	encravado imóveis com décadas de construção. [...] (Grifou-se). Tal questão, contudo, não prejudica a declaração do direito de prestar contas, mas integra o próprio objeto da ação em comento. A apuração da existência de valores eventualmente recebidos pelo administrador ou do emprego de despesas na manutenção do bem deve ser realizada no bojo da instrução do feito, não se confundindo com a aferição da própria obrigação de prestar contas. Trata-se de um dever propter officium e não depende de convenção expressa, bastando que alguém assuma a gestão de patrimônio comum para nascer o dever correlato de prestar contas. No exercício da obrigação, o responsável presta contas periódicas sobre receitas, despesas e investimentos e poderá demonstrar eventual saldo, seja a favor ou contra si, em relação aos demais interessados. Caso se verifique inobservância dessa prestação periódica, admite-se a procedência da fase declaratória da ação proposta pelo interessado, como ocorreu no caso em tela. Dessa forma, não se verifica irregularidade apta a reformar o decisum objurgado. Como dito, não há controvérsia quanto à condição do Agravante de administrador dos bens comuns discutidos, e o Recorrente não demonstrou o regular cumprimento da obrigação inerente a essa condição. Isso deu ensejo à pretensão da parte agravada de exigir as contas relativas a essa administração (art. 550 do CPC), mostrando-se pertinente o regular trâmite da demanda para apuração de eventuais saldos, ainda que em favor do Recorrente, como defende este no feito de Primeiro Grau. Essas questões foram alvo de julgamento monocrático por esta Relatoria no recurso de apelação interposto nos autos da ação originária. 	&#160; 2.1. Necessidade de s obrestamento do feito No arrazoadado, sustenta o agravante que o STJ, por meio do REsp nº Repetitivo nº 1.370.899/SP (Tema 685) determinou a suspensão de todos os processos enquanto se aguarda o pronunciamento definitivo do termo inicial da incidência dos juros moratórios. Contudo, e m simples consulta ao sítio eletrônico do c. STJ, na página dos precedentes qualificados, verifica-se que não mais subsiste a ordem de suspensão. De acordo com a Anotação NUGEPNAC, “Em nova decisão publicada no DJe de 20/9/2023 nos Recursos Especiais n. 1.370.899/SP e 1.361.800/SP, foi determinada a reforma da ordem de suspensão e a retomada do regular andamento processual dos referidos processos”. Ademais, o referido recurso especial repetitivo já foi julgado pela Corte Especial do Superior Tribunal de Justiça, em 21.05.2014, com acórdão publicado em 16.10.2014, atraindo, assim, a norma do art. 1040, inciso III, do CPC, que reza: Art. 1.040. Publicado o acórdão paradigma: III - os processos suspensos em primeiro e segundo graus de jurisdição retomarão o curso para julgamento e aplicação da tese firmada pelo tribunal superior; [Grifei] Portanto, não merece respaldo a tese de sobrestamento. Da extinção do feito em razão do falecimento da parte autora Na decisão proferida no Id 23093460, esta relatoria entendeu por bem deferir em parte o efeito suspensivo postulado pelo agravante, para oportunizar a habilitação do espólio ou herdeiros da credora falecida,

DIREITO PROCESSUAL CIVIL. APELAÇÃO CÍVEL. SENTENÇA DE EXTINÇÃO SEM RESOLUÇÃO DO MÉRITO. FALECIMENTO DA PARTE AUTORA NA FASE DE CUMPRIMENTO DE SENTENÇA. PEDIDO DE HABILITAÇÃO DE HERDEIROS. JUSTIFICATIVAS PLAUSÍVEIS PARA A DILAÇÃO DE PRAZO. INEXISTÊNCIA DE PRAZO FATAL PARA SUCESSÃO PROCESSUAL. AUSÊNCIA DE DESIDIA OU MÁ-FÉ. SENTENÇA ANULADA. RECURSO CONHECIDO E PROVIDO. I. CASO EM EXAME: 1. Trata-se de apelação cível interposta por Antônia da Silva Nogueira e outros, sucessores de Maria Nogueira da Silva, contra sentença proferida pelo Juízo da 2ª Vara Cível da Comarca de Acopiara, que extinguiu o processo sem resolução do mérito, com base nos arts. 313, §2º, II, e 485, IV, do CPC, diante da não habilitação dos herdeiros da parte autora dentro do prazo fixado judicialmente. II. QUESTÃO EM DISCUSSÃO: 2. A controvérsia recursal consiste em: (i) examinar se a ausência de habilitação dos sucessores no prazo fixado judicialmente justifica a extinção do feito sem julgamento do mérito, à luz do ordenamento jurídico processual e dos princípios constitucionais que regem o devido processo legal e o acesso à justiça. III. RAZÕES DE DECIDIR: 3. O falecimento da parte autora foi comunicado nos autos com o respectivo pedido de suspensão do processo, conforme previsto no art. 313 do CPC. 4. A parte autora apresentou justificativas plausíveis para a demora na habilitação dos herdeiros, notadamente a existência de 21 sucessores, dispersos em localidades de difícil acesso ou em outros estados. 5. O juízo de origem concedeu prorrogação de prazo para habilitação, mas, antes de decidir sobre o último pedido de dilação, extinguiu o feito, desconsiderando a diligência processual dos requerentes. 6. A jurisprudência do Superior Tribunal de Justiça é pacífica no sentido de que não há prazo fatal para habilitação de herdeiros, nem prescrição intercorrente para o ato. 7. A extinção do feito, nesse contexto, configura medida desproporcional e violadora dos princípios do devido processo legal, da inafastabilidade da jurisdição e do aproveitamento dos atos processuais. 8. Constatando-se ausência de má-fé, inexistência de prejuízo à parte adversa e existência de justificativas razoáveis, impõe-se a anulação da sentença e o retorno dos autos para regular processamento da habilitação sucessória. IV. DISPOSITIVO: 9. Recurso CONHECIDO E PROVIDO. Sentença anulada para que os autos retornem à origem, com o fim de processar a habilitação dos herdeiros e dar prosseguimento à demanda. Tese de julgamento: "1. A ausência de prazo legal fatal para a habilitação de herdeiros afasta a extinção do processo por pretensa preclusão temporal, especialmente quando demonstradas razões plausíveis e ausência de má-fé." "2. A extinção do feito sem resolução do mérito, diante da morte da parte autora, deve ser afastada quando a sucessão processual é viável e os herdeiros demonstram diligência no atendimento da providência, respeitando os princípios do devido processo legal e da efetividade da jurisdição." ACÓRDÃO Vistos, relatados e discutidos estes autos, acorda a 2ª Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, em conhecer do recurso apelatório nº 0004619-77.2016.8.06.0063 para dar-lhe provimento nos termos do voto do proferido pelo Excelentíssimo Desembargador Relator. Portanto, agiu com acerto o d. juízo ao não afastar do cálculo judicial os encargos de mora. REEXAME DE PROVAS. SÚMULA 7 DO STJ. QUESTÃO PACIFICADA NO SUPERIOR TRIBUNAL DE JUSTIÇA. 1. Não se configura a ofensa ao art. 535 do Código de Processo Civil, uma vez que o Tribunal a quo julgou integralmente a lide e solucionou a controvérsia, tal como lhe foi apresentada. 2. O Superior Tribunal de Justiça reviu seu entendimento para concluir que a correção monetária das movimentações financeiras no ano-base de 1989 deverá se pautar pela legislação revogada pelo Plano Verão, sendo aplicáveis, portanto, os índices de 42,72% em janeiro de 1989 com reflexo de 10,14% em fevereiro de 1989, percentuais consagrados na jurisprudência desta Casa. 3. O acolhimento da pretensão recursal, relativamente à suposta ofensa de coisa julgada, demanda o reexame do contexto fático-probatório, mormente de autos de outra demanda, como consignado pela Corte a quo. Incide, in casu, o óbice da Súmula 7/STJ. 4. Recurso Especial parcialmente conhecido e, nessa parte, não provido.

CUMPRIMENTO DE SENTENÇA CONVERTIDA EM LIQUIDAÇÃO PELO JULGADOR. EXPURGOS INFLACIONÁRIOS. ILEGITIMIDADE ATIVA E INCOMPETÊNCIA TERRITORIAL. TESES JÁ SUPERADAS. TEMAS 723 E 724 DO STJ E 1.075 DO STF. ÍNDICE DE 10,14% A SER APLICADO NO MÊS DE FEVEREIRO DE 1989, COMO CONSEQUÊNCIA LÓGICA DA APLICAÇÃO DO PERCENTUAL DE 42,72% NO MÊS DE JANEIRO DE 1989. TESE ACOLHIDA. PRECEDENTE DO STJ E DESTA CORTE. EXCESSO DE EXECUÇÃO A SEREM VERIFICADOS EM CÁLCULOS A SEREM EFETUADOS POR CONTADORIA JUDICIAL. RECURSO CONHECIDO E PROVIDO PARCIALMENTE. 1.Trata-se de Agravo de instrumento com Pedido de Efeito Suspensivo, proposto por Banco do Brasil S/A, contra decisão do Juízo da 2ª Vara da Comarca de Aracoiaba, que rejeitou em parte a impugnação interposta na execução movida por Murilo Monteiro de Oliveira. Na decisão foi acolhida parcialmente a impugnação, apenas no que tange aos juros remuneratórios e rejeitadas as demais questões. Fixados os honorários advocatícios em 10% do valor da execução. 2. O cumprimento individual teve como amparo a sentença coletiva proferida nos autos da Ação Civil pública referente aos expurgos inflacionários do período de janeiro de 1989 (Plano Verão), que tramitou perante a 12ª Vara Cível da Circunscrição Judiciária de Brasília/DF sob n.º 1998.01.1.016798-9, em face da referida instituição financeira. 3. Registra-se, a evitar questionamentos futuros, que, muito embora tenha o autor ingressado com ação de cumprimento de sentença, o magistrado a converteu em liquidação, como consta do despacho desta relatoria que levantou o sobrestamento. Portanto, a matéria não se encontra dentre a suspensão determinada pelo Tema Repetitivo 1169 do STJ, e nem foi objeto do presente recurso, restando preclusa. 4. Quanto a prescrição, insubsistente o pedido da agravante de extinção, pois ajuizada no prazo, ou seja, em 28/10/2014, como consta no registro do carimbo de protocolo da secretaria da comarca, às fls.2 dos autos digitalizados. Não há, portanto, qualquer motivo para abordar a legitimidade ou não do MPDFT referente a Ação Cautelar de Protesto a suspender prazo prescricional das ações

	executivas após essa data, eis que não se aplica ao caso. 5. Os questionamentos com relação às preliminares de ilegitimidade ativa e incompetência, encontram-se superados. Com os julgamentos dos Temas 723 e 724 do STJ, foi resolvida a legitimidade dos poupadores ou de seus sucessores, independente de fazerem parte dos quadros do IDEC, de ajuizarem o cumprimento individual da sentença proferida na ação civil pública nº 1998.01.1.016798-9 pelo Juízo da 12ª Vara Cível da Circunscrição Especial Judiciária de Brasília/DF, independente de sua residência ou domicílio no Distrito Federal. Também o tema 1.075 do STF (Leading;Case RE 1101937) firmou o entendimento de ser inconstitucional a delimitação dos efeitos da sentença proferida em sede de ação civil pública aos limites da competência territorial de seu órgão prolator. 6. Os juros de mora foram determinados de forma acertada. Tendo sido ajuizada a ação civil pública à época do Código Civil de 1916, referida taxa deve ser de 0,5% (meio por cento) ao mês, nos termos do artigo 1.062 do Código Civil de 1916, desde a citação na ação civil pública, datada de 08/06/1993, até o início da vigência do Código Civil de 2002, quando então deverá passar a incidir os juros no percentual de 1% (um por cento) ao mês (artigo 406 do CC/2002). 7. Não procede a irrisignação para sejam computados os juros de mora a partir do ajuizamento desta demanda. A questão encontra-se firmada no Tema 685 do STJ: Tese Firmada: Os juros de mora incidem a partir da citação do devedor no processo de conhecimento da Ação Civil Pública quando esta se fundar em responsabilidade contratual, cujo inadimplemento já produza a mora, salvo a configuração da mora em momento anterior. 8. Já a correção monetária é uma mera recomposição do valor em virtude da inflação de determinado período. Nesse sentido, a jurisprudência do STJ entende que não constitui ofensa aos institutos da coisa julgada e da preclusão a inclusão dos expurgos inflacionários subsequentes no cálculo, mesmo não tendo sido debatida no processo de conhecimento, de acordo com a Tese firmada no tema 887 do STJ, no julgamento do REsp n.º 1.392.245/DF, transitada em julgado em: 03/06/2020 e no tema 891 do STJ (REsp 1314478/RS). 9. Porém, há amparo no pedido de aplicação do índice de 10,14% para a correção monetária no mês de fevereiro de 1989, como consequência lógica do reconhecimento do índice de 42,72% no mês de janeiro de 1989, sendo este o entendimento do STJ e na jurisprudência desta Corte. 10. Os cálculos de fls.16-20 devem ser refeitos pela Contadoria Judicial a fim de melhor demonstrar os parâmetros, pois, apesar de afastados os juros remuneratórios na decisão, na primeira planilha, objeto da decisão, estão contidos, e também para fins de obediência à correção aplicada ao mês de fevereiro de 1989. 11. Recurso conhecido e provido em parte. Decisão modificada apenas para aplicação da incidência da correção monetária referente ao mês de fevereiro de 1989, e envio à contadoria judicial. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 4ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, em conhecer do recurso de agravo de instrumento e dar-lhe provimento em parte, para acolher a tese de aplicação do índice de 10,14% para a correção monetária no mês de fevereiro de 1989, como consequência lógica do reconhecimento do índice de 42,72% no mês de janeiro de 1989, e realização dos cálculos por contadoria judicial, tudo nos termos do relatório e do voto que passa a fazer parte integrante deste acórdão. Fortaleza, DESEMBARGADOR JOSÉ EVANDRO NOGUEIRA LIMA FILHO Presidente do Órgão Julgador e Relator (Agravante Instrumento;- 0631126-50.2018.8.06.0000, Rel. Desembargador(a) JOSE EVANDRO NOGUEIRA LIMA FILHO, 4ª Câmara Direito Privado, data do julgamento: 18/06/2024, data da publicação: 19/06/2024) [Grifou-se] Portanto, neste ponto, acolho a tese do recorrente, para aplicar o índice de 10,14% para a correção do mês de fevereiro de 1989. Dispositivo Diante do exposto, CONHEÇO do recurso interposto pelo Banco do Brasil S.A., para lhe DAR PARCIAL PROVIMENTO, no sentido de excluir a determinação de complementação do depósito de fl. 122 dos autos principais, sob pena de incidência de multa e de honorários advocatícios, e de reconhecer a adoção do índice de 10,14% para o mês de fevereiro de 1989, conforme fundamentação supra.

RAZÕES DE DECIDIR </p><p class="Standard1" style="margin-left: 4cm; text-align: justify;"> 3. O c. Superior Tribunal de Justiça possui entendimento pacífico de que o magistrado não é obrigado a responder a todas as alegações das partes se já tiver encontrado motivo suficiente para fundamentar a decisão, nem é obrigado a ater-se aos fundamentos por elas indicados. Assim, no caso concreto, em que pese os respeitáveis argumentos do apelante, vê-se que a sentença se encontra bem fundamentada, pois enfrentou as principais questões postas a julgamento, de forma que não se considera passível de nulidade. </p><p class="Standard1" style="margin-left: 4cm; text-align: justify;"> 4. De acordo com o STJ, o prazo prescricional para alegar vícios de construção se submete à regra geral do art. 205 do Código Civil, ou seja, é decenal, que não decorreu no caso em tela. </p><p class="Standard1" style="margin-left: 4cm; text-align: justify;"> </p>

	&quot;, times;>&#160; </p><p class="Standard1" style="margin-left: 4cm; text-align: justify;"> Se o caso é de omissão, o julgamento dos embargos supri-la-á, decidindo a questão que, por lapso, escapou à decisão embargada. No caso de obscuridade ou contradição, o decisório será expungido, eliminando-se o defeito nele detectado. Tratando-se de erro material, o juiz irá corrigi-lo. </p><p class="Standard1" style="margin-left: 4cm; text-align: justify;"> Em qualquer caso, a substância do julgado será mantida, visto que os embargos de declaração não visam à reforma do acórdão, ou da sentença. No entanto, será inevitável alguma alteração no conteúdo do julgado, principalmente quando se tiver de eliminar omissão ou contradição. O que, todavia, se impõe ao julgamento dos embargos de declaração é que não se proceda a um novo julgamento da causa, pois a tanto não se destina esse remédio recursal. As eventuais novidades introduzidas no decisório primitivo não podem ir além do estritamente necessário à eliminação da obscuridade ou contradição, ao suprimento da omissão ou à correção do erro material. &#160; </p><p class="Standard1" style="margin-left: 4cm; text-align: justify; text-indent: 8%;"> &#160; </p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; line-height: normal; text-indent: 8%;"> E, ainda, conforme as lições de Luiz Guilherme Marinoni, Sérgio Cruz Arenhart e Daniel Mitidiero, quanto às hipóteses de cabimento dos embargos de declaração, " tem-se obscuridade quando há comprometimento da adequada compreensão da ideia exposta na decisão judicial; a decisão contraditória encerra duas ou mais premissas ou dois ou mais enunciados inconciliáveis; por sua vez, o erro material, configura-se quando o ato judicial contém falha de expressão escrita" <!--[if !supportFootnotes]--> [2] <!--[endif]--> (Grifei).</p><p class="Standard" style="text-align: justify; text-indent: 8%;"> &#160; </p><p class="Standard" style="text-align: justify; text-indent: 8%;"> Na espécie, de acordo com os embargantes, houve omissão e obscuridades no acórdão em relação ao prazo prescricional e aos termos da condenação de obrigação de fazer. Há bastante clareza nos

	trechos que enfrentaram essa matéria. Quanto ao outro ponto dito obscuro, de possível conflito da tabela de fl. 54 com o laudo pericial judicial, igualmente não se verifica qualquer dificuldade de compreensão, especialmente porque a planilha em referência especifica os serviços de reparo a serem executados e os valores unitários, e porque o decisum previu que, apenas no caso de impossibilidade do réu efetuar os reparos, é que serão convertidos os serviços em perdas e danos, havendo apuração da quantia em sede de liquidação da sentença. Dessa forma, entende-se prescindível maiores explicações sobre uso da tabela. Há, na verdade, claro intuito de rediscutir a decisão, neste ponto, a fim de excluir o orçamento apresentado pelos autores/embargados. Por fim, em relação à alegada obscuridade sobre o que deverá ser reparado ou indenizado, não há qualquer margem para dúvida ou interpretação dúbia. O decisum é bastante claro que a condenação é em obrigação de fazer, consistente em efetuar os reparos necessários no imóvel objeto da lide ou, em caso de impossibilidade, que o réu pague a quantia de R\$ 44.017,27 (quarenta e quatro mil e dezessete reais e vinte e sete centavos), por danos materiais. Como se vê, o aresto foi claro e não se omitiu sobre as matérias apontadas pelo embargante. Na verdade, houve pleno enfrentamento das questões controvertidas. Por tudo isso, depreende-se que o recorrente tem o intuito de rediscutir o mérito da decisão, lançando suas teses para convencer este juízo de que deveria ter sido reformada a sentença, para reconhecer a prescrição ou para reduzir os serviços a serem executados, ou ainda para afastar o orçamento apresentado pelos autores, mas essa estratégia não pode ser aceita por esta modalidade de recurso, de fundamentação vinculada. PROCESSO CIVIL. EMBARGOS DE DECLARAÇÃO EM EMBARGOS DE DIVERGÊNCIA EM RECURSO ESPECIAL. OBSCURIDADE. CONTRADIÇÃO. AUSÊNCIA. OMISSÃO E ERRO MATERIAL RECONHECIDOS. 1. Embargos de declaração que apontam a existência de obscuridade, omissão, contradição e erro material. 2. Não há obscuridade, eis que a inconformidade relativa à incidência da Súmula 158/STJ e os motivos a ela atrelados já foram analisados e afastados por esta Corte Especial. 3. A omissão

	que permite o provimento dos embargos de declaração se apresenta quando o julgador não analisa pontos ou questões que estão contidas nos autos. Ou seja, conforme a dicção legal, cabem embargos de declaração quando há "omissão de ponto ou questão sobre o qual devia se pronunciar o juiz de ofício ou a requerimento" (art. 1.022, II, do CPC). In casu, o aresto embargado é expresso quanto à existência de similitude fática entre os acórdãos confrontados, bem como inexistência de omissão quanto ao conteúdo do REsp 201.563/RJ e à fixação de honorários por equidade. Lado outro, impõe-se o acolhimento da irresignação, para dizer da não incidência da Súmula 598/STF. 4. A contradição que autoriza a oposição de embargos declaratórios é aquela interna ao julgado, relativa a seus fundamentos e dispositivo, e não a contradição entre este e o entendimento da parte, ou o que ficara decidido na origem, ou, ainda, quaisquer outras decisões do STJ. Precedentes. No particular, revela-se nítida a pretensão da embargante de rediscutir matéria já decidida, fazendo com que prevaleça o seu entendimento sobre o tema. 5. Este Órgão Julgador firmou orientação de que a interposição de Embargos de Divergência em Recurso Especial dá início a novo grau recursal, de modo que, ao questionar decisão publicada na vigência do novo Diploma Processual Civil, a parte embargante está sujeita à majoração dos honorários de sucumbência caso indeferidos liminarmente pelo relator ou se o colegiado deles não conhecer ou negar-lhes provimento (AgInt nos EAREsp 762.075/MT, Corte Especial, DJe 07/03/2019). No caso, o acórdão que ensejou a interposição dos embargos de divergência foi publicado antes da vigência do novo CPC, circunstância que afasta a incidência do art. 85, § 11, do CPC/2015. 6. Os embargos de declaração interpostos pela parte recorrente não possuem intuito protelatório, razão pela qual não é caso de aplicação da multa inserta no art. 1.026, § 2º, do CPC/2015. 7. Embargos de declaração parcialmente acolhidos, para sanar a omissão relativa à não incidência da Súmula 598/STF e corrigir erro material, afastando a majoração dos honorários de sucumbência. Os embargos de declaração têm como objetivo sanar eventual existência de obscuridade, contradição, omissão ou erro material (CPC/2015, art. 1.022). É inadmissível a sua oposição para rediscutir questões tratadas e devidamente fundamentadas na decisão embargada, já que não são cabíveis para provocar novo julgamento da lide. 2. 	DECLARAÇÃO NO AGRAVO EM RECURSO ESPECIAL. AÇÃO MONITÓRIA. FUNDAMENTAÇÃO DO ACÓRDÃO RECORRIDO. SUFICIÊNCIA. ÔNUS DO DEVEDOR. VERIFICAÇÃO. SÚMULA 7 DESTA CORTE. DOCUMENTO NOVO. NÃO CARACTERIZAÇÃO. AGRAVO NÃO PROVIDO. 1. Não há violação aos arts. 489 e 1.022 do CPC/2015, tendo em vista que o v. acórdão recorrido adotou fundamentação suficiente, decidindo integralmente a controvérsia. É indevido conjecturar-se a existência de omissão, obscuridade ou contradição no julgado apenas porque decidido em desconformidade com os interesses da parte. 2. Ante as provas acostadas aos autos, a Corte de origem reconheceu que o contrato foi rescindido por determinação do DNIT, e não por culpa dos contratantes, razão pela qual não enseja a aplicação da cláusula penal. Nesse contexto, a modificação de tal entendimento lançado no v. acórdão recorrido demandaria o revolvimento de suporte fático-probatório dos autos, o que é inviável em sede de recurso especial. 3. Nos termos do art. 396 do CPC/73 (art. 434 do CPC/2015), cabe à parte instruir a inicial ou a contestação com os documentos que forem necessários para provar o direito alegado. 4. Na hipótese, foi consignado pelas instâncias ordinárias que os documentos apresentados são antigos e, não tendo sido apresentados no momento oportuno, operou-se a preclusão. 5. Agravo interno não provido. (AgInt nos EDcl no AREsp 1573807/MG, Rel. Ministro RAUL ARAÚJO, QUARTA TURMA, julgado em 20/04/2020, DJe 04/05/2020, GN). Portanto, inexistente razão para os embargos em comento, pois não há pontos obscuros nem omissos a serem sanados na decisão embargada. Os embargos declaratórios, como já dito, prestam-se apenas para afastar dúvida, omissão, contradição ou erro material na prestação jurisdicional, e não para reanalisar o decisum. Vale lembrar que não se pode considerar que houve vício na decisão somente por ter formulado seus fundamentos de maneira diversa da expectativa das partes, até porque o julgador outorga o direito diante dos fatos que lhe são apresentados, corolário da máxima latina juria novit e dabi mihi factum dabo tibi jus. Nesse esteio, o enunciado sumular desta e. Corte de Justiça assenta que: Súmula 18 - TJCE: "São indevidos os embargos de declaração que têm por única finalidade o reexame de controvérsia jurídica já apreciada" Não se pode considerar que houve vício na decisão somente por ter formulado seus fundamentos de maneira diversa da expectativa das partes, até porque o julgador outorga o direito diante dos fatos que lhe são apresentados, corolário da máxima latina juria novit e dabi mihi factum dabo tibi jus. Por fim, consigno que "consideram-se incluídos no acórdão os elementos que o embargante suscitou, para fins de pré-questionamento, ainda que os embargos de declaração sejam inadmitidos ou rejeitados, caso o tribunal superior considere existentes erro, omissão, contradição ou obscuridade" (art. 1.025, CPC).

	PODER JUDICIÁRIO TRIBUNAL DE JUSTIÇA GABINETE DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO PROCESSO: 0621027-74.2025.8.06.0000 AGRAVO DE INSTRUMENTO (202) AGRAVANTE: LUCAS FREITAS DE LACERDA AGRAVADO: ANTONIO DE PÁDUA CASTRO ALENCAR JÚNIOR EMENTA: DIREITO EMPRESARIAL E PROCESSUAL CIVIL. AGRAVO DE INSTRUMENTO. AÇÃO DE DISSOLUÇÃO PARCIAL DE SOCIEDADE C/C PEDIDO DE TUTELA DE URGÊNCIA. PRETENSÃO DE AFASTAMENTO DE SÓCIO ADMINISTRADOR. AUSÊNCIA DE ELEMENTOS PROBATÓRIOS SUFICIENTES. INEXISTÊNCIA DOS REQUISITOS AUTORIZADORES DA MEDIDA EXCEPCIONAL. RECURSO CONHECIDO E DESPROVIDO. I) CASO EM EXAME 1. Trata-se de recurso de agravo de instrumento interposto por Lucas Freitas de Lacerda contra decisão proferida pelo Juízo da 1ª Vara Empresarial, de Recuperação de Empresas e de Falências da Comarca de Fortaleza, que, nos autos da ação de dissolução parcial de sociedade c/c pedido de tutela de urgência, indeferiu a liminar de afastamento do agravado da administração da sociedade empresária At Home Store Ltda., determinando apenas

	que este não obstaculizasse o exercício dos direitos societários pelo agravante. I) QUESTÃO EM DISCUSSÃO 2. A questão a ser decidida consiste em verificar se estão presentes os requisitos legais para o afastamento do sócio-administrador da empresa, com a consequente suspensão do pagamento de pro labore. III) RAZÕES DE DECIDIR 3. Não restou demonstrada a probabilidade do direito alegado, haja vista que a documentação apresentada não comprova, de forma idônea, a ocorrência de má gestão ou de desvio de recursos pelo sócio agravado. 4. Além disso, a concessão da medida implicaria afastar o sócio-administrador antes mesmo de oportunizada a apresentação de defesa, o que se mostra temerário. 5. Destaca-se, ainda, que parte do pleito recursal encontra-se prejudicada, pois o próprio juízo de origem já assegurou ao agravante o acesso aos documentos e sistemas da sociedade empresarial, sob pena de multa. 6. Quanto ao pedido de segredo de justiça, não há previsão legal que autorize a interposição de agravo de instrumento contra decisão que o indefere, ausentes também os requisitos do art. 189 do CPC. IV) DISPOSITIVO 7. Recurso conhecido e desprovido. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do recurso para lhe negar provimento, nos termos do voto do relator. Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente/Relator RELATÓRIO Cuida-se de Agravo de Instrumento interposto por Lucas Freitas de Lacerda contra decisão interlocutória proferida pelo juízo da 1ª Vara Empresarial, de Recuperação de Empresas e de Falências da Comarca de Fortaleza nos autos da Ação de Dissolução Parcial de Sociedade c/c Pedido de Tutela de Urgência, que fora ajuizada pelo ora agravante em desfavor de Antônio de Pádua Castro. Em suma, a decisão indeferiu a liminar pleiteada no início do processo, por não estarem presentes os requisitos da medida. O dispositivo constou da seguinte forma: Ante o exposto, indefiro a tutela de urgência de afastamento do requerido da administração da sociedade AT HOME STORE LTDA Determino,

	porém, com fundamento no art. 297 do Código de Processo Civil, que Antônio de Pádua Castro Alencar Júnior (requerido) se abstenha de criar obstáculos ao acesso do requerente – Lucas Freitas Lacerda – às instalações da sociedade AT HOME STORE LTDA, documentos de qualquer natureza, mensagens eletrônicas (e-mail, redes sociais), contas bancárias de titularidade da sociedade, bem como qualquer outra faculdade ou direito inerente à condição de sócio e administrador deste segundo, notadamente o pagamento de credores, empregados e fornecedores da sociedade, sob pena de multa diária de R\$ 1.000,00(mil reais). Indefiro o segredo de Justiça porque o caso dos autos não se amolda às hipóteses do art. 186 do Código de Processo Civil. Defiro o parcelamento das custas processuais, tendo em vista as dificuldades de liquidez alegadas pelo requerente. Cite-se o requerido para se manifestar, em 15(quinze) dias, para a presente ação, nos termos do art. 601 do Código de Processo Civil. Cite-se o requerido para se manifestar, em 15 (quinze) dias, sobre a presente ação, nos termos do art. 601 do Código de Processo Civil. O mandado também deverá intimar o requerido para que se abstenha de criar obstáculos ao acesso do requerente – Lucas Freitas Lacerda – às instalações da sociedade AT HOME STORE LTDA, documentos de qualquer natureza, mensagens eletrônicas (e-mail, redes sociais), contas bancárias de titularidade da sociedade, bem como qualquer outra faculdade ou direito inerente à condição de sócio e administrador deste segundo, notadamente o pagamento de credores, empregados e fornecedores da sociedade, sob pena de multa diária de R\$ 1.000,00 (mil reais). Neste recurso (ID 23118263), o agravante alega que a decisão deve ser reformada, pois o agravado praticou atos gravíssimos e reiterados de má gestão e de violação dos deveres fiduciários, tais como: i) realização de desvios financeiros e transações suspeitas, superiores a R\$ 3.700.000,00 (três milhões e setecentos mil reais), conforme apurado em auditoria contábil; ii) obstaculizou os acessos do agravante às contas bancárias, e-mails corporativos e outros sistemas de gestão da empresa; iii) comprometeu a saúde financeira da empresa, com atrasos injustificados em pagamentos e em cobranças a devedores, incluindo o corte de fornecimento de serviços essenciais, como de energia elétrica; iv) demonstrou, por sua conduta reiterada, falta de transparência e violação das obrigações de prestação de contas. Salienta, ademais, que a auditoria contábil realizada se encontra assinada pela responsável técnica, bem como os extratos bancários, os quais foram apresentados em sua integralidade com o código de autenticação. Desse modo, ratifica a necessidade de afastamento do agravado do poder de gestão da empresa, além de suspender o pagamento do seu pro-labore. Reafirma o seu pedido de concessão de sigilo ao processo, por conter dados bancários sigilosos da sociedade e outros documentos da empresa e de seus sócios.

Processo	0621027-74.2025.8.06.0000
	 A) as despesas reputadas como irregulares ao requerido na gestão da sociedade foram realizadas, em sua maioria, quando o requerente não era sócio da At Home Store Ltda, o que lhe retiraria a legitimidade para impugnar os atos realizados à época; B) ainda que estivesse configurada a legitimidade, os extratos bancários seriam insuficientes para conferir irregularidade às transações financeiras contestadas, haja vista não ser possível, por meio deles, aferir-se se os beneficiários das transações se tratavam de fornecedores, empregados, credores ou terceiros em conluio com o requerido; C) o documentos nomeado como "auditoria contábil" na inicial (fls. 99-157), na verdade, trata-se de análise de extratos bancários apócrifa, que não identifica quem a elaborou; D) o extrato do Banco do Brasil (fls. 158-337), que indica como cliente Martha C F Lacerda, não indica se era referente a pessoa física ou jurídica (empresária individual) que antecedeu a sociedade, revelando a mesma precariedade a fatura do cartão de crédito SICOBCARD (fls. 498-553); E) os extratos do Banco Bradesco (fls. 338-460, 481-496 e 647-650) são frágeis como prova do suposto desvio de recurso, pois não possuem identificação do nome do cliente; F) os extratos do SICOOB não fazem menção à mesma sociedade empresária, tendo em vista que se referem ora à sociedade At Home Store Franchising Ltda e ora a AT H Licenciamentos (fls. 473-480 e 636-645). &#160; De fato, os fundamentos apresentados pelo juízo a quo para indeferimento da medida pleiteada se mostram plausíveis. É de se destacar que o deferimento da tutela nos moldes requeridos não se mostra prudente nessa fase, posto que o promovido, ora agravado, antes mesmo de ter o direito de apresentar sua defesa no processo, seria colocado em posição alheia à administração dos atos da empresa e impedido de receber a contraprestação pelos serviços realizados em benefício da sociedade empresária. Tudo isso sopesado, não se vislumbra a presença dos requisitos à tutela recursal pretendida, vez que, a fim de justificar a concessão de tutela provisória, é indispensável a ocorrência do risco de dano anormal cuja consumação possa comprometer, substancialmente, a satisfação do direito subjetivo da parte, e a plausibilidade da fundamentação, requisitos que não restaram

	evidenciados até o presente momento. Saliento, ademais, que o pleito do item "b" da petição inicial do agravo, relativo à devolução imediata dos acessos às contas bancárias, e-mails corporativos e outros sistemas de gestão ao Agravante, já foi deferido pelo juízo de primeiro grau, o qual, inclusive, impôs multa cominatória para a hipótese de não cumprimento da obrigação pelo demandado. A sua análise resta, portanto, prejudicada. Finalmente, quanto ao pedido de concessão de segredo de justiça à tramitação deste recurso e dos autos originários, entendo não ser o caso, por não figurar a presença de quaisquer dos requisitos do art. 189 do CPC. Além disso, em razão da taxatividade mitigada do art. 1015 do CPC, não cabe agravo de instrumento contra decisão que indefere a tramitação de processo judicial sob segredo de justiça. Nesse sentido: AGRAVO DE INSTRUMENTO. AÇÃO INDENIZATÓRIA. ALEGAÇÃO DE ERRO MÉDICO. INDEFERIMENTO DE TRAMITAÇÃO DO FEITO EM SEGREDO DE JUSTIÇA E DEFERIMENTO DO PEDIDO DE INVERSÃO DO ÔNUS DA PROVA. Insurgência da parte ré. Decisão que indefere atribuição de segredo de justiça e defere a inversão do ônus da prova em favor da agravada. Interposição fora das hipóteses previstas no rol do art. 1.015, do CPC, no tocante a pretensão de tramitação do feito em segredo de justiça. Taxatividade mitigada reconhecida no julgamento do Resp. nº 1.704.520. Excepcionalidade. Inexistência de urgência ou de inutilidade do julgamento da questão em eventual recurso de apelação. Descabimento. Recurso inadmissível. Deferimento da inversão do ônus da prova. A regra da inversão do ônus da prova está prevista no art. 6º, VIII do CDC, e tem por escopo igualar as partes que ocupam posições não isonômicas, sendo nitidamente posta a favor do consumidor, cujo acionamento fica a critério do juiz, mas sempre que houver verossimilhança na alegação ou quando o consumidor for hipossuficiente, segundo as regras ordinárias da experiência. Verossimilhança da alegação do consumidor ou sua hipossuficiência são requisitos que devem ser sopesados pelo Magistrado, com base em regras ordinárias de experiência. Súmula nº 227 do TJRJ preceitua que a decisão que deferir ou rejeitar a inversão do ônus da prova somente será reformada se teratológica, o que não é a hipótese dos autos. Inversão do ônus da prova que não dispensa o consumidor da prova mínima do fato constitutivo do direito pleiteado. Decisão mantida. NÃO CONHECIMENTO DO RECURSO NO TOCANTE AO INDEFERIMENTO DA TRAMITAÇÃO DO FEITO EM SEGREDO DE JUSTIÇA E NEGATIVA DE PROVIMENTO AO RECURSO NO QUE TANGE AO DEFERIMENTO DA INVERSÃO DO ÔNUS DA PROVA. (TJ-RJ - AI: 00153872120218190000, Relator: Des(a). EDUARDO DE AZEVEDO PAIVA, Data de Julgamento: 05/05/2021, DÉCIMA OITAVA CÂMARA CÍVEL, Data de Publicação: 06/05/2021). [Grifei]. AGRAVO DE INSTRUMENTO – INDEFERIMENTO DE SEGREDO DE JUSTIÇA - NÃO CABIMENTO - As hipóteses de cabimento do Agravo de Instrumento são previstas taxativamente no art. 1.015 do CPC - A decisão interlocutória que indefere o pedido de segredo de justiça não é recorrível por Agravo de Instrumento - Falta de previsão de hipótese de cabimento - Ausência de pressuposto recursal - Agravo de Instrumento não conhecido. (TJ-SP 20183740620188260000 SP 2018374-06.2018.8.26.0000, Relator: Ana Liarte, Data de Julgamento: 23/04/2018, 4ª Câmara de Direito Público, Data de Publicação: 26/04/2018). [Grifei]. Diante disso, conheço do presente recurso para lhe negar provimento, mantendo a decisão interlocutória de primeiro grau em todos os seus termos.

Em sede de contrarrazões, o banco apelado suscitou preliminares de violação ao princípio da dialeticidade, de revogação do benefício da justiça gratuita, de ilegitimidade passiva e de incompetência absoluta da justiça estadual. Quanto à alegada ofensa ao princípio da dialeticidade, tal alegação não prospera, vez que, em exame à peça recursal, confere-se que as alegações do apelante estão voltadas aos fundamentos da sentença, no intuito de convencer este juízo ad quem de que houve desfalques na sua conta vinculada do PASEP. Portanto, a intenção de reverter o resultado do julgamento que lhe foi desfavorável é nítida e deve ser considerada. E embora haja repetição de argumentos de alguns trechos lançados na exordial, isso não chega a prejudicar o conhecimento do apelo, havendo entendimento pacificado do c. STJ de que isso não significa malferimento ao princípio da dialeticidade. </p><p class="Standarduser" style="margin-left: 4.0cm; text- align: justify;"> 5. No tocante à impugnação da concessão de justiça gratuita, nota- se que tal questão se encontra preclusa, pois o apelado já havia apresentado a impugnação em sede de contestação e a questão foi resolvida em sentença, em que se rejeitou suas alegações. Assim, e por não ter o banco apresentado recurso de apelação pugnando pela reforma do capítulo da sentença pertinente a essa matéria, não cabe mais discuti-la como impugnação. </p><p class="Standarduser" style="margin- left: 4.0cm; text-align: justify;"> 6. A questão da legitimidade passiva ad causam do Banco do Brasil restou pacificada no Tema Repetitivo 1150 do STJ, com trânsito em julgado em 17 de outubro de 2023, cuja tese (i) é de que "o Banco do Brasil possui legitimidade passiva ad causam para figurar no polo passivo de demanda na qual se discute eventual falha na prestação do serviço quanto a conta vinculada ao PASEP, saques indevidos e desfalques, além da ausência de aplicação dos rendimentos estabelecidas pelo Conselho Diretor do referido programa". </p><p class="Standarduser" style="margin-left: 4.0cm; text-align: justify;"> 7. A legitimidade passiva do banco apelado atrai a competência da Justiça Comum para

	processar e julgar o litígio, não se aplicando o disposto no art. 109, I, da Constituição Federal. 8. No caso concreto, verifica-se que houve o indeferimento da prova pericial e o anúncio do julgamento antecipado do mérito, com fundamento no art. 355, I, do CPC, sem prévio despacho saneador. Entendeu o il. magistrado sentenciante que a controvérsia poderia ser dirimida apenas sob o enfoque das teses do Tema Repetitivo 1150 do STJ e documentos anexados aos autos. Todavia, a prova pericial contábil se revela indispensável para a aferição de eventual saldo a receber pela parte autora decorrente de má gestão dos valores depositados na conta PASEP, por parte do promovido, pois somente por ela será possível constatar se o valor recebido pelo demandante, na data do saque, corresponde ao montante realmente devido, ou seja, se estava em conformidade com a sistemática e índices pertinentes ao cálculo do saldo. 9. Assim, notório que os presentes autos não estavam em condições de julgamento antecipado, sobretudo pela necessidade de prosseguir com a dilação probatória relativa à imputação de má gestão do Programa PASEP, atendo-se às recomendações contidas na Nota Técnica 07/2024, emitida por esta Corte de Justiça. Precedentes. IV. DISPOSITIVO 10. Recurso prejudicado. Sentença anulada. 11. Nas razões do presente recurso (Id 23131834), o embargante alega existir omissão no acórdão em relação às teses de ilegitimidade passiva do banco e de incompetência absoluta da Justiça Estadual. Requer, com base nisso, a correção do julgado, conforme vícios apontados. Nas razões do presente recurso (Id 23131834), o embargante alega existir omissão no acórdão em relação às teses de ilegitimidade passiva do banco e de incompetência absoluta da Justiça Estadual. Requer, com base nisso, a correção do julgado, conforme vícios apontados. Sem contrarrazões, conforme certidão de decurso de prazo de Id 23131721. É o relatório. VOTO 1 – Admissibilidade: Registro que se encontram presentes os pressupostos de admissibilidade do recurso, motivo pelo qual o conheço e passo a analisar suas razões. Ademais, cumpre esclarecer que não é caso de suspensão do feito em razão do Tema Repetitivo nº 1.300 do Superior Tribunal de Justiça, como peticionou o embargante no Id 23131709, pois ele se delimita às causas em que há discussão sobre o ônus de provar o destino dos lançamentos a débito nas contas individualizadas do PASEP, na forma do art. 1.037, II, do CPC, questão não controvertida nesta instância recursal, sendo possível o reexame da matéria em juízo de primeiro grau, se confirmada a nulidade da sentença.

A omissão que permite o provimento dos embargos de declaração se apresenta quando o julgador não analisa pontos ou questões que estão contidas nos autos. Ou seja, conforme a dicção legal, cabem embargos de declaração quando há "omissão de ponto ou questão sobre o qual devia se pronunciar o juiz de ofício ou a requerimento" (art. 1.022, II, do CPC). In casu, o aresto embargado é expresso quanto à existência de similitude fática entre os acórdãos confrontados, bem como inexiste omissão quanto ao conteúdo do REsp 201.563/RJ e à fixação de honorários por equidade. Este Órgão Julgador firmou orientação de que a interposição de Embargos de Divergência em Recurso Especial dá início a novo grau recursal, de modo que, ao questionar decisão publicada na vigência do novo Diploma Processual Civil, a parte embargante está sujeita à majoração dos honorários de sucumbência caso indeferidos liminarmente pelo relator ou se o colegiado deles não conhecer ou negar-lhes provimento (AgInt nos EAREsp 762.075/MT, Corte Especial, DJe 07/03/2019). Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Relator RELATÓRIO Cuida-se de Embargos de Declaração opostos por Paulo Sérgio de Brito contra o acórdão da Apelação Cível (ID 23156402), que conheceu daquele recurso para lhe dar provimento. No recurso de ID 23156545, o embargante apresenta este recurso com nítidos fins de prequestionamento. Argumenta, então, que houve omissão em relação ao ato ilícito praticado pela requerida ao violar o dever de segurança da rede social do autor, o que teria infringido os arts. 186 e 927 do Código Civil. Também alega que houve omissão quanto à legitimidade da multa cobrada pelo descumprimento da liminar, nos termos do art. 537 do CPC. Assim, pugna pelo conhecimento e provimento do recurso, a fim de sanar as omissões mencionadas. Contrarrazões recursais oferecidas no ID 23156409, em que o Facebook alega que não houve vícios no acórdão e que a insurgência recursal manifesta mero inconformismo do embargante quanto ao mérito. Requer, portanto, a rejeição dos embargos. É o relatório. VOTO

	genitor/alimentante. II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão é a possibilidade de majoração do valor da pensão alimentícia devida pelo agravado aos seus filhos, em sede de tutela provisória, diante da alegada modificação da situação financeira das partes. III. RAZÕES DE DECIDIR 3. De acordo com o art. 1.699 do Código Civil, “Se, fixados os alimentos, sobrevier mudança na situação financeira de quem os supre, ou na de quem os recebe, poderá o interessado reclamar ao juiz, conforme as circunstâncias, exoneração, redução ou majoração do encargo”. Todavia, no caso concreto, não se vislumbra prova mínima de que a situação das partes se modificou após a realização do acordo que fixou a verba alimentar. 4. No tocante às possibilidades do genitor, há de se destacar que o agravado já possuía o estabelecimento comercial apontado pelos recorrentes desde a época da transação. Ademais, como os próprios agravantes afirmam, o agravado não vem honrando integralmente com seu encargo alimentar, pois vem deixando de pagar as mensalidades escolares, fato esse que requer um juízo mais aprofundado da situação financeira do alimentante, para confirmar uma possível insuficiência de recursos ou se o caso é de mero descumprimento voluntário da obrigação. Assim, em sede de cognição sumária, ausentes provas concretas de que a majoração dos alimentos não comprometerá a subsistência do alimentante, a verba alimentar deve ser mantida no patamar acordado anteriormente. 5. Some-se a isso o fato de que não há elementos suficientes para precisar o <i>quantum</i> efetivamente os menores necessitam. Muito embora suas despesas sejam presumidas e que haja uma natural majoração com o decurso de tempo, devido às demandas de seu desenvolvimento, há de se atentar que os alimentos em pecúnia são reajustados periodicamente, já que acompanham o salário mínimo oficial, bem como que os alimentos <i>in natura</i> não são fixos, havendo alteração conforme as mensalidades escolares são corrigidas. 6. Diante disso, é possível concluir que a análise relativa à alteração da possibilidade econômica do alimentante e da genitora dos menores, e ainda das necessidades dos infantes, não autorizam, neste momento processual, a majoração dos alimentos nos termos postulados. Para tanto, mostra-se necessário maior aprofundamento cognitivo-probatório, o que já começou a ser realizado no juízo de origem, conforme termo de audiência de instrução de Id 140269941. IV. DISPOSITIVO 7. Recurso conhecido e desprovido. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, em conhecer do recurso e lhe negar provimento, nos termos do voto do Desembargador Relator. Fortaleza, data da assinatura digital.

	size: 12pt; font-family: "Times New Roman";, serif;">&#160;</p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; text-indent: 8%; line-height: normal;"> Além disso, como os próprios agravantes afirmam, o agravado não vem honrando integralmente com seu encargo alimentar, pois vem deixando de pagar as mensalidades escolares, fato esse que requer um juízo mais aprofundado da situação financeira do alimentante, para confirmar uma possível insuficiência de recursos ou se o caso é de mero descumprimento voluntário da obrigação. Assim, em sede de cognição sumária, ausentes provas concretas de que a majoração dos alimentos não comprometerá a subsistência do alimentante, a verba alimentar deve ser mantida no patamar acordado anteriormente.</p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; text-indent: 8%; line-height: normal;"> &#160;</p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; text-indent: 8%; line-height: normal;"> Também é importante frisar que não restou demonstrada a capacidade de contribuição da genitora dos menores, nem mesmo foi informado um valor aproximado de sua renda, a fim de que se pudesse avaliar a proporção de quanto cada um dos responsáveis pode custear.</p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; text-indent: 8%; line-height: normal;"> &#160;</p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; text-indent: 8%; line-height: normal;"> Some-se a isso o fato de que não há elementos suficientes para precisar o quantum efetivamente os menores necessitam. Muito embora suas despesas sejam presumidas e que haja uma natural majoração com o decurso de tempo, devido às demandas de seu desenvolvimento, há de se atentar que os alimentos em pecúnia são reajustados periodicamente, já que acompanham o salário mínimo oficial, bem como que os alimentos in natura não são fixos, havendo alteração conforme as mensalidades escolares são corrigidas.</p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; text-indent: 8%; line-height: normal;"> &#160;</p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; text-indent: 8%; line-height: normal;"> Também importa salientar que o pedido dos agravantes é de majoração da pensão alimentícia para três salários mínimos mais a mensalidade da escola, sendo que o total dos custos mensais expostos pelos recorrentes, em seu arrazoado, não chegam a tal valor, sem contar que foi acrescida a despesa com a mensalidade escolar do valor em pecúnia, de forma que esse custo está sendo computado duas vezes (em pecúnia e in natura). Mais a mais, como dito acima, não estão sendo considerados os recursos da genitora, ainda que mínimos.</p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; text-indent: 8%; line-height: normal;"> &#160;</p><p class="Standard" style="text-align: justify; text-indent: 8%;"> Diante disso, é possível concluir que a análise relativa à alteração da possibilidade econômica do alimentante e da genitora dos menores, e ainda das necessidades dos infantes, não autorizam, neste momento processual, a majoração dos alimentos nos termos postulados. Para tanto, mostra-se necessário maior aprofundamento cognitivo-probatório, o que já começou a ser realizado no juízo de origem, conforme termo de audiência de instrução de Id 140269941.</p><p class="Standard" style="text-align: justify; text-indent: 8%;"> Por fim, consigno que, embora a ação originária já tenha avançado na produção de provas, ainda carece de maiores elementos que demonstrem a efetiva alteração da situação financeira das partes, especialmente do aumento da capacidade contributiva do agravado, como defendem os recorrentes, não sendo prudente deferir a majoração provisória da pensão neste juízo de cognição precário dos autos. </p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; text-indent: 8%; line-height: normal;"> &#160;</p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; text-indent: 8%; line-height: normal;"> Ness e sentido, extraio outras decisões da fonte jurisprudencial, para fins ilustrativos (grifos nossos):</p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; text-indent: 70.85pt; line-height: normal; mso-layout-grid-align: none; text-autospace: none;"> &#160;</p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; text-indent: 8%; line-height: normal;">

	PODER JUDICIÁRIO TRIBUNAL DE JUSTIÇA GABINETE DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO PROCESSO: 0621433-95.2025.8.06.0000 AGRAVO DE INSTRUMENTO (202) AGRAVANTES: CLÁUDIO JORGE FONTENELLE DE ALBUQUERQUE e ROBERTO SCHNEIDER AGRAVADO: GRANDE MOINHO CEARENSE S/A EMENTA: DIREITO PROCESSUAL CIVIL E EMPRESARIAL. AGRAVO DE INSTRUMENTO. AÇÃO ANULATÓRIA DE DELIBERAÇÃO SOCIETÁRIA C/C REPARAÇÃO CIVIL. TUTELA DE URGÊNCIA. INDISPONIBILIDADE DE BENS. ALEGAÇÃO DE EXCESSO DE CONSTRIÇÃO. ACOLHIMENTO PARCIAL. RECURSO CONHECIDO E PARCIALMENTE PROVIDO. AGRAVO INTERNO JULGADO CONCOMITANTEMENTE. RECURSO PREJUDICADO. I) CASO EM EXAME 1. Trata-se de agravo de instrumento interposto por Roberto Schneider e Cláudio Jorge Fontenele de Albuquerque contra decisão proferida pelo MM. Juiz de Direito Daniel Carvalho Carneiro, da 3ª Vara Empresarial, de Recuperação de Empresas e de Falências do Estado do Ceará, nos autos da ação anulatória de deliberação de aprovação de contas c/c reparação civil contra ex-administradores com pedido de tutela de urgência cautelar. A decisão manteve a constrição de bens dos ora agravantes.

	new roman"; times;">II) QUESTÃO EM DISCUSSÃO 2. A questão a ser decidida consiste em definir se a indisponibilidade de bens determinada pelo Juízo a quo configurou excesso de constrição, em valor muito superior ao montante discutido na ação, e se deve haver a liberação parcial das constrições. III) RAZÕES DE DECIDIR 3. Preliminar de intempestividade recursal rejeitada. 4. Verificou-se que o valor dos bens constritos (cerca de R\$ 33.000.000,00) supera em mais do dobro o montante discutido na ação principal (R\$ 14.000.000,00), caracterizando excesso. 5. Restou evidenciado o perigo de dano na manutenção de bloqueios sobre veículos, em razão da depreciação, e sobre valores em contas bancárias, por se tratarem de recursos necessários à subsistência dos agravantes. 6. Entretanto, por ora, mostra-se razoável a manutenção da indisponibilidade dos imóveis, diante do seu valor superior e da necessidade de avaliação judicial ainda pendente. IV) DISPOSITIVO 7. Recurso conhecido e parcialmente provido, para confirmar a liberação dos valores bloqueados em contas bancárias e dos veículos, com a manutenção da indisponibilidade dos imóveis. Agravo Interno prejudicado. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, em conhecer do recurso para lhe dar parcial provimento, nos termos do voto do desembargador relator. Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente/Relator RELATÓRIO Trata-se de Agravo de Instrumento interposto por Roberto Schneider e Cláudio Jorge Fontenele de Albuquerque em face de decisão proferida pelo MM. Juiz de Direito Daniel Carvalho Carneiro, da 3ª Vara Empresarial, de Recuperação de Empresas e de Falências do Estado do Ceará, nos autos da Ação Anulatória de Deliberação de Aprovação de Contas c/c Reparação Civil contra Ex-Administradores com Pedido de Tutela de Urgência Cautelar nº 0261686-61.2023.8.06.0001 (fls. 3066-3069), ajuizada por Grande Moinho Cearense S/A. O juízo a quo ao apreciar dois Embargos de Declaração, de fls. 3019-3022 e de fls. 1632-1639, manteve a decisão que determinou a constrição dos bens dos ora agravantes. Eis o dispositivo do decisum ora impugnado. Isto posto, CONHEÇO E DOU PROVIMENTO aos presentes

	embargos de declaração para, mediante a atribuição de efeitos infringentes, sanar a omissão vergastada de modo a CONHECER E NEGAR PROVIMENTO aos embargos de declaração de fls. 1632/1639, ante a inocorrência de omissão, contradição, obscuridade ou erro material que justifique a interposição do recurso, nos termos no art. 1.022, do CPC, razão pela qual mantenho inalterado o decisório de fls. 1645/1647. Prosseguindo, em atenção ao requerimento de fls. 3017/3018, PRORROGO, em 30 (trinta) dias, o prazo para a entrega do laudo pericial. OFICIE-SE o Cartório de Registro de Imóveis da 4ª Zona de Fortaleza requerendo a manutenção das indisponibilidades averbadas nas matrículas nº 14.704, nº 45.966, nº 48.727 e nº 48.728. Expedientes necessários. Nestas razões recursais (ID 23217111), os agravantes defendem a necessidade de liberação de bens e valores bloqueados em virtude de excesso de bens objeto da constrição judicial, pois o suposto débito discutido, conforme indicado na exordial, corresponde a R\$ 10.962.230,38 (dez milhões, novecentos e sessenta e dois mil, duzentos e trinta reais e trinta e oito centavos), enquanto que os bens bloqueados representam a quantia de R\$ 33.126.067,18 (trinta e três milhões, cento e vinte e seis mil, sessenta e sete reais e dezoito centavos). Alegam que a probabilidade do direito está evidenciada pelo manifesto excesso na constrição patrimonial, enquanto o perigo de dano se verifica na indisponibilidade excessiva do patrimônio dos agravados, no risco de deterioração dos veículos e no bloqueio das contas bancárias. Assim, requerem a concessão de tutela de urgência recursal para determinar que o bloqueio atinja somente até o limite do valor requestado na petição inicial da causa (R\$ 10.962.230,38). Subsidiariamente, requerem que seja determinada a liberação dos valores bloqueados e dos veículos, por se tratar de valores muito menores que os dos imóveis bloqueados e pelo fato de o seu bloqueio representar patente risco de dano para os recorrentes. Como provimento final do recurso, pugnam para que seja determinada a substituição dos valores, veículos e imóveis que se tornaram indisponíveis em razão do deferimento da tutela de urgência no processo originário pelos seguintes imóveis: "1) Matrícula nº 348.087 – 11º Cartório de Registro de Imóveis de São Paulo; 2) Matrícula nº 1024 – Registro de Imóveis de Guaramiranga/CE; 3) Matrícula nº 24393 – Cartório de Registro de Imóveis de Aquiraz/CE", por constituírem meio menos gravoso para a garantia dos valores em discussão e plenamente suficientes para, em caso de eventual condenação, satisfazer o crédito discutido na ação. Impende destacar, no entanto, que não se tem até agora evidências de que os requeridos, ora agravantes, cometeram ato ilícito na administração da empresa, tampouco está caracterizado o efetivo dano à pessoa jurídica e o nexo causal entre a conduta e o resultado. Ou seja, os elementos da responsabilização civil, em se tratando de processo de conhecimento, ainda serão perquiridos durante a instrução processual para, somente ao final, em sede de sentença, decidir-se sobre a existência de direito a indenização por danos materiais. Logo, não se trata, na origem, de ação de execução, mas de ação de conhecimento em que foi deferida tutela cautelar para resguardar eventual direito da demandante quanto à eventual restituição de valores que diz ter direito. Ora, é importante ressaltar que, ainda que se tratasse de ação de execução, <u>o que não é o caso</u>, essa deveria se dar pelo meio menos gravoso aos executados, consoante art. 805, caput, do CPC: "Quando por vários meios o exequente puder promover a execução, o juiz mandará que se faça pelo modo menos gravoso para o executado." Ocorre que os agravantes sustentam estar em desvantagem exagerada quanto à ordem de constrição determinada nos autos originários, pois, além de estarem desempregados, são pessoas idosas com

	dificuldades de realocação no mercado de trabalho e, em razão dos bloqueios que foram efetuados em seus bens, estão enfrentando dificuldades até mesmo na manutenção de sua subsistência, como o pagamento de despesas ordinárias. Ao analisar minuciosamente os autos, pode-se verificar, de fato, que houve um excesso de constrição pelo juízo de primeiro grau, tendo em vista que o suposto débito em discussão no feito originário, atualizado até março de 2024, estava calculado em R\$14.171.329,93 (quatorze milhões, cento e setenta e um mil, trezentos e vinte e nove reais e noventa e três centavos) (vide fl. 1590 dos autos de primeiro grau), ao passo que os bens constritos equivalem a aproximadamente R\$33.126.067,18 (trinta e três milhões, cento e vinte e seis mil, sessenta e sete reais e dezoito centavos), consistindo em mais que o dobro do valor discutido. Pode-se verificar, ainda, que tão somente os imóveis com ordem de intransferibilidade têm o seu valor venal calculado em R\$ 28.592.326,81 (vinte e oito milhões, quinhentos e noventa e dois mil, trezentos e vinte e seis reais e oitenta e um centavos), revelando-se mais do que suficiente para garantir eventual direito que possa vir a ser reconhecido à parte autora na ação de origem. Da mesma forma, evidenciado está o perigo da demora caso sejam mantidas as ordens de intransferibilidades sobre os veículos automotores, em razão da rápida depreciação a que esses bens estão submetidos perante o mercado. Por outro lado, não assiste razão aos agravantes quando rebatem a decisão agravada quanto à necessidade de se garantir, mediante a medida cautelar destes autos, a demanda indenizatória apresentada no processo nº 0213938-96.2024.8.06.0001, por meio da qual se busca indenização por danos materiais na quantia de R\$16.685.339,49 (dezesesseis milhões, seiscentos e oitenta e cinco mil, trezentos e trinta e nove reais e quarenta e nove centavos). Isso porque, naqueles autos, a decisão interlocutória inicial fez menção à tutela provisória que foi deferida no processo originário (nº 0261686-61.2023.8.06.0001), de forma que é possível vislumbrar que as constrições efetuadas neste feito visam a resguardar eventual direito da empresa Grande Moinho Cearense S/A nas duas ações, cujos valores da causa, somados, são de R\$27.647.569,87 (vinte e sete milhões, seiscentos e quarenta e sete mil, quinhentos e sessenta e nove reais e oitenta e sete centavos). Diante de todos esses fundamentos, entendo ser razoável, por ora, a liberação das constrições efetuadas nas contas bancárias e nos veículos automotores dos agravantes, pois evidenciados a probabilidade do direito e o perigo de dano com a manutenção da tutela, que tem trazido inúmeros prejuízos financeiros aos recorrentes. De outra ponta, entende-se que deve ser mantida a tutela provisória de urgência quanto à ordem de indisponibilidade de todos os imóveis que foram bloqueados no curso da ação, tanto porque visam a garantir os valores que estão sendo discutidos nos dois processos judiciais (nº 0213938-96.2024.8.06.0001 e 0261686-61.2023.8.06.0001), como porque ainda está pendente a realização de avaliação imobiliária idônea, por perito judicial, nos termos do art. 874, I, do Código de Processo Civil, em verbis [g.n.].

Após a entrada do mandatário no quadro societário, em 02 de fevereiro de 2022, ficou estipulado que todos os atos da empresa deveriam ser assinados conjuntamente por Mário Binatti e Davi Alexandre Rolim Nunes, o que invalidaria a procuração anterior, conforme o artigo 682, inciso III, do Código Civil. O juiz concluiu que tal situação impede o registro pretendido na forma enviada e determinou que a documentação seja atualizada.</p><p style="line-height: 1.8; text-indent: 70.8661pt; text-align: justify; margin-top: 0pt; margin-bottom: 0pt; padding: 9pt 0pt 12pt;" dir="ltr">Irresignada, a empresa São 3 Participações LTDA interpôs recurso de apelação (ID 23654764), alegando que a procuração permanece válida, mesmo após alteração no quadro societário, e que não há necessidade de retificação. Sustenta que a revogação da procuração não ocorreu, pois o novo sócio, Mário Binatti, atua como procurador, refletindo a continuidade da administração. Alega que a sentença desconsidera princípios como autonomia patrimonial e segurança jurídica, argumentando que a alteração no contrato social não implica revogação tácita da procuração. Ao final, pediu providências para que o registro seja efetivado conforme o requerido, declarando-se improcedente a dúvida suscitada pelo cartório e mantendo-se os efeitos da procuração.</p><p style="line-height: 1.8; text-indent: 70.8661pt; text-align: justify; margin-top: 0pt; margin-bottom: 0pt; padding: 9pt 0pt 12pt;" dir="ltr">Parecer

	Justiça 4.0 Execuções de Título Extrajudicial da Comarca de Fortaleza, que, nos autos da Ação de Execução de Título Extrajudicial nº 0382200-97.2010.8.06.0001, determinou a realização de arresto online (pré-penhora) de recursos existentes nas contas bancárias e em aplicações financeiras de titularidade dos promovidos. II) QUESTÃO EM DISCUSSÃO: 2. O cerne da controvérsia recursal consiste em verificar se deve ou não ser liberada a verba que foi penhorada a título de arresto online na conta da executada agravante, no valor de R\$ 17.868,79 (dezessete mil, oitocentos e sessenta e oito reais e setenta e nove centavos). III) RAZÕES DE DECIDIR: 3. É cabível a decretação de arresto online (pré-penhora) quando frustradas as tentativas de citação do executado, em atenção aos princípios da efetividade e celeridade da execução, conforme autorizado pelos arts. 830 e 854 do CPC e pela jurisprudência do STJ. 4. Todavia, os valores constritos que possuem natureza alimentar — oriundos de proventos de aposentadoria e pensão — são absolutamente impenhoráveis, nos termos do art. 833, IV, do CPC, sendo ainda aplicável a regra do inciso X do mesmo artigo, que estende a impenhorabilidade até o limite de 40 salários-mínimos, independentemente da modalidade de aplicação financeira. 5. Precedentes do STJ e desta Corte reforçam que a proteção visa assegurar o mínimo existencial e a dignidade da pessoa humana, afastando a constrição sobre quantias de caráter alimentar. IV) DISPOSITIVO: ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Privado do Tribunal de Justiça do Estado do Ceará, em conhecer do recurso para lhe dar provimento, nos termos do voto do relator. Fortaleza, data da assinatura digital. Na decisão agravada (ID 130340386 dos autos de primeiro grau), o magistrado fundamentou que, mesmo sem a efetivação da citação dos devedores, a realização de penhora online seria cabível para

DECISÃO DE PRIMEIRO GRAU MANTIDA. 1. Trata-se de agravo de instrumento interposto por Ismael Alves Batista, no intuito de reformar a decisão proferida pela Juízo da 20ª Vara Cível da Comarca de Fortaleza, que na ação originária de busca e apreensão convertida em execução nº 0137925-81.2009.8.06.0001, proposta por Alfa Financeira S.A. - Crédito, Financiamento e Investimentos, determinou o arresto on line nas contas bancárias do agravante/executado. 2. O arresto é medida processual que visa garantir a execução, uma vez que se converterá em penhora se o executado não adimplir com sua obrigação, podendo tal medida ser aplicada na hipótese de deverdor não ser encontrado. 3. A doutrina específica sobre o tema prevê no arresto executivo do art. 830 do CPC - também chamado por alguns de pré-penhora - a providência típica que inverte a ordem procedimental com o fito de resguardar o credor nos casos em que o deverdor não é encontrado. 4. A Lei Adjativa Civil possibilita a efetivação de medidas assecuratórias da execução, embora não integralizada a relação processual. Ademais, importa ressaltar que o diploma processual permite que as diligências que visam à satisfação do credor sejam realizadas mediante instrumentos virtuais, consoante art. 854 do CPC. 5. In casu, a execução do título extrajudicial, na verdade, encontra-se regularmente lastreada com a conversão da ação de busca e apreensão em demanda executiva nos autos de origem. E

RECURSO PROVIDO DECISÃO DE PRIMEIRO GRAU REFORMADA . I - Da análise dos autos, verifica-se que o Juízo a quo indeferiu a utilização do sistema Sisbajud na modalidade "teimosinha". II - Em que pese a visão do douto julgador, é consabido que o Conselho Nacional de Justiça anunciou, dentre as novas funcionalidades do SISBAJUD, a plataforma &#160;teimosinha&#160;, que visa a permitir aos Juízes as chamadas replicações de penhora, permitindo a renovação automática de cumprimento de ordem judicial de bloqueio de ativos financeiros. Por meio da referida ferramenta, é possível acelerar o procedimento executivo e evitar a desnecessária reiteração das consultas. III - Ademais, a utilização da ferramenta prestigia o princípio da cooperação consagrado no art. 6º do CPC, segundo o qual: &#160;Todos os sujeitos do processo devem cooperar entre si para que se obtenha, em tempo razoável, decisão de mérito justa e efetiva.&#160; IV - A Lei Adjetiva Civil possibilita a efetivação de medidas assecuratórias da execução, embora não integralizada a relação processual. Ademais, importa ressaltar que o diploma processual permite que as diligências que visam à satisfação do credor sejam realizadas mediante instrumentos virtuais, consoante art. 854 do CPC. V - Sem a utilização de todos meios dispostos ao processo executivo, e aí está a utilização do Sisbajud, Renajud e Infojud, ele resultaria inócuo e distante do seu escopo final, frise-se, o adimplemento de dívida. VI - Acosto-me à doutrina específica sobre o tema, que vê no arresto executivo do art. 830 do CPC - também chamado, por alguns, de pré-penhora - providência típica que, invertendo a ordem procedimental, protege o credor nos casos em que o devedor não é encontrado. 	EXAURIMENTO DAS TENTATIVAS DE CITAÇÃO. ARRESTO ONLINE. POSSIBILIDADE. APLICAÇÃO ANALÓGICA DO ART. 854 DO CPC. ENTENDIMENTO CONSOLIDADO PELO C. STJ. DECISÃO REFORMADA. RECURSO CONHECIDO E PROVIDO. 1. Cinge-se o debate meritório deste recurso em examinar o cabimento do pleito recursal formulado pelo exequente, no sentido de determinar a busca, e o posterior bloqueio, dos ativos financeiros eventualmente localizados nas contas bancárias do executado, com o objetivo de obter a satisfação do seu crédito. 2. O arresto executivo, também denominado de prévio ou pré-penhora, é uma medida que tem por finalidade garantir a futura penhora e evitar maiores prejuízos ao credor, mediante o bloqueio dos bens do executado. 3. Com efeito, o diploma processual civil permite o arresto dos bens antes da citação do executado, desde que haja uma tentativa infrutífera. Assim, significa dizer que o arresto de bens é o ato processual imediatamente seguinte à tentativa frustrada de citação do executado, podendo ser realizado pelo próprio oficial de justiça que não localiza o devedor. 4. Ressalta-se que, embora o referido dispositivo não mencione expressamente a modalidade <online>, a adoção da medida é plenamente viável, por aplicação analógica do art. 854 do CPC, o qual possibilita a penhora <online>, sem a prévia ciência da parte executada. 5. Neste sentido, têm-se precedentes desta Corte Estadual de Justiça, afirmando-se que a ausência de intimação da parte agravada para apresentar contrarrazões não obsta o julgamento do recurso, sobretudo porque não restou efetivada a relação processual pela citação. 6. Recurso conhecido e provido. 	Vara Cível da Comarca de Juazeiro do Norte que indeferiu a tutela de urgência nos autos da Ação Declaratória de Nulidade de Contrato c/c Repetição de Indébito e Reparação de Danos nº 3002508-04.2025.8.06.0112, proposta pela ora Agravante em desfavor de Banco BMG S/A. II. QUESTÃO EM DISCUSSÃO: A questão em discussão consiste em definir se há elementos suficientes para reconhecer a ocorrência de vício de consentimento na contratação do cartão de crédito consignado, de modo a justificar a concessão da suspensão liminar dos descontos oriundos do contrato. III. RAZÕES DE DECIDIR: (i) O vício de consentimento não se presume, cabendo à parte autora o ônus de demonstrá-lo mediante prova robusta, ainda que se trate de relação de consumo. (ii) A documentação apresentada não comprova a alegada indução em erro, não havendo indícios de irregularidade na celebração do contrato que autorizem a suspensão imediata dos descontos. (iii) Considerando a ausência de lastro probatório mínimo no sentido da ocorrência de vício de consentimento, não há como acolher a tutela de urgência pleiteada. DISPOSITIVO: Recurso conhecido e desprovido. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a Primeira Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do agravo de instrumento para lhe negar provimento, nos termos do voto do Desembargador Relator. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente/Relator &#160; RELATÓRIO Trata-se de agravo de instrumento interposto por Maria Silene Lima de Almeida contra decisão interlocutória proferida pelo Juízo 2ª Vara Cível da Comarca de Juazeiro do Norte nos autos da Ação Declaratória de Nulidade de Contrato c/c Repetição de Indébito e Reparação de Danos nº 3002508-04.2025.8.06.0112, proposta pela ora Agravante em desfavor de Banco BMG S/A. Na exordial do feito originário, alega a Autora que, em agosto de 2018, procurou um correspondente do Banco Promovido para contratar um empréstimo consignado vinculado ao seu benefício do INSS. Porém, não foi esclarecido na ocasião que a operação contratada seria, na realidade, um saque em cartão de crédito consignado – uma modalidade mais onerosa e de natureza distinta. Alega que percebeu tardiamente que fora induzida a erro, contratando uma operação abusiva e praticamente impagável. Postula, diante disso: a) a declaração nulidade do contrato, convertendo-o em empréstimo consignado com taxa de juros de 1,93% ao mês taxa máxima do INSS para Empréstimos Consignados (Instrução Normativa nº 28/INSS/2008); b) a declaração de quitação da dívida; c) a restituição em dobro dos valores pagos indevidamente; d) a condenação do Promovido à reparação dos danos morais em valor não inferior a dez mil reais. A título de tutela de urgência antecipada, pugna pela ordem de suspensão dos descontos no benefício previdenciário da Autora. RECURSO DE APELAÇÃO EM AÇÃO ANULAÇÃO DE NEGÓCIO JURÍDICO C/C REPETIÇÃO DE INDÉBITO E INDENIZAÇÃO POR DANOS MORAIS. COMPROVAÇÃO DE CONTRATAÇÃO DE CARTÃO DE CRÉDITO CONSIGNADO E DEMONSTRAÇÃO DO REPASSE DOS VALORES SACADOS PARA CONTA DE TITULARIDADE DO AUTOR. VÍCIO DE CONSENTIMENTO NÃO CONSTATADO. EXPOSIÇÃO CLARA DA RELAÇÃO JURÍDICA FIRMADA NO ATO DA CONTRATAÇÃO. AUSÊNCIA DE FALHA NA PRESTAÇÃO DE SERVIÇO. INEXISTÊNCIA DE DANOS MORAIS E MATERIAIS. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA CONFIRMADA. 1. O douto magistrado singular entendeu pela improcedência dos pedidos autorais, uma vez que, não havendo demonstração de ilicitude da contratação, e restando demonstrada a expressa anuência do autor no aperfeiçoamento contratual, incabível se torna a condenação da instituição financeira/requerida em devolução de valores e em pagamento de danos morais. 2. Por certo, conforme entendimento firmado pela Segunda Seção do Superior Tribunal de Justiça, quando do julgamento do REsp 1197929 / PR submetido ao rito dos recursos repetitivos, as instituições bancárias respondem objetivamente pelos danos causados por fraudes ou delitos praticados por terceiros, como, por exemplo, abertura de conta-corrente ou recebimento de empréstimos mediante fraude ou utilização de documentos falsos, porquanto tal responsabilidade decorre do risco do empreendimento, caracterizando-se como fortuito interno. 3. Ocorre que, da análise dos autos, não verifico causas que maculem a regularidade da celebração do negócio jurídico discutido nestes autos, isto porque, o banco/apelado se desincumbiu do seu ônus probatório (artigo 373, II, do CPC), ao juntar documento apto a extinguir ou desconstituir o direito autoral (artigo 373, II, do CPC), ao juntar o contrato discutido nessa demanda (fls. 398/401), assinado a próprio punho pelo requerente/recorrente, acompanhado de cópia dos documentos pessoais do promovente (fls.404/405). 4. Demonstra, ainda, o banco/recorrido que o autor/apelante realizou saques de R\$ 1.223,60 (um mil, duzentos e vinte e três reais e sessenta centavos) em 24/12/2018, de R\$ 327,49 (trezentos e vinte e sete reais e quarenta e nove centavos) no dia 28/08/2020 e de R\$ 201,01(duzentos e um reais e um centavo) em 24/05/2021, conforme comprovantes constantes às fls. 328/330 dos autos. 5. Em que pese as alegações do autor/recorrente acerca do dever do prestador de serviços em proceder com todas as informações necessárias à compreensão do consumidor em virtude do negócio celebrado, não desconheço a previsão positivada no Código de Defesa do Consumidor, em seu art. 6º inciso III, que reconhece tal conduta como direito básico do consumidor. 6. Todavia, percebo que o dever de informação clara e adequada ao consumidor restou perfectibilizado, por parte do banco/apelado, na medida em que apresenta o instrumento contratual pactuado denominado Termos de Adesão Cartão de Crédito Consignado Emitido pelo Banco BMG S/A e Autorização para Desconto em Folha de Pagamento, devidamente assinado pelo promovente/recorrente. 7. Além disso, a própria resolução do INSS (Instrução Normativa INSS nº 28/2008, alterada pela Instrução Normativa INSS nº 39/2009), em seu art. 3º, inciso III, autoriza o desconto no benefício na adesão de cartão de crédito, quando seja dada autorização de forma expressa, por escrito ou por meio eletrônico, o que aconteceu nos presentes autos, tornando-se válido o contrato e a cláusula da Reserva de Margem Consignável (RMC). 8. Sendo assim, concluo pela regularidade do negócio jurídico celebrado entre as partes, não observando na espécie quaisquer indícios de vício de consentimento ou fraude, não tendo a Instituição Financeira cometido nenhum ilícito capaz de ensejar indenização por danos morais, bem como a devolução dos valores devidamente descontados. 9. Recurso conhecido e desprovido. Sentença confirmada. [...] (Apelação Cível - 0201008-88.2023.8.06.0160, Rel. PERÍCIA GRAFOTÉCNICA QUE ATESTOU A VERACIDADE DA ASSINATURA DA AUTORA APOSTA DO CONTRATO. RECURSO CONHECIDO E NÃO PROVIDO. DECISÃO AGRAVADA CONFIRMADA. 1. Insiste a autora/ agravante não reconhecer a contratação (portabilidade), "vez que o contrato apresentado foi de cópia, o que pode haver manipulação de outro contrato que tenha a real assinatura da consumidora, o que se questiona nos autos e não foi enfrentado pela decisão monocrática é a composição dos valores após negociação entre o Banco Safra e o Itaú". Defende, inclusive, nas razões da apelação que "deve ser destacada a inteligência do Art. 167 do Código Civil de 2002, pois o mesmo dispõe acerca da nulidade de negócio jurídico simulado e em seu §1º, II, apresenta a hipótese de simulação quando a declaração não for verdadeira". 2. Insiste, outrossim, no presente apelo que "é caso de inversão do ônus da prova a luz do §VIII, do art. 6º, do CDC, de modo que havendo dúvidas a interpretação deve ser favorável ao consumidor hipossuficiente". 3. Como se extrai dos autos, a instituição financeira se desincumbiu do encargo de rechaçar as alegações autorais, comprovando fato impeditivo, modificativo ou extintivo do direito da requerente (art. 373, II, do CPC), na medida em que produziu prova robusta quanto à regularidade da contratação, colacionando aos autos o instrumento contratual de proposta de abertura de limite de crédito às fls. 38/40, com a assinatura associada a da autora. Na fl. 93 foi juntado o comprovante de TED no valor de R\$ 3.972,60 (três mil, novecentos e setenta e dois reais e sessenta centavos). 4. Realizada perícia grafotécnica, tendo o expert concluído que a assinatura do contrato objeto do litígio é realmente da Sra. Maria do Livramento (ver fls. 184/207). 5. A agravante defende que o contrato em discussão (portabilidade) teria sido simulado, vez que com ele não consentiu. Nesse contexto, com efeito, nos termos no art. 373, inciso I, do CPC, caber-lhe-ia a demonstração de que o banco réu/ agravado teria praticado negócio jurídico simulado, o que não ocorreu na hipótese. 6. RECURSO PARCIALMENTE PROVIDO. I. CASO EM EXAME Apelação cível interposta por Walter Ferreira Campos contra sentença que julgou improcedente a Ação de Obrigação de Fazer c/c Repetição de Indébito e Danos Morais, ajuizada em face do Banco BMG S/A. O autor pleiteia a conversão de empréstimo consignado via cartão de crédito em empréstimo consignado comum, a correção da taxa de juros aplicada, a restituição do indébito em dobro e reparação por danos morais. Questões em discussão: (i) Examinar ocorrência das prejudiciais de prescrição e decadência, (ii) verificar a regularidade do contrato celebrado e respectivas taxas de juros aplicadas; (iii) verificar se houve violação do dever de informação no contrato; (iv) apurar a existência de dano moral decorrente de descontos no benefício previdenciário do autor. A prescrição não se verifica,

	pois trata-se de obrigação de trato sucessivo, com renovação mensal dos descontos. Assim, o prazo prescricional inicia-se na data da última parcela descontada, conforme o artigo 27 do Código de Defesa. A preliminar de decadência também não merece acolhida, isso porque o contrato versa sobre obrigações de trato sucessivo, e os supostos descontos irregulares só foram constatados em momento posterior, não sendo o caso de adotar o prazo de 4 (quatro) anos para anulação de negócio jurídico. Da análise dos autos, não verifico causas que maculem a regularidade da celebração do negócio jurídico discutido nestes autos, isto porque, o banco/ apelado se desincumbiu do seu ônus probatório (artigo 373, II, do CPC), ao juntar documento apto a extinguir ou desconstituir o direito autoral (artigo 373, II, do CPC). Foi acostado aos autos "Termo de adesão cartão de crédito consignado e autorização para desconto em folha de pagamento" (p. 371/372), "Termo de consentimento esclarecido do cartão de crédito consignado" (p. 373) e "Cédula de crédito bancário de saque mediante cartão de crédito consignado" (p. 374/377), assinados a próprio punho pelo requerente/ recorrente, acompanhado de cópia dos documentos pessoais e declaração de residência do mesmo (pp. 378/379). O banco recorrido demonstra que o autor/ apelante realizou o saque de R\$ 1.279,65 (p. 380) e ainda saques complementares nos valores de R\$ 76,55 (p. 386) e R\$ 201,16 (p. 398). Não se configurou qualquer ato ilícito passível de reposição por danos morais, visto que o contrato foi firmado regularmente e o autor estava ciente das condições pactuadas. A aferição de eventual abusividade dos juros remuneratórios previstos em contrato há de ter por parâmetro a taxa média de mercado vigente para o período contratado, não se podendo exigir, entretanto, que todos os empréstimos sejam feitos segundo essa taxa, sob pena de descaracterizá-la como média, passando a ser um valor fixo. Em outros termos, a taxa média de mercado serve como parâmetro para identificar eventuais abusividades, não como limite máximo permitido para os juros avençados, admitindo-se uma faixa razoável para variação dos juros. Após consulta à taxa média de mercado vigente para o período contratado, 11/9/2019, (https:// www3.bcb.gov.br/sgspub/consultarvalores/consultarValoresSeries.do?method=consultarValores), verifica-se abusividade somente quanto à taxa anual de juros, que foi pactuada em 54.24%, isto é, 5 pontos percentuais acima da taxa estabelecida pelo Bacen quando da contratação, de 24.07% ao ano. Dessa forma, devida a revisão de juros isoladamente para os percentuais anuais aplicados no contrato questionado. Os juros mensais contratados no patamar de 3.63% não se apresentam abusivos em cotejo à média do Banco central, de 1.63% ao mês. Processo	0200422-71.2022.8.06.0100
	2. A insurgência recursal está voltada contra a sentença que reconheceu a culpa exclusiva da empresa ré, ora apelante, acerca do acidente de trânsito ocorrido em 09.11.2021, por volta das 7:00 h, no KM 100 da BR-222 (Barro Branco - Umirim/Ceará), envolvendo o veículo VW/GOL 1.6, placas OJK0B91 e o caminhão tipo "baú" de placas HWU9612, este conduzido por funcionário da empresa ré, que foi condenada ao pagamento de indenização por danos materiais e morais. III. RAZÕES DE DECIDIR 3. Com efeito, verificando as provas acostadas aos autos vislumbro que não foi possível concluir pela existência de conduta culposa do apelado, revelando-se inverossímil a versão apresentada pela promovida, especialmente diante do fato de que no veículo do autor eram transportadas duas mulheres grávidas. Assim, não há como admitir, sem qualquer respaldo mínimo em provas, a alegação de que o promovente teria tentado realizar ultrapassagem pelo acostamento. Aliado a isso, as fotografias anexadas pela própria ré corroboram as alegações feitas pelo autor, uma vez que a imagem de ID 24485750, pág. 01, evidencia que o carro do autor transitava logo atrás de um caminhão longo e à frente do veículo da ré. 4. Dessa forma, o conjunto fático-probatório da pasta processual nos indica que o condutor do caminhão foi, no mínimo, negligente e imprudente, deixando de observar o dever de cuidado imposto pelos artigos 28, 29 e 36 do Código de Trânsito Brasileiro CTB. De igual modo, verifica-se que o motorista da ré/apelante não agiu com a cautela necessária, não guardando a distância regulamentar para o veículo que trafegava à sua frente, vindo a colidir na lateral desse veículo. Desse modo, aplicando-se o art. 29, II, do CTB, presume-se que a culpa pelo acidente é do condutor que choca com seu veículo na lateral traseira de outro. 5. Dessa forma, pela análise das razões recursais apresentadas e pelo acervo probatório colacionado aos autos, não se verificam fundamentos para que seja reformada a sentença recorrida, visto que não há elementos que corroborem com a tese recursal para que seja afastada a culpa do motorista da empresa ré, ora apelante, pelo sinistro, devendo ser mantido o <i>decisum</i> proferido, em todos seus termos. 6. No que concerne ao pedido subsidiário de redução da indenização por danos morais decorrentes do ato ilícito, também não merece reproche a sentença recorrida. É cediço que a indenização por danos morais, conquanto não seja possível quantificar concretamente em valores monetários o desgaste subjetivo sofrido pela vítima do evento danoso, deve representar um modo efetivo de compensação daquele que sofreu determinada aflição, abalo emocional ou uma lesão psicofísica de modo geral. 7. Saliente-se que não se pode considerar mero aborrecimento ou dissabor normal do cotidiano ser vítima de acidente de trânsito em razão da imprudência de terceiro, sobretudo quando o autor transportava sua esposa, grávida de seis meses, para acompanhamento pré-natal. Ademais, os danos sofridos no veículo impediram sua utilização para o deslocamento do autor ao trabalho e para o cumprimento de seus compromissos diários. Dessa forma, tenho que o valor fixado pelo juízo <i>a quo</i> a título de indenização por danos morais (R\$ 8.000,00 – oito mil reais) seguiu os parâmetros legais de razoabilidade e proporcionalidade e deve, portanto, ser mantido. 8. Por fim, quanto ao termo inicial de incidência da correção monetária e dos juros de mora incidentes sobre a indenização por danos morais, a ré pugna que sejam contabilizados a partir da sua fixação. Destaca-se que, em se tratando de responsabilidade extracontratual, devem os juros de mora fluir a partir do evento danoso, em conformidade com a Súmula nº 54 do STJ, enquanto a correção monetária deve incidir a partir da data do arbitramento nos termos da Súmula 362 do STJ, como acertadamente já fixado pelo juízo <i>a quo</i>, razão pela qual não merece guarida o pedido recursal. IV. DISPOSITIVO 9. Recurso conhecido e desprovido. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do

	recurso, para, no mérito, negar-lhe parcial provimento, nos termos do voto do Relator. Fortaleza, data da assinatura digital. &#160; DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Relator &#160; RELATÓRIO Trata-se de recurso de apelação cível interposto por M. Dias Branco S/A Industria e Comércio de Alimentos, objetivando a reforma da sentença de ID 24485777, proferida pelo juízo da 2ª Vara Cível da Comarca de Itapajé, nos autos da Ação de Reparação de Danos Materiais e Morais por Acidente de Trânsito, que fora ajuizada por Fábio Sousa Viana. Na sentença, os pedidos autorais foram julgados procedentes nos seguintes termos: Ante todo o exposto, JULGO PROCEDENTE a pretensão, extinguindo o feito com resolução de mérito, na forma do art. 487, inciso I, do Código de Processo Civil, a fim de condenar a parte requerida a pagar ao autor: (1) danos materiais no valor de R\$ 6.088,50, devidamente atualizada pelo INPC e juros legais, desde a data do desembolso, e (3) e danos morais no valor de R\$ 8.000,00 (oito mil reais), acrescidos de correção monetária (Súmula nº 362, do STJ) pelo INPC, a contar do arbitramento e juros de mora de 1% (um por cento) ao mês, a contar do evento danoso. Condeno a demandada ao pagamento das custas processuais e honorários advocatícios, que fixo em 10% (dez por cento) do valor da condenação, com base no art. 85, § 2º, do CPC. Publique-se. Intimem-se. Após o trânsito em julgado, cumpridas as determinações, e não havendo requerimento das partes, arquivem-se os presentes autos digitais com as cautelas de praxe. Cumpra-se sob as formas e penalidades da lei. &#160; Na razão do presente apelo (ID 24485795), a recorrente argumenta, em síntese, que demonstrou que o seu funcionário agiu de forma prudente e que não deu causa ao acidente, invalidando as alegações infundadas do autor. Entretanto, com a devida vênia, foi proferida uma sentença que não guarda relação com o contexto fático e probatório dos autos. Ademais, os princípios da defesa do consumidor em juízo, especialmente o da inversão do ônus da prova, não exoneram o autor do ônus de fazer prova mínima do fato constitutivo do alegado. Incumbia ao demandante demonstrar minimamente os fatos constitutivos do seu direito, conforme o art. 373, inciso I, do CPC, bem como a verossimilhança de suas alegações para viabilizar a inversão do ônus probatório. Exigir da empresa, por meio da inversão do ônus da prova, prova de algo que não ocorreu, ou seja, a prova de fato negativo - sendo do consumidor o ônus de comprovar - caracteriza a imposição de realização de prova negativa, vedada pelo ordenamento jurídico. Não comprovando a parte autora, com precisão e certeza, tudo aquilo a que faz referência, nada autoriza a concessão do direito pleiteado. Com efeito, deve-se esclarecer que as informações alegadas pela parte apelada na peça vestibular, uma vez contrapostas com as razões fáticas acima elencadas, não se mostram suficientes para demonstrar a prática de qualquer ato ilícito pela apelante, não ensejando, desta feita, qualquer imposição de obrigação à mesma, bem como responsabilização civil. 	> >Ademais, em audiência de instrução (ID 24485772), foi colhido o depoimento de Francisco José de Sousa Gomes, ouvido na condição de declarante. Em suma, relatou que viajava no mesmo veículo do Sr. Fábio, com destino a Fortaleza, quando o acidente ocorreu nas proximidades de Barro Branco, KM 100, município de Umirim. Segundo sua narrativa, havia um caminhão de 32 metros à frente do automóvel em que estava e, logo atrás, um caminhão baú. Ao tentar realizar ultrapassagem, o caminhão baú avistou um carro em sentido contrário, reduziu a velocidade e tentou retornar à faixa de origem; contudo, sem tempo hábil, colidiu na traseira do veículo ocupado pelo declarante. Em razão do impacto, o automóvel girou, deslocou-se para a contramão e capotou. Acrescentou que o motorista do caminhão baú retornou ao local para prestar socorro e que, além dele, também estavam no carro sua esposa, grávida de seis meses, seu filho de 14 anos e a esposa de Fábio, grávida de seis semanas. > > >Com efeito, verificando as provas supracitadas vislumbro que não foi possível concluir pela existência de conduta culposa do apelado, revelando-se inverossímil a versão apresentada pela promovida, especialmente diante do fato de que no veículo eram transportadas duas mulheres grávidas. Assim, não há como admitir, sem qualquer respaldo mínimo em provas, a alegação de que o promovente teria tentado realizar ultrapassagem pelo acostamento. > > >Aliado a isso, as fotografias anexadas pela ré, corroboram as alegações feitas pelo autor, uma vez que a imagem de ID 24485750, pág. 01, evidencia que o carro do autor transitava logo atrás de um caminhão longo e a frente do veículo da ré. > > >Dessa forma, o conjunto fático-probatório da pasta processual nos indica que o condutor do caminhão foi, no mínimo, negligente e imprudente, deixando de observar o dever de cuidado imposto pelos artigos 28, 29 e 36 do Código de Trânsito Brasileiro CTB, que dispõem: > > >Art. 28. O condutor deverá, a todo momento, ter domínio de seu veículo, dirigindo-o com atenção e cuidados indispensáveis à segurança do trânsito. > > >Art. 29. O condutor que for ingressar numa via, procedente de um lote lindeiro a essa via, deverá dar preferência aos veículos e pedestres que por ela estejam transitando. Desse modo, aplicando-se o art. 29, II, do CTB, acima transcrito, presume-se que a culpa pelo acidente é do condutor que choca com seu veículo na lateral traseira de outro. > > >É entendimento pacificado pela jurisprudência do c. É inviável o exame de questões que impliquem revolvimento do contexto fático probatório dos autos, a teor do que dispõe a Súmula n. 7 do STJ. 3. No caso dos autos, o Tribunal de origem concluiu que a agravante não conseguiu produzir provas aptas ao afastamento da presunção de que o acidente ocorreu por sua culpa. Para entender de modo contrário, seria necessário o reexame dos elementos fáticos, incabível no especial. 4. Agravo interno a que se nega provimento" (AgInt no AREsp 1162733 / RS. Trata-se de Apelação Cível interposta por Transita Transportadora Itaitinga Ltda, em face de sentença prolatada pelo Juízo da 2ª Vara Cível da Comarca de Itaitinga, que, nos autos da Ação de Ressarcimento de Danos Causados em Acidente de Veículo ajuizada por Minas Truck Associação de Veículos Pesados, julgou procedente o pleito autoral, reconhecendo a culpa da requerida no evento danoso, devendo o valor da indenização ser pago, acrescido de correção monetária a partir da sentença e juros de mora de 1% ao mês a partir do evento danoso. 2. Emsuas razões recursais, alega a apelante, que: i) o acidente só ocorreu porque o veículo da apelada estava estacionado em local proibido, sem sinais luminosos; ii) em virtude do estacionamento em acostamento na madrugada, com sinais de alertas desligados, presume-se que ocorreria na realidade uma parada técnica para descanso; iii) o local escolhido não se tratava de um lugar visível, era próximo de uma curva, fato este que impossibilitou a percepção de que estavam parados ali, tendo em vista a baixa luminosidade da pista e o horário do acidente, qual seja, 3:30 h da madrugada. Ao final, pugna pela reforma da sentença. 3. Verificando a documentação acostada, não vislumbro comprovação das alegações quanto à existência de fato impeditivo, modificativo ou extintivo do direito do autor, deixando assim a parte ré/apelante de se desincumbir de seu ônus probatório, nos moldes do art. 373, II, do CPC. 4. Em análise aos documentos acostados pela parte autora, ora apelada, temos que no Boletim de Acidente de Trânsito acostado às fls. 36/47 consta que o veículo segurado pela parte autora estava parado no acostamento, quando foi colidido em sua traseira pelo veículo da parte ré, ora apelante, e que, com a colisão, o veículo segurado foi projetado para a frente e colidiu na traseira do caminhão do tipo reboque, que também estava parado no acostamento. Após a colisão, o caminhão segurado e o caminhão reboque pegaram fogo. A propósito, o &Laudo de Exame em Local de Ocorrência de Tráfego com Vítima Fatal&, nº 01.1416/11, realizado pelo Instituto de Criminalística do Rio Grande do Norte, acostado às fls. 97/111, também afirma a dinâmica do acidente, aduzindo que o veículo da empresa apelante entrou na faixa de acostamento da rodovia e impactou com o veículo segurado. 5. Desta forma, verifica-se que o motorista do veículo da ré/apelante não agiu com a cautela necessária, vindo a colidir na traseira do veículo que estava regularmente parado no acostamento. Cumpre aqui mencionar que, conforme consta no laudo, não havia marcas de frenagens, arrasto ou derrapagem, indicando a não ocorrência de uma ação abrupta do seu condutor para a mudança de faixa, o que pressupõe que não houve nenhum caso fortuito ou de força maior que forçasse o motorista da parte apelada a desviar abruptamente e colidir com o veículo segurado, ou seja, só corrobora com a presunção de falta de atenção e segurança na direção, conforme dispõem os artigos 28 e 29, II do CTB. 6. Nessa toada, ao ter que pagar pelo dano ao veículo segurado, a apelada sub-rogou-se no direito a buscar o ressarcimento. No presente caso, observa-se que a empresa apelada efetuou o pagamento do valor da indenização ao segurado Antônio Mauro Clemente no valor de R\$ 243.680,00 (duzentos e quarenta e três mil, seiscentos e oitenta reais), fls. 30/33, sub-rogando-se no direito a perquirir o crédito. 5. PARTE RÉ QUE NÃO SE DESINCUMBIU DE PROVAR FATO IMPEDITIVO OU MODIFICATIVO DO DIREITO DO AUTOR (ART. 373, II, DO CPC). DANOS MATERIAIS COMPROVADOS. SENTENÇA MANTIDA. RECURSO CONHECIDO E NÃO PROVIDO. 1. Trata-se de recurso de apelação cível interposto em face de sentença proferida pelo juízo da 29ª Vara Cível da Comarca de Fortaleza/CE (fls. 106/114), que julgou procedente ação regressiva de ressarcimento. 2. Pelo conjunto probatório dos autos, conclui-se que a dinâmica do evento restou incontroversa, vez que, conforme bem pontuado pelo magistrado de piso, o parecer técnico do boletim de ocorrência (PM nº 81841) concluiu que, no caso concreto, o condutor do veículo V/W 24.220 EUROS 3 WORKER (placa nº: OCN 0788) deixou de observar o que preceituam os artigos 28 e 29 - II do Código de Trânsito Brasileiro (fls. 23/27). 3. Ademais, o artigo 786 do Código Civil estabelece que, paga a indenização, o segurador sub-roga-se, nos limites do valor respectivo, nos direitos e ações que competiriam ao segurado contra o autor do dano, podendo, assim, pleitear o ressarcimento, contra o culpado pelo acidente, das despesas que realizou para reparar o prejuízo suportado pelo segurado. Desta forma, restando demonstrado que a apelada cobriu todos os prejuízos sofridos pelo segurado em virtude do acidente ocorrido, está configurada a sub-rogação nos direitos da proprietária do veículo abalroado. Precedentes. 4. Com relação aos valores devidos a título de ressarcimento, observa-se que a autora/apelada trouxe aos autos nota fiscal eletrônica n.º 0000036216 no valor de R\$ 3.969,50 (três mil novecentos e sessenta e nove reais e cinquenta centavos) (fls. 33), nota fiscal eletrônica de serviços n.º 21347, no montante de R\$ 8.919,00 (oito mil novecentos e dezenove reais) (fls. 34/35), bem como recibo de quitação (fls. 36/37) no valor total de R\$ 12.888,50 (doze mil oitocentos e oitenta e oito reais e cinquenta centavos). Analisando a correlação entre as notas fiscais acima e o sinistro, observamos que os reparos realizados no veículo em comento condizem com os danos sofridos, conforme conclui-se das fotos juntadas às fls. 28/30. 5. Por fim, em se tratando responsabilidade extracontratual, sobre o valor a título de reparação de danos materiais pleiteados em ação indenizatória proposta pela seguradora, subrogando-se nos direitos da proprietária do veículo segurado, incidirá correção monetária pelo INPC, a partir da data do efetivo prejuízo, qual seja, o desembolso (Súmula 43 do STJ), assim como o juros de mora de 1% (um por cento) ao mês que deverá incidir a partir do evento danoso, ou seja, também desde o desembolso (art. 398 do CC/02 e Súmula 54 do STJ. 	insignificante para o ofensor, devendo ser arbitrado conforme os parâmetros de proporcionalidade e razoabilidade. Com efeito, "a verificação do dano moral não reside exatamente na simples ocorrência do ilícito, de sorte que nem todo ato desconforme o ordenamento jurídico enseja indenização por dano moral. O importante é que o ato ilícito seja capaz de irradiar-se para a esfera da dignidade da pessoa, ofendendo-a de maneira relevante." (STJ, AgRg no REsp 1.269.246/RS, Rel. Ministro Luís Felipe Salomão, Quarta Turma, julgado em 20/05/2014, DJe de 27/05/2014). Saliente-se que não se pode considerar mero aborrecimento ou dissabor normal do cotidiano ser vítima de acidente de trânsito em razão da imprudência de terceiro, sobretudo quando o autor transportava sua esposa, grávida de seis meses, para acompanhamento pré-natal. Ademais, os danos sofridos no veículo impediram sua utilização para o deslocamento do autor ao trabalho e para o cumprimento de seus compromissos diários. Dessa forma, tenho que o valor fixado pelo juízo a quo a título de indenização por danos morais (R\$ 8.000,00 – oito mil reais) seguiu os parâmetros legais de razoabilidade e proporcionalidade e deve, portanto, ser mantido. Por fim, quanto ao termo inicial de incidência da correção monetária e dos juros de mora incidentes sobre a indenização por danos morais, a ré pugna que sejam contabilizados a partir da sua fixação. Destaco que, em se tratando de responsabilidade extracontratual, devem os juros de mora fluir a partir do evento danoso, em conformidade com a Súmula nº 54 do STJ, enquanto a correção monetária deve incidir a partir da data do arbitramento nos termos da Súmula 362 do STJ, como acertadamente já fixado pelo juízo a quo, razão pela qual não merece guarida o pedido recursal. 3 – Dispositivo Diante de todo o exposto, conheço do recurso para negar-lhe provimento, mantendo integralmente a sentença apelada. Por fim, com base no parágrafo 11 do art. 85 do Código de Processo Civil, majoro os honorários advocatícios arbitrados na decisão apelada para 12% (doze por cento) sobre o valor atualizado da condenação. APELAÇÃO CÍVEL. AÇÃO DE OPOSIÇÃO EM USUCAPIÃO. INADMISSIBILIDADE. JUÍZO UNIVERSAL. AUSÊNCIA DE INTERESSE PROCESSUAL. RECURSO CONHECIDO E DESPROVIDO. I) CASO EM EXAME: 1. Trata-se de recurso de apelação cível interposto por José Airton Pedrosa Moreira contra a sentença proferida pelo Juízo da 1ª Vara Cível da Comarca de Barbalha, que, nos autos da Ação de Oposição nº 3000993-78.2024.8.06.0043, referente à Ação de Usucapião nº 0201515-75.2024.8.06.0043, julgou extinto o processo sem resolução de mérito, com fundamento no art. 485, VI, do CPC. II) QUESTÃO EM DISCUSSÃO:

Processo	3000993-78.2024.8.06.0043
	2. O cerne da controvérsia recursal consiste em verificar se é juridicamente cabível a oposição em ação de usucapião, ajuizada como forma de defesa por terceiro que alega ser proprietário do imóvel usucapiendo. III) RAZÕES DE DECIDIR: 3. A oposição, prevista nos arts. 682 e seguintes do CPC, pressupõe a existência de partes originárias distintas da figura do opoente. Entretanto, a ação de usucapião possui natureza de juízo universal, em que todos os interessados são convocados a integrar a lide por meio de edital (art. 259, I, do CPC), de modo que não há espaço para a figura do “terceiro”. 4. A defesa de eventual direito de propriedade ou posse deve ser exercida mediante contestação na ação de usucapião, e não por meio de ação de oposição. O Superior Tribunal de Justiça consolidou esse entendimento no REsp 1.726.292/CE, reafirmando a ausência de interesse processual para oposição em usucapião. 5. Recurso conhecido e desprovido. IV) DISPOSITIVO: 5. Recurso conhecido e desprovido. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do recurso para lhe negar provimento, nos termos do voto do relator. Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente/Relator RELATÓRIO Trata-se de Apelação Cível interposta por José Airton Pedroca Moreira contra a sentença proferida pelo MM. Juiz de Direito Marcelino Emídio Maciel Filho, da 1ª Vara Cível da Comarca de Barbalha, nos autos da Ação de Oposição nº 3000993-78.2024.8.06.0043, referente à Ação de Usucapião nº 02015115-75.2024.8.06.0043. Na sentença (ID 24508967), o magistrado julgou extinto o processo sem resolução do mérito, com fundamento no art. 485, VI, do CPC, sob a justificativa de que não cabe oposição ou intervenção de terceiros na ação de usucapião, pois consiste em modo de aquisição originária de propriedade, não admitindo tal forma de impugnação, prevendo, inclusive, a citação de terceiros interessados, conforme o artigo 259, inciso I, do Código de Processo Civil. Assim, foi destacado que as alegações deveriam ser suscitadas na própria ação de usucapião, não sendo necessária uma ação autônoma para tal fim. Irresignado, em seu recurso (ID 24508975), o apelante sustentou que a sentença é contraditória ao não haver publicado o edital no processo originário, não citando o proprietário do imóvel, razão pela qual a ação de oposição foi a via escolhida para defesa de seu direito. Além disso, o apelante alegou que a sentença é omissa quanto aos pedidos

Além disso, observam-se nos referidos documentos, também em destaque, o tipo de contratação e a forma de pagamento, sendo inseridas, por exemplo, cláusulas específicas relativas ao canal de disponibilização da fatura e de ciência acerca da contratação de cartão de crédito consignado, além de que o contratante autoriza expressamente o banco a realizar os descontos mensais em seu benefício, para pagamento do valor mínimo indicado na fatura do cartão de crédito (item II e cláusulas 1, 1.1, 1.2, 1.3, 1.3.1, 1.4, 1.4.1, 1.5 e 1.5.1 do Termo de Adesão ao Cartão Benefício Consignado e itens 1, 2, 3, 4, 5, 6, 7, 8, 9 e 10 da Cédula de Crédito Bancário - fls. 01/04 e 08/15 do ID. n.º 25029736). 6. Vale salientar que a assinatura eletrônica do consumidor na cédula bancária representa a expressa declaração de vontade em adquirir o serviço, bem como a aceitação aos seus termos e condições, vinculando-o ao compromisso ajustado. Posto isso, não prospera o argumento de que a parte recorrente não tinha conhecimento do negócio jurídico que estava celebrando, pois os documentos coligidos ao feito comprovam a livre e efetiva adesão ao contrato de cartão de crédito com margem consignável, confirmado mediante reconhecimento facial do contratante, que corrobora à transferência bancária realizada em favor do beneficiário. 7. Impende registrar que é plenamente viável a formalização do contrato mediante assinatura eletrônica, por meio da qual se utilizam combinações de códigos que permitem extrair o aceite entre o emissor e o receptor, a exemplo de senhas, e-mail, número de telefone, ou outras ações específicas. A esse respeito, conforme dito, o banco juntou comprovante de formalização digital, que reforça a regularidade da contratação mediante anuência do consumidor, indicando-se o horário e a geolocalização IP do terminal utilizado para efetivar o aceite dos termos do pacto negocial. Aliado a isso, verifica-se que os serviços contratados estão postos de forma clara, legível e de boa visualização, existindo cláusulas dispondo sobre as características do cartão de crédito com margem consignável e sendo a leitura de fácil compreensão (arts. 46 e 52 do CDC). 8. Por tudo isso, reputo a existência de elementos suficientes para comprovar a validade do negócio jurídico celebrado entre as partes, tendo a instituição financeira se desincumbido, a contento, de seu ônus probante, produzindo prova pertinentes à regularidade da contratação, como hipótese excludente de responsabilidade (art. 373, inciso II, CPC, c/c art. 14, § 3º, do CDC). Logo, ante a regularidade da contratação, não há que falar na ocorrência de ato ilícito por parte da instituição financeira, e, por consequência, em danos materiais ou morais capazes de ensejar o pagamento de indenização, nos termos do artigo 5º, inciso X,

	<p>IMPROVIDO. I. Perscrutando os autos, observa-se que o autor/apelante afirma ter efetuado o contrato, todavia, acreditava ser empréstimo diverso, sem prejuízo de seu benefício previdenciário.&#160; Descuidou-se que a instituição Banco BMG colacionou aos autos cópia do Contrato de Adesão a Cartão de Crédito Consignado, conforme se veem do TERMO DE CONSENTIMENTO ESCLARECIDO DO CARTÃO DE CRÉDITO CONSIGNADO (fs. 76); faturas de cartão de crédito (fs. 105/104); comprovantes de transferência TED às fs. 182/184. Ora, inegavelmente, os créditos na conta da parte autora/apelante, foram provenientes da contratação, fato que deu ensejo a incidência dos descontos em seus proventos dos valores mínimos fixados em reserva de margem consignável – RMC, não havendo, portanto, como alegar que houve fraude ou mesmo desconhecimento dos termos do contrato, até mesmo porque, sem nenhuma reclamação os valores foram transferidos para a conta de titularidade do apelante.&#160;II. Nesse considerar, pelos documentos estadeados nos autos, não há que se falar em nulidade contratual, de igual modo, em ressarcimento por danos, que alega ter experimentado. Portanto, não houve cobrança de quantia indevida, vez que o apelante firmou o contrato, bem como fez utilização do Cartão de Crédito Consignado, ensejando o regular desconto consignado. III. Inicialmente, em sede de contrarrazões, a instituição financeira recorrida suscitou preliminar de ausência de impugnação específica à sentença, contudo, não assiste razão à parte apelada, pois da análise das razões de apelação, verifica-se que o recorrente apresenta o seu inconformismo face aos termos da sentença que julgou improcedente a demanda. Preliminar rejeitada. 2. A parte autora ajuizou a presente demanda no afã de desconstituir empréstimo livremente por ela pactuado, sob o argumento de jamais ter assinado qualquer contrato. 3. A parte promovente, ora apelante, não provou o contexto do vício de consentimento capaz de ensejar a procedência do seu pleito inaugural, muito menos a existência de qualquer fraude a ocasionar a declaração de inexistência do negócio jurídico entabulado,&#160; sobretudo por se tratar de um contrato de empréstimo consignado realizado via digital - autenticação eletrônica, mediante biometria facial (¿selfie¿).&#160;4.&#160; Não obstante, o promovente ter deixado de refutar a contento as provas trazidas aos autos pela parte adversa, é imperioso destacar que o demandado trouxe à baila o comprovante de transferência de valores hospedado à fl. 158, em que comprova de maneira cristalina o depósito da quantia de R\$ 1.479,88 (mil quatrocentos e setenta e nove reais e oitenta e oito centavos) em conta bancária de titularidade do demandante, sendo esse o numerário constante no contrato impugnado, bem como no extrato de consignações acostado pelo autor.&#160;5.&#160; Outrossim, embora o apelante tenha alegado que inexistem elementos no contrato juntado aos autos que garantiriam a identificação do contratante, como geolocalização e endereço de IP, na verdade, é fácil observar que todas estas informações foram disponibilizadas na avença.&#160;6.&#160; Desta feita, a trilha digital e os reiterados pontos de autenticação levam a crer pela regularidade da contratação, visto que são múltiplas as provas de que a operação de crédito contratada foi efetivamente realizada pelo apelante.&#160;Diante disso, pode-se reconhecer, a exigibilidade da dívida, notadamente em razão dos documentos trazidos pela ré na contestação. 7. RECURSO CONHECIDO E PROVIDO. SENTENÇA REFORMADA. 1. Reclama o banco/recorrente da sentença do douto julgante da 2ª Vara da Comarca de Boa Viagem, que julgou parcialmente procedentes os pedidos contidos na ação Declaratória de Nulidade Contratual c/c Repetição de Indébito e Indenização por Danos Morais, declarando a inexistência do contrato apontado na exordial, condenando o banco a restituir, na forma simples, os valores descontados do benefício previdenciário da autora/recorrida, e ainda, ao pagamento da quantia de R\$ 2.000,00 (dois mil reais) a título de danos morais. 2. Por certo, conforme entendimento firmado pela Segunda Seção do Superior Tribunal de Justiça, quando do julgamento do REsp 1197929 / PR submetido ao rito dos recursos repetitivos, as instituições bancárias respondem objetivamente pelos danos causados por fraudes ou delitos praticados por terceiros e como, por exemplo, abertura de conta-corrente ou recebimento de empréstimos mediante fraude ou utilização de documentos falsos, porquanto tal responsabilidade decorre do risco do empreendimento, caracterizando-se como fortuito interno.&#160; 3. Ocorre que, cotejando o vertente caderno processual, não verifico causas que maculem a regularidade da celebração do negócio jurídico discutido nestes autos, isto porque o banco/apelante juntou o contrato discutido nesta demanda (fls. 90/99), assinado por meio de autenticação eletrônica, acompanhado de cópia dos documentos pessoais da autora e fotografia do momento da contratação.&#160;4. Para reforçar a validade da contratação, a instituição financeira/apelante, acostou aos autos o documento de fls. 91, onde consta dados de geolocalização e Id da sessão do usuário, com informação do dia e horário da coleta dos dados. 5. Destaco ainda, que o banco logrou êxito em comprovar que o contrato objeto da presente demanda tratar-se de um eRefinanciamento, conforme Quadro II do instrumento contratual (fls.92), sendo liberado o valor (troco), remanescente de R\$ 2.062,00 (dois mil, sessenta e dois reais), em conta de titularidade da autora/apelada, o que ficou comprovado através do documento de transferência constante às fls. 137 dos autos.&#160; 6. Sendo assim, concluo pela regularidade do negócio jurídico celebrado entre as partes, não observando na espécie quaisquer indícios de vício de consentimento ou fraude, não tendo a Instituição Financeira cometido nenhum ilícito capaz de ensejar indenização por danos morais, bem como a devolução dos valores devidamente descontados.&#160;7. 	DE REALIZAÇÃO DE PERÍCIA GRAFOTÉCNICA. DESNECESSIDADE. RECURSO CONHECIDO E IMPROVIDO. SENTENÇA MANTIDA. 1 - Trata-se de Apelação Cível interposta por MARIA CORREIA DA SILVA OLIVEIRA em face de sentença proferida pelo Juízo da Vara Única da Comarca de Lavras da Mangabeira, que julgou improcedente Ação Declaratória de Nulidade Contratual c/c Repetição de Indébito e Reparação por Danos Morais ajuizada pela apelante em desfavor do Banco Itaú Consignado S/A. 2 - O recurso visa modificar sentença exarada pelo juízo a quo, a qual julgou improcedentes os pedidos de declaração de nulidade dos contratos de empréstimo consignado nº 611424551, 614275733 e 633003399, a repetição em dobro dos valores descontados e a condenação do réu ao pagamento de indenização por danos morais no valor de R\$ 30.000,00. 3 - O Código de Defesa do Consumidor, em seu art. 14, caput, estabelece a responsabilidade objetiva dos fornecedores de serviço pelos danos causados aos consumidores, por defeitos relativos à prestação dos serviços. 4 - In casu, em sede de contestação, o banco recorrido apresentou cópia dos instrumentos contratuais nº 611424551, 614275733 e 633003399, bem como comprovante de Transferência TED, em benefício da autora, reforçando a realização da contratação. Da análise dos autos, verifica-se que a assinatura constante na cópia dos contratos inclusos pelo banco requerido de fato guarda rigorosa semelhança com a do documento de identidade da parte apelante com a robusta prova acostada nos autos, resta comprovada a efetiva e válida formalização dos contratos aqui questionados. 5 - Quanto aos danos morais, estes são vistos como qualquer ataque ou ofensa à honra, paz, mentalidade ou estado neutro de determinado indivíduo, sendo, por vezes, de difícil caracterização devido ao seu alto grau subjetivo. É imperioso ressaltar que, para que este se configure, é necessário que efetivamente tenha existido ato ilícito passível de reparação moral e que este seja devidamente comprovado, acompanhado do nexo de causalidade. 6 - No caso dos autos, uma vez configurada a formalização dos contratos em avença, inexiste quaisquer dos requisitos autorizadores para o deferimento de pagamento de danos morais, vez que não restou comprovada qualquer conduta ilícita por parte da Instituição Bancária, muito menos resultado danoso para a apelante, razão pela qual, correto foi o entendimento do magistrado ao indeferir o pleito. 7 - Acrescento que, apesar de afirmar a recorrente que não reconhece a assinatura, entendo que julgou com acerto o Juízo a quo dada a similaridade da assinatura constante nos contratos apresentados pelo ente financeiro com as assinaturas dos documentos juntados pelo autor na exordial, quais sejam procuração, declaração de hipossuficiência e documento de identidade. Desse modo, diante do robusto conjunto probatório carreado aos fólios, tenho que não se faz necessária a realização de exame grafotécnico no presente caso. 8 - Apelação conhecida e improvida. Sentença mantida. (Apelação Cível nº TJ-CE 0200118-30.2022.8.06.0114, Rel. Desembargador(a) INACIO DE ALENCAR CORTEZ NETO, 2ª Câmara Direito Privado, data do julgamento: 31/05/2023, data da publicação: 31/05/2023). [Grifou-se]. Portanto, a sentença não merece reforma, ante a comprovação da realização do contrato de cartão de crédito com margem consignável. 3- Dispositivo Diante do exposto, CONHEÇO do recurso de apelação, para NEGAR-LHE PROVIMENTO mantendo hígida a sentença recorrida. Considerando a sucumbência recursal, majoro os honorários sucumbenciais para o patamar de 12% (doze por cento) sobre o valor da causa, conforme o disposto no art. 85, § 2º, do CPC, cuja exigibilidade ficará suspensa por ser a autora beneficiária da justiça gratuita.

DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente/Relator 1.3800000000000001; RELATÓRIO Trata-se de agravo de instrumento interposto por Sarah Rocha Baima contra decisão interlocutória proferida pelo Juízo da 3ª Vara de Família da Comarca de Fortaleza na Ação de Modificação de Regulamentação de Visitas nº 0267893-76.2023.8.06.0001. Referida ação foi proposta por Eduardo Silva Araújo em face da ora Agravante, visando à alteração de cláusula do regime de visitação paterna estabelecido em relação ao filho menor das partes na Ação de Guarda e Regulamentação de Visitas nº 0262095-71.2022.8.06.0001, que definiu o direito de visitação do Autor em relação ao filho Carlos Eduardo Baima Araújo Na decisão agravada (fls. 39/44 dos autos originários), deferiu-se a tutela provisória requerida pelo Autor, ora Agravado, reformulando-se o direito de visitação nos seguintes termos: presentes os requisitos previstos no art. 300 do CPC, bem como o parecer Ministerial favorável, DEFIRO a tutela de urgência antecipada, para determinar, provisoriamente, a regulamentação de visitação do autor, o Sr. Eduardo Silva Araujo, ao filho C. 	ser realizada da forma estabelecida em manifestação de fls. 181/184, qual seja: "o autor poderá conviver com o filho nos finais de semana alternados, pegando o menor nas sextas-feiras às 19hs e devolvendo aos domingos às 19hs, em algum local público a fim de evitar o descumprimento de medida protetiva ou o genitor poderá indicar um familiar seu para buscar e deixar a criança na casa da genitora; bem como nos feriados alternados, inclusive natal e reveillon; o genitor pode continuar tendo contato com o filho todas as quartas-feiras, das 19hs às 22hs, podendo levá-lo para passear, sem a presença de alguém da família materna; a criança ficará com o pai durante a metade das férias escolares; dia dos pais, dia das mães e aniversário dos genitores, a criança deve ficar com o homenageado; dia das crianças e aniversário da criança, devem ser alternados entre os genitores, de modo que nos anos pares, o genitor fique com o filho no seu aniversário e a mãe no dia das crianças, invertendo-se no ano seguinte. No aniversário dos avós paternos, a criança deve permanecer do pai, já no aniversário dos avós maternos, da mãe. A genitora deve comunicar previamente ao genitor quando for realizar alguma viagem, caso essas viagens sejam para fora do estado do Ceará, que haja a autorização do pai para a realização das mesmas." Irresignada, a Promovida interpôs o agravo de instrumento em tela, alegando que o Recorrido não possui as condições adequadas para receber o filho em sua residência, uma vez que não disporia dos acessórios e alimentos necessários e apropriados para a criança e que o local apresentaria más condições de higiene e de segurança, notadamente em face da presença de animais de estimação supostamente sem treinamento adequado e a existência de uma piscina sem proteção. Além disso, relata que, em situação na qual se encontrava responsável pelo menor, o genitor não respeitou as condições de saúde deste, levando-o à praia quando ele estava enfermo, o que teria resultado no agravamento do quadro clínico da criança. Sustenta, diante disso, que há grave risco à saúde e segurança da criança, impondo-se o resguardo dos interesses desta, com fulcro nos direitos constitucionais de proteção integral à criança previstos no artigo 227 da Constituição Federal. Solicita a realização de um estudo prévio por assistente social e psicólogo para avaliar as condições do agravado. Pleiteia a Recorrente, ao fim, a concessão de efeito suspensivo ao agravo e, no mérito, a reforma da decisão, para que as visitas ocorram apenas em locais públicos e seguros, até que a situação seja melhor averiguada. Pugna, além disso, pela realização de estudo social e psicológico das partes, para se avaliar a adequação do regime de visitas. Sem preparo recursal por ser o agravante beneficiário da justiça gratuita. Decisão interlocutória proferida por esta Relatoria (ID 25189857), em que foi deferida parcialmente o pleito do efeito suspensivo, a fim de determinar a realização do Estudo Psicossocial sobre o caso. Contraminuta no ID 25189869 pugnando pela manutenção da decisão.

PESSOA JOVEM. SAUDÁVEL. CAPACIDADE POTENCIAL DE DESEMPENHO DE ATIVIDADE LABORAL. APELO CONHECIDO E PARCIALMENTE PROVIDO. 1. Conforme entendimento dominante do Superior Tribunal de Justiça e do Tribunal de Justiça do Estado do Ceará, os benefícios da justiça gratuita podem ser concedidos à parte que comprovar sua hipossuficiência financeira em arcar com as custas processuais, sem prejuízo de seu sustento próprio e de sua família, estando tal fato comprovado, já que a recorrente, apesar de ter capacidade laborativa, demonstrou, através de sua declaração do imposto de renda, que a sua única fonte de renda do ano de 2018 foi a pensão alimentícia adimplida pelo seu ex-marido, não tendo, portanto, capacidade financeira para arcar com as custas processuais. Comprovada a hipossuficiência financeira da recorrente, torna-se imprescindível a concessão do benefício da justiça gratuita. 2. O instituto da guarda compartilhada, com a vigência da Lei nº 13.058/2014, passou a ser regra no ordenamento jurídico brasileiro, sendo inviável apenas na hipótese de um dos genitores não estar apto ao exercício da guarda ou manifestar expressamente desinteresse em exercê-la, o que não restou configurado nos presentes autos. Ademais, não se pode olvidar os ensinamentos da autora Maria Berenice Dias, segundo a qual a existência de discordância entre os genitores do menor, após a dissolução do casamento, não acarretará a prevalência da vontade de qualquer deles, mas sim a guarda compartilhada por ser esta a regra, consoante dispõe o art. 1.584, § 2º, CC/02. 3. A regra da guarda compartilhada deve ser observada, mesmo no caso de inexistência de acordo

	entre os genitores, dado que deve ser priorizado o melhor interesse da criança, salvo quando a instituição desta possa comprometer o bem-estar e o desenvolvimento psíquico e emocional da criança. Assim, ausente a demonstração de atos de alienação parental por parte de um dos genitores, não se vislumbra motivo para reformar a decisão do magistrado de primeiro grau. 4. No que tange a obrigação alimentar, observa-se que esta possui o caráter da variabilidade, devendo coadunar-se com o binômio da necessidade do alimentado e possibilidade do alimentante. Com o esclarecimento que lhe é peculiar, expõe sobre o tema a profa. Maria Helena Diniz: O dever de prestar alimentos fundamenta-se na solidariedade familiar, sendo uma obrigação personalíssima devida pelo alimentante em razão de parentesco que o liga ao alimentando, e no dever legal de assistência em relação ao cônjuge (RT, 746:150) ou companheiro necessitado. (in DINIZ, Maria Helena. Código civil Anotado. 15ª ed. rev e atual. - São Paulo: Saraiva, 2010, pág. 1202.). 5. Deve-se observar que o valor da pensão alimentícia pode sofrer alterações quantitativas ou qualitativas, pois fixado logo após a verificação das necessidades das alimentadas e das condições financeiras do alimentante. Logo, somente se sobrevier mudança na situação financeira de quem paga ou na de quem a recebe, poderá o interessado interpor ação própria visando a exoneração, redução ou majoração do encargo. 6. Desta forma, em razão da guarda passar a ser compartilhada, pode o genitor custear diretamente todos os gastos das filhas, isto é ser o responsável pelas despesas diretas das filhas, podendo o julgador estabelecer pautas de alimentos para cumprimento direto e eficaz, desde que o pagamento direto feito pelo alimentante seja mais benéfico aos interesses das menores alimentandas, o que restou demonstrado nos autos. 7. Não se pode olvidar que o apelado continua a ser o único provedor de todas as despesas das filhas, ficando promovida, ora apelante, unicamente responsável pelo custeio da alimentação das crianças, quando estas estiverem em sua companhia, razão pela qual ficou estabelecido na sentença que o apelado ficaria obrigado a depositar na conta corrente da recorrente apenas o valor de 1 (um) salário mínimo para quando as menores estiverem sob sua responsabilidade. 8. Quanto a pensão alimentícia a ex-cônjuge, o Superior Tribunal de Justiça sedimentou o entendimento de que a pensão deve ser fixada com termo certo, assegurando ao beneficiário tempo hábil para que reingresse ou se recoloca no mercado de trabalho, possibilitando-lhe a manutenção pelos seus próprios meios. No caso em comento, respeitou-se tais premissas já que a apelante tem capacidade para se reinserir no mercado de trabalho, afinal é advogada e corretora de imóveis, e porque se estipulou um prazo razoável para o termo final da pensão devida a recorrente. 9. Apelo conhecido e parcialmente provido. (TJ-CE - AC: 02002014120158060001 CE 0200201-41. 2015.8.06.0001, Relator.: CARLOS ALBERTO MENDES FORTE, Data de Julgamento: 11/03/2020, 2ª Câmara Direito Privado, Data de Publicação: 11/03/2020) Frise-se o parecer da Procuradoria Geral de Justiça (PGJ), que reforça tal entendimento. Observa-se que o estudo em questão foi postulado pela Agravante na petição de ID 145745977, mas não houve a apreciação de tal pedido pelo d. juízo a quo. Ainda que não tenha havido reiteração oportuna pela Recorrente antes do encerramento da instrução, entendi pela ausência de prejuízo, uma vez que sua determinação pode se dar ex officio ante a necessidade de se assegurar a adequada proteção ao infante. O resultado da referida prova técnica permitirá uma análise mais justa e completa sobre o caso, conferindo maior segurança à formação de um convencimento para a confirmação, a reforma ou a revogação do regime de visitação em vigor, conforme o que for apurado. Trata-se da medida mais condizente com a consagração do Princípio do Melhor Interesse da Criança, por visar à obtenção de lastro para a decisão que melhor concilie a proteção à saúde e à integridade do infante com o adequado convívio do menor com o seu genitor. Sob tais premissas, deferi, na decisão liminar proferida nestes autos, o pedido de urgência voltado à realização do exame psicossocial, decisão que ora ratifico, no exercício do poder de cautela do Julgador. Em síntese, portanto, entendo que deve ser provisoriamente mantido o regime de visitas estipulado no decism agravado, uma vez que ainda não foram demonstrados nos autos circunstâncias aptas a tornar contraindicada a convivência estipulada, tais como a manifestação de conduta prejudicial à criança e ao seu desenvolvimento. Por outro lado, mostra-se imprescindível a realização de estudo psicossocial sobre o caso, sobretudo para apuração das condições sobreditas (aspectos psicológicos e comportamentais dos genitores e do infante, com enfoque para os efeitos que a convivência com genitor produzem sobre o bem-estar do menor; bem como exame das condições estruturais da residência do genitor quanto à eventual existência de elementos de perigo a uma criança de tenra idade). Diante do exposto, CONHEÇO DAR PARCIAL PROVIMENTO, confirmando a decisão liminar de ID 25189857 a fim de determinar a realização de

ACORDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, em não conhecer do recurso interposto, nos termos do voto do desembargador relator. Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente/Relator RELATÓRIO Trata-se de agravo de instrumento interposto por Cícero da Silva Gadelha contra decisão interlocutória proferida pelo d. Juízo da 4ª Vara Mista da Comarca de Patos/PB, nos autos de ação de reestruturação de dívidas com pedido de tutela de urgência nº 0803855-12.2025.8.15.0251. Em suma, a decisão agravada indeferiu o pedido de tutela de urgência, em que a parte autora solicitava a suspensão das cobranças e a limitação dos descontos de suas dívidas a 30% de seu salário líquido. Como pedido principal, requer a concessão de efeito suspensivo ao agravo, além da antecipação de tutela recursal para suspender as cobranças de todas as dívidas pelo

	prazo de até cento e oitenta dias, ou até a realização de audiência de conciliação, com o afastamento da incidência de novos encargos moratórios. Subsidiariamente, busca a limitação dessas cobranças a no máximo 30% do salário líquido do agravante, pedindo ainda a imposição de multa diária para o caso de descumprimento pelos agravados e a determinação de exclusão de seu nome dos cadastros restritivos ao crédito durante o curso do processo. Após o despacho de ID 26609929, que intimou o agravante a se manifestar sobre eventual incompetência deste Tribunal para processar e julgar a demanda, o recorrente apresentou petição (ID 27753667), solicitando a desistência do recurso ao perceber que o agravo foi erroneamente interposto perante o tribunal cearense, quando deveria ter sido submetido ao Tribunal de Justiça da Paraíba. É o relatório. VOTO O cerne da controvérsia consiste em verificar se o presente recurso deve ou não ser admitido e, posteriormente, em caso positivo, se a decisão interlocutória de primeiro grau deve ser reformada ou não. Prefacialmente, antes de analisar o mérito, deve-se averiguar a presença dos pressupostos intrínsecos e extrínsecos de admissibilidade, sem os quais resta inviabilizado o conhecimento do recurso. Nesse contexto, verifica-se a existência de óbices para o regular processamento e julgamento deste agravo de instrumento, conforme será a seguir demonstrado. Verifica-se que o presente recurso de Agravo de Instrumento desafia decisão proferida pelo juízo da 4ª Vara Mista da Comarca de Patos/PB, pertencente ao Tribunal de Justiça da Paraíba, que está fora da jurisdição deste eg. Tribunal de Justiça do Ceará. Diante disso, DEIXO DE CONHECER do presente Agravo de Instrumento em virtude da minha incompetência absoluta, a teor do disposto no art. 932, III, do CPC. É como voto. Agravo de Instrumento. AÇÃO ORDINÁRIA. LEI DO SUPERENDIVIDAMENTO. PEDIDO DE TUTELA ANTECIPADA. LIMITAÇÃO DOS DESCONTOS. NÃO CUMPRIMENTO DOS REQUISITOS LEGAIS PARA CONCESSÃO DE TUTELA DE URGÊNCIA. RECURSO PROVIDO. I. Caso em exame 1. Trata-se de Agravo de Instrumento contra decisão proferida, nos autos da Ação Ordinária, que deferiu o pedido de tutela antecipada. II. Questão em discussão 2. A questão posta em análise cinge-se em verificar se está correta a decisão interlocutória que deferiu o pedido de tutela antecipada de urgência para determinar que a agravante limite os descontos relativos a todos os empréstimos consignados em folha de pagamento ou debitados em conta-corrente, obrigações mensais e sucessivas descritos na inicial, dentro do limite total de 30% da renda líquida da parte requerente, devendo ainda se abster de incluir seu nome nos cadastros de inadimplentes. III. Razões de decidir 3. Como sabido, a Lei nº 14.181/2021 é destinada a aperfeiçoar a disciplina do crédito ao consumidor e dispor sobre a prevenção e o tratamento do superendividamento, que fica caracterizado em face da impossibilidade manifesta de o consumidor pessoa natural, de boa-fé, pagar a totalidade de suas dívidas de consumo, exigíveis e vincendas, sem comprometer seu mínimo existencial, nos termos da regulamentação (art. 54-A, § 1º). 4. Essa lei é clara ao dispor que a requerimento do consumidor superendividado pessoa natural, o juiz poderá

	instaurar processo de repactuação de dívidas, com vistas à realização de audiência conciliatória, presidida por ele ou por conciliador credenciado no juízo, com a presença de todos os credores de dívidas previstas no art. 54-A deste Código, na qual o consumidor apresentará proposta de plano de pagamento com prazo máximo de 5 (cinco) anos, preservados o mínimo existencial, nos termos da regulamentação, e as garantias e as formas de pagamento originalmente pactuadas, (art. 104-A). 5. Especificamente sobre a questão ora posta, o Tribunal da Cidadania estabeleceu por meio do Tema Repetitivo nº 1.085 que são lícitos os descontos de parcelas de empréstimos bancários comuns em conta-corrente, ainda que utilizada para recebimento de salários, desde que previamente autorizados pelo mutuário e enquanto esta autorização perdurar, não sendo aplicável, por analogia, a limitação prevista no § 1º do art. 1º da Lei n. 10.820/2003, que disciplina os empréstimos consignados em folha de pagamento. 6. Quanto aos empréstimos pessoais/comuns, deve ser observada a conclusão exposta no precedente do STJ, de observância obrigatória (art. 927, inciso III, do CPC), a qual evidência, de modo ostensivo e categórico, a impossibilidade de se aplicar os ditames da Lei nº 10.820/2003, por analogia. 7. Ademais, é importante destacar o Decreto nº 11.567/2023, que alterou o Decreto nº 11.150/2022 que regulamenta a preservação e o não comprometimento do mínimo existencial para fins de prevenção, tratamento e conciliação de situações de superendividamento, estabeleceu o valor de R\$ 600,00 (seiscentos reais) como o montante correspondente ao mínimo existencial da pessoa natural para a renda mensal. 8. Diante da ausência dos requisitos legais e cumulativos à concessão da tutela provisória de urgência (CPC, art. 300, caput), a decisão agravada deve ser reformada. IV. Dispositivo. 9. Recurso provido. PRESUNÇÃO DE CONSTITUCIONALIDADE. SENTENÇA MANTIDA. 1. A Lei n. 14.181/2021 foi instituída para aperfeiçoar a disciplina do crédito ao consumidor e estabeleceu a garantia de práticas de crédito responsável, de educação financeira e de prevenção e de tratamento de situações de superendividamento, preservado o mínimo existencial, nos termos da regulamentação, por meio da revisão e da repactuação da dívida. 2. Para que seja instaurado o procedimento de repactuação das dívidas, deve estar evidenciada a situação de superendividamento do consumidor, com a impossibilidade de arcar com todas as dívidas que contraiu sem comprometer o mínimo para a sua sobrevivência.

	3. De acordo com o Decreto n. 11.567/23, considera-se mínimo existencial do consumidor a renda mensal correspondente R\$ 600,00 (seiscentos reais). A apuração da situação de superendividamento deve ser obtida considerando-se a renda total mensal do consumidor em conjunto com as dívidas vencidas e vincendas dos meses correspondentes. 4. Não demonstrada a situação de superendividamento constante do art. 54-A do CDC, é correto o processamento sob o procedimento comum. 5. É inviável a declaração de inconstitucionalidade de forma incidental quando não se verifica uma violação frontal à Constituição. A presunção de constitucionalidade das normas assegura que apenas violações evidentes e graves à Constituição resultem na declaração de inconstitucionalidade. 6. Recurso conhecido e não provido. 	analisada nos termos propostos, ou seja, não teve a oportunidade de repactuação das suas dívidas, escopo do próprio rito eleito. Assim, de rigor a instauração de processo de repactuação no juízo de origem, com uma fase inicial conciliatória preventiva, pois, inicialmente, o que se almeja é a realização consensual da repactuação das dívidas do promovente perante os réus com a apresentação de plano de pagamento, evitando-se, assim, que essa se dê de forma contenciosa e compulsória. Nesse sentido, destaco os seguintes precedentes jurisprudenciais: AÇÃO DE REPACTUAÇÃO DE DÍVIDAS. PROCEDIMENTO PRÓPRIO ESTABELECIDO PELA LEI Nº 14.181/2021 E PELO CÓDIGO DE DEFESA DO CONSUMIDOR, O QUAL PREVEEM A REALIZAÇÃO DE AUDIÊNCIA DE CONCILIAÇÃO EM SEDE DA QUAL O DEVEDOR APRESENTARÁ PLANO DE REPACTUAÇÃO DE DÍVIDAS. EXTINÇÃO LIMINAR DA AÇÃO SEM A NECESSÁRIA MARCAÇÃO DA AUDIÊNCIA DE CONCILIAÇÃO PREVISTA NA LEGISLAÇÃO EM ESPÉCIE. NULIDADE. APELAÇÃO CONHECIDA E PROVIDA. 1. A respeito do superendividamento, a Lei nº 14.181/2021, promoveu alterações no Código de Defesa do Consumidor para aperfeiçoar a disciplina do crédito ao consumidor e dispor sobre a prevenção e o tratamento do superendividamento, introduzindo, dentre outros, regramento que trouxe ao consumidor a possibilidade de repactuar as dívidas por meio de audiência conciliatória e em procedimento próprio, que é o caso dos autos. 2. Contudo, o eminente julgador extinguiu a ação liminarmente, sem determinar a realização de audiência de conciliação (e sem determinar a citação dos demandados) em sede da qual o devedor, inclusive, pode apresentar o plano de repactuação não sendo lícito obrigar ao devedor, de logo, apresentar o referido plano de repactuação, até mesmo por ausente previsão legal para tanto. Pelo contrário, a lei faculta ao devedor a apresentação do plano por ocasião da realização da dita audiência de conciliação. 3. Creio, então, que mostrou-se aodada a extinção levada a efeito pela sentença, pelo que entendo deva proceder à anulação da sentença para que o processo siga o rito estabelecido na Lei nº 14.181/2021 e no Código de Defesa do Consumidor (CDC). 4. Com o advento da Lei nº 14.181/2021, o Código de Defesa do Consumidor passou a expressamente dispor sobre ações direcionadas à educação financeira do consumidor. O art. 4º, inciso X estipula o atendimento ao seguinte princípio consumerista: ?prevenção e tratamento do superendividamento como forma de evitar a exclusão social do consumidor? . 2. Sob essa ótica, a legislação objetiva a conciliação entre consumidor e instituição financeira e/ou de crédito, a ser realizada no âmbito judicial e extrajudicial. 3. Os artigos 104-A e seguintes do Código de Defesa do Consumidor estabelecem a possibilidade de ajuizamento de ação de repactuação de dívidas, com o fim de evitar o superendividamento do consumidor, mediante a realização de tentativa de conciliação judicial entre as partes; suspensão provisória da exigibilidade das dívidas e proposição de acordo de pagamento, assim como a adoção dos princípios e diretrizes contidas na legislação consumerista . 4. Nesse contexto, o procedimento de superendividamento contido na legislação consumerista diz respeito a procedimento especial binário, consubstanciado em etapas de conciliação, revisão e integração dos contratos e plano de pagamento. 5. No caso dos autos, estando a ação de repactuação de dívidas devidamente instruída e com o objetivo de revisão os contratos firmados e com a finalidade de obter um plano de pagamento com os credores, o prosseguimento do feito é medida que se impõe . 6. Há que se considerar, ainda, que deve ser oportunizada às partes a realização de audiência de conciliação, nos termos da legislação de regência, a fim de possibilitar a homologação de acordo de plano de pagamento dos débitos do consumidor. 7. Aplica-se o NCPC a este recurso ante os termos do Enunciado Administrativo nº 3, aprovado pelo Plenário do STJ na sessão de 9/3/2016: Aos recursos interpostos com fundamento no CPC/2015 (relativos a decisões publicadas a partir de 18 de março de 2016) serão exigidos os requisitos de admissibilidade recursal na forma do novo CPC. 2. O Tribunal a quo dirimiu a a controvérsia em conformidade com a orientação firmada nesta Corte, no sentido de que, para a contagem do prazo prescricional quinquenal previsto no art. 27 do CDC, o termo inicial a ser observado é a data em que ocorreu a lesão ou pagamento, o que, no caso dos autos, se deu com o último desconto do mútuo da conta do benefício da parte autora Incidência da Súmula nº 568 do STJ, segundo a qual, o relator, monocraticamente e no Superior Tribunal de Justiça, poderá dar ou negar provimento ao recurso quando houver entendimento dominante acerca do tema. 3. Para modificar o termo inicial firmado no acórdão recorrido, para efeito de contagem do início de fluência da prescrição nos autos, seria imprescindível derruir a afirmação contida no decisum atacado, o que, forçosamente, ensejaria em rediscussão de matéria fática, incidindo, na espécie, o óbice contido na Súmula nº 7 do STJ. 4. A jurisprudência desta Corte firmou o entendimento de que não é possível o conhecimento do recurso especial interposto pela divergência jurisprudencial na hipótese em que o dissídio é apoiado em fatos, e não na interpretação da lei. Isso porque a Súmula nº 7 do STJ também se aplica aos recursos especiais interpostos pela alínea c do permissivo constitucional. Precedente: AgRg no Ag 1.276.510/SP, Rel. Ministro PAULO FURTADO (Desembargador Convocado do TJ/BA), DJe 30/6/2010. 5. Em virtude de anterior advertência em relação a aplicabilidade do NCPC, aplica-se ao caso a multa prevista no art. 1.021, § 4º, do referido Código, no percentual de 3% sobre o valor atualizado da causa, ficando a interposição de qualquer outro recurso condicionada ao depósito da respectiva quantia, nos termos do § 5º daquele artigo de lei. 6. Agravo interno não provido, com imposição de multa. (STJ. AgInt no AREsp n. 1358910, Rel. Min. Moura Ribeiro, Terceira Turma, DJe 03.04.2019). [Grifei]. &#160; No mesmo sentido, já se pronunciou o e. Tribunal de Justiça ao assentar que o prazo prescricional para a reparação civil decorrente do defeito do serviço bancário é de 5 anos, nos termos do art. 27, do CDC, iniciando-se a contagem do prazo a partir do último desconto indevido na conta bancária, dado o caráter sucessivo da relação. 	em síntese, que não houve prescrição no presente caso, tendo em vista que se trata relação de consumo, devendo ser aplicado o art. 27 do CDC. 3. Com efeito, sabe-se que o Código de Defesa do Consumidor é aplicado as Instituições Financeiras, em conformidade com o enunciado de Súmula nº 297, do Superior Tribunal de Justiça. Assim, cabível é a utilização do prazo prescricional nele previsto, inserto no art. 27, do CDC, a qual prevê que prescreve em cinco anos a pretensão à reparação pelos danos causados por fato do produto ou falha na prestação do serviço, iniciando-se a contagem do prazo a partir do conhecimento do dano e de sua autoria. 4. Portanto, na hipótese de falha na prestação de serviços bancários, deve ser analisada sob a ótica do art. 27 do CDC, o qual estabelece prazo prescricional quinquenal, com início a partir do momento em que o consumidor toma conhecimento do dano e da sua autoria, razão pela qual, não há que se falar em prescrição no presente caso. 5. Recurso conhecido e provido. Sentença recorrida desconstituída. Retorno dos autos à origem para o seu regular prosseguimento. (TJCE. AC n. 0002883-05.2019.8.06.0100, Rel. Des. Cuida-se de Apelação interposta em face de sentença que extinguiu o feito liminarmente, ante a suposta ocorrência de prescrição do pleito autoral. 2. Na hipótese, a relação entre as partes é consumerista, considerando que elas se enquadram perfeitamente nos conceitos de fornecedor de serviços e consumidor por equiparação previstos, respectivamente, nos artigos 3º e 17 do Código de Defesa do Consumidor. 3. Destaque-se que, na disputa em pauta, não cabe a adoção do artigo 206, § 3º, inciso IV, do Código Civil, dispositivo este que determina 03 (três) anos para a ação indenizatória. Isto porque a demanda relaciona-se à prestação de serviço bancário, portanto, possui natureza consumerista e, havendo disposição normativa especial acerca do tema (artigo 27, CDC), esta é que deverá ser aplicada. 4. O diploma consumerista estabelece que "prescreve em cinco anos a pretensão à reparação pelos danos causados por fato do produto ou do serviço, iniciando-se a contagem do prazo a partir do conhecimento do dano e de sua autoria" (artigo 27). 5. No que tange ao início da fruição do prazo prescricional, o Superior Tribunal de Justiça possui entendimento pacificado no sentido de que a última dedução indevida seria o começo do lapso da prescrição em demandas que tratam de restituição de indébito decorrente de contrato com ausência de aceite na pactuação. Confira-se: (STJ) AgInt no AREsp 1412088/MS . intentado oportunamente, pois antes de findar o quinquênio prescricional legalmente previsto na lei consumerista.

Devidamente citado, o Banco PAN S/A. apresentou o contrato (id. 25475784) e pugnou pela improcedência dos pedidos. Nos termos da decisão interlocutória (Id. 25475842), foi determinada a intimação das partes para produzir provas, notadamente, a perícia grafotécnica, tendo o Magistrado a quo salientado pela imprescindibilidade da produção de prova pericial (art. 480, do CPC) para solução do mérito da demanda. As partes foram intimadas e se mantiveram silentes (Id. 25475845). No despacho judicial (id. 25475848), o juiz determinou que as partes, em 05 (cinco) dias, para dizerem se pretendem ou não produzir outras provas, especificando a finalidade das mesmas, vedado o protesto genérico, sob pena de preclusão. Advertindo-as de que a omissão importará em julgamento antecipado da lide (art. 355, I, do CPC), Após o mencionado despacho, as partes permaneceram inertes (id. 25475850). Em vista disso, ao analisar as provas coligidas aos autos, o juízo de primeiro grau considerou que a instituição financeira não se desincumbiu do seu ônus probatório, tendo em vista que não requereu a realização da perícia grafotécnica, deixando de comprovar, portanto, a validade do instrumento contratual Preceitua o art. 429, II do CPC: Art. 429. Incumbe o ônus da prova quando: I - se tratar de falsidade de documento ou de preenchimento abusivo, à parte que a arguir; II - se tratar de impugnação da autenticidade, à parte que produziu o documento. Nessa linha de raciocínio, em julgamento submetido ao rito dos recursos repetitivos, a Segunda Seção do c. Superior Tribunal de Justiça firmou a seguinte tese jurídica (Tema 1.061): Na hipótese em que o consumidor/autor impugnar a autenticidade da assinatura constante em contrato bancário juntado ao processo pela instituição financeira, caberá a esta o ônus de provar a autenticidade (CPC, arts. 6º, 369 e 429, II).

Cinge-se controvérsia na análise da validade do contrato de empréstimo, supostamente, pactuado pelo apelante, junto à autora, ora apelada. 3. A discussão acerca da sua validade do contrato deve ser analisada à base das disposições do Código de Defesa do Consumidor, nos termos da Súmula n.º 297 do Superior Tribunal de Justiça, segundo a qual: "o Código de Defesa do Consumidor é aplicável às instituições financeiras". 4. Nos termos do art. 6º, inciso VIII, do Código de Defesa do Consumidor, constitui dever da instituição financeira comprovar que a suposta quantia tomada de empréstimo fora depositada em favor do consumidor, caso contrário a perfectibilidade da relação contratual resta afastada. 5. Em que pese o contrato objeto da causa tenha sido juntado, percebe-se que as assinaturas são completamente diferentes das constantes nos documentos da parte. 6. O STJ sob o regime de recurso repetitivo - Resp 1846649/MA (tema 1061), decidiu que: "Na hipótese em que o consumidor/autor impugnar a autenticidade da assinatura constante em contrato bancário juntado ao processo pela instituição financeira, caberá a esta o ônus de provar a sua autenticidade (CPC, arts. 6º, 368 e 429, II)". 7. Cumpre à instituição financeira a responsabilidade pela comprovação da regularidade do instrumento contratual, podendo demonstrar a validade por meio de perícia grafotécnica e/ou outros meios de prova. 8. Ainda que se verifique a juntada do contrato aos autos, denota-se que a parte autora requereu a declaração de inexistência do contrato porquanto não realizou qualquer contrato de empréstimo junto à Instituição Financeira. 9. Como o requerente negou a contratação, ora discutida, incumbia ao promovido demonstrar fato que alterasse substancialmente o direito alegado. 10. No instrumento contratual anexado aos autos pelo promovido, as assinaturas constantes do contrato de empréstimo consignado (pág. 107/110), divergem das assinaturas do promovente constantes em sua identidade (pág. 111) e instrumento procuratório (pág. 16), como bem pontuou o juiz a quo em sua decisão. 11. Restou comprovado o ato ilícito praticado por ação da parte ré, a culpa do agente e o dano, configurados pela inexistência de contrato de empréstimo firmado pela parte autora, ausência de cautela da instituição financeira ao realizar os descontos relativos ao contrato e, descontos irregulares no benefício do autor, respectivamente. 12. Atento ao cotejo desses fatores: "nível econômico do autor da ação, sofrimento da vítima e o porte econômico da entidade bancária", considero consentâneo a fixação do valor da indenização do dano moral em R\$ 3.000,00 (três mil reais), incidindo correção monetária a partir do arbitramento e juros de mora a partir do evento danoso. 13. Através do julgamento do EAREsp 676.608 (paradigma, julgado em 30/03/2021) passou a se entender que não há necessidade de provar a má-fé, basta que a conduta do fornecedor seja contrária a boa-fé objetiva. 	EMBARGOS DE DIVERGÊNCIA EM AGRAVO EM RECURSO ESPECIAL. CIVIL. PROCESSUAL CIVIL. TELEFONIA FIXA. COBRANÇA INDEVIDA. AÇÃO DE REPETIÇÃO DE INDÉBITO DE TARIFAS. 1) RESTITUIÇÃO EM DOBRO DO INDÉBITO (PARÁGRAFO ÚNICO DO ARTIGO 42 DO CDC). DESINFLUÊNCIA DA NATUREZA DO ELEMENTO VOLITIVO DO FORNECEDOR QUE REALIZOU A COBRANÇA INDEVIDA. DOBRO CABÍVEL QUANDO A REFERIDA COBRANÇA CONSUBSTANCIAR CONDUTA CONTRÁRIA À BOA-FÉ OBJETIVA. 2) APLICAÇÃO DO PRAZO PRESCRICIONAL DECENAL DO CÓDIGO CIVIL (ART. 205 DO CÓDIGO CIVIL). APLICAÇÃO ANALÓGICA DA SÚMULA 412/STJ. 3) MODULAÇÃO PARCIAL DOS EFEITOS DA DECISÃO. CONHECIMENTO E PROVIMENTO INTEGRAL DO RECURSO. Fixação das seguintes teses. Primeira tese: A restituição em dobro do indébito (parágrafo único do artigo 42 do CDC) independe da natureza do elemento volitivo do fornecedor que realizou a cobrança indevida, revelando-se cabível quando a referida cobrança consubstanciar conduta contrária à boa-fé objetiva. Segunda tese: A ação de repetição de indébito por cobrança de valores referentes a serviços não contratados promovida por empresa de telefonia deve seguir a norma geral do prazo prescricional decenal, consoante previsto no artigo 205 do Código Civil, a exemplo do que decidido e sumulado no que diz respeito ao lapso prescricional para repetição de tarifas de água e esgoto (Súmula 412/STJ). Modulação dos efeitos: Modulam-se os efeitos da presente decisão - somente com relação à primeira tese - para que o entendimento aqui fixado quanto à restituição em dobro do indébito seja aplicado apenas a partir da publicação do presente acórdão. A modulação incide unicamente em relação às cobranças indevidas em contratos de consumo que não envolvam prestação de serviços públicos pelo Estado ou por concessionárias, as quais apenas serão atingidas pelo novo entendimento quando pagas após a data da publicação do acórdão. (STJ. EAREsp 676.608/RS, Rel. Ministro OG FERNANDES, CORTE ESPECIAL, julgado em 21/10/2020, DJe 30/03/2021). Dito isso, a forma de restituição do indébito terá como referência a data dos descontos indevidos. Na ocasião, ao vislumbrar a data de celebração do contrato que ocorreu em maio de 2017, a restituição dos valores debitados antes de 30/03/2021 se dará na forma simples, porém, a quantia referente aos descontos posteriores a essa data será restituída em dobro, conforme cálculo a ser apurado na fase de cumprimento de sentença, atentando-se à data da cessação dos descontos indevidos. Do dano moral Nesse tocante, a sentença vergastada merece reforma. É que referido dano somente ocorre quando houver lesão a bem que integra os direitos da personalidade, como a honra, a dignidade, a intimidade, a imagem, o bom nome etc., como se infere dos arts. 1º, inciso III, e 5º, incisos V e X, da Constituição Federal. A mera constatação dos descontos indevidos em conta bancária da autora, no valor de R\$ 46,85, não tem o condão de dar azo à alegada aflição psicológica ou angústia suportada pela demandante.

Trata-se de Agravo Interno (fls. 01/12) interposto por Maria José Soares da Silva em face de Banco Bradesco Financiamentos S/A, objurgando decisão monocrática de fls. 159/170 dos autos da Ação Declaratória de Nulidade de Negócio Jurídico c/c Reparação por Danos Morais (Processo nº 0010329-33.2017.8.06.0099) que deu parcial provimento ao recurso de apelação do banco requerido para afastar a indenização por danos morais e deu parcial provimento ao apelo autoral tão somente para determinar a restituição simples dos valores descontados indevidamente do benefício da autora. 2. A jurisprudência do Superior Tribunal de Justiça entende que "a caracterização do dano moral exige que a comprovação do dano repercuta na esfera dos direitos da personalidade. A fraude bancária, nessa perspectiva, não pode ser considerada suficiente, por si só, para a caracterização do dano moral" (AgInt nos EDcl no AREsp 1.669.683/SP, Rel. Ademais, a jurisprudência do Superior Tribunal de Justiça é assente no sentido de que se trata de mero aborrecimento o desconto indevido em benefício previdenciário de valores incapazes de comprometer a subsistência da parte. 4. Nessa toada, descontos em valor ínfimo - R\$ 8,98 (oito reais e noventa e oito centavos) – não correspondem a um dano à personalidade que enseje o pagamento de indenização por danos morais, sobretudo porque somente foram questionados anos após a ocorrência e não ensejaram maiores consequências negativas, como a inscrição do nome da consumidora nos cadastros de proteção ao crédito. 5. A restituição dos valores na forma simples, tal como determinado na decisão objurgada, revela-se adequada na espécie, haja vista que ausente prova de má-fé da instituição financeira no caso, bem como porque os descontos se deram antes de 30/03/2021, data de publicação do acórdão do STJ no EREsp nº 1.413.542. 6. 	RESTITUIÇÃO EM DOBRO – AUSÊNCIA DE ENGANO JUSTIFICÁVEL – APELAÇÃO CONHECIDA E PARCIALMENTE PROVIDA. 1. Discute-se, no presente recurso: a) a ocorrência ou não de danos morais; e b) ser ou não, hipótese de devolução em dobro de valores. 2. O dano moral diz respeito à violação dos direitos referentes à dignidade humana de modo que tanto a doutrina quanto a jurisprudência dominante do Superior Tribunal de Justiça vêm sufragando entendimento no sentido de que a consequência do dano é inerente à própria ofensa, bastando, para a demonstração do dano moral, a realização da prova do nexo causal entre a conduta ilícita do agente ofensor, o resultado danoso e o fato. 3. Na espécie, ocorreu somente um (1) desconto indevido na conta bancária da apelante, no ínfimo valor de R\$ 17,99. A mera cobrança de valores por serviços não contratados não gera, por si só, danos morais indenizáveis, isto porque, no presente caso, a consumidora experimentou mero dissabor. [...] 5. Assim, na hipótese em que se alega a ocorrência de descontos indevidos, se não demonstrada a contratação válida do serviço em questão que legitimaria os descontos; ou, ainda, que os descontos eventualmente se amparam em contrato fruto de fraude para a qual a instituição financeira não concorreu, por ação ou omissão, é devida a restituição em dobro dos valores descontados indevidamente, por falta de demonstração de engano justificável. 6. Apelação Cível conhecida e parcialmente provida. (TJ-MS - AC: 08015700820208120024 MS 0801570-08.2020.8.12.0024, Relator: Des. Paulo Alberto de Oliveira, Data de Julgamento: 15/09/2021, 3ª Câmara Cível, Data de Publicação: 17/09/2021). AÇÃO REPARAÇÃO DE DANOS. SERVIÇO BANCÁRIO. COBRANÇA DE TARIFA SEM A PROVA DA CONTRATAÇÃO. COBRANÇA INDEVIDA. RESTITUIÇÃO DO INDÉBITO DE FORMA SIMPLES. DANO MORAL NÃO CONFIGURADO. RECURSO CONHECIDO E PARCIALMENTE PROVIDO. In casu, observa-se que a cobrança da tarifa bancária denominada "Cesta B. Expresso", sem a prova da efetiva autorização, é irregular e não representa exercício regular do direito. 2. Em sendo assim, depreende-se dos autos que a parte apelada demonstrou através dos extratos acostados aos folios que a referida tarifa foi descontada de sua conta bancária, entretanto, a instituição financeira apelante não comprova, através de qualquer tipo de prova, a efetiva contratação ou autorização da tarifa combatida. 3. Desta forma, a imposição de serviços não solicitados constitui prática abusiva vedada pelo art. 39, III, do CDC, na medida em que macula o dever de informação e boa-fé objetiva dos negócios jurídicos, sobretudo porque não existe a manifestação de vontade da parte apelante. 4. No caso em comento, ainda que descontados os valores indevidamente, não restou comprovada má-fé a impor a restituição em dobro, logo não há dúvida de que o reembolso deverá ser efetuado de forma simples. 5. Melhor sorte assiste a apelante quanto a ausência de dano moral, porquanto o desconto indevido da conta da recorrida, por si só, não acarreta o reconhecimento de que existe um dano moral a ser reparado. Afinal, os descontos indevidos que totalizam a quantia de R\$ 51,80 (cinquenta e um reais e oitenta centavos), não enseja a dor, o sofrimento ou a humilhação, tampouco violação à honra, à imagem, à vida privada da apelada. 6. Recurso parcialmente provido. (TJCE. Relator (a): CARLOS ALBERTO MENDES FORTE; Comarca: Guaraciaba do Norte; Órgão julgador: Vara Única da Comarca de Guaraciaba do Norte; Data do julgamento: 03/02/2021; Data de registro: 04/02/2021). Posto isso, ausente a demonstração de que o indébito não ultrapassou meros aborrecimentos, impõe-se afastar a condenação do banco apelado ao pagamento de indenização por danos morais. Da Compensação

	&quot;times new roman&quot;, times;">III) RAZÕES DE DECIDIR: </p><p style="text-align: justify;" dir="ltr"> 3. De início, ressalta-se que a relação jurídica em apreço é regida pelos preceitos do Código de Defesa do Consumidor (CDC), pois, às instituições financeiras aplicam-se os ditames da norma em referência nos moldes da Súmula 297 do STJ. </p><p style="text-align: justify;" dir="ltr"> 4. Ato contínuo, a necessidade de apresentação de extratos analíticos é inaplicável, uma vez que os documentos apresentados pela instituição financeira nos autos já são suficientes para demonstrar a evolução do débito e justificar a propositura da demanda.&#160; </p><p style="text-align: justify;" dir="ltr"> 5.&#160; Da mesma forma, não se aplica a teoria do adimplemento substancial com relação aos contratos de alienação fiduciária,&#160; em conformidade com a jurisprudência do STJ.&#160; </p><p style="text-align: justify;" dir="ltr"> 6. Na linha do entendimento da mesma Corte Superior, a par da previsão constante no art. 28, §1º, I, da lei nº 10.931/2004, não se revela abusiva a livre pactuação referente aos juros remuneratórios em montante superior a 12% (doze por cento) ao ano, sendo possível que os contratos de mútuo bancário assim prevejam, sem que incidam os arts. 406 e 591 do Código Civil no caso (Temas Repetitivos nºs 25 e 26 do STJ).&#160; </p><p style="text-align: justify;" dir="ltr"> 7. Ademais, as instituições financeiras, categoria em que se insere a entidade apelada, não são reguladas pelas disposições da Lei da Usura (Decreto nº 22.626/1933) nos termos da Súmula nº 596, do STF, e do Tema Repetitivo do STJ nº 28, não se aplicando as limitações aí previstas.&#160; </p><p style="text-align: justify;" dir="ltr"> 8. Por outro lado, a Corte da Cidadania, segundo o Tema Repetitivo nº 27, considera possível a revisão da cláusula contratual que define as taxas de juros remuneratórios, em razão de sua abusividade. Para se identificá-la, deve-se avaliar os efeitos na relação jurídica que podem implicar desvantagem exagerada ao consumidor, sendo utilizado, como parâmetro, o percentual médio adotado pela prática do mercado em operações similares no mesmo período da contratação.&#160; </p><p style="text-align: justify;" dir="ltr"> 9. Nesse cenário, a taxa anual utilizada na contratação versada nos autos foi de 16,77%. Por sua vez, em agosto de 2023, mês em que os termos do negócio jurídico foram firmados entre as partes, a taxa anual no período (Série 20749 - Taxa média de juros das operações de crédito com recursos livres - Pessoas físicas - Aquisição de veículos), conforme consulta no sítio eletrônico gerido pelo Banco Central do Brasil, no Sistema Gerenciador de Séries - SGS, foi de 26,18%. É evidente, de acordo com a jurisprudência do STJ e desta Corte de Justiça, que a taxa de juros foi fixada em patamar inferior à média de mercado praticada na mesma época, portanto, não sendo compreendida como abusiva, mesmo à luz das disposições do Código de Defesa do Consumidor (art. 39, V, do CDC). </p><p style="text-align: justify;" dir="ltr"> 10. Diante de todo esse contexto, a mora do fiduciante restou regularmente caracterizada, pois os encargos principais do período de normalidade contratual, isto é, os juros remuneratórios e a capitalização, não são exorbitantes, autorizando o êxito da ação de busca e apreensão proposta pela instituição financeira, na forma disposta no Tema Repetitivo de nº 28, apreciado pelo STJ.&#160; </p><p style="text-align: justify;" dir="ltr"> 11. Em razão disso, nos termos dos precedentes das Cortes Pátrias, é inequívoca que a constituição da mora do apelante foi regular, caracterizando a legalidade da decisão liminar de 1º grau e os demais atos, até a sentença, que culminaram na apreensão do veículo e na consolidação de sua propriedade, não se extraindo daí qualquer violação aos princípios do contraditório e da ampla defesa, nem se cogitando em reparação de danos morais.&#160; </p><p style="text-align: justify;" dir="ltr"> 12. No caso em apreço, a ré da ação de busca e apreensão, ora apelante, restou inadimplente. Conforme pronunciamento jurisprudencial meritório, não ocorreu a purgação da mora, inexistindo, portanto, ato ilícito a ensejar a pretensão de reparação por danos morais nos moldes em que almeja, isto é, em virtude de medida que ordenou a devolução para a autora no início da lide reintegratória. </p><p style="text-align: justify;" dir="ltr"> 13. Dessa forma, considerando a inexistência de abusividade de encargos exigidos no período da normalidade contratual, não há que se falar em suspensão da liminar de busca e apreensão e, por conseguinte, em nulidade das cláusulas contratuais celebradas, restando estas devidamente válidas. </p><p style="text-align: justify;" dir="ltr">

 </p><p style="text-align: justify; text-indent: 8%;" dir="ltr"> Nos presentes autos, identifico, no contrato de ID 25567353, que a taxa anual utilizada na contratação foi de 16,77%.  </p><p style="text-align: justify; text-indent: 8%;" dir="ltr"> É evidente, de acordo com a jurisprudência do STJ e desta Corte de Justiça, que a taxa de juros foi fixada em patamar inferior à média de mercado praticada na mesma época, portanto, não sendo compreendida como abusiva, mesmo à luz das disposições do Código de Defesa do Consumidor (art. 39, V, do CDC). </p><p style="text-align: justify;">
 </p><p style="text-align: justify; text-indent: 8%;" dir="ltr"> Destarte, concluo que a mora do fiduciante restou regularmente caracterizada, pois os encargos principais do período de normalidade contratual, isto é, os juros remuneratórios e a capitalização, não são exorbitantes, autorizando o êxito da ação de busca e apreensão proposta pela instituição financeira. </p><p style="text-align: justify; text-indent: 8%;">

Apelação interposta por Francisco José de Souza Júnior contra sentença que julgou procedente a Ação de Busca e Apreensão ajuizada pelo Banco Aymoré Crédito, Financiamento e Investimento S/A, consolidando a posse plena e exclusiva do bem alienado fiduciariamente em favor do credor. O recorrente alega abusividade dos juros, descaracterização da mora, necessidade de revisão de cláusulas contratuais, aplicação da multa do art. 3º, §6º do DL 911/1969, e pleito por indenização de lucros cessantes e condenação por litigância de má-fé. II. QUESTÃO EM DISCUSSÃO. 2. Há cinco questões em discussão: (i) se os juros remuneratórios cobrados são abusivos; (ii) se há descaracterização da mora; (iii) se é cabível a aplicação da multa do art. 3º, §6º do DL 911/1969; (iv) se há direito à indenização por lucros cessantes; e (v) se está configurada a litigância de má-fé. III. RAZÕES DE DECIDIR. 3. Juros remuneratórios: As taxas de juros praticadas estão dentro dos limites legais e não excedem em mais de 50% a taxa média do mercado divulgada pelo Banco Central para a mesma época e operação, não havendo abusividade na cobrança, conforme a jurisprudência consolidada (Súmula 382/STJ e Tema 25 do STJ). 4. Descaracterização da mora: A mora do devedor

Processo	3008912-16.2025.8.06.0001
	não é descaracterizada, visto que não foi constatada abusividade nos encargos exigidos no período de normalidade contratual. A simples propositura de ação revisional não tem o condão de afastar a mora (Súmulas 380 e 539/STJ). 5. Multa do art. 3º, §6º do DL 911/1969: A aplicação da multa é incabível, pois não se trata de caso de improcedência da ação ou de abuso de direito por parte do credor. O bem foi corretamente apreendido conforme os termos contratuais. 6. Indenização por lucros cessantes: O apelante não comprovou efetivamente a perda de ganhos ou a essencialidade do bem apreendido para suas atividades econômicas, sendo incabível a indenização por lucros cessantes, conforme o art. 402 do CC. 7. Litigância de má-fé: Não restou configurada a má-fé, uma vez que o exercício do direito de ação pela parte autora é legítimo e não há indícios de que tenha agido com dolo ou intuito de causar prejuízo à parte contrária. IV. DISPOSITIVO E TESE. 8. Recurso conhecido e não provido. Sentença mantida. Tese de julgamento: A estipulação de juros remuneratórios superiores a 12% ao ano, por si só, não indica abusividade, devendo a abusividade ser demonstrada de forma concreta. A descaracterização da mora do devedor só ocorre quando há cobrança de encargos abusivos no período de normalidade contratual. A multa prevista no art. 3º, §6º do DL 911/1969 só é aplicável quando há improcedência da ação ou abuso de direito por parte do credor. A condenação por lucros cessantes exige a comprovação efetiva da perda de ganhos, não bastando alegações genéricas. A litigância de má-fé depende da comprovação de conduta dolosa ou abusiva, o que não se verifica no caso em tela. Consignação em pagamento do valor incontroverso não afasta a mora. Recurso conhecido e desprovido. Sentença mantida. I. Caso em exame 1. Apelação Cível interposta pela parte autora contra sentença de improcedência dos pedidos iniciais, mantendo as cláusulas contratuais pactuadas. II. Questão em discussão 2. A questão em discussão consiste em saber: i) se a taxa de juros remuneratórios pactuada é abusiva; ii) se há legalidade na capitalização de juros mensal; iii) se há cobrança indevida de comissão de permanência; iv) se a propositura de ação revisional descaracteriza a mora. III. Razões de decidir 3. Os juros remuneratórios não se mostram discrepantes dos praticados pelo mercado financeiro, pois, de acordo com os índices divulgados pelo Banco Central do Brasil (20749 - Taxa média de juros das operações de crédito com recursos livres - Pessoas físicas - Aquisição de veículos), no mês de agosto de 2019, data da contratação; fl. 23, a taxa média era de 20,10% ao ano e 1,54% ao mês, enquanto os juros pactuados no contrato são de 20,70% ao ano e 1,58% ao mês, o que afasta a tese recursal de abusividade do encargo contratado. Além disso, firmou-se o entendimento de que a taxa de juros contratada é considerada abusiva se superar, no mínimo, uma vez e meia (50%) a taxa média de mercado divulgada pelo Banco Central do Brasil ($20,10\% \times 1,5 = 30,15\%$ / $1,54\% \times 1,5 = 2,31\%$) levando-se em consideração o tipo da operação e o período da contratação, o que não é o caso dos autos, já que a taxa de juros cobrada é inferior a esse limite (20,70% e 1,58%). Portanto, constata-se a ausência de abusividade dos juros pactuados no contrato. 4. É permitida a capitalização de juros com periodicidade inferior a um ano em contratos bancários celebrados após 31.03.2000, data da publicação da MP n. 1.963-17/2000 (atual MP n. 2.170-36/2001). Com efeito, deve ser mantida a capitalização dos juros, com periodicidade mensal, tendo em vista que o contrato foi firmado em 23.08.2019 (fl. 22). 5. Não há que se falar em qualquer ilegalidade da comissão de permanência, porquanto inexistente previsão contratual

	a respeito desse encargo, de sorte que não há interesse recursal quanto a este ponto. O que há, na realidade, é tão somente a cobrança dos seguintes encargos: 1) juros moratórios à taxa de 1% ao mês (súmula 539/STJ); 2) multa de 2% sobre o valor do débito, conforme item VI do instrumento particular (item 5; fl. 23). 6. Como visto, não houve o reconhecimento da abusividade dos encargos durante o período de normalidade (juros remuneratórios e capitalização de juros). Portanto, não há óbice legal para que a instituição financeira inscreva o nome da parte apelante nos órgãos de proteção ao crédito com relação à dívida objeto do contrato, nem obsta a propositura de ação de busca e apreensão do veículo para recuperação do crédito. 7. A consignação em pagamento afasta a mora apenas em relação aos valores depositados, permanecendo a incidência de encargos moratórios sobre os valores remanescentes. Portanto, a consignação em juízo do valor que entende correto não é suficiente, por si só, para a purgar a mora, devendo ser realizado o pagamento integral dos valores devidos de acordo com o contrato. IV. Dispositivo 8. Recurso conhecido e desprovido. Sentença mantida. Acórdão: Vistos, relatados e discutidos estes autos, acordam os Desembargadores integrantes da e. 2ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do recurso e desprovê-lo, nos termos do voto da eminente Relatora. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA DE IMPROCEDÊNCIA MANTIDA. A controvérsia em apreço relaciona-se ao reconhecimento de eventuais danos morais e materiais decorrentes do cumprimento do mandado de devolução de veículo, no bojo da Ação de Busca e Apreensão nº 0041475-47.2007.8.06.0001, atualmente arquivada e com trânsito em julgado. Em primeiro plano, sabe-se que a sentença de mérito, independente do teor do julgado, tem o condão de substituir decisão provisória, não havendo, in casu, ambiente fático-jurídico para acolher o pleito recursal alusivo aos danos materiais e morais supostamente ocorridos no processamento da Ação de Busca e Apreensão nº 0041475-47.2007.8.06.0001, especialmente relacionados à suposta depredação do automóvel apreendido no início da lide, o qual, ao fim e ao cabo, teve sua posse plena e exclusiva em favor do credor fiduciário. De fato, restou comprovado nos autos que não houve a purgação da mora, tendo a autoridade processante assegurado a restituição à promovida da importância paga mediante alvará e assinalado, no comando sentencial, que a purgação da mora precisa incluir todos os valores cobrados pelo credor, prestações vencidas e vincendas. A inclusão das parcelas vincendas no débito cobrado constitui consectário legal expressamente previsto no art. 3º, § 2º, do Decreto-Lei 911/69, não havendo abusividade em tal conduta. E, sobre o tema o Egrégio Superior Tribunal de Justiça em julgamento definitivo do Recurso Especial nº 1418593/MS, recurso repetitivo, nos moldes do art. 543-C, em 14.5.2014, consolidou o entendimento: 'no sentido de ser necessário o pagamento da integralidade da dívida para purgação da mora, no prazo de cinco dias, após a execução da liminar'. No caso em apreço, a ré da ação de busca e apreensão, ora apelante, restou inadimplente. Conforme pronunciamento jurisdicional meritório, não ocorreu a purgação da mora, inexistindo, portanto, ato ilícito a ensejar a pretensão de reparação por danos morais e materiais nos moldes em que formulada, ou seja, em virtude de medida que ordenou a devolução para a autora no início da lide reintegratória. 	RELATÓRIO Trata-se de Recurso de Apelação Cível, interposto por JOSÉ VIEIRA, adversando sentença proferida pelo Juízo da 23ª Vara Cível da Comarca de Fortaleza, que, nos autos da ação declaratória de inexistência de relação jurídica com repetição de indébito e indenização por danos morais, manejada pelo ora recorrente em desfavor do BANCO BRADESCO S/A, julgou procedente o feito para (id. 25611441): a) declarar a inexistência de relação jurídica entre as partes no que se refere ao contrato de empréstimo por consignação nº 013429058, para cessarem todos os efeitos deles decorrentes; b) determinar ao requerido restituir em dobro os valores efetivamente descontados a partir de 30/03/2021, enquanto os descontos iniciados antes dessa data devem ser restituídos na forma simples. c) condenar o banco réu ao pagamento de indenização por dano moral, no montante de R\$ 3.000,00 (três mil reais). Em suas razões, requer o autor a majoração do dano moral, aduzindo que os constrangimentos e abalos sofridos pelo(a) recorrente, mormente por ter sido manchado indevidamente seu bom nome, sendo este seu maior patrimônio, além de o impedir, por certo tempo, de entabular qualquer negociação à prazo, trouxe afronta à sua moral, conquistada a duras penas ao longo de sua vida, fazendo-o(a) ainda passar por sérias privações, as quais não serão tão facilmente extirpadas. os constrangimentos e abalos sofridos pelo(a) recorrente, mormente por ter sido manchado indevidamente seu bom nome, sendo este seu maior patrimônio, além de o impedir, por certo tempo, de entabular qualquer negociação à prazo, trouxe afronta à sua moral, conquistada a duras penas ao longo de sua vida, fazendo-o(a) ainda passar por sérias privações, as quais não serão tão facilmente extirpadas. Contrarrazões apresentadas (id.2561144). E o relatório. VOTO Conheço do recurso, eis que presentes os pressupostos de admissibilidade. Adianto que a instituição promovida não recorreu, e que o cerne do apelo do autor consiste em examinar tão somente se é pertinente a majoração da condenação da indenização por danos morais deferida na origem. Tenho que o valor indenizatório não comporta modificação. Explico a seguir. A existência do dano moral pressupõe a configuração de lesão a um bem jurídico que integra os direitos da personalidade, como a honra, a dignidade, a intimidade, a imagem, o bom nome etc., como se infere dos artigos 1º, inciso III, e 5º, incisos V e X, da Constituição Federal. Sobre o tema leciona Sérgio Cavalieri Filho: [...] só deve ser reputado como

	dano moral a dor, vexame, sofrimento ou humilhação que, fugindo à normalidade, interfira intensamente no comportamento psicológico do indivíduo, causando-lhe aflições, angústia e desequilíbrio em seu bem-estar. Mero dissabor, aborrecimento, mágoa, irritação ou sensibilidade exacerbada estão fora da órbita do dano moral, porquanto, além de fazerem parte da normalidade do nosso dia a dia, no trabalho, no trânsito, entre os amigos e até no ambiente familiar, tais situações não são intensas e duradouras, aponta de romper o equilíbrio psicológico do indivíduo. Se assim não se entender, acabaremos por banalizar o dano moral, ensejando ações judiciais em busca de indenizações pelos mais triviais aborrecimentos. (CAVALIERI FILHO, Sérgio. Programa de Responsabilidade Civil. 11ª ed. São Paulo: Atlas, 2014, p.111)." Nessa perspectiva, a verificação do dano moral não reside exatamente na simples ocorrência do ilícito, de sorte que nem todo ato desconforme o ordenamento jurídico enseja indenização por dano moral. O importante é que o ato ilícito seja capaz de irradiar-se para a esfera da dignidade da pessoa, ofendendo-a de maneira relevante" (STJ - AgRg no REsp 1.269.246/RS, Rel. Ministro LUIS FELIPE SALOMÃO, QUARTA TURMA, julgado em 20/05/2014, DJe de 27/05/2014). A jurisprudência do Superior Tribunal de Justiça é assente no sentido de que se trata de mero aborrecimento o desconto indevido de valores incapazes de comprometer a subsistência da parte. A propósito, confira-se: AGRAVO INTERNO NOS EMBARGOS DE DECLARAÇÃO NO RECURSO ESPECIAL. AÇÃO DECLARATÓRIA DE INEXIGIBILIDADE DE DÉBITOS. RESTITUIÇÃO DE VALORES E INDENIZAÇÃO POR DANOS MORAIS. DESCONTO INDEVIDO. VALOR ÍNFIIMO. DANO MORAL INEXISTENTE. MERO ABORRECIMENTO. CONSONÂNCIA COM A JURISPRUDÊNCIA DESTA CORTE SUPERIOR. RECURSO DESPROVIDO. 1. Esta Corte Superior entende que a caracterização do dano moral exige que a comprovação do dano repercuta na esfera dos direitos da personalidade. A fraude bancária, nessa perspectiva, não pode ser considerada suficiente, por si só, para a caracterização do dano moral (AgInt nos EDcl no AREsp 1.669.683/SP, Rel. Ministro MARCO AURÉLIO BELLIZZE, TERCEIRA TURMA, julgado em 23/11/2020, DJe de 30/11/2020). 2. O Tribunal de origem concluiu que o desconto indevido de R\$ 70,00 (setenta reais) no benefício previdenciário da agravante não acarretou danos morais considerando que foi determinada a restituição do valor, que a instituição financeira também foi vítima de fraude e que não houve inscrição do nome da agravante em cadastros de proteção ao crédito, de modo que ficou configurado mero aborrecimento. 3. "A jurisprudência desta Corte entende que, quando a situação experimentada não tem o condão de expor a parte a dor, vexame, sofrimento ou constrangimento perante terceiros, não há falar em dano moral, uma vez que se trata de mero aborrecimento ou dissabor, mormente quando a falha na prestação de serviços, embora tenha acarretado aborrecimentos, não gerou maiores danos ao recorrente, como ocorreu na presente hipótese" (AgInt no AREsp 1.354.773/MS, Rel. Ministro RAUL ARAÚJO, QUARTA TURMA, julgado em 02/04/2019, DJe de 24/04/2019). 4. Agravo interno desprovido. (STJ. AgInt nos EDcl no REsp n. 1.948.000/SP, relator Ministro Raul Araújo, Quarta Turma, julgado em 23/5/2022, DJe de 23/6/2022). [Grifei].

RAZÕES DE DECIDIR </p><p align="justify"> 3. No caso em espécie, analisando a movimentação do feito, confere-se que não concretizou o prazo quinquenal da prescrição intercorrente, tampouco se verificou desídia da parte exequente para promover os atos necessários à citação da devedora. Durante todo o interregno processual, inclusive antes da conversão da ação de busca e apreensão, o exequente foi diligente. À exceção do ato praticado no Id 25770931, que ultrapassou cerca de 60 corridos do primeiro prazo, o credor respondeu às intimações tempestivamente, sempre buscando medidas para viabilizar a citação do devedor. Por outro lado, observa-se que o feito ficou paralisado por mais de dois anos em mais de uma ocasião, aguardando despacho do juízo, tempo esse que dependeu exclusivamente da máquina judiciária. Com isso, vê-se que a demora para concretização das diligências, na verdade, decorreu do próprio Poder Judiciário, e não pode ser imputada ao exequente. 	execução lastreada em cédula de crédito bancária é de 5 (cinco) anos, de modo que a prescrição intercorrente ocorre em igual prazo (art. 206-A do Código Civil). Destaco que a prescrição intercorrente e a prescrição tradicional são institutos jurídicos que possuem a mesma finalidade, diferenciando-se somente pelo momento de sua incidência. Não basta que o titular do direito subjetivo à satisfação do crédito deduza sua pretensão em juízo dentro do prazo prescricional, é necessário também que promova os atos e diligências cabíveis à efetiva satisfação da tutela pretendida. Sobre o assunto, vale destacar o disposto no § 1º do art. 240 do CPC, segundo o qual “A interrupção da prescrição, operada pelo despacho que ordena a citação, ainda que proferido por juízo incompetente, retroagirá à data de propositura da ação”. No mesmo sentido, o art. 802 do CPC, <i>verbis</i>: Art. 802. Na execução, o despacho que ordena a citação, desde que realizada em observância ao disposto no § 2º do art. 240, interrompe a prescrição, ainda que proferido por juízo incompetente. Parágrafo único. A interrupção da prescrição retroagirá à data de propositura da ação. Portanto, a prescrição é interrompida pelo despacho que ordena a citação. Todavia, é preciso lembrar que a citação deve ser feita como determina a lei processual e que o autor tem de adotar as providências necessárias para viabilizá-la. É o que dispõem os artigos 202 do Código Civil e 240 do CPC, <i>verbis</i>: Art. 202, Código Civil. A interrupção da prescrição, que somente poderá ocorrer uma vez, dar-se-á: I - por despacho do juiz, mesmo incompetente, que ordenar a citação, se o interessado a promover no prazo e na forma da lei processual; Art. 240, CPC. A citação válida, ainda quando ordenada por juízo incompetente, induz litispendência, torna litigiosa a coisa e constitui em mora o devedor, ressalvado o disposto nos arts. 397 e 398 da Lei nº 10.406, de 10 de janeiro de 2002 (Código Civil). § 1º A interrupção da prescrição, operada pelo despacho que ordena a citação, ainda que proferido por juízo incompetente, retroagirá à data de propositura da ação. § 2º Incumbe ao autor adotar, no prazo de 10 (dez) dias, as providências necessárias para viabilizar a citação, sob pena de não se aplicar o disposto no § 1º. § 3º A parte não será prejudicada pela demora imputável

Superior Tribunal de Justiça, no julgamento do REsp: 1604412 SC 2016/0125154-1, que fixou a tese de que “Incide a prescrição intercorrente, nas causas regidas pelo CPC/73, quando o exequente permanece inerte por prazo superior ao de prescrição do direito material vindicado, conforme interpretação extraída do art. 202, parágrafo único, do Código Civil de 2002” (STJ, Relator: Ministro MARCO AURÉLIO BELLIZZE, Data de Julgamento: 27/06/2018, S2 - SEGUNDA SEÇÃO, Data de Publicação: DJe 22/08/2018). No caso em exame, observa-se que a ação originária (de busca e apreensão) foi proposta antes mesmo do início do prazo prescricional da pretensão do autor, pois o vencimento final da obrigação era 01.10.2010. Observa-se, também, que a conversão em ação executiva ocorreu em julho de 2021, ou seja, quase onze anos após o vencimento do título exequendo. Todavia, não se reconhece o fenômeno da prescrição porque seu termo a quo se dá com a frustração da busca e apreensão, que é quando nasce a pretensão de conversão em execução, conforme exegese do art. 4º do Decreto Lei nº. 911/1969, Art. 4º Se o bem alienado fiduciariamente não for encontrado ou não se achar na posse do devedor, fica facultado ao credor requerer, nos mesmos autos, a conversão do pedido de busca e apreensão em ação executiva, na forma prevista no Capítulo II do Livro II da Lei no 5.869, de 11 de janeiro de 1973 - Código de Processo Civil. Art. 4º Se o bem alienado fiduciariamente não for encontrado ou não se achar na posse do devedor, fica facultado ao credor requerer, nos mesmos autos, a conversão do pedido de busca e apreensão em ação executiva, na forma prevista no Capítulo II do Livro II da Lei no 5.869, de 11 de janeiro de 1973 - Código de Processo Civil. 1. O despacho que ordenou a citação do réu foi proferido em 20.03.2008, isto é, logo após o protocolo da ação e, em seguida, foi expedido o primeiro mandado, que foi devolvido em julho de 2009, conforme certidão de Id 25770660; 2. Em novembro de 2009 foi expedido um novo mandado, que também foi devolvido. Em julho de 2012, foi proferido despacho determinando a intimação do autor, sendo o expediente confeccionado em fevereiro de 2013 (Ids 25770677/25770679). O promovente se manifestou em 07.03.2013, pugnando pela pesquisa de endereço nos sistemas BACENJUD e RENAJUD, o que foi deferido apenas no despacho de 17.06.2016 e efetivado em 29.06.2017 (vide Ids 25770688 e 25770692). 3. Prosseguindo-se o feito, foram expedidos novos mandados de busca e apreensão, mas as diligências foram cumpridas sem êxito (Vide Ids 25770718, 25770739, 25770804 e 25770830). Em seguida, em 19.07.2021, o credor requereu a conversão do feito em ação executiva, o que foi deferido na decisão de Id 25770840. 4. Em petição de Id 25770900, de 26.10.2021, o exequente forneceu endereço do executado, para fins de citação. Constatada a ausência da planilha de débito,

	o credor foi intimado para apresentá-la, tendo cumprido a diligência no prazo designado, no Id 25770912, de 26.07.2022. 5. Expedido o novo mandado, o meirinho certificou o falecimento do executado, conforme expediente de Id 25770923, de 12.01.2023. Intimado, o credor deixou transcorrer o prazo sem manifestação, conforme certidão de decurso de prazo de Id 25770929. Em 30.06.2023 (Id 25770931), depois de quase dois meses do prazo concedido, o credor peticionou requerendo a busca de endereço do executado nos sistemas de auxílio ao Judiciário, o que foi deferido pelo d. juízo a quo, em despacho de 11.09.2023, Id 25770932. 6. A pesquisa foi realizada entre os meses de janeiro e março de 2024, conforme Ids 25770938 e 25770991. Instado a se manifestar, o banco pugnou pela citação por edital. 7. Em 11.02.2025, foi proferido despacho determinando a intimação do exequente para se manifestar sobre possível ocorrência de prescrição, o que foi atendido na petição de Id 25771004. Em seguida, foi proferida a sentença ora recorrida. Feita essa digressão aos autos, confere-se que não concretizou o prazo quinquenal da prescrição intercorrente, pois, ainda que se considere o tempo que deixou de promover a citação dos herdeiros do devedor falecido, não se verifica ter ultrapasso o prazo de cinco anos desde a comunicação do óbito (vide Id 25770923). Além disso, durante todo o interregno processual, inclusive antes da conversão da ação de busca e apreensão, o exequente foi diligente. À exceção do ato praticado no Id 25770931, que ultrapassou cerca de 60 corridos do primeiro prazo, o credor respondeu às intimações tempestivamente, sempre buscando medidas para viabilizar a citação do exequido. Por outro lado, observa-se que o feito ficou paralisado por mais de dois anos em mais de uma ocasião, aguardando despacho do juízo, conforme descrito no item 2, acima, tempo esse que dependeu exclusivamente da máquina judiciária. Com isso, vê-se que o credor agiu de modo a buscar a satisfação de seu crédito e que a demora para concretização das diligências, na verdade, decorreu do próprio Poder Judiciário, e não pode ser imputada ao exequente. Nesse sentido, o § 3º do art. 240 do CPC, citado acima, e o enunciado de súmula nº 106 do c. STJ, que orienta: "Proposta a ação no prazo fixado para o seu exercício, a demora na citação, por motivos inerentes ao mecanismo da Justiça, não justifica o acolhimento da arguição de prescrição". Em casos análogos, já se manifestaram o Superior Tribunal de Justiça e esta egrégia Corte de Justiça. AGRAVO INTERNO NO AGRAVO EM RECURSO ESPECIAL. EXECUÇÃO DE TÍTULO EXTRAJUDICIAL. "Consoante entendimento consolidado das Turmas que compõem a Segunda Seção desta Corte, não flui o prazo da prescrição intercorrente no período em que o processo de execução fica suspenso por ausência de bens penhoráveis. Ademais a prescrição intercorrente pressupõe desídia do credor que, intimado a diligenciar, se mantém inerte." (AgRg no AREsp 277.620/DF, Rel. Ministro ANTONIO CARLOS FERREIRA, QUARTA TURMA, julgado em 17/12/2013, DJe 03/02/2014). 2. A Corte de origem, soberana na análise do caderno processual, concluiu que não se configurou a prescrição intercorrente, uma vez que, a despeito de demanda ter permanecido arquivada administrativamente por pouco mais de 3 (três) anos, após a constituição de novos procuradores, a casa bancária manifestou-se quando instada pelo Juízo, tendo, inclusive, logrado êxito no pleito de constrição de valores a fim de satisfazer a obrigação, razão pela qual não há falar em inércia a justificar o é reconhecimento da prescrição intercorrente. Inviável tais premissas, a fim de reconhecer a suposta inércia do exequente, ante o óbice da Súmula 7/STJ. 3. Agravo não provido. (STJ - AgInt no AREsp: 1584281 SC 2019/0275810-6, Relator: Ministro LUIS FELIPE SALOMÃO, Data de Julgamento: 03/03/2020, T4 - QUARTA TURMA, Data de Publicação: DJe 10/03/2020, G.N.). A incidência da prescrição intercorrente pressupõe a inércia do exequente por prazo superior ao de prescrição do direito material vindicado, excluindo os casos em que a execução foi paralisaada por determinação judicial, como na espécie. 2. Alterar o entendimento do acórdão recorrido de que não houve desídia do agravado, para o fim de reconhecer a prescrição intercorrente, demandaria, necessariamente, reexame de fatos e provas, o que é vedado em razão do óbice da Súmula 7 do STJ. 3. O recorrente pede a concessão da justiça gratuita e defende, em suma, a incidência da prescrição trienal (art. 70, do Decreto 57.663/1966), bem como que em 27.07.2017 o Juízo singular ordenou a citação do embargante, ora apelante), porém, a citação válida somente ocorreu na data de 30.04.2021, portanto, após quase 03 (três) anos, razão pela qual não há que se falar em interrupção da prescrição. E ainda, caso assim não se entenda, pede a autorização para renegociação da dívida, nos termos integrais da Medida Provisória 1.016, de 17 de dezembro de 2020. 2. Considerando-se que se presume verdadeira a alegação de insuficiência (§ 3.º do art. 99 do CPC), bem como que não há nos autos elementos que apontem a suficiência financeira do apelado, concede-se ao apelado as benesses da justiça gratuita, operando-se, contudo, efeito ex nunc, não alcançando, portanto, despesas e verbas incidentes em momento anterior, ou seja, a condenação imposta na sentença ao pagamento das custas

(AgInt no AREsp n. 1.637.969/RJ, relator Ministro Marco Buzzi, Quarta Turma, julgado em 22/6/2020, DJe de 30/6/2020.). 5. No caso em apreço, como a Cédula de Crédito Bancário que fundamenta a presente Ação Monitória, acostada às fls. 13/34, foi emitida em 12.12.2012 e com vencimento da última parcela em 12.12.2024 (ver cláusula “forma de pagamento”, fls. 20/22), e a ação foi ajuizada em 20.07.2017, não ocorreu prescrição. 6. Segundo entendimento do STJ, “a prescrição intercorrente da pretensão executiva pressupõe inércia injustificada do credor, o que não se verifica quando o período sem prática de atos processuais é atribuível à demora no impulso oficial pelo órgão judiciário”. (AgInt no AREsp n. 1.897.097/RN, relator Ministro Raul Araújo, Quarta Turma, julgado em 27/6/2022, DJe de 29/6/2022.) 7. Da data do despacho que ordenou a citação (26.07.2017) até a sua efetivação (30.04.2021) decorreu tempo aproximado de 04 (quatro) anos, ou seja, menos que o prazo prescricional definido em lei (5 anos), além do que os lapsos temporais em que o processo esteve parado, não foi por inércia da parte autora, mas por morosidade do mecanismo judiciário. A ser assim, não há que se falar em incidência de prescrição ao caso concreto por nenhuma das hipóteses aqui levantadas pelo apelante. 8. DATA DA PUBLICAÇÃO DA LEI 14.195/2021. SENTENÇA DESCONSTITUÍDA. RECURSO PROVIDO. 1. O instituto da prescrição intercorrente, na redação original do CPC de 2015, tinha como pressuposto a configuração da inércia do credor e a prévia suspensão do feito pelo prazo de um ano, de acordo com os §§ 1º e 4º do art. 921. Esse requisito foi reforçado por tese fixada pelo STJ, relativa à prescrição intercorrente no processo civil, mantendo-se fiel ao pressuposto da inércia para reconhecimento da prescrição intercorrente, independentemente do êxito das diligências postuladas (IAC no REsp 1.604.412/SC, Rel. Ministro Marco Aurélio Bellizze, 2ª Seção, J. 27/06/2018). 2. A nova redação do § 4º, trazida pela Lei nº 14.195/2021, não pode retroagir e alcançar atos processuais já praticados e modificar os seus efeitos no passado, pois, antes do seu advento, a prescrição intercorrente, nas execuções civis, somente se caracterizava com a inércia do credor por prazo superior ao prazo prescricional. Precedentes. 3. In casu, há de se evidenciar que o Exequente tentou realizar a citação da parte promovida diversas vezes, e em todas elas não obteve êxito. É o que se observa das fls. 111 e 120. Em seguida, após tentativas de obtenção de informações e busca de bens em diversos sistemas a disposição do Poder Judiciário, o Banco exequente requereu a expedição de mandado de penhora de um imóvel indicado, pleito que sequer foi apreciado pelo juízo singular. Observa-se que o exequente manteve-se diligente e atuante nos autos, afastando qualquer tipo de argumentação quanto a uma possível desídia sua. 4. Por outro lado, o prazo de suspensão da execução findou quando ainda não estava vigente a Lei 14.195/2021, entretanto o juiz sentenciante utilizou como prazo inicial da prescrição intercorrente a data da primeira citação infrutífera e sem penhora de bens (10/08/2010). Verifica-se, portanto, o equívoco no entendimento adotado pelo Juízo sentenciante quanto à configuração da prescrição intercorrente no caso concreto, tendo em vista que a regra prevista na nova redação do § 4º do art. 921 do CPC somente poderia ser aplicada a atos processuais que se realizaram após o início da sua vigência. 5. 	</p><p class="EmentadoAcrdo" style="margin-bottom: 6.0pt; text-align: justify;"> 2. A questão em discussão é a possível responsabilidade da instituição financeira apelante na realização das transações efetuadas na conta bancária da promovente/apelada, que lhe implicaram prejuízo financeiro de R\$ 22.442,37.</p><p class="EmentadoAcrdo" style="margin-bottom: 6.0pt; text-align: justify;"> III. RAZÕES DE DECIDIR </p><p class="EmentadoAcrdo" style="margin-bottom: 6.0pt; text-align: justify;"> 3. À vista da prova documental produzida nos autos, confere-se que as movimentações contestadas foram realizadas de forma eletrônica, via aplicativo de celular, com uso de senha pessoal, o que corrobora com as alegações do requerido e que não foram impugnadas pela promovente. Na verdade, a parte autora não nega as transações, mas afirma que foram realizadas por terceiros, que acessaram sua conta por falha de segurança do banco. Todavia, a própria promovente afirmou ter permitido o acesso de golpistas a seu smartphone e à instalação de aplicativo que permitiu o acesso à sua conta bancária, evidenciando a culpa exclusiva da vítima, excludente de responsabilidade civil da instituição financeira, nos termos do art. 14, § 3º, inciso II, do CDC.</p><p class="EmentadoAcrdo" style="margin-bottom: 6.0pt; text-align: justify;"> 4. Portanto, reveste-se o caso de fortuito externo em razão do suposto golpe ter ocorrido fora do âmbito da atividade bancária propriamente dita e ser estranho à organização da empresa. Em decorrência disso, não há falar em responsabilidade objetiva da instituição financeira, pois é somente o fortuito interno (súmula 479 do STJ), aquele ligado diretamente ao risco da atividade exercida, que caracteriza o dever de indenizar independente da constatação de culpa. Desse modo, é inexistente o nexo de causalidade entre o prejuízo sofrido pela autora e a conduta atribuída à instituição financeira, o que exclui o dever de indenizar. &#160;</p><p class="EmentadoAcrdo" style="margin-bottom: 6.0pt; text-align: justify;"> IV. 	garantir segurança aos seus clientes, considerando que o crime foi perpetrado através de uma ligação entre a autora e um terceiro, utilizando-se de contato distinto dos canais oficiais de atendimento da instituição financeira. Isso resultou em um prejuízo financeiro decorrente de uma ação externa à conduta da agência bancária, que contou com contribuição decisiva da própria autora, sem qualquer ingerência do demandado. Embora se possa questionar, em tese, o dever de cautela da instituição financeira diante de transações atípicas nas contas de seus clientes, tal argumento não se aplica ao caso em questão. As operações foram realizadas por meio de dispositivo habilitado pela autora, com o uso da senha pessoal e intransferível de quatro dígitos, razão pela qual a instituição não verificou indícios de fraude em sua realização. Diante disso, forçoso concluir que as provas documentais produzidas nos autos constituem evidências firmes de que as transferências ora impugnadas foram realizadas sem falhas na prestação de serviço do banco acionado (STJ, Súmula 479), de maneira que não se pode lhe imputar responsabilidade por suposto golpe aplicado por terceiro, com facilitação da própria vítima, que permitiu o acesso a seu celular e ainda lhe forneceu dados pessoais. Assim, evidencia-se a culpa exclusiva da vítima, excludente de responsabilidade civil da instituição financeira, nos termos do art. 14, § 3º, inciso II, do CDC, <i>in verbis</i>: Art. 14. O fornecedor de serviços responde, independentemente da existência de culpa, pela reparação dos danos causados aos consumidores por defeitos relativos à prestação dos serviços, bem como por informações insuficientes ou inadequadas sobre sua fruição e riscos. § 1º O serviço é defeituoso quando não fornece a segurança que o consumidor dele pode esperar, levando-se em consideração as circunstâncias relevantes, entre as quais: I - o modo de seu fornecimento; II - o resultado e os riscos que razoavelmente dele se esperam; III - a época em que foi fornecido. § 2º O serviço não é considerado defeituoso pela adoção de novas técnicas. § 3º O fornecedor de serviços só não será responsabilizado quando provar: I - que, tendo prestado o serviço, o defeito inexiste; II - a culpa exclusiva do consumidor ou de terceiro. [Grifou-se] Portanto, reveste-se o caso de fortuito externo em razão do suposto golpe ter ocorrido fora do âmbito da atividade bancária propriamente dita e ser estranho à organização da empresa. Em decorrência disso, não há falar em responsabilidade objetiva da instituição financeira, pois é somente o

	fortuito interno (súmula 479 do STJ), aquele ligado diretamente ao risco da atividade exercida, que caracteriza o dever de indenizar independente da constatação de culpa. Desse modo, é inexistente o nexo de causalidade entre o prejuízo sofrido pela autora e a conduta atribuída à instituição financeira, o que exclui o dever de indenizar. Nesse sentido, é pacífico o entendimento deste e. Tribunal de Justiça. Vejamos (grifos nossos): EMENTA: DIREITO DO CONSUMIDOR E CIVIL. APELAÇÃO CÍVEL. FRAUDE BANCÁRIA. GOLPE DA FALSA CENTRAL DE ATENDIMENTO. CULPA EXCLUSIVA DA VÍTIMA. FORTUITO EXTERNO. RESPONSABILIDADE DO BANCO AFASTADA. SENTENÇA REFORMADA. RECURSO DO BANCO PROVIDO. APELAÇÃO ADESIVA PREJUDICADA. I. CASO EM EXAME: Apelação cível e recurso adesivo interpostos contra a sentença que julgou procedente a ação de reparação de danos originária, reconhecendo a ocorrência de golpe na situação examinada, declarando a inexistência da dívida contraída pela Autora e condenando o banco ao pagamento de indenização material de R\$ 22.969,00 e moral no valor de R\$ 7.000,00. II. QUESTÃO EM DISCUSSÃO: Há duas questões em discussão: (i) definir se a instituição financeira responde objetivamente pelos prejuízos decorrentes de fraude bancária praticada por terceiros, em contexto de operações realizadas pela própria cliente, sem a concorrência do Banco para o prejuízo; (ii) estabelecer se a indenização por danos morais fixada em primeiro grau deveria ser majorada. III. RAZÕES DE DECIDIR 1. O Código de Defesa do Consumidor é aplicável às instituições financeiras (STJ, Súmula 297), que respondem objetivamente pelos danos causados em razão do risco da atividade (CDC, art. 14). 2. Entretanto, a responsabilidade do banco é afastada quando configurada culpa exclusiva do consumidor ou de terceiro (CDC, art. 14, § 3º, II). 3. No caso, a fraude foi perpetrada mediante contato telefônico de número não oficial, no qual a própria autora forneceu seus dados e realizou voluntariamente as operações, inclusive transferências e pagamentos a terceiros sem vínculo com a instituição financeira. 4. As transações foram autenticadas por dispositivo habilitado pela cliente, com senha pessoal e biometria facial, afastando-se indícios de falha do banco.

Apelação Cível interposta por NU Pagamentos S/A e NU Financeira S/A - Sociedade de Crédito, Financiamento e Investimento contra a sentença proferida pelo douto Juízo da Vara Única da Comarca de Monsenhor Tabosa que, nos autos da Ação Declaratória De Inexigibilidade De Débito Cumulada Com Indenização Por Danos Materiais E Morais, ajuizada por Maria Rosimeiry Pereira de Sousa, julgou parcialmente procedentes os pedidos autorais para condenar a instituição financeira à restituição do valor subtraído da conta da autora. II. QUESTÕES EM DISCUSSÃO 2. Há duas questões em discussão: (i) se houve falha na prestação de serviço por parte da instituição financeira promovida; e (ii) se deve a requerida/apelada ser condenada ao pagamento de dano material em favor da autora/apelada. III. RAZÕES DE DECIDIR 3. In casu, tenho que não há como não se reconhecer a culpa exclusiva da vítima que, embora acreditasse estar em contato com o funcionário da instituição bancária, a meu sentir, a autora faltou com o dever de atenção e cuidado em relação a ação fraudulenta dos estelionatários, ao passo que observo que nas mensagens recebidas não há nenhuma informação dos dados bancários da autora, bem como o link e o número de telefone utilizado pelos fraudadores é totalmente divergente daqueles que a casa bancária divulga como sendo os meios de contatos oficiais para o contato dos clientes. Assim, a própria autora facilitou a transferência do montante da conta bancária. 4. Não ouvido que, à medida em que a tecnologia avança, fraudadores aperfeiçoam as técnicas ilícitas para aplicação de golpes, ficando, assim, o consumidor vulnerável a inúmeros tipos de artimanhas praticadas. Logo, cabe ao fornecedor, instituição financeira, se antever desses artifícios criando mecanismos que barrem transações suspeitas. No entanto, não enxergo nexo de causalidade entre a conduta da instituição financeira e a ação perpetrada pelos fraudadores que enseje à promovida a condenação em restituir o valor transferido da conta bancária da autora. I. DISPOSITIVO E TESE 5. Recurso conhecido e provido. Sentença reformada. RAZÕES DE DECIDIR </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify;"> 3. Primeiramente, destaco que é unânime o entendimento de que “o Código de Defesa do Consumidor é aplicável às instituições financeiras”. (Súmula 297, STJ). </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify;"> 4. Apreciando os autos, o juízo singular, à luz das provas dos autos, entendeu que os elementos indicam a ausência de violação aos sistemas de segurança das instituições financeiras: </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify;"> 5. Reavaliando as provas dos autos, consta à Inicial&#160; print de SMS recebido pela autora, com o nome “N *U PAGAMENTOS”, informando a existência de transação suspeita no valor de “R1.796,32”, indicando as primeiras irregularidades, em razão de o nome da instituição financeira (NU PAGAMENTOS) não está devidamente redigido e não constar o cifrão (\$) na quantia informada. </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify;"> 6. Ademais, no mínimo se causa estranheza que, para não se reconhecer uma transação suspeita, no valor de R\$ 1.796,32, o correntista tenha que realizar transferências bancárias para pessoa física desconhecida e em valor superior ao apontado como suspeito. Soma-se, ainda, o fato de as transações terem sido realizadas do aparelho da autora e mediante a utilização de sua senha, e em valores não demasiadamente elevados. </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify;"> 7. Em que pese as instituições financeiras tenham o dever de manter dispositivos de segurança a fim de evitar fraudes e subtrações bancárias, o consumidor também deve adotar medidas de cuidados, verificando a procedência dos SMSs e ligações recebidas, conferindo se os números utilizados são os mesmos constantes nos canais oficiais da instituição financeira e, em caso de dúvida, entrar em contato através dos meios oficiais disponibilizados. </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify;"> 8. Dessa forma, no caso concreto, não é possível imputar aos demandados o nexo causal pelo dano, restando evidente a existência da excludente de responsabilidade do fornecedor prevista no art. 14, § 3º, II, do CDC, diante da culpa exclusiva de terceiro. </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify;"> IV. Recurso de Apelação Cível interposto contra sentença que julgou improcedente ação anulatória de negócio jurídico c/c restituição e repetição de indébito e indenização por danos morais, ajuizada por consumidor vítima de golpe telefônico, no qual terceiros, mediante falsa informação de que havia transferência bancária suspeita em sua conta bancária e de seu esposo, obtiveram acesso ao dispositivo móvel e realizaram operações via PIX, além de empréstimo, totalizando o valor de R\$ 23.322,00. II. Questão em discussão 2. Verificação da possibilidade de responsabilização civil da instituição financeira por danos decorrentes de golpe telefônico praticado por terceiros e da configuração de excludentes de responsabilidade, como culpa exclusiva da vítima e fortuito externo, à luz das normas consumeristas. III. Razões de decidir 3. A relação jurídica entre as partes caracteriza-se como consumerista, regendo-se pelo Código de Defesa do Consumidor (arts. 2º e 3º, CDC). Todavia, a responsabilidade civil objetiva da instituição financeira, com base na teoria do risco do empreendimento, não é absoluta, sendo afastada nas hipóteses de excludentes, como culpa exclusiva da vítima e fortuito externo (art. 14, § 3º, CDC). 4. No caso, restou configurada a culpa exclusiva da vítima, que forneceu informações sensíveis e seguiu instruções de terceiro, possibilitando o acesso indevido à conta bancária. Tal conduta demonstra negligência no cumprimento de deveres mínimos de cautela. 5. O golpe ocorreu fora do âmbito da atividade bancária e sem relação com falha na prestação de serviços, caracterizando fortuito externo, que rompe o nexo causal e exclui a responsabilidade do banco. 6. Precedentes deste e. Tribunal e do STJ reconhecem que, em casos semelhantes, inexistente responsabilidade do banco diante da contribuição exclusiva do consumidor para a ocorrência do dano. IV. 	ausência de prova de defeito na prestação do serviço. A autora alegou ter sido induzida a realizar operação no valor de R\$ 20.000,00 por terceiros que possuíam seus dados pessoais, sustentando falha na segurança do banco. II. Questão em discussão 2. A questão em discussão consiste em verificar se a instituição financeira pode ser responsabilizada pelos danos suportados pela consumidora, em razão de fraude perpetrada por terceiro, que a induziu, por meio de contato telefônico, a realizar transferência bancária, sob o argumento de falha no dever de segurança e possível vazamento de dados. III. Razões de decidir 3. O extrato bancário anexado aos autos confirma a alegação da apelante quanto à existência da transferência bancária no valor de R\$ 20.000,00, realizada no dia 26.01.2023, mediante débito de sua conta poupança (Id 19337293). Entretanto, não se verifica nenhum indício de irregularidade na operação realizada, tampouco prova de falha sistêmica ou de segurança por parte da instituição financeira. A transação foi processada de forma regular, com autenticação legítima da titular da conta, sem bloqueio, alerta ou interferência externa detectada no sistema bancário. 4. Nos termos do art. 14, § 3º, II, do CDC, a responsabilidade do fornecedor de serviços é afastada quando demonstrada a culpa exclusiva do consumidor ou de terceiro, o que se evidencia na hipótese, em razão da conduta voluntária da apelante ao seguir instruções telefônicas de suposto atendente bancário, sem ter buscado confirmação por canal oficial da instituição financeira. Ademais, não há nos autos nenhuma comprovação de que a instituição financeira tenha sido responsável pelo vazamento dos dados da apelante. A simples afirmação de que os fraudadores detinham informações pessoais da correntista não é suficiente, por si só, para caracterizar falha no dever de segurança da instituição financeira, competindo à parte autora o ônus da prova quanto aos fatos constitutivos de seu direito, nos termos do art. 373, I, do CPC. 5. Dessa forma, conclui-se que a apelante agiu com imprudência ao realizar, de forma voluntária, transferência bancária de valor significativo sem verificar previamente a autenticidade das orientações recebidas, mesmo estando no interior da agência bancária, não sendo possível imputar a responsabilidade à empresa ré, o que caracteriza culpa exclusiva da vítima e de terceiro, conforme prevê o art. 14, § 3º, II, do CDC. 6. Ainda, não há prova de que o apelado tenha deixado de adotar medidas de segurança para evitar golpes desse tipo, não havendo nos autos indícios concretos de vazamento de dados bancários atribuíveis à instituição financeira. 7. Assim, ausente demonstração de nexo causal entre a atividade bancária e o prejuízo suportado, mantém-se inócua a conclusão sentencial quanto à inexistência de responsabilidade do promovido. Com efeito, inexistindo os elementos indispensáveis à configuração da responsabilidade civil objetiva – ato ilícito, dano e nexo causal –, não há como se admitir a reparação pelos supostos danos materiais e morais reclamados pela apelante. Dispositivo 8. Recurso conhecido e desprovido. Sentença mantida. 	importância referente à condenação e o crédito disponibilizado pela instituição financeira demandada à parte autora, o qual será corrigido pelo INPC desde a comprovada transferência; d) negar o pedido de indenização por danos morais. Em suas razões, a promovente aduz que a prova pericial não foi realizada, e o banco foi condenado à restituição dos valores descontados indevidamente. Todavia, a r. sentença deixou de condenar a instituição financeira ao pagamento de indenização por danos morais. Ressalta que, diante da inexistência de contrato válido e da evidente falha na prestação do serviço por parte do apelado, a ausência de condenação por danos morais revela-se inadequada, sobretudo considerando a conduta abusiva da instituição financeira, que extrapolou os limites do exercício regular de direito e causou prejuízos significativos à autora, aposentada e parte hipossuficiente na relação contratual. Requer a reforma da r. sentença para que a instituição financeira seja condenada ao pagamento a título de danos morais no montante de R\$ 10.000,00 (dez mil reais), atendendo sempre ao princípio da razoabilidade e proporcionalidade. Aduz, por fim, destaca a impossibilidade de incidência de juros ou atualização monetária sobre o valor a ser compensado. Defende que a atualização sobre tal valor não deve prosperar, por ser inaceitável que a autora, já vítima de descontos indevidos em seu benefício previdenciário por anos, seja ainda onerada com juros ou correção monetária sobre um valor que jamais deveria ter sido creditado em sua conta. A instituição financeira, por sua vez, em seu apelo, argui que apresentou o contrato celebrado, comprovante de transferência de empréstimo, conforme reconhecido pela própria parte apelada, entretanto, a sentença combatida julgou procedente em parte os pedidos autorais. Salienta que, mesmo ausente o laudo pericial, necessário que seja avaliado todo o conjunto probatório apresentado pela instituição financeira perante o juízo, no intuito de avaliar a validade da contratação, sendo que a perícia grafotécnica configura apenas uma das formas de avaliar se houve ou não fraude. Destaca que, em análise “a olho nu” dos documentos apresentados nos autos, é notória a similitude na grafia existente em todas as assinaturas apostas tanto no contrato como no documento de identidade carreado, argumentando, ainda que “Se realmente é necessário a realização de perícia

Em contrapartida, ao apresentar réplica (id. 25928223), a promovente afirmou desconhecer a assinatura aposta ao documento, alertando ser necessária a produção de prova pericial grafotécnica. Nos termos da decisão interlocutória, foi determinada a intimação do Banco promovido para recolher o valor dos honorários periciais, no prazo de 10 dias, sob pena de julgamento do feito no estado em que se encontra, assumindo o Banco o ônus da ausência da prova pericial, em consonância com o Tema nº 1.061, do STJ (id. 25928277). Apesar da determinação judicial, a instituição financeira permaneceu inerte. (id. 25928293) ficando silente com relação à eventual dilação probatória, furtando-se, portanto, do ônus que lhe competia, na forma do art. 429, inciso II, do CPC, verbis: Art. 429. Incumbe o ônus da prova quando: I - se tratar de falsidade de documento ou de preenchimento abusivo, à parte que a arguir; II - se tratar de impugnação da autenticidade, à parte que produziu o documento. Nessa mesma linha de raciocínio, em julgamento submetido ao rito dos recursos repetitivos, a Segunda Seção do c. Superior Tribunal de Justiça firmou a seguinte tese jurídica (Tema 1.061): "Na hipótese em que o consumidor/autor impugnar a autenticidade da assinatura constante em contrato bancário juntado ao processo pela instituição financeira, caberá a esta o ônus de provar a autenticidade (CPC, arts. 6º, 369 e 429, II)". Com base nisso, ao analisar as provas coligidas aos autos, o juízo de primeiro grau considerou, acertadamente, que a instituição financeira não se desincumbiu do seu ônus probatório, tendo em vista que não demonstrou adequadamente a regular contratação, na medida em que não foi capaz de superar a queixa de inautenticidade da assinatura aposta ao contrato, deixando de comprovar, portanto, a validade do instrumento. Isto é, uma vez questionada a assinatura inscrita em documento produzido pelo banco, a este competia demonstrar a sua autenticidade, havendo, no entanto, a preclusão para exercer o direito de produção de provas nesse sentido (art. 223, caput, do CPC), visto que, embora devidamente intimado, o banco ficou-se inerte.

O Superior Tribunal de Justiça tem entendimento firmado de que preclui o direito à prova se a parte, intimada para especificar as que pretendia produzir, não se manifesta oportunamente, e a preclusão ocorre mesmo que haja pedido de produção de provas na inicial ou na contestação, mas a parte silencia na fase de especificação. Precedentes do STJ. 4. Assim, conforme corretamente fundamentado na decisão recorrida, embora o autoragravante tenha requerido em sua inicial a produção de "todas as provas admitidas em direito", ficou inerte quando devidamente intimado para especificar e justificar eventuais provas que pretendesse produzir, mais precisamente a respeito da produção da referida prova documental (filmagens das câmeras de segurança), acarretando na preclusão desse direito. 5. A ausência de impugnação, nas razões do recurso especial, de fundamento autônomo e suficiente à manutenção do aresto recorrido atrai, por analogia, o óbice da Súmula 283 do STF. 2. 	APELAÇÃO EM AÇÃO DECLARATÓRIA DE NULIDADE C/C INDENIZAÇÃO POR DANOS MATERIAIS E MORAIS. DESCONTO CONTA-SALÁRIO DA AUTORA. DANOS MORAIS NÃO CONFIGURADOS. DESCONTOS ÍNFIMOS. MEROS ABORRECIMENTOS. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA CONFIRMADA. 1. O douto magistrado singular, julgou parcialmente procedente os pedidos contidos na ação Declaratória de Nulidade c/c Indenização por Danos Materiais e Morais, declarando inexistente o contrato de empréstimo impugnado, condenando o banco/apelado a restituir à parte autora/recorrente, os valores que tenham sido descontados do benefício previdenciário, desacolhendo, no entanto, o pedido de indenização por danos morais, considerando que a conduta do banco/recorrido não acarretou intenso sofrimento à vítima ou lesão aos seus direitos de personalidade, elementos da responsabilidade objetiva. 2. O cerne da controvérsia recursal consiste na possibilidade da instituição financeira/apelante ser condenada a título de danos morais em razão de descontos indevidos no benefício previdenciário da autora/apelante, referente a contrato de empréstimo consignado. 3. Dano Moral - A existência do dano moral pressupõe a configuração de lesão a um bem jurídico que integra os direitos da personalidade, como a honra, a dignidade, a intimidade, a imagem, o bom nome etc., com base se infere dos arts. 1º, III, e 5º, V e X, da Constituição Federal. 4. No caso, ainda que tenha ocorrido descontos indevidos, tal fato não se mostra suficientemente capaz de ensejar o dano moral alegado, posto que não se traduz em qualquer ofensa aos direitos da personalidade a existência de descontos de valores irrisórios (03 parcelas de R\$ 29,50), ocorridos no benefício previdenciário da demandante/recorrente (fls.17) . 5. Desse modo, ausente a demonstração de que o indébito não ultrapassou meros aborrecimentos, não há que se falar em condenação da entidade bancária ao pagamento de indenização por danos morais. 6. Recurso conhecido e desprovido. Sentença confirmada. (TJCE. Apelação Cível - 0050308-05.2021.8.06.0085, Rel. Desembargador (a) EMANUEL LEITE ALBUQUERQUE, 1a Câmara Direito Privado, data do julgamento: 17/05/2023, data da publicação: 17/05/2023). No caso em tela, verifica-se que os descontos realizados no benefício previdenciário da demandante não ultrapassaram o valor de R\$ 87,00 (oitenta e sete reais), conforme histórico de créditos (id. 25927586). Assim, entende-se que a consumidora não ficou desprovida de recursos financeiros para solver suas despesas ordinárias, inclusive é de se observar que não houve nenhuma comprovação nesse sentido, de sorte que a existência de descontos no valor acima referido não caracteriza dor, sofrimento ou humilhação, tampouco representa violação à honra, à imagem ou à vida privada da autora. Com efeito, não se vislumbra dano à personalidade que possa ensejar o pagamento de indenização por danos morais, notadamente porque referidos descontos não foram capazes de causar maiores consequências negativas, como a inscrição do nome da consumidora nos cadastros de proteção ao crédito ou o comprometimento do mínimo existencial, sendo o caso, portanto, de acolher os argumentos da instituição financeira apelante, no sentido de que os descontos não causaram lesão de ordem moral, ainda mais também porque comprovada a disponibilização do crédito em benefício e proveito da consumidora. Da Compensação Por fim, agiu com acerto o douto Juiz de 1º grau ao determinar a realização de compensação entre o valor creditado em favor da autora e a quantia correspondente ao indébito, por considerar que a instituição financeira juntou comprovante de transferência bancária (id. 25928200), em que consta o recebimento do crédito correspondente à contratação ora discutida, no montante de R\$ 3.110,00 (três mil, cento e dez reais),

	devendo tal valor, a despeito da argumentação da promovente, ser corrigido monetariamente pelo INPC, desde a data da transferência, posto que a hipótese de não incidência de correção monetária ensejaria enriquecimento ilícito da autora, bem como ofenderia os princípios de justiça e equidade. </p><p class="western" style="line-height: 200%; orphans: 2; widows: 2; text-indent: 2.5cm; margin-top: 0.5cm; margin-bottom: 0.5cm; background: transparent;" align="justify"> Nesse sentido: </p><p class="western" style="line-height: 200%; orphans: 2; widows: 2; margin-left: 4cm; margin-top: 0.5cm; margin-bottom: 0.5cm; background: transparent; page-break-before: auto;" align="justify"> RECURSO DE APELAÇÃO. Sustenta que os danos materiais e morais decorreram diretamente da falha na prestação do serviço, evidenciada pela ausência de segurança no ambiente bancário e pela negligência no dever de vigilância, circunstâncias que permitiram a atuação de terceiro se passando por funcionário, sem qualquer intervenção dos empregados ou seguranças. </p><p style="text-align: justify; text-indent: 8%;"> Aduz que o prejuízo suportado, no valor de R\$ 6.000,00 (seis mil reais), representa quantia significativa para qualquer consumidor, especialmente para uma aposentada que depende exclusivamente de seu benefício previdenciário. Ressalta, ainda, que o banco promovido, mesmo ciente da fraude, não adotou medidas para minimizar os danos, agravando o sofrimento emocional e o sentimento de desamparo da requerente. </p><p style="text-align: justify; text-indent: 8%;"> Ao final, requer a reforma da sentença para que sejam integralmente acolhidos os pedidos iniciais, com a consequente condenação da recorrida ao pagamento de indenização por danos materiais e morais, bem como de honorários advocatícios sucumbenciais. </p><p style="text-align: justify; text-indent: 8%;"> Ausência de preparo recursal, pois beneficiária da gratuidade judiciária.</p><p style="text-align: justify; text-indent: 8%;"> Em contrarrazões recursais (ID 25935308), o banco réu pugna, preliminarmente, pelo não conhecimento do recurso interposto ante a ausência de dialeticidade recursal. 	a preliminar arguida pela parte ré em sede de contrarrazões, defendendo que a recorrente não atacou os fundamentos jurídicos expostos na sentença, deixando de atender ao princípio da dialeticidade, o que se configura em requisito de admissibilidade formal, não devendo ser conhecido o recurso ora combatido. É sabido que não há como se admitir um recurso cujas razões estejam inteiramente dissociadas da decisão combatida, uma vez que se impõe ao recorrente contrapor-se aos fundamentos da decisão, com o fito de demonstrar em que consistiu o erro, quer processual, quer material, sustentando as razões de sua reforma. A parte recorrente tem, portanto, o ônus processual de demonstrar quais falhas processuais ou materiais na decisão judicial que devem ensejar o provimento do recurso. Diz-se que esse ônus decorre direta e imediatamente do princípio da dialeticidade, que sugere a necessidade de existência de pertinência temática entre as razões recursais e os fundamentos da decisão impugnada. No presente caso, vê-se que a parte autora se insurgiu de forma clara e consistente sobre os fundamentos da sentença adversada, explanando os motivos pelos quais entende que deve ser objeto de reforma. Cumpriu, assim, com todos os elementos formais de admissibilidade do recurso, por estar clara a sua pretensão. Diante disso, é de se rejeitar a preliminar apresentada. 2 – Do juízo de admissibilidade Conheço do recurso de apelação cível, pois satisfeitos os requisitos intrínsecos e extrínsecos de admissibilidade. 3 – Do mérito recursal A controvérsia recursal restringe-se a examinar se a instituição financeira incorreu em falha na prestação do serviço em razão das movimentações fraudulentas de valores da conta da autora, realizada por estelionatário no interior da agência bancária, bem como se tal circunstância é suficiente para ensejar a condenação ao pagamento de indenização por danos materiais e morais. Rememorando os fatos, a autora, ora apelante, narra na inicial que, em 12/05/2023, foi vítima de golpe dentro de agência do Banco Bradesco S/A, onde mantinha conta para recebimento de benefício previdenciário. Relata que, ao tentar sacar parte de seu benefício, foi abordada por uma mulher bem-vestida e educada, que se apresentou como funcionária da instituição e ofereceu ajuda. Por estar no interior da agência e diante da aparência de legitimidade da suposta funcionária, a autora confiou nas orientações recebidas. A estelionatária informou que o caixa eletrônico apresentava problemas e a direcionou para outro terminal, enquanto realizava operações em sua conta. Em seguida, orientou a autora a procurar outro funcionário, sob o pretexto de que os saques não estavam sendo concluídos. Nessa oportunidade, foram subtraídos da conta da promovente R\$ 6.000,00 (seis mil reais). Ao falar com “outro” funcionário do banco, a autora recebeu o extrato e deparou-se com o valor menor em sua conta. Imediatamente percebeu o que havia acontecido e entrou em contato com a gerência bancária, no entanto, nenhuma medida foi tomada para minimizar seu dano, conforme declaração e Boletim de Ocorrência de IDs 25934715 e 25934716. Nesse contexto, incumbe ressaltar que a relação entre as partes é, de fato, consumerista, uma vez que a autora é a destinatária final dos serviços oferecidos pela instituição financeira ré, sem olvidar que a atividade bancária é considerada serviço para os fins legais. O artigo 3º, § 2º, do Código de Defesa do Consumidor, inclui, expressamente, a atividade bancária no seu conceito de serviço. Sobre o tema, o Superior Tribunal de Justiça editou a Súmula nº 297, que dispõe: “O Código de Defesa do

	Consumidor é aplicável às instituições financeiras." </p><p style="text-align: justify; text-indent: 8%;"> Não por outra razão que é cabível a inversão do ônus probante em desfavor da instituição bancária. Tal medida se mostra adequada às ações deste tipo porque, considerando a impossibilidade de a autora apelante constituir prova negativa, compete à instituição financeira requerida, ora apelada, trazer aos autos documentos hábeis a demonstrar a regularidade das movimentações bancárias contestadas na exordial, nos termos do artigo 373, II, do Código de Processo Civil.</p><p style="text-align: justify; text-indent: 8%;"> Ademais, é imperioso destacar que a lei consumerista prevê a inversão do ônus da prova ope legis, isto é, é taxativa ao afirmar que cabe ao fornecedor provar a inexistência do defeito ou a culpa exclusiva do consumidor ou de terceiros. </p><p style="text-align: justify; text-indent: 8%;"> Neste passo, é obrigação da instituição financeira adotar as cautelas necessárias para a realização de operações como transferências e saques em conta-corrente, tendo o dever de implementar sistemas de fiscalização e segurança que impeçam a ocorrência de fraude ou a ação de estelionatários no interior de suas agências bancárias, sob pena de responder pelos danos causados. </p><p style="text-align: justify; text-indent: 8%;"> A questão, inclusive, foi sumulada pelo STJ, ipsis litteris:</p><p style="text-align: justify; text-indent: 8%;">
 </p><p style="text-align: justify; padding-left: 120px;"> Súmula 479. As instituições financeiras respondem objetivamente pelos danos gerados por fortuito interno relativo a fraudes e delitos praticados por terceiros no âmbito de operações bancárias."&#160; &#160; [Grifei].</p><p style="text-align: justify;">
 </p><p style="text-align: justify; text-indent: 8%;"> Pois bem. </p><p style="text-align: justify; text-indent: 8%;"> Compulsando os autos verifica-se que, de fato, no dia 12 de maio de 2023 foram realizados dois saques na conta bancária da autora nos valores de R\$ 2.500,00 (dois mil e quinhentos reais) e R\$ 500,00 (quinhentos reais). Além de transferência no valor de R\$ 3.000,00 (três mil reais), conforme extratos de IDs 25934717 e 25934734.</p><p style="text-align: justify; text-indent: 8%;"> Em que pese às alegações do apelado de que as operações foram realizadas com o uso de cartão e senha, verifica-se do contexto fático e probatório que as operações só ocorreram por consequência da ausência de fiscalização no interior da agência bancária, que facilitou a atuação de golpistas. </p><p style="text-align: justify; text-indent: 8%;"> Logo, o caso em apreço não se trata de negligência ou de imprudência da autora, mas sim da omissão da instituição financeira em proporcionar segurança aos seus clientes. </p><p style="text-align: justify; text-indent: 8%;"> Somado a isso, não se pode perder de vista que a instituição financeira, após ser comunicada acerca do golpe realizado em suas dependências, não tomou as medidas cabíveis para apurar o fato. Tampouco colacionou aos autos as imagens do terminal eletrônico ou mesmo a filmagem da agência, capazes de atestar a inexistência de falha em sua segurança ou a regularidade das movimentações bancárias, embora disponha de mecanismos hábeis para tanto. </p><p style="text-align: justify; text-indent: 8%;"> Desse modo, entendo que competiria ao Banco Bradesco S/A comprovar que a parte autora efetivamente realizou as movimentações bancárias impugnadas, ônus que não foi satisfeito, haja vista que não houve a juntada de qualquer meio de prova para desconstituir essa narrativa. Entendo que as transações bancárias realizadas devem ser reconhecidas como fraudulentas uma vez que o recorrente não demonstrou minimamente a inexistência de fraude ou inviabilidade de fraude, o qual era ônus seu. </p><p style="text-align: justify; text-indent: 8%;"> Acerca do tema, em julgamento de casos análogos, colho da jurisprudência desta 1ª Câmara Direito Privado do TJCE:</p><p style="text-align: justify; text-indent: 8%;">

	AGRAVO INTERNO EM APELAÇÃO CÍVEL. AÇÃO DE REPARAÇÃO POR DANOS MORAIS E MATERIAIS. ALEGAÇÃO DE NÃO CABIMENTO DE JULGAMENTO MONOCRÁTICO AFASTADA. SUBMISSÃO DA MATÉRIA AO COLEGIADO. SUPRIMENTO DE EVENTUAL NULIDADE. GOLPE DA TROCA DE CARTÕES NO INTERIOR DA AGÊNCIA BANCÁRIA. TRANSAÇÕES NÃO RECONHECIDAS. RESPONSABILIDADE OBJETIVA DA INSTITUIÇÃO FINANCEIRA. FALHA NA PRESTAÇÃO DE SERVIÇO. ART. 14, § 1º, II, CDC. DANOS MORAIS E MATERIAIS CONFIGURADOS. VALOR DA INDENIZAÇÃO ARBITRADO EM QUANTUM RAZOÁVEL E EM CONSONÂNCIA COM CASOS SEMELHANTES DESTE TRIBUNAL. RECURSO CONHECIDO E NÃO PROVIDO. DECISÃO AGRAVADA CONFIRMADA. 1. Como se extrai das razões recursais supra, o banco agravante defende, em suma, que o julgamento da apelação não se enquadra na hipótese do 932 do CPC/15, uma vez que a tese do recorrente ainda tem possibilidade de discussão". No mérito, sustenta ausência de sua responsabilidade, tendo em vista que todas as transações fraudulentas alegadas na conta do agravado, houve leitura do CHIP do cartão, o que significa necessariamente foi realizada de forma presencial e que foi necessária digitação de senha; inexistência de danos morais e materiais indenizáveis e, acaso assim não se entenda, a quantificação do dano moral, devendo seguir os parâmetros dos princípios da proporcionalidade e razoabilidade, sob pena de enriquecimento ilícito, vedado pelo ordenamento jurídico". 2. A despeito de constituir exceção à regra dos julgamentos colegiados, a atuação monocrática dos relatores é admitida em hipóteses legalmente previstas, face à evidente celeridade e economia processual conferidas em processos a envolver matérias de direito com entendimento jurisprudencialmente sedimentado, em torno das quais prescindem de maiores debates jurídicos. Frise-se, ainda, ser possível o julgamento monocrático do recurso, ainda que fora das hipóteses previstas no art. 932 do CPC, consoante aplicação analógica do enunciado 568 da Súmula do STJ: "O relator, monocraticamente e no Superior Tribunal de Justiça, poderá dar ou negar provimento ao recurso quando houver entendimento dominante acerca do tema" (STJ - Súmula 568, CORTE ESPECIAL, julgado em 16/03/2016, DJe 17/03/2016). 3. "O exame monocrático do recurso especial, no caso, não implica descon sideração das regras dos arts. 932, IV, do CPC e 255, § 4º, II, do RISTJ. Ademais, eventual nulidade da decisão monocrática por suposta contrariedade ao art. 932 do CPC fica superada com a reapreciação do recurso pelo órgão colegiado mediante agravo interno". (AgInt no REsp 1955384/PE, Rel. Ministro SÉRGIO KUKINA, PRIMEIRA TURMA, julgado em 21/02/2022, DJe 24/02/2022) 4. Extrai-se da narrativa dos fatos que a autora/agravada solicitou o auxílio de seu marido, um senhor de idade avançada, para promover um ato bancário de transferência de um valor de R\$700,00 para o filho do casal e que "tal ato fora realizado num dos terminais de atendimento do réu, em caixas eletrônicos por ele disponibilizados. Ao terminar a transação, um homem dirigiu-se ao marido da autora, informando que este teria deixado cair um aviso que determinava que este fizesse um cadastramento. [...] Finda a transação, sem que a autora ou seu marido pudessem perceber, o meliante acabou por aplicar seu golpe e, de alguma forma copiou ou trocou o cartão da autora por um outro qualquer. Nos dias que se seguiram, referido marginal iniciou a tomada de bens do autor, utilizando o cartão para fazer várias compras e saques, tendo o banco percebido o fato e entrado em contato com a autora.". 5. Em sua defesa, o banco promovido sustenta que, sendo o sistema bancário totalmente protegido por tecnologia de criptografia, não há falha na prestação do serviço. Contudo, sequer acostou nos autos gravações oriundas do sistema de vídeo da agência ou da máquina de caixa rápido referente ao incidente ocorrido, não sendo possível comprovar que não houve falha na sua prestação de serviço. 6. Evidenciada a natureza consumerista da relação existente entre os litigantes, consoante o Código de Defesa do Consumidor, a responsabilidade civil de reparação pelos danos causados aos consumidores, em face dos produtos (art. 12) ou serviços colocados no mercado de consumo (art. 14), independe da existência de culpa, ou seja, trata-se de responsabilidade objetiva. 7. Enuncia a Súmula n.º 479 do STJ que "As instituições financeiras respondem objetivamente pelos danos gerados por fortuito interno relativo a fraudes e delitos praticados por terceiros no âmbito de operações bancárias." 8. O evento danoso não ocorreu pela cessão do cartão ao esposo da autora, mas por conduta executada por terceiro, cuja atuação foi permitida por falha de segurança no interior da agência bancária da instituição financeira. Portanto, deve haver a condenação do réu ao pagamento de indenização por danos morais e materiais em favor da demandante. 9. A indenização pelos danos morais deve atender aos princípios da equidade e da razoabilidade, não podendo ser infima nem exorbitante, levando em consideração o valor da cobrança indevida, o quantum fixado de R\$ 5.000,00 (cinco mil reais) não se revela excessivo. 10. Agravo interno conhecido e não provido. Decisão monocrática confirmada. (TJCE. Agravo Interno Cível - 0907459-95.2014.8.06.0001, Rel. 	Ausência de segurança no interior da agência bancária, facilitando a atuação delituosa de terceiros. Risco interno que não exime o dever reparatório. Súmula 479 do STJ. 5. Reforma da sentença para acolhimento da pretensão inicial, condenando-se a ré ao ressarcimento do valor objeto da transação bancária impugnada bem como a reparar o dano moral suportado. O fornecedor de serviços responde, independente da existência de culpa, pelos danos causados aos consumidores por defeitos relativos à prestação do serviço. 2. O Banco responde pelos prejuízos causados aos seus clientes em razão de golpe de troca de cartões, ocorrido no interior da agência bancária. 3. A súmula nº 479 do Superior Tribunal de Justiça reforça a responsabilidade dos bancos ao preceituar que "as instituições financeiras respondem objetivamente pelos danos gerados por fortuito interno relativo a fraudes e delitos praticados por terceiros no âmbito de operações bancárias". 4. A prática de fraude realizada dentro da agência bancária gera danos morais a serem ressarcidos. 4. O valor da indenização por dano moral deve ser fixado examinando-se as peculiaridades de cada caso e, em especial, a gravidade da lesão, a intensidade da culpa do agente, a condição socioeconômica das partes e a participação de cada um nos fatos que originaram o dano a ser ressarcido, de tal forma que assegure ao ofendido satisfação adequada &#160;ao seu sofrimento, sem o seu enriquecimento imotivado, e cause no agente impacto suficiente para evitar novo e igual atentado. Aliada à compensação, a indenização por danos morais possui caráter punitivo-pedagógico, pois consiste em um meio de punir o

	junto a instituição financeira/apelante, e que, no dia 26 de outubro de 2022, recebeu um SMS, informando a realização de transferência bancária no valor de R\$ 13.500,00 (treze mil e quinhentos reais) para a conta nº 12880000007542200829, agência 1966, através da chave PIX de nº 17467920865, cuja titularidade pertence a Daniel Domingues. 3. Relata, também, que houve contratação de um empréstimo no valor de R\$ 5.275,00 (cinco mil, duzentos e setenta e cinco reais), bem como, nova transferência via chave PIX de nº (11)95980-7245 para a conta nº 12880000007589062031, agência 0605, de titularidade de Mateus Félix da Silva no importe de R\$ 5.600,00 (cinco mil e seiscentos reais). Afirma que referidas transações foram realizadas sem sua anuência. 4. Frisa-se o fato que o próprio banco/apelante admitiu que seu cliente foi vítima do Golpe da Liberação de Dispositivo, portanto, óbvio que as transações não foram realizadas pelo autor/recorrido. 5. Nas relações consumeristas a responsabilidade contratual do fornecedor é objetiva, respondendo, independentemente de culpa, nos termos do art. 14, do CDC, pela reparação de danos causados pelo defeito do produto ou má prestação do serviço. Urge destacar, que o parágrafo terceiro do dispositivo supracitado, traz à baila a inversão do ônus da prova ope legis, isto é, a própria lei é taxativa ao afirmar que cabe ao fornecedor provar a inexistência do defeito ou a culpa exclusiva do consumidor ou de terceiros. 6. Especialmente sobre o PIX, a Resolução nº 01/2020, do Banco Central do Brasil, estabelece no artigo 32, que os participantes do PIX (instituição financeira, instituição de pagamento ou ente governamental que adere ao Regulamento do PIX e que oferecem a ferramenta aos seus clientes), devem responsabilizar-se por fraudes no âmbito do PIX, decorrentes de falhas nos seus mecanismos de gerenciamento de riscos, compreendendo a inobservância de medidas de gestão de risco definidas neste Regulamento e em dispositivos normativos complementares. 7. A medida em que a tecnologia avança fraudadores aperfeiçoam as técnicas ilícitas para aplicação de golpes, ficando, assim, o consumidor vulnerável a inúmeros tipos de artimanhas praticadas. Logo cabe ao fornecedor, instituição financeira, se antever desses artifícios criando mecanismos que barrem transações suspeitas. 8. O presente caso, trata-se, de um fortuito interno, pois o banco deve prezar pela segurança dos seus clientes, impondo mecanismos de fiscalizações de transações suspeitas. 9. Assim, quando demonstrada a falha na prestação dos serviços pelo banco, configurado está o ilícito civil, conferindo daí ao lesado a devida reparação dos danos sofridos, nos termos do art. 14 do Código de Defesa do Consumidor e arts. 186 e 927 do Código Civil Brasileiro. 10. Danos morais - Nesse cenário fático, reputo caracterizado o dano moral, cuja prova, porque afeta os direitos da personalidade, conforma-se com a mera demonstração do ilícito. Nesse sentido, a jurisprudência é uníssona ao conceder a indenização pelos danos morais sofridos ante a violação do dever de segurança dos dados dos consumidores. 11. Fixação Fatores - Considero razoável a quantia arbitrada a título de danos morais no valor de R\$ 5.000,00 (cinco mil reais), tendo em vista os parâmetros da razoabilidade, proporcionalidade e, principalmente, pela natureza específica da ofensa sofrida, a situação econômica do ofensor e mais ainda, pela capacidade e a possibilidade real e efetiva de o ofensor voltar a praticar e/ou vir a ser responsabilizado pelo mesmo ato danoso. 12. Enfatizou que a prescrição intercorrente, conforme o precedente, só se consuma em caso de inércia do exequente por prazo superior ao da prescrição do direito material, situação que não teria ocorrido. Além disso, destaca que não houve suspensão do processo quando do advento do CPC/2015, o que asseguraria o exame do tema sob a ótica do CPC/73. Para o apelante, o transcurso de tempo no processo é atribuído a dificuldades burocráticas e à morosidade do Judiciário, e não à desídia do credor, conforme demonstrado pelas suas diligências ao longo dos anos. Cita a Súmula nº 106 do STJ, que dispõe sobre a não imputação de atraso à parte quando a demora se deve ao mecanismo da justiça. Na conclusão, requereu a reforma da sentença, para afastar a prescrição e permitir o prosseguimento da execução. 1.7999999999999998; text-indent: 70.86614173228347pt; text-align: justify; background-color: #ffffff; margin-top: 0pt; margin-bottom: 0pt; padding: 9pt 0pt 12pt 0pt; dir="ltr">É o relatório. 1.38; text-align: center; margin-top: 21pt; margin-bottom: 0pt; dir="ltr">VOTO 1.7999999999999998; text-indent: 70.86614173228345pt; text-align: justify; margin-top: 21pt; margin-bottom: 0pt;

(Grifou-se). Nos termos do CPC, portanto, o despacho que ordena a citação é hipótese interruptiva do prazo prescricional, retroagindo à data da propositura da ação. Para tanto, contudo, é necessário que o autor adote, no prazo de 10 (dez) dias, as providências necessárias para viabilizar a concretização do ato citatório, sob pena de não operar a interrupção pretendida. Não obstante isso, ressalta-se que a parte não será prejudicada pela demora imputável exclusivamente ao serviço judiciário , de modo a assegurar que o exequente não se prejudique caso atue de forma diligente. In casu observa-se que o ora Apelante manifestou-se nos momentos oportunos, cumprindo as determinações judiciais e promovendo várias tentativas de citação da parte executada, atendendo a todas as intimações que lhe foram direcionadas para o impulsionamento do feito. Não se verifica significativa paralisação do feito por inércia exclusiva do Exequente, mas apenas algumas demoras atribuíveis ao próprio Judiciário, bem como à dificuldade de localização dos Executados. Neste ensejo, recorro que, segundo a tradicional jurisprudência do Superior Tribunal de Justiça, o decurso do prazo prescricional não pode ser atribuído ao credor quando este adota as providências necessárias para promover a citação, mas a demora ocorre por circunstâncias alheias à sua vontade. Nesse raciocínio, enuncia a Súmula 106 da referida Corte: Súmula 106, STJ - Proposta a ação no prazo fixado para o seu exercício, a demora na citação, por motivos inerentes ao mecanismo da Justiça, não justifica o acolhimento da arguição de prescrição ou decadência. No mesmo sentido, colho jurisprudência de nossos Tribunais sobre o tema (grifo nosso):

Discute-se no presente recurso a ocorrência, ou não, da prescrição da pretensão executiva em razão de demora exacerbada da promoção da citação válida. É firme o entendimento do STJ de que somente a inércia injustificada do credor caracteriza a prescrição intercorrente na execução, o que não se verifica no caso de demora no andamento do feito por motivos inerentes ao próprio mecanismo judiciário. De acordo com os artigos 202, inciso I, do Código Civil e 240, §§ 1º e 2º, do Código de Processo Civil, o despacho que ordena a citação, ainda que proferido por juiz incompetente, constitui marco interruptivo da prescrição, retroagindo à data da propositura da ação, desde que a citação seja efetivada no prazo de 10 (dez) dias. 2. Consoante entendimento consolidado pela Súmula nº 106 do colendo Superior Tribunal de Justiça, (P)roposta a ação no prazo fixado para o seu exercício, a demora na citação, por motivos inerentes ao mecanismo da Justiça, não justifica o acolhimento da arguição de prescrição ou decadência . 3. Tendo em vista que a demanda fora ajuizada dentro do prazo prescricional e a demora na efetivação da citação não pode ser imputada ao exequente, não deve ser reconhecida a prescrição. 4. Tal entendimento coaduna com a redação original do art. 921, §4º, do CPC, que permitia a interpretação segundo a qual a desídia do exequente na movimentação do processo era condição para a ocorrência da prescrição intercorrente. Sabe-se, contudo, que, com a nova redação do referido dispositivo, trazida pela reforma operada pela Lei nº 14.195/2021, a norma passou a prever que o termo inicial do prazo de prescrição intercorrente será a ciência da primeira tentativa infrutífera de localização do devedor ou de bens penhoráveis e haverá suspensão, por uma única vez, pelo prazo máximo previsto no § 1º do mesmo dispositivo legal (um ano). Inovando em relação ao CPC/1973, o CPC/2015 passou a disciplinar, expressamente, o instituto da prescrição intercorrente, erigindo o seu regime jurídico próprio, sobretudo, nos arts. 921 a 923. 4. De acordo com o art. 921, inciso III e §1º do CPC/2015, a execução deverá ser suspensa quando não for localizado o executado ou bens penhoráveis, pelo prazo de um ano, durante o qual também se suspenderá a prescrição. 5. Nos termos da redação original do art. 921, §4º, do CPC/2015, decorrido o prazo de suspensão de um ano sem manifestação do exequente, começaria a correr o prazo de prescrição intercorrente. 6. A Lei n. 14.195/2021 introduziu importantes alterações na disciplina da prescrição intercorrente, alterando o §4º do art. 921 do CPC/2015, que passou a prever que o termo inicial do prazo de prescrição intercorrente será a ciência da primeira tentativa infrutífera de localização do devedor ou de bens penhoráveis e será suspensa, por uma única vez, pelo prazo máximo previsto no § 1º do mesmo dispositivo legal. 7. A partir da entrada em vigor da Lei n. 14.195/2021, ao contrário do que se verificava na redação original do código, não há mais necessidade de desídia do credor para a consumação da prescrição intercorrente, cujo prazo iniciará automaticamente. 8. O novo regime da prescrição intercorrente introduzido pela Lei n. 14.195/21 não pode ser aplicado retroativamente, mas apenas a) aos novos processos ou àqueles em que a execução infrutífera for posterior à nova lei

Transcorrido o prazo de prescrição da pretensão de direito material do credor, o juiz, depois de ouvida as partes, no prazo de quinze dias, poderá, de ofício, reconhecer a prescrição intercorrente extinguindo o processo, sem ônus para as partes. Tal é a disciplina atual da prescrição intercorrente no ordenamento jurídico nacional.</p><p style="line-height: 1.3800000000000001; margin-left: 113pt; text-align: justify; margin-top: 8pt; margin-bottom: 0pt;" dir="ltr"> 15. O ponto central da controvérsia consiste em definir se a nova redação do §4º do art. 921 do CPC – que alterou significativamente o termo inicial do prazo de prescrição intercorrente – é aplicável retroativamente.</p><p style="line-height: 1.3800000000000001; margin-left: 113pt; text-align: justify; margin-top: 8pt; margin-bottom: 0pt;" dir="ltr"> <span style="font-size: 12pt; font-family: 'Times New

Nesse contexto, o art. 14 do CPC dispõe que "a norma processual não retroagirá e será aplicável imediatamente aos processos em curso, respeitados os atos processuais praticados e as situações jurídicas consolidadas sob a vigência da norma revogada". 17. Partindo dessas premissas fundamentais, para o deslinde da questão de direito intertemporal, é preciso examinar quatro situações distintas. 18. Em primeiro lugar, se o processo for posterior às modificações introduzidas pela Lei n. 14.195/2021 ou se a execução infrutífera ocorrer quando já em vigor a nova lei, dúvida não há que será aplicável a lei nova, de modo que o termo inicial do prazo de prescrição intercorrente será a ciência da primeira tentativa infrutífera de localização do devedor ou de bens penhoráveis. [...] 20. Em segundo lugar, se o processo estiver em curso no momento da entrada em vigor da Lei n. 14.195/2021 e ainda não tiver sido determinada a suspensão da execução por ausência de localização do executado ou de bens penhoráveis, aplica-se a nova lei. Isso significa que, após a entrada em vigor da Lei n. 14.195/2021, deverá ser realizada nova tentativa de localização do devedor ou de bens penhoráveis, que, se infrutífera, dará início ao transcurso do prazo da prescrição intercorrente nos termos da nova redação do §4º do art. 921 do CPC. 21. Em terceiro lugar, se o processo estiver em curso no momento da entrada em vigor da Lei n. 14.195/2021, mas já tiver iniciado o transcurso do prazo da prescrição intercorrente nos termos da nova redação do §4º do art. 921 do CPC, não se aplicará a nova lei. Em outras palavras, se o prazo da prescrição intercorrente já havia sido deflagrado durante a vigência da disciplina anterior, continuará por ela regulado. 22. Isso porque, não se pode extrair interpretação que viabilize o reinício ou a reabertura de prazo prescricional já deflagrado na vigência da redação original do CPC/2015, isto é, antes das alterações promovidas pela Lei n. 14.195/2021 [...].

Por fim, em quarto lugar, se o advento da Lei n. 14.195/2021 ocorrer durante o prazo de suspensão da execução, não se aplica a nova lei, pois, com o início da suspensão já havia a justa expectativa de que o termo inicial do prazo da prescrição intercorrente seria aquele definido pela redação original do código, que era a lei vigente ao tempo do início da suspensão. Isso porque, não obstante se tratar de execução que já se encontrava em curso antes do advento da reforma, não foi determinada a suspensão do feito motivada na ausência de localização dos executados, razão pela qual ainda não havia sido deflagrado o prazo de prescrição intercorrente quando da entrada em vigor da referida lei.</p><p style="line-height: 1.799999999999998; text-indent: 70.86614173228345pt; text-align: justify; margin-top: 21pt; margin-bottom: 0pt; dir="ltr"> Segundo o raciocínio apresentado pela referida Corte, em situações como tal, deverá ser realizada nova tentativa de localização do devedor ou de bens penhoráveis após a entrada em vigor da Lei n. 14.195/2021 e, caso a diligência seja infrutífera, a ciência da parte quanto ao insucesso desse ato dará início ao curso do prazo da prescrição intercorrente, em consonância com a nova redação do §4º do art. 921 do CPC.</p><p style="line-height: 1.799999999999998; text-indent: 70.86614173228345pt; text-align: justify; margin-top: 21pt; margin-bottom: 0pt; dir="ltr">Considerando-se que a Lei em comento entrou em vigor em 27 de agosto de 2021, portanto, o início do prazo prescricional deve se configurar na ciência do Exequente/Apelante sobre o resultado da primeira tentativa de citação posterior a essa data.&#160;</p><p style="line-height: 1.799999999999998; text-indent: 70.86614173228345pt; text-align: justify; margin-top: 21pt; margin-bottom: 0pt; dir="ltr">Conforme os autos, a única diligência realizada com essa finalidade após o marco em referência se deu em abril de 2023, quando a Oficiala de Justiça certificou a ausência do Sr. Genil Araújo Camelo no local e a entrega da contrafé a uma recepcionista do edifício (v. I) CASO EM EXAME: 1. Trata-se de Apelação Cível interposta por Marcos Kleber Holanda Farias, objetivando a reforma da sentença de ID 26002231, proferida pelo Juízo da 2ª Vara da Comarca de Novas Russas, que, com base no art. 485, I do CPC, extinguiu, sem resolução do mérito, a Ação Declaratória de Inexistência de Débito c/c Indenização por Danos Morais e Pedido de Tutela de Urgência ajuizada pelo ora apelante em desfavor de Neon Financeira - Crédito, Financiamento e Investimentos S/A.

	petição inicial, extinguindo a presente ação sem resolução do mérito, na forma do art. 485, I, do Código de Processo Civil. Sem custas pelo cancelamento da distribuição. Publique-se. Registre-se. Intime-se. Com o trânsito em julgado, arquivem-se os autos com as cauteladas legais. &#160; &#160; &#160; Interpôs apelação (ID 26002233), sustentando que a sentença extinguiu o processo sem resolução do mérito fundamentando-se no fato de que várias demandas foram protocoladas no mesmo dia. Acontece que, todas as demandas possuem polos passivos e fatos ou contratos diferentes, sendo, portanto, completamente incoerente que essas demandas sejam processadas e julgadas de forma conjunta, especialmente considerando que envolvem ações diferentes, com contratos e negócios jurídicos distintos. Ademais, é evidente que a decisão atacada, ao indeferir a petição inicial por fracionamento de demandas não deve prosperar, haja vista que causa considerável prejuízo aos princípios constitucionais do contraditório, da ampla defesa, da celeridade processual e ao princípio da primazia do julgamento de mérito, como de resto ao princípio da inafastabilidade da jurisdição. Pugna, então, pelo conhecimento e provimento do recurso para que seja anulada a sentença recorrida, com o fim de determinar o retorno dos autos ao juízo singular para regular prosseguimento do feito. Contrarrazões recursais (ID 26002237), nas quais a promovida pugna pelo desprovimento do apelo. É o relatório. &#160; VOTO &#160; 1 – Do juízo de admissibilidade Presentes os pressupostos de admissibilidade, conheço do recurso. &#160; 2 – Do mérito recursal O cerne da controvérsia recursal consiste em definir se a propositura de cinco ações semelhantes contra pessoas jurídicas distintas e com objetos diversos, configura litigância abusiva apta a justificar o indeferimento da petição inicial. O juízo de primeiro grau extinguiu o processo sem resolução do mérito, sob o argumento de que teria havido abuso do direito de ação, uma vez que o autor ajuizou cinco demandas, todas baseadas na mesma causa de pedir, fundamentação e pedidos, propostas no mesmo dia ou em momentos próximos. No presente caso, ao examinar os autos e proceder à consulta no PJe de primeiro grau, verifiquei que todas as ações mencionadas pelo magistrado a quo tratam, de fato, de inscrições restritivas decorrentes de dívidas não reconhecidas. Todavia, embora protocoladas na mesma data, as ações possuem objetos distintos e foram propostas contra pessoas jurídicas diversas, cada qual com CNPJ próprio, a saber: Processo nº 3000771-97.2025.8.06.0133, em face de WILL FINANCEIRA S.A (CNPJ 36.272.465/0001-49); Processo nº 3000772-82.2025.8.06.0133, contra NU PAGAMENTOS S/A (CNPJ 18.236.120/0001-58); Processo nº 3000773-67.2025.8.06.0133, contra BANCO DIGIO S/A (CNPJ 27.098.060/0001-45); Processo nº 3000774-52.2025.8.06.0133, contra

	ITAÚ UNIBANCO S/A (CNPJ 60.701.190/0001-04); e a presente demanda, nº 3000775-37.2025.8.06.0133, em desfavor de NEON FINANCEIRA – CRÉDITO, FINANCIAMENTO E INVESTIMENTO S/A (CNPJ 11.285.104/0001-06). É imperioso ressaltar que, em diversos julgados, esta Relatoria tem entendido que o fracionamento de ações configura verdadeiro abuso do direito de demandar, quando caracterizado pela propositura de múltiplas demandas contra a mesma parte e causa de pedir semelhante, evidenciando conduta processual temerária e abusiva. Entretanto, no presente caso, diversamente do fundamento sentencial, entendo que a conduta do demandante ao propor cinco ações contra pessoas jurídicas distintas não caracteriza prática de litigiosidade predatória, nos termos parametrizados na Recomendação nº 127, de 15/02/2022, do Conselho Nacional de Justiça (CNJ), que dispõe: “Art. 2º Para os fins desta recomendação, entende-se por judicialização predatória o ajuizamento em massa em território nacional de ações com pedido e causa de pedir semelhantes em face de uma pessoa ou de um grupo específico de pessoas, a fim de inibir a plena liberdade de expressão.” Assim sendo, considero desarrazoada a conclusão de que o ajuizamento de cinco demandas contra instituições financeiras distintas, em que cada uma questiona negativamente por dívida diversa, constitua fracionamento indevido de ação e caracterize violação ao princípio da cooperação, evidenciando suposta falta de interesse de agir da parte autora. Entendo, pois, que, não restou evidenciada a ocorrência de demanda temerária. A propósito, em casos análogos, colho da fonte jurisprudencial: “DIREITO PROCESSUAL CIVIL E DIREITO DO CONSUMIDOR. DECLARATÓRIA DE INEXISTÊNCIA DE DÉBITOS C/C INDENIZAÇÃO. SENTENÇA DE INDEFERIMENTO DA INICIAL POR AUSÊNCIA DE INTERESSE PROCESSUAL. AUSÊNCIA DE INTERESSE PROCESSUAL POR FRACIONAMENTO DE DEMANDAS. NÃO OCORRÊNCIA. OFENSA AO PRINCÍPIO DO ACESSO À JUSTIÇA. PRINCÍPIO DA INAFASTABILIDADE DA TUTELA JURISDICIONAL. PRINCÍPIO DA PRIMAZIA DO JULGAMENTO DE MÉRITO. RECURSO CONHECIDO E PROVIDO. SENTENÇA ANULADA. I Cinge-se a controvérsia em perquirir o acerto ou desacerto da sentença impugnada, que indeferiu a petição inicial, sob a fundamentação de existência de três ações, esta e outras duas, ajuizadas pela autora buscando anular descontos, supostamente indevidos, o que configuraria ausência de interesse processual, uma vez que a parte deveria ajuizar somente uma demanda. II No caso concreto, conquanto os processos versem sobre matéria similar, ou seja, cobranças indevidas; referem-se a descontos de timbres, contratos e períodos diversos; assim, relações jurídicas distintas. Patente, pois, a legitimidade e o interesse processual. III- O fundamento utilizado pelo magistrado sentenciante não se aplica ao caso sub judice, ante a diferenciação entre as ações paradigmas por ostentarem como causa de pedir contratos diversos, o que descaracteriza a multiplicidade de ações; afastando-se, pois, a ocorrência do instituto da conexão e, ainda, a possibilidade de ocorrência do mero risco de decisões conflitantes, a que se refere o art. 55, § 3º do CPC. IV- Em que pese se tratar das mesmas partes, o fato de cada processo ostentar Contratos distintos, já é o suficiente para que se permita o processamento em separado, porquanto, antes de ser uma obrigação, a reunião dos pedidos em uma só demanda é uma faculdade (art. 327, CPC). V- Em homenagem aos princípios da cooperação, da inafastabilidade da tutela jurisdicional e da primazia do julgamento de mérito; devem os autos retornar ao juízo de origem para que a inicial seja recebida, processada e sentenciada, na forma da lei. VI Recurso conhecido e provido. Sentença anulada. RETORNO DOS AUTOS À ORIGEM PARA REGULAR PROSSEGUIMENTO DO FEITO. RECURSO CONHECIDO E PROVIDO. 1 . Trata-se de recurso de apelação interposto contra sentença que decretou a extinção do processo, sem julgamento do mérito, por ausência de legitimidade ou de interesse processual, na forma do art. 485, VI, do CPC, sob o fundamento de que o ajuizamento de demandas de massa pelo apelante viola os princípios da razoável duração do processo, eficiência e da cooperação, expondo a falta de interesse de agir, e que o ajuizamento de duas ações contra a mesma parte, sobre o mesmo assunto, configura abuso de direito da autora. 2. Inicialmente, embora a sentença mencione que a autora tenha ajuizado 2 (dois) processos diferentes contra a mesma instituição financeira, devo observar que a configuração de conduta predatória do apelante não ocorre pela simples verificação da quantidade de ações ajuizadas, mas pela presença de outras circunstâncias associadas, como por exemplo, o fracionamento indevidos de pedidos relativos a um mesmo contrato em diferentes ações ou o ajuizamento da mesma ação (parte, pedido e causa de pedir) em diferentes varas ou comarcas, visando escolher o juízo que lhe parece ter o entendimento mais favorável, para depois desistir dos outros processos, burlando o princípio do juiz natural, o que não ocorreu no caso dos autos, visto que uma ação se trata da cobrança de Seguro e a outra de Tarifas bancárias . 3. Além disso, ainda que semelhantes, as ações são diferentes e inexistente conexão entre elas quando tiverem como causa de pedir diferentes contratos, ainda que haja identidade de partes, pois cada contrato envolve diferentes objetos, valores e circunstâncias a serem apreciadas individualmente, razão pela qual não deve haver a reunião dos processos nesses casos. 4. Desse modo, é absolutamente irrazoável a conclusão de que o ajuizamento de diversos processos contra instituições financeiras diversas, em que cada um aborda sobre um contrato diferente do outro, constitua fragmentação indevida de ação. 5. Em ações cuja discussão envolve a existência ou validade de negócios jurídicos relacionados a contratos bancários, em que a causa de pedir gira em torno da falha na prestação de serviços bancários, a simples evidência da violação do direito da parte, como a demonstração da existência de inclusão de descontos do benefício previdenciários através de extrato do INSS, em razão do contrato que afirma ser fraudulento ou indevido, é suficiente para evidenciar o interesse de agir da parte em fazer cessar a violação de seu direito e a responsabilização civil pelos danos sofridos. 6. No caso dos autos, a parte

Ressalto, ainda, que em ações cuja questão controvertida é a negativa da contratação do empréstimo e a existência de descontos indevidos referente ao mesmo, cabe à parte autora a demonstração da existência dos referidos descontos, ao passo que é ônus da prova da instituição financeira comprovar a contratação do serviço e apresentar aos autos o instrumento contratual, a fim de que seja submetido à análise de existência e validade do negócio jurídico, assim como a comprovação da transferência dos recursos oriundos do empréstimo para a conta do consumidor, pois, em se tratando de relação de consumo, deve ser observada a aplicação da inversão do ônus da prova em favor do consumidor, imputando-se à instituição financeira a juntada dos documentos que por ela devem ser mantidos, por serem considerados de posse obrigatória, em decorrência da atividade desempenhada, como é o caso dos instrumentos do contrato. 8. Nesse contexto, estando descaracterizada a existência de demanda predatória e evidenciada a causa de pedir, a legitimidade da parte e o interesse processual, há de se reconhecer a ausência de justa causa para a extinção do feito, por violação dos princípios da inafastabilidade da tutela jurisdicional e do devido processo legal, consagrados pelo art. 5º, XXXV e LIV, da Constituição Federal, comprometendo a finalidade do processo, que é a satisfação do direito material pela primazia da sentença de mérito, nos termos dos arts. 4º e 6º, do CPC. 9. 	Morais e Materiais ajuizada pela ora apelante em desfavor de SECON ASSESSORIA E ADMINISTRAÇÃO DE SEGUROS LTDA. II. QUESTÃO EM DISCUSSÃO 2. O cerne da controvérsia recursal consiste tão somente em examinar se o desconto indevido realizado no benefício previdenciário da Autora/Apelante, sob a rubrica “Seguradora Secon”, foi apto a ensejar a ocorrência de dano moral indenizável, bem como se é cabível a majoração dos honorários advocatícios de sucumbência fixados na sentença recorrida. III. RAZÕES DE DECIDIR 3. O dano moral somente ocorre quando houver lesão a bem que integra os direitos da personalidade, como a honra, a dignidade, a intimidade, a imagem, e o bom nome, com base no que se infere dos arts. 1º, inciso III, e 5º, incisos V e X, da Constituição Federal. Nessa perspectiva, “a verificação do dano moral não reside exatamente na simples ocorrência do ilícito, de sorte que nem todo ato desconforme o ordenamento jurídico enseja indenização por dano moral. O importante é que o ato ilícito seja capaz de irradiar-se para a esfera da dignidade da pessoa, ofendendo-a de maneira relevante.” (AgRg no REsp 1.269.246/RS, Rel. Ministro LUIS FELIPE SALOMÃO, QUARTA TURMA, julgado em 20/05/2014, DJe de 27/05/2014). 4. No caso em tela, ocorreu um único desconto no valor de R\$ 76,00 (setenta e seis reais), conforme se observa da análise dos extratos bancários anexados pela autora (ID 26625370). Nesse cenário, não se olvida que a situação possa eventualmente ter trazido algum aborrecimento à recorrente, contudo, não foi capaz de atingir valores fundamentais do ser humano, tratando-se de meros aborrecimentos a que se está sujeito na vida em sociedade. 5. Descontos em valores incapazes de comprometer a subsistência não traduzem lesão à personalidade que enseje o pagamento de indenização por danos morais, dado que não ensejam maiores consequências negativas. Vale lembrar, por oportuno, que a parte autora será devidamente restituída dos valores indevidamente descontados, os quais serão corrigidos monetariamente e acrescidos de juros de mora. 6. Portanto, entende-se que agiu de forma acertada o douto magistrado ao julgar improcedente o pleito autoral de condenação da parte requerida ao pagamento da indenização em questão. 7. No que tange ao pedido de majoração dos honorários sucumbenciais, entendo que as circunstâncias concretas do caso (efetivo trabalho realizado pelo advogado, o tempo exigido para o seu serviço, grau de zelo do profissional, lugar de prestação do serviço, a natureza e a importância da causa (de baixa complexidade e natureza repetitiva - art. 85, §2º, I a IV, e §8º, do CPC), somadas ao fato de que houve julgamento antecipado da demanda, autorizam a fixação equitativa da verba honorária. Todavia, o valor arbitrado em R\$ 300,00 (trezentos reais) pelo juízo singular mostra-se irrisório, razão pela qual o majoro para R\$ 500,00 (quinhentos reais). IV. DISPOSITIVO 8. Recurso conhecido e parcialmente provido. Resta inequívoco o dever do banco de indenizar a promovente pelos danos sofridos. Ressalto que eventual ação de terceiro fraudador não tem o condão de afastar a responsabilidade civil do demandado, na medida em que se trata de um fortuito interno, inerente à atividade por ele desempenhada (Súmula 479 do STJ). &#160; [...] Não tocante ao pedido de indenização por danos morais, observa-se que o autor teve desconto de sua conta bancária o valor de R\$ 76,00, montante que representa menos de 5% do salário mínimo vigente . Não há qualquer prova nos autos de que esse desconto comprometeu sua subsistência ou lhe causou situação de vexame, humilhação ou sofrimento apto a atingir sua honra e dignidade. </p><p style="text-align: justify; text-indent: 8%;"> Assim, a ação foi julgada parcialmente procedente com o indeferimento da indenização por danos morais pleiteada, decidindo-se nos seguintes termos (ID 26625914): </p><p style="text-align: justify;"> &#160;</p><p style="text-align: justify; padding-left: 120px;"> Diante do exposto, com fundamento no artigo 487, inciso I, do Código de Processo Civil, acolho parcialmente a pretensão autoral para:&#160;</p><p style="text-align: justify; padding-left: 120px;"> a) declarar a inexistência do contrato questionado e determinar a cessação dos descontos na conta bancária do autor. &#160; </p><p style="text-align: justify; padding-left: 120px;"> b) rejeitar o pedido de indenização por danos morais, uma vez que não restou configurado dano extrapatrimonial indenizável. &#160; </p><p style="text-align: justify; padding-left: 120px;"> c) condenar a requerida à devolução dos valores indevidamente cobrados, na forma dobrada, devidamente corrigidos pelo INPC e acrescidos de juros de 1% ao mês, a partir da data de cada desconto.&#160; </p><p style="text-align: justify; padding-left: 120px;"> Diante da sucumbência recíproca, as custas processuais e os honorários advocatícios serão divididos pro rata, fixando-se os honorários advocatícios, por equidade em virtude do irrisório valor da condenação, em R\$ 300,00, nos termos do artigo 85, §8º, do CPC. 	style="font-size: large;"/> Nessa perspectiva, “a verificação do dano moral não reside exatamente na simples ocorrência do ilícito, de sorte que nem todo ato desconforme ao ordenamento jurídico enseja indenização por dano moral. O importante é que o ato ilícito seja capaz de irradiar-se para a esfera da dignidade da pessoa, ofendendo-a de maneira relevante.” (AgRg no REsp 1.269.246/RS, Rel. Ministro LUIS FELIPE SALOMÃO, QUARTATURMA, julgado em 20/05/2014, DJe de 27/05/2014). [Grifei]. Nesse ponto, a jurisprudência do Superior Tribunal de Justiça é assente no sentido de que configura mero aborrecimento o desconto indevido, em benefício previdenciário, de valores incapazes de comprometer a subsistência da parte. RECURSO DESPROVIDO. 1. Esta Corte Superior entende que a caracterização do dano moral exige que a comprovação do dano repercuta na esfera dos direitos da personalidade. A fraude bancária, nessa perspectiva, não pode ser considerada suficiente, por si só, para a caracterização do dano moral (AgInt nos EDcl no AREsp 1.669.683/SP, Rel. Ministro MARCO AURÉLIO BELLIZZE, TERCEIRA TURMA, julgado em 23/11/2020, DJe de 30/11/2020). 2. O Tribunal de origem concluiu que o desconto indevido de R\$ 70,00 (setenta reais) no benefício previdenciário da agravante não acarretou danos morais, considerando que foi determinada a restituição do valor, que a instituição financeira também foi vítima de fraude e que não houve inscrição do nome da agravante em cadastros de proteção ao crédito, de modo que ficou configurado mero aborrecimento. 3. “A jurisprudência desta Corte entende que, quando a situação experimentada não tem o condão de expor a parte a dor, vexame, sofrimento ou constrangimento perante terceiros, não há falar em dano moral, uma vez que se trata de mero aborrecimento ou dissabor, mormente quando a falha na prestação de serviços, embora tenha acarretado aborrecimentos, não gerou maiores danos ao recorrente, como ocorreu na presente hipótese”. (STJ - AgInt no AREsp 1.354.773/MS, Rel. Ministro RAUL ARAÚJO, QUARTA TURMA, julgado em 02/04/2019, DJe de 24/04/2019). 4. Agravo interno desprovido. 	sentença condenará o vencido a pagar honorários ao advogado do vencedor. § 1º São devidos honorários advocatícios na reconvenção, no cumprimento de sentença, provisório ou definitivo, na execução, resistida ou não, e nos recursos interpostos, cumulativamente. § 2º Os honorários serão fixados entre o mínimo de dez e o máximo de vinte por cento sobre o valor da condenação, do proveito econômico obtido ou, não sendo possível mensurá-lo, sobre o valor atualizado da causa, atendidos: I - o grau de zelo do profissional; II - o lugar de prestação do serviço; III - a natureza e a importância da causa; IV - o trabalho realizado pelo advogado e o tempo exigido para o seu serviço. § 6º Os limites e critérios previstos nos §§ 2º e 3º aplicam-se independentemente de qual seja o conteúdo da decisão, inclusive aos casos de improcedência ou de sentença sem resolução de mérito. § 6º-A. Quando o valor da condenação ou do proveito econômico obtido ou o valor atualizado da causa for líquido ou liquidável, para fins de fixação dos honorários advocatícios, nos termos dos §§ 2º e 3º, é proibida a apreciação equitativa, salvo nas hipóteses expressamente previstas no § 8º deste artigo. § 8º Nas causas em que for inestimável ou irrisório o proveito econômico ou, ainda, quando o valor da causa for muito baixo, o juiz fixará o valor dos honorários por apreciação equitativa, observando o disposto nos incisos do § 2º. § 160. No caso, verifica-se a possibilidade de mensuração do proveito econômico obtido pela parte autora. Porém, tratando-se de condenação considerada irrisória em um contexto geral, sua utilização como base de cálculo ensejará honorários ínfimos, desvalorizando o trabalho desempenhado pelo causídico. Assim, considerando as circunstâncias concretas do caso (efetivo trabalho realizado pelo advogado, o tempo exigido para o seu serviço, grau de zelo do profissional, lugar de prestação do serviço, a natureza e a importância da causa (de baixa complexidade e natureza repetitiva - art. 85, §2º, I a IV, e §8º, do CPC), bem como ao fato de que houve julgamento antecipado da demanda, considero pertinente a fixação equitativa dos honorários sucumbenciais, no entanto a fixação no valor de R\$ 300,00 (trezentos reais) pelo juízo <i>em quo</i> mostra-se irrisória, razão pela qual os arbitro no patamar de R\$ 500,00 (quinhentos reais). 3. Dispositivo Diante do exposto, CONHEÇO do recurso de apelação, para lhe dar PARCIAL PROVIMENTO, reformando a sentença recorrida exclusivamente para arbitrar os honorários sucumbenciais sob o critério da equidade, fixando-os no patamar de R\$ 500,00 (quinhentos reais). 	simultaneamente pelos litigantes em face da sentença proferida no Id 26732067, que julgou parcialmente procedente a Ação de Indenização por Danos Materiais e Morais. II. QUESTÕES EM DISCUSSÃO 2. As questões em discussão são: (i) possível ocorrência de prescrição da pretensão autoral; e (ii) em caso de não prescrição, verificar a alegada legitimidade dos descontos efetuados quando do resgate das contribuições previdenciárias do autor, a título de custeio administrativo e de benefício de risco. III. RAZÕES DE DECIDIR 3. O art. 75 da Lei Complementar nº 109/2001 disciplina que “Sem prejuízo do benefício, prescreve em cinco anos o direito às prestações não pagas nem reclamadas na época própria, resguardados os direitos dos menores dependentes, dos incapazes ou dos ausentes, na forma do Código Civil”. 4. Sobre o assunto, esclareceu o STJ que “em demanda de previdência complementar, deve ser observada a prescrição quinquenal, nos termos do artigo 75 da LC nº 109 /2001 e Súmula 427 do STJ.” (REsp n. 1.989.159/AM, relatora Ministra Nancy Andrighi, Terceira Turma, data do julgamento: 12-12-2023, data da publicação/fonte: DJe de 15-12-2023). 5. No caso concreto, a pretensão autoral foi atingida pelo fenômeno da prescrição, pois se infere do caderno processual que o beneficiário resgatou suas contribuições em 25/09/2019, ao passo que propôs a presente ação somente em 31.03.2025, isto é, quando já superado o prazo de cinco anos do recebimento do saldo de resgate. DISPOSITIVO 6. Recurso da parte ré conhecido e provido. Recurso da parte autora prejudicado. ACÓRDÃO Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer dos recursos de apelação, para dar provimento ao apelo da ré e julgar prejudicado o apelo do promovente, nos termos do voto do Desembargador Relator. 	desprovido. (AgInt no AgInt no AREsp 790.415/SP, Rel. Ministro GURGEL DE FARIA, PRIMEIRA TURMA, julgado em 16/11/2020, DJe 27/11/2020, grifei). Destarte, é de rejeitar a questão preliminar de ofensa ao princípio da dialeticidade. Quanto à preliminar de impugnação à justiça gratuita, lançada no apelo da promovida, há de anotar que tal questão se encontra preclusa, pois o benefício foi concedido no despacho inicial e a requerida não impugnou no momento oportuno. Segundo dispõe o art. 100 do Código de Processo Civil, “Deferido o pedido, a parte contrária poderá oferecer impugnação na contestação, na réplica, nas contrarrazões de recurso ou, nos casos de pedido superveniente ou formulado por terceiro, por meio de petição simples, a ser apresentada no prazo de 15 (quinze) dias, nos autos do próprio processo, sem suspensão de seu curso” [grifou-se]. Os artigos 336 e 337 do CPC também prevêem: Art. 336. Incumbe ao réu alegar, na contestação, toda a matéria de defesa, expondo as razões de fato e de direito com que impugna o pedido do autor e especificando as provas que pretende produzir. Art. 337. Incumbe ao réu, antes de discutir o mérito, alegar: ...] XIII - indevida concessão do benefício de gratuidade de justiça. No caso em tela, o banco não impugnou a matéria no momento oportuno, ou seja, na contestação, configurando, assim, preclusão do seu direito de praticar o ato, nos termos do art. 507 do CPC, que reza: “É vedado à parte discutir no curso do processo as questões já decididas a cujo respeito se operou a preclusão”.

	II. QUESTÃO EM DISCUSSÃO 2. O cerne da controvérsia recursal consiste em analisar se existe ilegalidade nas cláusulas do contrato de financiamento bancário, especificamente no que tange à abusividade relativa à capitalização de juros e da comissão de permanência. III. RAZÕES DE DECIDIR 3. Como se sabe, o ordenamento jurídico pátrio não veda a capitalização de juros, restando vedada, como regra, a incidência de juros compostos com periodicidade inferior a um ano. Entretanto, os contratos bancários figuram como exceção, conforme art. 5º da Medida Provisória nº 2.170-36, segundo o qual "nas operações realizadas pelas instituições integrantes do Sistema Financeiro Nacional, é admissível a capitalização de juros com periodicidade inferior a um ano". Isto é corroborado pelo entendimento sumulado do Superior Tribunal de Justiça, enunciado nº 539, segundo o qual "é permitida a capitalização de juros com periodicidade inferior à anual em contratos celebrados com instituições integrantes do Sistema Financeiro Nacional a partir de 31/3/2000 (MP nº 1.963-17/2000, reeditada como MP n. 2.170-36/2001), desde que expressamente pactuada". Além disso, o enunciado 541 da súmula da jurisprudência da mencionada Corte sedimentou que "a previsão no contrato bancário de taxa de juros anual superior ao duodécuplo da mensal é suficiente para permitir a cobrança da taxa efetiva anual contratada (DJe 15/6/2015)". 4. Da análise do espelho do contrato, infere-se que as partes convencionaram a capitalização mensal de juros, uma vez que a taxa de juros remuneratórios foi fixada em "1,50% ao mês" e "19,57% ao ano", o que revela a adoção de "juros capitalizados". Dito isso, tem-se que a cláusula do contrato referente à capitalização dos juros não viola qualquer disposição legal e ainda está bem redigida e clara, de modo que o mutuário, no momento da pactuação, teve plena ciência do exato valor das parcelas que pagaria durante toda a contratualidade, as quais foram computadas em consonância com a taxa de juros devidamente ajustada. 5. Quanto à comissão de permanência, a apelante alega que o contrato celebrado prevê sua "cumulação indevida com outros encargos moratórios, o que configuraria, segundo afirma, abusividade contratual, em afronta à jurisprudência consolidada sobre a matéria". A questão foi apreciada pelo c. Superior Tribunal de Justiça no julgamento dos Recursos Especiais 1.058.114-RS e 1.063.343-RS, oportunidade em que se entendeu

	possível a sua cobrança para o período de inadimplência, desde que (i) expressamente prevista no contrato e (ii) não cumulada com os demais encargos (correção monetária, juros remuneratórios, juros moratórios ou multa contratual).&#160; Ocorre que, diversamente do alegado pela parte autora / recorrente, o contrato não prevê a incidência de comissão de permanência cumulada com outros encargos. Logo, inexistindo cláusula dispondo sobre comissão de permanência, não se sustenta a alegada abusividade contratual nesse aspecto.&#160;</p><p style="text-align: justify;"> IV. 	apresentada pela parte, ônus do qual a instituição bancária não se desincumbiu, nos termos do art. 373, inciso II, do Código de Processo Civil, razão pela qual se impõe a rejeição da preliminar suscitada. III – Do mérito O cerne da controvérsia recursal consiste em analisar se existe ilegalidade nas cláusulas do contrato de financiamento bancário, especificamente no que tange à abusividade relativa à capitalização de juros e da comissão de permanência. Como se sabe, o ordenamento jurídico pátrio não veda a capitalização de juros, restando vedada, como regra, a incidência de juros compostos com periodicidade inferior a um ano. Entretanto, os contratos bancários figuram como exceção, conforme art. 5º da Medida Provisória nº 2.170-36, segundo o qual "nas operações realizadas pelas instituições integrantes do Sistema Financeiro Nacional, é admissível a capitalização de juros com periodicidade inferior a um ano". A propósito, o Pretório Excelso já se manifestou no sentido da legalidade da referida norma. Confira-se: CONSTITUCIONAL. ART. 5º DA MP 2.170/01. CAPITALIZAÇÃO DE JUROS COM PERIODICIDADE INFERIOR A UM ANO. REQUISITOS NECESSÁRIOS PARA EDIÇÃO DE MEDIDA PROVISÓRIA. SINDICABILIDADE PELO PODER JUDICIÁRIO. ESCRUTÍNIO ESTRITO. AUSÊNCIA, NO CASO, DE ELEMENTOS SUFICIENTES PARA NEGÁ-LOS. RECURSO PROVIDO. 1. A jurisprudência da Suprema Corte está consolidada no sentido de que, conquanto os pressupostos para a edição de medidas provisórias se exponham ao controle judicial, o escrutínio a ser feito neste particular tem domínio estrito, justificando-se a invalidação da iniciativa presidencial apenas quando atestada a inexistência cabal de relevância e de urgência. 2. Não se pode negar que o tema tratado pelo art. 5º da MP 2.170/01 é relevante, porquanto o tratamento normativo dos juros é matéria extremamente sensível para a estruturação do sistema bancário, e, conseqüentemente, para assegurar estabilidade à dinâmica da vida econômica do país. 3. Por outro lado, a urgência para a edição do ato também não pode ser rechaçada, ainda mais em se considerando que, para tal, seria indispensável fazer juízo sobre a realidade econômica existente à época, ou seja, há quinze anos passados. 4. Recurso extraordinário provido. " (RE 592.377/RS, Tribunal Pleno, Rel. Min. Marco Aurélio, Rel. p/ Acórdão Min. Teori Zavascki, DJe de 20/03/2015). Isto é corroborado pelo entendimento sumulado do Superior Tribunal de Justiça, enunciado nº 539, segundo o qual "é permitida a capitalização de juros com periodicidade inferior à anual em contratos celebrados com instituições integrantes do Sistema Financeiro Nacional a partir de 31/3/2000 (MP nº 1.963-17/2000, reeditada como MP n. 2.170-36/2001), desde que expressamente pactuada". Assim, é entendimento consolidado no STJ a admissibilidade da capitalização dos juros em periodicidade inferior à anual em contratos firmados com instituição financeira, se expressamente pactuada. Discute-se, entretanto, as circunstâncias sob as quais se pode considerar como expressa, na prática, a previsão da incidência de juros compostos no contrato. O entendimento também adotado pela Corte Superior é o de que atende ao requisito em questão a clara disposição das taxas mensais

	e anuais incidentes no pacto, podendo o contratante deduzir referida capitalização se restar evidente que a taxa de juros anual é mais de doze vezes superior à mensal.
 </p> Nesse sentido, é o enunciado 541 da súmula da jurisprudência da mencionada Corte: "a previsão no contrato bancário de taxa de juros anual superior ao duodécuplo da mensal é suficiente para permitir a cobrança da taxa efetiva anual contratada (DJe 15/6/2015)". </p>
 </p> Nesse ritmo, a Segunda Seção do STJ, em julgamento submetido ao rito dos recursos repetitivos, apreciando os REsp de nº 1.046.768/RS, 1.003.530/RS, e 973.827/RS, julgados em 08/08/2012, sob a relatoria do il. Ministro Luís Felipe Salomão, consolidou entendimento a respeito das questões processuais e de mérito em debate nas ações revisionais de contratos bancários em que se discutiram os temas acima mencionados. Vejamos: </p>
 </p> 1) É permitida a capitalização de juros com periodicidade inferior a um ano em contratos celebrados após 31/3/2000, data da publicação da Medida Provisória nº 1.963-17/2000, em vigor como MP nº 2.170-01, desde que expressamente pactuada; </p> 2) A capitalização dos juros em periodicidade inferior à anual deve vir pactuada de forma expressa e clara. A previsão no contrato bancário de taxa de juros anual superior ao duodécuplo da mensal é suficiente para permitir a cobrança da taxa efetiva anual contratada. [Grifou-se]. </p>

APELAÇÃO DO BANCO. NÃO CONHECIDA. APLICAÇÃO DA PENA DESERÇÃO. Conforme dispõe o art. 1.007 do CPC/2015, cabe ao recorrente, quando não requerer a concessão de gratuidade da justiça, comprovar, no ato de interposição do recurso, o recolhimento do preparo. Verifica- se, dos autos, que o Banco não requereu e nem lhe foi deferido os benefício da justiça gratuita, motivo pelo qual foi intimado (conforme certidões de págs. 174 e 176) para comprovar o recolhimento do preparo em dobro, de acordo com o despacho proferido à pág. 173. Apesar disso, o prazo transcorreu in albis, conforme certidão de decurso de prazo juntada à pág. 178. Assim, considerando que o preparo é um dos pressupostos de admissibilidade recursal (requisito extrínseco) e que deve ser, não apenas recolhido, mas também comprovado, como regra, no ato de sua interposição, não há como afastar a deserção do apelo. JUROS REMUNERATÓRIOS. Em situações excepcionais é possível revisar as taxas de juros remuneratórios, desde que reste suficientemente demonstrada a abusividade do referido encargo, implicando, assim, em evidente desvantagem para o consumidor. Assim, de acordo com o entendimento do STJ, para que os juros contratados sejam considerados abusivos deve restar demonstrado nos autos que as taxas estipuladas

	no instrumento contratual se distanciam de forma acintosa da média de mercado, porquanto não é qualquer desvio desta média que caracteriza o abuso e autoriza o afastamento dos juros remuneratórios do contrato. (Precedentes: Resp 407.097, RS; Resp 1.061.530, RS; AgRg no Resp 1.032.626, MS; AgRg no Resp 809.293, RS; AgRg no Resp 817.431, RS). Aplicando-se o critério adotado para aferição da abusividade nos juros remuneratórios contratados ($1,98 \times 1,5 = 2,97\%$ ao mês/ $26,46 \times 1,5 = 39,69\%$ ao ano), verifica-se que a taxa de juros contratada não supera em mais de 50% (cinquenta por cento) da taxa média praticada no mercado, considerada a mesma operação e o período da celebração do contrato. Dessa forma, na análise do caso concreto, não se verifica qualquer abusividade quanto aos juros remuneratórios. CAPITALIZAÇÃO DOS JUROS. No que concerne à pactuação desse encargo, entende-se satisfeita quando consta do contrato que a taxa de juros anuais é superior ao duodécuplo da taxa de juros mensais, admitindo-se que o encargo foi pactuado (Resp nº 973.827/RS. Na hipótese vertente, o contrato evidencia que a taxa de juros anual (29,24% ao ano) é doze vezes maior que a mensal (2,16% ao mês), portanto, conclui-se que a capitalização mensal dos juros foi expressamente pactuada, devendo ser mantida. DA INOCORRÊNCIA DA DESCONSTITUIÇÃO DA MORA. Não reconhecida ilegalidade dos encargos pactuados no período da normalidade contratual (juros remuneratórios e capitalização de juros), não há que se falar em descaracterização da mora. conforme posicionamento consolidado pelo Superior Tribunal de Justiça (STJ), no julgamento dos REsp nºs. 1061530/RS, 1.639.320/SP e 1.639.259/SP (Temas STJ 28, 29 e 972), a descaracterização da mora do devedor somente ocorrerá no caso de reconhecimento de abusividade nos encargos essenciais (juros remuneratórios e capitalização dos juros) exigidos no período da normalidade, já que a "[a] abusividade de encargos acessórios do contrato não descaracteriza a mora". Ademais, "[a] simples propositura da ação de revisão de contrato não inibe a caracterização da mora do autor". Recurso interposto pelo devedor conhecido e não provido. Com relação à capitalização de juros, segundo o STJ, para cobrá-la é necessário apenas que a taxa de juros anual seja superior a doze vezes (duodécuplo) a taxa mensal fixada no contrato, circunstância presente aos autos, porquanto, a soma dos juros mensais de 2,04%, totaliza o percentual anual de 24,48%, inferior ao percentual cobrado ao ano de 27,46%. (fl. 110) 2. Os juros no percentual apontado no contrato, de 27,46% ao ano, ostentam caráter de abusividade, na medida em que discrepam, significativamente, da taxa média de mercado para o caso de aquisição de veículo para pessoa física no período da contratação (março/2020), consoante extraí do site do Banco Central do Brasil, que apontou o percentual de 19.76% ao ano para aquele interregno, ou seja, uma diferença superior a 5% (cinco por cento) entre a taxa média de mercado e a taxa contratual, percentual este considerado como suficiente para autorizar a revisão contratual conforme entendimento consolidado na ambiência da Primeira Câmara de Direito Privado. 3. Como visto, houve a cobrança abusiva de juros remuneratórios no período da normalidade do contrato, o que acarreta como consequência a descaracterização da mora, consoante a sólida, estável, firme, jurisprudência do colendo Superior Tribunal de Justiça (STJ) sobre este assunto, no sentido de que ¿A cobrança de encargos abusivos no período da normalidade enseja a descaracterização da mora.¿ ¿ (AgInt no AREsp 1118462/RS, Rel. 	hipótese de inadimplemento, o contrato não exige a cobrança de comissão de permanência, o que prostra ao solo o argumento da existência de cumulação desse encargo com outras verbas moratórias (cl. 4.5, fl. 11) 5. Não obstante a tarifa de cadastro tenha sido expressamente pactuada e exigida no início do relacionamento entre os contratantes, é possível a redução do encargo quando demonstrada a abusividade. No caso em análise, a cobrança da Tarifa de Cadastro, conforme especificação constante no instrumento contratual, foi firmada em R\$ 695,00 (seiscentos e noventa e cinco reais), e segundo o site do Banco Central do Brasil o preço da tarifa média de cadastro é, hoje, o equivalente a R\$ 967,42 (novecentos e sessenta e sete reais e quarenta e dois centavos), restando comprovado, pois, que a pactuação respeitou os ditames da legalidade e razoabilidade, razão pela qual deve ser mantida a respectiva cobrança. 6. No que se refere à cobrança da rubrica "valor documentação", no importe de R\$ 1.132,00 (um mil, cento e trinta e dois reais), enxergo manifesta abusividade na cobrança, mormente porque o contrato não estipula a que se destina o pautado valor, tampouco a instituição financeira comprovou eventual prestação de serviço em decorrência de tal cobrança. 7. Por fim, com relação à devolução dos valores pagos a maior, convém destacar que o STJ, por ocasião do julgamento, pela Corte Especial, do EAREsp 676608/RS, de relatoria do Ministro Og Fernandes, definiu que a restituição em dobro do indébito (parágrafo único do artigo 42 do CDC) independe da natureza do elemento volitivo do fornecedor que cobrou valor indevido, revelando-se cabível quando a cobrança indevida consubstanciar conduta contrária à boa-fé objetiva" e que a restituição em dobro do indébito seja aplicada apenas às cobranças indevidas realizadas a partir da publicação daquele acórdão, ou seja, 30/03/2021. 8. APELAÇÃO CONHECIDA E PARCIALMENTE PROVIDA. (Apelação Cível - 0201236-61.2022.8.06.0075, Rel. Desembargador(a) EMANUEL LEITE ALBUQUERQUE, 1ª Câmara Direito Privado, data do julgamento: 25/10/2023, data da publicação: 25/10/2023). [Grifou-se]. Da análise do espelho do contrato (ID 26737076), infere-se que as partes convencionaram a capitalização mensal de juros, uma vez que a taxa de juros remuneratórios foi fixada em 1,50% ao mês e 19,57% ao ano, o que revela a adoção de periodicidade inferior à anual, caracterizando regular previsão dos juros capitalizados. Dito isso, tem-se que a cláusula do contrato referente à capitalização dos juros não viola qualquer disposição legal e ainda está bem redigida e clara, de modo que o mutuário, no momento da pactuação, teve plena ciência do exato valor das parcelas que pagaria durante toda a contratualidade, as quais foram computadas em consonância com a taxa de juros devidamente ajustada. Quanto à comissão de permanência, a apelante alega que o contrato celebrado prevê sua cumulação indevida com outros encargos moratórios, o que configuraria, segundo afirma, abusividade contratual, em afronta à jurisprudência consolidada sobre a matéria. A questão da comissão de permanência foi apreciada pelo c. Superior Tribunal de Justiça no julgamento dos Recursos Especiais 1.058.114-RS e 1.063.343-RS, oportunidade em que se entendeu possível a sua cobrança para o período de inadimplência, desde que (i) expressamente prevista no contrato e (ii) não cumulada com os demais encargos (correção monetária, juros remuneratórios, juros moratórios ou multa contratual). A propósito, o Colendo Superior Tribunal de Justiça editou as seguintes súmulas: Súmula 30. A comissão de permanência e a correção monetária são inacumuláveis. Súmula 294. Não é potestativa a

Processo	0254311-77.2021.8.06.0001
	cláusula contratual que prevê a comissão de permanência, calculada pela taxa média de mercado apurada pelo Banco Central do Brasil, limitada à taxa do contrato. Súmula 296. Os juros remuneratórios, não cumuláveis com a comissão de permanência, são devidos no período de inadimplência, à taxa média de mercado estipulada pelo Banco Central do Brasil, limitada ao percentual contratado. Súmula 472. A cobrança de comissão de permanência - cujo valor não pode ultrapassar a soma dos encargos remuneratórios e moratórios previstos no contrato - exclui a exigibilidade dos juros remuneratórios, moratórios e da multa contratual. Nesse contexto, é imperativo considerar nula de pleno direito eventual aplicação de comissão de permanência acrescida de juros moratórios ou remuneratórios, multa contratual e correção monetária. Ocorre que, diversamente do alegado pela parte autora / recorrente, o contrato não prevê a incidência de comissão de permanência cumulada com outros encargos. Logo, inexistindo cláusula dispondo sobre comissão de permanência, não se sustenta a alegada abusividade contratual nesse aspecto. V – Dispositivo Diante do exposto, CONHEÇO do apelo interposto para lhe NEGAR PROVIMENTO, mantendo-se inalterada a sentença ora recorrida. Com o resultado, majoro os honorários advocatícios para 12% (doze por cento) do valor atualizado da causa, cuja exigibilidade ficará suspensa em razão dos benefícios da justiça gratuita (art. 98, § 3º, do CPC). 	se em nome de terceiro(a), comprovando a relação entre ambos, bem como ratificar os termos da procuração e o pedido de declaração de nulidade do contrato objeto da presente ação, sob pena de indeferimento da exordial. No mesmo prazo, determinou que o advogado da parte autora juntasse novamente a procuração pública, ante a falha na visualização do PDF. Diante da inércia, sobreveio aos autos a sentença de ID 26740567, que extinguiu o feito sem apreciação do mérito, com fundamento no art. 485, I do CPC, nos seguintes termos: Pelo exposto, EXTINGO O PRESENTE FEITO SEM JULGAMENTO DE MÉRITO, o que faço com amparo no art. 485, "I", do Código de Processo Civil. Sem custas ante a gratuidade judiciária que defiro nos autos. Empós o trânsito em julgado desta decisão, arquivem-se os autos com a devida baixa na distribuição. Publique-se. Registre-se. Intimem-se. Nas razões recursais (ID 26740570), a apelante sustenta, em síntese, que não é necessária a atuação pessoal da parte em todos os atos processuais, com o objetivo de "dar legitimidade" ao causídico. Da mesma forma, a procuração devidamente assinada e constituída supre o objetivo de confirmar a vontade da parte, tornando extremamente desnecessário seu deslocamento, se tratando de pessoa idosa e com dificuldades de locomoção, apenas para confirmar o que já deixou expresso em documento legítimo e legal. Ora, há diversos momentos processuais onde seriam oportunizados à Apelante o comparecimento ao fórum local, como, por exemplo, a própria audiência de instrução. Além disso, a idosa reside em Zona Rural, dependendo de carros de aluguel e até mesmo de carona para se dirigir a cidade. Ao final, requer o conhecimento do recurso e, no mérito, o seu provimento, para anular a sentença e determinar o retorno dos autos ao Juízo de origem para o regular processamento do feito. Contrarrazões (ID 26740577), pugnando o apelado pelo desprovimento do recurso interposto, mantendo-se integralmente a sentença que indeferiu a petição inicial. É o relatório. VOTO Ao compulsar os autos, verifica-se que a autora, ora recorrente, apresentou os seguintes documentos no ato de protocolo da inicial: contrato de consultoria e assessoria jurídica (ID 26740558); comprovante de residência (ID 26740557); documento de identificação (ID 26740556); extrato de empréstimos consignados do INSS (ID 26740559); ofício enviado ao promovido (ID 26740560) e comprovante de solicitação de abertura de reclamação administrativa (ID 26740561). No entanto, não apresentou procuração ad judicia, uma vez que o documento de ID 26740555 apresenta

Art. 320. A petição inicial será instruída com os documentos indispensáveis à propositura da ação. Art. 321 do CPC). Consoante relatado, o d. magistrado a quo ordenou a intimação da parte autora (ID 26740562) para, dentre outros termos, juntar novamente procuração em razão na falha na visualização do PDF. Decorrido o prazo sem ter sido apresentado o que fora determinado, a petição inicial foi indeferida, julgando-se extinto o processo sem resolução de mérito. Em que pese o entendimento reiterado desta relatoria de que a exigência de comparecimento pessoal da parte autora à Secretaria da Vara para apresentar documento pessoal de identificação, comprovante de residência e para ratificar a outorga de procuração ao advogado, com fundamento na Recomendação n.º 01/2019/NUMOPEDE/CGJCE – atualizada pela Recomendação n.º 01/2021/NUMOPEDE/CGJCE –, não configure exigência indispensável ao regular processamento da ação, seja porque não constitui exigência prevista em lei, seja porque tais providências podem ser averiguadas em eventual e futura instrução da causa, se for o caso, a procuração ad judicium sequer foi carreada aos autos, evidenciando falha intransponível da representação. Dessa forma, ainda que a ausência de procuração constitua vício sanável, constata-se, no caso concreto, a desídia da parte autora em regularizar a situação. O juízo a quo, com a devida cautela, concedeu prazo para que o apelante apresentasse instrumento procuratório válido, requisito essencial à representação processual; entretanto, diante da inércia em adotar qualquer providência, resta evidenciado o desinteresse da parte em sanar o vício, impondo-se a extinção do processo, nos termos do art. 485, inciso I, do CPC. Vejamos o que a jurisprudência pátria apresenta em casos similares:

O recurso apelatório visa à reforma da sentença de primeira instância que decretou a revelia do promovido e julgou procedente o pedido autoral, condenando a parte ré ao pagamento dos danos materiais suportados pelo autor, na importância total de R\$133.573,29 (cento e trinta e três mil, quinhentos e setenta e três reais e vinte e nove centavos), com os acréscimos de estilo. 2. Trata-se, na origem, de Ação Civil ex delicto, baseada nos artigos 63 a 67 do Código de Processo Penal, que trata da responsabilidade civil pela condenação na esfera criminal. Na espécie, o promovido/apelante foi condenado em ação penal transitada em julgado (processo nº 0209061-36.2012.8.26.0001), na qual foi comprovada conduta criminal do réu, que resultou em prejuízo para o autor, no montante de R\$75.000,00 (setenta e cinco mil reais), conforme cópias do aludido processo, juntadas às fls. 19-49. Nesse contexto, estabelecida a responsabilidade civil do apelante pela condenação na esfera criminal, tem ele o dever de indenizar o recorrido pelo dano material suportado pela vítima. 3. Alega o apelante, basicamente, a nulidade da sentença por suposta irregularidade processual na decretação de sua revelia. De acordo com o artigo 76 do Código de Processo Civil, verificada a incapacidade processual ou a irregularidade da representação da parte, o juiz suspenderá o processo e designará prazo razoável para que seja sanado o vício, sob pena de o réu ser declarado revel. 4. Na hipótese vertente, verifica-se que tanto o autor foi intimado pessoalmente (fl. 126 por mandado), como o advogado constante da petição de defesa foi intimado pelo DJ, para regularizar a representação processual, juntando a procuração ad judícia, entretanto, a parte permaneceu inerte. 5. É cediço que, de acordo com o artigo 104 e seus parágrafos do Código de Processo Civil, o advogado pode ser admitido a atuar em juízo sem procuração, com o

	objetivo de evitar a preclusão, decadência ou prescrição, ou para realizar um ato considerado urgente. No entanto, ele deverá apresentar a procuração no prazo de 15 dias, sob pena de o ato ser considerado inválido e de o advogado ser responsabilizado pelas despesas e pelos danos causados. Nesse contexto, a decretação da revelia, assim como a ineficácia dos atos, é medida que se impõe. 6. Subsidiariamente, o apelante roga pela nulidade da audiência de conciliação e pelo retorno dos autos à origem para retomar aquela fase processual. Sem razão. Tratando-se de audiência conciliatória, não se fazia obrigatória a presença de advogado, na medida em que o autor poderia firmar acordo com a parte autora independentemente da presença do advogado . 7. A contestação, por seu turno, por não ter sido assinada por advogado constituído, trata-se de ato ineficaz, o que equivale à não apresentação da peça, corroborando com a decretação da revelia. 8. Por fim, não assiste razão ao recorrente quanto ao pedido subsidiário de reforma da sentença ao argumento de que a correção monetária foi aplicada sobre valor divergente do apresentado no pedido inicial, na medida em que a divergência do valor corresponde tão somente à atualização monetária desde o efetivo prejuízo do autor até a propositura da presente ação civil, após o trânsito em julgado da ação penal. 9. Em exame à prova documental produzida, extrai-se que houve a oportunidade de escolha da contratação do seguro proteção financeira pela consumidora/apelante, eis que o contrato foi firmado em apartado, em instrumento de adesão próprio. Nele, inclusive, há a declaração de que a contratação é opcional e que é facultado à segurada o cancelamento a qualquer tempo. Logo, conclui-se que não houve venda casada e que a cobrança não é abusiva, rejeitando, por consectário, sua restituição à apelante. 4. A orientação contida na tese firmada no Tema Repetitivo 958 do c. STJ é pela validade da contratação da tarifa de avaliação do bem, ressalvado o reconhecimento de abusividade da cobrança por serviço não efetivamente prestado e a possibilidade de controle da onerosidade excessiva, em cada caso concreto. Na hipótese em tela, o serviço de avaliação do bem está comprovado pelo documento de Id 26774376, fls. 20 e 22, no qual consta, inclusive, a foto do veículo avaliado. Portanto, resta justificada a cobrança da tarifa, não havendo, também, qualquer indício de onerosidade excessiva quanto ao valor do referido encargo. IV. DISPOSITIVO 5. Recurso conhecido e desprovido. Portanto, restou consolidado o entendimento da validade da contratação da tarifa de avaliação do bem, ressalvado o reconhecimento de abusividade da cobrança por serviço não efetivamente prestado e a possibilidade de controle da onerosidade excessiva, em cada caso concreto. Na hipótese em tela, o serviço de avaliação do bem está comprovado pelo documento de Id 26774376, fls. 20 e 22, no qual consta, inclusive, a foto do veículo avaliado. Desse modo, entende-se justificada a cobrança da tarifa, não havendo, também, qualquer indício de onerosidade excessiva quanto ao valor do referido encargo. RECURSO DESPROVIDO. I. CASO EM EXAME Apelação Cível interposta por Alexandre Sávio Braga Soares contra sentença da 39ª Vara Cível da Comarca de Fortaleza/CE que, nos autos da Ação Rescisória c/c Indenização ajuizada em face de Aymoré Crédito, Financiamento e Investimento S/A, julgou improcedentes os pedidos de declaração de abusividade de cláusulas contratuais, restituição em dobro de valores pagos a título de encargos supostamente indevidos e condenação em danos morais. II. QUESTÃO EM DISCUSSÃO Há três questões em discussão: (i) definir se é abusiva a cobrança de tarifa de cadastro, tarifas de registro de contrato e de avaliação de bem no contrato de financiamento firmado; (ii) apurar se houve venda casada na contratação de seguro prestamista; e (iii) verificar a configuração de dano moral em razão da suposta abusividade das cobranças impugnadas. III. RAZÕES DE DECIDIR A cobrança da tarifa de cadastro é válida para contratos firmados após a vigência da Resolução CMN 3.518/2007, desde que realizada no início do relacionamento entre o consumidor e a instituição financeira, consoante precedentes do STJ e Súmula 566. As tarifas de registro e de avaliação do bem são legítimas, conforme a tese firmada no Tema 958/STJ, sendo lícita sua cobrança quando há previsão contratual, efetiva prestação do serviço e inexistência de onerosidade excessiva, o que restou demonstrado no caso concreto. O seguro prestamista contratado pelo apelante não caracteriza venda casada, à luz da tese firmada no Tema 972/STJ, pois consta como cláusula optativa no contrato, com adesão expressa e ausência de prova de imposição ou

	restrição à liberdade de escolha do consumidor quanto à seguradora. A ausência de abusividade nas cobranças afastou a pretensão de restituição em dobro dos valores pagos, e a inexistência de prova de dano moral ou conduta ilícita por parte da instituição financeira inviabiliza a condenação por danos extrapatrimoniais. Mantida a sentença de improcedência, majorando-se os honorários advocatícios, nos termos do art. 85, § 11, do CPC, permanecendo suspensa sua exigibilidade em razão da concessão da justiça gratuita. IV. DISPOSITIVO E TESE Recurso desprovido. Tese de julgamento: É válida a cobrança da tarifa de cadastro em contrato bancário firmado após 30/04/2008, desde que realizada no início do relacionamento entre o consumidor e a instituição financeira. São legítimas as cobranças de tarifas de registro de contrato e avaliação de bem, desde que previstas contratualmente, efetivamente prestadas e não caracterizada a onerosidade excessiva. A contratação de seguro prestamista não configura venda casada quando se verifica a opção expressa e voluntária do consumidor, sem imposição de restrição à escolha da seguradora. A ausência de abusividade na contratação e cobrança dos encargos afasta o direito à restituição em dobro e à indenização por dano moral. Desembargador(a) CARLOS AUGUSTO GOMES CORREIA, 1ª Câmara Direito Privado, data do julgamento: 06/06/2025, data da publicação: 06/06/2025) APELAÇÃO CÍVEL. AÇÃO REVISIONAL DE CONTRATO DE FINANCIAMENTO DE VEÍCULO. JULGAMENTO DE IMPROCEDÊNCIA. PRETENSÃO DE REFORMA. TARIFAS DE REGISTRO DE CONTRATO, AVALIAÇÃO DE VEÍCULO E DE CADASTRO. VALIDADE. TAXA DE JUROS REMUNERATÓRIOS. ABUSIVIDADE NÃO EVIDENCIADA NO CASO CONCRETO. CUSTO EFETIVO TOTAL > CET. INCLUSÃO DE TARIFAS, IMPOSTOS, SEGUROS E OUTRAS DESPESAS. RECURSO CONHECIDO E IMPROVIDO. SENTENÇA MANTIDA. 1. Insurge-se a apelante contra a sentença de improcedência do pedido de revisão do contrato de financiamento bancário para aquisição de veículo. 2. Tarifas de Registro de Contrato e de Avaliação de Veículo. Nos termos do entendimento lançado no Tema Repetitivo 958/STJ, ao julgar o Recurso Especial 1.578.553, sob o procedimento dos recursos repetitivos, não há ilegalidade na cobrança das Tarifas de Registro de Contrato e de Avaliação de Veículo, só se impondo a restituição do correspondente valor ao consumidor se demonstrado, no caso concreto, que não houve a efetiva prestação do serviço ou se for constatada a onerosidade excessiva na cobrança, pois, em tais hipóteses, estará configurada a abusividade. 3. Na espécie, tem-se que o serviço de avaliação do bem foi efetivamente prestada, conforme se comprova pelo Termo de Avaliação de Veículo de fl. 209. O mesmo se diga quanto ao serviço de registro de contrato, tendo em vista que o gravame foi registrado no órgão de trânsito, passando a constar nos dados do veículo o gravame na data da contratação (fl. 233). Por sua vez, não foi demonstrada a onerosidade excessiva da tarifa, cobrada a título de registro de contrato, no montante de R\$351,25 (trezentos e cinquenta e um reais e vinte e cinco centavos), nem quanto à tarifa de avaliação do veículo, no importe de R\$150,00 (cento e cinquenta reais) (fl. 197, cláusulas B.9 e D.2). Cobranças mantidas. 4. Tarifa de Cadastro. O Superior Tribunal de Justiça, no julgamento do AgRg no AREsp 357178/PR, Relator Ministro Ricardo Villas Boas Cueva, DJe 30/10/2014, deixou ratificado o entendimento de que "É possível a cobrança das tarifas de abertura de crédito (TAC) e emissão de carnê (TEC) nos contratos celebrados até 30/4/2008. Com a entrada em vigor da Resolução CMN 3.518/2007, em 30/4/2008, permanece válida a Tarifa de Cadastro expressamente tipificada em ato normativo padronizador da autoridade monetária, a qual somente pode ser cobrada no início do relacionamento entre o consumidor e a instituição financeira, salvo demonstração de efetiva abusividade no caso concreto." Como o presente contrato bancário foi firmado em 22/12/2021, é válida a tarifa de cadastro contratada a R\$870,00 (oitocentos e setenta

	reais), ademais, não restou demonstrada a discrepância do valor cobrado com a média em contratos da mesma espécie. 5. Taxa de Juros. No CET- Custo Efetivo Total, são incluídas as tarifas, tributos, taxas, seguros e outras despesas e, logicamente, seu percentual é maior que a taxa mensal de juros estipulada no contrato, o que não torna a sua cobrança ilícita. Destarte, ao alegar cobrança de juros acima dos contratados, o apelante levou em consideração apenas os juros mensais pactuados, esquecendo-se de considerar os demais encargos. 6. Recurso conhecido e improvido. Sentença inalterada. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 2ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do recurso interposto e negar-lhe provimento, nos termos do voto da relatora. (Apelação Cível - 0201122-95.2022.8.06.0084, Rel. Desembargador(a) MARIA DE FÁTIMA DE MELO LOUREIRO, 2ª Câmara Direito Privado, data do julgamento: 01/11/2023, data da publicação: 01/11/2023). Assim sendo, inexistindo abusividade quanto à tarifa impugnada, impõe-se o reconhecimento da validade da cobrança. 3 – Dispositivo Diante do exposto, CONHEÇO do apelo interposto pela autora e a ele NEGO PROVIMENTO, permanecendo inalterados os termos da sentença objurgada. Com o resultado, majoro os honorários advocatícios sucumbenciais para 12% (doze por cento) do valor da causa, conforme art. 85, § 11, CPC, restando observada a suspensão da exigibilidade dessa condenação, por ser a vencida beneficiária da justiça gratuita (art. 98, § 3º, CPC). Em vez de reunir as ações apontadas em um único feito, a ora Apelante desmembrou cada um dos contratos em processos distintos, apesar de todos eles terem identidade e afinidade no que pertine à causa de pedir e aos pedidos. Isso consubstanciou flagrante desprestígio aos princípios da cooperação, da boa-fé, da economia e da eficiência processuais. </p><p style="text-align: justify;" dir="ltr"> 5. Apesar de cada demanda tratar de contrato distinto, impõe-se que seja evitado o fracionamento desnecessário de ações que venha a gerar multiplicidade injustificada de demandas praticamente iguais, sob pena de se caracterizar abuso do direito de demandar judicialmente (art. 5º do CPC c/c art. 187 do Código Civil). </p><p style="text-align: justify;" dir="ltr"> 6. As ações judiciais em referência veiculam pedido de indenização por danos morais, não sendo adequado o exame individualizado do respectivo pleito, considerando-se que as condutas apontadas em cada processo tendem a consubstanciar uma só lesão extrapatrimonial. Nesse contexto, a individualização processual do pedido de reparação é apta a levar o juízo a erro, uma vez que a quantificação do dano (que é um só) deve considerar o cenário geral da situação do Autor. </p><p style="text-align: justify;" dir="ltr"> 8. As partes têm o dever legal de agir honestamente, de boa-fé, visando a uma solução justa e célere da situação posta em juízo. Na repressão à litigância abusiva, o julgador deverá empregar a medida que melhor se adequar à finalidade de impedir o objetivo ilícito das partes. No caso do fracionamento indevido de ações similares, a extinção processual sem resolução do mérito traduz uma opção razoável e compatível com esse intuito, uma vez que desestimula a multiplicação de ações judiciais sem ocasionar prejuízo ao exercício do direito de ação, ante a possibilidade de propositura de nova demanda compatível com a boa-fé e o princípio cooperativo. </p><p style="text-align: justify;" dir="ltr"> 10. Processo	3001055-60.2025.8.06.0051
	&#160; &#160; Na sentença (ID 26774920), o d. Juízo a quo indeferiu a petição inicial, extinguindo o processo sem resolução de mérito sob fundamento de ausência de interesse processual, conforme os arts. 330, III, 485, VI, 80, III e 81, todos do Código de Processo Civil, bem como no art. 5º, inciso LV, da Constituição Federal e na Recomendação nº 159/2024 do CNJ. O fundamento central para a decisão foi a ausência de interesse de agir da autora, relacionada ao fato de que ajuizou ações similares contra o Banco em um curto espaço de tempo. O magistrado argumentou que as ações deveriam ter sido reunidas em um único processo, dada a semelhança nos pedidos e a identidade das partes, para evitar a morosidade judicial e o abuso do direito de ação. &#160; &#160; Irresignada, a Autora interpôs recurso de apelação (ID 26774932), defendendo que a decisão de extinguir o processo foi equivocada, uma vez que o Promovente apresentou toda a documentação necessária para sustentar seus pedidos, conforme previsto no artigo 319 do CPC. Argumenta que o fracionamento das ações era cabível, pois as demandas tratam de contratos diversos; e sustenta que a decisão violou os princípios do acesso à Justiça e do devido processo legal, previstos no artigo 5º, XXXV e LV, da Constituição Federal. &#160; &#160; Em contrarrazões recursais (ID 26774936), o Banco Pan S.A defende a manutenção da sentença e pugna pelo desprovemento do recurso. &#160; &#160; É o relatório. &#160; VOTO &#160; &#160; Consoante relatado, o presente recurso configura insurgência contra a sentença que indeferiu a petição inicial da ação declaratória de inexistência de débito originária por ausência de pressupostos de constituição e de desenvolvimento válido e regular do processo. Na referida sentença, entendeu o d. Juízo a quo que a demanda consubstancia litigância abusiva, ante a constatação do fracionamento desnecessário de ações similares pela autora. &#160; &#160; Analizando-se os autos, verifica-se que o juízo originário apurou a existência, na mesma comarca, de 5 (cinco) ações da mesma autora veiculando pedidos semelhantes (inexistência do contrato e do respectivo débito), todas contra o mesmo Banco e propostas no mesmo período. &#160; &#160; Nota-se, inequivocamente, que tais ações têm objeto e causa de pedir idênticos entre si, pois a &#160; &#160; lega a recorrente, em síntese, não ter celebrado os respectivos contratos, razão pela qual requer a restituição dos valores indevidamente descontados, bem como indenização pelos danos morais resultantes da conduta da instituição promovida. Porém, em vez de reunir as causas de pedir e os pedidos em um único feito, a apelante desmembrou cada um dos contratos em processos distintos, apesar de todos eles terem identidade e afinidade no que pertine à causa de pedir e aos pedidos, como muito bem delimitou o d. juízo singular. &#160; &#160; Ressalte-se que a reunião desses processos em um só prestigiaria o princípio da cooperação, da boa-fé, da economia e da eficiência processuais, o que não foi observado pela parte ora recorrente. &#160; &#160; Sendo assim,

	mostra-se correto o decisum recorrido, considerando-se necessária, portanto, a reunião dos supraditos processos, para que se evitem julgamentos contraditórios sobre a mesma situação. Para tais casos, assim prevê o art. 55, §3º, do CPC:
 </p> <p style="text-align: justify; padding-left: 150px;" dir="ltr"> Art. 55. Reputam-se conexas 2 (duas) ou mais ações quando lhes for comum o pedido ou a causa de pedir. </p> <p style="text-align: justify; padding-left: 150px;" dir="ltr"> [...] </p> <p style="text-align: justify; padding-left: 150px;" dir="ltr"> § 3º Serão reunidos para julgamento conjunto os processos que possam gerar risco de prolação de decisões conflitantes ou contraditórias caso decididos separadamente, mesmo sem conexão entre eles. </p> <p style="text-align: justify;" dir="ltr"> É de se salientar que, apesar de cada demanda tratar de contrato distinto, impõe-se que seja evitado o fracionamento desnecessário de ações que venha a gerar multiplicidade injustificada de demandas praticamente iguais, sob pena de se caracterizar abuso do direito de demandar judicialmente. Nos termos da norma do art. 187 do Código Civil, também comete ato ilícito o titular de um direito que, ao exercê-lo, excede manifestamente os limites impostos pelo seu fim econômico ou social, pela boa-fé ou pelos bons costumes. </p> <p style="text-align: justify; text-indent: 8%;" dir="ltr"> Com efeito, as partes têm o dever legal de agir honestamente, de boa-fé, visando a uma solução justa e célere da situação posta em juízo. Nessa perspectiva, o fracionamento indevido de ações representa verdadeiro abuso do direito processual, especialmente porque a Autora, quando utiliza esse mecanismo, postula a justiça gratuita, e, sem a concessão desse benefício, dificilmente optaria pela multiplicidade de demandas. </p> <p style="text-align: justify; text-indent: 8%;" dir="ltr"> A par disso, as ações judiciais em referência veiculam pedido de indenização por danos morais, não sendo adequado o exame individualizado do respectivo pleito, considerando-se que as condutas apontadas em cada processo tendem a consubstanciar uma só lesão extrapatrimonial. Nesse contexto, a individualização processual do pedido de reparação é apta a levar o juízo a erro, uma vez que a quantificação do dano (que é um só) deve considerar o cenário geral da situação da Autora. </p> <p style="text-align: justify; text-indent: 8%;" dir="ltr"> Um dos resultados negativos de condutas como tal é a sobrecarga massiva e desnecessária das unidades jurisdicionais, prejudicando o adequado desempenho das funções jurisdicionais. Esse cenário poderia ser evitado caso os promoventes e respectivos causídicos optassem pela reunião de demandas similares em uma só, facilitando a apreciação adequada e uniforme da situação vivenciada pelo indivíduo atingido e empregando economia dos recursos empregados pelo Poder Judiciário. </p> <p style="text-align: justify; text-indent: 8%;" dir="ltr"> Ao afastar uma conduta cooperativa e buscar o fracionamento injustificado de ações análogas, usualmente no intento de multiplicar também a reparação moral, o jurisdicionado incorre em conduta ilícita, consubstanciada no abuso do direito processual, figura fundamentada na interpretação conjunta do art. 5º do CPC e do art. 187 do Código Civil. </p> <p style="text-align: justify; text-indent: 8%;" dir="ltr"> Vale destacar que a sanção voltada para a repressão do abuso do direito processual é atípica, pois a litigância abusiva é polimórfica, havendo, portanto, diversas formas de se apresentar. Por tal motivo, pode-se considerar o seu suporte legal na norma do art. 142 do CPC: </p> <p style="text-align: justify; padding-left: 150px;" dir="ltr">
 </p> <p style="text-align: justify;" dir="ltr"> Art. 142. Convencendo-se, pelas circunstâncias, de que autor e réu se serviram do processo para praticar ato simulado ou conseguir fim vedado por lei, o juiz proferirá decisão que impeça

	os objetivos das partes, aplicando, de ofício, as penalidades da litigância de má-fé. [Grifou-se]. &#160; Dessa forma, o Julgador deverá empregar a sanção que melhor se adequar à finalidade de impedir o objetivo ilícito das partes. No caso do fracionamento indevido de ações similares, a extinção processual sem resolução do mérito traduz uma medida razoável e compatível com esse intuito, uma vez que desestimula a multiplicação de ações judiciais sem ocasionar prejuízo ao exercício do direito de ação, ante a possibilidade de proposição de nova demanda compatível com a boa-fé e o princípio cooperativo. &#160; Nessa toada, manifesto minha concordância com o entendimento exarado pelo d. Juízo a quo em relação ao prejuízo da conduta adotada pela Requerente/Apelante em relação a princípios basilares para a ordem jurídica, como a razoável duração do processo, a boa-fé, a eficiência e a economia processuais. Não se mostra acertado o acionamento exacerbado e desmotivado do Poder Judiciário, com o ajuizamento de ações com o mesmo teor e finalidade, quando se poderia fazer em um único processo. &#160; Vale dizer, para cada contrato, foi ajuizada uma nova ação, quando, na verdade, os pedidos e as causas de pedir deveriam ser concentradas em apenas uma demanda, inclusive porque envolvem pedido de indenização por danos morais, cujo dano, por óbvio, é único. &#160; Repiso que o fato de as demandas ajuizadas pela Autora/Apelante discutirem contratos diversos não é suficiente para afastar a conexão, já que todas as ações partem exatamente do pressuposto de que a Autora foi vítima de descontos indevidos realizados pela parte promovida e que, a partir disso, pretende a reparação. &#160; Sob esse prisma, não merece reproche o entendimento manifestado pelo magistrado de primeiro grau, sendo adequada a aplicação dos arts. 330, III e 485, VI, do CPC. Registro que, em casos análogos ao presente, a jurisprudência desta e. Corte tem manifestado o raciocínio ora explanado, consoante ilustram as seguintes ementas [grifo nosso]: &#160; DIREITO CIVIL, PROCESSUAL CIVIL E DIREITO DO CONSUMIDOR. APELAÇÃO CÍVEL. AÇÃO ANULATÓRIA DE DÉBITO C/C INDENIZAÇÃO POR DANOS MATERIAIS E MORAIS. SENTENÇA COM INDEFERIMENTO DA EXORDIAL E EXTINÇÃO DO PROCESSO SEM RESOLUÇÃO DO MÉRITO. FRACIONAMENTO DE DEMANDAS SIMILARES. CONEXÃO. PRECEDENTES. APURAÇÃO DE POSTURA INADEQUADA DO PATRONO DA PARTE AUTORA. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA. 1. O cerne da controvérsia consiste em verificar o interesse de agir do autor, ora apelante, dado o fracionamento de ações e suposto abuso no direito de demandar. 2. Inicialmente, tem-se relação de consumo, figurando o promovente/apelante como consumidor e o banco/apelado como fornecedor de serviços, sujeito à eventual responsabilização civil, conforme os arts. 12 e 14 do CDC. 3. Do exame dos autos, nota-se que o autor ajuizou 17 (dezessete) ações anulatórias de débito c/c indenização por danos materiais e morais contra diferentes instituições financeiras, muitas delas contra o banco apelado, alegando, em resumo, não ter firmado os empréstimos consignados e requerendo restituição de valores e indenização correspondente, e que em vez de reunir as causas de pedir e os pedidos contra o mesmo réu em um único feito, desmembrou cada um dos contratos em diversos processos, como muito bem delimitou o d. Juízo singular, apesar de todas elas terem identidade e afinidade no que pertine à causa de pedir e aos pedidos. Sendo assim, mostra-se correto o decisor recorrido, considerando-se necessária, portanto, a reunião dos supraditos processos para que se evite julgamentos contraditórios, nos termos do art. 55, §3º, do CPC. 4. Por último, a sentença recorrida encontra-se devidamente fundamentada, com exposição clara do d. juízo de primeiro grau, em consonância com o art. 93, IX, da CF/1988, não vindo a calhar o argumento sobre carência de fundamentação levantado na apelação. 5. De mais a mais, constata-se nesta e. Corte a existência de inúmeras demandas praticamente idênticas patrocinadas pelo causídico do autor/apelante, de modo que é aceitável que o órgão competente averigue eventual postura irregular de sua parte, desestimulando, assim, o exercício abusivo do direito de demandar. 	Apelação Cível - 0201642-39.2022.8.06.0154, Rel. Desembargador(a) JOSE RICARDO VIDAL PATROCÍNIO, 1ª Câmara Direito Privado, data do julgamento: 05/07/2023, data da publicação: 05/07/2023). DIREITO DO CONSUMIDOR. APELAÇÃO CÍVEL. AÇÃO ANULATÓRIA DE DÉBITO C/C DANOS MATERIAIS E MORAIS. SENTENÇA COM INDEFERIMENTO DE EXORDIAL E EXTINÇÃO DO PROCESSO SEM RESOLUÇÃO DO MÉRITO. FRACIONAMENTO DE DEMANDAS SIMILARES. CONEXÃO. APURAÇÃO DE POSTURA INADEQUADA DO PATRONO ATIVO. APELO DESPROVIDO. 1. A controvérsia recursal na demanda diz respeito ao interesse de agir da promovente no feito, além do fracionamento de ações e suposto abuso no direito de demandar. 2. Em um primeiro momento, frisa-se a relação de consumo no ato, situação em que a parte ativa figura como consumidora, ao passo em que a instituição bancária consta na posição de fornecedora de serviços, sujeita à eventual responsabilização civil, nos termos dos arts. 12 e 14, CDC. 3. No caso concreto, observa-se um número excessivo de demandas ajuizadas pela promovente em face de instituições bancárias, havendo, em seu nome, 38 contendas para discutir contratos de empréstimos consignado e descontos indevidos em seu benefício econômico. Apesar de discutirem contratos diversos, nota-se identidade entre as lides alhures, considerando que são as mesmas as causas de pedir e os pedidos. 4. Sendo assim, assiste razão o decismum vergastado, no que considera-se como necessária, ainda, a reunião dos supraditos processos para que se evite julgamentos contraditórios, aos termos do art. 55, §3º, CPC. 5. Outrossim, tem-se como devidamente fundamentada a sentença combatida, tendo o magistrado exposto toda sua linha de raciocínio e argumentação, vide art. 93, IX, CF, cabendo, pois, o afastamento de carência de fundamentação suscitado em recurso. 6. Ademais, observa-se que consta perante esta Egrégia Corte de Justiça inúmeras demandas praticamente idênticas conduzidas pelo causídico da autora, de modo que é justo que o órgão competente averigue eventual postura irregular de sua parte, desestimulando, assim, o exercício abusivo do direito de demandar. 7. Apelo conhecido e desprovido. [...] (TJ-CE - Apelação Cível - 0200488-83.2022.8.06.0154, Rel. Desembargador(a) FRANCISCO MAURO FERREIRA LIBERATO, 1ª Câmara Direito Privado, data do julgamento: 08/03/2023, data da publicação: 09/03/2023). APELAÇÃO. SENTENÇA DE INDEFERIMENTO DA A PETIÇÃO INICIAL, COM EXTINÇÃO DO PROCESSO SEM RESOLUÇÃO DO MÉRITO. NO CASO, AÇÃO ANULATÓRIA DE DÉBITO COM DANOS MATERIAIS E MORAIS. MULTIPLICIDADE DE DEMANDAS PROPOSTAS PELA AUTORA: 38 (TRINTA E OITO) AÇÕES NA COMARCA DE QUIXERAMOBIM. CONEXÃO. PARADIGMAS DO STJ. SINTOMÁTICA POSTURA DISFUNCIONAL DO CAUSÍDICO. DESPROVIMENTO. 1. Rememore-se o caso. Nos autos, ação anulatória de débito c/c danos materiais e morais. Nessa perspectiva, a Parte Autora alega que foi surpreendida com a cobrança de empréstimo não contratado. Enfatizou que as relações jurídicas que desencadearam as cobranças por parte do promovido são indevidas. Ao final, pugna pela anulação do contrato e condenação do demandado ao pagamento de indenização por danos morais e materiais, em razão dos descontos indevidos. Eis a origem da celeuma. 2. Inicialmente, mister consignar que o Juízo Primevo deferiu o benefício da Assistência Judiciária Gratuita à Parte Autora, o que deve ser conservado. 3. MULTIPLICIDADE DE DEMANDAS PROPOSTAS PELA AUTORA: 38 (TRINTA E OITO) AÇÕES NA COMARCA DE QUIXERAMOBIM: Nada obstante, a análise meritória da demanda foi impactada ante a constatação judicial da multiplicidade de ações propostas pela Autora, a saber: 38 (trinta e oito) na Comarca de Quixeramobim, todas ajuizadas no dia 30.03.22, donde se verifica o mesmo objeto, igual causa de pedir e idêntico pedido, mas tais exordiais foram distribuídas isoladamente e individualmente. 4. CONEXÃO: A jurisprudência do STJ tem entendido que, por ser uma faculdade do julgador, a decisão que reconhece a conexão ou a continência não impõe ao magistrado a obrigatoriedade de julgamento simultâneo dos feitos. O magistrado, a seu critério e diante de cada caso concreto, verificará a utilidade do julgamento simultâneo, com vistas a privilegiar a economia processual. Paradigmas do STJ. 5. SINTOMÁTICA POSTURA DISFUNCIONAL DO CAUSÍDICO: A essa altura, o Julgador Pioneiro enfatiza que o Advogado merece reprimenda. 6. DESPROVIMENTO do Apelo, para conservar a sentença por irrepreensível, pelo que se verifica a necessidade de extração de cópias dos autos para envio a Ordem dos Advogados do Brasil, Seccional do Ceará - OAB-CE, bem como a remessa de traslado do feito para a douta Corregedoria-Geral da Justiça do Ceará e CGJ-CE, que melhor dirão.

	font-family: &quot;times new roman&quot;; times; font-size: large;">CPC. RECURSO CONHECIDO E PROVIDO. SENTENÇA CASSADA. I) CASO EM EXAME 1.&#160; Trata-se de Apelação Cível interposta por Antônia Jurandir de Oliveira Furtado com o objetivo de reformar a sentença proferida pelo Juízo da 1ª Vara Cível da Comarca de Acopiara, que, com base nos arts. 321 e 485, I do CPC, indeferiu a inicial e extinguiu, sem resolução do mérito, a Ação Declaratória de Inexistência de Débito c/c Indenização por Danos Materiais e Morais ajuizada pela ora apelante em desfavor do Banco Bradesco S.A. II. QUESTÃO EM DISCUSSÃO 2.&#160; Cinge-se a controvérsia recursal a examinar o acerto ou desacerto da sentença que extinguiu o feito, sem resolução de mérito, em razão do não comparecimento da parte autora para ratificar a procuração e apresentar seus documentos originais de identificação e comprovante de residência recente em seu nome. III. RAZÕES DE DECIDIR 3.&#160; Ao compulsar os autos, verifica-se que a autora, ora recorrente, apresentou os seguintes documentos no ato de protocolo da inicial: procuração e declaração de hipossuficiência (ID. n.º 26967310); documentos de identificação (ID. n.º 26967311); comprovante de residência (ID. n.º 26967312) e extrato de empréstimos consignados do INSS (ID. n.º 26967313).&#160; Com base nisso, entendo que a petição inicial cumpriu, ao menos em tese, os requisitos indispensáveis à propositura da ação judicial, conforme disposto nos arts. 319 e 320 do CPC. 4.&#160; O&#160; comparecimento pessoal da parte autora à Secretaria da Vara para apresentar documento pessoal de identificação, comprovante de residência e para ratificar a outorga de procuração ao advogado, com fundamento na Recomendação n.º 01/2019/NUMOPEDE/CGJCE – atualizada pela Recomendação n.º 01/2021/NUMOPEDE/CGJCE –, não configura exigência indispensável ao regular processamento da ação, seja porque não constitui exigência prevista em lei, seja porque tais providências podem ser averiguadas em eventual e futura instrução da causa, se for o caso. 5.&#160; É &#160; desnecessário determinar o comparecimento presencial obrigatório da parte autora à unidade jurisdicional onde o processo tramita, vez que já fora anexada documentação suficiente ao processamento da demanda, como documentos pessoais e a procuração outorgada ao causídico. Isto é, as informações e o acervo documental que instruem a inicial são suficientes ao trâmite regular da ação, sobretudo em demandas que versam sobre matérias de cunho consumerista, em que foi postulada a inversão dos ônus probatórios e a facilitação dos direitos do consumidor em juízo.&#160; Nessa toada,&#160;o indeferimento da inicial caracteriza formalismo exacerbado e desnecessário, em nítido prejuízo aos princípios da primazia de julgamento de mérito e de acesso à justiça. 6. E mbora o juízo singular faça menção à incidência da Recomendação n.º 01/2019/NUMOPEDE/CGJCE, atualizada pela Recomendação n.º 01/2021/NUMOPEDE/CGJCE, providenciando as medidas cabíveis quando constatada uma suposta demanda temerária (art. 139, inciso IX, do CPC), o indeferimento da inicial com a extinção da ação sob o fundamento de falha de representação processual não se revela plausível no caso concreto. 7. Portanto, não há que falar em extinção do feito pelas razões levantadas pelo juízo primevo, sob pena de inviabilizar o acesso à justiça em decorrência de formalismo

	PROCESSUAL CIVIL. APELAÇÃO CÍVEL. AÇÃO DECLARATÓRIA NEGATIVA DE DÉBITO C/C INDENIZAÇÃO POR DANOS MORAIS.&#160;DETERMINAÇÃO DE EMENDA À INICIAL NÃO ATENDIDA. DESNECESSIDADE DE COMPARECIMENTO PRESENCIAL DA PARTE À SECRETARIA DA VARA. EXCESSO DE FORMALISMO. VIOLAÇÃO AO PRINCÍPIO DO LIVRE ACESSO À JUSTIÇA. PETIÇÃO INICIAL QUE ATENDE AOS REQUISITOS PREVISTOS NOS ARTS. 319 E 320 DO CPC.&#160;RECURSO CONHECIDO E PROVIDO. SENTENÇA CASSADA. 1. Cinge-se a controvérsia recursal em examinar o acerto ou desacerto da sentença que extinguiu o feito sem resolução de mérito, ao reconhecer a inépcia da petição inicial ante a ausência de comparecimento prévio da parte em juízo para apresentar seus documentos originais de identificação e ratificar os termos da procuração outorgada. 2. Ao compulsar os autos, verifica-se que a autora, ora recorrente, apresentou os seguintes documentos no ato de protocolo da inicial: procuração; documentos de identificação; comprovante de endereço, em nome de terceiro; extrato de empréstimo consignado junto ao INSS; e requerimento da cópia do contrato e do comprovante de transferência, por via administrativa.&#160;3. Nesse contexto, diversamente da fundamentação apresentada pelo d. juízo singular, é desnecessário e inapropriado determinar de antemão o comparecimento presencial da parte autora à Secretaria da Vara para apresentação de documentos pessoais originais, como uma condição de procedibilidade da demanda judicial.&#160;4.&#160;É válido ressaltar que, embora o juízo singular faça menção à incidência da Recomendação n.º 01/2019/NUMOPEDE/CGJCE, atualizada pela Recomendação n.º 01/2021/NUMOPEDE/CGJCE, providenciando as medidas cabíveis quando constatada a existência de demanda temerária (art. 139, inciso IX, do CPC), a extinção da ação sob o fundamento da inépcia da petição inicial não se revela plausível no caso concreto.&#160;5. A circunstância que ensejou o indeferimento da inicial não diz respeito à falta de documentos indispensáveis ao regular processamento da ação, mas, na realidade, foi motivada pelo não cumprimento de diligências pela parte autora / apelante, que, se fosse o caso, deveria ser intimada pessoalmente para suprir a falta no prazo de 5 (cinco) dias, e desde que o processo ficasse parado por mais de 30 (trinta) dias, conforme determina o art. 485, inciso III e §1º, do CPC. 6. Recurso conhecido e provido. Sentença cassada. ACÓRDÃO Vistos, relatados e discutidos estes autos, acordam os membros da Primeira Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, à unanimidade de votos, em conhecer do recurso interposto, para DAR-LHE PROVIMENTO, nos termos do voto do Relator. APELAÇÃO CÍVEL. EXTINÇÃO DO PROCESSO SEM JULGAMENTO DO MÉRITO. ART. 485, IV, DO CPC. LITIGÂNCIA PREDATÓRIA NÃO CONFIGURADA. VIOLAÇÃO AO DEVIDO PROCESSO LEGAL. NULIDADE DA SENTENÇA.&#160;RECURSO&#160;PROVIDO. I. CASO EM EXAME. 1. Apelação cível interposta contra sentença que extinguiu o processo sem julgamento de mérito, com fundamento no art. 485, IV, do CPC, em razão de suposta irregularidade de representação e suspeita de litigância predatória.&#160;O juízo de primeiro grau determinou a intimação da parte autora para comparecer pessoalmente à Secretaria da Vara para apresentar documento de identificação, comprovante de residência e ratificar a outorga da procuração ao advogado, baseando-se na Recomendação nº&#160;01/2019/NUMOPEDE/CGJCE, atualizada pela Recomendação nº 01/2021/NUMOPEDE/CGJCE.&#160;A parte autora havia instruído a inicial com os documentos necessários, incluindo procuração, documento de identificação e comprovante de residência. II. QUESTÃO EM DISCUSSÃO. 2. Há duas questões em discussão: (i) definir se houve regularidade na representação processual e apresentação de documentos; (ii) estabelecer se a sentença que extinguiu o processo sem resolução do mérito, baseada em suposta litigância predatória, viola o devido processo legal e o princípio da inafastabilidade da tutela jurisdicional. III. RAZÕES DE DECIDIR. 3. A parte autora instrui adequadamente a inicial com procuração conferida ao advogado, documento

	de identificação e comprovante de residência, conforme exigido pelos arts. 319 e 320 do CPC, de modo que não há irregularidade na representação processual ou elementos que justifiquem a presunção de litigância predatória.&#160; 4. O ato de extinção do processo sem determinar a intimação pessoal do autor, conforme o art. 485, §1º, do CPC, viola o devido processo legal e o direito de defesa, uma vez que o juízo deveria ter oportunizado à parte a regularização de eventuais pendências antes de extinguir a demanda. 5. A invocação da Recomendação nº 01/2019/NUMOPEDE/CGJCE como fundamento para extinção do feito sem comprovação de litigância predatória configura cerceamento de defesa e violação ao princípio da inafastabilidade da tutela jurisdicional, garantido pelo art. 5º, XXXV, da CF.&#160;IV. DISPOSITIVO E TESE. 6. Recurso conhecido e provido. Sentença anulada. Tese de julgamento: A extinção do processo sem resolução de mérito, fundada em suposta irregularidade de representação sem intimação prévia da parte para suprir a falta, viola o devido processo legal e constitui nulidade da sentença. A simples suspeita de litigância predatória, sem evidências concretas, não justifica a extinção da demanda quando a inicial está devidamente instruída, e a aplicação da Recomendação nº 01/2019/NUMOPEDE/CGJCE não pode servir de obstáculo ao acesso à justiça. 	negativa, se cabe reparação civil, à luz das normas do Código de Defesa do Consumidor. III) RAZÕES DE DECIDIR 3. In casu, a parte autora alega que foi surpreendida com a existência de descontos em seu benefício previdenciário, que se referiam a um contrato de empréstimo pessoal de nº 0123463036936, que, segundo afirma, não teria contratado. Os descontos iniciaram em julho de 2022, e correspondem ao valor mensal de R\$ 41,59 (quarenta e um reais e cinquenta e nove centavos), conforme extrato do INSS anexado ao processo (fl. 03 - ID. nº 27000105). 4. Ao apresentar defesa, a instituição financeira aduziu que a contratação ocorreu regularmente por meio do sistema Banco Dia e Noite (BDN), modalidade realizada por intermédio de cartão e senha / biometria. Na ocasião, juntou o LOG de transação para comprovar a contratação efetiva por meio de confirmação por senha / biometria (vide ID. nº 27000459), e extrato de simples conferência para demonstrar a transferência do valor de R\$ 1.000,00 (mil reais) em favor da contratante (ID. nº 27000460 e 27000484), em 29 de junho de 2022. Assim, à vista das provas documentais apresentadas pelo promovido/apelante, considero que houve equívoco na sentença de primeiro grau, que reconheceu a ilegalidade dos descontos realizados na folha de pagamento da autora, visto que a instituição financeira comprovou a regularidade da contratação, desincumbindo-se do ônus probante que lhe cabia. 5. A propósito, vale dizer que a contratação do empréstimo consignado ocorreu mediante a utilização de caixa de autoatendimento, via sistema BDN (Bradesco Dia e Noite). Com efeito, para contratações dessa natureza, são imprescindíveis a utilização de dados pessoais do contratante, assim como a biometria e uso do cartão e senha. Desse modo, entendendo que, no caso em análise, há prova contundente produzida pela instituição financeira acerca da existência do contrato na modalidade de autoatendimento, colacionando vasta documentação em sua peça contestatória que comprova a validade do empréstimo consignado. 6. C/abia à parte autora/apelada comprovar, ainda que de forma ínfima, o não recebimento do numerário, o que poderia fazer mediante a simples apresentação de extrato bancário do período correspondente, mas não o fez. O banco, por sua vez, trouxe indicativos de que o valor contratado fora efetivamente transferido para a conta da autora, conforme se vê dos extratos acostados nos IDs. nº 27000460 e 27000484, em que consta o valor do empréstimo contratado, a indicação do contrato correspondente e o montante disponibilizado, no caso, de R\$ 1.000,00 (mil reais). 7. Assim, conclui-se que a contratação do empréstimo fora realizada pela promovente/apelada por meio eletrônico, mediante a observância de uma série de procedimentos para acessos, validações, aceites e autorizações. Há uma especificidade para cada ato contratual, o que enseja uma leitura prévia por parte do contratante, não sendo pertinente considerar que o consumidor não teve prévio conhecimento acerca das condições avençadas. Por tudo isso, reputo a existência de elementos fáticos suficientes à comprovação do negócio jurídico válido celebrado entre as partes, tendo a instituição financeira se desincumbido, a contento, do seu ônus probante de fato impeditivo, modificativo ou extintivo do direito autoral (art. 373, II, CPC), produzindo prova pertinente à regularidade da contratação que sustenta ter acontecido. 8. Logo, ao vislumbrar a regularidade dos descontos nos proventos de aposentadoria da parte autora, não há que falar em ato ilícito praticado pela instituição financeira, tampouco em invalidade contratual, motivo pelo qual reformo o pronunciamento

	judicial de origem e julgo improcedente a pretensão inicial. IV) DISPOSITIVO 9. Recurso conhecido e provido. Sentença reformada. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do recurso de apelação, para, no mérito, dar-lhe provimento, no sentido de reformar a sentença e julgar improcedente a ação, nos termos do voto do Relator. Fortaleza, data da assinatura digital. DESEMBARGADOR JOSÉ RICARDO VIDAL PATROCÍNIO Presidente/Relator RELATÓRIO Trata-se de Apelação Cível interposta por Banco Bradesco S/A com o objetivo de reformar a sentença proferida pelo MM. Juiz de Direito Wallton Pereira de Souza Paiva, da 2ª Vara da Comarca de Senador Pompeu, que julgou parcialmente procedente a Ação Anulatória de Débito c/c Danos Materiais e Morais ajuizada em desfavor do ora apelante por Edilania Tomaz do Nascimento da Silva. A referida ação visa à declaração de inexistência de relação contratual entre as partes, à fixação de indenização a título de danos morais e à devolução em dobro de descontos realizados no benefício previdenciário da autora/apelada, decorrentes de contrato de empréstimo consignado que esta alega não ter celebrado. Ao analisar o conjunto probatório acostado aos autos, o juízo singular destacou que "[...] A parte ré restringe-se alegar a regularidade da contratação, colacionando aos autos somente extratos. Contudo, em nenhum momento colaciona o instrumento do negócio jurídico objeto da lide, impondo-se que sejam considerados presumidamente verdadeiros os fatos alegados pela parte autora, visto que a instituição financeira não se desincumbiu do seu ônus probatório. Ainda que a parte ré insista em afirmar que foi realizado o citado empréstimo, o fato é que os elementos constantes nos autos são insuficientes à comprovação da efetiva contratação do empréstimo pela autora." Assim, a ação foi julgada parcialmente procedente, decidindo-se nos seguintes termos (sentença de ID. n.º 27000473): Ante o exposto, nos termos da fundamentação supra, JULGO PARCIALMENTE PROCEDENTES os

	pedidos, com resolução do mérito, consoante o preceito do art. 487, inciso I, do CPC, para: A) declarar a inexistência do Contrato nº 463036936; B) condenar o Demandado no pagamento à parte Requerente no valor de R\$ 3.000,00(três mil reais), a título de indenização por danos morais, acrescidos de juros simples de mora de 1% ao mês, desde o evento danoso (Súmula 54 do STJ e arts. 398 e 406 ambos do Código Civil) e de correção monetária pelo INPC a contar do arbitramento (Súmula nº 362 do STJ); C) condenar o Requerido, a título de dano material, na devolução simples dos valores descontados até 30/03/2021 e na forma dobrada dos posteriores (EAREsp nº 676.608/RS), acrescido de correção monetária pelo INPC a partir do efetivo prejuízo (Súmula 43, STJ) e juros simples de 1% (um por cento) ao mês a contar do evento danoso (art. 398, CC/02 e Súmula 54, STJ), nos termos do § único do art. 42 da Lei nº 8.078/90, Autorizo o reclamado a compensar da condenação, eventuais valores já depositados em favor da demandante, com atualização monetária pelo IPCA desde o dia da transferência/depósito, mas sem incidência de juros por se tratar de transferência ilegal. Condeno o promovido em custas e honorários advocatício no patamar de 10% (dez por cento) do valor da condenação (Art. 85, § 2, NCPC). Nas razões recursais de ID. nº 27000475, a instituição financeira sustenta, em síntese, que a parte autora efetivamente contratou o empréstimo, e que este "foi celebrado com apresentação dos documentos pessoais da parte adversa e de outra forma só aconteceria se alguém tivesse feito o uso indevido deles e certamente assim teria sido por negligência da própria parte, quando não teve a diligência necessária para proteger seus dados". Acrescenta, ainda, que o valor do mútuo foi devidamente depositado em favor da parte autora / apelada, conforme extratos de ID. nº 27000460 e 27000484. Ao final, requer a reforma da sentença e, por conseguinte, a improcedência da ação, ou, subsidiariamente, que a devolução dos valores descontados seja efetivada na forma simples, e, quanto aos danos morais, pleiteia que a condenação seja minorada e que o termo inicial dos juros de mora e da correção monetária coincida com a data do arbitramento. Preparo recolhido no ID. nº 27000477. Contrarrrazões apresentadas no ID. nº 27000482. É o relatório. Tribunal de Justiça firmou entendimento de que a confirmação da regularidade ou irregularidade do negócio depende de provas concretas sobre: (i) a anuência do consumidor sobre os descontos realizados e (ii) o recebimento do crédito por parte do beneficiário. <strong style="font-family: "Times New Roman"; font-size: large;">#160; No contexto dos autos, atento à incidência das normas do Código de Defesa do Consumidor (art. 2º e 3º, § 2º, do CDC), é cabível a inversão do ônus probante em desfavor da instituição bancária, como medida adequada às ações desta natureza, especialmente pela impossibilidade de o consumidor constituir prova negativa da pretensão autoral. Assim, compete à instituição financeira trazer aos autos documentos hábeis a demonstrar a regularidade da relação contratual contestada na exordial, nos termos do artigo 373, inciso II, do CPC, c/c art. 6º, inciso VIII, do CDC. <strong style="font-family: "Times New Roman"; font-size: large;">#160; In casu, a parte autora alega que foi surpreendida com a existência de descontos em seu benefício previdenciário, que se referiam a um contrato de empréstimo pessoal de n.º 0123463036936, que, segundo afirma, não teria contratado. Os descontos iniciaram em julho de 2022, e correspondem ao valor mensal de R\$ 41,59 (quarenta e um reais e cinquenta e nove centavos), conforme extrato do INSS anexado ao processo (fl. 03 - ID. n.º 27000105). <strong style="font-family: "Times New Roman"; font-size: large;">#160; Ao apresentar defesa, a instituição financeira aduziu que a contratação ocorreu regularmente por meio do sistema Banco Dia e Noite (BDN), modalidade realizada por intermédio de cartão e senha / biometria. Na ocasião, juntou o LOG de transação para comprovar a contratação efetiva por meio de confirmação por senha / biometria (vide ID. n.º 27000459), e extrato de simples conferência para demonstrar a transferência do valor de R\$ 1.000,00 (mil reais) em favor da contratante (ID. n.º 27000460 e 27000484), em 29 de junho de 2022. <strong style="font-family: "Times New Roman"; font-size: large;">#160; Assim, à vista das provas documentais apresentadas pelo promovido/apelante, considero que houve equívoco na sentença de primeiro grau, que reconheceu a ilegalidade dos descontos realizados na folha de pagamento da autora, visto que a instituição financeira comprovou a regularidade da contratação, desincumbindo-se do ônus probante que lhe cabia. <strong style="font-family: "Times New Roman"; font-size: large;">#160; A propósito, vale dizer que a contratação do empréstimo consignado ocorreu mediante a utilização de caixa de autoatendimento, via sistema BDN (Bradesco Dia e Noite). Com efeito, para contratações dessa natureza, são imprescindíveis a utilização de dados pessoais do contratante, assim como a biometria e uso do cartão e senha. <strong style="font-family: "Times New Roman"; font-size: large;">#160; Desse modo, entendo que, no caso em análise, há prova contundente produzida pela instituição financeira acerca da existência do contrato na modalidade de autoatendimento, colacionando vasta documentação em sua peça contestatória que comprova a validade do empréstimo consignado. <strong style="font-family: "Times New Roman"; font-size: large;">#160; Nesse contexto, insta salientar que a jurisprudência deste egrégio Tribunal de Justiça, inclusive desta c. Primeira Câmara de Direito Privado, tem se manifestado pela validade da contratação de empréstimo consignado em terminais de autoatendimento, desde que haja prova do recebimento dos valores contratados. COMPROVAÇÃO DE CRÉDITO EM CONTA DE TITULARIDADE DA PARTE AUTORA. REGULARIDADE CONTRATUAL.&#160;RECURSO PROVIDO. SENTENÇA REFORMADA. I. CASO EM EXAME 1. Trata-se de recurso de Apelação Cível interposto contra sentença prolatada pelo Juízo da Vara Única da Comarca de Chaval/CE, que julgou parcialmente procedente a Ação Declaratória de Inexistência de Débitos c/c Indenização por Dano Moral, extinguindo o feito, na forma do art. 487, inciso I, do Código de Processo Civil. II. QUESTÃO EM DISCUSSÃO 2. Cinge-se a controvérsia recursal em verificar a validade da contratação de empréstimo pessoal firmada entre as partes, e, em sendo a resposta negativa, se cabe reparação civil, à luz das normas do Código de Defesa do Consumidor. III. RAZÕES DE DECIDIR 3. In casu, a parte autora alega que foi surpreendida com a existência de descontos em seu benefício previdenciário, que se referiam a um contrato de empréstimo pessoal nº 388239295, que, segundo afirma, não teria contratado. Os descontos iniciaram em 10 de março de 2020, e correspondem ao valor mensal de R\$ 140,00 (cento e quarenta reais), conforme extratos anexados ao processo. 4. Ao apresentar defesa, a instituição financeira aduziu que a contratação ocorreu regularmente por meio do sistema Banco Dia e Noite (BDN), modalidade realizada por intermédio de cartão e senha / biometria. Na ocasião, juntou extrato de simples conferência para demonstrar a transferência do valor de R\$ 3.220,68 (três mil, duzentos e vinte reais e sessenta e oito centavos) em favor do contratante. Posteriormente, juntou o LOG de transação para comprovar a contratação efetiva por meio de confirmação por senha / biometria. 5. Assim,&#160; à vista das provas documentais apresentadas pelo banco, considero válida a contratação do empréstimo mediante a utilização de caixa de autoatendimento, via sistema BDN (Banco Dia e Noite), em que se exige a utilização de cartão e senha / biometria pessoal para confirmar a transação.&#160;6.&#160; No caso, os extratos bancários juntados ao processo demonstram a transferência do valor do mútuo em favor da parte autora, efetivada no dia 8 de janeiro de 2020, corroborando às informações do extrato de simples conferência apresentado pela instituição financeira.&#160;7.&#160; Logo, ao vislumbrar a regularidade dos descontos nos proventos de aposentadoria da parte autora, não há que falar em ato ilícito praticado pela instituição financeira, tampouco em invalidade contratual, motivo pelo qual reformo o pronunciamento judicial de origem e julgo improcedente a pretensão inicial.&#160;IV. Cinge-se a controvérsia recursal em verificar a regularidade do contrato de empréstimo consignado firmado com a parte autora, e, em sendo a resposta negativa, se cabe reparação civil. 3. Da análise dos autos, tem-se que a parte promovida colacionou cópia do comprovante de rastreabilidade de acesso do cliente via canal de atendimento, além do comprovante da operação bancária em conta de titularidade da parte autora, bem como do valor transferido e sacado da respectiva conta, em 30 de março de 2022. Assim,&#160; à vista das provas documentais apresentadas pelo banco, considero que houve equívoco na sentença de primeiro grau, que reconheceu a ilegalidade dos descontos realizados na folha de pagamento da autora,

RECURSO DO BANCO CONHECIDO E PROVIDO. RECURSO DA AUTORA PREJUDICADO. SENTENÇA REFORMADA. 1. O cerne da controvérsia versa acerca da validade da operação bancária de portabilidade de empréstimo consignado, efetuada por meio de assinatura eletrônica com uso de cartão magnético e senha de uso pessoal e intransferível. 2. A instituição financeira em questão anexou documento de portabilidade de empréstimo consignado, de nº 109604896, advindo do Banco Santander (Brasil) S.A e firmado no dia 18/05/2022, ocorrendo sua celebração por meio do uso de cartão com senha de uso pessoal e intransferível em central de autoatendimento, favorecendo a autora e constando a sua devida assinatura eletrônica ao campo inferior do contrato. Dessa forma, não se vislumbra quaisquer irregularidades quanto ao contrato à luz do Código de Defesa do Consumidor, do Código Civil e, tampouco, da Instrução Normativa INSS nº 28/2008, pois, no presente pacto há autorização expressa da consumidora por meio eletrônico. 3. Em casos similares aos dos autos, nos quais as operações feitas pelo consumidor devem ser feitas inserindo o cartão pessoal e senha intransferíveis em um terminal de autoatendimento, e em relação ao assentimento ou não da assinatura eletrônica como meio de validade contratual, é necessário salientar que a jurisprudência pátria é pacífica ao reconhecer que eventuais fraudes não geram responsabilidade civil da instituição financeira, uma vez que é dever do titular guardar as informações pessoais em questão e sem as quais não seria possível completar a transação, conforme: (AgInt no AREsp n. 1.816.546/PB, relator Ministro Marco Aurélio Bellizze, Terceira Turma, julgado em 22/11/2021, DJe de 25/11/2021). 4. O banco, por sua vez, trouxe indicativos de que o valor contratado fora efetivamente transferido para a conta da autora, conforme se vê dos extratos acostados nos IDs. n.º 27000460 e 27000484, em que consta o valor do empréstimo contratado, a indicação do contrato correspondente e o montante disponibilizado, no caso, de R\$ 1.000,00 &#160;(mil reais).</p><p style="text-align: justify; font-family: &quot;Times New Roman&quot;; font-size: medium; text-indent: 8%;"> Assim, conclui-se que a contratação do empréstimo fora realizada pela promovente/apelada por meio eletrônico, mediante a observância de uma série de procedimentos para acessos, validações, aceites e autorizações. Há uma especificidade para cada ato contratual, o que enseja uma leitura prévia por parte do contratante, não sendo pertinente considerar que o consumidor não teve prévio conhecimento acerca das condições avençadas.</p><p style="text-align: justify; font-family: &quot;Times New Roman&quot;; font-size: medium; text-indent: 8%;"> Vê-se que a operação impugnada fora realizada pela requerente/apelada de forma virtual, como já fora dito, motivo pelo qual não haveria como o banco apelante juntar aos autos a cópia de instrumento contratual convencional com a assinatura da contratante. A documentação carreada demonstra que a instituição recorrente agiu com o necessário zelo na prestação do serviço, não havendo que se falar em ilegalidade na contratação.</p><p style="text-align: justify; font-family: &quot;Times New Roman&quot;; font-size: medium; text-indent: 8%;"> Por tudo isso, reputo a existência de elementos fáticos suficientes à comprovação do negócio jurídico válido celebrado entre as partes, tendo a instituição financeira se desincumbido, a contento, do seu ônus probante de fato impeditivo, modificativo ou extintivo do direito autoral (art. 373, II, CPC), produzindo prova pertinente à regularidade da contratação que sustenta ter acontecido.</p><p style="text-align: justify; font-family: &quot;Times New Roman&quot;; font-size: medium; text-indent: 8%;"> Logo, ao vislumbrar a regularidade dos descontos nos proventos de aposentadoria da parte autora, não há que falar em ato ilícito praticado pela instituição financeira, tampouco em invalidade contratual, motivo pelo qual reformo o pronunciamento judicial de origem e julgo improcedente a pretensão inicial.</p><p style="text-align: justify; font-family: &quot;Times New Roman&quot;; font-size: medium; text-indent: 8%;"> <strong style="font-family: &quot;times new roman&quot;; times; font-size: large; text-indent: 0px;">3- Dispositivo</p><p style="text-align: justify; font-family: &quot;Times New Roman&quot;; font-size: medium; text-indent: 8%;"> <strong style="font-family: &quot;times new roman&quot;; times; font-size: large; text-indent: 0px;">&#160; Ante o exposto, pelas razões de fato e de direito acima descritas, &#160; <strong style="font-family: &quot;times new roman&quot;; times; font-size: large; text-indent: 0px;">conheço &#160; do recurso de apelação, para, no mérito, &#160; <strong style="font-family: &quot;times new roman&quot;; times; font-size: large; text-indent: 0px;">dar-lhe provimento , no sentido de reformar a sentença e julgar improcedente o pleito autoral.</p><p style="text-align: justify; font-family: &quot;Times New Roman&quot;; font-size: medium; text-indent: 8%;"> Com o resultado, inverte e redimensiono o ônus sucumbencial em desfavor da parte
