	transparent;";>sustenta a existência de omissão no referido acórdão alegando , em síntese, Da leitura do voto desse Douto Relator, bem como do dispositivo do Acórdão não restam dúvidas que os depósitos judiciais não foram atingidos, inexistindo qualquer margem para interpretação de que esses deveria ser liberado, haja vista que é de clareza solar que esses foram o fundamento para que fosse aplicado o princípio da proporcionalidade e razoabilidade e, assim, a decisão do Juízo primeiro fosse reformada apenas em relação ao arresto nas constas bancárias, evitando excessos na execução. [...] Ocorre, Éxa., que no âmbito do primeiro grau os Agravantes apresentaram pedido requerendo a liberação dos valores depositados em juízo pela cessionária Selbetti em clara alteração do que realmente foi decidido pelo Tribunal, conforme se infere do trecho da petição de id. 162439843 (execução) O Banco Santander, ora Embargante, já peticionou em primeiro grau apontando os exatos termos do Acórdão, vez que no julgamento do Douto Desembargador, reconheceu a legalidade do arresto, sendo esse perfeitamente possível antes da citação, entendeu que a questão de ausência de fundamentação da decisão Agravada foi superada quando da decisão de retratação/reconsideração e entendeu que, por já existir depósito judicial suficiente para satisfação da execução, seria desproporcional a realização de arrestos nas constas bancárias, motivo pelo qual entendeu por desnecessária única e exclusivamente esta última media. O Acórdão não alcançou os depósitos judiciais realizados pela SELBETTI, muito pelo contrário, estes serviram como fundamento para reformar a ordem de arresto nas contas bancárias das Executadas. Registre-se, inclusive, que na parte dispositiva o Nobre Relator utilizada a expressão “apenas”, o que deixa clara a interpretação de que foi mantido hígida o depósito judicial feito pela Empresa SELBETTI [...] Deste modo, resta demonstrada a necessidade de sanar omissão no Acórdão recorrido, para que fique claro que a reforma da decisão de primeiro se deu exclusivamente em relação aos arrestos em contas bancárias, devendo, pois ser mantidos os depósitos judiciais realizados pela empresa SELBETTI, no valor total de R\$ 955.748,86 (novecentos e cinquenta e cinco mil e setecentos e quarenta e oito reais e oitenta e seis centavos). </p><p style="font-weight: normal; line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent;"; align="justify">&#160;</p><p style="line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent;"; align="justify"> Por essas razões requer a Embargante que Vossa Excelência se digne de receber os presentes Embargos para os devidos fins de direito, aclarando o Acórdão para que fique claro que devem ser mantidos os depósitos judiciais realizados pela empresa SELBETTI, no valor total de R\$ 955.748,86 (novecentos e cinquenta e cinco mil e setecentos e quarenta e oito reais e oitenta e seis centavos). </p><p style="font-weight: normal; line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent;"; align="justify">&#160;</p><p style="font-weight: normal; line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent;"; align="justify"> Contrarrazões id. 26612535. </p><p style="font-weight: normal; line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent;"; align="justify">&#160;</p><p style="line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent;"; align="justify"> No recurso id. 24976264

	#000000;"> a parte embargante, Norte Nordeste Locação de Impressoras e Copiadoras Ltda , sustenta a existência de obscuridade e erro de premissa fática no referido acórdão alegando , em síntese, "requer a Embargante que Vossa Excelência se digne de receber os presentes Embargos para os devidos fins de direito, aclarando o Acórdão para que fique claro que devem ser mantidos os depósitos judiciais realizados pela empresa SELBETTI, no valor total de R\$ 955.748,86 (novecentos e cinquenta e cinco mil e setecentos e quarenta e oito reais e oitenta e seis centavos). [...] A obscuridade reside na falta de clareza do comando judicial emanado. O dispositivo do acórdão determina a reforma da decisão agravada no que tange ao "arresto nas contas bancárias da agravante". Ocorre, Excelências, que em nenhum momento do processo de origem houve determinação de arresto ou bloqueio de valores depositados nas contas bancárias da Embargante. A medida constritiva deferida pelo juízo a quo, e que foi objeto de toda a controvérsia recursal, foi o arresto de ativos, consubstanciado na ordem para que um terceiro, a empresa Selbetti Tecnologia S/A, depositasse em juízo os créditos devidos à Embargante. 08.- Ao reformar uma medida que jamais existiu nos autos ("arresto nas contas bancárias"), o dispositivo do acórdão se torna inócuo e, por consequência, obscuro quanto ao seu verdadeiro objeto. Deixa-se de aclarar se a constrição que efetivamente onera a Embargante – o arresto de seus ativos junto à Selbetti – foi ou não alcançada pela reforma. A fundamentação do voto, aliás, corrobora essa percepção, pois analisa a desproporcionalidade da medida à luz da existência do depósito judicial realizado pela empresa Selbetti [...] Ora, se a fundamentação do julgado se debruçou sobre a constrição real e efetiva (o arresto dos créditos pagos via depósito judicial pela Selbetti) para concluir por sua desproporcionalidade, a parte dispositiva deve refletir, com precisão solar, essa mesma realidade, sob pena de restar obscura e inaplicável. 10.- Ademais, o Acórdão incorre em evidente erro de premissa fática, vício previsto no artigo 1.022, III, do CPC. O julgado partiu da premissa equivocada de que a medida impugnada era um bloqueio de contas bancárias, quando a realidade fática dos autos, devidamente documentada e debatida, se trata de penhora/arresto sobre o ativo, ou seja, a penhora/arresto do valor de R\$ 955.748,86 (novecentos e cinquenta e cinco mil setecentos e quarenta e oito reais e oitenta e seis centavos). "</p><p style="line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent;" align="justify">&#160;</p><p style="line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent;" align="justify"> Complementa que A manutenção da redação atual no dispositivo do acórdão gera um prejuízo concreto e iminente à Embargante, tendo em vista que ao ser comunicado, o Juízo de primeiro grau poderá interpretar, de forma literal, que a reforma se aplica tão somente a um inexistente "arresto nas contas bancárias", mantendo, por conseguinte, a eficácia do arresto sobre os ativos junto à empresa Selbetti. 12.- Tal interpretação esvaziaria por completo o provimento parcial concedido por esta Colenda Câmara, perpetuando a constrição que foi expressamente considerada desproporcional e fazendo com que a empresa Selbetti continue obrigada a realizar os depósitos judiciais, em flagrante contrariedade à ratio decidendi do julgado 13.- Em boa verdade, aqui se está a buscar a completa efetividade ao teor do acórdão proferido, a fim de que seja evitado um prejuízo concreto e iminente à Embargante, traduzido na petição já protocolada pelo Banco embargado nos autos da execução que tramita em primeira instância, onde se busca impedir a liberação dos valores arrestados, pelo Juízo do primeiro grau, sob a justificativa de que o Acórdão se limitou a tratar sobre o desbloqueio das contas bancárias, em clara tentativa de subverter o entendimento deste E. TJ/CE acerca da temática posta em análise no presente recurso. [...] Portanto, para evitar o subterfúgio que já vem sendo explorado pela contraparte, para que a decisão proferida por essa C. Câmara de Direito Privado atinja seu fim precípua (liberação dos valores que se

	VINCULADA AO PASEP. PRAZO PRESCRICIONAL DECENAL. TERMO INICIAL. CIÊNCIA DOS DESFALQUES. AUSÊNCIA DE OMISSÃO. EMBARGOS CONHECIDOS E DESPROVIDOS I. CASO EM EXAME 1. Embargos de declaração opostos por Banco do Brasil S/A contra acórdão que deu provimento ao recurso de apelação da parte autora para anular a sentença e determinar o retorno dos autos à origem para regular instrução. Alegação de omissão quanto à prescrição, aplicação dos arts. 189 e 205 do Código Civil e jurisprudência do STJ (Tema 1150). II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em saber se o acórdão embargado incorreu em omissão ao não declarar a prescrição da pretensão indenizatória por desfalques em conta vinculada ao PASEP. 3. Ausência de omissão. O acórdão embargado enfrentou a matéria e reconheceu que, conforme o Tema 1150 do STJ, o prazo prescricional é de dez anos, com termo inicial a partir da ciência do extrato completo, e não do saque dos valores. 4. A decisão consignou que o autor obteve o extrato em outubro de 2023 e ajuizou a ação em outubro de 2024, dentro do prazo. Assim, não há falar em prescrição. 5. A pretensão recursal busca rediscutir o mérito da decisão, finalidade para a qual os embargos de declaração não se prestam (CPC, art. 1.022; Súmula 18/TJ). IV. DISPOSITIVO E TESE 6. Embargos de declaração rejeitados. Tese de julgamento: a)

	weight: normal;"> [...] A parte autora apresentou microfilmagens dos extratos do seu benefício e demonstrou que tomou conhecimento do seu saldo PASEP quando sacou na sua aposentadoria, em 26/10/1995 [...] Para a caracterização da prescrição não basta o transcurso do tempo, é necessária a presença concomitante da possibilidade de exercício de uma ação que tutele o direito e a inércia do seu titular (AgInt no AREsp 489.724/RN, Rel. Ministro NAPOLEÃO NUNES MAIA FILHO, PRIMEIRA TURMA, julgado em 18/11/2019, DJe 22/11/2019). Conforme bem pontuado pelo Magistrado a quo, o argumento de que a prescrição deve correr do momento da não realização dos depósitos, ou da subtração indevida (e não do momento da aposentadoria), não pode ser admitido, pois não se pode exigir à parte checar, periodicamente, a retidão das quantias depositadas, pois assim, se a prescrição for contada da emissão do extrato, o feito se torna imprescritível na prática. Destarte, o Superior Tribunal de Justiça firmou no julgamento do REsp nº 1.895.936/TO, sob a égide dos Recursos Repetitivos (Tema 1150), em 13/09/2023, que “a pretensão do ressarcimento dos danos havidos em razão dos desfalques em conta individual se submete ao prazo prescricional decenal previsto pelo art. 205 do Código Civil” e “o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao PASEP”, contudo, ainda configura-se prescrita a pretensão da autora, considerando marco inicial da prescrição a data do saque do PASEP referente à aposentação e da ciência dos desfalques, em 26/10/1995, ou seja, já decorreram mais de dez anos, visto que a ação foi proposta somente em 07/10/2024. [...] Deste modo, para evitar prejuízo futuro, necessário a correção do julgamento sem prejuízo de outras matérias em todo o teor do acórdão. Requer-se, portanto, o acolhimento destes aclaratórios para que seja corrigida a questão apontada. O STJ, no julgamento do Tema Repetitivo 1.150 (REsp 1.895.936/TO), firmou entendimento de que o prazo prescricional em ações que discutem irregularidades na gestão de contas do PASEP inicia-se no momento em que o titular tiver ciência comprovada e inequívoca do prejuízo. 6. No caso concreto, os extratos detalhados da conta foram fornecidos apenas em 2023, impossibilitando o titular de verificar antes a eventual má gestão. [...] Na situação fática posta em deslinde, vejo que o autor afirma ter tomado conhecimento do direito violado em outubro de 2023, quando obteve pela demandante o extrato completo de sua conta PASEP, ingressando com a ação indenizatória em 07 de outubro de 2024, não havendo, portanto, que se falar em prescrição neste momento. </p><p style="font-style: normal; font-weight: normal; line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent; text-decoration: none;" align="justify">&#160;</p><p style="font-style: normal; font-weight: normal; line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent; text-decoration: none;" align="justify"> Logo, não havendo nenhum dos vícios ensejadores à procedência aclaratória, restando evidenciado o mero inconformismo da Embargante com a solução jurídica prestada por este Sodalício, invocando instrumento processual incabível para a pretensão posta, no caso, a tentativa de rediscutir a matéria já decidida, o presente recurso deve ser rejeitado. </p><p style="font-style: normal; font-weight: normal; line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent; text-decoration: none;" align="justify">&#160;</p><p style="line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent;" align="justify"> A respeito, anoto entendimento perfilhado na ambiência </p><p style="font-style: normal; line-height: 150%; text-indent: 2cm; margin-bottom: 0cm; background: transparent; text-decoration: none;" align="justify">&#160;</p><p style="line-height: 150%; orphans: 2; widows: 2; margin-left: 3cm; margin-bottom: 0cm; background: transparent; page-break-before: auto;" align="justify"> PROCESSUAL CIVIL. Acordão	&#160; EMENTA DIREITO PROCESSUAL CIVIL E DIREITO DO CONSUMIDOR. APELAÇÃO CÍVEL. AÇÃO ANULATÓRIA DE DÉBITO C/C DANOS MATERIAIS E MORAIS. FRACIONAMENTO ABUSIVO DE DEMANDAS. INTERESSE DE AGIR. EXTINÇÃO SEM RESOLUÇÃO DE MÉRITO MANTIDA. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA. &#160; &#160; CASO EM EXAME 1. Apelação Cível interposta por Margarida Maria Gonçalves da Silva contra sentença que, nos autos da Ação Declaratória de Nulidade de Contrato de Cartão de Crédito com Reserva de Margem Consignável (RMC) e Inexistência de Débito Cumulada com Restituição de Valores em Dobro e Indenização por Dano Moral extinguiu o processo sem resolução de mérito, com fundamento no art. 485, I, do CPC, ante a ausência de interesse de agir, evidenciada pela propositura de múltiplas ações com pedidos e causa de pedir semelhantes contra instituições financeiras distintas. 2. A questão em discussão consiste em verificar se há interesse processual na propositura isolada de ação anulatória de débito referente a contrato de empréstimo consignado, diante da existência de diversas outras ações similares ajuizadas pela mesma parte contra diferentes instituições financeiras. 3. O fracionamento de demandas com causa de pedir e pedidos semelhantes, ainda que fundadas em contratos e instituições financeiras distintas, configura abuso do direito de ação, comprometendo a boa-fé processual e sobrecarregando desnecessariamente o Judiciário. 4. A jurisprudência desta Corte tem rechaçado a multiplicidade de ações semelhantes como forma indevida de acesso à jurisdição, recomendando a reunião dos pedidos em um único feito, conforme o art. 55, §3º, do CPC.

	apelo, nos termos do voto do Relator. Fortaleza, data e hora do sistema. JOSÉ RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador EDUARDO DE CASTRO NETO Juiz Convocado Relator RELATÓRIO Trata-se de Apelação Cível interposta por Margarida Maria Gonçalves da Silva contra a sentença proferida pelo douto Juízo da Vara Única da Comarca de Capistrano que, nos autos da Ação Declaratória de Nulidade de Contrato de Crédito com Reserva de Margem Consignável (RMC) e Inexistência de Débito Cumulada com Restituição de Valores em Dobro de Indenização por Dano Moral, extinguiu a ação sem resolução de mérito, por indeferimento da petição inicial, diante da falta de interesse de agir, nos termos do art. 485, I, do CPC. Em sua apelação (ID 27436136), a parte recorrente argui que a decisão prolatada pelo digno magistrado de primeiro grau, foi pelo indeferimento da inicial, extinguindo o feito, sem resolução do mérito, entendendo que os processos colocados pela parte Autora perante a mesma instituição, mas com

	CONTRATO DIFERENTES verifica-se a ausência de pressupostos de constituição e de desenvolvimento válido e regular do processo, com fundamentação no artigo 485 inc. IV do CPC. Desta forma, em sentença, foi o pedido inicial extinto sem resolução de mérito, a nosso ver, de forma errônea, tendo em vista que o processo em questão não pode ser conexo a nenhum outro, visto que, cada processo é uma contratação diversa, questão já discutida e pacificada nas Turmas Recursais, podendo ser analisado caso a caso pelo juiz do processo Em continuidade, alega que "(...)" o magistrado de 1º grau aduz em seus fundamentos um apelo pela conexão das ações e exige que a parte autora reúna os contratos divergentes em uma única ação contra a ré, mas, no seu dispositivo final, justifica o indeferimento pela ausência de pressupostos de constituição e de desenvolvimento válido e regular do processo, o que ao nosso entendimento, torna a sentença equivocada e controversa. A ausência de pressupostos processuais está intimamente ligada ao binômio necessidade-adequação. Se o bem jurídico almejado pelo autor da ação não depende de qualquer intervenção judicial, da prestação jurisdicional, é inócuo que o Estado preste assistência. O que não se enquadra no exemplo que se discute na presente lide. O autor escolheu o causídico para ajuizar as ações e buscar a tutela jurisdicional para solucionar um problema recorrente, que vem acontecendo em diversos lugares do estado, e mesmo assim teve seu direito de acessar a justiça cerceado pela justificativa da ausência de pressupostos de constituição e de desenvolvimento válido e regular do processo, o que não é coerente, haja vista sua busca pela tutela estatal Complementa, informando que "analisando detidamente os autos, observa-se que tanto a causa de pedir, quanto os pedidos, nas referidas ações DIVERGEM, tendo em vista que se trata de CONTRATOS DIFERENTES, não sendo, assim, o caso de reuni-las para serem julgadas simultaneamente por não haver conexão entre elas (...)" Desta forma, não restam dúvidas acerca da aplicabilidade do Código de Defesa do Consumidor ao feito, na conformidade da Súmula 297 do STJ, a qual prevê a aplicabilidade do CDC às instituições financeiras. Devendo ao caso ser aplicada a teoria da responsabilidade objetiva no sentido de reparar o dano sofrido pelo Autor, bem como a restituição em dobro dos valores cobrados no contrato nulo, conforme preceitua os art. 14, caput art. 42 e seu Parágrafo Único do CDC Por fim, requer que "se digne esta Colenda Turma Julgadora em dar PROVIMENTO AO RECURSO, reformando a decisão do Juiz de 1ª Grau, no sentido do afastamento da conexão do processo em questão, visto que os processos tratam de contratações diversas, determinando o prosseguimento do processo para a apreciação no juízo de 1º grau, mormente considerando o princípio da inafastabilidade da jurisdição, TUDO POR SER MEDIDA DE MAIS LÍDIMA JUSTIÇA" Devidamente intimada para apresentar contrarrazões (ID 27436137), a parte recorrida se manteve inerte. Remetidos os autos a este tribunal.

CASO EM EXAME </p> <p style="text-align: justify;"> 1. Recurso de Apelação interposto por consumidor contra sentença que julgou parcialmente procedentes os pedidos em ação declaratória de inexistência de débito c/c indenização por dano moral, declarando a nulidade de contrato bancário, determinando a retirada do nome do autor dos cadastros de inadimplentes e fixando indenização por danos morais em R\$ 2.000,00. O apelante pleiteia a majoração do valor indenizatório para R\$ 10.000,00, ou outro que o Tribunal considere proporcional. </p> <p style="text-align: justify;"> II. QUESTÃO EM DISCUSSÃO </p> <p style="text-align: justify;"> 2. A questão em discussão consiste em definir se o valor arbitrado a título de indenização por danos morais (R\$ 2.000,00) deve ser majorado, considerando a extensão do dano, as condições das partes e os parâmetros jurisprudenciais. </p> <p style="text-align: justify;"> III. RAZÕES DE DECIDIR </p> <p style="text-align: justify;"> 3. A indenização por dano moral deve observar critérios de proporcionalidade e razoabilidade, de modo a compensar a vítima, punir o infrator e evitar enriquecimento sem causa. </p> <p style="text-align: justify;"> 4. O arbitramento deve considerar a gravidade da lesão, a repercussão do dano, a condição socioeconômica das partes e a capacidade financeira da instituição ré. </p> <p style="text-align: justify;"> 5. A jurisprudência do STJ e desta Corte reconhece que a inscrição indevida em cadastro de inadimplentes gera dano moral in re ipsa, sendo cabível indenização em patamar compatível com o caráter pedagógico e reparatório. </p> <p style="text-align: justify;"> 6. O valor fixado pelo juízo singular (R\$ 2.000,00) mostra-se aquém dos parâmetros usualmente adotados em casos análogos, impondo-se a majoração para R\$ 3.000,00, quantia proporcional e suficiente para reparar o dano e desestimular condutas abusivas. </p> <p style="text-align: justify;"> IV. DISPOSITIVO E TESE </p> <p style="text-align: justify;"> 7. Recurso parcialmente provido. </p> <p style="text-align: justify;"> Tese de julgamento: </p> <p style="text-align: justify;"> 1. A inscrição indevida em cadastro de inadimplentes enseja indenização por dano moral, independentemente de prova do prejuízo. </p> <p style="text-align: justify;"> 2. A fixação do quantum indenizatório deve atender aos princípios da razoabilidade e proporcionalidade, considerando as condições das partes e a gravidade da lesão. </p> <p style="text-align: justify;"> 3. RECURSO CONHECIDO E PROVIDO. I. CASO EM EXAME 1. Apelação interposta por consumidora contra sentença que julgou improcedente pedido de indenização por danos morais, decorrente de negativação de seu nome, sem comprovação de notificação prévia. A recorrente alega que o envio da comunicação para endereço eletrônico não informado viola o art. 43, § 2º, do CDC. II. QUESTÃO EM DISCUSSÃO I ¿ A inscrição em cadastro de inadimplentes sem comprovação de prévia notificação válida ao consumidor. II ¿ A possibilidade de configuração de dano moral por falha na comunicação. III ¿ A fixação do valor da indenização por danos morais. RAZÕES DE DECIDIR 1. O art. 43, § 2º, do CDC exige notificação escrita ao consumidor, o que não foi comprovado pela empresa apelada. 2. A jurisprudência do STJ firmou entendimento de que o envio exclusivo por e-mail ou SMS não supre a exigência legal. 3. A ausência de prova de que o e-mail utilizado foi fornecido pela consumidora configura falha na comunicação e ato ilícito. 4 . A inscrição indevida em cadastro de inadimplentes, sem notificação válida, é apta a ensejar indenização por dano moral. 5. O valor da indenização foi arbitrado em R\$ 3.000,00, considerando critérios de razoabilidade e proporcionalidade. DISPOSITIVO E TESE Dá-se provimento ao recurso para reformar a sentença e condenar a empresa ré ao pagamento de R\$ 3.000,00 (três mil reais) a título de danos morais. Tese 1 ¿ A notificação prevista no art. 43, § 2º, do CDC deve ser comprovadamente enviada ao endereço físico do consumidor, sendo insuficiente o envio exclusivo por meio eletrônico. A C Ó R D Ã O Acordam os Desembargadores integrantes da Primeira Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade de votos, em conhecer do presente recurso, para dar-lhe provimento nos termos do voto do Relator, parte integrante desta decisão Fortaleza, 16 de abril de 2025. JOSÉ RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador Exmo. Sr. EMANUEL LEITE ALBUQUERQUE Relator (Apelação Cível&#160;- 0270159-36.2023.8.06.0001, Rel. Desembargador(a) EMANUEL LEITE ALBUQUERQUE, 1ª Câmara Direito Privado, data do julgamento:&#160;16/04/2025, data da publicação:&#160;16/04/2025) </p> <p style="text-align: justify;">&#160;</p> <p style="text-align: justify;"> CIVIL E PROCESSO CIVIL. APELAÇÃO CÍVEL. EMPRÉSTIMO CONSIGNADO. COBRANÇA DE DÍVIDA. AUSÊNCIA MARGEM DE EMPRÉSTIMO. CIRCUNSTÂNCIA QUE EXIGIRIA A DEVIDA INFORMAÇÃO AO CONSUMIDOR, OPORTUNIZANDO-LHE O PAGAMENTO DE EVENTUAL PENDÊNCIA. INCLUSÃO DO NOME DO CONSUMIDOR EM CADASTRO DE INADIMPLENTES. RESPONSABILIDADE DA RECORRENTE NÃO AFASTADA. DANOS MORAIS IN RE IPSA. RAZOABILIDADE DO VALOR FIXADO. RECURSO CONHECIDO E NÃO PROVIDO. SENTENÇA MANTIDA. 1 ¿ Trata-se de apelação cível interposta por BANCO PAN S/A em face de sentença prolatada pela MM. Juiz de Direito da 1ª Vara Cível da Comarca de Iguatu/CE, nos autos de Ação de Negativação Indevida c/c Indenização por Dano Moral, interposta por Maria Edileuza Freitas que julgou parcialmente procedente os pedidos, determinando a retirada do nome do autor do SERASA, bem como condenou o recorrente em danos morais no valor de R\$ 3.000,00 (três mil reais). 2 ¿ Se baseia a instituição bancária que foi firmado contrato de empréstimo entre as partes e que a parte autora se tornou inadimplente posteriormente, em razão da redução da margem consignável da mesma, ficando isento de ter praticado ato ilícito. 3 - Por outro lado, mesmo que se levasse em consideração o fato de estar inadimplente o consumidor pela prestação vencida em 07/08/2023, referente a 51ª parcela, a justificar a inclusão do seu nome no cadastro de inadimplentes, persistente é o vício na prestação do serviço da recorrente, que deveria ao menos ter

	comunicado o consumidor do ocorrido (transposição da margem de empréstimo consignado), possibilitando-lhe proceder com o pagamento de eventual quantia por outros meios. Pelo contrário, anexada à sua peça contestatória, não se analisa qualquer ato de boa-fé por parte do banco, no sentido de informar ao consumidor acerca do fato, pelo que tomou a medida extremada e danosa de inclusão do nome do recorrido no cadastro de inadimplentes. 4 - O CDC, em seu art. 6º, III, apregoa ser direito do consumidor a informação adequada e clara sobre os diferentes produtos e serviços, com especificação correta de quantidade, características, composição, qualidade, tributos incidentes e preço, bem como sobre os riscos que apresentem. 5 - Trata-se, portanto, de inclusão indevida no cadastro de inadimplentes, já que a conduta da instituição bancária, como intermediadora e concedente do crédito consignado, não comprovou a inadimplência do consumidor por prova idônea, além do que, ciente de eventual extrapolção de margem de crédito, não procedeu com a devida informação ao consumido, simplesmente lhe exigindo uma quantia que, pelo que sabia o recorrido, estava sendo descontada mensalmente dos seus ganhos mensais. 6 Danos morais fixados em valor razoável e proporcional para as circunstâncias do caso. 7 Recurso conhecido e não provido. Sentença mantida. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, a unanimidade, em conhecer do recurso de apelação para lhe NÉGAR PROVIMENTO, tudo nos termos do voto do Desembargador Relator. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador DESEMBARGADOR CARLOS AUGUSTO GOMES CORREIA Relator (Apelação Cível - 0203177-61.2023.8.06.0091, Rel. Desembargador(a) CARLOS AUGUSTO GOMES CORREIA, 1ª Câmara Direito Privado, data do julgamento: 07/05/2025, data da publicação: 07/05/2025) Nessa ordem de ideias, atento ao cotejo desses fatores: "nível econômico do autor da ação, sofrimento da vítima e o porte econômico da entidade bancária", e ainda, levando em consideração os valores descontados, considero afequeno o quantum fixado pelo douto magistrado singular o que me leva a aumentar para a quantia de R\$ 3.000,00 (três mil reais), porque não se entremostra exagerado nem insignificante, uma vez que razoável e proporcional à ofensa perpetrada, bem como em consonância com a jurisprudência desta egrégia Câmara. E é assim que, por todo o exposto, conheço do recurso interposto, dando-lhe parcial provimento e reformando a sentença objurgada apenas para majorar o valor da condenação por danos morais ao importe de R\$ 3.000,00 (três mil reais), acrescidos de correção monetária pelo IPCA do IBGE desde o arbitramento (STJ, Súmula nº 362; CC, art. 389, parágrafo único) e de juros de mora da data do evento danoso (Súmula n.º 54, STJ) à taxa de 1% ao mês até o dia anterior ao da vigência da Lei nº 14.905/2024 e, a partir daí, à taxa correspondente ao resultado da taxa Selic subtraída do IPCA (CC, arts. 398 e 406, § 1º). É como voto. Fortaleza-CE, data da assinatura digital EDUARDO DE CASTRO NETO Juiz Convocado Relator &#160;

	INTERNO NO RECURSO ESPECIAL. CONTRATO DE CONSÓRCIO. 1. TAXA DE ADMINISTRAÇÃO. COBRANÇA MANTIDA PELA SENTENÇA, COM CONFIRMAÇÃO PELO ACÓRDÃO DA APELAÇÃO. FALTA DE INTERESSE RECURSAL. CORREÇÃO MONETÁRIA. ÍNDICE APLICÁVEL. SÚMULA N. 83 DO STJ. AUSÊNCIA DE IMPUGNAÇÃO ESPECÍFICA QUANTO A ESSES DOIS PONTOS DA DECISÃO AGRAVADA. VIOLAÇÃO AO PRINCÍPIO DA DIALETICIDADE. 2. CLÁUSULA PENAL. REEXAME DE PROVAS. SÚMULA N. 7/STJ. 3. AGRAVO INTERNO CONHECIDO EM PARTE E, NESSA EXTENSÃO, DESPROVIDO. 1. Inexistindo impugnação específica dos fundamentos da decisão agravada acerca de determinadas questões, não há como analisar o agravo interno em relação a elas, considerando-se a ofensa ao princípio da dialeticidade (Súmula 182/STJ). 2. Tendo o Tribunal de origem concluído pela abusividade do percentual estipulado no contrato a título de cláusula penal, a revisão de tal entendimento não está ao alcance desta Corte, por demandar o reexame do conjunto fático-probatório dos autos, providência vedada nesta instância especial, nos termos da Súmula 7/STJ. 3. Agravo interno parcialmente conhecido e, nessa extensão, desprovido. (AgInt no REsp 1584953/SE, Rel. Ministro MARCO AURÉLIO BELLIZZE, TERCEIRA TURMA, julgado em 20/09/2016, DJe 04/10/2016) AGRAVO REGIMENTAL NO AGRAVO EM RECURSO ESPECIAL. OMISSÃO QUE SE RECONHECE. TESE DE OFENSA AO ART. 535 DO CPC QUE PADECE DE FUNDAMENTAÇÃO. SÚMULA 284 DO STF. APELAÇÃO QUE NÃO IMPUGNOU OS FUNDAMENTOS DA SENTENÇA. DESRESPEITO À REGRA DA DIALETICIDADE. ART. 514, II DO CPC. AGRAVO REGIMENTAL DESPROVIDO. 1. Embora a decisão que examinou o Recurso Especial efetivamente não tenha enfrentado a tese de ofensa ao art. 535 do CPC, o Apelo Nobre ostenta, nesse aspecto, fundamentação deficiente, a teor da Súmula 284 do STF, pois se limitou a invocar genericamente o dever da instância de origem de examinar às inteiras as teses veiculadas na Apelação, sem indicar precisamente as questões cujo exame teria sido sonegado, ou realizado de modo contraditório ou obscuro. 2. A ausência de impugnação específica ao único fundamento do acórdão recorrido, por configurar afronta à regra da dialeticidade recursal, que se extrai do art. 514, II do CPC, efetivamente tornou inviável o exame do Recurso de Apelação. 3. Agravo Regimental do SERVIÇO SOCIAL DO COMÉRCIO - SESC AR/ES desprovido. (AgRg no AREsp 463.165/ES, Rel. Ministro NAPOLEÃO NUNES MAIA FILHO, PRIMEIRA TURMA, julgado em 10/03/2016, DJe 01/04/2016) DIREITO PROCESSUAL CIVIL. RECURSO ESPECIAL. DENEGAÇÃO DE SEGUIMENTO. SÚMULAS 07 E 211 DO STJ. INEXISTÊNCIA DE VIOLAÇÃO AOS ARTS. 128, 458 E 535 DO CPC. AGRAVO REGIMENTAL. ALEGAÇÕES GENÉRICAS. MERA IRRESIGNAÇÃO DA PARTE. FALTA DE DEMONSTRAÇÃO DO DESACERTO DA DECISÃO IMPUGNADA E DE ELABORAÇÃO DE TESE RECURSAL. AUSÊNCIA DE COTEJO COM OS FUNDAMENTOS DO JULGADO. 1. O princípio da dialeticidade orienta o exercício do direito de recorrer da parte, que deve, em sua obediência, apresentar em sua impugnação razões que confrontem a defesa de suas teses com os fundamentos utilizados pelo julgador, a fim de demonstrar o suposto desacerto. 2. Não há regularidade formal no recurso que, não procedendo assim, deixa de infirmar corretamente o julgamento, manejando simples alegações genéricas. 3. Agravo regimental não conhecido. Multa do art. 557, § 2º, do CPC, cominada em um por cento sobre o valor corrigido da causa. (Superior Tribunal de Justiça STJ; AgRg-REsp 1.346.766; Proc. 2012/0206019-4; BA; Segunda Turma; Rel. Min. AUSÊNCIA DE IMPUGNAÇÃO ESPECÍFICA AOS FUNDAMENTOS DA DECISÃO PROFERIDA PELO TRIBUNAL DE ORIGEM QUE NÃO ADMITIU O RECURSO ESPECIAL. APLICAÇÃO, POR ANALOGIA, DA SÚMULA Nº 182/STJ. PRINCÍPIO DA DIALETICIDADE, QUE IMPÕE O ATAQUE ESPECÍFICO AOS FUNDAMENTOS. INSUFICIÊNCIA DE ALEGAÇÃO GENÉRICA. PRECEDENTES. MANUTENÇÃO DA DECISÃO ORA AGRAVADA. RECURSO MANIFESTAMENTE INFUNDADO E PROCRASTINATÓRIO. APLICAÇÃO DE MULTA. ART. 557, § 2º, CPC. 2. À luz do princípio da dialeticidade, que norteia os recursos, compete à parte agravante, sob pena de não conhecimento do agravo de instrumento, infirmar especificamente os fundamentos adotados pelo tribunal de origem para negar seguimento ao reclamo, sendo insuficiente apresentar alegações genéricas de inaplicabilidade do óbice invocado. Precedentes. 3. O recurso revela-se manifestamente infundado e procrastinatório, devendo ser aplicada a multa prevista no art. 557, § 2º, do CPC. 4. DECISÃO MONOCRÁTICA QUE NÃO CONHECEU DO AGRAVO. IRRESIGNAÇÃO DO AUTOR. 1. Razões do regimental que não impugnaram especificadamente os fundamentos invocados na deliberação monocrática. Em razão do princípio da dialeticidade, deve o agravante demonstrar de modo fundamentado o desacerto da decisão agravada. 	previstas pelo artigo 81 do CPC é medida que se impõe, o qual arbitro de ofício. DISPOSITIVO Ante o exposto, julgo IMPROCEDENTES OS PEDIDOS AUTORAIS, com fulcro no art. 487, I do CPC, extinguindo parcialmente o processo, sem resolução de mérito, por coisa julgada, no que concerne o pedido de “declarar a inexistência do contrato nº 20027569926 realizado mediante fraude, bem como o débito que ele representa”, com fulcro no art. 485, V do CPC. Nada obstante, sustenta o apelante que “ajuizou a presente ação após tomar ciência do processo de execução de nº 0000245-63.2018.8.06.0090, em 21 de março de 2024, quando foi efetivamente citado” e que “ao analisar os elementos constantes nos autos da referida execução, constatou tratar-se do mesmo contrato que ensejou, indevidamente, a restrição de seu nome junto aos órgãos de proteção ao crédito e que foi declarado inexistente por decisão judicial transitada em julgado, proferida no processo nº 3001590-71.2022.8.06.0090”. Sustenta, ainda, que “não obstante, o Apelado deu continuidade à execução de título extrajudicial fundado nesse mesmo contrato, o que resultou, inclusive, na constrição judicial de seu único bem, uma motocicleta, em 15 de setembro de 2024.” Sustenta, também, que “conforme demonstrado na réplica à contestação (Id. 112775509) e na manifestação sobre provas (Id. 141050395), o Apelado tinha plena ciência da existência da sentença que reconhecia a inexistência do contrato” e que “ainda assim, de forma dolosa e reiterada, insistiu em promover constrições com base no mesmo título declarado inexistente, realizando, inclusive, buscas patrimoniais e impondo restrições indevidas. Trata-se, portanto, de flagrante violação à boa-fé objetiva, uma vez que a conduta do Apelado transcende o mero erro administrativo, assumindo contornos de abuso de direito, situação esta passível de severa reprimenda jurídica”. E que “somente tomou ciência do processo de execução em comento em 21 de março de 2024, ocasião em que foi devidamente citado, conforme mandado anexo. Na mesma oportunidade, apresentou, de forma tempestiva, embargos à execução, por meio do processo nº 0200517-63.2024.8.06.0090, os quais foram acolhidos, conforme se observa na sentença também em anexo”. Sustentou, ademais, que “o argumento de que a constrição decorreu de inércia do Recorrente não se sustenta, uma vez que ele somente foi citado no processo de execução em 21 de março de 2024, de forma que não há que se falar em omissão ou desídia, uma vez que opôs tempestivamente embargos à execução” e que “o processo de execução, inclusive, foi impulsionado após a oposição dos embargos à execução, sendo que a constrição do bem do Recorrente ocorreu posteriormente, em 15 de setembro de 2024, ou seja, quando os embargos já tramitavam regularmente. Tal prática causou ao Apelante angústia, constrangimento e abalo psicológico considerável, especialmente diante do fato de tratar-se de seu único bem, atingido por dívida inexistente, já declarada judicialmente”. Sustentou, por fim, que “o dano moral sofrido não se origina da discussão sobre a validade do contrato, mas da persistência deliberada do Apelado em praticar atos executórios com base em título sabidamente inexigível. O dano, portanto, é resultado direto da execução abusiva, promovida mesmo após decisão definitiva, configurando fato novo e autônomo, que não se confunde com o objeto da demanda anterior” e que “a alegação do juízo a quo, no sentido de que o Apelante teria se mantido inerte nos autos da execução, não tem o condão de afastar a ilicitude da conduta do Apelado. Isso porque a obrigação de cessar os atos executórios decorre da ciência inequívoca da inexistência do contrato, e não da provocação da parte contrária. A omissão judicial em reconhecer esse ponto inverte a lógica da proteção ao jurisdicionado, transferindo à vítima a responsabilidade por fazer cessar um ato manifestamente ilícito”. Requeru o provimento do recurso para o fim de reformar a sentença e julgar procedente a ação com a condenação do apelado ao pagamento de danos morais. Alternativamente, caso mantida a sentença que seja afastada a cominação em litigância de má-fé. Contrarrazões ofertadas ao ID 26984637.

	Judiciário, eis fora declarada a própria inexistência do negócio jurídico. Ressalte-se que, até então, o ora apelante NÃO tinha conhecimento da ação de execução que tramitava contra si, a contrário do credor, que já sabia da declaração de nulidade do contrato, tanto que não recorreu da sentença proferida na ação declaratória e ainda procedeu ao pagamento dos danos morais lhe imposto pela sentença. Não havia como o demandado na ação de execução (ora apelante) comunicar ao juízo respectivo a existência da ação declaratória, porquanto, naquela execução somente foi citado em 21 de março de 2024 (ID 101167119, do processo de execução) e, imediatamente, ajuizou a competente Ação de Embargos à Execução em 12 de abril de 2024 (processo 0200517-63.2024.8.06.0090). Dito tudo isto é preciso que a petição inicial da ação em curso nestes autos (0200518-48.2024.8.06.0090) exora pela declaração de inexistência de contrato a qual já havia sido declarada nos autos do processo nº 3001590-71.2022.8.06.0090, em sede do qual, inclusive, foi o FUNDO DE INVESTIMENTO condenado a pagar dano moral pela negativação do nome do apelante nos cadastros de inadimplentes. Vejamos: No caso, não se observa a comprovação de contratação ou inadimplência de negócio jurídico celebrado entre a parte autora e a parte requerida. O dano moral decorre do próprio fato da inscrição negativa (...) Portanto, há falha na conduta da promovida, consistente em negatar o nome do autor em virtude de suposta dívida que não conseguiu demonstrar a existência, a gerar o dano moral. O dano moral decorre do próprio fato da inscrição negativa (...) Portanto, com relação a este ponto (declaração de nulidade) assiste razão à sentença com relação à extinção deste pleito pela força da coisa julgada eis que, se já havia sido declarado a inexistência do negócio jurídico, era defeso à parte repetir o pedido. Todavia, é de se ver que o fundamento da peça vestibular para requestar o pedido de indenização por danos morais cinge-se ao fato de que, nas palavras do autor, o FUNDO “insiste em promover a execução de título executivo extrajudicial que NÃO FORA REALIZADO PELO REQUERENTE, agindo, portanto, com dolo e absoluta má-fé, pois promove execução de título sabidamente inexigível.” Neste ponto, merece a primeira observação de que a ação de busca e apreensão (depois convertida em execução) fora ajuizada no ano de 2018, portanto, bem anterior à discussão travada acerca da validade do contrato. Contudo, a segunda observação, decorre do fato de que desde o mês de fevereiro de 2023, repito, o FUNDO credor já tinha ciência e consciência de que aquele contrato que originou a ação de busca e apreensão, que depois veio a ser convertida em execução, estava declarado ineficaz pelo Poder Judiciário, eis que fora declarada a própria inexistência do negócio jurídico. E, tendo a continuidade do processo de execução atingido a esfera jurídica do autor, ora apelante, posto que houve o gravame/bloqueio de um veículo (moto) em setembro de 2024, compreendo, neste caso, ser cabível a pleiteada indenização por danos morais a ser paga ao apelante. Dano moral – Sobre o dano moral, enxergo que é evidente a perturbação sofrida pelo autor da demanda, em decorrência do ocorrido, ao ver a continuidade de um processo de execução contra si e ao bloqueio no sistema RENAJUD de veículo de sua propriedade, quando a execução haveria de ter sido interrompida a pedido do exequente diante da declaração de inexistência do negócio jurídico que originou a ação. 	– Fatores Para quantificar a indenização por danos morais deve se levar em conta, dentre outros fatores, a extensão do dano, as condições socioeconômicas dos envolvidos e o sofrimento da vítima. Desse modo, tem-se que a indenização deve se dar de forma equânime e atentar à razoabilidade, a fim de evitar o enriquecimento ilícito da parte autora, mas sem deixar de punir a parte ré pelo cometimento do ato ilegal. E mais, para evitar excessos e abusos, só se deve reputar como dano moral a dor, o sofrimento, que, fugindo à normalidade, interfira intensamente no comportamento psicológico do indivíduo, causando-lhe aflições, angústia e desequilíbrio em seu bem-estar. Citando os critérios a serem observados no arbitramento judicial do dano moral, Humberto Theodoro Júnior (Dano Moral, 5ª ed. p.43/51), destaca: E, para aproximar-se do arbitramento que seja prudente e equitativo, a orientação maciça da jurisprudência, apoiada na melhor doutrina, exige que o arbitramento judicial seja feito a partir de dois dados relevantes: a) o nível econômico do ofendido; b) o porte econômico do ofensor, ambos cotejados com as condições em que se deu a ofensa. (...) Em suma: a correta estimação da indenização por dano moral jamais poderá ser feita levando em conta apenas o potencial econômico da empresa demandada. É imperioso cotejar-se também a repercussão do ressarcimento sobre a situação social e patrimonial do ofendido, para que lhe seja proporcionada satisfação na justa medida do abalo sofrido sem enriquecimento sem causa. Neste sentido, cito decisões jurisprudenciais do Superior Tribunal de Justiça (STJ), vejamos: “Na fixação do valor da condenação por dano moral, deve o julgador atender a certos critérios, tais como nível cultural do causador do dano; condição socioeconômica do ofensor e do ofendido; intensidade do dolo ou grau da culpa (se for o caso) do autor da ofensa; efeitos do dano no psiquismo do ofendido e as repercussões do fato na comunidade em que vive a vítima”. (REsp 355392 / RJ, rel. Min. Castro Filho) “Na fixação da indenização por danos morais, recomendável que o arbitramento seja feito com moderação, proporcionalmente ao grau de culpa, ao nível socioeconômico dos autores, e ainda, ao porte da empresa recorrida, orientando-se o juiz pelos critérios sugeridos pela doutrina e pela jurisprudência, com razoabilidade, valendo-se de sua experiência e do bom senso, atento à realidade da vida e às peculiaridades de cada caso” (REsp 135.202-0-SP, 4ª Turma. Rel. Min. Sálvio de Figueiredo Teixeira) No caso, considero consentâneo, razoável e proporcional o valor de R\$ 1.000,00 (um mil reais), a título de indenização, frente ao quadro fático delineado nos autos, eis que apesar da existência do gravame, não há provas nos autos, por exemplo, de que o apelante tenha sido impedido de trafegar com o bem. ANTE AO EXPOSTO, conheço e dou parcial provimento ao apelo para reformar a sentença e julgar parcialmente procedente a ação originária, com relação ao pedido de danos morais, fixando-os em R\$ 1.000,00 (um mil reais) corrigidos monetariamente pelo IPCA e juros pela Taxa Legal calculada na forma do art. 406, § 1º do CC/2002, com redação dada pela Lei nº 14.905/2024, a partir da data do desembolso, afastando a litigância de má-fé imposta na sentença. A reforma parcial da sentença impõe a adequação dos ônus sucumbenciais e,

Tal conduta afetou com clareza solar a parte autora abalando seu psicológico, pois um senhor idoso, semianalfabeto e de poucos proventos teve seu único sustento afetado em prol da riqueza ilícita do apelado, mediante a prática de crimes tipificados”.</p><p style="text-align: justify;"> Sustenta, ainda, que “a indenização por dano moral possui tripla função, a compensatória, para mitigar os danos sofridos pela vítima; a punitiva, para condenar a parte autora da prática do ato ilícito lesivo, e a preventiva, para dissuadir o cometimento de novos atos ilícitos. Ainda, o valor da indenização deverá ser fixado de forma compatível com a gravidade e a lesividade do ato ilícito e as circunstâncias pessoais dos envolvidos”.</p><p style="text-align: justify;"> Sustenta, em seguida, que “o dano moral sofrido pela parte autora deve ser condenado para o montante de no mínimo de R\$ 10.000,00 (dez mil reais), o qual importará tanto na condenação, punição e prevenção para novos ilícitos, nem menos para fortalecer a reincidência, nem mais para dar causa ao enriquecimento sem causa”.</p><p style="text-align: justify;"> Ao final, requer o conhecimento e provimento do presente recurso para reformar a sentença recorrida, no sentido de condenar o banco/apelado ao pagamento de indenização por danos morais bem como a condenação ao pagamento dos honorários advocatícios nos termos do art. 85 do CPC.</p><p style="text-align: justify;"> Contrarrazões Id. 27014226.</p><p style="text-align: justify;"> É o que importa relatar.</p><p style="text-align: justify;"> ¶</p><p style="text-align: justify;"> VOTO </p><p style="text-align: justify;"> Exercendo juízo de admissibilidade, verifico o atendimento de todos os requisitos intrínsecos e extrínsecos que o compõem, levando-o ao qualificativo da positividade e, assim, ao conhecimento do recurso.</p><p style="text-align: justify;"></p>

A questão recursal é saber se o contrato foi devidamente pactuado com todas as exigências previstas em lei e, em caso negativo, verificar-se-á a possibilidade de reparação por danos morais e materiais. 4. O Banco Central do Brasil, no âmbito de sua competência regulatória, editou a Resolução nº 3402/2006 que vedou às instituições financeiras a cobrança de encargos na prestação de serviços em conta para pagamento de salários, vencimentos, aposentadorias relativas a

Ademais, a instituição bancária trouxe para os autos um termo de adesão a CESTA DE SERVIÇOS BRADESCO EXPRESSO 03 (fls. 118/125), contrato este diverso do objeto da lide, visto que se trata de descontos referentes a TARIFA BANCÁRIA CESTA BRADESCO EXPRESSO 4 E TARIFA BANCÁRIA CESTA B.EXPRESSO 4. 6. Há três questões em discussão: (i) verificar a validade da cobrança de tarifas bancárias incidentes sobre conta utilizada para recebimento de benefício previdenciário; (ii) definir a adequação da devolução dos valores descontados em dobro; (iii) analisar a pertinência da indenização por danos morais e o valor fixado . III. RAZÕES DE DECIDIR 3.A relação entre as partes configura-se como consumerista, conforme os artigos 3º e 17 do Código de Defesa do Consumidor, justificando a inversão do ônus da prova em favor do consumidor. 4 . Nos termos das Resoluções nº 3.919/2010 e nº 4.196/2013 do Banco Central do Brasil, a cobrança de tarifas bancárias deve estar expressamente prevista em contrato ou autorizada pelo cliente, sendo vedada em contas exclusivamente destinadas ao recebimento de salário ou benefício previdenciário. 5. O Banco Bradesco S/A não comprovou a contratação do pacote de serviços que ensejaria a cobrança das tarifas, ônus que lhe competia nos termos do art. 373, II, do CPC, configurando prática abusiva vedada pelo art. 39, III, do CDC. 6. A cobrança indevida de tarifas bancárias sem anuência do consumidor impõe a restituição em dobro dos valores descontados, nos termos do art. 42, parágrafo único, do CDC e do entendimento firmado pelo STJ no EAREsp 676608/RS, aplicável a cobranças indevidas realizadas após 30/03/2021. 7. O desconto indevido de valores da conta-salário do consumidor caracteriza dano moral, pois compromete sua subsistência e viola sua dignidade, não se tratando de mero aborrecimento, conforme entendimento consolidado na jurisprudência . 8. O valor de R\$ 3.000,00 fixado a título de danos morais encontra-se dentro dos parâmetros da razoabilidade e proporcionalidade, considerando a extensão do dano, a capacidade financeira das partes e o caráter pedagógico da condenação, não sendo cabível sua majoração ou redução. 9 . A correção monetária dos valores devidos a título de dano material deve incidir desde a data do efetivo prejuízo (Súmula 43/STJ), e os juros moratórios devem ser computados desde o evento danoso (Súmula 54/STJ). Para os danos morais, a correção monetária incide a partir do arbitramento (Súmula 362/STJ), e os juros de mora contam-se desde o evento danoso (Súmula 54/STJ). IV. DISPOSITIVO 10. Apelação desprovida. Recurso adesivo parcialmente provido. Tese de julgamento: A cobrança de tarifas bancárias sobre conta-salário, sem comprovação de autorização

	expressa do consumidor, configura prática abusiva e impõe a devolução em dobro dos valores descontados, nos termos do art. 42, parágrafo único, do CDC. O desconto indevido de valores essenciais para a subsistência do consumidor gera dano moral presumido, dispensando a comprovação de sofrimento concreto. A indenização por danos morais deve ser fixada com base na razoabilidade, considerando a gravidade do dano, a capacidade financeira das partes e a função punitiva e pedagógica da condenação. A correção monetária dos danos materiais incide desde a data do efetivo prejuízo (Súmula 43/STJ), enquanto os juros moratórios incidem desde o evento danoso (Súmula 54/STJ). Para danos morais, a correção monetária incide a partir do arbitramento (Súmula 362/STJ), com juros moratórios a partir do evento danoso (Súmula 54/STJ) . 	fiduciária. Com o decurso do prazo sem manifestação, autos conclusos. É o sucinto relato. Passo a decidir. A parte autora não apresenta emenda à inicial, conforme determinado, embora intimada através de advogado constituído. Acerca do tema, dispõe o art. 321 do Código de Processo Civil: Art. 321. O juiz, ao verificar que a petição inicial não preenche os requisitos dos arts. 319 e 320 ou que apresenta defeitos e irregularidades capazes de dificultar o julgamento de mérito, determinará que o autor, no prazo de 15 (quinze) dias, a emende ou a complete, indicando com precisão o que deve ser corrigido ou completado. Parágrafo único. Se o autor não cumprir a diligência, o juiz indeferirá a petição inicial. Destaca-se que a intimação da parte para emendar à inicial não tem como pressuposto de validade a sua intimação pessoal, bastando que seja dada ciência ao(a) advogado(a) constituído(a), haja vista que somente ele detém capacidade postulatória para complementá-la. (...) O indeferimento da inicial prescinde de intimação pessoal da parte autora, consoante firme magistério da jurisprudência do Superior Tribunal de Justiça: (...) Desta forma, a parte promovente, ao não proceder com a emenda, providência esta que lhe compete, enquadra-se na hipótese legal de extinção do feito sem análise do mérito. Ante o exposto, com fundamento nos arts. 321, caput, e parágrafo único, e art. 485, inciso I, todos do Código de Processo Civil, INDEFIRO A PETIÇÃO INICIAL; DECLARO EXTINTO O PROCESSO SEM RESOLUÇÃO DE MÉRITO. Nada obstante, sustenta a apelante que o processo “foi extinto porque a autora não apresentou qualificação completa do réu apresentado como DAVI e incluiu no polo passivo a instituição financeira que detém a propriedade do bem por alienação fiduciária” e que “a emenda a inicial não pode ser realizada em tempo hábil por conta da impossibilidade de contato com o supracitado réu a fim de adquirir mais informações sobre o mesmo, o que ocorreu pelo fato do mesmo ter trocado de residência sem informar aos vizinhos para local desconhecido e fora até mesmo do próprio município que residia anteriormente e não responder as mensagens pelas mídias sociais o que tornou inviável qualquer tipo de contato para apuração dos dados necessários ao processo.” Sustenta, ainda, que “com o objetivo de trazer ao processo informações confiáveis e verdadeiras foi-se necessário maior período de tempo, o que impediu a autora de emendar a inicial dentro do prazo legal. Entretanto após os devidos trâmites pode apurar-se na presente data as qualificações verdadeiras e necessárias para a continuidade do processo”, devendo ser aplicado, ao caso, o princípio da instrumentalidade das formas. Requeru o provimento do recurso para o fim de anular a sentença e determinar a continuidade do processo de execução. Sem contrarrazões haja vista não formada a relação processual. É o relatório adotado.

Inicialmente, insta salientar que o Código de Processo Civil prevê, em seu artigo 330, diversas hipóteses de indeferimento da petição inicial, sendo uma delas motivada pelo não cumprimento de diligência pela parte autora. 2. Há muito o Superior Tribunal de Justiça entende que, antes do indeferimento da inicial, é obrigatória a abertura de prazo para que o autor da demanda proceda à emenda da exordial, quando entender que lhe falta um requisito ou documento obrigatório. 3. Compulsando os autos, denota-se que a decisão interlocutória proferida pelo juiz de primeiro grau, fl. 25, determinou que o recorrente comprovasse a condição de hipossuficiência ou recolhesse as custas judiciais devidas, sob pena de indeferimento da inicial. 4. No entanto, o apelante quedou-se silente, incindindo, assim, a preclusão, porquanto não se manifestou em momento oportuno acerca da diligência requerida. Deste modo, agiu com acerto o juiz a quo ao indeferir a petição inicial, extinguindo a demanda sem resolução de mérito. 5. Assim sendo, não merece prosperar o pedido tardio de concessão da gratuidade judiciária, também requerida em grau de recurso, vez que a recorrente tenta se utilizar deste artifício para elastecer o trâmite processual, quando o próprio deu causa a extinção do pedido em razão da sua inércia. 6. Apelo conhecido e improvido. RECURSO CONHECIDO E NÃO PROVIDO. SENTENÇA MANTIDA EM TODOS OS SEUS TERMOS. 1. Tratam os autos de Apelação Cível interposta por Banco Bradesco S/A, em face de sentença (fls. 104/106) proferida pelo Juízo da Vara Única da Comarca de Frecheirinha, que indeferiu a petição inicial de Execução de Título Extrajudicial, ajuizada pelo apelante em face de F.F. Feitosa ME, Francisco Flávio Feitosa e Adriano Aguiar Lima, uma vez que o exequente, ora apelante, mesmo após intimado, não juntou o original da Cédula de Crédito Bancário n. 006.466.329, o que acarretou a extinção do processo, sem resolução do mérito, nos termos do art. 485, I, do CPC/15. 2. O apelante foi devidamente intimado para emendar a inicial, determinando-se a juntada do original da Cédula de Crédito Bancário n. 006.466.329, dentro do prazo legal, nos do art. 321, caput, do CPC/15. Todavia, verifica-se que o implemento dessa determinação foi extemporâneo, na medida em que realizado 26 (vinte e seis) dias úteis após o término do prazo legal, razão pela qual não há que se falar em reforma ou cassação da sentença que julgou extinto o feito, sem apreciação do mérito. 3. Os atos processuais têm oportunidade própria para sua realização. Superada a ocasião adequada para tanto, extingue-se o direito de realizá-lo, nos moldes do que enuncia o art. 223, caput, do CPC/15. Em outros termos, confirma-se a ocorrência do instituto da preclusão temporal, que nada mais é do que a impossibilidade de certo sujeito processual praticar determinado ato em razão de já haver sido esgotado o prazo para sua realização. 4. Ademais, sabe-se que o descumprimento da ordem de emenda da inicial importa indeferimento da exordial e, conseqüentemente, extinção do processo, sem resolução do mérito, conforme o disposto no parágrafo único do art. 321 do CPC/15. Assim, resta irretocável a decisão impugnada. 5. Recurso conhecido e não provido. Sentença mantida em todos os seus termos. Destaco, por oportuno, que a intimação pessoal da parte para suprir a falta processual, prevista no art. 485, §1º, do Código de Processo Civil, é referente aos incisos II e III do mesmo artigo, não se relacionando com o caso exposto, pois sua extinção decorreu da ausência da emenda a inicial pela parte, conforme normativo do art. 321 do CPC. Nesse sentido, colaciono entendimento do Superior Tribunal de Justiça. Vejamos: PROCESSUAL CIVIL. AGRAVO INTERNO NO RECURSO ESPECIAL. AÇÃO DE RITO ORDINÁRIO. EMENDA À INICIAL. PRAZO NÃO CUMPRIDO. EXTINÇÃO DO PROCESSO SEM JULGAMENTO DO MÉRITO. INTIMAÇÃO PESSOAL DÁ PARTE. DESNECESSIDADE. 1. O Superior Tribunal de Justiça tem entendimento firme no sentido de que é desnecessária a intimação pessoal da parte prevista no art. 267, § 1º, do CPC/1973 [art. 485, § 1º, do CPC/15], quando o processo é extinto sem julgamento do mérito, em virtude de não ter sido promovida a emenda da petição inicial. DANO MORAL NÃO CONFIGURADO. RECURSO DESPROVIDO. SENTENÇA MANTIDA. </p> <p style="text-align: justify;"> I. CASO EM EXAME </p> <p style="text-align: justify;"> 1. Ação declaratória de inexistência de relação contratual cumulada com repetição de indébito e indenização por danos morais. A autora alega que teve valores descontados indevidamente de sua conta bancária a título de seguro não contratado. </p> <p style="text-align: justify;"> 2. Sentença de primeiro grau declarou a nulidade do contrato, determinou a restituição em dobro dos valores cobrados indevidamente, mas afastou a indenização por danos morais, sob o fundamento de que o desconto era de valor irrisório. </p> <p style="text-align: justify;"> II. QUESTÃO EM DISCUSSÃO </p> <p style="text-align: justify;"> 3. A controvérsia recursal consiste em verificar: </p> <p style="text-align: justify;"> (i) se a ocorrência de descontos indevidos enseja automaticamente a indenização por danos morais; e </p> <p style="text-align: justify;"> (ii) se a quantia descontada comprometeu significativamente a situação financeira da autora. </p> <p style="text-align: justify;"> III. RAZÕES DE DECIDIR </p> <p style="text-align: justify;"> 4. A jurisprudência pátria estabelece que o mero desconto indevido não caracteriza, por si só, dano moral indenizável, sendo necessário que haja abalo significativo à esfera pessoal do consumidor. </p> <p style="text-align: justify;"> 5. No caso concreto, os valores descontados, ainda que indevidos, foram considerados de pequena monta e não configuraram abalo suficiente para justificar indenização por danos morais. </p> <p style="text-align: justify;"> 6. Em razão da ausência de comprovação de prejuízo extrapatrimonial significativo, mantém-se o afastamento da indenização por danos morais. </p> <p style="text-align: justify;"> IV. Conforme dispõe o artigo 373, inciso I e II, do CPC, cabe à parte autora a devida comprovação do fato constitutivo do direito invocado e a parte Ré, provar a existência de fatos impeditivos, modificativos ou extintivos do direito da autora. </p> <p style="text-align: justify;"> Desse modo, tendo a autora/apelante comprovado a existência de descontos em sua conta bancária (id. 27083165), recairia sobre a promovida o ônus de comprovar a regularidade do contrato e a legitimidade das cobranças realizadas. </p> <p style="text-align: justify;"> No caso concreto, é forçoso reconhecer que houve falha na prestação do serviço, causando danos de ordem material à promovente, visto que a seguradora/recorrida sequer juntou aos autos instrumento contratual, indispensável para comprovar a anuência da promovente. </p> <p style="text-align: justify;"> Assim, demonstrada a falha na prestação dos serviços, configurado está o ilícito civil, o qual enseja pronta reparação dos danos causados, nos termos do art. 14 do Código de Defesa do Consumidor e arts. 186 e 927 do Código Civil Brasileiro. </p> <p style="text-align: justify;"> Definido o dever de indenizar e a restituição dos valores indevidamente descontados do benefício previdenciário da requerente/apelante – inclusive não houve insurgência sobre isso –, cumpre analisar o pleito recursal da parte autora quando a possibilidade de condenação da requerida ao pagamento de indenização por danos morais. </p> <p style="text-align: justify;"> Pois bem. </p> <p style="text-align: justify;"> A existência do dano moral pressupõe a configuração de lesão a um bem jurídico que integra os direitos da personalidade, como a honra, a dignidade, a intimidade, a imagem, o bom nome etc., com base se infere dos arts. 1º, III, e 5º, V e X, da Constituição Federal. </p> <p style="text-align: justify;"> Desse modo, ainda que tenha ocorrido desconto indevido, tal fato não se mostra suficientemente capaz de ensejar o dano moral alegado, posto que não se traduz em qualquer ofensa aos direitos da personalidade a existência de desconto de valor irrisório ocorrido na conta-salário da demandante. </p> <p style="text-align: justify;"> Nesse sentido, converge a jurisprudência desta Primeira Câmara de Direito Privado, que, em reiterados julgados, reconhece que os descontos em valor ínfimo, ainda que indevidos, não são capazes, por si só, de ensejar a reparação por dano moral. 	AUSÊNCIA DE PREJUÍZO EXTRAPATRIMONIAL SIGNIFICATIVO. RECURSOS CONHECIDOS. NÃO PROVIMENTO DO RECURSO DA PARTE AUTORA. PARCIAL PROVIMENTO DO RECURSO DA SEGURADORA RÉ. 1. Trata-se de apelações cíveis interpostas em face da sentença proferida pelo Juízo da Vara Única da Comarca de Chaval, nos autos da Ação Declaratória de Inexistência de Débito c/c Indenização por Danos Morais e Materiais, ajuizada em face de Bradesco Auto/RE Companhia de Seguros S/A. 2. A seguradora não logrou êxito em demonstrar a regularidade da contratação, pelo que se mantém a sentença no tocante a declaração de nulidade do negócio objeto da presente demanda, reconhecendo a inexistência do débito e determinando a restituição do valor das parcelas descontadas, acrescido de juros de 1% ao mês, a contar do dia em que cada desconto foi efetuado (art. 398 do Código Civil e súmula 54 do STJ) e correção monetária pelo INPC a partir da mesma data (Súmula nº 43 do STJ), sendo a restituição na forma simples. 3. Ausente dano à personalidade da parte autora, eis que os descontos ocorridos em 01/02/2016 e 16/11/2016, no valor de R\$ 116,00 (cento e dezesseis reais) e R\$ 145,90 (cento e quarenta e cinco reais e noventa centavos), respectivamente, somente em dois meses são inexpressivos. Ausência de negativação. Acolhidos os argumentos da seguradora, no sentido de reformar a sentença e afastar a condenação ao pagamento de indenização por danos morais. Precedentes. 4. Considerando a sucumbência recíproca e equivalente, determino que os honorários advocatícios e as despesas processuais sejam rateados na mesma proporção entre as partes, observado o percentual estabelecido na origem. Ressalvo, entretanto, a condição suspensiva da condenação da parte autora, nos termos do artigo 98, § 3 do Código de Processo Civil, tendo em vista que é beneficiária da gratuidade judiciária. 5. Recursos conhecidos, para negar provimento ao interposto pela parte autora e dar parcial provimento ao recurso tirado pela seguradora, apenas para afastar a condenação ao pagamento de indenização a título de danos morais, mantendo-se os demais capítulos da sentença recorrida. II. QUESTÃO EM DISCUSSÃO. 2. Há duas questões em discussão: (i) a responsabilidade objetiva da instituição bancária pelas cobranças indevidas, considerando a ausência de comprovação do contrato; (ii) a configuração do dano moral diante do desconto de valores considerados ínfimos. III. RAZÕES DE DECIDIR. 3. A responsabilidade civil da instituição financeira, em casos de relação de consumo, é objetiva, nos termos do Código de Defesa do Consumidor (CDC), art. 14, § 3º, sendo que a instituição bancária deve comprovar que a contratação dos serviços foi solicitada pelo cliente, o que não ocorreu nos autos. 4. A repetição do indébito, em casos de cobrança indevida, independe da comprovação de má-fé, conforme entendimento consolidado pelo STJ no EAREsp 676.608/RS, mas, para os valores descontados antes de 30.03.2021, aplica-se a restituição simples. 5. 	desconto de valores ínfimos, por si só, não configura dano moral, não sendo caracterizada a lesão a direitos da personalidade que ensejaria reparação por danos morais, conforme entendimento jurisprudencial pacífico. 6. Diante da ausência de demonstração de prejuízo relevante e da devolução dos valores indevidamente descontados, não há fundamento para a condenação ao pagamento de indenização por danos morais. IV. DISPOSITIVO E TESE. 7. Recurso parcialmente provido para excluir a condenação por danos morais, mantendo a repetição do indébito de forma simples até 30.03.2021 e em dobro a partir deste data. Tese de julgamento: Em relação de consumo, a responsabilidade do fornecedor de serviços bancários é objetiva, sendo necessária a comprovação da autorização do cliente para eximir-se da obrigação de indenizar por cobrança indevida. A restituição em dobro do indébito independe da má-fé do fornecedor, aplicando-se a modulação de efeitos do STJ no EAREsp 676.608/RS para valores descontados a partir de 30.03.2021. Descontos de valores ínfimos não configuram, por si só, dano moral, não havendo indenização quando a ofensa aos direitos da personalidade não é configurada. RECURSO CONHECIDO E DESPROVIDO. I. Caso em exame 1. Trata-se de recurso de apelação interposta em face da sentença exarada pelo Juízo da Vara Única da Comarca de Lavras da Mangabeira/CE, que julgou parcialmente procedente o pleito autoral para declarar a inexistência de contratação de seguro e condenar o promovido a devolver o valor descontado indevidamente, mas não reconheceu o dano moral. II. Questão em discussão 2. Verificar se é cabível a reforma da sentença em relação à condenação por danos morais e à majoração dos honorários advocatícios. III. Razões de decidir 3. O dano moral não se configura no caso concreto, pois não houve lesão a direitos da personalidade da parte requerente. O valor descontado, de R\$ 37,40, é ínfimo e não comprometeu a subsistência do consumidor, sendo considerado um mero aborrecimento. Esta conclusão está em consonância com o entendimento desta Câmara, que considera que descontos de valores írisórios não configuram dano moral indenizável. 4. Quanto aos honorários advocatícios, a fixação em 10% do valor da causa, conforme o art. 85, § 2º do Código de Processo Civil (CPC), foi adequada e em consonância com os critérios legais, como o grau de zelo do profissional, a natureza da causa e o trabalho realizado. 	assim decidi, &#160; Tendo em vista a regularidade formal da declaração e dos documentos apresentados, HOMOLOGO, por sentença, para que produza seus jurídicos e efeitos legais, o plano de partilha apresentado às fls. 358/364, dos bens deixados pelo falecimento de Antônio Augusto Braz, salvo erro ou omissão e ressalvados os direitos de terceiros, especialmente das Fazendas Públicas. A sentença proferida homologou o Plano de Partilha apresentado em fls. 358/364, dos bens deixados pelo falecimento de ANTÔNIO AUGUSTO BRAZ, sem levar em consideração a reserva dos bens determinada na Ação de Habilitação de Crédito de nº 0014919-12.2024.8.06.0001. No caso em questão, verifica-se a existência do vício apontado pelo embargante, uma vez que a Sentença determinou que, após o trânsito em julgado, o recolhimento das custas processuais e a apresentação das certidões negativas de débitos fiscais, fosse expedido o formal de partilha e/ou alvará judicial. No entanto, não foi observada a reserva do bem, que, neste caso, era necessária para garantir o eventual pagamento futuro de uma dívida, visto que o credor estava munido de documentos comprobatórios da obrigação na referida Ação mencionada logo acima. Conclui-se que os argumentos trazidos nos declaratórios devem prosperar, assim, diante do exposto, vislumbro a propriedade do manejo dos embargos de declaração, a Sentença passa a ser complementada, com a inclusão a seguir: Deixo de expedir o formal de partilha e/ou Alvará Judicial, devendo os bens aqui arrolados permanecer à disposição deste Juízo, salientando que são inferiores ao crédito apontado na Ação de Habilitação, até que as questões/débitos pendentes sejam resolvidos e o credor tenha recebido satisfatoriamente o seu pagamento. No mais, mantém-se a Sentença. Posto isto, RECEBO e dou PROVIMENTO aos presentes embargos de declaração. Na ambiência deste egrégio Sodalício, por decisão monocrática, rejeitei as razões postas no apelo mantendo a sentença proferida na origem, o que deu ensejo à interposição do presente recurso de agravo interno. Em suas razões recursais, sustentam os agravantes que “o presente processo trata bens deixados por ANTONIO AUGUSTO BRAZ, no qual a meeira e os herdeiros entraram em composição amigável, acerca da partilha dos bens do de cujus, ocasião em que o Plano de Partilha amigável foi homologado por sentença (fls. 370/374). Todavia, irredimido com tal decisão o credor Sr. Roncalli interpôs Embargos de Declaração pugnando pela reserva dos bens para o pagamento da suposta dívida. O N. magistrado a quo ao analisar a questão atendeu ao pedido do credor e determinou a reserva dos bens do espólio o que data máxima vênica, não pode prosperar.” Sustentam, ainda, que “no que concerne ao pedido de reserva de bens, o mesmo não deve prosperar uma vez que o crédito ao qual o Embargante busca a reserva para a satisfação NÃO é líquido, certo e exigível, ante ao fato de o suposto crédito proveniente de Contrato de Locação Comercial, ainda está sendo discutido através da Ação Rescisão Contratual com Despejo - Processo nº 0262469-53.2023.8.06.0001 – atualmente em tramite perante a 17ª Vara Cível da Comarca de Fortaleza”. Requereu o provimento do recurso de agravo interno para o fim de reformar a decisão agravada e dar provimento ao recurso de apelação. Devidamente intimado, o agravado ofertou contrarrazões as quais se encontram alojadas ao ID 22174647. É o relatório adotado. V O T O - Conheço do recurso, eis que vislumbro presentes os requisitos de admissibilidade previstos no CPC. Na hipótese, a discussão posta

	nesta recurso cinge-se a apenas um aspecto: se é o caso de manter a reserva ordenada pelo juízo primeiro, do crédito habilitado nos autos da ação de inventário pelo apelado sr. Roncalli de Freitas Paiva. &#160; Cabe destacar que o crédito restou habilitado nos autos de ação de habilitação de crédito e confirmado pela sentença que decidiu o inventário (fls. 370/374 e 423/424, E-Saj). &#160; Pois bem. É fato que, instaurado, por parte dos agravados, o pedido de abertura de inventário dos bens deixados pelo falecimento de seu genitor, senhor ANTÔNIO AUGUSTO BRAZ, o apelado – sr. RONCALLI DE FREITAS PAIVA – ofertou pedido de habilitação de crédito (processo nº 0014919-12.2024.8.06.0001) alegando ser credor do espólio de dívida oriunda de contrato de locação. &#160; Após, os ora apelantes impugnarem a referida habilitação de crédito, o eminente juiz titular da 2ª Vara de Sucessões desta Comarca de Fortaleza, julgou procedente o incidente o que fez ancorado nos seguintes fundamentos, in verbis: &#160; ((...) o contrato de locação é título executivo extrajudicial, conforme inteligência do art. 784, do CPC, portanto a sentença embargada deve ser alterada, para constar que fica determinado a separação de bens prevista no parágrafo único artigo 643, do Código de Processo Civil, tendo em vista que os documentos juntados aos autos e o pedido formulado pelos habilitantes preenchem os requisitos desse dispositivo, a não reserva desses valores, pode gerar sérios prejuízos aos possíveis credores. (...) Isto posto, e com fulcro nos aludidos dispositivos legais, determino que sejam reservados do ESPÓLIO de ANTÔNIO AUGUSTO BRAZ, os numerários e/ou bens suficientes para pagamento do crédito no valor de R\$ 416.357,81 (quatrocentos e dezesseis mil e trezentos e cinquenta e sete reais e oitenta e um centavos), podendo os referidos valores serem liberados, na hipótese do não reconhecimento do crédito nas vias ordinárias, tudo conforme artigo 643, parágrafo único do CPC. &#160; Consoante o artigo 643, § único, do CPC, citado pelo eminente Juiz: “Não havendo concordância de todas as partes sobre o pedido de pagamento feito pelo credor, será o pedido remetido às vias ordinárias. Parágrafo único. O juiz mandará, porém, reservar, em poder do inventariante, bens suficientes para pagar o credor quando a dívida constar de documento que comprove suficientemente a obrigação e a impugnação não se fundar em quitação.” No caso, a dívida cobrada pelo apelante é originária de Contrato de Locação Comercial em que o falecido senhor ANTÔNIO AUGUSTO BRAZ figura na qualidade de fiador (obrigação solidária), sendo certo, a teor do que estabelece o artigo 1.997, do CC “A herança responde pelo pagamento das dívidas do falecido”. &#160; E, segundo a mais moderna jurisprudência do SUPERIOR TRIBUNAL DE JUSTIÇA (STJ) “é inexigível, para a reserva de bens de que trata o art. 642 do CPC, que a dívida cobrada do espólio seja líquida e certa, sendo suficiente a comprovação documental de sua existência” (STJ. AgInt no AREsp nº 2.240.484/SP. Rel. Min. João Otávio de Noronha. Quarta Turma. DJe: 02/05/2024). &#160; Ainda neste sentido: Apelação cível. Direito civil e processual civil. Pedido de habilitação de crédito em inventário. Preliminar de prescrição rejeitada. Ausência de concordância dos herdeiros. Pressuposto de desenvolvimento regular do processo no juízo das sucessões. Envio do pedido às vias ordinárias. Dívida amparada em documento que comprova suficientemente a obrigação. Reserva de bens para pagamento do credor. Recurso conhecido e parcialmente provido. I. Caso em exame 1. Trata o caso de apelação interposta contra sentença que julgou procedente o pedido de habilitação de crédito em inventário e

	determinou a separação de bens suficientes para o pagamento, ainda que tenha havido a discordância dos herdeiros, sob o fundamento de que a petição está acompanhada de prova literal da dívida líquida, certa e exigível. II. Questão em discussão 2. A questão em discussão consiste em analisar a eventual prescrição do débito e se a discordância dos herdeiros com o pedido de habilitação de crédito certo e exigível é suficiente para sua remessa às vias ordinárias. III. Razões de decidir 3. Conforme a súmula 150 do STF, prescreve a execução no mesmo prazo de prescrição da ação. Desse modo, tendo o título judicial sido originado de pretensão de reparação civil, aplica-se o prazo de prescrição trienal previsto no art. 206, § 3º, V do Código Civil, cujo termo inicial é a data do trânsito em julgado da ação que constituiu o a obrigação em título executivo judicial. 4. Desse modo, da análise dos autos do processo nº 3903634-25.2010.8.06.0004, é possível concluir que a pretensão executória foi exercida antes do decurso do prazo prescricional, pois a sentença do processo de conhecimento foi proferida em 11/05/2016 e a fase de execução se iniciou no ano de 2017, prosseguindo nos anos posteriores, diante da ausência de cumprimento voluntário da obrigação, através da busca de bens do executado até se chegar ao pedido de habilitação do crédito em ação de inventário, portanto, rejeito a preliminar de prescrição. 5. Segundo dispõe o art. 643 do Código de Processo Civil, não havendo a concordância dos herdeiros, o pedido de habilitação de crédito no inventário deverá ser remetido às vias ordinárias. Contudo, quando a dívida constar de documento que comprove suficientemente a obrigação e a impugnação não se fundar em quitação, o juiz deverá determinar a reserva, em poder do inventariante, de bens suficientes para pagar o credor. 6. Em aplicação à referida norma, o Superior Tribunal de Justiça possui o entendimento consolidado no sentido de que, ainda que se trate de crédito líquido e exigível, a habilitação do crédito no inventário só pode ocorrer se houver a concordância das partes, caso contrário o pedido deverá ser remetido às vias ordinária. Precedentes. 7. Nesse contexto, sendo inequívoca a discordância dos herdeiros quanto ao pedido de habilitação do crédito, a sentença deve ser reformada nesse ponto, para indeferir o pedido e determinar a sua remessa às vias ordinárias. Contudo, verificando-se que a dívida está amparada em documento que comprova suficientemente a obrigação e não estando impugnação fundada em quitação, procedeu com acerto o juízo de primeiro grau ao determinar a reserva dos bens suficientes ao pagamento do credor, por tratar-se da medida expressamente prevista no parágrafo único do referido art. 643 do CPC, devendo, portanto, a sentença ser mantida nesse assunto. IV. Dispositivo e tese 8. Recurso conhecido e parcialmente provido. Tese de julgamento: 1. Inexistência de prescrição. 2. Pedido de habilitação de crédito em inventário. 3. Ausência de concordância dos herdeiros. 4. Remessa do pedido às vias ordinárias. 5. Dívida amparada em documento que comprova suficientemente a obrigação. 6. 	Julgador EDUARDO DE CASTRO NETO Juiz Convocado Relator RELATÓRIO Trata-se de Recurso de Apelação interposto por Expedito Ferreira Lima, com o escopo de adversar a sentença proferida pelo MM. Juízo da Vara Única da Comarca de Cedro, que julgou improcedentes os pedidos formulados na ação Declaratória de Inexistência de Negócio Jurídico c/c Indenização por Danos Morais e Repetição de Indébito, ajuizada em desfavor do Banco Daycoval S/A. Em suas razões recursais o autor/recorrente sustenta, preliminarmente, que “é de conhecimento consolidado que, em demandas que envolvam alegações de fraude ou vício de consentimento, a prova pericial é meio necessário para a formação da convicção do julgador, especialmente quando a parte nega a assinatura de documento eletrônico. O douto juízo a quo julgou a lide antecipadamente, indeferindo de forma imotivada a prova pericial requerida na réplica, apesar dos robustos indícios de fraude documental apresentados pela apelante”. No mérito, sustenta, que “o extrato bancário acostado aos autos (ID 129758912) demonstra a existência do referido contrato de empréstimo, firmado em 29/01/2024, no valor de R\$ 16.805,78 (dezesesseis mil oitocentos e cinco reais e setenta e oito centavos). Contudo, a instituição financeira sustenta que o contrato discutido nos autos não se refere a uma nova operação de crédito, mas sim a um refinanciamento de dois contratos anteriores (nº 55-012761428/23 e nº 55-012761426/23), supostamente firmados ambos em 15/02/2023”. Em continuidade, sustenta, que “tal alegação revela-se absolutamente inverossímil e indicativa de possível fraude praticada pela instituição financeira, eis que não é razoável presumir que o apelante tenha contratado dois empréstimos distintos no mesmo dia, sem qualquer evidência de depósito correspondente em sua conta bancária, tampouco tendo sido juntados aos autos os respectivos instrumentos contratuais originais que comprovem tais operações pretéritas. Além disso, o Banco Apelado realizou uma transferência via TED (ID 129758906), no valor de apenas R\$ 2.744,63 (dois mil setecentos e quarenta e quatro reais e sessenta e três centavos), valor este desproporcional e incompatível com o alegado montante global de R\$ 16.805,78 (dezesesseis mil oitocentos e cinco reais e setenta e oito centavos) que seria objeto do contrato em discussão”. Argumenta, depois, que “a apelada não apresentou qualquer certificado válido de formalização do contrato, tampouco documentos que comprovem o vínculo entre a Apelante e o aparelho usado na contratação, ônus que lhe competia nos termos do art. 373, II, do CPC”. Sustenta, depois, que “em razão da conduta ilícita praticada pela parte recorrida, que realizou descontos indevidos sobre o benefício previdenciário da autora, sem a devida comprovação de contratação regular, é inequívoca a configuração de danos morais”. Em seguida, sustenta, que “em consonância com a jurisprudência dominante e os princípios da proporcionalidade e razoabilidade, é imprescindível que a parte recorrida seja responsabilizada pelo ato ilícito cometido, com a fixação de um valor independente da repetição do indébito, visando compensar a dor e o sofrimento que a recorrente experimentou, não apenas pela conduta da instituição financeira, mas pela ausência de respeito ao consumidor e à legislação que rege os contratos bancários”. Contrarrazões Id.27086682. É o que importa relatar. VOTO Exercendo o juízo de admissibilidade, verifico o atendimento de todos os requisitos intrínsecos e extrínsecos que o compõem, levando-o ao qualificativo da positividade e, assim, ao conhecimento do recurso. Passo, então, ao seu deslinde. Depreende-se da leitura dos fólios processuais, que o autor/recorrente busca através da presente demanda declarar nulo o contrato de empréstimo consignado citado na exordial (nº 55-018099370/24), firmado em seu nome junto à instituição bancária promovida, bem como, a restituição em dobro, dos valores descontados, e ainda, indenização pelos danos morais sofridos. O douto magistrado singular entendeu pela improcedência dos pedidos autorais, uma vez que, não havendo demonstração de ilicitude da contratação, e restando demonstrada a expressa anuência da autora no aperfeiçoamento contratual, incabível se torna a condenação da instituição

Processo	0200900-16.2024.8.06.0066
	financeira/requerida em devolução de valores e em pagamento de danos morais. O cerne da controvérsia recursal consiste em analisar a regularidade da contratação de empréstimo consignado e, por consequência lógica, na possibilidade da restituição de valores, e, por fim, da incidência de indenização a título de danos morais. Sobre a temática em testilha, inicialmente, cumpre ressaltar que de acordo com a Súmula n.º 297, do Superior Tribunal de Justiça, as relações existentes entre correntistas e bancos devem ser examinadas à luz da lei consumerista: “ O Código de Defesa do Consumidor é aplicável às instituições financeiras”. Preliminar de cerceamento de defesa - Argumenta o autor/recorrente que o julgamento antecipado da lide sem que fosse procedida a dilação probatória necessária, notadamente a realização de perícia grafotécnica no contrato em discussão, ocasionou cerceamento de defesa, razão pela qual pugna pela anulação da sentença e o retorno dos autos ao juízo de origem para a produção da prova requerida. Na espécie, entendo que não houve cerceamento de defesa, <u>uma vez que o magistrado fundamentou sua decisão levando em consideração o conjunto probatório fornecido nos autos</u>. Ademais, consoante jurisprudência pacífica do STJ “ não há cerceamento de defesa quando o magistrado, com base em suficientes elementos de prova e objetiva fundamentação, julga antecipadamente a lide”. (AgRg no REsp 1206422-TO), exercendo o seu livre convencimento de forma motivada e utilizando, para tanto, dos fatos, provas, jurisprudências, aspectos pertinentes ao tema e legislação que entender aplicável a cada caso, especificamente. Além disso, no caso dos autos, o empréstimo consignado foi realizado por meio eletrônico e a entidade bancária/recorrida juntou o contrato discutido nessa demanda assinado por meio de autenticação eletrônica e fotografia do momento da contratação (Id. 27086645). Daí que, a realização de perícia grafotécnica no contrato impugnado em nada contribuiria para atestar se a assinatura contida neste partiu do promovente, porquanto, o documento foi assinado de forma eletrônica. Desse modo, o pedido de perícia grafotécnica requerida pelo promovente/recorrente não apresenta congruência com o feito, tendo em vista que, como dito, o contrato impugnado é digital com autenticação eletrônica. Logo, não há que se falar em cercamento de defesa. Para reforçar a validade da contratação, a instituição financeira/recorrida, acostou aos autos o protocolo digital (Id. 27086645/7), onde consta dados de localização e IP, dispositivo utilizado, com informação do dia e horário da coleta dos dados. Nesse sentido: APELAÇÃO CÍVEL. EMPRÉSTIMO CONSIGNADO. JULGAMENTO ANTECIPADO. SENTENÇA IMPROCEDENTE. PARTE AUTORA PUGNA PELA REALIZAÇÃO DE PERÍCIA GRAFOTÉCNICA. IMPOSSIBILIDADE. No caso, a Sentença declarou a

	regularidade de negócio jurídico, referente a realização de um empréstimo consignado de contrato n.º 639344372. 2., Preliminar de cerceamento de defesa. Alegou a apelante que houve cerceamento de defesa em razão do Juízo a quo ter indeferido o seu pedido de produção de prova pericial da assinatura eletrônica por biometria facial do contrato consignado, em virtude da alegativa de indícios de falsidade na assinatura. 3. Quanto a preliminar supracitada, verifico nos autos que a instituição financeira juntou aos autos o contrato (fls. 76/85), devidamente assinado eletronicamente com foto (fls. 87), os documentos pessoais do consumidor (fls. 84/85) e comprovante de transferência do valor tido como contratado (fls. 86). Nesse contexto, não prospera o pleito de cerceamento de defesa, uma vez que trata-se de contrato assinado de forma eletrônica, com validação por biometria facial, podendo o Juiz indeferir as provas inúteis, protelatórias ou desnecessárias, conforme precedentes do STJ, o que é o caso dos autos, uma vez que consta, inclusive, constando geolocalização por meio de latitude e longitude da assinatura, onde tais dados geográficos recaem no município de Iguatu/CE, limítrofe ao município de Quixelô/CE, local de residência do consumidor. 4 - Dessa forma, em razão das alegações postas pelo consumidor não trazerem quaisquer indícios de fraude/falsificação de tal assinatura, além da própria parte, quando intimada do anúncio do julgamento antecipado da lide (fls. 135) nada ter manifestado, entendo que não subsiste o cerceamento de defesa alegado. 5. Nos termos do art. 14, caput e § 3º, do CDC, o dever da instituição financeira em reparar eventuais danos provocados a terceiros, decorrentes de sua atividade no mercado de consumo, pauta-se pela responsabilidade objetiva com fundamento na teoria do risco do empreendimento, sendo, então, despicienda a comprovação da culpa do prestador no caso. 6. Nesse contexto, deve o prestador do serviço envidar todos os esforços para provar a litude das práticas que realizar, apenas revelando possível a exclusão de sua responsabilidade se forem comprovadas quaisquer das hipóteses previstas no § 3º ou caso fortuito externo e força maior. 7. No caso dos autos, conclui-se que a contratação do negócio jurídico, ante a comprovação da assinatura do contrato de forma eletrônica por meio de biometria facial, em conjunto com seu documento pessoal e comprovação do recebimento dos valores, além de geolocalização, endereço de IP e número de telefone, foi devidamente regular, devendo a sentença ser ratificada em todos os seus termos. 8. Logo, não procede a argumentação do autor/apelante no sentido de que fora vítima de fraude, a justificar o pleito indenizatório, até porque, pouco crível que fraudadores realizasse financiamento em nome da parte autora para liquidar contratos pretéritos em seu nome. Na verdade, o requerente/recorrente não apresentou nenhuma evidência que elidisse a veracidade das provas apresentadas pela instituição financeira/apelada. Desse modo, a apontada fraude na celebração do contrato não ficou evidenciada, posto que, a instituição financeira não somente apresentou o contrato firmado, assinado eletronicamente pelo autor/apelante, como também comprovou o regular cumprimento do pacto, de modo que, os descontos realizados em seu benefício previdenciário restam albergados pela legalidade, não havendo que se falar em danos materiais e morais. DEPÓSITO DO CRÉDITO NA CONTA BANCÁRIA DA AUTORA. COMPROVADO. REGULARIDADE DA CONTRATAÇÃO CONSTATADA. FALHA NA PRESTAÇÃO DO SERVIÇO INEXISTENTE. RECURSO CONHECIDO E PROVIDO. SENTENÇA REFORMADA. 1. Trata-se de recurso de apelação cível interposto pelo Banco Santander (Brasil) S/A, objetivando a reforma da sentença proferida às fls. 127/137 pelo Juízo da Vara Única da Comarca de Tamboril/CE, que julgou procedente a presente Ação Declaratória de Inexistência de Débito c/c Pedido Indenizatório, proposta por Maria Lima Paiva contra a instituição financeira recorrente. 2. O cerne da controvérsia consiste em verificar a validade do contrato de empréstimo consignado nº 262387976, conforme delineado na petição inicial, celebrado entre a instituição financeira apelante e a parte autora, bem como o cabimento de restituição em dobro e indenização por danos morais. 3. Sobre o assunto, esta e. Primeira Câmara de Direito Privado firmou entendimento de que a confirmação da regularidade ou irregularidade do negócio depende de provas concretas sobre (a) a anuência da consumidora sobre os descontos realizado e (b) o recebimento do crédito por parte da promovente. 4. E analisando os fólios desta pasta processual, verifico que o banco juntou cópia do contrato de empréstimo consignado questionado, tendo este sido assinado digitalmente (fls. 73/80). Ademais, fora juntado aos autos documento às fls. 81/102, no qual constam a selfie da consumidora, a sua geolocalização no momento da contratação, a identificação do IP e do dispositivo utilizado para o acesso aos endereços eletrônicos do requerido, para fins de validação do acerto contratual. Outrossim, conforme é possível se inferir do extrato bancário anexado aos presentes fólios processuais pela própria requerente, mais especificamente à fl. 28, o valor relativo ao empréstimo contratado fora depositado na conta bancária de titularidade da autora, na data de 20 de janeiro de 2023. 5. À vista das provas documentais apresentadas pelo promovido, ora apelante, confere-se que a instituição financeira se desincumbiu do ônus probante que lhe cabia, o que conduz ao entendimento de validade da contratação em deslinde. Precedentes do TJCE. 6. Nesse contexto, insta salientar que a jurisprudência pátria, inclusive desta e. Corte de Justiça, tem se manifestado pela validade da contratação de empréstimo consignado na via eletrônica. A propósito, ao tratar de contratos formalizados por meio eletrônico, o comum acordo entre as partes, ou apenas o consentimento do contratante, dá-se por intermédio de mecanismos de segurança que buscam validar a aquiescência das partes aos termos do contrato, como a assinatura eletrônica, por meio da qual se permite extrair o aceite entre o emissor e o receptor, a exemplo de senhas, ações específicas, e-mail ou número de telefone. 7. RAZÕES DE DECIDIR </p> <p style="text-align: justify;"> 3. A jurisprudência consolidada no Superior Tribunal de Justiça (Tema 1150) estabelece que o prazo prescricional para ressarcimento de danos em conta vinculada ao PASEP é decenal, tendo início na data em que o titular comprovar ciência dos desfalques. </p> <p style="text-align: justify;">4. Na hipótese dos autos, o termo inicial deve ser fixado na data de obtenção do extrato completo da conta PASEP pela autora, ocorrida em 14/03/2024. Como a ação foi ajuizada em 02/09/2024, não há prescrição. </p> <p style="text-align: justify;"> 5. O julgamento da lide nesta instância não se mostra adequado, pois a demanda requer dilação probatória, especialmente a realização de perícia contábil. </p> <p style="text-align: justify;">6. 	Verdana EmbeddedFont, Verdana MSFontService, sans-serif;">&#160; &#160; Cuida-se de recurso de apelação cível interposto por MARIA HELENA TAUMATURGO FRANÇA, contra sentença prolatada pelo douto Juízo da 29ª Vara Cível desta Comarca de Fortaleza, que julgou improcedente a Ação Indenizatória proposta em desfavor do Banco do Brasil S/A, nos seguintes termos: [...] In casu, vejo que o saque do PASEP ocorreu em de que 30-06-2014, conforme documento de fl. 35, que foi a data que a autora tomou ciência do desfalque de sua conta PASEP, surgindo daí, o direito de ajuizar o pleito para correção de tais inconsistências. Dessa forma, sendo o termo inicial do prazo decenal em 30-06-2014, verifica-se que o autor poderia ajuizar a ação até 30-06-2024, porém, somente protocolou a presente demanda em 02/09/2024, quando já havia transcorrido mais de dez anos, da sua ciência, restando prescrita o direito autoral de promover a ação. Assim sendo, vislumbro que estando o direito autoral prescrito, impõe-se o julgamento de improcedência liminar do pedido autoral, nos termos preconizado no artigo 332, § 1º do CPC, por ser norma cogente e matéria de ordem pública, conhecível de ofício e a qualquer tempo. Feitas tais digressões, pelo exposto e por tudo o mais que dos autos consta, JULGO LIMINARMENTE IMPROCEDENTE a presente ação, extinguindo o feito com resolução do mérito, por sentença, em razão do reconhecimento da prescrição do direito autoral, com esteio nos artigos 332, § 1º e 487, II e § único do Digesto Processual Civil, a pronunciando. Sem sucumbência e sem custas pela não formação da relação processual. Gratuidade deferida. &#160; Em razões recursais a autora/apelante sustenta, em suma, que "(...) revisitando os extratos da conta vinculada de nº 1.002.290.103-2, os quais foram recepcionados pela ora Apelante somente em 14/03/2024(...) aplicando-se a teoria da actio nata.(...)" Ao final, postula pelo "conhecimento e provimento do recurso, para que seja reformada a sentença de origem, reconhecendo-se o erro material quanto ao marco inicial da prescrição alterando-se o teor daquele decism ante os fundamentos documentais e de direito constantes da presente Apelação." Sem contrarrazões. É o relatório. VOTO &#160; Exercendo o juízo de admissibilidade, constato o atendimento dos requisitos intrínsecos e extrínsecos que o compõem, levando-me ao qualificativo da positividade e, assim, ao conhecimento do recurso apelatório. Passo, então, ao seu deslinde. O cerne da controvérsia recursal consiste em avaliar se o douto magistrado a quo agiu acertadamente ao julgar improcedente a ação, pelo fundamento da prescrição do direito da autora. Pois bem. Sobre o termo inicial para contagem do prazo prescricional, cumpre destacar a inteligência do artigo 189 do Código Civil, que consagra o princípio da actio nata, o qual assevera que a prescrição só começa a correr após a efetiva lesão do direito, in verbis: &#160; Art. 189. Violado o direito, nasce para o titular a pretensão, a qual se extingue, pela prescrição, nos prazos a que aludem os arts. 205 e 206. &#160; Assim, com base na teoria da actio nata, a prescrição tem início quando o titular do direito subjetivo violado obtém plena ciência da lesão e de toda a sua extensão (STJ. AgInt no AREsp 1500181/SP, 3ª Turma. Rel. Ministro Marco Aurélio Bellizze, J. 22.06.21). Com efeito, embora o magistrado a quo tenha considerado a data do saque como sendo o momento em que a autora tomou ciência dos desfalques, ressalto que a Primeira Câmara de Direito Privado têm inclinado seu entendimento no sentido de que o termo inicial da contagem do prazo prescricional da pretensão autoral se dá quando do recebimento do extrato ou das microfilmagens da conta. 	Comarca de Canindé/CE, que julgou liminarmente improcedente a Ação de Indenização por Danos Materiais e Morais, declarando a prescrição da ação, com fulcro no art. 487, inciso II, c/c art. 332, § 1º, do CPC. II. QUESTÃO EM DISCUSSÃO 2. Cinge-se a controvérsia recursal em aferir se está configurada a prescrição da ação proposta para discutir a suposta irregularidade na gestão e atualização monetária dos valores depositados em conta vinculada ao PASEP. III. RAZÕES DE DECIDIR 3. A matéria em discussão foi objeto de apreciação pelo eg. Superior Tribunal de Justiça, quando afetou ao rito dos recursos repetitivos o Tema nº 1.150, tendo o Tribunal da Cidadania uniformizado a interpretação da legislação infraconstitucional por meio das teses a seguir destacadas: i) o Banco do Brasil possui legitimidade passiva ad causam para figurar no polo passivo de demanda na qual se discute eventual falha na prestação do serviço quanto a conta vinculada ao PASEP, saques indevidos e desfalques, além da ausência de aplicação dos rendimentos estabelecidas pelo Conselho Diretor do referido programa; ii) a pretensão ao ressarcimento dos danos havidos em razão dos desfalques em conta individual vinculada ao PASEP se submete ao prazo prescricional decenal previsto pelo artigo 205 do Código Civil; e iii) o termo inicial para a contagem do prazo prescricional é o dia em que o titular, comprovadamente, toma ciência dos desfalques realizados na conta individual vinculada ao PASEP. 4. Com efeito, a fluência do prazo prescricional de dez anos para a parte exercer a pretensão condenatória começa a partir da data em que se tem conhecimento da lesão. Sendo assim, de acordo com o princípio da actio nata, o direito de pleitear a indenização surge quando a lesão e suas consequências são constatadas. Com base nisso, o entendimento mais escorreito é no sentido de que o termo inicial da contagem do prazo prescricional da pretensão autoral se dá quando do recebimento do extrato ou das microfotografias da sua conta. Em exame do caderno processual, tem-se que a autora recebeu os extratos em 19 de junho de 2024, cerca de 4 (quatro) meses antes do ajuizamento da ação (17.10.2024), de modo que não há que falar em prescrição. 5. Assim, revela-se impositiva a anulação da sentença, em vista da falta de decurso do prazo prescricional. IV. DISPOSITIVO 6. Recurso provido. (Apelação Cível&#160;- 0201722-38.2024.8.06.0055, Rel. Em suas razões recursais a recorrente sustenta, que “ao contrário do que pensou o eminente magistrado, as ações veiculadas tratam não da obtenção de enriquecimento ilícito pelo

	autor/apelante, mas sim de minoração de danos causados, enquanto vítima de possível fraude utilizando-se o seu nome, oportunidade que se pretendia provar pelos meios hábeis cabíveis, mas que foi liminarmente ceifada, em grave violação ao princípio da ampla defesa, artigo 5º, LV da Constituição Federal". Argumenta, ainda, que "a decisão fere de morte ainda o próprio Código de Defesa do Consumidor, pois, sendo o ônus da prova invertido para o fornecedor, considerou o Juiz a quo, que o autor se utilizou indevidamente do Poder Judiciário para fins de má-fé, presumindo questão de mérito, sem enfrentá-lo". Ao final, requereu o conhecimento e provimento do presente recurso, e, consequentemente, a anulação da sentença do juízo a quo, devolvendo o processo ao primeiro grau para regular prosseguimento do feito. A parte apelada não apresentou contrarrazões. É o que importa relatar. <u>VOTO</u> Exercendo o juízo de admissibilidade, constato o atendimento dos requisitos intrínsecos e extrínsecos que o compõem, levando-me ao qualificativo da positividade e, assim, ao conhecimento do recurso apelatório. O magistrado de primeiro grau indeferiu a petição inicial, por ausência de interesse de agir, ao fundamento que houve abuso no direito de demandar, visto que, o requerente deveria ter ingressado com uma única demanda a fim de discutir as cobranças realizadas pela instituição financeira e não a interposição de 02 (duas) ações. Após análise, embora tratem de questões semelhantes, ou seja, envolvendo descontos não reconhecidos ocorridos em benefício previdenciário da parte requerente, os objetos são distintos. É imperioso ressaltar que, em diversos julgados, este relator entendeu que o fracionamento de ações consiste em um verdadeiro abuso do direito de demandar, ante a propositura de diversas ações contra a mesma parte e pedido de declaração de inexigibilidade de débito, o que configura conduta processual temerária e abusiva. Entretanto, no presente caso, diversamente do fundamento sentencial, entendo que a conduta do causídico da parte demandante em interpor 02(duas) ações não caracteriza prática de litigiosidade predatória, nos termos parametrizados na Recomendação nº 127 de 15/02/2022 do Conselho Nacional de Justiça (CNJ), que dispõe: Art. 2º Para os fins desta recomendação, entende-se por judicialização predatória o ajuizamento em massa em território nacional de ações com pedido e causa de pedir semelhantes em face de uma pessoa ou de um grupo específico de pessoas, a fim de inibir a plena liberdade de expressão. Assim sendo, considero desarrazoada a conclusão do juízo a quo de que a situação fática posta em deslinde configura fracionamento indevido de ações, caracterizando violação ao princípio da cooperação e evidencie a falta de interesse de agir da parte autora. Entendo, pois, que, não restou evidenciada a ocorrência de demanda temerária. A propósito: DIREITO PROCESSUAL CIVIL E DIREITO DO CONSUMIDOR. DECLARATÓRIA DE INEXISTÊNCIA DE DÉBITOS C/C INDENIZAÇÃO. PRINCÍPIO DA INAFASTABILIDADE DA TUTELA JURISDICIONAL. PRINCÍPIO DA PRIMAZIA DO JULGAMENTO DE MÉRITO. RECURSO CONHECIDO E PROVIDO. SENTENÇA ANULADA. I- Cinge-se a controvérsia em perquirir o acerto ou desacerto da sentença impugnada, que indeferiu a petição inicial, sob a fundamentação de existência de três ações, esta e outras duas, ajuizadas pela autora buscando anular descontos, supostamente indevidos, o que configuraria ausência de interesse processual, uma vez que a parte deveria ajuizar somente uma demanda. II- No caso concreto, conquanto os processos versem sobre matéria similar, ou seja, cobranças indevidas; referem-se a descontos de timbres, contratos e períodos diversos; assim, relações jurídicas distintas. Patente, pois, a legitimidade e o interesse processual. III- O fundamento utilizado pelo magistrado sentenciante não se aplica ao caso sub judice, ante a diferenciação entre as ações paradigmas por ostentarem como causa de pedir contratos diversos, o que descaracteriza a multiplicidade de ações; afastando-se, pois, a ocorrência do instituto da conexão e, ainda, a possibilidade de ocorrência do mero risco de decisões conflitantes, a que se refere o art. 55, § 3º do CPC. IV- Em que pese se tratar das mesmas partes, o fato de cada processo ostentar Contratos distintos, já é o suficiente para que se permita o processamento em separado, porquanto, antes de ser uma obrigação, a

	reunião dos pedidos em uma só demanda é uma faculdade (art. 327, CPC). V- Em homenagem aos princípios da cooperação, da inafastabilidade da tutela jurisdicional e da primazia do julgamento de mérito; devem os autos retornar ao juízo de origem para que a inicial seja recebida, processada e sentenciada, na forma da lei. RETORNO DOS AUTOS À ORIGEM PARA REGULAR PROSSEGUIMENTO DO FEITO. RECURSO CONHECIDO E PROVIDO. 1 . Trata-se de recurso de apelação interposto contra sentença que decretou a extinção do processo, sem julgamento do mérito, por ausência de legitimidade ou de interesse processual, na forma do art. 485, VI, do CPC, sob o fundamento de que o ajuizamento de demandas de massa pelo apelante viola os princípios da razoável duração do processo, eficiência e da cooperação, expondo a falta de interesse de agir, e que o ajuizamento de duas ações contra a mesma parte, sobre o mesmo assunto, configura abuso de direito da autora. 2. Inicialmente, embora a sentença mencione que a autora tenha ajuizado 2 (dois) processos diferentes contra a mesma instituição financeira, devo observar que a configuração de conduta predatória do apelante não ocorre pela simples verificação da quantidade de ações ajuizadas, mas pela presença de outras circunstâncias associadas, como por exemplo, o fracionamento indevidos de pedidos relativos a um mesmo contrato em diferentes ações ou o ajuizamento da mesma ação (parte, pedido e causa de pedir) em diferentes varas ou comarcas, visando escolher o juízo que lhe parece ter o entendimento mais favorável, para depois desistir dos outros processos, burlando o princípio do juiz natural, o que não ocorreu no caso dos autos, visto que uma ação se trata da cobrança de Seguro e a outra de Tarifas bancárias . 3. Além disso, ainda que semelhantes, as ações são diferentes e inexistente conexão entre elas quando tiverem como causa de pedir diferentes contratos, ainda que haja identidade de partes, pois cada contrato envolve diferentes objetos, valores e circunstâncias a serem apreciadas individualmente, razão pela qual não deve haver a reunião dos processos nesses casos. 4. Desse modo, é absolutamente irrazoável a conclusão de que o ajuizamento de diversos processos contra instituições financeiras diversas, em que cada um aborda sobre um contrato diferente do outro, constitua fragmentação indevida de ação . 5. Em ações cuja discussão envolve a existência ou validade de negócios jurídicos relacionados a contratos bancários, em que a

Processo	3000846-60.2025.8.06.0126
	causa de pedir gira em torno da falha na prestação de serviços bancários, a simples evidência da violação do direito da parte, como a demonstração da existência de inclusão de descontos do benefício previdenciários através de extrato do INSS, em razão do contrato que afirma ser fraudulento ou indevido, é suficiente para evidenciar o interesse de agir da parte em fazer cessar a violação de seu direito e a responsabilização civil pelos danos sofridos. 6. No caso dos autos, a parte autora alega estar sendo alvo de cobranças indevidas pelo banco promovido, que estaria descontando de seu benefício previdenciário valores referentes a prestações de um Seguro que afirma não ter contratado, e instruiu a inicial com cópia do documento pessoal de identificação (p. 26); comprovante de residência (p. 27); procuração ad judícia assinada de próprio punho (p. 29); extrato da conta Bradesco em que consta a inclusão dos descontos referentes ao contrato de Seguro, em favor do banco promovido (p. 31/46) estando a petição, portanto, lastreada em documentos que evidenciam minimamente a presença de pressupostos de constituição e de desenvolvimento válido e regular do processo. 7. Ressalto, ainda, que em ações cuja questão controvertida é a negativa da contratação do empréstimo e a existência de descontos indevidos referente ao mesmo, cabe à parte autora a demonstração da existência dos referidos descontos, ao passo que é ônus da prova da instituição financeira comprovar a contratação do serviço e apresentar aos autos o instrumento contratual, a fim de que seja submetido à análise de existência e validade do negócio jurídico, assim como a comprovação da transferência dos recursos oriundos do empréstimo para a conta do consumidor, pois, em se tratando de relação de consumo, deve ser observada a aplicação da inversão do ônus da prova em favor do consumidor, imputando-se à instituição financeira a juntada dos documentos que por ela devem ser mantidos, por serem considerados de posse obrigatória, em decorrência da atividade desempenhada, como é o caso dos instrumentos do contrato. 8. Nesse contexto, estando descaracterizada a existência de demanda predatória e evidenciada a causa de pedir, a legitimidade da parte e o interesse processual, há de se reconhecer a ausência de justa causa para a extinção do feito, por violação dos princípios da inafastabilidade da tutela jurisdicional e do devido processo legal, consagrados pelo art. 5º, XXXV e LIV, da Constituição Federal, comprometendo a finalidade do processo, que é a satisfação do direito material pela primazia da sentença de mérito, nos termos dos arts. 4º e 6º, do CPC. 9. Recurso conhecido e provido. Sentença anulada. Retorno dos autos à origem para o regular processamento do feito. Processo	0201290-29.2023.8.06.0160
	se de Recurso de Apelação interposto por Raimunda Sousa de Oliveira, com o escopo de adversar a sentença proferida pelo MM. Juízo da 2ª Vara Cível da Comarca de Santa Quitéria, que julgou parcialmente procedentes os pedidos formulados na ação Declaratória de Inexistência de Débito c/c Repetição de Indébito e Indenização por Danos Morais, ajuizada em desfavor do Banco Pan S/A., o que fez nos seguintes termos: 1) Declarar a nulidade da cobrança do contrato nº 322836030-5, com descontos no período de novembro de 2018 a agosto de 2020, no valor de R\$ 27,58 cada, na forma do histórico emitido pelo INSS e acostado à inicial; 2) Condenar a parte promovida a restituir os valores indevidamente descontados da parte autora em razão do contrato ora declarado inexistente, de forma simples, visto que os descontos encerraram antes de 30/03/2021; Tais valores deverão ser acrescidos de correção monetária e juros de mora unicamente pela taxa SELIC (REsp 1795982), a partir do efetivo desembolso de cada parcela (Súmulas 43 e 54 do STJ). A partir da produção de efeitos da nova redação dos artigos 389 e 406 do Código Civil, dada pela Lei nº 14.905/24 (30/08/2024), deverá ser aplicada a sistemática lá apontada, substituindo-se a SELIC pelos índices legais, ou seja, corrigindo-se monetariamente o débito pelo IPCA-IBGE e com juros pela taxa legal (diferença da SELIC e do IPCA, pela fórmula estabelecida pela RESOLUÇÃO CMN Nº 5.171, de 29 de agosto de 2024, por força do § 2º do artigo 406 do Código Civil, desconsiderando-se eventuais juros negativos). Ressalto a possibilidade de compensação dos valores sobre os quais houver comprovação de efetiva disponibilização em conta bancária da parte autora com aqueles que se originam da presente condenação em desfavor da parte ré, no caso, o referente ao comprovante id 132195433, no valor de R\$ 300,99, disponibilizado na conta da autora em 23.10.2018 (id 132195468), os quais devem ser corrigidos pelos mesmos índices acima apontados, aplicados a partir da data da disponibilização do crédito. Em face da sucumbência recíproca, carreo às partes o pagamento de custas e despesas processuais, na proporção de 50% (cinquenta por cento) para cada, e fixo os honorários advocatícios de sucumbência a serem suportados por ambas as partes, no montante de 10% sobre o valor da condenação, ficando, no caso da autora, suspensa a exigibilidade, em virtude da gratuidade deferida. Em suas razões recursais a autora/apelante sustenta, que “o art. 5º, inciso V, da Constituição Federal de 1988, faz prever, como direito Fundamental, a indenização pelo dano moral decorrente da violação da intimidade, da vida privada, da honra e da imagem das pessoas”. E que “o dano moral ou extrapatrimonial pode ser conceituado como uma lesão aos direitos da personalidade. Estes são atributos essenciais e inerentes à pessoa. Concernem à sua própria existência e abrangem a sua integridade física, psíquica ou emocional sob múltiplos prismas”. Sustenta, ainda, que “nesse sentido, nobres julgadores, há de se destacar que foi indevidamente descontado da conta da parte recorrente a quantia de 22 (vinte e dois) parcelas no valor de R\$ 27,58 (vinte e sete reais e cinquenta e oito centavos) cada, resultando em um total de R\$ 606,76 (seiscentos e seis reais e setenta e seis centavos) – fls. de ID: 132195471. Dessa maneira, tal valor descontado da conta de uma idosa, pessoa esta que recebe proventos no valor de 1 (um) salário-mínimo, é algo fustigante, colocando em risco inclusive, suas condições mínimas de dignidade, tais como alimentação, saúde, etc.” Ao final, requer o conhecimento e provimento do presente recurso para reformar a sentença no ponto atacado, determinando assim a condenação da recorrida para arcar com a devida indenização a título de danos morais em valor razoável ao transtorno ora sofrido. Contrarrazões no Id. 27137226. É o que importa relatar. VOTO Exercendo o juízo de admissibilidade, verifico o atendimento de todos os requisitos intrínsecos e extrínsecos que o compõem, levando-o ao qualificativo da positividade e, assim, ao conhecimento do recurso. Entendeu o juízo de primeiro grau em acolher parcialmente os pedidos autorais declarando a nulidade do contrato em discussão (nº 322836030-5), condenando o banco/promovido a restituir, de forma simples, os valores indevidamente descontados do benefício previdenciário da parte requerente, autorizando a compensação de valores

	comprovadamente disponibilizados à parte autora, no entanto, indeferiu o pedido de indenização por danos morais, ao fundamento de que, ainda que tenha ocorrido descontos indevidos, tal fato não se mostra suficientemente capaz de ensejar o dano moral alegado. Sobre a temática em testilha, cumpre ressaltar que de acordo com a Sumula n.º 297, do Superior Tribunal de Justiça, as relações existentes entre correntistas e bancos devem ser examinadas à luz da lei consumerista: “O Código de Defesa do Consumidor é aplicável às instituições financeiras”. No caso concreto, é forçoso reconhecer que houve falha na prestação do serviço, causando danos de ordem moral e material a promovente/apelada, visto que, embora o banco/recorrente tenha procedido a juntada do suposto instrumento contratual (Id. 27137173, 27137183/27137187), o pacto está eivado de vício de formalidade, porquanto, não há neste assinatura a rogo, formalidade indispensável à validade do negócio jurídico. Assim, quando demonstrada a falha na prestação dos serviços, configurado está o ilícito civil, conferindo daí ao lesado a devida reparação dos danos sofridos, nos termos do art. 14 do Código de Defesa do Consumidor e arts. 186 e 927 do Código Civil Brasileiro. Pois bem. Definida a nulidade do contrato e a restituição dos valores descontados indevidamente - inclusive não há insurgência nestes pontos, cumpre verificar o pedido de danos morais. Dano Moral - Os descontos indevidos realizados no benefício previdenciário da requerente/apelante, constituem ato ilícito, na medida em que a instituição bancária deixou de agir com o cuidado necessário para o regular desenvolvimento de sua atividade, causando danos e resultando, por via de consequência, na obrigação de repará-los, na forma dos arts. 186 e 927 do Código Civil. É nesta conduta, por certo, censurável, onde se centra o nexo de causa e efeito entre o dano e a ação (conduta), porque causou vexame, constrangimento ao consumidor, caso em que a condenação é devida porque os efeitos de tal prática afetam a pessoa com mais extensão e com repercussão no mundo exterior, não confinados apenas à indignação pessoal ou um mero aborrecimento. Neste sentido: APELAÇÃO CÍVEL. EMPRÉSTIMO CONSIGNADO. INSTRUMENTO CONTRATUAL FIRMADO COM ANALFABETO. ARTIGO 595 DO CPC. AUSÊNCIA DE ASSINATURA A ROGO. CONTRATAÇÃO ILÍCITA. Fixação – Fatores - No tocante ao valor indenizatório, como se sabe, deve representar para o ofendido, uma satisfação psicológica que possa pelo menos diminuir os dissabores que lhe foram acarretados, sem causar, evidentemente, o chamado enriquecimento sem causa, servindo, ainda, para impingir ao causador do dano, um impacto capaz de desestimulá-lo a praticar novos atos que venham a causar danos a outrem. 	Comarca de Cedro/CE, que julgou procedente os pedidos autorais em Ação Declaratória de Inexistência de Débito c/c Indenização por Danos Morais e Materiais ajuizada por Afonso de Almeida Silva. 2. Incumbe ressaltar que a relação entre as partes é, de fato, consumerista, uma vez que a parte autora é destinatária final dos serviços oferecidos pelo réu, e a atividade bancária e de seguros é considerada serviço para os fins legais. 3. O réu deixou de apresentar a cópia do contrato impugnado com todos os seus detalhes e número do contrato, como também não demonstrou a contratação por meio de cartão magnético e senha. Não se desincumbiu, portanto, do ônus de comprovar a licitude do negócio jurídico. Destarte, a falta do instrumento particular em discussão impossibilita a verificação da validade dos descontos efetuados, e desse modo não há outro caminho senão reconhecer a inexistência do contrato questionado e os descontos indevidos na conta-corrente do autor, configurando, assim, falha na prestação de serviços do acionado. 4. Nessa toada, o Superior Tribunal de Justiça consagrou entendimento no sentido de que as instituições financeiras respondem objetivamente pelos danos gerados por fortuito interno relativo a fraudes e delitos praticados por terceiros no âmbito de operações bancárias (Súmula 479 do STJ). 5. Logo, porque o requerido não se incumbiu de demonstrar a ocorrência das excludentes (inexistência de defeito e culpa exclusiva do consumidor ou de terceiro), agiu de forma acertada o d. magistrado a quo ao condenar o apelante ao pagamento de indenização por danos morais e determinar a devolução dos valores indevidamente descontados. Dito isso, a indenização fixada em R\$ 2.000,00 (dois mil reais) não comporta modificação, razão por que mantenho o quantum indenizatório fixado na origem. 6. E no tocante aos juros de mora, não há dúvidas de que estes incidem desde a data do evento danoso, em atenção à Súmula 54 do STJ, por se tratar de responsabilidade civil extracontratual. 7. Em relação ao recurso do autor, em que aduz a desproporcionalidade do quantum indenizatório a título de danos morais e pugna por sua majoração ao patamar de R\$ 5.000,00 (cinco mil reais), com base na argumentação supra e nas peculiaridades do caso concreto, demonstrada na análise do recurso interposto pela parte promovida, entendo que o quantum de R\$ 2.000,00 (dois mil reais) se mostra suficiente in casu, também não havendo que se falar em majoração. E referente ao termo inicial de incidência dos juros de mora sobre o valor indenizatório, conforme exposto acima, estes devem incidir desde a data do evento danoso, com base na Súmula 54 do STJ, não merecendo, portanto, reforma a sentença do juízo a quo. 8. Recursos conhecidos e desprovidos. Sentença mantida. A empresa apelante, por seu turno, não se desincumbiu do ônus de comprovar fato impeditivo, modificativo ou extintivo do direito autoral, haja vista que deixou de acostar aos autos o instrumento contratual firmado entre as partes. 3 A devolução dos valores indevidamente descontados da conta corrente da requerente é mera consequência da declaração de inexistência do contrato, tendo em vista a responsabilidade objetiva da apelante. 4-No que toca a restituição do valor indevidamente descontado, este deve ocorrer na forma simples, pois as cobranças indevidas referem-se a período anterior a data da publicação do acórdão que modulou os efeitos da decisão a qual firmou a tese jurídica relativa à matéria, devendo a sentença ser reformada nesse ponto. 5-A ausência de contrato válido que justifiquem descontos realizados diretamente da conta corrente da consumidora caracteriza dano moral in re ipsa, ou seja, presumido, decorrente da própria existência do ato. 6- Considerando as peculiaridades do caso concreto, infere-se que o quantum arbitrado em R\$5.000 (cinco mil reais) deve ser reduzido para R\$2.000,00 (dois mil reais), uma vez que razoável e proporcional para compensar o dano sofrido, além de atender o caráter

	pedagógico da medida a efeito de permitir reflexão da demandada sobre a necessidade de atentar para critério de organização e métodos no sentido de evitar condutas lesivas aos interesses dos consumidores, devendo a sentença ser reformada neste ponto. 7- Diante do acima exposto, conheço do Recurso de Apelação interposto, para lhe dar parcial provimento, reformando-se a sentença vergastada, tão somente para que a restituição do indébito se dê de forma simples, bem como para que a indenização por danos morais seja reduzida ao patamar de R\$ 2.000,00(dois mil reais), mantendo-se inalteradas as demais disposições da sentença. 	regular andamento processual para aferir a legalidade ou não da contratação". Argumenta, ainda, que "a extinção do feito sem resolução do mérito afronta o direito constitucional da ação, haja vista a inequívoca demonstração que as demandas possuem contratos distintos, inclusive celebradas por pessoas jurídicas diferentes". Ao final, requereu o conhecimento e provimento do presente recurso, e, conseqüentemente, a anulação da sentença do juízo a quo, devolvendo o processo ao primeiro grau para regular prosseguimento do feito. Contrarrrazões do Banco Bradesco S/A no Id. 27146704. A promovida Paulista Serviços de Recebimentos e Pagamentos (PSERV), não apresentou contrarrrazões. É o que importa relatar. VOTO Exercendo o juízo de admissibilidade, constato o atendimento dos requisitos intrínsecos e extrínsecos que o compõem, levando-me ao qualificativo da positividade e, assim, ao conhecimento do recurso apelatório. O magistrado de primeiro grau indeferiu a petição inicial, por ausência de interesse de agir, ao fundamento que houve abuso no direito de demandar, visto que, a requerente deveria ter ingressado com uma única demanda a fim de discutir os descontos impugnados e não a interposição de 02 (duas) ações. Após análise, embora tratem de questões semelhantes, ou seja, envolvendo descontos supostamente indevidos ocorridos em sua conta-salário, não reconhecidos pela requerente/recorrente, os objetos e as partes são distintos. É imperioso ressaltar que, em diversos julgados, este relator entendeu que o fracionamento de ações consiste em um verdadeiro abuso do direito de demandar, ante a propositura de diversas ações contra a mesma parte e pedido de declaração de inexigibilidade de débito, o que configura conduta processual temerária e abusiva. Entretanto, no presente caso, diversamente do fundamento sentencial, entendo que a conduta do causídico da parte demandante em interpor 02(duas) ações, em desfavor de empresas distintas, não caracteriza prática de litigiosidade predatória, nos termos parametrizados na Recomendação nº 127 de 15/02/2022 do Conselho Nacional de Justiça (CNJ), que dispõe: "Art. 2º Para os fins desta recomendação, entende-se por judicialização predatória o ajuizamento em massa em território nacional de ações com pedido e causa de pedir semelhantes em face de uma pessoa ou de um grupo específico de pessoas, a fim de inibir a plena liberdade de expressão." Assim sendo, considero desarrazoada a conclusão do juízo a quo de que a situação fática posta em deslinde configura fracionamento indevido de ações, caracterizando violação ao princípio da cooperação e evidencie a falta de interesse de agir da parte autora. Entendo, pois, que, não restou evidenciada a ocorrência de demanda temerária. A propósito: DIREITO PROCESSUAL CIVIL E DIREITO DO CONSUMIDOR. DECLARATÓRIA DE INEXISTÊNCIA DE DÉBITOS C/C INDENIZAÇÃO. I- Cinge-se a controvérsia em perquirir o acerto ou desacerto da sentença impugnada, que indeferiu a petição inicial, sob a fundamentação de existência de três ações, esta e outras duas, ajuizadas pela autora buscando anular descontos, supostamente indevidos, o que configuraria ausência de interesse processual, uma vez que a parte deveria ajuizar somente uma demanda. II- No caso concreto, conquanto os processos versem sobre matéria similar, ou seja, cobranças indevidas; referem-se a descontos de timbres, contratos e períodos diversos; assim, relações jurídicas distintas. Patente, pois, a legitimidade e o interesse processual. III- O fundamento utilizado pelo magistrado sentenciante não se aplica ao caso sub judice, ante a diferenciação entre as ações paradigmas por ostentarem como causa de pedir contratos diversos, o que descaracteriza a multiplicidade de ações; afastando-se, pois, a ocorrência do instituto da conexão e, ainda, a possibilidade de ocorrência do mero risco de decisões conflitantes, a que se refere o art. 55, § 3º do CPC. IV- Em que pese se tratar das mesmas partes, o fato de cada processo ostentar Contratos distintos, já é o suficiente para que se

	permita o processamento em separado, porquanto, antes de ser uma obrigação, a reunião dos pedidos em uma só demanda é uma faculdade (art. 327, CPC). V- Em homenagem aos princípios da cooperação, da inafastabilidade da tutela jurisdicional e da primazia do julgamento de mérito; devem os autos retornar ao juízo de origem para que a inicial seja recebida, processada e sentenciada, na forma da lei. RETORNO DOS AUTOS À ORIGEM PARA REGULAR PROSSEGUIMENTO DO FEITO. RECURSO CONHECIDO E PROVIDO. 1 . Trata-se de recurso de apelação interposto contra sentença que decretou a extinção do processo, sem julgamento do mérito, por ausência de legitimidade ou de interesse processual, na forma do art. 485, VI, do CPC, sob o fundamento de que o ajuizamento de demandas de massa pelo apelante viola os princípios da razoável duração do processo, eficiência e da cooperação, expondo a falta de interesse de agir, e que o ajuizamento de duas ações contra a mesma parte, sobre o mesmo assunto, configura abuso de direito da autora. 2. Inicialmente, embora a sentença mencione que a autora tenha ajuizado 2 (dois) processos diferentes contra a mesma instituição financeira, devo observar que a configuração de conduta predatória do apelante não ocorre pela simples verificação da quantidade de ações ajuizadas, mas pela presença de outras circunstâncias associadas, como por exemplo, o fracionamento indevidos de pedidos relativos a um mesmo contrato em diferentes ações ou o ajuizamento da mesma ação (parte, pedido e causa de pedir) em diferentes varas ou comarcas, visando escolher o juízo que lhe parece ter o entendimento mais favorável, para depois desistir dos outros processos, burlando o princípio do juiz natural, o que não ocorreu no caso dos autos, visto que uma ação se trata da cobrança de Seguro e a outra de Tarifas bancárias . 3. Além disso, ainda que semelhantes, as ações são diferentes e inexiste conexão entre elas quando tiverem como causa de pedir diferentes contratos, ainda que haja identidade de partes, pois cada contrato envolve diferentes objetos, valores e circunstâncias a serem apreciadas individualmente, razão pela qual não deve haver a reunião dos processos nesses casos. 4. Desse modo, é absolutamente irrazoável a conclusão de que o ajuizamento de diversos processos contra instituições financeiras diversas, em que cada um aborda sobre um contrato diferente do outro, constitua fragmentação indevida de ação

	. 5. Em ações cuja discussão envolve a existência ou validade de negócios jurídicos relacionados a contratos bancários, em que a causa de pedir gira em torno da falha na prestação de serviços bancários, a simples evidência da violação do direito da parte, como a demonstração da existência de inclusão de descontos do benefício previdenciários através de extrato do INSS, em razão do contrato que afirma ser fraudulento ou indevido, é suficiente para evidenciar o interesse de agir da parte em fazer cessar a violação de seu direito e a responsabilização civil pelos danos sofridos. 6. No caso dos autos, a parte autora alega estar sendo alvo de cobranças indevidas pelo banco promovido, que estaria descontando de seu benefício previdenciário valores referentes a prestações de um Seguro que afirma não ter contratado, e instruiu a inicial com cópia do documento pessoal de identificação (p. 26); comprovante de residência (p. 27); procuração ad judicium assinada de próprio punho (p. 29); extrato da conta Bradesco em que consta a inclusão dos descontos referentes ao contrato de Seguro, em favor do banco promovido (p. 31/46) estando a petição, portanto, lastreada em documentos que evidenciam minimamente a presença de pressupostos de constituição e de desenvolvimento válido e regular do processo. 7. Ressalto, ainda, que em ações cuja questão controvertida é a negativa da contratação do empréstimo e a existência de descontos indevidos referente ao mesmo, cabe à parte autora a demonstração da existência dos referidos descontos, ao passo que é ônus da prova da instituição financeira comprovar a contratação do serviço e apresentar aos autos o instrumento contratual, a fim de que seja submetido à análise de existência e validade do negócio jurídico, assim como a comprovação da transferência dos recursos oriundos do empréstimo para a conta do consumidor, pois, em se tratando de relação de consumo, deve ser observada a aplicação da inversão do ônus da prova em favor do consumidor, imputando-se à instituição financeira a juntada dos documentos que por ela devem ser mantidos, por serem considerados de posse obrigatória, em decorrência da atividade desempenhada, como é o caso dos instrumentos do contrato. 8. Nesse contexto, estando descaracterizada a existência de demanda predatória e evidenciada a causa de pedir, a legitimidade da parte e o interesse processual, há de se reconhecer a ausência de justa causa para a extinção do feito, por violação dos princípios da inafastabilidade da tutela jurisdicional e do devido processo legal, consagrados pelo art. 5º, XXXV e LIV, da Constituição Federal, comprometendo a finalidade do processo, que é a satisfação do direito material pela primazia da sentença de mérito, nos termos dos arts. 4º e 6º, do CPC. 9. ACÓRDÃO: Vistos, relatados e discutidos os presentes autos, acordam os Desembargadores integrantes da 2ª Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do recurso para dar-lhe provimento, em conformidade com o voto do Relator. DIREITO PROCESSUAL CIVIL. AÇÃO DE DECLARATÓRIA DE INEXISTÊNCIA DE DÉBITO C/C INDENIZAÇÃO POR DANOS MATERIAIS E MORAIS. AUSÊNCIA DE JUSTA CAUSA PARA A EXTINÇÃO DA AÇÃO. VIOLAÇÃO DOS PRINCÍPIOS DO ACESSO À JUSTIÇA E DA PRIMAZIA DO JULGAMENTO DE MÉRITO. CERCEAMENTO DO DIREITO DE DEFESA. SENTENÇA CASSADA. RETORNO DOS AUTOS À ORIGEM PARA REGULAR PROSSEGUIMENTO DO FEITO. RECURSO CONHECIDO E PROVIDO. 1. Trata-se de recurso de apelação interposto contra sentença que decretou a extinção do processo, sem julgamento do mérito, por ausência de pressupostos de constituição e de desenvolvimento válido e regular do processo, na forma do art. 485, IV, do CPC, sob o fundamento de que o ajuizamento de demandas de massa pelo apelante viola o princípio da Cooperação, expondo a falta de interesse de agir. 2. Inicialmente, embora a sentença mencione que o advogado tenha ajuizado seis processos diferentes contra instituições financeiras, devo observar que a configuração de conduta predatória do advogado não ocorre pela simples verificação da quantidade de ações ajuizadas, mas pela presença de outras circunstâncias associadas, como por exemplo, o fracionamento indevidos de pedidos relativos a um mesmo contrato em diferentes ações ou o ajuizamento da mesma ação (parte, pedido e causa de pedir) em diferentes varas ou comarcas, visando escolher o juízo que lhe parece ter o entendimento mais favorável, para depois desistir dos outros processos, burlando o princípio do juiz natural, o que não ocorreu no caso dos autos. 3. Além disso, ainda que semelhantes, as ações são diferentes e inexistente conexão entre elas quando tiverem como causa de pedir diferentes contratos, ainda que haja identidade de partes, pois cada contrato envolve diferentes objetos, valores e circunstâncias a serem apreciadas individualmente, razão pela qual não deve haver a reunião dos processos nesses casos. 4. Desse modo, é absolutamente irrazoável a conclusão de que o ajuizamento de

	diversos processos contra instituições financeiras diversas, em que cada um aborda sobre um contrato diferente do outro, constitua fragmentação indevida de ação. 5 . Em ações cuja discussão envolve a existência ou validade de negócios jurídicos relacionados a contratos bancários, em que a causa de pedir gira em torno da falha na prestação de serviços bancários, a simples evidência da violação do direito da parte, como a demonstração da existência de inclusão de descontos do benefício previdenciários através de extrato do INSS, em razão do contrato que afirma ser fraudulento ou indevido, é suficiente para evidenciar o interesse de agir da parte em fazer cessar a violação de seu direito e a responsabilização civil pelos danos sofridos. 6. No caso dos autos, a parte autora alega estar sendo alvo de cobranças indevidas pelo banco promovido, que estaria descontando de seu benefício previdenciário valores referentes a prestações de um empréstimo consignado que assegura não ter contratado, e instruiu a inicial com procuração ad judicia assinada de próprio punho (p. 15); cópia do documento pessoal de identificação (p. 16); comprovante de residência (p. 17); extrato do INSS em que consta a inclusão dos descontos referentes ao contrato de empréstimo nº 0123325510321, em favor do banco promovido (p. 20/22) estando a petição, portanto, lastreada em documentos que evidenciam minimamente a presença de pressupostos de constituição e de desenvolvimento válido e regular do processo. 7 . Ressalto, ainda, que em ações cuja questão controvertida é a negativa da contratação do empréstimo e a existência de descontos indevidos referente ao mesmo, cabe à parte autora a demonstração da existência dos referidos descontos, ao passo que é ônus da prova da instituição financeira comprovar a contratação do serviço e apresentar aos autos o instrumento contratual, a fim de que seja submetido à análise de existência e validade do negócio jurídico, assim como a comprovação da transferência dos recursos oriundos do empréstimo para a conta do consumidor, pois, em se tratando de relação de consumo, deve ser observada a aplicação da inversão do ônus da prova em favor do consumidor, imputando-se à instituição financeira a juntada dos documentos que por ela devem ser mantidos, por serem considerados de posse obrigatória, em decorrência da atividade desempenhada, como é o caso dos instrumentos do contrato. 8. Recurso de Apelação interposto por consumidor contra sentença que julgou improcedentes os pedidos de declaração de inexistência de débito, repetição de indébito e indenização por danos morais em razão de suposta fraude na contratação de empréstimo consignado digital junto a instituição financeira. </p> <p> II. QUESTÃO EM DISCUSSÃO </p> <p> 2. Há duas questões em discussão: (i) saber se a ausência de assinatura de próprio punho invalida contrato firmado por autenticação digital; e (ii) saber se há responsabilidade da instituição financeira por danos morais e materiais quando há indícios de regularidade do contrato. </p> <p> III. RAZÕES DE DECIDIR </p> <p> 3. Nos termos da Súmula 297 do STJ, o Código de Defesa do Consumidor se aplica às relações entre clientes e instituições financeiras. </p> <p> 4. Conforme entendimento do STJ no REsp 1.197.929/PR, bancos respondem objetivamente por fraudes praticadas por terceiros quando há falha na prestação do serviço. </p> <p> 5. No caso concreto, a instituição financeira comprovou a regularidade do contrato, apresentando assinatura digital, autenticação eletrônica com registro de data, hora e IP, além da efetiva transferência do valor contratado para a conta do consumidor. </p> <p> 6. A contratação digital é prática consolidada no mercado e sua validade deve ser analisada à luz da prova documental apresentada. </p> <p> 7. Não havendo indícios de fraude, inexistente obrigação de indenizar por danos morais ou materiais. </p> <p> IV. DISPOSITIVO E TESE </p> <p> 8. Recurso conhecido e desprovido. </p> <p> Tese de julgamento: "1. A contratação digital de empréstimo consignado por biometria facial é válida quando acompanhada de prova documental suficiente. 2. Inexistindo indícios de fraude, não há obrigação de indenizar por danos morais ou materiais." </p> <p> Dispositivos relevantes citados: Código de Defesa do Consumidor, art. 42, parágrafo único; Código Civil, arts. 186 e 927. </p> <p> Jurisprudência relevante citada: STJ, Súmula 297; STJ, REsp 1.197.929/PR. </p></div><div class="OutlineElement Ltr SCXW75871393 BCX0" style="-webkit-user-drag: none; -webkit-tap-highlight-color: transparent; margin: 0px; padding: 0px; user-select: text; clear: both; cursor: text; overflow: visible; position: relative; direction: ltr; font-family: "Segoe UI", "Segoe UI Web", Arial, Verdana, sans-serif; font-size: 12px;"> <p class="Paragraph SCXW75871393 BCX0" style="-webkit-user-drag: none; -webkit-tap-highlight-color: transparent; margin: 4.53333px 0px 0px; padding: 0px; user-select: text; overflow-wrap: break-word; white-space-collapse: preserve; vertical-align: baseline; font-kerning: none; background-color: transparent; color: windowtext; text-align: justify;" lang="PT-BR" xml:lang="PT-BR"> <span class="EOP SCXW75871393 BCX0" style="-webkit-user-drag: none; -webkit-tap-highlight-color: transparent; margin: 0px; padding: 0px;

Juízo 1ª Vara Cível da Comarca de Acopiara, que julgou improcedentes os pedidos formulados na ação declaratória de nulidade de empréstimo cumulada com repetição de indébito e condenação em danos morais, ajuizada em desfavor do Banco Agibank S/A.</p> <p style="text-align: justify;">Em suas razões recursais, o recorrente sustenta, que “Em que pese a cultura jurídica do digno juiz prolator da sentença de primeira instância, o suplicante, ora apelante, não pode se conformar com os termos da decisão que julgou improcedente o pedido inicial deixando de condenar o banco apelado a restituir o valor cobrado indevidamente e, pelos danos morais suportados pelo apelante, em razão de ter sido descontado de seu benefício previdenciário por parte do banco apelado, a quantia de R\$402,90 mensalmente, valores referentes a suposto contrato ”.</p> <p style="text-align: justify;">Argumenta, ainda, que “(...) a má-fé da requerida salta aos olhos. Excelência, trata-se a parte recorrente de pessoa idosa, de pouca letra, e que não faz a mínima ideia do que é e como se procede a contratação de empréstimo consignado via meio digital, muito menos sabe efetuar/registrar uma assinatura digital.”</p> <p style="text-align: justify;">Mais adiante pontua que “(...) o suposto contrato de empréstimo não obriga a parte autora, vez que NÃO houve qualquer comprovação de que esta assinou DE FORMA ELETRÔNICA o contrato”.</p> <p style="text-align: justify;">Ao final, requer “seja o presente recurso recebido, conhecido e provido no sentido de reformar a r. sentença para condenar o banco apelado a pagar ao apelante a devida indenização por danos morais, e restituir em dobro o valor cobrado de forma indevida, nos termos da exordial.”</p> <p style="text-align: justify;">Contrarrrazões – id. 27147723.</p> <p style="text-align: justify;">É o que importa relatar –</p> <p style="text-align: center;">VOTO</p> <p style="text-align: justify;">

RECURSO CONHECIDO E DESPROVIDO. 1. O cerne da controvérsia reside na existência (ou não) de relação jurídica entre a autora e a Instituição Financeira ré quanto aos descontos referentes ao empréstimo consignado. 2. É cediço, na jurisprudência, que, em se tratando de relação jurídica entre Instituição Financeira e consumidor de serviços bancários, presumem-se verídicos os fatos alegados pela parte autora, desde que ausentes: a) prova do contrato; b) o comprovante de transferência para conta do consumidor dos valores referentes ao negócio jurídico. 3. Compulsando-se os autos, verifico que a instituição financeira apelada comprovou à saciedade a efetiva contratação do referido empréstimo consignado pela consumidora apelante, desincumbindo-se de seu ônus probatório, a teor do art. 373, II, do CPC. Na hipótese, o banco recorrente acosta aos autos o contrato de empréstimo assinado eletronicamente através de biometria facial (fls. 51/59), documento pessoal de identificação (RG e fls. 64), e comprovante do repasse dos créditos contratados para a conta de titularidade da parte demandante (fls. 83). 4. No caso da contratação eletrônica em questão, tanto este modelo de contratação quanto a expressão da vontade pela biometria facial, e ainda confirmada pelo envio de documentos pessoais, além de não serem defesas em lei, têm sido práticas comuns devido aos avanços tecnológicos e demandas da coletividade no tocante ao acesso ao crédito. Tal modalidade, também não encontra óbice nas normas do Banco Central do Brasil e BACEN - ou do Instituto Nacional do Seguro Social INSS, conforme se extrai do termo de autorização de fls. 62/63. I - Trata-se de Apelação Cível interposta por Francislene Silveira Sucupira objetivando a reforma da sentença prolatada pelo Juízo de Direito da 11ª Vara Cível da Comarca de Fortaleza/CE, o qual julgou improcedente a Ação Declaratória de Inexistência de Débito c/c Indenização por Danos Morais, ajuizada pela recorrente em desfavor do Banco Ole Bonsucesso Consignado S/A. II - In casu, verifica-se que os requisitos necessários para configuração da responsabilidade civil objetiva não estão preenchidos, considerando que não houve dano, tendo em vista que a recorrente de fato contraiu o empréstimo, conforme muito bem constatou o magistrado de piso ao verificar através dos documentos carreados aos autos que houve, em verdade, uma contratação de empréstimo consignado junto ao Banco recorrido, conforme documentos acostados por este, às fls.76/89 e comprovante de liberação de valor (fls. 92/94). III - Ademais a contratação questionada foi celebrada mediante uso de senha pessoal e biometria, por meio de canais virtuais de atendimento, e nesse contexto entendo que o banco se desincumbiu do seu ônus probatório. Não há necessidade de formalização de contratos desta natureza de forma física, sendo a contratação eletrônica uma realidade dos tempos atuais, que facilitam o acesso aos clientes do banco de linhas de crédito. IV - Recurso conhecido e improvido. Sentença mantida. AÇÃO DECLARATÓRIA DE INEXISTÊNCIA DE DÉBITOS C/C INDENIZAÇÃO. EMPRÉSTIMO CONSIGNADO. CONTRATO COM ASSINATURA ELETRÔNICA. AUTENTICAÇÃO POR BIOMETRIA FACIAL. VALORES CREDITADOS NA CONTA DO AGRAVADO. DANO MATERIAL E MORAL NÃO CONFIGURADOS. AGRAVO INTERNO CONHECIDO E DESPROVIDO. DECISÃO MANTIDA. 1. Na espécie, insurge-se o recorrente com relação à decisão deste relator que negou provimento ao apelo por ele interposto em que buscava declarar nulo o contrato de empréstimo consignado, firmado em seu nome junto ao banco/agravado, bem como a restituição dos valores descontados, e ainda, indenização pelos danos morais supostamente sofridos. 2. Por certo, conforme entendimento firmado pela Segunda Seção do Superior Tribunal de Justiça, quando do julgamento do REsp 1197929 / PR submetido ao rito dos recursos repetitivos, as instituições bancárias respondem objetivamente pelos danos causados por fraudes ou delitos praticados por terceiros - como, por exemplo, abertura de conta corrente ou recebimento de empréstimos mediante fraude ou utilização de documentos falsos -, porquanto tal responsabilidade decorre do risco do empreendimento, caracterizando-se como fortuito interno. 3. Ocorre que, cotejando o vertente caderno processual, não verifico causas que maculem a regularidade da celebração do negócio jurídico discutido nestes autos, isto porque o banco/agravado juntou o contrato discutido nesta demanda (fls.106/122), assinado por meio de autenticação eletrônica, acompanhado de cópia dos documentos pessoais do autor e fotografia do momento da contratação (fls. 123/125). 4. Consta, ainda, transferência eletrônica onde comprova que o valor do crédito liberado, conforme apontado no instrumento contratual, na quantia de R\$ 234,99 (duzentos e trinta e quatro reais e noventa e nove centavos), foi depositado em conta-corrente do autor/recorrente conforme comprovante constante às fls. 128 dos autos. 5. Além disso, oportunizado ao autor/agravante para manifestar-se acerca do contrato, limitou-se a alegar que não consta sua assinatura no contrato. Ora, de fato não consta a assinatura de próprio punho, visto que se trata de contrato digital, autenticado por biometria facial (fls.125), o que não pode ser negado, mormente diante do fluxo digital de contratos que ocorre nos dias de hoje. 6. Sendo assim, concluo pela regularidade do negócio jurídico celebrado entre as partes, não observando na espécie quaisquer indícios de vício de consentimento ou fraude, não tendo a Instituição Financeira/agravante cometido nenhum ilícito capaz de ensejar indenização por danos morais, bem como a devolução dos valores devidamente descontados. 7. Recurso conhecido e desprovido. Decisão mantida. Sr. EMANUEL LEITE ALBUQUERQUE Relator (TJ-CE - AGT: 02089945620218060001 Fortaleza, Relator: EMANUEL LEITE ALBUQUERQUE, Data de Julgamento: 29/03/2023, 1ª Câmara Direito Privado, Data de Publicação: 31/03/2023) APELAÇÃO CÍVEL. DIREITO PROCESSUAL CIVIL E DIREITO DO CONSUMIDOR. AÇÃO DECLARATÓRIA DE INEXISTÊNCIA DE DÉBITO C/C PEDIDO DE REPETIÇÃO DO INDÉBITO E INDENIZAÇÃO POR DANOS MORAIS. SENTENÇA IMPROCEDENTE. CONTRATO COM ASSINATURA ELETRÔNICA. AUTENTICAÇÃO POR BIOMETRIA FACIAL. VALORES CREDITADOS NA CONTA DE TITULARIDADE DA PARTE AUTORA. AUSÊNCIA DE FRAUDE E DE DANOS MORAIS. APELO CONHECIDO E IMPROVIDO. SENTENÇA CONFIRMADA. 1. Trata-se de Apelação Cível interposta contra sentença que, nos autos da Ação Declaratória de Inexistência de Débito c/c Pedido de Repetição do Indébito e Indenização por Danos Morais, julgou improcedente a pretensão autoral, extinguindo o feito com resolução do mérito, nos termos do art. 487, I, do Código de Processo Civil. 2. No caso em tela, a controvérsia recursal consiste em saber se o contrato de empréstimo consignado, na modalidade digital, sob o nº 01011442977, supostamente celebrado entre a instituição financeira e a parte autora, ora apelante, é válido ou não, em consonância com as provas produzidas na origem e se, desse contrato, existe dano passível de indenização. 3. Na hipótese, o banco recorrido acosta aos autos o contrato de empréstimo devidamente assinado (fls. 67/68) e com a formalização da assinatura pelo autor/contratante na forma digital, conforme faz prova o protocolo de fls. 50/58, apresentando inclusive selfie realizada pelo próprio recorrente, como modalidade de validação biométrica fácil, e documentação pessoal deste às fls.75/76, bem como comprova o repasse dos créditos contratados para a conta de titularidade dele (fl. 88). Vale ressaltar que, em nenhum momento, a parte demandante nega ser correntista do banco onde o TED foi realizado ou o não recebimento do dinheiro. 4. Assim, os elementos constantes dos autos indicam que o contrato é regular e que o suplicante se beneficiou financeiramente com a transação, de modo que não há respaldo

	jurídico e probatório a consubstanciar a pretensão autoral. 5. À vista disso, entendo que a parte requerente não logrou êxito em desconstituir as provas robustas apresentadas pela instituição bancária promovida, sendo devidamente comprovada a contratação em debate. Desse modo, considero que o contrato é regular. 6. Recurso conhecido e improvido. Sentença confirmada. 	qual, até o presente momento, não houve a citação do executado. Instado a se manifestar acerca da prescrição, o exequente, em petição de ID. 133223724, sustentou a inocorrência. É o sucinto relatório. DECIDO. Observo que o título executivo tinha como data de vencimento 29/11/2019, inobstante a ação ter sido ajuizada em 30/05/2017. Nesse sentido, após o despacho que determinou a citação, decorreram mais de 8 (oito) anos sem que a parte exequente lograsse êxito na localização do executado para fins de promover a sua citação, a compreender está evidenciada a prescrição da demanda. Ressalta-se que a pretensão executiva para haver pagamento de título de crédito, como no presente caso, sujeita-se ao prazo prescricional de 03 (três) anos, estabelecido no art. 206, § 3º, VIII do Código Civil, in verbis: Art. 206. Prescreve: (...) § 3º Em três anos: (...) VIII - a pretensão para haver o pagamento de título de crédito, a contar do vencimento, ressalvadas as disposições de lei especial; Logo, ainda que ajuizada a ação de execução antes do decurso do prazo prescricional, não ocorrendo citação válida do executado não há se falar em causa interruptiva da prescrição pelas sucessivas tentativas infrutíferas de citar o executado. (...) Desse modo, ausente a citação válida, não se cogita de interrupção da prescrição, notadamente quando a falta do ato processual não pode ser atribuída ao mecanismo da Justiça, conforme se verifica in casu. Com efeito, o instituto da prescrição tem por finalidade limitar o exercício de determinado direito no tempo. Em atenção aos princípios da pacificação social bem como da segurança jurídica, não seria crível que determinada pessoa, titular de certo direito, pudesse exercê-lo indefinidamente, a qualquer momento. Destarte, embora o exequente tenha envidado esforços para promover a citação do executado, a atuação desta não foi suficiente para promover a citação válida do devedor antes que a pretensão exequenda fosse alcançada pela prescrição. (...) Cumprido assinalar que a ausência de citação implicou a não interrupção do prazo prescricional, logo, decorrido extenso prazo de tramitação, ainda não se logrou a citação do demandado, muito embora não se possa imputar inércia do credor, nem do Poder Judiciário, o que não afasta do reconhecimento do advento da prescrição. (...) Outrossim, não se cogita de violação aos princípios da não surpresa, cooperação, devido processo legal e do contraditório, porquanto ao exequente restou facultado indicar causa interruptiva da prescrição. Cabe então, verificar se houve – ou não – desídia da apelante em providenciar a citação da parte demandada e, por outro lado, se ocorreu demora imputável ao Judiciário ao ponto de justificar a não ocorrência do prazo prescricional. Na espécie, originariamente trata-se de uma ação de execução ajuizada em julho de 2017, sendo que em agosto fora ordenada a citação da parte executada, cuja carta de citação restou expedida no mesmo mês de agosto e o aviso de recebimento, com a informação de que a executada não teria sido citada, juntado ao processo em 09/2017. Somente em 20 de fevereiro de 2020 é que os autos receberam impulso processual intimado o banco apelante para se manifestar acerca da devolução do expediente citatório. Intimado, o banco apelante requereu a expedição de ofícios e a penhora em ativos financeiros da parte executada, isso em maio de 2020. Apenas em fevereiro de 2022 é que o pleito do apelante foi apreciado e indeferido, oportunidade em que fora renovada a intimação do banco apelante para ofertar em juízo o endereço da parte devedora, a qual em, março/2022, cumpriu a determinação judicial indicando endereço para citação. Um ano após, em março de 2023, o pleito foi apreciado com o deferimento de expedição de nova ordem de citação. Em março de 2023, o mandado de um dos executados foi devolvido sem cumprimento da ordem de citação e em julho de 2023 a carta precatória expedida com a finalidade de citar o outro executado também retornou sem o devido cumprimento. Ato seguinte, em julho de 2023, determinou-se a intimação do exequente para se manifestar, o qual indicou novo endereço e pleiteou a renovação da citação, em julho/2023, pedido deferido em agosto/2023, com a expedição de novo mandado de citação cuja diligência restou frustrada e o mandado devolvido em setembro/2023. Em 19 de dezembro de 2023 os autos foram remetidos ao Serviço de Distribuição para serem encaminhados ao então recém-criado Núcleo de Justiça 4.0, vindo a ser despachado em maio de 2024 com a intimação do exequente para dar andamento ao feito, a qual indicou novo endereço para diligência, isso em junho/2024. Em dezembro/2024, sem apreciar o último pleito do banco exequente, o juízo primevo ordenou a intimação do exequente para se manifestar acerca de eventual ocorrência de prescrição e, após manifestação deste último, resolveu extinguir o feito reconhecendo a hipótese de prescrição. TODAVIA, não se vislumbra da análise do trâmite processual, que o banco apelante, exclusivamente, tenha demonstrado desídia não havendo, portanto, conduta capaz de motivar o decreto prescricional levado a efeito pela sentença, pois o exequente atendeu, a tempo e a modo, todas as chamadas do juízo fazendo os requerimentos necessários ao andamento do feito. Pelo contrário, como acima assinalado, o feito ficou paralisado de setembro de 2017 até fevereiro de 2020 e, em uma segunda oportunidade, de maio de 2020 até o mês de fevereiro de 2022, contabilizando um lapso de tempo de quase 4 (quatro) anos sem impulso oficial, a ensejar a aplicação da Súmula 106/STJ. Com efeito, pelo fundamento adotado na sentença não posso reconhecer a ocorrência da prescrição, uma vez ausente desídia ou inércia da parte exequente.

SENTENÇA CASSADA PARA QUE O FEITO TENHA REGULAR PROSSEGUIMENTO. 1. Cuida-se de ação de Execução de Título Extrajudicial, &#160;fundada em contrato de prestação de serviços de coleta e transporte de resíduos com utilização de containers (resíduos tratados por incineração), alegando o exequente que a ré se encontra inadimplente da importância de R\$ 9.522,17 (atualizada até setembro/2013), correspondente a 18 (dezoito) duplicatas mercantis. 2. A ação foi protocolizada em 25/11/2013. O despacho inicial que determinou a citação da ré foi proferido em 28/03/2014 (fl. 91). Desde então, inúmeras foram as diligências praticadas no sentido de ser efetivada a citação da requerida, no entanto esta não foi localizada no endereço declinado na exordial, como atesta a certidão de fl. 95, tão pouco em outros informados pela autora no curso da ação. 3. Pelo que se pode extrair dos autos, não há como se concluir pela ocorrência da prescrição por qualquer ponto que se analise a questão. De todo o processado é possível verificar que a autora-exequente promoveu as diligências necessárias para que a citação fosse efetivada. 4. Com efeito, tem-se que não houve&#160;inércia&#160;da exequente-apelante, que realizou as medidas cabíveis e possíveis para a tentativa de&#160;localização&#160;da devedora, a fim de que fosse efetivada a citação, não sendo possível que seja impedida de buscar sua pretensão material através dos meios processuais próprios. 5. Voltando ao caso dos autos, verifica-se que a sentença ora atacada está em descompasso com a realidade dos autos. Como dito alhures, a prescrição intercorrente é instituto jurídico que se traduz em uma sanção em função da inércia e desídia do exequente em promover as diligências necessárias à satisfação de seu débito. 6. No caso, não se verifica qualquer conduta por parte da exequente nesse sentido. Ao contrário, todas as vezes em que foi instada a se manifestar, a exequente deu o necessário andamento ao processo. O que se verifica foi a inércia e demora do próprio Poder Judiciário em promover o devido desenvolvimento da marcha processual, o que era dever de ofício da unidade judiciária como um todo, de modo que não se pode cogitar de punição da exequente, por meio da extinção do feito em função da prescrição, quando a morosidade na marcha processual decorreu do próprio Judiciário. 7. Assim, a culpa pela&#160;ausência&#160;da citação da requerida de modo nenhum pode ser imputada à autora, que, por meio de petições tem&#160;promovido&#160;diligências para localizá-la. 8. 	ofensa ao art. 535 do Código de Processo Civil, uma vez que o Tribunal a quo julgou integralmente a lide e solucionou a controvérsia, tal como lhe foi apresentada. 2. A inércia foi causada pelos mecanismos inerentes da justiça, portanto o credor não pode ser responsabilizado pelas suas consequências. 3. O STJ, no julgamento do REsp 1.222.444/RS, julgado no rito dos Recursos Repetitivos, art. 543-C do CPC, pacificou a orientação de que "A configuração da prescrição intercorrente não se faz apenas com a aferição do decurso do lapso quinquenal após a data da citação. Antes, também deve ficar caracterizada a inércia da Fazenda exequente". 4. É firme o entendimento do STJ de que somente a inércia injustificada do credor caracteriza a prescrição intercorrente na execução, o que não se verifica no caso concreto, já que a demora no andamento do feito se deu por motivos inerentes ao próprio mecanismo judiciário (Súmula 106/STJ). 5. Recurso Especial não provido. (STJ - REsp: 1697890 RJ 2017/0207378-8, Relator: Ministro HERMAN BENJAMIN, Data de Julgamento: 21/11/2017, T2 - SEGUNDA TURMA, Data de Publicação: DJe 19/12/2017) APELAÇÃO CÍVEL. EMBARGOS À EXECUÇÃO. CÉDULA DE CRÉDITO BANCÁRIO. PRESCRIÇÃO. MOROSIDADE JUDICIAL. AUSÊNCIA DE ILEGALIDADE. LIQUIDEZ, CERTÉZA E EXIGIBILIDADE DO TÍTULO. RECURSO CONHECIDO E IMPROVIDO. 1. O presente recurso aborda a tese de ocorrência da prescrição no processo executório em primeira instância proposto aos 12 de março de 2012 para cobrar o saldo devedor de cédula de crédito bancário. 2. Como é cediço, o despacho que ordena a citação tem o condão de interromper o prazo prescricional, com efeitos retroativos à data de ajuizamento da ação, desde que o credor tome as providências necessárias à viabilização do ato citatório. Caso o prazo prescricional decorra sem que a citação se efetive por fatos imputáveis ao Poder Judiciário, não se penaliza a parte, e deve o feito prosseguir. 3. Embora o despacho ordinatório da citação tenha sido determinado aos 24 de maio de 2012, a ausência da citação do réu não se deu em razão da ineficiência da parte apelada, mas sim da morosidade judicial , conforme se verifica nos despachos de fls. 27, 36, 44 do processo executório, já que a citação ocorreu 7 (sete) anos após a realização do primeiro despacho. Assim, a parte apelada não pode ser prejudicada pela demora imputável exclusivamente ao serviço judiciário 4. No que se destina à prática da capitalização de juros, observa-se da cédula de crédito bancário acostada ao processo executório, a contratação dos juros capitalizados, eis que com a mera multiplicação dos juros mensais (2,00%) por seu duodécuplo vislumbra-se não ser equivalente aos juros anuais constantes no pacto (26,82), caracterizando, portanto, a legalidade da cobrança de juros capitalizados na espécie. 5. Em relação a suposta cobrança cumulada de comissão de permanência com juros moratórios e multa moratória não restou evidenciado que existe tal cobrança no contrato. 6. Em relação ao IOF, a Corte Cidadã já se posicionou no sentido de ser legal a cobrança do referido imposto nos contratos de financiamento bancário. 7. Dessa maneira, estando a ação executiva lastreada em cédula de crédito bancário, a qual tem natureza de título executivo extrajudicial, sem indícios de ilegalidade e acompanhada de demonstrativo de débito, não há que se falar em procedência dos embargos à execução, em respeito ao art. 28 da Lei nº 10.931/04. 8. Recurso improvido. (Apelação Cível - 0115799-85.2019.8.06.0001, Rel. Desembargador(a) CARLOS ALBERTO MENDES FORTE, 2ª Câmara Direito Privado, data do julgamento: 09/11/2022, data da publicação: 10/11/2022) APELAÇÃO CÍVEL. EXECUÇÃO FISCAL. PRESCRIÇÃO INTERCORRENTE. DEMORA IMPUTADA AOS SERVIÇOS JUDICIAIS E NÃO AO EXEQUENTE. PRESCRIÇÃO INTERCORRENTE NÃO VERIFICADA. APELAÇÃO CONHECIDA E PROVIDA. 1. O cerne da questão ora em discussão cinge-se na análise da prescrição ou não do direito de o ente público estadual efetuar a cobrança de crédito tributário relativo ao ICMS. 2. A jurisprudência do STJ, em julgados recentes, entende configurar a hipótese do art. 40, § 4º da dita Lei, quando o exequente deixar transcorrer o prazo prescricional sem prestar impulso ao andamento processual, desde que seja oportunizada manifestação à Fazenda Pública. 3. Neste azo, intentada a ação no prazo fixado para o seu exercício, a demora na citação, por motivos inerentes ao mecanismo da justiça, não justifica o acolhimento da arguição de prescrição ou decadência . Precedentes. 4. Na hipótese dos autos, percebe-se que a execução ficou parada por culpa exclusiva do serviço judiciário entre novembro de 2007 e março de 2014, sem que houvesse intimação do exequente para manifestação a respeito do retorno da carta de citação do ora executado, não podendo a edukudade, desta feita, cumprir a diligência para dar prosseguimento ao feito. Assim, o ente público não poderá sofrer os efeitos de uma inércia que sequer deu causa. 5. Apelação conhecida e provida, anulando a sentença e determinando o retorno dos autos à instância a quo para regular processamento. (Apelação Cível - 0000257-21.2005.8.06.0062, Rel.

EXTINÇÃO SEM RESOLUÇÃO DE MÉRITO MANTIDA. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA. VERDANA, SANS-SERIF; I. CASO EM EXAME 1. Apelação Cível interposta por Geraldo Angelo de Sousa contra sentença que, nos autos da Ação Declaratória de Inexistência de Negócio Jurídico c/c Repetição de Indébito, Danos Morais e Tutela de Urgência, extinguiu o processo sem resolução de mérito, com fundamento no art. 485, I, do CPC, ante a ausência de interesse de agir, evidenciada pela propositura de múltiplas ações com pedidos e causa de pedir semelhantes contra instituições financeiras. VERDANA, SANS-SERIF; II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em verificar se há interesse processual na propositura isolada de ação anulatória de débito referente a contrato de empréstimo consignado, diante da existência de diversas outras ações similares ajuizadas pela mesma parte contra diferentes réus. VERDANA, SANS-SERIF; III. RAZÕES DE DECIDIR 3. O fracionamento de demandas com causa de pedir e pedidos semelhantes, ainda que fundadas em contratos e instituições financeiras distintas, configura abuso do direito de ação, comprometendo a boa-fé processual e sobrecarregando desnecessariamente o Judiciário. 4. A jurisprudência desta Corte tem rechaçado a multiplicidade de ações semelhantes como forma indevida de acesso à jurisdição, recomendando a reunião dos pedidos em um único feito, conforme o art. 55, § 3º, do CPC. 6. O ajuizamento de mais de 07 (sete) ações pela mesma parte, com pedidos e causa de pedir praticamente idênticos, revela conduta processual temerária, justificando a extinção do processo sem resolução de mérito. VERDANA, SANS-SERIF; IV. DISPOSITIVO E TESE 7. Recurso conhecido e desprovido. Sentença mantida. Tese de julgamento 1. A propositura de múltiplas ações anulatórias de débito fundadas em contratos similares caracteriza abuso do direito de ação e afasta o interesse de agir. 2. A extinção do processo sem resolução de mérito é medida adequada quando verificado fracionamento indevido de demandas que deveriam tramitar de forma concentrada. 3. A boa-fé processual impõe ao

ACORDÃO Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, em unanimidade de votos, em conhecer do presente recurso, por próprio e tempestivo, para negar provimento ao apelo, nos termos do voto do Relator. Fortaleza, data e hora do sistema. JOSÉ RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador EDUARDO DE CASTRO NETO Juiz Convocado Relator RELATÓRIO Trata-se de Apelação Cível interposta por Francisca Lucas Bezerra contra a sentença proferida pelo douto Juízo da 2ª Vara da Comarca de Senador Pompeu que, nos autos da Ação Anulatória de Débito c/c Danos Materiais e Morais, extinguiu a ação sem resolução de mérito, por indeferimento da petição inicial, diante da falta de interesse de agir, nos termos do art. 330, III do CPC. Em sua apelação (ID 27436136), a parte recorrente argui que “Conforme se preleciona na sentença aqui discutida, o magistrado de 1º grau aduz em seus fundamentos um apelo pela conexão das ações e exige que a parte autora reúna os contratos divergentes em uma única ação contra a ré, mas, no seu dispositivo final, justifica o indeferimento pela ausência de pressupostos de constituição e de desenvolvimento válido e regular do processo, o que ao nosso entendimento, torna a sentença equivocada e controversa. A ausência de pressupostos processuais está intimamente ligada ao binômio necessidade-adequação. Se o bem jurídico almejado pelo autor da ação não depende de qualquer intervenção judicial, da prestação jurisdicional, é inútil que o Estado preste assistência. O que não se enquadra no exemplo que se discute na presente lide. O autor escolheu o causídico para ajuizar as ações e buscar a tutela jurisdicional para solucionar um problema recorrente, que vem acontecendo em diversos lugares do estado, e mesmo assim teve seu direito de acessar a justiça cerceado

	pela justificativa da ausência de pressupostos de constituição e de desenvolvimento válido e regular do processo, o que não é coerente, haja vista sua busca pela tutela estatal. Assim, acaso a providência judicial almejada seja incapaz de atender aos propósitos do autor, diz-se que inexistente interesse de agir ou interesse processual, o que ao nosso singelo entendimento não encontra respaldo nesse dispositivo para o indeferimento de plano da inicial. Aqui, a providência judicial se faz inteiramente necessária e capaz de atender os propósitos do autor, já que tem diversos descontos sendo realizados na sua aposentadoria, causando prejuízos no sustento do autor e de sua família". Em continuidade, alega que "(...) analisando detidamente os autos, observa-se que tanto a causa de pedir, quanto os pedidos, nas referidas ações DIVERGEM, tendo em vista que se trata de CONTRATOS DIFERENTES, não sendo, assim, o caso de reuni-las para serem julgadas simultaneamente por não haver conexão entre elas". Complementa, informando que "Desta forma, não restam dúvidas acerca da aplicabilidade do Código de Defesa do Consumidor ao feito, na conformidade da Súmula 297 do STJ, a qual prevê a aplicabilidade do CDC às instituições financeiras. Devendo ao caso ser aplicada a teoria da responsabilidade objetiva no sentido de reparar o dano sofrido pelo Autor, bem como a restituição em dobro dos valores cobrados no contrato nulo, conforme preceitua os art. 14, caput art. 42 e seu Parágrafo Único do CDC". Por fim, requer que "se digne esta Colenda Turma Julgadora em dar PROVIMENTO AO RECURSO, reformando a decisão do Juiz de 1ª Grau, no sentido do afastamento da conexão do processo em questão, visto que os processos tratam de contratações diversas, determinando o prosseguimento do processo para a apreciação no juízo de 1º grau, mormente considerando o princípio da inafastabilidade da jurisdição, TUDO POR SER MEDIDA DE MAIS LÍDIMA JUSTIÇA." Devidamente intimada para apresentar contrarrazões (ID 27436241), a parte recorrida se manteve inerte. Remetidos os autos a este tribunal. Este é o relatório em essencial. VOTO Exercendo o juízo de admissibilidade, constato o atendimento dos requisitos intrínsecos e extrínsecos que o compõem, levando-me ao qualificativo da positividade e, assim, ao conhecimento do recurso apelatório. Passo, então, ao seu deslinde. O cerne da controvérsia recursal consiste em verificar o interesse de agir do promovente, dado o fracionamento de ações e o suposto abuso no direito de demandar. Sobre a temática em testilha, inicialmente, cumpre ressaltar que de acordo com a Súmula n.º 297, do Superior Tribunal de Justiça, as relações existentes entre correntistas e bancos devem ser examinadas à luz da lei consumerista. O Código de Defesa do Consumidor é aplicável às instituições financeiras

Compulsando os fólhos processuais, bem como, em consulta realizada no E-Saj de primeiro grau, verifiquei que, de fato, a parte autora/recorrente ajuizou mais de 40 (quarenta) ações envolvendo empréstimos consignados, sendo 23 (vinte e três) delas em desfavor do banco/recorrido, ou seja, ações similares, em que busca a nulidade de contratos de empréstimos consignados, restituição dos valores descontados, e ainda, a condenação da instituição financeira/apelada ao pagamento de danos morais. 3. Processo	0201440-40.2024.8.06.0171
	Fortaleza, 10 de setembro de 2025. JOSÉ RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador EDUARDO DE CASTRO NETO Juiz Convocado Relator RELATÓRIO Trata-se de Recurso de Apelação interposto por Deborah Lourenço Noronha com o escopo de adversar a sentença proferida pelo douto julgante da 2ª Vara Cível da Comarca de Tauá, que julgou improcedentes os pedidos contidos na ação de Obrigação de Fazer c/c Reparação por Danos Morais ajuizada em desfavor da Mentore Bank Instituição de Pagamento S/A. Em seu recurso, a autora/recorrente sustenta que “em maio de 2024, a autora foi informada pelo seu empregador que utilizaria este banco para recebimento de salário. No dia 29 de maio, ao verificar seu extrato, constatou uma cobrança indevida no valor de R\$ 16,90 em sua conta. Imediatamente, a autora entrou em contato com o banco, gerando o protocolo de atendimento n.º 6161387, e foi informada de que o débito se referia a um empréstimo denominado “crédito fácil” que havia sido depositado na sua conta de aproximadamente R\$800,00. No entanto, a autora destaca que nunca contratou qualquer tipo de empréstimo com o Mentore Bank”. Em continuidade, argumenta, que “a autora comunicou esta situação ao banco e solicitou evidências da contratação do empréstimo, mas não obteve qualquer comprovação. Além disso, o valor referente ao empréstimo permaneceu disponível em sua conta, à disposição do banco, o que reforça a irregularidade da cobrança. Os extratos juntados pela ré em ID 124751520 comprovam que as únicas movimentações realizadas pela autora eram referentes ao seu salário”. Sustenta, ainda, que “a parte requerente teve seu direito violado a partir do momento que não solicitou empréstimo mas teve valor depositado em sua conta e está sendo cobrada indevidamente por este sem qualquer resolução por parte da requerida”. Sobre o dano moral, argumenta, que “a parte autora mesmo tendo feito inúmeras reclamações junto a requerida viu que estas foram em vão, pois absolutamente nada foi resolvido pela requerida até a presente data. Por todo o exposto, a parte ré deve ser condenada a indenizar os danos morais causados a parte requerente, pela perda de seu tempo útil, danos a sua esfera econômica e como forma de punição pedagógica para que a requerida não faça mais isso com nenhum outro consumidor, no valor requerido na inicial ou outro valor a entender deste douto juízo”. Por fim, protesta pelo conhecimento e provimento do apelo, para, consequentemente, reformar parcialmente a sentença vergastada, condenando a instituição financeira apelada ao pagamento de indenização por danos morais, bem como, restituição em dobro, por ser medida de direito. Contrarrazões no Id. 27405574. É o que importa relatar. VOTO Inicialmente, cumpre salientar que a autora, em suas contrarrazões, suscita a preliminar de ofensa ao princípio da dialeticidade recursal, a ensejar o não conhecimento do recurso da parte promovida, ao argumento que o recorrente não impugnou, de maneira específica, os fundamentos da decisão objurgada, reproduzindo exatamente o teor da peça contestatória, não se contrapondo aos argumentos da sentença. No caso, restou comprovado que o recurso interposto enfrentou, de forma satisfatória, expondo, em suas razões, os fundamentos de fato e de direito que embasam o seu inconformismo com o ato judicial combatido, portanto, não há que se falar em ofensa ao princípio da dialeticidade. Exercendo o juízo de admissibilidade, verifico o atendimento de todos os requisitos intrínsecos e extrínsecos que o compõem, levando-o ao qualificativo da positividade e, assim, ao conhecimento do recurso. Depreende-se da leitura dos fólios processuais, que a autora/recorrente busca através da presente demanda declarar a nulidade do contrato de empréstimo consignado (nº 431407243), firmado em seu nome junto à instituição financeira promovida, bem como, dos descontos referentes a tarifa de cestas de serviços efetuados pelo banco na conta-salário da autora, com a restituição em dobro, dos valores descontados indevidamente, e ainda, indenização pelos danos morais sofridos. O douto magistrado singular entendeu pela improcedência dos pedidos autorais, ao fundamento que os descontos efetuados foram

	devidos e o empréstimo realizado da maneira correta, portanto, incabível se torna a condenação da instituição financeira/requerida em devolução de valores e em pagamento de danos morais. Inicialmente, cumpre ressaltar que é de rigor a aplicação do Código de Defesa do Consumidor (CDC) no presente caso, uma vez que as instituições se amoldam à definição de fornecedora, prescrita no caput do artigo 3º da Lei nº 8.078/1990, enquanto o autor se qualifica como consumidor, ante o conceito trazido pelo artigo 2º do mesmo diploma legal. Demais disso, segundo a Súmula nº 297 do C. Superior Tribunal de Justiça, "o Código de Defesa do Consumidor é aplicável às instituições financeiras". Com relação ao contrato de empréstimo consignado, é forçoso reconhecer que houve falha na prestação do serviço, causando danos de ordem moral e material a promovente/recorrente, porquanto, embora o banco/apelado argumente que o contrato foi realizado na modalidade eletrônica, anexando os documentos constante no Id. 27405553, como forma de comprovar a efetiva pactuação do negócio jurídico em discussão, trata-se de prova produzida unilateralmente pela instituição financeira, com precário ou nenhum valor probatório, e que, mesmo assim, não comprova, com suficiente convicção, de que foi a autora/apelante quem, de fato, pactuou a referida avença. É cediço que para a contratação eletrônica ter validade jurídica, é preciso o preenchimento dos requisitos essenciais, dentre os quais o consentimento do consumidor mediante assinatura digital por biometria facial, com todas as nuances para garantir a autenticidade e a integridade dos documentos assinados. A instituição financeira/recorrida detentora da tecnologia empregada em seus serviços possuía condições de demonstrar tecnicamente que a autora/recorrente procedeu a suposta contratação, mas de tal ônus não se desincumbiu. Destarte, é obrigação da instituição financeira adotar as cautelas necessárias para a realização de um contrato de empréstimo, tendo o dever de implementar sistemas de fiscalização e segurança que impeçam a ocorrência de uma fraude, sob pena de responder pelos danos causados. Assim, demonstrada a falha na prestação dos serviços, configurado está o ilícito civil, o qual enseja pronta reparação dos danos causados, nos termos do art. 14 do Código de Defesa do Consumidor e arts. 186 e 927 do Código Civil Brasileiro. Isso porque, segundo a dicção dos dispositivos legais suso mencionados, notadamente o art. 14 do CDC: "o fornecedor de serviços responde, independentemente da existência de culpa, pela reparação dos danos causados aos consumidores por defeitos relativos à prestação dos serviços, bem como por informações insuficientes ou inadequadas sobre sua fruição e riscos". A responsabilidade objetiva tem por base a teoria do risco, segundo a qual a atividade desenvolvida pelo fornecedor, colocada à disposição no mercado de consumo, destina-se a auferir lucros, estando suscetível aos riscos que lhe são inerentes. Daí é possível deduzir que, as instituições bancárias e em virtude da atividade de risco que exercem, devem responsabilizar-se, independentemente de culpa, pelos danos causados, questão esta inclusive já sumulada no STJ: "As instituições financeiras respondem objetivamente pelos danos gerados por fortuito interno relativo a fraudes e delitos praticados por terceiros no âmbito de operações bancárias". (Súmula n.º 479). Dano material - Destarte, reconhecida a nulidade do contrato e a necessidade do retorno das partes ao "status quo", faz-se necessário a devolução dos valores descontados indevidamente da conta-salário da promovente/recorrente, lastreado pelo contrato em discussão, contudo, deve haver a compensação do montante que foi, de fato, disponibilizado pela instituição financeira/apelada a requerente/apelante, como faz prova o extrato bancário constante no Id.27405550, a fim de evitar o enriquecimento ilícito da parte autora. Repetição de Indébito - Dispõe o parágrafo único do art. 42 do Código de Defesa do Consumidor: "O consumidor cobrado em quantia indevida tem direito à repetição do indébito, por valor igual ao dobro do que pagou em excesso, acrescido de correção monetária e juros legais, salvo hipótese de engano justificável". O atual posicionamento do Superior Tribunal de Justiça, fixado no recurso repetitivo paradigma (EAREsp nº 676608/RS), é no sentido de que a restituição em dobro depende da natureza volitiva do fornecedor, ou seja, prescinde da comprovação da má-fé quando a cobrança indevida decorrer de serviços não contratados. No entanto, impende registrar que o referido entendimento foi publicado com modulação dos efeitos.

	medium;">Na decisão paradigma, o Superior Tribunal de Justiça entendeu que, para demandas que não decorram da prestação de serviços públicos, o acórdão terá eficácia apenas prospectiva, ou seja, a tese fixada somente será aplicável a valores pagos após a sua publicação, ou seja, em 30 de março de 2021, vejamos: Primeira tese: A restituição em dobro do indébito (parágrafo único do artigo 42 do CDC) independe da natureza do elemento volitivo do fornecedor que realizou a cobrança indevida, revelando-se cabível quando a referida cobrança consubstanciar conduta contrária à boa-fé objetiva.</p> <p style="text-align: justify;"> (...)</p> <p style="text-align: justify;"> Modulação dos efeitos: Modulam-se os efeitos da presente decisão – somente com relação à primeira tese – para que o entendimento aqui fixado quanto à restituição em dobro do indébito seja aplicado apenas a partir da publicação do presente acórdão. A modulação incide unicamente em relação às cobranças indevidas em contratos de consumo que não envolvam prestação de serviços públicos pelo Estado ou por concessionárias, as quais apenas serão atingidas pelo novo entendimento quando pagas após a data da publicação do acórdão." (STJ. Corte Especial. EAREsp 676608/RS, Rel. Min. Og Fernandes, julgado em 21/10/2020)</p> <p style="text-align: justify;"> Dessa forma, considerando a modulação temporal dos efeitos da decisão contida no EAREsp nº 676.608/RS, os valores descontados indevidamente da conta-salário da requerente/apelante, deverão ser restituídos na forma dobrada, visto que, conforme extrato (Id.2740550), os descontos ocorreram após publicação do acórdão em que fixado o precedente (30/03/2021).</p> <p style="text-align: justify;"> Dano moral - </p> <p style="text-align: justify;"> Configura-se o dano moral quando há violação a algum dos direitos relativos à personalidade do indivíduo, ou seja, quando há lesão à vida ou à integridade físico-psíquica, ao nome, à imagem, à honra, à intimidade ou, de uma forma mais ampla, à dignidade do indivíduo.</p> <p style="text-align: justify;"> Os descontos indevidos realizados na conta-salário da requerente/apelante constituem ato ilícito, na medida em que a instituição financeira deixou de agir com o cuidado necessário para o regular desenvolvimento de sua atividade, causando danos e resultando, por via de consequência, na obrigação de repará-los, na forma dos arts. 186 e 927 do Código Civil.</p> <p style="text-align: justify;"> É nesta conduta, por certo, censurável, onde se centra o nexo de causa e efeito entre o dano e a ação (conduta), porque causou vexame, constrangimento ao consumidor, caso em que a condenação é devida porque os efeitos de tal prática afetam a pessoa com mais extensão e com repercussão no mundo exterior, não confinados apenas à indignação pessoal.</p> <p style="text-align: justify;"> A respeito:</p> <p style="text-align: justify;"> PROCESSO CIVIL. Depreende-se da leitura dos fólios processuais, que a autora/apelada busca através da presente demanda declarar nulo suposto contrato de empréstimo consignado (nº 403054668), firmado em seu nome junto ao banco/apelado, bem como, a restituição dos valores descontados indevidamente, e ainda, indenização pelos danos morais sofridos. 2. A dialética jurídica acarreta a incidência do disposto no artigo 373 do Código de Processo Civil, que bem distribui o ônus probatório. Conforme dispõe o artigo 373, inciso I e II, do CPC, cabe à parte autora a devida comprovação do fato constitutivo do direito invocado e a parte Ré, provar a existência de fatos impeditivos, modificativos ou extintivos do direito da autora. 3. Desse modo, tendo a autora comprovado a existência de descontos em seu benefício previdenciário (fls.14), recairia sobre o banco/recorrente o ônus de comprovar a regularidade do contrato e a legitimidade das cobranças realizadas. 4. No caso, o banco/apelante não logrou êxito em eximir-se de sua responsabilidade, tendo em vista que não conseguiu provar a regularidade da contratação em questão, porquanto, apesar de proceder a juntada do suposto instrumento contratual (fls. 50/58), o mesmo não encontra-se assinado ou autenticado eletronicamente. 5. A instituição financeira/recorrente, argumenta que o contrato de empréstimo consignado ora analisado foi requerido e perfectibilizado de forma eletrônica, para tanto, anexa o documento de identidade e uma foto ˆselfieˆ da promovente/apelada, como meio de comprovação da discutida avença (fls.59/61). Contudo, a foto carregada aos autos, não é suficiente para comprovar a

	manifestação de vontade por parte da autora/apelada, uma vez que se trata de foto individual, que pode ter sido coletada em outra oportunidade. Além disso, não há no documento anexado a geolocalização ou Id do dispositivo usado no momento da realização do pacto. 6. Na espécie, a instituição financeira/apelante detentora da tecnologia empregada em seus serviços possuía condições de demonstrar tecnicamente que a autora/recorrida procedeu a suposta contratação, mas de tal ônus não se desincumbiu. 7. Assim, quando demonstrada a falha na prestação dos serviços pelo banco, configurado está o ilícito civil, conferindo daí ao lesado a devida reparação dos danos sofridos, nos termos do art. 14 do Código de Defesa do Consumidor e arts. 186 e 927 do Código Civil Brasileiro. 8. Dano Moral - Sobre o dano moral, enxergo que é evidente a perturbação sofrida pela autora/apelada, em decorrência do ocorrido, ao ver os descontos no seu benefício previdenciário, uma vez que não houve autorização da prática deste ato e tampouco, conforme os elementos existentes nestes autos, prova de que houve a celebração do instrumento contratual com o banco/apelante. 9. Fixação - Para quantificar a indenização por danos morais deve se levar em conta, dentre outros fatores, a extensão do dano, as condições socioeconômicas dos envolvidos e o sofrimento da vítima. Nessa ordem de ideias, atento ao cotejo desses fatores, e levando em consideração os valores dos descontos, considero consentâneo o quantum indenizatório de R\$ 3.000,00 (três mil reais), arbitrado pelo magistrado a quo, porque não se entremostra exagerado nem insignificante, uma vez que razoável e proporcional à ofensa perpetrada. 10. Recurso conhecido e desprovido. Sentença confirmada. A C Ó R D Ã O Acordam os Desembargadores integrantes da Primeira Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade de votos, em conhecer do presente recurso, mas para negar-lhe provimento, nos termos do voto do eminente Relator, parte integrante desta decisão. Fortaleza, 03 de abril de 2024. FRANCISCO MAURO FERREIRA LIBERATO Presidente do Órgão Julgador Exmo. Sr. EMANUEL LEITE ALBUQUERQUE Relator(TJ-CE - Apelação Cível: 0201234-74.2022.8.06.0113 Jucás, Relator.: EMANUEL LEITE ALBUQUERQUE, Data de Julgamento: 03/04/2024, 1ª Câmara Direito Privado, Data de Publicação: 04/04/2024)</p><p style="text-align: justify;">&#160;</p><p style="text-align: justify;"> APELAÇÕES RECÍPROCAS. SENTENÇA PARCIALMENTE PROCEDENTE DO PEDIDO DECLARAÇÃO DE INEXISTÊNCIA DE RELAÇÃO JURÍDICA E INDENIZAÇÃO POR DANOS MATERIAIS E MORAIS. NO CASO, EMPRÉSTIMO CONTRAÍDO COM FRAUDE À REVELIA DO TITULAR DA CONTA BANCÁRIA. O CONTRATO BANCÁRIO APRESENTADO NÃO ATENDE AOS REQUISITOS MÍNIMOS DE VALIDADE. APLICAÇÃO DA SÚMULA Nº 479, STJ. RESPONSABILIDADE OBJETIVA. REPARAÇÃO DOS DANOS MATERIAIS CONSUBSTANCIADOS NA REPETIÇÃO DOBRADA DO INDÉBITO. INDENIZAÇÃO MORAL CONFIGURADA. ARBITRAMENTO REDIMENSIONADO. ADEQUAÇÃO AOS PARÂMETROS DESTA CORTE. PRECEDENTES DO TJCE E DO STJ. DESPROVIMENTO DO APELO DO BANCO E PROVIMENTO DO APELATÓRIO AUTORAL. 1. Inicialmente, percebe-se que o cerne da questão posta a desate consiste em conferir a verossimilhança das alegações recursais vertidas na existência de empréstimo consignado sem a autorização da Parte Requerente e a sua revelia, porquanto, originado mediante fraude. 2. Após, sucessivamente, a celeuma é saber se o contrato em voga tem as informações consideradas essenciais ao pacto, a saber: data e local, dados da autorização para desconto, declaração de residência, ausência de comprovante de depósito, falta de informações sobre financiamento ou refinanciamento, valor financiado divergente do valor liberado, dentre outras, poderia ser considerado legal para fins de validade do negócio jurídico. A par disso, verificar-se-á a possibilidade de reparação. 3. O CONTRATO BANCÁRIO APRESENTADO NÃO ATENDE AOS REQUISITOS MÍNIMOS DE VALIDADE: Realmente, a Parte Requerente alega que fora vítima da realização de contrato fraudulento. Sendo assim, incumbe ao Adversário provar a existência de Fatos Impeditivo, Modificativo ou Extintivo do Direito do Autor, nos termos do art. 373, II, CPC/15. Ademais, tendo em vista que se cuida de relação consumerista, para tanto, deve ser feita a inversão do ônus da prova para que a Parte Requerida apresente o instrumento contratual que possa por fim a controvérsia acerca da validade ou invalidade do ato jurídico. Contudo, o contato bancário não atende aos requisitos mínimos de validade. 4. RESPONSABILIDADE OBJETIVA DO BANCO: É pacífico que a Responsabilidade da instituição bancária é objetiva na ocorrência de fraude, como no caso dos autos. Confira-se: Súmula 479, STJ - As instituições financeiras respondem objetivamente pelos danos gerados por fortuito interno relativo a fraudes e delitos praticados por terceiros no âmbito de operações bancárias. (Súmula 479, SEGUNDA SEÇÃO, julgado em 27/06/2012, DJe 01/08/2012). 5. INCIDÊNCIA DA REPETIÇÃO DOBRADA DO INDÉBITO: Antes de 30 de março de 2021, o STJ entendia que a devolução em dobro de indébito, segundo o art 42, parágrafo único, Código de Defesa do Consumidor - CDC é necessário os seguintes pressupostos, de forma cumulativa: (i) cobrança extrajudicial indevida de dívida decorrente de contrato de consumo; (ii) efetivo pagamento do indébito pelo consumidor; e (iii) engano injustificável por parte do fornecedor ou prestador. Admitia-se a repetição de indébito,

	independentemente da prova de que o pagamento tenha sido realizado por erro, com o objetivo de vedar o enriquecimento ilícito do banco em detrimento do devedor. Porém, para ocorrer em dobro, deve haver inequívoca prova de má-fé. Precedentes. (STJ, AgRg no REsp 916.008/RS, Rel. Ministra NANCY ANDRIGHI, TERCEIRA TURMA, julgado em 14/06/2007, DJ 29/06/2007, p. 623) Na mesma diretiva, declinam-se mais outros 6 (seis) precedentes do STJ, bom verificar: REsp 871825-RJ, REsp 1032952-SP, AgRg no REsp 734111-PR, REsp 910888-RS, AgRg nos EDcl no Ag 1091227-SP e AgRg no REsp 848916-PR. Acontece que o STJ, depois de 30 de março de 2021, reformulou seu entendimento, de modo permitir a Devolução Dobrada para os processos ajuizados depois da publicação do Acórdão do EARESP N. 676.608/RS, RELATOR MINISTRO OG FERNANDES, CORTE ESPECIAL, JULGADO EM 21/10/2020, DJE DE 30/3/2021. In casu, a demanda foi proposta em 2023, pelo que deve atrair a Devolução DOBRADA. 6. EXISTÊNCIA DE DANOS MORAIS: De fato, evidencia-se que não existe contrato bancário VÁLIDO, de modo que os descontos efetuados são ilícitos, pois operados com fraude. 7. ARBITRAMENTO REDIMENSIONADO: Realmente, o arbitramento da indenização moral não deve ser ínfimo tampouco excessivo e, somente, nestas 2 (duas) hipóteses, se divisa a autorização para o redimensionamento pela Corte. In casu, a quantificação do Dano Moral não responde bem ao Princípio da Razoabilidade e da Proporcionalidade. Por fim, o arbitramento dos Danos Morais em casos desse jaez praticados nesta Corte de Justiça é de R\$ 5.000,00 (cinco mil reais). 8. DESPROVIMENTO do Apelo do Banco e o PROVIMENTO do Apelo do Autoral para determinar a Repetição Dobrada do Indébito e para redimensionar o arbitramento a indenização por Danos para R\$ 5.000,00 (cinco mil reais), consagradas as demais disposições sentenciárias, por irrepreensíveis, assegurada a majoração os honorários advocatícios em 10% (dez por cento) sobre o valor fixado na origem, observado o limite do percentual previsto no art. 85, § 2º, CPC/15. ACÓRDÃO Vistos, relatados e discutidos os autos em que são partes as acima indicadas, acordam os Desembargadores integrantes da 4ª Câmara de Direito Privado do Tribunal de Justiça do Ceará, por unanimidade, pelo Desprovemento do Apelo do Banco e o Provimento do Apelo do Autoral, nos termos do voto do Relator. Fortaleza, data e hora indicadas no sistema. DESEMBARGADOR FRANCISCO MAURO FERREIRA LIBERATO Relator/Presidente do Órgão Julgador (TJ-CE - Apelação Cível: 0200483-42.2022.8.06.0128 Morada Nova, Relator.: FRANCISCO MAURO FERREIRA LIBERATO, Data de Julgamento: 24/01/2024, 1ª Câmara Direito Privado, Data de Publicação: 24/01/2024) Nessa ordem de ideias, atento ao cotejo desses fatores: nível econômico da autora da ação, sofrimento da vítima e o porte econômico da entidade bancária, e ainda, levando em consideração os valores descontados arbitro o quantum referente aos danos morais no valor de R\$ 3.000,00 (quatro mil reais), frente ao quadro fático delineado nos autos. Com relação a cobrança de tarifa de cesta de serviços, a entidade bancária/apelante não logrou êxito em eximir-se de sua responsabilidade, porquanto, não apresentou o instrumento contratual, referente à conta bancária da autora/apelante, com cláusulas que especifiquem a origem e a legitimidade das tarifas cobradas, ou ainda, documentos essenciais à comprovação de suas sustentações defensivas, idôneos a impedir, modificar ou extinguir o direito alegado pela parte autora, nos termos do art. 373, inciso II do Código de Processo Civil. Todavia, com relação as referidas cobranças não há que se falar em danos morais e materiais, visto que, é possível perceber que nos descontos efetuados (tarifa de cesta de serviços) não há representatividade financeira de maior monta, de modo a comprometer de maneira significativa os rendimentos da parte autora ou sua subsistência. Além disso, conforme extrato bancário (Id. 27405550), a instituição financeira procedeu o estorno dos lançamentos do serviço. Desse modo, com relação a cobrança de tarifa bancária não procede o pedido de indenização por danos morais, bem como, devolução dos valores devidamente descontados. E assim é que, ante aos fundamentos fáticos e jurídicos acima declinados, voto pelo conhecimento do presente recurso de apelação, para dar-lhe parcial provimento, reformando a sentença atacada, para: (i) declarar a nulidade do contrato de empréstimo consignado em questão (nº 431407243); (ii) determinar a devolução dos valores devidos a título de danos materiais na forma dobrada, visto que, ocorreram após a publicação do acórdão em que fixado o precedente (30/03/2021); corrigidos monetariamente pelo IPCA/IBGE (art. 389, parágrafo único, CC), a partir do efetivo prejuízo (Súmula n.º 43, STJ), com incidência de juros de mora desde o evento danoso (Súmula n.º 54, STJ), a taxa de 1% ao mês até 28/08/2024 e, a partir daí, pela Taxa SELIC, deduzindo-se o IPCA/IBGE e desconsiderando-se juros negativos (art. 406 do CC), com a compensação entre quantia paga/transferida pela instituição financeira/recorrida, a fim de evitar o enriquecimento ilícito da parte autora; (iii) condenar a instituição financeira/recorrida ao pagamento da quantia de R\$ 3.000,00 (três mil reais) a título de danos morais, acrescidos de correção monetária pelo IPCA do IBGE desde o arbitramento (STJ, Súmula nº 362; CC, art. 389, parágrafo único) e de juros de mora da data do evento danoso (Súmula n.º 54, STJ) à taxa de 1% ao mês até o dia anterior ao da vigência da Lei nº 14.905/2024 e, a partir daí, à taxa correspondente ao resultado da taxa Selic subtraída do IPCA (CC, arts. 398 e 406, § 1º). Com o novo resultado, condeno o banco/promovido ao pagamento integral das custas processuais e honorários advocatícios, fixados em 15% (quize por cento) sobre o valor da condenação, nos termos do art. 85, §2º, do Código de Processo Civil. É como voto. Fortaleza-CE, 10 de setembro de 2025. Juiz Convocado Eduardo de Castro Neto Relator

CASO EM EXAME </p> <p style="text-align: justify;"> 1. Recurso de apelação interposto por Francisca Ferreira da Silva contra sentença que declarou a inexistência de relação jurídica referente a cartão de crédito consignado com reserva de margem consignável (RMC), determinou a cessação dos descontos em benefício previdenciário, condenou o Banco Agiplan S/A à devolução em dobro dos valores descontados e ao pagamento de indenização por danos morais no valor de R\$ 5.000,00, além de fixar honorários advocatícios em 10% sobre a condenação. A apelante insurge-se contra o termo inicial dos juros de mora e da correção monetária, bem como requer a majoração da verba honorária. </p> <p style="text-align: justify;"> II. QUESTÃO EM DISCUSSÃO </p> <p style="text-align: justify;"> 2. Há duas questões em discussão: </p> <p style="text-align: justify;"> (i) definir o termo inicial dos juros de mora e da correção monetária na indenização fixada, diante da natureza da responsabilidade; </p> <p style="text-align: justify;"> (ii) estabelecer se cabe majoração dos honorários advocatícios já fixados em 10%. </p> <p style="text-align: justify;"> III. RAZÕES DE DECIDIR </p> <p style="text-align: justify;"> 3. A ausência de comprovação contratual demonstra que os descontos foram realizados sem vínculo jurídico, configurando ato ilícito e responsabilidade civil extracontratual. </p> <p style="text-align: justify;"> 4. Nos casos de responsabilidade extracontratual, a correção monetária incide a partir do efetivo prejuízo, conforme Súmula 43 do STJ. </p> <p style="text-align: justify;"> 5. Também nesses casos, os juros de mora fluem desde o evento danoso, conforme Súmula 54 do STJ. </p> <p style="text-align: justify;"> 6. A fixação dos honorários advocatícios em 10% da condenação observa os limites do art. 85, §2º, do CPC, atendendo aos critérios de proporcionalidade e razoabilidade, não cabendo majoração. </p> <p style="text-align: justify;"> IV. DISPOSITIVO E TESE </p> <p style="text-align: justify;"> 7. Recurso parcialmente provido. </p> <p style="text-align: justify;"> Tese de julgamento: </p> <p style="text-align: justify;"> 1. 	style="font-size: medium;">O cerne da controvérsia recursal cinge-se exclusivamente na insurgência da promovente quanto ao termo inicial dos juros fixados pelo juízo a quo, que determinou a contagem a partir da citação. Razão assiste a apelante. Explico. Com efeito, do conjunto probatório carreado aos autos, evidencia-se que a controvérsia em análise decorre de ato ilícito, desprovido de vínculo contratual entre as partes, uma vez que não houve comprovação pela entidade bancária da efetiva contratação. Trata-se, pois, de típica responsabilidade extracontratual, atraindo a aplicação da disciplina dos arts. 186 e 927 do Código Civil. Nessa perspectiva, a jurisprudência consolidada do Superior Tribunal de Justiça pacificou entendimento quanto à matéria, editando as Súmulas nº 43 e nº 54. A primeira estabelece que, em se tratando de responsabilidade civil extracontratual, a correção monetária da indenização incide desde a data do efetivo prejuízo ("Incide correção monetária sobre dívida por ato ilícito a partir da data do efetivo prejuízo"). A segunda dispõe que os juros moratórios fluem a partir do evento danoso ("Os juros moratórios fluem a partir do evento danoso, em caso de responsabilidade extracontratual"). Assim, reconhecida a natureza extracontratual da relação jurídica em debate, impõe-se a aplicação das referidas súmulas, de modo que os juros de mora devem incidir desde a data do evento danoso, e a correção monetária, desde a data do efetivo prejuízo, em consonância com o entendimento jurisprudencial consolidado. Destarte, acolho o apelo para reconhecer a relação extracontratual e determinar que os juros de mora incidam desde o evento danoso, nos termos das Súmulas 43 e 54 do STJ. No que se refere ao pleito de majoração dos honorários advocatícios, não há como prosperar. O artigo 85 do Código de Processo Civil estabelece parâmetros objetivos para a fixação da verba honorária, determinando que ela seja arbitrada entre o mínimo de 10% (dez por cento) e o máximo de 20% (vinte por cento) sobre o valor da condenação, do proveito econômico obtido ou, não sendo possível mensurá-lo, sobre o valor atualizado da causa. No caso concreto, observa-se que a verba honorária foi fixada em percentual que respeita os limites previstos em lei, atendendo aos critérios do §2º do referido dispositivo, que incluem o grau de zelo do profissional, o lugar da prestação do serviço, a natureza e importância da causa, bem como o trabalho realizado e o tempo exigido. Assim, tendo sido a fixação dos honorários realizada dentro dos parâmetros legais e em consonância com os princípios da razoabilidade e proporcionalidade, não há margem para nova majoração, sob pena de violação ao art. 85 do CPC e enriquecimento indevido da parte vencedora. Cumprido destacar que a jurisprudência pátria é pacífica no sentido de que a majoração dos honorários só é cabível quando a fixação originária se mostrar aquém do mínimo legal ou flagrantemente desproporcional, hipótese que não se verifica nos presentes autos. Portanto, deve ser mantido o quantum fixado a título de honorários advocatícios, rejeitando-se o pleito de majoração. Diante do exposto, conheço do recurso para dar-lhe parcial provimento, determinando que o termo inicial dos juros de mora quanto ao dano material passe a contar a partir da data do efetivo prejuízo (Súmula n.º 43, STJ) e do dano moral da data do evento danoso (Súmula n.º 54, STJ). Mantenho a sentença em seus demais termos. É como voto. Fortaleza, data da assinatura digital EXMO. SR. DR. EDUARDO DE CASTRO NETO Juiz Convocado Relator

Fortaleza, data e hora do sistema. JOSE RICARDO VIDAL PATROCÍNIO Presidente do Órgão Julgador EDUARDO DE CASTRO NETO Juiz Convocado Relator RELATÓRIO Trata-se de Apelação Cível interposta por Banco BMG S/A contra a sentença proferida pelo douto Juízo da 1ª Vara Cível da Comarca de Juazeiro do Norte que, nos autos da Ação Declaratória de Inexistência de Relação Jurídica c/c Pedido de Repetição de Indébito e Compensação por Dano Moral proposta por Tomé Nunes da Silva, julgou procedentes os pedidos autorais, declarando a nulidade do contrato nº 17444666, condenando a restituição dos valores pagamento das custas e despesas processuais, além de honorários advocatícios arbitrados em 10% (dez por cento) sobre o valor atualizado da condenação. Em seu apelo (ID 27445143), a empresa promovido/recorrente pugna que "Até onde o apelante possa constatar, a contratação do cartão foi validamente realizada pelo Recorrido, que expressou sua aquiescência quanto aos termos e condições envolvidos na utilização deste. O banco mostrou nos autos, de forma totalmente inequívoca, que a parte autora tinha plena ciência dos termos do contrato, ao juntar o contrato no processo. Diante do referido, resta totalmente afastada a ocorrência de cobranças indevidas por parte do apelante. Restando clara a tentativa equivocada da parte apelada em obter vantagem indevida perante o Judiciário de uma relação jurídica válida e indene de vícios".

Uma vez esclarecido que não houve qualquer vício de vontade, insta ressaltar o dever de cumprimento do que fora avençado, em observância ao Princípio da Boa Fé e do Pacta Sunt Servanda, os quais merecem alguma consideração. (...) Em sede sentencial decidiu o MM. Juiz de direito, pela restituição dos valores descontados da apelada, por entender serem indevidos. Urge esclarecer que, não houve qualquer conduta ilegítima do apelante, haja vista que, os descontos são provenientes da contraprestação do contrato celebrado entre as partes." </p><p style="line-height: 200%; text-indent: 3.02cm; margin-bottom: 0.28cm;" align="justify"> Também aduz que "Urge esclarecer que, não houve qualquer conduta ilegítima do apelante, haja vista que, os descontos são provenientes da contraprestação do contrato celebrado entre as partes. (...) Assim, no presente caso, não há que se falar em restituição, ainda mais em dobro. É certo que a apelada, em momento algum, demonstrou ter o Banco agido de má-fé ao realizar as cobranças. (...) Neste passo, a pretensão da autora/ apelada de receber, os valores pagos não apresentam qualquer lógica e/ou respaldo jurídico, não havendo que se falar, pois, em qualquer conduta consubstanciada na má-fé pelo apelante. Sem sombra de dúvida, também sem razão está a apelada, pois, não há que se falar em "prática ilícita" do Banco apelante, uma vez que a cobrança reclamada constitui exercício regular do direito do Banco".</p><p style="line-height: 200%; text-indent: 3.02cm; margin-bottom: 0.28cm;" align="justify"> Alega que "Ante o exposto, pugna pelo provimento do presente recurso e a consequente improcedência do pedido de devolução das parcelas regularmente descontadas em claro exercício regular de direito. Subsidiariamente, ainda que esta Turma Julgadora entenda pela manutenção da sentença no que toca a devolução dos valores descontados, cumpre impugnar a obrigação de que a devolução ocorra de forma dobrada. Pede, da mesma forma, que os valores recebidos pela autora e comprovados nos autos sejam decotados de uma eventual condenação, para não qualificar enriquecimento sem causada parte recorrida. 	indevidamente do benefício previdenciário da parte autora e o pagamento de indenização a título de danos morais no valor de R\$ 3.000,00 (três mil reais). ¶ Inicialmente, passo a análise das preliminares de mérito arguidas pela promovente em sede de apelação. Da prescrição No que concerne a prescrição, cumpre esclarecer que tendo em vista que o caso é de relação consumerista, no qual a parte autora busca a reparação de danos causados pelo fato do serviço, deve ser aplicado o instituto da prescrição, nos termos do art. 27 do CDC. Os contratos de empréstimos consignados caracterizam-se por ser de trato sucessivo, considerando que, mês a mês, ocorre a violação contínua do direito suscitado, sendo o termo inicial para a contagem do prazo prescricional o vencimento apenas da última parcela. Vejamos: EMENTA: DIREITO CIVIL, PROCESSUAL CIVIL E DO CONSUMIDOR. AÇÃO DECLARATÓRIA DE INEXISTÊNCIA CONTRATUAL C/C REPETIÇÃO DE INDÉBITO E INDENIZAÇÃO POR DANOS MORAIS. CONTRATO DE EMPRÉSTIMO BANCÁRIO CONSIGNADO. RELAÇÃO DE TRATO SUCESSIVO. TERMO INICIAL DO PRAZO PRESCRICIONAL. ÚLTIMA PARCELA. PRESCRIÇÃO AFASTADA. JULGAMENTO DO PROCESSO PELA APLICABILIDADE DA TEORIA DA CAUSA MADURA. COMPROVAÇÃO DA FORMALIZAÇÃO DO CONTRATO. JUNTADA DA TRANSFERÊNCIA ELETRÔNICA (TED), EM CONTA DE TITULARIDADE DA AUTORA, NO VALOR PACTUADO. INEXISTÊNCIA DE ATO ILÍCITO PASSÍVEL DE REPARAÇÃO POR DANOS MORAIS. RECURSO CONHECIDO E PARCIALMENTE PROVIDO, APENAS PARA AFASTAR A PRESCRIÇÃO. JULGAMENTO DE IMPROCEDÊNCIA DO PLEITO AUTURAL. I – Preliminarmente, passo a analisar se, de fato, houve a prescrição da pretensão autoral, apta a gerar o julgamento de extinção do feito, nos termos do inciso II do art. 487 do Código de Processo Civil de 2015. II - Os contratos de empréstimos consignados tratam-se de trato sucessivo, vez que, mês a mês, ocorre a violação contínua do direito, sendo o termo inicial para a contagem da prescrição o vencimento da última parcela. Desta forma, acolho a preliminar suscitada na apelação, afastando a prescrição da pretensão autoral, momento em que, pela aplicabilidade da Teoria da Causa Madura, passo a analisar o mérito da demanda. III - O Código de Defesa do Consumidor, em seu art. 14, caput, estabelece a responsabilidade objetiva dos fornecedores de serviço pelos danos causados aos consumidores, por defeitos relativos à prestação dos serviços. IV - In casu, nas contrarrazões recursais, primeira oportunidade da Instituição Bancária nos autos do processo, esta apresentou a Cópia da Cédula Bancária formalizada entre as partes (fl. 80), devidamente assinada, inclusive com presença de testemunha (fl. 83). No ato, também juntou a cópia da Transferência Eletrônica Disponível (TED), comprovando depósito no valor de R\$ 2.559,23 (dois mil e quinhentos e cinquenta e nove reais e vinte e três centavos), em conta de titularidade da recorrente, sra. MARIA BERTILHA LEITÃO COSTA. Com a robusta prova acostada nos autos, resta comprovada a efetiva e válida formalização do contrato aqui questionado. V - Quanto aos danos morais, os mesmos são vistos como qualquer ataque ou ofensa à honra, paz, mentalidade ou estado neutro de determinado indivíduo, sendo, por vezes, de difícil caracterização devido ao seu alto grau subjetivo. VI – No caso dos autos, uma vez configurada a formalização do contrato em avença, inexistem quaisquer dos requisitos autorizadores para o deferimento de pagamento de danos morais, vez que não restou comprovada nenhuma conduta ilícita por parte da Instituição Bancária, muito menos resultado danoso para a apelante. VII –Recurso conhecido e

	parcialmente provido, apenas para afastar a prescrição. Julgamento de improcedência do feito. (TJCE – Relator (a): MARIA VILAUBA FAUSTO LOPES; Comarca: Acopiara; Órgão julgador: 2ª Vara; Data do julgamento: 05/12/2018; Data de registro: 05/12/2018) &#160; Nesta ordem de ideias, haja vista que os descontos perduraram até o momento, o pleito perseguido na vertente declaratória, proposta em novembro de 2022, não se encontra fulminado pela prescrição. Portanto, rejeito a preliminar suscitada. Passo, portanto, a análise do mérito recursal. Sobre a temática em testilha, inicialmente, cumpre ressaltar que de acordo com a Súmula n.º 297, do Superior Tribunal de Justiça, as relações existentes entre correntistas e bancos devem ser examinadas à luz da lei consumerista: O Código de Defesa do Consumidor é aplicável às instituições financeiras Passo, portanto, a análise do mérito recursal. A dialética jurídica acarreta a incidência do disposto no artigo 373 do Código de Processo Civil, que bem distribui o ônus probatório. Conforme dispõe o artigo 373, inciso I e II, do CPC, cabe à parte autora a devida comprovação do fato constitutivo do direito invocado e a parte Ré, provar a existência de fatos impeditivos, modificativos ou extintivos do direito do autor. A cláusula que prevê a reserva de margem consignável para operações com cartão de crédito está regulada pelo art. 1º da Resolução nº 1.305/2009 do Conselho Nacional de Previdência Social. No entanto, a constituição de Reserva de Margem Consignável (RMC) requer autorização expressa do aposentado, por escrito ou por meio eletrônico, nos termos do que dispõe o art. 3º, III, da Instrução Normativa INSS nº 28/2008, alterada pela Instrução Normativa INSS n. 39/2009, in verbis Artigo 3º Os titulares de benefícios de aposentadoria e pensão por morte, pagos pela Previdência Social, poderão autorizar o desconto no respectivo benefício dos valores referentes ao pagamento de empréstimo pessoal e cartão de crédito concedidos por instituições financeiras, desde que: (...) III - a autorização seja dada de forma expressa, por escrito ou por meio eletrônico e em caráter irrevogável e irretratável, não sendo aceita autorização dada por telefone e nem a gravação de voz reconhecida como meio de prova de ocorrência. Desse modo, tendo o autor/apelado comprovado a existência de descontos em seu benefício previdenciário, com base no contrato em discussão, recairia sobre o banco/apelante o ônus de comprovar a regularidade do contrato e a legitimidade das cobranças realizadas. No caso, o banco/recorrente não logrou êxito em eximir-se de sua responsabilidade, tendo em vista que não conseguiu provar a regularidade da contratação em questão, porquanto, apesar de proceder a juntada do suposto instrumento contratual al (ID

Processo	0207339-70.2022.8.06.0112
	 27445063 mesmo não se encontra assinado ou autenticado eletronicamente. A instituição financeira/apelante, argumenta em sede de contestação que o contrato de cartão de crédito consignado ora analisado foi requerido e perfectibilizado de forma eletrônica, para tanto, anexa uma foto "selfie" do promovente, foto do documento pessoal e uma suposta assinatura eletrônica (fls. 13 a 19 do ID 27445063)), como meios de comprovação da discutida avença. Contudo, a foto carreada aos autos, e os demais elementos em apartado, não são suficientes para comprovar a manifestação de vontade por parte do autor/apelado, uma vez que se trata de foto individual e elementos que podem ter sido coletados em outra oportunidade. Além disso, não há no contrato anexado a geolocalização ou ID do dispositivo usado no momento da realização do pacto. Como visto, o banco/recorrente não comprovou por nenhum meio, a manifestação de vontade por parte da promovente/recorrente, ônus que lhe competia, segundo a regra do art. 373, inc. II, do CPC, não conseguindo demonstrar que agiu com cautela por ocasião da celebração do apontado negócio jurídico. Na espécie, a instituição financeira/apelante detentora da tecnologia empregada em seus serviços possuía condições de demonstrar tecnicamente que o autor/apelado procedeu a suposta contratação, mas de tal ônus não se desincumbiu. Assim, quando demonstrada a falha na prestação dos serviços pelo banco, configurado está o ilícito civil, conferindo daí ao lesado a devida reparação dos danos sofridos, nos termos do art. 14 do Código de Defesa do Consumidor e arts. 186 e 927 do Código Civil Brasileiro. Isso porque, segundo a dicção dos dispositivos legais suso mencionados, notadamente o art. 14 do CDC: o fornecedor de serviços responde, independentemente da existência de culpa, pela reparação dos danos causados aos consumidores por defeitos relativos à prestação dos serviços, bem como por informações insuficientes ou inadequadas sobre sua fruição e riscos . Daí é possível deduzir que, as instituições bancárias, em virtude da atividade de risco que exercem, devem responsabilizar-se, independentemente de culpa, pelos danos causados, questão esta inclusive já sumulada no STJ: As instituições financeiras respondem objetivamente pelos danos gerados por fortuito interno relativo a fraudes e delitos praticados por terceiros no âmbito de operações bancárias . (Súmula n.º 479). Dano material Os valores descontados indevidamente do benefício previdenciário do requerente/apelado, sem que houvesse autorização para o exercício deste ato, indicam sem dúvida a presença do dano material.

	AO DANO SOFRIDO. REDUÇÃO DO VALOR. DEFERIDO. PEQUENO VALOR DA PARCELA DESCONTADA MENSALMENTE. DEVOLUÇÃO DO INDEBITO NA FORMA SIMPLES, E EM DOBRO EM RELAÇÃO AOS DESCONTOS EVENTUALMENTE REALIZADOS APÓS 30/03/2021. CONSONÂNCIA COM A TESE FIRMADA NO E A RESP 676.608/RS ; APLICAÇÃO DA MODULAÇÃO DOS EFEITOS. NÃO CONHECIMENTO DO PEDIDO DE COMPENSAÇÃO DOS VALORES. AUSÊNCIA DE COMPROVAÇÃO DEPÓSITO EM CONTA DA AUTORA. RECURSO DE APELAÇÃO CONHECIDO E DADO PARCIAL PROVIMENTO. 1. O cerne da controvérsia consiste em analisar se houve ou não fraude na contratação do Empréstimo Consignado pela consumidora MARIA DO SOCORRO DE FREITAS CANDIDO com a instituição financeira, bem como, se constatada tal circunstância, será devida a condenação do banco ao pagamento da indenização a título de danos morais. 2. Da preliminar. Não há como ser acolhida a preliminar de falta de interesse de agir da parte consumidora, eis que é desnecessário o requerimento na via administrativa como pressuposto ao ingresso da demanda judicial, caso contrário, considerar-se-ia uma afronta à garantia constitucional, assegurada no art. 5º, XXXV da Constituição Federal. 3. O banco apelante não comprovou a relação jurídica discutida entre as partes sem a ocorrência de fraude, sendo acertada a declaração de nulidade do contrato. 4. Descontos indevidos no benefício da apelada, enseja indenização por danos morais, sendo estes danos morais in re ipsa, ou seja, presumido, decorrente da própria existência do ato, diante da ausência da regularidade no contrato que justifique os descontos. Valor arbitrado em primeiro grau na quantia de R\$ 4.000,00 (quatro mil reais) está em desacordo com o entendimento desta Corte em virtude do pequeno valor da parcela. Valor reduzido para a quantia de R\$ 3.000,00 (três mil reais). 5. Comprovada a supressão indevida de valores no benefício da apelada, resta configurado o prejuízo financeiro e o dever de ressarcimento, e, de acordo com a jurisprudência do STJ, a restituição deve ser de forma simples em relação aos descontos ocorrido antes de 30/03/2021 e, em dobro, para os descontos efetuados após essa data. 6. A pretensão recursal de restituição/compensação dos montantes disponibilizados pelo banco na conta da parte autora não deve ser conhecida, por ausência de comprovação da titularidade da conta, notadamente porque não apresentada documentação de titularidade e de depósito na conta da consumidora. 7. Recurso de apelação conhecido e dado parcial provimento. (Apelação Cível&#160;- 0246931-32.2023.8.06.0001, Rel. Desembargador(a) CARLOS AUGUSTO GOMES CORREIA, 1ª Câmara Direito Privado, data do julgamento:&#160; 23/04/2025, data da publicação:&#160; 23/04/2025) Nessa ordem de ideias, atento ao cotejo desses fatores: "nível econômico do autor da ação, sofrimento da vítima e o porte econômico da entidade bancária", e ainda, levando em consideração os valores descontados, considero razoável e proporcional o quantum de R\$ 3.000,00 (três mil reais) fixado pelo juízo a quo , porque não se entremostra exagerado nem insignificante, uma vez que razoável e proporcional à ofensa perpetrada e consentâneo com a jurisprudência desta Corte, anteriormente citadas. Desta forma, ante aos fundamentos fáticos e jurídicos acima declinados, conheço do presente recurso, por próprio e tempestivo, para negar-lhe provimento, mantendo os termos da sentença ora atacada. Diante da sucumbência recursal, majoro os honorários advocatícios devidos pela recorrente de 10% (dez por cento) para 12% (doze por cento), nos termos dos art. 85, §11º do CPC. É como voto.

MODULAÇÃO DOS EFEITOS FIXADA PELO STJ (EAREsp 676608/RS). DANOS MORAIS. VALOR IRRISÓRIO. MEROS ABORRECIMENTOS. AFASTAMENTO. RECURSO PARCIALMENTE PROVIDO.</p> <p style="text-align: justify;">I. CASO EM EXAME </p> <p style="text-align: justify;">1. Recurso de apelação interposto pelo Banco Agiplan S/A contra sentença da 1ª Vara Cível da Comarca de Barbalha que, em ação anulatória de débito cumulada com indenização por dano material e moral, repetição do indébito e obrigação de fazer, ajuizada por Josefa Ferreira de Aquino, julgou parcialmente procedentes os pedidos para declarar a nulidade do contrato impugnado, condenar o banco à devolução dos valores descontados – em dobro a partir de 30/03/2021 e de forma simples para descontos anteriores – e ao pagamento de R\$ 3.000,00 a título de danos morais.</p> <p style="text-align: justify;">II. QUESTÃO EM DISCUSSÃO </p> <p style="text-align: justify;">2. Há três questões em discussão:</p> <p style="text-align: justify;">(i) verificar se a instituição financeira comprovou a regularidade do contrato; </p> <p style="text-align: justify;">(ii) definir o regime aplicável à repetição do indébito, diante da modulação dos efeitos fixada pelo STJ;</p> <p style="text-align: justify;">(iii) determinar se os descontos indevidos, no valor global de R\$ 181,26, configuram dano moral indenizável. </p> <p style="text-align: justify;">III. RAZÕES DE DECIDIR </p> <p style="text-align: justify;">3. A relação entre consumidor e instituição financeira sujeita-se ao Código de Defesa do Consumidor, conforme Súmula 297 do STJ. </p> <p style="text-align: justify;">4. Cabe ao banco o ônus de provar a regularidade do contrato e a legitimidade das cobranças, nos termos do art. 373, II, do CPC, ônus do qual não se desincumbiu, caracterizando falha na prestação do serviço. </p> <p style="text-align: justify;">5. Nos termos do art. 42, parágrafo único, do CDC e da tese fixada no EAREsp 676608/RS, a repetição do indébito deve ocorrer em dobro apenas para valores descontados após 30/03/2021, sendo devida a restituição simples quanto aos valores anteriores. </p> <p style="text-align: justify;">6. O desconto indevido de valores irrisórios, ainda que indevido, não configura abalo à honra ou à dignidade do consumidor, constituindo mero aborrecimento, razão pela qual não cabe indenização por danos morais. </p> <p style="text-align: justify;">IV. DISPOSITIVO E TESE </p> <p style="text-align: justify;">7. Recurso parcialmente provido. </p> <p style="text-align: justify;">Tese de julgamento: </p> <p style="text-align: justify;">1. A ausência de comprovação contratual impõe à instituição financeira a responsabilidade de restituição pelos descontos indevidos. </p> <p style="text-align: justify;">2. A repetição do indébito deve observar a modulação dos efeitos fixada no EAREsp 676608/RS: restituição simples até 29/03/2021 e em dobro a partir de 30/03/2021. </p> <p style="text-align: justify;"></p>

	Mais adiante, sustenta que "(...) resta clarividente que o banco ora apelante, desincumbiu o ônus de provar os fatos impeditivos do direito do recorrente, conforme dispõe Art. 373, II do CPC, cumpriu com a transferência do valor contrato por meio do empréstimo celebrado, sendo prova inequívoca nos autos."</p> <p style="text-align: justify;"> Aponta, ainda, que "conforme se depreende da cédula colacionada junto ao presente recurso, o contrato firmado entre partes, ocorreu por meio de teleatendimento aonde a parte apelada convalidou o termo ajustado, enviando sua biometria facial gerando assim a autenticação mecânica do mútuo." </p> <p style="text-align: justify;"> Argumenta, também, que "não há que se falar em repetição de indébito, nem de forma simples, tampouco na forma dobrada, já que as cobranças realizadas se referem ao empréstimo firmado pelo consumidor, sendo tais cobranças plenamente legais, devendo, portanto, a r. Sentença de Primeiro Grau deve ser reformada, não havendo que se falar em restituição em dobro de valores." </p> <p style="text-align: justify;"> Ao final, requer o provimento do recurso e consequente reforma da sentença para sejam julgados improcedentes os pedidos formulados na exordial. Subsidiariamente, postula pela minoração do dano extrapatrimonial fixado. </p> <p style="text-align: justify;"> Contrarrazões – id. 27392526. </p> <p style="text-align: justify;"> É o que importa relatar. </p> <p style="text-align: justify;"> &#160; </p> <p style="text-align: justify;"> &#160; </p> <p style="text-align: center;"> VOTO </p> <p style="text-align: justify;"> &#160; </p> <p style="text-align: justify;"> Exercendo juízo de admissibilidade, verifico o atendimento de todos os requisitos intrínsecos e extrínsecos que o compõem, levando-o ao qualificativo da positividade e, assim, ao conhecimento do recurso. </p> <p style="text-align: justify;"> Entendeu o juízo de primeiro grau em acolher parcialmente os pedidos autorais declarando a inexistência do contrato questionado, condenando a instituição financeira na devolução, com modulação temporal, dos valores descontados indevidamente e, ainda, ao pagamento da quantia de R\$ 3.000,00 (três mil reais) a título de danos morais. </p> <p style="text-align: justify;"> Pois bem. </p> <p style="text-align: justify;"> Inicialmente, cumpre ressaltar que de acordo com a Súmula nº 297, do Superior Tribunal de Justiça, as relações existentes entre correntistas e bancos devem ser examinadas à luz da lei consumerista, vejamos: "O Código de Defesa do Consumidor é aplicável às instituições financeiras" </p> <p style="text-align: justify;"> A dialética jurídica acarreta a incidência do disposto no artigo 373 do Código de Processo Civil, que bem distribui o ônus probatório. Conforme dispõe o artigo 373, inciso I e II, do CPC, cabe à parte autora a devida comprovação do fato constitutivo do direito invocado e a parte ré, provar a existência de fatos impeditivos, modificativos ou extintivos do direito da autora. </p> <p style="text-align: justify;"> Desse modo, tendo a autora comprovado a existência de descontos em seu benefício previdenciário (id. 27392424), recairia sobre o Banco o ônus de comprovar a regularidade do contrato, a legitimidade das cobranças realizadas e a regularidade do valor subtraído da conta da apelada. </p> <p style="text-align: justify;"> No caso concreto, é forçoso reconhecer que houve falha na prestação do serviço, causando danos de ordem moral e material a promovente/apelada, visto que, a entidade bancária/recorrente não procedeu sequer a juntada do suposto instrumento contratual ou nenhum outro documento capaz de demonstrar a regularidade da avença, ônus que lhe competia, segundo a regra do art. 373, inc. II, do CPC. Também, não demonstrou que o valor supostamente contratado foi verdadeiramente depositado em conta de titularidade da requerente/apelante. </p> <p style="text-align: justify;"> Destarte, é obrigação da instituição financeira adotar as cautelas necessárias para a realização de um contrato de empréstimo, tendo o dever de implementar sistemas de fiscalização e segurança que impeçam a ocorrência de uma fraude, sob pena de responder pelos danos causados. </p> <p style="text-align: justify;"> Não obstante o argumento de que teria encontrado o contrato eletrônico após a sentença, a entidade bancária não procedeu sua juntada aos autos, deixando de comprovar efetivamente a contratação com a requerente. </p> <p style="text-align: justify;"> Assim, demonstrada a falha na prestação dos serviços, configurado está o ilícito civil, gerando a necessidade de pronta reparação dos danos causados, nos termos do art. 14 do Código de Defesa do Consumidor e arts. 186 e 927 do Código Civil Brasileiro. </p> <p style="text-align: justify;"> Isso porque, segundo a dicção dos dispositivos legais suso mencionados, notadamente o art. 14 do CDC: "o fornecedor de serviços responde, independentemente da existência de culpa, pela reparação dos danos causados aos consumidores por defeitos relativos à prestação dos serviços, bem como por informações insuficientes ou

	inadequadas sobre sua fruição e riscos". Os valores descontados indevidamente do benefício previdenciário da promovente/apelada, sem que houvesse autorização para o exercício deste ato, indicam sem dúvida a presença do dano material. Repetição de Indébito – Dispõe o parágrafo único do art. 42 do Código de Defesa do Consumidor: “O consumidor cobrado em quantia indevida tem direito à repetição do indébito, por valor igual ao dobro do que pagou em excesso, acrescido de correção monetária e juros legais, salvo hipótese de engano justificável”. O atual posicionamento do Superior Tribunal de Justiça, fixado no recurso repetitivo paradigma (EAREsp nº 676608/RS), é no sentido de que a restituição em dobro independe da natureza volitiva do fornecedor, ou seja, prescinde da comprovação da má-fé quando a cobrança indevida decorrer de serviços não contratados. No entanto, impende registrar que o referido entendimento foi publicado com modulação dos efeitos. Na decisão paradigma, o Superior Tribunal de Justiça entendeu que, para demandas que não decorram da prestação de serviços públicos, o acórdão terá eficácia apenas prospectiva, ou seja, a tese fixada somente será aplicável a valores pagos após a sua publicação, ou seja, em 30 de março de 2021, vejamos: Primeira tese: A restituição em dobro do indébito (parágrafo único do artigo 42 do CDC) independe da natureza do elemento volitivo do fornecedor que realizou a cobrança indevida, revelando-se cabível quando a referida cobrança consubstanciar conduta contrária à boa-fé objetiva. (...) Modulação dos efeitos: Modulam-se os efeitos da presente decisão – somente com relação à primeira tese – para que o entendimento aqui fixado quanto à restituição em dobro do indébito seja aplicado apenas a partir da publicação do presente acórdão. A modulação incide unicamente em relação às cobranças indevidas em contratos de consumo que não envolvam prestação de serviços públicos pelo Estado ou por concessionárias, as quais apenas serão atingidas pelo novo entendimento quando pagas após a data da publicação do acórdão.” (STJ. Corte Especial. EAREsp 676608/RS, Rel. Min. Og Fernandes, julgado em 21/10/2020) No caso, os descontos iniciaram em maio de 2020 e o empréstimo foi excluído em outubro de 2021, conforme consta do extrato de empréstimo consignado no id. 27392424, fls. 04, vejamos:

Do Recurso de Apelação da Promovente: Em seu apelo, argumenta a Demandante que o Juízo originário equivocou-se ao rejeitar o pleito de condenação por danos morais, considerando-se os precedentes jurisprudenciais a respeito da realização de descontos indevidos por parte de instituição bancária. Ressalta o sofrimento que experimentou com a conduta do Banco Apelado, que violou normas consumeristas ao agir da forma relatada. 13. Ainda que casos dessa natureza normalmente revelem presunção quanto à existência do dano, há de se ressaltar que tal presunção não é absoluta, impondo-se que estejam presentes elementos mínimos suficientes à formação da própria presunção, o que não se verificou no caso em comento. O prejuízo mensal que era experimentado pela Apelante equivalia a aproximadamente seis reais, traduzindo quantia ínfima, sem qualquer indício de comprometimento da renda da consumidora. Também não há notícia de realização de cobranças pela Apelada (vexatórias ou não), de inscrição da Recorrente em cadastro restritivo de crédito ou de outra situação dessa natureza. 14. Não se refuta que a situação possa ter trazido algum desconforto, aborrecimento e perda de tempo à consumidora. Contudo, os fatos apontados não indicam impacto sobre valores fundamentais do ser humano, tratando-se de meros aborrecimentos a que se está sujeito na vida em sociedade, o que afasta os danos morais indenizáveis, conforme tem decidido o c. STJ e esta Corte de Justiça. 15. Nesse contexto, como os elementos efetivamente trazidos ao feito induzem à conclusão quanto à inexistência de dano moral indenizável, entendendo pela manutenção da sentença quanto a esse ponto. 16. Recurso do Banco Promovido parcialmente conhecido e, na parte conhecida, provido em parte, para: (i) reconhecer a validade da contratação do Pacote Padronizado de Serviços I desde agosto de 2016, e; (ii) determinar a devolução simples dos valores indevidamente descontados até 29/03/2021 (seja a título de tarifa SEGURO CHEQUE PROTEGIDO ou de desconto a maior da tarifa do Pacote Padronizado de Serviços, mantendo-se a devolução em dobro quanto aos descontos posteriores à referida data. 17. Trata-se de Agravo Interno (fls. 01/12) interposto por Maria José Soares da Silva em face de Banco Bradesco Financiamentos S.A., objurgando decisão monocrática de fls. 159/170 dos autos da Ação Declaratória de Nulidade de Negócio Jurídico c/c Reparação por Danos Morais (Processo n. 0010329-33.2017.8.06.0099) que deu parcial provimento ao recurso de apelação do banco requerido para afastar a indenização por danos morais e deu parcial provimento ao apelo autoral tão somente para determinar a restituição simples dos valores descontados indevidamente do benefício da autora. 2. A jurisprudência do Superior Tribunal de Justiça entende que "a caracterização do dano moral exige que a comprovação do dano repercuta na esfera dos direitos da personalidade. A fraude bancária, nessa perspectiva, não pode ser considerada suficiente, por si só, para a caracterização do dano moral" (AgInt no EDcl no AREsp 1.669.683/SP, Rel. Ministro MARCO AURÉLIO BELLIZZE, TERCEIRA TURMA, julgado em 23/11/2020, DJe de 30/11/2020). 3. Ademais, a jurisprudência do Superior Tribunal de Justiça é assente no sentido de que se trata de mero aborrecimento o desconto indevido em benefício previdenciário de valores incapazes de comprometer a

	subsistência da parte. 4. Nessa toada, descontos em valor ínfimo - R\$ 8,98 (oito reais e noventa e oito centavos) – não correspondem a um dano à personalidade que enseje o pagamento de indenização por danos morais, sobretudo porque somente foram questionados anos após a ocorrência e não ensejaram maiores consequências negativas, como a inscrição do nome da consumidora nos cadastros de proteção ao crédito. 5. A restituição dos valores na forma simples, tal como determinado na decisão objurgada, revela-se adequada na espécie, haja vista que ausente prova de má-fé da instituição financeira no caso, bem como porque os descontos se deram antes de 30/03/2021, data de publicação do acórdão do STJ no EREsp n. 1.413.542. 6. AÇÃO DECLARATÓRIA DE INEXISTÊNCIA DE DÉBITO E INDENIZAÇÃO POR DANOS MORAIS. SENTENÇA DE PROCEDÊNCIA. EMPRÉSTIMO CONSIGNADO. ALEGAÇÃO DE FRAUDE. Ocorrência. VALOR ÍNFILO DAS PARCELAS DESCONTADAS. DANOS MORAIS NÃO CARACTERIZADOS. DESCONTOS REALIZADOS ANTES DE 30/3/2021. RESTITUIÇÃO SIMPLES DO INDÉBITO (EAREsp 676608/RS). SUCUMBÊNCIA RECÍPROCA. RECURSO CONHECIDO E PARCIALMENTE PROVIDO. 1. Cuida-se de recurso de apelação cível interposto contra sentença exarada pelo Juízo da 37ª Vara Cível da Comarca de Fortaleza/CE, que julgou procedente a Ação Declaratória de Inexistência de Débito c/c Indenização por Danos Morais, para declarar a inexistência da dívida questionada nos autos e condenar a instituição financeira a restituir, em dobro, o valor de R\$ 105,00 (cento e cinco reais), e o remanescente de uma parcela já paga, bem como indenizar o autor por danos morais fixados no montante 3.000,00 (três mil reais). 2. Por tratar os autos de demanda que versa sobre a validade de empréstimo consignado pactuado com o banco, faz-se necessário averiguar a (in)existência dos requisitos que caracterizam a responsabilidade objetiva do fornecedor do serviço bancário, no sentido de avaliar a higidez da contratação questionada (art. 14, caput, do Código de Defesa do Consumidor). Em ações dessa natureza, este e. Tribunal de Justiça firmou entendimento de que a confirmação da regularidade ou irregularidade do negócio depende de provas concretas sobre i) a anuência do(a) consumido(a) sobre os descontos realizados e ii) o recebimento do crédito por parte do(a) promovente. 3. Ao compulsar os fólhos processuais, observa-se que a instituição financeira admite a ocorrência da fraude no ato da contratação e que providenciou o cancelamento do contrato após receber a comunicação de que o autor desconheceria a celebração da avença e que este procedeu à devolução do valor do empréstimo à própria instituição bancária, conforme documentação anexada aos autos. 4. Dessa forma, a controvérsia recursal limita-se a averiguar o cabimento da restituição em dobro do valor descontado indevidamente e da condenação ao pagamento de indenização por danos morais em razão dos fatos aduzidos na inicial. 5. Na hipótese, a instituição bancária afirma já ter efetuado o cancelamento do contrato (13/03/2018), e que efetuou a devolução da parcela debitada em fevereiro de 2018. Além disso, narra que está disponível para reembolso a quantia de R\$ 35,00 (trinta e cinco reais) descontada em março do mesmo ano. 6. Não se olvida que a jurisprudência deste egrégio Tribunal de Justiça firmou-se no sentido de que os descontos não autorizados nos proventos do consumidor fazem presumir ofensa anormal à personalidade, ensejando direito à reparação por danos morais. Contudo, no caso específico destes autos, a situação narrada não é suficiente para caracterizá-los. A existência do dano moral pressupõe a configuração de lesão a um bem jurídico que integra os direitos da personalidade, como a honra, a dignidade, a intimidade, a imagem, e o bom nome (arts. 1º, III, e 5º, V e X, da Constituição Federal). A mera constatação do desconto indevido nos proventos de aposentadoria do recorrido, no valor de R\$ 35,00 (trinta e cinco reais) que, conforme o banco, já estava disponível para reembolso, não teria o condão de dar azo à alegada aflição psicológica ou angústia suportada pelo demandante, impondo-se afastar, no caso, a condenação ao pagamento de indenização por danos morais. 5. Quanto à restituição em dobro da parcela descontada, note-se que, via de regra, tal condenação prescinde da comprovação da má-fé quando a cobrança indevida decorre de serviços não contratados, conforme entendimento do Superior Tribunal de Justiça, fixado no recurso repetitivo paradigma (EAREsp 676608/RS). Todavia, essa regra se aplica apenas aos descontos realizados após a data de publicação da referida tese, qual seja 30/03/2021. Na hipótese dos autos, ao verificar que o desconto indevido ocorreu em março de 2018, não há que falar em restituição em dobro do indébito, razão pela qual merece guardada os argumentos ventilados pela recorrente, ao aduzir que a restituição da parcela descontada ocorra na forma simples. 6. Por fim, sabendo-se que a reforma parcial da

Nos autos, a documentação comprova a efetiva prestação. 6. Inexistindo cobrança indevida, não subsiste fundamento para repetição de indébito. IV. DISPOSITIVO E TESE 7. Recurso desprovido. Tese de julgamento: A capitalização mensal de juros é válida em contratos posteriores a 31/03/2000, quando expressamente pactuada, bastando que a taxa anual supere o duodécuplo da mensal. A cobrança de comissão de permanência não pode ser cumulada com outros encargos moratórios, mas sua inexistência no contrato afasta qualquer ilegalidade. São válidas as tarifas de avaliação do bem e de registro do contrato quando comprovada a efetiva prestação dos serviços e inexistente onerosidade excessiva. A repetição de indébito é inviável na ausência de cobrança indevida. A CÓRDÃO Vistos relatados e discutidos os autos da APELAÇÃO CÍVEL nº 0220914-90.2022.8.06.0001, em que é apelante MARIA APARECIDA BARRETO ALENCAR SABINO e apelado BANCO BRADESCO FINANCIAMENTO S/A, acorda o colegiado da 1ª Câmara de Direito Privado do TJCE, por unanimidade de votos, em conhecer e NEGAR provimento ao recurso, nos termos do voto do Relator. PROVIMENTO NEGADO.&#160;1. Com relação à capitalização mensal dos juros, a jurisprudência desta eg. Corte pacificou-se no sentido de que sua cobrança é admitida nos contratos bancários celebrados a partir da edição da Medida Provisória nº 1.963-17/2000, reeditada sob o nº 2.170-36/2001, qual seja, 31/3/2000, desde que expressamente pactuada.&#160;2. <strong style="font-family: verdana, geneva; font-size: medium;">Esta Corte pacificou o entendimento de que há previsão expressa de cobrança de juros capitalizados em periodicidade mensal quando a taxa de juros anual ultrapassa o duodécuplo da taxa mensal.&#160;3. É vedado em recurso especial o reexame das circunstâncias fáticas da causa, ante o disposto no enunciado n. 7 da Súmula do STJ: "A pretensão de simples reexame de provas não enseja recurso especial." 2. De acordo com o art. 330, I, do CPC, é facultado ao juízo proferir sentença, desde que não haja necessidade de produzir provas em audiência. No caso dos autos, atacar a conclusão da instância recorrida e analisar a necessidade de produção de prova pericial já julgada como prescindível pelo Tribunal de origem, e entender que o seu indeferimento acarretaria cerceamento de defesa, implicaria reexame do conjunto fático-probatório dos autos, o que é obstado em recurso especial, ante o disposto na Súmula 7/STJ.&#160; 3. A previsão no contrato bancário de taxa de juros anual superior ao duodécuplo da mensal é suficiente para caracterizar a pactuação da capitalização mensal.&#160; 4. As instituições financeiras não se sujeitam à limitação dos juros remuneratórios estipulada na Lei de Usura (Decreto n. 22.626/33), Súmula n. 596/STF e a estipulação de juros remuneratórios superiores a 12% ao ano, por si só, não indica abusividade (REsp n. 1.061.530/RS, representativo da controvérsia, Relatora Ministra Nancy Andrighi, Segunda Seção, julgado em 22/10/2008, DJe 10/3/2009).&#160; 5. 	adesão supostamente abusivas. 2. Sob o regime de recursos repetitivos (art. 543C, CPC), o STJ julgou o RESP 973.827/RS (Rel. Ministro Luis Felipe Salomão, Rel. para acórdão Ministra Maria Isabel Gallotti), oportunidade em que, por maioria, consignou que a previsão no contrato bancário de taxa de juros anual superior ao duodécuplo da mensal é suficiente para permitir a cobrança da taxa efetiva anual contratada. 3. A limitação de juros remuneratórios de 12% ao ano, prevista na Lei de Usura, não é aplicável aos contratos bancários, salvo àqueles regidos por Leis especiais, a exemplo das cédulas de crédito rural, industrial e comercial. Súmula nº 596 do STF: "As disposições do Dec. Nº 22.626/1933 não se aplicam às taxas de juros e aos outros encargos cobrados nas operações realizadas por instituições públicas ou privadas que integram o Sistema Financeiro Nacional". No caso, por não restar comprovada a abusividade contratual na cobrança de juros remuneratórios em face da taxa média de mercado, devesse manter a taxa de juros ajustada. 4. Carece de interesse recursal o autor/apelante quanto à ilegalidade da comissão de permanência, à possibilidade de repetição de indébito, à existência de tarifas exorbitantes e à abusividade da cobrança do IOF, pois essa matéria não foi suscitada na petição inicial. Como não houve postulação por parte do recorrente sobre os mencionados assuntos no momento oportuno, este Órgão Fracionário não poderia sobre isto deliberar de ofício, por ir de encontro à Súmula nº 381/STJ, in verbis: "Nos contratos bancários, é vedado ao julgador conhecer, de ofício, da abusividade das cláusulas. 5. A desvalorização do real frente ao dólar norte-americano ocorrida em janeiro de 1999 representou fato imprevisível que redundou em excessiva onerosidade contratual, motivo pelo qual a jurisprudência desta Corte Superior pacificou-se no sentido de autorizar a repartição do ônus das diferenças resultantes da variação cambial do período entre o arrendatário e a instituição arrendante. 160; 2. A prova da captação de recursos não deve ser exigida individualmente, para cada operação de arrendamento mercantil, pois, em regra, a tomada de recursos no exterior não ocorre de modo vinculado aos contratos celebrados no mercado nacional, o que dificultaria sobremaneira a comprovação desse fato. 160; 3. Conquanto seja a captação de recursos no exterior requisito indispensável à contratação de reajuste vinculado à variação cambial, nos moldes exigidos pelo art. 6º da Lei nº 8.880/1994, é despidienci a sua prova em juízo, tendo em vista a fiscalização realizada pelo Banco Central do Brasil quanto à entrada de moeda estrangeira no País, utilizada para financiamentos em moeda nacional. 160; 4. AFASTAMENTO DA LITIGÂNCIA DE MÁ-FÉ. RECURSO PROVIDO. SENTENÇA REFORMADA. </p> <p style="text-align: justify;"> I. CASO EM EXAME </p> <p style="text-align: justify;"> Recurso de Apelação interposto por consumidora contra sentença que julgou improcedente ação de obrigação de fazer cumulada com indenização por danos materiais e morais, em face de instituição financeira, declarando a validade de contrato de cartão de crédito consignado e impondo multa por litigância de má-fé. </p> <p style="text-align: justify;"> II. QUESTÃO EM DISCUSSÃO </p> <p style="text-align: justify;"> 2. Há quatro questões em discussão: </p> <p style="text-align: justify;"> (i) definir se houve a contratação válida do cartão de crédito consignado; </p> <p style="text-align: justify;"> (ii) estabelecer se a instituição financeira deve restituir os valores descontados indevidamente, e em que modalidade (simples ou em dobro); </p> <p style="text-align: justify;"> (iii) determinar se a conduta do banco caracteriza dano moral indenizável e qual o quantum devido; </p> <p style="text-align: justify;"> (iv) verificar se subsiste a condenação da autora por litigância de má-fé. </p> <p style="text-align: justify;"> III. RAZÕES DE DECIDIR </p> <p style="text-align: justify;"> 3. A relação jurídica entre consumidor e instituição financeira é regida pelo Código de Defesa do Consumidor, conforme Súmula 297 do STJ. </p> <p style="text-align: justify;"> 4. A autora comprova a ocorrência de descontos em seu benefício previdenciário, incumbindo ao banco o ônus de demonstrar a validade da contratação, nos termos do art. 373, II, do CPC. </p> <p style="text-align: justify;"> 5. A instituição financeira não apresenta provas idôneas da contratação eletrônica, limitando-se a documentos unilaterais, sem assinatura digital, registro de IP, geolocalização ou outros elementos que atestem a autenticidade do consentimento. </p> <p style="text-align: justify;"> 6. A ausência de comprovação da contratação e de depósito em favor da autora revela falha na prestação do serviço, atraindo a responsabilidade DO banco, nos termos do art. 14 do CDC. </p> <p style="text-align: justify;"> 7. A restituição do indébito observa o art. 42, parágrafo único, do CDC e o precedente vinculante EAREsp 676.608/RS, de modo que valores descontados após 30/03/2021 devem ser restituídos em dobro, e os anteriores, de forma simples. </p> <p style="text-align: justify;"> 8. Os descontos indevidos em benefício previdenciário, em valor com capacidade de prejudicar sua subsistência, ensejam dano moral, sendo devida indenização, fixada em R\$ 2.000,00, em observância aos princípios da razoabilidade e proporcionalidade. </p> <p style="text-align: justify;"> 9. A condenação por litigância de má-fé é afastada, pois não demonstrada </p> </div>

Conforme dispõe o artigo 373, inciso I e II, do CPC, cabe à parte autora a devida comprovação do fato constitutivo do direito invocado e a parte Ré, provar a existência de fatos impeditivos, modificativos ou extintivos do direito da autora. </p> <p style="text-align: justify;"> Desse modo, tendo a autora comprovado a existência de descontos em seu benefício previdenciário (ids. 27385626/27385627), recairia sobre o banco o ônus de comprovar a regularidade do contrato e a legitimidade das cobranças realizadas. </p> <p style="text-align: justify;"> No caso concreto, é forçoso reconhecer que houve falha na prestação do serviço, causando danos de ordem moral e material à promovente/recorrente, porquanto, embora o banco/apelado argumente que o contrato foi realizado na modalidade eletrônica, anexando os documentos de ids. 27385640/27385692, como forma de comprovar a efetiva pactuação do negócio jurídico em discussão, trata-se de prova produzida unilateralmente pela entidade bancária, com precário ou nenhum valor probatório, e que, mesmo assim, não comprova, com suficiente convicção, que foi a autora/apelante quem, de fato, pactuou a referida avença. </p> <p style="text-align: justify;"> De igual modo, a entidade bancária/recorrida não conseguiu provar que o valor supostamente contratado foi verdadeiramente depositado em conta de titularidade da requerente/apelante. </p> <p style="text-align: justify;"> É cediço que para a contratação eletrônica ter validade jurídica, é preciso o preenchimento dos requisitos essenciais, dentre os quais o consentimento do consumidor mediante a aposição de assinatura eletrônica ou digital, com todas as nuances para garantir a autenticidade e a integridade dos documentos assinados, como geolocalização, registro do endereço de IP, senha pessoal do usuário, dentre outros, o que não ocorreu no caso. </p> <p style="text-align: justify;"> A instituição financeira/recorrida detentora da tecnologia empregada em seus serviços possuía condições de demonstrar tecnicamente que a autora/recorrente procedeu a suposta contratação, mas de tal ônus não se desincumbiu. </p> <p style="text-align: justify;"> Destarte, é obrigação da instituição financeira adotar as cautelas necessárias para a realização de um contrato de empréstimo, tendo o dever de implementar sistemas de fiscalização e segurança que impeçam a ocorrência de uma fraude, sob pena de responder pelos danos causados. </p> <p style="text-align: justify;"> Assim, demonstrada a falha na prestação dos serviços, configurado está o ilícito civil, o qual enseja pronta reparação dos danos causados, nos termos do art. 14 do Código de Defesa do Consumidor e arts. 186 e 927 do Código Civil Brasileiro. </p> <p style="text-align: justify;">

	style="font-size: medium;">Isso porque, segundo a dicção dos dispositivos legais suso mencionados, notadamente o art. 14 do CDC: "o fornecedor de serviços responde, independentemente da existência de culpa, pela reparação dos danos causados aos consumidores por defeitos relativos à prestação dos serviços, bem como por informações insuficientes ou inadequadas sobre sua fruição e riscos". Dano material Os valores descontados indevidamente do benefício previdenciário da autora/recorrente, sem que houvesse autorização para o exercício deste ato, indicam sem dúvida a presença do dano material. Repetição de Indébito Dispõe o parágrafo único do art. 42 do Código de Defesa do Consumidor: "O consumidor cobrado em quantia indevida tem direito à repetição do indébito, por valor igual ao dobro do que pagou em excesso, acrescido de correção monetária e juros legais, salvo hipótese de engano justificável". O atual posicionamento do Superior Tribunal de Justiça, fixado no recurso repetitivo paradigma (EAREsp nº 676608/RS), é no sentido de que a restituição em dobro independe da natureza volitiva do fornecedor, ou seja, prescinde da comprovação da má-fé quando a cobrança indevida decorrer de serviços não contratados. No entanto, impende registrar que o referido entendimento foi publicado com modulação dos efeitos. Na decisão paradigma, o Superior Tribunal de Justiça entendeu que, para demandas que não decorram da prestação de serviços públicos, o acórdão terá eficácia apenas prospectiva, ou seja, a tese fixada somente será aplicável a valores pagos após a sua publicação, ou seja, em 30 de março de 2021, vejamos: "Primeira tese: A restituição em dobro do indébito (parágrafo único do artigo 42 do CDC) independe da natureza do elemento volitivo do fornecedor que realizou a cobrança indevida, revelando-se cabível quando a referida cobrança consubstanciar conduta contrária à boa-fé objetiva. (...) Modulação dos efeitos: Modulam-se os efeitos da presente decisão – somente com relação à primeira tese – para que o entendimento aqui fixado quanto à restituição em dobro do indébito seja aplicado apenas a partir da publicação do presente acórdão. A modulação incide unicamente em relação às cobranças indevidas em contratos de consumo que não envolvam prestação de serviços públicos pelo Estado ou por concessionárias, as quais apenas serão atingidas pelo novo entendimento quando pagas após a data da publicação do acórdão." (STJ. Corte Especial. EAREsp 676608/RS, Rel. Min. Og Fernandes, julgado em 21/10/2020) Dessa forma, considerando a modulação temporal dos efeitos da decisão contida no EAREsp nº 676.608/RS, os valores descontados indevidamente do benefício previdenciário da requerente/apelante, deverão ser restituídos em dobro apenas o descontos que ocorreram após a publicação do acórdão em que fixado o precedente (30/03/2021), os demais serão devolvidos de forma simples. Dano moral Os descontos indevidos realizados no benefício previdenciário da requerente/apelante constituem ato ilícito, na medida em que a instituição bancária deixou de agir com o cuidado necessário para o regular desenvolvimento de sua atividade, causando danos e resultando, por via de consequência, na obrigação de repará-los, na forma dos arts. 186 e 927 do Código Civil. É nesta conduta, por certo, censurável, onde se centra o nexo de causa e efeito entre o dano e a ação (conduta), porque causou vexame, constrangimento ao consumidor, caso em que a condenação é devida porque os efeitos de tal prática afetam a pessoa com mais extensão e com repercussão no mundo exterior, não confinados apenas à indignação pessoal. 	em conferir a verossimilhança das alegações recursais vertidas na existência de empréstimo consignado sem a autorização da Parte Requerente e a sua revelia, porquanto, originado mediante fraude. 2. Após, sucessivamente, a celeuma é saber se o contrato em voga tem as informações consideradas essenciais ao pacto, a saber: data e local, dados da autorização para desconto, declaração de residência, ausência de comprovante de depósito, falta de informações sobre financiamento ou refinanciamento, valor financiado divergente do valor liberado, dentre outras, poderia ser considerado legal para fins de validade do negócio jurídico. A par disso, verificar-se-á a possibilidade de reparação. 3. O CONTRATO BANCÁRIO APRESENTADO NÃO ATENDE AOS REQUISITOS MÍNIMOS DE VALIDADE: Realmente, a Parte Requerente alega que fora vítima da realização de contrato fraudulento. Sendo assim, incumbe ao Adversário provar a existência de Fatos Impeditivo, Modificativo ou Extintivo do Direito do Autor, nos termos do art. 373, II, CPC/15. Ademais, tendo em vista que se cuida de relação consumerista, para tanto, deve ser feita a inversão do ônus da prova para que a Parte Requerida apresente o instrumento contratual que possa por fim a controvérsia acerca da validade ou invalidade do ato jurídico. Contudo, o contrato bancário não atende aos requisitos mínimos de validade. 4. RESPONSABILIDADE OBJETIVA DO BANCO: É pacífico que a Responsabilidade da instituição bancária é objetiva na ocorrência de fraude, como no caso dos autos. Confira-se: Súmula 479, STJ - As instituições financeiras respondem objetivamente pelos danos gerados por fortuito interno relativo a fraudes e delitos praticados por terceiros no âmbito de operações bancárias. (Súmula 479, SEGUNDA SEÇÃO, julgado em 27/06/2012, DJe 01/08/2012). 5. INCIDÊNCIA DA REPETIÇÃO DOBRADA DO INDÉBITO: Antes de 30 de março de 2021, o STJ entendia que a devolução em dobro de indébito, segundo o art 42, parágrafo único, Código de Defesa do Consumidor - CDC é necessário os seguintes pressupostos, de forma cumulativa: (i) cobrança extrajudicial indevida de dívida decorrente de contrato de consumo; (ii) efetivo pagamento do indébito pelo consumidor; e (iii) engano injustificável por parte do fornecedor ou prestador. Admitia-se a repetição de indébito, independentemente da prova de que o pagamento tenha sido realizado por erro, com o objetivo de vedar o enriquecimento ilícito do banco em detrimento do devedor. Porém, para ocorrer em dobro, deve haver inequívoca prova de má-fé. Precedentes. (STJ, AgRg no REsp 916.008/RS, Rel. Ministra NANCY ANDRIGHI, TERCEIRA TURMA, julgado em 14/06/2007, DJ 29/06/2007, p. 623) Na mesma diretiva, declinam-se mais outros 6 (seis) precedentes do STJ, bom verificar: REsp 871825-RJ, REsp 1032952-SP, AgRg no REsp 734111-PR, REsp 910888-RS, AgRg nos EDcl no Ag 1091227-SP e AgRg no REsp 848916-PR. Acontece que o STJ, depois de 30 de março de 2021, reformulou seu entendimento, de modo permitir a Devolução Dobrada para os processos ajuizados depois da publicação do Acórdão do EARESP N. 676.608/RS, RELATOR MINISTRO OG FERNANDES, CORTE ESPECIAL, JULGADO EM 21/10/2020, DJE DE 30/3/2021. In casu, a demanda foi proposta em 2023, pelo que deve atrair a Devolução DOBRADA. 6. EXISTÊNCIA DE DANOS MORAIS: De fato, evidencia-se que não existe contrato bancário VÁLIDO, de modo que os descontos efetuados são ilícitos, pois operados com fraude. 7. ARBITRAMENTO REDIMENSIONADO: Realmente, o arbitramento da indenização moral não deve ser ínfimo tampouco excessivo e, somente, nestas 2 (duas) hipóteses, se divisa a autorização para o redimensionamento pela Corte. In casu, a quantificação do Dano Moral não responde bem ao Princípio da Razoabilidade e da Proporcionalidade. Por fim, o arbitramento dos Danos Morais em casos desse jaez praticados nesta Corte de Justiça é de R\$ 5.000,00 (cinco mil reais). 8. DESPROVIMENTO do Apelo do Banco e o PROVIMENTO do Apelo do Autor para determinar a Repetição Dobrada do Indébito e para redimensionar o arbitramento a indenização por Danos para R\$ 5.000,00 (cinco mil reais), consagradas as demais disposições sentenciasais, por irrepreensíveis, assegurada a majoração os honorários advocatícios em 10% (dez por cento) sobre o valor fixado na origem, observado o limite do percentual previsto no art. 85, § 2º, CPC/15. ACÓRDÃO Vistos, relatados e discutidos os autos em que são partes as acima indicadas, acordam os Desembargadores integrantes da 4ª Câmara de Direito Privado do Tribunal de Justiça do Ceará, por unanimidade, pelo Desprovemento do Apelo do Banco e o Provimento do Apelo do Autor, nos termos do voto do Relator. Busca o agravante a reforma da decisão deste Relator que, ao dar parcial provimento ao apelo da parte contrária, autora da ação declaratória de nulidade de negócio jurídico, majorou a indenização por dano

	moral de R\$ 3.000,00 (três mil reais) para R\$ 5.000,00 (cinco mil reais). 2. No caso, a autora/agravada, buscou através da presente demanda declarar nulo o negócio jurídico objeto do contrato de empréstimo consignado nº 0123333442248 firmado em seu nome com a instituição financeira agravante, reaver, em dobro, os valores cobrados indevidamente em decorrência do pacto e, ainda condenação do banco/apelado ao pagamento de indenização pelos danos morais sofridos. Para tanto, alegou que apesar de jamais ter celebrado a aludida avença, viu a instituição financeira realizar descontos diretamente no benefício previdenciário percebido, razão pela qual se dirigiu a uma agência do INSS para obter esclarecimentos, tendo tomado ciência de suposto contrato de empréstimo contratado em seu nome. No entanto, ao notificar o banco recorrente sobre o ocorrido, não obteve qualquer informação a respeito do contrato objeto da lide. 3. Na hipótese, como restou comprovada a falha na prestação dos serviços pelo banco, diante da ausência de apresentação pelo recorrente, do contrato combatido, configurado está o ilícito civil, conferindo daí ao lesado a devida reparação dos danos sofridos, nos termos do art. 14 do Código de Defesa do Consumidor e arts. 186 e 927 do Código Civil Brasileiro. 4. Com efeito, para quantificar a indenização por danos morais deve o magistrado observar as condições das partes, o nível social, o grau de escolaridade, o prejuízo sofrido pela vítima, a intensidade da culpa e os demais fatores concorrentes para a fixação do dano. Desse modo, tem-se que a indenização deve se dar de forma equânime e atentar à razoabilidade, a fim de evitar o enriquecimento ilícito da parte autora, mas sem deixar de punir a parte ré pelo cometimento do ato ilegal. E mais, para evitar excessos e abusos, só se deve reputar como dano moral a dor, o sofrimento, que, fugindo à normalidade, interfira intensamente no comportamento psicológico do indivíduo, causando-lhe aflições, angústia e desequilíbrio em seu bem-estar. 5. Nessa ordem de ideias, atento ao cotejo desses fatores: "nível econômico da autora da ação, sofrimento da vítima e o porte econômico da entidade bancária", considera-se que o valor de R\$5.000,00 (cinco mil reais) devidos a título de danos morais é o que mais atende aos referidos critérios, merecendo, portanto, parcial reformar a sentença do juízo a quo. 6. Quanto ao termo inicial dos juros moratórios, não obstante jurisprudência citada pelo banco, os mesmos devem incidir a partir do evento danoso, por se tratar de responsabilidade extracontratual, conforme disciplina a súmula nº 54 do Superior Tribunal de Justiça, vejamos: "Os juros moratórios fluem a partir do evento danoso, em caso de responsabilidade extracontratual". (Artigo 398 Código Civil c/c súmula 54 do STJ). 7. Recurso conhecido e desprovido. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do recurso e negar-lhe provimento, nos termos do voto do Relator. EARESP Nº 676.608/RS. RECURSO CONHECIDO E PARCIALMENTE PROVIDO. SENTENÇA REFORMADA EM PARTE. 1. O apelante se insurge contra sentença que julgou procedente os pedidos exordias, declarando a inexigibilidade do Contrato de Seguro Prestamista e condenando o réu à restituição em dobro dos valores indevidamente descontados do benefício previdenciário do autor, corrigidos monetariamente pelo INPC e acrescidos de juros moratórios de 1% ao mês, na forma simples, contados da data de cada desconto indevido; bem como ao pagamento de indenização por danos morais em favor da parte autora no valor de R\$ 3.000,00 (três mil reais), corrigido monetariamente pelo INPC, e com juros de mora de 1% (um por cento) ao mês. 2. A relação abordada nos autos caracteriza-se como de consumo, cabendo a inversão do ônus da prova, nos termos do art. 6º, VIII, do CDC. E no caso, o magistrado singular acolheu o pedido, invertendo o ônus da prova (fl. 21). 3. Em sua defesa (fls. 49/69), o banco demandado se restringe a afirmar a licitude do negócio jurídico, sem trazer qualquer prova aos autos. Assim, tendo sido-lhe imposta a inversão do ônus da prova e não tendo se desincumbido do ônus de comprovar a existência de fatos impeditivos, modificativos ou extintivos do direito da parte autora, na forma do art. 373, inciso II, do Código de Processo Civil, configurada falha na prestação do serviço (art. 14, CDC) e as cobranças indevidas constituem ato ilícito, causando os danos morais e materiais, resultando, por via de consequência, obrigação de repará-los, na forma dos arts. 186 e 927 do Código Civil. 4 . Na hipótese dos autos, o autor apenas supõe que houve vários descontos, porém, não havendo sido comprovado descontos com representatividade financeira de maior monta, de modo comprometer de maneira significativa os seus rendimentos ou sua subsistência, tem-se por justo e razoável o valor de R\$ 1.000,00 (hum mil reais). 5. No que pertine à repetição do indébito, o Superior Tribunal de Justiça, Corte Especial, EAREsp 676608/RS, Rel. Min. Og Fernandes, julgado em 21/10/2020, firmou entendimento em sede de Recurso Repetitivo de que <math>\lambda</math> a restituição em dobro do indébito (parágrafo único do artigo 42 do CDC) independe da natureza do elemento volitivo do fornecedor que realizou a cobrança indevida, revelando-se cabível quando a referida cobrança consubstanciar conduta contrária à boa-fé objetiva<math>\lambda</math>. E por modulação de efeitos, essa tese somente é aplicável às cobranças realizadas após a data da publicação do referido acórdão, (DJe de 30/3/2021). 6. 	com decisões jurisprudenciais deste sodalício. Quanto ao pedido de reforma da condenação da parte requerente/apelante em litigância de má-fé, entendo que tal requerimento merece prosperar, já que, a conduta da parte promovente não se insere nas hipóteses estabelecidas pelo art. 80, do CPC. De modo que, por se tratar de uma punição por atuação contrária à boa-fé objetiva às partes do processo, compreendo que tal situação não restou demonstrada no exercício do direito de ação por parte da requerente. E assim é que, ante aos fundamentos fáticos e jurídicos acima declinados, conheço do recurso, por próprio e tempestivo, para dar-lhe provimento, reformando a sentença atacada para: (i) declarar nulo o contrato de cartão de crédito consignado objeto desta lide (nº 90099788210000000001); (ii) determinar que a devolução dos valores devidos a título de danos materiais devem ser ressarcidos em dobro somente as parcelas alcançadas pela modulação dos efeitos do EAREsp 676.608/RS, as demais na forma simples, sujeitos à Taxa Selic até 31/08/2024, e, após essa data, correção pelo IPCA e juros pela Taxa Legal calculada na forma do art. 406, § 1º do CC/2002, com redação dada pela Lei nº 14.905/2024, a partir da data do efetivo prejuízo (Súmula n.º 43, STJ); (iii) condenar a instituição financeira ao pagamento da quantia de R\$ 2.000,00 (dois mil reais) a título de danos morais, acrescidos de correção monetária pelo IPCA do IBGE desde o arbitramento (STJ, Súmula nº 362; CC, art. 389, parágrafo único) e de juros de mora da data do evento danoso (Súmula n.º 54, STJ) à taxa de 1% ao mês até o dia anterior ao da vigência da Lei nº 14.905/2024 e, a partir daí, à taxa correspondente ao resultado da taxa Selic subtraída do IPCA (CC, arts. 398 e 406, § 1º). Com o novo resultado, inverte os ônus sucumbenciais, a serem suportados pela instituição financeira. É como voto. I – A irresignação recursal cinge-se à extinção do feito sem resolução do mérito, sob o fundamento de que a parte promovente não cumpriu as diligências que lhe competia, a qual seja, a de emendar a petição inicial, comprovando nos autos o valor das custas processuais, no prazo de 15 (quinze) dias. II – Com efeito, da análise do caderno processual, verifica-se que, por meio de despacho, o juízo a quo determinou a emenda à inicial, para que a parte promovente comprovasse nos autos o recolhimento das custas processuais iniciais, em improrrogáveis 15 (quinze) dias (CPC, 290), sob pena de extinção do feito (art. 102, § único c/c art. 485, X, CPC). III – Devidamente intimada da referida decisão, a parte promovente comprovou o recolhimento das custas processuais às fls. 60/62 e 64/66 dos autos, dessa forma, não há que se falar em indeferimento da inicial por ausência de comprovação do pagamento das custas processuais. IV – Dessa forma, deve ser afastada a tese que levou o indeferimento da inicial, a qual resultou na extinção do feito, sem resolução do mérito, por ausência de pressupostos de constituição e desenvolvimento válido e regular do processo, tendo em vista que a parte promovente comprovou o recolhimento das custas processuais. 	Presidente do Órgão Julgador</p><p style="text-align: justify;"> #160;</p><p style="text-align: justify;"> EDUARDO DE CASTRO NETO</p><p style="text-align: justify;"> Juiz Convocado Relator</p><p style="text-align: justify;"> #160;</p><p style="text-align: justify;"> RELATORIO </p><p style="text-align: justify;"> Trata-se de Recurso de Apelação interposto por Antônio Vieira de Souza em face da sentença prolatada pelo juízo da Vara Única da Comarca de Guaraciaba do Norte, que julgou parcialmente procedentes os pedidos contidos na ação Declaratória de Inexistência de Negócio Jurídico c/c Repetição de Indébito e Indenização por Danos Morais, proposta em desfavor da Aspecir Previdência S/A, o que fez nos seguintes termos:</p><p style="text-align: justify;"> “(…) Isto posto, julgo a demanda parcialmente procedente, condenando a Requerida a pagar, de forma simples, o montante descontado ilicitamente da conta do Requerente, corrigido monetariamente pelo IPCA e acrescido de juros moratórios de 1% ao mês a partir da data de cada efetivo desconto em conta, bem como em dano moral no montante de R\$ 3.000,00 (um mil reais), a ser corrigido monetariamente a partir desta data e acrescido de juros de 1% (um por cento) ao mês a partir da citação, extinguindo o processo com resolução de mérito. Condeno a Requerida em custas e honorários advocatícios, os quais fixo em 10% (dez por cento) sobre o valor da condenação.”.</p><p style="text-align: justify;"> Em suas razões recursais, o autor/recorrente sustenta, que “diante da conjuntura apresentada, é possível evidenciar o sentimento de abalo, desespero e tristeza de quem passou a ter sua renda reduzida, não conseguindo quitar suas dívidas, comprar seus remédios e dispor de produtos essenciais à sobrevivência, dada sua fragilidade financeira. Por outro lado, a Seguradora lucrou em virtude de um negócio jurídico fraudulento”.</p><p style="text-align: justify;"> Argumenta, em seguida, que “in casu, podemos verificar a ocorrência de fraude devido à ausência de instrumento contratual, o que pressupõe a inexistência de qualquer relação jurídica entre partes, não existindo de maneira prévia quaisquer obrigações entre as mesmas, restando devidamente caracterizada a responsabilidade extracontratual da parte ré. Dessa forma, os juros moratórios incidem desde o evento dano, qual seja, o primeiro desconto, uma vez que a mora que fundamenta a incidência deste encargo existe desde o fato que levou ao pedido de reparação por danos morais”.</p><p style="text-align: justify;"> Por fim, protesta pelo conhecimento e provimento do apelo, para, consequentemente, reformar a sentença vergastada, para que seja majorada o quantum arbitrado a título de dano moral e que a incidência dos juros de mora seja a partir do evento danoso, conforme súmula 54 STJ. Requer, ainda, a majoração dos honorários sucumbenciais arbitrados em sentença para 20% do valor da condenação.</p><p style="text-align: justify;"> Embora devidamente intimada a parte apelada não apresentou contrarrazões, conforme certidão constante no Id. 27369597.</p><p style="text-align: justify;"> É o que importa relatar. </p><p style="text-align: justify;"> VOTO </p><p style="text-align: justify;"> #160;</p><p style="text-align: justify;"> VOTO </p><p style="text-align: justify;"> #160;</p><p style="text-align: justify;"> Exercendo o juízo de admissibilidade, verifico o atendimento de todos os requisitos intrínsecos e extrínsecos que o compõem, levando-o ao qualificativo da positividade e, assim, ao conhecimento do recurso.</p><p style="text-align: justify;"> Passo, então, ao seu deslinde.</p><p style="text-align: justify;"> Entendeu o juízo de primeiro grau em acolher parcialmente os pedidos autorais, declarando inexistente do contrato que ensejou as cobranças indevidas na conta-salário do autor, condenando a promovida a restituir, de forma simples, os valores efetivamente descontados, e ainda, ao pagamento da quantia de R\$ 3.000,00 (três reais) a título de indenização por danos morais.</p><p style="text-align: justify;"> O autor, interpôs recurso apelatório buscando a majoração do dano moral, ao argumento de que o montante constante na condenação não coaduna com os princípios basilares da reparação civil, bem como, a majoração dos honorários sucumbenciais.</p><p style="text-align: justify;"> No presente caso, cotejando o vertente caderno processual, é forçoso reconhecer que houve falha na prestação do serviço, causando danos de ordem moral e material ao requerente/apelante, visto que, a seguradora/recorrida não procedeu sequer a juntada do suposto instrumento contratual ou nenhum outro documento capaz de demonstrar a regularidade da avença, ônus que lhe competia, segundo a regra do art. 373, inc. II, do CPC.</p><p style="text-align: justify;"> Assim, quando demonstrada a falha na prestação dos serviços, configurado está o ilícito civil,</p>

	conferindo daí ao lesado a devida reparação dos danos sofridos, nos termos do art. 14 do Código de Defesa do Consumidor e arts. 186 e 927 do Código Civil Brasileiro. Pois bem. Definida a nulidade dos descontos e o dever de indenizar - inclusive não há insurgência nestes pontos, cumpre verificar o pedido de majoração dos danos morais. Dano Moral – Fixação No tocante ao valor indenizatório, como se sabe, deve representar para o ofendido, uma satisfação psicológica que possa pelo menos diminuir os dissabores que lhe foram acarretados, sem causar, evidentemente, o chamado enriquecimento sem causa, servindo, ainda, para impingir ao causador do dano, um impacto capaz de desestimulá-lo a praticar novos atos que venham a causar danos a outrem. Desse modo, tem-se que a indenização deve se dar de forma equânime e atentar à razoabilidade, a fim de evitar o enriquecimento ilícito da parte autora, mas sem deixar de punir aparte ré pelo cometimento do ato ilegal. Nesse sentido: APELAÇÃO CÍVEL. AÇÃO DECLARATÓRIA DE INEXISTÊNCIA DE DÉBITO C/C INDENIZAÇÃO POR DANO MORAL. DESCONTO NO BENEFÍCIO PREVIDENCIÁRIO DO AUTOR A TÍTULO DE SEGURO PRESTAMISTA. RELAÇÃO DE CONSUMO. INVERSÃO DO ÔNUS DA PROVA. INSTITUIÇÃO FINANCEIRA QUE NÃO COMPROVOU A LICITUDE DO NEGÓCIO JURÍDICO. DANO MORAL CONFIGURADO. REDUÇÃO DO QUANTUM FIXADO. REPETIÇÃO INDÉBITO MODULAÇÃO EFEITOS. EARESP Nº 676.608/RS. RECURSO CONHECIDO E PARCIALMENTE PROVIDO. SENTENÇA REFORMADA EM PARTE. 1. O apelante se insurge contra sentença que julgou procedente os pedidos exordias, declarando a inexigibilidade do Contrato de Seguro Prestamista e condenando o réu à restituição em dobro dos valores indevidamente descontados do benefício previdenciário do autor, corrigidos monetariamente pelo INPC e acrescidos de juros moratórios de 1% ao mês, na forma simples, contados da data de cada desconto indevido; bem como ao pagamento de indenização por danos morais em favor da parte autora no valor de R\$ 3.000,00 (três mil reais), corrigido monetariamente pelo INPC, e com juros de mora de 1% (um por cento) ao mês. 2. A relação abordada nos autos caracteriza-se como de consumo, cabendo a inversão do ônus da prova, nos termos do art. 6º, VIII, do CDC. E no caso, o magistrado singular acolheu o pedido, invertendo o ônus da prova (fl. 21). 3. Em sua defesa (fls. 49/69), o banco demandado se restringe a afirmar a licitude do negócio jurídico, sem trazer qualquer prova aos autos. Assim, tendo sido-lhe imposta a inversão do ônus da prova e não tendo se desincumbido do ônus de comprovar a existência de fatos impeditivos, modificativos ou extintivos do direito da parte autora, na forma do art. 373, inciso II, do Código de Processo Civil, configurada falha na prestação do serviço (art. 14, CDC) e as cobranças indevidas constituem ato ilícito, causando os danos morais e materiais, resultando, por via de consequência, obrigação de repará-los, na forma dos arts. 186 e 927 do Código Civil. 4. Na hipótese dos autos, o autor apenas supõe que houve vários descontos, porém, não havendo sido comprovado descontos com representatividade financeira de maior monta, de modo comprometer de maneira significativa os seus rendimentos ou sua subsistência, tem-se por justo e razoável o valor de R\$ 1.000,00 (hum mil reais). 5. No que pertine à repetição do indébito, o Superior Tribunal de Justiça, Corte Especial, EAREsp 676608/RS, Rel. Min. Og Fernandes, julgado em 21/10/2020, firmou entendimento em sede de Recurso Repetitivo de que a restituição em dobro do indébito (parágrafo único do artigo 42 do CDC) independe da natureza do elemento volitivo do fornecedor que realizou a cobrança indevida, revelando-se cabível quando a referida cobrança consubstanciar conduta contrária à boa-fé objetiva. E por modulação de efeitos, essa tese somente é aplicável às cobranças realizadas após a data da publicação do referido acórdão, (DJe de 30/3/2021). 6. Apelação cível conhecida e parcialmente provida. Sentença reformada em parte. A C O R D A a Primeira Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do presente recurso de apelação cível e dar-lhe provimento, reformando-se a sentença em parte, nos termos do voto do eminente Relator. 	STJ (REsp 1.061.530/RS). 6. Quanto à repetição do indébito, o STJ fixou, em julgamento da Corte Especial no EAREsp 676.608/RS, que a devolução em dobro do art. 42, parágrafo único, do CDC independe da demonstração de má-fé, sendo cabível quando a cobrança contraria a boa-fé objetiva, aplicando-se apenas às cobranças posteriores a 30/03/2021. 7. O contrato em análise foi firmado em 2022, de modo que incide integralmente a orientação firmada no referido precedente, impondo-se a restituição em dobro dos valores pagos indevidamente. 8. IV. DISPOSITIVO E TESE 9. Recurso desprovido. Tese de julgamento: Juros remuneratórios podem ser revistos judicialmente quando significativamente discrepantes da média de mercado para operações equivalentes, ainda que superiores a 12% ao ano. A cobrança de taxa de juros abusiva caracteriza vantagem exagerada em desfavor do consumidor e autoriza a revisão contratual. A restituição em dobro de valores cobrados indevidamente, nos termos do art. 42, parágrafo único, do CDC, independe de má-fé do fornecedor e aplica-se às cobranças posteriores a 30/03/2021, conforme definido no EAREsp 676.608/RS. 	decisão - somente com relação à primeira tese - para que o entendimento aqui fixado quanto à restituição em dobro do indébito seja aplicado apenas a partir da publicação do presente acórdão. A modulação incide unicamente em relação às cobranças indevidas em contratos de consumo que não envolvam prestação de serviços públicos pelo Estado ou por concessionárias, as quais apenas serão atingidas pelo novo entendimento quando pagas após a data da publicação do acórdão. (EAREsp 676.608/RS, Rel. Ministro OG FERNANDES, CORTE ESPECIAL, julgado em 21/10/2020, DJe 30/03/2021). Dessa forma, há de se reconhecer, no caso concreto, que a devolução deverá ser efetivada em dobro, pois o contrato objeto do pleito revisional restou celebrado no ano de 2022, vale dizer, após o precedente do STJ, definidor da questão, cabendo destacar que a sentença assim dispôs, ou seja, que a devolução em dobro somente deveria ocorrer para cobrança realizada após 30 de março de 2021, que é o caso dos autos. O caso é, portanto, de manutenção in totum, da sentença vergastada. ANTE AO EXPOSTO, conheço e nego provimento ao recurso de apelação. Processo	0200038-24.2024.8.06.0073
	Órgão Julgador EDUARDO DE CASTRO NETO Juiz Convocado Relator RELATÓRIO Trata-se de Recurso de Apelação interposto por Izaías Alves Rodrigues com o escopo de adversar a sentença proferida pelo douto julgante da Vara Única da Comarca de Crotatá, que julgou improcedente os pedidos contidos na ação Declaratória de Inexistência de Débito c/c Repetição do Indébito e Indenização por Danos Morais ajuizada em desfavor do Banco Facta Financeira S/A. Em seu recurso, o autor/recorrente sustenta que “não detendo o juízo singular conhecimentos técnicos para mensurar com a precisão necessária a autenticidade da assinatura contratual, enquanto à firme alegação da parte autora de não reconhecer referida avença, faz-se imprescindível a realização de perícia digital a fim de dirimir a controvérsia acerca da ocorrência ou não de fraude no contrato em discussão, em observância ao direito à ampla defesa e contraditória, razão pela qual a referida perícia refuta-se como fundamental”. Sustenta, ainda, que “a controvérsia a ser dirimida gravita em torno do envio de produto e serviço não solicitado pela requerente. É inegável que atividade exercida pela parte ré envolve fornecimento de produtos, tendo em vista que se enquadra no art. 3º, § 1º do Código do Direito do Consumidor”. Argumenta, depois, que “deve ser observado, pelo fornecedor de produto, o princípio da boa-fé objetiva, que impõe às partes da relação jurídica um padrão normativo de conduta do qual são sinais externos a transparência, a honestidade, a probidade, a lealdade recíproca e a cooperação mútua, todos esses quebrados pela parte requerida”. Sustenta, ainda, que “o Superior Tribunal de Justiça (STJ) confirmou que o envio de cartão de crédito não solicitado pelo consumidor configura prática abusiva”. E que “como não foi requerido pelo consumidor, qualquer dano sofrido em decorrência do envio do produto ou do fornecimento de serviço, o fornecedor deverá ser responsabilizado”. Por fim, protesta pelo conhecimento e provimento do apelo, para, consequentemente, reformar parcialmente a sentença vergastada, condenando a instituição financeira apelada ao pagamento de indenização por danos morais. Embora devidamente intimada a parte apelada não apresentou contrarrazões, conforme certidão constante no Id. 27357510. É o que importa relatar. VOTO Exercendo o juízo de admissibilidade, verifico o atendimento de todos os requisitos intrínsecos e extrínsecos que o compõem, levando-o ao qualificativo da positividade e, assim, ao conhecimento do recurso. Depreende-se da leitura dos fólios processuais, que o autor/recorrente busca através da presente demanda declarar nulo o contrato de cartão de crédito consignado citado na exordial (nº 0064441292), firmado em seu nome junto à instituição bancária promovida, bem como, a restituição em dobro, dos valores descontados, e ainda, indenização pelos danos morais sofridos. O douto magistrado singular entendeu pela improcedência dos pedidos autorais, uma vez que, não havendo demonstração de ilicitude da contratação, e restando demonstrada a expressa anuência da autora no aperfeiçoamento contratual, incabível se torna a condenação da instituição financeira/requerida em devolução de valores e em pagamento de danos morais. O cerne da controvérsia recursal consiste em analisar a regularidade da contratação de empréstimo consignado e, por consequência lógica, na possibilidade da restituição de valores, e, por fim, da incidência de indenização a título de danos morais. Sobre a temática em testilha, inicialmente, cumpre ressaltar que de acordo com a Súmula n.º 297, do Superior Tribunal de Justiça, as relações existentes entre correntistas e bancos devem ser examinadas à luz da lei consumerista: “O Código de Defesa do Consumidor é aplicável às instituições financeiras”. Preliminar de cerceamento de defesa - Argumenta o autor/recorrente que o julgamento antecipado da lide sem que fosse procedida a dilação probatória necessária, notadamente a realização de perícia no contrato em discussão, ocasionou cerceamento de defesa, razão pela qual pugna pela anulação da sentença e o

	retorno dos autos ao juízo de origem para a produção da prova requerida. Na espécie, entendo que não houve cerceamento de defesa, uma vez que o magistrado fundamentou sua decisão levando em consideração o conjunto probatório fornecido nos autos. Ademais, consoante jurisprudência pacífica do STJ “ não há cerceamento de defesa quando o magistrado, com base em suficientes elementos de prova e objetiva fundamentação, julga antecipadamente a lide”. (AgRg no REsp 1206422-TO), exercendo o seu livre convencimento de forma motivada e utilizando, para tanto, dos fatos, provas, jurisprudências, aspectos pertinentes ao tema e legislação que entender aplicável a cada caso, especificamente. Portanto, rejeito a preliminar suscitada. No mérito - No presente caso, não verifico causas que maculem a regularidade da celebração do contrato em questão, isto porque, a instituição financeira/apelada juntou o instrumento contratual (Id.27356886), assinado por meio de autenticação eletrônica e fotografia do momento da contratação. Para reforçar a validade da contratação, a instituição financeira/recorrida, acostou aos autos o dossiê de contratação (Id. 27356886/6), onde consta dados de localização e Id da sessão do usuário, com informação do dia e horário da coleta dos dados. SENTENÇA MANTIDA. A apelante alega, em suas razões recursais, que os contratos assinados eletronicamente não teriam contado com a sua anuência, em razão de ser idosa e não deter conhecimento do que se trata o contrato de empréstimo consignado. No entanto, os argumentos não prosperam, pois se percebe que o banco apelado trouxe prova da existência do contrato na modalidade eletrônica, colacionando vasta documentação em sua peça contestatória, que comprova a validade dos empréstimos. No caso, a contratação do empréstimo fora realizada pela apelante por meio eletrônico, mediante leitura da biometria facial da consumidora e de confirmações através de tokens e links de validação (fls. 142/144; 149; 154/155; 159; 166/168), afastando a hipótese alegada pela recorrente de contratação mediante fraude de terceiros. A instituição financeira, por sua vez, colacionou cópias de transferências bancárias (fl. 171/172) e dos contratos de empréstimos assinados eletronicamente (fls. 145/156;159/168), bem como RG e CPF (fls. 157/158; 169/170) e biometria facial (fls. 116/222). Os documentos colacionados pelo apelado não demonstram ilegalidade nas tratativas contratuais. Tem-se que a autora manifestou seu pleno consentimento em relação às cláusulas presentes no contrato, não sendo crível que, após ter seguido todos os passos para validação e confirmação da transação, como tokens e links (fls. 142/144; 149; 154/155; 159; 166/168), a apelante não tenha tomado conhecimento de que estava formalizando contrato de empréstimo consignado, até mesmo porque não é necessário vasto conhecimento tecnológico para a sua pactuação.

	Dessarte, entende-se pela validade do negócio jurídico celebrado entre as partes, tendo a instituição financeira se desincumbido, a contento, do seu ônus probante acerca de fato impeditivo, modificativo ou extintivo do direito autoral (art. 373, II, CPC), produzindo prova pertinente à regularidade da contratação. Ante a regularidade dos descontos nos proventos de aposentadoria da parte recorrente, não há que falar na ocorrência de ato ilícito por parte do recorrido e, por consequência, em dano moral capaz de ensejar o pagamento de indenização, nos termos do artigo 5º, inciso X, da Constituição Federal. SENTENÇA REFORMADA. 1. O cerne da controvérsia reside em analisar a existência de relação jurídica entre as partes, no que diz respeito ao cartão de crédito consignado (Contrato n. 17016597), bem como analisar se, constatada a irregularidade da operação, a instituição financeira apelante responde pelos prejuízos (materiais e/ou morais) supostamente experimentados pelo autor apelado. 2. Nesse contexto, observa-se que o banco apelante se desincumbiu do ônus de comprovar a regularidade do Contrato n. 17016597, nos moldes do art. 373, II, do CPC e art. 14, § 3º, I, do CDC, mediante a apresentação do Termo de Adesão do Cartão de Crédito Consignado, da Cédula de Crédito Bancário (CCB) e do Termo de Consentimento Esclarecido (TCE), todos assinados eletronicamente pelo requerente recorrido (IP 177.56.191.243), em 15.06.2021, na cidade de Lavras da Mangabeira, onde reside, acompanhados do comprovante de transferência eletrônica do saque solicitado (TED), do seu documento de identificação (RG), válido e com foto, e da sua selfie, a qual é semelhante à fotografia encontrada no seu RG. 3. Desse modo, demonstrada a regularidade da contratação do cartão de crédito (Contrato n. 17016597) livremente pactuado entre as partes, não há que se falar em repetição do indébito nem em dano moral indenizável, pois ausentes os pressupostos da responsabilidade civil, visto que o banco apelante apenas efetuou as cobranças amparado no exercício regular do seu direito. 4. Recurso conhecido e provido para declarar a existência de relação jurídica entre as partes, no que diz respeito à regularidade do Contrato de Cartão de Crédito Consignado n. 17016597 e, via de consequência, afastar a condenação do banco recorrente ao pagamento dos danos materiais e morais fixados na sentença. ACÓRDÃO: Vistos, relatados e discutidos estes autos em que litigam as partes acima nominadas, acordam os Desembargadores integrantes da e. 3ª Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer e dar provimento ao recurso interposto, nos termos do voto da eminente Relatora. 	Instrumento, manejado por D.R.M e M.R.M, representados por sua genitora, Thaiza Garcia Ribeiro, contra a r. decisão interlocutória do Juízo da 15ª Vara de Família da Comarca de Fortaleza (Processo n. 0204668-14.2025.8.06.0001), que nos autos da Ação Revisional de Alimentos c/c Tutela Provisória de Urgência, que indeferiu os alimentos compensatórios requeridos pela autora, o que fez nos seguintes termos: Trata-se de Ação Revisional de Alimentos proposta por Davi Ribeiro Melo e Mariana Ribeiro Melo, representados por Thaiza Garcia Ribeiro, em face de Luiz Carlos de Araújo e Melo, já qualificados nos autos, cujo processamento há de seguir o rito especial previsto na Lei nº 5.478/68, em razão do disposto em seu art. 13. em que os autores pugnam pela antecipação de tutela, apreciação essa que se dará em momento oportuno, após o aperfeiçoamento da presente relação processual. Por oportuno, convém esclarecer que a presente ação tratará tão somente das questões relativas aos alimentos dos menores, tendo como objeto específico a pretensão de majoração da obrigação alimentar originária. Dessa forma, qualquer postulação referente à cobrança de alimentos anteriormente acordados e homologados, porém eventualmente inadimplidos, deverá ocorrer por meio de ação de cumprimento de sentença, nos termos do art. 531 do CPC, ficando o pedido restrito à sentença paradigma. Em relação a pedidos atinentes ao patrimônio, ou mesmo de constrição patrimonial, devem estes ser pleiteados em sede de ação de partilha ou mesmo em processo que almeje o cumprimento de obrigação alimentícia inadimplida. Inicialmente, sustenta que Foram carreados aos autos novos elementos que demonstram cabalmente que o demandado possui plena capacidade financeira de arcar com uma pensão alimentícia digna a seus filhos, mormente quando se considera seu poderio econômico oriundo das atividades de médico e empresário. (...) É assentado tanto na doutrina quanto na jurisprudência que a pensão alimentícia devida do genitor para os filhos deve ser suficiente não só para a aquisição de comida, mas, igualmente, para o custeio de escola, de curso de línguas, de plano de saúde, de material escolar, de remédios, de lazer, entre outros. Nesse ponto, frisa-se que a Sra. Thaiza não possui genitores vivos, eis que ambos cometeram suicídio. Além disso, sendo natural do Estado do Goiás, somente veio a residir em Fortaleza/CE ao começo do relacionamento com o réu, por imposição deste. Não possui parentes capazes de lhe assistir na criação de seus dois filhos, portanto. Justamente por isso, a genitora dos demandantes não consegue desenvolver uma atividade remunerada, na medida em que tem que cuidar das duas crianças. O valor atualmente pago não é o suficiente para a contratação de uma babá ou para matrícula em escola de período integral. Em seguida, alega que No ponto é válida a lembrança de que, de acordo com a regra da adstrição ou congruência, cabe à parte autora (e não ao Juízo) delimitar o objeto da demanda. Se a parte, no gozo de seu direito potestativo, optou pelo procedimento comum, assim a demanda deve tramitar. A despeito disso, substituindo a vontade dos autores, o douto Juízo a quo, no bojo da decisão recorrida, determinou, sem qualquer requerimento nesse sentido, que o feito fosse convertido ao rito especial da Lei nº 5.478 de 1986, excluindo da demanda tudo o que não fosse exclusivamente o pedido revisional: (...)

Processo	0621493-68.2025.8.06.0000
	small;">Note-se que há manifesta recusa à prestação jurisdicional, eis que o douto Juízo invoca argumento sem respaldo jurídico para justificar a não apreciação dos pedidos autorais. De fato, a par do permissivo do art. 327, §2º, do CPC, a jurisprudência é pacífica a admitir a cumulação desses pedidos em um só processo". &#160; Complementa, ao aduzir que No ponto, sobreleva ressaltar que, na esteira da orientação jurisdicional, o ato judicial que posterga a análise de tutelas provisórias para momento posterior à formação do contraditório possui natureza decisório. E, assim sendo, é recorrível por agravo de instrumento. À luz do que já foi exposto no tópico antecedente, o Juízo não admitiu a cumulação de pedidos, excluindo tudo o que não fosse exclusivamente o pedido revisional de alimentos. Ocorre que, nem mesmo o pedido revisional de alimentos chegou a ser apreciado pelo douto Juízo. Em vez de deferir ou indeferir as tutelas provisórias requeridas pelos ora recorrente no petitório inaugural, o douto Juízo limitou-se a afirmar que "apreciação essa que se dará em momento oportuno, após o aperfeiçoamento da presente relação processual". (...) Em relação à exposição desses fundamentos, o §1º desse mesmo dispositivo prevê situações em que não se pode ser considerada devidamente fundamentada uma decisão. Entre essas, o CPC prevê que não é fundamentada a decisão que não enfrentar todos os argumentos deduzidos no processo capazes de, em tese, infirmar a conclusão adotada pelo julgador. De modo ainda mais gravoso, o que se extrai da decisão agravada é, simplesmente, não há fundamentação". &#160; Adiante, sustenta que "(...) Em atenção aos requisitos processuais, observa-se que a probabilidade do direito é visualizada quando se considera as necessidades das crianças (o valor dos alimentos continua exatamente R\$ 4.400,00 desde o ano de 2016) e a capacidade do agravado (que é médico e empresário, tendo firmado no final de 2024 contratos milionários com a Administração Pública). No que tange ao perigo de dano, além da inequívoca insuficiência do valor atual da pensão alimentícia, há no caso concreto a peculiaridade de que o imóvel onde os alimentandos residem se encontra em vias de ser arrematado em leilão (i.e., se é que já não o foi, na medida em que já foram realizadas sessões de leilão em novembro e em dezembro de 2024). Certo é que o valor de R\$ 4.400,00 já não é suficiente para custear alimentação e educação das duas crianças e muito menos será para possibilitar o aluguel de um novo imóvel caso sejam despejados da atual residência . &#160; Por fim, pleiteia que (a) Em tutela recursal, suspender os efeitos jurídicos emanados da decisão ora recorrida. a fim de possibilitar a cumulação de todos os pedidos no mesmo processo; (b) Ainda em tutela recursal, impor ao réu/agravado: b.1- a obrigação de pagar alimentos no montante de R\$ 10.000,00 (dez mil reais) para cada filho, no total de R\$ 20.000,00 (vinte mil reais), sob pena do pagamento de multa diária no valor de R\$ 1.000,00 (mil reais), a título de astreintes; b.2 - obrigação consistente no pagamento das prestações vencidas do imóvel onde os autores residem, com a expressa ordem de que o demandante garanta o direito de posse e habitação daqueles sobre o bem, sob pena de pagamento de astreintes em valor não inferior a R\$ 4.000,00 (quatro mil reais), a fim de que a multa seja revertida nas despesas necessárias ao aluguel de outra residência, considerando a iminência do despejo; Subsidiariamente, requer-se a imposição direta ao promovido do pagamento de R\$ 4.000,00 (quatro mil reais), para que os autores consigam de imediato alugar outro apartamento, afastando-se, com isso, o risco iminente de despejo. (c) Também em tutela recursal, gravar a matrícula do imóvel que serve de residência para os agravantes com restrição de alienação e indicação da existência desta demanda. Para viabilizar a medida, deve-se considerar que a respectiva matrícula é a de nº 85.351 do Registro de Imóveis da 2ª Zona da Comarca de Fortaleza/CE; (d) Como derradeira tutela recursal, determinar ao Juízo a quo a realização de pesquisa via Sisbajud com base no CPF do recorrido, qual seja, o de nº 434.913.591-04, com a ordem de restrição de ativos financeiros da pessoa natural do réu, no valor de R\$ 859.549,13 (oitocentos e cinquenta e nove mil quinhentos e quarenta e nove reais e treze centavos), pelos motivos acima especificados (e) Determinar

Determinada a intimação da parte agravada para contraminutar o recurso (ID 27266503), a parte se quedou inerte (ID 27266508). 	divisão de bens deve ser deduzida em ações autônomas e próprias, tais como a ação de partilha ou de sobrepartilha, quando cabível, não sendo admissível sua cumulação com a revisão de alimentos. Admitir o contrário implicaria desvirtuar a finalidade da ação revisional, comprometendo a regularidade procedimental e criando indevida sobreposição de ritos, com risco de insegurança jurídica e tumulto processual. Assim, entendo não ser cabível, neste caso, a cumulação dos pedidos conforme requer a autora em sua exordial, devendo optar por ações autônomas para cobrar os valores em aberto a título de alimentos e ação de partilha para discutir o patrimônio do casal e/ou dos filhos em comum. O valor fixado pelo juízo de primeiro grau, correspondente a meros 80% do salário-mínimo vigente, revela-se não apenas irrisório, mas também incompatível com a realidade concreta das despesas do alimentando, expressamente demonstradas na planilha anexada à inicial. (...) O magistrado de primeiro grau adotou um critério genérico e padronizado para a fixação dos alimentos, sem qualquer relação com os elementos concretos do caso. Os alimentos, porém, devem proporcionar ao menor um padrão de vida condizente com a realidade econômica do genitor e não meramente assegurar sua sobrevivência básica”. </p><p style="line-height: 200%; text-indent: 3.02cm; margin-top: 0.42cm; margin-bottom: 0cm;" align="justify">

	style="font-size: small;">Em seguinte, "O recorrido é dono de uma agência de viagens, conforme documentos anexados à inicial. O setor de turismo, mesmo em face das oscilações econômicas, representa uma atividade altamente lucrativa, o que permite inferir que seus ganhos mensais superam expressivamente o salário-mínimo nacional. Ainda que o juízo de primeiro grau tenha reconhecido a existência dessa atividade empresarial, limitou-se a arbitrar os alimentos com base em um critério subjetivo e abstrato, ignorando completamente a documentação que demonstra a capacidade econômica do agravado. (...) A fixação dos alimentos em 80% do salário-mínimo não observa qualquer critério objetivo de proporcionalidade. Ao contrário, representa uma distorção da realidade, pois não leva em consideração a renda presumida do alimentante, nem as despesas comprovadas do alimentando. Como já afirmado anteriormente, os alimentos devem ser fixados de maneira proporcional, considerando-se o padrão de vida do alimentante e as reais necessidades do alimentado. No caso em análise, o menor possui despesas comprovadas de R\$ 3.870,71, ao passo que o alimentante, empresário, tem condições de suportar o encargo da pensão alimentícia. Ao fixar os alimentos provisórios em um patamar excessivamente reduzido, o magistrado afronta diretamente o princípio da proporcionalidade, transferindo o ônus da subsistência da criança exclusivamente à genitora, o que é inaceitável do ponto de vista jurídico e moral". </p><p style="line-height: 200%; text-indent: 3.02cm; margin-top: 0.42cm; margin-bottom: 0cm;" align="justify"> Por fim, pleiteou que "a) CONHEÇA o presente recurso, uma vez que atendidos todos os requisitos de admissibilidade; b) Conceda à parte agravante a JUSTIÇA GRATUITA, nos termos do art. 98 e ss. do CPC; a) Conceda a TUTELA ANTECIPADA ao recurso, com fulcro no princípio constitucional do melhor interesse da criança e observados os elementos essenciais do art. 300 do CPC, para fixar a pensão no valor de R\$ 3.870,71(três mil, oitocentos e setenta reais e setenta e um centavos), correspondente a 2,5 salários-mínimos vigentes; b) Determine a INTIMAÇÃO DO MINISTÉRIO PÚBLICO, nos termos do art. 1.019, III, CPC. c) No MÉRITO, seja dado PROVIMENTO AO PRESENTE AGRAVO DE INSTRUMENTO, reformando parcialmente a decisão recorrida, para fixar a pensão no valor de R\$ 3.870,71(três mil, oitocentos e setenta reais e setenta e um centavos), correspondente a 2,5 salários-mínimos vigentes;" </p><p style="line-height: 200%; text-indent: 3.02cm; margin-top: 0.42cm; margin-bottom: 0cm;" align="justify"> Vieram-me os autos conclusos. </p><p style="line-height: 200%; text-indent: 3.02cm; margin-top: 0.42cm; margin-bottom: 0cm;" align="justify"> É O RELATÓRIO NO ESSENCIAL. </p><p style="line-height: 200%; margin-top: 0.42cm; margin-bottom: 0cm;" align="center"> VOTO </p><p style="line-height: 200%; text-indent: 3.02cm; margin-top: 0.42cm; margin-bottom: 0cm;" align="justify"> De início, anoto o teor do inciso III, do art. 932 do Código de Processo Civil: </p><p style="line-height: 200%; text-indent: 3.02cm; margin-top: 0.42cm; margin-bottom: 0cm;" align="justify">Art. 932. Há duas questões em discussão: (i) definir se o encerramento unilateral da conta-corrente pelo banco foi ilícito; (ii) estabelecer se a conduta da instituição financeira gera direito à indenização por danos morais. </p> <p style="text-align: justify;"> III. RAZÕES DE DECIDIR </p> <p style="text-align: justify;"> 3. A Resolução nº 4.753/2019 do BACEN autoriza o encerramento unilateral de conta de depósitos por qualquer das partes, desde que precedido de comunicação prévia ao correntista. </p> <p style="text-align: justify;"> 4. Vejamos: Art. 5º Para o encerramento de conta devem ser adotadas, no mínimo, as seguintes providências: I - comunicação entre as partes da intenção de rescindir o contrato, informando os motivos da rescisão, caso se refiram à hipótese prevista no art. 6º ou a outra prevista na legislação ou na regulamentação vigente; II - indicação pelo cliente da destinação do eventual saldo credor na conta, que deve abranger a transferência dos recursos para conta diversa na própria ou em outra instituição ou a colocação dos recursos a sua disposição para posterior retirada em espécie; III - devolução pelo cliente das folhas de cheque não utilizadas ou a realização do seu cancelamento pela instituição; IV - prestação de informações pela instituição ao titular da conta sobre: a) o prazo para adoção das providências relativas à rescisão do contrato, limitado a trinta dias corridos, contado do cumprimento da exigência de trata o inciso I; b) os procedimentos para pagamento de compromissos assumidos com a instituição ou decorrentes de disposições legais; c) os produtos e serviços eventualmente contratados pelo titular na instituição que permanecem ativos ou que se encerram juntamente com a conta de depósitos; V - comunicação ao titular sobre a data de encerramento da conta ou sobre os motivos que impossibilitam o encerramento, após o decurso do prazo de que trata a alínea "a" do inciso IV. § 1º O encerramento de conta de depósitos pode ser providenciado mesmo na hipótese de existência de cheques sustados, revogados ou cancelados por qualquer causa. § 2º Deve ser assegurada ao titular da conta de depósitos a possibilidade de solicitar o seu encerramento pelo mesmo canal utilizado quando da solicitação de sua abertura, se ainda disponível. Art. 6º As instituições devem encerrar conta de depósitos em relação a qual verificarem irregularidades nas informações prestadas, consideradas de natureza grave É possível depreender do aludido dispositivo que não há exigência de um justo motivo para a rescisão unilateral, salvo no caso do art. 6º, desde que sejam observadas as determinações mencionadas, com o intuito de conferir transparência e resguardar o contratante de eventual rompimento abrupto do pacto. Ademais, o próprio autor informou ter sido comunicado pela instituição demandada sobre o encerramento de sua conta, tendo, inclusive, anexado a referida notificação prévia exigida (id. 27182410). Desse modo, não restou demonstrada a falha na prestação do serviço da instituição financeira/recorrida, não havendo ilícito ensejador do dano moral. Destarte, não há no comunicado nenhuma informação sobre bloqueio imediato da conta, mas apenas o desinteresse comercial da entidade bancária e que o processo de encerramento poderia levar até 30 dias, com informações adicionais. Outrossim, sendo o contrato de conta-corrente de modalidade de tempo indeterminada, a entidade bancária pode, quando de seu interesse, encerrá-lo, sem que, para tanto, deva apresentar razões ou proceda à denúncia do contrato. Basta que notifique o correntista previamente, como ocorreu no caso dos autos. Nesse sentido: RECURSO ESPECIAL. AÇÃO DE OBRIGAÇÃO DE FAZER. A dicção do art. 12 da Resolução BACEN/CMN n. 2.025/1993, com a redação conferida pela Resolução BACEN/CMN n. 2.747/2000, é clara nesse sentido. 4. Revela-se, pois, de todo incompatível com a natureza do serviço bancário fornecido, que conta com regulamentação específica, impor-se às instituições financeiras o dever legal de contratar, quando delas se exige, para atuação em determinado seguimento do mercado financeiro, profunda análise de aspectos mercadológico e institucional, além da adoção de inúmeras medidas de segurança que lhes demandam o conhecimento do cliente bancário e de reiterada atualização do seu cadastro de clientes, a fim de minorar os riscos próprios da atividade bancária. Não ficou configurada a violação do art. 1.022 do CPC/2015, uma vez que o Tribunal de origem se manifestou de forma fundamentada sobre todas as questões necessárias para o deslinde da controvérsia. O mero inconformismo da parte com o julgamento contrário à sua pretensão não caracteriza falta de prestação jurisdicional. 2. A alteração da conclusão adotada pela Corte de origem (acerca da possibilidade da rescisão unilateral do contrato, bem como da inexistência de dano moral indenizável) demandaria, necessariamente, a interpretação de cláusulas contratuais e novo exame do acervo fático probatório constante dos autos, providências vedadas no âmbito do recurso especial, conforme os óbices previstos nas Súmulas 5 e 7 deste Tribunal Superior. 3. A incidência da Súmula n. 7/STJ impede o conhecimento do recurso lastreado, também, pela alínea c do permissivo constitucional, dado que falta identidade entre os paradigmas apresentados e os fundamentos do acórdão, tendo em vista a situação fática de cada caso. 4. O encerramento do contrato de conta-corrente, como corolário da autonomia privada, consiste em um direito subjetivo exercitável por qualquer das partes contratantes, desde que observada a prévia e regular notificação. 4.1. A esse propósito, destaca-se que a Lei n. 4.595/1964, recepcionada pela Constituição Federal de 1988 com status de lei complementar e regente do Sistema Financeiro Nacional, atribui ao Conselho Monetário Nacional competência exclusiva para regular o funcionamento das instituições financeiras (art. 4º, VIII). Ademais, no exercício dessa competência, o Conselho Monetário Nacional, por meio da edição de resoluções do Banco Central do Brasil que se seguiram, destinadas a regulamentar a atividade bancária, expressamente possibilitou o encerramento do contrato de conta de depósitos, por iniciativa de qualquer das partes contratantes, desde que observada a comunicação prévia. A dicção do art. 12 da Resolução BACEN/CMN n. 2.025/1993, com a redação conferida pela Resolução BACEN/CMN n. 2.747/2000, é clara nesse sentido. 4.2. Atendo-se à natureza do contrato bancário, notadamente o de conta-corrente, o qual se afigura intuitu personae, bilateral, oneroso, de execução continuada, prorrogando-se no tempo por prazo indeterminado, não se impõe às instituições financeiras a obrigação de contratar ou de manter em vigor específica contratação, a elas não se aplicando o art. 39, II e IX, do Código de Defesa do Consumidor. Revela-se, pois, de todo incompatível com a natureza do serviço bancário fornecido, que conta com regulamentação específica, impor-se às instituições financeiras o dever legal de contratar, quando delas se exige, para atuação em determinado segmento do mercado financeiro, profunda análise de aspectos mercadológico e institucional, além da adoção de inúmeras medidas de segurança que lhes demandam o conhecimento do cliente bancário e de reiterada atualização do seu cadastro de clientes, a fim de minorar os riscos próprios da atividade bancária. 5. A controvérsia se dá sobre a existência ou não de regularidade do encerramento unilateral de contas bancárias de titularidade do autor por parte da instituição financeira acionada e de cerceamento da defesa. 3. O Superior Tribunal de Justiça, no julgamento do REsp 1.696.214/SP, posicionou-se sobre a licitude do encerramento unilateral de conta bancária, concluindo pela ausência de abusividade no cancelamento, desde que precedido de notificação. RECURSO DA INSTITUIÇÃO FINANCEIRA CONHECIDO E PROVIDO. RECURSO DO AUTOR PREJUDICADO. SENTENÇA REFORMADA. 1. O douto magistrado de primeiro grau julgou procedentes os pedidos autorais, ratificando a liminar outrora deferida, determinando a manutenção da conta bancária do requerente junto ao banco/requerido, bem como, condenando a instituição financeira ao pagamento da quantia de R\$ 3.000,00 (três mil reais) a título de dano moral. 2. A questão recursal reside em saber se houve ilicitude na conduta da instituição financeira ao encerrar unilateralmente a conta-corrente titularizada pela parte promovente e, conseqüentemente, se subsistem danos morais indenizáveis. 3. O artigo 5º, inciso I da Resolução nº 4.753, de 26 de setembro de 2019, do BACEN, que dispõe sobre a abertura, a manutenção e o encerramento de conta de depósitos, determina que a instituição financeira expeça notificação ao titular da conta com intuito de informar sobre o seu encerramento. 4. No caso, a própria parte autora informou ter sido previamente informada acerca do encerramento da sua conta-corrente, tendo acostado aos autos a referida notificação (fls. 14). 5. Portanto, não restou demonstrada a falha na prestação do serviço da instituição financeira/recorrente, na verdade, a conduta do banco/apelante não é tipificadora de dano moral, pois, conforme já pacificou o Superior Tribunal de Justiça (STJ), o encerramento de conta-corrente de forma unilateral, com prévia notificação ao consumidor, não gera dano moral indenizável. 6. DESNECESSIDADE DE JUSTO MOTIVO, SEGUNDO A ATUAL JURISPRUDÊNCIA DO STJ. CONTRATO VOLUNTÁRIO. AUTONOMIA PRIVADA DE VONTADE. RECURSO CONHECIDO E DESPROVIDO. 1. A controvérsia recursal cinge sobre a revisão da decisão monocrática que manteve a sentença que negou o pleito de reabertura da conta-corrente nº 35360 da Agência 1379, após o encerramento unilateral da conta bancária de titularidade do autor por parte da instituição financeira. 2. A parte agravante alega a impossibilidade de julgamento monocrático, entretanto, pela simples leitura dos fundamentos invocados na decisão monocrática, verifica-se que houve menção ao entendimento consolidado pelo STJ, no julgamento do REsp 1696214/SP, que se posicionou sobre a licitude do encerramento unilateral de conta bancária em caso semelhante ao versado nos presentes autos, concluindo pela ausência de abusividade no cancelamento, desde que precedido de notificação. Além disso, o posicionamento do Superior Tribunal de Justiça é no sentido de que eventual inadequação da forma unipessoal de julgamento não é causa de nulidade por ofensa ao princípio da colegialidade, diante da possibilidade de interposição de recurso ao órgão colegiado, onde serão discutidas as questões apreciadas na decisão monocrática. 3. É incontroverso, no caso dos autos, que a relação jurídica existente entre as partes possui caráter consumerista, motivo pelo qual a análise ocorre sob a ótica do Código de Defesa do Consumidor. Contudo, a regência da matéria também se faz pelas normas do Código Civil. 4. Assim, a instituição financeira não está obrigada a manter contrato de conta corrente com os seus clientes e vice-versa, mas, na hipótese de pretender pela rescisão do vínculo contratual, deve ela notificar o correntista a respeito de sua intenção, a teor do que estabelece o artigo 12, inciso I da Resolução do BACEN n. 2.025/199. 5. Com efeito, na espécie, ocorreu a prévia notificação à correntista (fl. 29), com o informe de ser intenção do banco encerrar suas contas bancárias. Nesse sentido, a simples alegação de desinteresse comercial, por si só, é motivo para justificar o encerramento de conta-corrente. 6. Frisa-se, ainda, que embora a agravante alegue que as jurisprudências utilizadas não se aplicam ao presente caso, por se tratar a conta bancária citada na decisão do REsp. nº 1.696.214 ¿ SP de conta-corrente que intermediava bitcoins, objeto à época não regulamentado no Brasil, e, portanto, caracterizando justo motivo para o encerramento, esta tese não merece prosperar. Põe-se em evidência que o atual entendimento do STJ é de que o encerramento do contrato de conta-corrente, como corolário da autonomia privada, consiste em um direito subjetivo exercitável por qualquer das partes contratantes, desde que observada a prévia e regular notificação. 7. 	 RELATÓRIO Trata-se de Recurso de Apelação interposto pelo Banco Bradesco S/A., com o escopo de adversar a sentença proferida pelo MM. Juízo da 2ª Vara Cível da Comarca de Aracati, que julgou parcialmente procedentes os pedidos feitos na ação Anulatória de Débito c/c Danos Materiais e Morais, ajuizada por Osvaldo Ferreira da Costa, o que fez nos seguintes termos: Ante todo o exposto e o que mais dos autos consta, JULGO PARCIALMENTE PROCEDENTE a pretensão autoral, para que produza seus jurídicos e legais efeitos, extinguindo o feito com resolução do mérito, com fulcro no artigo 487, inciso I, do Código de Processo Civil, e assim o faço para: a) Declarar a inexistência do contrato aqui discutido; b) Condenar o requerido à devolução em dobro dos valores efetivamente descontados quanto ao contrato, corrigida monetariamente pelo INPC e com juros de mora de 1% (um por cento) ao mês, a partir dos descontos indevidos feitos no benefício do(a) promovente (evento danoso), consoante Súmulas nº 43 e 54 do STJ, a qual está limitada aos últimos 05 (cinco) anos anteriores à data do ajuizamento da presente demanda; c) Condenar o promovido ao pagamento de indenização por danos morais, no valor de R\$ 4.000,00 (quatro mil reais), com juros de 1% ao mês desde o evento danoso e correção monetária pelo INPC desde o arbitramento. Frise-se que os valores comprovadamente recebidos/levantados pelo autor devem ser descontados da condenação, em vedação ao enriquecimento ilícito. Considerando que a parte autora sucumbiu em parte mínima, condeno a parte ré, ainda, no pagamento das custas, das despesas processuais e de honorários advocatícios, os quais arbitro em 10% (dez por cento) sobre o valor da condenação, conforme art. 85, §2º, CPC. Em suas razões recursais, o banco/recorrente sustenta, que “não se pode exigir do apelante um papel que outorgue fidedignidade às transações quando elas se convalidam de maneira eletrônica. Ademais, é de meridiano conhecimento, além de público e notório (independendo de prova, portanto; ex vi artigo 374, inciso I, do CPC), a metodologia de contratação de empréstimos eletrônicos/virtuais de correntista com o banco mantenedor de sua conta corrente, que tem, como seu único e possível comprovante impresso, o extrato da conta correlata pela qual se viabilizou o pedido e o crédito do mútuo”. Argumenta, também, que “o que verdadeiramente se tem, Excelências, é que não há mínimo lastro para a manutenção da sentença. Primeiro, pela ausência de plausibilidade/verossimilhança no direito pelo apelado invocado, não havendo o que indique, nem mesmo por discricionariedade e livre convencimento, que ele, o recorrido, não tenha contratado e se beneficiado do empréstimo objurgado. Segundo, porque a realidade dos fatos, colimada ao coevo entendimento jurisprudencial demonstrado, coaduna-se na total e absoluta ausência de responsabilidade do recorrente, na qualidade de prestador/fornecedor de serviços, com relação aos supostos danos suportados pelo apelado, ocasionados por sua culpa exclusiva (ausência do devido cuidado com os seus documentos pessoais). Imperioso, portanto, que seja observada a regra entabulada no artigo 14, §3º, incisos I e II da Lei nº. 8.078/90, o Código de Defesa do Consumidor”. Mais adiante, sustenta, que “frente à inexistência de ilícito, ou, ainda, diante da excludente de ilicitude preconizada na verba legal acima invocada, bem como pela clarividente ausência de nexo de causalidade entre as supostas lesões experimentadas pelo apelado e as providências de segurança que são de responsabilidade do apelante, cogente se mostra a reforma integral da decisão recorrida, culminando na integral rejeição da postulação indenizatória aforada”. Por fim, protesta pelo conhecimento e provimento do apelo, para, consequentemente, reformar a sentença vergastada, com o reconhecimento da validade do contrato em questão. Sem contrarrazões. É o que importa relatar. VOTO Exercendo o juízo de admissibilidade, verifico o atendimento de todos os requisitos intrínsecos e extrínsecos que o compõem, levando-o ao qualificativo da positividade e, assim, ao conhecimento do recurso. Entendeu o juízo de primeiro grau em acolher os pedidos autorais, declarando nulo o contrato em questão (nº0123458209172), condenando o banco/requerido na

	devolução em dobro dos valores descontados indevidamente do benefício previdenciário do autor, e ainda, ao pagamento de R\$ 4.000,00 (quatro mil reais), a título de danos morais, com a compensação entre a quantia comprovadamente recebida pelo autor, a fim de evitar o enriquecimento ilícito. Sobre a temática em testilha, inicialmente, cumpre ressaltar que de acordo com a Súmula n.º 297, do Superior Tribunal de Justiça, as relações existentes entre correntistas e bancos devem ser examinadas à luz da lei consumerista: “O Código de Defesa do Consumidor é aplicável às instituições financeiras”. A dialética jurídica acarreta a incidência do disposto no artigo 373 do Código de Processo Civil, que bem distribui o ônus probatório. Conforme dispõe o artigo 373, inciso I e II, do CPC, cabe à parte autora a devida comprovação do fato constitutivo do direito invocado e a parte Ré, provar a existência de fatos impeditivos, modificativos ou extintivos do direito da autora. Desse modo, tendo o autor/apelado comprovado a existência de descontos realizados em seu benefício previdenciário pelo banco/recorrente (Id.27160457/4), recairia sobre a entidade bancária o ônus de comprovar a regularidade do contrato. No caso concreto, é forçoso reconhecer que houve falha na prestação do serviço, causando danos de ordem moral e material ao promovente/recorrido, visto que, embora a instituição financeira/apelante argumente que o contrato foi realizado de forma eletrônica não procedeu a juntada do suposto instrumento contratual ou nenhum outro documento capaz de demonstrar a regularidade da avença, ônus que lhe competia, segundo a regra do art. 373, inc. II, do CPC. É cediço que para a contratação eletrônica ter validade jurídica, é preciso o preenchimento dos requisitos essenciais, dentre os quais o consentimento do consumidor mediante assinatura digital por biometria facial, com todas as nuances para garantir a autenticidade e a integridade dos documentos assinados, o que não ocorreu no caso. A entidade bancária/recorrente não comprovou a anuência expressa do requerente/apelado para a contratação em questão, tampouco concordância com o valor e as condições informadas, evidenciando a ausência de manifestação de vontade, requisito essencial para a validade do negócio jurídico, conforme disposto no art. 104, II, do Código Civil. A instituição financeira/recorrida detentora da tecnologia empregada em seus serviços possuía condições de demonstrar tecnicamente que o autor/recorrido procedeu a suposta contratação, mas de tal ônus não se desincumbiu. Assim, demonstrada a falha na prestação dos serviços, configurado está o ilícito civil, o qual enseja pronta reparação dos danos causados, nos termos do art. 14 do Código de Defesa do Consumidor e arts. 186 e 927 do Código Civil Brasileiro. Isso porque, segundo a dicção dos dispositivos legais suso mencionados, notadamente o art. 14 do CDC: “o fornecedor de serviços responde, independentemente da existência de culpa, pela reparação dos danos causados aos consumidores por defeitos relativos à prestação dos serviços, bem como por informações insuficientes ou inadequadas sobre sua fruição e riscos”. A responsabilidade objetiva tem por base a teoria do risco, segundo a qual a atividade desenvolvida pelo fornecedor, colocada à disposição no mercado de consumo, destina-se a auferir lucros, estando suscetível aos riscos que lhe são inerentes. Daí é possível deduzir que, as instituições bancárias, em virtude da atividade de risco que exercem, devem responsabilizar-se, independentemente de culpa, pelos danos causados, questão esta inclusive já sumulada no STJ: “As instituições financeiras respondem objetivamente pelos danos gerados por fortuito interno relativo a fraudes e delitos praticados por terceiros no âmbito de operações bancárias”. (Súmula n.º 479). Dano material Os valores descontados indevidamente do benefício previdenciário do autor/recorrente, sem que houvesse autorização para o exercício deste ato, indicam sem dúvida a presença do dano material. Dano moral Os descontos indevidos realizados no benefício previdenciário do requerente/apelado constituem ato ilícito, na medida em que a instituição bancária deixou de agir com o cuidado necessário para o regular desenvolvimento de sua atividade, causando danos e resultando, por via de consequência, na obrigação de repará-los, na forma dos arts. 186 e 927 do Código Civil. É nesta conduta, por certo, censurável, onde se centra o nexo de causa e efeito entre o dano e a ação (conduta), porque causou vexame, constrangimento ao consumidor, caso em que a condenação é devida porque os efeitos de

QUANTUM INDENIZATÓRIO. MANUTENÇÃO. CRITÉRIOS DA RAZOABILIDADE E DA PROPORCIONALIDADE. RECURSO CONHECIDO DESPROVIDO. SENTENÇA CONFIRMADA. 1. Depreende-se da leitura dos fólios processuais, que a autora/apelada busca através da presente demanda declarar nulo suposto contrato de empréstimo consignado (nº 403054668), firmado em seu nome junto ao banco/apelado, bem como, a restituição dos valores descontados indevidamente, e ainda, indenização pelos danos morais sofridos. 2. A dialética jurídica acarreta a incidência do disposto no artigo 373 do Código de Processo Civil, que bem distribui o ônus probatório. Conforme dispõe o artigo 373, inciso I e II, do CPC, cabe à parte autora a devida comprovação do fato constitutivo do direito invocado e a parte Ré, provar a existência de fatos impeditivos, modificativos ou extintivos do direito da autora. 3. Desse modo, tendo a autora comprovado a existência de descontos em seu benefício previdenciário (fls.14), recairia sobre o banco/recorrente o ônus de comprovar a regularidade do contrato e a legitimidade das cobranças realizadas. 4. No caso, o banco/apelante não logrou êxito em eximir-se de sua responsabilidade, tendo em vista que não conseguiu provar a regularidade da contratação em questão, porquanto, apesar de proceder a juntada do suposto instrumento contratual (fls. 50/58), o mesmo não encontra-se assinado ou autenticado eletronicamente. 5. A instituição financeira/recorrente, argumenta que o contrato de empréstimo consignado ora analisado foi requerido e perfectibilizado de forma eletrônica, para tanto, anexa o documento de identidade e uma foto selfie da promovente/apelada, como meio de comprovação da discutida avena (fls.59/61). Contudo, a foto carregada aos autos, não é suficiente para comprovar a manifestação de vontade por parte da autora/apelada, uma vez que se trata de foto individual, que pode ter sido coletada em outra oportunidade. Além disso, não há no documento anexado a geolocalização ou Id do dispositivo usado no momento da realização do pacto. 6. Na espécie, a instituição financeira/apelante detentora da tecnologia empregada em seus serviços possuía condições de demonstrar tecnicamente que a autora/recorrida procedeu a suposta contratação, mas de tal ônus não se desincumbiu. 7. Assim, quando demonstrada a falha na prestação dos serviços pelo banco, configurado está o ilícito civil, conferindo daí ao lesado a devida reparação dos danos sofridos, nos termos do art. 14 do Código de Defesa do Consumidor e arts. 186 e 927 do Código Civil Brasileiro. 8. Dano Moral - Sobre o dano moral, enxergo que é evidente a perturbação sofrida pela autora/apelada, em decorrência do ocorrido, ao ver os descontos no seu benefício previdenciário, uma vez que não houve autorização da prática deste ato e tampouco, conforme os elementos existentes nestes autos, prova de que houve a celebração do instrumento contratual com o banco/apelante. 9. Fixação - Para quantificar a indenização por danos morais deve se levar em conta, dentre outros fatores, a extensão do dano, as condições socioeconômicas dos envolvidos e o sofrimento da vítima. Nessa ordem de ideias, atento ao cotejo desses fatores, e levando em consideração os valores dos descontos, considero consentâneo o quantum indenizatório de R\$ 3 .000,00 (três mil reais), arbitrado pelo magistrado a quo, porque não se entremostra exagerado nem insignificante, uma vez que razoável e proporcional à ofensa perpetrada. 10. 	NEGLIGÊNCIA DA INSTITUIÇÃO FINANCEIRA. DEFEITO NA PRESTAÇÃO DO SERVIÇO. RISCO DA ATIVIDADE QUE GERA RESPONSABILIDADE OBJETIVA. DANO MORAL IN RE IPSA. CONFIGURADO. QUANTUM MANTIDO. RECURSO CONHECIDO E NÃO PROVIDO. SENTENÇA MANTIDA. 1. Cuidam os autos de APELAÇÃO CÍVEL interposta por BANCO SANTANDER BRASIL S/A, objetivando a reforma da sentença de parcial procedência exarada nos autos da Ação Declaratória de Inexistência de Negócio Jurídico c/c Repetição do Indébito e Danos Morais, ocasião em que se declarou como inexistente a relação jurídica entre as partes, bem como condenou a ora apelante à restituição dobrada dos descontos indevidos, bem como em danos morais no montante de R\$ 5.000,00 (cinco mil reais). 2. Em análise, tem-se que a contratação de empréstimo consignado é regida pelas normas da Lei Consumerista (arts. 2º e 3º do CDC e Súmula 297 do STJ), devendo-se assegurar a facilitação da defesa dos direitos do consumidor, mediante a inversão do ônus da prova (art. 6º, VIII, do CDC). 3. Em que pese a inversão do ônus da prova, a instituição financeira não se desincumbiu do seu dever de comprovar que a autora firmou o empréstimo, mediante indubitável manifestação de vontade, limitando-se a narrar referida versão, sem, contudo, respaldar sua tese em conjunto probatório que a robusteça. Às fls. 32-44 e 45-54, o agente bancário anexou os contratos, contudo, estes não possuem credibilidade suficiente para infirmar as alegações autorais. Como ressaltado, sendo hipótese de operação digital mediante o envio de "selfie" e formalizada por meio digital, cumpria ao Banco-réu demonstrar a manifestação cabal de vontade da parte autora, seja por meio de identificação do IP ou por meio de geolocalização ou quaisquer outras provas que indicassem a manifesta vontade em contratar. 4. Em face da especificidade da operação (aceite da proposta por biometria), seja pela simples imagem da autora capturada pela ré, seja porque não é possível identificar o titular do aparelho móvel utilizado para a realização da operação, tenho que não há elementos suficientes que corroborem a contratação do empréstimo pela autora, notadamente a sua manifestação de vontade em contratar, observando-se, ainda, a utilização, como meio de prova, de selfies idênticas para ambos contratos firmados com 5 (cinco) meses de lapso temporal. Assim, ante a minuciosa análise do conjunto probatório, é forçoso reconhecer que as provas constantes dos fólios são indicativas de fraude na contratação do referido empréstimo, o qual, provavelmente, foi firmado por terceiro, com o uso de documentação falsificada. 5. Em casos como o relatado nos autos, a debitação direta na conta da consumidora, reduzindo seus proventos, sem contrato válido a amparar tais descontos, caracteriza dano moral in re ipsa, ou seja, presumido, decorrente da própria existência do ato, não exigindo a prova do prejuízo. Não obstante, a privação do uso de determinada importância, reduzida dos proventos de aposentadoria, recebida mensalmente para o sustento da requerente, gera ofensa à sua honra e viola seus direitos da personalidade, na medida em que a indisponibilidade do número reduz ainda mais suas condições de sobrevivência, não se classificando como mero aborrecimento, de modo que a hipótese merece indenização por dano moral. Nesse compasso, atenta às particularidades do presente caso, entendo que o quantum indenizatório fixado no montante de R\$ 5.000,00 (seis mil reais) não merece reparo e não destoam dos julgados desta Eg. Corte em demandas análogas. Logo, mantenho o montante indenizatório. 6. Recurso conhecido e não provido. Sentença mantida. ACÓRDÃO ACORDAM os e.
