Isso porque, ao contrário do que foi pedido pela parte autora e determinado no julgamento de 1º grau, o Tema 831 do STF trata da necessidade de observância do regime de precatórios para o pagamento de valores devidos pela Fazenda Pública entre a data da impetração do mandado de segurança e a efetiva implementação da ordem concessiva. Já o Tema 1.262 do STF proíbe a restituição administrativa do indébito tributário, devido à necessidade de submissão do pagamento ao regime de precatórios, conforme o Art. 100 da CF/88. 	2015 (Enunciados Administrativos nºs 2 e 3/STJ). 2. Cinge-se a controvérsia a saber se o seguro-garantia judicial pode ser recusado como garantia do juízo apenas pelo fato de conter, na respectiva apólice, prazo de validade determinado e cláusula condicionando os efeitos da cobertura ao trânsito em julgado. 3. O § 2º do art. 835 do CPC/2015, para fins de substituição da penhora, equiparou a dinheiro a fiança bancária e o seguro-garantia judicial, desde que em valor não inferior ao do débito constante da inicial, acrescido de 30% (trinta por cento). 4. Em que pese a lei se referir a "substituição", que pressupõe a anterior penhora de outro bem, o seguro-garantia judicial produz os mesmos efeitos jurídicos que o dinheiro, seja para fins de garantir o juízo, seja para possibilitar a substituição de outro bem objeto de anterior penhora, não podendo o exequente rejeitar a indicação, salvo por insuficiência, defeito formal ou inidoneidade da salvaguarda oferecida. 5. A idoneidade da apólice de seguro-garantia judicial deve ser aferida mediante verificação da conformidade de suas cláusulas às normas editadas pela autoridade competente, no caso, pela Superintendência de Seguros Privados - SUSEP, sob pena de desvirtuamento da verdadeira intenção do legislador ordinário. 6. A simples fixação de prazo de validade determinado na apólice e a inserção de cláusula condicionando os efeitos da cobertura ao trânsito em julgado da decisão não implicam, por si só, inidoneidade da garantia oferecida. 7. A renovação da apólice, a princípio automática, somente não ocorrerá se não houver mais risco a ser coberto ou se apresentada nova garantia. Se não renovada a cobertura ou se o for extemporaneamente, caraterizado estará o sinistro, de acordo com a regulamentação estabelecida pela SUSEP, abrindo-se para o segurado a possibilidade de execução da apólice em face da seguradora. 8. Na hipótese de haver cláusula condicionando o sinistro ao trânsito em julgado para fins de execução da garantia (apólice), como forma de harmonizar o instituto com o ordenamento processual como um todo, admite-se a recusa da garantia ou da substituição da penhora, pelo juízo da execução, a partir das especificidades do caso e mediante decisão fundamentada, se a objeção do executado não se mostrar apta, a princípio, à desconstituição total ou parcial do título. 9. Julgada a impugnação, poderá o juiz determinar que a seguradora efetue o pagamento da indenização, ressalvada a possibilidade de atribuição de efeito suspensivo ao recurso interposto pelo tomador, nos moldes do art. 1.019, I, do Código de Processo Civil de 2015. 10. 	text-decoration: none; vertical-align: baseline; white-space: pre-wrap;">Cinge-se a controvérsia em discutir a possibilidade de suspensão da exigibilidade de crédito não tributário a partir da oferta de seguro garantia com prazo de vigência determinado. 02. No caso concreto, verifica-se que o prazo da apólice do seguro apresentado pela ora agravada apresenta vigência de 17/02/2023 a 17/02/2028, ou seja, pelo prazo de cinco anos (ID 57632255 - PJE 1º Grau). No entanto, existe, na própria apólice, mecanismo de renovação automática/sucessiva. 03. Assim, a não aceitação da apólice em virtude da existência de prazo determinado não se sustenta, mormente porque existe, no próprio contrato de seguro, mecanismos que impedem a perda da garantia, com pagamento do valor segurado para o reclamante em caso de não renovação da apólice. 04. Desse modo, não se vislumbra circunstância que justifique a rejeição da salvaguarda oferecida no presente caso, vez que não evidenciada insuficiência, defeito formal ou inidoneidade, impondo-se a manutenção da liminar outrora deferida. Precedentes STJ. 05. Agravo Interno Cível conhecido e desprovido. Decisão interlocutória mantida. (Agravo Interno Cível - 3000526-23.2023.8.06.0000, Rel. AÇÃO ANULATÓRIA. PROCEDIMENTO ADMINISTRATIVO. MULTA APLICADA PELO PROCON/CE. CRÉDITO NÃO TRIBUTÁRIO. SUSPENSÃO DA EXIGIBILIDADE. SEGURO-GARANTIA COM PRAZO DETERMINADO. INIDONEIDADE DA SEGURANÇA. JURISPRUDÊNCIA DO STJ. RECURSO CONHECIDO E NÃO PROVIDO. 1. O autor, ora agravante busca a suspensão da exigibilidade da multa aplicada pelo Procon em razão da prestação de seguro-garantia. Não se discute, portanto, o fundo de direito da ação, cujo mérito versa sobre a suposta ilegalidade e desproporcionalidade da multa, mas sim a aplicabilidade, por analogia, do art. 151, inciso II, do CPC, para suspender a exigibilidade de crédito não tributário. 2. Delimitada a questão recursal, cumpre destacar que a jurisprudência do STJ, embora vacilante, tem caminhado no sentido de reconhecer o seguro-garantia como caução apta a suspender a exigibilidade de crédito não tributário, se celebrado no valor integral do débito acrescido de trinta por cento, diferentemente dos créditos tributários, em que o depósito integral é a modalidade preferencial. 3. Todavia, ainda de acordo com a jurisprudência do STJ, o seguro-garantia é inidôneo à segurança da execução fiscal se a apólice tem prazo determinado de vigência, pois, com a longa duração de um processo judicial, pode haver o risco de inexistirem efeitos práticos à garantia oferecida, entendimento este também aplicável às ações anulatórias de créditos não tributários. Precedente da Primeira Turma do STJ. 4. No caso em tela, o seguro-garantia foi firmado com prazo determinado de três anos (fls. 508/520 dos autos originais), encontrando-se, no momento, inclusive expirada a vigência da apólice, uma vez que encerrada no dia 14/12/2021. É, portanto, impossível suspender a exigibilidade da dívida em razão da caução oferecida. 5. Decerto, a apólice ou o bilhete, segundo o art. 760 do Código Civil, devem mencionar o início e fim de sua validade e o art. 8º da Circular Susep nº 477/2013, ao tratar da matéria, menciona que a vigência será regulada por prazos. Todavia, nada impedia que as partes estipulassem o prazo do término de vigência coincidindo com o termo (evento futuro e certo) de trânsito em julgado do

	processo ou ainda que estipulassem renovações automáticas sucessivas, o que não ocorre no caso, pois, segundo a apólice, a alteração da vigência dependeria de requerimento do segurado e aceite pela Seguradora. 6. 	SENTENÇA MANTIDA.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; line-height: 200%;"> I. Caso em exame </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; line-height: 200%;"> 1. Apelação cível interposta pelo Município de Santa Quitéria em face de sentença prolatada pelo Juízo da 2ª Vara Cível da Comarca de Santa Quitéria, que julgou parcialmente procedente ação de cobrança c/c obrigação de fazer, para condenar o ente público à implementação do anuênio em favor da autora, com fundamento no Estatuto dos Servidores, incidente sobre o vencimento-base, além do pagamento das parcelas vencidas, respeitada a prescrição quinquenal.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; line-height: 200%;"> II. Questão em discussão </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; line-height: 200%;"> 2. A questão em discussão consiste em analisar eventual ocorrência de prescrição e decadência do direito da autora à implantação de adicional por tempo de serviço (anuênio).</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; line-height: 200%;"> III. Razões de decidir </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; line-height: 200%;"> 3. No que concerne à prescrição, verifica-se que o Juízo a quo agiu acertadamente ao reconhecer, de forma expressa, a prescrição dos débitos anteriores aos 05 (cinco) anos contados do ajuizamento da ação judicial (13/05/2024), nos moldes da Súmula 85 do STJ (“Nas relações jurídicas de trato sucessivo em que a Fazenda Pública figure como devedora, quando não tiver sido negado o próprio direito reclamado, a prescrição atinge apenas as prestações vencidas antes do quinquênio anterior à propositura da ação”).</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; line-height: 200%;"> 4. Diferente do instituto da prescrição, que extingue a ação, a decadência extingue o próprio direito, sendo a perda da possibilidade de exercer o direito potestativo (aquele que decorre somente da vontade do titular), porque seu titular não o fez em determinado lapso temporal.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; line-height: 200%;"> 5. No caso concreto, a promovente busca a implementação do anuênio, além das parcelas vencidas e vincendas não prescritas, com fulcro no art. 68 da Lei Municipal nº 081-A/93, valores não adimplidos pelo promovido. Consoante entendimento do STJ, não se opera o instituto da decadência nos casos em que se busca a implantação de reajuste de remuneração e não tiver sido negado o próprio direito, o que ocorre na espécie.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; line-height: 200%;"> 5. Assim, a existência de ato omissivo continuado (não implantação do anuênio), envolvendo obrigação de trato sucessivo, faz com que se renove mês a mês o prazo para a interposição da ação, como na hipótese dos autos, não havendo falar, pois, em decadência.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; line-height: 200%;"> 6. Portanto, deve ser afastada a alegação de decadência, incidindo apenas, no caso em tela, a prescrição quinquenal relativa às parcelas vencidas anteriormente ao quinquênio que antecedeu a data da propositura do feito, como já consignado pelo Magistrado de origem.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; line-height: 200%;"> IV. Dispositivo e tese </p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; line-height: 200%;"> 7. Apelação cível conhecida e desprovida. Sentença mantida.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; line-height: 200%;"> &#160;</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; line-height: 200%;"> Tese de julgamento: “A existência de ato omissivo continuado (não implantação do anuênio), envolvendo obrigação de trato sucessivo, faz com que se renove mês a mês o prazo para a interposição da ação, como na hipótese dos autos, não havendo falar, pois, em decadência, incidindo apenas, no caso em tela, a prescrição quinquenal relativa às parcelas vencidas anteriormente ao quinquênio que antecedeu a data da propositura do feito, como já consignado pelo Magistrado de origem”.</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; text-indent: 1.0cm; line-height: 200%;"> &#160;</p><p class="Standard" style="margin-left: 4.0cm; text-align: justify; text-justify: inter-ideograph; text-indent: 1.0cm; line-height: 200%;"> <span

IRRADIAÇÃO DOS EFEITOS ÀS DEMAIS AÇÕES LITISPENDENTES. 1. A Primeira Seção desta Corte Superior já decidiu que "a <em style="mso-bidi-font-style: normal;">ratio essendi da litispendência é que a parte não promova duas demandas visando o mesmo resultado, o que, frise-se, em regra, ocorre quando o autor formula em face da mesma parte, o mesmo pedido, fundado da mesma causa de pedir. <strong style="mso-bidi-font-weight: normal;">Ressalte-se que esta é a regra, e por sua vez, comporta exceções, pelo que, por força desses princípios depreendidos das normas e da razão de ser das mesmas é possível afirmar-se que há litispendência quando duas ou mais ações conduzem ao mesmo resultado; por isso que: electa una via altera non datur". (MS 8483/DF, Rel. Min. Luiz Fux, DJ: 16.5.2005, p. 205). 2. No caso, observa-se que a parte ré, nos referidos processos no acórdão <em style="mso-bidi-font-style: normal;">a quo, é o MUNICÍPIO DE SÃO PAULO, e as autoras todas licitantes da Concorrência 013/2002 que entraram com o mesmo pedido e causa de pedir, configurando a litispendência, pois percebe-se a relação entre estas, devido a ligação com a referida Concorrência. Assim, utilizando do principio da economia processual, aplica-se tal instrumento observado no art. 301, § 1º, do CPC: "verifica-se a litispendência ou a coisa julgada, quando se reproduz ação anteriormente ajuizada". 3. Observa-se, portanto, correto o entendimento firmado pelo Tribunal <em style="mso-bidi-font-style: normal;">a quo, não existindo qualquer violação do art. 18 da Lei n. 4.717/1965, sendo possível a aplicação do efeito erga omnes aos licitantes. Segundo a jurisprudência do STJ, é possível a ocorrência de litispendência entre mandado de segurança e ação ordinária, entendendo-se que tal fenômeno se caracteriza, quando há identidade jurídica, ou seja, quando as ações intentadas objetivam, ao final, o mesmo resultado, ainda que o polo passivo seja constituído de pessoas distintas; no pedido mandamental, a autoridade

Cuidam-se de Remessa Necessária e Apelações Cíveis, autuadas sob o nº. 0030316-68.2011.8.06.00001, interpostas em desfavor da Sentença proferida pela MM Juíza de Direito Titular da 12ª Vara da Fazenda Pública da Comarca de Fortaleza/CE, que nos autos da Ação Ordinária ajuizada por JOSÉ DARLAN BESERRA QUEVEDO E OUTROS em face do ESTADO DO CEARÁ, julgou procedente o pleito inicial de incorporação da gratificação de titulação, nos percentuais respectivos, sobre o vencimento base, de parcelas vencidas e vincendas, tudo devidamente atualizado monetariamente com a incidência de juros de mora. 2. Inicialmente, depreende-se dos autos que os autores da presente Ação Ordinária impetraram Mandado de Segurança contra ato atribuído aos SECRETÁRIOS DA FAZENDA e DE ADMINISTRAÇÃO DO ESTADO DO CEARÁ, consubstanciado no não pagamento da Gratificação de Titulação prevista no art. 25 da Lei nº 13.778/2006, que instituiu o novo Plano de Cargos e Carreiras do Grupo Ocupacional, Tributação, Arrecadação e Fiscalização - TAF, da Secretaria da Fazenda. 3. Pois bem. Compulsando com acuidade o caderno procedimental virtualizado, observa-se que a Ação Ordinária ajuizada na origem (nº. 0030316-68.2011.8.06.0001) em 11 de abril de 2011, possui as mesmas partes, a mesma causa de pedir e o mesmo pedido do Mandado de Segurança ajuizado em 19 de março de 2007, e autuado sob o nº. 0023282-84.2007.8.06.0000, julgado no Eg. Órgão Especial deste Sodalício em 15 de março de 2018, sob a relatoria do Eminente Des. Antônio Aberlado Benevides Morais. 4. Diante disso, a meu sentir, os presentes recursos interpostos em face da ação ordinária não merecem prosseguir, dada a presença de causa de extinção do feito, ocasionando a impossibilidade de apreciação do mérito da lide. Ademais, saliente-se que a Julgadora pode a qualquer tempo conhecer, de ofício, da matéria, ora analisada, por se tratar de questão de ordem pública. 5. Remessa necessária de sentença em ação de cobrança movida por servidora pública efetiva contra o Município de Mombaça, visando o recebimento de gratificações, férias, 13º salário e FGTS. O juízo de primeiro grau, verificando que as gratificações pleiteadas possuíam previsão apenas na Lei Orgânica do Município, bem como, que o 13º salário havia sido pago e incabível a verba fundiária na relação estatutária, julgou parcialmente procedente o pedido, condenando o ente público apenas ao pagamento das férias acrescidas do terço constitucional, referentes ao período de&#160;2010 a 2012. ARGUMENTOS INSUFICIENTES PARA DESCONSTITUIR A DECISÃO ATACADA. APLICAÇÃO DE MULTA. ART. 1.021, § 4º, DO CÓDIGO DE PROCESSO CIVIL DE 2015. DESCABIMENTO. I - Consoante o decidido pelo Plenário desta Corte na sessão realizada em 09.03.2016, o regime recursal será determinado pela data da publicação do provimento jurisdicional impugnado. In casu, aplica-se o Código de Processo Civil de 2015. II - A Corte Especial, no julgamento do Recurso Especial n. 1.101.727/PR, submetido ao rito do art. 543-C do Código de Processo Civil de 1973, firmou entendimento segundo o qual o reexame necessário de sentença proferida contra a União, os Estados, o Distrito Federal, os Municípios e suas respectivas autarquias e fundações de direito público (art. 475, § 2º, do CPC/1973) é regra, admitindo-se sua dispensa nos casos em que o valor da condenação seja certo e não exceda a 60 (sessenta) salários mínimos. III - Tal entendimento foi ratificado com o enunciado da Súmula n. 490/STJ: "a dispensa de reexame necessário, quando o valor da condenação ou do direito controvertido for inferior a sessenta salários mínimos, não se aplica a sentenças ilíquidas". IV - No entanto, esta Corte, após vigência do novo estatuto processual, tem firmado entendimento de que a elevação do limite para conhecimento da remessa necessária significa uma opção pela preponderância dos princípios da eficiência e da celeridade, e não obstante a aparente iliquidez das condenações, se houver possibilidade de aferição por simples cálculos aritméticos, forçoso reconhecimento que se trata de verdadeira hipótese de dispensa de reexame. V - O Agravante não apresenta, no agravo, argumentos suficientes para desconstituir a decisão recorrida. VI - Em regra, descabe a imposição da multa prevista no art. 1.021, § 4º, do Código de Processo Civil de 2015 em razão do mero desprovimento do Agravo Interno em votação unânime, sendo necessária a configuração da manifesta inadmissibilidade ou improcedência do recurso a autorizar sua aplicação, o que não ocorreu no caso. VII - Agravo Interno improvido. REMESSA NECESSÁRIA. SENTENÇA. LIQUIDEZ. REVISÃO DO CONTEXTO FÁTICO-PROBATÓRIO. IMPOSSIBILIDADE. SÚMULA 7/STJ. 1. Trata-se de Agravo Interno contra decisão monocrática da Presidência do Superior Tribunal de Justiça, que não conheceu do Agravo em Recurso Especial ante o óbice da Súmula 182/STJ. 2. Afastado o óbice processual, passa-se ao exame do recurso. 3. Não se configura ofensa ao art. 1.022 do CPC/2015, porquanto o Tribunal de origem julgou integralmente a lide e solucionou, de maneira amplamente fundamentada, a controvérsia, em conformidade com o que lhe foi apresentado. 4. O Tribunal de origem dirimiu a controvérsia, nestes termos: "Em que pese ilíquida a sentença, se somado o valor da indenização por danos morais, fixada em dez mil reais, ao pensionamento vitalício concedido à autora, no montante de meio salário mínimo por mês, por simples cálculo artimético, se chegará a conclusão de que não se alcançará, nem de perto, o piso de quinhentos salários mínimos exigidos para o reexame necessário, previsto no art. 496, §3º do CPC". 5. Alterar as conclusões adotadas pela Corte de origem, como defendido nas razões recursais, demanda novo exame do acervo fático-probatório constante dos autos, providência vedada em Recurso Especial, conforme o óbice previsto na Súmula 7/STJ. 6. Agravo Interno provido para, reconsiderando a decisão das fls. 398-400, e-STJ, conhecer do Agravo para conhecer do Recurso Especial apenas no que diz respeito à alegação de ofensa ao art. 1.022 do CPC/2015, e nessa extensão negar-lhe provimento. Caso em exame &#160; </p><p class="MsoNormal" style="mso-margin-top-alt: auto; margin-bottom: 0cm; text-align: justify; line-height: 150%;"> 1. Apelação Cível interposta por&#160; Jocilene Moreira Ferreira, em face da sentença proferida pelo Juízo da Vara Única da Comarca de Uruoca/CE, na Ação Ordinária de Cobrança de Adicional de Insalubridade e Adicional por Tempo de Serviço c/c Danos Morais.</p><p class="MsoNormal" style="text-align: justify;"> II. Questão em discussão &#160; </p><p class="MsoNormal" style="mso-margin-top-alt: auto; margin-bottom: 0cm; text-align: justify; line-height: 150%;"> 2. A questão em discussão consiste em analisar o direito da promovente, servidora pública do Município de Uruoca, conforme ficha funcional de Id. 14513679, ao recebimento do adicional de insalubridade, com pagamento de retroativo e seus reflexos, além da percepção de adicional por tempo de serviço (anuênio) previsto na Lei Municipal nº 217/1998 vigente à época, apesar da posterior revogação do dispositivo concessivo, por meio da Lei Municipal nº 110/2013.</p><p class="MsoNormal" style="text-align: justify;"> III. Razões de decidir &#160; </p><p class="MsoNormal" style="text-align: justify;"> 3. Quanto ao adicional por tempo de serviço, este fora revogado pelo art. 1º, da Lei Municipal nº 110/2013. A parte recorrente ingressou no serviço público municipal em 02/05/2007, motivo pelo qual faria jus ao citado adicional do citado período até a revogação da lei. Apesar disso, a presente ação fora interposta em 08/10/2018, mais de cinco anos após a revogação do benefício, ocorrida em 19/08/2013, não havendo que se falar em direito de receber os valores que deixou de fazê-lo, como alegado em sede recursal, uma vez que não postulou tal benefício em tempo hábil. </p><p class="MsoNormal" style="text-align: justify; line-height: 150%;"> 4. Em relação ao adicional de insalubridade, verifica-se que, a teor do laudo técnico de condições ambientais, resta comprovada a insalubridade de grau médio da função exercida pela autora, entretanto, a fixação da data de início da insalubridade remonta a data da produção da prova pericial, uma vez que não se pode presumir a ocorrência da insalubridade em datas pretéritas e o laudo não se encontra datado. Assim, a Sentença é correta ao reconhecer a ausência de provas quanto as condições insalubres a que esteja submetida a autora durante o período pleiteado.&#160; </p><p class="MsoNormal" style="text-align: justify;"> IV. Destacou ainda que é plenamente legal e justo que a Requerente receba todos os valores retroativos, abrangidos entre o período de junho de 2017 a fevereiro de 2020, referentes ao adicional de insalubridade, por ser direito líquido, certo e inerente a Autora que por todos esses anos trabalhou diariamente sob exposição direta de agentes insalubres, sem receber a gratificação legal para tanto. Assim, requer que o presente recurso de apelação seja conhecido e provido para reformar a Sentença recorrida no sentido de acolher o pedido inicial da Autora Apelante, julgando totalmente procedente a ação. 	PRECEDENTES DESTE TRIBUNAL. RECURSO CONHECIDO E PARCIALMENTE PROVIDO. SENTENÇA REFORMADA EM PARTE. 1. Cuida-se, na espécie, de apelação cível em ação ordinária, por meio da qual servidora pública do Município de Uruoca/CE busca o reconhecimento do seu direto à percepção de adicional de insalubridade em grau máximo desde a data de elaboração do laudo técnico e de adicional por tempo de serviço. 2. Verifica-se que a decisão a quo determinou a data da contestação como o termo inicial para pagamento do adicional de insalubridade à autora sob o fundamento de que o laudo técnico não contém a data de sua elaboração. 3. Contudo, o STJ e esta e. Corte de Justiça possuem firme entendimento no sentido de ser devida essa vantagem desde a elaboração do Laudo Técnico, o qual definiu a classificação da insalubridade da atividade exercida pela autora no percentual de 20% (grau médio).&#160; O fato de o documento não conter a data de elaboração impõe a aferição do período exato em fase de liquidação de sentença, como já se manifestou este Tribunal de Justiça ao julgar casos similares. 4. No que se refere ao adicional por tempo de serviço, o qual estava previsto no art. 64, da Lei Municipal nº 217/1998, impõe-se reconhecer que tal dispositivo foi revogado pela Lei Municipal nº 110/2013, sendo a vigência daquela vantagem encerrada em 19 de agosto de 2013. Assim, uma vez que a apelante apenas ingressou em juízo requerendo o citado adicional em 08 de outubro de 2018, evidencia-se a ocorrência da prescrição da pretensão, nos termos do Decreto-Lei nº 20.910/32. 5. Deve, então, ser parcialmente reformada a sentença recorrida, para reconhecer como termo inicial do adicional de insalubridade devido a data de elaboração do laudo pericial. Precedentes. Recurso conhecido e parcialmente provido. Sentença reformada em parte. (APELAÇÃO CÍVEL - 00001168220188060179, Relator(a): MARIA IRACEMA MARTINS DO VALE, 3ª Câmara de Direito Público, Data do julgamento: 20/03/2024, data da publicação: 21/03/2024) </p><p class="MsoNormal" style="mso-margin-top-alt: auto; margin-bottom: 0cm; margin-left: 4.0cm; text-align: justify; line-height: normal;"> <em> AÇÃO DE COBRANÇA DE ADICIONAL DE INSALUBRIDADE E ADICIONAL POR TEMPO DE SERVIÇO <span style="font-size: 10pt; font-family: Arial, sans-serif;"> <span style="font-size: x-small;">. SENTENÇA DE PARCIAL PROCEDÊNCIA. ADICIONAL POR TEMPO DE SERVIÇO REVOGADO PELA LEI Nº 110/2013. INCIDÊNCIA DA PRESCRIÇÃO. AÇÃO AJUIZADA APÓS O DECURSO DE 5 ANOS DA REVOGAÇÃO DO BENEFÍCIO. INÉRCIA AUTORAL. ADICIONAL DE INSALUBRIDADE. TERMO INICIAL. DATA DA APRESENTAÇÃO DO LAUDO PERICIAL. IMPOSSIBILIDADE DE AFERIR A INSALUBRIDADE EM DATA ANTERIOR. MAJORAÇÃO DOS HONORÁRIOS. SENTENÇA MANTIDA. &#160;1. A presente controvérsia recursal gira em perquirir a correção da Sentença impugnada, a qual reconheceu parcialmente o direito da parte autora, ora apelante, de receber adicional de insalubridade, nos termos constantes na Sentença, e de considerar prescrito o direito relacionado ao recebimento de adicional por tempo de serviço. &#160;2. Analisando os autos, conforme ficha funcional da parte postulante (ID 10865108), verifica-se que esta é atendente de consultório dentário, admitida como servidora pública em 01.04.2022, motivo pelo qual postula a incorporação de adicional por tempo de serviço, o qual era previsto no art. 64, do Estatuto dos Servidores Públicos do Município de Uruoca, bem como de adicional de insalubridade, pois exerceria atividade de risco. &#160;3. Quanto ao adicional por tempo de serviço, este fora revogado pelo art. 1º, da Lei Municipal nº 110/2013, cujo teor pode ser observado no ID 10865107. A parte recorrente ingressou no serviço público municipal em 01.04.2022, motivo pelo qual faria jus ao citado adicional do citado período até a revogação da lei. Apesar disso, a presente ação fora interposta em 10.10.2018 (ID 57614469), mais de cinco anos após a revogação do benefício, ocorrida em 19.08.2013, não havendo que se falar em direito de receber os valores que deixou de fazê-lo, como alegado em sede recursal, uma vez que não postulou tal benefício em tempo hábil. 4. Em relação ao adicional de insalubridade, verifica-se que, a teor do laudo técnico de condições ambientais (ID 10865111), resta comprovada a insalubridade de grau médio da função exercida pela autora, motivo pelo qual restou correta a Sentença ao deferir o pagamento do benefício na porcentagem de 20% (vinte por cento)&#160;do salário mínimo. O ponto questionado pela recorrente, entretanto, refere-se a data de início do benefício, uma vez que o citado laudo não encontra-se datado. A fixação da data de início da insalubridade remonta a data da produção da prova pericial, uma vez que não se pode presumir a ocorrência da insalubridade em datas pretéritas. Assim, a Sentença é correta ao estabelecer a data de início como a data de apresentação do laudo, pois inexiste prova da existência do requisito para a concessão do benefício em data anterior. 5. Recurso de Apelação conhecido para negar-lhe provimento. Sentença mantida em todos os seus termos. Honorários Advocatícios majorados para 15% do valor da condenação. 	desde 02/05/2007 conforme Termo de Posse (ID. nº 46868684), ao recebimento de adicional de insalubridade no período em que estava lotada na Secretaria de Saúde Municipal, bem como se possui direito ao adicional por tempo de serviço. 2. Tratando-se de demanda envolvendo servidora pública municipal com vínculo estatutário, deve o adicional de insalubridade por ela reclamado estar regulamentado em lei municipal de iniciativa do Poder Executivo, disciplinando, inclusive, os graus de insalubridade e percentuais cabíveis para cada categoria. 3. Inexistindo legislação complementar, não há falar em pagamento do adicional em observância ao princípio da legalidade, não podendo o Judiciário suprir omissão legislativa, sob pena de violação ao princípio da separação dos poderes, pilar do Estado de Direito (art. 2º da CF/1988). 4. O pagamento do adicional de insalubridade também está condicionado ao laudo que prova efetivamente as condições insalubres a que estão submetidos os servidores, conforme precedente do STJ, não tendo a parte autora juntado qualquer documento apto a comprovar a sua exposição a agentes prejudiciais à saúde. 5. Quanto ao adicional por tempo de serviço, a Lei Municipal nº 110, em 19 de agosto de 2013, revogou expressamente o art. 64 da Lei Municipal nº 217/98 que estipulava o anuênio para os servidores públicos Municipais. Apesar disso, a parte autora estava em exercício quando da vigência do art. 64 do Estatuto Servidores Públicos do Município de Uruoca, de modo que o direito de continuar percebendo os anuênios pelos respectivos períodos aquisitivos anteriores à revogação do benefício já havia se incorporado ao seu patrimônio, não havendo falar em prescrição do fundo de direito.&#160; 6. Lado outro, deve-se determinar que o pagamento dos anuênios se dê no valor nominal que receberia antes da revogação do benefício pela Lei Municipal nº 110/2013, isto é, sem incidência da forma de cálculo prevista na legislação revogada. Isso porque é cediço que não há direito adquirido a regime jurídico remuneratório, ressalvando-se tão somente a irredutibilidade de vencimento ou proventos, de modo que a Administração não está impedida de extinguir ou reduzir vantagens, mas deve respeitar, dentre os direitos adquiridos, o valor literal da remuneração do servidor, preservando-a através de mecanismos como o reenquadramento ou o pagamento de parcela complementar (vantagem de caráter pessoal não restringível ou vantagem pessoal não identificada). 7. SENTENÇA MANTIDA. 1. A presente controvérsia recursal gira em perquirir a correção da Sentença impugnada, a qual reconheceu parcialmente o direito da parte autora, ora apelante, de receber adicional de insalubridade, nos termos constantes na Sentença, e de considerar prescrito o direito relacionado ao recebimento de adicional por tempo de serviço. 2. Analisando os autos, conforme ficha funcional da parte postulante (ID 10865108), verifica-se que esta é atendente de consultório dentário, admitida como servidora pública em 01.04.2022, motivo pelo qual postula a incorporação de adicional por tempo de serviço, o qual era previsto no art. 64, do Estatuto dos Servidores Públicos do Município de Uruoca, bem como de adicional de insalubridade, pois exerceria atividade de risco. 3. Quanto ao adicional por tempo de serviço, este fora revogado pelo art. 1º, da Lei Municipal nº 110/2013, cujo teor pode ser observado no ID 10865107. A parte recorrente ingressou no serviço público municipal em 01.04.2022, motivo pelo qual faria jus ao citado adicional do citado período até a revogação da lei. Apesar disso, a presente ação fora interposta em 10.10.2018 (ID 57614469), mais de cinco anos após a revogação do benefício, ocorrida em 19.08.2013, não havendo que se falar em direito de receber os valores que deixou de fazê-lo, como alegado em sede recursal, uma vez que não postulou tal benefício em tempo hábil. 4 . Em relação ao adicional de insalubridade, verifica-se que, a teor do laudo técnico de condições ambientais (ID 10865111), resta comprovada a insalubridade de grau médio da função exercida pela autora, motivo pelo qual restou correta a Sentença ao deferir o pagamento do benefício na porcentagem de 20% (vinte por cento)&#160;do salário mínimo. O ponto questionado pela recorrente, entretanto, refere-se a data de início do benefício, uma vez que o citado laudo não encontra-se datado. A fixação da data de início da insalubridade remonta a data da produção da prova pericial, uma vez que não se pode presumir a ocorrência da insalubridade em datas pretéritas. Assim, a Sentença é correta ao estabelecer a data de início como a data de apresentação do laudo, pois inexiste prova da existência do requisito para a concessão do benefício em data anterior.5. O Supremo Tribunal Federal (STF), no julgamento de recurso submetido à sistemática da repercussão geral, superou a tese de ilegitimidade dos entes públicos para as demandas de saúde, e determinou que o magistrado avalie a pretensão em respeito às regras administrativas de repartição de competência entre os gestores do Sistema Único de Saúde (SUS). 2. Compete à União, por meio do Ministério da Saúde, incorporar medicamentos às listas dos SUS (art. 19-Q da Lei nº 8.080/1990), não havendo como imputar aos entes estaduais e municipais omissão no dever de fornecer medicamentos ainda não padronizados. 3. Nos precedentes obrigatórios firmados tanto pelo STF quanto pelo Superior Tribunal de Justiça (STJ) determinou-se a participação da União Federal nas lides em que se pretende o fornecimento de terapias off label, ou seja, fora dos usos autorizados pela Agência Nacional de Vigilância Sanitária (ANVISA), o que afasta, a princípio, a obrigação de fornecimento liminar pelos entes municipal e estadual. REMESSA DOS AUTOS À JUSTIÇA FEDERAL. PRECEDENTES DO STF E DO TJCE. RECURSO CONHECIDO E PROVIDO. REEXAME PREJUDICADO. REMESSA DOS AUTOS À JUSTIÇA FEDERAL. EFEITOS DA SENTENÇA MANTIDOS (ART. 64, § 4º DO CPC). 1. O cerne da questão cinge-se em analisar se é devida a inclusão da União no polo passivo da demanda, eis que o pleito se trata de fornecimento de medicamento oncológico, tratamento custeado com recursos federais, ocasionando na remessa dos autos à Justiça Federal. 2. O STF, ao rejeitar os embargos de declaração opostos em face do Recurso Extraordinário 855.178-RG (Tema n. 793 da Repercussão Geral), fixou a tese no sentido de que "Os entes da federação, em decorrência da competência comum, são solidariamente responsáveis nas demandas prestacionais na área da saúde, e diante dos critérios constitucionais de descentralização e hierarquização, compete à autoridade judicial direcionar o cumprimento conforme as regras de repartição de competências e determinar o ressarcimento a quem suportou o ônus financeiro". 3. Na hipótese vertente, observa-se que a pretensão autoral se trata do fornecimento de fármaco utilizado para tratamento contra o câncer (SUNITINIBE), sendo responsabilidade da União, por meio do Ministério da Saúde, o financiamento dos medicamentos oncológicos. Dessa forma, torna-se necessária a inclusão da referida entidade federativa no polo passivo da presente demanda, devendo os autos serem remetidos à Justiça Federal, diante do reconhecimento da incompetência deste Juízo. Precedentes do STF e deste Tribunal de Justiça. 4. Importa ressaltar que, diante do que estabelece o art. 64, § 4º, do CPC, os efeitos da decisão proferida pelo Juízo de origem devem ser preservados, até nova apreciação pela Justiça Federal. 5. Recurso conhecido e provido. Reexame prejudicado. Remessa dos autos à Justiça Federal. Efeitos da sentença mantidos (art. 64, § 4º, CPC). DIREITO EXCLUSIVO DOS SUBTENENTES QUE JÁ OCUPAVAM A GRADUAÇÃO À ÉPOCA DA LEI ESTADUAL Nº 15.784/2015. AUSÊNCIA DE PROVA PRÉ-CONSTITUÍDA QUANTO À APLICAÇÃO DA NORMA EXCEPCIONAL. SEGURANÇA DENEGADA. 1. Cinge-se o mandado de segurança à discussão sobre o suposto direito líquido e certo dos impetrantes de participarem no Curso de Habilitação de Oficiais do Corpo de Bombeiros Militares do Estado do Ceará - CHO/CBMCE de 2021, sem se submeterem à seleção interna prevista no art. 5º, da Lei Estadual nº 15.797/2015 e art. 20 do Decreto nº 31.804/201, em que a aprovação está condicionada à obtenção de nota mínima de 50% (cinquenta por cento) de acerto na prova escrita. 2. Decerto, o art. 31-A da Lei Estadual nº 15.785/2015 prevê o direito de não submeter a processo seletivo para fins de promoção ao posto de 2º Tenente; todavia, a norma beneficia exclusivamente os Subtenentes que já estavam nessa graduação até a data da publicação da lei, ou seja, 28 de maio de 2015. Dessarte, considerando que os impetrantes não fizeram prova pré-constituída de que reuniam esses requisitos, não há falar em direito líquido e certo à aplicação do art. 31-A, da Lei Estadual nº 15.785/2015. 3. Ressalte-se que, apesar de o art. 31-A, da Lei Estadual nº 15.785/2015, ter sido acrescido àquele diploma pela Lei Estadual nº 16.023, de 25 de maio de 2016, os requisitos devem ser examinados à data da publicação da Lei Estadual nº 15.785/2015, uma vez que o texto normativo foi inserido no diploma mais antigo<span style="font-size: 10pt; font-family: 'Times New Roman',serif; color: #000000; background-color: transparent; font-

Busca o ente público a revogação da gratuidade da justiça concedida às autoras e, no mérito, a reforma da sentença, objetivando a improcedência dos pedidos formulados na inicial, ao passo que as autoras requerem a reforma da sentença, visando à concessão da implantação do reajuste conforme requerido na inicial, bem como ao pagamento de diferenças referentes à progressão horizontal. 2. Conforme exegese do art. 496, §1º, do CPC, em regra, não há remessa necessária se houver apelação interposta pela Fazenda Pública. Precedentes. 3. "De acordo com o § 3º, do art. 99, do CPC, presume-se verdadeira a alegação de insuficiência deduzida exclusivamente por pessoa natural. (...). Diante da presunção estabelecida pela lei, o ônus da prova na impugnação à gratuidade é, em regra, do impugnante". Precedentes do STJ e do TJCE. 4. " A Lei Federal nº 11.738/2008, instituidora do piso salarial nacional para os profissionais do magistério público da educação básica, assegura apenas os valores mínimos a serem recebidos pelos professores, inexistindo previsão legal de que o mesmo percentual de reajuste do piso salarial incida também sobre os vencimentos básicos dos profissionais que já recebem valor superior àquele". Precedentes do TJCE <span style="font-size: 11pt; font-family: Arial,sans-serif; color: #000000; background-color: transparent; font-weight: 400; font-style: normal; font-variant: normal; text-decoration: none; vertical-align: baseline; white-space: pre-wrap;">. 5. Em pronunciamento definitivo de mérito, o STF julgou improcedente o pedido formulado na ADI 4.167, restando, assim, estabelecido que o piso salarial dos professores deverá ser observado em relação a todos os professores efetivos da educação básica da União, dos Estados e dos Municípios. 6. "A concessão do reajuste de forma automática e na sua integralidade, mesmo quando já respeitado o piso salarial dos professores, conforme pleiteado na exordial, somente pode ocorrer mediante Lei específica e de acordo com a discricionariedade da Gestão Pública, não podendo o Judiciário atuar como legislador positivo, criando normas que a Lei não prevê, e aumentando vencimentos de servidores públicos, sob pena de afronta à Súmula Vinculante nº 37 e aos Princípios da Legalidade e da Separação dos Poderes". Precedentes. 7. Na hipótese, pelo que se depreende dos autos, três autoras perceberam vencimento-base aquém do piso salarial nos anos de 2018, 2019 e 2020, e uma das demandantes percebia vencimento-base superior ao piso salarial nos mesmos anos. 8. No caso, além da legislação municipal anexada, que prevê genericamente a progressão horizontal, e de algumas poucas fichas financeiras das autoras, nas quais sequer se verifica a classe ou referência destas, não há elementos nos autos que possibilitem a análise da existência, ou não, das diferenças pleiteadas. Acrescente-se que as tabelas demonstrativas acostadas com a inicial não servem como meio de prova do direito alegado, haja vista que são documentos produzidos de forma unilateral. Aplicação do art. 373, I do CPC. 9. A correção monetária e os juros de mora foram corretamente aplicados na espécie, devendo ser mantidos nos termos adotados pela sentença, mas apenas até 08/12/2021, haja vista que em 09/12/2021 passou a incidir, por força da EC 113/2021, a taxa Selic, reformando-se a sentença de ofício nesse ponto. 10. DIREITO CONSTITUCIONAL E ADMINISTRATIVO. PROFESSORES DA REDE MUNICIPAL DE ENSINO DE NOVO ORIENTE. PRETENSÃO DE REAJUSTE SALARIAL NO MESMO ÍNDICE APLICADO AO PISO NACIONAL DA EDUCAÇÃO BÁSICA REFERENTE AO ANO DE 2020. IMPOSSIBILIDADE. AUSÊNCIA DE ILEGALIDADE. APELAÇÃO CÍVEL CONHECIDA E NÃO PROVIDA. 1. O cerne da controvérsia gira em perquirir se existe, ou não, desacerto na sentença oriunda do Juízo de Direito da Vara Única da Comarca de Novo Oriente que julgou improcedente Ação de Cobrança de Reajuste Salarial à base de 12,87%, referente ao ano de 2020, proposta por integrantes do magistério do Município de Novo Oriente. 2. Descendo à realidade dos autos, verifica-se que não há questão controversa a respeito dos fatos, vez que os autores recebiam, em 2020, valores superiores ao piso nacional (fls. 26, 34, 39 e 44), mas apenas quanto a interpretação do complexo normativo. Cumpre assentar, inicialmente, que a Constituição Federal assegura expressamente, em seu art. 206, inciso VIII, como princípio norteador do Direito à Educação, nos termos de lei federal, “piso salarial profissional nacional para os profissionais da educação escolar pública”, o qual restou regulamentado pela Lei nº 11.738, de 16 de julho de 2008. 3. A Corte de Cidadania sufragou entendimento, em sede de Recursos Repetitivos (Tema nº 911), segundo o qual “a Lei n. 11.738/2008, em seu art. 2º, § 1º, ordena que o vencimento inicial das carreiras do magistério público da educação básica deve corresponder ao piso salarial profissional nacional, sendo vedada a fixação do vencimento básico em valor inferior, não havendo determinação de incidência automática em toda a carreira e reflexo imediato sobre as demais vantagens e gratificações, o que somente ocorrerá se estas determinações estiverem previstas nas legislações locais”. 4. No caso vertente, argumenta o recorrente que a Lei Municipal nº 585/2009 possibilitaria, em seu art. 51, na forma prevista na parte final da tese firmada pelo Superior Tribunal de Justiça, a incidência automática dos reajustes do piso nacional em toda a carreira, inclusive nas classes mais elevadas, que recebem valor superior ao vencimento básico inicial, e não somente na classe inicial. Todavia, a Lei Municipal nº 585/2009 não assegura a incidência escalonada dos reajustes, como pretende o recorrente. 5. Com efeito, a redação do art. 51, apesar de prever a possibilidade de reajuste anual, não permite inferir que, aos professores que percebem além do vencimento básico inicial, o reajuste ocorreria mediante utilização do mesmo percentual aplicado àqueles que auferem o piso nacional, o que, inclusive, seria inconstitucional. Não se olvide que o art. 5º da Lei Federal nº 11.738/08 aplica-se somente ao piso nacional profissional do magistério público da educação básica, o que não se confunde com a hipótese de remuneração global. 6. A propósito, eventual intervenção do Poder Judiciário resultaria em violação ao art. 37, inciso X, da Constituição Federal (X - a remuneração dos servidores públicos e o subsídio de que trata o § 4º do art. 39 somente poderão ser fixados ou alterados por lei específica, observada a iniciativa privativa em cada caso, assegurada revisão geral anual, sempre na mesma data e sem distinção de índices). Nesse sentido é a Súmula Vinculante nº 37 do Supremo Tribunal Federal, in verbis: “Não cabe ao Poder Judiciário, que não tem função legislativa, aumentar vencimentos de servidores públicos sob o fundamento de isonomia”. 7. Recurso de Apelação Cível conhecido e não provido.” (TJCE, Apelação 0010351-78.2020.8.06.0134, Relª. Desª. RECURSO CONHECIDO E PROVIDO. SENTENÇA ANULADA <span style="color: #000000;"> <span style="font-family: Arial, sans-serif;"> <span style="font-size: 10pt;">. 1. Trata-se de Apelação Cível interposta pela 2ª Promotoria de Justiça de Quixadá (id. 10834139), em face de sentença de id. 10834134, proferida pelo d. juízo da 1ª Vara Cível da Comarca de Quixadá, em sede de Ação de Obrigação de Fazer ajuizada por MARIA OSANEA DE ARAUJO em desfavor do INSTITUTO DE SAÚDE DOS SERVIDORES DO ESTADO DO CEARA – ISSEC, a qual julgou parcialmente procedente os pedidos da exordial. 2. A autora, igualmente irresignada interpôs recurso de apelação (id.10834141), requer o conhecimento e provimento da apelação para que seja: "… conferindo integral provimento a presente apelação, determinando, via de consequência, a reforma parcial da sentença ID n.º 71436931, tão somente para fins de que seja reconhecido e autorizado por este douto Juízo a concessão em favor da apelante de assistência de técnico de enfermagem 24 h/dia." 3. Por fim, o INSTITUTO DE SAÚDE DOS SERVIDORES DO ESTADO DO CEARA – ISSEC, interpôs o recurso de apelação (id. 10834145), pugnando em suma pelo conhecimento e provimento da apelação para que seja julgado totalmente improcedente o pleito autoral. 4. A douta 32ª Procuradoria de Justiça do Estado do Ceará lançou parecer acostado aos autos sob o id. 11888645, opina pelo conhecimento e provimento do recurso apelatório interposto pelo Ministério Público, in verbis: "manifesta-se pelo conhecimento e provimento do Recurso Apelatório interposto pelo Ministério Público, restando prejudicado Recurso de Apelação interposto pelo Instituto de Saúde dos Servidores do Ceará – ISSEC e por Maria Osanea de Araújo, em razão da nulidade avençada pelo Parquet." 5. Adianto que se faz prejudicada a análise dos recursos de apelação interpostos pelas partes, posto que, com efeito, o Código de Processo Civil estabelece que compete ao Ministério Público atuar na defesa da ordem jurídica, do regime democrático e dos interesses e direitos sociais e individuais indisponíveis, intervindo em todas as causas em que há interesse público ou social, art. 176 e art. 178, I, do CPC; 6. Nesse contexto, o art. 279, caput, do CPC, estabelece ser nulo o processo quando o membro do Ministério Público não for intimado a acompanhar o feito em que deva intervir, devendo haver a anulação da sentença; 7. Destarte, a intervenção do Ministério Público na presente demanda, a meu sentir e ver, se faz primordial, nos moldes preconizados no art. 178, caput, do CPC, o que foi inobservado pelo judicante primevo, impondo-se a decretação de nulidade da sentença, à luz do disposto no art. 279 do CPC, devendo os autos retornarem à primeira instância para manifestação do Órgão Ministerial;

NULIDADE PROCESSUAL COM DETERMINAÇÃO DE RETORNO DOS AUTOS À ORIGEM PARA REGULAR PROCESSAMENTO DO FEITO. RECURSO PREJUDICADO . 1. Embora haja entendimento jurisprudencial no sentido que a atuação do Ministério Público em sede recursal possa suprir sua ausência no juízo da origem, importante salientar que, no caso em tela, além de não ter havido pronunciamento de mérito, houve arguição expressa de prejuízo por parte do Parquet nesta instância. 	DO MINISTÉRIO PÚBLICO NO JUÍZO DE PRIMEIRO GRAU. SENTENÇA ANULADA. INTELIGÊNCIA DOS ARTS. 178, INCISO II, E 279, §§ 1º E 2º, AMBOS DO CÓDIGO DE PROCESSO CIVIL. PREJUDICADA A ANÁLISE DO RECURSO DAS APELANTES. ACÓRDÃO Vistos, relatados e discutidos estes autos, acorda a Segunda Câmara de Direito Público do Tribunal de Justiça do Estado do Ceará, à unanimidade, em reconhecer a nulidade indicada pelo Parquet, determinando a cassação da sentença e o retorno dos autos ao juízo de origem, nos termos do voto do Relator, que faz parte desta decisão. Fortaleza, data e hora indicadas no sistema. FRANCISCO GLADYSON PONTES Relator (Apelação Cível - 0003830-69.2015.8.06.0142, Rel. Desembargador(a) FRANCISCO GLADYSON PONTES, 2ª Câmara Direito Público , data do julgamento: 17/03/2021, data da publicação: 17/03/2021) (destacou-se) &#160; E de minha relatoria: Apelação Cível 0009569-58.2018.8.06.0064 , data do julgamento: 07/08/2023, data da publicação: 24/06/2023. Desta feita, tendo em vista a configuração da nulidade por erro de procedimento, ante a ausência de intimação do Ministério Público de primeiro grau, o processo deve ser declarad o nul o a partir do momento em que o órgão ministerial deveria ter sido intimado , por cristalino vício insanável, a teor do disposto no art. 279, § 1º, do CPC. Ademais, considerando a concessão de tutela provisória de urgência por meio da decisão interlocutória de Id. 14714444, ressalta-se que, a princípio, a nulidade do referido ato judicial não trará nenhum prejuízo direto a parte autora, uma vez que resta assegurada a manutenção do direito à saúde pleiteado em sede liminar. Desse modo, em consonância com a legislação pertinente à matéria, conheço e dou provimento à Apelação Cível interposta pelo Ministério Público do Estado do Ceará , declarando a nulidade do feito a partir do momento em que o órgão ministerial deveria ter sido intimado em primeira instância, de modo a determinar o retorno dos autos a origem para regular processamento e prolação de nova sentença , motivo pelo qual julgo como prejudicada a análise dos recursos de apelação interpostos pelo Município de Fortaleza e pela Defensoria Pública do Estado do Ceará. Por fim, adverte-se que a almejada celeridade processual não pode se confundir com o desenvolvimento acelerado do feito, de modo que um eventual esforço concentrado da unidade judiciária para o adimplemento das Metas Nacionais estabelecidas pelo Conselho Nacional de Justiça não pode suprimir o devido processo legal. É imperiosa a observância às prerrogativas ministeriais legalmente estabelecidas, especialmente considerando que a intimação do Ministério Público em primeira instância vem sendo reiteradamente suprimida pelo juízo de origem, mesmo diante das hipóteses de obrigatória intervenção do Parquet como fiscal da ordem jurídica, a exemplo dos processos nº 3013411-77.2024.8.06.0001, nº 3025852-90.2024.8.06.0001, nº 3026014-85.2024.8.06.0001 e nº 3023742-21.2024.8.06.0001. <span

Apelação interposta contra a sentença que julgou procedente ação de servidor público municipal visando o pagamento de adicional por tempo de serviço (anuênio), em desacordo com o percentual previsto em lei. A municipalidade alega prejudicial de prescrição quinquenal (já reconhecida na sentença), que o Estatuto dos Servidores (Lei nº 537/1993) só teria entrado em vigor na data da publicação, em 2008 e lesão grave e de difícil reparação.</p><p class="Textbody" style="margin-bottom: 0cm; line-height: 150%;"> II. Questão em discussão </p><p class="Textbody" style="margin-bottom: 0cm; text-align: justify; text-justify: inter-ideograph; line-height: 150%;"> 2. A questão em discussão consiste em saber se a servidora faz jus ao adicional por tempo de serviço após a revogação da lei que o instituiu, considerando que os efeitos do direito contido na norma revogada atingiram a esfera jurídico-patrimonial da servidora enquanto aquela esteve em vigor.</p><p class="Textbody" style="margin-bottom: 0cm; line-height: 150%;"> III. Razões de decidir </p><p class="Textbody" style="margin-bottom: 0cm; text-align: justify; text-justify: inter-ideograph; line-height: 150%;"> 3. A lei municipal que instituiu o adicional por tempo de serviço é clara e autoaplicável, não exigindo norma complementar para produzir seus efeitos, logo, a servidora faz jus ao correto percentual do anuênio, pois os efeitos do direito contido na norma revogada atingiram sua esfera jurídico-patrimonial enquanto a Lei nº 527/1993 esteve em vigor, devendo a contabilização do percentual cessar em 15/05/2021, quando o direito foi revogado. A revogação posterior não retroage, não atingindo os direitos já incorporados.</p><p class="Textbody" style="margin-bottom: 0cm; text-align: justify; text-justify: inter-ideograph; line-height: 150%;"> 4. A publicação da lei, realizada por meio de afixação na sede da prefeitura, é válida. Precedentes do STJ e deste TJCE.</p><p class="Textbody" style="margin-bottom: 0cm; text-align: justify; text-justify: inter-ideograph; line-height: 150%;"> 5. O Superior Tribunal de Justiça possui iterativa jurisprudência no sentido de que empecilhos de ordem financeira ou orçamentária não podem ser utilizados com vistas a afastar direito de servidores públicos quanto à percepção de vantagem legitimamente assegurada por lei.&#160;</p><p class="Textbody" style="margin-bottom: 0cm; line-height: 150%;"> IV. DE OFICIO, RECONHECIMENTO DA PRESCRIÇÃO QUINQUENAL DE PARTE DAS PARCELAS. SENTENÇA PARCIALMENTE REFORMADA. 1. Caso em que o município apelante refuta sentença que o condenou ao pagamento de adicional por tempo de serviço incidente sobre o vencimento da ora recorrida, ao argumento de que a Lei Municipal instituidora dessa verba (Lei de nº 537/93) é inválida por ausência de publicação em órgão oficial. 2. (...) 4. Ao contrário do que afirma o apelante, o artigo 69 da Lei Municipal nº 537/93 já contempla o percentual a ser concedido a título de adicional por tempo de serviço aos servidores, qual seja, 1% (um por cento) por ano de serviço público efetivo, não havendo que se falar, dessarte, em necessidade de regulamentação deste direito através de norma superveniente. 5. A situação financeira deficitária do Município de Camocim não pode ser utilizada para elidir o direito de servidores públicos ao percebimento de vantagem legitimamente assegurada por lei. Precedentes do Superior Tribunal de Justiça e desta Corte de Justiça. 6. Outrossim, não obstante a nova informação, trazida no apelo da municipalidade, acerca da revogação do art. 69 da Lei Municipal nº 537/1993 pela Lei Municipal nº 1.528/2021, verifica-se que tal fato em nada altera a decisão recorrida, uma vez que o direito reconhecido foi incorporado à esfera jurídica da servidora enquanto esteve vigente, devendo cessar sua incidência na forma da lei, porém, sendo-lhe assegurado o benefício obtido até a sua revogação, inclusive com direito ao recebimento de todos valores vencidos e não prescritos. 7. Forçoso reconhecer, de ofício, estarem prescritas as parcelas vencidas antes dos 05 (cinco) anos que precedem a propositura da vertente ação, elucidando que a prescrição não alcança o percentual dos anuênios a serem incorporados, mas somente as parcelas das diferenças salariais devidas. 8. Recurso conhecido e desprovido. Modificação da sentença, de ofício, para aplicar a prescrição quinquenal. (Apelação Cível&#160;- 0050632-28.2020.8.06.0053, Rel. O cerne da questão consiste em analisar se o autor faz jus ao recebimento da quantia de R$ 8.977,26 (oito mil, novecentos e setenta e sete reais e vinte e seis centavos), referente à contraprestação pelos serviços prestados em prol do Município de São Gonçalo do Amarante, referentes à carga, transporte e descarga de lixo, e retirada de poda em algumas localidades. 2. A parte autora, aduzindo ser credora da quantia indicada, acostou à inicial notas de empenho emitidas pela prefeitura, referentes aos serviços prestados nos meses de agosto, setembro e outubro de 2012. A própria municipalidade ré afirmou que as referidas notas se encontravam insertas no livro ¿Restos a Pagar¿ da sua contabilidade. 3. O ente público, por seu turno, deixou de juntar aos autos qualquer prova de que o autor não prestara os

Quanto à alegada falta de assinatura, a jurisprudência desta Corte é no sentido de que a mera ausência de assinatura na nota de empenho não lhe exaure, por si só, o valor probatório quanto ao dever de pagar. 4. À míngua da prova de quitação dos valores pela municipalidade, e sendo possível apurar a liquidez das obrigações contratadas pela Administração junto ao particular, devido o reconhecimento do crédito em favor do autor, sob pena de enriquecimento sem causa da parte adversa (art. 884 do CC/02). No que tange à aplicação do art. 1º, §1º, parte final, da Lei Complementar Federal nº 101/2000 (Lei de Responsabilidade Fiscal) e no art. 37, da Lei Federal nº 4.320/64, que tratam da inscrição das dívidas processadas e não processadas em Restos a Pagar e do seu pagamento à conta de dotação específica, a discussão é irrelevante, uma vez que a dívida aqui reconhecida será paga mediante precatório ou RPV, com a previsão orçamentária respectiva. 4. PRECLUSÃO CONSUMATIVA. HONORÁRIOS ADVOCATÍCIOS. ARBITRAMENTO APENAS NA LIQUIDAÇÃO DO JULGADO. PREVISÃO LEGAL. RECURSO PARCIALMENTE CONHECIDO E PROVIDO, EM PARTE. 1. O argumento deduzido pelo agravante, tangente à obrigação de fornecer a medicação requestada pela agravada, somente foi suscitado pelo recorrente neste recurso, e não após a sentença, contra a qual nada impugnou o agravante. 2. É vedado à parte discutir no curso do processo as questões já decididas a cujo respeito se operou a preclusão. Previsão legal. 3. No tocante ao capítulo dos honorários advocatícios, tem-se que o STJ tem reafirmado a validade da Súmula 421, inexistente precedente vinculante da Corte Suprema em sentido contrário; assim, não cabe mesmo condenar o Estado do Ceará a pagar honorários quando, como ocorre no caso, a Defensoria Pública atua contra o próprio Estado do Ceará, pessoa jurídica de direito público à qual pertence. 4. Diferentemente é o tratamento relativamente ao agravante, que deve ser condenado a pagar honorários, visto ter sucumbido, no processo. De acordo com o&#160;princípio da causalidade, aquele que deu causa à propositura da ação deve ser condenado ao pagamento de honorários advocatícios (art. 85, do CPC). 5. Porém, visto a sentença recorrida ser ilíquida, o arbitramento dos honorários somente deve ser feito por ocasião da liquidação do julgado, nos termos do art. 85, § 4º, II, do CPC. 6. Agravo Interno parcialmente conhecido e provido, em parte. 	DO SUPERIOR TRIBUNAL DE JUSTIÇA E DESTA CORTE DE JUSTIÇA. APELO CONHECIDO E DESPROVIDO. Trata-se de Apelação Cível interposta pelo Instituto Nacional de Seguro Social - INSS contra sentença que deferiu o pedido inaugural, no sentido de condená-lo na concessão do benefício de aposentadoria por invalidez, bem como ao pagamento do valor retroativo, considerando como termo inicial o dia seguinte à cessação do benefício anteriormente concedido, qual seja: auxílio-doença. Pela documentação acostada, verifica-se que a autora Antonia Imaculada de Sousa Rocha foi acometida de dores crônicas e de limitação da mobilidade dos punhos, cotovelos e ombros e é portadora de Síndrome do manguito rotador (CID M75.1), de Epicondilite lateral (CID:M77.1) e de Tenossinovite do punho (CID: M65.8), situação que lhe incapacitou para o exercício de suas atividades laborais. Por tal motivo, requereu a concessão de vários benefícios de auxílio-doença (NB: 602.015.704-4; NB: 607.242.169-9 e NB: 612.903.180-0), pleitos deferidos, mas posteriormente cessado, em 24/11/2016, o último benefício. 4. Considerando que a demanda versa sobre sentença ilíquida, a definição do percentual alusivo aos honorários advocatícios deverá observar o disposto no art. 85, § 4º, II, do CPC, ou seja, deve ser fixado pelo juízo da liquidação. Altero, de ofício, a sentença nesse capítulo. 5. Apelo conhecido e desprovido em consonância com o parecer da douta PGJ. Sentença alterada, de ofício, no que pertine aos honorários sucumbenciais. ACÓRDÃO: Vistos, relatados e discutidos estes autos, acorda a 2ª Câmara Direito Público do Tribunal de Justiça do Estado do Ceará, em conhecer do Apelo, mas para negar-lhe provimento, nos termos do voto da relatora. RECURSO EXTRAORDINÁRIO A QUE SE DÁ PROVIMENTO. 1. O princípio da legalidade norteia os requisitos dos editais de concurso público. 2. O artigo 37, I, da Constituição da República, ao impor, expressamente, que “os cargos, empregos e funções públicas são acessíveis aos brasileiros que preencham os requisitos estabelecidos em lei”, evidencia a frontal inconstitucionalidade de toda e qualquer restrição para o desempenho de uma função pública contida em editais, regulamentos e portarias que não tenham amparo legal. (Precedentes: RE 593198 AgR, Relator Min. Dias Toffoli, Primeira Turma, julgado em 06/08/2013, DJe 01-10-2013; ARE 715061 AgR, Relator Min. Celso de Mello, Segunda Turma, DJe 19-06-2013; RE 558833 AgR, Relatora Min. Ellen Gracie, Segunda Turma, DJe 25-09-2009; RE 398567 AgR, Relator Min. O Legislador não pode escudar-se em uma pretensa discricionariedade para criar barreiras legais arbitrárias e desproporcionais para o acesso às funções públicas, de modo a ensejar a sensível diminuição do número de possíveis competidores e a impossibilidade de escolha, pela Administração, daqueles que são os melhores. 4. Os requisitos legalmente previstos para o desempenho de uma função pública devem ser compatíveis com a natureza e

	atribuições do cargo. (No mesmo sentido: ARE 678112 RG, Relator Min. Luiz Fux, julgado em 25/04/2013, DJe 17-05-2013). 5. A tatuagem, no curso da história da sociedade, se materializou de modo a alcançar os mais diversos e heterogêneos grupos, com as mais diversas idades, conjurando a pecha de ser identificada como marca de marginalidade, mas, antes, de obra artística. 6. As pigmentações de caráter permanente inseridas voluntariamente em partes dos corpos dos cidadãos configuram instrumentos de exteriorização da liberdade de manifestação do pensamento e de expressão, valores amplamente tutelados pelo ordenamento jurídico brasileiro (CRFB/88, artigo 5°, IV e IX). 7. É direito fundamental do cidadão preservar sua imagem como reflexo de sua identidade, ressoando indevido o desestímulo estatal à inclusão de tatuagens no corpo. 8. O Estado não pode desempenhar o papel de adversário da liberdade de expressão, incumbindo-lhe, ao revés, assegurar que minorias possam se manifestar livremente. 9. O Estado de Direito republicano e democrático, impõe à Administração Pública que exerça sua discricionariedade entrincheirada não, apenas, pela sua avaliação unilateral a respeito da conveniência e oportunidade de um ato, mas, sobretudo, pelos direitos fundamentais em um ambiente de perene diálogo com a sociedade. 10. A democracia funda-se na presunção em favor da liberdade do cidadão, o que pode ser sintetizado pela expressão germânica “Freiheitsvermutung” (presunção de liberdade), teoria corroborada pela doutrina norte-americana do primado da liberdade (preferred freedom doctrine), razão pela qual ao Estado contemporâneo se impõe o estímulo ao livre intercâmbio de opiniões em um mercado de idéias (free marktplace of ideas a que se refere John Milton) indispensável para a formação da opinião pública. 11. Os princípios da liberdade e da igualdade, este último com esteio na doutrina da desigualdade justificada, fazem exsurgir o reconhecimento da ausência de qualquer justificativa para que a Administração Pública visualize, em pessoas que possuem tatuagens, marcas de marginalidade ou de inaptidão física ou mental para o exercício de determinado cargo público. 12. O Estado não pode considerar aprioristicamente como parâmetro discriminatório para o ingresso em uma carreira pública o fato de uma pessoa possuir tatuagens, visíveis ou não. 13. A sociedade democrática brasileira pós-88, plural e multicultural, não acolhe a idiossincrasia de que uma pessoa com tatuagens é desprovida de capacidade e idoneidade para o desempenho das atividades de um cargo público. 14. As restrições estatais para o exercício de funções públicas originadas do uso de tatuagens devem ser excepcionais, na medida em que implicam uma interferência incisiva do Poder Público em direitos fundamentais diretamente relacionados ao modo como o ser humano desenvolve a sua personalidade. 15. A cláusula editalícia que cria condição ou requisito capaz de restringir o acesso a cargo, emprego ou função pública por candidatos possuidores de tatuagens, pinturas ou marcas, quaisquer que sejam suas extensões e localizações, visíveis ou não, desde que não representem símbolos ou inscrições alusivas a ideologias que exteriorizem valores excessivamente ofensivos à dignidade dos seres humanos, ao desempenho da função pública pretendida, incitação à violência iminente, ameaças reais ou representem obscenidades, é inconstitucional. 16. A tatuagem considerada obscena deve submeter-se ao Miller-Test, que, por seu turno, reclama três requisitos que repugnam essa forma de pigmentação, a saber: (i) o homem médio, seguindo padrões contemporâneos da comunidade, considere que a obra, tida como um todo, atrai o interesse lascivo; (ii) quando a obra retrata ou descreve, de modo ofensivo, conduta sexual, nos termos do que definido na legislação estadual aplicável, (iii) quando a obra, como um todo, não possua um sério valor literário, artístico, político ou científico. 17. A tatuagem que incite a prática de uma violência iminente pode impedir o desempenho de uma função pública quando ostentar a aptidão de provocar uma reação violenta imediata naquele que a visualiza, nos termos do que predica a doutrina norte-americana das “fighting words”, como, v.g., “morte aos delinquentes”. 18. As teses objetivas fixadas em sede de repercussão geral são: (i) os requisitos do edital para o ingresso em cargo, emprego ou função pública devem ter por fundamento lei em sentido formal e material, (ii) editais de concurso público não podem estabelecer restrição a pessoas com tatuagem, salvo situações excepcionais em razão de conteúdo que viole valores constitucionais. 19. In casu, o acórdão recorrido extraordinariamente assentou que “a tatuagem do ora apelado não atende aos requisitos do edital. Muito embora não cubra todo o membro inferior direito, está longe de ser de pequenas dimensões. Ocupa quase a totalidade lateral da panturrilha e, além disso, ficará visível quando utilizados os uniformes referidos no item 5.4.8.3. É o quanto basta para se verificar que não ocorreu violação a direito líquido e certo, denegando-se a segurança”. Verifica-se dos autos que a reprovação do candidato se deu, apenas, por motivos estéticos da tatuagem que o recorrente ostenta. 19.1. Consectariamente o acórdão recorrido colide com as duas teses firmadas nesta repercussão geral: (i) a manutenção de inconstitucional restrição elencada em edital de concurso público sem lei que a estabeleça; (ii) a confirmação de cláusula de edital que restringe a participação, em concurso público, do candidato, exclusivamente por ostentar tatuagem visível, sem qualquer simbologia que justificasse, nos termos assentados pela tese objetiva de repercussão geral, a restrição de participação no concurso público. 19.2. Os parâmetros adotados pelo edital impugnado, mercê de não possuírem fundamento de validade em lei, revelam-se preconceituosos, discriminatórios e são desprovidos de razoabilidade, o que afronta um dos objetivos fundamentais do País consagrado na

DECISÃO DE ORIGEM MANTIDA. 1. O cerne da controvérsia reside em analisar se é cabível a exigência de titulação específica para a investidura no cargo efetivo de Médico Intensivista do Instituto Dr. José Frota (IJF), nos termos do Anexo I do Edital nº 24/2020 (SEPOG), a saber, Residência Médica em Medicina Intensiva reconhecida pela Comissão Nacional de Residência Médica ou Certificado de conclusão de Residência Médica ¿ alternativamente, em Clínica Médica, Cardiologia, Neurologia, Anestesiologia ou Pneumologia ¿ cumulada com Título de Especialista em Medicina Intensiva, reconhecido pela Associação Médica brasileira. 2. Segundo a jurisprudência do Superior Tribunal de Justiça, o edital que rege o concurso público poderá exigir do candidato formação específica para a área escolhida, porquanto a Administração é livre para estabelecer as bases do concurso, desde que respeitada a igualdade entre os concorrentes, devendo selecionar profissionais adequados ao cargo público em questão, em atendimento aos princípios da moralidade, eficiência e interesse público. 3. Considerando o exposto, não se vislumbra existir qualquer ilegalidade, tendo em vista que todos os critérios utilizados para avaliar os candidatos foram expressamente e previamente especificados no edital regente do certame, em observância à determinação constitucional do art. 37 e incisos I e II, da CRFB, as legislações infraconstitucionais citadas e jurisprudência pátria. 4. Recurso conhecido e desprovido. Decisão de origem mantida.” (Agravo de Instrumento - 0631888-27.2022.8.06.0000, Rel. RECURSO CONHECIDO E NÃO PROVIDO. 1. O certificado de especialista em medicina intensivista, exigido expressamente pelo edital do concurso como requisito de investidura, tem previsão legal (art. 37, caput e incisos I e II, da CRFB), uma vez que a Lei Municipal nº 9310/2007 institui como requisito de ingresso no cargo de médico do quadro de pessoal efetivo do Instituto Doutor José Frota (IJF) título de especialista reconhecido pela Associação Médica Brasileira (AMB) ou título de especialização reconhecido pelo Ministério da Educação ou Residência Médica e que, em todos os casos, a formação deverá ser em área correlata ao cargo. Bem assim, a Lei Complementar Municipal nº 272/2019 acena com a possibilidade de o instrumento regulador do certame instituir outros requisitos para ingresso nos cargos de médicos do IJF. 2. A exigência, ademais, é adequada à luz dos princípios da razoabilidade e proporcionalidade, por garantir à Administração Pública maior segurança acerca da aptidão do profissional, mesmo porque o art. 17 da Lei Federal nº 3.268/57 preceitua que, para o exercício da medicina em determinado ramo ou especialidade, faz-se necessário o registro do título correspondente. 3. O cerne da presente questão cinge-se em examinar o acerto de sentença que entendeu pela improcedência do pleito autoral, uma vez que a parte autora deixou de comprovar requisito essencial para assumir cargo público. 02. O autor participou de concurso público para o cargo de médico intensivista, tendo logrado 7º lugar na colocação geral na primeira etapa do certame. No entanto, quando da convocação para apresentação dos documentos necessários para posse, o autor apresentou o Título de Especialista em Medicina Intensiva, obtido junto a AMIB - Associação de Medicina Intensiva Brasileira, o qual não foi aceito pela banca examinadora. 03. Defende o recorrente que o requisito da exigência do título de residência médica para concorrer ao cargo de médico do IJF é abusivo, tendo em vista que possui especialização em medicina intensiva, obtido junto a Associação de Medicina Intensiva Brasileira - AMIB, a qual é reconhecida pelo Conselho Federal de

Como ressaltado pela Procuradoria Geral de Justiça, "(...) é indene de dúvidas que, diferentemente do alegado pelo apelante, existe previsão legal expressa para a cobrança do Título de Residência que o recorrente pretende afastar." O cerne da presente questão cinge-se em examinar o acerto de sentença que entendeu pela improcedência do pleito autoral, uma vez que a parte autora deixou de comprovar requisito essencial para assumir cargo público. 02. In casu, a parte autora prestou concurso público para o cargo de médico do Instituto Doutor José Frota – IJF, na especialidade radiologia, Edital nº 60/2015, com vista ao preenchimento de 05 (cinco), sendo classificada na 12ª (décima segunda) colocação. 03. A tese do recorrente é que o requisito da exigência do título de residência médica para concorrer ao cargo de médico do IJF se ressoa abusivo porque, no seu caso, o mesmo tem especialização radiologia e diagnóstico por imagem, com RQE nº 9913, certificado expedido pelo Conselho Regional de Medicina do Estado do Ceará e pela Secretaria de Estado de Saúde do Estado de São Paulo – Conjunto Hospitalar do Mandaqui, pelo qual comprova o cumprimento da especialização médica na qualidade de Aprimoramento na área de Radiologia e Diagnóstico por Imagem, no período de 01/02/2010 a 31/01/2013, com reconhecimento do Colégio Brasileiro de Radiologia e Diagnóstico por Imagem. 04. Requisito este não atendido pela parte autora/recorrente. 05. Percebe-se, assim, que o princípio da vinculação ao edital ampara incondicionalmente a atitude da edilidade não havendo nada a corrigir ou alterar, não sendo a questão passível de controle pelo Poder Judiciário. 06.

PRINCÍPIOS DA PROPORCIONALIDADE, DA RAZOABILIDADE E DA EFICIÊNCIA. PRECEDENTES DO TJCE. REMESSA NECESSÁRIA CONHECIDA E DESPROVIDA. SENTENÇA MANTIDA. 1. O cerne da controvérsia cinge-se em aferir se a parte impetrante goza do direito líquido e certo à reclassificação para o final da fila de aprovados no concurso público para o provimento de cargo efetivo de Auditor Fiscal de Tributos do Município de Eusébio. 2. In casu, a documentação colacionada aos autos evidencia cabalmente que o Edital nº 001/2020 ofertou 3 (três) vagas imediatas destinadas à ampla concorrência e 2 (duas) vagas para cadastro de reserva para o cargo efetivo de Auditor Fiscal de Tributos e que o impetrante foi aprovado na 2ª (segunda) colocação para o aludido cargo, tendo sido convocado para assumir a função. Todavia, a parte impetrante manejou administrativamente pretensão de reclassificação para o final da fila de aprovados, tendo sido informado a respeito da impossibilidade do atendimento de tal pleito ante a ausência de previsão editalícia quanto à recolocação para o fim da lista de classificados. 3. Nada obstante a ausência de cláusula editalícia, revela-se juridicamente possível o remanejamento do candidato aprovado para que passe a figurar no último lugar da lista dos classificados, na medida em que tal providência não implica em absolutamente nenhum prejuízo aos demais certamistas, tampouco à Administração Pública, a qual, no âmbito de sua discricionariedade, poderá ou não convocar o candidato novamente. 4. Ao revés, o reposicionamento para o final da fila de aprovados do candidato que logrou êxito em certame público afigura-se medida consentânea com os princípios da proporcionalidade, da razoabilidade e da eficiência, favorecendo os concorrentes classificados em posição subsequente, uma vez que subirão uma colocação e serão beneficiados com a antecipação da convocação, e a própria Administração Pública, tendo em vista que poderá convocar em momento ulterior candidato que se mostrou qualificado para exercer a função pública, sem necessidade de deflagração de novo concurso público. Ademais, a recolocação para o fim da fila de candidato aprovado não traz qualquer prejuízo ao erário, nem importa em ofensa a direito de terceiros ou vilipêndio ao interesse público e aos postulados da legalidade, da vinculação ao edital, da isonomia ou da impessoalidade. O artigo 138 e seguintes tratam especificamente dos vícios de consentimento, que incluem erro, dolo, coação, lesão e estado de perigo. Esses vícios comprometem a liberdade e a vontade genuína de uma das partes ao celebrar o contrato, tornando-o passível de anulação. Contudo, para que a anulação seja efetivada, é indispensável a demonstração de provas concretas que evidenciem que o consentimento foi obtido de forma viciada, afetando a validade do ato jurídico. &#160; </p></div><div class="OutlineElement Ltr SCXW36775047 BCX0" style="-webkit-user-drag: none; -webkit-tap-highlight-color: transparent; margin: 0px; padding: 0px; user-select: text; clear: both; cursor: text; overflow: visible; position: relative; direction: ltr; font-family: &quot;Segoe UI&quot;, &quot;Segoe UI Web&quot;, Arial, Verdana, sans-serif; font-size: 12px;"> <p

Para tanto, cabe à parte interessada demonstrar, por meio de documentos, testemunhas ou perícias, que o vício existiu no momento da contratação. Os autos são oriundos de mandado de segurança impetrado contra ato que deferiu o pleito administrativo de repactuação dos custos do contrato firmado entre as partes, em face de convenção coletiva de trabalho, porém, limitando os seus efeitos à data do requerimento protocolizado pelo impetrante, em face da previsão contida na cláusula contratual 9.2. 3. A jurisprudência desta Corte é firme no sentido de que o aumento salarial dos empregados em razão de convenção coletiva de trabalho não configura fato imprevisível a justificar a repactuação contratual. 	PRETENSÃO DE REPACTUAÇÃO DO PREÇO. ACÓRDÃO RECORRIDO PELA IMPROCEDÊNCIA DO PEDIDO. MANUTENÇÃO. 1. Conforme pacífica orientação jurisprudencial deste Tribunal Superior e à luz do art. 65, inc. II, alínea "d", da Lei n. 8.666/1993, por ser previsível o advento de sua ocorrência, convenções ou acordos coletivos de trabalho não autorizam a repactuação dos valores referentes à mão-de-obra da respectiva categoria profissional; por isso, à míngua de previsão contratual, não há necessidade de recomposição do equilíbrio econômico-financeiro em razão de convenção coletiva de trabalho celebrada após o contrato administrativo. Precedentes. 2. No caso dos autos, está em conformidade com esse entendimento jurisprudencial o acórdão proferido pelo Tribunal de Justiça do Distrito Federal, o qual se apóia no fundamento de que: "porque previsível a superveniência de nova convenção coletiva de trabalho durante a vigência do contrato celebrado entre as partes, vez que previamente conhecida a data-base das categorias profissionais envolvidas, e, ademais, ensejando sua ocorrência incremento de custos em montante igualmente previsível, vez que, no caso, a CCT que sobreviera ensejara reajustes salariais em importes compatíveis com as que a antecederam, a circunstância, porquanto desqualificada a natureza extraordinária do evento, não legitima a revisão do contrato". 3. No contexto, o recurso especial não se revela adequado para a revisão do acórdão recorrido, porquanto eventual conclusão em sentido contrário dependeria do exame de provas, providência inadequada nessa via recursal, consoante enuncia a Súmula 7 do STJ. 4.
