O cerne da questão trazida à apreciação cinge-se em analisar se a concessionária em questão poderá condicionar a realização do serviço solicitado pela edilidade, qual seja, nova ligação de energia em unidades básicas de saúde e areninha de futebol, ao pagamento de débitos relativos ao consumo de energia elétrica da municipalidade. 2. Acerca da possibilidade do corte da energia elétrica, o artigo 6º, parágrafo 3º, inciso II, da Lei nº. 8.987/95, autoriza a interrupção do serviço público pela concessionária, caso não tenha havido o pagamento da tarifa correspondente pelo usuário, sem que tal configure descontinuidade do serviço. Importante registrar que a parte autora foi contratada temporariamente pelo Ente Público demandado para exercer a função de Agente Administrativo. 03. a questão jurídica foi apreciada em sede de repercussão geral (RE 658.026 – TEMA 612), momento em que restou decidido que, para que se considere a validade da contratação temporária, devem estar presentes os seguintes requisitos: a) os casos excepcionais estejam previstos em lei; b) o prazo de contratação seja predeterminado; c) a necessidade seja temporária; d) o interesse público seja excepcional; e) a necessidade de contratação seja indispensável, sendo vedada a contratação para os serviços ordinários permanentes do Estado, e que devam estar sob o espectro das contingências normais da Administração. 04. No caso, a documentação acostada aponta que a autora laborou para o Município de Cascaval (CE) durante os seguintes períodos: 02/02/2009 e 31/12/2012, 21/03/2013 a 31/12/2013, bem como em 02/01/2014 e 01/04/2014. Observa-se que os contratos tiveram por objeto o exercício da função de Agente Administrativo, bem como não houve demonstração alguma de necessidade de atendimento a interesse público excepcional para a contratação da autora nas funções indicadas, cujas necessidades são de natureza permanente e rotineira em qualquer Município, ficando, pois, configurada a nulidade da contratação, por manifesta violação à regra do concurso público (CF/88, art. 37, II). 05. Tem-se o entendimento do Plenário do STF, firmado no recente julgado sob o rito da repercussão geral, segundo o qual "Servidores temporários não fazem jus ao décimo terceiro salário e férias remuneradas acrescidas do terço constitucional, salvo (I) expressa previsão legal e/ou contratual em sentido contrário, ou (II) comprovado desvirtuamento da contratação temporária pela Administração Pública, em razão de sucessivas e reiteradas renovações e/ou prorrogações." O art. 485, inciso III, do Código de Processo Civil de 2015 prevê a extinção do feito sem resolução de mérito quando o autor abandona a causa por mais de 30 (trinta) dias. Ademais, a extinção deve ser precedida de intimação pessoal da parte, nos termos do § 1º do citado dispositivo legal. 3. No caso concreto, houve duas intimações da Fazenda Pública para que: a) apresentasse o valor atualizado da dívida exequenda e b) manifestasse interesse no prosseguimento do feito, ambas disponibilizadas à Procuradoria do Município através do portal eletrônico eSAJ. Ressalte-se que as intimações da Fazenda Pública devem ser pessoais, sendo assim consideradas as eletrônicas, conforme dispõe o art. 5º, § 6º da Lei 11.419/06. 4. Compulsando os fólios, observa-se que a recorrente foi intimada para manifestar interesse no prosseguimento do feito, sendo o expediente disponibilizado por meio do portal eletrônico eSAJ em 30/03/2021, todavia, não respondeu ao chamamento judicial, circunstância que motivou a extinção do processo, sem resolução do mérito, na forma do art. 485, III, do CPC. 5. Quando a relação processual não é angularizada, devido à falta de efetividade na citação do executado, a jurisprudência dos tribunais superiores e deste Sodalício reconhece a possibilidade do magistrado declarar, de ofício, a extinção do processo, sem julgamento de mérito, por inércia do autor, sem a necessidade de requerimento da parte adversa. DIREITO PROCESSUAL CIVIL. EXTINÇÃO SEM RESOLUÇÃO DO MÉRITO. ABANDONO. INTIMAÇÃO PESSOAL. NÃO PROVIMENTO. 1. Trata-se de apelação cível interposta contra sentença proferida nos autos de ação de monitória, na qual a sentença extinguiu o feito sem julgamento de mérito, sob o fundamento de abandono da causa. 2. De acordo com o art. 485, III e § 1º, do CPC, a causa é tida como abandonada na hipótese em que, intimado pessoalmente, o autor não suprir a falta no prazo de 5 (cinco) dias, após não ter promovido, por mais de 30 (trinta) dias, os atos e diligências que lhe incumbir. Está claro que, a fim de assegurar o princípio da economia processual, da primazia do julgamento de mérito, do contraditório e ampla defesa, o ordenamento impôs amarras à declaração de abandono pelo juiz. 3. Compulsando os autos, nota-se que o juiz de primeiro grau intimou a autora para "apresentar o demonstrativo de débito objeto da demanda, uma vez que o apresentado às fls. 24/27 se referea contrato diverso". Transcorridos mais de 30 (trinta) dias da sua ciência, intimou-se eletronicamente a autora para dar andamento ao feito no prazo de 5 (cinco) dias. Diante de novo vencimento, prolatou-sesentença terminativa do feito. 4. A legislação processual civil é clara ao equiparar a intimação eletrônica à pessoal. Trata-se de norma expressamente prevista no art. 5º, § 6º, da Lei nº 11.419/2006. A regra foi reforçada pelo novo CPC, ao dispor que a intimação pessoal da Fazenda Pública poderá ser feita por meio eletrônico (CPC, art. 183, § 1º). Portanto, se a parte for intimada eletronicamente para suprir, no prazo de 5 (cinco) dias, a diligência requerida, observa-se com rigor os termos do art. 485, § 1º, do CPC.

	Código de Processo Civil/2015. 4. A orientação da Súmula 490 do STJ não se aplica às sentenças ilíquidas nos feitos de natureza previdenciária a partir dos novos parâmetros definidos no art. 496, § 3º, I, do CPC/2015, que dispensa do duplo grau obrigatório as sentenças contra a União e suas autarquias cujo valor da condenação ou do proveito econômico seja inferior a mil salários mínimos. 5. A elevação do limite para conhecimento da remessa necessária significa uma opção pela preponderância dos princípios da eficiência e da celeridade na busca pela duração razoável do processo, pois, além dos critérios previstos no § 4º do art. 496 do CPC/15, o legislador elegeu também o do impacto econômico para impor a referida condição de eficácia de sentença proferida em desfavor da Fazenda Pública (§ 3º). 6. A novel orientação legal atua positivamente tanto como meio de otimização da prestação jurisdicional - ao tempo em que desafoga as pautas dos Tribunais - quanto como de transferência aos entes públicos e suas respectivas autarquias e fundações da prerrogativa exclusiva sobre a rediscussão da causa, que se dará por meio da interposição de recurso voluntário. 7. Não obstante a aparente iliquidez das condenações em causas de natureza previdenciária, a sentença que defere benefício previdenciário é espécie absolutamente mensurável, visto que pode ser aferível por simples cálculos aritméticos, os quais são expressamente previstos na lei de regência, e são realizados pelo próprio INSS. 8. Na vigência do Código Processual anterior, a possibilidade de as causas de natureza previdenciária ultrapassarem o teto de sessenta salários mínimos era bem mais factível, considerado o valor da condenação atualizado monetariamente. 9. Após o Código de Processo Civil/2015, ainda que o benefício previdenciário seja concedido com base no teto máximo, observada a prescrição quinquenal, com os acréscimos de juros, correção monetária e demais despesas de sucumbência, não se vislumbra, em regra, como uma condenação na esfera previdenciária venha a alcançar os mil salários mínimos, cifra que no ano de 2016, época da propositura da presente ação, superava R$ 880.000,00 (oitocentos e oitenta mil reais). 9. SENTENÇA MANTIDA.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> I. Caso em exame </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 1. Apelação cível interposta por José Lucas de Queiroz Batista em face de sentença prolatada pelo Juízo da 2ª Vara da Comarca de Cascavel, que denegou a segurança requerida em sede de mandamus impetrado por candidato de concurso público realizado pelo Município de Cascavel, objetivando a nomeação e posse do autor no cargo de Educador Social, sob a alegação de ter sido preterido.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> II. Questão em discussão </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 2. A questão em discussão consiste em analisar se a impetrante/apelante, candidata aprovado fora do número de vagas previstas no edital, tem direito subjetivo à nomeação, em face de suposta preterição praticada pelo ente municipal.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> III. Razões de decidir </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 3. Registro, de início, que não houve ofensa ao princípio da dialeticidade recursal como aventado pela parte recorrida em sede de contrarrazões, uma vez que as razões do apelo impugnaram de forma satisfatória os fundamentos da decisão em debate, o que permitiu, inclusive, o pleno exercício do contraditório pelo ente impetrado.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 4. Ultrapassado esse ponto, o recorrente, aprovado fora do número de vagas, não se desincumbiu do ônus de comprovar a existência de cargos efetivos vagos em número suficiente para a sua convocação e a ilegalidade das contratações precárias apontadas durante a validade do concurso em questão.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 5. O STF consolidou entendimento de que o candidato aprovado além do número de vagas ofertadas no edital possui mera expectativa de direito à nomeação e posse, exceto quando restar demonstrado, por comportamento tácito ou expresso da Administração Pública, a necessidade inequívoca da nomeação, a existência de vaga e a preterição de candidatos aprovados em cadastro de reserva, por nomeações realizadas em caráter precário.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 6. Ausente prova documental pré-constituída da ocorrência de preterição, capaz de convolar a mera expectativa do direito à nomeação em direito subjetivo, não merece reparo a sentença denegatória da segurança. Precedentes deste TJCE.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> IV. 	MORALIDADE, IMPESSOALIDADE E DA PROTEÇÃO DA CONFIANÇA. FORÇA NORMATIVA DO CONCURSO PÚBLICO. INTERESSE DA SOCIEDADE. RESPEITO À ORDEM DE APROVAÇÃO. ACÓRDÃO RECORRIDO EM SINTONIA COM A TESE ORA DELIMITADA. RECURSO EXTRAORDINÁRIO A QUE SE NEGA PROVIMENTO. 1. O postulado do concurso público traduz-se na necessidade essencial de o Estado conferir efetividade a diversos princípios constitucionais, corolários do merit system, dentre eles o de que todos são iguais perante a lei, sem distinção de qualquer natureza (CRFB/88, art. 5º, caput). 2. O edital do concurso com número específico de vagas, uma vez publicado, faz exsurgir um dever de nomeação para a própria Administração e um direito à nomeação titularizado pelo candidato aprovado dentro desse número de vagas. Precedente do Plenário: RE 598.099 - RG, Relator Min. Gilmar Mendes, Tribunal Pleno, DJe 03-10-2011. 3. O Estado Democrático de Direito republicano impõe à Administração Pública que exerça sua discricionariedade entrincheirada não, apenas, pela sua avaliação unilateral a respeito da conveniência e oportunidade de um ato, mas, sobretudo, pelos direitos fundamentais e demais normas constitucionais em um ambiente de perene diálogo com a sociedade. 4. O Poder Judiciário não deve atuar como “ Administrador Positivo ” , de modo a aniquilar o espaço decisório de titularidade do administrador para decidir sobre o que é melhor para a Administração: se a convocação dos últimos colocados de concurso público na validade ou a dos primeiros aprovados em um novo concurso. Essa escolha é legítima e, ressalvadas as hipóteses de abuso, não encontra obstáculo em qualquer preceito constitucional. 5. Consectariamente, é cediço que a Administração Pública possui discricionariedade para, observadas as normas constitucionais, prover as vagas da maneira que melhor convier para o interesse da coletividade, como verbi gratia, ocorre quando, em função de razões orçamentárias, os cargos vagos só possam ser providos em um futuro distante, ou, até <span style="font-

	size: 10pt; line-height: 200%; font-family: Arial, sans-serif;">mesmo, que sejam extintos, na hipótese de restar caracterizado que não mais serão necessários. 6. A publicação de novo edital de concurso público ou o surgimento de novas vagas durante a validade de outro anteriormente realizado não caracteriza, por si só, a necessidade de provimento imediato dos cargos. É que, a despeito da vacância dos cargos e da publicação do novo edital durante a validade do concurso, podem surgir circunstâncias e legítimas razões de interesse público que justifiquem a inocorrência da nomeação no curto prazo, de modo a obstaculizar eventual pretensão de reconhecimento do direito subjetivo à nomeação dos aprovados em colocação além do número de vagas. Nesse contexto, a Administração Pública detém a prerrogativa de realizar a escolha entre a prorrogação de um concurso público que esteja na validade ou a realização de novo certame. 7. A tese objetiva assentada em sede desta repercussão geral é a de que o surgimento de novas vagas ou a abertura de novo concurso para o mesmo cargo, durante o prazo de validade do certame anterior, não gera automaticamente o direito à nomeação dos candidatos aprovados fora das vagas previstas no edital, ressalvadas as hipóteses de preterição arbitrária e imotivada por parte da administração, caracterizadas por comportamento tácito ou expresso do Poder Público capaz de revelar a inequívoca necessidade de nomeação do aprovado durante o per í odo de validade do certame, a ser demonstrada de forma cabal pelo candidato. Assim, a discricionariedade da Administração quanto à convocação de aprovados em concurso público fica reduzida ao patamar zero (Ermessensreduzierung auf Null), fazendo exsurgir o direito subjetivo à nomeação, verbi gratia, nas seguintes hipóteses excepcionais: i) Quando a aprovação ocorrer dentro do número de vagas dentro do edital (RE 598.099); ii) Quando houver preterição na nomeação por não observância da ordem de classificação (S ú mula 15 do STF); iii) Quando surgirem novas vagas, ou for aberto novo concurso durante a validade do certame anterior, e ocorrer a

	preterição de candidatos aprovados fora das vagas de forma arbitrária e imotivada por parte da administração nos termos acima. 8. In casu, reconhece-se, excepcionalmente, o direito subjetivo à nomeação aos candidatos devidamente aprovados no concurso público, pois houve, dentro da validade do processo seletivo e, também, logo após expirado o referido prazo, manifestações inequívocas da Administração piauiense acerca da existência de vagas e, sobretudo, da necessidade de chamamento de novos Defensores Públicos para o Estado. 9. Recurso Extraordinário a que se nega provimento. DIREITO CONSTITUCIONAL E ADMINISTRATIVO. MANDADO DE SEGURANÇA. CONCURSO PÚBLICO PARA O CARGODE PROFESSOR. MUNICÍPIO DE CASCAVEL. CANDIDATO APROVADO NAS VAGAS DE CADASTRO RESERVA. CONTRATAÇÃO DE TEMPORÁRIOS. AUSÊNCIA DE COMPROVAÇÃO SOBRE A EXISTÊNCIA DE CARGOS VAGOS. REQUISITOS CUMULATIVOS NÃO PREENCHIDOS. PRETERIÇÃO NÃO CARACTERIZADA. MERA EXPECTATIVA NÃO CONVOLADA EM DIREITO SUBJETIVO À NOMEAÇÃO. PRECEDENTES DO STF, DO STJ E DO TJCE. APELAÇÃO CONHECIDA E DESPROVIDA. SENTENÇA MANTIDA. 1. O cerne da controvérsia cinge-se em aferir se o apelante faz jus à nomeação para o provimento do cargo efetivo de Professor PEB II - 1º ao 5º ano do Município de Cascavel, em virtude de aprovação para cadastro reserva em concurso público, fora, portanto, das vagas de provimento imediato, mas com preterição ante a contratação de servidores temporários, cujo vínculo é de natureza precária. 2. O Supremo Tribunal Federal decidiu, pelo regime da repercussão geral (Tema 784, leading case RE nº 837.311), que “o surgimento de novas vagas ou a abertura de novo concurso para o mesmo cargo, durante o prazo de validade do certame anterior, não gera automaticamente o direito à nomeação dos candidatos aprovados fora das vagas previstas no edital, ressalvadas as hipóteses de preterição arbitrária e imotivada por parte da administração, caracterizada por comportamento tácito ou expresso do Poder Público capaz de revelar a inequívoca necessidade de nomeação do aprovado durante o período de validade do certame, a ser demonstrada de forma cabal pelo candidato”. 3. O Superior Tribunal de Justiça, quanto à temática, assentou que “a paralela contratação de servidores temporários, ou ainda, como no caso, o emprego de servidores comissionados, terceirizados ou estagiários, só por si,

Processo	3000049-19.2024.8.06.0062
	não caracterizam preterição na convocação e nomeação dos impetrantes ou autorizam a conclusão de que tenham automaticamente surgido vagas correlatas no quadro efetivo, a ensejar o chamamento de candidatos aprovados em cadastro de reserva ou fora do número de vagas previstas no edital condutor do certame” (STJ, AgInt no RMS nº 52.353/MS, DJe de 03/02/2017). 4. Destarte, o candidato aprovado em concurso público fora do número de vagas oferecidas no edital tem mera expectativa de direito à nomeação, incumbindo-lhe a demonstração de existência de vagas durante o prazo de validade do certame e a preterição arbitrária e imotivada por parte da Administração Pública, nos moldes do art. 373, I, do CPC. Precedentes do TJCE. 5. Sob esse prisma, depreende-se que o apelante não demonstrou o surgimento ou criação de novas vagas durante o prazo de validade do certame em número suficiente para chegar à sua posição e, por conseguinte, para a sua convocação. 6. Portanto, meras alegações acerca da existência da contratação de servidores temporários não são suficientes para caracterizar a pretendida preterição, mormente diante da ausência de prova da vacância de cargos, não se desincumbindo o impetrante de comprovar os fatos constitutivos de seu direito, na forma do art. 373, I, do CPC. 7. Apelação conhecida, mas desprovida. Sentença mantida. INEXISTÊNCIA DE COMPROVAÇÃO. SENTENÇA CONCESSIVA DA SEGURANÇA REFORMADA. REEXAME AVOCADO E RECURSOCONHECIDO, COM O PROVIMENTO DE AMBOS. 1. A parte autora, apesar de alegar preterição para o cargo de Professor, não fez prova da existência de vagas, requisito indispensável à configuração do direito subjetivo à nomeação. Com efeito, o impetrante insiste que houve a contratação de servidores temporários, bem como a admissão de servidores comissionados para exercer a mesma função de Professor. Contudo, a mera demonstração de contratação precária ou desvio de função de comissionados não é suficiente à configuração do direito, também devendo ser demonstrada a existência de cargo vago. 2. A existência de cargos efetivos desocupados ocorre com a edição de lei criadora de novos cargos ou ainda com desistências de candidatos aprovados nas vagas ofertadas, além de exonerações e aposentadorias de servidores efetivos etc. Nesse trilhar, a contratação precária de servidores ou desvio de função de comissionados demonstraria, no máximo, a necessidade do serviço, o que não é suficiente à caracterização do direito subjetivo à nomeação, na forma do art. 37, inciso II, da CRFB/88. 3. 	class="MsoNormal" style="text-align: justify;"> I. Caso em exame &#160; </p><p style="text-align: justify; line-height: 150%;"> 1. Apelação Cível interposta por Antônia Lucilene Lial Nobre em face de sentença proferida nos autos da Ação de Obrigação de Fazer com Preceito Cominatório proposta pela apelante em face do Estado do Ceará.</p><p class="MsoNormal" style="text-align: justify;"> II. Questão em discussão &#160; </p><p style="text-align: justify; line-height: 150%;"> 2. Analisar a sentença que julgou improcedente a ação ajuizada por&#160;Antônia Lucilene Lial Nobre, objetivando a realização de cirurgia de fixação com placa anatômica bloqueada, além de qualquer outro procedimento anexo necessário ao tratamento, em virtude de quadro de fratura-luxação de úmero proximal direito, após queda da própria altura.</p><p class="MsoNormal" style="text-align: justify; line-height: 150%;"> III. Razões de decidir &#160; </p><p style="text-align: justify; line-height: 150%;"> 3. Não obstante a Constituição vigente estabeleça que a saúde é um direito de todos e dever do Estado (CF, art. 196) a judicialização deste direito constitucional não pode ser realizada à margem do também constitucional princípio da isonomia, sob pena de causar injusto privilégio de alguns em prejuízo de outros que permanecem em "fila de espera" para realização de cirurgia, em especial, quando o tratamento requerido não é urgente nem de emergência.</p><p style="margin-bottom: 0cm; text-align: justify; line-height: 150%;"> 4. Obrigar o recorrido a realizar a transferência sem qualquer observância a fila de espera, por certo impactará na vaga de outro paciente, inserido anteriormente no sistema de saúde e que se encontra em situação clínica igual ou mais agravada.</p><p style="margin-bottom: 0cm; text-align: justify; line-height: 150%;"> 5. Conclui-se, por conseguinte, que não há prova idônea de urgência e excepcionalidade necessária à pretensão, que implicaria em passar a apelante à frente na fila de espera, em detrimento dos demais usuários do sistema público de saúde, nessa linha, não prospera a alegação de que o princípio da isonomia não poderia comprometer o exercício de direito fundamental. &#160;</p><p class="MsoNormal" style="text-align: justify;"> IV. 	70.9pt; line-height: 150%;"> Presentes os requisitos de admissibilidade, conheço da apelação cível. O cerne da presente controvérsia consiste em analisar a sentença que julgou improcedente a ação ajuizada por&#160;Antônia Lucilene Lial Nobre, objetivando a realização de cirurgia de fixação com placa anatômica bloqueada, além de qualquer outro procedimento anexo necessário ao tratamento, em virtude de quadro de fratura-luxação de úmero proximal direito, após queda da própria altura. A sentença deve ser mantida, conforme será explicitado a seguir. In casu, observa-se que foram acostados aos autos um laudo médico (Id. 15113203 – p.01), bem como&#160;Comprovante de Encaminhamento à Fila de Espera (Id. 15113203 – p.08/11) com solicitação&#160;de leito para realização de consulta especializada, cujo cadastro data de&#160;25/10/2021, no qual não consta afirmação de que a cirurgia requerida é de urgência e/ou emergência, por risco de vida ou de agravamento do quadro. Assim, infere-se que a referida cirurgia é eletiva. Ademais, em sede de informações enviadas pelo requerido, Estado do Ceará em Id. 15113232, de acordo com pesquisa nos registros, verificou-se que a autora teve pedido de transferência realizado em 27/11/2021, contudo, a paciente foi avaliada e orientou-se o tratamento conservador (não cirúrgico), para manter a tipoia, vindo a ter alta hospitalar no dia 28/12/2021. Salienta-se que a autora intimada para apresentar resposta acerca das informações enviadas pelo promovido, Estado do Ceará, nada apresentou, conforme certidão de Id. 15113238. Pois bem. Não obstante a Constituição vigente estabeleça que a saúde é um direito de todos e dever do Estado (CF, art. 196) a judicialização deste direito constitucional não pode ser realizada à margem do também constitucional princípio da isonomia, sob pena de causar injusto privilégio de alguns em prejuízo de outros que permanecem em "fila de espera" para realização de cirurgia, em especial, quando o tratamento requerido não é urgente nem de emergência. A propósito, os Tribunais Superiores já se posicionaram por diversas vezes que o direito constitucional à saúde não garante todo e qualquer tratamento indistintamente, a exemplo do julgado do RE nº 657718 (Tema 500 – STF): &#160; Tese - I - O Estado não pode ser obrigado a fornecer medicamentos experimentais; II - A ausência de registro na ANVISA impede, como regra geral, o fornecimento de medicamento por decisão judicial; III – É possível, excepcionalmente, a concessão judicial de medicamento sem registro sanitário, em caso de mora irrazoável da ANVISA em apreciar o pedido (prazo superior ao previsto na Lei nº 13.411/2016), quando preenchidos três requisitos: (i) a existência de pedido de registro do medicamento no Brasil (salvo no caso de medicamentos órfãos para doenças raras e ultrarraras); (ii) a existência de registro do medicamento em renomadas agências de regulação no exterior; e (iii) a inexistência de substituto terapêutico com registro no Brasil; IV - As ações que demandem fornecimento de medicamentos sem registro na ANVISA deverão necessariamente ser propostas em face da União. &#160;Nesse raciocínio, entendo que permitir que a recorrente fure a “fila de espera” se mostra altamente temerário, sob pena de inviabilizar o sistema como um todo e negar atendimento adequado a quem realmente necessita. Outrossim, em que pese a alegada “urgência” em sede de Comprovante de Encaminhamento à Fila de Espera (Id. 15113203 – p.08/11), tem-se que o motivo da transferência seria para “agilizar a transferência e realização de procedimento”, tampouco consta no referido relatório médico a menção do quadro clínico de risco imediato, consoante preceitua Enunciado n°51 da II Jornada de Direito à saúde do Conselho Nacional de Justiça, in verbis: &#160; <span style="font-size: x-

Processo	0052656-89.2021.8.06.0151
	small;">ENUNCIADO Nº 51 Nos processos judiciais, a caracterização da urgência/emergência requer relatório médico circunstanciado, com expressa menção do quadro clínico de risco imediato. &#160; Desta forma, obrigar o recorrido a realizar a transferência sem qualquer observância a fila de espera, por certo impactará na vaga de outro paciente, inserido anteriormente no sistema de saúde e que se encontra em situação clínica igual ou mais agravada. Conclui-se, por conseguinte, que não há prova idônea de urgência e excepcionalidade necessária à pretensão, que implicaria em passar a apelante à frente na fila de espera, em detrimento dos demais usuários do sistema público de saúde, nessa linha, não prospera a alegação de que o princípio da isonomia não poderia comprometer o exercício de direito fundamental. Nessa perspectiva, assinalo arestos desta Egrégia Corte de Justiça a respeito do tema, com destaques: <span style="font-size: x-small;"> APELAÇÃO CÍVEL EM AÇÃO DE OBRIGAÇÃO DE FAZER. REALIZAÇÃO DE EXAME. DEMORA. URGÊNCIA. NÃO DEMONSTRAÇÃO. NECESSIDADE DE OBSERVÂNCIA DA LISTA DE ESPERA. RESPEITO AO PRINCÍPIO DA ISONOMIA. PRECEDENTES DO TJCE. IMPROCEDÊNCIA DO PEDIDO. RECURSO DE APELAÇÃO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA.1. O direito à saúde se encontra no rol dos direitos fundamentais do cidadão, inerente à própria existência humana e cuja relevância levou o Constituinte a alçá-lo à categoria de Direito Constitucional, como forma de prestação positiva do Estado.&#160;2. No caso em apreço, a parte autora requer que os réus (Estado do Ceará e Município de Barbalha) sejam compelidos a fornecer, de forma imediata, o estudo eletrofisiológico com ablação por cateter de taquicardia paroxística supraventricular, necessário para o tratamento da enfermidade grave que lhe acomete. No entanto, não consta dos documentos juntados por ela a urgência necessária para o deferimento do pedido, demonstrando, por consequência, que se trata de procedimento eletivo.&#160;3. A judicialização do direito constitucional à saúde não pode ser realizada à margem do, também constitucional, princípio da isonomia, sob pena de causar injusto privilégio de alguns em prejuízo de outros que permanecem em fila de espera para cirurgias/exames eletivos.4. Assim, uma vez não comprovado que o Poder Público foi omisso em prestar o atendimento a paciente e ante a ausência de prova da urgência na realização do exame prescrito pelo médico assistente, a legitimar a inobservância de lista de espera segundo os protocolos usuais do SUS, a improcedência do pedido se faz de rigor.&#160;&#160;5. Recurso de Apelação conhecido e desprovido. Sentença mantida. (APELAÇÃO CÍVEL - 02008096320228060043, Relator(a): MARIA VILAUBA FAUSTO LOPES, 3ª Câmara de Direito Público, Data do julgamento: 30/10/2023, data da publicação: 31/10/2023) <span style="font-size: x-small;"> <span style="font-family: arial, helvetica, sans-serif;">EMENTA: APELAÇÃO CÍVEL. CONSTITUCIONAL. OBRIGAÇÃO DE FAZER. SAÚDE. CIRURGIA DE ARTROPLASTIA TOTAL PRIMÁRIA DO QUADRIL. AUSÊNCIA DA PROVA DE URGÊNCIA OU DE EMERGÊNCIA. DESRESPEITO INJUSTIFICADO À FILA DE ESPERA DO SISTEMA DE SAÚDE. SENTENÇA DE IMPROCEDÊNCIA MANTIDA. APELAÇÃO CÍVEL CONHECIDA E IMPROVIDA.1. O cerne do presente recurso reside na análise da correção da Sentença que indeferiu pleito autoral de condenação do Estado do Ceará a realização imediata de artroplastia total primária do quadril, em favor da parte autora, ora recorrente, em razão de que seria possível a paciente aguardar pelo andamento normal da fila de procedimentos realizados pelo SUS. Segundo o julgador, adotar entendimento contrário implicaria em tratamento favorecido da apelante em relação aos demais cidadãos e da atuação judicial “imiscuir na alteração da lista de espera que é elaborada pelos setores competentes, mormente considerando-se o grau de urgência aferido por quem de direito, sob pena de implicar prejuízo ao direito de outros pacientes que igualmente estão na lista de espera e que podem apresentar quadro mais grave do que o autor”. &#160;2. Analisando os autos, constata-se que resta incontroverso que a parte autora é portadora de coxartrose grave direita, necessitando da realização de cirurgia ortopédica, motivo pelo qual fora incluída na fila de procedimentos, conforme atesta documento de ID 13293998, fl. 02. &#160;3. Como amplamente sabido, o direito à saúde deve ser garantido pelo Estado (sentido amplo) de forma irrestrita, inclusive com a determinação de procedimentos médicos, fornecimento gratuito de insumos e medicamentos, a portadores de doenças que deles necessitem, desde que prescrito por profissional habilitado. Atender a essas necessidades é cumprir a expressa disposição constitucional. &#160;4. In casu, o documento apresentado pela requerente nos IDs 13293997 e 13293998 indica que inexiste urgência no caso concreto, podendo a parte aguardar o andamento normal da fila em que já se encontra sem que a

	situação induza em risco ao seu quadro de saúde. Além disso, a promovente não apresentou nenhuma outra prova que fosse suficiente para indicar alteração de seu quadro ou que desse motivos para o julgador entender pela impossibilidade do tempo de espera para a realização do devido tratamento, burlando a fila existente.&#160; &#160;5. Ressalto ainda que a falta de uma descrição detalhada da urgência para a realização do procedimento cirúrgico viola o que estabelece o Enunciado 51, da II Jornada de Direito à Saúde, do CNJ, que dispõe que “nos processos judiciais, a caracterização da urgência/emergência requer relatório médico circunstanciado, com expressa menção do quadro clínico de risco imediato”. PRINCÍPIO DA ISONOMIA. EFEITO SUSPENSIVO SENTENÇA. AFASTADA. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA.&#160;1 - Insurge-se o apelante contra a sentença proferida pelo Juízo da 2ª Vara Cível da Comarca de Limoeiro do Norte que julgou improcedente a Ação de Obrigação de Fazer em face do Estado do Ceará e do Município de Limoeiro do Norte.&#160;2 - Com efeito, o funcionamento do Sistema Único de Saúde – SUS é de responsabilidade solidária da União, Estados-Membros, Distrito Federal e Municípios, de maneira que quaisquer dessas entidades possuem legitimidade ad causam para figurar no polo passivo em demandas que objetivem a garantia do acesso a tratamento médico para pessoas carentes de recursos financeiros.&#160;3- Da análise dos autos, observa-se que o menor E. G. R. T. apresenta quadro clínico de Transtorno do Déficit de Atenção e Hiperatividade (TDAH), necessitando de avaliação médica com especialista (neuropediatria) fornecida pelo SUS para diagnóstico do autor, pois não tem condições financeiras de custear a consulta por ser pessoa hipossuficiente. Contudo, em consonância com o entendimento do juízo primevo, deve o menor esperar sua colocação na fila, em respeito à organização da ordem da fila do SUS e ao princípio da isonomia, vez que além de inexistir relatório especificando a urgência do atendimento, o autor foi intimado para apresentar laudos complementares a fim de comprovar seu direito, porém quedou-se inerte.4 - No contexto das políticas públicas, o Judiciário só pode intervir excepcionalmente para garantir a proteção indispensável aos cidadãos, quando ficar evidente que a ação ou omissão da Administração é completamente desarrazoada, prejudicando o mínimo necessário para a dignidade humana.5 - No caso em tela não se verifica risco à vida e à saúde do paciente, ainda que comprometa sua qualidade de vida, configura-se demanda recorrente no Sistema Único de Saúde – SUS. Tal fato, a existência de fila de espera, que demonstra a deficiência estrutural do SUS, não obriga, por si só, a prestação jurisdicional, notadamente quando não são atendidos os critérios que justificam a prioridade do paciente para um tratamento diferenciado.&#160;6 - Recurso conhecido e desprovido. Sentença mantida. (APELAÇÃO CÍVEL - 30001096120238060115, Relator(a): MARIA DO LIVRAMENTO ALVES MAGALHAES, 3ª Câmara de Direito Público, Data do julgamento: 12/08/2024, data da publicação: 14/08/2024) E sob a minha Relatoria:&#160; Apelação Cível&#160;nº 0055078-41.2020.8.06.0064, data do julgamento:&#160; 16/12/2022, data da publicação:&#160; 16/12/2022;&#160; Apelação Cível nº 0004248-21.2018.8.06.0071, data do julgamento: 02/05/2022, data da publicação: 02/05/2022; Apelação Cível&#160;nº 0201119-22.2022.8.06.0091, data do julgamento: 22/07/2024, data da publicação: 23/07/2024. Diante disso, não se ignora o direito do apelante à saúde por meio do tratamento necessário, tampouco a garantia de receber a referida pretensão do poder público. No entanto, no presente caso não restou demonstrado qualquer fato que justifique a premência de imediato atendimento do paciente apelante, haja vista que devem existir pessoas à frente da apelante na lista de espera do SUS para o recebimento do serviço ou, até mesmo, pessoas em situações mais urgentes. Portanto, uma vez não demonstrada a urgência dos procedimentos solicitados, impõe-se a improcedência do pedido e, por conseguinte, a não merece reforma a sentença

ART. 18 DA LEI DA AÇÃO CIVIL PÚBLICA (LEI 7.347/1985). HONORÁRIOS ADVOCATÍCIOS EM FAVOR DO MINISTÉRIO PÚBLICO. IMPOSSIBILIDADE. PRINCÍPIO DA SIMETRIA. REGRA INAPLICÁVEL ÀS ASSOCIAÇÕES E FUNDAÇÕES PRIVADAS. 1. Por conta do princípio da simetria, a previsão do art. 18 da Lei 7.347/1985 deve ser interpretada também em favor do réu, quando se tratar de demanda ajuizada pelo Parquet ou outro colegitimado estatal, ressalvadas associações e fundações privadas, que recebem tratamento privilegiado e diferenciado no domínio da ação civil pública .&#160; 2. O espírito de facilitação do acesso à justiça, que informa e orienta o processo civil coletivo, vem cabalmente realçado no art. 18 da Lei da Ação Civil Pública: "Nas ações de que trata esta lei, não haverá adiantamento de custas, emolumentos, honorários periciais e quaisquer outras despesas, nem condenação da associação autora, salvo comprovada má-fé, em honorários de advogado, custas e despesas processuais." 3. Nos termos da jurisprudência do STJ, a vedação de condenação do Ministério Público ou entidades estatais em honorários advocatícios - salvo comprovada má-fé - impede que sejam beneficiados quando vencedores na ação civil pública. Evidentemente, tal orientação não se deve aplicar a demandas propostas por associações e fundações privadas, pois, do contrário, barrado de fato estaria um dos objetivos mais nobres e festejados da Lei 7.347/1985, ou seja, viabilizar e ampliar o acesso à justiça para a sociedade civil organizada. Tudo com o agravante de que não seria razoável, sob enfoque ético e político, equiparar ou tratar como "simétricos" grandes grupos econômicos/instituições do Estado e organizações não governamentais (de moradores, ambientais, de consumidores, de pessoas com necessidades especiais, de idosos, etc). 4. Assim, dessume-se que o acórdão recorrido está em sintonia com o atual entendimento do STJ, razão pela qual não merece prosperar a irresignação. Incide,

Afasta-se a preliminar de ausência de interesse processual suscitada pela recorrente, pois a simples menção acerca do cumprimento parcial das medidas necessárias ao regular fornecimento da água não implica perda superveniente do objeto tampouco falta de interesse de agir. 2. A controvérsia cinge-se a discutir o acerto da sentença prolatada nos autos de ação civil pública que condenou a Companhia de Água e Esgoto do Estado do Ceará (CAGECE) a manter o fornecimento regular e ininterrupto de água tratada e de qualidade para a população do Município de Itapipoca/CE. 3. O acesso à água potável é direito fundamental, indispensável para a qualidade de vida e para a saúde da população,

O caso sub oculi relaciona-se intrinsecamente aos direitos fundamentais à saúde (art. 196 da CF) e ao meio ambiente sadio e equilibrado (art. 225 da CF). Cabe à concessionária operar e manter os serviços de abastecimento de água potável, de modo a zelar pela sua qualidade e seu fornecimento contínuo e regular. 5. As provas coligidas ao caderno processual evidenciam a má qualidade da água e os problemas em seu fornecimento, dentre as quais se destacam: a) os prints em que constam as insurgências de populares/consumidores externadas em páginas de redes sociais; e b) o resultado da análise de amostras de água formalizado pelo Núcleo de Vigilância Sanitária e Ambiental da Secretaria Municipal de Itapipoca-CE a partir dos resultados dos exames laboratoriais realizados no Laboratório Central de Saúde Pública ¿ LACEN. 6. A jurisprudência do Superior Tribunal de Justiça é no sentido de que, em sede de ação civil pública, a vedação à condenação ao pagamento de honorários advocatícios aplica-se tanto ao autor quanto ao réu, em obediência ao princípio da simetria. 7. Desse modo, a sentença merece reforma apenas para afastar a condenação da promovida ao pagamento de honorários advocatícios, à luz do art. 18 da Lei nº 7.347/85 e do princípio da simetria. 	REFORMADA. </p><p class="EmentadoAcrdo" style="line-height: 150%;"> I. CASO EM EXAME </p><p class="EmentadoAcrdo" style="text-align: justify; line-height: 150%;"> 01. Trata-se, na espécie, de recurso de apelação contra sentença que julgou improcedente os pedidos formulados em ação anulatória de ato administrativo, ajuizada, pela recorrente, visando desconstituir o processo administrativo nº 23.004.001.20-0000039, instaurado em seu desfavor no âmbito do Programa Estadual de Proteção e Defesa do Consumidor - DECON, e tornar nula a multa administrativa contra si aplicada ou a redução do valor arbitrada em 3.000 (três mil) URFICES a patamar razoável às circunstâncias do caso concreto. &#160;</p><p class="EmentadoAcrdo" style="text-align: justify; line-height: 150%;"> II. QUESTÕES EM DISCUSSÃO </p><p class="MsoNormal" style="margin-bottom: .0001pt; text-align: justify; line-height: 150%; vertical-align: baseline;"> 02. Verificar a regularidade do procedimento administrativo instaurado pelo DECON/CE, que resultou na aplicação de multa em desfavor da empresa apelante por infração à legislação consumerista ao aplicar penalidade rescisória no valor de R$ 688,00 a consumidor. &#160;</p><p class="EmentadoAcrdo" style="text-align: justify; line-height: 150%;"> III. RAZÕES DE DECIDIR </p><p class="EmentadoAcrdo" style="text-align: justify; line-height: 150%;"> 03. Restou evidenciado nos autos que foi observado o devido processo legal no âmbito do DECON e que a decisão ora atacada se encontra fundamentada no CDC, o qual prevê a possibilidade de aplicação de sanções a fornecedores que, no desempenho de suas atividades, violem direitos dos consumidores, não havendo, nessa medida, nenhuma nulidade a ser afastada.</p><p class="EmentadoAcrdo" style="text-align: justify; line-height: 150%;"> 3.1. Quanto ao valor da multa aplicada, este se mostra fora dos parâmetros estabelecidos pelo art. 57 do CDC, devendo ser reduzido pelo Poder Judiciário, para atender aos princípios da razoabilidade e da proporcionalidade.</p><p class="EmentadoAcrdo" style="text-align: justify; line-height: 150%;"> 3.2. Como é assente, a atuação da Administração Pública deve sempre se pautar na razoabilidade e proporcionalidade, sendo passível de controle pelo Poder Judiciário todo ato que não se atenha a tais parâmetros, por desbordar dos limites da discricionariedade e, por conseguinte, violar a ordem legal em vigor.</p><p class="EmentadoAcrdo" style="text-align: justify; line-height: 150%;"> 3.3. Assim, considerando tais circunstâncias, deve o valor da multa aplicada, na hipótese dos autos, ser reduzido de 3.000 (três mil) para 1.500 (mil e quinhentos) URFICES, o qual se afigura mais condizente com a gravidade da infração, a vantagem auferida e a condição econômica da infratora, além de manter seu caráter punitivo e pedagógico. &#160;</p><p class="EmentadoAcrdo" style="text-align: justify; line-height: 115%;"> IV. DISPOSITIVO <strong style="text-indent: 42.55pt;"> &#160; </p><p class="EmentadoAcrdo" style="text-align: justify; line-height: 150%;"> 04. Apelação conhecida e parcialmente provida. Tem-se apelação interposta pela LG Eletronics do Brasil LTDA contra a sentença de improcedência proferida nos autos de Ação Anulatória com Pedido de Tutela de Urgência Antecipada que confirmou o valor da multa imposta no procedimento administrativo, no montante de 1.000 (um mil) UFIRCE's. O recurso objetiva a anulação da multa aplicada pelo Departamento Municipal de Proteção e Defesa dos Direitos do Consumidor – Decon/Ceará, derivada da reclamação administrativa n° 23.001.001.19-0008312. 2. O DECON é regulamentado pela Lei Complementar 39 de 2002 e detém atribuição para apurar as infrações à legislação consumerista e aplicar as penalidades

	administrativas correspondentes, conforme o artigo 23 da mencionada Lei combinada com os artigos 105 e 106 do CDC o qual dispõe sobre a organização do Sistema Nacional de Defesa do Consumidor e visa à aplicação das normas estabelecidas na Lei nº 8.078/90; e, nesta senda, detém atribuição para apurar as infrações à legislação consumerista e aplicar as penalidades administrativas correspondentes. 3. Em que pese seja excepcional a intervenção do Poder Judiciário nas questões atinentes ao mérito administrativo, é possível o controle judicial do ato administrativo sem implicar em violação ao princípio da separação dos poderes, quando a atuação do Judiciário se refere a aspectos ligados à legalidade, à razoabilidade e à proporcionalidade. 4. No que concerne à verificação da razoabilidade do valor da multa, trata-se de controle também possível ao Judiciário, por ser considerado modalidade de sindicância da legalidade do ato, razão pela qual mostra-se correta e razoável a redução do valor da multa administrativa de 1.000 (um mil) para 250 (duzentas e cinquenta) UFIRCE's. 5. APELAÇÃO CONHECIDA E PARCIALMENTE PROVIDA PARA REDUZIR O VALOR DA MULTA. SENTENÇA PARCIALMENTE REFORMADA <em>. 1. Preliminar de ofensa ao princípio da dialeticidade afastada. 2. Cinge-se a controvérsia em aferir a higidez do processo administrativo instaurado pelo Departamento Municipal de Proteção e Defesa dos Direitos do Consumidor - PROCON que culminou com a aplicação da multa administrativa no valor de 12.000 (doze mil) UFIRCE em desfavor do apelante, por violação ao art. 51, inciso IV, do Código de Defesa do Consumidor. 3. Cumpre destacar que, em se tratando de controle jurisdicional no processo administrativo, cabe ao Poder Judiciário verificar a legalidade dos atos praticados pela Administração Pública, devendo examinar matérias relativas à ampla defesa, ao contraditório e ao rito procedimental, bem como aos princípios e mandamentos constitucionais. 4. No caso dos autos, não se vislumbra qualquer ilegalidade no procedimento administrativo, uma vez que este observou o devido processo legal, oportunizando à litigante momento para apresentação de defesa, restando, devidamente fundamentadas todas as decisões proferidas na esfera administrativa. Não obstante, do exame atento da decisão administrativa, verifica-se que a sanção arbitrada pelo julgador se demonstra desproporcional à infração apurada, uma vez que este fixou a multa em 12.000 (doze mil) UFIRCE, considerando como circunstância agravante o fato de que a empresa reclamada não teria adotado providências pertinentes para minimizar as irregularidades constatada. Contudo, da análise dos documentos acostados aos autos, observa-se que a empresa apelante apresentou, em resposta a demanda oferecida, propostas de acordo para a consumidora, não se mostrando justo ou razoável aplicar a circunstância agravante ao presente caso. 5. Assim sendo, em atenção ao valor da cobrança que ensejou a apuração administrativa, a atenuante que foi considerada na decisão, bem como a condição econômica do fornecedor, entende-se como razoável e proporcional a redução da pena de multa de 12.000 (doze mil) UFIRCE para 5.000 (cinco mil) UFIRCE, considerando o valor do UFIR do Ceará à época da decisão administrativa. 6. Recurso conhecido e parcialmente provido. Sentença parcialmente reformada. Processo	0201411-21.2022.8.06.0151
	    Art. 178. O Ministério Público será intimado para, no prazo de 30 (trinta) dias, intervir como fiscal da ordem jurídica nas hipóteses previstas em lei ou na Constituição Federal e nos processos que envolvam: I - interesse público ou social; II - interesse de incapaz; III - litígios coletivos pela posse de terra rural ou urbana. Art. 279. É nulo o processo quando o membro do Ministério Público não for intimado a acompanhar o feito em que deva intervir. § 1º Se o processo tiver tramitado sem conhecimento do membro do Ministério Público, o juiz invalidará os atos praticados a partir do momento em que ele deveria ter sido intimado. § 2º A nulidade só pode ser decretada após a intimação do Ministério Público, que se manifestará sobre a existência ou a inexistência de prejuízo. A Procuradoria-Geral de Justiça, em sua manifestação,&#160;confirmou a necessidade de declaração de nulidade ao afirmar que “ Assim, como bem defendeu o membro do Ministério Público na peça recursal, a sentença monocrática padece de vício de nulidade, posto que fora prolatada sem a prévia oitiva do Parquet. Dessa forma, diante da ausência da intimação obrigatória do Ministério Público na demanda em questão, por se tratar de interesse público, a nulidade da sentença de piso é a medida que se impõe, devendo se proceder como retorno dos autos a origem para regular processamento com a devida intimação do Parquet de 1º grau. Arremata acerca da ausência de prejuízo às partes ao asseverar que “Por fim, no caso em tela, a princípio, a nulidade da Sentença não trará nenhum prejuízo direto a parte autora, tendo em vista que nos presentes autos foi concedido a tutela jurisdicional de urgência determinando que o Município de Quixadá proceda com a marcação e realização do serviço de tratamento domiciliar de fisioterapia, conforme entendimento médico pela quantidade indicada para o seu tratamento, pelo período necessário ao tratamento (id nº 0015185290)”. Da análise dos autos,&#160;forçoso concluir que o magistrado&#160; a quo&#160;incorreu&#160;em&#160; error in procedendo, na medida em que,&#160;não obstante a intimação do Ministério Público para se manifestar sobre a possibilidade de bloqueio das verbas públicas (Id 15185327),&#160;descuidou&#160;de assegurar a efetiva participação do&#160;Ministério Público&#160;no&#160;acompanhamento do feito,&#160;para atuar&#160;na promoção de justiça que visa à proteção do direito à saúde. Nessa perspectiva, inaplicável ao caso o entendimento jurisprudencial de que, via de regra, a atuação do Ministério Público em segunda instância tem o condão de suprir a nulidade decorrente de sua ausência em primeiro grau, uma vez que, além de não ter havido pronunciamento de mérito, houve arguição expressa de prejuízo por parte do Parquet nesta instância. No mesmo sentido, seguem julgados desta Corte de Justiça Estadual,&#160; in verbis, inclusive, em relação ao mesmo Juízo (com destaques): APELAÇÕES CÍVEIS EM AÇÃO DE OBRIGAÇÃO DE FAZER C/C TUTELA DE URGÊNCIA. Por fim, o INSTITUTO DE SAÚDE DOS SERVIDORES DO ESTADO DO CEARA – ISSEC, interpôs o recurso de apelação (id. 10834145), pugnando em suma pelo conhecimento e provimento da apelação para que seja julgado totalmente improcedente o pleito autoral. 4. A douta 32ª Procuradoria de Justiça do Estado do Ceará lançou parecer acostado aos autos sob o id. 11888645, opina pelo conhecimento e provimento do recurso apelatório interposto pelo Ministério Público, in verbis: “manifesta-se pelo conhecimento e provimento do Recurso Apelatório interposto pelo Ministério Público, restando prejudicado Recurso de Apelação interposto pelo Instituto de Saúde dos Servidores do Ceará – ISSEC e por Maria Osanea de Araújo, em razão da nulidade avençada pelo Parquet.” 5. Adianto que se faz prejudicada a análise dos recursos de apelação interpostos pelas partes, posto que, com efeito, o Código de Processo Civil estabelece que compete ao Ministério Público atuar na defesa da ordem jurídica, do regime democrático e dos interesses e direitos sociais e individuais indisponíveis, intervindo em todas as causas em que há interesse público ou social, art. 176 e art. 178, I, do CPC; 6. Nesse contexto, o art. 279, caput, do CPC, estabelece ser nulo o processo quando o membro do Ministério Público não for intimado a acompanhar o feito em que deva intervir, devendo haver a anulação da sentença; 7. Destarte, a intervenção do Ministério Público na presente demanda, a meu sentir e ver, se faz primordial, nos moldes preconizados no art. 178, caput, do CPC, o que foi inobservado pelo judicante primevo, impondo-se a decretação de nulidade da sentença, à luz do disposto no art. 279 do CPC, devendo os autos retornarem à primeira instância para manifestação do Órgão Ministerial; 8. Apelação do Ministério Público conhecida e provida. Demais recursos prejudicados. 9. Sentença anulada. Retorno dos autos à origem para regular processamento, com a consequente manifestação do MP. RECURSO DESPROVIDO. SENTENÇA CONFIRMADA. 1. Trata-se de apelação cível interposta pelo Município de Boa Viagem em face de sentença que decidiu pela procedência do pleito formulado na inicial, condenando a edilidade a pagar ao autor a quantia de R$ 5.703,29 (cinco mil, setecentos e três reais e vinte e nove centavos), correspondente à diferença do piso salarial nacional do magistério que não lhe foi repassado, durante o período de janeiro de 2020 a maio de 2021, com os respectivos reflexos (13º salário, adicional de férias e triênio). 2. A Lei Federal nº 11.738/2008, que trata do Piso Salarial Nacional, estabelece alguns critérios para o seu pagamento, quais sejam: a proporcionalidade entre a jornada de trabalho e o piso, a progressividade de sua implementação e atualização do valor. É importante destacar que o Supremo Tribunal Federal, no julgamento da ADI nº. 4.167/2011, reconheceu a constitucionalidade da norma que fixou o Piso Salarial. Todavia, quando do julgamento dos embargos de declaração opostos em face do acórdão proferido na ADI 4167, o Tribunal, por maioria e nos termos do voto do Relator, Ministro Joaquim Barbosa, acolheu os embargos para assentar que a Lei nº 11.738/2008 teria eficácia a partir da data do julgamento definitivo sobre a norma, ou seja, 27 de abril de 2011. 3. Em atenção aos autos, como já asseverado pelo juízo de piso e atestado pela documentação acostada, o servidor exerce cargo de professor, em virtude de aprovação em concurso público, com jornada de 40 (quarenta) horas semanais após ampliação de carga horária, sendo-lhe assegurado o pagamento proporcional ao piso nacional, o que de fato não foi observado pelo Município em sua íntegra. 4. Ademais, o edital do concurso público não pode se sobrepor à Lei que estabelece o piso nacional do magistério e nem de qualquer lei que enseja o ajuste remuneratório aos ocupantes do referido cargo público. Não há como justificar o descumprimento de um preceito legal para tentar manter a regularidade fiscal, conforme a legalidade administrativa. - Apelo conhecido e desprovido. - Sentença confirmada. 	CONSTITUCIONALIDADE DECLARADA PELO PLENO DO STF - ADI 4.167. VIGÊNCIA A PARTIR DO 27/04/2011. PRECEDENTES TJCE. <span style="font-size: 10pt; font-family: 'Times New Roman',serif; color: #000000; background-color: transparent; font-weight: 400; font-style: normal; font-variant: normal; text-decoration: none; vertical-align: baseline; white-space: pre-wrap;">APELAÇÃO CONHECIDA E DESPROVIDA. SENTENÇA MANTIDA. 01. Cinge-se a controvérsia na análise da decisão a quo que condenou a municipalidade a implementar o piso nacional fixado para os profissionais do magistério público no vencimento base da parte requerente, bem como ao pagamento das diferenças devidas em relação à aplicação do referido piso nos vencimentos da autora. 02. Em preliminar, alega o recorrente a impossibilidade de julgamento antecipado do feito, tendo em vista a necessidade de dilação probatória. Acontece que, a questão posta em deslinde embora seja de direito e de fato, já encontra-se suficientemente comprovada por meio da prova documental produzida. Além disso, o apelante defende, ainda preliminarmente, a necessidade de suspensão do feito em razão da existência de Ação Coletiva em trâmite. Não merecer acolhimento a tese ventilada pela defesa, pois a ação coletiva visa a tutela de interesses metaindividuais dos servidores municipais, enquanto que nesta ação individual se pretende defender interesse particularizado da autora. Preliminares rejeitadas, portanto. 03. A Lei Federal nº 11.738/2008, que trata do Piso Salarial Nacional, estabelece alguns critérios para o seu pagamento. 04. O Supremo Tribunal Federal, no julgamento da ADI nº. 4.167/2011, reconheceu a constitucionalidade da norma que fixou o Piso Salarial. Contudo, os artigos 2º, 3º e 5º, da Lei nº 11.738/2008, apenas devem ser aplicados a partir de 27 de abril de 2011. 05. No que tange à apuração do valor do piso, deve ser avaliada a proporcionalidade com a jornada de trabalho do professor, pois, no âmbito do Município de Boa Viagem, a Lei nº 995/2008, que dispôs sobre o Plano de Cargos, Carreiras e Vencimentos do Magistério, assim estipulou sobre a carga horária de trabalho dos professores. 06. Precedentes TJCE. 07. Desta feita, correta a sentença de piso. Apelação conhecida e desprovida. (Apelação Cível - 0050153-07.2021.8.06.0051 , Rel. MANDADO DE SEGURANÇA. ICMS. Exclusão dos valores referentes à contribuição do PIS e da COFINS da base de cálculo. Segurança denegada. Recurso do impetrante. No Tema nº 69, julgado pelo STF no RE nº 574.706, invocado pelo impetrante, restou fixada a seguinte tese: "O ICMS não compõe a base de cálculo para fins de incidência do PIS/COFINS". Hipótese inversa à dos autos, onde se pretende a exclusão dos valores relativos ao PIS/COFINS da base de cálculo do ICMS. No caso do ICMS sobre a circulação de mercadoria, a base de cálculo do referido tributo é o "valor da operação", abarcando o valor do imposto, e o valor correspondente a seguros, juros e demais importâncias pagas, recebidas ou debitadas, nada tendo a ver com a base de cálculo das contribuições de PIS/COFINS. Artigo 13, I, c/c § 1º, I e II, alínea a, da LC 87/96. A jurisprudência do STJ está consolidada no sentido da legitimidade da inclusão das referidas contribuições (PIS e COFINS) na base de cálculo do ICMS, por se tratar de mero repasse econômico que integra o valor da operação. Ausência de ilegalidade no ato administrativo de constituição do crédito tributário impugnado pelo impetrante, não existindo, portanto, direito líquido e certo a amparar sua pretensão. <span class="TextRun SCXW201343849 BCX8"

O Superior Tribunal de Justiça já se pronunciou sobre a controvérsia atinente à inclusão do PIS e da COFINS na base de cálculo do ICMS, em mais de uma oportunidade, assentando o entendimento de que é legítima a inclusão do PIS e da COFINS na base de cálculo do ICMS, uma vez que se trata de mero repasse econômico que integra o valor da operação deste tributo. Outrossim, o cômputo do PIS e da COFINS na base de cálculo do ICMS encontra respaldo na Constituição Federal e na Lei Complementar nº 87/1996, uma vez que, de acordo com o Superior Tribunal de Justiça, trata-se de mero repasse econômico que integra o valor da operação. Ademais, nos termos do art. 13, § 1º, inc. II, da Lei Complementar nº 87/1996, integra a base de cálculo do ICMS, além do montante do próprio imposto, o valor correspondente a seguros, juros e demais importâncias pagas, recebidas ou debitadas, bem como descontos concedidos sob condição. No mais, não merece acolhida a pretensão de exclusão do PIS e da COFINS da base de cálculo do ICMS com base no entendimento sedimentado pelo Supremo Tribunal Federal no julgamento do Recurso Extraordinário nº 574.706/PR, com repercussão geral (Tema nº 69), pois este trata de hipótese distinta do caso em análise, a saber: a (im) possibilidade de inclusão do ICMS na base de cálculo do PIS e da COFINS, e não o contrário. FORÇA VINCULANTE DOS PRECEDENTES. ART. 927, III DO CPC. REMESSA NECESSÁRIA AVOCADA E DESPROVIDA. RECURSO DE APELAÇÃO CONHECIDO E PROVIDO. SENTENÇA PARCIALMENTE REFORMADA. 1. Busca a Defensoria Pública em seu apelo a reforma parcial da sentença, objetivando a condenação do Estado do Ceará ao pagamento de honorários advocatícios em favor do Fundo de Apoio ao Aparelhamento da Defensoria Pública. (…) 8. A respeito da questão discutida no recurso voluntário, impende esclarecer que, até bem pouco tempo, o entendimento jurisprudencial unânime nesta Corte de Justiça, em consonância com o enunciado sumular nº 421 do STJ, era no sentido da impossibilidade jurídica de condenação do Estado do Ceará em honorários em favor da Defensoria Pública, em virtude de ser a instituição vinculada ao ente federado em alusão. 9. Todavia, em data recente (23.06.2023), o STF julgou o RE 114005, em sede de Repercussão Geral (Tema 1.002), no qual firmou a seguinte tese: "1. É devido o pagamento de honorários sucumbenciais à Defensoria Pública, quando representa parte vencedora em demanda ajuizada contra qualquer ente público, inclusive aquele que integra; 2. O valor recebido a título de honorários sucumbenciais deve ser destinado, exclusivamente, ao aparelhamento das Defensorias Públicas, vedado o seu rateio entre os membros da instituição". 10. Com o mencionado julgado, encerra-se a discussão acerca da possibilidade, ou não, de a pessoa jurídica, à qual se encontra vinculada a Defensoria Pública ser condenada em honorários advocatícios de sucumbência em prol do mencionado órgão, isso em decorrência da força vinculante dos precedentes, com previsão no art. 927, III, do CPC/2015. 11. Em consequência, devem ser fixados na hipótese honorários sucumbenciais, em atendimento aos parâmetros estabelecidos no artigo 85, §§ 2º e 3º, do CPC/ 2015. 12. Na hipótese, como se trata de causa de valor que não se pode estimar, envolvendo direito à saúde, constitucionalmente garantido e inserido no conceito de mínimo existencial, a fixação dos honorários deve ocorrer por apreciação equitativa, nos termos do art. 85, § 8º, do CPC, mostrando-se cabível a fixação do valor de R$ 1.000,00 (mil reais) a título de honorários sucumbenciais, a serem pagos pelo Estado do Ceará em favor do Fundo de Apoio ao Aparelhamento da Defensoria Pública. 13. Remessa necessária avocada e desprovida. Recurso de apelação conhecido e provido. Sentença parcialmente reformada. ACÓRDÃO – Vistos, relatados e discutidos os presentes autos, nesta Comarca de Fortaleza, em que figuram as partes indicadas. ACORDAM os membros integrantes da 1ª Câmara de Direito Público do Tribunal de Justiça do Estado do Ceará, por unanimidade, em AVOCAR o feito em remessa necessária, para NEGAR LHE PROVIMENTO, e em CONHECER do recurso de apelação interposto, para DAR-LHE PROVIMENTO, reformando parcialmente a sentença, nos termos do voto do Relator. Trata o caso de apelação cível em ação ordinária por meio da qual se busca a realização do fornecimento de injeções intravítrea de BEVACIZUMAB e fotocoagulação a laser, conforme prescrição médica. 2. Fornecimento de medicamento em quantidade previamente determinada, não alcançando 500 (quinhentos) salários-mínimos, razão pela qual o não conhecimento do reexame necessário é medida que se impõe. 3. Nesse contexto, tendo em vista tratar-se de causa de valor inestimável (direito à saúde), é imperioso ajustar a verba honorária a patamares razoáveis, com fulcro no mencionado §8º do art. 85 do CPC, na medida em que a fixação de honorários no montante de R$ 200,00 (duzentos reais) não valora adequadamente o trabalho desenvolvido. 4. Destarte, merece acolhimento a pretensão de majoração dos honorários advocatícios arbitrados, razão pela qual arbitro o valor de R$ 800,00 (oitocentos reais), porquanto razoável e adequado à remuneração do serviço prestado. - Precedentes do STF, STJ e desta egrégia Corte de Justiça. - Reexame Necessário não conhecido. - Apelação conhecida e parcialmente provida. - Sentença reformada em parte. Remessa necessária e apelação cível em mandado de segurança. Admissibilidade recursal. Iss. Alíquota fixa. Sociedade uniprofissional. Remessa necessária conhecida e desprovida. Caso em exame: Remessa necessária e apelação cível interposta contra sentença que concedeu a segurança de submissão da impetrante ao recolhimento do Imposto Sobre Serviços de Qualquer Natureza ISSQN nos moldes do regime especial de tributação fixa concedido às sociedades uniprofissionais. 2. Questão em discussão: A questão em discussão consiste em analisar: (i) a intempestividade do apelo interposto pela Fazenda Pública; (ii) o enquadramento da autora no regime especial de tributação do ISS destinado às sociedades uniprofissionais de prestação de serviços intelectuais de medicina. 3. Razões de decidir: 3.1. Intempestividade do apelo verificada, diante do protocolo da peça recursal fora do prazo legal. 3.2. Os profissionais liberais e sociedades profissionais que oferecem serviços de caráter intelectual estão sujeitos a um regime tributário especial do ISSQN, conforme estabelecido no art. 9º, §§ 1º e 3º, do Decreto-Lei nº 406/68. 3.2. Para o Superior Tribunal de Justiça, a configuração do regime diferenciado para sociedades uniprofissionais não depende da forma jurídica da pessoa jurídica, seja ela uma sociedade simples ou uma sociedade de responsabilidade limitada. O que importa é que a pessoa jurídica realize atividades profissionais regulamentadas e que os sócios assumam responsabilidade pessoal e ilimitada pelos serviços prestados, e desde que a sociedade não tenha natureza empresária. 3.3. As provas apresentadas nos autos delineiam uma situação fática que permite a cobrança do ISSQN com base em um valor fixo anual, calculado de acordo com o número de

ENTENDIMENTO ADEQUADO A MAIS RECENTE JURISPRUDÊNCIA DO STJ. APELAÇÃO E REEXAME CONHECIDOS E DESPROVIDOS. SENTENÇA MANTIDA. HONORÁRIOS MAJORADOS. 01. Cuida-se de Recurso de Apelação Cível e Reexame Necessário por meio do qual se pugna pela reforma da sentença que entendeu pela procedência da Ação Ordinária declarando a inexistência de relação jurídica que obrigue a autora a apresentar, mensalmente, a Declaração Digital de Serviços ¿ DDS. Em suas razões, alega o Município de Fortaleza, em resumo, que o benefício em questão somente é aplicável às sociedades que tenham por objeto a prestação de serviço especializado, com responsabilidade pessoal dos sócios e sem caráter empresarial. 02. O cerne da questão em apreço consiste em reexaminar a apelação anteriormente julgada pela 1ª Câmara de Direito Público deste Tribunal, a fim de verificar e apreciar a questão tendo por base o entendimento recente do STJ, no sentido de que, em síntese, a constituição da sociedade simples sob a forma de responsabilidade limitada não é suficiente pra caracterizá-la como empresária e impedi-la de recolher o ISS pelo regime diferenciado. 03. Ab initio, convém registrar que, pela sentença, foi provido o pedido da parte autora para declarar a inexistência de relação jurídica que obrigue a autora a apresentar, mensalmente, a Declaração Digital de Serviços ¿ DDS. Em julgamento de apelação interposta pela parte promovida, esta Câmara proveu o apelo, reformando a sentença no sentido de julgar improcedente o pleito autoral. Ocorre que após a interposição de Recurso Especial o julgado do colegiado estadual foi cassado, ordenando-se novo julgamento do pleito. 04. Nos cabe por oportuno registrar que a questão relativa à legitimidade da tributação do ISS por meio de alíquota fixa das sociedades profissionais encontra-se pacificada pelo Supremo Tribunal Federal, o qual firmou o entendimento de que o Decreto-Lei nº 406/68 foi recepcionado pela Carta Magna vigente com status de lei complementar nacional, conforme teor da Súmula 663 do STF. 05. Pelo entendimento mais recente da jurisprudência do C. Superior Tribunal de Justiça, o qual vem sendo adotado pelas demais Câmaras de Direito Público deste TJCE, pouco importa, para a configuração do regime diferenciado das sociedades uniprofissionais, seja a pessoa jurídica constituída como sociedade simples, ou sociedade de responsabilidade limitada, bastando que a pessoa jurídica desempenhe atividade profissional regulamentada, com assunção de responsabilidade pessoal e ilimitada dos sócios pelos serviços prestados, sem que ostente natureza empresária<span style="font-size: 10pt; font-family: Arial,sans-serif; color: #000000; background-color:

	transparent; font-weight: 400; font-style: normal; font-variant: normal; text-decoration: none; vertical-align: baseline; white-space: pre-wrap;">. 06. Com efeito, revendo nosso posicionamento e nos curvando ao atual entendimento dos Tribunais de Sobreposição, ousamos repensar e afirmar que deve o julgador, em casos desta natureza, verificar como é prestado o serviço e se tal natureza personalíssima está presente, independentemente da forma societária adotada. E, no caso concreto, estamos diante de uma sociedade formada por arquitetos e não houve efetiva verificação, pelo Fisco, da prestação de atividade empresária pela parte apelada, ou de qualquer outro elemento apto a afastar a presunção de que os arquitetos integrantes da sociedade são os únicos prestadores de serviço e o fazem de modo pessoal. 07. In casu, os documentos colacionados aos autos dão conta de que a empresa autora é sociedade de profissionais que se dedicam à execução de projetos de arquitetura, no caso, três arquitetos (pgs. 14/19). Observa-se ainda, que conforme a Cláusula Quarta do Contrato (fl. 43), o objeto social da empresa é ¿a prestação de serviços técnicos de arquitetura e urbanismo, podendo dedicar-se a qualquer atividade própria desta categoria profissional¿ (pg. 16), restando, assim, caracterizada a pessoalidade do serviço e à responsabilidade do profissional que presta o serviço, ensejando, deste modo, a cobrança de ISSQN com base em valor fixo anual calculado de acordo com o número de profissionais que integram a sociedade, viabilizando a concretização dos princípios da isonomia e da capacidade contributiva, uma vez que a intenção do referido dispositivo legal é tratar de forma igualitária os profissionais liberais e as sociedades profissionais. 08. Por fim vale lembrar que o Supremo Tribunal Federal, no julgamento do RE940769 em sede de repercussão geral (Tema 918), considerou inconstitucional lei municipal que estabeleça base de cálculo de ISS diversa daquela prevista no art. 9º, §§1º e 3º, do Decreto-Lei 406/68. 09. Ante tais premissas, em especial o que vem decidindo o Superior Tribunal de Justiça em casos deste jaez, só nos resta reformar nosso posicionamento nos curvando também ao que as demais Câmaras de Direito Público desta Corte Estadual vem julgando, nos cabe apenas assegurar o direito de submissão da parte autora ao recolhimento do Imposto Sobre Serviços nos termos previstos no art. 9º, §§ 1º e 3º, do Decreto-lei nº 406/68, confirmando-se a sentença recorrida. 10. Questão em discussão 2. A questão em discussão consiste em verificar se houve violação ao princípio da vedação à decisão surpresa, com consequente cerceamento de defesa, ao julgar improcedente o pedido da autora com base em lei municipal que não havia sido objeto de discussão no processo.

Pois bem. Na inicial, a autora narrou perceber adicional por tempo de serviço (ATS), pago sob a forma de quinquênio, apesar de a Lei Municipal nº 081-A/1993 - Estatuto dos Servidores do Município de Santa Quitéria, prev er no art. 68, que o ATS é devido à razão de 1% (um por cento) por ano de serviço público efetivo, ou seja, a municipalidade deveria pagar sob a forma de anuênio, incidi ndo sobre toda a remuneração, e não sobre o salário base, como ocorria/ocorre . Após a apresentação da réplica, o juízo determinou a intimação do ente político para se manifestar sobre eventual interesse na produção de provas, nada sendo apresentado ou requerido (Id.&#160;15368324). Em seguida, o magistrado julgou improcedente a demanda com fundamento na Lei Municipal nº 506/2007, que teria extinguido a vantagem almejada.&#160;Frise-se que a referida lei não foi suscitada pelo réu por ocasião da contestação, tampouco foi alegada ao longo do processo. Ademais, é imperioso ressaltar que em seu arrazoado, a apelante traz uma séria de questionamentos relativos à constitucionalidade do ato normativo que serviu de

	base à decisão apelada, defendendo inclusive, a sua inconstitucionalidade decorrente da violação ao processo legislativo. Tais matérias não foram discutidas ao longo do processo, vindo a serem arguidas somente em sede de apelação. Assim, a ssiste razão à recorrente quando sustenta a nulidade da sentença por cerceamento defesa, notadamente ante a manifesta violação ao princípio da vedação à decisão surpresa, com malferimento do contraditório e ampla defesa . Com efeito, antes de utilizar como&#160; ratio decidendi &#160;uma questão que não foi discutida pelas partes, deveria o magistrado de primeiro grau ter oportunizado que os litigantes se manifestassem previamente acerca da matéria. A propósito, estabelece o Código de Processo Civil: &#160; Art. 10.&#160;O juiz não pode decidir, em grau algum de jurisdição, com base em fundamento a respeito do qual não se tenha dado às partes oportunidade de se manifestar, ainda que se trate de matéria sobre a qual deva decidir de ofício. &#160; Nesse sentido, trago à colação alguns julgados deste egrégio Sodalício: PROCESSO CIVIL. AGRAVO DE INSTRUMENTO. DECISÃO QUE HOMOLOGOU OS CÁLCULOS DA CONTADORIA JUDICIAL. AUSÊNCIA DE INTIMAÇÃO PRÉVIA DAS PARTES. DESRESPEITO AO CONTRADITÓRIO E À VEDAÇÃO A DECISÃO SURPRESA. RECURSO PROVIDO. I. CASO EM EXAME 1. No caso, Agravo de Instrumento em face de decisão que homologou os cálculos apresentados pela Contadoria Judicial e determinou a expedição do Precatório. II. QUESTÃO EM DISCUSSÃO 2. A questão em discussão consiste em averiguar se houve violação ao contraditório e à Vedação a Decisão Surpresa na homologação dos cálculos apresentados pela Contadoria Judicial, sem a prévia intimação das partes. III. RAZÕES DE DECIDIR 3. É lição comezinha que antes de homologar os cálculos deve o magistrado permitir às partes que se manifestem acerca dos valores apresentados, em respeito ao contraditório, insculpido no art. 5º, LIV, da CF/88, bem como em atenção à vedação a decisão surpresa, de acordo com os arts. 9º e 10 do CPC. O Município de Pentecoste instituiu por meio da Lei nº 538/2003 o Plano de Cargos e Carreiras dos Servidores Públicos, aplicado a todos os servidores técnicos administrativos do Município, com exceção dos profissionais do Magistério, que possuem plano específico, e, apesar de devidamente aprovado, o Município nunca o cumpriu. 2. O Plano prevê a realização de avaliação dos servidores a cada 18 (dezoito) meses para fins de progressão, entretanto, permanece a ausência de implementação das progressões por merecimento e de pagamento das diferenças salariais devidas, respeitada a prescrição quinquenal. 3. 	ENTENDIMENTO. JULGAMENTO DO RE 1140005 PELO STF, EM SEDE DE REPERCUSSÃO GERAL. TEMA 1.002. TESE QUE IMPÕE A CONDENAÇÃO A QUALQUER ENTRE PÚBLICO A PAGAR VERBA HONORÁRIA SUCUMBENCIAL EM FAVOR DA DEFENSORIA PÚBLICA, INCLUINDO-SE O ESTADO AO QUAL A INSTITUIÇÃO SE VINCULA. FORÇA VINCULANTE DOS PRECEDENTES. ART. 927, III DO CPC. REMESSA NECESSÁRIA AVOCADA E DESPROVIDA. RECURSO DE APELAÇÃO CONHECIDO E PROVIDO. SENTENÇA PARCIALMENTE REFORMADA. 1. Busca a Defensoria Pública em seu apelo a reforma parcial da sentença, objetivando a condenação do Estado do Ceará ao pagamento de honorários advocatícios em favor do Fundo de Apoio ao Aparelhamento da Defensoria Pública. (…) 8. A respeito da questão discutida no recurso voluntário, impende esclarecer que, até bem pouco tempo, o entendimento jurisprudencial unânime nesta Corte de Justiça, em consonância com o enunciado sumular nº 421 do STJ, era no sentido da impossibilidade jurídica de condenação do Estado do Ceará em honorários em favor da Defensoria Pública, em virtude de ser a instituição vinculada ao ente federado em alusão. 9. Todavia, em data recente (23.06.2023), o STF julgou o RE 114005, em sede de Repercussão Geral (Tema 1.002), no qual firmou a seguinte tese: "1. É devido o pagamento de honorários sucumbenciais à Defensoria Pública, quando representa parte vencedora em demanda ajuizada contra qualquer ente público, inclusive aquele que integra; 2. O valor recebido a título de honorários sucumbenciais deve ser destinado, exclusivamente, ao aparelhamento das Defensorias Públicas, vedado o seu rateio entre os membros da instituição". 10. Com o mencionado julgado, encerra-se a discussão acerca da possibilidade, ou não, de a pessoa jurídica, à qual se encontra vinculada a Defensoria Pública ser condenada em honorários advocatícios de sucumbência em prol do mencionado órgão, isso em decorrência da força vinculante dos precedentes, com previsão no art. 927, III, do CPC/2015. 11. Em consequência, devem ser fixados na hipótese honorários sucumbenciais, em atendimento aos parâmetros estabelecidos no artigo 85, §§ 2º e 3º, do CPC/ 2015. 12. Na hipótese, como se trata de causa de valor que não se pode estimar, envolvendo direito à saúde, constitucionalmente garantido e inserido no conceito de mínimo existencial, a fixação dos honorários deve ocorrer por apreciação equitativa, nos termos do art. 85, § 8º, do CPC, mostrando-se cabível a fixação do valor de R$ 1.000,00 (mil reais) a título de honorários sucumbenciais, a serem pagos pelo Estado do Ceará em favor do Fundo de Apoio ao Aparelhamento da Defensoria Pública. 13. Remessa necessária avocada e desprovida. Recurso de apelação conhecido e provido. Sentença parcialmente reformada. ACÓRDÃO – Vistos, relatados e discutidos os presentes autos, nesta Comarca de Fortaleza, em que figuram as partes indicadas. ACORDAM os membros integrantes da 1ª Câmara de Direito Público do Tribunal de Justiça do Estado do Ceará, por unanimidade, em AVOCAR o feito em remessa necessária, para NEGAR LHE PROVIMENTO, e em CONHECER do recurso de apelação interposto, para DAR-LHE PROVIMENTO, reformando parcialmente a sentença, nos termos do voto do Relator. SENTENÇA REFORMADA DE OFÍCIO, PARA DETERMINAR AVALIAÇÃO PERIÓDICA DA NECESSIDADE DOS MEDICAMENTOS. 1 – Busca o apelante a reforma da sentença de primeiro grau que julgou procedente a Ação Civil Pública que objetivava o fornecimento dos medicamentos (ORLIPID ou LIPIBLOCK) à paciente diagnosticada com hipertensão e obesidade em face do Município de Itapajé e do Estado do Ceará. 2 – O Supremo Tribunal Federal no julgamento do Recurso Extraordinário nº 855178-RG/SE, com repercussão geral, que ensejou o Tema nº 793, pacificou o entendimento que a garantia do direito à saúde é de responsabilidade solidária dos três entes federativos. 3 – No presente caso, os medicamentos pleiteados possuem o devido registro na ANVISA, razão pela qual poderão ser demandados perante qualquer dos entes federativos, não tendo o que falar em exclusão do ente municipal do polo passivo da demanda. 4 – "Ao Poder Público compete fornecer a pacientes tratamento ou medicamento registrado no órgão de vigilância sanitária competente, não disponibilizado no sistema de saúde" – Súmula nº 45 do TJCE. 5 – A teoria da reserva do possível não pode ser utilizada como justificativa para o não fornecimento dos medicamentos por parte do ente municipal, tendo em vista que é dever dos entes federativos garantir a concretização de políticas públicas de saúde, tutelando o direito à saúde e o direito à vida digna. 6 – Em que pese a inviabilidade da pretensão do apelante de determinação de que a obrigação de fornecimento do medicamento seja assumida

O acórdão recorrido, na hipótese, não destoa da jurisprudência desta Corte, quanto à inocorrência de violação ao princípio da separação dos poderes, eis que o julgamento, pelo Poder Judiciário, da legalidade dos atos dos demais poderes, não representa ofensa ao princípio da separação dos poderes, especialmente em se tratando de políticas públicas nas questões envolvendo o direito constitucional à saúde. 2. No que tange à suposta ofensa ao postulado da isonomia, eventual divergência em relação ao entendimento adotado pelo juízo a quo demandaria o reexame de fatos e provas, o que inviabiliza o processamento do apelo extremo, tendo em vista a vedação contida na Súmula 279 do STF. 3. EXIGIBILIDADE SUSPENSA.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> I. Caso em exame </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 1. Apelação cível interposta pelo Município de Quixadá em face de sentença prolatada pelo Juízo da 2ª Vara Cível da Comarca de Quixadá, que julgou parcialmente procedente ação de obrigação de fazer e pagar, para condenar o ente público ao adimplemento das diferenças salariais decorrentes da não observância do piso nacional do magistério.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> II. Questão em discussão </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 2. A questão em discussão consiste em saber se a parte autora, professora contratada temporariamente pelo município, tem direito à percepção do piso salarial da categoria, previsto na Lei Federal nº 11.738/2008. &#160;</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> &#160;</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> III. Razões de decidir </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 3. O art. 1º da referida lei regulamenta o piso salarial profissional nacional para os profissionais do magistério público da educação básica a que se refere a alínea “e” do inciso III, do caput do art. 60, do Ato das Disposições Constitucionais Transitórias. &#160;</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 4. O § 2º do art. 2º, por sua vez, impõe a observância do piso salarial nacional para os profissionais do magistério público da educação básica que integrem a “carreira de magistério”, o que pressupõe a efetividade no serviço, provimento no cargo público, fazendo distinção, portanto, quanto a servidores temporários. Assim, o referido piso salarial alcança tão somente os professores concursados (art. 37, II, da CF), ocupantes de cargo ou emprego público. &#160; </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 5. O caso dos autos trata de servidora temporária, detentora apenas de função pública (art. 37, IX da CF), consoante contratos temporários firmados entre a autora e o Município de Quixadá e fichas financeiras acostados aos autos. Assim, não faz jus a autora à concessão do piso salarial nacional do Magistério, por ser servidora contratada, e não efetiva. </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> IV. RAZÕES DE APELAÇÃO INSUFICIENTES À IMPUGNAÇÃO DA SENTENÇA. APLICAÇÃO DO ART. 1.010, III DO CPC. 1. Tratam os autos de reexame necessário e apelação cível em face de sentença que julgou parcialmente procedente o pedido formulado, a fim de condenar o Município de Guaraciaba do Norte ao pagamento dos valores relativos às diferenças salariais devidas em razão do Piso Nacional do Magistério, fixado pela Lei Federal nº 11.738/2008. 2. A jurisprudência desta e. Corte de Justiça firmou entendimento no sentido de que "a Lei Federal nº 11.738/2006 que instituiu piso salarial profissional nacional para os profissionais do magistério alcança tão somente os professores concursados (art. 37, IX CF), não sendo o caso da autora, que tem vínculo contratual junto ao Município" (APC 0000039-77.2017.8.06.0189; Relator (a): INACIO DE ALENCAR CORTEZ NETO; Comarca: Santa Quitéria; Órgão julgador: 3ª Câmara de Direito Público; Data do julgamento: 28/06/2021; Data de registro: 28/06/2021). 3. Portanto, uma vez que o vínculo estabelecido entre as partes fora de natureza precária, não há que se falar em pagamento de acordo com o Piso Nacional do Magistério, devendo, portando, ser reformada a sentença de primeiro grau de jurisdição nesta parte. 4. Ao interpor o recurso apelatório, o insurgente aduziu argumentos que não detêm qualquer relação com os fundamentos da sentença recorrida, restando inobservado, portanto, o Princípio da Dialeticidade. 5. A este respeito, é pacífico entendimento segundo o qual o recurso deve rebater, de maneira precisa e direta, as razões utilizadas pelo Julgador para embasar o seu convencimento, sob pena de não conhecimento da insurgência. - Apelação não conhecida. - Reexame Necessário conhecido para modificar a sentença, a fim de

VERBA DEVIDA. REMESSA OFICIAL CONHECIDA E DESPROVIDA. SENTENÇA MANTIDA. 1. Cuida-se de Reexame Necessário da sentença que julgou parcialmente procedente Ação de Cobrança, condenando o Município de Catunda ao pagamento das diferenças do salário mínimo com a ressalva da prescrição quinquenal, acrescido de juros de mora de acordo com o art. 1º-F da Lei nº 9.494/97, com relação dada pela Lei nº 11.960/2009, a partir da citação e correção monetária com base no IPCA-E, a partir do momento em que a verba deveria ter sido paga. Julgou improcedente os pedidos de férias, terço constitucional de férias e décimo terceiro. 2. A autora, admitida pelo Município de Catunda por contrato de trabalho temporário, para exercer a função de professora no ano de 2015 e agente administrativo no ano de 2016, recebeu remuneração inferior ao piso salarial fixado para os professores pela Lei Federal nº 11.738/2008 e pela Lei Municipal nº 240/2011. Pleiteia, portanto, a diferença do piso salarial, 13º salário, férias e 1/3 de férias, devidamente atualizados. 3. A Constituição da República Federativa do Brasil de 1988, em seu art. 37, IX, garante a possibilidade de contratação por tempo determinado no âmbito do Poder Público para atender à necessidade temporária e excepcional do interesse público, forma de admissão de agentes públicos diversa do concurso público e da nomeação para cargos em comissão. 4. O Supremo Tribunal Federal, emsede de Repercussão Geral, RE nº 765320 RG/MG, rel. Min. Teori Zavascki, Tribunal Pleno, 15.09.2016, decidiu que a contratação por tempo determinado para atendimento de necessidade temporária de excepcional interesse público realizada em desconformidade com os preceitos do art. 37, IX, da Constituição Federal não gera quaisquer efeitos jurídicos válidos emrelação aos servidores contratados, com exceção do direito à percepção dos salários referentes ao período trabalhado e, nos termos do art. 19-A da Lei 8.036/1990, ao levantamento dos depósitos efetuados no Fundo de Garantia do Tempo de Serviço – FGTS. 5. O Supremo Tribunal Federal firmou entendimento, em tese de Repercussão Geral -Tema 551- no recente julgamento do RE 1.066.677/MG, assim decidindo: "Servidores temporários não fazem jus a décimo terceiro salário e férias remuneradas acrescidas do terço constitucional, salvo (I) expressa previsão legal e/ou contratual emsentido contrário, ou (II) comprovado desvirtuamento da contratação temporária pela Administração Pública, em razão de sucessivas e reiteradas renovações e/ou prorrogações" 6. Na hipótese, resta reconhecida a nulidade das contratações temporárias e precárias do ente público com a requerente, gerando tão somente, a título de efeitos jurídicos, o direito a percepção das diferenças do salário mínimo, do período contratual efetivamente trabalhado, deixando de realizar o levantamento dos depósitos realizados no FGTS, tendo em vista a ausência de requerimento autoral, em sede de exordial, afastando, destarte, o pagamento das verbas relativas ao adicional por tempo de serviço, ao 13ª salário, as férias e terço constitucional das férias. 7. O piso salarial profissional nacional para os profissionais do magistério, alcança tão somente os professores concursados (art. 37, II da CF), ocupantes de cargo ou emprego público, o que não se aplica ao presente caso, por se tratar de servidora temporária, detentora apenas de função pública (art. 37, IX da CF). 8.
