Apelação interposta por motorista de aplicativo contra sentença que julgou improcedente pedido de reintegração à plataforma Uber e de indenização por danos morais, sob o fundamento de que a empresa agiu em exercício regular de direito ao desativar unilateralmente o cadastro em razão de apontamento criminal e reclamações de passageiros. </p> <p style="text-align: justify;"> II. QUESTÃO EM DISCUSSÃO </p> <p style="text-align: justify;"> 2. Há duas questões em discussão: (i) definir se a relação entre motorista e plataforma configura vínculo de consumo ou de emprego, ensejando proteção específica; (ii) estabelecer se a rescisão unilateral do contrato pela Uber, com base em apontamentos criminais e relatos de má conduta, configura ato ilícito a ensejar reintegração ou indenização. </p> <p style="text-align: justify;"> III. RAZÕES DE DECIDIR </p> <p style="text-align: justify;"> 3. A relação jurídica entre motorista e plataforma digital possui natureza civil, regida pela autonomia da vontade e liberdade contratual, não configurando vínculo de consumo (art. 2º, CDC) nem de emprego (art. 3º, CLT). </p> <p style="text-align: justify;"> 4. O Código Civil assegura a liberdade contratual nos limites da função social do contrato, admitindo a rescisão unilateral nos casos previstos (art. 421, CC). </p> <p style="text-align: justify;"> 5. A Uber apresentou fundamento objetivo para a desativação, consistente em apontamento criminal e relatos de direção perigosa, o que caracteriza descumprimento contratual pelo motorista. </p> <p style="text-align: justify;"> 6. A rescisão unilateral motivada, nos termos pactuados, configura exercício regular de direito, afastando a ilicitude e, consequentemente, a possibilidade de reintegração ou indenização por danos morais. </p> <p style="text-align: justify;"> 7. A jurisprudência consolidada reconhece a validade da cláusula que autoriza a exclusão unilateral do motorista em caso de descumprimento contratual, sem que isso configure ato ilícito indenizável. </p> <p style="text-align: justify;"> IV. Nesse diapasão, é sólido o entendimento deste Tribunal de Justiça acerca da possibilidade de deferimento da assistência gratuita judiciária, quando a parte se incumbe de declarar seu estado de hipossuficiência, e a presunção de veracidade não é elidida por outros fundamentos. Desse modo, rejeito a preliminar suscitada. Do mérito O autor narra em sua exordial que "(...) teve sua conta bloqueada de forma abrupta e sem qualquer notificação prévia, sendo impedida de exercer sua atividade laboral sob a alegação genérica de "apontamentos criminais". Mesmo após o bloqueio, tentou exercer seu direito de defesa junto à plataforma, contudo, não obteve qualquer retorno da Requerida, permanecendo inativa até a presente data. Em contestação, a Uber afirma que encontrou apontamento criminal sobre agressão a menor, no cpf do autor, e que recebeu reclamações sobre direção perigosa. O juízo a quo entendeu pela improcedência dos pedidos de reintegração ao aplicativo e danos morais postulados pelo promovente, entendendo que a Uber agiu em exercício regular do seu direito. Pois bem. As plataformas digitais permeiam diversos aspectos da vida social e econômica, de mídias sociais ao fornecimento de serviços e bens, nesses incluídos os serviços de transporte de pessoas. O modelo de organização econômica on-line e sob demanda abre oportunidade para transacionar uma vastidão de possibilidades e fomenta o exercício da livre atividade econômica. Nesse cenário, os elementos tradicionalmente presentes nas relações comerciais e de trabalho ganham contornos mais tênues, na medida em que as atividades não permanecem adstritas aos padrões convencionais, permitindo estruturas mais flexíveis e autônomas, emergindo um cenário de novos desafios regulatórios. O referido fenômeno não é novo, a oferta de serviço de transporte de pessoas através de plataformas como a da recorrida teve início no Brasil em 2014, promoveu mudanças legislativas, impactos econômicos e dez anos depois ainda gera divergência na interpretação jurisprudencial, inclusive globalmente. À época, foram promulgadas legislações municipais autorizadoras ou limitadoras da atividade das plataformas intermediadoras de serviço de transporte, vindo a questão a ser pacificada com o julgamento da matéria pelo Supremo Tribunal Federal. "Direito constitucional. Recurso Extraordinário. Repercussão Geral. Transporte individual remunerado de passageiros por aplicativo. livre iniciativa e livre concorrência. 1. Recurso Extraordinário com repercussão geral interposto contra acórdão que declarou a inconstitucionalidade de lei municipal que proibiu o transporte individual remunerado de passageiros por motoristas cadastrados em aplicativos como Uber, Cabify e 99. 2. A questão constitucional suscitada no recurso diz respeito à licitude da atuação de motoristas privados cadastrados em plataformas de transporte compartilhado em mercado até então explorado por taxistas. 3. As normas que proíbam ou restrinjam de forma desproporcional o transporte privado individual de passageiros são inconstitucionais porque: (i) não há regra nem princípio constitucional que prescreva a exclusividade do modelo de táxi no mercado de transporte individual de passageiros; (ii) é contrário ao regime de livre iniciativa e de livre concorrência a criação de reservas de mercado em favor de atores econômicos já estabelecidos, com o propósito de afastar o impacto gerado pela inovação no setor; (iii) a possibilidade de intervenção do Estado na ordem econômica para preservar o mercado concorrencial e proteger o consumidor não pode contrariar ou esvaziar a livre iniciativa, a ponto de afetar seus elementos essenciais. Em um regime constitucional fundado na livre iniciativa, o legislador ordinário não tem ampla discricionariedade para suprimir espaços relevantes da iniciativa privada. 4. A admissão de uma modalidade de transporte individual submetida a uma menor intensidade de regulação, mas complementar ao serviço de táxi afirma-se como uma estratégia constitucionalmente adequada para acomodação da atividade inovadora no setor. Trata-se, afinal, de uma opção que: (i) privilegia a livre iniciativa e a livre concorrência; (ii) incentiva a inovação; (iii) tem impacto positivo sobre a mobilidade urbana e o meio ambiente; (iv) protege o consumidor; e (v) é apta a corrigir as ineficiências de um setor submetido historicamente a um monopólio 'de fato'. 5. A União Federal, no exercício de competência legislativa privativa para dispor sobre trânsito e transporte (CF/1988, art. 22, XI), estabeleceu diretrizes regulatórias para o transporte privado individual por aplicativo, cujas normas não incluem o controle de entrada e de preço. Em razão disso, a regulamentação e a fiscalização atribuídas aos municípios e ao Distrito Federal não podem

	contrariar o padrão regulatório estabelecido pelo legislador federal. 6. Recurso extraordinário desprovido, com a fixação das seguintes teses de julgamento: '1. A proibição ou restrição da atividade de transporte privado individual por motorista cadastrado em aplicativo é inconstitucional, por violação aos princípios da livre iniciativa e da livre concorrência; e 2. No exercício de sua competência para regulamentação e fiscalização do transporte privado individual de passageiros, os Municípios e o Distrito Federal não podem contrariar os parâmetros fixados pelo legislador federal (CF/1988, art. 22, XI)'." (RE 1054110, Relator(a): ROBERTO BARROSO, Tribunal Pleno, julgado em 09-05-2019, PROCESSO ELETRÔNICO REPERCUSSÃO GERAL - MÉRITO DJe-194 DIVULG 05-09-2019 PUBLIC 06-09-2019)". Superadas tais questões e admitido o regular exercício da atividade, foi promulgada a Lei nº 13.640/2018, que alterou a Lei nº 12.587/2012 (Lei da Política Nacional de Mobilidade Urbana), para incluir em seu art. 4º o inciso X, cuja finalidade é fazer constar no texto legal especificamente a atividade desenvolvida pelos motoristas de aplicativos. Art. 4º Para os fins desta Lei, considera-se: X – transporte remunerado privado individual de passageiros: serviço remunerado de transporte de passageiros, não aberto ao público, para a realização de viagens individualizadas ou compartilhadas solicitadas exclusivamente por usuários previamente cadastrados em aplicativos ou outras plataformas de comunicação em rede". Motoristas de aplicativos, como são popularmente conhecidos, exercem liberdade plena no que se refere à escolha do momento em que se colocam à disposição na plataforma. Não eventualmente, a atividade é exercida como forma de complementação de renda em períodos determinados exclusivamente pelo motorista. Além disso, a prestação do serviço de transporte via plataformas não denota subordinação. Existem diversas teorias a fundamentar tal requisito, a exemplo da subordinação objetiva e estrutural, que buscam estender seu escopo de aplicação. Contudo, mesmo diante dessas teorias mais abrangentes, o que se verifica é que as plataformas, ao disponibilizarem o acesso ao serviço, estabelecem uma série de condições mínimas de comportamento ao prestador de serviço e ao consumidor, bem como condições de estado ao veículo particular que será utilizado, tudo com a finalidade de garantir segurança e efetividade ao negócio jurídico intermediado. À luz da legislação vigente atualmente, de todo modo, verifica-se que os motoristas, prestadores do serviço de transporte, não preenchem os requisitos necessários à configuração de relação de emprego ou trabalho e atuam de modo autônomo, sem vínculo de emprego com a empresa gestora da plataforma digital em questão. Ademais, de igual modo, o vínculo mantido entre as empresas de tecnologia, tais como a recorrente, e os seus parceiros não configura relação de consumo, haja vista que o pacto existente entre os mesmos tem como finalidade a intermediação digital para transporte de passageiros, ou seja, o motorista utiliza-se da plataforma com o fito de obter clientes em sua atividade autônoma, não se inserindo no conceito de destinatário final, constante no art. 2º, do Código de Defesa do Consumidor. Assim, o sistema de transporte privado individual intermediado a partir de provedores de rede de compartilhamento detém natureza de cunho civil. Sobre o assunto: DIREITO CIVIL. RECURSO ESPECIAL. COMPETÊNCIA. RELAÇÃO JURÍDICA ENTRE MOTORISTA E PLATAFORMA DIGITAL. PRESTAÇÃO DE SERVIÇO AUTÔNOMO. NATUREZA CIVIL. PRETENSÃO. COMPETÊNCIA DA JUSTIÇA COMUM. 1. A controvérsia dos autos resume-se em definir (i) se há negativa de prestação jurisdicional e (ii) qual a natureza jurídica da relação entre o motorista e a plataforma digital, a fim de determinar a competência para julgamento da demanda. 2. Na espécie, não houve violação dos artigos 489 e 1.022 do Código de Processo Civil, visto que agiu corretamente o tribunal de origem ao rejeitar os embargos de declaração por inexistir omissão, contradição, obscuridade ou erro material no acórdão atacado, ficando patente o intuito infringente da irresignação. 3. A relação entre o motorista e a plataforma digital é de natureza civil. Os elementos demonstrativos da relação de emprego não estão configurados nessa modalidade de contratação, porquanto ausentes os requisitos de não eventualidade e subordinação. 4. A plataforma atua como meio intermediador da contratação digital pactuada entre motorista e consumidor, caracterizando uma relação de prestação de serviço autônomo. Exercício de atividade inserida no cenário da gig economy e economia compartilhada. 5. A

	natureza jurídica da pretensão decorre diretamente do pedido e da causa de pedir, os quais, na hipótese, possuem cunho eminentemente civil e conduzem à competência da Justiça Comum. 6. Recurso especial provido. (REsp n. 2.144.902/MG, relator Ministro Ricardo Villas Bôas Cueva, Terceira Turma, julgado em 3/12/2024, DJEN de 6/12/2024.) EXCLUSÃO SUMÁRIA DE MOTORISTA DA PLATAFORMA UBER NA CATEGORIA UBER PRO. TUTELA DE URGÊNCIA. REQUISITOS. REATIVAÇÃO DE CADASTRO DE MOTORISTA . PROBABILIDADE DO DIREITO. INEXISTÊNCIA. INDÍCIOS DE DESCUMPRIMENTO DOS TERMOS E CONDIÇÕES DA PLATAFORMA ELETRÔNICA. NEGÓCIO JURÍDICO DE NATUREZA CIVIL . RELAÇÃO OBRIGACIONAL. VALIDADE DAS ESTIPULAÇÕES DO INSTRUMENTO DO CONTRATO. POSSIBILIDADE. 1 . O vínculo mantido entre as empresas de tecnologia, tais como a UBER, e os seus parceiros não se consubstanciam em relação de consumo, haja vista que o pacto existente entre as partes tem como escopo a intermediação digital para transporte de passageiros, ou seja, o motorista utiliza-se da plataforma com o fito de obter clientes em sua atividade autônoma. Desse modo, não se insere no conceito de destinatário final, constante no art. 2º, do Código de Defesa do Consumidor. 2 . Lado outro, a mesma relação não caracteriza vínculo de emprego, pois a adesão de motorista particular à plataforma de aplicativo digital consubstancia relação autônoma de parceria, com os riscos inerentes à atividade e previstos em termo de adesão. À medida que o motorista goza de total autonomia e absoluta falta de subordinação, a ponto de escolher os dias e horários para captar passageiros, é evidente a ausência dos requisitos do art. 3º, da CLT. 3 . O vínculo jurídico entre os motoristas e a plataforma eletrônica UBER é obrigacional, regida pelo Código Civil e pelos termos da Lei nº 13.640/2018, sendo relação contratual na qual é válida a estipulação de rescisão por quaisquer das partes sem a necessidade prévia notificação em caso de descumprimento das disposições pactuadas. 4. A alegação de que houve violação aos termos e condições de uso da plataforma retira a probabilidade do direito vindicado pelo motorista/autor, inviabilizando a concessão de tutela de urgência (art. 300 do CPC) consistente na reativação de seu cadastro. 5. Desembargador(a) DURVAL AIRES FILHO, 4ª Câmara Direito Privado, data do julgamento: 03/10/2023, data da publicação: 05/10/2023) Considerando que o caso em tela deve ser regido pelos ditames da lei civilista,

	entendo que o pacto deve ser analisado considerando os princípios do pacta sunt servanda e da livre manifestação de vontades, permitindo as partes acordarem sobre os termos que desejam estabelecer, os quais devem observados durante toda sua vigência e, ainda, indicar critérios para rescindi-lo. Por conseguinte, o Código Civil estabelece como regra a autonomia da vontade e a liberdade de contratar, nos limites da função social do contrato, com a intervenção mínima e excepcionalidade da revisão contratual, conforme o artigo 421 da legislação supra: Art. 421. A liberdade contratual será exercida nos limites da função social do contrato. Parágrafo único. Nas relações contratuais privadas, prevalecerão o princípio da intervenção mínima e a excepcionalidade da revisão contratual. No caso, em sua contestação a demandada/apelada alegou que, ao verificar um apontamento criminal do autor/apelante, bem como reclamações por direção imprudente, resolveu cancelar a sua inscrição na plataforma, considerando que o autor poderia representar um risco em potencial à integridade física de seus usuários. Ademais, de fato o autor respondeu a processo no juizado especial, de nº 0047290-11.2015.8.06.0012, na qual houve inclusive uma transação penal cumprida pelo autor, ora apelante, por agressão a um menor de idade. Com efeito, o desligamento restou baseado no fato de que o autor/apelante teria agido com infração contratual e, conseqüentemente, autorizaria sua rescisão unilateral nos termos livremente pactuados, independente de comunicação prévia, de modo que não se trata de aplicação do princípio da presunção de inocência, mas mero exercício legal da empresa apelada à rescisão contratual de forma unilateral, uma vez verificando violação aos termos acordados na plataforma e buscando resguardar a função social do contrato e a segurança dos usuários do serviço ofertado pelo aplicativo. SENTENÇA MANTIDA. &#160; 1.Cinge-se a controvérsia recursal em analisar a suspensão do autor da plataforma de transportes 99 TECNOLOGIA LTDA. 2. In casu, em sede preliminar, é cediço que, pelo princípio do livre convencimento motivado, o juízo pode valorar as provas que se mostrem úteis ao seu convencimento e indeferir as diligências inúteis e meramente protelatórias não caracterizando cerceamento de defesa o julgamento antecipado da lide ao se verificar sua possibilidade com base nos documentos constantes nos autos. 3. Tem-se que o caso em tela deve ser regido pelos ditames da lei civilista, assim, entendo que o pacto deve ser analisado considerando os princípios do pacta sunt servanda e da livre manifestação de vontades, permitindo as partes acordarem sobre os termos que desejam estabelecer, os quais devem observados durante toda sua vigência e, ainda, indicar critérios para rescindi-lo. 4. Nessa vertente, insta ressaltar que o desligamento foi baseado no fato de que o autor/apelante teria agido com infração contratual e, conseqüentemente, autorizaria sua rescisão unilateral nos termos livremente pactuados, independente de comunicação prévia. Constituindo, pois, como mero exercício legal da empresa apelada a rescisão contratual unilateral, que inclusive se deu de forma motivada, conforme reclamações anexadas em contestação e contrarrazões, a fim de manter a segurança dos usuários do serviço ofertado pelo aplicativo. 5. 	Financiamentos S/A, extinguindo o processo sem apreciação de mérito, sob a égide dos artigos 330, III do CPC. Em suas razões recursais a recorrente sustenta que “ao contrário do que pensou o eminente magistrado, as ações veiculadas tratam não da obtenção de enriquecimento ilícito pelo autor/apelante, mas sim de minoração de danos causados, enquanto vítima de possível fraude utilizando-se o seu nome, oportunidade que se pretendia provar pelos meios hábeis cabíveis, mas que foi liminarmente ceifada, em grave violação ao princípio da ampla defesa, artigo 5º, LV da Constituição Federal”. Argumenta, também, que “há que se dizer que o autor ajuizou apenas uma ação judicial para cada contrato, a fim de que se individualize o comportamento de cada uma das instituições financeiras, evitando-se o tumultuamento processual, sem qualquer resquício de má-fé processual. Portanto, é absurdo que o juiz sentenciante tenha proferido tal decisão sob o fundamento do abuso do direito de petição”. Ao final, requer o conhecimento e provimento do presente recurso, reformando a decisão do Juiz de 1º Grau, com o retorno dos autos a origem para o regular processamento do feito. Contrarrazões Id.26760609. É o que importa relatar. VOTO Exercendo o juízo de admissibilidade, constato o atendimento dos requisitos intrínsecos e extrínsecos que o compõem, levando-me ao qualificativo da positividade e, assim, ao conhecimento do recurso apelatório. Passo, então, ao seu deslinde. O cerne da controvérsia recursal consiste em verificar o interesse de agir do promovente, dado o fracionamento de ações e o suposto abuso no direito de demandar. Compulsando os fólios processuais, bem como, em consulta realizada no PJe de primeiro grau, verifiquei que, de fato, o autor/recorrente, em um único dia, ajuizou 09 (nove) ações, sendo 05 (cinco), em desfavor do banco/recorrido, ou seja, ações similares, em que busca a nulidade de contratos de empréstimos consignados, restituição dos valores descontados, e ainda, a condenação da instituição financeira/apelada ao pagamento de danos morais. Dessa forma, a manutenção de processos autônomos para discutir contratos consignados firmados com a mesma instituição financeira caracteriza fragmentação indevida da causa de pedir e do objeto da lide, ferindo os princípios da economia e da celeridade processual, e contrariando o dever de boa-fé processual e cooperação previsto no art. 6º do Código de Processo Civil. Além disso, o processamento de distintos feitos ainda eleva custos financeiros, sobrecarrega os funcionários do Poder Judiciário e, assim, prejudica a consecução dos princípios constitucionais que regem a administração pública, ao qual o Judiciário está vinculado, especialmente o da eficiência (art. 37, caput, da CF). Desse modo, o Judiciário deve coibir condutas temerárias que não respeitam a boa-fé processual tão preconizada na atual codificação processual, insculpida logo de início no artigo 5º do CPC, confira: “Art. 5º Aquele que de qualquer forma participa do processo deve comportar-se de acordo com a boa-fé.” A respeito, cito decisões deste sodalício, vejamos: DIREITO CIVIL E PROCESSUAL CIVIL. 	MATERIAIS E MORAIS. SENTENÇA COM INDEFERIMENTO DA EXORDIAL E EXTINÇÃO DO PROCESSO SEM RESOLUÇÃO DO MÉRITO. FRACIONAMENTO DE DEMANDAS SIMILARES. CONEXÃO. PRECEDENTES. APURAÇÃO DE POSTURA INADEQUADA DO PATRONO DA PARTE AUTORA. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA. 1. O cerne da controvérsia consiste em verificar o interesse de agir do Autor, ora Apelante, dado o fracionamento de ações e suposto abuso no direito de demandar. 2. Do exame dos autos, nota-se que a autora ajuizou 4 (quatro) ações anulatórias de débito c/c indenização por danos materiais e morais contra a mesma instituição financeira apelada, alegando, em resumo, não ter firmado os empréstimos consignados e requerendo restituição de valores e indenização correspondente, e que, ao invés de reunir as causas de pedir e os pedidos contra o mesmo réu em um único feito, desmembrou cada um dos contratos em diversos processos, como muito bem delimitou o d. Juízo singular, apesar de todas elas terem identidade e afinidade no que pertine à causa de pedir e aos pedidos. Sendo assim, mostra-se correto o decisum recorrido, considerando-se necessária, portanto, a reunião dos supraditos processos para que se evite julgamentos contraditórios, nos termos do art. 55, § 3º, do CPC. 3. Por último, a sentença recorrida se encontra devidamente fundamentada, com exposição clara do d. Juízo de primeiro grau, em consonância com o art. 93, IX, da CF/1988, não vindo a calhar o argumento sobre carência de fundamentação levantado na apelação. 4. De mais a mais, constata-se, nesta egrégia Corte de Justiça, a existência de inúmeras demandas praticamente idênticas patrocinadas pelo causídico do Autor/Apelante, de modo que é aceitável que o órgão competente averigue eventual postura irregular de sua parte, desestimulando, assim, o exercício abusivo do direito de demandar. Entretanto, em suas razões recursais, a apelante limita-se a defender a necessidade de ajuizamento de diferentes ações para cada contrato consignado não realizado com o Banco promovido. 3. O fracionamento das ações, como a do presente caso, consiste em um verdadeiro abuso do direito de demandar, na medida em que a autora ajuizou diversas ações contra a mesma parte, inclusive veiculando pedido idêntico, no caso, a declaração de inexigibilidade de débito, configurando conduta processual temerária e abusiva, a qual o Judiciário não pode dar guarida. 4. Inicialmente, vale mencionar o tema 1085 do STJ firmado sob julgamento de recurso repetitivo, firmado em 30 de junho de 2023, onde o Superior Tribunal de Justiça fixou a seguinte tese: “são lícitos os descontos de parcelas de empréstimos bancários comuns em conta-corrente, ainda que utilizada para recebimento de salários, desde que previamente autorizados pelo mutuário e enquanto esta autorização perdurar, não sendo aplicável, por analogia, a limitação prevista no § 1º do art. 1º da Lei nº 10.820/2003, que disciplina os empréstimos consignados em folha de pagamento.” De acordo com a jurisprudência do STJ (AREsp 314.901/SP), é cabível a limitação de descontos referentes a empréstimos consignados a 30% dos vencimentos líquidos, em atenção aos princípios da dignidade da pessoa humana e do mínimo existencial. Como visto, diante do que restou definido naquela Corte, a limitação pretendida pela parte autora a limitação pretendida pela parte autora recorrente não alcança os empréstimos comuns, mas apenas os consignados. Em outras palavras, os descontos efetuados em conta-corrente com a anuência da correntista, na modalidade de crédito pessoal, relativos às parcelas dos empréstimos espontaneamente contraídos, não estão sujeitos ao percentual estabelecido para a consignação em folha de pagamento, assim como cobranças de dívidas de cartão de crédito. No entanto, revisitando o caso concreto, verifica-se pelo extrato de pagamento de e seguintes, que o empréstimo havido com o BANCO DO BRASIL S/A ocorreu em folha de pagamento de forma consignada, e não em conta corrente, o que atrai a incidência da limitação mencionada. A parte autora recebe vencimentos líquidos (excluindo o imposto de renda e o plano de seguridade social, dentre outros) em cada folha de pagamento em R\$ 4.546,64 (quatro mil, quinhentos e quarenta e seis reais e sessenta e quatro centavos), sendo subtraído a título de empréstimo consignado o montante de R\$ 1.974,18 (mil e novecentos e setenta e quatro reais e dezoito centavos), o que corresponde a aproximadamente 43% dos vencimentos líquidos da autora, devendo, por isso, sofrer a limitação legal, pelo que deve ser devendo, por isso, sofrer a limitação legal, pelo que deve ser reformada a decisão recorrida. Inicialmente, vale mencionar o tema 1085 do STJ firmado sob julgamento de recurso repetitivo, firmado em 30 de junho de 2023, onde o Superior Tribunal de Justiça fixou a seguinte tese: “são lícitos os descontos de parcelas de empréstimos bancários comuns em conta-corrente, ainda que utilizada para recebimento de salários, desde que previamente autorizados pelo mutuário e enquanto esta autorização perdurar, não sendo aplicável, por analogia, a limitação prevista no § 1º do art. 1º da Lei nº 10.820/2003, que disciplina os empréstimos consignados em folha de pagamento.” No ensejo, cito trechos do voto de acórdão de relatoria do il. Ministro Marco Aurélio Bellizze, especificamente no que tange ao tratamento diferenciado da modalidade do empréstimo consignado em relação às demais espécies de mútuo bancário, considerada a distinção inserta nas características e no modo de operacionalização do empréstimo regulamentado pela Lei nº 10.820/2003: RECURSO ESPECIAL REPRESENTATIVO DA CONTROVÉRSIA. PRETENSÃO DE LIMITAÇÃO DOS DESCONTOS DAS PARCELAS DE EMPRÉSTIMO COMUM EM CONTA-CORRENTE, EM APLICAÇÃO ANALÓGICA DA LEI N. 10.820/2003, QUE DISCIPLINA OS EMPRÉSTIMOS CONSIGNADOS EM FOLHA DE PAGAMENTO. IMPOSSIBILIDADE. RATIFICAÇÃO DA JURISPRUDÊNCIA DO SUPERIOR TRIBUNAL DE JUSTIÇA, COM FIXAÇÃO DE TESE REPETITIVA. RECURSO ESPECIAL PROVIDO. [...] Sobre a questão de fundo, pontua-se, desde logo, que a jurisprudência do Superior Tribunal de Justiça perfilha o posicionamento de que não se aplica a limitação prevista na Lei n. 10.820/2003 (art. 1º, § 1º), para os contratos de empréstimos bancários livremente pactuados, nos quais haja previsão de desconto em contacorrente, ainda que usada para o recebimento de salário. [...] O empréstimo consignado apresenta-se, nesses termos, como uma das modalidades de empréstimo com menores riscos de inadimplência para a instituição financeira mutuante, na medida em que o desconto das parcelas do mútuo dá-se diretamente na folha de pagamento do trabalhador regido pela CLT, do servidor público ou do segurado do RGPS (Regime Geral de Previdência Social), sem nenhuma ingerência por parte do mutuário/correntista, o que, por outro lado, em razão justamente da robustez dessa garantia, reverte em taxas de juros significativamente menores em seu favor, se comparado com outros empréstimos. Uma vez ajustado o empréstimo consignado em folha de pagamento, não é dado ao mutuário, por expressa disposição legal, revogar a autorização concedida para que os descontos afetos ao mútuo ocorram diretamente em sua folha de pagamento, a fim de modificar a forma de pagamento ajustada. Nessa modalidade de empréstimo – que, a um só tempo, propicia ao fornecedor do crédito, sólida garantia contra a inadimplência; e ao mutuário, acesso a crédito por taxas de juros substancialmente menores das praticadas no mercado para outros empréstimos sem similar garantia –, a parte da remuneração do trabalhador comprometida à quitação do empréstimo tomado não chega nem sequer a ingressar em sua conta-corrente, não tendo sobre ela nenhuma disposição. Sob o influxo da autonomia da vontade, ao contratar o empréstimo consignado, o mutuário não possui nenhum instrumento hábil para impedir a dedução da parcela do empréstimo a ser

Processo	0283410-24.2023.8.06.0001
	descontada diretamente de sua remuneração, emprocedimento que envolve apenas a fonte pagadora e a instituição financeira. Inclusive, a informação sobre a existência de margem consignável, ao ensejo da contratação, é responsabilidade da fonte pagadora. É justamente em virtude do modo como o empréstimo consignado é operacionalizado que a lei estabeleceu um limite, um percentual sobre o qual o desconto consignado em folha não pode exceder. Revela-se claro o escopo da lei de, com tal providência, impedir que o tomador de empréstimo, que pretenda ter acesso a um crédito relativamente mais barato na modalidade consignado, acabe por comprometer sua remuneração como um todo, não tendo sobre ela nenhum acesso e disposição, a inviabilizar, por consequência, sua subsistência e de sua família. [...] Veja-se que, nas demais espécies de mútuo bancário, o estabelecimento (eventual) de cláusula que autoriza o desconto de prestações em conta-corrente, como forma de pagamento, consubstancia uma faculdade dada às partes contratantes, como expressão de sua vontade, destinada a facilitar a operacionalização do empréstimo contraído, sendo, pois, passível de revogação a qualquer tempo pelo mutuário. Nesses empréstimos, o desconto automático que incide sobre numerário existente em conta-corrente, devida e previamente autorizado pelo mutuário, como corolário da autonomia de vontade dos contratantes, decorre da própria obrigação assumida pela instituição financeira no bojo do contrato de conta-corrente de administração de caixa, procedendo, sob as ordens do correntista, aos pagamentos de débitos por ele determinados, desde que verificada a provisão de fundos a esse propósito. [...] O desconto operado pela instituição financeira sobre o numerário existente na contacorrente – em relação ao qual o récorrente possui livre disposição –, consubstancia procedimento absolutamente lícito, não se confundindo, como retoricamente se argumenta, com uma indevida retenção ou expropriação de patrimônio alheio ou com uma espúria constrição realizada por particular sobre o salário depositado na conta-corrente. Não se trata de indevida retenção de patrimônio alheio, na medida em que o desconto é precedido de expressa autorização do titular da conta-corrente, como manifestação de sua vontade, por ocasião da celebração do contrato de mútuo. Tampouco é possível equiparar o desconto em conta-corrente a uma dita constrição de salários, realizada por instituição financeira que, por evidente, não ostenta poder de império para tanto. Afinal, diante das características do contrato de conta-corrente já delineadas, o desconto, devidamente avençado e autorizado pelo mutuário, não incide, propriamente, sobre a remuneração ali creditada, mas sim sobre o numerário existente, sobre o qual não se tece nenhuma individualização ou divisão. [...] Não se encontra presente nos empréstimos comuns, com desconto em contacorrente, o fator de discriminação que justifica, no empréstimo consignado em folha de pagamento, a limitação do desconto na margem consignável estabelecida na lei de regência, o que impossibilita a utilização da analogia, com a transposição de seus regramentos àqueles. Reconhecida, nesses termos, a licitude da cláusula contratual em comento, mostra-se de suma relevância registrar, ainda, que a pretendida limitação dos descontos em conta-corrente, por aplicação analógica da Lei n. 10.820/2003, tampouco se revestiria de instrumento idôneo a combater o endividamento exacerbado, com vistas à preservação do mínimo existencial do mutuário. Essa pretensão, além de subverter todo o sistema legal das obrigações – afinal, tal providência, a um só tempo, teria o condão de modificar os termos ajustados, impondo-se ao credor o recebimento de prestação diversa, em prazo distinto daquele efetivamente contratado, com indevido afastamento dos efeitos da mora, de modo a eternizar o cumprimento da obrigação, num descabido dirigismo contratual –, não se mostraria eficaz, sob o prisma geral da economia, nem sequer sob o enfoque individual do mutuário, ao controle do superendividamento. Tal proceder, sem nenhum respaldo legal, importaria numa infundável amortização negativa do débito, com o aumento mensal e exponencial do saldo devedor, sem que haja a devida conscientização do devedor a respeito do dito "crédito responsável", o qual, sob a vertente do mutuário, consiste na não assunção de compromisso acima de sua capacidade financeira, sem que haja o comprometimento de seu mínimo existencial. Além disso, a generalização da medida – sem conferir ao credor a possibilidade de renegociar o débito, encontrando-se ausente uma política pública séria de "crédito responsável", em que as instituições financeiras, por outro lado, também não estimulem o endividamento imprudente – redundaria na restrição e no encarecimento do crédito, como efeito colateral. Ressai claro que a prevenção e o combate ao superendividamento, com vistas à preservação do mínimo existencial do mutuário, não se dão por meio de uma indevida intervenção judicial nos contratos, em substituição ao legislador. A esse relevante propósito, sobreveio – na seara adequada, portanto – a Lei n. 14.181/2021, que alterou disposições do Código de Defesa do Consumidor, para "aperfeiçoar a disciplina do crédito ao consumidor e dispor sobre a prevenção e o tratamento do superendividamento. [...] (REsp n. 1.872.441/SP, relator Ministro Marco Aurélio Bellizze, Segunda Seção, julgado em 9/3/2022, DJe de 15/3/2022.). 	underline;"> recorrente não alcança os empréstimos comuns, mas apenas os consignados. Em outras palavras, os descontos efetuados em conta-corrente com a anuência da correntista, na modalidade de crédito pessoal, relativos às parcelas dos empréstimos espontaneamente contraídos, não estão sujeitos ao percentual estabelecido para a consignação em folha de pagamento, assim como cobranças de dívidas de cartão de crédito. </p> <p align="justify">

 </p> <p align="justify"> No entanto, revisitando o caso concreto, verifica-se pelo extrato de pagamento de ID 26749403 e seguintes, que o empréstimo havido com o BANCO DO BRASIL S/A ocorreu em folha de pagamento de forma consignada, e não em conta corrente, o que atrai a incidência da limitação mencionada. <p align="justify">

 <p align="justify"> Com efeito, o STJ, também, no julgamento do AREsp 314.901/SP, em atenção aos princípios da razoabilidade e da dignidade da pessoa humana, firmou o entendimento de que os descontos de valores r realizados de forma consignada em folha de pagamento de salário, aposentadoria e pensão, ou diretamente na conta bancária em que o indivíduo recebe seus proventos ou benefícios previdenciários, devem ser limitados a 30% (trinta por cento) dos vencimentos líquidos, por força do caráter alimentar que envolve a verba em questão, sendo este o caso dos autos. <p align="justify"> A parte autora/recorrente recebe vencimentos líquidos (excluindo o imposto de renda e o plano de seguridade social, dentre outros) em cada folha de pagamento em R\$ 7.969,94, sendo subtraído a título de empréstimo consignado o montante de R\$ 3.693,59, o que corresponde a aproximadamente 46% dos vencimentos líquidos da parte autora, devendo, por isso, sofrer a limitação legal, pelo que deve ser reformada a decisão recorrida. <p align="justify">

 <p align="justify"> E é assim que, pelo exposto, conheço do recurso e dou-lhe parcial provimento, para acolher os pedidos autorais, determinando que o BANCO DO BRASIL S/A reajuste as cobranças das parcelas mensais dos empréstimos consignados de modo que não ultrapassem o limite de 30% (trinta por cento) dos vencimentos do autor, sob pena de aplicação de multa diária de R\$ 200,00 (duzentos reais), limitado a R\$ 10.000,00 (dez mil reais) a contar 48h da publicação desta decisão. Por conseguinte, devem ambas as partes arcam com o pagamento dos ônus sucumbenciais na mesma proporção (50%), sendo observada o benefício da gratuidade deferido ao recorrente. <p align="justify"> &#160; <p align="justify"> É como voto. <p align="justify"> &#160; <p align="justify"> Fortaleza/CE, 10 de setembro de 2025. <p align="justify"> &#160; <p style="font-variant-numeric: normal; font-variant-east-asian: normal; font-variant-alternates: normal; font-variant-position: normal; font-variant-emoji: normal;" align="center"> Exmo. Reforça que, conforme entendimento do STJ, "somente a inércia injustificada do credor caracteriza a prescrição intercorrente" (REsp 1.698.249/RJ,

	Rel. Min. Nancy Andrighi, j. 14/08/2018). Argumenta, ainda, que eventual lapso temporal deve ser atribuído à morosidade do Poder Judiciário, incidindo a Súmula 106 do STJ: "Proposta a ação no prazo fixado para o seu exercício, a demora na citação, por motivos inerentes ao mecanismo da Justiça, não justifica o reconhecimento da prescrição ou decadência". Nesse ponto, destaca que: a primeira tentativa de citação ocorreu em 05/07/2018; a exequente foi intimada do insucesso apenas em 09/09/2019, quando se manifestou tempestivamente; nova deliberação judicial somente ocorreu em 15/03/2021; e o pedido de renovação da citação, protocolado em 29/03/2021, foi apreciado apenas em 21/03/2022. Alega, portanto, que o decurso de tempo não decorreu de sua inércia, mas sim da demora judicial, o que inviabiliza o reconhecimento da prescrição. Por fim, requer o provimento da apelação para cassar a sentença recorrida, reconhecendo-se a inexistência de prescrição intercorrente e determinando o regular prosseguimento da execução. É o relatório. VOTO Presentes os requisitos de admissibilidade previsto na legislação. Conheço, então, do recurso. Busca o recorrente a reforma da sentença do juízo a quo, que extinguiu a ação de execução de título extrajudicial com resolução do mérito diante do reconhecimento da prescrição intercorrente. A prescrição intercorrente, como é de conhecimento ordinário, ocorre quando o exequente permanece inerte, sem movimentar a execução ou o cumprimento de sentença, pelo prazo da prescrição da pretensão de direito material. Embora não contasse com previsão expressa no CPC/1973, jurisprudência desta Corte Superior já admitia a figura da prescrição intercorrente, que estava intimamente vinculada à inércia da parte. Inovando em relação a ordem jurídica anterior, o novo CPC passou a disciplinar o instituto, estatuinto o seu regime jurídico próprio, sobretudo, nos arts. 921 a 923. De acordo com o art. 921, inciso III e §1º, a execução deverá ser suspensa quando não for localizado o executado ou bens penhoráveis, pelo prazo de um ano, durante o qual também se suspenderá a prescrição. Sobre o instituto da prescrição intercorrente, o Superior Tribunal de Justiça fixou o seguinte entendimento: PROCESSUAL CIVIL E TRIBUTÁRIO. EXECUÇÃO FISCAL. PRESCRIÇÃO INTERCORRENTE. INOCORRÊNCIA. AGRAVO INTERNO. MANIFESTA IMPROCEDÊNCIA. MULTA. CABIMENTO. 1. De acordo com a orientação jurisprudencial firmada no julgamento do Recurso Especial repetitivo 1.340.553/RS, o prazo para a contagem da prescrição intercorrente começa depois de esgotado o prazo de um ano da intimação do exequente acerca da não localização do devedor ou de bens penhoráveis, referente à automática suspensão do processo. 2. Hipótese em que houve citação e penhora de bens nomeados pela própria devedora, tendo a exequente requerido as providências cabíveis para a liquidação da garantia, cuja realização demorou a acontecer por culpa exclusiva da máquina judiciária, de modo que, não existindo a intimação sobre inexistência de bens penhoráveis, não há falar sequer de início da contagem do prazo da prescrição intercorrente, muito menos de sua consumação. 3. A conformidade do acórdão recorrido com o referido precedente obrigatório enseja a aplicação do óbice de conhecimento estampado na Súmula 83 do STJ. 4. É manifestamente improcedente agravo interno que busca reformar decisão respaldada em tese firmada em julgamento de recurso especial repetitivo. 5. Agravo interno desprovido, com aplicação de multa. (AgInt no AREsp n. 1.774.763/PR, relator Ministro Gurgel de Faria, Primeira Turma, julgado em 27/6/2022, DJe de 5/8/2022.) Decorrido o referido prazo de um ano sem que seja localizado o executado ou que sejam encontrados bens penhoráveis, o juiz ordenará o arquivamento dos autos (art. 921, §2º), sendo certo, no entanto, que os autos deverão ser desarquivados para prosseguimento da execução se a qualquer tempo forem encontrados bens penhoráveis (art. 921, §3º). O termo inicial

Processo	0129343-77.2018.8.06.0001
	do prazo da prescrição intercorrente é estabelecido pelo §4º do art. 921, que, na redação original do código, dispunha que o termo a quo seria o término do prazo de suspensão da execução. Aponta a doutrina que, de acordo com a redação original do CPC/2015, “a prescrição intercorrente dependia essencialmente de uma desídia do exequente na movimentação do processo, porque enquanto houvesse tal movimentação, ainda que sem a localização de bens a serem penhorados ou ainda da localização do próprio executado, a execução mantinha-se em trâmite” (NEVES, Daniel Amorim Assumpção. Manual de Direito Processual Civil: volume único. 16. ed. São Paulo: JusPdivm, 2024, p. 972-973). No entanto, a Lei n. 14.195/2021 introduziu importantes alterações na disciplina da prescrição intercorrente, alterando o §4º do art. 921 do CPC/2015, que passou a prever que o termo inicial do prazo de prescrição intercorrente será a ciência da primeira tentativa infrutífera de localização do devedor ou de bens penhoráveis, e será suspensa, por uma única vez, pelo prazo máximo previsto no § 1º do mesmo dispositivo legal, isto é, por um ano. Observa-se, desse modo que o termo inicial do prazo foi deslocado para momento anterior, facilitando a ocorrência da prescrição. Ou seja, pela nova redação, “logo que houver a situação de dificuldade na execução, já terá início a fluência do prazo prescricional – e, na sequência, haverá a suspensão do processo, e da prescrição, pelo prazo de 1 ano” (GAJARDONI, Fernando da Fonseca...[et.al.] Comentários ao código de processo civil. 5. Ed. Rio de Janeiro: Forense, 2022). Em síntese, atualmente, iniciada a execução, a ciência da primeira tentativa infrutífera de localização do devedor ou de bens penhoráveis dá início ao prazo da prescrição intercorrente. Essa não localização implica a suspensão da execução e do prazo da prescrição intercorrente, que já tinha iniciado. Finalmente, o prazo da prescrição intercorrente voltará a fluir ao final do prazo de um ano de suspensão da execução. Transcorrido o prazo de prescrição da pretensão de direito material do credor, o juiz, depois de ouvida as partes, no prazo de quinze dias, poderá, de ofício, reconhecer a prescrição intercorrente extinguindo o processo, sem ônus para as partes. Tal é a disciplina atual da prescrição intercorrente no ordenamento jurídico nacional. O ponto central da controvérsia consiste em definir se a nova redação do §4º do art. 921 do CPC – que alterou significativamente o termo inicial do prazo de prescrição intercorrente – é aplicável retroativamente. Nesse contexto, o art. 14 do CPC dispõe que “a norma processual não retroagirá e será aplicável imediatamente aos processos em curso, respeitados os atos processuais praticados e as situações jurídicas consolidadas sob a vigência da norma revogada”. Em primeiro lugar, se o processo for posterior às modificações introduzidas pela Lei n. 14.195/2021 ou se a execução infrutífera ocorrer quando já em vigor a nova lei, dúvida não há que será aplicável a lei nova, de modo que o termo inicial do prazo de prescrição intercorrente será a ciência da primeira tentativa infrutífera de localização do devedor ou de bens penhoráveis. Em segundo lugar, se o processo estiver em curso no momento da entrada em vigor da Lei n. 14.195/2021 e ainda não tiver sido determinada a suspensão da execução por ausência de localização do executado ou de bens penhoráveis, aplica-se a nova lei. Isso significa que, após a entrada em vigor da Lei n. 14.195/2021, deverá ser realizada nova tentativa de localização do devedor ou de bens penhoráveis, que, se infrutífera, dará início ao transcurso do prazo da prescrição intercorrente nos termos da nova redação do §4º do art. 921 do CPC. Em terceiro lugar, se o processo estiver em curso no momento da entrada em vigor da Lei n. 14.195/2021, mas já tiver iniciado o transcurso do prazo da prescrição intercorrente nos termos da redação original do §4º do art. 921 do CPC, não se aplicará a nova lei. Em outras palavras, se o prazo da prescrição intercorrente já havia sido deflagrado durante a vigência da disciplina anterior, continuará por ela regulado. Desse modo, conclui-se que o novo regime da prescrição intercorrente introduzido pela Lei n. 14.195/21 não pode ser aplicado retroativamente, mas apenas: a) aos novos processos ou àqueles em que a execução infrutífera for posterior à nova lei; e b) aos processos anteriores à nova lei no qual ainda não tenha sido determinada a suspensão da execução. 	INTERTEMPORAL. TERMO INICIAL. DATA DA PUBLICAÇÃO DA LEI 14.195/2021. SENTENÇA DESCONSTITUÍDA. RECURSO PROVIDO. 1. O instituto da prescrição intercorrente, na redação original do CPC de 2015, tinha como pressuposto a configuração da inércia do credor e a prévia suspensão do feito pelo prazo de um ano, de acordo com os §§ 1º e 4º do art. 921. Esse requisito foi reforçado por tese fixada pelo STJ, relativa à prescrição intercorrente no processo civil, mantendo-se fiel ao pressuposto da inércia para reconhecimento da prescrição intercorrente, independentemente do êxito das diligências postuladas (IAC no REsp 1.604.412/SC, Rel. Ministro Marco Aurélio Bellizze, 2ª Seção, J. 27/06/2018). 2. A nova redação do § 4º, trazida pela Lei nº 14.195/2021, não pode retroagir e alcançar atos processuais já praticados e modificar os seus efeitos no passado, pois, antes do seu advento, a prescrição intercorrente, nas execuções civis, somente se caracterizava com a inércia do credor por prazo superior ao prazo prescricional. 3. In casu, há de se evidenciar que o Exequente tentou realizar a citação da parte promovida diversas vezes, e em todas elas não obteve êxito. É o que se observa das fls. 111 e 120. Em seguida, após tentativas de obtenção de informações e busca de bens em diversos sistemas a disposição do Poder Judiciário, o Banco exequente requereu a expedição de mandado de penhora de um imóvel indicado, pleito que sequer foi apreciado pelo juízo singular. Observa-se que o exequente manteve-se diligente e atuante nos autos, afastando qualquer tipo de argumentação quanto a uma possível desídia sua. 4. Por outro lado, o prazo de suspensão da execução findou quando ainda não estava vigente a Lei 14.195/2021, entretanto o juiz sentenciante utilizou como prazo inicial da prescrição intercorrente a data da primeira citação infrutífera e sem penhora de bens (10/08/2010). Verifica-se, portanto, o equívoco no entendimento adotado pelo Juízo sentenciante quanto à configuração da prescrição intercorrente no caso concreto, tendo em vista que a regra prevista na nova redação do § 4º do art. 921 do CPC somente poderia ser aplicada a atos processuais que se realizaram após o início da sua vigência. 5. Recurso de Apelação conhecido e provido. Sentença anulada. (Apelação Cível nº 0001186-54.2010.8.06.0167, Rel. Desembargador(a) FRANCISCO BEZERRA CAVALCANTE, 4ª Câmara Direito Privado, data do julgamento: 04/02/2025, data da publicação: 04/02/2025) DIREITO CIVIL E PROCESSUAL CIVIL. APELAÇÃO CÍVEL. AÇÃO DE EXECUÇÃO DE TÍTULO EXTRAJUDICIAL. PRESCRIÇÃO INTERCORRENTE. NÃO OCORRÊNCIA. PRESSUPOSTO DA INÉRCIA NAS EXECUÇÕES CIVIS QUE SOMENTE DEIXOU DE EXISTIR COM A LEI Nº 14.195/2021. IMPOSSIBILIDADE DE APLICAÇÃO RETROATIVA DO NOVO REGIME DE PRESCRIÇÃO. PRINCÍPIO DA APLICAÇÃO IMEDIATA DAS NORMAS PROCESSUAIS (ART. 14 DO CPC). DIREITO INTERTEMPORAL. PRAZO QUINQUENAL NÃO TRANSCORRIDO. SENTENÇA CASSADA. RECURSO PROVIDO. O cerne da controvérsia recursal consiste em analisar se deve ser mantida a sentença que decretou, de ofício, a ocorrência de prescrição intercorrente e, assim, extinguiu a execução com base no art. 206, § 5º, I, do Código Civil. O instituto da prescrição intercorrente, na redação original do CPC de 2015, tinha como pressuposto a configuração da inércia do credor e a prévia suspensão do feito pelo prazo de um ano, de acordo com os §§ 1º e 4º do art. 921. Esse requisito foi reforçado por tese fixada pelo STJ, relativa à prescrição intercorrente no processo civil, mantendo-se fiel ao pressuposto da inércia para reconhecimento da prescrição intercorrente, independentemente do êxito das diligências postuladas (IAC no REsp 1.604.412/SC, Rel. Ministro Marco Aurélio Bellizze, 2ª Seção, J. 27/06/2018). 6. Cumpre dizer que a nova redação do § 4º, trazida pela Lei nº 14.195/2021, não pode retroagir e alcançar atos processuais já praticados e modificar os seus efeitos no passado, pois, antes do seu advento, a prescrição intercorrente, nas execuções civis, somente se caracterizava com a inércia do credor por prazo superior ao prazo prescricional. No caso, verifica-se o equívoco na sentença proferida, pois a regra prevista na nova redação do § 4º do art. 921 do CPC somente poderia ser aplicada a atos processuais que se realizaram após o início da sua vigência. A propósito, é de se observar que a executada somente veio a ser citada em 15 de setembro de 2021 (fl. 89), quase nove anos após o ajuizamento da ação, mas não houve, até aquele momento, a prolação de despacho suspendendo o andamento da execução, requisito que era essencial à luz dos §§ 1º e 4º do art. 921 do CPC (redação original). No decorrer da tramitação processual, a tentativa de penhora de bens da executada restou inexitosa, como se observa da certidão do meirinho à fl. 94, lavrada em 23 de novembro de 2021, que atestou a inexistência de bens penhoráveis em nome da empresa demandada. Logo, a teor do § 4º do art. 921 do CPC, com a redação trazida pela Lei nº 14.195/2021, o prazo da prescrição intercorrente se iniciou a partir do resultado infrutífero de localização de bens penhoráveis em nome do devedor, ou seja, em 23 de novembro de 2021. O prazo quinquenal da prescrição, portanto, tem esse termo inicial, ainda está em curso e findar- se-á somente em 23 de novembro de 2026. Não configurada a prescrição intercorrente, a sentença deve ser anulada para possibilitar o retorno dos autos à origem a fim de dar continuação ao andamento processual. Recurso conhecido e provido. 	RICARDO VIDAL PATROCÍNIO, 1ª Câmara Direito Privado, data do julgamento: 25/09/2024, data da publicação: 25/09/2024) </p> <p align="justify"> RECURSO ESPECIAL. PROCESSUAL CIVIL. PRESCRIÇÃO INTERCORRENTE. CPC/2015. NOVO REGIME JURÍDICO INTRODUZIDO PELA LEI N. 14.195/21. APLICAÇÃO RETROATIVA. IMPOSSIBILIDADE. 1. Ação de execução de título executivo extrajudicial da qual foi extraído o presente recurso especial, interposto em 8/5/2023 e concluso ao gabinete em 23/8/2023. 2. O propósito recursal consiste em dizer se o novo regime da prescrição intercorrente introduzido pela Lei n. 14.195/21 pode ser aplicado retroativamente. 3. Inovando em relação ao CPC/1973, o CPC/2015 passou a disciplinar, expressamente, o instituto da prescrição intercorrente, erigindo o seu regime jurídico próprio, sobretudo, nos arts. 921 a 923. 4. De acordo com o art. 921, inciso III e § 1º do CPC/2015, a execução deverá ser suspensa quando não for localizado o executado ou bens penhoráveis, pelo prazo de um ano, durante o qual também se suspenderá a prescrição. 5. Nos termos da redação original do art. 921, § 4º, do CPC/2015, decorrido o prazo de suspensão de um ano sem manifestação do exequente, começaria a correr o prazo de prescrição intercorrente. 6. A Lei n. 14.195/2021 introduziu importantes alterações na disciplina da prescrição intercorrente, alterando o § 4º do art. 921 do CPC/2015, que passou a prever que o termo inicial do prazo de prescrição intercorrente será a ciência da primeira tentativa infrutífera de localização do devedor ou de bens penhoráveis, e será suspensão, por uma única vez, pelo prazo máximo previsto no § 1º do mesmo dispositivo legal. 7. A partir da entrada em vigor da Lei n. 14.195/2021, ao contrário do que se verificava na redação original do código, não há mais necessidade de desídia do credor para a consumação da prescrição intercorrente, cujo prazo iniciará automaticamente. 8. O novo regime da prescrição intercorrente introduzido pela Lei n. 14.195/21 não pode ser aplicado retroativamente, mas apenas: a) aos novos processos ou àqueles em que a execução infrutífera for posterior à nova lei; e b) aos processos anteriores à nova lei no qual ainda não tenha sido determinada a suspensão da execução. 9. Na hipótese dos autos, não merece reforma o acórdão recorrido, pois incide na espécie a redação original do CPC/2015 e não aquela introduzida pela Lei n. 14.195/21, que não deve ser aplicada retroativamente a uma execução iniciada em 2015 e cuja suspensão findou em 2018. Além disso, Corte de origem constatou que não houve qualquer desídia da parte exequente - requisito exigido antes da Lei n. 14.195/21-, o que afasta a caracterização da prescrição intercorrente à luz da redação original do CPC/2015. 10. Deve ser considerada nula a sentença que incorre no vício de julgamento citra-petita, por ausência de apreciação de pedido formulado pela parte, pois viola o comando do art. 458, III, do Código de Processo Civil, o julgador que não decide todas as questões submetidas à sua apreciação, não sendo permitido ao Tribunal apreciar questões que não foram sequer perfunctoriamente analisadas pelo Juiz de primeiro grau, sob pena de ferir o princípio do duplo grau de jurisdição, quando não inseridas dentre aquelas que lhe é dado conhecer de ofício, como no caso. APELAÇÃO CÍVEL. PASSAGEM FORÇADA. SENTENÇA EXTRA PETITA FUNDADA EM SERVIDÃO DE PASSAGEM. NULIDADE DA SENTENÇA. RECURSO PROVIDO. I. CASO EM EXAME 1. Apelação Cível interposta por Manoel Felix Maia contra sentença proferida nos autos de Ação de Passagem Forçada proposta por Maria do Rosário de Sousa Macedo, visando à instituição de passagem sobre o imóvel do requerido para acesso à via pública. A sentença julgou procedente o pedido, porém com fundamento no instituto da servidão de passagem, reconhecendo a posse da servidão e determinando a abertura de passagem conforme croqui apresentado. O apelante sustenta nulidade da sentença por decisão extra petita e, no mérito, impugna a existência de encravamento do imóvel da autora. II. QUESTÃO EM DISCUSSÃO 2. Há duas questões em discussão: (i) verificar se a sentença incorreu em vício de decisão extra petita ao julgar a demanda com fundamento em instituto jurídico diverso do pleiteado; (ii) definir se estão presentes os requisitos legais para a instituição da passagem forçada. III. RAZÕES DE DECIDIR 3. <u>A sentença é nula por ser extra petita, pois a autora ajuizou Ação de Passagem Forçada com fundamento no art. 1.285 do Código Civil, enquanto o juízo sentenciante decidiu com base na servidão de passagem (art. 1.378 do CC), instituto distinto em natureza e requisitos legais.</u> 4. A decisão judicial deve guardar correspondência com o pedido e com os fundamentos jurídicos apresentados pelas partes, conforme determina o art. 489, I e II, do CPC. Ao decidir com base em premissa dissociada dos autos, a sentença incorre em nulidade. 5. A jurisprudência do Tribunal de Justiça do Ceará reconhece a nulidade de sentenças proferidas com base em premissas equivocadas ou dissociadas da causa de pedir, exigindo o retorno dos autos à origem para o devido processamento. IV. DISPOSITIVO E TESE 6. Recurso provido. Tese de julgamento: 1. A sentença é nula quando decide com base em instituto jurídico diverso do pleiteado, caracterizando decisão extra petita. 2. A passagem forçada, prevista no art. 1.285 do Código Civil, não se confunde com a servidão de passagem, regida pelo art. 1.378 do mesmo diploma, exigindo-se o correto enquadramento jurídico da demanda. 3. A decisão judicial deve manter vínculo com a causa de pedir e os fundamentos jurídicos apresentados, sob pena de nulidade por violação ao art. 489 do CPC. Diante do exposto, dou provimento ao recurso, de ofício, para cassar a sentença e determinar o retorno dos autos à origem, a fim de que nova decisão seja proferida com base na ação de cobrança resultante da emenda à inicial. 	II - suprir omissão de ponto ou questão sobre o qual devia se pronunciar o juiz de ofício ou a requerimento; III - corrigir erro material. Da análise dos autos, verifico que assiste razão à embargante quanto à existência de erro material. Contudo, ressalto que a correção não deve ocorrer exatamente nos termos pleiteados. Com efeito, no acórdão de id. 22520485, embora conste no cabeçalho como embargante o Banco BS2 S/A, verifica-se na ementa e corpo do acórdão que se trata de decisão sobre o recurso interposto pelo Banco BMG S/A. De igual modo, no acórdão de id. 22520655, consta no cabeçalho como embargante o Banco BMG S/A, quando, na realidade, refere-se à decisão sobre o recurso manejado pelo Banco BS2 S/A, conforme se depreende da ementa e do voto. E é assim que por todo o exposto, conheço do presente recurso para dar-lhe provimento, corrigindo o erro material, reconhecendo que o acórdão id. 22520485 corresponde ao recurso 22520679 e que o acórdão id. 22520655 corresponde ao recurso id. 22520682. É como voto.

Por certo, o juiz é o destinatário da prova, cabendo a ele determinar a produção das provas necessárias à formação do seu convencimento, de sorte que, na hipótese específica dos autos, entendo que o mais consentâneo, a fim de resguardar a efetividade da prestação jurisdicional e a segurança jurídica, é esgotar a fase de dilação probatória, o que não chegou a ocorrer no juízo a quo, de modo que no caso concreto a oitiva de todas as partes e, sobretudo, de testemunhas, é primordial ao desate da questão posta. Em outras palavras, o conteúdo probatório dos autos, estando ausente provas orais imprescindíveis para o caso concreto, não é suficiente a trazer segurança ao convencimento deste Relator quanto ao direito, ou não, da parte autora. Ademais, os documentos juntados pela parte autora, aliados às alegações de ausência de suporte técnico e de divergência entre a proposta inicial e o contrato final, demonstram a necessidade de aprofundamento probatório para adequada solução da lide. O STJ consolidou entendimento de que “há cerceamento de defesa quando o juiz indefere provas oportunamente requeridas e julga improcedente o pedido por ausência de provas” (REsp 1.677.926/SP, Rel. Min. Ricardo Villas Bôas Cueva, 3ª Turma, DJe 25/3/2021). IV. DISPOSITIVO E TESE Recurso provido. Sentença anulada. Tese de julgamento: O julgamento antecipado do mérito, em hipóteses de controvérsia fática não suficientemente comprovada por documentos, caracteriza cerceamento de defesa. É imprescindível oportunizar às partes a produção de provas orais quando necessárias à adequada solução da lide. A sentença que julga improcedente por ausência de provas, sem instrução, deve ser anulada para reabertura da fase probatória. Dispositivos relevantes citados: CPC/2015, arts. 355, 370 e 371. 	tendo o último ocorrido no ano de 2017, pelo que o prazo prescricional do direito material (3 anos para o caso de execução de crédito rural - art. 70 da Lei Uniforme de Genebra Decreto 57.663/66) começaria a correr do fim do prazo de suspensão havido em <u>27/12/2018</u>. Ocorre que a citação do primeiro executado ocorreu 31 de outubro de 2020, dentro do prazo prescricional do direito. Além disso, pelos peticionamentos no feito, vê-se que o exequente/apelante empreendeu todos os esforços necessários à localização dos demais executados, o que não ocorreu por sua desídia. Logo, pelos fundamentos expostos, não há que se falar em prescrição intercorrente, pelo que a reforma da sentença é medida impositiva. IV. DISPOSITIVO E TESE Recurso provido. Tese de julgamento: Tese de suspensão do prazo prescricional. A prescrição intercorrente exige a configuração da inércia do credor após a suspensão legal do processo pelo prazo de um ano, não se caracterizando quando este se mantém diligente. A alteração do art. 921, §4º, do CPC, promovida pela Lei nº 14.195/2021, não se aplica retroativamente a execuções já em curso ou suspensas sob a redação anterior. A demora decorrente da atuação da máquina judiciária não pode ser imputada à parte credora, à luz da Súmula 106 do STJ. 	da 2ª Vara Cível da Comarca de Canindé/CE, que reconheceu a ocorrência de prescrição intercorrente e extinguiu a execução de título extrajudicial ajuizada em face de Jorge Egídio de Sousa e José Rodrigues Mota, com fundamento nos arts. 924, V, e 487, II, do CPC.</p> A execução teve início em 07 de fevereiro de 2012, visando à cobrança de valores decorrentes de Nota de Crédito Rural. Houve determinação de citação em março de 2012, frustrada em razão da não localização dos executados. Em agosto de 2013, o exequente requereu a suspensão do feito, com fundamento na Lei nº 12.844/2013, que instituiu programa de renegociação de dívidas rurais. Posteriormente, novas suspensões foram deferidas com base em legislações específicas de caráter similar (Leis nº 13.340/2016, nº 13.606/2018 e nº 13.729/2018), todas voltadas à composição extrajudicial da dívida.</p> Durante o trâmite processual, constatou-se o falecimento de um dos executados (Jorge Egídio de Sousa), sendo determinada a sucessão processual, com citação da herdeira. Contudo, a diligência citatória restou frustrada, em virtude de equívoco do oficial de justiça. </p> O juízo a quo entendeu configurada a prescrição intercorrente, diante da longa duração do feito (mais de 13 anos), reconhecendo a extinção da execução. </p> Inconformado, o apelante sustenta, em síntese: (i) que os sucessivos pedidos de suspensão do processo decorreram de leis federais cogentes, que determinaram a suspensão da exigibilidade e do prazo prescricional das dívidas rurais, não havendo inércia do credor;
 (ii) que a pandemia da COVID-19 gerou dificuldades adicionais para impulsionar o feito;
 (iii) que a prescrição intercorrente exige a presença simultânea de dois requisitos — lapso temporal e desídia do credor —, o que não se verificou no caso concreto, pois o Banco sempre adotou providências para o prosseguimento da demanda;
 (iv) que a decisão recorrida desconsiderou os princípios da razoabilidade, proporcionalidade e eficiência processual, bem como a Súmula 106 do STJ, que afasta a penalização da parte pela demora imputável à máquina judiciária. </p> Ao final, requer a anulação da sentença, com a determinação de prosseguimento da execução. </p> É o que importa relatar. </p> &#160;</p> VOTO.</p> Presentes os requisitos de admissibilidade previsto na legislação. </p> Conheço, então, do recurso. </p> Busca o recorrente a reforma da sentença do juízo a quo, que extinguiu a ação de execução de título extrajudicial com resolução do mérito diante do reconhecimento da prescrição intercorrente. </p> A prescrição intercorrente, como é de conhecimento ordinário, ocorre quando o exequente permanece inerte, sem movimentar a execução ou o cumprimento de sentença, pelo prazo da prescrição da pretensão de direito material. </p> Embora não contasse com previsão expressa no CPC/1973, a jurisprudência desta Corte Superior já admitia a figura da prescrição intercorrente, que estava intimamente vinculada à inércia da parte. Inovando em relação a ordem jurídica anterior, o novo CPC passou a disciplinar o instituto, estatuidando o seu regime jurídico próprio, sobretudo, nos arts. 921 a 923. De acordo com o art. 921, inciso III e §1º, a execução deverá ser suspensa quando não for localizado o executado ou bens penhoráveis, pelo prazo de um ano, durante o qual também se suspenderá a prescrição. </p> &#160;</p> Sobre o instituto da prescrição intercorrente, o Superior Tribunal de Justiça fixou o seguinte entendimento: </p> &#160;

	PROCESSUAL CIVIL E TRIBUTÁRIO. EXECUÇÃO FISCAL. PRESCRIÇÃO INTERCORRENTE. INOCORRÊNCIA. AGRAVO INTERNO. MANIFESTA IMPROCEDÊNCIA. MULTA. CABIMENTO. 1. De acordo com a orientação jurisprudencial firmada no julgamento do Recurso Especial repetitivo 1.340.553/RS, o prazo para a contagem da prescrição intercorrente começa depois de esgotado o prazo de um ano da intimação do exequente acerca da não localização do devedor ou de bens penhoráveis, referente à automática suspensão do processo. 2. Hipótese em que houve citação e penhora de bens nomeados pela própria devedora, tendo a exequente requerido as providências cabíveis para a liquidação da garantia, cuja realização demorou a acontecer por culpa exclusiva da máquina judiciária, de modo que, não existindo a intimação sobre inexistência de bens penhoráveis, não há falar sequer de início da contagem do prazo da prescrição intercorrente, muito menos de sua consumação. 3. A conformidade do acórdão recorrido com o referido precedente obrigatório enseja a aplicação do óbice de conhecimento estampado na Súmula 83 do STJ. 4. E manifestamente improcedente agravo interno que busca reformar decisão respaldada em tese firmada em julgamento de recurso especial repetitivo. 5. Agravo interno desprovido, com aplicação de multa. (AgInt no AREsp n. 1.774.763/PR, relator Ministro Gurgel de Faria, Primeira Turma, julgado em 27/6/2022, DJe de 5/8/2022.) Decorrido o referido prazo de um ano sem que seja localizado o executado ou que sejam encontrados bens penhoráveis, o juiz ordenará o arquivamento dos autos (art. 921, §2º), sendo certo, no entanto, que os autos deverão ser desarquivados para prosseguimento da execução se a qualquer tempo forem encontrados bens penhoráveis (art. 921, §3º). O termo inicial do prazo da prescrição intercorrente é estabelecido pelo §4º do art. 921, que, na redação original do código, dispunha que o termo a quo seria o término do prazo de suspensão da execução. Aponta a doutrina que, de acordo com a redação original do CPC/2015, “a prescrição intercorrente dependia essencialmente de uma desídia do exequente na movimentação do processo, porque enquanto houvesse tal movimentação, ainda que sem a localização de bens a serem penhorados ou ainda da localização do próprio executado, a execução mantinha-se em trâmite” (NEVES, Daniel Amorim Assumpção. Manual de Direito Processual Civil: volume único. 16. ed. São Paulo: JusPdivm, 2024, p. 972-973). No entanto, a Lei n. 14.195/2021 introduziu importantes alterações na disciplina da prescrição intercorrente, alterando o §4º do art. 921 do CPC/2015, que passou a prever que o termo inicial do prazo de prescrição intercorrente será a ciência da primeira tentativa infrutífera de localização do devedor ou de bens penhoráveis, e será suspensa, por uma única vez, pelo prazo máximo previsto no § 1º do mesmo dispositivo legal, isto é, por um ano. Observa-se, desse modo que o termo inicial do prazo foi deslocado para momento anterior, facilitando a ocorrência da prescrição. Ou seja, pela nova redação, “logo que houver a situação de dificuldade na execução, já terá início a fluência do prazo prescricional – e, na sequência, haverá a suspensão do processo, e da prescrição, pelo prazo de 1 ano” (GAJARDONI, Fernando da Fonseca...[et.al.] Comentários ao código de processo civil. 5. Ed. Rio de Janeiro: Forense, 2022). Em síntese, atualmente, iniciada a execução, a ciência da primeira tentativa infrutífera de localização do devedor ou de bens penhoráveis dá início ao prazo da prescrição intercorrente. Essa não localização implica a suspensão da execução e do prazo da prescrição intercorrente, que já tinha iniciado. Finalmente, o prazo da prescrição intercorrente voltará a fluir ao final do prazo de um ano de suspensão da execução. Transcorrido o prazo de prescrição da pretensão de direito material do credor, o juiz, depois de ouvida as partes, no prazo de quinze dias, poderá, de ofício, reconhecer a prescrição intercorrente extinguindo o processo, sem ônus para as

	partes. Tal é a disciplina atual da prescrição intercorrente no ordenamento jurídico nacional. O ponto central da controvérsia consiste em definir se a nova redação do §4º do art. 921 do CPC – que alterou significativamente o termo inicial do prazo de prescrição intercorrente – é aplicável retroativamente. Nesse contexto, o art. 14 do CPC dispõe que “a norma processual não retroagirá e será aplicável imediatamente aos processos em curso, respeitados os atos processuais praticados e as situações jurídicas consolidadas sob a vigência da norma revogada”. Em primeiro lugar, se o processo for posterior às modificações introduzidas pela Lei n. 14.195/2021 ou se a execução infrutífera ocorrer quando já em vigor a nova lei, dúvida não há que será aplicável a lei nova, de modo que o termo inicial do prazo de prescrição intercorrente será a ciência da primeira tentativa infrutífera de localização do devedor ou de bens penhoráveis. Em segundo lugar, se o processo estiver em curso no momento da entrada em vigor da Lei n. 14.195/2021 e ainda não tiver sido determinada a suspensão da execução por ausência de localização do executado ou de bens penhoráveis, aplica-se a nova lei. Isso significa que, após a entrada em vigor da Lei n. 14.195/2021, deverá ser realizada nova tentativa de localização do devedor ou de bens penhoráveis, que, se infrutífera, dará início ao transcurso do prazo da prescrição intercorrente nos termos da nova redação do §4º do art. 921 do CPC. Em terceiro lugar, se o processo estiver em curso no momento da entrada em vigor da Lei n. 14.195/2021, mas já tiver iniciado o transcurso do prazo da prescrição intercorrente nos termos da redação original do §4º do art. 921 do CPC, não se aplicará a nova lei. Em outras palavras, se o prazo da prescrição intercorrente já havia sido deflagrado durante a vigência da disciplina anterior, continuará por ela regulado. Desse modo, conclui-se que o novo regime da prescrição intercorrente introduzido pela Lei n. 14.195/21 <u>não</u> pode ser aplicado retroativamente, mas apenas: a) aos novos processos ou àqueles em que a execução infrutífera for posterior à nova lei; e b) aos processos anteriores à nova lei no qual ainda não tenha sido determinada a suspensão da execução. O instituto da prescrição intercorrente, na redação original do CPC de 2015, tinha como pressuposto a configuração da inércia do credor e a prévia suspensão do feito pelo prazo de um ano, de acordo com os §§ 1º e 4º do art. 921. Esse requisito foi reforçado por tese fixada pelo STJ, relativa à prescrição intercorrente no processo civil, mantendo-se fiel ao pressuposto da inércia para reconhecimento da prescrição intercorrente, independentemente do êxito das diligências postuladas (IAC no REsp 1.604.412/SC, Rel. Ministro Marco Aurélio Bellizze, 2ª Seção, J. 27/06/2018). 2. A nova redação do § 4º, trazida pela Lei nº 14.195/2021, não pode retroagir e alcançar atos processuais já praticados e modificar os seus efeitos no passado, pois, antes do seu advento, a prescrição intercorrente, nas execuções civis, somente se caracterizava com a inércia do credor por prazo superior ao prazo prescricional. Precedentes. 3. In casu, há de se evidenciar que o Exequente tentou realizar a citação da parte promovida diversas vezes, e em todas elas não obteve êxito. É o que se observa das fls. 111 e 120. Em seguida, após tentativas de obtenção de informações e busca de bens em diversos sistemas a disposição do Poder Judiciário, o Banco exequente requereu a expedição de mandado de penhora de um imóvel indicado, pleito que sequer foi apreciado pelo juízo singular. Observa-se que o exequente manteve-se diligente e atuante nos autos, afastando qualquer tipo de argumentação quanto a uma possível desídia sua. 4. Por outro lado, o prazo de suspensão da execução findou quando ainda não estava vigente a Lei 14.195/2021, entretanto o juiz sentenciante utilizou como prazo inicial da prescrição intercorrente a data da primeira citação infrutífera e sem penhora de bens (10/08/2010). Verifica-se, portanto, o equívoco no entendimento adotado pelo Juízo sentenciante quanto

PRAZO QUINQUENAL NÃO TRANSCORRIDO. SENTENÇA CASSADA. RECURSO PROVIDO. O cerne da controvérsia recursal consiste em analisar se deve ser mantida a sentença que decretou, de ofício, a ocorrência de prescrição intercorrente e, assim, extinguiu a execução com base no art. 206, § 5º, I, do Código Civil. O instituto da prescrição intercorrente, na redação original do CPC de 2015, tinha como pressuposto a configuração da inércia do credor e a prévia suspensão do feito pelo prazo de um ano, de acordo com os §§ 1º e 4º do art. 921. Esse requisito foi reforçado por tese fixada pelo STJ, relativa à prescrição intercorrente no processo civil, mantendo-se fiel ao pressuposto da inércia para reconhecimento da prescrição intercorrente, independentemente do êxito das diligências postuladas (IAC no REsp 1.604.412/SC, Rel. Ministro Marco Aurélio Bellizze, 2ª Seção, J. 27/06/2018). Cumprir dizer que a nova redação do § 4º, trazida pela Lei nº 14.195/2021, não pode retroagir e alcançar atos processuais já praticados e modificar os seus efeitos no passado, pois, antes do seu advento, a prescrição intercorrente, nas execuções civis, somente se caracterizava com a inércia do credor por prazo superior ao prazo prescricional. No caso, verifica-se o equívoco na sentença proferida, pois a regra prevista na nova redação do § 4º do art. 921 do CPC somente poderia ser aplicada a atos processuais que se realizaram após o início da sua vigência. A propósito, é de se observar que a executada somente veio a ser citada em 15 de setembro de 2021 (fl. 89), quase nove anos após o ajuizamento da ação, mas não houve, até aquele momento, a prolação de despacho suspendendo o andamento da execução, requisito que era essencial à luz dos §§ 1º e 4º do art. 921 do CPC (redação original). No decorrer da tramitação processual, a tentativa de penhora de bens da executada restou inexitosa, como se observa da certidão do meirinho à fl. 94, lavrada em 23 de novembro de 2021, que atestou a inexistência de bens penhoráveis em nome da empresa demandada. Logo, a teor do § 4º do art. 921 do CPC, com a redação trazida pela Lei nº 14.195/2021, o prazo da prescrição intercorrente se iniciou a partir do resultado infrutífero de localização de bens penhoráveis em nome do devedor, ou seja, em 23 de novembro de 2021. O prazo quinquenal da prescrição, portanto, tem esse termo inicial, ainda está em curso e findar-se-á somente em 23 de novembro de 2026. Não configurada a prescrição intercorrente, a sentença deve ser anulada para possibilitar o retorno dos autos à origem a fim de dar continuação ao andamento processual. Recurso conhecido e provido. De acordo com o art. 921, inciso III e § 1º do CPC/2015, a execução deverá ser suspensa quando não for localizado o executado ou bens penhoráveis, pelo prazo de um ano, durante o qual também se suspenderá a prescrição.5. Nos termos da redação original do art. 921, § 4º, do CPC/2015, decorrido o prazo de suspensão de um ano sem manifestação do exequente, começaria a correr o prazo de prescrição intercorrente.6. A Lei n. 14 .195/2021 introduziu importantes alterações na disciplina da prescrição intercorrente, alterando o § 4º do art. 921 do CPC/2015, que passou a prever que o termo inicial do prazo de prescrição intercorrente será a ciência da primeira tentativa infrutífera de localização do devedor ou de bens penhoráveis, e será suspensa, por uma única vez, pelo prazo máximo previsto no § 1º do mesmo dispositivo legal.7. A partir da entrada em vigor da Lei n. 14.195/2021, ao contrário do que se verificava na redação original do

	código, não há mais necessidade de desídia do credor para a consumação da prescrição intercorrente, cujo prazo iniciará automaticamente.8. O novo regime da prescrição intercorrente introduzido pela Lei n. 14.195/21 não pode ser aplicado retroativamente, mas apenas: a) aos novos processos ou àqueles em que a execução infrutífera for posterior à nova lei; e b) aos processos anteriores à nova lei no qual ainda não tenha sido determinada a suspensão da execução.9. Na hipótese dos autos, não merece reforma o acórdão recorrido, pois incide na espécie a redação original do CPC/2015 e não aquela introduzida pela Lei n. 14.195/21, que não deve ser aplicada retroativamente a uma execução iniciada em 2015 e cuja suspensão findou em 2018. Além disso, Corte de origem constatou que não houve qualquer desídia da parte exequente - requisito exigido antes da Lei n. 14.195/21-, o que afasta a caracterização da prescrição intercorrente à luz da redação original do CPC/2015.10. Recurso especial não provido. Além disso, pelos petições no feito, vê-se que o exequente/apelante empreendeu todos os esforços necessários à localização dos demais executados, o que não ocorreu por sua desídia.

	Exercitando juízo de admissibilidade recursal quanto aos embargos de declaração em curso nestes autos, verifico o atendimento os requisitos intrínsecos e extrínsecos que compõem o referido crivo, levando-o ao qualificativo da positividade e, assim, ao conhecimento dos aclaratórios. A presente demanda cinge-se a verificar se o acórdão embargado incorreu em omissões quanto: (i) à prescrição; (ii) à ilegitimidade passiva do embargante; e (iii) à incompetência da Justiça Estadual. Registro, inauguralmente, que da simples leitura da insurgência aclaratória, é possível verificar o mero inconformismo da Embargante com a decisão do recurso anteriormente manejado, limitando-se tão somente em expedir argumentos com visos a rediscutir a questão já decidida. Segundo o art. 1.022 do Código de Processo Civil, cabem embargos de declaração contra qualquer decisão judicial para: I - esclarecer obscuridade ou eliminar contradição; II - suprir omissão de ponto ou questão sobre o qual devia se pronunciar o juiz de ofício ou a requerimento; III - corrigir erro material.

	III - corrigir erro material. Na ensanचा, anoto o disposto na Súmula 18 deste egrégio Tribunal de Justiça, in verbis São indevidos embargos de declaração que têm por única finalidade o reexame da controvérsia jurídica já apreciada. Com efeito, quanto à alegada omissão relativa à prescrição da ação, verifica-se que a matéria foi devidamente apreciada, conforme restou decidido por ocasião do julgamento: 3. A jurisprudência consolidada no Superior Tribunal de Justiça (Tema 1150) estabelece que o prazo prescricional para ressarcimento de danos em conta vinculada ao PASEP é decenal, tendo início na data em que o titular comprovar ciência dos desfalques. 4. Na hipótese dos autos, o termo inicial deve ser fixado na data de obtenção do extrato completo da conta PASEP pela autora, ocorrida em 22/07/2024. Como a ação foi ajuizada em 05/12/2024, não há prescrição. Sobre as preliminares de ilegitimidade passiva e competência da Justiça Estadual, ressaltou o acórdão: 4. Na hipótese dos autos, o termo inicial deve ser fixado na data de obtenção do extrato completo da conta PASEP pela autora, ocorrida em 22/07/2024. 	justify;"> RELATÓRIO </p><p style="text-align: justify;"> >Trata-se de Recurso de Apelação interposto por Cícero Freire dos Santos, com o escopo de adversar a sentença proferida pelo MM. Juízo da 2ª Vara Cível da Comarca de Juazeiro do Norte, que julgou improcedentes os pedidos formulados na ação Declaratória de Inexistência de Débito c/c Repetição de Indébito e Indenização por Danos Morais, ajuizada em desfavor do Banco Daycoval S/A.</p><p style="text-align: justify;"> >Em suas razões recursais a autora/recorrente sustenta, que “não houve ciência nem consentimento válido para contratar cartão de crédito com reserva de margem consignável. A ré apenas formalizou tecnicamente o contrato, mas à custa da falta de informação, da omissão dolosa e do abuso da cobrança do consumidor”.</p><p style="text-align: justify;"> >Em continuidade, argumenta, que “a instituição financeira Daycoval S/A. não trouxe provas de que informou corretamente ao apelante do que realmente se tratava, além de não informar o teor do contrato, pois o apelante acreditou se tratar de uma proposta de redução de juros. Dessa forma, resta evidente que o contrato firmado é nulo por vício de consentimento, devendo ser anulado, com a devolução dos valores descontados e o reconhecimento da inexistência da dívida indevidamente constituída”.</p><p style="text-align: justify;"> >Sustenta, também, que “a instituição financeira não trouxe aos autos qualquer prova de que tenha informado, de forma clara e transparente, a verdadeira natureza da contratação. Não houve apresentação prévia de contrato, tampouco esclarecimentos objetivos que permitissem ao apelante compreender o que estava sendo efetivamente contratado. Neste cenário, resta caracterizado o vício de consentimento, fruto de conduta abusiva e desleal da apelada, que se aproveitou da fragilidade do consumidor para firmar contrato com manifestação de vontade viciada”.</p><p style="text-align: justify;"> >Argumenta, ainda, que “não tendo a apelada comprovado a regular e informada contratação do serviço, impõem-se a anulação do contrato, a devolução dos valores descontados indevidamente — de forma dobrada — e a devida reparação por danos morais, cuja ocorrência se presume diante da conduta abusiva praticada”.</p><p style="text-align: justify;"> >Por fim, protesta pelo conhecimento e provimento do apelo, para, consequentemente, reformar a sentença vergastada, julgando totalmente procedentes os pedidos feitos em exordial.</p><p style="text-align: justify;"> >Contrarrrazões Id.25231702.</p><p style="text-align: justify;"> >É o que importa relatar. </p><p style="text-align: justify;"> > VOTO </p><p style="text-align: justify;"> >Inicialmente, cumpre salientar que o banco/promovido, em suas contrarrrazões, suscita a preliminar de ofensa ao princípio da dialeticidade recursal, a ensejar o não conhecimento do recurso da parte autora, ao argumento que o recorrente não impugnou, de maneira específica, os fundamentos da decisão objurgada, reproduzindo exatamente o teor da peça contestatória, não se contrapondo aos argumentos da sentença.</p><p style="text-align: justify;"> >No caso, restou comprovado que o recurso interposto enfrentou, de forma satisfatória, expondo, em suas razões, os fundamentos de fato e de direito que embasam o seu inconformismo com o ato judicial combatido, portanto, não há que se falar em ofensa ao princípio da dialeticidade.</p><p style="text-align: justify;"> >Exercendo o juízo de admissibilidade, verifico o atendimento de todos os requisitos intrínsecos e extrínsecos que o compõem, levando-o ao qualificativo da positividade e, assim, ao conhecimento do recurso.</p><p style="text-align: justify;"> >Passo, então, ao seu deslinde.</p><p style="text-align: justify;"> >O douto magistrado singular entendeu pela improcedência dos pedidos autorais, uma vez que, não havendo demonstração de ilicitude das contratações e restando demonstrada a expressa anuência do autor no aperfeiçoamento contratual, incabível se torna a condenação da instituição financeira/requerida em devolução de valores e em pagamento de danos morais.</p><p style="text-align: justify;"> >Sobre a temática em testilha, inicialmente, cumpre ressaltar que de acordo com a Súmula n.º 297, do Superior Tribunal de Justiça, as relações existentes entre correntistas e bancos devem ser examinadas à luz da lei consumerista: “ O Código de Defesa do Consumidor é aplicável às instituições financeiras”.</p><p style="text-align: justify;"> >Por certo, conforme entendimento firmado pela Segunda Seção do Superior Tribunal de Justiça, quando do julgamento do REsp 1197929 / PR submetido ao rito dos recursos repetitivos, “ as instituições bancárias respondem objetivamente pelos danos causados por fraudes ou delitos praticados por terceiros — como, por exemplo, abertura de conta-corrente ou recebimento de empréstimos mediante fraude ou utilização de documentos falsos,”

	porquanto tal responsabilidade decorre do risco do empreendimento, caracterizando-se como fortuito interno". No presente caso, não verifico causas que maculem a regularidade das celebrações dos contratos em questão, isto porque, a instituição financeira/apelada juntou os contratos discutidos nessa demanda (Id.25231612 e Id.25231621), assinados por meio de autenticação eletrônica e fotografia do momento das contratações. Em que pese as alegações do autor/recorrente acerca do dever do prestador de serviços em proceder com todas as informações necessárias à compreensão do consumidor em virtude do negócio celebrado, não desconheço a previsão positivada no Código de Defesa do Consumidor, em seu art. 6º inciso III, que reconhece tal conduta como direito básico do consumidor. Todavia, percebo que o dever de informação clara e adequada ao consumidor restou perfectibilizado, por parte do banco/apelado, na medida em que apresenta o "Termo de Consentimento Esclarecido do Cartão de Crédito Consignado", assinado eletronicamente pelo promovente/recorrente. Acostou, ainda, o protocolo de assinatura (Id.25231635 e Id. 25231610), onde consta dados de localização e Id da sessão do usuário, com informação do dia e horário da coleta dos dados. Consta, também, comprovante de transferência eletrônica do valor de R\$ 1.250,00 (um mil, duzentos e cinquenta reais), para a conta-corrente do autor/recorrente, conforme comprovante constante no Id. 25231628. Portanto, embora o autor/recorrente afirme que não contratou os empréstimos consignados na modalidade cartão de crédito, o conjunto probatório dos autos não corrobora suas alegações. Ademais, suposto vício de consentimento, sem suporte probatório sobre sua veracidade, não permite a anulação do negócio que, a rigor, como dito, se mostra juridicamente perfeito. Além disso, a própria resolução do INSS (Instrução Normativa INSS nº 28/2008, alterada pela Instrução Normativa INSS nº 39/2009), em seu art. 3º, inciso III, autoriza o desconto no benefício na adesão de cartão de crédito, quando seja dada autorização de forma expressa, por escrito ou por meio eletrônico, o que aconteceu nos presentes autos, tornando-se válido o contrato e a cláusula da Reserva de Margem Consignável (RMC), in verbis: Artigo 3º Os titulares de benefícios de aposentadoria e pensão por morte, pagos pela Previdência Social, poderão autorizar o desconto no respectivo benefício dos valores referentes ao pagamento de empréstimo pessoal e cartão de crédito concedidos por instituições financeiras, desde que: (...) III - a autorização seja dada de forma expressa, por escrito ou por meio eletrônico e em caráter irrevogável e irretratável, não sendo aceita autorização dada por telefone e nem a gravação de voz reconhecida como meio de prova de ocorrência. Desse modo, a apontada fraude na celebração do contrato não ficou evidenciada, posto que, a instituição financeira não somente apresentou os contratos firmados, assinados eletronicamente pelo autor/apelante, como também comprovou o regular cumprimento daqueles pactos, de modo que, os descontos realizados em seu benefício previdenciário restam albergados pela legalidade, não havendo que se falar em danos materiais e morais. Sobre as operações realizadas por meio eletrônico, é imprescindível, ainda, salientar o entendimento consolidado por esta Egrégia Corte, vejamos: CONSUMIDOR E PROCESSUAL CÍVEL. APELAÇÃO CÍVEL. COMPROVAÇÃO DA REGULARIDADE DA AVENÇA PELA INSTITUIÇÃO FINANCEIRA APELANTE. RECURSO CONHECIDO É PROVIDO. SENTENÇA REFORMADA. 1. O cerne da controvérsia reside em analisar a existência de relação jurídica entre as partes, no que diz respeito ao cartão de crédito consignado (Contrato n. 17016597), bem como analisar se, constatada a irregularidade da operação, a instituição financeira apelante responde pelos prejuízos (materiais e/ou morais) supostamente experimentados pelo autor apelado. 2. Nesse contexto, observa-se que o banco apelante se desincumbiu do ônus de comprovar a regularidade do Contrato n. 17016597, nos moldes do art. 373, II, do CPC e art. 14, § 3º, I, do CDC, mediante a apresentação do Termo de Adesão do Cartão de Crédito Consignado, da Cédula de Crédito Bancário (CCB) e do Termo de Consentimento Esclarecido (TCE), todos assinados eletronicamente pelo requerente recorrido (IP 177.56.191.243), em 15.06.2021, na cidade de Lavras da Mangabeira, onde reside, acompanhados do comprovante de transferência eletrônica do saque solicitado (TED), do seu documento de identificação (RG), válido e com foto, e da sua selfie, a qual é semelhante à fotografia encontrada no seu RG. 3. 	demonstrada a regularidade da contratação do cartão de crédito (Contrato n. 17016597) livremente pactuado entre as partes, não há que se falar em repetição do indébito nem em dano moral indenizável, pois ausentes os pressupostos da responsabilidade civil, visto que o banco apelante apenas efetuou as cobranças amparado no exercício regular do seu direito. 4. Recurso conhecido e provido para declarar a existência de relação jurídica entre as partes, no que diz respeito à regularidade do Contrato de Cartão de Crédito Consignado n. 17016597 e, via de consequência, afastar a condenação do banco recorrente ao pagamento dos danos materiais e morais fixados na sentença. DIREITO CIVIL E PROCESSUAL CIVIL. AÇÃO DECLARATÓRIA DE INEXIGIBILIDADE DE DÉBITO C/C INDENIZAÇÃO POR DANOS MORAIS. EMPRÉSTIMO CONSIGNADO. RESERVA DE MARGEM CONSIGNADA. CONTRATO ELETRÔNICO. AUTORIZAÇÃO MEDIANTE BIOMETRIA FACIAL. PESSOA IDOSA E ALFABETIZADA. COMPROVAÇÃO DE VALOR CREDITADO EM CONTA DE TITULARIDADE DA APELANTE. REGULARIDADE DO CONTRATO. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA. A apelante alega, em suas razões recursais, que os contratos assinados eletronicamente não teriam contado com a sua anuência, em razão de ser idosa e não deter conhecimento do que se trata o contrato de empréstimo consignado. No entanto, os argumentos não prosperam, pois se percebe que o banco apelado trouxe prova da existência do contrato na modalidade eletrônica, colacionando vasta documentação em sua peça contestatória, que comprova a validade dos empréstimos. No caso, a contratação do empréstimo fora realizada pela apelante por meio eletrônico, mediante leitura da biometria facial da consumidora e de confirmações através de tokens e links de validação (fls. 142/144; 149; 154/155; 159; 166/168), afastando a hipótese alegada pela recorrente de contratação mediante fraude de terceiros. A instituição financeira, por sua vez, colacionou cópias de transferências bancárias (fl. 171/172) e dos contratos de empréstimos assinados eletronicamente (fls. 145/156; 159/168), bem como RG e CPF (fls. 157/158; 169/170) e biometria facial (fls. 116/222). Os documentos colacionados pelo apelado não demonstram ilegalidade nas tratativas contratuais. Tem-se que a autora manifestou seu pleno consentimento em relação às cláusulas presentes no contrato, não sendo crível que, após ter seguido todos os passos para validação e confirmação da transação, como tokens e links (fls. 142/144; 149; 154/155; 159; 166/168), a apelante não tenha tomado conhecimento de que estava formalizando contrato de empréstimo consignado, até mesmo porque não é necessário vasto conhecimento tecnológico para a sua pactuação. Dessarte, entende-se pela validade do negócio jurídico celebrado entre as partes, tendo a instituição financeira se desincumbido, a contento, do seu ônus probante acerca de fato impeditivo, modificativo ou extintivo do direito autoral (art. 373, II, CPC), produzindo prova pertinente à regularidade da contratação. Ante a regularidade dos descontos nos proventos de aposentadoria da parte recorrente, não há que falar na ocorrência de ato ilícito por parte do recorrido e, por consequência, em dano moral capaz de ensejar o pagamento de indenização, nos termos do artigo 5º, inciso X, da Constituição Federal. Recurso conhecido e desprovido. Sentença mantida. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, em conhecer do recurso para negar-lhe

 align="justify" font-size: medium;"> font-family: arial, helvetica, sans-serif;">Em sede de Juízo de Admissibilidade, entendo que deve ser recebido o recurso de agravo de instrumento em trâmite nestes autos, porquanto preenchidos todos os requisitos intrínsecos e extrínsecos que compõem esse crivo. align="justify" font-size: medium;"> font-family: arial, helvetica, sans-serif;">>Inicialmente, rejeito o alegado não cabimento do recurso de agravo de instrumento contra a decisão do juízo a quo suscitado pela parte recorrida. align="justify" font-size: medium;"> font-family: arial, helvetica, sans-serif;">>Isso porque, apesar de o juízo ter nomeado a decisão como “sentença”, o seu teor carrega cunho interlocutório, por não colocar fim ao cumprimento de sentença, sobretudo por ter acolhido apenas parcialmente a impugnação apresentada. align="justify" font-size: medium;"> font-family: arial, helvetica, sans-serif;">>Segundo o STJ, “segundo a jurisprudência desta Corte, no sistema regido pelo CPC/2015, o recurso cabível da decisão que acolhe impugnação ao cumprimento de sentença e extingue a execução é a apelação. As decisões que acolherem parcialmente a impugnação ou a ela negarem provimento, por não acarretarem a extinção da fase executiva em andamento, tem natureza jurídica de decisão interlocutória, sendo o agravo de instrumento o recurso adequado ao seu enfrentamento. Não obstante, a decisão que acolhe, ainda que integralmente, a impugnação ao cumprimento de sentença para reconhecer o excesso de execução tem natureza de decisão interlocutória recorrível por agravo de instrumento, quando não impedir o prosseguimento da execução pelo valor devido. A aplicação da fungibilidade recursal pressupõe dúvida objetiva a respeito do cabimento do recurso e que a escolha pela parte recorrente não configure erro grosseiro”. Agravo interno não provido. (AgInt no REsp n. 1.608.052/RS, relator Ministro Benedito Gonçalves, Primeira Turma, julgado em 7/10/2019, DJe de 9/10/2019.) Com efeito, “Eventual excesso de execução pode ser arguido pelo executado, e analisado pelo magistrado, em qualquer momento até a extinção do cumprimento de sentença em razão do pagamento do quantum devido” (TJ-MG - Agravo de Instrumento: 26889502520248130000 1.0000.22.100775-0/004, Relator: Des.(a) Jair Varão, Data de Julgamento: 25/07/2024, 3ª CÂMARA CÍVEL, Data de Publicação: 29/07/2024). Prosseguindo, a decisão que transitou em julgado determinou (fls. 513-532 do processo de origem): (i) a declaração da nulidade “dos contratos discutidos nessa ação; (ii) que os valores devidos a título de danos materiais devem ser ressarcidos em dobro somente as parcelas alcançadas pela modulação dos efeitos do EAREsp 676.608/RS, as demais na forma simples, visto que não restou demonstrada a má-fé do banco (art. 42, parágrafo único, CDC); acrescidos de juros de 1% (um por cento) ao mês, a partir do evento danoso (Súmula n.º 54, STJ) e correção monetária pelo INPC, a partir da data do efetivo prejuízo (Súmula n.º 43, STJ)”. Os honorários de sucumbência restaram fixados em 10% sobre o valor da condenação. Em sua petição de cumprimento de sentença, a exequente apresentou o valor de R\$ 249.693,73 (duzentos e quarenta e nove mil, seiscentos e noventa e três reais e setenta e três centavos) a ser executado (fls. 684-702), relativo ao débito de R\$ 237.803,55, acrescido de R\$ 11.890,18 de honorários advocatícios. Houve o depósito judicial do montante exigido no cumprimento de sentença. O banco ora agravante, em sua impugnação às fls. 744-748, apresentou o valor incontroverso de R\$ 233.691,93 (duzentos e trinta e três mil, seiscentos e noventa e um reais e noventa e três centavos), referente à soma do valor do débito (R\$ 232.529,28) e dos honorários, que calculou a 0,5% do valor da condenação (R\$ 1.162,65), alegando o excesso quanto ao valor de R\$ 16.001,18 (dezesseis mil, um real e dezoito centavos). Remetidos os autos à Contadoria do Fórum, de acordo com a planilha de fl. 785, o valor devido pelo recorrente seria de R\$ 181.805,13, correspondendo à soma do débito de R\$ 165.277,39 como valor de R\$ 16.527,74 relativo aos honorários advocatícios, havendo um excesso de R\$ 67.888,60. Pois bem. Vale mencionar que o ora recorrente não ofereceu resposta aos cálculos apresentados pela Contadoria, deixando transcorrer o prazo sem qualquer manifestação. Pelo que se extrai dos autos, do valor do débito exigido pela exequente/agravada, na quantia de R\$ 237.803,55, o banco/executado concordou com o montante de R\$ 232.529,28, ao passo em que o valor dos honorários, exigidos pela exequente em R\$ 11.890,18, houve a concordância no montante de R\$ 1.162,65. Em relação ao valor dos honorários, vale consignar de imediato o erro no cálculo

	elaborado pelo banco, na medida em que calculou em 0,5% da condenação, ao passo em que a decisão que transitou em julgado fixou-os em 10% sobre o valor da condenação. O douto julgador de origem resolveu por acolher parcialmente a impugnação do ora recorrente, alegando que “a incorreção dos valores apresentados, determinando assim, por conseguinte, o levantamento no valor de R\$5.537,99 (cinco mil quinhentos e trinta e sete reais e noventa e nove centavos) pelo BANCO DO BRASIL”. No entanto, em que pese o entendimento do julgador originário, não fundamentou qual a incorreção apontada, muito menos o motivo pelo qual logrou êxito a impugnação do ora recorrente, explicando como se chegou ao valor de R\$5.537,99 (cinco mil quinhentos e trinta e sete reais e noventa e nove centavos). a ser levantado pelo impugnante, pelo que entendo a decisão carente de motivação, gerando a sua nulidade, o que pode ser reconhecida de forma oficiosa. A respeito da motivação inerente a toda e qualquer decisão jurisdicional, dispõe o Código de Processo Civil no art. 489, §1º que não se considera fundamentada qualquer decisão judicial, seja ela interlocutória, sentença ou acórdão, que “invocar motivos que se prestariam a justificar qualquer outra decisão”. Sobre o tema Uadi Lammêgo Bulos: O ministro, desembargador ou juiz tem necessariamente de explicar o porquê do seu posicionamento. Não basta que a autoridade jurisdicional escreva: “denego a liminar” ou “ausentes os pressupostos legais, revogo a liminar”. A dicção constitucional inadmitte a chamada “motivação implícita, ou seja, aquela em que o julgado não evidencia um raciocínio lógico, direto, explicativo e convincente da postura adotada. Daí o art. 93, IX, cominar pena de nulidade pela não-observância do princípio.” Nesta mesma linha de raciocínio, assim se manifesta Fredie Didier Jr. preleciona que: “É bastante comum o operador do direito deparar-se, no seu dia-a-dia, com decisões do tipo “presentes os pressupostos legais, concedo a tutela antecipada”, ou simplesmente “defiro o pedido do autor porque em conformidade com as provas produzidas nos autos”, ou ainda “indefiro o pedido, por falta de amparo legal”. Essas decisões não atendem à exigência da motivação: trata-se de tautologias, que, exatamente por isso, não servem como fundamentação.” Ao deparar-se com espécies similares a dos autos, assim tem reiteradamente decidido o Pretório Excelso: “HABEAS CORPUS” – IMPETRAÇÃO FUNDADA, EM PARTE, EM RAZÕES NÃO APRECIADAS PELO TRIBUNAL APONTADO COMO COATOR – INCOGNOSCIBILIDADE, NO PONTO, DO REMÉDIO CONSTITUCIONAL – PRETENDIDA NULIDADE DA SENTENÇA PENAL CONDENATÓRIA – ALEGADA OFENSA AO DISPOSTO NO ART. 381 DO CPP E NO ART. 93, IX, DA CONSTITUIÇÃO – AUSÊNCIA DE FUNDAMENTAÇÃO DO ATO SENTENCIAL CONDENATÓRIO – IMPROCEDÊNCIA – SENTENÇA PENAL QUE APRESENTA FUNDAMENTAÇÃO SUFICIENTE E ADEQUADA – SITUAÇÃO DE ILIQUIDEZ QUANTO AOS FATOS SUBJACENTES À IMPETRAÇÃO FUNDADA EM REFERIDOS PRECEITOS LEGAIS – CONTROVÉRSIA QUE, ADEMAIS, IMPLICA EXAME APROFUNDADO DE FATOS E CONFRONTO ANALÍTICO DE MATÉRIA ESSENCIALMENTE PROBATÓRIA – INVIABILIDADE NA VIA SUMARÍSSIMA DO “HABEAS CORPUS” – PEDIDO CONHECIDO EM PARTE E, NESSA PARTE, INDEFERIDO. SENTENÇA PENAL CONDENATÓRIA: NECESSIDADE DE FUNDAMENTAÇÃO SÚFICIENTE E ADEQUADA, SOB PENA DE OFENSA AO DISPOSTO NO ART. 381 DO CPP E NO ART. 93, IX, DA CONSTITUIÇÃO . - É inquestionável que a exigência de fundamentação das decisões estatais, mais do que expressiva imposição consagrada e positivada pela ordem constitucional, reflete uma poderosa garantia contra eventuais excessos do Estado, pois, ao torná-la elemento imprescindível e essencial dos atos que veiculam a privação da liberdade individual, quis o ordenamento jurídico erigi-la como fator de limitação dos poderes deferidos às autoridades públicas . - Não se pode jamais esquecer que a exigência de motivação dos atos judiciais constrictivos da liberdade individual deriva de postulado constitucional inafastável, que traduz expressivo elemento de restrição ao exercício do próprio poder estatal, além de configurar instrumento essencial de respeito e proteção às liberdades públicas . - A fundamentação dos atos decisórios qualifica-se como pressuposto constitucional de validade e eficácia das decisões emanadas do Poder Judiciário, de tal modo que a inobservância do dever imposto pelo art. 93, IX, da Constituição Federal, precisamente por afetar a legitimidade jurídica dessas deliberações estatais, gera, de maneira irremissível, a sua própria nulidade . - (...) - A ocorrência de iliquidez quanto aos fatos alegados na impetração basta, por si só, para inviabilizar a utilização adequada da ação de "habeas corpus", que constitui remédio processual que não admite dilação probatória, nem permite o exame aprofundado de matéria fática, nem comporta a análise valorativa de elementos de informação produzidos no curso do processo penal de conhecimento. Alterar o entendimento do Tribunal de Justiça esbarra no óbice previsto no Enunciado n.º 7/STJ. 5. Não apresentação de argumentos novos capazes de infirmar os fundamentos que alicerçaram a decisão agravada. 6. AGRAVO INTERNO CONHECIDO E DESPROVIDO. (AgInt no REsp n. 1.903.903/MS, relator Ministro Paulo de Tarso Sanseverino, Terceira Turma, julgado em 13/6/2022, DJe de 17/6/2022.) Ressalte-se, também, por oportuno, que a contradição a que se refere o art. 1.022, inciso I, do Código de Processo Civil, deve estar presente entre os próprios fundamentos adotados no acórdão ou na sentença, caracterizando-se pela existência de juízos inconciliáveis no corpo da decisão judicial. Não configura contradição, para fins de embargos declaratórios, a mera divergência entre as alegações ou pretensões das partes e os fundamentos que embasam a conclusão do julgador. 	III. RAZÕES DE DECIDIR 3. A consignação em pagamento exige que o depósito judicial corresponda ao valor integral, certo e exigível da obrigação, sob pena de improcedência do pedido e continuidade da mora do devedor. 4. O valor depositado pela autora foi unilateralmente fixado em R\$ 5.962,01, após abatimentos de aluguel, IPTU e alegados reparos, mas não houve prova documental suficiente sobre a realização dos reparos, como notas fiscais, recibos ou laudo técnico, tampouco vistoria final assinada por ambas as partes. 5. Fotografias sem data e vistoria inicial de 2017 que já apontava defeitos no imóvel não comprovam a responsabilidade da locatária pelos danos alegados. 6. O STJ, no Tema Repetitivo nº 967, firmou entendimento de que a insuficiência do depósito conduz ao julgamento de improcedência da ação consignatória, pois o pagamento parcial não extingue a obrigação. 7. A recusa da apelada em receber o valor foi justificada, porquanto não comprovada a quitação integral das obrigações locatícias e de conservação do imóvel. 8. Recurso conhecido e desprovido. Tese de julgamento 1. A consignação em pagamento exige o depósito integral da obrigação, sendo incabível o pagamento parcial unilateralmente arbitrado pelo devedor. 2. A recusa do credor em receber valor inferior ao devido é considerada justificada, afastando o efeito liberatório da consignação. 3. A ausência de provas hábeis a demonstrar os danos e os reparos no imóvel impede o abatimento da caução prestada. 160. Não há que se falar em vícios ensejadores à procedência aclaratória, restando evidenciado o mero inconformismo da Embargante com a solução jurídica prestada por este Sodalício, invocando instrumento processual incabível para a pretensão posta, no caso, a tentativa de rediscutir a matéria já decidida. 160.

Aleou que (i) detém a posse do imóvel há mais de dez anos e que o imóvel não é registrado; (ii) há cerca de 40 anos foi contratado pelo Sr. Manoel Braga Neto, hoje falecido, para cuidar, zelar e proteger terreno contra terceiros, e que o terreno do Sr. Manoel era confinante ao de sua casa, e referido senhor costumava ir ao local para lhe pagar, deixando, no entanto, de frequentar o local, mas o autor continuou a cuidar do terreno; (iii) devido o desaparecimento do Sr. Manoel o postulante passou a exercer a posse mansa e pacífica da área; (iv) o Sr. Germano apareceu no local falando do falecimento do pai e que estaria a frente da administração dos bens do espólio, bem como que sabia que seu pai o havia contratado para zelar pelo imóvel e que o espólio estava em débito pelos anos de serviço não remunerados, tendo sido feito um acordo onde o Espólio representado pelo inventariante cederia uma faixa da área do imóvel, correspondente a 10,9 metros de largura por 27,84 metros de comprimento, com área total de 303,45 metros quadrados, ficando o autor de fazer o muro separando sua parte do restante do terreno que caberia ao espólio, bem como de construir o muro do terreno do espólio e o Sr. Germano lhe restituiria o valor; (v) em dezembro de 2023 o Sr. Germano esteve novamente no local informando que teria vendido a área total e o autor teria que desocupar o seu imóvel, ou seja, a área do acordo celebrado entre as partes; (vi) o Sr. Germano fez ameaças verbais dizendo que iria arrancar o autor e a família do imóvel fosse por força policial ou por medida judicial. </p> <p align="justify"> Segundo Nelson Nery Jr <sup>1</sup>, “as possessórias se caracterizam pelo pedido de posse com fundamento no fato jurídico da posse. O que determina o caráter possessório de uma ação não é só o pedido, como à primeira vista poderia aparecer, mas sim a causa pretendi e os fundamentos do pedido do autor”. </p> <p align="justify"> Mas, importante lembrar que pretensões deste naipe, para serem tuteladas, não dependem de título ou causa, bastando apenas a comprovação da posse do

	autor ou da suscetibilidade da posse diante da violação do direito. Este posicionamento extraio da disposição do §2º, do art. 1210 do Código Civil, de seguinte teor: Art. 1.210. O possuidor tem direito a ser mantido na posse em caso de turbação, restituído no de esbulho, e segurado de violência iminente, se tiver justo receio de ser molestado. § 1 O possuidor turbado, ou esbulhado, poderá manter-se ou restituir-se por sua própria força, contanto que o faça logo; os atos de defesa, ou de desforço, não podem ir além do indispensável à manutenção, ou restituição da posse. § 2 Na verdade, a posse é protegida para evitar a violência e assegurar a paz social, uma vez que, geralmente, a situação de fato aparenta ser uma situação de direito. Sendo assim, a posse é caracterizada como uma situação de fato protegida pelo legislador e, como tal, não é difícil de ser provada, bastando somente, para a propositura dos interditos possessórios (manutenção e reintegração de posse) a prova da condição de possuidor, sendo desnecessária, portanto, a existência de título que comprove a propriedade do bem. O Superior Tribunal de Justiça já firmou, sobre o assunto, posicionamento no sentido de que “em sede de ação possessória é inviável a discussão a respeito da titularidade do imóvel sob pena de se confundir os institutos, ou seja, discutir a propriedade em ação possessória”(AgRg no REsp 1389622/SE, Rel. Ministro LUIS FELIPE SALOMÃO, QUARTA TURMA, julgado em 18/02/2014, DJe 24/02/2014). Neste sentido: PROCESSUAL CIVIL. EMBARGOS DE DIVERGÊNCIA EM RECURSO ESPECIAL. DEMANDA POSSESSÓRIA ENTRE PARTICULARES. POSSIBILIDADE DE DEFESA DA POSSE DE BEM PÚBLICO POR MEIO DE OPOSIÇÃO. 1. Hipótese em que, pendente demanda possessória em que particulares disputam a posse de imóvel, a União apresenta oposição pleiteando a posse do bem em seu favor, aos fundamentos de que a área pertence à União e de que a ocupação de terras públicas não constitui posse. 2. Quadro fático similar àqueles apreciados pelos paradigmas, em que a Terracap postulava em sede de oposição a posse de bens disputados em demanda possessória pendente entre particulares, alegando incidentalmente o domínio como meio de demonstração da posse. 3. (...) 5. O art. 923 do CPC/73 (atual art. 557 do CPC/2015), ao proibir, na pendência de demanda possessória, a propositura de ação de reconhecimento do domínio, apenas pode ser compreendido como uma forma de se manter restrito o objeto da demanda possessória ao exame da posse, não permitindo que se amplie o objeto da possessória para o fim de se obter sentença declaratória a respeito de quem seja o titular do domínio. 6. A vedação constante do art. 923 do CPC/73 (atual art. 557 do CPC/2015), contudo, não alcança a hipótese em que o proprietário alega a titularidade do domínio apenas como fundamento para pleitear a tutela possessória. Conclusão em sentido contrário importaria cancelar eventual fraude processual e negar tutela jurisdicional a direito fundamental. 7. Titularizar o domínio, de qualquer sorte, não induz necessariamente êxito na demanda possessória. Art. 1.210, parágrafo 2º, do CC/2002. A tutela possessória deverá ser deferida a quem ostente melhor posse, que poderá ser não o proprietário, mas o cessionário, arrendatário, locatário, depositário, etc. 8. A alegação de domínio, embora não garanta por si só a obtenção de tutela possessória, pode ser formulada incidentalmente com o fim de se obter tutela possessória. 9. Embargos de divergência providos, para o fim de admitir a oposição apresentada pela União e determinar o retorno dos autos ao Tribunal de origem, a fim de que aprecie o mérito da oposição. (EREsp 1134446/MT, Rel. Ministro BÊNEDITO GONÇALVES, CORTE ESPECIAL, julgado em 21/03/2018, DJe 04/04/2018) Por outro lado, destarte o entendimento daquela Corte, o Supremo Tribunal Federal já havia editado, em 12 de dezembro de 1969, a Súmula n. 487, que dispõe sobre a possibilidade de disputa da posse do bem com fulcro no domínio, ao expressar que “será deferida a posse a quem, evidentemente, tiver o domínio, se com base neste for ela disputada”. Ocorre que, para a correta aplicação do entendimento sumular, o Excelso Tribunal definiu os critérios a serem levados em consideração para tanto, vejamos: “O atual Código Civil e a redação atribuída ao art. 923 do

	Código de Processo Civil impedem a apreciação de questões envolvendo a jus petitorium em juízo possessório. No entanto, a doutrina de Pontes de Miranda esclarece ser possível a exceptio domini nos casos em que duas pessoas disputam a posse a título de proprietários ou quando é duvidosa a posse de ambos os litigantes. Dessa forma, 'a exceção do domínio somente é aplicável quando houver dúvida acerca da posse do autor e do réu ou quando ambas as partes arrimarem suas respectivas posses no domínio, caso em que a posse deverá ser deferida àquela que tiver o melhor título, ou seja, ao verdadeiro titular, sem, contudo, fazer coisa julgada no juízo petitório . 10. Por fim, a questão debatida nos autos encontra respaldo na Súmula STF n. 487, in verbis (...) Silvio de Salvo Venosa adverte que 'somente se traz à baila a súmula se ambos os contendores discutirem a posse com base no domínio, ou se a prova do fato da posse for de tal modo confusa que, levadas as partes a discutir o domínio, se decide a posse em favor de quem evidentemente tem o domínio. Todavia a ação não deixa de ser possessória, não ocorrendo coisa julgada acerca do domínio'. (ACO 685, Relatora Ministra Ellen Gracie, Tribunal Pleno, julgamento em 11.12.2014, DJe de 12.2.2015) <p align="justify"> Daí porque, para que a titularidade do bem seja considerada como fundamento singular da ação possessória, é dizer, para que seja arvorada a exceção de domínio (exceptio proprietatis) no caso dos autos, basta que estejam presentes as seguintes situações: (a) quando ambas as partes assentem suas respectivas posses exclusivamente na titularidade do bem; OU, (b) quando houver dúvida sobre a posse do autor, consubstanciada na confusão da posse invocada, desembocando a solução da questão pela análise do domínio. <p align="justify"> Contudo, o Código Civil de 2002, na tentativa de ratificar a pureza das ações possessórias e impedir a invocação de propriedade em tais ações, aboliu a segunda parte do art. 505 do Código Civil de 1916 e expressamente não recepcionou o instituto jurídico da exceção de propriedade (exceptio proprietatis nos interditos possessórios, consoante redação do já mencionado §2º do art. 1.210 do CC/2002. <p align="justify"> &#160; <p align="justify"> A respeito do tema, nos dias 11 a 13 de setembro de 2002, a Jornada de Direito Civil promovida pelo Centro de Estudos Judiciários do Conselho da Justiça Federal, sob a coordenação científica do Ministro Ruy Rosado do Superior Tribunal de Justiça, assentou os enunciados n.s 78 e 79, que dispõem: <p align="justify"> "78 – Art. 1.210: Tendo em vista a não-recepção pelo novo Código Civil da exceptio proprietatis (art. 1.210, § 2º) em caso de ausência de prova suficiente para embasar decisão liminar ou sentença final ancorada exclusivamente no ius possessionis, 12 deverá o pedido ser indeferido e julgado improcedente, não obstante eventual alegação e demonstração de direito real sobre o bem litigioso. <p align="justify"> &#160; <p align="justify"> "79 – Art. 1.210: A exceptio proprietatis, como defesa oponível às ações possessórias típicas, foi abolida pelo Código Civil de 2002, que estabeleceu a absoluta separação entre os juízos possessório e petitório. <p align="justify"> &#160; <p align="justify"> Nesta toada, não é possível olvidar o magistério de Carlos Roberto Gonçalves sup>2</sup>, para quem: <p align="justify"> &#160; <p align="justify"> "Com o advento do Código Civil de 2002 ficou evidenciada, de modo irrefragável, a referida extinção, pois esse diploma não contempla a possibilidade de se argüir a exceptio proprietatis, limitando-se a proclamar, no art. 1210, §2º: 'Não obsta à manutenção ou reintegração na posse a alegação de propriedade, ou de outro direito sobre a coisa'". <p align="justify"> &#160; <p align="justify"> Na oportunidade, anoto a decisão proferida pelo Min. [...] Ressalte-se que o título de domínio não pressupõe o exercício de fato da posse, não podendo a proteção possessória em comento fundar-se em título de propriedade, como pretende a recorrente. Com efeito, a discussão quanto à propriedade do imóvel não mais é cabível em sede de ação possessória. Ora, por longo período existiu grande celeuma sobre o tema, todavia, vale lembrar que o novo Código Civil aboliu a exceptio proprietatis em seu art. 1.210, §2º. </p> <p align="justify">Vale frisar o que restou assentado na Jornada de Direito Civil promovida pelo Centro de Estudos Judiciários do Conselho da Justiça Federal, no período de 11 a 13 de setembro de 2002, sob a coordenação científica do então Ministro do STJ Ruy Rosado, pelo seu caráter elucidativo: </p> <p align="justify">Art. 1210: Tendo em vista a não recepção, pelo novo Código Civil, da exceptio proprietatis (art. 1210, § 2.º), em caso de ausência de prova suficiente para embasar decisão liminar ou sentença final ancorado exclusivamente no jus possessionis, deverá o pedido ser indeferido e julgado improcedente, não obstante eventual alegação e demonstração de direito real sobre o bem litigioso.[...] </p> <p align="justify">Desta forma, é de se ressaltar que restou comprovada a ocorrência da turbacão possessória, atendendo a autora aos requisitos elencados no art. 927, do CPC para propositura e procedência da presente ação possessória. Daí que outra solução não poderia ser dada ao caso concreto, porquanto atendidos os requisitos legais, a reintegração de posse é medida que se impõe. Nesse prisma, a decisão agravada viola a normas extraíveis dos dispositivos dos artigos 4º, 6º, 256 §3º, 319 §1º do CPC. O indeferimento do pedido de consulta eletrônica de endereço e de bens do Devedor junto aos sistemas postos à disposição do Poder Judiciário não se compatibiliza com as normas fundamentais que orientam o processo civil, dentre as quais se incluem os princípios da celeridade e da cooperação entre os sujeitos processuais para a solução do mérito em tempo razoável, incluindo-se a atividade satisfativa”.</p><p style="line-height: 200%; text-indent: 3cm; margin-bottom: 0cm; background: transparent;" align="justify">&#160;</p><p style="line-height: 200%; text-indent: 3cm; margin-bottom: 0cm; background: transparent;" align="justify"> Também aduz que “Em que pese seja ônus do autor diligenciar para localizar o paradeiro dos Exequidos para citação, pode e deve contar com a colaboração do juiz, a fim de viabilizar o andamento do feito, sobretudo quando as informações pretendidas constam dos cadastros de órgãos ou instituições públicas. Com efeito, as informações prestadas através dos convênios institucionais com os sistemas INFOJUD, RENAJUD, SIEL, INFOSEG e BACENJUD são sigilosas e restritas às autoridades, não sendo possível, a princípio, a obtenção sem a intervenção do judiciário, portanto, o seu indeferimento retarda, ainda mais, a resolução da demanda, o que contraria os princípios da efetividade e celeridade. 	que após a frustração da tentativa de citação, o Banco do Nordeste efetivamente diligenciou nos sistemas de informação que se encontravam ao seu alcance, tendo exaurido suas possibilidades de localizar a parte Devedora. Diante desse cenário fático-processual, evidencia-se o erro de julgamento da decisão agravada, impondo-se sua reforma imediata por meio da via recursal adequada de agravo de instrumento. Por fim, é necessário destacar que a decisão agravada contraria a jurisprudência consolidada deste Tribunal de Justiça do Estado do Ceará, firme em afirmar não só a necessidade de ser deferida consulta aos sistemas de informação à disposição do juízo, como também a prescindibilidade da demonstração de exaurimento das tentativas de localização do réu, haja vista que são meios colocados à disposição dos magistrados exatamente para garantir efetividade à prestação jurisdicional". Por fim, requer que "a) a concessão liminar dotando de efeito suspensivo o presente recurso de agravo de instrumento, obstando assim os efeitos da decisão agravada, para determinar a consulta sobre o endereço dos réus nos sistemas de informação à disposição do juízo, inclusive mediante remessa de ofícios às concessionárias e permissionárias de serviços públicos. b) o provimento do recurso"; Determinada a intimação da parte agravada para contraminutar (ID 25370443), os agravados não foram localizados (ID 27338155). Vieram-me os autos conclusos. Esse é o relatório, em essencial. VOTO Em análise perfunctória, entendo que deve ser recebido o recurso de agravo de instrumento em trâmite nestes autos, porquanto, além de atender as exigências do art. 1.017 do CPC, preencheu todos os requisitos intrínsecos e extrínsecos que compõem o juízo positivo de admissibilidade recursal, não despontando também falhas formais no instrumento. Na hipótese, busca a parte recorrente a reforma da decisão do juízo a quo que, que indeferiu o pleito de pesquisa dos endereços da parte ré através dos sistemas de informação judicial. Consta dos autos originários que a parte agravante informou os endereços disponibilizados pelos agravados, previstos no contrato, não tendo sido, em nenhum dos endereços diligenciados, encontrado os acionados para fins de citação e intimação para pagamento voluntário. Destarte ser do autor da ação o ônus de localização do acionado, para efetivação do princípio da inafastabilidade da jurisdição mostra-se necessário que a dificuldade na localização do paradeiro do acionado seja contornada com a pesquisa nos sistemas eletrônicos e bancos de dados disponibilizados ao estado-juiz. Com efeito, quando a autora não consegue obter quaisquer elementos quanto ao paradeiro da parte adversa, nada obsta que o juiz autorize a expedição de ofício a órgãos públicos ou privados, no intuito de agilizar a prestação jurisdicional, ou que se utilize dos sistemas à disposição da Justiça para tal finalidade, a exemplo dos sistemas Renajud, Infojud e Bacenjud. Vale lembrar que a requisição desse tipo de

	informação é até mesmo condição prévia para o deferimento da citação por edital, nos termos do art. 256, §3º, do CPC. O Superior Tribunal de Justiça (STJ) tem admitido a utilização dos sistemas eletrônicos disponíveis ao Poder Judiciário para que se obtenha a localização de endereços e bens de devedores, haja vista serem meios colocados à disposição do jurisdicionado, não apenas dos credores, com o objetivo de simplificar e agilizar a tramitação dos processos, com notórios ganhos à celeridade e a efetividade da jurisdição. REQUERIMENTO EM EXECUÇÃO FISCAL. POSSIBILIDADE. I - Na origem, o lbama ajuizou execução fiscal e, tendo em vista a não localização de ativos penhoráveis em nome do devedor, requereu a expedição de ofício à B3 S.A. - Brasil, Bolsa, Balcão, para que fosse informada a existência de registro ou de depósito de ativos e títulos em nome da parte executada e sob a custódia da BM&F Bovespa e da Cetip. O requerimento foi indeferido pelo Juízo de primeira instância e, interposto agravo de instrumento, o Tribunal Regional Federal da 4ª Região decidiu que não há, nos autos, indícios de que a parte executada possua valores mobiliários a serem informados pela companhia B3 S/A. II - A jurisprudência do Superior Tribunal de Justiça é no sentido de que incumbe ao Poder Judiciário promover a razoável duração do processo em consonância com o princípio da cooperação processual, além de impor medidas necessárias para a solução satisfativa do feito (arts. 4º, 6º e 139, IV, todos do CPC/2015), mediante a utilização de sistemas informatizados (sistemas Bacenjud, Renajud, Infojud, Serasajud etc.) ou a expedição de ofício para as consultas e construições necessárias e suficientes. Dentre essas medidas, inclui-se, efetivamente, a consulta junto à B3 S.A. de informes acerca da existência ou não de títulos registrados em nome da parte executada e sob a custódia da BM&F Bovespa e da Cetip. COMPROVAÇÃO DO ESGOTAMENTO DE DILIGÊNCIAS. DESNECESSIDADE. PREPONDERÂNCIA DA EFETIVIDADE E Celeridade Processual. AGRAVO CONHECIDO E PROVIDO. &#160; 1. Trata-se de Agravo de Instrumento com pedido de efeito suspensivo interposto por Banco Itaú – Unibanco S/A , objetivando a reforma da decisão interlocutória prolatada pela Juíza de Direito da 8ª Vara Cível da Comarca de Fortaleza, nos autos da Ação de Busca e Apreensão (processo nº 0103254-85.2016.8.06.0001) ajuizada em face de Francisco Chagas Tomaz Silva, que indeferiu o pedido de consulta aos sistemas BACENJUD, RENAJUD e INFOJUD com o objetivo de localizar o endereço do promovido. 2. Inicialmente, registro que diante da impossibilidade de intimação da parte agravada, devido a sua não localização até o momento, por ausência de endereço certo e definido, antevejo que o feito comporta julgamento de imediato, em atenção aos princípios da celeridade e efetividade processual. 3. Deve ser sopesado o fato de que os órgãos públicos, assim como as empresas privadas, a fim de preservar a privacidade dos cidadãos, não fornecem usual e gratuitamente as informações constantes de seus cadastros para terceiros. 4. (...) o STJ posiciona-se no sentido de que o entendimento adotado para o Bacenjud deve ser aplicado ao Renajud e ao Infojud, haja vista que são meios colocados à disposição dos credores para simplificar e agilizar a busca de bens aptos a satisfazer os créditos executados. (...) (REsp 1582421/SP, Relator: Min. Herman Benjamin, Segunda Turma, j. 19-04-2016) (TJSC, Agravo de Instrumento nº 4010153-88.2017.8.24.0000, de Itajaí, rel. Des. Jaime Machado Junior, j. 15-3-2018)". Desta forma, tem-se que não há sequer a necessidade de se exigir do autor/credor o exaurimento de todas as diligências extrajudiciais para que se autorize a utilização dos convênios firmados pelo Poder Judiciário para localização de bens da parte promovida/devedora, quanto mais para a mera localização do seu endereço.

Embargos de Declaração opostos por Pedro Vitor Ribeiro de Sá, representado por Jacilene Ribeiro de Sousa, contra acórdão que deu parcial provimento ao apelo da operadora de plano de saúde, reformando a sentença para julgar improcedente o pedido de indenização por danos morais. Sobre o tema, a jurisprudência do Superior Tribunal de Justiça “é pacífica no sentido de que é vedada a inovação recursal em sede de embargos de declaração, ainda que sobre matéria considerada de ordem pública, haja vista o cabimento restrito dessa espécie recursal às hipóteses em que existente vício no julgado” (STJ, EDcl no REsp 1776418/SP, Ministra NANCY ANDRIGHI, j. 09/02/2021). Colaciono, a seguir, jurisprudência desta egrégia Corte de Justiça: “Colaciono, a seguir, jurisprudência desta egrégia Corte de Justiça: 2. Compulsando os autos, especialmente o recurso de apelação às fls. 2081/2093, verifica-se que em nenhum momento foi mencionada a necessidade de aplicação do regramento vigente à época do ajuizamento da demanda, tratando-se de inovação recursal, o que é vedado em sede de embargos de declaração. 3. A jurisprudência do Superior Tribunal de Justiça “é pacífica no sentido de que é vedada a inovação recursal em sede de embargos de declaração, ainda que sobre matéria considerada de ordem pública, haja vista o cabimento restrito dessa espécie recursal às hipóteses em que existente vício no julgado” (STJ, EDcl no REsp 1776418/SP, Ministra NANCY ANDRIGHI, j. 09/02/2021). 4. Com efeito, a inexistência de controvérsia sobre a matéria apontada pela embargante configura verdadeira inovação recursal, que impede a análise dos embargos por parte deste Tribunal. Por consectário, em observância à decisão objurgada, verifica-se que não se afiguram os vícios integrativos suscitados pela embargante, de modo que, estando regular o julgado impugnado, o desprovemento do apelo foi adequado. 5. Constata-se, portanto, que a única pretensão do recorrente consiste em alterar a conclusão do julgado. Trata-se de insatisfação do embargante com a decisão proferida, pois entende que as suas razões expostas no feito não foram acolhidas quando do julgamento do recurso. 6. Recurso não conhecido. Ocorre que, considerando que as matérias de ordem públicas também se sujeitam à preclusão temporal, caberia ao embargante ter suscitado a questão nos debates travados no primeiro ou no segundo grau de jurisdição, como forma de resistência do Estado do Ceará ao pedido principal da autora (concessão de pensão por morte), o que não se viu. Desse modo, o referido pedido não merece ser conhecido, porquanto configura nítida inovação recursal. Sobre a parte conhecida, registra-se, inauguralmente, que da simples leitura da insurgência aclaratória, é possível verificar o mero inconformismo do Embargante com a decisão do recurso anteriormente manejado, limitando-se tão somente em expedir argumentos com visos a rediscutir a questão já decidida. Recurso de apelação interposto por Francisco Damasco Cruz Ferreira contra sentença da 34ª Vara Cível de Fortaleza que extinguiu, sem resolução de mérito, ação declaratória de nulidade de contrato bancário c/c repetição do indébito e indenização por danos morais, ajuizada contra Facta S/A Crédito, Financiamento e Investimento, sob fundamento de ausência de documentos indispensáveis (CPC, art. 485, I). </p> <p style="text-align: justify;"> II. QUESTÃO EM DISCUSSÃO </p> <p style="text-align: justify;"> 2. A questão em discussão consiste em definir se a petição inicial, instruída com documentos pessoais, comprovante de residência e extrato de empréstimos consignados do INSS, atende aos requisitos dos arts. 319 e 320 do CPC, de modo a afastar o indeferimento e permitir o prosseguimento da demanda. </p> <p style="text-align: justify;"> III. RAZÕES DE DECIDIR </p> <p style="text-align: justify;"> 3. A petição inicial deve conter os elementos previstos no art. 319 do CPC e ser instruída com os documentos indispensáveis à propositura da ação (art. 320), não se confundindo com aqueles necessários à procedência do pedido. </p> <p style="text-align: justify;"> 4. O autor apresentou procuração, documento de identificação, comprovante de residência e extrato do benefício previdenciário com descontos consignados, documentos suficientes para o ajuizamento da ação. </p> <p style="text-align: justify;"> 5. A exigência de documentos adicionais, como valores efetivamente recebidos ou comprovação administrativa prévia, configura formalismo exacerbado e indevido obstáculo ao direito de ação. </p> <p style="text-align: justify;"> 6. O STJ entende que documentos indispensáveis à propositura são apenas os necessários à compreensão da causa de pedir e à possibilidade de julgamento de mérito, não aqueles essenciais à vitória do autor (AgRg no AREsp 391.083/SP; AgRg no AgRg no REsp 1.513.217/CE). </p> <p style="text-align: justify;"> 7. A extinção sem mérito, na hipótese, viola os princípios constitucionais do acesso à justiça, do devido processo legal e da primazia da resolução de mérito. </p> <p style="text-align: justify;"> IV. DISPOSITIVO E TESE </p> <p style="text-align: justify;"> 8. Recurso provido. Sentença anulada. </p> <p style="text-align: justify;"> Tese de julgamento: </p> <p style="text-align: justify;"> 1. Documentos indispensáveis à propositura da ação são apenas aqueles que viabilizam a análise da causa de pedir e não se confundem com documentos necessários à procedência do pedido. </p> <p style="text-align: justify;"> 2. O indeferimento da inicial por ausência de documentos já juntados traduz formalismo exacerbado, vedado pelo princípio do acesso à justiça. </p> <p style="text-align: justify;"> 3. O juiz deve

Juízo 34ª Vara Cível da Comarca de Fortaleza, que nos autos da ação declaratória de nulidade de contrato bancário, repetição do indébito e indenização por danos morais, ajuizada em desfavor de Facta S/A, Crédito, Financiamento e Investimento, indeferiu a petição inicial e extinguiu o feito sem resolução do mérito, com fundamento no art. 485, I do CPC. <p style="text-align: justify;"> Em suas razões recursais, o recorrente sustenta, que “descabe atribuir como condição específica para a propositura da ação que visa a declaração de nulidade do contrato a ônus probatório excessivo, pois tal exigência constitui uma violação ao direito de acesso à justiça. O apelante cumpriu todas as exigências processuais e instruiu os autos com documentos idôneos e robustos, comprovando de forma inequívoca os fatos constitutivos de seu direito, nos termos do artigo 373, I, do Código de Processo Civil”. <p style="text-align: justify;"> Em complemento, argumenta, que “A ação pode ser admitida ou não pelo simples preenchimento dos requisitos, previstos no art. 319, do CPC/15. A decisão que considerará que esta seja apta ou não de deferimento, será apenas de requisitos legais, e não de mérito”. <p style="text-align: justify;"> Por fim, protesta pelo conhecimento e provimento do apelo, para, consequentemente, anular a sentença vergastada, retornando os autos ao primeiro grau para a regular tramitação do feito. <p style="text-align: justify;"> Sem contrarrazões. <p style="text-align: justify;"> É o que importa relatar. <p style="text-align: justify;"> &#160; <p style="text-align: center;"> VOTO </p><p style="text-align: justify;"> VOTO &#160; <p style="text-align: justify;"> Exercendo o juízo de admissibilidade, verifico o atendimento de todos os requisitos intrínsecos e extrínsecos que o compõem, levando-o ao qualificativo da positividade e, assim, ao conhecimento do recurso. <p style="text-align: justify;"> Na hipótese, busca o autor/recorrente a reforma da sentença que extinguiu, sem resolução do mérito, a ação declaratória de nulidade de contrato bancário, repetição do indébito e indenização por danos morais, ajuizada contra o banco/apelado, sob o argumento de que “(...)A ausência de informações objetivas, como a indicação de valores efetivamente recebidos, forma de liberação do crédito, datas relevantes, ou qualquer esforço administrativo junto à instituição financeira, impede a adequada compreensão da controvérsia, comprometendo o regular desenvolvimento da demanda. A resistência da autora em apresentar a documentação necessária para afastar a presunção de abuso de direito, impede a continuidade.(...)”. <p style="text-align: justify;"> No caso em exame, trata-se de demanda na qual o autor, ora apelante, questiona a existência de contrato de cartão de crédito consignado que resultou em descontos em seu benefício previdenciário em favor da instituição financeira requerida, pleiteando, além da declaração de inexistência da relação jurídica, a restituição em dobro das quantias descontadas e o pagamento de indenização por dano moral. <p style="text-align: justify;"> Compulsando os autos, verifico que o autor/recorrente, quando do ingresso da ação, ofertou a seguinte

	documentação: procuração (id. 27433091); documento de identificação (id. 27433092) comprovante de residência (id. 27433091); histórico de empréstimo INSS (id. 27432989). Sobre o tema, é certo que a petição inicial deve vir acompanhada dos documentos indispensáveis a sua propositura, nos termos do arts. 319 e 320 do CPC, vejamos: Art. 319. A petição inicial indicará: I - o juízo a que é dirigida; II - os nomes, os prenomes, o estado civil, a existência de união estável, a profissão, o número de inscrição no Cadastro de Pessoas Físicas ou no Cadastro Nacional da Pessoa Jurídica, o endereço eletrônico, o domicílio e a residência do autor e do réu; III - o fato e os fundamentos jurídicos do pedido; IV - o pedido com as suas especificações; V - o valor da causa; VI - as provas com que o autor pretende demonstrar a verdade dos fatos alegados; VII - a opção do autor pela realização ou não de audiência de conciliação ou de mediação. § 1º Caso não disponha das informações previstas no inciso II, poderá o autor, na petição inicial, requerer ao juiz diligências necessárias a sua obtenção. § 2º A petição inicial não será indeferida se, a despeito da falta de informações a que se refere o inciso II, for possível a citação do réu. § 3º A petição inicial não será indeferida pelo não atendimento ao disposto no inciso II deste artigo se a obtenção de tais informações tornar impossível ou excessivamente oneroso o acesso à justiça. Art. 320. A petição inicial será instruída com os documentos indispensáveis à propositura da ação. Destaco que, ao contrário do que consignado pelo juízo a quo, “a demonstração dos valores efetivamente percebidos, modo de disponibilização do crédito, datas pertinentes, bem como eventual diligência administrativa realizada perante a instituição financeira”, não são elementos essenciais para o ajuizamento da ação. No ensejo, cito jurisprudência dessa egrégia Câmara de Direito Privado, inclusive de minha Relatoria, in verbis: APelação CÍVEL. Ação DECLARatória DE INEXISTÊNCIA DE DÉBITO C/C CONDENAÇÃO A INDENIZAÇÃO POR DANOS MORAIS E MATERIAIS. EXTINÇÃO DO PROCESSO SEM RESOLUÇÃO DO MÉRITO. ALEGAÇÃO DE AUSÊNCIA DE DOCUMENTO INDISPENSÁVEL À PROPOSITURA DA AÇÃO. INOCORRÊNCIA. PETIÇÃO INICIAL QUE ATENDE AOS REQUISITOS PREVISTOS NOS ARTIGOS 319 E 320 DO CPC/15. RATIFICAÇÃO DE DOCUMENTOS QUE PODEM SER REALIZADAS EM JUÍZO POR OCASIÃO DE EVENTUAL INSTRUÇÃO. PRECEDENTES. RECURSO CONHECIDO E PROVIDO. SENTENÇA ANULADA. 1. O cerne recursal cinge-se em examinar o acerto, ou o desacerto da sentença, que extinguiu a ação, por inépcia da inicial, sob o fundamento de que o autor não cumpriu a determinação de emenda à inicial da forma como ordenada pelo juízo de primeiro grau, valendo lembrar que constou da determinação de emenda à inicial que o apelante adunasse aos autos documentos originais de identidade, comprovante de endereço, bem como que comparecesse ao juízo para ratificação dos termos da procuração e do pedido inicial. 2. Analisando este caderno processual digital, vejo que o autor/recorrente, quando do ingresso da ação, ofertou a seguinte documentação: procuração (fl. 9); documento de identificação (fl. 19); comprovante de endereço (fls. 20/21); extrato de empréstimos consignados feitos junto ao INSS (fls. 10/18). 3. Com efeito, afigura-se despcienda a determinação da emenda à inicial para a juntada da documentação exigida pelo juiz, posto que nos autos já repousam os documentos essenciais à análise da demanda, a exemplo dos documentos pessoais da apelante, do comprovante de endereço e do extrato de registros dos empréstimos consignados feitos junto ao INSS, em que são indicados o número do benefício sobre o qual estão incidindo os descontos tidos pela apelante como indevidos e que pretende discutir nesta ação. 4. Do mesmo modo, não se pode exigir o comparecimento da parte em juízo para apresentar seus documentos originais de identificação e ratificar os termos da procuração outorgada, até mesmo porque tal providência pode até ser adotada por ocasião de eventual instrução processual, se for o caso. 5. Em arremate: o indeferimento da inicial, tal qual como proclamado pela sentença, traduziu-se em patente formalismo exacerbado, sendo vedado ao julgador obstar o acesso à justiça, como aconteceu no caso presente. 6. APELAÇÃO CONHECIDA E PROVIDA.

	ACÓRDÃO: Vistos, relatados e discutidos estes autos da APELAÇÃO CÍVEL nº 0201487-72.2023.8.06.0163, em que é apelante FRANCISCO DE ASSIS SAMPAIO e apelado BANCO PAN S/A, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade de votos, em conhecer e dar provimento ao recurso, nos termos do voto do relator. Fortaleza, 6 de novembro de 2024. FRANCISCO MAURO FERREIRA LIBERATO Presidente do Órgão Julgador EMANUEL LEITE ALBUQUERQUE Relator (TJ-CE - Apelação Cível: 02014877220238060163 São Benedito, Relator: EMANUEL LEITE ALBUQUERQUE, Data de Julgamento: 06/11/2024, 1ª Câmara Direito Privado, Data de Publicação: 07/11/2024) Dáí que, o indeferimento da inicial, tal qual como proclamado pela sentença, traduziu-se em patente formalismo exacerbado, sendo vedado ao julgador obstar o acesso à justiça, como aconteceu no caso presente, tendo em vista que a promovente cumpriu todas as formalidades legais exigidas pelo art. 319 do CPC, bem como instruiu a inicial com o mínimo de prova dos fatos constitutivos de seu direito (art. 320, CPC), não sendo possível, assim, o indeferimento da exordial, sob pena de ofensa aos princípios do acesso à justiça e da primazia da resolução do mérito. Ademais, segundo entende o Superior Tribunal de Justiça, "documentos indispensáveis à propositura da demanda são aqueles cuja ausência impede o julgamento de mérito da demanda, não se confundindo com documentos indispensáveis à vitória do autor, ou seja, ao julgamento de procedência do pedido". (AgRg no AREsp 391.083/SP, Rel. Ministro RICARDO VILLAS BÔAS CUEVA, TERCEIRA TURMA, julgado em 15/12/2015, DJe 03/02/2016; AgRg no AgRg no REsp 1513217/CE, Rel. Ministro MAURO CAMPBELL MARQUES, SEGUNDA TURMA, julgado em 27/10/2015, DJe 05/11/2015). Sobre o assunto: APELAÇÃO CÍVEL. AÇÃO DECLARATÓRIA DE NULIDADE/INEXISTÊNCIA DE RELAÇÃO CONTRATUAL C/C INDENIZAÇÃO. EMPRÉSTIMO CONSIGNADO. ALEGATIVA DE FRAUDE BANCÁRIA. EXTINÇÃO DO PROCESSO SEM RESOLUÇÃO DE MÉRITO. PRINCÍPIOS DO ACESSO À JUSTIÇA, DO DEVIDO PROCESSO LEGAL E DA PRIMAZIA DO JULGAMENTO DE MÉRITO VIOLADOS. PRECEDENTE. RECURSO CONHECIDO E PROVIDO. SENTENÇA CASSADA. RETORNO DOS AUTOS À ORIGEM PARA REGULAR PROSSEGUIMENTO DO FEITO. 1. No caso, o indeferimento da inicial quanto à ausência da juntada dos extratos da conta-corrente onde são creditados os proventos de aposentadoria do autor, para fins de análise de possíveis repasses dos valores objeto do contrato de empréstimo consignado em discussão não são imprescindíveis para fins de recebimento da peça vestibular, já que se trata de meio de prova cujo ônus poderá ser invertido em favor do consumidor. 2. Para o STJ, "Os documentos indispensáveis à propositura da ação, e que devem ser instruídos com a inicial, são aqueles que comprovam a ocorrência da causa de pedir (documentos fundamentais) e, em casos específicos, os que a própria lei exige como da substância do ato que está sendo levado à apreciação (documentos substanciais)". (AgRg no AgRg no REsp 1513217/CE, Rel. Ministro MAURO CAMPBELL MARQUES, SEGUNDA TURMA, julgado em 27/10/2015, DJe 05/11/2015) 3. Logo, uma vez demonstrado que a peça vestibular em análise atende plenamente aos requisitos dos artigos 319 e 320 do CPC/15, e, sobretudo, que o autor comprovou em seus proventos de aposentadoria a incidência dos descontos consignados, tidos por ele fraudulentos, impõe-se o acolhimento do apelo para anular a sentença recorrida, em obediência aos princípios do acesso à justiça, do devido processo legal e da primazia do julgamento de mérito. 4. Recurso de apelação conhecido e provido. Sentença anulada. Retorno dos autos à origem para regular processamento. Com efeito, afigura-se despicienda a determinação da emenda à inicial para a juntada da documentação exigida pelo juiz, posto que nos autos já repousam os documentos essenciais à análise da demanda, a exemplo dos documentos pessoais da apelante, do comprovante de endereço e do extrato de registros dos empréstimos consignados feitos junto ao INSS, em que são indicados o número do benefício sobre o qual estão incidindo os descontos tidos pela apelante como indevidos e que pretende discutir nesta ação. 4. Do mesmo modo, não se pode exigir o comparecimento da parte em juízo para apresentar seus documentos originais de identificação e ratificar os termos da procuração outorgada, até mesmo porque tal providência pode até ser adotada por ocasião de eventual instrução processual, se for o caso. 5. Em arremate: o indeferimento da inicial, tal qual como proclamado pela sentença, traduziu-se em patente formalismo exacerbado, sendo vedado ao julgador obstar o acesso à justiça, como aconteceu no caso presente. 6. APELAÇÃO CONHECIDA E PROVIDA. ACÓRDÃO: Vistos, relatados e discutidos estes autos da APELAÇÃO CÍVEL nº 0201487-72.2023.8.06.0163, em que é apelante FRANCISCO DE ASSIS SAMPAIO e apelado BANCO PAN S/A, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade de votos, em conhecer e dar provimento ao recurso, nos termos do voto do relator. 	apresentados diversos precedentes, todos eles atestando a necessidade estrita de justificação das razões da exigência das contas, sob pena de indeferimento. (...) Assim, o juízo não abordou expressamente o argumento principal da parte promovida. Ao omitir-se, o juízo incorreu no defeito de fundamentação descrito no artigo 489, parágrafo 1º, inciso VI, do Código de Processo Civil". Também aduz a ilegitimidade da agravada, visto que "O Sr. Flávio Luciano Costa Lima Gurgel do Amaral deixou como herdeiros apenas os seus três filhos – ÉVORA GURGEL MACHADO e FRANCISCO MACHADO GURGEL, frutos de seu casamento com Izaura Machado Gurgel; e FLÁVIO ALVES GURGEL, fruto de sua união com Madalena Alves Bezerra. Em relação à Sra. Madalena Alves Bezerra, não há direito sucessório, porque, ao tempo do óbito, ela e o de cujus encontravam-se separados de fato, conforme se depreende da sentença proferida na ação de reconhecimento de união estável". No mérito, alega que "(...) a requerente busca questionar a gestão realizada pela requerida Évora Gurgel Machado sobre os recursos do seu pai, e ex-marido da requerente, o Sr. Flávio Luciano Costa Lima Gurgel do Amaral, falecido em 2018, do qual a requerida Évora Gurgel Machado fora judicialmente nomeada curadora. Contudo, a presente ação deveria ter sido extinta sem resolução do mérito, em razão da falta de interesse de agir dos promoventes (...) Com efeito, é entendimento unânime do Superior Tribunal de Justiça que a ação de exigir contas depende, para seu conhecimento, da exposição de motivos consistentes, ou de ocorrências duvidosas, na gestão patrimonial, não podendo ser requerida simplesmente "porque sim", ou com base em alegações genéricas". Complementa, afirmando que "(...) ainda que superadas as preliminares supra, e realizado exame de mérito, é inegável que a pretensão às contas, ajuizada pelos agravados, foi inteiramente satisfeita pela ora agravante, de modo que a sentença do feito não poderia ser outra senão a de extinção do processo por ausência do interesse de agir, ou perda de objeto, pela prestação das contas em contestação. Assim, é imperiosa a reforma da decisão agravada nesse sentido, como adiante se requer." Por fim, pleiteia que "I. O recebimento do presente agravo de instrumento no plano formal; II. Intimação da parte agravada para que, querendo, apresente contrarrazões; III. Ao final, o provimento integral do presente agravo de instrumento, sucessivamente: a. Preliminarmente, declaração da nulidade da decisão agravada, por incompetência absoluta do juízo cível, com a remessa do feito à vara cabível; b. Preliminarmente, declaração da nulidade da decisão agravada, por falta de fundamentação, com a devolução do processo à origem para novo julgamento; c. Preliminarmente, seja reconhecida a ilegitimidade ativa da senhora Madalena Alves Bezerra para a ação de exigir contas, por não ter mais a qualidade de companheira quando do óbito do falecido; d. No mérito, seja extinta a ação sem resolução do mérito em razão da falta de interesse de agir (art. 485, inciso VI, CPC). e. No mérito, seja declarada a perda de objeto da ação – isto é, a perda superveniente do interesse de agir, pela apresentação das contas exigidas em anexo à contestação". Vieram-me os autos conclusos. É O RELATÓRIO NO ESSENCIAL. VOTO Antes do estudo dos argumentos deste agravo, compete a este e. Relator exercer em análise perfunctória o Juízo de Admissibilidade, pelo qual declaro que o recurso ora sub examine atende a todos os requisitos intrínsecos e extrínsecos que compõem aquele crivo, levando-me, enfim, a concluir pelo seu conhecimento. Preliminarmente, cumpre analisar a alegação de nulidade da decisão, em razão da incompetência absoluta do juízo prolator. Com efeito, verifica-se dos autos que a demanda em questão foi julgada por uma das Varas Cíveis desta Comarca, quando, na realidade,

Câmara negou provimento ao agravo de instrumento, mantendo a Decisão Agravada por entender que a jurisprudência é pacífica sobre o cabimento de honorários de sucumbência em decisão da primeira fase da ação de prestação de contas [...] Com a devida vênia, o acórdão embargado incorre em omissão ao não apreciar argumento suscitado no agravo de instrumento e que seria apto a afastar a condenação em honorários: a ausência de oposição ao pedido de prestação de contas. 11. Não se nega que é cabível a condenação em honorários de sucumbência na decisão que encerra a primeira fase da ação de prestação de contas, apenas questiona o seu cabimento quando não há oposição à prestação de contas. O Embargante não se opôs à prestar contas (que já foram prestadas), na verdade, apresentou as contas cabíveis e esclareceu a relação jurídica efetivamente existente entre as partes. [...] E por isso, como não houve oposição, não há que se falar em condenação sucumbencial, como já decidiu o Superior Tribunal de Justiça: [...] Por tais razões, requer que o acórdão seja complementado para sanear a omissão presente, explicando o porquê de manter a condenação em honorários advocatícios de sucumbência quando não há oposição ao pedido de prestação de contas. </p><p style="font-weight: normal; line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent;" align="justify">&#160;</p><p style="line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent;" align="justify"> Por essas razões o Embargante roga pelo regular recebimento destes embargos de declaração, pela oitiva do Embargado e pelo provimento deste recurso para se sanar a omissão verificada, imprimindo efeitos infringentes se entender cabíveis. </p><p style="font-weight: normal; line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent;" align="justify">&#160;</p><p style="font-weight: normal; line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent;" align="justify">&#160;</p></table>

SENTENÇA ANULADA. </p> <p style="text-align: justify;"> I. CASO EM EXAME </p> <p style="text-align: justify;"> 1. Recurso de Apelação interposto por Maria de Fátima Evaristo do Nascimento contra sentença da 2ª Vara Cível da Comarca de Crateús que extinguiu, sem resolução de mérito (art. 485, I, do CPC), ação declaratória de inexistência de negócio jurídico cumulada com repetição de indébito e indenização por danos morais, ajuizada em desfavor de Banco C6 S/A. A decisão de primeiro grau condicionou a regularidade da representação à presença pessoal da autora em juízo para ratificar documentos já juntados. </p> <p style="text-align: justify;"> II. QUESTÃO EM DISCUSSÃO </p> <p style="text-align: justify;"> 2. Há duas questões em discussão: (i) definir se a exigência de comparecimento pessoal da parte autora para ratificar a procuração constitui pressuposto de validade da petição inicial; (ii) estabelecer se a ausência de apresentação de comprovante de residência recente configura ausência de documento indispensável à propositura da ação. </p> <p style="text-align: justify;"> III. RAZÕES DE DECIDIR </p> <p style="text-align: justify;"> 3. A exigência de comparecimento pessoal da parte autora para ratificação de procuração regularmente outorgada representa rigor formal injustificado e viola o princípio da inafastabilidade da jurisdição (CF/1988, art. 5º, XXXV). </p> <p style="text-align: justify;"> 4. O CPC/2015 (art. 4º) assegura a primazia da decisão de mérito, de modo que o indeferimento da inicial por ausência de confirmação presencial de documentos configura excesso de formalismo. </p> <p style="text-align: justify;"> 5. A procuração constante dos autos confere amplos poderes ao advogado da parte, inexistindo irregularidade de representação. </p> <p style="text-align: justify;"> 6. O comprovante de residência não é documento essencial à propositura da ação (CPC, arts. 319 e 320), podendo eventuais diligências ser realizadas na fase instrutória, inclusive mediante inversão do ônus da prova em matéria consumerista. </p> <p style="text-align: justify;"> 7. A jurisprudência do TJCE orienta-se no sentido de que tais exigências não podem obstar o prosseguimento do feito, devendo prevalecer a garantia de acesso à justiça. </p> <p style="text-align: justify;"> IV. DISPOSITIVO E TESE </p> <p style="text-align: justify;"> 8. Recurso provido. Sentença anulada. </p> <p style="text-align: justify;">

Processo	3001634-48.2025.8.06.0070
	constatou que a demanda em liça preenche o perfil indicado pela Recomendação nº 01/2019/NUMOPEDE/CGJ, atualizada pela Recomendação nº 01/2021/NUMOPEDE/CGJ. Por conta disso, determinou que a parte promovente/apelante comparecesse na secretaria do juízo, para apresentar documento oficial de identidade e cópia do comprovante de residência dos últimos três meses, oportunidade em que, por firma presencial de termo, confirmará a procuração constante nos autos e os pedidos veiculados na exordial, sob pena de extinção do feito sem resolução do mérito. Ressalto, que a parte promovente deixou o prazo transcorrer in albis, ocasionando a prolação da sentença terminativa. A inicial foi acompanhada de procuração ad judícia (id. 27427149), documento pessoal de identidade (id. 27427147), declaração de residência (id. 27427148); histórico de empréstimos consignados do INSS (id. 27427150); e e-mail requerendo cópia do suposto contrato firmado junto a instituição bancária (id. 27427146). Pois bem. No caso, o juízo de primeiro grau, ao desconsiderar a procuração e exigir da autor/recorrente a sua ratificação como condição de procedibilidade da ação, indeferindo a petição inicial sem fundamentação plausível, terminou por prestigiar o rigor formal em detrimento do direito constitucional à jurisdição (art. 5º, XXXV, CF/88) e do postulado da primazia da sentença de mérito (art. 4º do CPC/15). É que, o instrumento procuratório acostado aos autos, confere amplos poderes ao advogado da parte apelante, de modo que pode transigir, fazer acordo, firmar compromisso, entre outros, o que afasta a falta de interesse de agir, por conta da ausência do comparecimento do promovente a secretaria do respectivo juízo para ratificar as prerrogativas estabelecidas, de sorte a extinção da ação, como posto na sentença, violou o princípio da inafastabilidade de jurisdição. No que se refere a necessidade do comprovante de residência e cópia da carteira de identidade original do requerente/recorrente, é sabido que, não há necessidade da juntada do original, tendo em vista que se presumem verdadeiros os documentos e informações trazidos, cabendo à parte contrária o ônus de impugná-los, até mesmo porque tal providência pode até ser adotada por ocasião de eventual instrução processual, se for o caso. Ademais, o comprovante de endereço não constitui documento indispensável à propositura da ação, sendo irrelevante para o deslinde da causa, porque não opera qualquer influência para o julgamento do mérito. No ensejo, cito jurisprudência dessa egrégia Primeira Câmara de Direito Privado, inclusive de minha Relatoria, in verbis: APELAÇÃO CÍVEL. AÇÃO DECLARATÓRIA DE INEXISTÊNCIA DE DÉBITO C/C CONDENAÇÃO A INDENIZAÇÃO POR DANOS MORAIS E MATERIAIS. EXTINÇÃO DO PROCESSO SEM RESOLUÇÃO DO MÉRITO. ALEGAÇÃO DE AUSÊNCIA DE DOCUMENTO INDISPENSÁVEL À PROPOSITURA DA AÇÃO. INOCORRÊNCIA. PETIÇÃO INICIAL QUE ATENDE AOS REQUISITOS PREVISTOS NOS ARTIGOS 319 E 320 DO CPC/15. RATIFICAÇÃO DE DOCUMENTOS QUE PODEM SER REALIZADAS EM JUÍZO POR OCASIÃO DE EVENTUAL INSTRUÇÃO. PRECEDENTES. RECURSO CONHECIDO E PROVIDO. SENTENÇA ANULADA. 1. O cerne recursal cinge-se em examinar o acerto, ou o desacerto da sentença, que extinguiu a ação, por inépcia da inicial, sob o fundamento de que o autor não cumpriu a determinação de emenda à inicial da forma como ordenada pelo juízo de primeiro grau, valendo lembrar que constou da determinação de emenda à inicial que o apelante adunasse aos autos documentos originais de identidade, comprovante de endereço, bem como que comparecesse ao juízo para ratificação dos termos da procuração e do pedido inicial. 2. Analisando este caderno processual digital, vejo que o autor/recorrente, quando do ingresso da ação, ofertou a seguinte documentação: procuração (fl. 9); documento de identificação (fl. 19); comprovante de endereço (fls. 20/21); extrato de empréstimos consignados feitos junto ao INSS (fls. 10/18). 3. Com efeito, afigura-se despicienda a determinação da emenda à inicial para a juntada da documentação exigida pelo juiz, posto que nos autos já repousam os documentos essenciais à análise da demanda, a exemplo dos documentos pessoais da apelante, do comprovante de endereço e do extrato de registros dos empréstimos consignados feitos junto ao INSS, em que são indicados o número do benefício sobre o qual estão incidindo os descontos tidos pela apelante como indevidos e que pretende discutir nesta ação. 4. Do mesmo modo, não se pode exigir o comparecimento da parte em juízo para apresentar seus documentos originais de identificação e ratificar os termos da procuração outorgada, até mesmo porque tal providência pode até ser adotada por ocasião de eventual instrução processual, se for o caso. 5. Em arremate: o indeferimento da inicial, tal qual como proclamado pela sentença, traduziu-se em patente formalismo exacerbado, sendo vedado ao julgador obstar o acesso à justiça, como aconteceu no caso presente. 6. APELAÇÃO CONHECIDA E PROVIDA. ACÓRDÃO: Vistos, relatados e discutidos estes autos da APELAÇÃO CÍVEL nº 0201487-72.2023.8.06.0163,

ALEGAÇÃO DE AUSÊNCIA DE DOCUMENTO INDISPENSÁVEL À PROPOSITURA DA AÇÃO . INOCORRÊNCIA. PETIÇÃO INICIAL QUE ATENDE AOS REQUISITOS PREVISTOS NOS ARTIGOS 319 E 320 DO CPC/15. RATIFICAÇÃO DE DOCUMENTOS QUE PODEM SER REALIZADAS EM JUÍZO POR OCASIÃO DE EVENTUAL INSTRUÇÃO. PRECEDENTES . RECURSO CONHECIDO E PROVIDO. SENTENÇA ANULADA. 1. O cerne recursal cinge-se em examinar o acerto, ou o desacerto da sentença, que extinguiu a ação, por inépcia da inicial, sob o fundamento de que o autor não cumpriu a determinação de emenda à inicial da forma como ordenada pelo juízo de primeiro grau, valendo lembrar que constou da determinação de emenda à inicial que o apelante adunasse aos autos documentos originais de identidade, comprovante de endereço, bem como que comparecesse ao juízo para ratificação dos termos da procuração e do pedido inicial . 2. Analisando este caderno processual digital, vejo que a autora/recorrente, quando do ingresso da ação, ofertou a seguinte documentação: procuração (fl. 08); documento de identificação (fl. 09); comprovante de endereço (fl. 10); extrato de empréstimos consignados feitos junto ao INSS (fls. 11/17); requerimento administrativo em que pleiteou as cópias dos contratos de empréstimos consignado pela via administrativa (fl. 18). 3 . Com efeito, afigura-se despicienda a determinação da emenda à inicial para a juntada da documentação exigida pelo juiz, posto que nos autos já repousam os documentos essenciais à análise da demanda, a exemplo dos documentos pessoais da apelante, do comprovante de endereço e do extrato de registros dos empréstimos consignados feitos junto ao INSS, em que são indicados o número do benefício sobre o qual estão incidindo os descontos tidos pela apelante como indevidos e que pretende discutir nesta ação. 4. Do mesmo modo, não se pode exigir o comparecimento da parte em juízo para apresentar seus documentos originais de identificação e ratificar os termos da procuração outorgada, até mesmo porque tal providência pode até ser adotada por ocasião de eventual instrução processual, se for o caso. 5 . Em arremate: o indeferimento da inicial, tal qual como proclamado pela sentença, traduziu-se em patente formalismo exacerbado, sendo vedado ao julgador obstar o acesso à justiça, como aconteceu no caso presente. 6. APELAÇÃO CONHECIDA E PROVIDA. ACÓRDÃO: Vistos, relatados e discutidos estes autos da APELAÇÃO CÍVEL nº 0203517-94 .2023.8.06.0029, em que é apelante MARIA CILEDIA RODRIGUES GUEDES e apaldo BANCO BRADESCO S/A, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade de votos, em conhecer e dar provimento ao recurso nos termos do voto do Relator . Ministro NAPOLEÃO NUNES MAIA FILHO, PRIMEIRA TURMA, julgado em 18/11/2019, DJe 22/11/2019). Conforme bem pontuado pelo Magistrado a quo, o argumento de que a prescrição deve correr do momento da não

	realização dos depósitos, ou da subtração indevida (e não do momento da aposentadoria), não pode ser admitido, pois não se pode exigir à parte checar, periodicamente, a retidão das quantias depositadas, pois assim, se a prescrição for contada da emissão do extrato, o feito se torna imprescritível na prática. Destarte, o Superior Tribunal de Justiça firmou no julgamento do REsp nº 1.895.936/TO, sob a égide dos Recursos Repetitivos (Tema 1150), em 13/09/2023, que “a pretensão do ressarcimento dos danos havidos em razão dos desfalques em conta individual se submete ao prazo prescricional decenal previsto pelo art. 205 do Código Civil” e “o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao PASEP”, contudo, ainda configura-se prescrita a pretensão da autora, considerando marco inicial da prescrição a data do saque do PASEP referente à aposentação e da ciência dos desfalques, em 30.06.2003, ou seja, já decorreram mais de dez anos, visto que a ação foi proposta somente em 31/01/2025. [...] Deste modo, para evitar prejuízo futuro, necessário a correção do julgamento sem prejuízo de outras matérias em todo o teor do acórdão. Requer-se, portanto, o acolhimento destes aclaratórios para que seja corrigida a questão apontada. Diante disso, é de rigor o reconhecimento da prescrição do caso posto em tela, já que a presente demanda foi ajuizada tão somente em 31/01/2025.” Por essas razões o embargante, com intuito de esclarecer as questões fáticas que envolvem a presente discussão e a título de prequestionamento, vem requerer sejam sanadas as omissões para reformar o acórdão atacado, ante a prescrição da pretensão veiculada. Não sendo deferido efeito modificativo aos presentes embargos, postula sejam sanados os vícios apontados, com expressa manifestação, para efeito de prequestionamento, acerca dos artigos acima citados e da matéria fática aqui envolvida. 	é nula se não houver oportunidade de manifestação sobre a matéria, o que não se verifica no caso concreto. 2. O prazo prescricional decenal para pleitear indenização por desfalques em conta vinculada ao PASEP tem como termo inicial a data em que o titular tem ciência comprovada da lesão, mediante acesso a extratos, microfilagens ou documentos equivalentes. 3. O Tema 1.300 do STJ não se aplica a ações cujo núcleo da controvérsia seja a má gestão e não a distribuição do ônus da prova quanto aos saques do PASEP. Logo, não havendo nenhum dos vícios ensejadores à procedência aclaratória, restando evidenciado o mero inconformismo da Embargante com a solução jurídica prestada por este Sodalício, invocando instrumento processual incabível para a pretensão posta, no caso, a tentativa de rediscutir a matéria já decidida, o presente recurso deve ser rejeitado. 	PERSONALÍSSIMOS ENVOLVIDOS. NECESSIDADE DE COGNIÇÃO CONTENCIOSA. INADEQUAÇÃO DA VIA ELEITA. EXTINÇÃO SEM RESOLUÇÃO DO MÉRITO MANTIDA. RECURSO DESPROVIDO. I. CASO EM EXAME Apelação cível interposta por Memorial da Paz Participações Imobiliárias Ltda. contra sentença que extinguiu, sem resolução de mérito, pedido de alvará judicial formulado em jurisdição voluntária para autorização de exumação e incineração de 310 corpos em jazigos inadimplidos. II. QUESTÃO EM DISCUSSÃO A questão em discussão consiste em definir se a via do alvará judicial é adequada para apreciar pedido que envolve análise de contratos, alegação de abusividade de cláusula resolutiva e repercussão sobre direitos da personalidade dos familiares dos sepultados. III. RAZÕES DE DECIDIR O alvará judicial é instrumento de jurisdição voluntária, cabível apenas em hipóteses previstas em lei e quando ausente litígio, sendo inadequado para resolver controvérsias que exigem contraditório e cognição plena. A pretensão de exumação e incineração de restos mortais envolve a interpretação de cláusulas contratuais, aplicação do Código de Defesa do Consumidor e preservação da dignidade post mortem, matérias de índole contenciosa incompatíveis com jurisdição voluntária. A jurisprudência do STJ é firme no sentido de que o procedimento de jurisdição voluntária não pode ser utilizado como sucedâneo de ação contenciosa, quando há necessidade de contraditório e dilação probatória (STJ, REsp 1.284.379/RS, Rel. Min. Nancy Andrighi, 3ª Turma, DJe 01.02.2013; STJ, AgInt no AREsp 1.462.474/SP, Rel. Min. Marco Aurélio Bellizze, 3ª Turma, DJe 18.12.2019). IV. DISPOSITIVO E TESE Recurso desprovido. Tese de julgamento: O alvará judicial, como procedimento de jurisdição voluntária, somente é cabível em hipóteses expressamente previstas em lei e na ausência de litígio. Questões que demandam análise contratual, alegação de abusividade e repercussão sobre direitos da personalidade não podem ser decididas em jurisdição voluntária. A existência de controvérsia sobre a posse ou destino de restos mortais impõe a utilização da via contenciosa, com contraditório e ampla defesa. Luis Felipe Salomão, 4ª Turma, DJe 22.09.2011. EXISTÊNCIA DE LITÍGIO SOBRE VERBA RESCISÓRIA. INADEQUAÇÃO DA VIA ELEITA. EXTINÇÃO DO PROCESSO SEM RESOLUÇÃO DE MÉRITO. RECURSO PREJUDICADO. I. CASO DE ORIGEM 1. Apelação cível interposta por empresa empregadora contra sentença que deferiu alvará judicial para levantamento de verba rescisória em favor de menores herdeiras de ex-empregado falecido. Alegação de pagamento parcial a familiar do falecido. Controvérsia instaurada em sede de embargos de declaração e apelação. II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em saber se a existência de controvérsia sobre o valor devido a título de verbas rescisórias inviabiliza o manejo do procedimento de jurisdição voluntária. III. RAZÕES DE DECIDIR 3. O procedimento de jurisdição voluntária, cabível apenas na ausência de litígio. 4. A existência de controvérsia entre os envolvidos, evidenciada pela alegação de pagamento parcial e resistência ao pedido, exige a adoção da via contenciosa, com contraditório e ampla defesa. 5. Precedentes do STJ e desta Corte Estadual firmam o entendimento de que o alvará judicial não é via adequada para dirimir conflitos sobre valores controversos. IV. DISPOSITIVO E TESE 6. Inadequação da via eleita suscitada de ofício. Processo extinto sem resolução de mérito, na forma do art. 485, VI do CPC. Apelação prejudicada. Tese de julgamento: 1. A existência de controvérsia sobre valores supostamente devidos impede a adoção da via do alvará judicial. 2. Questões litigiosas devem ser resolvidas por meio de ação própria, no âmbito da jurisdição contenciosa, com contraditório e ampla defesa. 3. LEVANTAMENTO DE VALORES PREVIDENCIÁRIOS. PEDIDO DE REVISÃO DE BENEFÍCIO. IMPOSSIBILIDADE. PROCEDIMENTO DE JURISDIÇÃO VOLUNTÁRIA. AUSÊNCIA DE LITÍGIO. RECURSO DESPROVIDO. I. CASO EM EXAME 1. Apelação Cível interposta contra sentença que julgou parcialmente procedente pedido de alvará judicial para levantamento de valores residuais do benefício previdenciário de segurado falecido, indeferindo, contudo, o pedido de inclusão do acréscimo de 25% sobre o benefício, em razão de erro administrativo alegado pelo INSS. 2. O apelante sustenta que o alvará judicial deve abranger os valores corrigidos, conforme previsão do artigo 45 da Lei nº 8.213/1991. II. QUESTÃO EM DISCUSSÃO 3. Há uma questão em discussão: (i) determinar se a Ação de Alvará Judicial é meio processual adequado para compelir o INSS a revisar valores de benefício previdenciário não implantados em razão de erro administrativo. III. RAZÕES DE DECIDIR 4. A Ação de Alvará Judicial é procedimento de jurisdição voluntária, que não comporta litígio, sendo inadequada para determinar a revisão de benefício previdenciário ou compelir o INSS a proceder ao pagamento de valores não implantados administrativamente. 5. A Lei nº 6.858/1980, que regula o pagamento de valores não recebidos em vida pelo segurado, não prevê a possibilidade de correção de eventuais erros administrativos da autarquia previdenciária por meio de alvará judicial. 6. A existência de controvérsia sobre valores pendentes de revisão caracteriza litígio, o que exige o ajuizamento de ação própria com contraditório e ampla defesa, sendo inviável sua apreciação em jurisdição voluntária. 7. A jurisprudência pátria pacificou o entendimento de que a via do alvará judicial não se presta a resolver disputas sobre valores previdenciários, devendo eventuais correções serem requeridas administrativamente ou por meio de ação litigiosa específica. IV. DISPOSITIVO E TESE 8. Recurso desprovido. Tese de julgamento: 1. A Ação de Alvará Judicial, por ser procedimento de jurisdição voluntária, não é meio adequado para discutir revisão de benefício previdenciário nem para compelir o INSS a corrigir valores não implantados por erro administrativo. 2. A controvérsia sobre valores pendentes de revisão deve ser solucionada por meio de procedimento contencioso próprio, com contraditório e ampla defesa. O argumento de lacuna legislativa municipal e de precedentes de outras localidades não socorre o apelante. A Primeira Câmara decidiu, por votação unânime, deu provimento ao recurso da parte autora. Entretanto, incorreu em omissão [...] A parte autora apresentou microfilmagens dos extratos do seu benefício e demonstrou que tomou conhecimento do seu saldo PASEP quando sacou na sua aposentadoria, em 16/01/2003 [...] Para a caracterização da prescrição não basta o transcurso do tempo, é necessária a presença concomitante da possibilidade de exercício de uma ação que tutele o direito e a inércia do seu titular (AgInt no AREsp 489.724/RN, Rel. Ministro NAPOLEÃO NUNES MAIA FILHO, PRIMEIRA TURMA, julgado em 18/11/2019, DJe 22/11/2019). Conforme bem pontuado pelo Magistrado a quo, o argumento de que a prescrição deve correr do momento da não realização dos depósitos, ou da subtração indevida (e não do momento da aposentadoria), não pode ser admitido, pois não se pode exigir à parte checar, periodicamente, a retidão das quantias depositadas, pois assim, se a prescrição for contada da emissão do extrato, o

	feito se torna imprescritível na prática. Destarte, o Superior Tribunal de Justiça firmou no julgamento do REsp nº 1.895.936/TO, sob a égide dos Recursos Repetitivos (Tema 1150), em 13/09/2023, que “a pretensão do ressarcimento dos danos havidos em razão dos desfalques em conta individual se submete ao prazo prescricional decenal previsto pelo art. 205 do Código Civil” e “o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao PASEP”, contudo, ainda configura-se prescrita a pretensão da autora, considerando marco inicial da prescrição a data do saque do PASEP referente à aposentação e da ciência dos desfalques, em 16/01/2003, ou seja, já decorreram mais de dez anos, visto que a ação foi proposta somente em 25/08/2024. [...] Deste modo, para evitar prejuízo futuro, necessário a correção do julgamento sem prejuízo de outras matérias em todo o teor do acórdão. Requer-se, portanto, o acolhimento destes aclaratórios para que seja corrigida a questão apontada. Diante disso, é de rigor o reconhecimento da prescrição do caso posto em tela, já que a presente demanda foi ajuizada tão somente em 24/08/2024.” Por essas razões o embargante, com intuito de esclarecer as questões fáticas que envolvem a presente discussão e a título de prequestionamento, vem requerer sejam sanadas as omissões para reformar o acórdão atacado, ante a prescrição da pretensão veiculada. Não sendo deferido efeito modificativo aos presentes embargos, postula sejam sanados os vícios apontados, com expressa manifestação, para efeito de prequestionamento, acerca dos artigos acima citados e da matéria fática aqui envolvida. Apelação cível interposta contra sentença que julgou improcedente ação indenizatória, ao reconhecer a prescrição da pretensão ao ressarcimento de valores supostamente suprimidos de conta vinculada ao PASEP. II. QUESTÃO EM DISCUSSÃO 2. Definir se a pretensão indenizatória está prescrita, considerando o termo inicial do prazo prescricional. III. RAZÕES DE DECIDIR 3. A jurisprudência consolidada no Superior Tribunal de Justiça (Tema 1150) estabelece que o prazo prescricional para ressarcimento de danos em conta vinculada ao PASEP é decenal, tendo início na data em que o titular comprovar ciência dos desfalques. 4. Na hipótese dos autos, o termo inicial deve ser fixado na data de obtenção do extrato completo da conta PASEP pela autora, ocorrida em 17/07/2024. Como a ação foi ajuizada em 25/08/2024, não há prescrição. 5. O julgamento da lide nesta instância não se mostra adequado, pois a demanda requer dilação probatória, especialmente a realização de perícia contábil. 6. Diante da necessidade de instrução probatória, não se aplica a teoria da causa madura (art. 1.013, § 4º, do CPC). IV. DISPOSITIVO 7. Recurso provido para anular a sentença e determinar o retorno dos autos ao juízo de origem para

	 CONHECIDOS E DESPROVIDOS. I. 1. Embargos de declaração opostos por Banco Santander (Brasil) S/A e por Norte Nordeste Locação de Impressoras e Copiadoras Ltda. contra acórdão que deu parcial provimento a agravo de instrumento, reformando a decisão de primeiro grau apenas no que concerne à determinação de arresto em contas bancárias da parte agravante, diante da suficiência do depósito judicial realizado pela empresa Selbetti no valor de R\$ 955.748,86. II. 2. Há duas questões em discussão: (i) definir se o acórdão embargado incorreu em omissão ou obscuridade quanto à extensão da reforma da decisão de primeiro grau, em especial no que se refere ao depósito judicial realizado pela Selbetti; (ii) estabelecer se houve erro de premissa fática ao se referir ao arresto em contas bancárias, quando a medida efetivamente implementada no primeiro grau teria sido a constrição sobre créditos da embargante junto à Selbetti. III. RAZÕES DE DECIDIR 3. 4. 5. A referência ao “arresto em contas bancárias” corresponde ao pedido de constrição formulado em duas vertentes: (i) depósito judicial pela Selbetti; e (ii) arresto de ativos financeiros via SISBAJUD. A decisão colegiada afastou apenas a segunda modalidade, não havendo contradição ou erro de premissa. 6. Inexistem omissão, obscuridade ou erro de fato a justificar a integração ou modificação do julgado, sendo incabível utilizar os embargos como meio de rediscutir o mérito da decisão. 7. Embargos de declaração desprovidos.
