a reforma total da sentença proferida no Id 27391216, pelo MM. Juiz Isaac Dantas Bezerra Braga, da Vara Única da Comarca de Alto Santo, que julgou improcedente a Ação Declaratória Negativa de Débito c/c Pedido de Indenização por Danos Morais e Materiais, ajuizada pela ora apelante em desfavor do Banco Itaú Consignado S.A. Nas razões do presente recurso (Id 27391220), a apelante alega que: (i) não reconhece a assinatura aposta no contrato e o juízo de origem não oportunizou a realização de perícia grafotécnica, configurando cerceamento de defesa; (ii) o promovido não juntou provas de que o contrato foi celebrado legalmente, como uma filmagem do autor no estabelecimento bancário ou a apresentação de um contrato revestido das formalidades legais; e (iii) os descontos em seu benefício, oriundos do contrato irregular, devem ser restituídos em dobro. Sem preparo recursal por ser a apelante beneficiária da justiça gratuita, conforme dispositivo sentencial. Contrarrrazões no Id 27413141. É o relatório. VOTO 1 – Admissibilidade Registre-se que os pressupostos recursais – cabimento, legitimidade e interesse de recorrer, tempestividade, regularidade formal, preparo/gratuidade judiciária, inexistência de fato impeditivo ou extintivo do poder de recorrer – estão devidamente preenchidos no caso concreto, inexistindo quaisquer vícios graves que obstem o conhecimento do recurso.

	2 – Mérito As questões em discussão são: (i) possível cerceamento de defesa por não ter sido realizada prova pericial grafotécnica; (ii) a alegada irregularidade do contrato de empréstimo consignável; e (iii) se há responsabilidade civil da instituição financeira por eventual falha na prestação do serviço, à luz das normas do Código de Defesa do Consumidor. Segundo consta dos autos, a autora/apelante narra que foi surpreendida com descontos indevidos em seu benefício previdenciário referentes a um contrato de empréstimo consignado (nº 626054640), alegando jamais ter aderido. A instituição financeira, por seu turno, advoga a legitimidade da contratação, ao anexar aos autos a cópia do instrumento impugnado, devidamente assinado pela parte autora/apelante, além da cópia dos documentos pessoais e comprovante de pagamento do numerário líquido contratado (vide Ids 27391199 e 27391200). No curso do trâmite processual, a parte autora/apelante não impugnou expressamente os documentos juntados pelo banco nem pleiteou por perícia grafotécnica, e, muito embora tenha sido intimada para apresentar réplica (Id 27391207), deixou transcorrer o prazo sem manifestação. Ademais, observa-se que a autora/apelante fora intimada para dizer se desejava produzir outras provas, mas não se insurgiu sobre a assinatura do contrato nem requereu a prova pericial (Id 27391210). Nesse contexto, ao verificar que a parte autora / apelante se manteve inerte com relação aos documentos comprobatórios da relação jurídica firmada com o banco, caracterizando-se, assim, o fenômeno da preclusão, não há que falar em cerceamento de defesa ou em irregularidade da contratação, uma vez que a instituição financeira se desincumbiu do seu ônus probatório ao juntar aos autos o instrumento contratual devidamente assinado pela autora, acompanhado dos seus documentos pessoais, bem como do comprovante de repasse do numerário contratado. A propósito, a legislação processual civil estatui que é a réplica consiste no momento adequado para que o autor impugne

OBRIGAÇÕES DE TRATO SUCESSIVO. DESCONTOS EM BENEFÍCIO PREVIDENCIÁRIO. PRECLUSÃO QUANTO À IMPUGNAÇÃO SOBRE A ASSINATURA POSTA NO CONTRATO, POIS SOMENTE ALEGADA NA APELAÇÃO. INSTITUIÇÃO FINANCEIRA QUE SE DESINCUMBIU DO ÔNUS PROBATÓRIO. JUNTADA DE CÓPIA DO CONTRATO, DOS DOCUMENTOS PESSOAIS DO CONTRATANTE E DO COMPROVANTE DE TRANSFERÊNCIA BANCÁRIA. REGULARIDADE CONTRATUAL. JULGAMENTO DE IMPROCEDÊNCIA NA ORIGEM. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA. O cerne da controvérsia recursal consiste em examinar se é ou não válido o contrato questionado, bem como se os descontos efetuados no benefício previdenciário da apelante configuraram ato ilícito por parte da instituição financeira. Além disso, é de se verificar se é devida a restituição dos valores descontados da consumidora, e se deve ocorrer na forma simples ou em dobro. Ademais, deve-se verificar se é cabível a fixação de indenização por danos morais. Sobre o assunto, este e. Tribunal de Justiça firmou entendimento de que a confirmação da regularidade ou irregularidade do negócio depende de provas concretas sobre: (i) a anuência do consumidor sobre os descontos realizados e (ii) o recebimento do crédito por parte do beneficiário. Da análise dos autos, tem-se que a parte promovida, ora apelada, colacionou, às fls. 131/321, cópia do termo de adesão ao cartão de crédito consignado e autorização para desconto em folha de pagamento devidamente assinado pela autora, da proposta de contratação de saque mediante a utilização do cartão de crédito consignado, da cédula de crédito bancário devidamente assinada pela autora, cópia da proposta de adesão ao seguro, cópia dos documentos pessoais da autora, cópia do comprovante de residência, cópias das faturas e, por fim, o comprovante de transferência bancária de valores em conta de titularidade da consumidora (TED). Quando da tramitação do feito na origem, a requerente não impugnou expressamente os documentos juntados pelo banco nem pleiteou perícia grafotécnica, e, muito embora sua representante processual tenha sido intimada para o oferecimento de réplica em audiência (fl. 322), deixou transcorrer o prazo sem manifestação. Nesse passo, a impugnação quanto à assinatura posta no contrato está preclusa, uma vez que alegada somente na apelação, sendo a réplica o momento oportuno para tanto, de acordo com o art. 350 do CPC. Note-se, portanto, que a preclusão temporal se consumou na espécie, sendo manifestamente incabível que a requerente apresente o pedido de perícia grafotécnica tão somente neste recurso, que, por esse motivo, não deve ser aceito. Diante de todo o arcabouço probatório existente nos autos, e considerando a preclusão temporal quanto a pedido de perícia grafotécnica, entendo que a parte promovida se desincumbiu do ônus probatório que lhe cabia, nos termos do art. 373, II, do CPC, demonstrando a regularidade da contratação. Recurso conhecido e desprovido. (Apelação Cível- 0200667-67.2023.8.06.0029, Rel. CARTÃO DE CRÉDITO CONSIGNADO. REGULARIDADE DA CONTRATAÇÃO. ÔNUS PROBATÓRIO. PRECLUSÃO. AUSÊNCIA DE RESPONSABILIDADE CIVIL DA INSTITUIÇÃO FINANCEIRA. RECURSO DESPROVIDO. I. CASO EM EXAME Apelação cível interposta em ação declaratória de inexistência de negócio jurídico c/c reparação de danos, na qual o autor alegou a irregularidade na contratação de cartão de crédito com margem consignável e pleiteou a devolução de valores descontados, bem como indenização por danos morais. A sentença de primeiro grau julgou improcedentes os pedidos. Há duas questões em discussão: (i) verificar a regularidade da contratação do cartão de crédito consignado; e (ii) aferir a responsabilidade civil da instituição financeira por eventual falha na prestação do serviço. A instituição financeira se desincumbe do seu ônus probatório ao apresentar o termo de adesão ao cartão de crédito consignado devidamente assinado pelo consumidor, acompanhado dos documentos pessoais e do comprovante de transferência do valor para a conta do contratante. Os serviços contratados são apresentados de maneira clara, legível e de fácil compreensão no termo de adesão, não havendo impugnação válida quanto à assinatura aposta ao contrato. A parte autora, intimada a especificar provas adicionais, manteve-se inerte, caracterizando o fenômeno da preclusão, não podendo posteriormente alegar ausência de comprovação do vínculo contratual. O contrato celebrado atende aos requisitos legais de validade do negócio jurídico previstos no art. 104 do Código Civil, estando formalizado entre partes capazes, com objeto lícito e de acordo com a forma exigida pela legislação. Diante da regularidade da contratação, inexistente ato ilícito praticado pela instituição financeira, afastando-se o dever de reparação civil. Recurso desprovido. A instituição financeira comprova a regularidade da contratação ao apresentar termo de adesão assinado pelo consumidor, acompanhado dos documentos pessoais e comprovante de transferência. A inércia da parte autora quanto à produção de provas adicionais configura preclusão, impossibilitando posterior alegação de irregularidade contratual. A validade do contrato firmado entre as partes deve observar os requisitos do art. 104 do Código Civil, sendo válido o negócio jurídico celebrado entre partes capazes e com objeto lícito. Não há responsabilidade civil da instituição financeira quando demonstrada a regularidade da contratação, afastando-se a obrigação de indenizar. No mesmo ensejo, também colacionou comprovante idôneo de transferência dos créditos (fls. 212). 7 - Em seguida, a requerente foi intimada para apresentar réplica à contestação (fls. 225), mas se manteve silente a partir de então. Isto é, não se opôs, em nenhum momento, às alegações da instituição financeira, tampouco suscitou possível falsidade na assinatura aposta no contrato. Somente após a prolação da sentença manifestou-se, em sua peça recursal, no sentido de refutar a sua autenticidade no campo em que a subscrevera, requerendo a nulidade da decisão final de mérito para que fosse realizada perícia grafotécnica. 8 - Nesses casos, é firme o entendimento de que o ônus de provar a regularidade da assinatura, quando controvertida pelo consumidor, é da instituição financeira, conforme Tema Repetitivo nº 1.061, julgado pelo STJ. Contudo, a apelante, no caso, não envidou o mínimo esforço para arguir a falsidade de sua assinatura, apenas cogitando-a após o julgamento na origem. 9 - A consumidora, mesmo regularmente intimada, deixou então de alegar a suposta falsidade de sua assinatura, ao tempo em que a demanda tramitava em 1ª instância, descaracterizando-se eventual cerceamento de seu direito de defesa. Somente a alegou em seu apelo, sem justificar o motivo de provocar tardiamente o exame da matéria, violando o disposto na norma processual. 10 - Agravo Interno conhecido e desprovido. Cinge-se a controvérsia recursal em definir se houve, ou não, cerceamento de defesa diante da não produção de prova pericial requerida pela autora apelante na petição inicial e réplica. 02. Analisando detidamente os autos, evidencia-se decisão saneadora à fl. 120 intimando <as partes para que indiquem a necessidade de produção de provas, no prazo de 5 (cinco) dias, admitindo-se o julgamento antecipado da lide, em virtude de eventual indicação de que a matéria dispensa outras provas (art. 355, I, do CPC).</p> <p>03. Devidamente intimada por intermédio do seu causídico, a autora apelante não se manifestou expressamente quanto ao seu interesse pela produção de provas, limitando-se a apresentar a petição às fls. 124/125, requerendo ao juiz singular que <autorize o pagamento do valor de R\$ 737,00 (setecentos e trinta e sete reais), referente ao pagamento da indenização de 01 micro-ondas e um televisor 32</p> <p>Philco, em nome da Autora, dona dos equipamentos danificados.</p> <p>04. Consoante entendimento do Superior Tribunal de Justiça, em análise sistemática dos dispositivos do Código de Processo Civil, o requerimento, pelo autor, de produção de provas divide-se em duas fases: i) em sede de petição inicial, quando ainda não estabelecida a controvérsia nos autos do processo, há o pedido genérico de produção de provas (art. 319, VI, do CPC); ii) após a contestação, evidenciados os pontos controversos, há a fase de

	especificação das provas anteriormente requeridas de forma genérica (art. 348, do CPC). 05. E, ainda avançando sobre o tema, a Corte Cidadã assentou que se opera a preclusão do direito à prova se a parte, intimada a especificar as que pretende produzir, não se manifesta oportunamente, ainda que exista pedido expresso na petição inicial ou contestação. 06. No caso ora analisado, mostra-se incabível a tese de cerceamento de defesa, eis que, quando intimada para especificação de provas, a autora apelante manteve-se inerte, avocando, assim, o fenômeno da preclusão. 07. Assim, considerando a inércia da autora apelante na fase de especificação de provas, não há se falar em nulidade da sentença por cerceamento de defesa. 08. Recurso conhecido e desprovido. 	CORRESPONDÊNCIA ENTRE AS ASSINATURAS CONSTANTES NO CONTRATO E NOS DOCUMENTOS APRESENTADOS PELO PRÓPRIO AUTOR. PARTE AUTORA ALFABETIZADA. INAPLICABILIDADE DA TESE FIXADA NO IRDR Nº 0630366-67.2019.8.06.0000. VALIDADE DO CONTRATO. FALHA NA PRESTAÇÃO DE SERVIÇOS NÃO DEMONSTRADA. RECURSO CONHECIDO PROVIDO. SENTENÇA REFORMADA. 1. Trata-se de RECURSO DE APELAÇÃO interposto pelo BANCO ITAÚ CONSIGNADO S/A em face de sentença proferido pelo Juízo da 2ª Vara Cível da Comarca de Boa Viagem/CE, que julgou procedente ação declaratória de nulidade /inexistência contratual c/c pedido de repetição de indébito e indenização por danos morais, ajuizada por PEDRO RODRIGUES PAÉ, em face do banco apelante. 2. Inicialmente, diversamente dos fundamentos apontados na sentença impugnada, a matéria debatida nestes autos não se vincula ao IRDR nº 0630366-67.2019.8.06.0000 deste TJCE, julgado pela Seção de Direito Privado em 21/09/2020, que fixou a seguinte tese: <i>“É considerado legal o instrumento particular assinado a rogo e subscrito por duas testemunhas para a contratação de empréstimos consignados entre pessoas analfabetas e instituições financeiras, nos ditames do art. 595 do CC, não sendo necessário instrumento público para a validade da manifestação de vontade do analfabeto nem procuração pública daquele que assina a seu rogo, cabendo ao Poder Judiciário o controle do efetivo cumprimento das disposições do artigo 595 do Código Civil.”</i> 3. Na presente ação, a parte autora é alfabetizada, conforme se observa de sua documentação juntada à petição inicial, em especial a procuração (pág. 35) e documento de identificação (pág. 36), todos assinados pelo promovente. 4. Depreende-se dos autos que o analfabetismo funcional foi suscitado pelo próprio requerente, porém não restou constatado pelos documentos acostados. Observa-se que o autor apenas alegou essa condição, e assim o fez para tentar se enquadrar na situação que exige o preenchimento de requisitos especiais para a contratação, específicos para pessoas que não sabem ler. 5. Ademais, sobre a não validade do contrato estabelecidos entre as partes, devido à suposta condição da autora como analfabeta funcional, é crucial destacar que isto, por si, não impede a sua capacidade para realizar atos no âmbito da vida civil, incluindo a celebração de contratos. 6. Dos documentos carreados nos autos em primeira instância, avista-se o instrumento contratual nº 54348839 (págs. 117/119), acompanhado dos documentos pessoais (págs. 120/122), devidamente assinados pelo autor, além de apresentar comprovante de transferência (pág. 124), não impugnados pelo autor em sua réplica à contestação de págs. 263/265, onde se verifica que há semelhança das assinaturas do autor no contrato celebrado, no instrumento procuratório e no documento de identidade do mesmo. 7. Destarte, os elementos constantes dos autos indicam que a parte autora efetivamente contratou o empréstimo objurgado, o qual está perfeito e acabado, de modo que não há respaldo jurídico e probatório a consubstanciar a pretensão autoral. 8. Deveria a parte autora comprovar, ainda que de forma ínfima, a inexistência de contrato firmado e o não recebimento do valor do empréstimo, por meio de extratos bancários da data em que teria sido transferido o montante pelo banco, ou mesmo pela demonstração de que a conta bancária em que foi depositado o valor não seria de sua titularidade, o que não restou comprovado no caso dos autos, vez que, mesmo após o banco juntar o contrato celebrado e o comprovante de depósito bancário do empréstimo, por ocasião da contestação, a parte autora sequer impugnou tais documentos em sua réplica ou mesmo quando intimado para produzir novas provas. 9. Acerca da inversão do ônus probatório, nos moldes do art. 6º, VIII, do CDC, este não é direito absoluto da parte, mas uma faculdade do Juiz, determinada quando, a seu critério, for verossímil a alegação ou quando for a parte hipossuficiente, segundo as regras ordinárias de experiência. Além disso, a inversão do ônus da prova não exime a responsabilidade da parte reclamante de fazer prova, ainda que minimamente, da existência do fato constitutivo do seu direito, conforme impõe o art. 373, I, do CPC. 10. 	Apelação Cível interposta por MARIA CORREIA DA SILVA OLIVEIRA em face de sentença proferida pelo Juízo da Vara Única da Comarca de Lavras da Mangabeira, que julgou improcedente Ação Declaratória de Nulidade Contratual c/c Repetição de Indébito e Reparação por Danos Morais ajuizada pela apelante em desfavor do Banco Itaú Consignado S/A. 2 - O recurso visa modificar sentença exarada pelo juízo a quo, a qual julgou improcedentes os pedidos de declaração de nulidade dos contratos de empréstimo consignado nº 611424551, 614275733 e 633003399, a repetição em dobro dos valores descontados e a condenação do réu ao pagamento de indenização por danos morais no valor de R\$ 30.000,00. 3 - O Código de Defesa do Consumidor, em seu art. 14, caput, estabelece a responsabilidade objetiva dos fornecedores de serviço pelos danos causados aos consumidores, por defeitos relativos à prestação dos serviços. 4 - In casu, em sede de contestação, o banco recorrido apresentou cópia dos instrumentos contratuais nº 611424551, 614275733 e 633003399, bem como comprovante de Transferência TED, em benefício da autora, reforçando a realização da contratação. Da análise dos autos, verifica-se que a assinatura constante na cópia dos contratos incluídos pelo banco requerido de fato guarda rigorosa semelhança com a do documento de identidade da parte apelante com a robusta prova acostada nos autos, resta comprovada a efetiva e válida formalização dos contratos aqui questionados. 5 - Quanto aos danos morais, estes são vistos como qualquer ataque ou ofensa à honra, paz, mentalidade ou estado neutro de determinado indivíduo, sendo, por vezes, de difícil caracterização devido ao seu alto grau subjetivo. É imperioso ressaltar que, para que este se configure, é necessário que efetivamente tenha existido ato ilícito passível de reparação moral e que este seja devidamente comprovado, acompanhado do nexo de causalidade. 6 - No caso dos autos, uma vez configurada a formalização dos contratos em avença, inexistem quaisquer dos requisitos autorizadores para o deferimento de pagamento de danos morais, vez que não restou comprovada qualquer conduta ilícita por parte da Instituição Bancária, muito menos resultado danoso para a apelante, razão pela qual, correto foi o entendimento do magistrado ao indeferir o pleito. 7 - Acrescento que, apesar de afirmar a recorrente que não reconhece a assinatura, entendo que julgou com acerto o Juízo a quo dada a similaridade da assinatura constante nos contratos apresentados pelo ente financeiro com as assinaturas dos documentos juntados pelo autor na exordial, quais sejam procuração, declaração de hipossuficiência e documento de identidade. Desse modo, diante do robusto conjunto probatório carreado aos fôlios, tenho que não se faz necessária a realização de exame grafotécnico no presente caso 8 - Apelação conhecida e improvida. RECURSO CONHECIDO E DESPROVIDO. 1. O cerne da controvérsia consiste em verificar a ocorrência de dano moral e material em decorrência do contrato realizado pelos litigantes. No caso, aduziu a apelante não ser satisfatória a demonstração do depósito, bem como haver no negócio irregularidades intransponíveis, por entender que não poderia o requerido firmar contrato com analfabeto, ainda que funcional, sem a devida procuração pública, ou assinatura a rogo, com a presença de testemunhas instrumentárias para a formação do negócio. Situação que, inviabiliza à autora a compreensão das particularidades da avença. 2. Na inicial não houve questionamento ao repasse de valores, apenas alegou-se a invalidade do contrato realizado por pessoa analfabeta, apontando-se ausência de formalidades exigidas em lei, a teor da assinatura a rogo subscrita por duas testemunhas ou por instrumento público; nesse contexto, caberia ao banco o ônus de comprovar os fatos articulados na inicial, ou seja, a ausência do analfabetismo, sinalizando a contratação idônea entre as partes, fato que ocorreu satisfatoriamente, nos termos expostos na inicial. 3. AÇÃO DECLARATÓRIA DE INEXISTÊNCIA DE EMPRÉSTIMO C/C REPETIÇÃO DO INDÉBITO E INDENIZAÇÃO POR DANOS MORAIS. EXTINÇÃO DO PROCESSO SEM RESOLUÇÃO DO MÉRITO. ALEGAÇÃO DE AUSÊNCIA DE DOCUMENTO INDISPENSÁVEL À PROPOSITURA DA AÇÃO. INOCORRÊNCIA. PETIÇÃO INICIAL QUE ATENDE AOS REQUISITOS PREVISTOS NOS ARTIGOS 319 E 320 DO CPC/15. SENTENÇA ANULADA. RECURSO CONHECIDO E PROVIDO. 1. Na hipótese, busca o Apelante a reforma da sentença que extinguiu, sem resolução do mérito, a ação declaratória de nulidade/inexistência contratual c/c repetição do indébito e indenização por danos morais ajuizada contra o Apelado, ao deixar de emendar a inicial, mediante a juntada da cópia do contrato impugnado e seus extratos bancários. 2. Quanto à juntada do contrato objeto da relação jurídica posta em análise, em que pese a essencialidade de tal documento para o exame da validade do pacto, entendo que não andou bem o magistrado a quo ao extinguir a ação sem resolução do mérito da forma como foi determinada. Isso porque, ao assim proceder, o judicante violou os princípios da inafastabilidade da jurisdição e da economia processual. 3. Segundo o posicionamento predominante no âmbito do Superior Tribunal de Justiça, o deferimento da inversão do ônus da prova decorrente de relação consumerista é condicionado à constatação da verossimilhança da alegação do autor e de sua condição de hipossuficiência, nos termos expressamente estabelecidos no Código de Defesa do Consumidor (art. 6º, VIII), regra que se caracteriza de índole instrutória, posto que deve ser determinada "preferencialmente na fase de saneamento do processo ou, pelo menos, assegurando-se à parte a quem não incumbia inicialmente o encargo, a reabertura de oportunidade para apresentação de provas" (REsp nº 802.832, STJ - 2ª Seção, DJ 21.9.2011) 4. Ora, não são necessários maiores esforços intelectivos para se afirmar que a instituição financeira provém de melhores condições de exibir o instrumento contratual na oportunidade que lhe for concedida, sobretudo, quando é rotineira a prática das instituições financeiras de tolher o acesso do consumidor à segunda via do contrato. 5. Com relação aos extratos bancários da conta-corrente da autora/recorrente, em que pese o magistrado de primeiro grau ter compreendido que também é documento indispensável à propositura da ação, em exame mais acurado dos autos, entendo que o referido histórico de empréstimos bancários extraído do INSS mostra-se suficiente à comprovação da relação jurídica havida entre as partes, de sorte que os extratos bancários, por se tratarem de meio de prova (cujo ônus poderá ser invertido em favor do consumidor), podem refletir tão somente em improcedência do pedido, não traduzindo em condição à propositura da ação onde se questiona a própria existência/validade do contrato que ensejou a realização dos descontos. 6. Desta feita, enxergo que, para a correta aplicação da norma processual cogente, assim como em observância às garantias constitucionais do acesso a uma tutela jurisdicional efetiva, célere e eficaz, asseguradas pelo legislador constituinte, deve a sentença ora em vergaste ser anulada, ao tempo em que os autos deverão retornar à origem a fim de que o magistrado a quo dê regular tramitação ao processo. 7. I) CASO EM EXAME 1.&#160; &quot;times new roman&quot;; times; font-size: large; text-indent: 8%;">Trata-se de Apelação Cível interposta por Antônia Pereira de Souza com o objetivo de reformar a sentença proferida pelo Juízo da 1ª Vara Cível da Comarca de Acopiara, que, com base nos arts. 321 e 485, I do CPC, indeferiu a inicial e extinguiu, sem resolução do mérito, a Ação Declaratória de Inexistência de Débito c/c Indenização por Danos Materiais e Morais ajuizada pela ora apelante em desfavor do Banco Agibank S.A. II. QUESTÃO EM DISCUSSÃO 2.&#160; &quot;times new roman&quot;; times; font-size: large; text-indent: 8%;">Cinge-se a controvérsia recursal a examinar o acerto ou desacerto da sentença que extinguiu o feito, sem resolução de mérito, em razão do não comparecimento da parte autora para ratificar a procuração e apresentar seus documentos originais de identificação e comprovante de residência recente em seu nome. III. RAZÕES DE DECIDIR 3.&#160; &quot;times new roman&quot;; times; font-size: large; text-indent: 8%;">Ao compulsar os autos, verifica-se que a autora, ora recorrente, apresentou os seguintes documentos no ato de protocolo da inicial: procuração e declaração de hipossuficiência (ID. n.º 27375567); documentos de identificação (ID. n.º 27375568); comprovante de residência (ID. n.º 27375569) e extrato de empréstimos consignados do INSS (ID. n.º 27375570).&#160; &quot;times new roman&quot;; times; font-size: large; text-indent: 8%;">Com base nisso, entendo que a petição inicial cumpriu, ao menos em tese, os requisitos indispensáveis à propositura da ação judicial, conforme disposto nos arts. 319 e 320 do CPC. 4.&#160; &quot;times new roman&quot;; times; font-size: large;">O&#160; &quot;times new roman&quot;; times; font-size: large; text-indent: 8%;">comparecimento pessoal da parte autora à Secretaria da Vara para apresentar documento pessoal de identificação, comprovante de residência e para ratificar a outorga de procuração ao advogado, com fundamento na Recomendação n.º 01/2019/NUMOPEDE/CGJCE – atualizada pela Recomendação n.º 01/2021/NUMOPEDE/CGJCE –, não configura exigência indispensável ao regular processamento da ação, seja porque não constitui exigência prevista em lei, seja porque tais providências podem ser averiguadas em eventual e futura instrução da causa, se for o caso. 5.&#160; &quot;times new roman&quot;; times; font-size: large; text-indent: 8%;">É &quot;times new roman&quot;; times; font-size: large; text-indent: 8%;">&#160;desnecessário determinar o comparecimento presencial obrigatório da parte autora à unidade jurisdicional onde o processo tramita, vez que já fora anexada documentação suficiente ao processamento da demanda, como documentos pessoais e a procuração outorgada ao causídico. Isto é, as informações e o acervo documental que instruem a inicial são suficientes ao trâmite regular da ação, sobretudo em demandas que versam sobre matérias de cunho consumerista, em que foi postulada a inversão dos ônus probatório e a facilitação dos direitos do consumidor em juízo.&#160; 6. E &quot;times new roman&quot;; times; font-size: large; text-indent: 8%;">mbora o juízo singular faça menção à incidência da Recomendação n.º 01/2019/NUMOPEDE/CGJCE, atualizada pela Recomendação n.º 01/2021/NUMOPEDE/CGJCE, providenciando as medidas cabíveis quando constatada uma suposta demanda temerária (art. 139, inciso IX, do CPC), o indeferimento da inicial com a extinção da ação sob o fundamento de falha de representação processual não se revela plausível no caso concreto. 7. Portanto, não há que falar em extinção do feito pelas razões levantadas pelo juízo primevo, sob pena de inviabilizar o acesso à justiça em decorrência de formalismo

	entendo que a petição inicial cumpriu, ao menos em tese, os requisitos indispensáveis à propositura da ação judicial, conforme disposto nos arts. 319 e 320 do CPC, in verbis Art. 319. A petição inicial indicará: I - o juízo a que é dirigida; II - os nomes, os prenomes, o estado civil, a existência de união estável, a profissão, o número de inscrição no Cadastro de Pessoas Físicas ou no Cadastro Nacional da Pessoa Jurídica, o endereço eletrônico, o domicílio e a residência do autor e do réu; III - o fato e os fundamentos jurídicos do pedido; IV - o pedido com as suas especificações; V - o valor da causa; VI - as provas com que o autor pretende demonstrar a verdade dos fatos alegados; VII - a opção do autor pela realização ou não de audiência de conciliação ou de mediação. § 1º Caso não disponha das informações previstas no inciso II, poderá o autor, na petição inicial, requerer ao juiz diligências necessárias a sua obtenção. § 2º A petição inicial não será indeferida se, a despeito da falta de informações a que se refere o inciso II, for possível a citação do réu. § 3º A petição inicial não será indeferida pelo não atendimento ao disposto no inciso II deste artigo se a obtenção de tais informações tornar impossível ou excessivamente oneroso o acesso à justiça. Art. 320. A petição inicial será instruída com os documentos indispensáveis à propositura da ação. Ora, o comparecimento pessoal da parte autora à Secretaria da Vara para apresentar documento pessoal de identificação, comprovante de residência e para ratificar a outorga de procuração ao advogado, com fundamento na Recomendação n.º 01/2019/NUMOPEDE/CGJCE – atualizada pela Recomendação n.º 01/2021/NUMOPEDE/CGJCE –, não configura exigência indispensável ao regular processamento da ação, seja porque não constitui exigência prevista em lei, seja porque tais providências podem ser averiguadas em eventual e futura instrução da causa, se for o caso. Ora, o comparecimento pessoal da parte autora à Secretaria da Vara para apresentar documento pessoal de identificação, comprovante de residência e para ratificar a outorga de procuração ao advogado, com fundamento na Recomendação n.º 01/2019/NUMOPEDE/CGJCE – atualizada pela Recomendação n.º 01/2021/NUMOPEDE/CGJCE –, não configura exigência indispensável ao regular processamento da ação, seja porque não constitui exigência prevista em lei, seja porque tais providências podem ser averiguadas em eventual e futura instrução da causa, se for o caso. Dito isso, é desnecessário determinar o comparecimento presencial obrigatório da parte autora à unidade jurisdicional onde o processo tramita, vez que já fora anexada documentação suficiente ao processamento da demanda, como documentos pessoais e a procuração outorgada ao causídico. Isto é, as informações e o acervo documental que instruem a inicial são suficientes ao trâmite regular da ação, sobretudo em demandas que versam sobre matérias de cunho consumerista, em que foi postulada a inversão dos ônus probatório e a facilitação dos direitos do consumidor em juízo. AÇÃO DECLARATÓRIA NEGATIVA DE DÉBITO C/C INDENIZAÇÃO POR DANOS MORAIS.&#160;DETERMINAÇÃO DE EMENDA À INICIAL NÃO ATENDIDA. DESNECESSIDADE DE COMPARECIMENTO PRESENCIAL DA PARTE À SECRETARIA DA VARA. EXCESSO DE FORMALISMO. VIOLAÇÃO AO PRINCÍPIO DO LIVRE ACESSO À JUSTIÇA. PETIÇÃO INICIAL QUE ATENDE AOS REQUISITOS PREVISTOS NOS ARTS. 319 E 320 DO CPC.&#160;RECURSO CONHECIDO E PROVIDO. SENTENÇA CASSADA. 1. Cinge-se a controvérsia recursal em examinar o acerto ou desacerto da sentença que extinguiu o feito sem resolução de mérito, ao reconhecer a inépcia da petição inicial ante a ausência de comparecimento prévio da parte em juízo para apresentar seus documentos originais de identificação e ratificar os termos da procuração outorgada. 2. Ao compulsar os autos, verifica-se que a autora, ora recorrente, apresentou os seguintes documentos no ato de protocolo da inicial: procuração; documentos de identificação; comprovante de endereço, em nome de terceiro; extrato de empréstimo consignado junto ao INSS; e requerimento da cópia do contrato e do comprovante de transferência, por via administrativa.&#160;3. Nesse contexto, diversamente da fundamentação apresentada pelo d. juízo singular, é desnecessário e inapropriado determinar de antemão o comparecimento presencial da parte autora à Secretaria da Vara para apresentação de documentos pessoais originais, como uma condição de procedibilidade da demanda judicial.&#160;4.&#160;É válido ressaltar que, embora o juízo singular faça menção à incidência da Recomendação n.º 01/2019/NUMOPEDE/CGJCE, atualizada pela Recomendação n.º 01/2021/NUMOPEDE/CGJCE, providenciando as medidas cabíveis quando constatada a existência de demanda temerária (art. 139, inciso IX, do CPC), a extinção da ação sob o fundamento da inépcia da petição inicial não se revela plausível no caso concreto.&#160;5. A circunstância que ensejou o indeferimento da inicial não diz respeito à falta de documentos indispensáveis ao regular processamento da ação, mas, na realidade, foi motivada pelo não cumprimento de diligências pela parte autora / apelante, que, se fosse o caso, deveria ser intimada pessoalmente para suprir a falta no prazo de 5 (cinco) dias, e desde que o processo ficasse parado por mais de 30 (trinta) dias, conforme determina o art. 485, inciso III e §1º, do CPC. 6. Apelação cível interposta contra sentença que extinguiu o processo sem julgamento de mérito, com fundamento no art. 485, IV, do CPC, em razão de suposta irregularidade de representação e suspeita de litigância predatória.&#160;O juízo de primeiro grau determinou a intimação da parte autora para comparecer pessoalmente à Secretaria da Vara para apresentar documento de identificação, comprovante de residência e ratificar a outorga da procuração ao advogado, baseando-se na Recomendação nº&#160;

	01/2019/NUMOPEDE/CGJCE, atualizada pela Recomendação nº 01/2021/NUMOPEDE/CGJCE.&#160;A parte autora havia instruído a inicial com os documentos necessários, incluindo procuração, documento de identificação e comprovante de residência. II. QUESTÃO EM DISCUSSÃO. 2. Há duas questões em discussão: (i) definir se houve regularidade na representação processual e apresentação de documentos; (ii) estabelecer se a sentença que extinguiu o processo sem resolução do mérito, baseada em suposta litigância predatória, viola o devido processo legal e o princípio da inafastabilidade da tutela jurisdicional. III. RAZÕES DE DECIDIR. 3. A parte autora instrui adequadamente a inicial com procuração conferida ao advogado, documento de identificação e comprovante de residência, conforme exigido pelos arts. 319 e 320 do CPC, de modo que não há irregularidade na representação processual ou elementos que justifiquem a presunção de litigância predatória.&#160;4. O ato de extinção do processo sem determinar a intimação pessoal do autor, conforme o art. 485, §1º, do CPC, viola o devido processo legal e o direito de defesa, uma vez que o juízo deveria ter oportunizado à parte a regularização de eventuais pendências antes de extinguir a demanda. 5. A invocação da Recomendação nº 01/2019/NUMOPEDE/CGJCE como fundamento para extinção do feito sem comprovação de litigância predatória configura cerceamento de defesa e violação ao princípio da inafastabilidade da tutela jurisdicional, garantido pelo art. 5º, XXXV, da CF.&#160;IV. DISPOSITIVO E TESE. 6. Recurso conhecido e provido. Sentença anulada. Tese de julgamento: A extinção do processo sem resolução de mérito, fundada em suposta irregularidade de representação sem intimação prévia da parte para suprir a falta, viola o devido processo legal e constitui nulidade da sentença. A simples suspeita de litigância predatória, sem evidências concretas, não justifica a extinção da demanda quando a inicial está devidamente instruída, e a aplicação da Recomendação nº 01/2019/NUMOPEDE/CGJCE não pode servir de obstáculo ao acesso à justiça. 	Cinge-se a controvérsia a examinar se os descontos indevidos no benefício previdenciário da autora/apelante ensejaram a ocorrência de dano moral indenizável.</p> <p align="justify"> &#160; III) RAZÕES DE DECIDIR</p> <p align="justify"> 3.O dano moral só se revela quando há lesão a bem que integra os direitos da personalidade, como a honra, a dignidade, a intimidade, a imagem e o bom nome, com base no que se infere dos arts. 1º, inciso III, e 5º, incisos V e X, da Constituição Federal. Nessa perspectiva, “a verificação do dano moral não reside exatamente na simples ocorrência do ilícito, de sorte que nem todo ato desconforme o ordenamento jurídico enseja indenização por dano moral. O importante é que o ato ilícito seja capaz de irradiar-se para a esfera da dignidade da pessoa, ofendendo-a de maneira relevante.” (AgRg no REsp 1.269.246/RS, Rel. 	size: large;">&#160; Sobre o tema leciona Sérgio Cavalieri Filho:
 (...) só deve ser reputado como dano moral a dor, vexame, sofrimento ou humilhação que, fugindo à normalidade, interfira intensamente no comportamento psicológico do indivíduo, causando-lhe aflições, angústia e desequilíbrio em seu bem-estar. Mero dissabor, aborrecimento, mágoa, irritação ou sensibilidade exacerbada estão fora da órbita do dano moral, porquanto, além de fazerem parte da normalidade do nosso dia a dia, no trabalho, no trânsito, entre os amigos e até no ambiente familiar, tais situações não são intensas e duradouras, aponta de romper o equilíbrio psicológico do indivíduo. Se assim não se entender, acabaremos por banalizar o dano moral, ensejando ações judiciais em busca de indenizações pelos mais triviais aborrecimentos. (CAVALIERI FILHO, Sérgio. Programa de Responsabilidade Civil. 11ª ed. São Paulo: Atlas, 2014, p.111). Nessa perspectiva, “a verificação do dano moral não reside exatamente na simples ocorrência do ilícito, de sorte que nem todo ato desconforme o ordenamento jurídico enseja indenização por dano moral. O importante é que o ato ilícito seja capaz de irradiar-se para a esfera da dignidade da pessoa, ofendendo-a de maneira relevante.” (AgRg no REsp 1.269.246/RS, Rel. Ministro LUIS FELIPE SALOMÃO, QUARTA TURMA, julgado em 20/05/2014, DJe de 27/05/2014). [Grifou-se]. Nesse ponto, a jurisprudência do Superior Tribunal de Justiça é assente no sentido de que configura mero aborrecimento o desconto indevido em benefício previdenciário de valores incapazes de comprometer a subsistência da parte. A propósito, confira-se: “AGRAVO INTERNO NOS EMBARGOS DE DECLARAÇÃO NO RECURSO ESPECIAL.&#160; AÇÃO DECLARATÓRIA DE INEXIGIBILIDADE DE DÉBITOS. RESTITUIÇÃO DE VALORES E INDENIZAÇÃO POR DANOS MORAIS. DESCONTO INDEVIDO. VALOR ÍNFINO. DANO MORAL INEXISTENTE. MERO ABORRECIMENTO. CONSONÂNCIA COM A JURISPRUDÊNCIA DESTA CORTE SUPERIOR.&#160;RECURSO DESPROVIDO. 1. Esta Corte Superior entende que a caracterização do dano moral exige que a comprovação do dano repercuta na esfera dos direitos da personalidade. A fraude bancária, nessa perspectiva, não pode ser considerada suficiente, por si só, para a caracterização do dano moral (AgInt nos EDcl no AREsp 1.669.683/SP, Rel. Ministro MARCO AURÉLIO BELLIZZE, TERCEIRA TURMA, julgado em 23/11/2020, DJe de 30/11/2020). 2. O Tribunal de origem concluiu que o desconto indevido de R\$ 70,00 (setenta reais) no benefício previdenciário da agravante não acarretou danos morais, considerando que foi determinada a restituição do valor, que a instituição financeira também foi vítima de fraude e que não houve inscrição do nome da agravante em cadastros de proteção ao crédito, de modo que ficou configurado mero aborrecimento. 3. “A jurisprudência desta Corte entende que, quando a situação experimentada não tem o condão de expor a parte a dor, vexame, sofrimento ou constrangimento perante terceiros, não há falar em dano moral, uma vez que se trata de mero aborrecimento ou dissabor, mormente quando a falha na prestação de serviços, embora tenha acarretado aborrecimentos, não gerou maiores danos ao recorrente, como ocorreu na presente hipótese”. (STJ - AgInt no AREsp 1.354.773/MS, Rel. Ministro RAUL ARAÚJO, QUARTA TURMA, julgado em 02/04/2019, DJe de 24/04/2019). 4. Agravo interno desprovido. Caso em exame 1. Apelação Cível interposta em Ação de Cancelamento de Descontos Indevidos c/c Reparação por Danos Materiais e Morais, ajuizada em face de instituição bancária, pleiteando a reforma da sentença para majorar os danos morais fixados na sentença e a restituição dos valores na forma dobrada. II. Questão em discussão 2. Há duas questões em discussão: (i) verificar se é cabível a restituição dos valores descontados de forma dobrada; (ii) examinar a possibilidade de majoração da indenização fixada a título de danos morais. III. Razões de decidir 3. O banco apelado não comprovou a regularidade da contratação, descumprindo o ônus da prova previsto no art. 373, II, do CPC, o que justifica a nulidade dos descontos efetuados e, uma vez caracterizado a falha na prestação do serviço, impõe-se o dever de reparar civilmente o consumidor. 4. A restituição dos valores descontados de forma dobrada encontra amparo no art. 42, parágrafo único, do Código de Defesa do Consumidor (CDC), mas conforme entendimento do STJ firmado em recurso repetitivo (EAREsp 676608/RS), os efeitos foram modulados para alcançar apenas descontos realizados após 30/03/2021. Assim, os valores descontados após essa data devem ser restituídos em dobro, corrigidos monetariamente pelo INPC e acrescidos de juros moratórios de 1% ao mês desde a citação.&#160; 5. No tocante aos danos morais, a jurisprudência do STJ entende que descontos indevidos em benefício previdenciário, quando de valores ínfimos e sem repercussão significativa na subsistência do consumidor, caracterizam mero aborrecimento, insuficiente para configurar dano extrapatrimonial. Precedentes.&#160;6.&#160; No caso concreto, os valores descontados variaram entre R\$ 0,04 e R\$ 34,13, não comprometendo a subsistência do apelante nem evidenciando ofensa à sua dignidade.&#160;A condenação por

QUESTÕES EM DISCUSSÃO</p><p class="MsoNormal" style="margin-bottom: 6.0pt; text-align: justify; line-height: normal; mso-layout-grid-align: none; text-autospace: none;">2. As questões em discussão são (i) possível abusividade da taxa de juros remuneratórios prevista no contrato de financiamento; e (ii) se a mora está caracterizada.</p><p class="MsoNormal" style="margin-bottom: 6.0pt; text-align: justify; line-height: normal; mso-layout-grid-align: none; text-autospace: none;">III. RAZÕES DE DECIDIR</p><p class="MsoNormal" style="margin-bottom: 6.0pt; text-align: justify; line-height: normal; mso-layout-grid-align: none; text-autospace: none;">3. Conforme orientação firmada pelo c. STJ no Tema Repetitivo nº 25, “é admitida a revisão das taxas de juros remuneratórios em situações excepcionais, desde que caracterizada a relação de consumo e que a abusividade (capaz de colocar o consumidor em desvantagem exagerada – art. 51, § 1º, do CDC) fique cabalmente demonstrada, ante as peculiaridades do julgamento em concreto”. Portanto, o simples fato de a taxa de juros remuneratórios praticada pela instituição financeira exceder a taxa média de mercado divulgada pelo Banco Central do Brasil, por si só, não indica abusividade.</p><p class="MsoNormal" style="margin-bottom: 6.0pt; text-align: justify; line-height: normal; mso-layout-grid-align: none; text-autospace: none;">4. No caso concreto, a cédula de crédito bancário foi celebrada com taxa de juros remuneratórios de 42,08% ao ano, enquanto a taxa média divulgada pelo BACEN, para as operações de crédito para pessoas físicas vinculado à aquisição de veículos (série 20749), no período do contrato (julho de 2024), era de 25,45% ao ano. Como é possível constatar, a taxa de juros pactuada supera a referida taxa média de mercado, gerando, a priori, uma desvantagem ao consumidor. Entretanto, analisando as particularidades do caso, constata-se que o contrato possui previsão de pagamento por carnê, havendo, assim, um maior risco de inadimplemento se comparado a contratos albergados com pagamento mediante débito em conta, situação que justifica a cobrança de juros remuneratórios mais elevados do que a taxa média do BACEN</p><p class="MsoNormal" style="margin-bottom: 6.0pt; text-align: justify; line-height: normal; mso-layout-grid-align: none; text-autospace: none;">5. Nesse contexto, a reforma da sentença é medida que se impõe, para que se afaste a determinação de revisão da cláusula contratual e o reconhecimento de sua abusividade, ao passo que, caracterizada a mora do devedor e não tendo sido paga a dívida, a ação deve ser julgada procedente.</p><p class="MsoNormal" style="margin-bottom: 6.0pt; text-align: justify; line-height: normal; mso-layout-grid-align: none; text-autospace: none;">IV. 	de juros reais a 12% ao ano da seguinte forma: Enunciado da Súmula Vinculante nº 7: A norma do parágrafo 3º do artigo 192 da Constituição, revogada pela Emenda Constitucional 40/2003, que limitava a taxa de juros reais a 12% ao ano, tinha sua aplicabilidade condicionada à edição de lei complementar. Ainda sobre a matéria, dispõe o enunciado nº 596 da Excelsa Corte que “As disposições do Dec. nº 22.626/33 não se aplicam às taxas de juros e aos outros encargos cobrados nas operações realizadas por instituições públicas ou privadas que integram o Sistema Financeiro Nacional”. Já no âmbito do STJ, aprovou-se a Súmula nº 382, segundo a qual “A estipulação de juros remuneratórios superiores a 12% ao ano, por si só não indica abusividade”. Aliás, a Corte Uniformizadora de Jurisprudências analisou a matéria dos juros remuneratórios em contratos bancários em sede de incidente de recurso repetitivo (Tema de nº 25), resultando a orientação nº 1, adiante transcrita (G. N.): “São inaplicáveis aos juros remuneratórios dos contratos de mútuo bancário as disposições do art. 591 c/c o art. 406 do CC/02; d) É admitida a revisão das taxas de juros remuneratórios em situações excepcionais, desde que caracterizada a relação de consumo e que a abusividade (capaz de colocar o consumidor em desvantagem exagerada – art. 51, § 1º, do CDC) fique cabalmente demonstrada, ante as peculiaridades do julgamento em concreto. (...) (Recurso Especial n. 1.061.530 – RS (2008/011992-4,) Relatora Ministra NANCY ANDRIGHI, SEGUNDA SEÇÃO, julgado em 22/10/2008) Portanto, é entendimento pacificado da Corte Superior que os contratos de financiamento bancário não se submetem à limitação dos juros remuneratórios da Lei de Usura. Também com base nessa orientação, vê-se que se estabeleceu uma tolerância na admissão do percentual contratado, que pode ser revisto em caso de flagrante abusividade. Porém, importante ressaltar que prevaleceu, nesse julgamento, a impossibilidade de se estipular um patamar máximo além do qual os juros seriam presumivelmente abusivos, como a média do Banco Central, que, apesar de constituir “um valioso referencial, mas cabe somente ao juiz, no exame das peculiaridades do caso concreto, avaliar se os juros contratados foram ou não abusivos” (REsp n. 1.061.530/RS, Segunda Seção, julgado em 22/10/2008, DJe de 10/3/2009, grifei).

	instituição financeira exceder a taxa média de mercado divulgada pelo Banco Central do Brasil, por si só, não indica abusividade. No caso concreto, a cédula de crédito bancário foi celebrada com taxa de juros remuneratórios de 42,08% ao ano, enquanto a taxa média divulgada pelo BACEN, para as operações de crédito para pessoas físicas vinculado à aquisição de veículos (série 20749), no período do contrato (julho de 2024), era de 25,45% ao ano. Como é possível constatar, a taxa de juros pactuada supera a referida taxa média de mercado, gerando, <i>a priori</i>, uma desvantagem ao consumidor. Entretanto, analisando as particularidades do caso, constata-se que o contrato possui previsão de pagamento por carnê (conforme cláusula 4, constante no Id 27368486), havendo, assim, um maior risco de inadimplemento se comparado a contratos albergados com pagamento mediante débito em conta, situação que justifica a cobrança de juros remuneratórios mais elevados do que a taxa média do BACEN. Diante disso, considerando que o réu/apelado não trouxe elementos úteis para amparar sua tese de abusividade na cláusula que fixou a taxa de juros remuneratórios – tais como baixo risco da operação, seu histórico positivo de crédito, situação favorável da economia na época da contratação etc. – não há como deferir seu pedido de limitação da taxa de juros remuneratórios à média de mercado, interferindo inadequadamente nos termos pactuados entre as partes, quando há indícios de que o crédito foi concedido com maior risco de inadimplemento. Logo, a reforma da sentença é medida que se impõe, para que se afaste a determinação de revisão da cláusula contratual e o reconhecimento de sua abusividade, ao passo que, caracterizada a mora do devedor e não tendo sido paga a dívida, a ação deve ser julgada procedente. 	Bradesco S/A. II) QUESTÕES EM DISCUSSÃO 2. O cerne da controvérsia recursal consiste em examinar a pertinência da majoração do quantum indenizatório a título de danos morais estabelecido em R\$ 3.000,00 (três mil reais) pela sentença de origem, bem como se é cabível o afastamento da compensação de valores e da sucumbência recíproca. III) RAZÕES DE DECIDIR 3. O dano moral só se revela quando há lesão a bem que integra os direitos da personalidade, como a honra, a dignidade, a intimidade, a imagem e o bom nome, com base no que se infere dos arts. 1º, inciso III, e 5º, incisos V e X, da Constituição Federal. Nessa perspectiva, “a verificação do dano moral não reside exatamente na simples ocorrência do ilícito, de sorte que nem todo ato desconforme o ordenamento jurídico enseja indenização por dano moral. O importante é que o ato ilícito seja capaz de irradiar-se para a esfera da dignidade da pessoa, ofendendo-a de maneira relevante.” (AgRg no REsp 1.269.246/RS, Rel. Ministro LUIS FELIPE SALOMÃO, QUARTA TURMA, julgado em 20/05/2014, DJe de 27/05/2014). 4. In casu, vê-se que os descontos questionados não revelaram valor expressivo (R\$ 23,26 - vinte e três reais e vinte e seis centavos), conforme se observa da análise dos extratos bancários de ID. n.º 27364682 (contrato n.º 389986984). Dessa forma, entende-se que as subtrações foram em valores ínfimos, eis que não foram capazes de deixar a autora/apelante desprovida de recursos financeiros para solver suas despesas ordinárias. 5. Não se olvida que a situação possa eventualmente ter trazido algum aborrecimento à consumidora, contudo, não foi capaz de atingir valores fundamentais do ser humano, tratando-se de meros aborrecimentos a que se está sujeito na vida em sociedade. Assim, não há motivação idônea para a majoração do valor da indenização discutida, estabelecida na origem em R\$ 3.000,00 (três mil reais). A míngua de recurso da parte Requerida/Apelada quanto a isso, deve ser mantida a conclusão exposta pelo il. juízo de primeiro grau, porquanto vedada a reformatio in pejus. 6. Da análise dos autos, observa-se que a instituição financeira promovida apresentou cópia do extrato bancário da consumidora em que se constata o recebimento do crédito, na data de 03 de fevereiro de 2020, no montante de R\$ 837,79 (oitocentos e trinta e sete reais e setenta e nove centavos), sem qualquer indício de devolução, conforme se observa à fl. 22 do ID. n.º 27364753. Dessa forma, tendo em vista que a instituição financeira demonstrou que houve disponibilização de valores em benefício e proveito da consumidora, é pertinente a compensação entre a quantia por esta recebida e o valor arbitrado na condenação, em sede de cumprimento de sentença, vedado o enriquecimento ilícito. Desse modo, correta a determinação do juízo a quo, a quantia recebida pela autora/apelante e o

	valor da condenação. 7. A sucumbência recíproca não está associada à quantia da pretensão indenizatória estimada na exordial, mas sim à quantidade de pedidos deferidos e indeferidos pelo órgão judicante. Segundo entendimento jurisprudencial sedimentado pela e. Corte Superior, o fato de a condenação ser arbitrada em montante inferior ao postulado na inicial, por si só, não implica em sucumbência recíproca ou mínima, aplicando-se, por analogia, o enunciado n. 326 da súmula da jurisprudência do STJ, segundo o qual: “na ação de indenização por dano moral, a condenação em montante inferior ao postulado na inicial não implica sucumbência recíproca”. Nessa perspectiva, a condenação da instituição financeira em valor menor do que se pretendia na inicial não importa em sucumbência recíproca, razão pela qual deve a sentença ser reformada para que a parte ré/apelada arque integralmente com o encargo. IV DISPOSITIVO 8. Recurso conhecido e parcialmente provido. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do recurso interposto, para, no mérito, dar-lhe parcial provimento, nos termos do voto do Relator. Fortaleza, data da assinatura digital. Mero dissabor, aborrecimento, mágoa, irritação ou sensibilidade exacerbada estão fora da órbita do dano moral, porquanto, além de fazerem parte da normalidade do nosso dia a dia, no trabalho, no trânsito, entre os amigos e até no ambiente familiar, tais situações não são intensas e duradouras, aponta de romper o equilíbrio psicológico do indivíduo. Esta Corte Superior entende que a caracterização do dano moral exige que a comprovação do dano repercuta na esfera dos direitos da personalidade. O Tribunal de origem concluiu que o desconto indevido de R\$ 70,00 (setenta reais) no benefício previdenciário da agravante não acarretou danos morais, considerando que foi determinada a restituição do valor, que a instituição financeira também foi vítima de fraude e que não houve inscrição do nome da agravante em cadastros de proteção ao crédito, de modo que ficou configurado mero aborrecimento.#160;3.</p><p style="text-align: justify; font-family: &quot;times new roman&quot;; times;">A jurisprudência desta Corte entende que, quando a situação experimentada não tem o condão de expor a parte a dor, vexame, sofrimento ou constrangimento perante terceiros, não há falar em dano moral, uma vez que se trata de mero aborrecimento ou dissabor, mormente quando a falha na prestação de serviços, embora tenha acarretado aborrecimentos, não gerou maiores danos ao recorrente, como ocorreu na presente hipótese". CASO EM EXAME 1. Trata-se de Apelações Cíveis interpostas por Banco Bradesco S/A e José Lopes da Silva, objetivando a reforma da sentença proferida pelo Juízo da Vara Única da Comarca de Pereiro, nos autos da presente Ação Declaratória de Inexistência de Relação Jurídica c/c Repetição de Indébito e Pedido de Indenização por Danos Morais. II. QUESTÃO EM DISCUSSÃO 2. O cerne da controvérsia recursal consiste em avaliar a regularidade da cobrança de tarifas bancárias referentes à contratação de cesta de serviços. III. RAZÕES DE DECIDIR 3. Quanto aos descontos tarifários, vislumbro a existência de prática abusiva, dado que ausente a comprovação de que a parte consumidora assentiu com a utilização dos serviços, tendo em vista que a instituição financeira não apresentou qualquer documento capaz de demonstrar a anuência da contratante com relação ao negócio jurídico, quedando-se silente quanto ao ajuste contratual que deu origem aos descontos tarifários. Logo, não merece reforma a sentença quanto à declaração de nulidade contratual em comento, mostrando-se cabível, por conseguinte, a restituição das quantias descontadas indevidamente da conta corrente da consumidora. 4. Sobre a restituição do indébito, o atual entendimento do Superior Tribunal de Justiça é no sentido de que a restituição em dobro do indébito (parágrafo único do artigo 42 do CDC) independe da natureza do elemento volitivo do fornecedor que cobrou valor indevido, revelando-se cabível quando a cobrança indevida consubstanciar conduta contrária à boa-fé objetiva (STJ. Corte Especial. EAREsp 676608/RS, Rel. Min. Og Fernandes, julgado em 21/10/2020). A discussão quanto às hipóteses de aplicação da repetição em dobro prevista no art. 42, parágrafo único, do CDC, foi apaziguada e decidida pelo c. STJ no julgamento dos embargos de divergência em agravo em recurso especial (EAREsp 676.608/RS), do qual resultou o entendimento de que a restituição em dobro do indébito seja aplicado apenas às cobranças indevidas realizadas a partir da publicação daquele acórdão, ou seja, 30/03/2021. 5. No presente caso, com base no entendimento do Superior Tribunal de Justiça, deve-se proceder com a restituição simples dos valores descontados antes de 30 de março de 2021, e, após essa data, as deduções devem ser restituídas em dobro, de modo que a sentença não merece reproche, nesse ponto. 6. Com relação ao dano moral, tem-se que ele somente ocorre quando houver lesão a bem que integra os direitos da personalidade, como a honra, a dignidade, a intimidade, a imagem, o bom nome etc., como se infere dos arts. 1º, inciso III, e 5º, incisos V e X, da CF/1988.#160;</p> 7. No caso em tela, houve descontos inexpressivos na conta bancária do promovente, de valores entre R\$ 0,21 (vinte e um centavos) e R\$ 33,70 (trinta e três reais e setenta centavos), conforme extratos bancários juntados às fls.26/56 dos autos. Nesse contexto, entende-se que o consumidor não ficou desprovido de recursos</p>

	financeiros para solver suas despesas ordinárias, inclusive é de se observar que não houve nenhuma comprovação nesse sentido, de sorte que a existência de descontos no valor acima referido não caracteriza dor, sofrimento ou humilhação, tampouco representa violação à honra, à imagem ou à vida privada, ainda mais na situação dos autos, em que o autor passou largo espaço temporal para questionar esses descontos. Com efeito, não se vislumbra dano à personalidade que possa ensejar o pagamento de indenização por danos morais, notadamente porque referidos descontos não foram capazes de causar maiores consequências negativas, como a inscrição do nome do consumidor nos cadastros de proteção ao crédito ou o comprometimento do mínimo existencial, sendo o caso, portanto, de acolher os argumentos da instituição financeira apelante, no sentido de que os descontos não causaram lesão de ordem moral. 8. Ademais, não merece amparo o requerimento de exclusão ou minoração das astreintes fixadas na origem em caso de descumprimento da obrigação de fazer, tendo em vista que a multa arbitrada não padece de ilegalidade ou vício capaz de motivar sua revogação ou modificação. 9. Por fim, quanto ao pleito de reforma da sentença para que haja compensação de valores, observo que não há motivo para tal irresignação, haja vista que não houve a disponibilização de valores ao autor, nem a sentença faz menção a valor a ser ressarcido. A ação não questiona contrato de empréstimo, mas cesta cesta de serviços bancários. Verifica-se, portanto, ausência de interesse recursal quanto a esse ponto. IV. DISPOSITIVO 10. PAGAMENTO DE ALUGUEL PELO LONGO PERÍODO DE USO DO IMÓVEL SEM QUALQUER CONTRAPRESTAÇÃO. DESNECESSIDADE DE PEDIDO EXPRESSO. CONSECTÁRIO LÓGICO DO RETORNO AO STATUS QUO. RECURSO ESPECIAL PARCIALMENTE CONHECIDO E, NESSA EXTENSÃO, PROVIDO EM PARTE. 1. Cinge-se a controvérsia a definir: i) se houve negativa de prestação jurisdicional; ii) se é possível decretar a perda das prestações pagas pelos promitentes compradores, como forma de compensação pelo longo tempo de ocupação do imóvel, mesmo sem haver pedido expresso na petição inicial; e iii) se a sentença proferida foi extra petita em relação à condenação da recorrente/autora à devolução das parcelas pagas aos recorridos/réus. 2. O Tribunal de origem analisou todas as questões suscitadas pela recorrente, ressaltando que a devolução das parcelas pagas seria decorrência natural do pedido de rescisão contratual, diferente do pleito de compensação pela ocupação do imóvel de forma gratuita. Por essa razão, afasta-se a apontada negativa de prestação jurisdicional. 3. A rescisão do contrato de promessa de compra e venda de imóvel impõe o retorno das partes contratantes ao status quo ante, determinando-se, de um lado, a

Processo	3002749-89.2024.8.06.0151
	devolução do preço pago, ainda que parcialmente, e, de outro, a restituição do imóvel cumulada com a compensação pela ocupação do bem. 4. Com efeito, o ressarcimento pela ocupação do imóvel trata-se de consectário lógico do retorno das partes ao estado anterior, pois cabe ao magistrado, ao determinar a rescisão contratual, dispor acerca da forma como as partes deverão ser restituídas à condição original, sendo desnecessário, portanto, pedido expresso na petição inicial, reconvenção ou ação própria para essa finalidade, à luz do princípio restituito in integrum. 5. No caso, os réus ocuparam o imóvel por mais de 13 (treze) anos sem qualquer contraprestação. Dessa forma, o Juízo a quo, ao julgar procedente a ação de rescisão contratual c.c. reintegração de posse, determinando a restituição das partes ao estado anterior, deveria dispor sobre a compensação entre os valores eventualmente devidos aos compradores com as verbas devidas à vendedora, independentemente de pedido expresso, sob pena de se chancelar notório enriquecimento ilícito dos recorridos em virtude da moradia gratuita por mais de uma década. 6. Por essas razões, impõe-se a reforma do acórdão recorrido para determinar que os recorridos paguem à recorrente os aluguéis devidos pelo tempo em que ocuparam o imóvel, em quantia a ser apurada em liquidação de sentença, observado, se aplicável, o disposto no art. 509, § 2º, do CPC/2015, ficando autorizada a posterior compensação com o valor a ser restituído pela recorrente. 7. Nos termos da pacífica jurisprudência do Superior Tribunal de Justiça, "Rescindido o contrato, deve ser assegurado o retorno ao status quo ante, com a determinação de devolução dos valores eventuais pagos, circunstância em que não se configura a existência de julgamento extra petita pela decisão do magistrado que assim se pronuncia" (REsp 1.471.838/PR, Relator o Ministro Ricardo Villas Bôas Cueva, DJe de 26/6/2015). 8. Desse modo, correta a determinação do juízo a quo no sentido de que haja a compensação entre a quantia recebida pela autora/apelante e o valor da condenação. Do pedido de afastamento da sucumbência recíproca No que se refere à caracterização da sucumbência, "a jurisprudência do STJ está pacificada no sentido de adotar, como critério norteador para a distribuição das verbas de sucumbência, o número de pedidos formulados e atendidos" (EDcl no REsp 953.460/MG, Rel. Ministra NANCY ANDRIGHI, TERCEIRA TURMA, julgado em 09/08/2011, DJe de 19/08/2011). [Grifou-se]. Nesse sentido, para fins persuasivos, colho da fonte jurisprudencial: PROCESSUAL CIVIL.  </p> <p style="text-indent: 8%;"> Isso significa que a sucumbência recíproca não está associada à quantia da pretensão indenizatória estimada na exordial, mas sim à quantidade de pedidos deferidos e indeferidos pelo órgão judicante. A propósito, segundo entendimento jurisprudencial sedimentado pela e. Corte Superior, o fato de a condenação ser arbitrada em montante inferior ao postulado na inicial, por si só, não implica em sucumbência recíproca ou mínima, aplicando-se, por analogia, o enunciado n. 326 da súmula da jurisprudência do STJ, segundo o qual: "na ação de indenização por dano moral, a condenação em montante inferior ao postulado na inicial não implica sucumbência recíproca". </p> <p style="text-indent: 8%;"> &#160; Nessa perspectiva, a condenação da instituição financeira em valor menor do que se pretendia na inicial não importa em sucumbência recíproca, razão pela qual deve a sentença ser reformada para que a parte ré/apelada arque integralmente com o encargo. </p> <p style="text-indent: 8%;"> <strong style="font-family: &quot;times new roman&quot;; times; font-size: large;">&#160; 3- Dispositivo </p> <p style="text-indent: 8%;"> Ante o exposto, com base nas razões de fato e de direito acima delineadas, <strong style="font-family: &quot;times new roman&quot;; times; font-size: large;">CONHEÇO do recurso de apelação, para, no mérito, <strong style="font-family: &quot;times new roman&quot;; times; font-size: large;">DAR-LHE PARCIAL PROVIMENTO , reformando a sentença exclusivamente para determinar que o ônus sucumbencial seja integralmente suportado pela instituição financeira ré/apelada.</p> <p style="text-indent: 8%;"> &#160; Sem honorários recursais. </p> <p style="text-indent: 8%;"> &#160; É como voto. </p> <p style="text-indent: 8%;"> &#160; Fortaleza, data da assinatura digital. </p></div></div><p style="text-align: justify; text-indent: 8%;"> DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO </p><p style="text-align: center;"> </p></div>

Processo	3001018-02.2025.8.06.0029
	Indenização por Danos Morais ajuizada pela ora apelante em desfavor do Banco Bradesco S/A. II) QUESTÃO EM DISCUSSÃO Cinge-se a controvérsia a examinar se os descontos indevidos no benefício previdenciário da autora/apelante ensejaram a ocorrência de dano moral indenizável e a forma de restituição dos valores descontados. III) RAZÕES DE DECIDIR O dano moral somente ocorre quando houver lesão a bem que integra os direitos da personalidade, como a honra, a dignidade, a intimidade, a imagem, e o bom nome, com base no que se infere dos arts. 1º, inciso III, e 5º, incisos V e X, da Constituição Federal. Nessa perspectiva, “a verificação do dano moral não reside exatamente na simples ocorrência do ilícito, de sorte que nem todo ato desconforme o ordenamento jurídico enseja indenização por dano moral. O importante é que o ato ilícito seja capaz de irradiar-se para a esfera da dignidade da pessoa, ofendendo-a de maneira relevante.” (AgRg no REsp 1.269.246/RS, Rel. Ministro LUIS FELIPE SALOMÃO, QUARTA TURMA, julgado em 20/05/2014, DJe de 27/05/2014). 4. No caso em tela, os descontos se deram em valores inexpressivos, não ultrapassando R\$ 15,95 (quinze reais e noventa e cinco centavos), conforme extrato bancário de ID. n.º 27355460. Nesse cenário, não se olvida que a situação possa eventualmente ter trazido algum aborrecimento à consumidora, contudo, não foi capaz de atingir valores fundamentais do ser humano, tratando-se de meros aborrecimentos a que se está sujeito na vida em sociedade. 5. Desse modo, entende-se que os descontos em valor que não é capaz de comprometer a subsistência não correspondem a um dano à personalidade que enseje o pagamento de indenização por danos morais, dado que não ensejaram maiores consequências negativas. Assim, agiu de forma acertada o douto magistrado de primeiro grau ao julgar improcedente o pleito de condenação da instituição requerida ao pagamento de indenização por danos morais. 6. A discussão quanto às hipóteses de aplicação da repetição em dobro prevista no art. 42, parágrafo único, do CDC, foi apaziguada e decidida pelo c. STJ no julgamento dos embargos de divergência em agravo em recurso especial. (EAREsp 676.608/RS) do qual resultou o entendimento de que a restituição em dobro do indébito seja aplicado apenas às cobranças indevidas realizadas. a partir da publicação daquele acórdão ou seja, 30/03/2021 No presente caso, com base no entendimento do Tribunal Superior, deve-se proceder com a restituição simples dos valores descontados antes de 30 de março de 2021, e, após essa data, as deduções devem ser restituídas em dobro, de modo que a sentença não merece reproche. IV) DISPOSITIVO Recurso conhecido e desprovido.

"A jurisprudência desta Corte entende que, quando a situação experimentada não tem o condão de expor a parte a dor, vexame, sofrimento ou constrangimento perante terceiros, não há falar em dano moral, uma vez que se trata de mero aborrecimento ou dissabor, mormente quando a falha na prestação de serviços, embora tenha acarretado aborrecimentos, não gerou maiores danos ao recorrente, como ocorreu na presente hipótese".#160;(STJ#160;- AgInt no AREsp 1.354.773/MS, Rel. Caso em exame 1. Apelação Cível interposta em Ação de Cancelamento de Descontos Indevidos c/c Reparação por Danos Materiais e Morais, ajuizada em face de instituição bancária, pleiteando a reforma da sentença para majorar os danos morais fixados na sentença e a restituição dos valores na forma dobrada. II. Questão em discussão 2. Há duas questões em discussão: (i) verificar se é cabível a restituição dos valores descontados de forma dobrada; (ii) examinar a possibilidade de majoração da indenização fixada a título de danos morais. III. Razões de decidir 3. O banco apelado não comprovou a regularidade da contratação, descumprindo o ônus da prova previsto no art. 373, II, do CPC, o que justifica a nulidade dos descontos efetuados e, uma vez caracterizado a falha na prestação do serviço, impõe-se o dever de reparar civilmente o consumidor. 4. A restituição dos valores descontados de forma dobrada encontra amparo no art. 42, parágrafo único, do Código de Defesa do Consumidor (CDC), mas conforme entendimento do STJ firmado em recurso repetitivo (EAREsp 676608/RS), os efeitos foram modulados para alcançar apenas descontos realizados após 30/03/2021. Assim, os valores descontados após essa data devem ser restituídos em dobro, corrigidos monetariamente pelo INPC e acrescidos de juros moratórios de 1% ao mês desde a citação.&#160; 5. No tocante aos danos morais, a jurisprudência do STJ entende que descontos indevidos em benefício previdenciário, quando de valores ínfimos e sem repercussão significativa na subsistência do consumidor, caracterizam mero aborrecimento, insuficiente para configurar dano extrapatrimonial. Precedentes.&#160;6.&#160; No caso concreto, os valores descontados variaram entre R\$ 0,04 e R\$ 34,13, não comprometendo a subsistência do apelante nem evidenciando ofensa à sua dignidade.&#160;A condenação por danos morais foi mantida, mas o quantum indenizatório de R\$ 1.000,00 (um mil reais) não comporta majoração, em respeito ao princípio da proibição da reformatio in pejus. IV. Dispositivo 7. Recurso parcialmente provido. Dispositivos relevantes citados: CF/1988, arts. 1º, III, e 5º, V e X; CDC, art. 42, parágrafo único; CPC, art. 373, II; STJ, Súmulas nº 43 e nº 54 . 	I – Da legitimidade passiva e da competência da Justiça Estadual Relativamente à alegada ilegitimidade passiva, cumpre frisar que o c. STJ pacificou, no Tema 1150, com trânsito em julgado em 17 de outubro de 2023, as seguintes teses: i) o Banco do Brasil possui legitimidade passiva ad causam para figurar no polo passivo de demanda na qual se discute eventual falha na prestação do serviço quanto a conta vinculada ao Pasep, saques indevidos e desfalques, além da ausência de aplicação dos rendimentos estabelecidas pelo Conselho Diretor do referido programa; ii) a pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao Pasep se submete ao prazo prescricional decenal previsto pelo artigo 205 do Código Civil; iii) o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao Pasep. [Grifou-se]. Portanto, irrefutável a legitimidade do Banco do Brasil S/A para compor o polo passivo da presente lide. Ademais, quanto à alegada incompetência absoluta da Justiça Estadual, importa destacar que o autor pleiteia o pagamento das diferenças do PASEP, acrescido de juros e correção monetária. Como se infere do caso, a demanda não versa sobre índices equivocados de responsabilidade do Conselho Gestor do Fundo, mas sobre responsabilidade decorrente da má gestão do banco que, segundo a demandante, não aplicou correção monetária e juros devidos na sua conta do Pasep. Neste contexto, segundo decidido pelo STJ (Tema 1150), uma vez que o Banco do Brasil possui legitimidade ad causam para figurar no polo passivo de demanda, não existem dúvidas acerca da competência da Justiça Comum Estadual para apreciar a controvérsia. Como se infere do caso, a demanda não versa sobre índices equivocados de responsabilidade do Conselho Gestor do Fundo, mas sobre a má gestão imputada ao Banco, decorrente de saques indevidos ou de não aplicação dos índices de juros e de correção monetária na conta do PASEP. Assim, conclui-se que a legitimidade passiva é do Banco do Brasil S.A., o que define a competência da Justiça Comum Estadual. Precedentes do STJ. 3. Agravo Interno não provido. Contudo, o precedente vinculante invocado consolidou o entendimento de que o termo inicial do prazo prescricional somente se estabelece no momento em que o titular, de forma inequívoca e comprovada, tem ciência dos lançamentos indevidos ou das subtrações irregulares efetuadas na respectiva conta individual do PASEP.</p><p style="text-align: justify; text-indent: 8%;"> ">

	deduzida na exordial encontra-se atingida pela prescrição. III ¿ RAZÕES DE DECIDIR 3. O Tema nº 1.150 /STJ dispôs sobre o prazo prescricional para os casos em análise, o qual restou consolidado o prazo decenal, na forma do artigo 205 do Código Civil, assim como a aplicação da teoria da actio nata. Com isso, o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao PASEP. 4. Isto posto, entendo que a prescrição reconhecida pelo Juízo de primeiro grau há de ser afastada, uma vez que restou suficientemente explicitado, diante da descrição fática narrada na petição inicial, que a parte promovente somente teve ciência acerca dos desfalques em seus rendimentos na data de emissão dos extratos microfilmados de sua conta PASEP em 2019. TEMA REPETITIVO 1150 - LEGITIMIDADE PASSIVA DO BANCO DO BRASIL S/A - COMPETÊNCIA DA JUSTIÇA COMUM ESTADUAL - PRESCRIÇÃO ¿ PRAZO DECENAL E CONTAGEM A PARTIR DA CIÊNCIA DOS DESFALQUES. CERCEAMENTO DE DEFESA. ERROR IN PROCEDENDO. NECESSIDADE DE PRODUÇÃO DE PROVA PERICIAL. RECURSO PROVIDO. SENTENÇA ANULADA. 1. Consiste a controvérsia recursal na análise das questões preliminares concernentes à ilegitimidade passiva do banco requerido, à incompetência absoluta da Justiça Comum para o processamento da presente demanda e à ocorrência de prescrição quinquenal, bem assim, na alegação de que houve error in procedendo em razão de não ter sido oportunizada a realização de prova pericial para verificação quanto à aplicação correta dos índices de atualização monetária e de rentabilização dos valores depositados. 2. No julgamento acerca do Tema Repetitivo 1150, o Superior Tribunal de Justiça estabeleceu que o Banco do Brasil é parte legítima para figurar no polo passivo em ações que discutem a gestão dos valores depositados no PASEP, seja no que tange à correção de valores depositados, seja no tocante aos saques efetuados. 3. Não resta dúvida de que a competência para conhecer e julgar a presente demanda é da Justiça Comum Estadual, máxime em razão do enunciado da Súmula 42 do STJ. 4. Ainda no julgamento do Tema Repetitivo 1150, o Superior Tribunal de Justiça esclareceu que a pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao PASEP se submete ao prazo prescricional decenal previsto pelo art. 205 do Código Civil e que o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao PASEP. 5. No caso em concreto, a parte requerente tomou ciência do suposto desfalque antes do decurso do prazo decenal, pois se deparou com o extrato de sua conta PASEP na data de 03/07/2017, tendo sido a presente ação distribuída na data de 23/09/2019, não havendo que se falar, portanto, na ocorrência de prescrição. 6. Restaram constatados o cerceamento de defesa e o error in procedendo no caso em tela, visto que o juízo de origem não levou em consideração o pedido para realização de prova pericial contábil a fim de apurar eventual inconsistência na atualização dos valores depositados na conta PASEP de titularidade da parte requerente, em contrariedade à regra processual contida no art. 370 do CPC. 7. É forçoso reconhecer quanto à impertinência do julgamento antecipado da lide, haja vista a necessidade de produção de prova pericial, impondo-se a desconstituição da sentença e o retorno à origem para que a demanda prossiga com a instauração da fase instrutória. 8. REMESSA DO FEITO PARA A VARA DE ORIGEM PARA O DEVIDO PROCESSAMENTO E JULGAMENTO DO LITÍGIO. - A petição inicial remete à apreciação do Judiciário litígio que envolve a responsabilidade do Banco do Brasil S/A quanto à má gestão dos valores depositados pela União do programa PIS/PASEP. - O Tribunal da Cidadania uniformizou a interpretação da legislação infraconstitucional no julgamento do tema repetitivo nº 1.150 para reconhecer, dentre outras teses não devolvidas na via apelatória, que "ii) a pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao PASEP se submete ao prazo prescricional decenal previsto pelo artigo 205 do Código Civil"; e que "iii) o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao PASEP. - Em relação à prescrição, a jurisprudência entende ser aplicável o princípio da actio nata, iniciando-se o prazo prescricional a partir do momento em que a parte tem conhecimento da violação do seu direito e, aplicando a tese repetitiva nº 1.150 firmada pelo Tribunal da Cidadania, tem-se que: "A pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao PASEP se submete ao prazo prescricional decenal previsto pelo artigo 205 do Código Civil ou ao prazo quinquenal estipulado pelo artigo 1º do Decreto nº 20.910/32" e que "O termo inicial para a contagem do prazo prescricional é o dia em que o titular toma ciência dos desfalques ou a data do último depósito efetuado na conta individual vinculada ao PASEP". Desta forma, o lapso da prescrição teve início quando o autor teve acesso à microfilmagem dos extratos da sua conta vinculada ao PASEP, requisitada em 09/02/2024 e com previsão de entrega no dia 08/06/2024, não fulminando o direito de ação exercitado em 27/06/2024. O presente recurso visa � reforma da senten�a que julgou improcedente o pedido autoral nos autos da A��o de Indeniza��o por Danos Morais e Materiais, decorrentes de suposta m� gest�o, por parte do BANCO DO BRASIL, de valores depositados na conta PASEP da parte autora. 2. Preliminares contrarrecursais � Ilegitimidade passiva do Banco do Brasil S/A e incompet�ncia absoluta da Justi�a Comum � No recente julgamento do Repetitivo 1150, o Superior Tribunal de Justi�a estabeleceu que o Banco do Brasil � parte leg�tima para ser inclu�do como r�u em a��es que discutem a gest�o dos valores depositados no PASEP, seja no que tange � corre��o de valores depositados, como a saques efetuados. (REsp n. 1.895.936/TO, relator Ministro Herman Benjamin, Primeira Se��o, julgado em 13/9/2023, DJe de 21/9/2023). � vista disso, e em aten��o ao enunciado da S�mula 42 do STJ, n�o h� d�vidas de que a compet�ncia para conhecer e julgar a a��o em li�a � a da Justi�a Comum. Preliminares rejeitadas. 3. Prejudicial de m�rito � Prescri��o � Sobre o tema da prescri��o, o Superior Tribunal de Justi�a, no julgamento do Recurso Especial Repetitivo n.� 1.951.931/DF (Tema n.� 1.150), de 13/09/2023, firmou as seguintes teses vinculantes: �ii) a pretens�o ao ressarcimento dos danos havidos em raz�o dos desfalques em conta individual vinculada ao PASEP se submete ao prazo prescricional decenal previsto pelo art. 205 do C�digo Civil; �iii) o termo inicial para a contagem do prazo prescricional � o dia em que o titular, comprovadamente, toma ci�ncia dos desfalques realizados na conta individual vinculada ao PASEP. � 4. Portanto, segundo a tese fixada, � decenal o prazo prescricional para se questionar, em ju�zo, eventuais danos causados, em raz�o de desfalques na conta individual vinculada ao PASEP. 5. Por seu turno, o termo a quo do lapso prescricional, segundo a teoria da actio nata, � a data em que o titular da conta toma ci�ncia, comprovadamente, dos desfalques, que, em casos tais, acontece quando tem acesso aos extratos da conta PASEP, pois s�o ent�o passa a conhecer o fato e a extens�o de suas consequ�ncias. Precedentes da C�mara. No caso concreto, o demandante obteve acesso ao extrato da sua conta PASEP aos 25/10/2023, e ajuizou a presente a��o em

Processo	0269525-06.2024.8.06.0001
	26/03/2024, portanto, não há que se falar em prescrição. 6. Razões recursais ¿ Preliminar de cerceamento de defesa ¿ O apelante pugna pela nulidade da sentença, por cerceamento de defesa, defendendo a necessidade de perícia contábil a fim de apurar eventual erro na atualização dos valores depositados na sua conta PASEP. 7. No caso vertente, houve o julgamento antecipado da lide, concluindo-se por sua improcedência, tendo como fundamento a não satisfação do ônus probatório da parte apelante. 8. In casu, observa-se da prova coligida aos autos que, diante da natureza complexa do caso, que envolve mudanças de moeda e incidência de diversos índices de correção monetária, necessária a realização de perícia contábil. 9. Verifica-se, portanto, que é nítido o cerceamento de defesa e error in procedendo no caso concreto, uma vez que o feito de origem foi sentenciado sem que fosse realizada a produção de provas necessárias ao julgamento do mérito. 10. Nessa perspectiva, acolhe-se a preliminar de cerceamento de defesa, diante do não cabimento do julgamento antecipado da lide, haja vista a necessidade de produção de prova pericial no caso em apreço, impondo-se a desconstituição da sentença e o retorno à origem para que a demanda prossiga com a instauração da fase instrutória, ficando as demais questões recursais prejudicadas. 11. Recurso conhecido e provido. Sentença desconstituída. (TJCE. Apelação Cível - 0200701-83.2024.8.06.0101, Rel.  APELAÇÃO CÍVEL. AÇÃO DE COBRANÇA E INDENIZAÇÃO POR DANOS MORAIS. PROGRAMA DE FORMAÇÃO DO PATRIMÔNIO DO SERVIDOR (PASEP). SENTENÇA DECLARATÓRIA DE PRESCRIÇÃO DA PRETENSÃO AUTURAL. IRRESIGNAÇÃO DA PARTE AUTORA. ANÁLISE SOBRE O TERMO INICIAL DA PRESCRIÇÃO. APLICAÇÃO DO TEMA REPETITIVO Nº 1.150 DO STJ. RECURSO CONHECIDO É PARCIALMENTE PROVIDO. SENTENÇA ANULADA. RETORNO DOS AUTOS AO JUÍZO DE ORIGEM. 1. No caso, o presente recurso limita-se a impugnar a improcedência do pedido exordial, ante o reconhecimento da prescrição da pretensão autoral. 2. Sobre o tema, o Superior Tribunal de Justiça (STJ) firmou o Tema Repetitivo nº 1.150, na qual restou decidido que ¿ii) a pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao Pasep se submete ao prazo prescricional decenal previsto pelo art. 205 do Código Civil; e iii) o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao Pasep.¿ 3. Dessa maneira, o lapso da prescrição teve início quando o autor teve acesso à microfilmagem dos extratos da sua conta vinculada ao PASEP, ocorrido em 2023, não fulminando o direito de ação exercitado no início deste ano de 2024. 4. Outrossim, ainda que o art. 1.013, § 4º, do CPC, permita o julgamento da demanda neste 2º grau, como pretende a parte autora, não vislumbro presentes os elementos necessários ao julgamento da causa no estado em que se encontra, haja vista a complexidade da demanda, com necessária dilação probatória e atenção às orientações contidas em Nota Técnica nº 07/2024, do Órgão da Vice-Presidência do Tribunal de Justiça do Estado do Ceará, emitida com a finalidade de conduzir os procedimentos a serem adotados nas ações indenizatórias vinculadas ao Tema 1150. 5. Recurso conhecido e parcialmente provido. Sentença anulada, com retorno dos autos ao juízo de origem para o devido processamento e julgamento. (TJCE. Apelação Cível - 0202505-95.2024.8.06.0001, Rel. Desembargador(a) MARCOS WILLIAM LEITE DE OLIVEIRA, 3ª Câmara Direito Privado, data do julgamento: 11/09/2024, data da publicação: 11/09/2024).
 A sentença merece, portanto, ser cassada, em vista da falta de decurso do prazo prescricional.
 Por fim, é necessário ressaltar que não é o caso de aplicar aqui a teoria da causa madura, uma vez haver necessidade de dilação probatória.
 Diante do exposto, conheço do recurso para DAR-LHE

	style="font-family: &quot;times new roman&quot;; times;">3. A matéria em discussão foi objeto de apreciação pelo Superior Tribunal de Justiça, quando afetou ao rito dos recursos repetitivos o Tema nº 1.150, tendo o Tribunal da Cidadania uniformizado a interpretação da legislação infraconstitucional por meio das teses abaixo destacadas: i) o Banco do Brasil possui legitimidade passiva ad causam para figurar no polo passivo de demanda na qual se discute eventual falha na prestação do serviço quanto a conta vinculada ao Pasep, saques indevidos e desfalques, além da ausência de aplicação dos rendimentos estabelecidas pelo Conselho Diretor do referido programa; ii) a pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao Pasep se submete ao prazo prescricional decenal previsto pelo artigo 205 do Código Civil; e iii) o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao Pasep. </p><p style="text-align: justify;"> 4. A fluência do prazo prescricional de dez anos para a parte exercer a pretensão condenatória começa a partir da data em que se tem conhecimento da lesão. Sendo assim, de acordo com o princípio da actio nata, o direito de pleitear a indenização surge quando a lesão e suas consequências são constatadas.&#160; No caso&#160; sub judice, constata-se que o saque dos valores vinculados à conta individual do PASEP pela parte autora ocorreu em 13 de dezembro de 2011. Naquela oportunidade, o juízo a quo entendeu que tal ato implicaria a ciência do saldo existente na referida conta, deflagrando, a partir de então, o termo inicial do prazo prescricional para o exercício de eventual pretensão voltada à apuração de irregularidades, inconsistências ou desvios.&#160; Ocorre que, em sentido diverso, o entendimento firmado no precedente vinculante estabeleceu que o&#160; dies a quo&#160;da prescrição somente se configura no momento em que o titular da conta, de forma clara e comprovada, tem efetiva ciência dos desfalques perpetrados na sua conta individual vinculada ao PASEP.</p><p style="text-align: justify;"> 5. Assim, o entendimento mais escorreito é no sentido de que o termo inicial da contagem do prazo prescricional da pretensão autoral se dá quando do recebimento do extrato ou das microfilmagens da sua conta. Em exame ao caderno processual, tem-se que a parte autora recebeu os extratos em 23 de maio de 2024, ajuizando a ação em 13 de dezembro de 2024, de modo que não há que se falar em prescrição. A sentença merece, portanto, ser cassada, em vista da falta de decurso do prazo prescricional. Por fim, é necessário ressaltar que não é o caso de aplicar aqui a teoria da causa madura, uma vez haver necessidade de dilação probatória.</p><p style="text-align: justify;"> IV. 	</p><p style="text-align: justify; text-indent: 8%;"> &#160; </p><p style="text-align: justify; text-indent: 8%;"> Como dito, a matéria em discussão foi objeto de apreciação pelo Superior Tribunal de Justiça, quando afetou ao rito dos recursos repetitivos o Tema nº 1.150, tendo o Tribunal da Cidadania uniformizado a interpretação da legislação infraconstitucional por meio das teses abaixo destacadas: &#160;</p><p style="text-align: justify; text-indent: 8%;">
 </p><p style="text-align: justify; padding-left: 240px;"> i) o Banco do Brasil possui legitimidade passiva ad causam para figurar no polo passivo de demanda na qual se discute eventual falha na prestação do serviço quanto a conta vinculada ao Pasep, saques indevidos e desfalques, além da ausência de aplicação dos rendimentos estabelecidas pelo Conselho Diretor do referido programa; </p><p style="text-align: justify; padding-left: 240px;"> ii) a pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao Pasep se submete ao prazo prescricional decenal previsto pelo artigo 205 do Código Civil; e </p><p style="text-align: justify; padding-left: 240px;"> iii) o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao Pasep. [Grifou- se].</p><p align="justify"> &#160;</p><p style="text-align: justify; text-indent: 8%;"> Com efeito, a fluência do prazo prescricional de dez anos para a parte exercer a pretensão condenatória começa a partir da data em que se tem conhecimento da lesão. Sendo assim, de acordo com o princípio da actio nata, o direito de pleitear a indenização surge quando a lesão e suas consequências são efetivamente constatadas. </p><p style="text-align: justify; text-indent: 8%;"> &#160; </p><p style="text-align: justify; text-indent: 8%;"> No caso sub judice, constata-se que o saque dos valores vinculados à conta individual do PASEP pela parte autora ocorreu em 13 de dezembro de 2011. Naquela oportunidade, o juízo a quo entendeu que tal ato implicaria a ciência do saldo existente na referida conta, deflagrando, a partir de então, o termo inicial do prazo prescricional para o exercício de eventual pretensão voltada à apuração de irregularidades, inconsistências ou desvios.&#160; Ocorre que, em sentido diverso, o entendimento firmado no precedente vinculante estabeleceu que o dies a quo da prescrição somente se configura no momento em que o titular da conta, de forma clara e comprovada, tem efetiva ciência dos desfalques perpetrados na sua conta individual vinculada ao PASEP.</p><p style="text-align: justify; text-indent: 8%;"> &#160; </p><p style="text-align: justify; text-indent: 8%;"> Assim, o entendimento mais escorreito é no sentido de que o termo inicial da contagem do prazo prescricional da pretensão autoral se dá quando do recebimento do extrato ou das microfilmagens da sua conta. Em exame ao caderno processual, tem-se que a parte autora recebeu os extratos em 23 de maio de 2024 (ID 27187519), ajuizando a ação em 13 de dezembro de 2024, de modo que não há que se falar em prescrição. PRESCRIÇÃO NÃO CONFIGURADA. RECURSO CONHECIDO E PROVIDO. SENTENÇA ANULADA. I- CASO EM EXAME 1. Trata-se de Apelação Cível interposta, adversando sentença proferida nos autos da Ação de Indenização por Danos Morais e Materiais em epígrafe, que julgou extinta a ação, pelo reconhecimento da prescrição, com apreciação do mérito, II ¿ QUESTÃO EM DISCUSSÃO 2. Cinge-se a controvérsia recursal em aferir se a pretensão deduzida na exordial encontra-se atingida pela prescrição. III ¿ RAZÕES DE DECIDIR 3. O Tema nº 1.150 /STJ dispôs sobre o prazo prescricional para os casos em análise, o qual restou consolidado o prazo decenal, na forma do artigo 205 do Código Civil, assim como a aplicação da teoria da actio nata. Com isso, o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao Pasep; 4. Isto posto, entendo que a prescrição reconhecida pelo Juízo de primeiro grau há de ser afastada, uma vez que restou suficientemente explicitado, diante da descrição fática narrada na petição inicial, que a parte promovente somente teve ciência acerca dos desfalques em seus rendimentos na data de emissão dos extratos microfilmados de sua conta PASEP em 2019. IV ¿ DISPOSITIVO 5. Recurso conhecido e provido. Sentença anulada. Retorno dos autos à origem, para regular seguimento. (TJCE. Apelação Cível- 0193590-33.2019.8.06.0001, Rel. QUESTÕES PRELIMINARES ¿ ILEGITIMIDADE PASSIVA, INCOMPETÊNCIA DA JUSTIÇA COMUM E PRESCRIÇÃO. TEMA REPETITIVO 1150 - LEGITIMIDADE PASSIVA DO BANCO DO BRASIL S/A - COMPETÊNCIA DA JUSTIÇA COMUM ESTADUAL - PRESCRIÇÃO ¿ PRAZO DECENAL E CONTAGEM A PARTIR DA CIÊNCIA DOS DESFALQUES. CÉRCEAMENTO DE DEFESA. ERROR IN PROCEDENDO. NECESSIDADE DE PRODUÇÃO DE PROVA PERICIAL. RECURSO PROVIDO. SENTENÇA ANULADA. 1. Consiste a controvérsia recursal na análise das questões preliminares concernentes à ilegitimidade passiva do banco requerido, à incompetência absoluta da Justiça Comum para o processamento da presente demanda e à ocorrência de prescrição quinquenal, bem assim, na alegação de que houve error in procedendo em razão de não ter sido oportunizada a realização de prova pericial para verificação quanto à aplicação correta dos índices de atualização monetária e de rentabilização dos valores depositados. 2. No julgamento acerca do Tema Repetitivo 1150, o Superior Tribunal de Justiça estabeleceu que o Banco do Brasil é parte legítima para figurar no polo passivo em ações que discutem a gestão dos valores depositados no PASEP, seja no que tange à correção de valores depositados, seja no tocante aos saques efetuados. 3. Não resta dúvida de que a competência para conhecer e julgar a presente demanda é da Justiça Comum Estadual, máxime em razão do enunciado da Súmula 42 do STJ. 4. Ainda no julgamento do Tema Repetitivo 1150, o Superior Tribunal de Justiça esclareceu que a pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao PASEP se submete ao prazo prescricional decenal previsto pelo art. 205 do Código Civil e que o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao PASEP. 5. No caso em concreto, a parte requerente tomou ciência do suposto desfalque antes do decurso do prazo decenal, pois se deparou com o extrato de sua conta PASEP na data de 03/07/2017, tendo sido a presente ação distribuída na data de 23/09/2019, não havendo que se falar, portanto, na ocorrência de prescrição. 6. Restaram constatados o cerceamento de defesa e o error in procedendo no caso em tablado, visto que o juízo de origem não levou em consideração o pedido para realização

	de prova pericial contábil a fim de apurar eventual inconsistência na atualização dos valores depositados na conta PASEP de titularidade da parte requerente, em contrariedade à regra processual contida no art. 370 do CPC. 7. É forçoso reconhecer quanto à impertinência do julgamento antecipado da lide, haja vista a necessidade de produção de prova pericial, impondo-se a desconstituição da sentença e o retorno à origem para que a demanda prossiga com a instauração da fase instrutória. 8. REMESSA DO FEITO PARA A VARA DE ORIGEM PARA O DEVIDO PROCESSAMENTO E JULGAMENTO DO LITÍGIO. - A petição inicial remete à apreciação do Judiciário litígio que envolve a responsabilidade do Banco do Brasil S/A quanto à má gestão dos valores depositados pela União do programa PIS/PASEP. - O Tribunal da Cidadania uniformizou a interpretação da legislação infraconstitucional no julgamento do tema repetitivo nº 1.150 para reconhecer, dentre outras teses não devolvidas na via apelatória, que "ii) a pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao PASEP se submete ao prazo prescricional decenal previsto pelo artigo 205 do Código Civil"; e que "iii) o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao PASEP. - Em relação à prescrição, a jurisprudência entende ser aplicável o princípio da actio nata, iniciando-se o prazo prescricional a partir do momento em que a parte tem conhecimento da violação do seu direito e, aplicando a tese repetitiva nº 1.150 firmada pelo Tribunal da Cidadania, tem-se que: "A pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao PASEP se submete ao prazo prescricional decenal previsto pelo artigo 205 do Código Civil ou ao prazo quinquenal estipulado pelo artigo 1º do Decreto nº 20.910/32" e que "O termo inicial para a contagem do prazo prescricional é o dia em que o titular toma ciência dos desfalques ou a data do último depósito efetuado na conta individual vinculada ao PASEP". Desta forma, o lapso da prescrição teve início quando o autor teve acesso à microfilmagem dos extratos da sua conta vinculada ao PASEP, requisitada em 09/02/2024 e com previsão de entrega no dia 08/06/2024, não fulminando o direito de ação exercitado em 27/06/2024. 	incluído como réu em ações que discutem a gestão dos valores depositados no PASEP, seja no que tange à correção de valores depositados, como a saques efetuados. (REsp n. 1.895.936/TO, relator Ministro Herman Benjamin, Primeira Seção, julgado em 13/9/2023, DJe de 21/9/2023). À vista disso, e em atenção ao enunciado da Súmula 42 do STJ, não há dúvidas de que a competência para conhecer e julgar a ação em liça é a da Justiça Comum. Preliminares rejeitadas. 3. Prejudicial de mérito ¿ Prescrição ¿ Sobre o tema da prescrição, o Superior Tribunal de Justiça, no julgamento do Recurso Especial Repetitivo n.º 1.951.931/DF (Tema n.º 1.150), de 13/09/2023, firmou as seguintes teses vinculantes: ¿ii) a pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao PASEP se submete ao prazo prescricional decenal previsto pelo art. 205 do Código Civil;¿ ¿iii) o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao PASEP.¿ 4. Portanto, segundo a tese fixada, é decenal o prazo prescricional para se questionar, em juízo, eventuais danos causados, em razão de desfalques na conta individual vinculada ao PASEP. 5. Por seu turno, o termo a quo do lapso prescricional, segundo a teoria da actio nata, é a data em que o titular da conta toma ciência, comprovadamente, dos desfalques, que, em casos tais, acontece quando tem acesso aos extratos da conta PASEP, pois só então passa a conhecer o fato e a extensão de suas consequências. Precedentes da Câmara. No caso concreto, o demandante obteve acesso ao extrato da sua conta PASEP aos 25/10/2023, e ajuizou a presente ação em 26/03/2024, portanto, não há que se falar em prescrição. 6. Razões recursais ¿ Preliminar de cerceamento de defesa ¿ O apelante pugna pela nulidade da sentença, por cerceamento de defesa, defendendo a necessidade de perícia contábil a fim de apurar eventual erro na atualização dos valores depositados na sua conta PASEP. 7. No caso vertente, houve o julgamento antecipado da lide, concluindo-se por sua improcedência, tendo como fundamento a não satisfação do ônus probatório da parte apelante. 8. In casu, observa-se da prova coligida aos autos que, diante da natureza complexa do caso, que envolve mudanças de moeda e incidência de diversos índices de correção monetária, necessária a realização de perícia contábil. 9. Verifica-se, portanto, que é nítido o cerceamento de defesa e error in procedendo no caso concreto, uma vez que o feito de origem foi sentenciado sem que fosse realizada a produção de provas necessárias ao julgamento do mérito. 10. Nessa perspectiva, acolhe-se a preliminar de cerceamento de defesa, diante do não cabimento do julgamento antecipado da lide, haja vista a necessidade de produção de prova pericial no caso em apreço, impondo-se a desconstituição da sentença e o retorno à origem para que a demanda prossiga com a instauração da fase instrutória, ficando as demais questões recursais prejudicadas. 11. Recurso conhecido e provido. Sentença desconstituída. (TJCE. Apelação Cível - 0200701-83.2024.8.06.0101, Rel. Desembargador(a) MARIA DE FÁTIMA DE MELO LOUREIRO, 2ª Câmara Direito Privado, data do julgamento: 02/10/2024, data da publicação: 02/10/2024). APELAÇÃO CÍVEL. ANÁLISE SOBRE O TERMO INICIAL DA PRESCRIÇÃO. APLICAÇÃO DO TEMA REPETITIVO Nº 1.150 DO STJ. RECURSO CONHECIDO E PARCIALMENTE PROVIDO. SENTENÇA ANULADA. RETORNO DOS AUTOS AO JUÍZO DE ORIGEM. 1. No caso, o presente recurso limita-se a impugnar a improcedência do pedido exordial, ante o reconhecimento da prescrição da pretensão autoral. 2. Sobre o tema, o Superior Tribunal de Justiça (STJ) firmou o Tema Repetitivo nº 1.150, na qual restou decidido que ¿ii) a pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao PASEP se submete ao prazo prescricional decenal previsto pelo art. 205 do Código Civil; e iii) o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao PASEP.¿ 3. Dessa maneira, o lapso da prescrição teve início quando o autor teve acesso à microfilmagem dos extratos da sua conta vinculada ao PASEP, ocorrido em 2023, não fulminando o direito de ação exercitado no início deste ano de 2024. 4. Outrossim, ainda que o art. 1.013, § 4º, do CPC, permita o julgamento da demanda neste 2º grau, como pretende a parte autora, não vislumbro presentes os elementos necessários ao julgamento da causa no estado em que se encontra, haja vista a complexidade da demanda, com necessária dilação probatória e atenção às orientações contidas em Nota Técnica nº 07/2024, do Órgão da Vice-Presidência do Tribunal de Justiça do Estado do Ceará, emitida com a finalidade de conduzir os procedimentos a serem adotados nas ações indenizatórias vinculadas ao Tema 1150. 5. Recurso conhecido e parcialmente provido. Sentença anulada, com retorno dos autos ao juízo de origem para o devido processamento e julgamento.

	2. O cerne da controvérsia consiste em verificar a validade do contrato de empréstimo consignado nº 631528021 que implicou descontos no benefício previdenciário da demandante, e, em seguida, avaliar o cabimento do pedido de indenização por danos materiais e morais, à luz das normas do Código de Defesa do Consumidor. III. RAZÕES DE DECIDIR 3. Analisando os fólios desta pasta processual, verifica-se que a contratação questionada ocorreu por meio digital, tendo o banco colacionado Cédula de crédito bancário (ID 27187351), acompanhados de cópia do documento pessoal, além de biometria facial da demandante (selfie), contendo ainda assinatura eletrônica com geolocalização, data, hora e IP do dispositivo utilizado (ID 27187355). Por fim, o banco promoveu também juntou comprovante de transferência bancária da quantia liberada para conta de titularidade da autora (ID 27187354). Com base na cópia do instrumento contratual, confere-se que os dados e as condições do negócio jurídico registrado sob o nº 631528021, formalizado dia 02 de julho de 2021, estão em consonância às informações lançadas no histórico de empréstimo consignado fornecido pelo INSS (ID 27187212 a 27187214), anexado pela própria autora/apelante. 4. Vale salientar que a assinatura da consumidora na cédula bancária representa a expressa declaração de vontade em adquirir o serviço, bem como a aceitação aos seus termos e condições, vinculando-o ao compromisso ajustado. A esse respeito, conforme dito, o banco juntou comprovante de formalização digital, que reforça a regularidade da contratação mediante anuência da consumidora, indicando o dia, horário, geolocalização e IP do dispositivo utilizado para efetivar o aceite dos termos do pacto negocial. 5. Por tudo isso, reputa-se a existência de elementos suficientes para comprovar a validade do negócio jurídico celebrado entre as partes, tendo a instituição financeira se desincumbido, a contento, de seu ônus probante, produzindo prova pertinentes à regularidade da contratação, como hipótese excludente de responsabilidade (art. 373, inciso II, CPC, c/c art. 14, § 3º, do CDC). 6. Logo, ante a regularidade da contratação, não há que falar na ocorrência de ato ilícito por parte da instituição financeira, e, por consequência, em danos materiais ou morais capazes de ensejar o pagamento de indenização, nos termos do artigo 5º, inciso X, da Constituição Federal. Dessa forma a manutenção da sentença é medida que se impõe. IV. DISPOSITIVO 7. Recurso desprovido. Sentença mantida. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do recurso de apelação interposto, para negar-lhe provimento, nos termos do voto do Relator. Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente/Relator RELATÓRIO Trata-se de Apelação Cível interposta por Helena Félix de Sousa com o objetivo de reformar a sentença proferida pelo Juízo da 1ª Vara Cível da Comarca de Cratús, que julgou improcedente a presente Ação Declaratória de Inexistência de Negócio Jurídico c/c Repetição de Indébito e Indenização por Danos

	Morais ajuizada em desfavor do Banco Itaú Consignado S.A. A referida ação visa à declaração de nulidade de relação contratual entre as partes, à fixação de indenização a título de danos morais e à devolução em dobro de parcelas indevidamente descontadas do benefício previdenciário da autora/apelante. Ao analisar o conjunto probatório acostado aos autos, o juízo singular destacou que "[...] Dessa forma, a apresentação de instrumento de contrato devidamente assinado eletronicamente pelo requerente, com sua biometria facial, além dos demais documentos apresentados pelo banco, retira a verossimilhança das alegações da autora e permite a constatação de que a contratação entre as partes foi efetivamente realizada. Para mais, infere-se dos autos que a contratação é existente e válida e que o crédito na conta da parte autora efetivamente existiu, ainda mais considerando o demonstrativo de operações financeiras e o comprovante de transferência eletrônica, em que se verifica a disponibilização de crédito no valor de R\$ 143,88 (cento e quarenta e três reais e oitenta e oito centavos) em conta de titularidade da parte autora. Assim, não há elementos nos autos a apontar fraude ou mesmo negligência por parte da instituição ré. Para isso, deveriam ter sido trazidos, pela parte promotora, indícios mínimos de suas alegações com potencial suficiente para desqualificar ou mesmo contrariar as provas apresentadas pelo banco requerido. [...]. Assim, a ação foi julgada improcedente nos seguintes termos (ID 27187382): Ante o exposto, com fundamento no art. 487, I, do Código de Processo Civil, JULGO IMPROCEDENTES os pedidos formulados na peça inaugural. Diante da sucumbência, condeno a parte autora ao pagamento das custas e honorários advocatícios em favor da parte adversa, os quais arbitro em 10% sobre o valor da causa, observada a suspensão da exigibilidade em razão da gratuidade deferida no curso do feito (art. 98, §3º, CPC/15). Após o decurso do prazo recursal, certifique-se o trânsito em julgado e arquivem-se os autos com as cautelas de praxe. Publique-se. Registre-se. Intimem-se. Ressalto, ainda, que todos os expedientes necessários ao cumprimento da presente sentença poderão ser assinados pelos servidores do NUPACI. Expedientes necessários. &#160; Nas razões recursais (ID 27187385), a apelante sustenta que o contrato eletrônico apresentado pelo réu carece de validade formal, pois não contém assinatura física nem eletrônica emitida por autoridade certificadora vinculada à ICP-Brasil. Ressalta a inexistência de campo de autenticação digital, certificado ou qualquer elemento capaz de assegurar a origem da suposta adesão. Argumenta, ainda, ser pessoa idosa, aposentada, residente em região interiorana e sem familiaridade com recursos tecnológicos, não possuindo aparelho celular compatível com o modelo indicado, tampouco acesso regular à internet ou a aplicativos bancários. Acrescenta não deter conhecimento técnico para utilização de plataformas digitais de assinatura, circunstâncias que tornam material e tecnicamente impossível a contratação nos moldes alegados pelo réu. Aduz, também, que a alegação do banco acerca da realização da contratação por biometria facial (selfie) não pode ser considerada prova inequívoca de consentimento, uma vez que é plenamente possível a utilização indevida de imagens fotográficas para burlar sistemas de autenticação facial, sobretudo em plataformas bancárias que não adotam dupla verificação ou certificados digitais confiáveis. Por fim, requer o provimento do presente recurso, com a

Ausência de preparo recursal, pois beneficiária da gratuidade judiciária. Contrarrazões recursais (ID 27453117), nas quais a instituição financeira postula pelo desprovemento da apelação, mantendo-se a sentença em todos os seus termos. E o relatório. &#160; VOTO &#160; Conheço do recurso de apelação cível, pois satisfeitos os requisitos intrínsecos e extrínsecos de admissibilidade. O cerne da controvérsia consiste em verificar a validade do contrato de empréstimo consignado nº 631528021 que implicou descontos no benefício previdenciário da demandante, e, em seguida, avaliar o cabimento do pedido de indenização por danos materiais e morais, à luz das normas do Código de Defesa do Consumidor. De início, incumbe ressaltar que existe relação de consumo entre os litigantes, uma vez que a parte autora/apelante é destinatária final dos serviços oferecidos pelo réu/apelado, e a atividade bancária é considerada serviço para os fins legais (arts. 2º e 3º, § 2º, do CDC). Com base nisso, é cabível a inversão do ônus probatório em desfavor da instituição bancária, como medida adequada nas ações deste tipo, porque, considerando a impossibilidade de a parte autora constituir prova negativa da relação jurídica, compete ao banco trazer aos autos documentos hábeis a demonstrar a regularidade da relação contratual contestada na exordial, nos termos do artigo 373, inciso II, do Código de Processo Civil. Em sua defesa, a instituição financeira sustenta que o contrato impugnado trata-se de refinanciamento de empréstimo consignado, com descontos em benefício previdenciário. Afirma que, em razão da operação, foi liberado ao autor o valor de R\$ 143,88, além da quitação do contrato anterior, de nº 620731790, no montante de R\$ 2.144,77, o qual passou a compor o novo ajuste. Destaca que o refinanciamento implicou alteração no prazo, no valor das parcelas e na concessão de crédito adicional, substituindo integralmente as condições do pacto anterior, o que teria resultado em benefício financeiro imediato ao autor, inclusive com a baixa de restrições em seu nome. Analisando os fólios desta pasta processual, verifico que a contratação questionada ocorreu por meio digital, tendo o banco colacionado Cédula de crédito bancário (ID 27187351), acompanhados de cópia do documento pessoal, além de biometria facial da demandante (selfie), contendo ainda assinatura eletrônica com geolocalização, data, hora e IP do dispositivo utilizado (ID 27187355). Por fim, o banco promoveu também juntou comprovante de transferência bancária da quantia liberada para conta de titularidade da autora (ID 27187354 >). Com base na cópia do instrumento contratual, confere-se que os dados e as condições do negócio jurídico registrado sob o nº 631528021, formalizado dia 02 de julho de 2021, estão em consonância às informações lançadas no histórico de empréstimo consignado fornecido pelo INSS (ID 27187212 a 27187214), anexado pela própria autora/apelante. Vale salientar que a assinatura da consumidora nas cédulas bancárias representa a expressa declaração de vontade em adquirir o serviço, bem como a aceitação aos seus termos e condições, vinculando-o ao compromisso ajustado. Por oportuno, impende registrar que é plenamente viável a formalização do contrato mediante assinatura eletrônica, por meio da qual se utilizam combinações de códigos que permitem extrair o aceite entre o emissor e o receptor, a exemplo de senhas,

	ações específicas, e-mail ou número de telefone. A esse respeito, conforme dito, o banco juntou comprovante de formalização digital, que reforça a regularidade da contratação mediante anuência da consumidora, indicando-se o dia, horário, geolocalização do dispositivo utilizado para efetivar o aceite dos termos do pacto negocial. Nesse contexto, insta salientar que a jurisprudência pátria, inclusive desta e. Corte de Justiça, tem se manifestado pela validade da contratação via eletrônica. Vejamos: &#160; APELAÇÃO CÍVEL. DIREITO DO CONSUMIDOR. AÇÃO ANULATÓRIA DE DÉBITO C/C INDENIZAÇÃO POR DANOS MATERIAIS E MORAIS. CONTRATAÇÃO DE CARTÃO DE CRÉDITO COM RESERVA DE MARGEM CONSIGNÁVEL. COMPROVANTE DE REPASSE DO NUMERÁRIO PARA CONTA DE TITULARIDADE DO AUTOR. NEGÓCIO JURÍDICO VÁLIDO. INSTITUIÇÃO FINANCEIRA QUE SE DESINCUMBIU DO ÔNUS PROBATÓRIO. RECURSO DESPROVIDO. 1. O cerne da controvérsia consiste em verificar a validade do contrato de cartão de crédito com margem consignável nº 766133829, alvo de impugnação por ter sido realizado em meio virtual, que implicou descontos no benefício previdenciário do demandante / apelante, e, em seguida, avaliar o cabimento do pedido de indenização por danos materiais e morais, à luz das normas do Código de Defesa do Consumidor. 2. Analisando os fólios desta pasta processual, verifico que a contratação do cartão de crédito com margem consignável ocorreu por meio virtual, tendo o banco colacionado a cópia dos documentos pessoais do autor, o Termo de Adesão ao Cartão Benefício Consignado PAN, o Termo de Consentimento Esclarecido do Cartão Benefício Consignado, assinado digitalmente com fotografia selfie, contendo geolocalização. 3. Além disso, há comprovação da solicitação de saque Cartão de Benefício Consignado assinado digitalmente com fotografia selfie e geolocalização, corroborado pelo dossiê de contratação e pela autorização de acesso aos dados da previdência social assinado digitalmente pela mesma modalidade acima indicada, sem olvidar o recibo de transferência do repasse da quantia referente ao mútuo bancário para a conta corrente vinculada à agência na qual o autor / apelante recebe o benefício previdenciário. 4. observo que os instrumentos colacionados possuem título destacados que demonstram a anuência do consumidor com relação ao Termo de Adesão ao Cartão Benefício Consignado PAN, inclusive com Termo de Consentimento Esclarecido do Cartão Benefício Consignado PAN, devidamente subscritos eletronicamente pelo consumidor no ato da adesão. Os referidos títulos estão escritos em letras maiúsculas e destacadas no topo dos documentos, de maneira que não há como acolher a tese do autor / apelante de que não estava ciente, inicialmente, do tipo de operação a que estava aderindo. 5. Vale salientar que a assinatura do consumidor nas cédulas bancárias representa a expressa declaração de vontade em adquirir o serviço, bem como a aceitação aos seus termos e condições, vinculando-o ao compromisso ajustado. A esse respeito, conforme dito, o banco juntou comprovante de formalização digital, que reforça a regularidade da contratação mediante anuência do consumidor, indicando-se o horário e a geolocalização do dispositivo utilizado para efetivar o aceite dos termos do pacto negocial, além de conter o IP e as características do dispositivo eletrônico. 6. Por tudo isso, reputo a existência de elementos suficientes para comprovar a validade do negócio jurídico celebrado entre as partes, tendo a instituição financeira se desincumbido, a contento, de seu ônus probante, produzindo prova pertinentes à regularidade da contratação, como hipótese excludente de responsabilidade (art. 373, inciso II, CPC, c/c art. 14, § 3º, do CDC). 7. Logo, ante a regularidade da contratação, não há que falar na ocorrência de ato ilícito por parte da instituição financeira, e, por consequência, em danos materiais ou morais capazes de ensejar o pagamento de indenização, nos termos do artigo 5º, inciso X, da Constituição Federal. 8. 	MORAIS. EM SUA DEFESA O BANCO ACIONADO COLACIONOU AOS AUTOS CÓPIA DO CONTRATO DE ADESÃO AO CARTÃO DE CRÉDITO. TERMO DE CONSENTIMENTO ESCLARECIDO DO CARTÃO DE CRÉDITO CONSIGNADO. TRANSFERÊNCIA VIA TED DE VALORES DEPOSITADOS NA CONTA DO APELANTE. RECURSO CONHECIDO E IMPROVIDO. I. Perscrutando os autos, observa-se que o autor/apelante afirma ter efetuado o contrato, todavia, acreditava ser empréstimo diverso, sem prejuízo de seu benefício previdenciário. Descuidou-se que a instituição Banco BMG colacionou aos autos cópia do Contrato de Adesão a Cartão de Crédito Consignado, conforme se veem do TERMO DE CONSENTIMENTO ESCLARECIDO DO CARTÃO DE CRÉDITO CONSIGNADO (fs. 76); faturas de cartão de crédito (fs. 105/104); comprovantes de transferência TED às fs. 182/184. Ora, inegavelmente, os créditos na conta da parte autora/apelante, foram provenientes da contratação, fato que deu ensejo a incidência dos descontos em seus proventos dos valores mínimos fixados em reserva de margem consignável – RMC, não havendo, portanto, como alegar que houve fraude ou mesmo desconhecimento dos termos do contrato, até mesmo porque, sem nenhuma reclamação os valores foram transferidos para a conta de titularidade do apelante. II. Nesse considerar, pelos documentos estadeados nos autos, não há que se falar em nulidade contratual, de igual modo, em ressarcimento por danos, que alega ter experimentado. Portanto, não houve cobrança de quantia indevida, vez que o apelante firmou o contrato, bem como fez utilização do Cartão de Crédito Consignado, ensejando o regular desconto consignado. III. Recurso de Apelação conhecido e improvido. (TJ-CE - AC: 02315184720218060001 Fortaleza, Relator: INACIO DE ALENCAR CORTEZ NETO, Data de Julgamento: 25/05/2022, 2ª Câmara Direito Privado, Data de Publicação: 26/05/2022). ATO ILÍCITO NÃO CONFIGURADO. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA. 1. Inicialmente, em sede de contrarrazões, a instituição financeira recorrida suscitou preliminar de ausência de impugnação específica à sentença, contudo, não assiste razão à parte apelada, pois da análise das razões de apelação, verifica-se que o recorrente apresenta o seu inconformismo face aos termos da sentença que julgou improcedente a demanda. Preliminar rejeitada. 2. A parte autora ajuizou a presente demanda no afã de desconstituir empréstimo livremente por ela pactuado, sob o argumento de jamais ter assinado qualquer contrato. 3. A parte promovente, ora apelante, não provou o contexto do vício de consentimento capaz de ensejar a procedência do seu pleito inaugural, muito menos a existência de qualquer fraude a ocasionar a declaração de inexistência do negócio jurídico entabulado, sobretudo por se tratar de um contrato de empréstimo consignado realizado via digital - autenticação eletrônica, mediante biometria facial (selfie). 4. Não obstante, o promovente ter deixado de refutar a contento as provas trazidas aos autos pela parte adversa, é imperioso destacar que o demandado trouxe à baila o comprovante de transferência de valores hospedado à fl. 158, em que comprova de maneira cristalina o depósito da quantia de R\$ 1.479,88 (mil quatrocentos e setenta e nove reais e oitenta e oito centavos) em conta bancária de titularidade do demandante, sendo esse o numerário constante no contrato impugnado, bem como no extrato de consignações acostado pelo autor. 5. Outrossim, embora o apelante tenha alegado que inexistem elementos no contrato juntado aos autos que garantiriam a identificação do contratante, como geolocalização e endereço de IP, na verdade, é fácil observar que todas estas informações foram disponibilizadas na avença. 6. Desta feita, a trilha digital e os reiterados pontos de autenticação levam a crer pela regularidade da contratação, visto que são múltiplas as provas de que a operação de crédito contratada foi efetivamente realizada pelo apelante. Diante disso, pode-se reconhecer, a exigibilidade da dívida, notadamente em razão dos documentos trazidos pela ré na contestação. 7. Recurso conhecido e desprovido. Sentença mantida. 	comprovar a validade do negócio jurídico celebrado entre as partes, tendo a instituição financeira se desincumbido, a contento, de seu ônus probante, produzindo provas pertinentes à regularidade da contratação, como hipótese excludente de responsabilidade (art. 373, inciso II, CPC, c/c art. 14, § 3º, do CDC). Logo, ante a regularidade da contratação, não há que falar na ocorrência de ato ilícito por parte da instituição financeira, e, por consequência, em danos materiais ou morais capazes de ensejar o pagamento de indenização, nos termos do artigo 5º, inciso X, da Constituição Federal. Nesse sentido, é assente a jurisprudência deste egrégio Tribunal de Justiça: PROCESO CIVIL. APELAÇÃO CÍVEL. DECLARATÓRIA DE NULIDADE CONTRATUAL C/C REPETIÇÃO DE INDÉBITO E INDENIZAÇÃO POR DANOS MORAIS. EMPRÉSTIMO CONSIGNADO. CONTRATO COM AUTENTICAÇÃO ELETRÔNICA. BIOMETRIA FACIAL. DEMONSTRAÇÃO DO REPASSE DO VALOR PARA CONTA DE TITULARIDADE DA AUTORA. BANCO RÉU QUE SE DESINCUMBIU DO ÔNUS PROBANTE. ATO ILÍCITO NÃO DEMONSTRADO. REGULARIDADE DA CONTRATAÇÃO. RECURSO CONHECIDO E PROVIDO. SENTENÇA REFORMADA. 1. Reclama o banco/recorrente da sentença do douto julgante da 2ª Vara da Comarca de Boa Viagem, que julgou parcialmente procedentes os pedidos contidos na ação Declaratória de Nulidade Contratual c/c Repetição de Indébito e Indenização por Danos Morais, declarando a inexistência do contrato apontado na exordial, condenando o banco a restituir, na forma simples, os valores descontados do benefício previdenciário da autora/recorrida, e ainda, ao pagamento da quantia de R\$ 2.000,00 (dois mil reais) a título de danos morais. 2. Por certo, conforme entendimento firmado pela Segunda Seção do Superior Tribunal de Justiça, quando do julgamento do REsp 1197929 / PR submetido ao rito dos recursos repetitivos, as instituições bancárias respondem objetivamente pelos danos causados por fraudes ou delitos praticados por terceiros como, por exemplo, abertura de conta-corrente ou recebimento de empréstimos mediante fraude ou utilização de documentos falsos, porquanto tal responsabilidade decorre do risco do empreendimento, caracterizando-se como fortuito interno. 3. Ocorre que, cotejando o vertente caderno processual, não verifico causas que maculem a regularidade da celebração do negócio jurídico discutido nestes autos, isto porque o banco/apelante juntou o contrato discutido nesta demanda (fls. 90/99), assinado por meio de autenticação eletrônica, acompanhado de cópia dos documentos pessoais da autora e fotografia do momento da contratação. 4. Para reforçar a validade da contratação, a instituição financeira/apelante, acostou aos autos o documento de fls. 91, onde consta dados de geolocalização e Id da sessão do usuário, com informação do dia e horário da coleta dos dados. 5. Destaco ainda, que o banco logrou êxito em comprovar que o contrato objeto da presente demanda tratar-se de um Refinanciamento, conforme Quadro II do instrumento contratual (fls.92), sendo liberado o valor (troco), remanescente de R\$ 2.062,00 (dois mil, sessenta e dois reais), em conta de titularidade da autora/apelada, o que ficou comprovado através do documento de transferência constante às fls. 137 dos autos. 6. Sendo assim, concluo pela regularidade do negócio jurídico celebrado entre as partes, não observando na espécie quaisquer indícios de vício de consentimento ou fraude, não tendo a Instituição Financeira cometido nenhum ilícito capaz de ensejar indenização por danos morais, bem como a devolução dos valores devidamente descontados. 7. Recurso conhecido e provido. Sentença reformada. (TJ-CE - Apelação Cível 0201553-34.2022.8.06.0051, Rel. 	3. No caso concreto, trata-se de uma cédula de crédito bancário, celebrada em 03/03/2023, cujo valor financiado foi de R\$ 15.509,37 (quinze mil, quinhentos e nove reais e trinta e sete centavos), a ser paga em 48 (quarenta e oito) parcelas mensais de R\$ 662,23 (seiscentos e sessenta e dois reais e vinte e três centavos), em que a taxa de juros remuneratórios pactuada foi de 3,36% ao mês e 48,71% ao ano, enquanto a taxa média divulgada pelo BACEN, para as operações de crédito para pessoas físicas vinculado à aquisição de veículos (séries 25471 e 20749), no período (março de 2023), era respectivamente de 2,12% ao mês e 28,58% ao ano. 4. Como é possível constatar, a taxa de juros anual pactuada supera em 20,13 pontos percentuais da referida taxa média de mercado para o tipo de operação, gerando, a priori, uma desvantagem ao consumidor. Quanto aos juros remuneratórios, a diferença entre a taxa contratada e a média praticada pelo mercado para o mesmo tipo de operação é significativamente discrepante, revelando-se abusiva a cláusula que estipula as taxas de juros remuneratórios do contrato questionado, vez que ultrapassa – e muito – a margem de tolerância adotada por esta e. Primeira Câmara de Direito Privado, de cinco pontos percentuais. Por isso, a taxa contratada deve ser reduzida para a média divulgada pelo Banco Central do Brasil. 5. O Superior Tribunal de Justiça firmou o entendimento, em sede de julgamento de Recurso Repetitivo (REsp n. 1639259/SP), no sentido de considerar abusiva a imposição ao consumidor de contratação de seguro com a instituição financeira ou com seguradora por ela indicada, em contratos bancários em geral, nestes termos: “nos contratos bancários em geral, o consumidor não pode ser compelido a contratar seguro com a instituição financeira ou com seguradora por ela indicada”, porque além de configurar venda casada, é proibida pelo artigo 39, I, do Código de Defesa do Consumidor, uma vez que retira do consumidor o direito de negociar um preço mais justo com outras seguradoras. Neste azo, considerando não se extrair do caso concreto a concessão de oportunidade de contratação, pelo apelado, do comentado seguro, sua cobrança de forma unilateral configura abusividade suficiente a permitir o seu afastamento, permitindo, por consectário, sua restituição a agravada. 6. Por ter sido reconhecida abusividade nas cláusulas contratuais que preveem juros remuneratórios acima da média de mercado e a venda casada do seguro prestamista, nasce para a contratante o direito à restituição dos valores indevidamente pagos, que deve seguir o mesmo parâmetro fixado na sentença, sob pena de <i>reformatio in pejus</i>. 	relação à definição da mora, é aplicável o entendimento do Superior Tribunal de Justiça, no sentido de que a descaracterização da mora só ocorre quando o caráter abusivo decorrer da cobrança dos chamados encargos do "período da normalidade". Precedente: (STJ - AgRg no AREsp 736.034/RS, Rel. Ministro RAUL ARAÚJO, QUARTA TURMA, julgado em 15/12/2015, DJe 01/02/2016). Logo, ante a ausência de abusividade no negócio jurídico celebrado, observado o grau de cognição ora disponível, deve ser mantido o reconhecimento da mora da parte devedora, tornando-se inviável acolher a pretensão recursal do Recorrente de não inclusão do seu nome em cadastros de restrição creditícias; além disto, prejudicado fica o pleito cautelar de manutenção na posse do veículo. - RECURSO CONHECIDO, EM PARTE, E, NA PARTE ADMITIDA, IMPROVIDO.  APELAÇÃO CÍVEL. AÇÃO REVISIONAL. DESNECESSIDADE DE PERÍCIA. EVENTUAIS ILEGALIDADES QUE PODEM SER VERIFICADAS PELA SIMPLES LEITURA DO CONTRATO. CERCEAMENTO DE DEFESA. INOCORRÊNCIA. CAPITALIZAÇÃO DE JUROS. DUODÉCUPLO DA TAXA MENSAL INFERIOR À TAXA COBRADA NO CONTRATO. PACTUAÇÃO EXPRESSA. VALIDADE DA COBRANÇA. PRECEDENTES DO STJ. JUROS REMUNERATÓRIOS CONTRATUAIS NO PERCENTUAL DE 41,73% AO ANO. ABUSIVIDADE EM RELAÇÃO À TAXA MÉDIA DE MERCADO NO PERÍODO DA CONTRATAÇÃO (28,58% AO ANO). DEVOLUÇÃO EM DOBRO DA QUANTIA COBRADA A MAIOR (EAREsp 676608/RS, STJ, RELATOR MINISTRO OG FERNANDES, 21/10/2020), PERMITIDA A COMPENSAÇÃO. COBRANÇA ABUSIVA NO PERÍODO DA NORMALIDADE CONTRATUAL. MORA DESCARACTERIZADA. PRECEDENTES DO STJ. INEXISTÊNCIA DE COBRANÇA DE COMISSÃO DE PERMANÊNCIA A PROSTRAR AO SOLO O ARGUMENTO DE SUA CUMULAÇÃO COM OUTRAS VERBAS MORATÓRIAS. APELAÇÃO CONHECIDA E PARCIALMENTE PROVIDA. 1. No que tange ao argumento de que a ação foi julgada sem que fosse realizada instrução probatória, a contrario sensu do que fundamenta o recorrente, em hipóteses como a dos autos não há necessidade de realização de prova pericial contábil, haja vista a inexistência de questão de indagação de alta complexidade para a resolução da lide. Com efeito, a declaração da existência ou não de ilegalidades no contrato, sobretudo aquelas que dizem respeito à cobrança de juros remuneratórios, da presença de anatocismo, cobrança de tarifas, e outras, não prescinde de conhecimento técnico, posto que a matéria é de cunho eminentemente de direito e resolve-se por simples leitura do contrato. 2. Com relação à capitalização de juros, segundo o STJ, para cobrá-la é necessário apenas que a taxa de juros anual seja superior a doze vezes (duodécuplo) a taxa mensal fixada no contrato, circunstância presente aos autos, porquanto, a soma dos juros mensais de 2,95%, totaliza o percentual anual de 35,40%, inferior ao percentual cobrado ao ano de 41,73%. (fl. 63) 3. Os juros no percentual apontado no contrato, de 41,73% ao ano, ostentam caráter de abusividade, na medida em que discrepam, significativamente, da taxa média de mercado para o caso de aquisição de veículo para pessoa física no período da contratação (março/2023), consoante extrai do site do Banco Central do Brasil, que apontou o percentual de 28,58% ao ano para aquele interregno, ou seja, uma diferença superior a 5% (cinco por cento) entre a taxa média de mercado e a taxa contratual, percentual este considerado como suficiente para autorizar a revisão contratual conforme entendimento consolidado na ambiência da Primeira Câmara de Direito Privado. 4. Como visto, houve a cobrança abusiva de juros remuneratórios no período da normalidade do contrato, o que acarreta como consequência a descaracterização da mora, consoante a sólida, estável, firme, jurisprudência do colendo Superior Tribunal de Justiça (STJ) sobre este assunto, no sentido de que A cobrança de encargos abusivos no período da normalidade enseja a descaracterização da mora. (AgInt no AREsp 1118462/RS, Rel. Ministro MARCO AURÉLIO BELLIZZE, TERCEIRA TURMA, julgado em 20/02/2018, DJe 01/03/2018) 5. Na hipótese de inadimplemento, o contrato não exige a cobrança de comissão de permanência, o que prostra ao solo o argumento da existência de cumulação desse encargo com outras verbas moratórias (cl. 14, fl. 70) 6. Desembargador(a) EMANUEL LEITE ALBUQUERQUE, 1ª Câmara Direito Privado, data do julgamento: 18/10/2023, data da publicação: 18/10/2023, grifei).&#160; </p><p style="text-align: justify; padding-left: 150px;">
 </p><p style="text-align: justify; text-indent: 8%;" dir="ltr"> No caso concreto, trata-se de uma cédula de crédito bancário, celebrada em 03/03/2023, cujo valor financiado foi de R\$15.509,37 (quinze mil, quinhentos e nove reais e trinta e sete centavos), a ser paga em 48 (quarenta e oito) parcelas mensais de R\$662,23 (seiscentos e sessenta e dois reais e vinte e três centavos), em que a taxa de juros remuneratórios pactuada foi de 3,36% ao mês e 48,71% ao ano, enquanto a taxa média divulgada pelo BACEN, para as operações de crédito para pessoas físicas vinculado à aquisição de veículos (séries 25471 e 20749), no período (março de 2023), era respectivamente de 2,12% ao mês e 28,58% ao ano. </p><p style="text-align: justify;">
 </p><p style="text-align: justify; text-indent: 8%;" dir="ltr"> Como é possível constatar, a taxa de juros anual pactuada supera em 20,13 pontos percentuais da referida taxa média de mercado para o tipo de operação, gerando, a priori, uma desvantagem ao consumidor. </p><p style="text-align: justify;">
 </p><p style="text-align: justify; text-indent: 8%;" dir="ltr"> Como se vê, a diferença entre a taxa contratada e a média praticada pelo mercado para o mesmo tipo de operação é significativamente discrepante, revelando-se abusiva a cláusula que estipula as taxas de juros remuneratórios do contrato questionado, vez que ultrapassa a margem de tolerância adotada por esta e. Primeira Câmara de Direito Privado, de cinco pontos percentuais. Por isso, a taxa contratada deve ser reduzida para a média divulgada pelo Banco Central do Brasil, respectivamente de 2,12% ao mês e 28,58% ao ano. </p><p style="text-align: justify; text-indent: 8%;">
 </p><p style="text-align: justify; text-indent: 8%;" dir="ltr"> Por oportuno, registre-se que a instituição financeira não justificou as razões pelas quais adotou taxas bem superiores às de mercado, independentemente do prazo de amortização ou do valor solicitado. Além disso, não foi demonstrado que o consumidor possuía restrição creditícia que limitasse as possibilidades de contratação no mercado ou ensejasse risco elevado para a liberação de empréstimo, nem mesmo eventual impontualidade nas suas obrigações. Também não foram demonstrados a situação da economia na época da contratação nem o custo da captação dos recursos, comparado ao de outras operações disponíveis no mercado. Assim, a apelante não se eximiu do ônus de justificar as razões pelas quais adotou taxas tão superiores às de mercado, do que se observa flagrante abusividade. </p><p style="text-align: justify; text-indent: 8%;">
 </p><p style="text-align: justify; text-indent: 8%;" dir="ltr"> Dessa forma, estando o contrato em desconformidade com a orientação jurisprudencial consagrada pelo c. STJ, não merece reparos a sentença impugnada quanto a esse ponto, posto ter reconhecido a flagrante abusividade dos juros aplicados e a vantagem desproporcional da instituição financeira.&#160; </p><p style="text-align: justify; text-indent: 8%;">

	de Defesa do Consumidor, uma vez que retira do consumidor o direito de negociar um preço mais justo com outras seguradoras. Neste azo, considerando não se extrair do caso concreto a concessão de oportunidade de contratação, pelo consumidor apelado, do comentado seguro, sua cobrança de forma unilateral configura abusividade suficiente a permitir o seu afastamento, permitindo, por consectário, sua restituição a agravada. Cito, na oportunidade, o entendimento desta Corte de Justiça acerca do tema: APELAÇÃO CÍVEL. DIREITO DO CONSUMIDOR. AÇÃO REVISIONAL DE CONTRATO. CÉDULA DE CRÉDITO BANCÁRIO. IMPUGNAÇÃO À GRATUIDADE DA JUSTIÇA DEFERIDA EM FAVOR DA APELADA REJEITADA. SEGURO PRESTAMISTA CONTRATADO NO MESMO INSTRUMENTO CONTRATUAL. VENDA CASADA CONFIGURADA. ILEGALIDADE NA CONTRATAÇÃO DO SEGURO. HONORÁRIOS ADVOCATÍCIOS. SUCUMBÊNCIA TOTAL DO RÉU. MAJORAÇÃO EM SEDE RECURSAL. RECURSO APELATÓRIO DO RÉU CONHECIDO E DESPROVIDO. SENTENÇA DE PROCEDÊNCIA MANTIDA. 1. Não assiste razão ao apelante, pois nos termos do art. 99, § 3º do CPC/15, presume-se verdadeira a declaração de hipossuficiência formulada por pessoa natural, sendo ilidida apenas com prova inequívoca em sentido contrário. Na hipótese dos autos, o apelante não acostou provas que ilidissem a gratuidade da justiça deferida em favor da recorrida, tendo a declaração de hipossuficiência feita pela apelada à fl. 09, presunção de veracidade. Preliminar rejeitada. 2. In casu, verifica-se que na cláusula nº 7 do contrato de empréstimo (fl. 14), há a previsão expressa da contratação da seguradora indicada pelo Banco recorrente, não tendo sido oportunizada à parte autora, ora recorrida, a alternativa de optar ou não pela contratação do mencionado seguro prestamista. Ademais, constata-se, ainda, que o contrato de seguro às fls. 17/24 não foi sequer assinado pela contratante, revelando-se totalmente abusiva a contratação do seguro prestamista, configurando-se, assim, o instituto da venda casada. Portanto, mantenho a sentença neste ponto. 3. Por derradeiro, tendo em vista que a demandante, ora apelada, saiu vitoriosa em todos os seus pedidos iniciais, caberá ao Banco demandado/apelante arcar integralmente com os ônus da sucumbência (art. 85, caput, CPC/15), observada a majoração dos honorários advocatícios sucumbenciais, a título recursal, de 10% (dez por cento) para 15% (quinze por cento) sobre o valor da condenação, a teor do § 11 do art. 85 do CPC/15 c/c a regra de transição contida no Enunciado Administrativo nº 07/STJ. 4. RECURSO APELATÓRIO DO RÉU CONHECIDO E DESPROVIDO. SENTENÇA DE PROCEDÊNCIA MANTIDA. ACÓRDÃO Vistos, relatados e discutidos estes autos, acorda, a Turma Julgadora da Terceira Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade de votos, conhecer e negar provimento ao recurso apelaratório do réu, mantendo, desse modo, inteiramente a sentença recorrida que julgou procedente o pedido autoral, observada, ainda, a majoração, a título recursal, dos honorários advocatícios sucumbenciais, tudo nos termos do voto condutor da Relatora (Relator (a): MARIA VILAUBA FAUSTO LOPES; Comarca: Fortaleza; Órgão julgador: 32ª Vara Cível; Data do julgamento: 18/12/2019; Data de registro: 18/12/2019). A Corte Superior, analisando o seguro de proteção financeira, que é uma extensão do seguro prestamista, adotou o entendimento de que a sua cobrança não confronta com a regulação bancária, sendo vedada apenas a venda casada. 14. Na hipótese em exame, há cláusula contratual (item 5.5)

	prevendo a cobrança do valor de R\$ 700,00 (setecentos reais) a título de seguro prestamista na própria cédula de crédito bancário, inexistindo previsão acerca da possibilidade de o consumidor não aderir a esse serviço, o que conduz à conclusão de que não foi garantida ao autor a liberdade de contratar ou não o seguro ou escolher outra seguradora, caracterizando a venda casada, prática legalmente proibida, nos termos do art. 39, inciso I, do Código de Defesa do Consumidor. Portanto, resta caracterizada a abusividade contratual no ponto, devendo ser acolhido o pleito de afastamento dessa cláusula. 15.DO TÍTULO DE CAPITALIZAÇÃO. Assim como ocorreu em relação ao seguro prestamista, a previsão no item 5.5 acerca do título de capitalização no valor de R\$ 80,98 (oitenta reais e noventa e oito centavos) ocorreu no próprio instrumento de cédula de crédito bancário e não evidencia a existência da liberdade de contratação pelo consumidor, não sendo legítima a sua cobrança. 16. Agravo Interno conhecido, porém improvido. ACÓRDÃO Acordam os Desembargadores integrantes da Primeira Câmara de Direito Privado do Egrégio Tribunal de Justiça do Estado do Ceará, nos autos do processo nº 0186589-65.2017.8.06.0001/50000 por unanimidade, por uma de suas Turmas, em conhecer do Agravo Interno, mas para desprovê-lo, nos termos do voto do eminente Relator. APELAÇÃO CÍVEL. AÇÃO DE INDENIZAÇÃO POR DANOS MORAIS E MATERIAIS. FINANCIAMENTO DE VEÍCULO. S EGURO PRESTAMISTA. VENDA CASADA CONFIGURADA. ILEGALIDADE DA COBRANÇA. RESTITUIÇÃO DOS VALORES PAGOS. RECURSO CONHECIDO E PROVIDO. SENTENÇA REFORMADA. I. CASO EM EXAME Apelação cível interposta por Gleiciane Simão Gomes contra sentença da 38ª Vara Cível da Comarca de Fortaleza, que julgou improcedente ação de indenização por danos morais e materiais movida contra o Banco Votorantim S/A, entendendo que não houve irregularidade na contratação do seguro prestamista vinculado ao financiamento de veículo, inexistindo, portanto, dano a ser indenizado. II. QUESTÃO EM DISCUSSÃO Há duas questões em discussão: (i) determinar se a contratação do seguro prestamista configurou prática de venda casada, vedada pelo art. 39, I, do Código de Defesa do Consumidor (CDC); e (ii) estabelecer se é devida a restituição dos valores pagos, de forma simples ou em dobro, em razão da ilegalidade da cobrança. III. RAZÕES DE DECIDIR A venda casada ocorre quando o fornecedor condiciona o fornecimento de um produto ou serviço à contratação de outro, o que é vedado pelo art. 39, I, do CDC. O STJ, no Tema Repetitivo nº 972, estabelece que o consumidor não pode ser compelido a contratar seguro com a instituição financeira ou seguradora por ela indicada, sendo abusiva a cláusula que restringe essa liberdade. No caso concreto, a cláusula contratual 5.5 do contrato impôs a contratação de seguro prestamista com seguradora do mesmo grupo econômico da instituição financeira, sem oferecer alternativa ao consumidor, configurando venda casada. De acordo com o EAREsp nº 676.608/RS, a restituição em dobro do indébito (art. 42, parágrafo único, do CDC) é cabível sempre que a cobrança indevida consubstanciar conduta contrária à boa-fé objetiva, independentemente da prova de má-fé do fornecedor. A modulação de efeitos dessa decisão determina a devolução simples dos valores pagos até 30/03/2021 e em dobro para os valores cobrados após essa data, permitida a compensação. IV. DISPOSITIVO Recurso conhecido e provido. Sentença reformada. (Apelação Cível - 0203792-98.2021.8.06.0001, Rel. Desembargador(a) FRANCISCO BEZERRA CAVALCANTE, 4ª Câmara Direito Privado, data do julgamento: 11/03/2025, data da publicação: 11/03/2025) No caso em questão, ao analisar o contrato juntado nos autos, é possível verificar que a contratação do seguro se deu no bojo do contrato de financiamento, caracterizando a venda casada. Nesse caminhar, resta evidente a venda casada de seguro prestamista, o que vedada pelo artigo 39, I, do Código de Defesa do Consumidor. Repetição do indébito em dobro

	III. RAZÕES DE DECIDIR 3. No caso sob exame, verifica-se que a instituição financeira instruiu a petição inicial com a cópia do instrumento contratual e com a notificação encaminhada ao endereço informado no contrato pela devedora, o que foi devidamente certificado na carta com AR. Ainda que não houvesse efetivo recebimento da notificação, os documentos que instruem a inicial são suficientes para constituir em mora a devedora fiduciária, em consonância com o art. 2º, § 2º, do Decreto-Lei nº 911/69 e com o entendimento consolidado pelo Superior Tribunal de Justiça no julgamento do Tema Repetitivo nº 1.132 pelo STJ, segundo o qual “para a comprovação da mora nos contratos garantidos por alienação fiduciária, é suficiente o envio de notificação extrajudicial ao devedor no endereço indicado no instrumento contratual, dispensando-se a prova do recebimento, quer seja pelo próprio destinatário, quer por terceiros”. 4. Dito isso, uma vez demonstrado o envio da notificação ao endereço indicado no contrato, cujo recebimento foi devidamente certificado, é insubsistente a alegada irregularidade da notificação, sendo, inclusive, dispensável a prova do recebimento (Tema 1.132 do STJ). 5. É cediço que, independentemente dos motivos que levaram ao atraso no pagamento das prestações avençadas, a legislação de regência é clara ao afirmar que, comprovada a mora, ainda que em relação apenas a uma parcela do financiamento, o credor fiduciário tem direito à consolidação da posse plena e exclusiva do bem, que somente pode ser restituído ao devedor se este promover a quitação integral do contrato, no prazo de 5 (cinco) dias, contados da execução da medida liminar. Com base nisso, o mero fato de o(a) devedor(a) mencionar a existência de problemas de saúde ou a possibilidade de purgação da mora efetuando o pagamento exclusivo das parcelas vencidas – sem qualquer amparo na legislação aplicável –, não constitui motivação idônea ou elemento de convicção capaz a infirmar a consolidação da posse e propriedade do veículo em favor do credor fiduciário. 6. Vale pontuar que não merece amparo o pleito de restituição dos valores pagos pela ré / apelante, visto que, no contrato de financiamento de veículo, em havendo inadimplência do devedor fiduciário, as prestações pagas – junto com o valor arrecadado pela futura alienação extrajudicial do veículo – serão utilizadas para quitar a dívida contraída, sendo inviável a restituição do numerário, salvo se, com a sua venda, sobrevier saldo excedente, o que exige análise em ação própria. 7. Por fim, cumpre frisar que as custas processuais e os honorários advocatícios constituem consectários legais da condenação da parte vencida, decorrendo diretamente do princípio da sucumbência. Assim, inobstante a parte vencida seja beneficiária da justiça gratuita, tais encargos devem ser formalmente aplicados, ressalvando-se apenas a suspensão de sua exigibilidade (art. 98, §3º, do CPC). IV. DISPOSITIVO 8. Recurso desprovido. ACÓRDÃO Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por uma de suas turmas, à unanimidade, em conhecer do recurso interposto para, no mérito, negar-lhe provimento, no sentido de manter inalterada a r. sentença recorrida, nos termos do voto do Desembargador Relator. 	contra sentença prolatada pelo MMº. Juiz de Direito Agenor Studart Neto, da 16ª Vara Cível da Comarca de Fortaleza, que, nos autos da Ação de Busca e Apreensão proposta pelo Banco Volkswagen S/A, julgou procedentes os pedidos formulados na petição inicial. ¶ ¶ Eis o dispositivo da sentença: ¶ “Diante do exposto, com fulcro no artigo 487, inciso I, do Código de Processo Civil,¶ JULGO PROCEDENTE o pedido formulado na inicial para:¶ a)¶ CONSOLIDAR, em mãos da parte autora, BANCO VOLKSWAGEN S.A., o domínio e a posse plena e exclusiva do veículo VOLKSWAGEN VIRTUS AB, placa RIJ7C01, chassi 9BWDH6BZXP023501, RENAVAL 01389198860, tornando definitiva a liminar anteriormente concedida (ID 154825645). b)¶ AUTORIZAR a parte autora, com fundamento no Art. 3º, § 1º, do Decreto-Lei nº 911/69, a proceder à venda do bem, devendo aplicar o produto na liquidação de seu crédito e das despesas decorrentes, entregando à parte devedora eventual saldo remanescente, mediante prestação de contas. ¶ CONDENO a parte requerida (ANADIA MARIA DE OLIVEIRA SALVADOR) ao pagamento das custas e despesas processuais, bem como dos honorários advocatícios em favor do patrono da parte autora, os quais fixo em 10% (dez por cento) sobre o valor atualizado da causa, nos termos do art. 85, § 2º, do Código de Processo Civil. Fica, contudo, a exigibilidade de tais verbas suspensa, nos termos do art. 98, § 3º, do Código de Processo Civil, em razão da concessão dos benefícios da justiça gratuita. ¶ DETERMINO, independentemente do trânsito em julgado desta decisão e caso ainda não tenha sido providenciado, a retirada de eventuais restrições de circulação inseridas por este Juízo via sistema RENAJUD, tendo em vista a consolidação da propriedade plena do bem em favor da parte autora (Art. 3º, § 1º, DL 911/69). ¶ Valerá esta sentença, devidamente assinada digitalmente e acompanhada da certidão de trânsito em julgado, como ofício a ser apresentado diretamente pelos interessados junto ao Departamento Estadual de Trânsito (DETRAN) competente para que seja promovida a transferência de propriedade do veículo para o nome da parte autora (BANCO VOLKSWAGEN S.A.), conforme autorizado pelo Decreto-Lei nº 911/69. Fica a cargo da própria parte interessada a apresentação direta deste ofício ao órgão de trânsito, instruindo-o com as cópias dos documentos processuais que entender pertinentes para o cumprimento da determinação. ¶ Decorrido o prazo legal sem a interposição de recurso voluntário pelas partes, certifique-se o trânsito em julgado e, após as baixas e anotações de estilo, arquivem-se os presentes autos. ¶ Publique-se no DJEN, nos termos da Portaria n. 569/2025, DJ 10/03/2025. ¶ Expediente Necessário. ¶ ¶ Nas razões recursais, a parte apelante aduz, em síntese, que não teria sido corretamente notificada para purgar a mora, pois estava ausente do endereço para o qual foi encaminhada a notificação, comprometendo, assim, a constituição em mora. Argumenta que, além de sua condição financeira, seu estado de saúde também deve ser considerado como meio de afastar a apreensão do veículo, pleiteando a purgação da mora mediante o pagamento apenas das parcelas vencidas, sem incluir custas processuais e honorários advocatícios. ¶ ¶

Desembargador(a) FRANCISCO MAURO FERREIRA LIBERATO, 1ª Câmara Direito Privado, data do julgamento: 13/09/2023, data da publicação: 13/09/2023). [Grifou-se]. APELAÇÃO CÍVEL EM AÇÃO DE BUSCA E APREENSÃO. SENTENÇA RECORRIDA QUE EXTINGUIU O FEITO SEM RESOLUÇÃO DE MÉRITO COM FUNDAMENTO NO ART.485, I DO CPC. AUTOR QUE NÃO EMENDOU A INICIAL MESMO TENDO SIDO INTIMADO PARA TANTO. CORRESPONDÊNCIA NÃO ENTREGUE NO ENDEREÇO DO DEVEDOR. AVISO DE RECEBIMENTO COM OBSERVAÇÃO DE "NÃO PROCURADO". NOTIFICAÇÃO CONSIDERADA REGULAR. MORA DO DEVEDOR COMPROVADA. RECURSO CONHECIDO E PROVIDO. SENTENÇA REFORMADA. 1. A controvérsia recursal consiste em analisar se a notificação extrajudicial enviada para o endereço indicado no contrato e devolvida ao remetente com a observação "não procurado", bem como o protesto do título anterior ao ajuizamento da ação de busca e apreensão são documentos hábeis para comprovar a constituição do devedor em mora, nos termos do Decreto-Lei nº. 911/69. 2. Na espécie, entendeu o juízo a quo que o recorrente, mesmo devidamente intimado na pessoa de seu representante legal, não cumpriu as diligências que lhe competia no prazo que lhe fora assinado de 15 (quinze) dias, no sentido de comprovar a notificação extrajudicial válida, na forma do art. 2º, § 2º, do Decreto-Lei nº 911/69. 3. Sobre o tema em apreço, deve-se destacar que, a demanda de busca e apreensão de bem objeto de alienação fiduciária em garantia, procedimento especial regulado em legislação extravagante, a comprovação da mora integra o interesse processual do credor fiduciário. É o que se extrai, em última análise, do artigo 3º, 'caput', do Decreto-lei n. 911/69, com redação dada pela Lei n. 13.043/2014: "o proprietário fiduciário ou credor poderá, desde que comprovada a mora, na forma estabelecida pelo § 2º do art. 2º, ou o inadimplemento, requerer contra o devedor ou terceiro a busca e apreensão do bem alienado fiduciariamente, a qual será concedida liminarmente, podendo ser apreciada em plantão judiciário". 4. Interpretando esse dispositivo, ambas as Turmas da 2ª Seção do Superior Tribunal de Justiça, que têm competência para o julgamento da matéria, pacificaram o entendimento de que o envio da notificação ao endereço do devedor fiduciante constante do contrato é suficiente para demonstração da mora, mesmo havendo devolução do Aviso de Recebimento (AR), pois não é necessário o efetivo recebimento da correspondência pela pessoa do devedor. 5. Neste passo, a Segunda Seção do Superior Tribunal de Justiça, ao julgar o Recurso Especial nº 1.951.662/RS, submetido ao regime dos recursos repetitivos, concluiu aprovando a seguinte tese no Tema 1.132: "Para a comprovação da mora nos contratos garantidos por alienação fiduciária, é suficiente o envio de notificação extrajudicial ao devedor no endereço indicado no instrumento contratual, dispensando-se a prova do recebimento, quer seja pelo próprio destinatário, quer por terceiros." 6. Nesse contexto, constata-se que basta o envio da notificação ao endereço do devedor fiduciante constante do contrato e não é necessário o efetivo recebimento da correspondência por ele, então é lógico que pouco importa o motivo da devolução anotado no AR, se "mudou-se", "endereço insuficiente", "não procurado", "não existe o número", "desconhecido", "recusado" ou "outro". 7. Feitas tais ponderações, no caso vertente, a notificação (fls. 29) foi devidamente enviada ao endereço informado pelo devedor fiduciante no contrato (fls. 20/26), tendo o AR sido devolvido com a observação "não procurado (fls. 29) e, na forma da jurisprudência já mencionada, isso é o suficiente para comprovar a mora. 8. Recurso conhecido e provido. Sentença cassada. (Apelação Cível - 0200840-86.2023.8.06.0160, Rel. Vale pontuar que não merece amparo o pleito de restituição dos valores pagos pela ré / apelante, visto que, no contrato de financiamento de veículo, em havendo inadimplência do devedor fiduciário, as prestações pagas – junto com o valor arrecadado pela futura alienação extrajudicial do veículo – serão utilizadas para quitar a dívida contraída, sendo inviável a restituição do numerário, salvo se, com a sua venda, sobrevier saldo excedente, o que exige análise em ação própria (REsp: 1866230 SP 2019, Relator: Ministra NANCY ANDRIGHI, T3 - TERCEIRA TURMA, DJe 28/09/2020; AgInt no AREsp: 2324008 MS 2023/0095526-6, Relator.: Ministro RAUL ARAÚJO, T4 - QUARTA TURMA, DJe 08/09/2023). V. Das custas e dos honorários de sucumbência. Por fim, cumpre frisar que as custas processuais e os honorários advocatícios constituem consectários legais da condenação da parte vencida, decorrendo diretamente do princípio da sucumbência. Assim, inobstante a parte vencida seja beneficiária da justiça gratuita, tais encargos devem ser formalmente aplicados, ressaltando-se apenas a suspensão de sua exigibilidade (art. 98, §3º, do CPC). Em virtude disso, não prospera o pleito de exclusão dos respectivos encargos. VI. 	Contrato ajuizada pela recorrente contra Banco Votorantim S/A. QUESTÃO EM DISCUSSÃO: RAZÕES DE DECIDIR: 3. No caso concreto, trata-se de uma cédula de crédito bancário, celebrada em 17/11/2022, cujo valor financiado foi de R\$ 32.290,56 (trinta e dois mil, duzentos e noventa reais e cinquenta e seis centavos), a ser paga em 48 (quarenta e oito) parcelas mensais de R\$1.342,00 (mil e trezentos e quarenta e dois reais), em que a taxa de juros remuneratórios pactuada foi de 3,22% ao mês e 46,33% ao ano, enquanto a taxa média divulgada pelo BACEN, para as operações de crédito para pessoas físicas vinculado à aquisição de veículos (séries 25471 e 20749), no período (novembro), era respectivamente de 2,06% ao mês e 27,65% ao ano. 4. Como é possível constatar, a taxa de juros anual pactuada supera em 18,68 pontos percentuais da referida taxa média de mercado para o tipo de operação gerando, a priori, uma desvantagem à consumidora. Assim, a diferença entre a taxa contratada e a média praticada pelo mercado para o mesmo tipo de operação é significativamente discrepante, revelando-se abusiva a cláusula que estipula as taxas de juros remuneratórios do contrato questionado, vez que ultrapassa – e muito – a margem de tolerância adotada por esta e. Primeira Câmara de Direito Privado, de cinco pontos percentuais. Por isso, a taxa contratada deve ser reduzida para a média divulgada pelo Banco Central do Brasil. Uma vez reconhecida a abusividade quanto a taxa de juros remuneratórios, entendo que deve haver uma compensação entre os valores devidos pelo consumidor e o que será pago pela instituição financeira a fim de evitar enriquecimento sem causa.

Quanto à capitalização dos juros, a orientação do c. STJ é de que “é permitida a capitalização de juros com periodicidade inferior à anual em contratos celebrados com instituições integrantes do Sistema Financeiro Nacional a partir de 31/3/2000 (MP nº 1.963-17/2000, reeditada como MP n. 2.170-36/2001), desde que expressamente pactuada”, e de que “a previsão no contrato bancário de taxa de juros anual superior ao duodécuplo da mensal é suficiente para permitir a cobrança da taxa efetiva anual contratada.” (Súmulas nº 539 e 541). 6. Em análise à cédula bancária (fl. 4, ID 27098766), verifica-se na cláusula “Promessa de Pagamento”, a previsão de que o cliente “Prometo pagar ao BV, na praça da sua sede, ou à sua ordem, nas respectivas datas de vencimento, a dívida em dinheiro, certa, líquida e exigível correspondente ao Valor Total do Crédito (item F.6.) acrescidos dos juros remuneratórios (item I) capitalizados diariamente sendo que os juros já estão incorporados no Valor da Parcela (item F.5)”. &#160; Já no campo “F – Dados do Financiamento” (fl. 1, ID 27098766), nas condições específicas do contrato, observa-se que foram discriminadas apenas as taxas de juros mensal e anual, de 3,22% a.m. e 46,33% a.a, respectivamente. (item F.4). A respeito disso, a Segunda Seção do c. STJ assentou posicionamento no sentido de que não basta previsão da periodicidade da capitalização de juros no contrato, sendo necessária a expressa indicação da taxa aplicável, sob pena de violação do dever de informação imposto ao fornecedor. Logo, havendo previsão no contrato firmado entre as partes da incidência de capitalização diária de juros, mas inexistindo cláusula mencionando a taxa aplicável, resta configurada a violação ao dever de informação e a abusividade da referida cláusula. 7. No caso, tendo sido constatada abusividade nos encargos exigidos no período da normalidade contratual, impõe-se reconhecer descaracterizada a mora e seus efeitos. Por ter sido reconhecida abusividade nas cláusulas contratuais que preveem juros capitalizados diariamente e cobrança da tarifa de avaliação do bem, nasce para a contratante o direito à restituição dos valores indevidamente pagos. Assim, considerando a modulação temporal dos efeitos da decisão contida no EAREsp nº 676.608/RS, somente os valores pagos após a data da publicação do acórdão em que fixado o precedente (30/03/2021), deverão ser restituídos em dobro. É o caso dos autos, tendo em vista que o instrumento contratual em discussão foi entabulado em novembro de 2022. 8. Sobre a matéria, “a procedência dos pedidos formulados em ação revisional de contrato bancário possibilita tanto a compensação de créditos quanto a devolução da quantia paga indevidamente, em obediência ao princípio que veda o enriquecimento ilícito”. (AgInt no REsp 1679635/PR, Rel. Ministro ANTÔNIO CARLOS FERREIRA, QUARTA TURMA, julgado em 10/08/2020, DJe 14/08/2020). Portanto, devida a compensação de valores, a ser devidamente apurada em sede de liquidação de sentença. 9. Quanto à tarifa de cadastro, conforme orientação da Súmula nº 566 do STJ, “Nos contratos bancários posteriores ao início da vigência da Resolução-CMN nº

Processo	3001497-22.2025.8.06.0117
	3.518/2007, em 30/4/2008, pode ser cobrada a tarifa de cadastro no início do relacionamento entre o consumidor e a instituição financeira". É o caso dos autos, tendo em vista que o instrumento contratual em discussão foi entabulado em novembro de 2022 e não há notícia de relação jurídica prévia. 10. Sobre as tarifas de registro de contrato e avaliação do bem, no julgamento do Tema 958 pelo Superior Tribunal do Justiça, no REsp 1.578.553/SP, em 28.11.2018, de relatoria do Ministro Paulo de Tarso Sanseverino, restou consolidado o entendimento da validade da contratação, ressalvado o reconhecimento de abusividade da cobrança por serviço não efetivamente prestado e a possibilidade de controle da onerosidade excessiva, em cada caso concreto. No caso em comento, observa-se que a própria parte autora anexou o CRLV (Id 27098767), que comprova o registro do contrato de financiamento junto ao órgão público de trânsito, pois há anotação do gravame (alienação fiduciária). Em relação à tarifa de avaliação, o restou comprovado pela requerida/apelada que este serviço foi realmente efetivado, posto que o Banco promovido anexou o termo de avaliação do veículo no ID 27098784. 11. No tocante ao seguro prestamista, extrai-se que houve a oportunidade de escolha da contratação pela consumidora/apelante, eis que o contrato de seguro foi firmado em apartado, em instrumento de adesão próprio, conforme ID 27098766. Nele, inclusive, há a declaração de que a contratação é opcional e que é facultado à seguradora o cancelamento a qualquer tempo. Logo, conclui-se que não houve venda casada e que a cobrança não é abusiva, rejeitando, por consectário, sua restituição à apelante. 12. No que concerne à cobrança de comissão de permanência, não se encontra tal encargo na cláusula contratual que dispõe sobre o atraso de pagamento. Assim, exsurge a falta de interesse de agir do autor/apelante, neste ponto. IV) DISPOSITIVO: 13. Recurso conhecido e parcialmente provido. Sentença reformada em parte. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acordam os membros da Primeira Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, à unanimidade de votos, em conhecer do recurso para lhe dar parcial provimento, nos termos do voto do Desembargador Relator. Da preliminar de ausência de interesse recursal O apelado Banco Votorantim S/A aduz que o apelo da autora não deve ser conhecido em razão da ausência de interesse recursal quanto à nulidade da cláusula que prevê a comissão de permanência, posto que no contrato impugnado inexistente qualquer cláusula prevista neste sentido. APELAÇÃO CONHECIDA E PARCIALMENTE PROVIDA. 1. No que tange ao argumento de que a ação foi julgada sem que fosse realizada instrução probatória, a contrario sensu do que fundamenta o recorrente, em hipóteses como a dos autos não há necessidade de realização de prova pericial contábil, haja vista a inexistência de questão de indagação de alta complexidade para a resolução da lide. Com efeito, a declaração da existência ou não de ilegalidades no contrato, sobretudo aquelas que dizem respeito à cobrança de juros remuneratórios, da presença de anatocismo, cobrança de tarifas, e outras, não prescinde de conhecimento técnico, posto que a matéria é de cunho eminentemente de direito e resolve-se por simples leitura do contrato. 2. Com relação à capitalização de juros, segundo o STJ, para cobrá-la é necessário apenas que a taxa de juros anual seja superior a doze vezes (duodécuplo) a taxa mensal fixada no contrato, circunstância presente aos autos, porquanto, a soma dos juros mensais de 2,95%, totaliza o percentual anual de 35,40%, inferior ao percentual cobrado ao ano de 41,73%. (fl. 63) 3. Os juros no percentual apontado no contrato, de 41,73% ao ano, ostentam caráter de abusividade, na medida em que discrepam, significativamente, da taxa média de mercado para o caso de aquisição de veículo para pessoa física no período da contratação (março/2023), consoante extraí do site do Banco Central do Brasil, que apontou o percentual de 28,58% ao ano para aquele interregno, ou seja, uma diferença superior a 5% (cinco por cento) entre a taxa média de mercado e a taxa contratual, percentual este considerado como suficiente para autorizar a revisão contratual conforme entendimento consolidado na ambiência da Primeira Câmara de Direito Privado. 4. Como visto, houve a cobrança abusiva de juros remuneratórios no período da normalidade do contrato, o que acarreta como consequência a descaracterização da mora, consoante a sólida, estável, firme, jurisprudência do colendo Superior Tribunal de Justiça (STJ) sobre este assunto, no sentido de que uma cobrança de encargos abusivos no período da normalidade enseja a descaracterização da mora. (AgInt no AREsp 1118462/RS, Rel. Ministro MARCO AURÉLIO BELLIZZE, TERCEIRA TURMA, julgado em 20/02/2018, DJe 01/03/2018) 5. Na hipótese de inadimplemento, o contrato não exige a cobrança de comissão de permanência, o que prostra ao solo o argumento da existência de cumulação desse encargo com outras verbas moratórias (cl. 14, fl. 70) 6. 	compostos com periodicidade inferior a um ano. Entretanto, os contratos bancários figuram como exceção, conforme art. 5º da Medida Provisória nº 2.170-36, segundo o qual nas operações realizadas pelas instituições integrantes do Sistema Financeiro Nacional, é admissível a capitalização de juros com periodicidade inferior a um ano. Isto é corroborado pelo entendimento sumulado do Superior Tribunal de Justiça, enunciado nº 539, segundo o qual “É permitida a capitalização de juros com periodicidade inferior à anual em contratos celebrados com instituições integrantes do Sistema Financeiro Nacional a partir de 31/3/2000 (MP nº 1.963-17/2000, reeditada como MP n. 2.170-36/2001), desde que expressamente pactuada” Assim, é entendimento consolidado no STJ a admissibilidade da capitalização dos juros em periodicidade inferior à anual em contratos firmados com instituição financeira, se expressamente pactuada. Porém, no caso em tela, em que pese a previsão da capitalização dos juros no contrato celebrado entre as partes, a cláusula se mostra abusiva. Explico, a seguir. Em análise à cédula bancária (fl. 4, ID 27098766), verifica-se na cláusula “Promessa de Pagamento”, a previsão de que o cliente “Prometo pagar ao BV, na praça da sua sede, ou à sua ordem, nas respectivas datas de vencimento, a dívida em dinheiro, certa, líquida e exigível correspondente ao Valor Total do Crédito (item F.6.) acrescidos dos juros remuneratórios (item I) capitalizados diariamente sendo que os juros já estão incorporados no Valor da Parcela (item F.5)”. (item F.4).
 A respeito disso, a Segunda Seção do c. STJ assentou posicionamento no sentido de que não basta previsão da periodicidade da capitalização de juros no contrato, sendo necessária a expressa indicação da taxa aplicável, sob pena de violação do dever de informação imposto ao fornecedor. SENTENÇA REFORMADA EM PARTE. I. CASO EM EXAME Apelação cível interposta contra sentença que julgou improcedentes os pedidos formulados na ação revisional ajuizada pela parte autora. O autor/recorrente alega a abusividade da capitalização diária de juros, pela ausência de informação clara sobre a taxa diária, e pleiteia a descaracterização da mora, além da restituição em dobro de valores pagos indevidamente. Há quatro questões em discussão: (i) analisar as preliminares de violação à dialeticidade e impugnação à justiça gratuita suscitadas pela parte recorrida; (ii) definir se a ausência de previsão expressa da taxa diária de juros no contrato bancário torna abusiva a capitalização diária de juros; (iii) estabelecer se a mora do devedor pode ser descaracterizada em razão da cobrança abusiva e (iv) se é cabível compensação de créditos e a restituição em dobro dos valores pagos indevidamente. >A ausência de previsão expressa da taxa diária de juros remuneratórios no contrato, apesar de pactuada a capitalização diária, viola o dever de informação imposto pelo Código de Defesa do Consumidor, conforme entendimento consolidado no REsp 1.826.463/SC, do STJ. A cobrança de encargos abusivos durante o período de normalidade contratual enseja a descaracterização da mora do devedor, conforme jurisprudência pacífica do Superior Tribunal de Justiça (STJ), conforme REsp 1.639.320/SP e REsp 1.639.259/SP. A restituição em dobro de valores pagos indevidamente, conforme previsto no art. 42, parágrafo único, do Código de Defesa do Consumidor (CDC), é cabível quando a cobrança indevida se der em violação à boa-fé objetiva, conforme decidido pelo STJ no EAREsp 676.608/RS, cuja eficácia temporal dessa decisão foi restringida para contratos posteriores a data 30/03/2021. >Preliminares rejeitadas. Primeira tese: A restituição em dobro do indébito (parágrafo único do artigo 42 do CDC) independe da natureza do elemento volitivo do fornecedor que realizou a cobrança indevida, revelando-se cabível quando a referida cobrança consubstanciar conduta contrária à boa-fé objetiva. Segunda tese: A ação de repetição de indébito por

	cobrança de valores referentes a serviços não contratados promovida por empresa de telefonia deve seguir a norma geral do prazo prescricional decenal, consoante previsto no artigo 205 do Código Civil, a exemplo do que decidido e sumulado no que diz respeito ao lapso prescricional para repetição de tarifas de água e esgoto (Súmula 412/STJ). Modulação dos efeitos: Modulam-se os efeitos da presente decisão - somente com relação à primeira tese - para que o entendimento aqui fixado quanto à restituição em dobro do indébito seja aplicado apenas a partir da publicação do presente acórdão. A modulação incide unicamente em relação às cobranças indevidas em contratos de consumo que não envolvam prestação de serviços públicos pelo Estado ou por concessionárias, as quais apenas serão atingidas pelo novo entendimento quando pagas após a data da publicação do acórdão. (EAREsp 676.608/RS, Rel. Ministro OG FERNANDES, CORTE ESPECIAL, julgado em 21/10/2020, DJe 30/03/2021). GN. Assim, considerando a modulação temporal dos efeitos da decisão contida no EAREsp nº 676.608/RS, somente os valores pagos após a data da publicação do acórdão em que fixado o precedente (30/03/2021), deverão ser restituídos em dobro. É o caso dos autos, tendo em vista que o instrumento contratual em discussão foi entabulado em novembro de 2022. Ademais, no caso, tendo sido constatada abusividade nos encargos exigidos no período da normalidade contratual, impõe-se reconhecer descaracterizada a mora e seus efeitos. Sobre a matéria, a procedência dos pedidos formulados em ação revisional de contrato bancário possibilita tanto a compensação de créditos quanto a devolução da quantia paga indevidamente, em obediência ao princípio que veda o enriquecimento ilícito. (AgInt no REsp 1679635/PR, Rel. Ministro ANTÔNIO CARLOS FERREIRA, QUARTA TURMA, julgado em 10/08/2020, DJe 14/08/2020). Portanto, devida a compensação de valores, a ser devidamente apurada em sede de liquidação de sentença.

	contratos celebrados a partir de 25/02/2011, data de entrada em vigor da Res.-CMN 3.954/2011, sendo válida a cláusula no período anterior a essa resolução, ressalvado o controle da onerosidade excessiva; 2.3. Validade da tarifa de avaliação do bem dado em garantia, bem como da cláusula que prevê o ressarcimento de despesa com o registro do contrato, ressalvadas a: 2.3.1. abusividade da cobrança por serviço não efetivamente prestado; e a 2.3.2. possibilidade de controle da onerosidade excessiva, em cada caso concreto. Portanto, restou consolidado o entendimento da validade da contratação da tarifa de avaliação do bem e da tarifa de registro de contrato, ressalvado o reconhecimento de abusividade da cobrança por serviço não efetivamente prestado e a possibilidade de controle da onerosidade excessiva, em cada caso concreto. No caso em tela, observa-se que a própria parte autora anexou o CRLV (ID 27098767), que comprova o registro do contrato de financiamento junto ao órgão público de trânsito, pois há anotação do gravame (alienação fiduciária). Em relação à tarifa de avaliação, o restou comprovado pela requerida apelada que este serviço foi realmente efetivado, posto que o Banco promovido anexou o termo de avaliação do veículo no ID 27098784. [...] No caso dos autos, restou demonstrado que o banco efetuou a cobrança da Tarifa de Cadastro no início do relacionamento com o cliente, conforme se vê do contrato. Assim, não há dúvida quanto a legitimidade da cobrança da aludida tarifa. No mais, o valor praticado pela instituição financeira não apresenta-se excessivo, porquanto verifica-se que o banco cobrou valor condizente com a média cobrada pelos bancos privados (conforme previsto no endereço eletrônico www.bcb.gov.br/fis/tarifas/htms/tarifdwl.asp). Da tarifa de avaliação de bem e Tarifa de Registro de Contrato: o Superior Tribunal de Justiça, quando do julgamento do Recurso Repetitivo REsp 1.578.553/SP (Tema repetitivo 958/STJ), fixou a seguinte tese “Validade da tarifa de avaliação do bem dado em garantia, bem como da cláusula que prevê o ressarcimento de despesa com o registro do contrato, ressalvadas a: 2.3.1. abusividade da cobrança por serviço não efetivamente prestado; e a 2.3.2. possibilidade de controle da onerosidade excessiva, em cada caso concreto”. 	1720/2025 (DJEa, de 9 de julho de 2025) (id. 2614679). É o relatório. VOTO Conheço do recurso, eis que presentes os pressupostos de admissibilidade. O cerne da pretensão recursal consiste em examinar a possibilidade de manutenção do bloqueio de valores que constituiriam verba impenhorável, com fulcro no artigo 833, inciso X, do Código de Processo Civil. Sobre a matéria em análise, é pertinente examinar as normas processuais constantes no artigo 833 da Lei Adjetiva Civil em vigor, com ênfase nos seguintes dispositivos: Art. 833. São impenhoráveis: [...] X - a quantia depositada em caderneta de poupança, até o limite de 40 (quarenta) salários mínimos; [...] O disposto nos incisos IV e X do caput não se aplica à hipótese de penhora para pagamento de prestação alimentícia, independentemente de sua origem, bem como às importâncias excedentes a 50 (cinquenta) salários-mínimos mensais, devendo a constrição observar o disposto no art. 528, § 8º, e no art. 529, § 3º. [Grifei]. O atual posicionamento do c. Superior Tribunal de Justiça referenda a impenhorabilidade de quaisquer quantias até o valor equivalente a 40 salários mínimos, seja em conta poupança, conta corrente ou aplicações financeiras, presumindo-se necessárias ao sustento do devedor e familiares. Segundo a referida Corte, a impenhorabilidade em debate não se restringe às contas poupança, abrangendo quaisquer contas bancárias relacionadas à segurança do sustento do titular e à formação do seu patrimônio mínimo, ressalvadas situações de abuso, má-fé ou fraude. O STJ também é firme no entendimento segundo o qual a simples movimentação atípica apurada pelas instâncias ordinárias, por si só, não constitui má-fé ou fraude a ensejar a mitigação da impenhorabilidade estabelecida pelo artigo 833, inciso X, do Código de Processo Civil. Neste sentido: AGRAVO INTERNO. RECURSO ESPECIAL. PROCESSUAL CIVIL. PENHORA DE CONTA CORRENTE. LIMITE DE IMPENHORABILIDADE DO VALOR CORRESPONDENTE A 40 (QUARENTA) SALÁRIOS MÍNIMOS. 	do argumento de que as verbas bloqueadas possuem, de fato, natureza salarial e remuneratória (salário e auxílios). Não há indícios sequer da configuração de reserva financeira ou de investimentos, levando o aparato fático atualmente apresentado a entender que os valores bloqueados constituem recursos correntes voltados exclusivamente para a manutenção do agravado e o sustento da família. A o par disso, ainda que não fosse suficientemente demonstrada a natureza salarial dos recursos constrictos, impende ressaltar que a soma dos saldos das contas bloqueadas, por vezes equivalente a R\$ 476,78 cada, tende a ir de encontro ao disposto no já citado artigo 833, inciso X, do CPC, e ao sólido entendimento do Tribunal da Cidadania no sentido da impenhorabilidade de quaisquer quantias até o valor equivalente a 40 salários mínimos (inclusive as depositadas em contas correntes). AGRAVADO: A2 FOMENTO MERCANTIL LTDA. EMENTA: AGRAVO DE INSTRUMENTO. EMBARGOS À EXECUÇÃO. EFEITO SUSPENSIVO. CHEQUE ALEGADAMENTE FRAUDULENTO. AUSÊNCIA DE GARANTIA DA EXECUÇÃO. IMPOSSIBILIDADE DE CONCESSÃO DE EFEITO SUSPENSIVO. REQUISITOS DO ART. 919, §1º DO CPC. AGRAVO INTERNO PREJUDICADO. 1) CASO EM EXAME 1. Trata-se de Agravo de Instrumento interposto por Nordestina Indústria Comércio e Serviços de Equipamentos para Refrigeração Ltda e HBX Participações S/A contra decisão que indeferiu efeito suspensivo aos embargos à execução ajuizados em face de A2 Fomento Mercantil Ltda. O juízo a quo entendeu que a alegação de fraude no cheque deveria ser analisada oportunamente nos embargos à execução, não sendo possível a suspensão do processo na fase atual. Os

	agravantes sustentam fraude na emissão e endosso do cheque, devolvido pelo motivo 22, e pleiteiam efeito suspensivo independentemente de garantia da execução. II) QUESTÃO EM DISCUSSÃO 2. O ponto controvertido consiste em verificar se estão presentes os requisitos legais para concessão de efeito suspensivo aos embargos à execução, especialmente considerando a ausência de garantia da execução e a alegada fraude na emissão do cheque que lastreia a ação executiva. III) RAZÕES DE DECIDIR 3. O art. 919, § 1º, do CPC, condiciona a concessão de efeito suspensivo aos embargos à execução à presença dos requisitos para tutela provisória e à garantia da execução por penhora, depósito ou caução suficientes. No caso, não há garantia oferecida pelas agravantes, impedindo a suspensão da execução. 4. A alegação de hipossuficiência financeira foi apresentada apenas em agravo interno, o que constitui inovação recursal, devendo ser desconsiderada por violação ao princípio da unicidade recursal. A suposta fraude no cheque depende de dilação probatória e não pode ser apreciada em sede de cognição sumária do agravo de instrumento. 5. Requisitos da tutela provisória não preenchidos. IV) DISPOSITIVO 6. Recurso de Agravo de Instrumento conhecido e desprovido. Agravo Interno prejudicado. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do Agravo de Instrumento para lhe negar provimento, bem como para julgar prejudicado o Agravo Interno, nos termos do voto do relator. Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente/Relator RELATÓRIO Cuida-se de Agravo de Instrumento interposto por Nordestina Indústria Comércio e Serviços de Equipamentos para Refrigeração Ltda. e HBX Participações S/A em face de decisão final proferida nos autos dos Embargos à Execução nº 0211604-26.2023.8.06.0001 (IDs 135585385 e 95664267), que foram ajuizados pelas ora agravantes contra A2 Fomento Mercantil Ltda. Na decisão combatida (ID 135585385), que apreciou os embargos de declaração que foram opostos por Nordestina Indústria

	Comércio e Serviços de Equipamentos para Refrigeração Ltda, foi esclarecido que, na decisão de ID 95664267, não fora concedido o efeito suspensivo pleiteado nos embargos à execução. Além disso, o juízo <i>asseverou</i> que “a questão referente à alegada fraude no cheque, que lastreia a execução, não seria objeto de análise neste momento, uma vez que a mesma deveria ser oportunamente apreciada durante o andamento dos embargos de execução, com a produção das provas pertinentes.” Assim, argumenta que, com base no poder geral de cautela, deve ser concedida a liminar para conceder efeito suspensivo aos embargos à execução, independentemente de a ação estar ou não garantida por penhora, caução ou depósito. Sem preparo recursal, em virtude da gratuidade judiciária concedida pelo juízo de primeiro grau (ID 95664267). Na decisão interlocutória (ID 19451587), indeferi o pleito de efeito suspensivo a este recurso. Contrarrazões recursais foram apresentadas no ID 20212420, alegando-se, preliminarmente, a impossibilidade de concessão de efeito suspensivo aos embargos à execução pela ausência de garantia do juízo. Em seguida, quanto ao mérito, alegou que o título executivo se reveste de todos os requisitos de formalidade, razão pela qual a ação executiva deve ter seu curso continuado. Assim, pugnou pelo desprovemento do recurso. Interposição de agravo interno contra a decisão anterior (ID 20343136), em que as agravantes, Nordeste Indústria Comércio e Serviços de Equipamentos para Refrigeração Ltda e HBX Participações S/A, alegam que as empresas têm passado por situação de dificuldade financeira que as tem impedido de exercer por completo a sua atividade empresarial. Diante disso, requerem que seja afastada a exigência da garantia da execução, conforme autorizado pelo § 1º do art. 919 do CPC. Não foram oferecidas contrarrazões ao Agravo Interno, conforme certificado nos autos. É o relatório. VOTO

	919 do CPC, impede a concessão de efeito suspensivo ao embargos à execução. &#160; Dito isso, despiciendo analisar a questão trazida pelos agravantes a respeito da suposta fraude na emissão do título de crédito, tendo em vista que, além da probabilidade do direito e o perigo de dano, a execução deve estar suficientemente garantida para que seja suspensa por meio dos embargos. &#160; De mais a mais, note-se que a matéria alegada pelos embargantes nos autos originários, relativa à falsidade na assinatura aposta no cheque, depende de dilação probatória para ser aferida, a qual, em sede de cognição sumária, própria do agravo de instrumento, tem sua verificação prejudicada. &#160; Diante disso, conheço do presente recurso para lhe negar provimento, mantendo a decisão interlocutória de primeiro grau em todos os seus termos. &#160; Fica prejudicado o julgamento do Agravo Interno, em virtude do julgamento concomitante do recurso principal. &#160; Comunique-se ao d. juízo singular sobre os termos deste julgamento, para os devidos fins. &#160; É como voto. &#160; Fortaleza, data da assinatura digital. &#160; DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO &#160; Relator &#160; &#160; &#160;

	Tribunal que, nos autos da Apelação Cível nº 0257233-86.2024.8.06.0001, deu provimento ao recurso, reconhecendo a inexistência de prescrição, cassando a sentença de 1º grau e determinando o retorno dos autos ao Juízo de origem para regular processamento da demanda (id. 23210420). Em suas razões, o embargante aponta vício de omissão no julgado pugnando pelo acolhimento dos aclaratórios para que esta Corte se pronuncie sobre os pontos suscitados, inclusive para fins de prequestionamento perante as instâncias superiores. Sem contrarrazões. É o relatório. VOTO Conheço destes Embargos Declaratórios, eis que presentes os pressupostos de admissibilidade. Nos termos do art. 1.022, do Código de Processo Civil, a interposição do recurso em comento condiciona-se à presença de obscuridade, contradição ou omissão no julgado, impondo-se o seu acolhimento quando algum desses vícios estiver configurado. Extraí-se o teor do referido dispositivo legal: I - esclarecer obscuridade ou eliminar contradição; II - suprir omissão de ponto ou questão sobre o qual devia se pronunciar o juiz de ofício ou a requerimento; III - corrigir erro material. Com efeito, a omissão deve ser considerada quando o juiz ou tribunal omite-se em relação a ponto sobre o qual deveria pronunciar-se. Isso não significa que o julgador esteja obrigado a responder a todas as alegações das partes, nem a rebater todos os seus argumentos, basta que expresse os motivos que reputa suficientes à conclusão. Os fundamentos em que se baseia para decidir de uma ou outra forma constituem a motivação, requisito essencial à validade do julgamento. Já a contradição que os embargos de declaração se propõem a sanar deve ser a interna, verificada no corpo textual do acórdão, que apresente incoerência entre os fundamentos expostos ou entre estes e a parte dispositiva do julgado. A obscuridade, por sua vez, corresponde à falta de clareza do texto. Essa somente fica caracterizada quando, por qualquer motivo, é prejudicada a compreensão da decisão judicial.

	style="font-size: 14pt;">O erro material que autoriza o cabimento dos Embargos de Declaração é aquele relativo a equívoco ou inexatidão relacionado a aspectos objetivos, afastando-se, portanto, a questão acerca do posicionamento/entendimento do julgado. Ademais, o presente recurso não possui, pois, como regra, caráter substitutivo, modificador ou infringente quanto ao acórdão embargado, mas sim, aspecto integrativo ou aclaratório. Não é matéria dos embargos de declaração, portanto, o inconformismo da parte com o resultado obtido. Pois bem. No caso dos autos, verifica-se que o julgado supracitado não incorreu em quaisquer vícios conforme alega o embargante, devendo os embargos serem rejeitados, sob pena de rediscussão da matéria já amplamente analisada durante o processo, o que, conforme o ordenamento jurídico pátrio e, na esteira de decisões dos tribunais pátrios, tem-se como inviável. Com efeito, alega o recorrente que o decisum recorrido porta vício de omissão no julgado. Aduz que é de rigor o reconhecimento da prescrição do caso posto em tela, já que a presente demanda foi ajuizada em 03/08/2024, cerca de 21 anos após o saque realizado (04/04/2003). Em que pese o esforço despendido pelo embargante, não se vislumbra, no acórdão embargado, quaisquer vícios, eis que, como se observa do decisório embargado, a matéria foi devidamente enfrentada, como se pode extrair da Ementa que ora segue transcrita: Ementa: Direito civil e processual civil. Recurso de apelação cível. Ação de indenização por danos materiais e morais. Diferença de valores na conta vinculada ao pasep. Prescrição inócurrente. Princípio da actio nata. actio nata. Prazo que flui a partir do momento em que a parte toma ciência inequívoca da ocorrência da irregularidade na sua conta vinculada do pasep (tema nº 1.150), quando do recebimento do extrato ou das microfilmagens. Retorno dos autos à vara de origem para o devido processamento e julgamento do litígio. Recurso conhecido e provido. Sentença cassada. Nesse viés, a matéria fora devidamente apreciada por esta Primeira Câmara de Direito Privado, tendo sido, inclusive, colacionado precedentes desta Câmara no mesmo sentido, com a finalidade de demonstrar que o início do prazo prescricional somente ocorreu na data em que o titular da conta toma ciência, comprovadamente, dos desfalques, ou seja, quando tem acesso aos extratos da conta PASEP, pois só então passa a conhecer o fato e a extensão de suas consequências, não sendo, desta forma, a partir do saque realizado. Tem-se, portanto, que os argumentos trazidos pelo embargante revelam clara tentativa de reexaminar matéria já discutida, não havendo quaisquer vícios a sanar.

Tem-se que, não ocorrendo nenhum dos vícios previstos no art. 1.022, do CPC, existe, além do intuito meramente prequestionador, o propósito de desdobramento, via embargos de declaração, de rediscutir matéria já decidida. Outrossim, é cediço que o art. 1.025 do CPC prevê a figura do prequestionamento ficto ou implícito, in verbis: Art. 1.025. Consideram-se incluídos no acórdão os elementos que o embargante suscitou, para fins de prequestionamento, ainda que os embargos de declaração sejam inadmitidos ou rejeitados, caso o tribunal superior considere existentes erro, omissão, contradição ou obscuridade. Logo, com a inserção do referido artigo no Código de Processo Civil de 2015, foi expressamente positivada a possibilidade do prequestionamento implícito, restando superada a necessidade de prequestionamento de toda a matéria como condição de admissibilidade recursal nos tribunais superiores. Os embargos de declaração somente são cabíveis quando houver na decisão obscuridade, contradição, omissão ou erro material, consoante dispõe o art. 1.022 do CPC/2015. 2. Ausente qualquer dos mencionados vícios, incabível a utilização de embargos de declaração para fins de prequestionamento de matéria constitucional, com o objetivo de permitir a interposição de recurso extraordinário. 3. Tratam os autos de apelação cível interposta por Banco Bradesco Financiamentos S/A em face da sentença proferida pelo juízo da 1ª Vara Cível da Comarca de Iguatu, que julgou parcialmente procedente a Ação de Indenização por Danos Materiais e Imateriais proposta por Marcília Fernandes da Costa. II. QUESTÃO EM DISCUSSÃO:&#160; 2. Cinge-se a controvérsia em analisar se acertada a sentença de parcial procedência dos pedidos na Ação de Indenização por Danos Materiais e Imateriais, que condenou a parte promovida, ora apelante, a restituir em dobro os valores pagos com as diárias do veículo no pátio à parte autora, ora apelada. III. RAZÕES DE DECIDIR:

Processo	0200229-15.2024.8.06.0091
	family: &quot;times new roman&quot;; times;">3.&#160; A Terceira Turma do Superior Tribunal de Justiça, no julgamento do RESP. 1657752 SP, entendeu que o credor fiduciário é o responsável pelo pagamento das despesas de remoção e estadia de veículos em pátio de propriedade privada, mesmo quando a apreensão dos bens não se deu a seu pedido ou por qualquer fato imputável a ele. No entanto, segundo o colegiado, o credor pode exercer o direito de regresso contra os devedores. </p><p style="text-align: justify;" dir="ltr"> 4. Nos autos, está devidamente comprovado que a liminar de busca e apreensão do veículo foi deferida no processo nº 0201450-67.2023.8.06.0091 (ID 18924437). Além disso, restou demonstrado que o banco informou o local de recolhimento do veículo para que a parte autora pudesse retirá-lo (fl. 2, ID 18924439 e ID 18924434). Por fim, os documentos de IDs 18924435, 18924438 e 18924440 comprovam que a parte autora efetuou o pagamento das despesas de estadia do veículo, viabilizando sua remoção </p><p style="text-align: justify;" dir="ltr"> 5.&#160; E é importante ter em vista, ainda, que os gastos com a guarda e a remoção do veículo alienado foram presumivelmente destinados à devida conservação do automóvel. Sem o abrigo e a diligência do pátio particular, a garantia provavelmente pereceria, e não se pode dizer que a empresa responsável pela manutenção do bem estaria obrigada a devolver o veículo sem qualquer contraprestação pelo serviço prestado.&#160; Dispensar o recorrente do pagamento dessas despesas implicaria em amparar judicialmente o locupletamento indevido do credor fiduciário, legítimo proprietário do bem depositado.&#160;</p><p style="text-align: justify;" dir="ltr"> 6. Portanto, ante a comprovada responsabilidade da instituição financeira pelas despesas oriundas da guarda do veículo, revela-se devida a restituição dos valores pagos pela promovente/apelada a título de diárias no pátio privado. Por conseguinte, tendo sido comprovado o dano material sofrido pela apelada, no que se refere à condenação para restituir em dobro os valores efetivamente descontados, oportuno destacar que o entendimento do Superior Tribunal de Justiça é que “a restituição em dobro do indébito (parágrafo único do artigo 42 do CDC) independe da natureza do elemento volitivo do fornecedor que cobrou valor indevido, revelando-se cabível quando a cobrança indevida consubstanciar conduta contrária à boa-fé objetiva.”(EAREsp n. 676.608/RS, relator Ministro Og Fernandes, Corte Especial, julgado em 21/10/2020, DJe de 30/03/2021). </p><p style="text-align: justify;" dir="ltr"> 7. Dessa forma, ao considerar que o veículo objeto da lide foi regularmente apreendido em 27/09/2023 e permaneceu depositado no pátio do banco por cerca de um mês, a decisão recorrida se encontra&#160; de acordo com a jurisprudência vigente em nosso ordenamento, a devolução dos valores descontados deve ocorrer em dobro, conforme deve ser apurado em fase de cumprimento de sentença. </p><p style="text-align: justify;" dir="ltr"> IV. 	S/A em face da sentença proferida pelo juízo da 1ª Vara Cível da Comarca de Iguatu, que julgou parcialmente procedente a Ação de Indenização proposta por Marcília Fernandes da Costa. Eis o dispositivo da referida sentença (ID 18924715): Ante o exposto, julgo parcialmente PROCEDENTE o pedido, nos termos do artigo 487, inciso I, do Código de Processo Civil, para condenar a parte promovida a restituir a parte autora, os valores pagos com as diárias do veículo no pátio, sendo o reembolso em dobro, corrigidas monetariamente pelo INPC, contados da data do desembolso, e acrescidas de juros moratórios de 1% ao mês, na forma simples, a partir da citação. Considerando a sucumbência recíproca, condeno as partes ao pagamento das custas processuais e honorários advocatícios, fixados no patamar de 10% (dez por cento) sobre o valor da causa, na proporção de 50% para cada. Suspensa a exigibilidade com a relação à autora, por ser beneficiária da gratuidade de justiça. Irresignada, a instituição financeira apelante interpôs o presente apelo (ID 18924717), insurgindo-se quanto à sua condenação a restituir, de forma simples ou em dobro, os valores pagos com as diárias do veículo no pátio. Pugna, assim, pelo provimento de seu recurso, a fim de que seja julgada improcedente a ação. Preparo recolhido, conforme comprovante de ID 18924719. Contrarrazões apresentadas no ID 18924723, pugnando pelo desprovisionamento da apelação. Realizada tentativa de mediação/conciliação no segundo grau (ID 25440079), não se obteve êxito. É o relatório. VOTO Registro que os pressupostos recursais – cabimento, legitimidade e interesse de recorrer, tempestividade, regularidade formal, inexistência de fato impeditivo ou extintivo do poder de recorrer – estão devidamente preenchidos no caso concreto, inexistindo quaisquer vícios que obstem o conhecimento do recurso. Cinge-se a controvérsia em analisar se acertada a sentença de parcial procedência, que condenou a parte promovida apelante a restituir em dobro os valores pagos com as diárias do veículo no pátio à parte autora apelada.

	apreensão dos bens não se deu a seu pedido ou por qualquer fato imputável a ele. No entanto, segundo o Colegiado, o credor pode exercer o direito de regresso contra os devedores. Perquirir acerca dos motivos que levaram à apreensão do veículo, ademais, não alteraria essa conclusão. Mesmo que a retenção do automóvel possa ser imputada ao devedor fiduciante, é certo que as despesas decorrentes da permanência do bem em pátio particular devem ser suportadas pelo credor fiduciário. Nos autos, está devidamente comprovado que a liminar de busca e apreensão do veículo foi deferida no processo nº 0201450-67.2023.8.06.0091 (ID 18924437). Além disso, restou demonstrado que o banco informou o local de recolhimento do veículo para que a parte autora pudesse retirá-lo (fl. 2, ID 18924439 e ID 18924434). Por fim, os documentos de IDs 18924435, 18924438 e 18924440 comprovam que a parte autora efetuou o pagamento das despesas de estadia do veículo, viabilizando sua remoção. É importante ter em vista, ainda, que os gastos com a guarda e a remoção do veículo alienado foram presumivelmente destinados à devida conservação do automóvel. Sem o abrigo e a diligência do pátio particular, a garantia provavelmente pereceria, e não se pode dizer que a empresa responsável pela manutenção do bem estaria obrigada a devolver o veículo sem qualquer contraprestação pelo serviço prestado. Dispensar o recorrente do pagamento dessas despesas implicaria em amparar judicialmente o locupletamento indevido do credor fiduciário, legítimo proprietário do bem depositado. Portanto, ante a comprovada responsabilidade da instituição financeira pelas despesas oriundas da guarda do veículo, revela-se devida a restituição dos valores pagos pela promovente/apelada a título de diárias no pátio privado. Por conseguinte, tendo sido comprovado o dano material sofrido pela apelada, no que se refere à condenação para restituir em dobro os valores efetivamente descontados, oportuno destacar que o entendimento do Superior Tribunal de Justiça é que “a restituição em dobro do indébito (parágrafo único do artigo 42 do CDC) independe da natureza do elemento volitivo do fornecedor que cobrou valor indevido, revelando-se cabível quando a cobrança indevida consubstanciar conduta contrária à boa-fé objetiva.” (EAREsp n. 676.608/RS, relator Ministro Og Fernandes, Corte Especial, julgado em 21/10/2020, DJe de 30/03/2021). A discussão foi apaziguada e decidida pelo c. STJ, resultando no entendimento de que a restituição em dobro do indébito seja aplicado apenas às cobranças indevidas realizadas a partir da publicação do acórdão que fixou a tese acima descrita, ou seja, 30 de março de 2021. Dessa forma, ao considerar que o veículo objeto da lide foi regularmente apreendido em 27/09/2023 e permaneceu depositado no pátio do Banco por cerca de um mês, a sentença se encontra de acordo com a jurisprudência vigente em nosso ordenamento jurídico e a devolução dos valores descontados deve ocorrer em dobro, conforme deve ser apurado em fase de cumprimento de sentença.

Ademais, sustentam que o alimentante/apelado, embora esteja desempregado, manteve vínculo empregatício formal até junho/2024 e que <em style="font-family: &quot;times new roman&quot;, times; font-size: large; text-indent: 8%;">a temporariedade da situação de desemprego não justifica a fixação dos alimentos em patamar tão reduzido, sobretudo considerando que o alimentante possui plenas condições de retornar ao mercado de trabalho ."</p> <p style="text-align: justify;"> &#160; 4. Da análise dos autos, observa-se que o alimentante/apelado trouxe aos autos extrato do CNIS de ID. n.º 19227456, que comprova a rescisão do seu contrato de trabalho em 12.06.2024, encontrando-se desempregado.&#160; Contudo, a situação de desemprego não é causa que por si só leve à redução dos alimentos, até porque a maioria da população brasileira trabalha na informalidade, cujos rendimentos não são conhecidos. O recorrido se encontra em plena idade produtiva e seguramente, tem condição de obter emprego e renda.&#160;</p> <p style="text-align: justify;"> &#160; 5. Os argumentos trazidos pelo alimentante/apelado limitam-se a sustentar que suas possibilidades não comportam a fixação dos aliment os em patamar superior ao estabelecido, sem, contudo, acostar lastro probatório suficiente a esse respeito. Isso infirma a probabilidade de sua incapacidade financeira,&#160;sobretudo ante a&#160;ausência de notícia de eventual obstáculo que dificulte ou impeça o recorrido de&#160;exercer outras atividades remuneradas.&#160; Nada obstante as alegações do apelado, é importante destacar que a jurisprudência pacificou o entendimento de que os alimentos devem ser fixados de forma a garantir o mínimo existencial do alimentando, o que, em regra, corresponde a 30% do salário mínimo, devendo os alimentos serem fixados em valor inferior apenas em casos excepcionais, o que não ficou comprovado neste processo.</p> <p style="text-align: justify;"> 6.&#160; Dessa forma, entende-se que o percentual fixado pela sentença recorrida&#160;não garante aos dois alimentandos/apelantes o mínimo existencial, razão pela qual os alimentos devem ser majorados para o valor correspondente a 30% (trinta por cento) do salário mínimo.&#160; conforme o esboço fático-jurídico acima explicitado.</p> <p align="justify"> IV) DISPOSITIVO</p> <p align="justify"> 7.&#160; Recurso conhecido e parcialmente provido.</p> <p align="justify"> &#160;

	do salário-mínimo. De início, ressalte-se que a família compõe um núcleo em relação ao qual o Estado relegou especial proteção, constituindo a base da estrutura social por representar a primeira instituição que orienta e fornece subsídios para instruir o desenvolvimento pessoal e profissional das crianças e dos adolescentes. É indiscutível que existe um grau de proteção elevado do instituto da família, na medida em que ela é responsável pelas primeiras impressões de mundo que as pessoas constroem, bem como constitui o pilar de sustentação moral e material de qualquer indivíduo. O art. 227, caput, da Constituição Federal, preleciona que a garantia dos direitos das crianças, dos jovens e adolescentes constitui o objetivo máximo da família, da sociedade e do Estado, com absoluta prioridade, do qual se extrai o princípio da solidariedade familiar, com reflexo nos arts. 1.566, inciso IV, e 1.694, caput, do Código Civil, que assim dispõem: Art. 1.566. São deveres de ambos os cônjuges: IV - sustento, guarda e educação dos filhos; Art. 1.694. Podem os parentes, os cônjuges ou companheiros pedir uns aos outros os alimentos de que necessitem para viver de modo compatível com a sua condição social, inclusive para atender às necessidades de sua educação. Tais proposições estão diretamente vinculadas ao desenvolvimento e à sobrevivência digna do menor (art. 1º, III, da CF/88), com amparo e orientação dos responsáveis pelo sustento, guarda e educação dos filhos. Para tanto, o Código Civil prevê que os alimentos devem ser fixados na proporção das necessidade do reclamante e dos recursos da pessoa obrigada, sem desfalque do necessário ao sustento desta (arts. 1.694, §1º, e 1.695, do CC). Veja-se: Art. 1.694. [...] § 1º Os alimentos devem ser fixados na proporção das necessidades do reclamante e dos recursos da pessoa obrigada. Art. 1.695. São devidos os alimentos quando quem os pretende não tem bens suficientes, nem pode prover, pelo seu trabalho, à própria manutenção, e aquele, de quem se reclama, pode fornecê-los, sem desfalque do necessário ao seu sustento. Portanto, dois aspectos são imprescindíveis na fixação da verba alimentar: a possibilidade do obrigado e a necessidade do beneficiado, tendo como vetor o princípio da proporcionalidade.

	size: large;"> Tal verba deve ser simultaneamente proporcional aos ganhos do alimentante e às necessidades do alimentando, sem se excluir qualquer um dos genitores de sua obrigação, tendo em vista o princípio da solidariedade, inerente ao Direito de Família. O conflito resume-se na possibilidade de redução do quantum fixado a título de alimentos pagos pelo genitor em favor da filha maior.&#160; 2. A obrigação alimentar é mutável, isto é, pode aumentar ou diminuir de acordo com as necessidades do alimentando ou os recursos do alimentante, no entanto, cada caso, deve ser avaliado individualmente com suas devidas peculiaridades. (Artigo 1.699 do CC).&#160;3. Incumbe ao autor provar que sua capacidade de contribuir com os alimentos em favor da alimentanda diminuiu considerável e involuntariamente, pois, na espécie, o ônus da prova é de quem o alega (Artigo 373, I, CPC/2015). 4. Sobre as consequências da revelia, a mitigação à sua eficácia deve prevalecer no caso concreto, vez que, o direito material em discussão é indisponível (artigo 345, II, CPC/2015). 5. A prova testemunhal demonstrou a mudança no cenário econômico do alimentante com redução na capacidade financeira, enquanto a promovida/alimentanda não desincumbiu do ônus de provar quanto a existência de fato impeditivo, modificativo ou extintivo do direito do autor (Art. 373, II, CPC/2015), pois sequer contestou ou apresentou prova no momento em que lhe fora dada a oportunidade. 6. Ademais, sustentam que o alimentante/apelado, embora esteja desempregado, manteve vínculo empregatício formal até junho/2024 e que " a temporariedade da situação de desemprego não justifica a fixação dos alimentos em patamar tão reduzido, sobretudo considerando que o alimentante possui plenas condições de retornar ao mercado de trabalho".</p><p style="text-align: justify; font-family: "Times New Roman";, font-size: medium; text-indent: 8%;"> Pois bem, compulsando minuciosamente os autos, entendo merecer reforma a sentença combatida. Explico a seguir.&#160;</p><p style="text-align: justify; font-family: "Times New Roman";, font-size: medium; text-indent: 8%;"> Da análise dos autos, observa-se que o alimentante/apelado trouxe aos autos extrato do CNIS de ID. n.º 19227456, que

	comprova a rescisão do seu contrato de trabalho em 12.06.2024, encontrando-se desempregado. Contudo, a situação de desemprego não é causa que por si só leve à redução dos alimentos, até porque a maioria da população brasileira trabalha na informalidade, cujos rendimentos não são conhecidos. O recorrido se encontra em plena idade produtiva e seguramente, tem condição de obter emprego e renda. Veja-se que os argumentos trazidos pelo alimentante/apelado limitam-se a sustentar que suas possibilidades não comportam a fixação dos alimentos, os em patamar superior ao estabelecido, sem, contudo, acostar lastro probatório suficiente a esse respeito. Isso infirma a probabilidade de sua incapacidade financeira, sobretudo ante a ausência de notícia de eventual obstáculo que dificulte ou impeça o recorrido de exercer outras atividades remuneradas. Nada obstante as alegações do apelado, é importante destacar que a jurisprudência pacificou o entendimento de que os alimentos devem ser fixados de forma a garantir o mínimo existencial do alimentando, o que, em regra, corresponde a 30% do salário mínimo, devendo os alimentos serem fixados em valor inferior apenas em casos excepcionais, o que não ficou comprovado neste processo. Nesse sentido: APelação CÍVEL - DIREITO DE FAMÍLIA - FIXAÇÃO DE ALIMENTOS EM FAVOR DE FILHO MENOR - NECESSIDADES PRESUMIDAS - ARBITRAMENTO EM VALOR MODESTO CONSOANTE AS POSSIBILIDADES DO ALIMENTANTE - IMPOSSIBILIDADE DE REDUÇÃO - PRESERVAÇÃO DE ACESSO AO MÍNIMO EXISTENCIAL - CONSTITUIÇÃO DE NOVA FAMÍLIA PELO ALIMENTANTE - APLICAÇÃO DO PRINCÍPIO DA PATERNIDADE RESPONSÁVEL - AUSÊNCIA DE VÍNCULO EMPREGATÍCIO FORMAL - FUNDAMENTO QUE NÃO ELIDE O DEVER ALIMENTAR - DESPROVIMENTO DO RECURSO. 1- Na fixação da pensão alimentícia deve ser considerada a proporcionalidade entre as necessidades de quem a reclama e as possibilidades de quem está obrigado a prestá-la, nos termos do artigo 1.694, §1º, do Código Civil. 2- O arbitramento dos alimentos observando o equacionamento ditado pelo art. 1.694, §1º, do Código Civil, que estabeleceu obrigação alimentar em 30% (trinta por cento) do salário mínimo à filha menor absolutamente incapaz em consideração às possibilidades do alimentante é insuscetível de recuo, sob pena de comprometer a subsistência da alimentanda. Preservação do acesso ao mínimo existencial. 3- O princípio da paternidade responsável impõe a consideração detida do planejamento familiar pelo genitor, que ao constituir uma nova família deverá sopesar, dentre outros elementos, a extensão do dever de sustento previamente constituído em favor dos demais filhos, a quem deve ser assegurado o acesso ao mínimo existencial. 4 - A alegação de ausência de vínculo empregatício formal não é fundamento para que o encargo alimentar seja estabelecido em desacordo com as necessidades presumidas do filho, mormente porque não representa necessariamente ausência de renda. 	verificada no corpo textual do acórdão, que apresente incoerência entre os fundamentos expostos ou entre estes e a parte dispositiva do julgado. A obscuridade, por sua vez, corresponde à falta de clareza do texto. Essa somente fica caracterizada quando, por qualquer motivo, é prejudicada a compreensão da decisão judicial. O erro material que autoriza o cabimento dos Embargos de Declaração é aquele relativo a equívoco ou inexactidão relacionado a aspectos objetivos, afastando-se, portanto, a questão acerca do posicionamento/entendimento do julgado. Ademais, o presente recurso não possui, pois, como regra, caráter substitutivo, modificador ou infringente quanto ao acórdão embargado, mas sim, aspecto integrativo ou aclaratório. Não é matéria dos embargos de declaração, portanto, o inconformismo da parte com o resultado obtido. Pois bem. No caso dos autos, verifica-se que o julgado supracitado não incorreu em quaisquer vícios conforme alega o embargante, devendo os embargos serem rejeitados, sob pena de rediscussão da matéria já amplamente analisada durante o processo, o que, conforme o ordenamento jurídico pátrio e, na esteira de decisões dos tribunais pátrios, tem-se como inviável. Com efeito, alega o recorrente que o decisum recorrido porta vício de contradição no julgado. Aduz que é de rigor o reconhecimento da prescrição do caso posto em tela, já que a presente demanda foi ajuizada em 27/09/2024, cerca de 14 anos após o saque realizado (09/06/2010). Em que pese o esforço despendido pelo embargante, não se vislumbra, no acórdão embargado, quaisquer vícios, eis que, como se observa do decisório embargado, a matéria foi devidamente enfrentada, como se pode extrair da Ementa que ora segue transcrita: Ementa: &#160; Direito civil e processual civil. Recurso de apelação cível. Ação de indenização por danos materiais e morais. Diferença de valores na conta vinculada ao pasesp. Prescrição incorrente. Princípio da actio nata. Prazo que flui a partir do momento em que a parte toma ciência inequívoca da ocorrência da irregularidade na sua conta vinculada do pasesp (tema nº 1.150), quando do recebimento do extrato ou das microfilmagens. Retorno dos autos à vara de origem para o devido processamento e julgamento do litígio. Recurso conhecido e provido. Sentença cassada. Nesse viés, a matéria fora devidamente apreciada por esta Primeira Câmara de Direito Privado, tendo sido, inclusive, colacionado precedentes desta Câmara no mesmo sentido, com a finalidade de demonstrar que o início do prazo prescricional somente ocorreu na data em que o titular da conta toma ciência, comprovadamente, dos desfalques, ou seja, quando tem acesso aos

	extratos da conta PASEP, pois só então passa a conhecer o fato e a extensão de suas consequências, não sendo, desta forma, a partir do saque realizado. Tem-se, portanto, que os argumentos trazidos pelo embargante revelam clara tentativa de reexaminar matéria já discutida, não havendo quaisquer vícios a sanar. Nessa vertente, inexistindo vícios a serem corrigidos, entendo que o pedido de alteração do julgado mais se aproxima como de reanálise do mérito da demanda, medida não albergada por esta via. Ademais, esse posicionamento restou sumulado por esta Corte de Justiça, através da Súmula nº 18 que aduz: São indevidos embargos de declaração que têm por única finalidade o reexame da controvérsia jurídica já apreciada. Nesse sentido: EMBARGOS DECLARATÓRIOS EM APELAÇÃO CÍVEL. EXECUÇÃO INDIVIDUAL DE AÇÃO COLETIVA. EXPURGOS INFLACIONÁRIOS. PRESCRIÇÃO RECONHECIDA. AUSÊNCIA DE OMISSÃO. REDISCUSSÃO DA MATÉRIA - IMPOSSIBILIDADE. OFENSA À SUMULA 18/TJCE. 1 - Examinando o Acórdão embargado e os fundamentos que o embasaram, constata-se que não se ressente o acórdão de qualquer dos defeitos a que alude o art. 1.022 do Estatuto Processual, nele não se vislumbrando nenhum vício a ser suprida. 2 - O decisum embargado concluiu de forma clara e precisa pelo reconhecimento da prescrição para o ajuizamento da Execução individual da sentença proferida na Ação Civil Pública nº 1998.01.1.016798-9, assim o fazendo em atenção ao entendimento já adotado por esta 4ª Câmara de Direito Privado em casos semelhantes, no sentido de não reconhecer o ajuizamento da Cautelar de protesto pelo Ministério Público do Distrito Federal como causa interruptiva do prazo prescricional para o ajuizamento da execução, notadamente em face da ilegitimidade do parquet para a execução da referida sentença, haja vista tratar-se de direito patrimonial disponível. 3- Não obstante a existência de posicionamentos jurisprudenciais divergentes, inclusive no âmbito deste Tribunal, o acórdão recorrido está em consonância com precedentes deste órgão fracionário, assim como da 1ª Câmara de Direito Privado, consoante jurisprudência colacionado. 4 - Embargos Declaratórios conhecidos e improvidos. I - Casa do Rádio Amador do Ceará - CRACE opõe EMBARGOS DE DECLARAÇÃO para efeito de esclarecimento de omissões, contradições que afirma existir na decisão de fls. 162/167, tomada por esta relatoria e a unanimidade de votos da Colenda Quarta Câmara de Direito Privado deste Sodalício, na Apelação de na 0901617-37.2014.8.06.0001, que tem como parte contrária Miguel Antonio Moraes Celestino e Vera Gil Celestino. II - Os Embargos de Declaração, que pelo princípio da taxatividade é instrumento recursal, previsto nos arts. 1.022 a 1.026, do Código de Ritos, é cabível contra qualquer decisão que contenha obscuridade, contradição, omissão, ou mesmo para corrigir erro material. Na situação vertente, não se constata a presença de nenhuma das hipóteses autorizadoras do manejo do presente recurso. III - A embargante pretende rediscutir mérito da demanda, objetivo este expressamente proibido pelo entendimento sumulado deste Tribunal, a teor da Súmula 18, quando reza que "São indevidos embargos de declaração que têm por única finalidade o reexame da controvérsia jurídica já apreciada." IV - Embargo de Declaração conhecidos mas não providos. CIVIL. DIREITO DO CONSUMIDOR. EMBARGOS DE DECLARAÇÃO EM APELAÇÃO. INDENIZAÇÃO. FRAUDE NA CONTRATAÇÃO. NEGATIVAÇÃO INDEVIDA EM FACE DA CONDUTÁ ADOTADA POR TERCEIRO. RESPONSABILIDADE DA EMPRESA DE TELEFONIA. DANOS MORAIS IN RE IPSA. ALEGAÇÃO DE QUE A AUTORA É DEVEDORA CONTUMAZ. INSCRIÇÃO PREEXISTENTE ILEGÍTIMA. INAPLICABILIDADE DA SÚMULA Nº 385 DO STJ. INEXISTÊNCIA DOS PRESSUPOSTOS DO ARTIGO 1.022 DO CPC. REDISCUSSÃO DA MATÉRIA. INCIDÊNCIA DA SÚMULA Nº 18 DO TJCE. ACLARATÓRIOS CONHECIDOS E IMPROVIDOS. 1. In casu, verifica-se que o intuito precípuo do polo recorrente ao manejar os presentes aclaratórios é a reforma da decisão proferida em apreciação de Apelação, visto que rediscute o mérito da causa sem apontar a existência de omissão, obscuridade ou contradição. 2. No presente recurso aponta-se omissão, aduzindo que o acórdão não se manifestou sobre a alegativa de que a parte apelada é devedora contumaz, com inscrição prévia no órgão de proteção ao crédito. Assevera que a decisão contraria a súmula 385 do Superior Tribunal de Justiça, já que a inclusão irregular não gera indenização por danos imateriais quando preexistente legítima inscrição. 3. O tema foi discutido e julgado, nos seguintes termos: "Deve- se reconhecer que a transação sobre a qual recaiu a presente irresignação decorreu de fraude, uma vez que a empresa não se desincumbiu do ônus que lhe competia de comprovar a regularidade da operação, considerando que todas as provas colacionadas aos autos apontam para a veracidade da conjuntura narrada pela suplicante, que afirma não ter contraído a dívida, especialmente tendo em vista a notória divergência entre os dados, a assinatura e a fotografia constantes no documento original da requerente daquele

Processo	0271923-23.2024.8.06.0001
	apresentado no momento da contratação perante a operadora de telefonia". 4. Sabe-se que, ao decidir, o Magistrado não tem obrigação de refutar, um a um, os argumentos trazidos, mas tão somente fundamentar suficiente e coerentemente suas conclusões, o que foi devidamente atendido na decisão atacada. Entretanto, a título de esclarecimento, tem-se que, pelas provas colacionadas aos autos, resta evidente que as restrições são ilegítimas, considerando que decorreram de fraude perpetrada por terceiro que utilizou o nome de solteira da apelada em outros Estados do país para dar golpes no mercado, não havendo evidências concretas de que a recorrida era devedora contumaz. Portanto, inaplicável o verbete sumular nº 385 do STJ. 5. Os embargos declaratórios em apreço retratam tão somente a inconformidade do polo recorrente em relação à decisão alvejada, sem, contudo, apresentar razões que justifiquem a interposição dessa espécie recursal, a qual possui hipótese de cabimento especificamente vinculada à finalidade integrativa de aperfeiçoamento das decisões judiciais, com expressa previsão no art. 1.022 do CPC, não prosperando a irrisignação. 6. A presente insurgência traduz mero inconformismo com o decism colegiado, o que não possibilita um novo julgamento por meio de embargos de declaração, a teor da Súmula 18 deste Egrégio Tribunal de Justiça. 7. Embargos declaratórios conhecidos e desprovidos. (TJ-CE - ED: 01417619620088060001 CE 0141761-96.2008.8.06.0001, Relator: HERACLITO VIEIRA DE SOUSA NETO, Data de Julgamento: 28/02/2018, 1a Câmara Direito Privado, Data de Publicação: 01/03/2018). Tem-se que, não ocorrendo nenhum dos vícios previstos no art. 1.022, do CPC, existe, além do intuito meramente prequestionador, o propósito de desdobramento, via embargos de declaração, de rediscutir matéria já decidida. Outrossim, é cediço que o art. 1.025 do CPC prevê a figura do prequestionamento ficto ou implícito, in verbis: Art. 1.025. Consideram-se incluídos no acórdão os elementos que o embargante suscitou, para fins de prequestionamento, ainda que os embargos de declaração sejam inadmitidos ou rejeitados, caso o tribunal superior considere existentes erro, omissão, contradição ou obscuridade. Logo, com a inserção do referido artigo no Código de Processo Civil de 2015, foi expressamente positivada a possibilidade do prequestionamento implícito, restando superada a necessidade de prequestionamento de toda a matéria como condição de admissibilidade recursal nos tribunais superiores. Com esse posicionamento: PROCESSUAL CIVIL. EMBARGOS DE DECLARAÇÃO NO AGRAVO INTERNO NOS EMBARGOS DE DECLARAÇÃO NO RECURSO ESPECIAL. AUSÊNCIA DE QUALQUER DOS VÍCIOS ELENCADOS NO ART. 1.022 DO CPC/2015. MATÉRIA CONSTITUCIONAL. APRECIACÃO PELO STJ. IMPOSSIBILIDADE, AINDA QUE PARA FINS DE PREQUESTIONAMENTO. EMBARGOS DE DECLARAÇÃO REJEITADOS.

Processo	0229296-04.2024.8.06.0001
	Trata-se de Agravo Interno, interposto por VERA LUCIA AQUINO PIMENTEL ANDRADE, adversando acórdão proferido pela colenda Primeira Câmara de Direito Privado deste Sodalício, que, nos autos do Recurso de Apelação Cível nº 0229296-04.2024.8.06.0001, negou provimento ao recurso da autora, ora agravante, mantendo incólume a sentença fustigada (id. 25763801). Em suas razões, a agravante aduz que “é inteira justiça que a Agravante seja indenizada pelos danos sofridos, em face da conduta negligente do Agravado, em firmar contrato no valor de R\$ 5.670,04 e informar ao INSS o valor para desconto de R\$ 46.477,23 e não comprova o valor da transferência do valor de quarenta e seis mil, quatrocentos e setenta e sete reais e vinte e três centavos.” Alega que “a referida sentença precisa ser refeita para que se faça justiça, já que o Agravado não comprovou em nenhuma fase do processo o valor do depósito de R\$ 46.477,23 referente ao contrato 22624110/20.”; que “Levando-se em consideração o princípio da proporcionalidade e razoabilidade, e ainda o transtorno psicológico sofrido pela Agravante e a capacidade financeira de quem ocasionou o dano, deve ser fixado como forma de compensar o prejuízo sofrido, além de punir o agente causador e evitar novas condutas ilícitas, preconizando o caráter educativo e reparatório.” Pugna pelo provimento do recurso, a fim de que seja reformado o acórdão vergastado, a fim de que a ação seja julgada procedente. Sem contrarrazões. É o relatório. VOTO Prefacialmente, antes de analisar o mérito, deve-se averiguar a presença dos pressupostos intrínsecos e extrínsecos de admissibilidade, sem os quais resta inviabilizado o conhecimento do recurso. Nesse contexto, verifica-se a existência de óbices para o regular processamento e julgamento deste agravo interno, conforme será a seguir demonstrado. Verifica-se que o presente recurso interno desafia decisão colegiada, em descompasso com a regra do art. 1.021 do Código de Processo Civil, que estabelece, como pressuposto para a interposição do agravo interno, a existência de decisão singular de relator. Diante disso, a apresentação deste recurso configura erro grosseiro que exige o seu não conhecimento.

	III. RAZÕES DE DECIDIR 3. De fato, ao reanalisar o voto condutor do acórdão, verifica-se que a contradição reside na afirmação de que a taxa de juros anual não superaria a média de mercado para o tipo de operação contratada, quando, em verdade, se constatou que a taxa de juros mensal (2,19%) e anual (29,63%) do financiamento apresentam, efetivamente, percentuais superiores à taxa média divulgada pelo Banco Central (2,02% ao mês e 27,15% ao ano). Ainda assim, o <i>decisum</i> esclareceu que a diferença entre a taxa referencial e os encargos estabelecidos no contrato não revelaram margem considerável de discrepância, sendo destacado que o mero fato de a taxa de juros superar a taxa média de mercado não significa, por si só, flagrante abusividade. 4. Assim, embora se reconheça a existência de contradição no voto condutor do acórdão quanto à análise das taxas de juros aplicadas, constata-se que tal vício não possui o condão de alterar o resultado do julgamento, porquanto a diferença entre os percentuais contratados e a média de mercado não revelou abusividade ou onerosidade excessiva, inexistindo outros elementos aptos a infirmar essa conclusão. IV. DISPOSITIVO 5. Recurso provido. ACÓRDÃO Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por uma de suas turmas, à unanimidade, em conhecer do recurso para, no mérito, dar-lhe provimento, no sentido de sanar a contradição apontada e reconhecer que os juros remuneratórios pactuados superam a taxa média de mercado, mas sem aplicar efeitos modificativos, nos termos do voto do Desembargador Relator. Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Relator RELATÓRIO Cuida-se de Embargos de Declaração opostos por Maria Zenilda de Lima contra acórdão da Primeira Câmara de Direito Privado do Tribunal de Justiça do Ceará, que negou provimento ao recurso de Apelação Cível interposto nos autos da Ação Revisional de Contra Bancário proposta em face do Banco Votorantim S/A, no sentido de manter inalterada a sentença recorrida. Eis a ementa do julgado: DIREITO DO CONSUMIDOR. APELAÇÃO CÍVEL. AÇÃO REVISIONAL DE CONTRATO. FINANCIAMENTO BANCÁRIO PARA AQUISIÇÃO DE VEÍCULO. ALEGADA ABUSIVIDADE DOS JUROS REMUNERATÓRIOS. TAXA ANUAL INFERIOR À MÉDIA DE MERCADO. PRETENSÃO AUTURAL INSUBSISTENTE. RECURSO DESPROVIDO. SENTENÇA MANTIDA. Nas razões recursais, a parte embargante aduz, em síntese, que o acórdão apresenta contradição quanto à análise da abusividade dos

Processo	0267763-23.2022.8.06.0001
	juros remuneratórios pactuados. Sustenta que há contradição por afirmar que a taxa de juros mensal de 2,19% ao mês, que é superior à taxa média de mercado divulgada pelo Banco Central (2,02% ao mês), não representa abusividade. A embargante defende que a diferença de 2,13% na taxa de juros anual deveria ser considerada relevante, especialmente à luz do Código de Defesa do Consumidor, e justifica sua insurgência com base no art. 51, § 1º do mencionado diploma legal, que dispõe sobre cláusulas contratuais que impõem vantagem exagerada ao consumidor. “Assim, requer o provimento do recurso, para que seja sanada a contradição apontada, realizando uma nova análise da taxa de juros aplicada no financiamento, a fim de que seja estabelecida a taxa média de juros, conforme divulgado pelo Banco Central, no período de março de 2022. Em contrarrazões, a parte embargada defende a inadequação do presente instrumento recursal para modificar o mérito da decisão já proferida, uma vez que não há a omissão, contradição, obscuridade ou erro material no acórdão embargado. Defende que a taxa de juros de 2,19% ao mês e 29,63% ao ano pactuada está dentro de uma margem aceitável em relação à média de mercado e que a diferença não é suficiente para caracterizar abusividade. Ainda, ressalta que a jurisprudência autoriza uma variação mínima entre os valores pactuados e a média de mercado divulgada pelo Banco Central, portanto, não configura abusividade, sugerindo a rejeição dos embargos. É o relatório. VOTO Conheço do recurso, pois satisfeitos os requisitos intrínsecos e extrínsecos de admissibilidade. No que diz respeito à admissibilidade e ao exame de mérito dos embargos, discorre o doutrinador Humberto Theodoro Júnior: O pressuposto de admissibilidade dessa espécie de recurso é a existência de obscuridade ou contradição na decisão; de omissão de algum ponto sobre que devia pronunciar-se o juiz ou tribunal, ou erro material (NCPC, art. 1.022, I, II e III). Se o caso é de omissão, o julgamento dos embargos supri-la-á, decidindo a questão que, por lapso, escapou à decisão embargada. No caso de obscuridade ou contradição, o decisório será expungido, eliminando-se o defeito nele detectado. Tratando-se de erro material, o juiz irá corrigi-lo. Em qualquer caso, a substância do julgado será mantida, visto que os embargos de declaração não visam à reforma do acórdão, ou da sentença. No entanto, será inevitável alguma alteração no conteúdo do julgado, principalmente quando se tiver de eliminar omissão ou contradição. O que, todavia, se impõe ao julgamento dos embargos de declaração é que não se proceda a um novo julgamento da causa, pois a tanto não se destina esse remédio recursal. As eventuais novidades introduzidas no decisório primitivo não podem ir além do estritamente necessário à eliminação da obscuridade ou contradição, ao

Processo	0206705-24.2022.8.06.0064
	DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente/Relator &#160; RELATÓRIO Trata-se de Recurso de Apelação Cível interposto por MARIA LINDETE MOTA DA ROCHA, RAIMUNDA MOTA DA ROCHA e OSVALDO TEIXEIRA DA ROCHA, adversando sentença proferida pelo Juízo da 2ª Vara Cível da Comarca de Caucaia, que, nos autos da ação reivindicatória, manejada por CORNÉLIO CARMO DE ALBUQUERQUE em desfavor dos ora recorrentes, julgou parcialmente procedente a ação, deferindo a posse do imóvel descrito nos autos ao promovente (id. 16010182). Em suas razões, os réus/recorrentes aduzem que a parte promovida, Sra. Raimunda Mota da Rocha, recebeu o referido imóvel em litígio no ano de 1987, de “um colega de sua família”, Sr. Agenor, já falecido, tendo, desde então, estado na posse do bem, juntamente com seu esposo, o Sr. Osvaldo Teixeira da Costa, sem nunca ter tal posse questionada. Alegam que a posse no imóvel restou fartamente comprovada, através das testemunhas, notadamente o Sr. Antônio Costa Silva afirmou que conheceu a promovida no ano de 1992, quando comprou um terreno próximo, e no ano de 1997 construiu sua casa nesse terreno, e lá passou a morar, afirmando, ainda, que, desde que passou a viver ali, a promovida Raimunda Mota da Rocha já morava no imóvel. Ressaltam que ajudam a corroborar, como prova da posse do imóvel, as declarações de titularidade emitidas pela concessionária de energia elétrica ENEL e pela CAGECE, que registram a titularidade em nome do recorrente Sr. Osvaldo Teixeira da Costa desde o ano de 1998, assim como pelas reformas no imóvel realizadas pelo casal durante todos esses anos. Sustentam que: i) “em se tratando da prescrição aquisitiva, sabe-se que esta consiste na aquisição de um direito real sobre um bem pelo decurso do prazo, que começa a contar do exercício da posse ad usucapionem, e não quando o titular do imóvel toma conhecimento da ocupação do bem”; ii) “o ônus da prova recai sobre a parte autora, e é ela quem tem que provar as alegações por ela feitas, mas eximiu-se o mesmo de trazer ao processo quaisquer documentos que atestassem a posse injusta dos recorrentes”; iii) ao contrário do recorrido, os recorrentes provaram ao longo do processo via titularidade de contas de água e luz, testemunhas que os conhecem desde a época que já ocupavam o imóvel há mais de 20 anos, fotos, e que estão há todos esses anos vivendo como se donos fossem, sem qualquer oposição até então, oposição essa

Subsidiariamente, pedem que seja concedido o direito a indenização das benfeitorias realizadas pelos recorrentes. Contrarrazões apresentadas (id. 16010196). É o relatório. VOTO Conheço do recurso, eis que presentes os pressupostos de admissibilidade. Cinge-se o recurso em aferir o acerto da sentença que julgou procedente a Ação Reivindicatória, manejada por Cornélio Carmo de Albuquerque em desfavor dos ora recorrentes, notadamente por verificar presentes os requisitos legais. Asseveram os réus/recorrentes que exercem a posse sobre o imóvel vindicado, de forma mansa, pacífica e ininterrupta, sem oposição de quem quer que seja, desde o ano de 1987. Ressaltam que adentraram no imóvel, após o terem recebido de “um colega de sua família”, no ano de 1987, estando, desde então, na posse do bem, sem jamais sua posse ter sido questionada, até o ano de 2022 pelo ora autor. Pois bem, Insta registrar que o art. 1.228, caput, traz a previsão da ação reivindicatória, a qual se funda no reconhecimento da propriedade. Referido dispositivo legal protege o direito de propriedade, instituindo a solução para garantir o seu exercício, assegurando ao proprietário o direito de reivindicar o bem daquele que injustamente o possui. Costuma-se dizer que é a ação do proprietário não possuidor contra o possuidor não-proprietário, desde que este último detenha a posse sem causa justa.

(STJ - AgInt no AREsp: 1259039 GO 2018/0052342-2, Relator.: Ministro LÁZARO GUIMARÃES (DESEMBARGADOR CONVOCADO DO TRF 5ª REGIÃO), Data de Julgamento: 07/06/2018, T4 - QUARTA TURMA, Data de Publicação: DJe 20/06/2018). Nesse contexto, o proprietário encontra-se autorizado a intentar ação reivindicatória contra qualquer pessoa que detenha o bem em seu poder e não só contra o possuidor de má-fé, mas também o de boa-fé, não importando o título que encontra em seu poder. Isso se dá em razão de ser o domínio um direito real, oponível em face de qualquer pessoa que impeça o exercício dos direitos inerentes à propriedade. Para a propositura de tal ação é necessário: 1) que o autor tenha a titularidade do domínio da coisa reivindicada; 2) que a coisa esteja injustamente em poder do réu; 3) que a coisa seja individualizada. Sobre o tema, a doutrina de Arnaldo Rizzardo faz a seguinte ponderação: "O primeiro pressuposto ou requisito necessário à reivindicação é a propriedade atual do titular. Deverá ele ter o jus possidendi, embora encontre perdido o jus possessionis. [...] O segundo elemento necessário é o tipo de posse exercida pelo réu. [...] O requisito para a ação é a posse injusta do réu, no sentido de falta de amparo ou de um título jurídico. Não tem ele o jus possidendi. De sorte que possuidor de boa ou má-fé, ou simples detentor, pode ser sujeito da pretensão da ação reivindicatória, que visa a restituição da coisa. [...] O terceiro requisito envolve a individuação do imóvel reivindicando, de modo a identificá-lo perfeitamente [...]" (Direito das coisas. Rio de Janeiro: Forense, 2006, p. 213/216). No caso dos autos, o primeiro e o terceiro requisitos encontram-se comprovados pela cópia da Matrícula nº 55.628 do Cartório de Registro de Imóveis de Caucaia (id. 16010031), que atesta ser o autor proprietário do imóvel residencial situado em parte do lote nº 24, da Quadra nº 60 do Loteamento Parque Tabapuá, Bairro, Alba, Distrito de Jurema – Caucaia/CE, atualmente Rua Olavo Bilac, nº 3424, bairro Parque Albano, Caucaia, Ceará, CEP 61.645-340, adquirido em 29/09/2022, estando, portanto, plenamente identificado o imóvel reivindicado. No tocante ao segundo requisito, qual seja, a existência de posse injusta do imóvel, insta salientar que é aquela exercida sem causa jurídica para tanto, sendo a comprovação de tal requisito ônus da parte autora. Neste prisma, leciona Arnaldo Rizzardo: "Esta é uma ação real, exercitável erga omnes, que objetiva a retomada da coisa de quem quer que injustamente a detenha. (...). Segundo é proclamado, trata-se de ação do proprietário sem posse contra o possuidor não proprietário, ficando a cargo do primeiro a prova do seu domínio e a posse injusta do segundo.

Funda-se no direito de sequência, armando o titular do domínio de meios para buscar o bem em mãos alheias, retomá-lo do possuidor e recuperá-lo do detentor. Visa o proprietário a restituição da coisa, seja imóvel ou móvel, eis que perdido se encontra o jus possessionis, pedindo que se apanhe e retire a mesma, que se encontra no poder ou na posse de outrem, sem um amparo jurídico." (Direito das Coisas, Rio de Janeiro: Forense, 2013, p. 230). [Grifei]. Oportuno ressaltar que, na ação reivindicatória, o conceito de posse injusta é diferente do previsto no artigo 1.200 do Código Civil ¹ conforme entendimento sedimentado na jurisprudência do Supremo Tribunal Federal e do Superior Tribunal de Justiça, desde antes da vigência do Código Civil de 2002. Observe -se: AÇÃO REIVINDICATÓRIA. REQUISITO DA POSSE INJUSTA. Não há confundir o requisito da posse injusta a que se refere o art. 524 do Código Civil com a posse injusta definida no art. 489 do mesmo diploma legal. A que é injusta tão-somente pela razão de que, na disputa entre a posse e a propriedade, prevalece o direito do proprietário, a menos que se trate de posse "ad usucapionem". Não constitui requisito da ação reivindicatória que a posse do réu seja precária, clandestina ou violenta. A posse "ad interdicta" não constitui obstáculo à procedência da ação de reivindicação. Recurso extraordinário não conhecido. (STF, RE 100700, Relator: Min. SOARES MUNOZ, Primeira Turma, julgado em 14/10/1983, DJ 04-11-1983 PP-07148 EMENT VOL-01315-03 PP-00567 RTJ VOL-00107-03 PP-01324). [Grifei]. REIVINDICATÓRIA. PRESSUPOSTOS. POSSE INJUSTA. A injustiça na posse, para efeito de tutela reivindicatória fundada no artigo 524 do Código Civil, não pressupõe adequação ao contido no artigo 489 do mesmo diploma legal relativamente à posse injusta própria para os interditos possessórios. 	caso, os promovidos, ora apelantes, alegaram, em matéria de defesa, a aquisição originária do bem por usucapião, apontando que possuem a posse mansa, pacífica, sem qualquer objeção e com animus domni desde o ano de 1987, utilizando-o como moradia da família. A sentença julgou procedente a ação reivindicatória, por entender o douto magistrado a quo que a parte autora comprovou a posse injusta exercida pela ré, rejeitando a arguição da parte promovida de que estariam presentes os requisitos legais para aquisição originária do bem pela usucapião. Segue a fundamentação pertinente adotada pelo juízo primevo Na hipótese dos autos, os documentos acostados evidenciam que o promovente preencheu os requisitos legais previstos para o alcance de sua pretensão, nos termos do artigo 373, I, do Código de Processo Civil. Vejamos. a) a comprovação do direito de propriedade do autor sobre a coisa. Oportuno registrar que o promovente reivindica o direito ao imóvel registrado sob a matrícula nº 55.628 C.R.I de Caucaia, este situado na Rua Dona Heloísa esquina com Olavo Bilac, nº 3424, bairro Parque Albano (Jurema). A escritura pública no caso foi lavrada em 08.12.2004. A data de 2022 citada pelos promovidos diz respeito a escritura de aditamento, de modo que a escritura originária foi lavrada antes do falecimento dos proprietários, que ocorreram em 2006 e 2018 conforme documentos de fls. 132/133. b) a demonstração de que o réu possui ou detém a coisa injustamente. Já a posse dos promovidos mostra-se injusta, notadamente porque relatam que estão no imóvel desde 1998, que lhes foi cedido pelo Sr. Agenor, que cuidava do imóvel em questão, o que afasta a possibilidade de haver posse mansa e pacífica no caso em questão, pois o bem foi cedido. Outrossim, quem cedeu sequer tinha poder para tal porquanto sequer era proprietário do bem. Além disso, a posse por cessão é do tipo precária. Ademais, o direito de propriedade é perpétuo, ou seja, perdura enquanto o indivíduo viver. Esclarece que, mesmo sendo a posse não violenta, não clandestina ou não precária, além de haver a boa fé, será considerada injusta a detenção injusta da posse, mediante a falta de título que justifique esse fato. c) a individualização do bem. O bem foi devidamente individualizado na exordial, tendo o autor atendido o requisito supra.

[...] [Grifei]. Após a análise da documentação trazida pelas partes e a oitiva com detida atenção dos depoimentos das testemunhas arroladas pela parte promovida (o autor não arrolou), emerge nítido, diferentemente como entendeu o il. Juiz de 1º grau, que a exceção de usucapião procede. Os promovidos afirmaram que ingressaram no imóvel no ano de 1987, após o terem recebido de uma terceira pessoa (Sr. Agenor), sem precisa identificação. Referido fato não é impeditivo para o reconhecimento da prescrição aquisitiva, como quis fazer crer a sentença objurgada. Rememore-se que, dentre os requisitos da usucapião extraordinária, não há exigência de justo título nem de boa-fé. Assim, como se deu o início da posse pouco importa, contanto que os requisitos exigidos pela lei civil restem preenchidos: o exercício da posse, de forma mansa, pacífica, com ânimo de dono, ou sem sujeição a quem que seja, sem oposição de qualquer pessoa, pelo prazo de 15 anos, ou 10 anos, se utilizado para moradia ou ter realizado obras ou serviços de caráter produtivo (art. 1238, caput e parágrafo único, do CC). Não se olvida que diferente seria se o ingresso no imóvel pelos réus tivesse sido por permissão do proprietário, mas tal argumentação não foi carreada aos autos. Observe-se que é ônus da parte autora comprovar a posse injusta dos réus, e como não o fez é o tanto que basta para a improcedência da ação.

IMPROCEDÊNCIA DO PEDIDO REIVINDICATÓRIO. TESE DA PRESCRIÇÃO AQUISITIVA NÃO IMPORTA NA AQUISIÇÃO DO DOMÍNIO. NECESSIDADE DE AÇÃO PRÓPRIA. RECURSO PARCIALMENTE PROVIDO. I . CASO EM EXAME. 1. Apelação interposta contra sentença de procedência em ação reivindicatória, ajuizada pelos autores com base em título dominial do imóvel, visando à retomada da posse de bem imóvel supostamente invadido pela ré. Em sua contestação, a parte apelante/requerida pleiteou a improcedência do pedido inicial, alegando o exercício de posse justa, animus domini, direito de retenção por benfeitorias, bem como a aquisição do imóvel por usucapião extraordinária, com base na posse contínua, mansa e pacífica desde 1998. II. QUESTÃO EM DISCUSSÃO. 2. Há duas questões em discussão: (i) definir se a posse exercida pela apelante configura-se como posse injusta, autorizando o pedido reivindicatório; (ii) estabelecer se a exceção de usucapião arguida em sede de contestação é apta a obstar a pretensão reivindicatória dos autores. III. RAZÕES DE DECIDIR. 3. A ação reivindicatória tem como pressupostos: (i) prova do domínio pelo autor, (ii) individualização do imóvel e (iii) posse injusta do réu, conforme jurisprudência consolidada do STJ (REsp 1 .003.305/DF; REsp 691.963/RS; REsp 195.476/MS). 4. A posse da apelante é devidamente comprovada desde 1998, mediante documentos de pagamento de energia, condomínio e reforma do imóvel, além de testemunhos coesos e consistentes que confirmam o abandono do imóvel pelos autores e a longa permanência da apelante no bem, com animus domini. 5. A exceção de usucapião pode ser arguida em contestação para obstar a pretensão possessória na ação reivindicatória, conforme entendimento sumulado (STF, Súmula 237) e jurisprudência do STJ (AgRg no REsp 1 .270.530/MG; AREsp 1.960.551/SC) . 6. A quitação do imóvel junto ao SFH em 2005 descaracteriza a natureza pública do bem, tornando inaplicável a Súmula 619 do STJ. 7. O reconhecimento da usucapião como matéria de defesa não gera efeitos erga omnes nem confere título hábil à transcrição da propriedade, sendo necessário o ajuizamento de ação própria, com observância do rito especial (STJ, REsp 652 .449/SP; AREsp 1.960.551/SC). 8 . Os autores não demonstraram a posse direta ou qualquer ato de oposição durante o período de ocupação da apelante, tampouco juntaram comprovantes de pagamento que indicassem a continuidade do vínculo contratual antes da anistia da dívida em 2005. IV. DISPOSITIVO E TESE. 9 . Recurso conhecido e parcialmente provido. Tese de julgamento: A exceção de usucapião pode ser arguida como matéria de defesa em ação reivindicatória, obstando a procedência do pedido possessório. O reconhecimento da posse mansa, pacífica, ininterrupta e com animus domini por período superior a 5 anos impede o reconhecimento de posse injusta, requisito essencial da ação reivindicatória. A procedência da exceção de usucapião não autoriza, por si só, o registro da propriedade, sendo imprescindível o ajuizamento da ação de usucapião com rito próprio.</p><p class="western" style="line-height: 200%; margin-left: 4cm; margin-top: 0.5cm; margin-bottom: 0.5cm; background: transparent;" align="justify"> (TJ-CE - Apelação Cível: 00708835420058060001 Fortaleza, Relator.: CARLOS AUGUSTO GOMES CORREIA, Data de Julgamento: 21/05/2025, 1ª Câmara Direito Privado, Data de Publicação: 21/05/2025). Caso em Exame Agravo de Instrumento interposto por Aldeniza de Oliveira Silva contra decisão interlocutória da 3ª Vara Cível da Comarca de Maracanaú, que deferiu tutela provisória de urgência para desocupação de imóvel em ação reivindicatória. A agravante alega residência no imóvel há 30 anos, posse justa e falta de direito de defesa. II . Questão em Discussão Análise da presença dos requisitos para a concessão da tutela antecipada em ação reivindicatória, especificamente a comprovação da posse injusta da parte demandada, considerando a possibilidade de usucapião e os direitos da agravante. III. Razões de Decidir A decisão de primeiro grau não demonstrou de forma convincente a posse injusta dos agravados, visto que a agravante reside no imóvel há mais de 30 anos com sua família, sem oposição. O aguardo do desfecho da ação de usucapião em curso é imprescindível para uma análise exauriente do mérito . A proteção da posse, em cognição sumária, prevalece em casos onde há indícios de constrição do direito. IV. Dispositivo e Tese Recurso conhecido e provido para revogar a decisão interlocutória que deferiu a desocupação do imóvel, ressaltando que a análise da posse e dos direitos da agravante será melhor realizada no curso da ação reivindicatória e da usucapião, em respeito ao princípio da segurança jurídica e à proteção da posse. </p><p class="western" style="line-height: 200%; margin-left: 4cm; margin-top: 0.5cm; margin-bottom: 0.5cm; background: transparent;" align="justify"> (TJ-CE - Agravo de Instrumento: 06228398820248060000 Maracanaú, Relator.: FRANCISCO BEZERRA CAVALCANTE, Data de Julgamento: 24/09/2024, 4ª Câmara Direito Privado, Data de Publicação: 24/09/2024). 	primeira instância, a instrução processual indicam a aquisição do imóvel de boa-fé por parte da ré/recorrida, bem como a parte apelada quitou ITBI e passou a exercer a posse de forma mansa e pacífica. Ressalte-se a existência de 04 comprovantes de depósito na conta corrente do autor/recorrente Francisco Gil Cruz Alencar no Banco Bradesco, conta esta indicada como destino de pagamento no aditivo no contrato de intermediação. 3.2. No mesmo sentido da prova documental, verificou-se, também, a prova testemunhal com o depoimento de José Adriano Ferreira de Oliveira que confirma a que a Socil teria poderes para vender terras localizadas na Fazenda Pedra de Fogo. As testemunhas Antônio Félix da Silva, Antônio Joaquim da Silva e outras também são no sentido acima. 3.3. Afora a prova documental acerca da validade do pacto, da quitação dos tributos devidos e dos depósitos bancários, deve-se destacar a correspondência eletrônica enviada pela filha dos recorrentes ao Sr. Henrique, intermediador do pacto, no qual ela confirma a validade da intermediação e do aditivo mencionado acima. Registre-se, ainda, que o referido e-mail não foi contestado pelos autores/apelantes. 3.4. Assim, diante do conjunto probatório não houve ferimento aos artigos 653 e 722 do CC/02. Bem como não foi constatada posse de má-fé, motivo pelo qual foi a declaração do a usucapião do imóvel em atenção ao previsto nos arts. 104 e 166, ambos do CC/02. 3.5. A ação reivindicatória funda-se no direito de sequela e requisita prova do domínio do reivindicado, individualização do bem e posse injusta do réu. - Circunstância dos autos em que a prova pericial concluiu não ter havido ofensa à propriedade do autor; e se impõe manter a sentença de improcedência. (Apelação Cível Nº 70079199014, Décima Oitava Câmara Cível, Tribunal de Justiça do RS, Relator: João Moreno Pomar, Julgado em 25/10/2018). 3.6. Por fim, qualquer vício formal ainda existente na transação que impossibilitasse a feitura de uma escritura pública de compra e venda foi sanado pelo reconhecimento do usucapião extraordinário, pois o recorrido possui de boa-fé e de forma mansa e pacífica o imóvel a mais de 10 (dez) anos, tendo inclusive realizado benfeitorias de caráter produtivo. Acertada a sentença ao aplicar corretamente o previsto no art. 1.242 ante o preenchimento dos requisitos. 3.7. APELAÇÃO CÍVEL. AÇÃO REIVINDICATÓRIA. AÇÃO DE USUCAPIÃO CONEXA. Por justo título, para efeito da usucapião ordinária, deve-se compreender o ato ou fato jurídico que, em tese, possa transmitir a propriedade, mas que, por lhe faltar algum requisito formal ou intrínseco (como a venda a non domino), não produz tal efeito jurídico. Tal ato ou fato jurídico, por ser juridicamente aceito pelo ordenamento jurídico, confere ao possuidor, em seu consciente, a legitimidade de direito à posse, como se dono do bem transmitido fosse ("cum animo domini") (REsp 652.449/SP, Rel. Ministro MASSAMI UYEDA, TERCEIRA TURMA, julgado em 15/12/2009, DJe 23/03/2010). 4. Apelação conhecida, mas improvida. 	domínio do imóvel e a configuração da posse do detentor como injusta. 2. A posse fundada em escritura particular de compra e venda, ainda que não tenha sido levada ao registro notarial competente e que não se possa falar de transferência da propriedade nos termos da lei civil, se configura como justa. 3. Não se pode desconsiderar que o negócio jurídico gera efeitos perante as partes contratantes, razão pela qual não é possível considerar como injusta a posse indireta da apelada, o que obsta a pretensão reivindicatória dos apelantes, em conformidade com a jurisprudência deste e de outros tribunais, inclusive do Superior Tribunal de Justiça. 4. Sentença de mérito mantida. Recurso conhecido e não provido. (TJ-CE - Apelação Cível: 0033999-37.2012.8.06.0112 Juazeiro do Norte, Relator.: LIRA RAMOS DE OLIVEIRA, Data de Julgamento: 25/10/2017, 3ª Câmara Direito Privado, Data de Publicação: 25/10/2017). [Grifei]. Ressalte-se: os elementos probatórios permitem assegurar que, além de preenchido o lapso temporal, a posse exercida pelos demandados sempre se deu com animus dominii caso em que apesar da propriedade registral do autor, ora apelado, sobre o imóvel objeto da lide, tal circunstância não basta para autorizar a procedência do pedido reivindicatório, justamente porque a posse dos recorrentes não é injusta, já que fundada na aquisição da propriedade por intermédio da usucapião. Pelo acima exposto, impõe-se a reforma da sentença vergastada, com a fundamentação aqui esposada, porquanto afastada a posse injusta dos promovidos. Posto isso, DAR-LHE PROVIMENTO, reformando a sentença de 1º grau, para julgar o feito improcedente. É o voto. Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO

Acrescenta que, em 17/12/2019, o carro ficou sem potência, sendo levado para a primeira requerida, mas sem previsão de entrega. Nesse contexto, alega a caracterização de vício oculto não reparado, razão pela qual postula a restituição dos valores pagos pelo bem (R\$ 69.990,00); indenização por danos materiais no valor de R\$ 100,00 (cem reais), referente à quantia despendida com serviço de reparo no veículo em questão; e indenização por danos morais em R\$ 20.000,00 (vinte mil reais). Na decisão (ID 17108835), o feito foi julgado parcialmente procedente, condenando-se as Promovidas nos seguintes termos: DIANTE DO EXPOSTO, julgo parcialmente procedente a ação para condenar as requeridas a pagarem ao requerente (I) restituição do valor de R\$ 69.990,00, (sessenta e nove mil, novecentos e noventa reais), acrescido de correção monetária pelo INPC desde o efetivo prejuízo e juros moratórios de 1% ao mês desde o evento danoso, desde que o requerente efetue a devolução do veículo comprado com este valor supra ou compense os valores recebidos por força do acidente que danificou o veículo, certificado as págs. 214-236, (II) indenização pelos danos materiais no valor de R\$ 100,00 (cem reais), acrescido de correção monetária pelo INPC desde o efetivo prejuízo e juros moratórios de 1% ao mês desde o evento danoso e (III) indenização pelos danos morais no valor de R\$ 3.000,00 (três mil reais), acrescido de correção monetária pelo INPC a partir deste arbitramento e de juros moratórios de 1% ao mês desde o evento danoso. Condeno as requeridas ao pagamento das custas processuais e dos honorários sucumbenciais, estes no valor de em R\$ 7.500,00 (sete mil e quinhentos reais), consoante art. 85, §2º, do CPC, acrescido de correção monetária pelo INPC desde a data da propositura da ação e de juros moratórios de 1% ao mês desde o trânsito em julgado da decisão. A Promovida Caa Chery interpôs recurso de apelação no ID 17108848, sustentando não estarem presentes os elementos da responsabilidade civil para a condenação nos termos fixados na sentença. Destacou a necessidade de perícia técnica para aferição das alegações do Autor, o que, contudo, restou prejudicado em razão do superveniente sinistro que ensejou a perda total do veículo. Alegou que os problemas mecânicos identificados foram integralmente reparados antes do referido sinistro e que não houve ato ilícito que ensejasse a reparação moral ou material, especialmente considerando que a indenização já fornecida pela seguradora é apta a cobrir a perda do bem. Acrescentou que, caso mantida, a indenização fixada a título de danos morais deve assumir valor razoável e proporcional ao suposto dano e que os danos materiais alegados não foram comprovados. Destacou, por fim, que eventual restituição de valores deve considerar a tabela FIPE. A Promovida Premium Comércio de Veículos e Peças Ltda. interpôs o seu recurso de apelação (ID 17108894), argumentando que os reparos realizados no veículo foram satisfatórios e dentro do prazo legal, razão pela qual não subsistiria pretensão para a rescisão contratual ou restituição do preço conforme artigo 18 do Código de Defesa do

	Consumidor. Alegou a desnecessidade de indenização por danos morais, apontando que não houve comportamento ilícito que caracterizasse, aos olhos da lei, tal obrigação. Além disso, questionou a possibilidade de pleno cumprimento da determinação de devolução do veículo no estado em que se encontrava no momento da venda, uma vez que o automóvel sofreu perda total. Pugna, ao fim, pela improcedência da demanda ou, subsidiariamente, pela redução do quantum indenizatório e pela avaliação do bem pela Tabela FIPE para fins de restituição. O Autor também interpôs recurso de apelação (ID 17108899), argumentando que a indenização fixada em R\$ 3.000,00 (três mil reais) é insuficiente à reparação dos danos morais, tendo em vista o abalo moral, as dificuldades enfrentadas e a necessidade de levar a questão para solução judicial. Argumentou que o valor da indenização deve ser majorado para R\$ 15.000,00 (quinze mil reais), aplicando os princípios de proporcionalidade e razoabilidade, considerando o sofrimento e as perdas decorrentes dos defeitos e consequente perda do bem. Além disso, busca a compensação da diferença entre o valor recebido da seguradora (R\$ 56.846,84) e o valor de mercado do bem à época do sinistro, estipulado em R\$ 69.990,00, o que corresponde a R\$ 13.143,16. Na sessão de julgamento realizada em 18 de junho de 2025, este Colegiado deu parcial provimento aos apelos das Promovidas, reformando parcialmente a sentença para: a) julgar improcedente o pedido de rescisão contratual com restituição dos valores pagos na compra do veículo, ante a impossibilidade fático-jurídico de estabelecer o status quo ante; b) julgar improcedente o pedido de indenização por danos materiais, em face da ausência de prova destes. Na oportunidade, negou-se provimento ao apelo do autor. Decidiu-se, portanto, nos seguintes termos ementa

	background-color: #ffffff; font-weight: 400; font-style: normal; font-variant: normal; text-decoration: none; vertical-align: baseline; white-space: pre-wrap;">Autor detinha o direito potestativo de efetuar alguma das opções previstas no art. 18, §1º, do CDC, postulando, sob esse fundamento, a restituição do valor pago mais a reparação por eventuais perdas e danos. Não obstante isso, a pretensão redibitória restou prejudicada por culpa exclusiva do Autor, uma vez que a perda total do veículo no acidente de trânsito em que se envolveu o Demandante inviabilizou a devolução do bem à concessionária e, conseqüentemente, a restauração do status quo ante das partes. (iv) As opções elencadas no art. 18, §1º, do CDC não têm o condão de sancionar o fornecedor, mas sim de equilibrar a situação das partes, afastando o prejuízo dos interesses do consumidor sem abrir espaço para o seu enriquecimento sem causa. Dessa forma, não deve o fornecedor sofrer ônus superior ao que seria devido em razão de sua conduta, sob pena de distorção dos institutos de proteção consumerista. (v) Ao se envolver em acidente que resultou na perda total do veículo, o Promovente tornou juridicamente impossível a rescisão do contrato com restituição do valor pago, pois tal provimento resultaria em inequívoco prejuízo ilícito ao fornecedor. (vi) É oportuno recordar a premissa do Duty to Mitigate the Loss (ou dever de mitigação do próprio prejuízo), aplicável ao caso sob a perspectiva de que as partes devem guardar a boa-fé nas relações contratuais. No caso, por haver agravado a situação da fornecedora, o Autor não pode compeli-la a receber um veículo que sofreu perda total em razão de sinistro para o qual não concorreu, nem receber a restituição de valores pagos sem devolver veículo algum. (vii) São evidentes os relevantes transtornos resultantes dos problemas apresentados pelo veículo, o qual teve que ser levado várias vezes para avaliação e reparo. Além disso, observa-se perda de tempo útil da parte autora, que teve de acionar o Poder Judiciário para solucionar a contenda. (viii) O valor de R\$ 3.000,00 (dois mil reais) estipulado pelo Juízo a quo obedece aos critérios da proporcionalidade e da razoabilidade, bem como atende ao caráter dúplice da indenização por dano moral, qual seja, compensatório e pedagógico; e, ainda, às especificidades do caso concreto, não havendo fundamentos para sua modificação. (ix) A comprovação e a fundamentação do dano material alegado é imprescindível para a formação do convencimento do Julgador. De sua ausência, infere-se a inexistência do prejuízo em questão, o que elimina a obrigação de pagamento de indenização a título de dano material. (x) No caso, o Autor meramente enunciou despesas que teria experimentado com os deslocamentos para a concessionária para o reparo do veículo, a título de gastos com combustível ou com táxi, sem comprovar de forma específica tais gastos. Tratou-se, portanto, de uma mera estimativa no valor de R\$ 100,00 (cem reais), inexistindo elementos suficientes a lastrear tal valor.

No caso de obscuridade ou contradição, o decisório será expungido, eliminando-se o defeito nele detectado. Tratando-se de erro material, o juiz irá corrigi-lo. </p><p style="text-align: justify; padding-left: 240px;"> Em qualquer caso, a substância do julgado será mantida, visto que os embargos de declaração não visam à reforma do acórdão, ou da sentença. No entanto, será inevitável alguma alteração no conteúdo do julgado, principalmente quando se tiver de eliminar omissão ou contradição. O que, todavia, se impõe ao julgamento dos embargos de declaração é que não se proceda a um novo julgamento da causa, pois a tanto não se destina esse remédio recursal. As eventuais novidades introduzidas no decisório primitivo não podem ir além do estritamente necessário à eliminação da obscuridade ou

Curso de Direito Processual Civil – Execução forçada, processos nos tribunais, recursos e direito intertemporal– vol. III / Humberto Theodoro Júnior. 48. ed. rev., atual. e ampl. – Rio de Janeiro: Forense, 2016, p. 1.062-1.063). [Grifou-se]. No caso específico, o recurso visa a eliminar possível omissão na decisão colegiada, por não ter reconhecido a prescrição da pretensão autoral, visto que a parte autora, segundo alegado pela embargante, demonstrou ter tomado ciência do saldo do PASEP ao realizar o saque por ocasião de sua aposentadoria, em 12 de março de 2002. o julgado não aprecia ponto ou questão relevante sobre a qual deveria ter se manifestado; estiver devidamente fundamentado (artigo 489, § 1º, do CPC); ou deixar de se manifestar sobre tese firmada em julgamento de casos repetitivos ou em incidente de assunção de competência aplicáveis à hipótese (artigo 1.022, parágrafo único, I, do CPC). Com efeito, ao se confrontar as alegações expostas nos embargos de declaração com o teor do acórdão impugnado, verifica-se, de plano, que não há omissão a ser sanada, sendo infundada a arguição apresentada pela parte embargante. Conforme esclarecido no decisum, o termo inicial do prazo prescricional começa a fluir na data em que o titular toma ciência dos desfalques ocorridos na conta individual do PASEP, ou seja, quando recebe os extratos ou microfilmagens. No caso, a autora teve acesso aos extratos em 10 de novembro de 2023 (ID 17233326) e ajuizou a ação em 5 de junho de 2024, razão pela qual não há que se falar em prescrição, uma vez que o prazo legal foi devidamente observado. Posto isso, eventual inconformismo ou divergência de interpretação do entendimento firmado pelo órgão julgador não autoriza a rediscussão da matéria já apreciada. Neste aspecto, confira-se a jurisprudência do c. Superior Tribunal de Justiça, representada nas seguintes ementas: EMBARGOS DE DECLARAÇÃO. NÃO CABIMENTO. OMISSÃO, CONTRADIÇÃO, OBSCURIDADE E ERRO MATERIAL NÃO VERIFICADOS. Na hipótese dos autos, ausentes quaisquer dos vícios ensejadores dos aclaratórios, afigura-se patente o intuito infringente da presente irresignação, que objetiva não suprimir a omissão, afastar a obscuridade, eliminar a contradição ou corrigir o erro material, mas, sim, reformar o julgado por via inadequada. Os Embargos de Declaração não constituem instrumento adequado para a rediscussão da matéria de mérito consubstanciada na decisão recorrida, quando não presentes os vícios de omissão, obscuridade ou contradição, nos termos do art. 1.022 do CPC. 3. AUSÊNCIA DOS REQUISITOS NECESSÁRIOS À CONCESSÃO DA LIMINAR PRETENDIDA. DECISÃO MANTIDA. RECURSO DESPROVIDO. 1. Da simples leitura da insurgência aclaratória, é possível verificar o mero inconformismo da embargante com o resultado do julgamento do agravo interno em apelo anteriormente manejado, limitando-se tão somente em expedir argumentos com visos a rediscutir questões já julgadas de forma colegiada. 2. Ao ventilar teses de contradição não são apontados no acórdão duas proposições conflitantes, mas uma suposta divergência entre o resultado e outro julgado deste Tribunal de Justiça, o que não se qualifica como sendo uma contradição para fins de aclaratórios. 3. Ademais, o acórdão é preciso, não sofrendo de omissão: "[...] o incêndio não atingiu efetivamente a casa da recorrente, bem como, não houve comprovação de nenhum dano físico ou prejuízo material. Desse modo, entendo que, sem perder de vista os postulados da razoabilidade e proporcionalidade, bem como o caráter pedagógico de tais indenizações, a quantia de R\$ 3.000,00 (três mil reais), arbitrada a título de danos morais mostra-se razoável." 5. É o caso, então, de aplicar-se a Súmula n.º 18 deste Tribunal, sendo indevidos embargos de declaração que têm por única finalidade o reexame da controvérsia jurídica já apreciada. 4. Analisando-se os termos da sentença em questão, depreende-se clareza quanto aos motivos que levaram à improcedência do pleito autoral: No presente caso, a parte autora alega que construção no imóvel da ré causou diversos danos em seu imóvel, inclusive lhe gerando danos morais. Ocorre que não há mínima prova que os danos apontados na inicial tenham sido causados pela construção da ré. No corpo da petição inicial se verificam algumas fotografias que seriam correspondentes as avarias no imóvel da autora, mas não existe evidência mínima que tais avarias tenham sido causados pela construção da ré. Foi juntado com a inicial um auto de embargo que apenas comprova a inexistência de licença da prefeitura para a construção da ré mas, repito, sem que isto indique algum dano no imóvel da autora. Assim, não existindo prova nos autos capaz de comprovar os danos sofridos pela parte autora, tampouco tendo esta tencionado produção de outras provas e, sendo ônus da parte autora a prova do fato constitutivo de seu direito, a improcedência dos pedidos é medida que se impõe. Observo, no caso, prolação de sentença concisa ou sintética, com fundamentação juridicamente suficiente e, portanto, destituída de nulidade . Decisão não fundamentada é aquela que não permite compreender as razões que levaram o julgador à conclusão adotada, inviabilizando o controle jurisdicional e recursal, o que não é o caso. Quanto ao segundo ponto (violação de direito probatório das partes), recorde-se que, nos termos do art. 5º, LV, da Constituição da República, aos litigantes, em processo judicial ou administrativo, e aos acusados em geral são assegurados o contraditório e ampla defesa, com os meios e recursos a ela inerentes. No que pertine ao direito de produção probatória, leciona a doutrina processual civil que a prova é inadmissível tão somente se impertinente, irrelevante ou incontravérsia a alegação de fato. Havendo pertinência, relevância e controvérsia da alegação, há direito fundamental à produção da prova a

O não atendimento da intimação do despacho saneador pode ser interpretado como a desistência da prova anteriormente solicitada, permitindo tanto o julgamento antecipado da lide como a prolação de decisão desfavorável à parte que se manteve inerte, com base na ausência de prova para sustentar suas alegações.</p><p style="line-height: 1.7999999999999998; text-indent: 70.86614173228347pt; text-align: justify; margin-top: 21pt; margin-bottom: 0pt;" dir="ltr">No caso, a Autora afirma que pediu expressamente, mais de uma vez, a produção da prova específica de depoimento pessoal dos Apelados, o que teria sido ignorado pelo Juízo <span

Porém, como dito, a ora Apelante quedou inerte em reiterar o pedido de produção probatória quando instada a fazê-lo pelo despacho saneador, o que foi interpretado como desistência da provas anteriormente requeridas e renúncia à produção de outras espécies probatórias. Da documentação acostada, observa-se que não há lastro para grande parte das alegações autorais, sobretudo quanto aos danos supostamente decorrentes da perda de utensílios domésticos, uma vez que não há prova mínima da relação entre tal prejuízo e a obra em questão. Porém, não há como ignorar o registro quanto às trincas em alvenaria e às avarias nas cobertas apontadas no documento de vistoria 13.999999999999998pt; font-family: 'Times New Roman', serif; color: #000000; background-color: transparent; font-weight: 400; font-style: normal; font-variant: normal; text-decoration: none; vertical-align: baseline; white-space: pre-wrap;">evidenciando elemento de prova em favor da Apelante quanto a esse ponto. Porém, eventual reforma da decisão para condenar a parte Apelada à reparação das avarias supracitadas modificará a conclusão tecida no tópico relativo ao cerceamento de direito probatório, uma vez que ensejará julgamento parcialmente desfavorável aos Promovidos 13.999999999999998pt; font-family: 'Times New Roman', serif; color: #000000; background-color: transparent; font-weight: 700; font-style: normal; font-variant: normal; text-decoration: none; vertical-align: baseline; white-space: pre-wrap;">sem que lhes tenha sido oportunizado o pleno exercício do direito probatório. Diante disso, eventual julgamento desfavorável aos Apelados deve ser precedido de decisão quanto à produção da provas requestadas e

	outras matérias porventura suscitadas com o deferimento/indeferimento dos pedidos em questão. A pendência do exame da petição mencionada evidencia que saneamento processual e a fase de instrução não foram propriamente encerrados e a manutenção desse cenário só seria possível diante de um julgamento integralmente favorável à parte apelada, com lastro na premissa oriunda do pas de nullité sans grief. Dessa forma, considerando-se a possibilidade de reversão, ainda que parcial, da conclusão adotada na sentença, impõe-se a cassação desta, com retorno do feito à origem para apreciação do pedido formulado na petição de ID 20995883 e eventual prosseguimento da fase instrutória. Entendimento diverso redundaria em prejuízo à parte ora apelada como resultado de uma “decisão surpresa”, em manifesta afronta ao princípio cooperativo e ao pleno exercício do direito de defesa. Ex positis, ANULO DE OFÍCIO a sentença objurgada e determino o retorno do feito à origem para que se proceda ao regular prosseguimento do saneamento e da instrução processuais, com atenção ao petitório de ID 20995883. Como consequência, declaro PREJUDICADO o recurso apelatório da Autora. É como voto. Fortaleza, data e assinatura digital registradas no sistema eletrônico. 	indent: 8%;>regularidade da extinção do feito com&#160; fundamento &#160;no art. 290 do Código de Processo Civil , sendo inviável perquirir &#160; matérias não submetidas à &#160; apreciação &#160;do juízo primeiro grau. III. RAZÕES DE DECIDIR 3. Quanto ao pedido de concessão da gratuidade da justiça, observa-se que a matéria fora objeto de apreciação em Agravo de Instrumento anteriormente&#160;distribuído a este Relator sob o nº 0638550-70.2023.8.06.0000, com trânsito em julgado em 10 de fevereiro de 2025 e arquivamento definitivo em 14 de fevereiro de 2025. Isso evidencia que a questão abordada neste recurso foi decidida em caráter definitivo, não sendo possível a rediscussão por esta via recursal, sob pena de ofensa à coisa julgada, nos termos dos arts. 507 e 508 do Código de Processo Civil. 4. Dito isso, é indiscutível que a matéria relativa à concessão da justiça gratuita foi definitivamente apreciada em Agravo de Instrumento anteriormente interposto, operando-se a preclusão da questão nele examinada e tornando juridicamente inviável sua rediscussão por esta instância revisora, o que impõe, por conseguinte, a manutenção da r. sentença recorrida. IV. DISPOSITIVO 5. Recurso conhecido em parte e, na extensão conhecida, desprovido. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por uma de suas turmas, à unanimidade, em conhecer parcialmente do recurso interposto, para, na parte conhecida, negar-lhe provimento, no sentido de manter inalterada a sentença recorrida, nos termos do voto do Desembargador Relator. Fortaleza, data da assinatura digital. &#160; DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Relator &#160; &#160; RELATÓRIO &#160; Cuida-se de recurso de Apelação Cível interposto pelo Comercial de Alimentos Wneto Ltda. e José Clenildo Teixeira do Nascimento contra sentença prolatada pelo MMº. Juiz de Direito Luiz Eduardo Viana Pequeno, da 2ª Vara Cível da Comarca de Maracanaú, que extinguiu, sem resolução de mérito, os Embargos à Execução opostos em face do Itaú Unibanco S/A, na forma do art. 485, incisos I e IV, combinado com o art. 290, do Código de Processo Civil. &#160; Nas razões recursais, os apelantes aduzem, em síntese, que a r. decisão de primeiro grau merece reforma por ter indeferido, de modo equivocado, o pedido de gratuidade da justiça. Alegam que foi devidamente demonstrada a insuficiência de recursos da empresa para arcar com as custas processuais, situação agravada por uma crise econômica que comprometeu a manutenção de suas atividades, exigindo, inclusive, a demissão de funcionários e a redução de operações. Argumentam que a negativa do benefício violou o disposto no art. 5º, inciso LXXIV, da Constituição Federal, bem como no art. 98 do Código de Processo Civil, além de contrariar o entendimento consolidado na Súmula 481 do STJ, que admite a

	concessão da gratuidade à pessoa jurídica quando comprovada a sua hipossuficiência financeira. Os apelantes impugnam a validade do título executivo extrajudicial que embasa a execução, sob o fundamento de que o documento carece das assinaturas de duas testemunhas, o que comprometeria sua eficácia executiva, conforme exigência expressa do art. 784 do Código de Processo Civil. Asseveram que, ausente tal requisito formal, o instrumento particular não possuiria força executiva, devendo ser reconhecida sua nulidade para fins de execução. Além disso, apontam a existência de encargos contratuais abusivos, mencionando a cobrança de juros excessivos e a prática de anatocismo, em desacordo com os princípios da legalidade e da função social do contrato. Defendem a necessidade de realização de perícia contábil para apuração do eventual excesso de execução, com fundamento, entre outros termos, na Lei da Usura e no art. 173 da Constituição Federal, que impõe limites à atividade econômica em benefício da ordem pública. Ao final, requerem o provimento do recurso, para que seja i) deferida a gratuidade da justiça; ii) reconhecida a nulidade do título executivo por ausência dos requisitos legais; e iii) determinada a revisão dos encargos contratuais alegadamente abusivos, com apuração de eventual excesso de execução. Em contrarrazões, a parte apelada defende a manutenção da sentença, ao alegar que o pedido de gratuidade já foi indeferido em agravo de instrumento anterior, por ausência de prova da hipossuficiência financeira; decisão que já transitada em julgado, o que impede nova análise por força da coisa julgada. Sustenta, ainda, que a alegação de nulidade do título, excesso de execução e encargos abusivos configuram inovação recursal, pois não foram suscitadas no juízo de origem. No mérito, afirma que, nos termos da Lei nº 10.931/2004, a cédula de crédito bancário dispensa a assinatura de testemunhas para ter força executiva, rebatendo, também, a alegação de abusividade dos encargos, acrescentando não existe prova ou elementos concretos que justifiquem eventual perícia contábil. É o relatório. VOTO O relator, inicialmente, é preciso averiguar a presença dos pressupostos intrínsecos e extrínsecos de admissibilidade, sem os quais não seria viável prosseguir com o exame de mérito do recurso. Com base no que se infere da r. sentença, os embargos à execução foram extintos sem resolução de mérito, sendo determinado o cancelamento da distribuição do feito, decorrente da ausência de recolhimento das custas iniciais, conforme previsto no art. 290 do Código de Processo Civil. Ou seja, a análise da tese recursal limitar-se-á ao exame da matéria efetivamente apreciada pelo d. juízo de primeiro grau visto que somente após deliberação do magistrado singular, ou de injustificada demora em fazê-lo, caberia aos recorrentes buscarem a tutela jurisdicional de segundo grau, sob pena de indevida supressão de instância. Ao examinar as razões recursais, é notório que as alegações relativas à nulidade do título executivo e à cobrança de encargos abusivos não guardam pertinência com a fundamentação da sentença, a qual

	se limitou a extinguir o feito sem resolução de mérito, com base no art. 290 do CPC, em razão da ausência de recolhimento das custas processuais iniciais. &#160; Logo, adstrito ao conteúdo do decisum adversado, a análise recursal limitar-se-á ao exame da regularidade da extinção do feito com fundamento no art. 290 do Código de Processo Civil, sendo inviável perquirir&#160;matérias não submetidas à&#160;apreciação do juízo primeiro grau. &#160; Quanto ao pedido de concessão da gratuidade da justiça, observa-se que a matéria fora objeto de apreciação em Agravo de Instrumento anteriormente&#160;distribuído a este Relator sob o nº 0638550-70.2023.8.06.0000, com trânsito em julgado em 10 de fevereiro de 2025 e arquivamento definitivo em 14 de fevereiro de 2025, conforme se depreende das fls. 284 e 288 dos autos supracitados. Isso evidencia que a questão abordada neste recurso foi decidida em caráter definitivo, não sendo possível a rediscussão por esta via recursal, sob pena de ofensa à coisa julgada, nos termos dos arts. 507 e 508 do Código de Processo Civil: &#160; Art. 507. É vedado à parte discutir no curso do processo as questões já decididas a cujo respeito se operou a preclusão. &#160; Art. 508. Transitada em julgado a decisão de mérito, considerar-se-ão deduzidas e repelidas todas as alegações e as defesas que a parte poderia opor tanto ao acolhimento quanto à rejeição do pedido. &#160; Nesse sentido [grifou-se]: &#160; APELAÇÃO CÍVEL. Parte embargante que não se desincumbiu do ônus de comprovar o recolhimento das custas no prazo estabelecido, referente ao parcelamento deferido, apesar de devidamente intimada para tanto . 2. Em se tratando de extinção do processo sem julgamento do mérito, com base nos arts. 290 e 485, IV, ambos do CPC, não há que se falar em intimação pessoal da parte, exigência esta necessária somente quando da extinção por abandono da causa (art. 485, III, do CPC), o que não é o caso dos autos. 3 Quanto à justiça gratuita, verifica-se que se trata de matéria preclusa, a qual foi decidida através do Agravo de Instrumento de nº 0634034-46 .2019.8.06.0000, já com trânsito em julgado, não se verificando nas razões recursais a alegação de qualquer situação nova capaz de ensejar a

INCIDÊNCIA DO DISPOSTO 507, DO CÓDIGO DE PROCESSO CIVIL. RECURSO NÃO CONHECIDO. 1. Constata-se da detida análise dos autos originários. Ação de Inventário - Processo Nº 0206404-09 .2024.8.06.0064 ¿ que ao receber a petição inicial, em 14 de novembro de 2024, o Magistrado a quo, indeferiu o pedido de justiça gratuita e determinou a intimação dos autores para efetuarem o recolhimento das custas processuais, além do cumprimento de outras deliberações para a regular tramitação do feito. 2. Sucede que, devidamente intimados, os promoventes, não cumpriram a decisão inaugural e não apresentaram insurgência em relação ao indeferimento do pedido de gratuidade da justiça, tendo o Julgador Plânico em despacho exarado, em 24 de fevereiro de 2025, determinado o cumprimento da decisão inaugural, inclusive, em relação ao recolhimento das custas processuais, da qual os autores interpuseram o presente agravo de instrumento. 3. Nesse contexto, conclui-se que o direito dos agravantes de se insurgirem contra a decisão que indeferiu o pedido de justiça precluiu porque interpuseram recurso de decisão que apenas determinou o cumprimento de decisão anterior, quando deviam ter interposto da decisão preliminar que indeferiu o pedido de justiça gratuita, sendo que, de acordo com o artigo 507, do Código de Processo Civil, é vedada a discussão no curso do processo de questões já decididas a cujo respeito se operou a preclusão. 4. Desse modo, reconhecida a preclusão para a interposição do recurso, o não conhecimento do presente agravo de instrumento é a medida que se impõe. 5. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente/Relator Trata-se de recurso de Apelação interposto por Maria Helena Nascimento contra a sentença prolatada pelo Juízo da 13ª Vara de Família da Comarca de Fortaleza nos autos da Ação de Divórcio c/c Partilha de Bens e Alimentos proposta pela ora Apelante em desfavor de Edilson Gomes do Nascimento. Na sentença (ID 21462532), o feito foi julgado parcialmente procedente. O magistrado decretou o divórcio entre as partes, determinou a partilha igualitária do patrimônio comum comprovado e fixou alimentos definitivos em favor da Autora no valor de um salário mínimo. A divisão dos bens incluiu um apartamento localizado em Fortaleza, mas excluiu um terreno, aplicações financeiras e uma camionete Toyota Hilux, devido à falta de comprovação de existência dos mesmos. A decisão relativa aos alimentos levou em consideração a idade da autora e sua dedicação ao lar durante o período matrimonial, conforme o disposto nos artigos 1.658, 1.694, 1.695 e 1.704 do Código Civil e jurisprudência relevante do Superior Tribunal de Justiça referente a alimentos entre ex-cônjuges. AGRAVO DE INSTRUMENTO. UNIÃO ESTÁVEL. DISSOLUÇÃO E PARTILHA DE BENS . DILIGÊNCIAS PARA LOCALIZAÇÃO DE PATRIMÔNIO. HIPOSSUFICIÊNCIA DA PARTE AUTORA. PRINCÍPIO DA COOPERAÇÃO. RECURSO PROVIDO . I. CASO EM EXAME 1. Agravo de Instrumento interposto por Renata Carmona Valerio contra decisão interlocutória que indeferiu pedido de expedição de ofícios e acesso a sistemas judiciais e administrativos (COAF, RIF, SENSEC, SREI, SISBAJUD, RENAJUD, INFOJUD, entre outros) com a finalidade de localizar bens do agravado, José Nazareno Xavier da Silva, supostamente omitidos para fins de partilha em ação de dissolução de união estável. A agravante alegou hipossuficiência, grave enfermidade e impossibilidade de acesso direto às informações protegidas por sigilo .II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em definir se é cabível a expedição de ofícios e autorização de diligências judiciais para localização de bens do agravado, diante da alegada hipossuficiência da agravante e da existência de indícios de ocultação patrimonial. III . RAZÕES DE DECIDIR 3. O indeferimento do pedido de diligências com base exclusiva no ônus da prova (art. 373, I, do CPC) desconsidera o princípio da cooperação (art. 6º do CPC), segundo o qual o magistrado deve atuar proativamente na busca da verdade real . 4. A jurisprudência é pacífica no sentido de que, diante de indícios concretos de existência de patrimônio e da hipossuficiência da parte, o juízo deve viabilizar meios de localização de bens, inclusive por expedição de ofícios e utilização de sistemas judiciais como SISBAJUD, RENAJUD e INFOJUD. 5. A agravante apresentou elementos objetivos, como registro de embarcação, contas de energia e indícios de movimentação empresarial, que apontam para a existência de bens a serem partilhados . 6. As diligências requeridas não substituem o ônus probatório, mas viabilizam sua efetivação, conforme previsto no art. 139, IV, do CPC, devendo o juízo adotar medidas sub-rogatórias e indutivas para garantir a prestação jurisdicional adequada. 7 . A negativa das diligências solicitadas compromete o acesso à justiça e o direito da agravante à efetiva partilha do patrimônio comum, especialmente em contexto de risco de dilapidação patrimonial. IV. DISPOSITIVO E TESE 8. Recurso provido . Tese de julgamento: 1. O juiz deve determinar diligências para localização de bens a serem partilhados quando demonstrada a hipossuficiência da parte e a existência de indícios objetivos de ocultação patrimonial. 2. O princípio da cooperação impõe ao magistrado o dever de atuação proativa para assegurar a efetividade da tutela jurisdicional em ações de partilha . 3. A utilização de sistemas judiciais e administrativos para busca de bens constitui instrumento legítimo de superação de assimetrias processuais, sem violar o princípio da imparcialidade. Quanto ao pleito para majorar os alimentos da segunda agravante, é cediço que a obrigação alimentar possui o caráter de variabilidade, devendo coadunar-se com o binômio da necessidade do alimentado e a possibilidade do alimentante. 5. Afinal, o Código Civil, em seu art. 1.694, dispõe que os alimentos devem ser fixados na proporção das necessidades do alimentando e dos recursos do alimentante, o que significa dizer que a verba alimentar deve ser arbitrada observando-se a justa ponderação do binômio necessidade e possibilidade, em atenção, desta forma, ao princípio da proporcionalidade. 6. Ao se compulsar os autos, observa-se que os elementos probatórios não autorizam a alteração dos alimentos para o montante de 10 (dez) salários-mínimos, já que o alimentante não sobeja ter a capacidade financeira alegada pelas agravantes, sobretudo quando se analisa o contracheque de 09/2020 do agravado, fl. 468, o qual demonstra que o alimentante percebe uma remuneração de R\$ 13.439,00 (treze mil, quatrocentos e trinta e nove reais). 7. RAZÕES DE DECIDIR

	3. De acordo com o entendimento consolidado pelo colendo Superior Tribunal de Justiça, nas ações propostas pelo fornecedor de bens ou serviços contra o consumidor, prevalece a competência do foro de domicílio do réu, ressalvando-se, contudo, que, havendo alteração do domicílio no curso da relação jurídica mantida entre as partes, referida modificação deve ser comunicada ao fornecedor. 4. Como se observa dos autos, a ação de cobrança foi ajuizada no foro indicado como domicílio do réu no momento da celebração do contrato de prestação de serviços educacionais. Ou seja, tal endereço corresponderia ao domicílio do consumidor à época da constituição da relação jurídica contratual, razão pela qual não houve violação ao disposto no Código de Defesa do Consumidor no momento de propositura da demanda, visto que, ao ajuizar a ação no local indicado contratualmente como residência do consumidor, observou-se rigorosamente o disposto na legislação aplicável ao caso. 5. Aliado a isso, o consumidor não se desincumbiu do ônus de demonstrar que, à época da propositura da ação, já havia alterado seu domicílio, tampouco comprovou nos autos que referida mudança tenha sido efetiva e tempestivamente comunicada ao fornecedor, o que evidencia o descumprimento do dever de cooperação e a infringência ao princípio da boa-fé objetiva, que regem tanto a relação contratual quanto processual. 6. Logo, inexistindo demonstração de que o réu / apelante tenha formalmente comunicado a alteração de seu domicílio, e considerando que a ação foi ajuizada no foro informado contratualmente como endereço do consumidor, não se verifica qualquer irregularidade ou afronta ao disposto na legislação de regência. Deve-se, portanto, observar a regra da <i>perpetuatio jurisdictionis</i>, bem como o princípio da boa-fé objetiva, que impõe às partes o dever de agir com lealdade e cooperatividade antes, durante e após a relação contratual estabelecida. 7. De igual modo, não prospera a alegada prescrição da pretensão de cobrança. Conforme ressaltado pelo il. juízo de primeiro grau, a presente ação foi ajuizada dentro do prazo prescricional de cinco anos, previsto no art. 206, § 5º, inciso I, do Código Civil, tendo sido protocolada em 1º de novembro de 2017, com o objetivo de cobrar parcelas inadimplidas do contrato de prestação de serviços educacionais referentes aos meses de setembro de 2013 a julho de 2014. 8. O simples fato de a citação ter se concretizado apenas no ano de 2022 não configura a ocorrência da prescrição, uma vez que a demanda foi ajuizada antes de consumado o prazo legalmente previsto para o exercício da pretensão. Além disso, o retardamento dos atos processuais decorreu de fatores inerentes aos mecanismos do Poder Judiciário, o que reforça a insubsistência da arguição de prescrição, conforme dispõe o enunciado nº 106 da súmula da jurisprudência do Superior Tribunal de Justiça, <i>verbis</i>: <i>"proposta a ação no prazo fixado para o seu exercício, a demora na citação, por motivos inerentes ao mecanismo da Justiça, não justifica o acolhimento da arguição de prescrição ou decadência"</i>. 9. De ofício, impõe-se o redimensionamento dos honorários de sucumbência para 10% (dez por cento) sobre o valor da condenação, de acordo com o art. 85, § 2º, do Código de Processo Civil. IV. DISPOSITIVO 10. Recurso desprovido. Honorários de sucumbência redimensionados, de ofício. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por uma de suas turmas, à unanimidade, em conhecer do recurso de apelação cível para, no mérito, negar-lhe provimento, no sentido de manter inalterados os termos da sentença quanto ao mérito recursal, mas readequar, de ofício, os honorários de sucumbência, conforme o voto do Desembargador Relator. 	style="font-family: &quot;times new roman&quot;; times;">PROCESSO CIVIL. CONFLITO NEGATIVO DE COMPETÊNCIA. AÇÃO DE EXECUÇÃO DE TÍTULO EXTRAJUDICIAL. ESCOLHA DO FORO DE DOMICÍLIO DOS RÉUS. COMPETÊNCIA TERRITORIAL. PRINCÍPIO DA PERPETUATIO JURISDICTIONIS . COMPETÊNCIA DO JUÍZO SUSCITADO. 1. A competência determina-se no momento da propositura da ação (art. 87 do CPC) e, por força do art. 576 do CPC, as regras gerais de competência - previstas no Livro I, Título IV, Capítulos II e III – aplicam-se à ação de execução de título extrajudicial. 2. Em conformidade com o art. 100, IV, “d” do CPC, o juízo competente para processar e julgar ação de execução de título extrajudicial é o do lugar do pagamento do título. O exequente pode, todavia, optar pelo foro de eleição ou pelo foro de domicílio do réu, como ocorreu na hipótese em exame. Precedentes. 3. Em se tratando de hipótese de competência relativa, o art. 87 do CPC institui, com a finalidade de proteger a parte, a regra da estabilização da competência (perpetuatio jurisdictionis), evitando-se, assim, a alteração do lugar do processo, toda a vez que houver modificações supervenientes do estado de fato ou de direito. 4. A aquisição do ativo do banco exequente pelo Estado de Alagoas em nada altera o exposto, porquanto não se trata de posterior supressão do órgão judiciário ou alteração da competência em razão da matéria ou da hierarquia, situações admitidas pelo art. 87 do CPC como exceções à perpetuação da competência. 5. Ademais, confirmando a autonomia do direito processual relativamente ao direito material, preconiza a regra contida no art. 42 do CPC que as alterações ocorridas no direito material não interferem no teor da relação jurídica processual, verificando-se, com a citação válida, a perpetuatio jurisdictionis . 6. Conflito conhecido para o fim de declarar a competência do Juízo de Direito da 7ª Vara Cível de Aracaju-SE, foro de domicílio dos réus. (CC 107.769/AL, Rel. Ou seja, tal endereço corresponderia ao domicílio do consumidor à época da constituição da relação jurídica contratual, razão pela qual não houve violação ao disposto no Código de Defesa do Consumidor no momento da propositura da demanda, visto que, ao ajuizar a ação no local indicado contratualmente como residência do consumidor, observou-se rigorosamente o disposto na legislação aplicável ao caso. <p align="justify"> ¶</p><p style="text-indent: 8%;" align="justify"> Aliado a isso, o consumidor não se desincumbiu do ônus de demonstrar que, à época da propositura da ação, já havia alterado seu domicílio, tampouco comprovou nos autos que referida mudança tenha sido efetiva e tempestivamente comunicada ao fornecedor, o que evidencia o descumprimento do dever de cooperação e a infringência ao princípio da boa-fé objetiva, que regem tanto a relação contratual quanto processual. <p style="text-indent: 8%;" align="justify"> ¶</p><p style="text-indent: 8%;" align="justify"> Nesse contexto, deve-se privilegiar a estabilização do feito no local onde correspondia ao domicílio do consumidor à época da distribuição do processo. Deve-se, portanto, observar a regra da perpetuatio jurisdictionis, bem como o princípio da boa-fé objetiva, que impõe às partes o dever de agir com lealdade e cooperatividade antes,

A propósito, seguindo a mesma linha de raciocínio, destacam-se precedentes dos Tribunais de Justiça dos Estados, para fins persuasivos [grifou-se]: CONFLITO NEGATIVO DE COMPETÊNCIA. JUÍZES EM EXERCÍCIO NO PRIMEIRO GRAU DE JURISDIÇÃO. EXECUÇÃO DE TÍTULO EXTRAJUDICIAL. CONTRATO DE PRESTAÇÃO DE SERVIÇOS EDUCACIONAIS. ALTERAÇÃO DO DOMICÍLIO DO RÉU APÓS A PROPOSITURA DA AÇÃO. COMPETÊNCIA FIXADA NO MOMENTO PROPOSITURA DA AÇÃO. PERPETUATIO JURISDICTIONIS. APLICAÇÃO DO ARTIGO 43 DO CPC. COMPETÊNCIA DO JUÍZO SUSCITADO. CONFLITO DE COMPETÊNCIA PROCEDENTE. (TJ-PR - CC: 00319623720158160182 Curitiba 0031962-37.2015.8.16.0182 (Acórdão), Relator.: Fernanda Bernert Michielin, Data de Julgamento: 10/03/2023, 2ª Turma Recursal, Data de Publicação: 12/03/2023). AGRAVO DE INSTRUMENTO – EXECUÇÃO DE TÍTULO EXTRAJUDICIAL – AÇÃO PROPOSTA NA COMARCA DO ENDEREÇO INFORMADO PELO EXECUTADO NO CONTRATO – DECLÍNIO DE COMPETÊNCIA APÓS REITERADAS TENTATIVAS DE LOCALIZAÇÃO – FORO DO DOMICÍLIO DO CONSUMIDOR – OFENSA AO PRINCÍPIO DA PERPETUATIO JURISDICTIONIS – RECURSO CONHECIDO E PROVIDO. 1. Extraí-se do feito originário que, diante do insucesso nas sucessivas tentativas de citação do Agravado, ora Executado, o juízo de origem efetuou busca junto ao sistema “SerasaJud” e obteve a informação de que referida parte reside na comarca de Rio das Ostras/RJ, tendo ocorrido o reconhecimento da relação de consumo e o declínio da competência com fundamento na facilitação da defesa do consumidor. 2. Embora exista cláusula de eleição foro firmada em Vitória nas condições gerais da avença firmada entre as partes, a Agravante, ora Autora na origem, ajuizou a ação na comarca de Guarapari, local de endereço do Executado informado no contrato, o que, ao menos pela devolutividade restrita do recurso, indica que foi respeitada a competência do foro do domicílio do consumidor. 3. O só fato de se ter conhecimento a respeito da mudança de endereço do Agravado para outra localidade, após o registro, a distribuição e o impulsionamento do feito, não justifica o declínio de competência, por ofensa ao princípio da perpetuatio jurisdictionis, notadamente porque se trata de endereço informado pelo próprio Executado quando da formação da avença sem que, aparentemente, fosse notificada eventual modificação de localidade junto à instituição Agravante (CPC, art. 43). 4. Recurso conhecido e provido. (TJ-ES - AGRAVO DE INSTRUMENTO: 5013656-37.2023.8.08.0000, Relator.: MARIANNE JUDICE DE MATTOS, 1ª Câmara Cível). De igual modo, não prospera a alegada prescrição da pretensão de cobrança. Conforme ressaltado pelo il. juízo de primeiro grau, a presente ação foi ajuizada dentro do prazo prescricional de cinco anos, previsto no art. 206, § 5º, inciso I, do Código Civil, tendo sido protocolada em 1º de novembro de 2017, com o objetivo de cobrar parcelas inadimplidas do contrato de prestação de serviços educacionais referentes aos meses de setembro de 2013 a julho de 2014. O simples fato de a citação ter se concretizado apenas no ano de 2022 não configura a ocorrência da prescrição, uma vez que a demanda foi ajuizada antes de consumado o prazo legalmente previsto para o exercício da pretensão. Além disso, o retardamento dos atos processuais decorreu de fatores inerentes aos mecanismos do Poder Judiciário, o que reforça a insubsistência da

	arguição de prescrição, conforme dispõe o enunciado nº 106 da súmula da jurisprudência do Superior Tribunal de Justiça, verbis: "proposta a ação no prazo fixado para o seu exercício, a demora na citação, por motivos inerentes ao mecanismo da Justiça, não justifica o acolhimento da arguição de prescrição ou decadência". Assim, ao constatar que a parte autora / apelada atuou com diligência na tentativa de localizar o réu, apresentando, sempre que instada pelo juízo, novos meios e alternativas com o objetivo de promover a citação (IDs 22593503 e 22593507), a demora em efetivá-la não pode ser confundida com desídia processual, pois teve relação com a dinâmica dos mecanismos de funcionamento do Poder Judiciário, somada à dificuldade prática de localização do demandado, que, conforme mencionado, alterou seu domicílio sem a devida comunicação ao fornecedor. Em conclusão, embora as partes não tenham apresentado qualquer insurgência quanto à fixação do ônus de sucumbência, a jurisprudência do Superior Tribunal de Justiça reconhece que os honorários advocatícios, "enquanto consectários legais da condenação principal, possuem natureza de ordem pública, podendo ser revistos a qualquer momento e até mesmo de ofício, sem que isso configure reformatio in pejus" (AgInt no REsp n. 1.722.311/RJ, relator Ministro Mauro Campbell Marques, Segunda Turma, julgado em 21/6/2018, DJe de 28/6/2018). Quanto aos parâmetros de fixação dos honorários, o entendimento jurisprudencial da Segunda Seção do STJ, firmado por ocasião do julgamento do REsp 1.746.072/PR, em 13/02/2019, é no sentido de que a verba deve ser estabelecida, em regra, com observância dos percentuais e da ordem de gradação da base de cálculo estabelecida pelo art. 85, § 2º, do Código de Processo Civil, que preleciona [grifou-se]. Art. 85. A sentença condenará o vencido a pagar honorários ao advogado do vencedor. I - o grau de zelo do profissional; II - o lugar de prestação do serviço; III - a natureza e a importância da causa; IV - o trabalho realizado pelo advogado e o tempo exigido para o seu serviço. Desse modo, o Código de Processo Civil apresenta uma ordem preferencial quanto ao parâmetro a ser utilizado para fixação dos honorários de sucumbência, conforme conjugação dos §§ 2º e 8º do art. 85 do mencionado diploma: (a) primeiro, quando houver condenação, devem ser fixados entre 10% e 20% sobre o montante desta (art. 85, § 2º); (b) segundo, não havendo condenação, serão também fixados entre 10% e 20%, das seguintes bases de cálculo: (b.1) sobre o proveito econômico obtido pelo vencedor (art. 85, § 2º); ou (b.2) não sendo possível mensurar o proveito econômico obtido, sobre o valor atualizado da causa (art. 85, § 2º); (c) havendo ou não condenação, nas causas em que for inestimável ou irrisório o proveito econômico ou em que o valor da causa for muito baixo, deverão, só então, ser fixados por apreciação equitativa (art. 85, § 8º).

Diante disso, postulou tutela de urgência, para que a Requerida fornecesse, de imediato, um carro reserva similar ao seu. No mérito, pugnou pela condenação das Demandadas ao pagamento de danos morais no valor de R\$ 100.000,00 (cem mil reais), R\$50.000,00 para cada delas; bem como danos materiais e lucros cessantes no valor total de R\$ 10.000,00 (dez mil reais). Na< (ID 22852616), foram julgados parcialmente procedentes os pedidos da autora, condenando-se a parte promovida a ressarcir danos materiais no valor de R\$ 857,59; bem como danos morais no valor de R\$10.000,00 (dez mil), ambos devidamente corrigidos. Os lucros cessantes foram afastados, em razão da ausência de provas. Na fundamentação jurídica, a sentença destacou o reconhecimento da relação de consumo e a responsabilidade objetiva das rés, com base no Código de Defesa do Consumidor (CDC), especialmente no art. 18 sobre vício do produto e no art. 6º sobre a reparação de danos. A sentença também rejeitou as preliminares de ilegitimidade passiva e decadência, sustentando a solidariedade das rés na obrigação de indenizar, conforme art. 25, §1º do CDC.

Sustenta que o valor arbitrado a título de danos morais é irrisório e pede a sua majoração, invocando jurisprudência que reconhece a necessidade de um quantum indenizatório suficiente para desencorajar práticas lesivas. A apelante também reitera o pedido de indenização por lucros cessantes, argumentando que a falta do veículo prejudicou sua atividade profissional e gerou gastos extras, que não foram devidamente apreciados pelo juízo. Ao final, a autora pediu a majoração da indenização por danos morais para R\$100.000,00 (cem mil reais), bem como o reconhecimento e o ressarcimento dos lucros cessantes. Em contrarrazões (ID 23405243), a CAO A Motor do Brasil Ltda. alegou que as pretensões da apelante carecem de respaldo fático e jurídico, destacando que a sentença já foi cumprida com o pagamento dos valores pela Hyundai Motor Brasil Ltda. Defende a perda superveniente do interesse recursal, posto que a apelante já teria inclusive solicitado o levantamento dos valores depositados, o que configuraria aceitação da decisão judicial. Alternativamente, em caso de não acolhimento desse pedido, pleiteia o desprovisionamento do recurso, sustentando que a decisão de primeiro grau foi justa e apropriada. 	relativo aos danos morais. II - Dos Lucros Cessantes Na exordial do feito, a Autora reivindica o ressarcimento de valores que deixou de auferir em razão da dificuldade de deslocamento causada pela ausência prolongada do veículo em questão. Relatou que, impossibilitada de usar o carro por mais de 180 dias, em período crítico (pandemia), a Promovente teve que interromper algumas de suas atividades como engenheira, bem como dispensar novos alunos que preferiam aulas presenciais em seu serviço como professora particular. Diante disso, pugnou pela condenação das Promovidas em lucros cessantes. Em matéria de lucros cessantes, vale recordar o disposto na Lei Substantiva Civil, que assim prescreve: Art. 402 Salvo as exceções expressamente previstas em lei, as perdas e danos devidas ao credor abrangem, além do que ele efetivamente perdeu, o que razoavelmente deixou de lucrar. [Grifei]. Art. 403 Ainda que a inexecução resulte de dolo do devedor, as perdas e danos só incluem os prejuízos efetivos e os lucros cessantes por efeito dela direto e imediato [Grifei]. A lei é clara ao dispor que só serão indenizáveis os danos materiais efetivamente comprovados, tanto no que diz respeito à sua existência quanto ao seu valor, o que, naturalmente, aplica-se aos lucros cessantes.

No caso do Promovido, conforme bem registrado no decisum agravado, trata-se de um dos herdeiros dos imóveis em questão, no que pertine ao quinhão que seria destinado à sua genitora (Maria Clery Jataí Costa). Não obstante buscar afastar o direito da Promovente de exigir as contas em questão, o Agravante admite que se trata de bens pertencentes à família, o que restou consignado em seu depoimento pessoal, conforme destacado no decisum Analizando-se os autos, é possível conferir cópia de um Contrato de Locação do imóvel de nº. 607 (ID 132908836), constando o Agravante como locador da unidade; bem como recibos de aluguel referentes à locação dos imóveis em questão (IDs 132908839 e 132908846). Verificam-se, portanto, elementos aptos a confirmar que o Agravante atuou como administrador da locação dos ditos imóveis. Isso não é por ele refutado, considerando-se que haver admitido que exercia a administração dos bens há cerca de 15 (quinze) anos. Sua insurgência à prestação de contas se pauta, precipuamente, na alegada ausência de recebimento dos alugueis, o que se confirma na petição de ID 160838010, no qual atesta uma prestação negativa das contas em questão: [...] Conforme demonstrado durante toda a instrução, o promovido não tem contas a prestar, pois não recebeu os valores apontados pelos promoventes na exordial e nas demais investidas destes Na realidade cuidou de um imóvel que estava entregue às intempéries do tempo, sob sol e chuva, abandonado durante anos para que não fossem invadidos e ofertando conservação e manutenção diante de sua posse precária, sem qualquer ajuda financeira e/ou a qualquer título por parte dos acionantes que sempre agiram com total descaso na dita conservação do bem Caso contrário teria ruído, desmoronado há anos. A locação alegada pelos promoventes representou apenas ter cedido uma moradia para a apontada locatária para que, presencialmente, cuidasse do imóvel, desconfigurando eventual alegativa de usucapião e evitasse invasões, a título voluntário e em contraprestação pela ocupação da edificação, que se encontrava praticamente em ruínas no centro de Fortaleza, que, como é cediço tem
