TESE QUE IMPÕE A CONDENAÇÃO A QUALQUER ENTRE PÚBLICO A PAGAR VERBA HONORÁRIA SUCUMBENCIAL EM FAVOR DA DEFENSORIA PÚBLICA, INCLUINDO-SE O ESTADO AO QUAL A INSTITUIÇÃO SE VINCULA. FORÇA VINCULANTE DOS PRECEDENTES. ART. 927, III DO CPC. REMESSA NECESSÁRIA AVOCADA E DESPROVIDA. RECURSO DE APELAÇÃO CONHECIDO E PROVIDO. SENTENÇA PARCIALMENTE REFORMADA. 1. Busca a Defensoria Pública em seu apelo a reforma parcial da sentença, objetivando a condenação do Estado do Ceará ao pagamento de honorários advocatícios em favor do Fundo de Apoio ao Aparelhamento da Defensoria Pública. (…) 8. A respeito da questão discutida no recurso voluntário, impende esclarecer que, até bem pouco tempo, o entendimento jurisprudencial unânime nesta Corte de Justiça, em consonância com o enunciado sumular nº 421 do STJ, era no sentido da impossibilidade jurídica de condenação do Estado do Ceará em honorários em favor da Defensoria Pública, em virtude de ser a instituição vinculada ao ente federado em alusão. 9. Todavia, em data recente (23.06.2023), o STF julgou o RE 114005, em sede de Repercussão Geral (Tema 1.002), no qual firmou a seguinte tese: "1. É devido o pagamento de honorários sucumbenciais à Defensoria Pública, quando representa parte vencedora em demanda ajuizada contra qualquer ente público, inclusive aquele que integra; 2. O valor recebido a título de honorários sucumbenciais deve ser destinado, exclusivamente, ao aparelhamento das Defensorias Públicas, vedado o seu rateio entre os membros da instituição". 10. Com o mencionado julgado, encerra-se a discussão acerca da possibilidade, ou não, de a pessoa jurídica, à qual se encontra vinculada a Defensoria Pública ser condenada em honorários advocatícios de sucumbência em prol do mencionado órgão, isso em decorrência da força vinculante dos precedentes, com previsão no art. 927, III, do CPC/2015. 11. Em consequência, devem ser fixados na hipótese honorários sucumbenciais, em atendimento aos parâmetros estabelecidos no artigo 85, §§ 2º e 3º, do CPC/2015. 12. Na hipótese, como se trata de causa de valor que não se pode estimar, envolvendo direito à saúde, constitucionalmente garantido e inserido no conceito de mínimo existencial, a fixação dos honorários deve ocorrer por apreciação equitativa, nos termos do art. 85, § 8º, do CPC, mostrando-se cabível a fixação do valor de R$ 1.000,00 (mil reais) a título de honorários sucumbenciais, a serem pagos pelo Estado do Ceará em favor do Fundo de Apoio ao Aparelhamento da Defensoria Pública. <span style="font-size: 10pt; font-

	Tribunal de Contas do Estado do Ceará . Requisitos para a concessão da antecipação dos efeitos da tutela de urgência não demonstrados. Recurso conhecido e desprovido. Decisão de origem mantida. I. Caso em exame 1. Trata-se de Agravo de Instrumento c/c Pedido de Tutela Recursal de Urgência contra a decisão interlocutória proferida nos autos n° 3006768-06.2024.8.06.0001 que indeferiu o pedido de tutela de urgência. II. Questão em discussão 2. A questão em discussão consiste em analisar se há nos autos os requisitos de tutela de urgência capaz de suspender a exigibilidade dos Acórdãos 2881/2019 e 3018/2023 do Tribunal de Contas do Estado. III. Razões de decidir 3. A tutela provisória de urgência é medida que se impõe sempre que estão presentes, concomitantemente, o fumus boni iuris e o perículum in mora, sendo proferida mediante cognição sumária, ou seja, o julgador ainda não tem acesso a todos os elementos de prova capazes de formar sua inteira convicção acerca dos direitos trazidos ao Estado Juiz. 4. In casu , verifica-se o requisito da probabilidade do direito resta fragilizado, pois o autor, ora agravante, não logrou êxito em comprovar, na exordial, que havia ocorrido a prescrição em prejuízo do Tribunal de Contas do Estado. Portanto, mantêm-se a presunção de legitimidade dos Acórdãos 2881/2019 e 3018/2023 do TCE. 5. Quanto ao segundo requisito para a concessão da tutela de urgência, entendo pela ausência de perigo imediato ao patrimônio do recorrente, uma vez que medidas constritivas em face do patrimônio do agravante/autor dependem de ordem judicial, não havendo sequer execução ajuizada até o presente momento, que, inclusive, poderá demorar. IV. Dispositivo e tese 6. Agravo de Instrumento conhecido e desprovido. <span

Ação (Id. 83250270 – Autos originais): Ação Anulatória c/c Antecipação dos Efeitos da Tutela promovida por Paulo Roberto Marques em desfavor do Estado do Ceará, objetivando a desconstituição e declaração de nulidade dos Acórdãos 2881/2019 e 3018/2023 oriundos do Tribunal de Contas do Estado do Ceará, provenientes dos autos nº 04663/2012-0. Processo	3002269-79.2024.8.06.0000
	“Conforme se observa, a parte autora não comprova, documentalmente, que durante o curso do processo nº 04663/2012-0, que culminou no reconhecimento da responsabilidade solidária da parte autora, ocorreu a preclusão aludida, ou seja, uma vez que não resta comprovado o deslinde processual, apenas a mera narração da parte autora quanto ao lapso temporal entre o marco inicial e o Acórdão. Ademais, no tocante à apreciação dos critérios de legalidade que circundam as decisões na esfera administrativa, em atenção ao caso em apreço, a ocorrência de prescrição quanto ao julgamento das contas pelo TCE/CE, entendo, em análise precária, que não fora demonstrado o desrespeito às normas que vinculam à apreciação pela Corte de Contas, uma vez que resta comprovado a observância ao devido processo. Por fim, considerando o pedido de tutela de urgência, não se vislumbra a constituição dos requisitos autorizadores da concessão, inclusive quanto à existência do perigo da demora, uma vez que sequer consta documentação que comprove o trânsito em julgado do Acórdão nº 3018/2023. 	align="justify"> Art. 300. A tutela de urgência será concedida quando houver elementos que evidenciem a probabilidade do direito e o perigo de dano ou o risco ao resultado útil do processo. <br /> São, portanto, dois os requisitos para a concessão da tutela antecipada de urgência: 1) a probabilidade do direito; e o 2) perigo de dano ou risco ao resultado útil do processo. Quanto ao primeiro requisito, da narração dos fatos e documentos carreados aos autos de origem, verifica-se que a probabilidade do direito resta fragilizada, pois o autor, ora agravante, não logrou êxito em comprovar, na exordial, que havia ocorrido a prescrição em prejuízo do Tribunal de Contas do Estado. É assente o entendimento de que os atos da Administração Pública, desde que respeitem o princípio da legalidade, gozam de presunção de legitimidade e veracidade, somente podendo ser objeto de revisão mediante prova de que foram praticados em desacordo com as leis ou princípios constitucionais. Portanto, mantém-se a presunção de legitimidade dos Acórdãos nº 2881/2019 e nº 3018/2023 do Tribunal de Contas do Estado. Somente em momento posterior à instrução processual, em cognição exauriente, diante das provas obtidas, será possível delinear com o grau de certeza necessária á aferição da ocorrência, ou não, da prescrição. Quanto ao segundo requisito para a concessão da tutela de urgência, reforço o meu entendimento (exarado na decisão interlocutória de indeferimento do efeito suspensivo no bojo deste recurso, no Id. 12385389), da ausência de perigo imediato ao patrimônio do recorrente, uma vez que medidas constritivas em face do patrimônio do agravante/autor dependem de ordem judicial, não havendo sequer execução ajuizada até o presente momento, que, inclusive, poderá demorar. Ressalto que, ainda assim, nada impede ao autor que, no decorrer da ação, caso seja necessário, formule pedido de tutela incidental, nos moldes do art. 294, parágrafo único, do CPC. Desse modo, conclui-se como ausentes em favor do agravante tanto a fumaça do bom direito como o perigo na demora, o que inviabiliza o provimento da irresignação em apreço. Nesse sentido, o seguinte julgado: <br /> AGRAVO DE INSTRUMENTO. AÇÃO DE OBRIGAÇÃO DE FAZER C/C REPARAÇÃO DE DANOS MORAIS E MATERIAIS. INDEFERIMENTO DE TUTELA DE URGÊNCIA. IRRESIGNAÇÃO DO AUTOR. PLEITO RECURSAL PARA EXCLUSÃO DE RESTRIÇÕES POR ROUBO E QUALIDADE DE LEILÃO DE VEÍCULO AUTOMOTOR. AUSÊNCIA DOS REQUISITOS DO ART. 300 DO CÓDIGO DE PROCESSO CIVIL. 	DESPROVIDO. 1 - O autor alega que é o legítimo proprietário de veículo Toyota Corola, placa NYS1A59, que está erroneamente em situação de bem leiloado e com histórico de roubo. In casu, o cerne da controvérsia consiste em avaliar o acerto da decisão que indeferiu pedido de exclusão das ¿restrições por roubo¿ e ¿qualidade de leilão¿ do veículo objeto da lide. 2 - Constata-se que as razões de fato e de direito que alicerçam o pleito formulado pela parte recorrente, não trazem consigo elementos capazes de comprovar a probabilidade do direito e o perigo de dano ou o risco ao resultado útil e regular do processo. O magistrado a quo, ao realizar pesquisas em diversos sites especializados, constatou que o veículo em questão aparece ¿sem restrição¿. Considerando a inexistência de comprovação cabal das alegações invocadas pelo recorrente, no que se refere a existência de restrições no veículo objeto da lide, não é arrazoado determinar o provimento antecipado pleiteado. 3 - Em juízo sumário de cognição, ausentes os requisitos autorizadores da tutela de urgência, a manutenção da decisão a quo é medida que se impõe . 4 - Recurso conhecido e desprovido. 	space:pre;white-space:pre-wrap;">Trata-se de Apelações oriundas de Ação de Cobrança interpostas em desfavor do Município de Santa Quitéria, em cujos autos referido ente municipal restou condenado a pagar a autora a diferença do terço de férias, acrescido dos encargos legais, deixando a fixação da condenação honorária a ser arbitrada pelo juízo da liquidação. 2.Quanto a prejudicial de mérito, acertada a decisão do Juízo originário ao aplicar a prescrição quinquenal em observância à Súmula nº 85 da Corte Superior, segundo a qual: “Nas relações jurídicas de trato sucessivo em que a Fazenda Pública figure como devedora, quando não tiver sido negado o próprio direito reclamado, a prescrição atinge apenas as prestações vencidas antes do quinquênio anterior à propositura da ação.” Prejudicial rejeitada. 3. Não logrou êxito o ente promovido em trazer prova em seu favor, na forma do art. 373, II, do CPC, mediante apresentação de simples dados interna corporis. Na verdade, é entendimento pacificado nesta Corte de Justiça que em feitos desta natureza compete à Fazenda Pública comprovar os pagamentos solicitados, ao passo que ao autor compete demonstrar o vínculo funcional, o que restou cumprido pela promovente sob pena de locupletamento ilícito. 4.O novo índice (SELIC) instituído pela EC 113/2021 incide a partir do dia 9 de dezembro de 2021, data de sua publicação no Diário Oficial. 	style="font-family: Arial, serif;"> III. Razões de decidir 3. Compulsando-se os autos, observa-se que a apuração do crédito exequendo não exige cálculos complexos, mas apenas simples cálculos aritméticos. 4. Ação:&#160;Maria Gerlane Gonçalves Cavalcante Calixta ajuizou Ação de Execução (processo n.º 3000959-48.2024.8.06.0029) referente ao cumprimento da sentença proferida nos autos da ação coletiva nº 0004059-72.2018.8.06.0029, por meio da qual o Município de Acopiara foi condenado a pagar aos professores da rede básica de ensino as diferenças em relação ao 1/3 de férias a ser calculado sobre os 45 (quarenta e cinco) dias de férias a que têm direito, relativamente aos anos de 2013, 2014, 2015, 2016, 2017 e as que se vencerem no decorrer do andamento do feito. 	aduz que, enquanto ocupante do cargo de professora da rede municipal de ensino, tem direito a gozar de 45 (quarenta e cinco) dias de férias e a receber o adicional respectivo calculado sobre todo o período, situação que não estaria sendo respeitada pelo Ente Municipal, ao limitar o respectivo terço ao período de apenas 30 (trinta) dias. No aludido processo coletivo foi proferida Sentença que condenou o Município ao “pagamento das diferenças observadas em relação ao adicional de 1/3 de férias dos professores da rede pública municipal que tenham, de fato, gozado o período de 45 (quarenta e cinco) dias de férias nos anos respectivos, relativamente aos anos de 2013, 2014, 2015, 2016, 2017 e as que vencerem no decorrer do andamento deste processo, devendo o referido adicional ser calculado sobre todo o período de férias.” A decisão de primeiro grau foi confirmada por esta Corte de Justiça, tendo ocorrido o trânsito em julgado. Assim, por força do título executivo judicial mencionado foi necessária a promoção de cumprimento individual de sentença coletiva. Após distribuído, o juízo a quo decidiu pela “suspensão dos presentes autos até decisão sobre o tema 1169 pelo C. Superior Tribunal de Justiça – STJ” (Id. 88243326). No presente recurso, a Agravante busca a reforma do mencionado decisum para que seja dado prosseguimento ao feito. Dessa forma, cinge-se a controvérsia em aferir a higidez da decisão proferida em sede de Cumprimento Individual de Sentença que determinou a suspensão do feito até o julgamento do Tema Repetitivo n.º 1169 pelo C. Superior Tribunal de Justiça. Já adianto que assiste razão à parte Agravante. Verifica-se que no Tema 1.169/STJ houve a determinação de suspensão do processamento das execuções. A questão submetida a julgamento se refere a "Definir se a liquidação prévia do julgado é requisito indispensável para o ajuizamento da ação objetivando o cumprimento de sentença condenatória genérica proferida em demanda coletiva, de modo que sua ausência acarreta a extinção da ação executiva, ou se o exame quanto ao prosseguimento da ação executiva deve ser feito pelo Magistrado com base no cotejo dos elementos concretos trazidos nos autos". <span

	style="font-size: 12pt;">Ocorre que a hipótese dos autos não se amolda à matéria analisada no âmbito do referido precedente qualificado. Isso porque o título judicial que deu ensejo ao presente Cumprimento de Sentença apresenta todos os parâmetros necessários para a elaboração dos cálculos do valor a ser executado, não constituindo, assim, sentença genérica. Ressalta-se que o título coletivo indicou precisamente a correção monetária e os juros de mora incidentes sobre o valor devido. (Id. 87871754 dos autos originários) Nesse contexto, é evidente que o caso em análise se refere ao cumprimento de uma sentença condenatória perfeitamente liquidável por meio de simples cálculos aritméticos, e não de uma sentença condenatória genérica, desse modo, não se enquadrando, na discussão abordada pelo Tema 1.169 do STJ. Conforme o art. 509, § 2º, do CPC/15, quando a apuração do valor depender apenas de cálculo aritmético, o credor poderá promover desde logo o cumprimento de sentença. Portanto, não há falar em sobrestamento do feito, pois inaplicável ao caso o Tema 1.169/STJ. A propósito, esse é o posicionamento que vem sendo adotado pela 3ª Câmara de Direito Público do presente Tribunal, com destaques: Ementa: Direito processual civil. Agravo de instrumento em cumprimento individual de sentença coletiva. Liquidação. Título executivo judicial. Cálculos aritméticos. Tema repetitivo 1.169/STJ. Inaplicabilidade. Agravo provido. I. Caso em exame 1. Agravo de instrumento interposto contra decisão que suspendeu o cumprimento individual de sentença coletiva, com base no Tema Repetitivo 1.169/STJ, que trata da necessidade de liquidação prévia em ações coletivas. A autora busca o prosseguimento da execução, argumentando que a sentença coletiva já contém todos os elementos para a realização dos cálculos. II. Questão em discussão 2. A questão central é definir se o Tema 1.169/STJ é aplicável ao caso, ou seja, se a liquidação prévia é necessária quando o título executivo judicial permite a apuração do valor devido por simples cálculos aritméticos. III. Razões de decidir 3. O Tema 1.169/STJ não se aplica ao caso, pois a sentença coletiva em questão não é genérica, mas sim específica, indicando os parâmetros para o cálculo do valor devido. Sendo assim, a liquidação prévia é desnecessária, uma vez que o valor pode ser apurado por simples cálculos aritméticos. &#160;IV. Dispositivo 4. Recurso conhecido e provido. Decisão recorrida reformada, determinando-se o prosseguimento do cumprimento individual da sentença coletiva. (TJ-CE Agravo de Instrumento nº 30031999720248060000, Relator: Des. WASHINGTON LUIS BEZERRA DE ARAUJO, Data de Julgamento: 21/10/2024, 3ª Câmara de Direito Público, Data de Publicação: 23/10/2024) Tema Repetitivo 1.169 do STJ. Simples Cálculos Aritméticos. Decisão Reformada. Recurso Conhecido e Provido. I. Caso Em Exame: Agravo de instrumento interposto em face de decisão que determinou a suspensão dos autos de cumprimento de sentença individualizada de ação coletiva, com fulcro no Tema Repetitivo nº 1.169 do Superior Tribunal de Justiça.&#160;II. Questão Em Discussão: Cinge-se a controvérsia recursal em analisar se o caso está afetado pelo Tema Repetitivo n.º 1.169 do Superior Tribunal de Justiça e se deve, portanto, ser sobrestado.&#160; III. Razões De Decidir: III.1. Observa-se que a apuração do crédito exequendo não exige cálculos complexos, mas apenas simples cálculos

	aritméticos. III.2 Considerando que o título judicial que embasa o cumprimento de sentença permite a individualização dos valores exigidos pelo agravado, que poderão ser aferidos mediante simples cálculos aritméticos, o caso dos autos não se encontra afetado pela decisão de suspensão dos processos estabelecida em razão do Tema 1.169 do Superior Tribunal de Justiça . SENTENÇA DE IMPROCEDÊNCIA MANTIDA.</p><p class="MsoNormal" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> I. Caso em exame </p><p class="MsoNormal" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;">1. Apelação cível interposta por Vanda Lúcia Barros Rozendo em face de sentença prolatada pelo Juízo do 1º Núcleo da Justiça 4.0 – Execuções Fiscais da Comarca de Fortaleza, que julgou improcedentes os embargos à execução fiscal opostos pela ora apelante em face de ação executória ajuizada contra ela pelo Estado do Ceará, referente a uma multa de R$ 17.451,24 (dezessete mil, quatrocentos e cinquenta e um reais e vinte e quatro centavos), aplicada à embargante pelo Tribunal de Contas do Município.</p><p class="MsoNormal" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> II. Questão em discussão </p><p class="MsoNormal" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;">2. A questão em discussão consiste em analisar o direito da embargante, ora apelante, de ver suspensa a exigibilidade do crédito em virtude de interposição de pedido de revisão administrativa do acórdão do TCM, que a condenou ao pagamento da multa em referência.</p><p class="MsoNormal" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> III. Razões de decidir </p><p class="MsoNormal" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;">3. De início, quanto ao apelo, afasta-se a preliminar de ausência de dialeticidade suscitada pelo recorrido em suas contrarrazões, uma vez que, conforme jurisprudência do STJ, “não há ofensa ao princípio da dialeticidade quando puderem ser extraídos do recurso de apelação fundamentos suficientes e notória intenção de reforma da sentença”, como no caso dos autos.</p><p class="MsoNormal" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;">4. Afasta-se também a alegação da recorrente de que a sentença seria nula por falta de fundamentação, pois, da leitura do decisório, verifica-se que este delimitou a controvérsia do pedido nos moldes estabelecidos na petição inicial, pelo que considerou, de forma motivada, a existência de pedido de revisão administrativa de acórdão do TCM como insuficiente para suspender a execução. Atente-se que a deliberação do juízo motivada em aspectos fático-jurídicos, embora sucinta e contrária à pretensão da parte ré, não caracteriza falta de fundamentação.</p><p class="MsoNormal" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 5. Conforme o art. 151, III, do Código Tributário Nacional, suspendem a exigibilidade do crédito tributário as reclamações e os recursos, nos termos das leis reguladoras do processo tributário administrativo. Por sua vez, a Lei Orgânica do Tribunal de Contas dos Municípios do Estado do Ceará prevê, em seu art. 34, §1º, que “o despacho que admitir o recurso de revisão poderá atribuir-lhe imediato efeito suspensivo, conforme juízo discricionário do relator do processo, devendo ser submetido ao Pleno para ratificação “(...)”.</p><p class="MsoNormal" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 6. Compulsando o processo administrativo nº 02190/2020-0, observa-se que o Acórdão nº 6240/2014 transitou em julgado em 16/01/2015, sendo a ação executiva ajuizada em 11/01/2018, e o recurso de revisão protocolado somente em 13/11/2019. Ademais, o Relator não atribuiu efeito suspensivo ao pedido de revisão, nos termos do § 1º, do art. 34, da citada norma, conforme se observa dos documentos acostados pela própria insurgente à peça recursal.</p><p class="MsoNormal" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 7. Desse modo, como corretamente consignado pelo Juízo a quo, o recurso de revisão não tem o condão de suspender o cumprimento de acórdão proferido pelo Tribunal de Contas. Precedentes deste TJCE.</p><p class="MsoNormal" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> IV. Assim, a referida Corte adotou posicionamento segundo o qual "não há ofensa ao princípio da dialeticidade quando puderem ser extraídos do recurso de apelação fundamentos suficientes e notória intenção de reforma da sentença" (STJ, AgInt nos EDcl no AREsp n. 1.959.390/PR, Rel. DECISÃO MANTIDA. 1.Tratam os autos de agravo de instrumento com pedido de antecipação da tutela recursal, interposto em face de decisão proferida na Ação de Obrigação de Fazer com Pedido de Tutela de Urgência, a qual indeferiu o pleito de suspensão, imediata, do processo de inscrição em dívida ativa e da exigibilidade dos débitos e multas em desfavor da mesma, bem como eventuais juros e multas decorrentes do não pagamento, em razão de alegado julgamento irregular do Acórdão nº 4125/2021 até o julgamento do recurso de revisão pelo Tribunal de Contas do Estado do Ceará. 2. A princípio, esta e. Corte possui o entendimento de que os Tribunais de Contas possuem a competência constitucional de estabelecer seus próprios regimentos, devendo esta regulamentação própria, portanto, incidir. Nesse sentido, extrai-se, da análise do art. 32 da Lei Orgânica do Tribunal de Contas Estadual (Lei nº 16.819/2019), que citado dispositivo, prevê expressamente que o recurso de revisão não terá efeito suspensivo. 3. Por outro lado, é possível concluir que, militando presunção legal de veracidade e legalidade em favor do ato administrativo, cabe àquele que o contesta fazer prova de eventual ilegalidade, uma vez que esse é o fato supostamente constituidor do seu direito, o que a parte agravante não logrou comprovar.4. Com efeito, a recorrente busca rediscutir o mérito da decisão do TCE no presente agravo de instrumento em sede de tutela de urgência. A pretensão, além de mostrar-se inadequada, em face ao caráter sumário da cognição própria das tutelas provisórias, implicaria verdadeira afronta à

Verificando a argumentação e o acervo documental acostado aos autos, não se vislumbra, em uma análise perfunctória, a probabilidade acerca da existência do direito alegado, o que inviabiliza a concessão da tutela pretendida, de onde mister se faz a manutenção da decisão proferida em sede de primeiro grau. 5. CONSTITUCIONAL E ADMINISTRATIVO. DECISÃO DO TRIBUNAL DE CONTAS DOS MUNICÍPIOS. IMPOSSIBILIDADE DE ANÁLISE DO MÉRITO. ATO ADMINISTRATIVO QUE SE REVESTE DE LEGALIDADE. SENTENÇA DE IMPROCEDÊNCIA MANTIDA. RECURSO CONHECIDO EDESPROVIDO. 1. É inaplicável a Lei Federal nº 9.784/99e o Manual de Recursos do TCU, pois o TCM tinha regulamentação própria (Lei Estadual nº 12.160/93 Lei Orgânica do TCM e Regimento Interno), editada dentro da autonomia normativa do Estado do Ceará (art. 18, da CRFB) e da competência constitucional dos Tribunais de Contas de estabelecer seus regimentos (art. 96, inciso i, alínea "a", da CRFB c/c art. 78, inciso XII, da Constituição Estadual). 2 Partindo desse pressuposto , é a Lei Orgânica do TCM e seu regimento interno que devem incidir no caso. E, de fato, à luz desse normativo, os atos impugnados se revestem de legalidade, na medida em que o Regimento Interno do TCM expressamente admitia a possibilidade de retirada, por qualquer motivo, da pauta de julgamento, ao passo que a lei local não instituía a preclusão pro judicato da análise do pedido de efeito suspensivo ao recurso de revisão, nem tampouco estabelecia a maneira como o requerimento deveria ser formulado. Por conseguinte, o relator podia se retratar da decisão anterior que indeferira o pleito; do mesmo modo, o pedido de retratação podia, por decorrência do direito a petição, ser apresentado em peça individual, mesmo porque, consoante a legislação mencionada, o relator podia atribuir efeito suspensivo de ofício, sem provocação da parte recorrente. 3. A documentação, por outro lado, não é suficiente para inferir que, necessariamente, houve ofensa à moralidade e à impessoalidade. Eventuais circunstâncias desabonadoras da conduta do Conselheiro relator ou dos demais membros do TCM poderiam, em tese, ser demonstradas por outros meios de prova; porém, houve intimação das partes para especificar as provas que pretendiam produzir, mas o autor quedou inerte, de modo que não há prova de que os atos impugnados, conquanto legais, sejam imorais ou praticados com o fim de favorecer a pessoa da promovida. 4. Frise-se que, de acordo com a jurisprudência deste tribunal, o mérito das decisões das Cortes de Contas (e.g. no caso em tela, se os requisitos do efeito suspensivo estavam ou não presentes) é insindicável perante o Judiciário, sob pena de ofensa à separação de Poderes (art. 2º, da CRFB). 5. Cuida-se de Agravo de Instrumento com vistas a reforma da decisão que entendeu pela procedência da liquidação de sentença ¿para reconhecer o direito do autor em receber o pagamento da diferença salarial com relação ao salário mínimo vigente à época do período laborado, no período de 2009 a 2013¿. Em suas razões de agravo aduz equivocada a decisão de piso, notadamente em razão de que trata-se de contratação temporária e a sentença coletiva se limita aos servidores estatutários. Ainda, argui a inépcia da inicial por ausência de cálculo dos valores que seriam devidos e de valor da causa, bem como a ausência de título executivo judicial e de valor da causa. Entende presentes os requisitos necessários à concessão do efeito suspensivo ao recurso. 02. Não há dúvidas acerca da extensão do comando decisório contido na sentença transitada em julgado e proferida na Ação Civil Pública nº 0002082-15.2014.8.06.0149, sendo ela aplicada também aos servidores contratados temporariamente pela edilidade, como é o caso do autor/agravado. Precedentes. 03. A edilidade em momento algum refuta os argumentos e provas colacionados aos autos que dão conta da existência de contratação temporária do agravado (entre 2009 e 2013) e que recebeu contraprestação em valor abaixo do salário-mínimo vigente à época. 04. Inexiste incompatibilidade entre o pleito de liquidação de sentença e o cumprimento de sentença, notadamente em razão de serem eles procedimentos complementares e subsequentes logicamente. A liquidação individual de sentença coletiva agora em discussão, não requer liquidação complexa, mas se poderá alcançar o valor por meros cálculos aritméticos, não havendo qualquer incompatibilidade em que esta preceda o cumprimento de sentença. 05. A fixação de honorários sucumbenciais não tem lugar por ocasião do procedimento de liquidação de sentença, somente cabendo tal condenação em honorários sucumbenciais na eventual impugnação ao cumprimento de sentença, nos termos do Tema 973 e Súmula 345, ambos do STJ. NECESSIDADE DE DEMONSTRAÇÃO PELO ENTE PÚBLICO DA IMPOSSIBILIDADE FINANCEIRA DE ARCAR COM A POLÍTICA PÚBLICA CONSTITUCIONALMENTE IMPOSTA. APELAÇÃO CONHECIDA E DESPROVIDA. SENTENÇA MANTIDA. 1. Trata-se de recurso de apelação interposto pelo Município de Paraipaba contra a sentença de fls. 134/138, proferida pelo Juízo da Vara Única da Comarca de Paraipaba, que julgou parcialmente procedente Ação Civil Pública ajuizada pelo Ministério Público do Estado do Ceará. 2. O cerne da questão, ora em apreço, gira em torno de Ação Civil Pública proposta pelo Ministério Público Estadual, com o fito de que o Município demandado, garanta o acesso ao ensino público às crianças e adolescentes de Paraipaba, compelindo o requerido a efetuar o transporte escolar seguro, eficiente, integral e adequado, com ônibus em condições de uso e de acordo com as normas de segurança estabelecidos pelo CONTRAN e do CTB, garantindo-lhes uma existência digna, conforme determinação constitucional e da legislação de piso (Estatuto da Criança e do Adolescente, Lei de Diretrizes e Bases da Educação, Lei do Plano Nacional de Educação, dentre outros). 3. A oferta de transporte escolar inadequado às crianças e adolescentes por parte do apelante viola frontalmente os fundamentos constitucionais supramencionados. Nessa senda, a Constituição Federal de 1988 tem como direito social basilar dos cidadãos o acesso à educação, com a atribuição de dever do Estado garantir o atendimento ao educando, em todas as etapas da educação básica, por meio de programas suplementares de material didático escolar, transporte, alimentação e assistência à saúde. 4. No que diz respeito ao princípio da reserva do possível, ainda que inegável seja a existência da discricionariedade quanto à execução do orçamento face a otimização de atos e resultados sociais, o juízo de conveniência e oportunidade, que compõe a discricionariedade administrativa, não afasta a necessidade de submissão das decisões realizadas pelo agente público ao princípio da legalidade e ao atendimento do interesse público primário, autorizando a interferência do Poder Judiciário para garantir a eficiente implementação de um direito fundamental. 5. Ademais, verifica-se que a teoria da reserva do possível deve ser aplicada quando demonstrada a insuficiência de recursos ou a falta de dotação orçamentária para o fornecimento do medicamento e/ou tratamento da substituída, ou seja, a simples postulação da teoria sem provas contundentes não tem o condão de afastar a prestação positiva, por parte dos entes estatais. 6. Recurso conhecido e desprovido. Ratificação DO ACÓRDÃO por estar em consonância com o PRECEDENTE. 1. Trata o caso de agravo interno em reexame necessário e apelação cível em face de decisão monocrática que manteve inalterada a sentença que decidiu pela parcial procedência da demanda. 2. A questão foi inicialmente apreciada pela então 3ª Câmara Cível, sob relatoria do Excelentíssimo Des. Francisco Gladyson Pontes, oportunidade na qual restou reconhecida a possibilidade de o Poder Judiciário determinar a adoção pelo Estado do Ceará, quando demonstrada sua omissão, de medidas ou providências destinadas a assegurar os direitos fundamentais dos detentos recolhidos na Casa de Privação Provisória (CPPL) - Carrapicho, no Município de Caucaia, sem que ocorra ofensa ao postulado da separação dos poderes. 3. O Supremo Tribunal Federal, ao apreciar o RE 684.612/RJ, em sede de Repercussão Geral, firmou tese reconhecendo que: 1. A intervenção do Poder Judiciário em políticas públicas voltadas à realização de direitos fundamentais, em caso de ausência ou deficiência grave do serviço, não viola o princípio da separação dos poderes. 2. A decisão judicial, como regra, em lugar de determinar medidas pontuais, deve apontar as finalidades a serem alcançadas e determinar à Administração Pública que apresente um plano e/ou os meios adequados para alcançar o resultado. 3. No caso de serviços de saúde, o déficit de profissionais pode ser suprido por concurso público ou, por exemplo, pelo remanejamento de recursos humanos e pela contratação de organizações sociais (OS) e organizações da sociedade civil de interesse público (OSCIP). (Tema nº 698). 4. Em verdade, conclui-se que o julgado da então 3ª Câmara Cível é plenamente compatível com o tema acima referido, especificamente na parte que trata da possibilidade de intervenção do Poder Judiciário em âmbito administrativo, quando verificado a omissão do Poder Público, com o objetivo de conferir efetividade aos direitos fundamentais. 6. Considerando que o acórdão anteriormente proferido se encontra de acordo com o precedente do STF, a ratificação é medida que se impõe, com fulcro no art. 1.040, inciso II do CPC/2015. - Acórdão ratificado. A questão em discussão consiste na análise do direito do autor ao recebimento de verbas trabalhistas, quais sejam: férias simples e proporcionais, acrescidas do terço constitucional, bem como o décimo terceiro integral e proporcional. III. Razões de decidir 3. Inicialmente, o apelante pretende introduzir apenas em sede de recurso o argumento relativo à condenação do ente público às verbas referente a o saldo de salário e d o depósito do FGTS. A pretensão de discutir tal matéria caracteriza nítida inovação recursal, impedindo a apreciação do recurso. Dessarte, a apelação não é cabível neste ponto, pois, do contrário, seria caracterizada a supressão de instância. 4. De plano, é necessário definir a natureza da relação jurídica havida entre as partes . O autor/apelante alega que foi contratado pelo Município de Acarape, para exercer a atividade de Guarda Municipal, admitido aos serviços no dia 03/04/2017 , recebendo mensalmente salário no importe de R$ 1.100,00 (um mil e cem reais) . <span style="font-variant-numeric: normal; font-variant-east-asian: normal; font-variant-alternates: normal; font-

O Município de Acarape, por intermédio da L ei nº 504/ 2015, criou o "Programa Inspetor Patrimonial de Guarda Municipal Voluntário", tendo o autor/apelante sido aprovado no concurso realizado para ocupação deste "cargo/função de Inspetor Patrimonial Voluntário". 6 . Todavia, restado demonstrado, pelo art. 5°, II da L ei nº 504/ 2015 e pelo Edital de 09 de janeiro de 2017, que o "Programa Inspetor Patrimonial de Guarda Municipal

	Voluntário" destina-se ao preenchimento de função voluntária e sem remuneração. 7. A L ei F ederal nº 9.608/1998 permite o serviço voluntário, todavia ressalta que não gera vínculo empregatício, nem obrigação de natureza trabalhista previdenciária ou afim. 8. In casu , o a utor não se desincumbiu do ônus de provar o direito alegado, o que decorre da distribuição estática do ônus da prova. Dos documentos constantes nos autos, especialmente do colacionado junto à exordial, não há como concluir que o autor tinha um vínculo empregatício com o Município e recebia, a título de salário, a importância de R$ 1.100,00 (um mil e cem reais) por mês, a justificar o ajuizamento da demanda a fim de receber as verbas trabalhistas. 	style="text-align: center;"> <br /> <strong style="font-size: small;"> <strong style="font-size: small; text-align: justify;"> <br /> Inicialmente, observa-se que o apelante pretende introduzir apenas em sede de recurso o argumento relativo à condenação do ente público às verbas re ferente s a o saldo de salário e d o depósito do FGTS . Entretanto, o tema não foi suscitado na primeira instância, não sendo objeto de apreciação pelo J uízo a quo , bem como não sendo matéria cognoscível de ofício. Dessa forma, entende-se que a pretensão de discutir a matéria caracteriza nítida inovação recursal, impedindo a apreciação do recurso. Destarte, a apelação não é cabível neste ponto, pois, do contrário, seria caracterizada a supressão de instância. Nesse diapasão, veja-se ementa de julgado proferido no âmbito deste Tribunal de Justiça: <br /> RECURSO APELATÓRIO EM AÇÃO ORDINÁRIA DE COBRANÇA. ADICIONAL DE PERICULOSIDADE. É cediço que a devolutividade no recurso de apelação fica restrita ao que foi abordado pela decisão impugnada. Dessa forma, resta proibida manifestação sobre pontos não ventilados no primeiro grau, pois do contrário, poderia incorrer em verdadeira supressão de instância, o que é vedado. 2. Todavia, tais vantagens geram aumento de despesas no período vedado por lei, bem como os vereadores não poderiam ter instituído tais benefícios remuneratórios, pois com o advento da Lei Complementar Federal n. 173/2020, em seu Art. 8º, veda qualquer aumento dessa natureza até dezembro de 2021, em virtude, da crise sanitária do Coronavírus. Destacou que as normas carecem de observância à Lei Complementar nº 101/2000 – Lei de Responsabilidade Fiscal, porquanto não estão acompanhadas de estimativa do impacto financeiro-orçamentário no exercício em que entrou em vigor e nos subsequentes, além da vedação de aumento de despesas nos últimos 180 dias que antecedem o fim do mandato, tornando nulo de pleno direito os valores alusivos ao aumento dessas despesas. O entendimento de que, pelo princípio da simetria, o art. 18 da Lei 7.347/1985 também beneficia a parte ré da ação civil pública não pode ser aplicado no processo instaurado por ação popular. Isso porque a Lei 4.717/1965 contém regra específica acerca do ônus da sucumbência, impondo expressamente a condenação da parte ré a custas e honorários sempre que vencida na demanda.2.&#160; Há julgados mais recentes do Superior Tribunal de Justiça aderindo ao entendimento de que, mesmo no caso de ações civil públicas propostas por associações, deve haver a condenação da parte ré ao pagamento de honorários, como forma de estimular a participação da sociedade civil no processo coletivo. As mesmas razões levam à conclusão de que isentar a parte ré da ação popular da obrigação de pagar honorários ao advogado da parte autora pode funcionar como um contraestimulo à participação do cidadão, que de alguma forma precisa remunerar o advogado que o representa. 3. Ministro MARCO AURÉLIO BELLIZZE, TERCEIRATURMA, julgado em 22/9/2016, DJe 30/9/2016).”.</p><p class="Textbody" style="text-align: justify; text-justify: inter-ideograph; text-indent: 2.0cm; line-height: 200%;"> Compulsando-se os autos, entendo, nesse caso, não ser possível aferir de forma precisa o conteúdo econômico da demanda, tendo em vista que o provimento jurisdicional exarado na sentença da ação popular visa, precipuamente, preservar o interesse público e a coibir práticas ímprobas, o que, por si, já revela seu valor inestimável para o respeito à lei e à administração pública.</p><p class="Textbody" style="text-align: justify; text-justify: inter-ideograph; text-indent: 2.0cm; line-height: 200%;"> Ademais, nem mesmo foi explicitado, na inicial, como foi aferido o valor da causa em R$ 438.400,08 (quatrocentos e trinta e oito mil reais e quatrocentos e oito centavos).</p><p class="Textbody" style="text-align: justify; text-justify: inter-ideograph; text-indent: 2.0cm; line-height: 200%;"> Por conseguinte, não se pode inferir, com a certeza desejada, qual o valor do proveito econômico alcançado pela parte autora, com o julgamento favorável à sua pretensão.</p><p class="Textbody" style="text-align: justify; text-justify: inter-ideograph; text-indent: 2.0cm; line-height: 200%;"> Salienta-se que o art . 291 do CPC exige que todo processo tenha um valor da causa certo, mesmo quando o conteúdo econômico não possa ser facilmente determinado. Esse valor deve, sempre que possível, representar o benefício econômico que a parte pretende obter ao ingressar com a ação. A definição do valor da causa é fundamental para o cálculo das custas processuais e para estabelecer a competência do juízo. Assim, ainda que o pedido não tenha um valor econômico imediato, o montante atribuído deve refletir o potencial ganho buscado no processo.</p><p class="Textbody" style="text-align: justify; text-justify: inter-ideograph; text-indent: 2.0cm; line-height: 200%;"> In casu, não se pode apontar, com precisão, qual o valor do dano ao erário.</p><p class="Textbody" style="text-align: justify; text-justify: inter-ideograph; text-indent: 2.0cm; line-height: 200%;"> Assim, não merece acolhimento a insurgência do apelante quanto à condenação nos honorários advocatícios sucumbenciais, fundamentada na regra geral, ao argumentar que a condenação deveria se basear no valor da causa. Isso porque não é possível considerar esse valor como o efetivo proveito econômico obtido com o desfecho desta ação.</p><p class="Textbody" style="text-align: justify; text-justify: inter-ideograph; text-indent: 2.0cm; line-height: 200%;"> Nesse contexto, o Superior Tribunal de Justiça, ao julgar o REsp 1.885.691-RS, sob a relatoria do Ministro Ricardo Villas Bôas Cueva, decidiu que, em Ação Popular, quando não for possível aplicar a regra geral de fixação dos honorários advocatícios (art. 85, § 2º, do CPC), deve-se adotar o critério da equidade, conforme previsto no art. 85, § 8º, do CPC.</p><p class="Textbody" style="text-align: justify; text-justify: inter-ideograph; text-indent: 2.0cm; line-height: 200%;"> Com efeito, quando se tratar de demanda cujo&#160; bem jurídico é inestimável,&#160;e, conforme jurisprudência do&#160; STJ ,&#160;os honorários advocatícios devem ser fixados por equidade, podendo, inclusive, serem revistos a qualquer momento e até mesmo de ofício, sem que isso configure&#160; reformatio in pejus.</p><p class="Textbody" style="text-align: justify; text-justify: inter-ideograph; text-indent: 2.0cm; line-height: 200%;"> A propósito, do STJ:</p><p class="Textbody" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; line-height: normal;"> <em> <span style="font-size: x-small;"> <span style="font-family:

Conforme estabelecido pelo Plenário do STJ, aos recursos interpostos com fundamento no CPC/2015 (relativos a decisões publicadas a partir de 18 de março de 2016) serão exigidos os requisitos de admissibilidade recursal na forma nele prevista (Enunciado Administrativo n. 3). 2. N o novo regime processual, a fixação dos honorários advocatícios mediante juízo de equidade ganhou caráter residual, a ser exercido nas causas de inestimável ou irrisório proveito econômico, conforme o § 8º do art. 85 do CPC/2015. 3. A "equidade constante do § 8º do art. 85 do CPC/2015 incide apenas quando o proveito econômico obtido não seja identificado, ou seja, inestimável ou irrisório" (AgInt no REsp 1807225/DF, Rel. Ministro LUIS FELIPE SALOMÃO, QUARTA TURMA, julgado em 12/11/2019, DJe 26/11/2019). 4. Quando não é possível estimar eventual proveito econômico, a egrégia Primeira Turma tem entendido que os honorários de sucumbência devem ser arbitrados, por apreciação equitativa, com observância dos critérios do § 2º do art. 85 do CPC/2015, conforme disposto no § 8º desse mesmo dispositivo (REsp 1826794/SE, Rel. Ministro GURGEL DE FARIA, PRIMEIRA TURMA, julgado em 17/09/2019, DJe 11/10/2019). 5. Nas hipóteses de extinção da demanda sem resolução do mérito por perda superveniente de objeto, em que a demandada deve arcar com os ônus sucumbenciais, diante do princípio da causalidade, é possível arbitrar a verba honorária "com base na equidade, critério que encontra respaldo nos princípios da razoabilidade e da proporcionalidade previstos no art. 8º do CPC/2015." (AgInt no REsp 1836344/SE, Rel. Ministro SÉRGIO KUKINA, PRIMEIRA TURMA, julgado em 10/08/2020, DJe 17/08/2020). 6. Caso em que a ação popular foi extinta sem resolução do mérito, por perda superveniente do objeto (revogação no curso da demanda do edital de concorrência internacional cuja anulação se pleiteava) e, ante o princípio da causalidade, a parte ré foi condenada a pagar a verba sucumbencial. 7. Enquanto a parte autora, ora agravante, pretende o arbitramento dos honorários advocatícios em prol de seus advogados de acordo com os critérios dos §§ 3º e 4º do art. 85 do CPC/2015, ou seja, entre os percentuais mínimo de 1% e máximo de 3% sobre o valor atualizado da causa de R$ 1.660.000.000,00 (um bilhão, seiscentos e sessenta milhões), a Corte de origem reputou inestimável o valor da causa e entendeu que a verba honorária de sucumbência deveria ser fixada mediante apreciação equitativa, no montante de R$ 12.000,00 (doze mil reais), haja vista o seguinte: a) trata-se de pedido declaratório e não condenatório; b) não há proveito econômico a aferir; e c) houve exagero no valor atribuído à causa, porquanto a parte autora desconsiderou "o quantum que o Estado gastaria com o contrato sem ter um centavo sequer de retorno". 8. Não é possível discordar do pressuposto fático referente à impossibilidade de estimar o proveito econômico a ser obtido com o resultado da demanda e, assim, afastar a fixação da verba por equidade, em face do óbice inserto na Súmula 7 do STJ. Precedentes. 9. A tese de que o valor da causa espelhava o valor do contrato, segundo prescreve o art. 259 do CPC/1973, então vigente, não foi enfrentada na origem&#160; porquanto deixou de ser agitada nos dois embargos de declaração ali opostos, pelo que, no ponto, o especial esbarra no óbice da Súmula 282 do STF. 10. O teor do §6° do art. 85 do CPC/2015, a despeito de invocado nos primeiros embargos, também não foi analisado pelo Tribunal a quo, o que permite a incidência da Súmula 211 do STJ. 11. Segundo o entendimento desta Corte de Justiça, para se reconhecer o prequestionamento ficto de que trata o art. 1.025 do CPC/2015, na via do especial, impõe-se ao recorrente a indicação de contrariedade ao art. 1.022 do CPC/2015, o que não ocorreu. 12. Agravo interno desprovido. O cerne submetida a exame reside em aferir se a Câmara de Vereadores de Crateús é parte legítima para compor o polo passivo da lide ou se há possibilidade, no atual estágio processual, de substituí-la pelo Município de Crateús. No mais, deve ser averiguado se houve equívoco na sentença ao suspender os efeitos da Lei Municipal de nº 859/2020 apenas quanto ao valor pago ao Presidente da Câmara que ultrapassar 40% do subsídio dos Deputados Estaduais, até mesmo com os acréscimos posteriores que ocorrerão, em favor do legislativo estadual, em 01/02/2024 e 01/02/2025. 2. PRELIMINAR DE INTEMPESTIVIDADE RECURSAL 2.1. No caso em apreço, ao inverso do que entendeu a recorrida, a decisão proferida nos embargos declaratórios foi disponibilizada no Diário da Justiça de 1º de novembro de 2023, uma quarta-feira. Ocorre que o dia 02.11 foi feriado (dia de finados), enquanto que no dia 03.11 foi declarado ponto facultativo no Poder Judiciário, conforme informação presente no sítio eletrônico do TJCE e corroborada pela parte promovida, situação na qual ficam suspensos os prazos processuais. Desse modo, considera-se publicada a intimação na data de 06.11.2023 (segunda-feira), nos termos do artigo 4º, § 3º, da Lei Federal de nº 11.419/2006. 2.2. Sendo de 15 (quinze) dias úteis o prazo do qual dispunha o apelante para recorrer (art. 219 do CPC/2015) e sabendo-se que, na contagem dos prazos no âmbito do processo civil exclui-se o dia do início, tem-se que o termo a quo foi o dia 07.11.2023 (terça-feira) de forma que o prazo fatal ocorreria em 28 de novembro de 2023, também um dia de terça-feira, isso excluindo o feriado relativo ao dia da Proclamação da República (dia 15.11). Nesse cenário, tendo o apelante ingressado com sua irresignação na data de 28.11.2023, consoante se constata pelo sistema SAJ-SG, aba ¿propriedades do documento¿, tempestivo é o recurso que se cuida. 2.3. Preliminar rejeitada. 3. MÉRITO 3.1. Conquanto se trate a (i)legitimidade para a causa matéria de ordem pública, está sujeita à preclusão nos casos em que já houve decisão sobre o assunto na ação de origem, como na espécie, não havendo interposição de agravo de instrumento. Veja-se que a omissão do Juízo a quo em decidir a questão corresponde à negativa do pedido. 3.2. Ademais, nos termos do enunciado sumular nº 525 do Superior Tribunal de Justiça, embora não possua personalidade jurídica mas apenas personalidade judiciária, a Câmara de Vereadores poderá demandar em Juízo para defender suas prerrogativas institucionais. No caso concreto, discute-se possível ilegalidade no valor do subsídio do Presidente da Casa Legislativa de Crateús, fixado por lei daquele poder, no âmbito de sua prerrogativa institucional, de modo que não se pode afastar sua capacidade de ser parte e, portanto, a legitimidade passiva para responder a demanda que se cuida. 3.3. É importante frisar que, não obstante a causa de pedir tenha por fundamento pretensa afronta perpetrada pela lei municipal sob análise, ao teto do subsídio dos vereadores previsto no art. 29, VI, "c", da Constituição Federal de 1988, a jurisprudência vem admitindo o manejo da via popular em tais casos, em virtude não constar pedido de declaração de inconstitucionalidade da norma. 3.4. A verba em discussão deve ser fixada, por meio de lei específica, em cada legislatura para a

Permitindo-se o aumento automático a cada vez que houvesse majoração nos subsídios dos deputados, estaria se chancelando uma espécie de gatilho para aumentar despesas na própria legislatura, tal qual ocorria com a edição de resoluções, prática julgada inconstitucional pelo Órgão Especial deste Tribunal de Justiça (Incidente de arguição de Inconstitucionalidade de nº 0000232-43.2018.8.06.0000). 3.5. O subsídio de Presidente da Câmara Municipal pode ir além do valor pago aos demais vereadores, desde que se obedeça ao teto constitucional e mediante expressa previsão legal. Não se pode ter por parâmetro, para o aumento discutido na lide, o Ato Deliberativo da Assembleia Legislativa do Ceará, de nº 917, em virtude do que decidiu o Pretório Excelso em sede de Ação Direta de Inconstitucionalidade (ADI 6545). 3.6. Na hipótese, houve a sucumbência recíproca, tendo em vista que não foi atendido o pleito autoral de ressarcimento ao erário. Contudo, o autor da ação popular somente pagará custas e honorários se comprovada má-fé, situação não evidenciada nos autos, impondo-se, assim, apenas a condenação da promovida na referida verba. 3.7. Por sua vez, a fixação dos honorários por apreciação equitativa tem cabimento apenas nas hipóteses previstas no § 8º do art. 85 do CPC/15, quais sejam, nas demandas de valor inestimável ou irrisório, bem como quando o valor da causa for muito baixo. 02. No caso em análise, verifica-se que a causa possui valor atualizado quantificado, qual seja, R$ 15.542,77 (quinze mil, quinhentos e quarenta e dois reais e setenta e sete centavo) que é mensurável e não é um valor considerado baixo, não se enquadrando nas hipóteses do § 8º do art. 85 do CPC/15, conforme recente entendimento do STJ. Assim, quanto a fixação dos honorários sucumbenciais, merece provimento o apelo, haja vista que os honorários sucumbenciais somente serão fixados com base na apreciação equitativa, conforme o art. 85, §8º, CPC/15, quando for inestimável ou irrisório o proveito econômico ou, ainda, quando o valor da causa for muito baixo. 03. No tocante ao recurso da CAGECE, a insurgência recursal persiste na alegada incompetência do DECON para multar companhias que já são fiscalizadas por autarquias, argumento que não merece razão, pois nos termos do art. 4º, II, da Lei Complementar Estadual nº 30/2002, o Programa Estadual de Proteção e Defesa do Consumidor - PROCON/DECON detém competência para, no exercício regular do poder de polícia, impor sanções administrativas relacionadas às transgressões dos preceitos estabelecidos pelo Código de Defesa do Consumidor. 04. Outrossim, da análise do processo administrativo às fls. 21/53, em que pese as decisões estejam fundamentadas, respeitando o devido processo legal e pautadas no princípio do contraditório e da ampla defesa, não observada também a existência de ilegalidade no tocante ao quantum da multa – 3.000 UFIRCES, equivalente a quantia de R$ 11.793, 69(onze mil, setecentos e noventa e três reais e sessenta e nove centavos) à época da aplicação da sanção administrativa-, isso porque não se mostra excessiva, observando, assim, os princípios da proporcionalidade e razoabilidade, de acordo com os parâmetros estabelecidos por esta eg. Corte. 04. Recurso de Apelação do Estado do Ceará conhecido e provido; Recurso de Apelação da CAGECE conhecido e desprovido. (Apelação Cível - 0184035-89.2019.8.06.0001, Rel. Além disso, defende a prescrição quinquenal dos valores cobrados, limitando o direito às quantias devidas nos últimos cinco anos, contados a partir do ajuizamento da ação. No mérito, argumenta que a sentença recorrida deve ser reformada, pois, embora o Estatuto dos Servidores Municipais preveja o adicional de anuênio, o servidor não comprovou o efetivo exercício no serviço público municipal, o que inviabiliza a apuração correta dos valores eventualmente devidos. Assim, requer o acolhimento da preliminar de ausência de interesse processual. Caso não seja acolhida, pleiteia a aplicação da prescrição quinquenal. Caso nenhuma das preliminares seja conhecida, requer a reforma da sentença para que seja julgada improcedente a demanda, uma vez que o direito ao anuênio não foi demonstrado. Por fim, na hipótese de ser reconhecido o direito ao adicional, solicita a contagem exata do tempo de efetivo exercício, devidamente comprovado pelo servidor.</p><p style="line-height: 1.7999999999999998; text-indent: 56.692913385826756pt; text-align: justify; margin-top: 0pt; margin-bottom: 5.65pt;" dir="ltr"> Em suas contrarrazões (Id. 15372755), o Apelado sustenta, em síntese, que a sentença deve ser mantida, pois o adicional por anuênio está previsto na Lei Municipal nº 10/1994 e foi implementado pelo Município de Barro/CE com a incidência de alíquota de apenas 1% sobre o salário do servidor, quando deveria ser de 11%. Argumenta que o Município foi revel no processo e não apresentou provas de qualquer fato impeditivo ao direito alegado, sendo, portanto, responsável pela implementação e pelo pagamento retroativo das diferenças devidas ao Apelado nos últimos cinco anos, conforme reconhecido na sentença. Alega ainda que os argumentos recursais do Município carecem de fundamento, visto que a prescrição quinquenal foi devidamente aplicada e não há ausência de interesse processual, uma vez que a Administração foi informada sobre o pleito antes da propositura da ação. Assim, requer a manutenção da sentença e a aplicação de multa por litigância de má-fé, considerando o recurso protelatório interposto pelo Município.</p><p style="line-height: 1.7999999999999998; text-indent: 56.692913385826756pt; text-align: justify; margin-top: 0pt; margin-bottom: 5.65pt;" dir="ltr"><span style="font-size: 12pt; font-family: 'Times New Roman',serif; color: #000000; background-color: transparent; font-weight: 400; font-style: normal; font-variant: normal; text-decoration: none; vertical-align:

	COMPROVADO. PRECEDENTES DO TJCE. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA. 1. O cerne da discussão jurídica ora em apreço cinge-se em apreciar se a autora, servidora pública no Município de Barro, possui direito ao pagamento do adicional por tempo de serviço, previsto na Lei municipal nº 010/1994, que instituiu o regime estatutário dos servidores públicos municipais. 2. No caso, prevê a Lei nº 010/1994, em seu art. 3º, inciso XVIII, que o adicional por tempo de serviço é devido à razão de 1% (um por cento) por ano de serviço público efetivo. Trata-se de norma autoaplicável, pois contém elementos suficientes para a sua concessão, sem necessidade de regulamentação, consubstanciando-se como verdadeira norma jurídica de aplicabilidade direta e imediata, a partir da admissão do servidor, observando-se, no caso, a prescrição quinquenal. 3. Outrossim, convém anotar, na trilha da jurisprudência do Superior Tribunal de Justiça, que empecilhos de ordem financeira ou orçamentária não podem ser utilizados com vistas a afastar o direito dos servidores públicos quanto à percepção de vantagem legitimamente assegurada por lei. Além disso, não comprova o apelante, de forma aritmética e clara, o potencial colapso financeiro capaz de inviabilizar a consecução do interesse público primário e, consequentemente, gerar grave lesão à economia pública municipal. 4. Recurso de apelação conhecido e desprovido. Sentença mantida. (Apelação Cível - 0050248-55.2021.8.06.0045, Rel. REMESSA E APELAÇÃO CONHECIDAS. DESPROVIDO O APELO E PROVIDA EM PARTE A REMESSA. 1. Trata-se de Remessa Necessária e Apelação Cível interposta pelo Município de Barro, visando reformar sentença que julgou procedente o pedido autoral nos autos da Ação Ordinária com pedido de antecipação de tutela. 2. Servidora do Município de Barro alegam que a edilidade não vem oferecendo o benefício – anuênio – no percentual devido, pugnando, assim, pela implementação dos valores e pagamento de atrasados. 3. Nas razões recursais, o requerente alega incompatibilidade entre o Estatuto dos Servidores do Município de Barro e o Regime Geral de Previdência Social, bem como a impossibilidade de concessão do adicional prevista pela Lei de Responsabilidade Fiscal. Ao fim, requer provimento, com a consequente reforma da sentença. 4. O art. 3º, XVIII, da Lei Municipal nº 10/1994, que dispõe sobre o Estatuto dos Servidores do Município de Barro, assegura ao servidor público municipal o adicional por tempo de serviço, ou "anuênio", com a seguinte redação: "São direitos assegurados aos servidores municipais da administração pública direta, autárquica e funcional: XVIII – o adicional de 1% (um por cento) por anuência do tempo de serviço." 5. Analisando os dispositivos legais sob enfoque, conclui-se que, porquanto as normas prevejam percepção de gratificação por tempo de serviço devidas aos servidores públicos do Município de Barro, no presente caso, a autora/apelada é servidora da rede pública municipal de Barro, portanto, as regras a ela aplicáveis, pelo critério da especialidade, são aquelas contidas no Estatuto do Servidor Público do Município de Barro. 6. No presente caso, da documentação juntada pela demandante, verifica-se que resta comprovado o vínculo funcional da autora com o Município de Fortaleza, o tempo de serviço público, bem como o percentual pago, a título de anuênios, satisfazendo, portanto, o disposto no art. 373, I do CPC/15, o qual atribui à parte autora o ônus de provar o fato constitutivo de seu direito. 7. No que concerne à tese defensiva do ente municipal apelante de indisponibilidade financeira e orçamentária para o pagamento do adicional, nos termos da legislação de regência, haja vista a ausência de prévia dotação orçamentária, impende ressaltar que não logrou comprovar com dados concretos referida alegação. Convém por em relevo que, ainda que assim não fora, tratando-se de obrigação legal, incumbia à Administração Pública zelar pela boa aplicação dos recursos públicos, com vistas ao respeito do direito ora salvaguardado. 8. Impende destacar que a matéria discutida nos autos trata de obrigação de trato sucessivo, ou seja, de parcelas vencimentais, que não são atingidas pela prescrição do fundo de direito, mas, tão somente, pela prescrição quinquenal, salvo se ocorrer indeferimento na via administrativa, o que não aconteceu na espécie, porquanto não noticiado nos autos. 9. Contudo, a sentença merece reparo em sede de reexame necessário no que diz respeito aos honorários advocatícios de sucumbência, porquanto

Busca a Defensoria Pública em seu apelo a reforma parcial da sentença, objetivando a condenação do Estado do Ceará ao pagamento de honorários advocatícios em favor do Fundo de Apoio ao Aparelhamento da Defensoria Pública. (…) 8. A respeito da questão discutida no recurso voluntário, impende esclarecer que, até bem pouco tempo, o entendimento jurisprudencial unânime nesta Corte de Justiça, em consonância com o enunciado sumular nº 421 do STJ, era no sentido da impossibilidade jurídica de condenação do Estado do Ceará em honorários em favor da Defensoria Pública, em virtude de ser a instituição vinculada ao ente federado em alusão. 9. Todavia, em data recente (23.06.2023), o STF julgou o RE 114005, em sede de Repercussão Geral (Tema 1.002), no qual firmou a seguinte tese: "1. É devido o pagamento de honorários sucumbenciais à Defensoria Pública, quando representa parte vencedora em demanda ajuizada contra qualquer ente público, inclusive aquele que integra; 2. O valor recebido a título de honorários sucumbenciais deve ser destinado, exclusivamente, ao aparelhamento das Defensorias Públicas, vedado o seu rateio entre os membros da instituição". 10. Com o mencionado julgado, encerra-se a discussão acerca da possibilidade, ou não, de a pessoa jurídica, à qual se encontra vinculada a Defensoria Pública ser condenada em honorários advocatícios de sucumbência em prol do mencionado órgão, isso em decorrência da força vinculante dos precedentes, com previsão no art. 927, III, do

	CPC/2015. 11. Em consequência, devem ser fixados na hipótese honorários sucumbenciais, em atendimento aos parâmetros estabelecidos no artigo 85, §§ 2º e 3º, do CPC/2015. 12. Na hipótese, como se trata de causa de valor que não se pode estimar, envolvendo direito à saúde, constitucionalmente garantido e inserido no conceito de mínimo existencial, a fixação dos honorários deve ocorrer por apreciação equitativa, nos termos do art. 85, § 8º, do CPC, mostrando-se cabível a fixação do valor de R$ 1.000,00 (mil reais) a título de honorários sucumbenciais, a serem pagos pelo Estado do Ceará em favor do Fundo de Apoio ao Aparelhamento da Defensoria Pública. 13. 	Distrito Federal, por possuírem regramento próprio. 1.1. Considerando que o ato impugnado foi praticado pelo próprio Distrito Federal, em observância ao art. 40 da CF, não há que se falar em sua ilegitimidade passiva. Preliminar rejeitada. 2. Conquanto a regra disposta no art. 98, § 6º, do CPC, atinente ao parcelamento de despesas processuais, seja aplicável aos beneficiários da justiça gratuita, não há óbice à sua aplicação extensiva àqueles que não foram agraciados com o benefício citado, quando, consideradas as peculiaridades do caso e observados nos autos os elementos ou inícios que demonstrem a capacidade financeira do postulante, o parcelamento de despesas processuais, como os honorários periciais, mostre-se admissível, desde que pleiteado pelo interessado. 2.1. Não se verificando qualquer pedido no sentido de parcelamento do pagamento dos honorários periciais e tendo o interessado na produção da prova optado por sua desistência, a preliminar de cerceamento de defesa não merece amparo. 3. Tendo em vista que o autor tinha por objetivo a anulação do ato de sua aposentadoria em razão de invalidez, ao argumento de que apenas não reunia, temporariamente, condições de saúde para exercer suas atividades laborais, cabia a ele o ônus de demonstrar as suas alegações com o fito de refutar o laudo médico da Junta Médica Oficial, em observância ao art. 373, I, do CPC. 4. Embora o art. 370 do CPC admita o poder instrutório do juiz, ao qual caberá, de ofício ou a requerimento da parte, determinar as provas necessárias ao julgamento do mérito, não se pode perder de vista que tal atividade deve ser realizada em conjunto com as partes, e não em substituição a elas, quanto ao ônus probatório que lhes é atribuído. 5. De acordo com o art. 2º, VI, do Decreto Distrital nº 34.023/2012, perícia médica oficial pode ser conceituada como o ato administrativo que consiste na avaliação técnica de questões relacionadas à saúde e à capacidade laboral, realizada na presença do servidor, por médico formalmente designado e que produz informações a fim de fundamentar as decisões da administração no tocante ao disposto na LC nº 840/2011. 5.1.Os atos administrativos, como por exemplo a perícia médica oficial, gozam de presunção de legalidade, veracidade e de legitimidade, e sua impugnação importa inversão do ônus da prova em desfavor do administrado. 5.2. Por meio do deferimento da referida prova pericial, foi oportunizada ao autor a comprovação da alegada ausência de incapacidade laboral que ensejou a sua aposentadoria. No entanto, a parte em questão desistiu da sua produção, não se desincumbindo do ônus probatório disposto no art. 373, I, do CPC. 5.3. Relatórios médicos particulares não têm o condão de afastar a presunção de legalidade, veracidade e de legitimidade atribuída ao laudo médico elaborado pela Junta Médica oficial, pois produzidos unilateralmente e sem o exercício do contraditório. 6. Inaplicável ao caso a Súmula 598/STJ, pois destinada a outro contexto jurídico. Enquanto a citada Súmula consigna que a comprovação da moléstia grave para fins de isenção de imposto de renda não precisa ser comprovada mediante laudo médico oficial, podendo o magistrado valer-se de outras provas produzidas nos autos, para o caso em análise, além de não tratar de hipótese de isenção de imposto de renda, existe exigência legal de submissão à perícia médica do servidor que, após 24 (vinte e quatro) meses, se encontre em licença para tratamento de saúde (art. 273, § 1º, da LC nº 840/2011). 7. O art. 18 da LC nº 769/2008 estabelece ?a aposentadoria por invalidez é devida ao segurado que for considerado incapaz de readaptação para o exercício das atribuições do cargo, de forma compatível com a limitação que tenha sofrido, e deve ser paga, com base na legislação vigente, a partir da data da publicação do respectivo ato e enquanto o servidor permanecer nessa condição?. 7.1. Considera-se invalidez a incapacidade laborativa total, permanente, insuscetível de recuperação ou readaptação profissional, em consequência de doença ou acidente. A incapacidade permanente ou invalidez acarreta a aposentaria, por tornar o servidor incapaz de realizar a atividade laboral para qual foi admitido por intermédio de concurso público (art. 2º, VII, Decreto nº 34.023/2012). 7.2. Segundo o art. 273, § 1º, da LC nº 840/2011, ?após 24 meses consecutivos de licença para tratamento de saúde, ou 24 meses cumulativos ao longo do tempo de serviço prestado ao Distrito Federal, em cargo efetivo, em razão da mesma doença, o servidor deve ser submetido à perícia médica, que

	opinará pela possibilidade de retorno ao serviço, pela readaptação ou pela aposentadoria por invalidez?. É verdade que antes da aposentadoria por invalidez, a Lei Complementar 840/2011, em seu art. 277, propõe a possibilidade de readaptação do servidor. 7.3. Atestado pela Junta Médica oficial que o autor é portador de incapacidade laborativa total e permanente, não suscetível de readaptação funcional, decorrente de transtorno do disco cervical, com radiculopatia, CID 10:M 50.1 e que, conforme relatório médico por ela elaborado, já havia sido tentada a readaptação do servidor, com seu retorno às atividades com restrição, porém, sem êxito, além de estar afastado do trabalho há 740 (setecentos e quarenta) dias em razão da mesma enfermidade, não há motivo para afastar a conclusão a que chegou a perícia oficial. 8. Não demonstrada qualquer irregularidade ou vício no laudo médico elaborado pela Junta Médica oficial e não demonstrada a ausência de incapacidade que ensejou a aposentadoria do autor, a apelação interposta não merece amparo. 9. Apelação desprovida. De fato, no caso em tela não houve a realização da audiência de conciliação, sem haver a justificação exigida no art. 334, § 4º, do CPC. No entanto, não há que se falar em reconhecimento de nulidade, pois não é possível vislumbrar a ocorrência de prejuízo advindo da falta de realização da audiência. 2. Ademais, registra-se que a possibilidade de apresentação de proposta de conciliação não se resume à mencionada audiência, pois, conforme o art. 3º, §§ 2º e 3º, do CPC, a atividade jurisdicional deve sempre estimular a satisfação do objeto pretendido com a utilização dos meios alternativos de resolução dos conflitos. Dessa maneira, especialmente observando que mesmo citado (fl. 68), o Município quedou-se inerte, não merece prosperar a nulidade ventilada pela municipalidade. 3. Com relação à procedência do pedido de transferência e internação do autor em leito do Hospital do Coração de Messejana para avaliação do seu quadro clínica, verifica-se que o Estado do Ceará e o Município de Quixeramobim não podem se furtar ao cumprimento da sua obrigação constitucional. 4. Ademais, reitera-se que somente é possível invocar o princípio da reserva do possível se houver a comprovação fática da impossibilidade de custeio, o que não foi o caso dos autos. 5. Recurso conhecido e desprovido. TEMA 793 DO STF. INTERNAÇÃO DA PARTE AUTORA EM LEITO DE HOSPITAL TERCIÁRIO. INCIDÊNCIA DA SÚMULA 421 DO STJ. 1. Sabe-se que a saúde é um direito do ser humano, competindo ao Estado sua proteção, nos termos do Art. 196 da CF/88. 2. É de ser reconhecida a obrigação de todos os entes públicos quanto à responsabilidade pela proteção e conservação da saúde. 3. O Supremo Tribunal Federal – STF, ao interpretar o Art. 23, inciso II da CF/88, por ocasião do julgamento do RE 855.178/SE, em sede de repercussão geral, reafirmou a solidariedade dos entes públicos nas prestações relativas ao direito humano à saúde (Tema 793). 4. No caso dos autos, a parte autora, com quadro de CETOACIDOSE DIABÉTICA (CID10: E101), encontra-se internada na Unidade de Pronto Atendimento – UPA do Canindezinho, necessitando, em caráter de urgência, de internação em leito de hospital terciário. 5. Por fim, sendo a parte autora assistida pela Defensoria Pública e tendo a demanda sido proposta contra o Estado do Ceará, correta a sentença do Juízo da 15ª Vara da Fazenda Pública da Comarca de Fortaleza, que, observando o disposto na Súmula 421 do STJ, deixou de condenar o promovido ao pagamento de honorários sucumbenciais. 7. FORÇA VINCULANTE DOS PRECEDENTES. ART. 927, III DO CPC. REMESSA NECESSÁRIA AVOCADA E DESPROVIDA. RECURSO DE APELAÇÃO CONHECIDO E PROVIDO. SENTENÇA PARCIALMENTE REFORMADA. 1. Busca a Defensoria Pública em seu apelo a reforma parcial da sentença, objetivando a condenação do Estado do Ceará ao pagamento de honorários advocatícios em favor do Fundo de Apoio ao Aparelhamento da Defensoria Pública. (…) 8. A respeito da questão discutida no recurso voluntário, impende esclarecer que, até bem pouco tempo, o entendimento jurisprudencial unânime nesta Corte de Justiça, em consonância com o enunciado sumular nº 421 do STJ, era no sentido da impossibilidade jurídica de condenação do Estado do Ceará em honorários em favor da Defensoria Pública, em virtude de ser a instituição vinculada ao ente federado em alusão. 9. Todavia, em data recente (23.06.2023), o STF julgou o RE 114005, em sede de Repercussão Geral (Tema 1.002), no qual firmou a seguinte tese: "1. É devido o pagamento de honorários sucumbenciais à Defensoria Pública, quando representa parte vencedora em demanda ajuizada contra qualquer ente público, inclusive aquele que integra; 2. O valor recebido a título de honorários sucumbenciais deve ser destinado, exclusivamente, ao aparelhamento das Defensorias Públicas, vedado o seu rateio entre os membros da instituição". 10. Com o mencionado julgado, encerra-se a discussão acerca da possibilidade, ou não, de a pessoa jurídica, à qual se encontra vinculada a Defensoria Pública ser condenada em honorários advocatícios de sucumbência em prol do mencionado órgão, isso em decorrência da força vinculante dos precedentes, com previsão no art. 927, III, do CPC/2015. 11. Em consequência, devem ser fixados na hipótese honorários sucumbenciais, em atendimento aos parâmetros estabelecidos no artigo 85, §§ 2º e 3º, do CPC/2015. 12. Na hipótese, como se trata de causa de valor que não se pode estimar, envolvendo direito à saúde, constitucionalmente garantido e inserido no conceito de mínimo existencial, a fixação dos honorários deve ocorrer por apreciação equitativa, nos termos do art. 85, § 8º, do CPC, mostrando-se cabível a fixação do valor de R$ 1.000,00 (mil reais) a título de honorários sucumbenciais, a serem pagos pelo Estado do Ceará em favor do Fundo de Apoio ao Aparelhamento da Defensoria Pública. 13. Remessa necessária avocada e desprovida. Recurso de apelação conhecido e provido. Sentença parcialmente reformada. ACÓRDÃO – Vistos, relatados e discutidos os presentes autos, nesta Comarca de Fortaleza, em que figuram as partes indicadas. 	style="margin: 0cm; text-align: center; line-height: 200%;" align="center"> <br /> &#160; Presentes os pressupostos de admissibilidade, conheço do apelo. O pleito recursal consiste, em síntese, na imposição de honorários de sucumbência em razão da extinção da ação anulatória fiscal, que se deu após o adimplemento do débito fiscal discutido em juízo, através de adesão aos benefícios da Lei Estadual nº 15.826/2015, referente ao REFIS estabelecido pela Lei Estadual nº 15.384/2013. Preceituam os arts. 6º, caput, e 8º do aludido diploma legal: A rt. 6º O sujeito passivo que possuir ação judicial em curso que tenha por objeto o débito incluído no parcelamento, deverá como condição para se valer dos benefícios fiscais previstos no art. 2º e seu incisos, desistir da respectiva ação judicial e renunciar a qualquer alegação de direito sobre a qual se funda a referida ação, protocolizando requerimento de extinção do processo com resolução do mérito, nos termos do inciso V do caput do art. 269 da Lei nº 5.869, de 11 de janeiro de 1973 – Código de Processo Civil, e apresentando à Procuradoria-Geral do Estado o respectivo comprovante de protocolo, até o dia 30 de dezembro de2015. Art. 8º O contribuinte que aderir à sistemática nesta Lei, fica dispensado do pagamento do encargo legal pela inscrição em Dívida Ativa previsto no art. 6º da Lei Complementar nº 70, de 10 de novembro de 2008, e dos honorários advocatícios relativos à execução fiscal e aos respectivos embargos do devedor. &#160; Extrai-se dos referidos dispositivos que, para obter os benefícios instituídos pela Lei Estadual n° 15.384/2013, o contribuinte deverá desistir da demanda judicial, sendo dispensado de arcar com os honorários advocatícios apenas em casos relativos à execução fiscal e aos embargos do devedor, o que não se enquadra no caso em análise, haja vista tratar-se de ação anulatória. Nesse sentido, o Superior Tribunal de Justiça, analisando situação semelhante a esta contenda, assentou compreensão de que, por se tratar de norma excepcional em nosso sistema processual civil, a dispensa do pagamento de honorários advocatícios, nos casos encerrados por desistência ou renúncia, deve ser interpretada restritivamente. Vejamos: TRIBU TÁRIO. PROCESSUAL CIVIL. EXECUÇÃO FISCAL. ADESÃO APROGRAMA DE PARCELAMENTO. REFIS. PAGAMENTO. HONORÁRIOS ADVOCATÍCIOS. RECURSO REPETITIVO. AUSÊNCIA DE OMISSÃO. ART.535, II, DO CPC. 1. A recorrente sustenta que o art. 535, II, do CPC foi violado, mas deixa de apontar, de forma clara, o vício em que teria incorrido o acórdão impugnado. Assim, é inviável o conhecimento do Recurso Especial nesse ponto, ante o óbice da Súmula 284/STF. 2. O STJ não pode apreciar ofensa aos artigos da Carta Magna, uma vez que compete exclusivamente ao Supremo Tribunal Federal o exame de violação a dispositivo da Constituição da República, nos termos do seu art. 102, III, "a". 3. A renúncia ao direito sobre o qual se funda a ação, para fins de adesão a parcelamento, não tem como efeito necessário a dispensa dos honorários. Há que analisar, in casu, se existe subsunção ao disposto no art. 6°, § 1°, da Lei11.941/2009. 4. A exoneração dos honorários é condicionada à extinção da ação na forma deste artigo, ou seja, ocorre quando a desistência ou a renúncia der causa à extinção do processo com resolução de mérito, em demanda na qual o sujeito passivo requer o restabelecimento de sua opção ou a sua reinclusão em outros parcelamentos, o que não é o caso dos autos. 5. A norma é excepcional em nosso sistema processual civil, que impõe os ônus sucumbenciais, nos processos encerrados por

Por conseguinte, deve sofrer interpretação estrita, conforme decidido pela Primeira Seção do STJ, no julgamento do REsp 1.353.826/SP, sob o rito dos Recursos Repetitivos, de minha relatoria, publicado no DJe17.10.2013. 6. Cinge-se o mérito recursal quanto a possibilidade ou não de fixação de honorários advocatícios na sentença que homologou o pedido de desistência da autora, para fins de adesão ao REFIS 2017, nos termos da Lei Estadual nº 16.259/17. Conforme se observa pela redação do art.13 da Lei 16.259/2017, a norma desobrigou o pagamento dos honorários advocatícios, apenas, nas execuções fiscais e nos embargos do devedor, que não é a situação dos autos que se trata de Ação Anulatória de Débito Tributário. Outrossim, a opção do contribuinte pelo parcelamento do débito tributário por meio da inscrição no Programa de Recuperação Fiscal -REFIS, condicionada à renúncia ao direito sobre o qual se funda a ação e à desistência dos recursos interpostos, não desobriga o contribuinte do pagamento da verba honorária. SENTENÇA REFORMADA EM PARTE. 1.Trata o caso de apelação cível por meio da qual o Estado do Ceará pugna pela reforma da sentença de primeiro grau no que concerne à fixação de honorários sucumbenciais. 2. Considerando a adesão da empresa autora ao Programa de Refinanciamento Fiscal instituído pela Lei Estadual nº 16.259/2017, a anistia nela prevista deve ser interpretada de forma restrita, limitando-se às hipóteses legalmente previstas, quais sejam, os honorários advocatícios relativos às execuções fiscais e aos respectivos embargos do devedor, espécies processuais distintas da demanda ora em análise, que se consubstancia em ação anulatória de débito fiscal. Condenação devida. Precedentes desta egrégia Corte de Justiça. 3. Reforma da sentença para condenar a parte renunciante ao pagamento de honorários advocatícios no valor de R$ 1.000,00 (mil reais), conforme art. 85, §8º e art. 90, ambos do CPC, por representar quantia que ostenta a necessária aptidão para bem remunerar o trabalho desenvolvido pela Procuradoria Estadual, em atenção à equidade e às disposições legais que regem a matéria, tendo como base a ausência de proveito econômico. - Apelação conhecida e provida. -Sentença reformada em parte. ACÓRDÃO Vistos, relatados e discutidos os presentes autos de Apelação Cível nº 0147063-28.2016.8.06.0001, em que figuram as partes acima indicadas. Acorda a 3ª Câmara de Direito Público do egrégio Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer da apelação interposta, para dar-lhe provimento, reformando em parte a sentença recorrida, nos termos do voto da Relatora. 	style="color: black;">da, que o valor destinado a honorários de adesão, nos termos do art. 7º <!--[if !supportFootnotes]--> [1] <!--[endif]--> , da Lei Estadual n° 15.384/20131, constitui regra de destinação de receita pelo poder público ao seu órgão de representação judicial. Tanto é assim que o próprio dispositivo legal enfatiza que o percentual de 5% (cinco por cento) será calculado sobre o valor efetivamente recolhido por força da aplicação da Lei. Ou seja, o montante somente é apurado após o recolhimento dos valores adimplidos nos termos do diploma legal. Dessa forma, vislumbra-se que o referido montante não é suportado pela parte devedora diretamente nem se confunde com os honorários sucumbenciais estabelecidos pelo Código de Processo Civil. Além disso, não há nenhuma prova nos autos que demonstre a inserção de honorários advocatícios no montante adimplido administrativamente pela parte apelante, razão pela qual não há que se falar em bis in idem. Com esteio nessas premissas, torna-se necessária a reforma da sentença para estabelecer honorários sucumbenciais em desfavor da parte autora, com esteio no art. 85, §10, do CPC <!--[if !supportFootnotes]--> [2] <!--[endif]--> . Quanto à fixação, o art. 85 do CPC tornou mais objetivo o processo de arbitramento dos honorários advocatícios, estabelecendo, em seus §§3º e 4º, inciso III, como regra, que estes deverão ser fixados em percentual sobre o valor da condenação, do proveito econômico obtido ou, não sendo possível mensurá-lo, sobre o valor atualizado da causa. Por sua vez, com caráter subsidiário, o § 8º dispõe que nas demandas em que for inestimável ou irrisório o proveito econômico, ou quando o valor da causa for muito baixo, os honorários devem ser apurados por apreciação equitativa do Juiz, atendidos os critérios do§2º e os parâmetros definidos no §8º-A, do mesmo dispositivo legal. Na hipótese vertente, é possível constatar o proveito econômico, qual seja, o montante pago pela parte apelada por meio do REFIS, sendo vedada a fixação sobre o valor da causa quando possível mensurar o proveito econômico obtido. Nesse sentido, tem decidido esta egrégia Corte de Justiça em caso similar (com destaques): E MBARGOS DE DECLARAÇÃO EM APELAÇÃO CÍVEL. O EGRÉGIO STJ DEU PROVIMENTO AO RESP E ANULOU O ACÓRDÃO QUE JULGOU OS ACLARATÓRIOS POR ENTENDER QUE HOUVE NEGATIVA DE PRESTAÇÃO JURISDICIONAL UMA VEZ QUE ESTE ÓRGÃO JUDICANTE NÃO ENFRENTOU O ARRAZOADO INVOCADO PELO ESTADO DO CEARÁ/EMBARGANTE. RETORNO DOS AUTOS PARA NOVO JULGAMENTO DOS EMBARGOS DE DECLARAÇÃO. 1 - No caso em liça, o embargante opôs os aclaratórios sustentando existir obscuridade e omissões no acórdão embargado. No tocante à obscuridade, defende o recorrente que a extinção da demanda não decorreu de transação entre as partes (como erroneamente defendeu a parte autora/embargada), mas sim de desistência manifestada pela promovente. (...) Diante da desistência, o Código de Processo Civil estabelece de forma indubitável que a parte que desistiu deve suportar o pagamento dos honorários advocatícios. Outrossim, o arrazoado recursal invocado pelo embargante encontra guarida na medida em que o Estado do Ceará defendeu nos presentes embargos a existência de obscuridade ao ter o acórdão recorrido considerado que as partes transigiram quando, na realidade, não houve transação mas sim desistência. (...) 5 - Destarte, outro não poderia ser o deslinde dos embargos sub oculis senão o seu provimento, com efeito infringente, para reformar o acórdão embargado suprindo a obscuridade e as omissões existentes o que resulta, inexoravelmente, na modificação da conclusão do julgamento da apelação cível manejada pelo Estado do Ceará e do Recurso Adesivo interposto pela Petrobrás S/A, devendo ser improvidas ambas as irresignações. 6 ¿ Embargos de declaração conhecidos e providos com efeito infringente. Acórdão reformado. Apelação cível interposta pelo Estado do Ceará, ora embargante, e recurso adesivo manejado pela Petrobrás S/A. improvidos.&#160; Sentença restabelecida na sua integralidade (condenação em honorários advocatícios mantidas nos exatos termos fixados pelo juízo a quo) . ACÓRDÃO: Vistos, relatados e discutidos estes autos em que são partes as acima indicadas, acordam os desembargadores integrantes da 3ª Câmara de Direito Público do Tribunal de Justiça do Estado do Ceará, por unanimidade de votos, em conhecer do recurso para dar-lhe provimento com efeito infringente, nos termos do relatório e do voto da Relatora, que passam a fazer parte integrante do presente acórdão. Competência do órgão de proteção e defesa do consumidor. Não apreciação do mérito administrativo. Respeito aos princípios da legalidade, devido processo legal e contraditório. Cerceamento de defesa não configurado. Multas fixadas segundo os parâmetros legais e principiológicos da razoabilidade e proporcionalidade. A parte autora não logrou êxito em comprovar o fato constitutivo de seu direito. Recurso de apelação conhecido e parcialmente provido. Sentença reformada no tocante à cobrança da CDA n° 2018.95096180-2, considerando que houve o pagamento da referida multa administrativa nos autos de Ação Anulatória. I. Caso em exame 1. Trata-se de Apelação interposta pela Assurant Seguradora S/A em face de sentença prolatada pelo Juízo da 4ª Vara de Execuções Fiscais da Comarca de Fortaleza que julgou totalmente improcedentes os Embargos à Execução Fiscal, mantendo incólumes as CDA's combatidas na Execução Fiscal referida. II. Questão em discussão 2. A questão em discussão consiste em analisar a possibilidade de desconstituição dos créditos que geraram as CDA's nº 2017.96425-5, 2018.95096180-2 e 2019.95000766-2, sob o fundamento, em resumo, da existência de nulidades nos respectivos processos administrativos do DECON/PROCON, que geraram a referida multa. III. Razões de decidir 3. Os atos da Administração Pública, desde que respeitem o princípio da legalidade, gozam de presunção de legitimidade e veracidade, somente podendo ser objeto de revisão mediante prova de que foram praticados em desacordo com as leis ou princípios constitucionais. 4. Quanto ao controle de legalidade dos atos administrativos realizado pelo Poder Judiciário, esse deve se limitar à verificação da regularidade do procedimento e à legalidade do ato, não sendo possível análise do mérito a fim de aferir o grau de conveniência e oportunidade determinadas pela autoridade competente. 5. In casu , não há vício capaz de macular a regularidade do processo administrativo, na medida em que foi devidamente assegurado às partes integrantes do procedimento o devido processo legal, o contraditório e a ampla defesa. Ademais, os valores das multas aplicadas, consideradas as peculiaridades do caso concreto, atende aos princípios da proporcionalidade e razoabilidade, assim como a adequada fundamentação do ato administrativo que avaliou todas as circunstâncias com a finalidade de bem aplicar a sanção. 6. A sentença merece ser reformada somente no tocante à CDA nº 2018.95096180-2, posto que houve o pagamento da referida multa administrativa nos autos da Ação Anulatória nº 0124650-16.2019.8.06.0001 que tramitou perante a 14ª Vara da Fazenda Pública da Comarca de Fortaleza. 	height: 200%; text-indent: 3cm; margin-bottom: 0cm" align="justify"> Ação (Id. 14962004): E mbargos à Execução Fiscal apresentado por Assurant Seguradora S/A, em face do Estado do Ceará, após garantido o crédito fazendário através de penhora no valor de R$ 48.228,00 nos autos da execução fiscal respectiva, com o objetivo de ver declarada a nulidade do processo administrativo que originou a dívida excutida nos autos da execução fiscal em apenso (nº 0407813-07.2019.8.06.0001), sustentando a existência de vícios que nulificam o nascedouro das Certidões de Dívida Ativa que aparelham a execução fiscal. Afirma que a multa aplicada teve como origem reclamação feita por adquirente de produto oferecido pela embargante (seguro de aparelho telefônico) junto ao PROCON, por suposta prática abusiva e negativa de cobertura contratual, e que, após regular procedimento administrativo, teve, a seu ver, decisões injustas de aplicação de penalidades, eis que, consoante alega, o sinistro verificado não se encontra abrangido pela cobertura contratada e que foram prestadas todas as informações necessárias acerca dos riscos que não estariam cobertos. Assevera que não há comprovação da conduta da embargante hábil a ensejar imputação de responsabilidade ou a aplicação de sanção, inexistindo violação a direito consumerista. Alega ainda inépcia da inicial por ausência de requisito essencial do título executivo (fundamentação legal), vez que há apenas indicação genérica dos dispositivos legais. Pugna ainda pela anulação das multas aplicadas por estas não atenderem à razoabilidade e à proporcionalidade. Sentença (Id. 14962320): proferida nos seguintes termos: “julgo totalmente IMPROCEDENTES os embargos à execução fiscal ora manejados, mantendo incólumes as CDA’s guerreadas na execução fiscal em apenso, originária de multa aplicada pelo órgão competente, com processo administrativo devidamente instaurado e fundamentado, sem demonstração por parte de quem detém o ônus probatório, de qualquer mácula a seu respeito. Converto em renda, em favor da parte embargada, Estado do Ceará, os valores penhorados que garantiram o crédito, após o trânsito em julgado. Condeno a parte autora ao pagamento de honorários advocatícios, que fixo em 10% do valor da causa. Custas já recolhidas ”. Razões recursais (Id. 14962324): requer a reforma integral da sentença para anular a penalidade de multa e, consequentemente, declarar a inexigibilidade da multa imposta, extinguindo a ação de Execução Fiscal, principalmente no tocante à CDA nº 2018.95096180-2, que já foi paga diretamente ao Estado do Ceará em Ação Anulatória, condenando-se a parte apelada ao pagamento da totalidade das verbas de sucumbenciais, e, alternativamente, que essa seja reduzida a valor proporcional ao objeto que gerou a reclamação. Contrarrazões (Id. 14962340): requer a total improcedência do recurso de apelação, com a manutenção da sentença a quo e a condenação da apelante nas verbas de sucumbência e honorários advocatícios. &#160; Parecer da Procuradoria Geral de Justiça (Id. 15127078): opinando pelo conhecimento do presente recurso, sem se manifestar em relação ao seu mérito, por entender ausente o interesse público primário na matéria. In casu , a parte embargante pleiteia o controle judicial de supostas ilegalidades perpetradas no curso de processos administrativos do DECON/PROCON com vistas à aplicação de multas, as quais entende por eivadas de nulidades e desproporções quanto ao seu montante. Inicialmente, conforme cognição dos arts. 55, 56 e 57, do CDC, pontuo que os órgãos de defesa do consumidor têm como atribuição legal a aplicação de multas aos fornecedores de produtos ou serviços sempre que, porventura, venham a infringir normas consumeristas, observada a proporcionalidade e a razoabilidade, mediante ponderação sobre a gravidade da infração, vantagem auferida e condição econômica do fornecedor. No que tange ao Programa Estadual de Proteção e Defesa do Consumidor – DECON/PROCON, trata-se de um órgão oficial vinculado ao Ministério Público do Estado do Ceará, sendo responsável pela defesa e proteção dos direitos e interesses dos consumidores. Consoante dispõe o art. 4º, inciso II, da Lei Complementar Estadual nº 30/2002, dentre as atribuições do DECON está prevista a fiscalização e a aplicação de sanções administrativas, senão vejamos: <br /> Art. 4º Ao Programa Estadual de Proteção e Defesa do Consumidor - DECON, no âmbito do Estado do Ceará, compete exercer as atribuições previstas nos artigos 3º e 4º do decreto nº 2.181/97: (...) II - fiscalizar as relações de consumo, aplicando as sanções administrativas previstas na Lei nº 8.078, de 1990, e em outras normas pertinentes à Defesa do Consumidor. (Grifei) &#160; Nesse sentido, o DECON/PROCON detém competência, no exercício regular do poder de polícia, para impor sanções administrativas relacionadas às transgressões dos preceitos estabelecidos pelo Código de Defesa do Consumidor. Confira-se precedente do STJ: <br /> PROCESSO CIVIL. ADMINISTRATIVO. PODER DE POLÍCIA. PROCESSO ADMINISTRATIVO. INFRAÇÃO À LEGISLAÇÃO CONSUMERISTA. COMPETÊNCIA DO ÓRGÃO DE DEFESA DO CONSUMIDOR. O órgão de proteção do consumidor é competente para aplicar sanções administrativas quando as condutas praticadas no mercado de consumo atingirem diretamente o interesse de consumidores , o que não se confunde com o exercício da atividade regulatória setorial realizada pelas agências reguladoras. Precedentes.2. Para obter êxito na aplicação do art. 1.025 do CPC não basta a simples interposição de embargos de declaração, é necessária a alegação de violação ao art. 1.022 do CPC nas razões do recurso especial e o reconhecimento por esta Corte da existência de qualquer dos vícios embargáveis pelos aclaratórios; o que não ocorreu no presente caso.3. A recorrente, ora agravante, não rebateu os argumentos que o Tribunal

	de origem utilizou como fundamento para decidir a lide, bem como apresentou no recurso especial razões dissociadas do acórdão do Tribunal de origem.4. Rever a decisão do Tribunal de origem, a fim de acolher a pretensão da recorrente - no sentido de que a Concessionária não incorreu em qualquer ato ilícito, pois o rompimento da tubulação não decorreu de qualquer omissão ou causa atribuível à manutenção da CAGECE, sendo indevida multa aplicada - enseja necessariamente a revisão do acervo fático-probatório, o que encontra óbice na Súmula 7/STJ.5. Para modificar as conclusões a que chegou o Tribunal de origem, a fim de avaliar a aplicação no caso concreto dos critérios do art. 57 do CDC na fixação da sanção, bem como mensurar a razoabilidade e proporcionalidade do valor fixado a título de multa administrativa, seria necessário o revolvimento fático-probatório, hipótese claramente vedada pela Súmula 7/STJ.6. Agravo interno não provido.(AgInt no REsp n. 1.983.070/CE, relator Ministro Mauro Campbell Marques, Segunda Turma, julgado em 27/6/2022, DJe de 30/6/2022.) (grifei) <br /> Ademais, é assente o entendimento de que os atos da Administração Pública, desde que respeitem o princípio da legalidade, gozam de presunção de legitimidade e veracidade, somente podendo ser objeto de revisão mediante prova de que foram praticados em desacordo com as leis ou princípios constitucionais, consoante a Súmula 665 do STJ. Segundo a jurisprudência pátria, “O controle de legalidade exercido pelo Poder Judiciário sobre os atos administrativos diz respeito ao seu amplo aspecto de obediência aos postulados formais e materiais presentes na Carta Magna, sem, contudo, adentrar o mérito administrativo. Para tanto, a parte dita prejudicada deve demonstrar, de forma concreta, ofensa aos princípios da proporcionalidade, da razoabilidade, do contraditório, da ampla defesa e do devido processo legal” (STJ, RMS 47.595/RJ, Rel. Ministro Og Fernandes, Segunda Turma, DJe de 05/10/2015; STJ. 1ª Turma. AgInt no REsp 1271057/PR, Rel. Min. Napoleão Nunes Maia Filho, julgado em 18/05/2017). Desse modo, o controle jurisdicional do processo administrativo deve se limitar à verificação da regularidade do procedimento, à legalidade do ato, podendo o Judiciário observar se os motivos que determinaram a prática do ato pela Administração são, de fato, verídicos e válidos, sem que isso implique violação ao princípio da separação dos poderes. Trata-se da aplicação, in concreto , da “Teoria dos Motivos Determinantes”, segundo a qual a higidez do ato administrativo está diretamente condicionada à veracidade e à validade dos motivos elencados pela Administração ao praticá-lo, pouco importando sua natureza, se vinculado ou se discricionário. Veja-se julgado do STJ: <br /> ADMINISTRATIVO. ATO ADMINISTRATIVO. VINCULAÇÃO AOS MOTIVOS DETERMINANTES. INCONGRUÊNCIA. ANÁLISE PELO JUDICIÁRIO. POSSIBILIDADE. DANO MORAL. SÚMULA 7/STJ. 1. Os atos discricionários da Administração Pública estão sujeitos ao controle pelo Judiciário quanto à legalidade formal e substancial, cabendo observar que os motivos embasadores dos atos administrativos vinculam a Administração, conferindo-lhes legitimidade e validade. 2. "Consoante a teoria dos motivos determinantes, o administrador vincula-se aos motivos elencados para a prática do ato administrativo. Nesse contexto, há vício de legalidade não apenas quando inexistentes ou inverídicos os motivos suscitados pela administração, mas também quando verificada a falta de congruência entre as razões explicitadas no ato e o resultado nele contido" (MS 15.290/DF, Rel. Min. Castro Meira, Primeira Seção, julgado em 26.10.2011, DJe 14.11.2011). 3. No caso em apreço, se o ato administrativo de avaliação de desempenho confeccionado apresenta incongruência entre parâmetros e critérios estabelecidos e seus motivos determinantes, a atuação jurisdicional acaba por não invadir a seara do mérito administrativo, porquanto limita-se a extirpar ato eivado de ilegalidade. 4. A ilegalidade ou inconstitucionalidade dos atos administrativos podem e devem ser apreciados pelo Poder Judiciário, de modo a evitar que a discricionariedade transfigure-se em arbitrariedade, conduta ilegítima e suscetível de controle de legalidade. 5. "Assim como ao Judiciário compete fulminar todo o comportamento ilegítimo da Administração que apareça como frontal violação da ordem jurídica, compete-lhe, igualmente, fulminar qualquer comportamento administrativo que, a pretexto de exercer apreciação ou decisão discricionária, ultrapassar as fronteiras dela, isto é, desbordar dos limites de liberdade que lhe assistiam, violando, por tal modo, os

No que tange à alegação de cerceamento da defesa, verifico que não há ausência de fundamentação legal nas respectivas CDA’s, pois estas detalham a origem da dívida, com indicação dos dispositivos legais violados que deram ensejo à aplicação da multa e ainda citam os números dos processos administrativos em que tais penalidades foram aplicadas (Processos nº 0112.017.280-9; nº 23.001.001.17.000.8910 e nº 23.001.001.17-0005530 - Id. 14962028). Ressalto que não há exigência legal de descrição fática e jurídica detalhada dos fatos que motivaram a autuação no corpo da Certidão de Dívida Ativa. Requer-se apenas a indicação dos dispositivos legais infringidos, conforme estabelece o inciso III do § 5º do art. 2º da Lei de Execução Fiscal. Os detalhes e circunstâncias relevantes já estão documentados no processo administrativo de imposição da multa, cujo número também é mencionado na CDA. Assim, foram informadas a origem, natureza e fundamentação legal da dívida em questão, não havendo qualquer prejuízo à defesa do autuado/executado, que dispôs de todos os meios suficientes para o exercício de seu direito de oposição de embargos. Outrossim, no caso em exame, a parte autora não colacionou aos autos prova qualquer de que houve desrespeito às normas do devido processo legal, capaz de eivar de vício o processo administrativo e, por conseguinte, de fundamentar a declaração judicial da nulidade da sanção pecuniária, pois não logrou demonstrar cerceamento de defesa, ou aplicação desproporcional e desarrazoada de sanção administrativa. O ônus da prova cabe a quem alega o dano (art. 373, I, do CPC), e, no caso dos autos, a parte autora não se desvencilhou de sua obrigação de demonstrar que foi prejudicada durante o trâmite processual administrativo, nem que a sanção aplicada é desproporcional à sua condição econômica. Entendo, pois, que os valores das multas aplicadas, de R$ 13.263,67 (CDA nº 2017.00096425-5) e R$ 12.907,51 (CDA nº 2019.95000766-2), consideradas as peculiaridades do caso concreto, atendem aos princípios da proporcionalidade e razoabilidade, assim como a adequada fundamentação do ato administrativo que avaliou todas as circunstâncias com a finalidade de aplicar as sanções. Por tudo que foi exposto, conclui-se que o DECON/PROCON agiu dentro dos limites do devido processo legal,

	respeitando os princípios do contraditório e da ampla defesa, aplicando ao final, em decisão fundamentada, multas estipuladas em valores razoáveis e proporcionais à infração à legislação consumerista e à capacidade econômica do agente, atingindo a finalidade punitiva e pedagógica inerente à sanção, não logrando a parte autora em demonstrar nulidade no procedimento administrativo. Nesse sentido, seguem julgados proferidos pelas Câmaras de Direito Público deste Tribunal de Justiça, in verbis : &#160; DIREITO ADMINISTRATIVO, DIREITO DO CONSUMIDOR E PROCESSUAL CIVIL. RECURSO DE APELAÇÃO. EXECUÇÃO FISCAL DE MULTA ADMINISTRATIVA APLICADA PELO PROCON. INFRAÇÕES AO CÓDIGO DE DEFESA DO CONSUMIDOR. EMBARGOS À EXECUÇÃO FISCAL JULGADOS PARCIALMENTE PROCEDENTES. SANÇÃO PECUNIÁRIA DEVIDAMENTE MOTIVADA E PROPORCIONAL À GRAVIDADE DA CONDUTA E AO DANO CAUSADO. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA. 1. Trata-se de recurso de apelação interposto em face de sentença que julgou parcialmente procedentes os Embargos à Execução Fiscal de multa administrativa aplicada em face do descumprimento da legislação consumerista, reduzindo-a para 20.000 (vinte mil) Unidades Fiscais de Referência do Estado do Ceará (UFIR's-CE), considerando o valor da UFIRCE praticado na sentença administrativa, monetariamente atualizada até a data da emissão da nova certidão da dívida ativa (CDA). 2. Nos termos do disposto no art. 1005 do CPC, o recurso interposto por um dos litisconsortes a todos aproveita, salvo se distintos ou opostos os seus interesses. 3. In casu, não há dúvida de que a redução da multa, obtida pela litisconsorte solidária da apelada no âmbito do procedimento administrativo, estende-se à mesma, especialmente ante a solidariedade passiva e a similitude de defesas apresentadas em face do credor. 4. O controle jurisdicional da legalidade das sanções aplicadas por infração à legislação consumerista não se restringe ao exame dos aspectos formais, podendo ser averiguada a consonância da sanção aplicada com o direito material, aspecto atinente ao mérito do ato administrativo, desde que seja analisado sob o seu aspecto jurídico, e para que sejam observados, além da legalidade em sentido amplo do ato, também os princípios e mandamentos constitucionais. 5. No que tange o quantum da multa final, aplicada a título de sanção pecuniária, constata-se, da análise da decisão administrativa, que o cálculo da pena foi realizado em conformidade com os ditames legais, encontrando-se devidamente fundamentada, proporcional e condizente com o valor do automóvel vendido, a inexistência do ressarcimento integral e atualizado dos danos noticiados, o presumido proveito resultante da conduta, a capacidade econômico-financeira das infratoras e as circunstâncias agravantes observadas no caso, atendendo perfeitamente ao seu caráter didático de evitar novas infrações à Lei Consumerista. 6. RECURSO CONHECIDO E DESPROVIDO. SENTENÇA MANTIDA . 1. Cuida-se de Apelação Cível interposta pelo TIM CELULAR S/A, contra a sentença proferida pelo Juízo de Direito da 12ª Vara da Fazenda Pública da Comarca de Fortaleza, nos autos da Ação Anulatória, que julgou improcedente o pedido de anulação de multa aplicada pelo DECON, no valor correspondente a 15.000 (quinze mil) UFIRs. 2. Refuta a apelante contra sentença de improcedência do pedido autoral voltado à anulação de multa do DECON, alegando que o ato administrativo sancionatório seria nulo, pois, segundo afirma, não teria havido ofensa à legislação consumerista, estando assim, equivocada a decisão da Promotoria de Justiça que vislumbrou, na atitude da empresa ora demandante, o reconhecimento de culpa ou dolo na suposta transgressão do direito à portabilidade, que fora objeto do processo administrativo nº 0112-007.833-6. 3. Nesse sentido, entende iterativamente o Superior Tribunal de Justiça que "o controle de legalidade exercido pelo Poder Judiciário sobre os atos administrativos diz respeito ao seu amplo aspecto de obediência aos postulados formais e materiais presentes na Carta Magna, sem, contudo, adentrar ao mérito administrativo. Para tanto, a parte dita prejudicada deve demonstrar, de forma concreta, a mencionada ofensa aos referidos princípios" (STJ; AgInt no RMS 58.391/SP, Rel. Ministro FRANCISCO FALCÃO, SEGUNDA TURMA, julgado em 24/08/2020, DJe 28/08/2020). 4. Cumpre ressaltar que a multa aplicada pelo DECON está em harmonia com os princípios do devido processo legal, do contraditório e da ampla defesa, observados quando da incidência da sanção pecuniária, e da razoabilidade e proporcionalidade referentes tanto ao valor da multa, quanto à interpretação e aplicação do direito, o valor da sanção imposta, no importe equivalente a 15.000 UFIRs . 5. Apelação Cível conhecida e desprovida. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 2ª Câmara Direito Público do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer do Recurso Apelação, para desprovê-lo, nos termos do voto da Desembargadora Relatora. A multa aplicada pelo DECON em desfavor da parte apelante, no valor de 4.000 UFIRCE, por iniciar atividade empresarial sem o Certificado de Conformidade do Corpo de Bombeiros, é adequada, tendo em vista que, apesar de a extensão do dano causado aos consumidores não ser significativa, considerando que não se tem notícia de incidentes dentro do estabelecimento, é indiscutível que a gravidade da prática infrativa é considerável, diante dos riscos potenciais à incolumidade das pessoas localizadas dentro e fora do prédio. 2. Lado outro, a vantagem auferida com o ato infrativo é relevante, pois a parte apelante pode empreender e faturar, mesmo sem o aval do órgão competente para garantir a eliminação ou minimização dos riscos de incêndio ou de danos estruturais, ao passo que a condição econômica do infrator também é importante, por se tratar de consolidada rede de lojas da região. 3. Embora a requerente cite jurisprudência judicial e administrativa no sentido de que a multa deveria ser fixada em valor inferior, não é possível extrair de seu arrazoado elementos de semelhança entre a situação dos estabelecimentos envolvidos nestes julgados e aquele da recorrente. Ademais, a jurisprudência desta 3ª Câmara de Direito Público, inclusive sobre caso versando sobre unidade da parte recorrente, entende razoável a fixação de multa no patamar de 6.000 UFIRCE em casos análogos. 4. ADMINISTRATIVO. SERVIDORES PÚBLICOS. LICENÇA-PRÊMIO. NÃO CONCESSÃO. NÃO É POSSÍVEL CONTAGEM DO TEMPO DE SERVIÇO PRESTADO ANTES DA REGULAMENTAÇÃO EM ÂMBITO LOCAL. PRINCÍPIO DA IRRETROATIVIDADE DAS NORMAS. AGRAVO INTERNO CONHECIDO E DESPROVIDO. 1. O magistrado de primeiro grau reconheceu o direito dos servidores públicos do Município de Pentecoste/CE à fruição da licença prêmio, com fulcro no art. 81-A da Lei nº 807/2017, sem observar que ainda não decorrido o tempo necessário para tanto. Para a concessão de tal vantagem, não é possível a contagem do tempo de serviço prestado antes da entrada em vigor de referida lei, dada a inexistência, até então, de regulamentação válida em âmbito local. O princípio da irretroatividade das normas determina que as leis, em regra, somente dispõem para o futuro sendo a retroatividade exceção que, como tal, não se presume, devendo, ao contrário, resultar de determinação expressa e inequívoca. 2. Para que pudesse produzir efeitos sobre fatos anteriores à sua vigência (07/03/2017), era preciso que a Lei 809/2017 tivesse sido clara em relação à sua retroatividade, o que, porém, não aconteceu. Diante disso, é possível concluir, então, que nenhum dos servidores públicos, na data da propositura da ação (08/03/2019), tinha adquirido direito à fruição de licença-prêmio, o que só ocorrerá em 07/03/2022, ou seja, 05 (cinco) anos depois da entrada em vigor da Lei nº 809/2017. 3. Oportuno destacar, ademais, que esta decisão não impede os autores/apelados de, no futuro, após cumpridos os requisitos previstos na Lei 809/2017, buscarem novamente, em juízo, o direito de gozo/conversão de licença prêmio, ante eventual omissão ilegal e arbitrária da Administração. 4. PRECEDENTES. RECURSO CONHECIDO E PROVIDO. SENTENÇA REFORMADA. 1. Trata-se de remessa necessária e apelação cível e interposta por MUNICÍPIO DE PENTECOSTE em face de sentença proferida pelo Juízo da Vara Única da Comarca de Pentecoste/CE, requerendo a reforma da sentença que julgou parcialmente procedente a Ação Ordinária. 2. Os autores ingressaram em juízo em março de 2019, requerendo a concessão de licença prêmio referente aos períodos laborados, utilizando como base o art. 119, XIII da Lei Orgânica do Município de Pentecoste, a qual prevê que, é direito do servidor público municipal o usufruto de licença de 3 (três) meses após 5 (cinco) anos de efetivo exercício. 3. Acontece que, conforme dispõe o art. 61, § 1º, II, 'c', da CF/88, é de iniciativa privativa do Chefe do Executivo leis que disponham sobre os servidores públicos. Desse modo, a Lei Orgânica, que é de iniciativa do Poder Legislativo, ao legislar sobre o direito ao recebimento do benefício pelos servidores violou o princípio da iniciativa disposto na Constituição Federal, sendo, portanto, inconstitucional quanto a esse ponto. 4. A propósito, o Supremo Tribunal Federal, em sede de repercussão geral, sedimentou a tese de que " é inconstitucional, por afrontar a iniciativa privativa do Chefe do Poder Executivo, a normatização de direitos dos servidores públicos em Lei Orgânica do Município." (RE nº 590.829/MG). 5. A Lei Orgânica Municipal, no artigo utilizado como base do pedido, é de eficácia limitada, necessitando de complementação, direito este somente regulamentado pelo Estatuto dos Servidores Públicos do Município de Pentecoste, Lei Complementar nº 809/2017. 6. Nesse contexto, extrai-se do art. 81 da Lei Complementar nº. 809/2017 que, após cada quinquênio de efetivo exercício, o servidor fará jus a 3 (três) meses de licença, sem prejuízo de sua

	remuneração, a título de prêmio por assiduidade e eficiência, reconhecido, portanto, o direito dos servidores municipais à fruição da licença prêmio. 7. Não há amparo legal ao suposto direito almejado pelos autores, considerando que a norma de regência da licença prêmio somente fora implementada com a entrada em vigor da Lei Complementar Nº 809/2017 de 07.03.2017, termo inicial para a concessão da licença em alusão. 8. DEFINIÇÃO DO PERCENTUAL DOS HONORÁRIOS POSTERGADA PARA A FASE DE LIQUIDAÇÃO DO JULGADO. RECURSO DE APELAÇÃO CONHECIDO E PARCIALMENTE PROVIDO. 1. Cinge-se a controvérsia em analisar o direito do promovente, servidor público aposentado do Município de Tamboril, à conversão em pecúnia dos períodos de licenças-prêmio não gozadas, assim como o marco inicial dos períodos aquisitivos para implementação de tal vantagem. 2. Ressalte-se, inicialmente, que não merece prosperar a preliminar de ausência de impugnação específica aos fundamentos da decisão, eis que a fundamentação recursal ataca as razões de fato e de direito do decisum, explicando de forma suficiente a insatisfação do recorrente, em respeito ao princípio da dialeticidade. 3. Não obstante as razões do apelante, a demanda não alcança o valor de alçada para reexame obrigatório que, na situação dos autos, é de no mínimo 100 salários-mínimos, uma vez que consta no polo passivo da ação o Município. 4. Quanto à alegação da ocorrência de prescrição, esta não deve prosperar, pois, conforme entendimento consolidado pelo STJ no julgamento do REsp n. 1.254.456/PE (Tema nº 516), a contagem da prescrição quinquenal relativa à conversão em pecúnia de licença-prêmio não gozada e nem utilizada como lapso temporal para a aposentadoria tem como termo inicial a data em que ocorreu a aposentadoria do servidor público. 5. Analisando-se os autos, resta incontroverso que o servidor, de fato, laborou por todo o período informado, a saber, entre 02 de janeiro de 1998 e 04 de junho de 2021, data em que passou para a inatividade em virtude do requerimento de aposentadoria. Outrossim, restou demonstrado que o autor foi admitido no serviço público inicialmente no regime celetista, passando à condição de estatutário com o advento da Lei Municipal nº 052/98, que instituiu o Regime Jurídico Único dos Servidores do Município de Tamboril. 6. A respeito da matéria, é pacífico na jurisprudência deste Egrégio Tribunal de Justiça o entendimento de que as licenças-prêmio não gozadas ou não usufruídas para fins de contagem de tempo de serviço poderão ser convertidas em pecúnia. 7. Em relação ao marco inicial dos períodos aquisitivos para conversão em pecúnia das licenças-prêmio não gozadas, não se pode negar que é cabível a contagem do tempo de serviço prestado pelo servidor público admitido sob o extinto regime celetista, anteriormente a sua migração para o regime estatutário, para fins de percepção de licença-prêmio, conforme precedente do STJ. Contudo, apesar de o autor ter ingressado no serviço público em 02.01.1998, o Estatuto dos Servidores do Município de Tamboril teve iniciada sua vigência somente em 07.11.1998 com a previsão do instituto da licença-prêmio, de forma que apenas é possível a contagem dos períodos aquisitivos posteriores a esta data, tendo em vista que vigora no ordenamento jurídico brasileiro o princípio da irretroatividade das normas. Logo, no caso em específico, não se trata de discutir o direito de inclusão do período celetista no cômputo do tempo para fins de recebimento do benefício, já que no referido período esse direito sequer existia, pois anteriormente a edição da Lei Municipal

	nº 052/1998 não havia previsão em âmbito local da licença-prêmio por assiduidade, merecendo reforma a sentença quanto a esse ponto. 8. Em relação aos índices de atualização dos valores devidos, há de ser observado, in casu, o Tema nº 905 do Superior Tribunal de Justiça (REsp 1495146/MG) até 08/12/2021 e, após, o art. 3º da Emenda Constitucional nº 113/2021, que entrou em vigor na data de sua publicação, em 09/12/2021, devendo, pois, ser aplicada, após essa data, a taxa Selic. 9. 	medium;"> Ação&#160;(Id. 15359591): M andado de Segurança&#160; com Pedido Liminar impetrado por Francisco Edmar Gomes de Carvalho inicialmente em face do Secretário da Fazenda do Estado do Ceará e do Orientador da Célula de Concessão de Aposentadoria, objetivando a concessão de ordem judicial destinada a considerar o tempo de serviço do Impetrante durante o período em que restou afastado, independentemente do recolhimento da contribuição previdenciária; ou no caso da imprescindibilidade do recolhimento, que esse seja feito de forma imediata por parte da SEFAZ/CE, para posterior desconto quando do pagamento do precatório. Pleiteia, ainda, o direito de requerer a sua aposentadoria por tempo de serviço, bem como o pagamento de abono de permanência durante o período em que preencheu os requisitos para a sua aposentadoria e a sua efetiva concessão. Intimado a se manifestar acerca de potencial declínio para este Tribunal de Justiça, por se tratar de Mandado de Segurança contra ato de Secretário de Estado, o Impetrante requereu a exclusão do Secretário Estadual da Fazenda do polo passivo do presente&#160; mandamus&#160; (Id. 15359618). Manifestação do Estado do Ceará no Id. 15359642. Decisão interlocutória de Id. 15359659, deferindo o pleito liminar. Sentença&#160;(Id. 15359681):&#160; proferida nos seguintes termos: " CONCEDO PARCIALMENTE&#160; a segurança, para&#160; determinar&#160; à autoridade indigitada coatora que adote as providências necessárias ao cômputo do período de afastamento de&#160; FRANCISCO EDMAR GOMES DE CARVALHO como tempo de serviço, independente do recolhimento da contribuição previdenciária correspondente, o qual será realizado por ocasião do pagamento do Precatório, e assegurar ao impetrante o direito de requerer sua aposentadoria por tempo de serviço.&#160; Com proveito, em relação aos Embargos de Declaração opostos pelo Estado do Ceará em face da decisão prolatada no Id 38065966, por alegada omissão quanto à tese de ilegitimidade passiva da autoridade apontada como coatora, esta fora devidamente apreciada e rejeitada no momento de análise da referida prejudicial, de modo que superada a questão, restando esvaziado o objeto dos declaratórios.&#160; Sujeita ao reexame necessário (Art. 14, §1º, da Lei nº 12.016/2009). Sem custas. Sem honorários (Art. 25 da Lei nº 12.016/2009, Súmula nº 105 do STJ, e Súmula nº 512 do STF). " Certificado o decurso de prazo sem a interposição de recurso voluntário pelas partes (Id. 15359694), a remessa necessária foi encaminhada a este Tribunal. Parecer da Procuradoria Geral de Justiça &#160;(Id. 15493892): opinando pelo conhecimento da Remessa Necessária e pela manutenção da sentença. É o relatório. &#160; &#160; &#160; <strong style="font-size: small;"> <strong style="font-size: small; text-align: justify;"> VOTO &#160; Por se tratar de mandado de segurança, a sentença se sujeita ao duplo grau de jurisdição obrigatório, por força do art. 14, § 1º, da Lei nº 12.016/2009, motivo pelo qual conheço da remessa necessária. Cumpre registrar que o mandado de segurança é instrumento destinado à proteção de direito líquido e certo sempre que alguém, ilegalmente ou com abuso de

	poder, sofrer violação ou houver justo receio de sofrê-la, por parte de autoridade pública ou agente de pessoa jurídica no exercício de atribuições do Poder Público, nos termos do art. 5º, inciso LXIX, da CRFB/88 e art. 1º, caput , da Lei nº. 12.016/2009, a seguir colacionados: <br /> CF/88 Art. 5º. Todos são iguais perante a lei, sem distinção de qualquer natureza, garantindo-se aos brasileiros e aos estrangeiros residentes no País a inviolabilidade do direito à vida, à liberdade, à igualdade, à segurança e à propriedade, nos termos seguintes: (…) XIX - conceder-se-á mandado de segurança para proteger direito líquido e certo, não amparado por habeas corpus ou habeas data, quando o responsável pela ilegalidade ou abuso de poder for autoridade pública ou agente de pessoa jurídica no exercício de atribuições do Poder Público; <br /> Lei nº. 12.016/2009 Art. 1º. Conceder-se-á mandado de segurança para proteger direito líquido e certo, não amparado por habeas corpus ou habeas data, sempre que, ilegalmente ou com abuso de poder, qualquer pessoa física ou jurídica sofrer violação ou houver justo receio de sofrê-la por parte de autoridade, seja de que categoria for e sejam quais forem as funções que exerça. &#160; Analisando o feito, verifica-se que, no presente caso, não se faz necessária a dilação probatória, tendo em vista que o impetrante já instruiu a contenda com arcabouço probatório necessário ao julgamento da lide. Registrado esse ponto, passo à análise da matéria jurídica discutida nos autos. Conforme brevemente relatado, cinge-se a controvérsia à análise do direito do autor de se aposentar, uma vez já completado o tempo de serviço, o qual vem sendo negado, por entender a Secretaria da Fazenda (SEFAZ) que este apenas poderia ser pleiteado quando da execução dos valores atrasados, sendo recolhida a contribuição previdenciária. Ademais, cumpre consignar o fato de o impetrante também estar impossibilitado de requerer o pagamento do abono permanência. Compulsando os autos, observa-se que o impetrante fora admitido no serviço público em 19/08/1991 e ilegalmente demitido em 2006 do cargo de Auditor Fiscal Adjunto da Receita Estadual, por meio do Processo Administrativo Disciplinar nº 01/2004, sendo cancelado o ato de demissão por meio de decisão deste Tribunal de Justiça, confirmada pelo Supremo Tribunal Federal, fazendo jus à reintegração. Como é cediço, a reintegração é uma forma de provimento derivado expressamente prevista no art. 41, § 2º da CF/88, ocorrendo quando o servidor estável, anteriormente demitido, tem invalidada a sua demissão por decisão administrativa ou judicial, retornando ao cargo de origem, com ressarcimento de todas as vantagens a que teria feito jus durante o período de seu desligamento ilegal, situação que se amolda ao presente caso. Logo, a decisão que declara a nulidade de ato de demissão e determina a reintegração de servidor público ao cargo de origem, que é a hipótese vertente, opera efeitos “ex tunc” , isto é, restabelece

Processo	0182559-50.2018.8.06.0001
	o “status quo ante” , de modo a garantir o pagamento integral das vantagens pecuniárias que seriam pagas no período do indevido desligamento do serviço público. Nesse contexto, a recomposição integral de todos os direitos do servidor ilegalmente demitido do serviço público encontra eco na jurisprudência pacífica. Sobre a temática, colho precedente do Superior Tribunal de Justiça: &#160; ADMINISTRATIVO. EMBARGOS DE DECLARAÇÃO NO RECURSO ORDINÁRIO EM MANDADO DE SEGURANÇA. PROCESSO ADMINISTRATIVO DISCIPLINAR. POLICIAL CIVIL DO ESTADO DO PARANÁ. PARTICIPAÇÃO DE MEMBRO DO MINISTÉRIO PÚBLICO ESTADUAL NO CONSELHO DA POLÍCIA CIVIL. VEDAÇÃO. PAD DECLARADO NULO INCIDENTALMENTE. ORDEM CONCEDIDA. OMISSÃO QUANTO AOS EFEITOS DA CONCESSÃO DA SEGURANÇA. EMBARGOS DE DECLARAÇÃO DO SERVIDOR ACOLHIDOS, SEM EFEITOS INFRINGENTES, PARA DETERMINAR O PAGAMENTO DAS PARCELAS VENCIDAS, DESDE A EXCLUSÃO DO IMPETRANTE ATÉ A SUA REINTEGRAÇÃO, GARANTIDA A CONTAGEM DE TEMPO DE SERVIÇO PARA TODOS OS EFEITOS. 1. Os Embargos de Declaração destinam-se a suprir omissão, afastar obscuridade ou eliminar contradição existente no julgado. No caso dos autos, constata-se omissão acerca do termo inicial dos efeitos financeiros da decisão que determinou a reintegração do Servidor no cargo. 2. A orientação tradicional era a de que os efeitos financeiros da ordem de segurança concedida tinham por termo inicial a data da impetração do pedido mandamental. Sobre o tema, o colendo STF emitiu a Súmula 269, remetendo-se o pleito de valores anteriores às vias ordinárias. Entretanto, não há mais razão jurídica e nem moral nesta alternativa, quando já se tem uma decisão judicial mandamental favorável ao direito da parte. Isso significaria protelar para as calendas gregas a fruição do direito pelo impetrante, congestionar as instâncias judiciais, em situação de desnecessidade, expor-se a União ao pagamento de honorários, porque a Ação de Cobrança lhe seria, fatalmente, desfavorável e, além disso, amesquinhar o préstimo do Mandado de Segurança, encurtando o alcance de sua eficácia. Essa diretriz é acolhida em vários precedentes judiciais desta Corte: MS 13.120/DF, Rel. Min. NEFI CORDEIRO, DJe 8.9.2015; AgRg no REsp. 717.406/MG, Rel. Min. Concedida a Segurança para determinar a reintegração do Servidor, impõe-se o pagamento das parcelas vencidas, desde a sua exclusão até a sua reintegração, garantida a contagem de tempo de serviço para todos os efeitos, conforme orienta a jurisprudência desta Corte Superior. 4. 	CONHECIDA E DESPROVIDA. SENTENÇA MANTIDA. 1. O cerne da questão sub examine consiste em analisar o direito dos autores a receber os vencimentos e vantagens referentes ao período em que permaneceram ilegalmente afastados do serviço público, bem como a terem computado tal período como tempo de serviço. 2. A contagem do prazo prescricional inicia-se com o surgimento do direito do servidor público, que se verifica com o trânsito em julgado da decisão judicial que reconheceu a nulidade do ato de demissão e determinou a sua reintegração ao cargo público. Prescrição de fundo de direito não verificada in casu. 3. Reconhecida a ilegalidade do afastamento de servidor público e efetuada a sua reintegração ao cargo efetivo, deve ser restabelecido o status quo ante . Precedentes do STJ e do TJCE. 4. Remessa Necessária e Apelação conhecidas e desprovidas. Sentença mantida. É obrigatório o reexame da sentença ilíquida proferida contra a União, os Estados, o Distrito Federal, os Municípios e as respectivas autarquias e fundações de direito público. 2. O cerne da questão está centrado na legalidade do ressarcimento pelo ente municipal da quantia referente à remuneração durante o período em que o autor, servidor, esteve afastado ilegalmente, conforme decisão transitada em julgado. 3. Conforme pacífica jurisprudência, a decisão que declara a nulidade de ato de demissão e determina a reintegração de servidor público ao cargo de origem possui efeitos ex tunc , restabelecendo o status quo ante , de sorte a assegurar o pagamento integral das vantagens pecuniárias que seriam pagas no período do ilegal afastamento. 4. No caso, o autor foi exonerado do serviço público do Município de Penaforte por ato do Chefe do Executivo declarado nulo em sede de ação mandamental, por sentença transitada em julgado, em que se reconheceu a abusividade da dispensa realizada em afronta ao contraditório e à ampla defesa e se determinou a reintegração do servidor aos quadros do serviço público municipal. 5. Acertada, pois, a condenação do ente público ao pagamento das verbas remuneratórias referentes ao período do indevido afastamento, atualizadas. 6. Já com relação aos honorários sucumbenciais, reza o art. 85, § 4º, inciso II, do CPC/2015 que, não sendo líquida a sentença, a definição do percentual dos honorários advocatícios somente deverá ocorrer posteriormente, quando da liquidação do julgado. 7. Reexame conhecido e parcialmente provido para postergar a fixação da verba honorária. (Remessa Necessária Cível - 0000212-47.2017.8.06.0207, Rel. Narra que se inscreveu no certame para habilitação de candidatos ao curso de Bacharelado em Medicina, diurno, campus Crateús, da Universidade Estadual do Ceará – UECE, para o 2º período letivo de 2024, tendo se autodeclarado negro (pardo) para fins de enquadramento no sistema de cotas. Todavia, afirma que, apesar de ter obtido notas expressivas, foi eliminado do certame por não ter tido sua condição de cotista reconhecida, com base em parecer da Comissão de Heteroidentificação. Alega que a decisão administrativa carece de fundamentação idônea, porquanto genérica, além de ter adotado fatos inverídicos para indeferimento. DECISÃO MANTIDA. 1. Não se verifica, na fundamentação do agravo, motivo suficiente para invalidar as razões deduzidas na decisão agravada, haja vista o agravante não ter demonstrado, em suas razões recursais, a plausibilidade do direito. 2. Ressalte-se que o critério de autodeclaração, de acordo com a Lei nº 17.432/2021, não é o único parâmetro a ser utilizado para enquadramento do candidato como negro ou pardo, tendo em vista que o edital do concurso público previu a verificação das características fenotípicas pela comissão de heteroidentificação do certame. 3. A avaliação realizada pela banca do concurso público acerca das características fenotípicas dos candidatos (heteroidentificação), em relação às vagas destinadas a negros e pardos, encontra amparo constitucional, nos termos do entendimento do Supremo Tribunal Federal no julgamento da ADC 41/DF. 4. Observa-se que a comissão avaliadora classificou o candidato como não cotista, por não atender às exigências estabelecidas pelo edital de abertura em relação à cor da pele, textura dos cabelos e fisionomia, o que afasta, neste momento, a alegação de ausência de fundamentação do ato administrativo. Ademais, a conclusão da banca foi mantida mesmo após nova realização do procedimento de heteroidentificação. Em análise dos fólios processuais, restou garantido ao agravante o contraditório e ampla defesa. 5. Assim, inexiste ilegalidade na eliminação do agravante do concurso público, devendo-se lembrar que o mérito administrativo dos atos emanados da banca organizadora do certame, em regra, não deve ser objeto de ingerência do Poder Judiciário, especialmente diante da presunção de legalidade dos atos administrativos. 6. 	center;">&#160; RELATÓRIO &#160; <br /> &#160; Trata-se de&#160; A gravo de&#160; I nstrumento&#160;interposto por&#160;Maria Socorro Martins, contra&#160;Decisão&#160;Interlocutória –&#160;Id 87875117&#160;proferida pelo juízo da 1ª Vara Cível Da Comarca De Acopiara que determinou a suspensão do feito até a decisão sobre o&#160;Tema nº 1169 pelo Superior Tribunal De Justiça. Ação:&#160;Maria Socorro Martins ajuizou Ação de Execução (processo n.º 3000549-87.2024.8.06.0029) referente ao cumprimento da sentença proferida nos autos da ação coletiva nº 0004059-72.2018.8.06.0029, por meio da qual o Município de Acopiara foi condenado a pagar aos professores da rede básica de ensino as diferenças em relação ao 1/3 de férias a ser calculado sobre os 45 (quarenta e cinco) dias de férias a que têm direito, relativamente aos anos de 2013, 2014, 2015, 2016, 2017 e as que se vencerem no decorrer do andamento do feito. Decisão agravada:&#160;Distribuído o Cumprimento de Sentença, o juízo de origem decidiu pela suspensão dos autos, até que proferida decisão sobre o tema 1.169 pelo C. Superior Tribunal de Justiça (Id 87875117 dos autos de origem). Razões recursais:&#160;Irresignada, a recorrente interpôs o presente Agravo de Instrumento de Id 13454387, aduzindo, em síntese, “ que o Ilmo. Magistrado tem aplicado o tema de forma equivocada, uma vez que o referido tema somente se aplica aos casos de sentenças genéricas, o que não é o caso do presente processo”. Ao final, pugna pelo conhecimento e provimento do recurso, reformando a decisão do juízo a quo que suspendeu o feito, para determinar que se mantenha o trâmite processual do cumprimento individual de sentença coletiva. &#160; <strong style="font-size: medium; background-color: transparent; text-indent: 2.5cm;">Sem contrarrazões , não obstante a parte agravada tenha sido devidamente intimada (Id 13497113). &#160; Embora instada (Id 14472083), a Procuradoria Geral de Justiça, nada apresentou. &#160; É o relatório. &#160; &#160; <strong style="font-size: small;"> <strong style="font-size: small; text-align: justify;"> VOTO &#160; Presentes os requisitos de admissibilidade, conheço do recurso interposto. Compulsando-se os autos, cuida-se na origem de Cumprimento de Sentença de forma individualizada de ação coletiva ajuizada pela Associação dos Professores da Rede Municipal de Acopiara em face do Município de Acopiara/CE na qual a parte autora aduz que, enquanto ocupante do cargo de professora da rede municipal de ensino, tem direito a gozar de 45 (quarenta e cinco) dias de férias e a receber o adicional respectivo calculado sobre todo o período, situação que não estaria sendo respeitada pelo Ente Municipal, ao limitar o respectivo terço ao período de apenas 30 (trinta) dias. No aludido processo coletivo foi proferida Sentença que condenou o Município ao <span

	style="color: #000000;"> “pagamento das diferenças observadas em relação ao adicional de 1/3 de férias dos professores da rede pública municipal que tenham, de fato, gozado o período de 45 (quarenta e cinco) dias de férias nos anos respectivos, relativamente aos anos de 2013, 2014, 2015, 2016, 2017 e as que vencerem no decorrer do andamento deste processo, devendo o referido adicional ser calculado sobre todo o período de férias.” A decisão de primeiro grau foi confirmada por esta Corte de Justiça, tendo ocorrido o trânsito em julgado. Assim, por força do título executivo judicial mencionado foi necessária a promoção de cumprimento individual de sentença coletiva. Após distribuído, o juízo a quo decidiu pela “suspensão dos presentes autos até decisão sobre o tema 1169 pelo C. Superior Tribunal de Justiça – STJ” (Id. 87875117). No presente recurso, a Agravante busca a reforma do mencionado decisum para que seja dado prosseguimento ao feito. Dessa forma, cinge-se a controvérsia em aferir a higidez da decisão proferida em sede de Cumprimento Individual de Sentença que determinou a suspensão do feito até o julgamento do Tema Repetitivo n.º 1169 pelo C. Superior Tribunal de Justiça. Já adianto que assiste razão à parte Agravante. Verifica-se que no Tema 1.169/STJ houve a determinação de suspensão do processamento das execuções. A questão submetida a julgamento se refere a "Definir se a liquidação prévia do julgado é requisito indispensável para o ajuizamento da ação objetivando o cumprimento de sentença condenatória genérica proferida em demanda coletiva, de modo que sua ausência acarreta a extinção da ação executiva, ou se o exame quanto ao prosseguimento da ação executiva deve ser feito pelo Magistrado com base no cotejo dos elementos concretos trazidos nos autos". Ocorre que a hipótese dos autos não se amolda à matéria analisada no âmbito do referido precedente qualificado. Isso porque o título judicial que deu ensejo ao presente Cumprimento de Sentença apresenta todos os parâmetros necessários para a elaboração dos cálculos do valor a ser executado, não constituindo, assim, sentença genérica. Ressalta-se que o título coletivo indicou precisamente a correção monetária e os juros de mora incidentes sobre o valor devido. (Id. <span style="color:

	#000000;"> 84009618 dos autos originários) Nesse contexto, é evidente que o caso em análise se refere ao cumprimento de uma sentença condenatória perfeitamente liquidável por meio de simples cálculos aritméticos, e não de uma sentença condenatória genérica, desse modo, não se enquadrando, na discussão abordada pelo Tema 1.169 do STJ. Conforme o art. 509, § 2º, do CPC/15, quando a apuração do valor depender apenas de cálculo aritmético, o credor poderá promover desde logo o cumprimento de sentença. Portanto, não há falar em sobrestamento do feito, pois inaplicável ao caso o Tema 1.169/STJ. A propósito, esse é o posicionamento que vem sendo adotado pela 3ª Câmara de Direito Público do presente Tribunal, com destaques: Ementa: Direito processual civil. Agravo de instrumento em cumprimento individual de sentença coletiva. Liquidação. Título executivo judicial. Cálculos aritméticos. Tema repetitivo 1.169/STJ. Inaplicabilidade. Agravo provido. I. Caso em exame 1. Agravo de instrumento interposto contra decisão que suspendeu o cumprimento individual de sentença coletiva, com base no Tema Repetitivo 1.169/STJ, que trata da necessidade de liquidação prévia em ações coletivas. A autora busca o prosseguimento da execução, argumentando que a sentença coletiva já contém todos os elementos para a realização dos cálculos. II. Questão em discussão 2. A questão central é definir se o Tema 1.169/STJ é aplicável ao caso, ou seja, se a liquidação prévia é necessária quando o título executivo judicial permite a apuração do valor devido por simples cálculos aritméticos. III. Razões de decidir 3. O Tema 1.169/STJ não se aplica ao caso, pois a sentença coletiva em questão não é genérica, mas sim específica, indicando os parâmetros para o cálculo do valor devido. Sendo assim, a liquidação prévia é desnecessária, uma vez que o valor pode ser apurado por simples cálculos aritméticos. &#160;IV. Dispositivo 4. Recurso conhecido e provido. Decisão recorrida reformada, determinando-se o prosseguimento do cumprimento individual da sentença coletiva. (TJ-CE Agravo de Instrumento nº 30031999720248060000, Relator: Des. WASHINGTON LUIS BEZERRA DE ARAUJO, Data de Julgamento: 21/10/2024, 3ª Câmara de Direito Público, Data de Publicação: 23/10/2024) Tema Repetitivo 1.169 do STJ. Simples Cálculos Aritméticos. Decisão Reformada. Recurso Conhecido e Provido. I. Caso Em Exame: Agravo de instrumento interposto em face de decisão que determinou a suspensão dos autos de cumprimento de sentença individualizada de ação coletiva, com fulcro no Tema Repetitivo nº 1.169 do Superior Tribunal de Justiça.&#160;II. Questão Em Discussão: Cinge-se a controvérsia recursal em analisar se o caso está afetado pelo Tema Repetitivo n.º 1.169 do Superior Tribunal de Justiça e se deve, portanto, ser sobrestado.&#160; III. Razões De Decidir: III.1. Observa-se que a apuração do crédito exequendo não exige cálculos complexos, mas apenas simples cálculos aritméticos. III.2 Considerando que o título judicial que embasa o cumprimento de sentença permite a individualização dos valores exigidos pelo agravado, que poderão ser aferidos mediante simples cálculos aritméticos, o caso dos autos não se encontra afetado pela decisão de suspensão dos processos estabelecida em razão do Tema 1.169 do Superior Tribunal de Justiça . Argumenta que a falta de dotação orçamentária inviabiliza a concessão da vantagem e que manter a condenação imporia um ônus desproporcional ao erário, comprometendo serviços essenciais e infringindo a Constituição Federal e a Lei de Responsabilidade Fiscal (LC 101/2000). Assim, requer a reforma da sentença para julgar improcedente a ação e o consequente provimento do recurso. Caso a decisão não seja reformada, solicita que as teses apresentadas, especialmente sobre a Lei de Responsabilidade Fiscal e o impacto financeiro, sejam devidamente prequestionadas para eventual interposição de recursos às instâncias superiores. Subsidiariamente, pleiteia a redução dos honorários advocatícios para o percentual mínimo, alegando que a condenação é excessiva e desproporcional, considerando a simplicidade da demanda e o tempo de tramitação.</p><p style="line-height: 1.7999999999999998; text-indent: 42.5pt; text-align: justify; margin-top: 0pt; margin-bottom: 5.65pt;" dir="ltr"> <span style="font-size: 12pt; font-family: 'Times New

Sustenta que a Lei Municipal nº 001/1993 c/c Lei Municipal nº 188/2012, garante expressamente o direito ao referido adicional, sendo este autoaplicável. O Apelado também refuta o argumento de impacto financeiro, afirmando que a concessão da vantagem remuneratória é obrigação do ente público, e que eventuais dificuldades orçamentárias não podem obstruir o cumprimento de direito assegurado em lei. Assim, requer o desprovimento da apelação e a majoração dos honorários de sucumbência, com fundamento no art. 85, § 11, do CPC.</p><p style="line-height: 1.7999999999999998; text-indent: 42.5pt; text-align: justify; margin-top: 0pt; margin-bottom: 5.65pt;" dir="ltr">Instado a se manifestar, o Parquet deixou de se manifestar sobre o mérito da demanda, por inexistir interesse público apto a ser amparado (Id. 15576437).</p><p style="line-height: 1.7999999999999998; text-indent: 42.5pt; text-align: justify; margin-top: 0pt; margin-bottom: 5.65pt;" dir="ltr"> É o relatório, no essencial.</p><p> <strong style="font-weight: normal;"> <br /> </p><p style="line-height: 1.7999999999999998; text-align: center; margin-top: 0pt; margin-bottom: 0pt;" dir="ltr"> &#160; </p><p style="line-height: 1.7999999999999998; text-align: center; margin-top: 0pt; margin-bottom: 0pt;" dir="ltr"> VOTO</p><p style="line-height: 1.7999999999999998; text-indent: 56.69291338582675pt; text-align: justify; margin-top: 12pt; margin-bottom: 6pt;" dir="ltr"> Presentes os requisitos de admissibilidade, conheço da Apelação.&#160;</p><p style="line-height: 1.7999999999999998; text-indent: 56.69291338582675pt; text-align: justify; margin-top: 12pt; margin-bottom: 6pt;" dir="ltr"> O cerne da questão consiste em analisar se o autor, servidor público do Município de Deputado Irapuan Pinheiro, tem direito à implantação do adicional por tempo de serviço na proporção de 1% (um por cento) por ano de serviço, nos termos da legislação municipal; bem como à percepção das prestações correspondentes aos cinco anos que antecederam o ajuizamento da ação.&#160;</p><p style="line-height: 1.7999999999999998; text-indent: 56.69291338582675pt; text-align: justify; margin-top: 12pt; margin-bottom: 6pt;" dir="ltr"> Importante registrar que a Lei Municipal nº 001/1993 instituiu o regime jurídico único para os servidores públicos do Município demandado e veio a ser posteriormente alterada pela Lei Municipal nº 188/2012. A municipalidade Ré não se desincumbiu do ônus de demonstrar fato impeditivo, modificativo ou extintivo do direito da parte Autora, nos termos do inciso II do art. 373 do NCPC; como a lei é autoaplicável e não impôs condições especiais ou subjetivas aos seus destinatários, a parte Autora tem direito à implementação da vantagem prevista na LC nº 1/1993 ratificada pela Lei nº 188/2012, observada a prescrição quinquenal. 4. FIXAÇÃO DA NORMA NO ÁTRIO DA PREFEITURA. VALIDADE. SENTENÇA REFORMADA EM PARTE. 1. Trata o caso de reexame necessário e apelação cível em ação de cobrança por meio da qual o autor requer a condenação do Município de Deputado Irapuan Pinheiro à implementação e respectivo pagamento de adicional por tempo de serviço (anuênio) previsto na Lei Municipal nº 188/2012. 2. Inicialmente, a despeito de não ser cabível ao Poder Judiciário adentrar no mérito das decisões administrativas, importa mencionar que incumbe a este poder a análise da legalidade e da constitucionalidade dos atos dos três Poderes Constitucionais, sendo de sua competência o reexame de decisão administrativa que macule direitos e garantias individuais. 3. Nos termos do art. 68 do Estatuto dos Servidores Públicos do Município de Deputado Irapuan Pinheiro, o direito ao recebimento do adicional surge a partir do mês subsequente àquele em que o servidor completar cada ano de serviço público. Referida norma afigura-se plenamente aplicável, prescindindo da edição de qualquer outro diploma normativo para que possa produzir seus efeitos. 4. Com relação aos honorários advocatícios, notese que com a vigência do Código de Processo Civil/2015, restou estabelecido que, nas condenações contra a Fazenda Pública, não sendo líquida a sentença, a definição do percentual, nos termos previstos nos incisos I a V do art. 85, § 3º, somente ocorrerá quando liquidado o julgado, vide art. 85, § 4º, II, do CPC. Portanto, não sendo líquida a decisão judicial é impossível fixar neste momento processual a porcentagem devida de honorários sucumbenciais. 5. Ademais, os índices de correção monetária e juros de mora deverão observar o tema 905 do STJ e o art. 3º da EC 113/2021. - Reexame Necessário conhecido. - Apelação conhecida e não provida. - Sentença reformada apenas no tocante aos honorários advocatícios. Processo	0050744-12.2021.8.06.0069
	PROLAÇÃO DE SENTENÇA DE PROCEDÊNCIA SEM MANIFESTAÇÃO SOBRE OS DOCUMENTOS ACOSTADOS PELO ENTE PÚBLICO. ERROR IN PROCEDENDO. EVIDENTE PREJUÍZO AO RÉU. APELAÇÃO CÍVEL CONHECIDA E PARCIALMENTE PROVIDA. SENTENÇA ANULADA.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> I. Caso em exame </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 1. Apelação cível interposta pelo Município de Coreaú em face de sentença prolatada pelo Juízo da Vara Única da Comarca de Coreaú, que julgou procedente reclamação trabalhista ajuizada por Alda Teles de Menezes Albuquerque contra o ente público apelante, condenando-o ao pagamento de férias vencidas integrais e proporcionais, com o terço constitucional, e 13º salário referentes ao período laborado. &#160;</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> II. Questão em discussão </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 2. A questão em discussão consiste em analisar se houve cerceamento de defesa do Município.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> III. Razões de decidir </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 3. Alega o ente municipal, em seu apelo, a preliminar de nulidade da sentença por cerceamento de defesa, sustentando que houve encerramento abrupto da fase instrutória, e que o magistrado, ao julgar antecipadamente uma demanda, deverá fundamentar o seu convencimento nas provas previamente apresentadas nos autos.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 4. Com efeito, na peça contestatória, o ente público recorrente afirmou que, no lapso temporal de agosto de 2017 a novembro de 2020, a autora laborou para a Administração municipal não apenas em cargos comissionados, como mencionado na petição inicial, mas também por meio de contratos temporários, conforme documentos acostados pelo ora recorrente.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 5. A parte autora teve oportunidade de se manifestar acerca desses documentos, referentes aos contratos temporários, em sua réplica, porém, nada afirmou sobre esse ponto, insistindo em declarar o exercício apenas de cargos em comissão durante todo o período.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 6. Ocorre que, ao julgar a demanda, o Juízo a quo deixou de apreciar as provas acostadas pelo ente municipal, limitando-se às alegações autorais de exercício somente de cargos comissionados, declarando, ainda, que o ente público não comprovou o adimplemento das verbas.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 7. É certo que a simples ausência de prévio anúncio de julgamento antecipado da lide não invalida automaticamente a sentença, pois, sendo o Juiz o destinatário da prova, cabe a ele valorar o acervo probatório do processo e inclusive indeferir pedidos de produção de prova inúteis, desnecessárias ou protelatórias (arts. 370, parágrafo único, e 371, ambos do CPC), além do que, para a anulação da sentença, deve restar comprovado o prejuízo à defesa de alguma das partes.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 8. Entretanto, no caso em tela, observa-se que a falta de um exame acurado das provas colacionadas pela parte ré trouxe-lhe evidente prejuízo, comprometendo a constatação de questões fundamentais do processo, considerando que há nítida distinção entre o exercício de cargo em comissão (plenamente válido) e o de contratação temporária (que merece análise caso a caso para aferir sua legalidade e, a partir disso, as verbas eventualmente devidas ao contratado).</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 9. Nesse contexto, revela-se incorreto o posicionamento do Juízo de obstar a instrução processual para, em sentença, concluir pela falta de apresentação de provas pelo Município, acolhendo tão somente os documentos acostados pelo autor.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;"> 10. Nesse ponto, cumpre ressaltar que a decretação de nulidade por cerceamento de defesa se revela incompatível com a aplicação da teoria da causa madura e o julgamento da lide diretamente por este Tribunal, nos moldes do art. 1.013, § 3º, IV, CPC, pois, diante da necessidade de continuação da instrução processual, constata-se que a demanda não está pronta para imediato julgamento.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; line-height: 200%;">

No mérito, aduz que as verbas previstas na CLT não se estendem aos ocupantes de cargos comissionados, por se tratar de relação com a Administração Municipal, com vínculo administrativo e não celetista. Nesse sentido, o seguinte precedente desta Corte Estadual:</p><p class="TextbodyWW" style="margin-bottom: 0cm; text-align: justify; text-indent: 3.0cm; line-height: 200%;"> &#160;</p><p class="TextbodyWW" style="margin-top: 0cm; margin-right: 0cm; margin-bottom: 0cm; margin-left: 4.0cm; text-align: justify; line-height: 200%;"> <span style="font-size: 10.0pt; line-height: 200%; font-family: &quot;Arial&quot;,sans-serif;">PROCESSO CIVIL. AUSÊNCIA DE DESPACHO SANEADOR. JULGAMENTO ANTECIPADO DE MÉRITO SEM PRÉVIO ANÚNCIO. PREJUÍZO À PARTE RÉ CONSTATADO. SENTENÇA NULA. RECURSO CONHECIDO E PROVIDO. I. Recurso de apelação interposto pela requerida, objetivando a reforma da sentença prolatada às fls. 318/322, que, nos autos da Ação de Reparação por Danos Materiais, julgou parcialmente procedentes os pedidos autorais, condenando os réus a ressarcirem o valor da matéria prima e acessórios disponibilizados, além de restituir os moldes recebidos. II. A questão a ser decidida consiste em determinar se houve cerceamento de defesa pela não realização de audiência de instrução e julgamento e produção de prova pericial. III. (i) Vale registrar que não há como se afastar o caráter relativamente complexo da demanda, que não é eminentemente de direito, mormente se levarmos em conta que o ponto nodal da controvérsia é saber se houve sobra de matéria-prima e se os produtos foram ou não entregues. Nessa toada, não há como se atestar, de pronto, a desnecessidade de outras provas. (ii) diante disso, deve ser oportunizado às partes demonstrar a utilidade da produção probatória e, caso se entenda pela efetiva dispensa, após a escorreita observância do contraditório, poderá o d. Juízo a quo fundamentar seu posicionamento de forma adequada. Tal medida visa a assegurar a efetividade processual, porquanto voltada a prevenir alegação de nulidade em outras instâncias, sob fundamento de violação de direito material; (iii) assim, a ausência de manifestação do juízo sobre o pedido de produção de provas é inegavelmente prejudicial ao exercício do direito à ampla defesa, sobretudo quando o julgamento for desfavorável à parte postulante. Há de se considerar que a condução do processo deve guardar observância aos princípios da boa-fé e da cooperação, no intuito de se alcançar uma prestação jurisdicional efetiva e justa. IV. Recurso conhecido e provido. Sentença cassada. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 1ª Câmara Direito Privado do Tribunal de Justiça do Estado do Ceará, por unanimidade, em conhecer e dar provimento ao recurso de apelação, anulando a sentença recorrida, nos termos do voto do Desembargador Relator. 	evidente prejuízo, comprometendo a constatação de questões fundamentais do processo, considerando que há nítida distinção entre o exercício de cargo em comissão (plenamente válido) e o de contratação temporária (que merece análise caso a caso para aferir sua legalidade e, a partir disso, as verbas eventualmente devidas ao contratado).</p><p class="Standard" style="text-align: justify; text-indent: 3.0cm; line-height: 200%;"> Nesse contexto, vislumbra-se que o feito foi julgado no estado em que se encontrava (art. 355, I, do CPC), por entender o Magistrado a quo desnecessária a produção de outras provas além das já carreadas aos autos, sem, no entanto, ter intimado previamente a parte ré do julgamento antecipado da lide, caracterizando decisão surpresa, vedado pela legislação processual civil, e cerceando o direito de defesa.</p><p class="Standard" style="text-align: justify; text-indent: 3.0cm; line-height: 200%;"> &#160;Ademais, revela-se incorreto o posicionamento do Juízo de obstar a instrução processual para, em sentença, concluir pela falta de apresentação de provas pelo Município, acolhendo tão somente os documentos acostados pelo autor. RECURSO PREJUDICADO.DETERMINAÇÃO DE intransferibilidade do imóvel objeto da lide até ulterior deliberação em segunda Instância. PODER GERAL DE CAUTELA. ART. 297 DO CPC. POSSIBILIDADE. I. Caso em Exame Trata-se de apelação cível, interposta por CÍNTIA FERREIRA SANTOS, contra sentença proferida às fls. 303/310, pelo Juízo da 15ª Vara Cível da Comarca de Fortaleza, nos autos de ação de rescisão contratual c/c danos morais c/c pedido de tutela de urgência, tendo como parte apelada GLEIDSON SERPA SOUTO MATHIAS. II. Questão em Discussão DA PRELIMINAR DE CERCEAMENTO DE DEFESA. A questão central é a análise da existência de cerceamento de defesa, considerando a omissão do juízo em permitir a produção de provas que a apelante alegou ser essencial para comprovar seu direito, em desacordo com os princípios constitucionais do contraditório e da ampla defesa. III. Razões de Decidir O reconhecimento de cerceamento de defesa é respaldado pelo entendimento de que o juiz deve permitir a produção de provas para não violar o direito ao contraditório, conforme art. 5.º, inc. LV da CF/88. A ausência de prova não pode ser utilizada como fundamento para a improcedência do pedido, se a parte não teve oportunidade de se desincumbir de seu ônus probatório. Veja-se que, no caso em apreço, houve a apresentação do rol de testemunhas por ambas as partes, fls. 257/260 e 261, havendo em um primeiro momento a suspensão da audiência e empós, o anuncio do julgamento antecipado da lide(fls. 279/991). Assim, o magistrado de piso deixou de oportunizar às partes o direito de produção de prova. Isso porque, não se pode julgar o feito com base na ausência de prova se não foi oportunizado ao autor a sua produção a fim de possibilitá-lo se desincumbir do ônus que lhe é imposto pelo art. 373, inciso I, do CPC/15. IV. Dispositivo e Tese Declaro a nulidade da sentença de ofício por cerceamento do devido processo legal, determinando a reabertura da fase instrutória, em razão da violação dos princípios do contraditório e da ampla defesa. Assim, o recurso é prejudicado e os autos devem retornar à origem para prosseguimento da instrução processual. Ademais, determina-se a intransferibilidade do imóvel objeto da lide, até ulterior deliberação em segunda Instância. ACÓRDÃO: Vistos, relatados e discutidos os presentes autos, em que figuram as partes acima referidas, ACORDAM os Senhores Desembargadores da Quarta Câmara de Direito Privado, do Tribunal de Justiça do Estado do Ceará, a unanimidade, em acolher da preliminar arguida e julgar prejudicado o recurso interposto, bem como determinar a intransferibilidade do imóvel objeto da lide, tudo nos termos do voto do Desembargador Relator Fortaleza/CE, data da assinatura eletrônica DESEMBARGADOR FRANCISCO BEZERRA CAVALCANTE Relator <br /> (Apelação Cível&#160;- 0238052-07.2021.8.06.0001, Rel. 	serif;">DIREITO PROCESSUAL CIVIL. RECURSO DE APELAÇÃO CÍVEL. AÇÃO DE RENEGOCIAÇÃO DE DÍVIDAS. SENTENÇA DE IMPROCEDÊNCIA. INSUFICIÊNCIA PROBATÓRIA. DECISÃO PROFERIDA SEM INTIMAÇÃO DAS PARTES PARA ESPECIFICAR AS PROVAS. AUSÊNCIA DE PRÉVIO ANÚNCIO DO JULGAMENTO ANTECIPADO DO MÉRITO. OFENSA AOS PRINCÍPIOS DA VEDAÇÃO DA DECISÃO SURPRESA E DA COOPERAÇÃO. CERCEAMENTO DE DEFESA CONFIGURADO. ERROR IN PROCEDENDO. SENTENÇA DESCONSTITUÍDA DE OFÍCIO. RECURSO DE APELAÇÃO PREJUDICADO. 1. Trata-se de recurso de apelação interposto em face da sentença que julgou improcedente a demanda de origem. 2. Irresignada, a promovente interpôs recurso de apelação, no qual requer, em síntese, a revisão das condições contratuais, destacando as dificuldades financeiras que enfrenta no atual momento. 3. Como é cediço, a presença dos pressupostos de admissibilidade reveste-se da natureza de matéria de ordem pública, podendo, desta forma, o julgador atuar ex officio. 4. Com base nessa premissa, verifico que a sentença padece de error in procedendo e nulidade decorrente do cerceamento de defesa. 5. Com efeito, ao compulsar detidamente os autos, observa-se que a sentença recorrida julgou improcedentes os pedidos formulados, ao argumento de que não estaria caracterizada a onerosidade excessiva superveniente, destacando a insuficiência probatória da pretensão autoral ao pontuar que ¿a demandante trouxe aos autos escassa prova sobre suas alegações, notadamente o fato de os netos dependerem economicamente dela ou de não possuírem outros meios de deslocamento.¿ (fls. 212). 6. Veja-se, contudo, que, após apresentada réplica à contestação, foi imediatamente exarada sentença de improcedência da demanda de origem, não tendo o juízo concedido prazo às partes para indicar as provas que pretendiam produzir, tampouco anunciado previamente o julgamento antecipado do mérito, o que configura violação clara aos princípios do contraditório e da ampla defesa, conforme prevê o art. 5°, inciso LV, da Constituição Federal 7. O artigo 355, inciso I, do Código de Processo Civil, estabelece que o juiz poderá julgar antecipadamente o mérito ¿quando a questão de mérito for unicamente de direito, ou, sendo de direito e de fato, não houver necessidade de produzir prova em audiência;¿. 8. Note-se que, em que pese o fato de o julgador ter a faculdade de julgar antecipadamente a lide, nos termos do art. 355 do Código de Processo Civil, quando considerar desnecessária a produção de outras provas, tal faculdade não tem o condão de elidir o exercício do contraditório e da ampla defesa pelas partes envolvidas. 9. Ou seja, há evidente equívoco em não oportunizar a produção probatória das partes e, ao mesmo tempo, utilizar a insuficiência probatória como fundamento para julgar improcedente a demanda de origem. 10. O direito de produzir prova engloba o direito à adequada oportunidade de requerer a sua produção, o direito de participar da sua realização e o direito de falar sobre os seus resultados. 11. Dessa forma, o julgamento antecipado do mérito sem prévio anúncio e a ausência de intimação para especificação de provas ensejam o error in procedendo e o cerceamento de defesa do demandante, impondo-se a desconstituição ex officio da sentença e o retorno dos autos à origem para o regular processamento. 12. Sentença anulada de ofício. Recurso de apelação prejudicado. ACÓRDÃO ACORDAM os Desembargadores integrantes da Segunda Câmara de Direito Privado do Tribunal de Justiça do Estado do Ceará, unanimemente, em cassar, de ofício, a sentença, deixando de conhecer do recurso de apelação interposto, por prejudicado, nos termos do voto da Relatora. <br /> (Apelação Cível&#160;- 0200222-50.2023.8.06.0158, Rel. Todavia, o inc. VII do art. 1.015, CPC/2015, prevê expressamente, que é cabível a interposição do Agravo de Instrumento das decisões interlocutórias que excluírem litisconsorte . Além disso, o Superior Tribunal de Justiça tem se manifestado no sentido de que é cabível o recurso supracitado nos casos em que o litisconsorte é excluído, em razão do reconhecimento da ilegitimidade passiva, com extinção parcial do processo: &#160; PROCESSUAL CIVIL. O entendimento adotado pelo acórdão recorrido se coaduna com a jurisprudência desta Corte, no sentido de que " é cabível agravo de instrumento - e não apelação - contra decisão que exclui litisconsorte passivo da lide, com extinção parcial do processo " (AgInt no AREsp n. 1.632.625/PR, relator Ministro Ricardo Villas Bôas Cueva, Terceira Turma, julgado em 8/3/2021, DJe 12/3/2021). 2. 	relator Ministro Moura Ribeiro, Terceira Turma, julgado em 2/9/2024, DJe de 4/9/2024.) &#160; Ante o exposto, p resentes os requisitos de admissibilidade, conheço do recurso. Conforme relatado, o cerne da controvérsia diz respeito à legitimidade do Município de Itapipoca/CE para compor a presente Ação de Danos Morais, dada a possibilidade de responsabilização do ente público no acidente de trânsito que o autor ora agravante se envolveu, em que colidiu com o caminhão de coleta de lixo, pertencente à empresa MARK – Terceirização, Coleta e Locação EIRELI, segunda requerida. Na decisão interlocutória de id 13674914, o juízo a quo acolheu a preliminar de ilegitimidade passiva do município, extinguindo o feito sem resolução de mérito em relação a este requerido, por entender que, de acordo com o entendimento do Superior Tribunal de Justiça, a responsabilidade do ente público cedente na concessão de execução de serviços públicos é subsidiária, em caso de dano causado pelo concessionário de serviço público, razão pela qual, o autor interpôs o presente Agravo de Instrumento. In casu , conforme pode ser visto no id. 58419612, pág. 02 (autos do 1º grau), em sede de contestação, a empresa Mark – Terceirização, Coleta e Locação Eireli, segunda requerida, confessa que “ Em verdade, ocorreu o acidente envolvendo o autor e o veículo desta contestante ”, além disso, presta informações sobre o condutor do veículo no momento do acidente, informando que “ o motorista do caminhão, Antônio Lúcio Carlos de Araújo, habilitado desde 2005, conforme CNH em anexo, tem carteira com categoria que lhe permite conduzir o veículo envolvido no acidente provocado pelo autor, e nunca se envolveu em acidente de trânsito .”, anexando, inclusive, a CNH do motorista ao id. 58419619 (autos do 1º grau). Desse modo, verifica-se que o agente envolvido no acidente, de fato, é preposto da empresa supracita, que é pessoa jurídica de direito privado prestadora de serviço público (coleta de lixo), e não preposto do poder público municipal. Diante de tal circunstância, resta afastada, portanto, a legitimidade passiva do Município de Itapipoca para a presente demanda, visto que todos os atos narrados na peça contestatória da requerida Mark – Terceirização, Coleta e Locação Eireli, dizem respeito apenas ao seu preposto e ao seu veículo, não sendo mencionado em nenhum momento qualquer ato praticado por algum preposto da municipalidade. Nesse sentido segue o art. 932, III do Código Civil, in verbis : &#160; Art. 932. São também responsáveis pela reparação civil: <span style="font-size:

De efeito, a existência da concessão feita pelo Estado, por si, não o aprisiona diretamente nas obrigações de direito privado, uma vez que a atividade cedida é desempenhada livremente e sob a responsabilidade da empresa concessionária . &#160; Ademais, para que se confirme a responsabilidade subsidiária da Administração Pública, em sentido amplo, ocorrerá quando restar comprovado que a concessionária não tem como arcar com a reparação devida. Nesses casos, o poder público assume a obrigação principal de indenizar ou reparar o dano. Vejamos: &#160; ADMINISTRATIVO E PROCESSUAL CIVIL. AGRAVO INTERNO NO RECURSO ESPECIAL. AÇÃO INDENIZATÓRIA. CUMPRIMENTO DE SENTENÇA. INCLUSÃO DO PODER CONCEDENTE NO POLO PASSIVO. RESPONSABILIDADE SUBSIDIÁRIA. ACÓRDÃO RECORRIDO EM CONSONÂNCIA COM A JURISPRUDÊNCIA DO SUPERIOR TRIBUNAL DE JUSTIÇA. 1. O Superior Tribunal de Justiça tem entendimento de que "a responsabilidade do Poder Concedente é subsidiária, nas hipóteses em que o concessionário ou permissionário não detiver meios de arcar com a indenizações pelos prejuízos a que deu causa." (REsp 1820097/RJ, Rel. Ministro HERMAN BENJAMIN, SEGUNDA TURMA, julgado em 07/11/2019, DJe 19/12/2019). 2. Caso em que o acórdão recorrido consignou que não houve demonstração do exaurimento do patrimônio da parte executada, razão pela qual não se viabiliza a inclusão do poder concedente no polo passivo da execução. Assim, a alteração dessa conclusão ensejaria o reexame de matéria fática, o que é vedado no âmbito do recurso especial, nos termos da Súmula 7/STJ . 3. Agravo interno não provido. FAMÍLIA DE BAIXA RENDA. DANOS MATERIAIS (PENSIONAMENTO) DEVIDO. PRECEDENTES STJ. FIXAÇÃO EM 2/3 DO SALÁRIO MÍNIMO A SER PAGO ATÉ 25 ANOS DOS FILHOS E, PARA A ESPOSA, ATÉ QUE O DE CUJUS COMPLETASSE 65 (SESSENTA E CINCO) ANOS DE IDADE. NECESSIDADE DE DESCONTO DO SEGURO DPVAT. CONSECTÁRIOS LÓGICOS EM OBEDIÊNCIA AO TEMA N. 905 DO STJ. HONORÁRIOS ADEQUADOS A SEREM PAGOS APENAS PELA EMPRESA DEMANDADA, NOS MOLDES DO ESTIPULADO EM SENTENÇA. RECURSOS CONHECIDOS. APELO DA MUNICIPALIDADE PROVIDO. DEMANDA EXTINTA EM RELAÇÃO AO MUNICÍPIO. INCONFORMISMOS DA EMPRESA E DOS AUTORES PARCIALMENTE PROVIDOS. SENTENÇA REFORMADA EM PARTE. 1. O cerne da questão cinge-se em averiguar a higidez da sentença promanada pelo douto Juízo de primeiro grau que julgou parcialmente procedentes os pedidos exordiais para afastar o dano material, contudo, condenar a Empresa Concessionária e a Municipalidade ao pagamento de R$60.000,00 (sessenta mil reais) para cada um dos filhos ali elencados e R$65.000,00 (sessenta e cinco mil reais), para a esposa do de cujus. 2. De pronto, ao apreciar o Apelo da Municipalidade, verifico assistir razão aos seus argumentos, notadamente a sua ilegitimidade passiva, eis que, para que houvesse justificação de seu ingresso na querela, necessariamente deveria haver comprovação da insuficiência financeira da Empresa Demandada em arcar com os prejuízos suportados ou patente equívoco em sua fiscalização, situação que não ocorreu nos autos. 3. Desse modo, em obediência a entendimento consolidado pelo Colendo STJ, não se justifica a continuidade da querela em desfavor do Município, ainda que de forma subsidiária, eis que a referida responsabilidade só acontecerá em impossibilidade de pagamento da indenização pela Concessionária, oportunidade em que poderá ser chamado ao feito, mas, não responsabilizado pela atividade propriamente dita da Empresa demandada. Preliminar acolhida, demanda extinta em relação ao Município. 4. Por conseguinte, ao analisar a preliminar de prescrição suscitada pela Empresa Requerida, entendo não assistir razão, haja vista que se trata de pessoa jurídica de direito privado prestadora de serviços públicos, portanto, se submetendo ao prazo prescricional quinquenal previsto no art. 27 do CDC e mesmo o que dispõe o DL n. 20.910/32, não havendo se falar em adoção da regra geral estabelecida no Código Civil. Precedentes TJCE. Preliminar rejeitada. 5. Ademais, quanto ao erro material suscitado pelos Autores, afirmo assistir razão, eis que, apesar de explicitamente condenar a parte Demandada ao pagamento de indenização em favor de todos os filhos e esposa, ao lhes enunciar, o Juízo de primeiro grau se esqueceu de um deles, razão pela qual deve ser corrigida a parte dispositiva para acrescentar o filho faltante, garantindo-lhe os mesmos direitos conferidos à todos. 6. Quanto ao mérito propriamente dito, notadamente os danos morais e materiais, afirmo que ambos os inconformismos merecem parcial provimento. Isso porque, apesar de inexistir nos autos comprovação de culpa exclusiva ou concorrente da vítima capaz de afastar o nexo de causalidade entre a conduta irregular do condutor do ônibus e o dano causado (óbito), bem assim o valor estar condizente com os parâmetros jurisprudenciais estabelecidos, não merecendo majoração ou minoração no quantum fixado, em relação ao Seguro DPVAT, este deverá ser descontado do valor indenizatório a ser pago em favor dos Requerentes. Precedentes TJCE. 7. Por seu turno, quanto aos danos materiais, notadamente, o pleito de pensionamento, verifico equívoco no Decisum hostilizado, pois, conforme entendimento firmado pelo Colendo Tribunal da Cidadania, tratando-se de família de baixa renda, a

	dependência econômica é presumida, razão pela qual fazem jus ao percebimento de pensão, nesta oportunidade fixada em 2/3 (dois terços) do salário mínimo, a ser pago até os filhos completarem 25 (vinte e cinco) anos, e, em relação a esposa, até a data que o falecido atingisse a idade de 65 (sessenta e cinco) anos. Precedentes STJ e TJCE. 8. Por fim, quanto aos consectários lógicos, entendo não merecer reproche a sentença objurgada, eis que aplicou devidamente o que define o Tema n. 905 do STJ, oportunidade em que, por força da sucumbência mínima, corrijo os honorários outrora fixados, a serem pagos apenas pela Empresa Demandada, excluindo-se, consequentemente, a Municipalidade, ante a extinção do feito em seu desfavor, e os Autores, haja vista que alcançaram quase na totalidade os pleitos Exordiais, mantendo-se o percentual fixado nos moldes do Decisum hostilizado. 9. Recursos conhecidos. Apelo do Município provido e extinto o feito em sua relação. Inconformismos dos Autores e da Empresa parcialmente providos. Sentença reformada em parte. Caso em exame </p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;">1. Agravo de instrumento com pedido de tutela recursal interposto por Jamille da Silva Rabelo contra decisão interlocutória proferida pelo Juízo da 4ª Vara da Fazenda Pública da Comarca de Fortaleza, que indeferiu liminar no bojo do MS nº 3016771-20.2024.8.06.0001, requerida no sentido de convocar a impetrante para a prova de títulos, possibilitando sua participação no curso de formação do concurso do IPLANFOR.</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> &#160;</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> II. Questão em discussão </p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;">2. A questão em discussão consiste em analisar a decisão de primeiro grau que indeferiu liminar no bojo do mandado de segurança, a fim de aferir se a autora tem direito a ser convocada para a prova de títulos, com base nos critérios objetivos fixados no edital do certame.&#160;</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> III. Razões de decidir </p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;">3. Inicialmente, acolho a preliminar de ilegitimidade passiva do Secretário do Planejamento, Orçamento e Gestão do Município de Fortaleza, arguida pelo ente municipal em suas contrarrazões recursais, porquanto o concurso público em questão é executado pelo Instituto de Desenvolvimento Educacional, Cultural e Assistencial Nacional (IDECAN), para o qual devem ser dirigidos todos os recursos administrativos referentes a todas as etapas do certame, inclusive a fase de títulos.&#160;</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;">4. Tem-se, então, uma vez que o Secretário Municipal do Planejamento, Orçamento e Gestão é parte ilegítima para figurar no polo passivo da lide, consequentemente, resta indevida a presença do Município de Fortaleza na condição de representante do referido Secretário Municipal, por lhe faltar legitimatio para tanto, sendo sua exclusão medida que se impõe nesta oportunidade.</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;">5. Em juízo de prelibação, tenho que o Magistrado de origem agiu com acerto ao indeferir a

Processo	3004110-12.2024.8.06.0000
	liminar, em estrita observância ao Edital nº 01/2024, que regulamenta o concurso do IPLANFOR, sendo a lei do certame.</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> 6. Para o cargo de Analista de Planejamento e Inovação – Área 08: Desenvolvimento Urbano (almejado pela autora), foram ofertadas 3 (três) vagas no total, sendo 2 (duas) de ampla concorrência, 1 (uma) para negros e nenhuma para PCDs (item. 2.3 do Edital). Consoante relatado, ela alcançou o 17º lugar na prova objetiva e o 10º lugar na fase subjetiva, porém não foi convocada para a prova de títulos.</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> 7. Como bem observado pelo Juízo a quo, os itens 8.15.15.1 e 8.15.15.3 do edital tratam exclusivamente da possibilidade de&#160;corrigir a prova discursiva&#160;dos demais candidatos da listagem geral na hipótese de inexistência de candidatos com deficiência ou candidatos negros em número suficiente.</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> 8. Já o item 9.2 dispõe especificamente sobre a fase de títulos, fazendo menção ao item 8.15.15 tão somente para utilizar o quantitativo de candidatos nele previsto.</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> 9. Segundo interpretação da insurgente, “o item 9.2 do edital determinou que fossem convocados para a prova de títulos (terceira fase) 50% dos APROVADOS na prova discursiva (segunda fase), e não 50% dos que dela participaram”.</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> 10. Ocorre que, como já mencionado, o item 9.2 estabeleceu a convocação de 50% do número da tabela do item 8.15.15, ou seja, deveriam ser convocados 8 (oito) dos 16 (dezesseis) candidatos de ampla concorrência e assim por diante. Como a agravante logrou o 10º lugar, não figurou na lista de convocação para a etapa de títulos.</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> 11. Desse modo, não vejo como se estender à fase de títulos uma disposição editalícia específica de outra fase (prova discursiva), realizando verdadeira interpretação extensiva do edital para beneficiar a candidata, o que equivaleria a indevida incursão do Poder Judiciário no mérito Administrativo, em violação ao princípio da Separação dos Poderes.</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> 12. Ademais, de acordo com o entendimento do Supremo Tribunal Federal, é constitucional a denominada cláusula de barreira (Tema 376), regra inserida no edital de concurso público com o intuito de selecionar apenas os candidatos com melhor classificação para prosseguir no certame.</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> IV. Dispositivo e tese </p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> 13. Agravo de Instrumento conhecido e desprovido.</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> &#160;</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> Tese de julgamento: “O edital faz lei entre as partes e deve ser cumprido fielmente tanto pelo ente público quanto pelos cidadãos que a ele se submetem, salvo se houver previsão de cláusula ilegal ou inconstitucional, o que não é o caso dos autos, por ser possível limitar o acesso dos candidatos aprovados com base em critérios objetivos relacionados ao desempenho dos participantes, não tendo a autora satisfeito cumulativamente os requisitos necessários para ser aprovada na fase de títulos do concurso”.</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> &#160;</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> &#160;</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> Dispositivos relevantes citados: &#160;</p><p class="MsoNormal" style="text-indent: 0cm; line-height: 200%;"> <span style="font-family: Arial, sans-serif; background-image: initial; background-position: initial; background-size:

	que permitia que mais candidatos da ampla concorrência fossem chamados para a prova discursiva caso não fossem aprovados os candidatos cotistas e PCD’s no número delimitado no subitem 8.15.15 (ou seja, as vagas que “sobrassem” advindas das cotas seriam remanejadas para a ampla concorrência na segunda fase). Relata que, tendo alcançado o 10º lugar após a prova discursiva, acabou não sendo convocada para a fase de títulos (3ª etapa), pois para esta o edital previu, no item 9.2, que participariam apenas metade do número de candidatos definidos no item 8.15.15. (no caso do cargo de Analista Área 8, seriam convocados apenas 8 candidatos da ampla concorrência para a prova de títulos). Assim, sustenta a tese de que, como houve redistribuição dos quantitativos originalmente fixados no item 8.15.15 do edital, por conta do item 8.15.15.1, impunha-se que houvesse repercussão também no número de convocáveis para a prova de títulos (50% dos que nela foram aprovados, consideradas as vagas acrescidas, e não apenas aquelas originalmente previstas).</p><p class="MsoNormal" style="text-indent: 3cm; line-height: 200%; text-align: justify;"> Por fim, requer a concessão de tutela antecipada recursal para “reformar a decisão agravada no sentido de ser deferida tutela de urgência liminarmente para a convocação da impetrante/agravante para a prova de títulos, com abertura de novo prazo para envio de documentação pertinente e possibilitar ainda a sua participação no curso de formação”.</p><p class="MsoNormal" style="text-indent: 3cm; line-height: 200%; text-align: justify;"> Na decisão interlocutória de Id. 14032063, foi indeferida a tutela recursal pleiteada.</p><p class="MsoNormal" style="text-indent: 3cm; line-height: 200%; text-align: justify;"> Contrarrazões do Município de Fortaleza (Id. 14919832): suscitou a preliminar de ilegitimidade passiva do ente público e do Secretário Municipal do Planejamento, Orçamento e Gestão; no mérito, requer o desprovimento recursal.&#160;</p><p class="MsoNormal" style="text-indent: 3cm; line-height: 200%; text-align: justify;"> O IDECAN juntou sua contestação apresentada nos autos de origem (Id. 15254441).</p><p style="text-indent: 8%; text-align: justify;">&#160;</p><p class="MsoNormal" style="text-indent: 3cm; line-height: 200%; text-align: justify;"> Parecer da Procuradoria Geral de Justiça&#160; (Id. 15493915): manifestou-se pelo conhecimento e desprovimento do recurso.</p><p class="MsoNormal" style="text-indent: 3cm; line-height: 200%; text-align: justify;"> &#160; É o relatório.</p><p style="text-align: center;">&#160;</p><p style="text-align: center;">&#160;</p><p style="text-align: center;"> <strong style="font-size: small;"> <strong style="font-size: small; text-align: justify;"> VOTO </p><p style="text-align: center;">&#160;</p><p class="MsoNormal" style="text-indent: 3cm; line-height: 200%; text-align: justify;"> Presentes os requisitos de admissibilidade, conheço do recurso.</p><p class="MsoNormal" style="text-indent: 3cm; line-height: 200%; text-align: justify;">Conforme relatado, trata-se de agravo de instrumento com pedido de tutela recursal interposto por Jamille da Silva Rabelo contra decisão interlocutória proferida pelo Juízo da 4ª Vara da Fazenda Pública da Comarca de Fortaleza, que indeferiu liminar no bojo do MS nº 3016771-20.2024.8.06.0001, requerida no sentido de convocar a impetrante para a prova de títulos, possibilitando sua participação no curso de formação do concurso do IPLANFOR.</p><p class="MsoNormal" style="text-indent: 3cm; line-height: 200%; text-align: justify;"> De logo, deve ser enfrentada a preliminar de ilegitimidade passiva do Secretário do Planejamento, Orçamento e Gestão do Município de Fortaleza, arguida pelo ente municipal em suas contrarrazões recursais, sob o fundamento de que o concurso público em questão é regido pelo Instituto de Desenvolvimento Educacional, Cultural e Assistencial Nacional (IDECAN).</p><p class="MsoNormal" style="text-indent: 3cm; line-height: 200%; text-align: justify;"> Nesse contexto, a Lei nº 12.016/2009, que regula o mandado de segurança, estabelece quem deve ser considerada autoridade coatora, para os fins de impugnação por tal via processual da conduta que lhe se atribui. 	IMPOSSIBILIDADE DE ANÁLISE MERITÓRIA POR ESTE SODALÍCIO. REMESSA DOS AUTOS PARA UMA DAS VARAS DA FAZENDA PÚBLICA. I - Constata-se que o Secretário de Justiça e Cidadania do Estado do Ceará não é o responsável pelo ato apontado pelo autor como ilegal e/ ou abusivo, vez que o próprio edital, que faz lei entre os que o aderem, foi claro ao estabelecer quem era a autoridade responsável pela análise de recursos de questões. Não existe lógica o remanejamento das vagas sobressalentes dos candidatos pretos e PCDs para a ampla concorrência na primeira fase do concurso, se depois seria retomada a quantidade de vagas originalmente ofertadas”.</p><p class="MsoNormal" style="text-indent: 3cm; line-height: 200%; text-align: justify;"> Ocorre que, como já mencionado, o item 9.2 estabeleceu a convocação de 50% do número da tabela do item 8.15.15, ou seja, deveriam ser convocados 8 (oito) dos 16 (dezesseis) candidatos de ampla concorrência e assim por diante. AUSÊNCIA DE DIREITO LÍQUIDO E CERTO. REAVALIAÇÃO DAS PROVAS PRODUZIDAS. PRETENSÃO QUE EXTRAPOLA A VIA MANDAMENTAL. AGRAVO INTERNO DESPROVIDO. 1. As cláusulas de barreira em concurso público, para seleção dos candidatos mais bem classificados para prosseguir no certame, têm amparo constitucional, consoante a tese de repercussão geral fixada pelo Plenário do Supremo Tribunal Federal no julgamento do Recurso Extraordinário 635.739 (Rel. Min. Gilmar Mendes, DJe de 3/10/2014, Tema 376). 2. O surgimento, a posteriori, de cargos efetivos durante o prazo de validade do concurso público não gera direito subjetivo à correção da prova discursiva de candidato desclassificado do certame em virtude de cláusula de barreira. 3. O Superior Tribunal de Justiça negou seguimento ao writ originário sob o fundamento de que a nomeação de candidatos aprovados fora do número de vagas não gera direito subjetivo à correção de prova discursiva de candidato desclassificado, posto inexistente qualquer preterição. 4. In casu, a agravante (i) não alcançou a nota mínima, estabelecida em edital, necessária à correção de prova discursiva para sua continuidade no concurso público e (ii) não integra a lista de cadastro de reserva do certame. Ausente, portanto, qualquer preterição ou ilegalidade praticada pela autoridade administrativa. 5. Agravo interno DESPROVIDO. MANUTENÇÃO DA DENEGAÇÃO DA ORDEM PLEITEADA NO WRIT. 1. Trata-se, in casu, de apelação cível em mandado de segurança, por meio da qual o impetrante busca reformar sentença proferida pelo Juízo da 3ª Vara da Fazenda Pública de Fortaleza, que denegou a segurança requestada, objetivando prosseguir no concurso público da Fundação Regional de Saúde - FUNSAÚDE, regulado pelo Edital nº 01/2021, no qual concorre ao cargo de Cirurgião Dentista – Odontologia Hospitalar, e, assim, lograr participação na fase de avaliação de títulos.&#160; 2. Ora, a Administração, no exercício do seu poder discricionário, tem a prerrogativa de instituir as chamadas "cláusulas de barreira" em concurso público, limitando, com fundamento em critérios objetivos, o número de candidatos que participarão de suas fases seguintes. 3. Todavia, não se pode olvidar que o princípio da legalidade deve nortear a atuação da Administração, sendo, excepcionalmente, admitida a intervenção do Judiciário, nos casos de inobservância de tal baliza. 4. Na hipótese, foram anunciadas pela FUNSAÚDE, no total, 14 (quatorze) vagas para candidatos ao cargo de Cirurgião Dentista – Odontologia Hospitalar, sendo 10 (dez) vagas para a ampla concorrência, 1 (uma) vaga reservada para PCD e 3 (três) vagas para negros (item 3.1 – fls. 18 – ID 7510906), tendo o impetrante concorrido nas vagas destinadas a candidatos negros e a pessoas com deficiência. 5. Consoante o item 12.1 do Edital nº 01/2021, os candidatos aprovados até o limite de 3 (três) vezes o número de vagas ofertadas em cada lista de classificação teriam seus títulos avaliados. 6. Ocorre que, de acordo com o resultado definitivo da prova objetiva para o cargo de Cirurgião Dentista – Odontologia Hospitalar, o impetrante restou classificado em 9º lugar na categoria pessoas com deficiência (PCD), e em 28º lugar na categoria candidatos negros, confirmado pelo próprio impetrante em suas razões recursais. 7. Desta forma, não há nenhum ato ilegal a ser afastado, uma vez que o impetrante encontra-se fora do limite (cláusula de barreira) dos candidatos aptos a terem seus títulos avaliados. 8. Consequentemente, se não há direito líquido e certo devidamente comprovado nos autos pelo impetrante, inviabiliza-se sua pretensão mandamental. -

No caso dos autos, verifica-se, no entanto, que não está satisfatoriamente evidenciada a pertinência da continuidade de tal contratação a ponto de justificar a interferência do Judiciário, mormente diante da existência de Procuradoria Jurídica no âmbito Câmara Municipal de Iguatu e de procedimento administrativo de rescisão unilateral do contrato n. 2023.03.13.01–CAM/Iguatu–CE, considerando ainda o trâmite da Ação Anulatória ajuizada pelo escritório de advocacia, que ainda se encontra em fase se instrução, demonstrando a probabilidade do direito invocado.</p><p class="MsoNormal" style="margin-bottom: .0001pt; text-align: justify; text-justify: inter-ideograph; line-height: 150%; mso-pagination: none; mso-layout-grid-align: none; text-autospace: none;"> 3.3. Por outro lado, o periculum in mora também se faz evidente, na medida em que a continuidade da decisão que determinou o imediato restabelecimento de todos os efeitos legais do referido contrato administrativo poderá acarretar danos irreparáveis ou de difícil reparação ao erário, decorrentes da continuidade de uma possível contratação indevida e, por consequência, da realização de despesas desnecessárias, por parte de ente público municipal.</p><p class="western" style="text-align: justify; text-justify: inter-ideograph; line-height: 150%;"> 3.4.
