	vertical-align: baseline; white-space: pre-wrap;">1. Apelação interposta por TIM Celular S.A. contra sentença que manteve multa administrativa imposta pelo Decon no valor de R$ 39.442,40. A multa foi aplicada em razão de suposta recusa da empresa em migrar linhas telefônicas para outro plano solicitado por um consumidor. A autora pleiteou a nulidade da penalidade ou, subsidiariamente, sua redução a um patamar proporcional e razoável. O juízo de primeira instância julgou improcedente o pedido, e a TIM recorreu, reiterando seus argumentos e insistindo na revisão do valor da multa.</p><p style="line-height: 1.7999999999999998; text-align: justify; margin-top: 0pt; margin-bottom: 0pt;" dir="ltr"> II. A controvérsia cinge-se ao enquadramento das importâncias depositadas em conta-corrente até 40 (quarenta) salários mínimos na impenhorabilidade prevista no art. 649, X, do CPC/1973, atual art. 833, X, do CPC/2015.</p><p class="Textbodyindent" style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 12.0pt; margin-left: 4.0cm; text-align: justify; line-height: 150%;"> 2. O Tribunal de origem reformou a decisão de primeiro grau para considerar impenhorável o valor de R$ 15.088,97 depositado em conta-corrente do executado, pois tal garantia "pode ser estendida a outras formas de reserva financeira além da poupança" (fl. 127, e-STJ). JURISPRUDÊNCIA DO STJ A RESPEITO DA QUESTÃO CONTROVERTIDA</p><p class="Textbodyindent" style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 12.0pt; margin-left: 4.0cm; text-align: justify; line-height: 150%;"> 3. A orientação cediça do STJ, desde a introdução do instituto no Código de Processo Civil de 1973, sempre foi no sentido de que a disposição contida no art. 649, X, do CPC/1973 - atual art. 833, X, do CPC/2015 - era limitada aos valores depositados em caderneta de poupança, consoante dicção expressa da lei. Por todos: "O art. 649, X, do CPC, não admite intepretação extensiva, de modo a abarcar outras modalidades de aplicação financeira, de maior risco e rentabilidade, que não detêm o caráter alimentício da caderneta de poupança" (REsp 1.330.567/RS, Rel. Ministra Nancy Andrighi, DJe 27.5.2013). No mesmo sentido: AgRg no REsp 1.371.567/SP, Rel. Ministro Antonio Carlos Ferreira, Quarta Turma, DJe 12.6.2013; AgRg no AREsp 385.316/RJ, Rel. Ministro João Otávio de Noronha, Terceira Turma, DJe 14.4.2014; AgRg no AREsp 511.240/AL, Rel. Ministro Benedito Gonçalves, Primeira Turma, DJe 30.3.2015; AgInt no AgInt no AREsp 886.532/SP, Rel. Em segundo lugar, tem-se como claro e incontroverso, pela leitura dos dois votos até aqui apresentados, que a redação literal do Código de Processo Civil (tanto o de 1973 - art. 649, X - como o atual - art. 833, X) sempre especificou que é absolutamente impenhorável a quantia de até quarenta (40) salários-mínimos aplicada apenas em caderneta de poupança.</p><p class="Textbodyindent" style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 12.0pt; margin-left: 4.0cm; text-align: justify; line-height: 150%;"> 12. Sucede que não é despropositado observar que realmente houve alteração na realidade fática relativamente às aplicações financeiras.</p><p class="Textbodyindent" style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 12.0pt; margin-left: 4.0cm; text-align: justify; line-height: 150%;"> (...)</p><p class="Textbodyindent" style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 12.0pt; margin-left: 4.0cm; text-align: justify; line-height: 150%;"> 19. Dito de outro modo, o que se tem por razoável é considerar, na melhor das hipóteses, que a norma sobre a impenhorabilidade deve ser interpretada, à luz da CF/1988, sob a perspectiva de preservar direitos fundamentais, sem que isso autorize, entretanto, a adoção de interpretação ampliativa em relação a normas editadas com finalidade eminentemente restritiva (já que a impenhorabilidade, como se sabe, constitui exceção ao princípio da responsabilidade patrimonial), pois, em tal contexto, não haveria interpretação buscando compatibilizar normas jurídicas, mas construção de um ordenamento jurídico sustentado por sistema hermenêutico autofágico, em que uma norma aniquilaria o espírito e a razão de existir de outra.</p><p class="Textbodyindent" style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 12.0pt; margin-left: 4.0cm; text-align: justify; line-height: 150%;"> (...)</p><p class="Textbodyindent" style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 12.0pt; margin-left: 4.0cm; text-align: justify; line-height: 150%;"> 21. Como base no acima exposto, à luz do princípio da proporcionalidade e da razoabilidade, é absolutamente inadequado formar-se posicionamento jurisprudencial que

Com efeito, deve subsistir a orientação jurisprudencial de que o devedor poderá solicitar a anulação da medida constritiva, desde que comprove que o dinheiro percebido no mês de ingresso do numerário possui natureza absolutamente impenhorável (por exemplo, conta usada para receber o salário, ou verba de natureza salarial);</p><p class="Textbodyindent" style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 12.0pt; margin-left: 4.0cm; text-align: justify; line-height: 150%;"> d) para os fins da impenhorabilidade descrita na hipótese "a", acima, ressalvada a hipótese de aplicação em caderneta de poupança (em torno da qual há presunção absoluta de impenhorabilidade), é ônus da parte devedora produzir prova concreta de que a aplicação similar à poupança constitui reserva de patrimônio destinado a assegurar o mínimo existencial ou a proteger o indivíduo ou seu núcleo familiar contra adversidades. </p><p class="Textbodyindent" style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 12.0pt; margin-left: 4.0cm; text-align: justify; line-height: 150%;"> SÍNTESE DA TESE OBJETIVA AQUI APRESENTADA</p><p class="Textbodyindent" style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 12.0pt; margin-left: 4.0cm; text-align: justify; line-height: 150%;"> 23. MEDIDA CAUTELAR. Patente a legitimidade da Associação dos Magistrados do Brasil - AMB para propor ação declaratória de constitucionalidade. Primeiro, por se tratar de entidade de classe de âmbito nacional. Segundo, porque evidenciado o estreito vínculo objetivo entre as finalidades institucionais da proponente e o conteúdo do ato normativo por ela defendido (inciso IX do art. 103 da CF, com redação dada pela EC 45/04). Ação declaratória que não merece conhecimento quanto ao art. 3º da resolução, porquanto, em 06/12/05, o Conselho Nacional de Justiça editou a Resolução nº 09/05, alterando substancialmente a de nº 07/2005. A Resolução nº 07/05 do CNJ reveste-se dos atributos da generalidade (os dispositivos dela constantes veiculam normas proibitivas de ações administrativas de logo padronizadas), impessoalidade (ausência de indicação nominal ou patronímica de quem quer que seja) e abstratividade (trata-se de um modelo normativo com âmbito temporal de vigência em aberto, pois claramente vocacionado para renovar de forma contínua o liame que prende suas hipóteses de incidência aos respectivos mandamentos) .&#160;A Resolução nº 07/05 se dota, ainda, de caráter normativo primário, dado que arranca diretamente do § 4º do art. 103-B da Carta-cidadã e tem como finalidade debulhar os próprios conteúdos lógicos dos princípios constitucionais de centrada regência de toda a atividade administrativa do Estado, especialmente o da impessoalidade, o da eficiência, o da igualdade e o da moralidade.&#160;O ato normativo que se faz de objeto desta ação declaratória densifica apropriadamente os quatro citados princípios do art. 37 da Constituição Federal, razão por que não há antinomia de conteúdos na comparação dos comandos que se veiculam pelos dois modelos normativos: o constitucional e o infraconstitucional. Logo, o Conselho Nacional de Justiça fez adequado uso da competência que lhe conferiu a Carta de Outubro, após a Emenda 45/04.&#160;Noutro giro, os condicionamentos impostos pela Resolução em foco não atentam contra a liberdade de nomeação e exoneração dos cargos em comissão e funções de confiança (incisos II e V do art. 37). Isto porque a interpretação dos mencionados incisos não pode se desapegar dos princípios que se veiculam pelo caput do mesmo art. 37. Donde o juízo de que as restrições constantes do ato normativo do CNJ são, no rigor dos termos, as mesmas restrições já impostas pela Constituição de 1988, dedutíveis dos republicanos princípios da impessoalidade, da eficiência, da igualdade e da moralidade. É dizer: o que já era constitucionalmente proibido permanece com essa tipificação, porém, agora, mais expletivamente positivado. Não se trata, então, de discriminar o Poder Judiciário perante os outros dois Poderes Orgânicos do Estado, sob a equivocada proposição de que o Poder Executivo e o Poder Legislativo estariam inteiramente libertos de peias jurídicas para prover seus cargos em comissão e funções de confiança, naquelas situações em que os respectivos ocupantes não hajam ingressado na atividade estatal por meio de concurso público. O modelo normativo em exame não é

	suscetível de ofender a pureza do princípio da separação dos Poderes e até mesmo do princípio federativo. Primeiro, pela consideração de que o CNJ não é órgão estranho ao Poder Judiciário (art. 92, CF) e não está a submeter esse Poder à autoridade de nenhum dos outros dois; segundo, porque ele, Poder Judiciário, tem uma singular compostura de âmbito nacional, perfeitamente compatibilizada com o caráter estadualizado de uma parte dele. Ademais, o art. 125 da Lei Magna defere aos Estados a competência de organizar a sua própria Justiça, mas não é menos certo que esse mesmo art. 125, caput, junge essa organização aos princípios "estabelecidos" por ela, Carta Maior, neles incluídos os constantes do art. 37, cabeça. Recurso Extraordinário com repercussão geral. Regime próprio dos Servidores públicos. Não incidência de contribuições previdenciárias sobre parcelas não incorporáveis à aposentadoria . 1. O regime previdenciário próprio, aplicável aos servidores públicos, rege-se pelas normas expressas do art. 40 da Constituição, e por dois vetores sistêmicos: (a) o caráter contributivo; e (b) o princípio da solidariedade. 2. A leitura dos §§ 3º e 12 do art. 40, c/c o § 11 do art. 201 da CF, deixa claro que somente devem figurar como base de cálculo da contribuição previdenciária as remunerações/ganhos habituais que tenham “repercussão em benefícios”. Como consequência, ficam excluídas as verbas que não se incorporam à aposentadoria. 3. Ademais, a dimensão contributiva do sistema é incompatível com a cobrança de contribuição previdenciária sem que se confira ao segurado qualquer benefício, efetivo ou potencial. 4. Por fim, não é possível invocar o princípio da solidariedade para inovar no tocante à regra que estabelece a base econômica do tributo. 5. À luz das premissas estabelecidas, é fixada em repercussão geral a seguinte tese: “Não incide contribuição previdenciária sobre verba não incorporável aos proventos de aposentadoria do servidor público, tais como ‘terço de férias’, ‘serviços extraordinários’, ‘adicional noturno’ e ‘adicional de insalubridade.” 6. Provimento parcial do recurso extraordinário, para determinar a restituição das parcelas não prescritas. Segundo o entendimento do Pretório Excelso firmado, por ocasião do julgamento do Recurso Extraordinário nº 593068, sob o rito da repercussão geral, somente é viável o desconto previdenciário se a parcela correspondente for incorporável aos proventos de aposentadoria do servidor público regido por regime próprio. 3.Percebe-se que a ¿Gratificação de Desempenho na Excelência do Atendimento¿ consiste numa vantagem própria da execução de um serviço público específico (<span class="NormalTextRun SpellingErrorV2Themed SCXW90121357 BCX0" style="-webkit-user-drag: none; -webkit-tap-highlight-color: transparent; margin: 0px; padding: 0px; user-select: text; background-position: 0px 100%; background-repeat: repeat-x; background-

ORIENTAÇÃO FIRMADA PELO STF EM SEDE DE REPERCUSSÃO GERAL. PRECEDENTES STJ E TJCE. REEXAME NECESSÁRIO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA. 1. A controvérsia cinge-se a aferir a legalidade dos descontos previdenciários efetuados sobre as parcelas não incorporáveis aos proventos de aposentadoria dos servidores públicos do Município de Crato. 2. O STF, com espeque no art. 201, § 11, da Lei Maior, possui diversos precedentes no sentido de que "somente as parcelas incorporáveis ao salário do servidor sofrem a incidência da contribuição previdenciária" (AgR no AI 603.537/DF, 2ª Turma, Rel. Min. Eros Grau, DJ de 30.3.2007). O terço de férias, horas extras, adicional noturno, de insalubridade e periculosidade não se incorporam à remuneração do servidor para fins de aposentadoria, razão pela qual não se justifica a incidência dos descontos previdenciários sobre tais verbas. 3. Essa é a conclusão extraída do RE nº 593.068/SC, julgado na sistemática de repercussão geral (TEMA 163), ficando estabelecida a seguinte tese: "Não incide contribuição previdenciária sobre verba não incorporável aos proventos de aposentadoria do servidor público, tais como terço de férias, serviços extraordinários, adicional noturno e adicional de insalubridade." 4. APELAÇÃO CONHECIDA E DESPROVIDA. 1. PRELIMINAR DE ILEGITIMIDADE PASSIVA AD CAUSAM. 1.1 O recorrente suscita sua ilegitimidade para figurar no polo passivo da demanda, sob a tese de que, sendo o Município o responsável tributário por efetuar os descontos previdenciários nos proventos da parte requerente, deve ser este o demandado pela eventual repetição do indébito. 1.2 O Instituto de Previdência do Município de Boa Viagem é uma autarquia municipal, com personalidade jurídica própria, criada pela Lei Municipal nº 662/1998, sendo responsável pela arrecadação das contribuições previdenciárias e concessão dos benefícios previdenciários aos servidores municipais, estando apto a figurar no polo passivo. Precedentes do TJCE. Preliminar rejeitada. 2. MÉRITO 2.1 A controvérsia recursal cinge-se a aferir a legalidade dos descontos previdenciários efetuados sobre os valores recebidos pelo autor, servidor público municipal, referentes ao terço de férias. 2.2. Em se tratando de verbas de natureza indenizatória, não se mostra possível a incidência da contribuição previdenciária, uma vez que não representam ganho habitual e, por esse motivo, não podem integrar a base de cálculo de aposentadoria. Incidência do entendimento firmado no Tema nº 163 do STF. Precedentes do TJCE. 2.3 Em se tratando de sentença ilíquida, o percentual das verbas honorárias deve ser definido somente por ocasião da liquidação do julgado, a teor do art. 85, § 4º, II, do CPC. 3. ADOÇÃO DO REGIME GERAL DE PREVIDÊNCIA SOCIAL. PERICULUM IN MORA INVERSO. RECURSO CONHECIDO E NÃO PROVIDO. 1. De acordo com o artigo 300 do CPC para a concessão da tutela de urgência é necessário a demonstração da probabilidade do direito alegado na inicial e o perigo de dano grave. 2. <strong style="mso-bidi-font-weight:normal">Em que pese os argumentos da parte agravante, não restou demonstrada a probabilidade do direito alegado, porquanto não comprovado, até o momento, vícios de nulidade no Edital nº 002/2021 da Superintendência do Sistema Estadual de Atendimento Socioeducativo - SEAS, para o preenchimento excepcional de vagas nas funções temporárias de nível superior de Assistente Social, Psicólogo e Pedagogo, e de nível médio de Socioeducador, para compor temporariamente o quadro de pessoal da SEAS. 3. O artigo 37, inciso IX, da Constituição Federal permite a contratação temporária de pessoal para atender a necessidade temporária de excepcional interesse público, que será regulamentado por Lei Ordinária. Por sua vez, o artigo 154, inciso XIV, da Constituição do Estado do Ceará estabeleceu que a matéria deve ser tratada por meio de Lei Complementar. 4. Ao contrário do alegado, o fato do Legislativo Estadual ter aprovando leis complementares (Leis Complementares <strong style="mso-bidi-font-weight:normal">nºs 163/2016, 169/2016 e 228/2020), cuja aprovação é mais onerosa, estabelecendo as regras de contratação temporária no âmbito do SEAS, não conduz a

	violação do artigo 37, IX, da Constituição Federal, pois a exigência de quórum qualificado não foi obstáculo para regulamentação da matéria. 5. Como bem asseverou a Procuradoria-Geral de Justiça não houve violação ao princípio democrático, à separação dos poderes e à simetria, pois, no caso em apreço, não houve óbice a edição de lei para regulamentação da contratação temporária. Pelo contrário, foram aprovadas várias Leis Complementares para tratar da matéria. 6. Quanto ao argumento de que não há excepcionalidade que justifique a contratação temporária, tal discussão diz respeito ao mérito da ação ordinária, não existindo provas, até o momento, que justifique afastar a escolha da Administração Pública para contratação temporária de tais profissionais, inclusive sob o Regime Geral de Previdência Social, dada a excepcionalidade da contratação. Inclusive, o § 13 do art.40 da Constituição Federal, dispõe que: "Aplica-se ao agente público ocupante, exclusivamente, de cargo em comissão declarado em lei de livre nomeação e exoneração, de outro cargo temporário, inclusive mandato eletivo, ou de emprego público, o Regime Geral de Previdência Social". 7. Por fim, importa destacar que o referido processo seletivo foi concluído e os profissionais aprovados na seleção pública foram convocados, em setembro de 2021, para atuarem no sistema socioeducativo, como se verifica no site da SEAS. Logo, a concessão da tutela pretendida implicaria em periculum in mora inverso, posto que suspenderia a contratação temporária e causaria enorme prejuízo ao regular funcionamento do sistema socioeducativo. 8. A questão em discussão é a constitucionalidade d a conduta do Estado do Ceará de inscrever a impetrante no CADINE (Cadastro de Inadimplentes da Fazenda Pública Estadual), sem que haja a devida intima ção de qualquer decisão quanto à defesa administrativa. D e acordo com a documentação acostada (id 14652011), denota-se a ausência de intimação da parte impetrante em relação à decisão na esfera administrativa. Noutras palavras, a inscrição no CADINE com a falta da intimação válida da parte devedora, encontra-se em desacordo com o princípio do contraditório e da ampla defesa. A Constituição Federal assegura o direito ao contraditório e à ampla defesa, como garantias fundamentais, que são pressupostos de todos os processos judiciais e administrativos. É o que dispõe o art. 5º, LV, da CF/88. In verbis: Art. 5º:[...] LV - aos litigantes, em processo judicial ou administrativo, e aos acusados em geral são assegurados o contraditório e ampla defesa, com os meios e recursos a ela inerentes; Nesse sentido é o entendimento desta Câmara de Direito Público: <span style="font-size: 12pt;">DIREITO ADMINISTRATIVO. NULIDADE DO ATO QUE REPROVOU A PRESTAÇÃO DE CONTAS. REMESSA NECESSÁRIA E APELAÇÃO CÍVEL CONHECIDAS E DESPROVIDAS. SENTENÇA MANTIDA. Cinge-se a controvérsia em aferir a higidez da sentença que julgou procedente o feito, com fundamento no art. 487, inciso I, do CPC, para determinar a exclusão da parte promovente dos cadastros de irregularidade e inadimplência do Estado do Ceará, em razão do Convênio n.º 156/2014, bem como para declarar a nulidade do ato que reprovou a prestação de contas apresentada pela parte autora, com o intuito de que lhe seja assegurado o direito de se manifestar sobre o alegado descumprimento aos artigos 72 e 78, VI, da Lei 8.666/93, em observância ao princípio do contraditório. A parte autora alega ilegalidade do ato administrativo que reprovou sua prestação de contas, tendo em vista a divergência entre o relatório da análise do ente público e a motivação da reprovação da prestação de contas, considerando o que dispõe o art. 25 da Instrução Conjunta Normativa SEON/SEFAZ/SEPLAN n.º 01/2005. Da análise dos autos, é possível concluir

	que padece de nulidade, por manifesta afronta aos princípios que regem a Administração Pública, o ato administrativo em questão que, sem a prévia observância das garantias constitucionais ao contraditório e à ampla defesa, reprovou a prestação de contas da parte promovente, com sua inscrição no cadastro de inadimplentes. Assim deve ser confirmada a sentença que reconheceu a nulidade do ato guerreado, sobretudo porque não observou os princípios do contraditório e da ampla defesa. Ressalta-se que a intervenção do poder judiciário na esfera administrativa é admissível nos casos em que se constatam atos de ilegalidade do Poder Público, como no caso dos autos, sem constituir interferência indevida em matéria reservada ao juízo de conveniência e oportunidade do administrador. Nas lições da doutrina de Frederico Amado: “(...) o objetivo do Poder Público com a criação do abono de permanência é manter o servidor público que já possui direito a uma das regras de aposentadoria acima referidas em atividade, com um gasto extra equivalente ao valor de sua contribuição previdenciária, postergando o aumento das despesas com a nomeação de novos servidores para suprir a inatividade do aposentado”. (in Curso de Direito e Processo Previdenciário, editora Jus Podivm, 13ª edição, 2020). A jurisprudência do STF foi pacificada neste mesmo sentido: Repercussão Geral – Tema 888 : É legítimo o pagamento do abono de permanência previsto no art. 40, § 19, da Constituição Federal ao servidor público que opte por permanecer em atividade após o preenchimento dos requisitos para a concessão da aposentadoria voluntária especial (art. 40, § 4º, da Carta Magna). (grifei) O entendimento desta Corte Estadual de Justiça também se encontra firme no sentido do direito ao recebimento do abono de permanência ao servidor que, podendo se aposentar voluntariamente, opta por continuar na atividade, inclusive em análise de casos do próprio Município de Quixadá: ADMINISTRATIVO E PROCESSO CIVIL. SENTENÇA PARCIALMENTE REFORMADA. 1. (...) 2. No mérito, o cerne da questão discutida cinge-se em aferir se a autora/apelada, servidora pública do Município de Quixadá, possui direito à implantação de abono de permanência, bem como o ressarcimento dos valores correspondentes ao referido abono, de maio de 2018 até a efetiva implantação em contracheque. 3. Com efeito, o art. 40, da Carta Magna, assegura o pagamento de abono de permanência correspondente, no máximo, ao valor da contribuição previdenciária ao servidor que completar o tempo para aposentadoria voluntária e que opte por continuar em atividade. 4. A Lei Municipal nº 2.103, de 29 de julho de 2002, que dispõe sobre a Seguridade Social dos Servidores Públicos do Município de Quixadá, assegura o direito ao abono de permanência à parte autora. 5. Cotejando os fólios, percebe-se que a autora demonstra que integra o serviço público do Município de Quixadá, lotada na Secretaria Municipal de Saúde, exercendo a função de enfermeira, desde 18 de março de 1988, tendo na data de maio de 2018, completado 31 (trinta e um) anos de contribuição e 53 (cinquenta e três) anos de idade. Além disso, cumpre registrar que a autora comprovou averbação do período (18/03/1988 a 24/10/1991) em que contribuiu para o Regime Geral de Previdência Social no instituto previdenciário municipal, que equivalem a cerca de 4 anos e 11 meses. 6. Desse modo, constata-se que a parte autora demonstrou o preenchimento das condições legais para o percebimento do abono de permanência, ao passo em que o ente municipal demandado, não comprovou a existência de qualquer fato impeditivo, modificativo ou extintivo do direito vindicado, deixando de se desincumbir do ônus probatório de que trata o art. 373, inciso II, do CPC. 7. Apelação cível interposta contra sentença que julgou improcedente o pedido de nulidade de multas de trânsito. ADMINISTRATIVO. TRANSFERÊNCIA DE VEÍCULO. ART. 123 E 134 DO CTB. RESPONSABILIDADE SOLIDÁRIA DO ANTIGO PROPRIETÁRIO. MITIGAÇÃO. PRECEDENTES DO STJ. MULTAS E ENCARGOS POSTERIORES À ALIENAÇÃO DO VEÍCULO. PRESUNÇÃO JURIS TANTUM DE VERACIDADE E LEGITIMIDADE DOS ATOS ADMINISTRATIVOS NÃO ILIDIDA. TEORIA DA ASSERÇÃO. POSSIBILIDADE DE BLOQUEIO ADMINISTRATIVO DO VEÍCULO. APELAÇÃO CONHECIDA E DESPROVIDA. 1. O direito litigioso das apelações corresponde à reforma da sentença que julgou parcialmente procedente o pedido para busca e apreensão e exclusão dos encargos e multas e propriedade do veículo em nome do antigo proprietário. 2. O Superior Tribunal de Justiça consolidou o entendimento de que a solidariedade entre o vendedor e o comprador do veículo não é absoluta, devendo ser mitigada e relativizada a regra prevista no art. 134 do CTB, quando restar devidamente comprovado nos autos que as infrações foram cometidas após a aquisição de veículo por terceiro, ainda que não tivesse sido realizada a transferência do veículo pelo adquirente, afastando a responsabilidade do antigo proprietário. 3. Embora gozem os atos administrativos de presunção de veracidade e legitimidade, estes se presumem verdadeiros e legais até prova em contrário, operando-se em seu benefício a presunção juris tantum, ou seja, uma presunção relativa. Não se incumbiu o autor, entretanto, de ilidir a legalidade das multas e débitos imputadas. 4. Não há qualquer prova da alienação do veículo e de que os débitos e as infrações de trânsito são relativas ao período em que o veículo seria de propriedade de terceiro, não se incumbindo o autor de cumprir o requisito do art. 373, I, do CPC, quanto ao fato constitutivo de seu direito. Assim, não há como mitigar o disposto no art. 134 do Código de Trânsito Brasileiro, não havendo como retirar a responsabilidade solidária do apelado quanto às infrações cometidas após a suposta alienação e tradição do veículo. 5. Fundamentado na Teoria da Asserção, a qual preceitua, com base nos princípios da boa-fé objetiva e da lealdade processual, que na aferição das condições da ação o julgador deve admitir uma presunção de veracidade a respeito dos fatos alegados na petição inicial, a mera declaração do autor, ora recorrente, é suficiente para o deferimento do pedido de bloqueio administrativo do veículo, haja vista que não haveria sentido no fato do

Sustentou que o juiz de origem cerceou sua defesa, ao impedir a produção de prova testemunhal acerca da alienação do veículo. Quanto ao mérito, arguiu que mesmo que “não tenha observado as regras para transferências de veículos, não pode ser ad eternum responsabilizado por um bem que não está em sua posse, sem sequer saber a identidade e localização do atual proprietário”. Pugnou, pois, pela procedência do pedido ou, subsidiariamente, pela restrição de circulação do veículo para fins de regularização.</p><p style="line-height: 1.7999999999999998; text-indent: 43pt; text-align: justify; margin-top: 12pt; margin-bottom: 6pt;" dir="ltr"> Contrarrazões (id 15666605) : o Detran sustentou sua ilegitimidade passiva, ao argumento de que “não consegue efetivar a suspensão ou o cancelamento de multas lavradas por outros entes, não havendo falar, portanto, na sua responsabilização a respeito de atos praticados por outros órgãos de fiscalização”. Argumentou que há transferência solidária entre o antigo e novo proprietários, caso não tenha havido a comunicação da transferência de propriedade do veículo junto ao Detran. Alegou a impossibilidade de o veículo permanecer sem vinculação a um proprietário, razão pela qual rogou pela “formação de uma decisão que apenas determine o bloqueio do bem, mas se assim não entender, que determine a baixa veicular, tendo em vista a impossibilidade de cumprimento de eventual comando judicial que somente determine a desvinculação de propriedade, bem como seus reflexos”. REPERCUSSÃO GERAL. CONSTITUCIONAL. ADMINISTRATIVO. SERVIDOR PÚBLICO. CONTRATAÇÃO TEMPORÁRIA. DIREITO A DÉCIMO TERCEIRO SALÁRIO E FÉRIAS REMUNERADAS, ACRESCIDAS DO TERÇO CONSTITUCIONAL. 1. A contratação de servidores públicos por tempo determinado, para atender a necessidade temporária de excepcional interesse público, prevista no art. 37, IX, da Constituição, submete-se ao regime jurídico-administrativo, e não à Consolidação das Leis do Trabalho. 2. O direito a décimo terceiro salário e a férias remuneradas, acrescidas do terço constitucional, não decorre automaticamente da contratação temporária, demandando previsão legal ou contratual expressa a respeito. 3. No caso concreto, o vínculo do servidor temporário perdurou de 10 de dezembro de 2003 a 23 de março de 2009. 4. Trata-se de notório desvirtuamento da finalidade da contratação temporária, que tem por consequência o reconhecimento do direito ao 13º salário e às férias remuneradas, acrescidas do terço. 5. Recurso extraordinário a que se nega provimento. Tese de repercussão geral: “Servidores temporários não fazem jus a décimo terceiro salário e férias remuneradas acrescidas do terço constitucional, salvo (I) expressa previsão legal e/ou contratual em sentido contrário, ou (II) comprovado desvirtuamento da contratação temporária pela Administração Pública, em razão de sucessivas e reiteradas renovações e/ou prorrogações”. Caso em exame </p><p class="EmentadoAcrdo" style="text-align: justify; text-justify: inter-ideograph; line-height: 150%;"> 1. Remessa necessária e apelações cíveis em ação indenizatória ajuizada por servidor público estadual contra o Estado do Ceará, visando a conversão em pecúnia de períodos de férias não gozados durante a atividade. O autor alega que não usufruiu de tais férias e que o Estado não as computou em seu tempo de serviço. O Estado, por sua vez, defende a prescrição da pretensão e a ausência de previsão legal para a conversão em pecúnia.</p><p class="EmentadoAcrdo" style="text-align: justify; text-justify: inter-ideograph; line-height: 150%;"> II. Questão em discussão </p><p class="EmentadoAcrdo" style="text-align: justify; text-justify: inter-ideograph; line-height: 150%;"> 2. A questão central é a possibilidade de conversão em pecúnia de férias não gozadas por servidor público estadual após sua passagem para a reserva remunerada, bem como a incidência da prescrição quinquenal sobre essa pretensão, além de pedidos não analisados pelo juízo a quo.</p><p class="EmentadoAcrdo" style="text-align: justify; text-justify: inter-ideograph; line-height: 150%;"> III. A jurisprudência do Supremo Tribunal Federal e do Superior Tribunal de Justiça é pacífica no sentido de que é possível a conversão em pecúnia de férias não gozadas por servidor público quando este não mais pode usufruí-las em razão da inatividade, a fim de evitar o enriquecimento sem causa da Administração. A prescrição quinquenal para essa pretensão tem como termo a quo a data em que ocorreu a aposentadoria do servidor (passagem à reserva remunerada).</p><p class="EmentadoAcrdo" style="text-align: justify; text-justify: inter-ideograph; line-height: 150%;"> IV. Quanto a isso, denota-se que, nos autos, não houve apreciação do pedido de concessão de justiça gratuita formulado pelo recorrente por ocasião da apresentação da petição inicial. Porém, considerando que esse pedido é renovado em sede recursal, passo ao seu exame.</p><p class="Standard" style="margin-bottom: 5.65pt; text-align: justify; text-justify: inter-ideograph; text-indent: 42.8pt; line-height: 150%;"> Conforme está previsto na Lei 1.060/1950 e no novo Código de Processo Civil, a justiça gratuita consiste na dispensa

O direito à gratuidade da justiça constitui direito fundamental do jurisdicionado (CF, art. 5º, inciso LXXIV). Assim sendo, nos termos do artigo 99 do CPC, o seu pedido pode ser formulado em petição inicial, contestação, petição para ingresso de terceiro ou em recurso, como é o caso. Consoante o § 7º do artigo em questão, requerida a gratuidade da justiça em recurso, o recorrente estará dispensado de comprovar o recolhimento do preparo, incumbindo ao relator, neste caso, apreciar o requerimento.</p><p class="Standard" style="margin-bottom: 5.65pt; text-align: justify; text-justify: inter-ideograph; text-indent: 42.8pt; line-height: 150%;"> E, para o deferimento do benefício, é suficiente a simples alegação de insuficiência econômica para arcar com o pagamento das despesas processuais sem o prejuízo próprio ou de sua família, ante a presunção juris tantum de veracidade da declaração prestada por pessoa física, desde que inexistam indícios que militem em sentido contrário (art. 99, § 3º do CPC/15).</p><p class="Standard" style="margin-bottom: 5.65pt; text-align: justify; text-justify: inter-ideograph; text-indent: 42.8pt; line-height: 150%;"> Da análise dos documentos acostados com a inicial, verifica-se que apesar do valor líquido a receber de R$ 14.888,93 (quatorze mil, oitocentos e oitenta e oito reais e noventa e três centavos), o promovente apresentou demonstrativo de suas receitas e despesas no Id. 14638304, e conforme se verifica após o confronto entre a receita e as despesas, restou o saldo de apenas R$ 43,02 (quarente três reais e dois centavos), que não é suficiente para o autor arcar com as custas processuais e honorários advocatícios. Além disso, o Estado do Ceará não impugnou o pedido, de modo que ele possui direito à integralidade dos benefícios da justiça gratuita, que ora concedo e, em consequência, afasto as condenações do autor a pagar custas no percentual de 50% (cinquenta por cento), bem como honorários advocatícios.</p><p class="MsoNormal" style="margin-bottom: 6.0pt; text-align: justify; text-justify: inter-ideograph; text-indent: 42.8pt; line-height: 150%;"> Ainda preliminarmente, noto a presença de questão prejudicial que exige apreciação antes do invadir o mérito relacionada à prescrição.</p><p class="Standard" style="margin-bottom: 5.65pt; text-align: justify; text-justify: inter-ideograph; text-indent: 42.8pt; line-height: 150%;"> Segundo o Estado do Ceará, “A pretensão está fulminada pela prescrição. Gilmar Mendes, Tribunal Pleno, DJe 7.3.2013, reconheceu a existência de repercussão geral da matéria em debate e reafirmou a jurisprudência do STF, no sentido de que, à luz da proibição do enriquecimento sem causa, é devida a conversão de férias não usufruídas, bem assim de outros direitos de natureza remuneratória, como a licença especial, em indenização pecuniária por aqueles que não mais podem delas usufruir, quer pela inatividade, quer pelo rompimento do vínculo com a Administração Pública. 2- Sentença confirmada em remessa necessária. Tratam os autos de Ação de Indenização Compensatória de Licença Especial e de Férias não Gozadas interposta por Luis Napoleão Feitosa em desfavor do Estado do Ceará, em cujos autos pretende que seja o ente estatal condenado a lhe pagar em pecúnia as licenças especiais e as férias alusivas ao período ali descrito. 2. Faz jus o autor ao pagamento dos períodos de meses de férias e licença especial não gozadas e não contados em dobro para o ingresso da inatividade (art. 65, § 3º), considerando que ao tempo, antes da revogação da Lei nº 10.072/1976, restou-lhe assegurado pela ordem constitucional tal benefício em razão do direito adquirido, e o obstáculo criado pelo ente estatal para o pagamento da verba pleiteada importa em indevido locupletamento. 3. A conversão desse benefício em pecúnia é conduta admitida pela jurisprudência da Corte Superior quando da aposentadoria do servidor. 4. Vejamos o teor do verbete:</p><p class="Standard" style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 6.0pt; margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph;"> O pagamento de férias não gozadas por necessidade do serviço não está sujeito à incidência do Imposto de Renda.</p><p class="Standard" style="margin-bottom: 5.65pt; text-align: justify; text-justify: inter-ideograph; text-indent: 42.8pt; line-height: 150%;"> O Imposto de Renda tem por fato gerador a efetiva aquisição ou disponibilidade econômica e jurídica da renda. 	Relator &#160; &#160; &#160; RELATÓRIO &#160; <br /> &#160; <br /> Trata-se de&#160; A gravo de&#160; I nstrumento&#160;interposto por Maria Sonete de Padua Oliveira, contra Decisão Interlocutória – Id 90247054 proferida pelo juízo da 2ª Vara Cível Da Comarca De Acopiara que determinou a suspensão do feito até a decisão sobre o Tema nº 1169 pelo Superior Tribunal De Justiça. Ação:&#160;Maria Sonete de Padua Oliveira ajuizou Ação de Execução (processo n.º 3000959-48.2024.8.06.0029) referente ao cumprimento da sentença proferida nos autos da ação coletiva nº 0004059-72.2018.8.06.0029, por meio da qual o Município de Acopiara foi condenado a pagar aos professores da rede básica de ensino as diferenças em relação ao 1/3 de férias a ser calculado sobre os 45 (quarenta e cinco) dias de férias a que têm direito, relativamente aos anos de 2013, 2014, 2015, 2016, 2017 e as que se vencerem no decorrer do andamento do feito. Decisão agravada:&#160;Distribuído o Cumprimento de Sentença, o juízo de origem decidiu pela suspensão dos autos, até que proferida decisão sobre o tema 1.169 pelo C. Superior Tribunal de Justiça (Id 90247054 dos autos de origem). Razões recursais:&#160;Irresignada, a recorrente interpôs o presente Agravo de Instrumento de Id 13506436, sustentando, em síntese,&#160;aplicação&#160;o tema de forma equivocada, uma vez que o referido tema somente se aplica aos casos de sentenças genéricas, o que não é o caso do presente processo. Ao final, pugna pelo conhecimento e provimento do recurso, reformando a decisão do juízo a quo que suspendeu o feito, para determinar que se mantenha o trâmite processual do cumprimento individual de sentença coletiva. Sem contrarrazões, não obstante a parte agravada tenha sido devidamente intimada (Id 13516406). &#160; É o relatório. &#160; &#160; <strong style="font-size: small;"> <strong style="font-size: small; text-align: justify;"> VOTO &#160; <strong style="font-size: small;"> <strong style="font-size: small; text-align: justify;"> <br /> Presentes os requisitos de admissibilidade, conheço do recurso interposto. Compulsando-se os autos, cuida-se na origem de Cumprimento de Sentença de forma individualizada de ação coletiva ajuizada pela Associação dos Professores da Rede Municipal de Acopiara em face do Município de Acopiara/CE na qual a parte autora aduz que, enquanto ocupante do cargo de professora da rede municipal de ensino, tem direito a gozar de 45 (quarenta e cinco) dias de férias e a receber o adicional respectivo calculado sobre todo o período, situação que não estaria sendo respeitada pelo Ente Municipal, ao limitar o respectivo terço ao período de apenas 30 (trinta) dias. No aludido processo coletivo foi proferida Sentença que condenou o Município ao <span style="font-

Processo	3004023-56.2024.8.06.0000
	size: 12pt;"> “pagamento das diferenças observadas em relação ao adicional de 1/3 de férias dos professores da rede pública municipal que tenham, de fato, gozado o período de 45 (quarenta e cinco) dias de férias nos anos respectivos, relativamente aos anos de 2013, 2014, 2015, 2016, 2017 e as que vencerem no decorrer do andamento deste processo, devendo o referido adicional ser calculado sobre todo o período de férias.” A decisão de primeiro grau foi confirmada por esta Corte de Justiça, tendo ocorrido o trânsito em julgado. Assim, por força do título executivo judicial mencionado foi necessária a promoção de cumprimento individual de sentença coletiva. Após distribuído, o juízo a quo decidiu pela “suspensão dos presentes autos até decisão sobre o tema 1169 pelo C. Superior Tribunal de Justiça – STJ” (Id. 90247054). No presente recurso, a Agravante busca a reforma do mencionado decisum para que seja dado prosseguimento ao feito. Dessa forma, cinge-se a controvérsia em aferir a higidez da decisão proferida em sede de Cumprimento Individual de Sentença que determinou a suspensão do feito até o julgamento do Tema Repetitivo n.º 1169 pelo C. Superior Tribunal de Justiça. Já adianto que assiste razão à parte Agravante. Verifica-se que no Tema 1.169/STJ houve a determinação de suspensão do processamento das execuções. A questão submetida a julgamento se refere a "Definir se a liquidação prévia do julgado é requisito indispensável para o ajuizamento da ação objetivando o cumprimento de sentença condenatória genérica proferida em demanda coletiva, de modo que sua ausência acarreta a extinção da ação executiva, ou se o exame quanto ao prosseguimento da ação executiva deve ser feito pelo Magistrado com base no cotejo dos elementos concretos trazidos nos autos". Ocorre que a hipótese dos autos não se amolda à matéria analisada no âmbito do referido precedente qualificado. Isso porque o título judicial que deu ensejo ao presente Cumprimento de Sentença apresenta todos os parâmetros necessários para a elaboração dos cálculos do valor a ser executado, não constituindo, assim, sentença genérica. Ressalta-se que o título coletivo indicou precisamente a correção monetária e os juros de mora incidentes sobre o valor devido. (Id. <span

Caso em exame 1. Agravo de instrumento interposto contra decisão que suspendeu o cumprimento individual de sentença coletiva, com base no Tema Repetitivo 1.169/STJ, que trata da necessidade de liquidação prévia em ações coletivas. A autora busca o prosseguimento da execução, argumentando que a sentença coletiva já contém todos os elementos para a realização dos cálculos. II. Questão em discussão 2. A questão central é definir se o Tema 1.169/STJ é aplicável ao caso, ou seja, se a liquidação prévia é necessária quando o título executivo judicial permite a apuração do valor devido por simples cálculos aritméticos. III. Razões de decidir 3. O Tema 1.169/STJ não se aplica ao caso, pois a sentença coletiva em questão não é genérica, mas sim específica, indicando os parâmetros para o cálculo do valor devido. Sendo assim, a liquidação prévia é desnecessária, uma vez que o valor pode ser apurado por simples cálculos aritméticos. &#160;IV. Dispositivo 4. Recurso conhecido e provido. Proveito econômico inestimável. Fixação da verba honorária por equidade. Art. 85, § 8º, do CPC, e Tema nº 1076 do STJ. Precedentes deste Egrégio Tribunal de Justiça. Remessa Necessária conhecida e parcialmente provida. Sentença parcialmente confirmada. &#160;</p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; line-height: 200%;"> I. Caso em exame </p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; line-height: 200%;"> 1. Trata-se de reexame necessário da sentença proferida nos autos da Ação de Obrigação de Fazer proposta por Eleonides Fernandes Lima em face do Estado do Ceará, por meio da qual se objetivou o fornecimento mensal, de forma contínua e por tempo indeterminado, de 150 (cento e cinquenta) unidades de fraldas geriátricas, tamanho XXG.&#160; </p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; line-height: 200%;"> II. Questão em discussão </p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; line-height: 200%;"> 2. O presente reexame visa analisar o acerto da sentença no que diz respeito à condenação do ente estatal a fornecer à autora, de forma contínua e por tempo indeterminado, 150 (cento e cinquenta) unidades de fraldas geriátricas, tamanho XXG, bem como verificar as questões acessórias relativas à obrigação imposta. </p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; line-height: 200%;"> III. Razões de decidir </p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; line-height: 200%;"> 3. Como se sabe, a saúde é um direito constitucional assegurado a todos, inerente à vida, bem maior do homem, matriz de todos os direitos, sendo, portanto, atribuição do Estado o dever de prover condições indispensáveis ao seu pleno exercício. </p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; line-height: 200%;"> 4. Considerando a comprovação da necessidade, incumbe ao Poder Judiciário determinar o fornecimento do insumo pela parte demandada, tendo em vista que o direito à saúde é uma garantia do cidadão e dever do Estado, conforme arts. 6º e 196 da CF/88, devendo ser repelido qualquer iniciativa que contrarie tal preceito fundamental. </p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; line-height: 200%;"> 5. No entanto, considerando que se trata de medida judicial de prestação continuativa, é imprescindível que o jurisdicionado promova a renovação periódica da prescrição médica, a fim de comprovar a permanência da necessidade da prestação determinada, conforme enunciado n° 2 da I Jornada de Direito da Saúde do CNJ. </p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; line-height: 200%;"> 6. Ademais, considerando que no presente caso o proveito econômico obtido pelo vencedor da ação é inestimável (direito à saúde), o arbitramento dos honorários advocatícios em percentual se mostra inadequado, conforme entendimento deste Tribunal e orientação do Tema 1076 do STJ. &#160; </p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; line-height: 200%;"> IV. Dispositivo e tese </p><p class="MsoNormal" style="margin-bottom: 0cm; text-align: justify; line-height: 200%;"> 7. Conhecimento e parcial provimento da Remessa Necessária no sentido de

FORÇA VINCULANTE DOS PRECEDENTES. ART. 927, III DO CPC. REMESSA NECESSÁRIA AVOCADA E DESPROVIDA. RECURSO DE APELAÇÃO CONHECIDO E PROVIDO. SENTENÇA PARCIALMENTE REFORMADA. 1. Busca a Defensoria Pública em seu apelo a reforma parcial da sentença, objetivando a condenação do Estado do Ceará ao pagamento de honorários advocatícios em favor do Fundo de Apoio ao Aparelhamento da Defensoria Pública. (…) 8. A respeito da questão discutida no recurso voluntário, impende esclarecer que, até bem pouco tempo, o entendimento jurisprudencial unânime nesta Corte de Justiça, em consonância com o enunciado sumular nº 421 do STJ, era no sentido da impossibilidade jurídica de condenação do Estado do Ceará em honorários em favor da Defensoria Pública, em virtude de ser a instituição vinculada ao ente federado em alusão. 9. Todavia, em data recente (23.06.2023), o STF julgou o RE 114005, em sede de Repercussão Geral (Tema 1.002), no qual firmou a seguinte tese: "1. É devido o pagamento de honorários sucumbenciais à Defensoria Pública, quando representa parte vencedora em demanda ajuizada contra qualquer ente público, inclusive aquele que integra; 2. O valor recebido a título de honorários sucumbenciais deve ser destinado, exclusivamente, ao aparelhamento das Defensorias Públicas, vedado o seu rateio entre os membros da instituição". 10. Com o mencionado julgado, encerra-se a discussão acerca da possibilidade, ou não, de a pessoa jurídica, à qual se encontra vinculada a Defensoria Pública ser condenada em honorários advocatícios de sucumbência em prol do mencionado órgão, isso em decorrência da força vinculante dos precedentes, com previsão no art. 927, III, do CPC/2015. 11. Em consequência, devem ser fixados na hipótese honorários sucumbenciais, em atendimento aos parâmetros estabelecidos no artigo 85, §§ 2º e 3º, do CPC/ 2015. 12. Na hipótese, como se trata de causa de valor que não se pode estimar, envolvendo direito à saúde, constitucionalmente garantido e inserido no conceito de mínimo existencial, a fixação dos honorários deve ocorrer por apreciação equitativa, nos termos do art. 85, § 8º, do CPC, mostrando-se cabível a fixação do valor de R$ 1.000,00 (mil reais) a título de honorários sucumbenciais, a serem pagos pelo Estado do Ceará em favor do Fundo de Apoio ao Aparelhamento da Defensoria Pública. 13. Remessa necessária avocada e desprovida. Recurso de apelação conhecido e provido. Sentença parcialmente reformada. ACÓRDÃO – Vistos, relatados e discutidos os presentes autos, nesta Comarca de Fortaleza, em que figuram as partes indicadas. ACORDAM os membros integrantes da 1ª Câmara de Direito Público do Tribunal de Justiça do Estado do Ceará, por unanimidade, em AVOCAR o feito em remessa necessária, para NEGAR LHE PROVIMENTO, e em CONHECER do recurso de apelação interposto, para DAR-LHE PROVIMENTO, reformando parcialmente a sentença, nos termos do voto do Relator.
